

Wheat and Grain Supports Revealed

The 1954 grain and wheat price supports, announced recently, will help relieve Castro county farmer's minds of the cotton reduction acreage.

The '54 grain sorghum crop will be supported at 85 percent of parity and will be no less than \$2.28 per 100 pounds national average, according to PMA Secretary Horace Blagg. There will be no allotment controls on the 1954 grain sorghum crop, he added.

Cooperators of the 1954 wheat crop will be supported at 90 percent of parity, to be no less than \$2.20 per bushel national average. Blagg pointed out that farmers will be eligible for the 1954 wheat price support only if they plant within their acreage allotments.

Bureau Approves 'Action' Program

Eight new directors were elected and a number of resolutions effecting farm problems were passed at the annual convention of the Castro County Farm Bureau held Tuesday night in the local high school auditorium. Fifteen communities from over the county were represented as an overflow crowd gathered for the event.

Elected to two-year terms were the following: A. J. Kemp, Dimmitt; Frank Hoelting, Nazareth; Fred Axe, Jumbo; Ira Brown, Bethel; Allan Webb, Mulkey; Elmer Dixon, Cleo; Truett Boothe, Flag; and J. H. Dobbs, Frio.

Already serving as directors with terms expiring in one year

are: H. F. Benson, Easter; F. F. Collins, Southedge; Billy Sinclair, Rance; Leo Witkowski, Arney; Lon C. Boothe, Big Square; Roy Pyeatt, Hart; and J. M. Wright, Summerfield.

All but three of the original 12 national resolutions that were adopted by the bureau were passed. Six additional resolutions on cotton that were recently drawn up were also approved in addition to six state resolutions.

The bureau is strongly in favor of a program of action in order to improve the present slumping farm picture as evidenced in the following national resolutions that were approved and will be put before the state bureau

convention when it convenes this week-end in Mineral Wells. The resolutions follow:

COTTON: 1. That the agricultural program which is decided upon and passed for the coming year that expires next year and be set up to recognize light spots and middling pluses on any lean and price support plan on cotton. 2. That such a loan and support program have parity support based upon a low middling grade of character and 7/8 inch staple. 3. That a minimum moisture condition be set and standardized throughout the U. S. for cotton before it is graded and that such a minimum be high enough to

stimulate the humidity conditions (or moisture conditions) of cotton which is grown, ginned and graded in the Seaboard States, and that humidity control be established in classing offices in all states where average humidity conditions prevailing during the ginning season fail to measure up to the minimum established for classing. 4. That the Smith-Doxey classing service place more emphasis upon the qualifications and training of cotton classers which they employ through civil service or any other medium. 5. That Lubbock be established as one of the nation's spot cotton marketing centers. 6. That this area (or at least the state of Texas if Texas

isn't presently represented) be represented on the cotton advisory committee. 7. Recommend that the president of the farm bureau federation not be considered for re-election.

ACREAGE ALLOTMENTS: We urge that in our National Farm Bureau, that the actual acreages as established by the local PMA offices be used in determining farm acreages and allotments rather than the figures given by BAE. We recommend that more as established by the local PMA committees in distributing acreage allotments. We believe that the planted acreages in the past three years except in drought counties, reflect a definite trend in agriculture, and that state allotments should be distributed to counties that reflect this trend.

PARITY: We favor 100 percent of parity on commodities when acreage controls are in effect, and not less than 80 percent of parity when controls are in effect. We are opposed to the sliding scale in figuring parity.

SURPLUSES: We urge the Department of Agriculture and the Secretary of State to dispose of agricultural surpluses through foreign aid programs now in effect in trade for products not produced or manufactured in the United States.

REPRESENTATION AND PUBLICITY: We recommend that national leaders in the American Farm Bureau be selected to more adequately represent the South. We recommend that USDA agencies be required to publish in local newspapers a complete financial statement and expenditures. We favor improving the state and national farm organization papers so as to give its members more information concerning affairs effecting farmers, and informing consumers through other mediums.

The following state resolutions were passed by the group:

1. We are opposed to a road users tax on motor fuel used for non-highway purposes.
2. We reaffirm our position of a tax on natural resources in lieu of increasing the tax on gasoline.
3. We favor speed limit on pickups and light trucks comparable to that of automobiles.
4. We favor a fair salary for our Texas representatives and senators.
5. We recommend that Texas Farm Bureau use its influence to have our Texas legislature, television, if cost not prohibitive.
6. We recommend that the Labor committee have more farmer representation when contracts are made with other countries for alien labor.
7. And we recommend that cotton weight penalties not exceed \$5 a bale and that the ginner pay 50 percent of the penalty (or a state level).

At the conclusion of the regular business session a quartet from the local high school entertained the group. A solo was also sung by Miss Raneal Ivey.

County Farm Bureau President Allan Webb will represent his organization at the state bureau convention at Mineral Wells this week-end.

TOP WINNER—John Bridges of the Hart 4-H Club proudly shows his fat lamb that was accorded grand champion honors at the Texas State Fair last month. Bridges sold the prize animal for a good price. He has been active in 4-H work for many years and plans to show animals at future fairs. He is the son of Mr. and Mrs. Howard Bridges of Sunnyside.

8 PAGES—NUMBER 1

Formal Opening of First State Bank Is Set for November 11

The public will be guests of the Dimmitt First State Bank Wednesday, November 11, when the recently remodeled institution opens its doors for inspection.

From 9 a. m. to 4 p. m. the bank will be open to the public. November 11 is Armistice Day, therefore no business will be transacted at the bank, enabling visitors to get a thorough look at the new fixtures and improvements. Coffee, cakes and cookies

will be served throughout the day as the bank and its staff takes a brief respite to show off the remodeled quarters.

In announcing the formal opening and extending a special invitation to city and county residents to see the bank, President Robert McLean stated, "We are very proud of our remodeled quarters and in the future will endeavor to give our patrons the same courteous and efficient service as has been our policy in the past."

Visitors to the bank Wednesday will see a tremendous change in the interior of the building. All teller windows have been rearranged to face east. The book-keeping department has been moved to the rear of the building to make more space available at the front. Lining the northside of the bank are offices for the cashier and president. The latter's office has also been enlarged considerably. A coffee bar has been set up in the rear for the convenience of staff members. The building contains complete new fixtures throughout and some new furniture.

Established in 1907 the bank will be observing almost 47 years of service. Cost of the remodeling job is estimated at \$15,000.

The public is urged to be on hand for the opening and inspect the bank's modernistic new facilities.

Assembly of God Church Expands

The program of expansion, started late last week by the local Assembly of God Church, is designed to take care of a rapidly increasing membership, according to church officials.

The program calls for four new Sunday School rooms and two rest rooms at a cost of some \$1300. The new addition will measure 20 by 32 feet and will be all-wood construction. Church members are volunteering labor for the project which is slated to be completed in the latter part of the month.

The addition is part of the church's over-all expansion program. Members are contemplating enlarging the auditorium of the church at a later date.

Redesignation of Highway 62 Aired At Tuesday Meeting of Lions Club

The possibility of redesignating Federal Highway 62 in order that the heavily traveled route might run through Dimmitt, was aired at the Tuesday luncheon meeting of the local Lions Club.

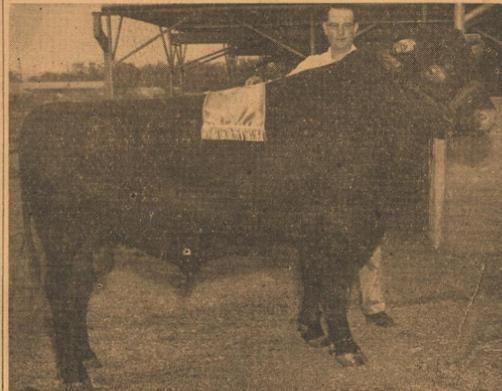

Lion B. M. Nelson, who suggested the possible redesignation, pointed out that Highway 62 currently runs from Oklahoma City to Memphis; cuts off to Paducah and continues on to Floydada, Lubbock and other points west. By redesignating Highway 256 from Memphis to Silverton and 86 from Silverton to Dimmitt and points west, a more direct route can be acquired and many unnecessary miles eliminated, Nelson explained. This would mean that Highway 62 would run from the Oklahoma capitol to Dimmitt, Clovis and points beyond. It would also increase the present flow of traffic through the city as well as shorten the route, he added.

Club members voted to make the project a joint venture of the Castro County Chamber of Commerce and the Lions Club. Lion T. A. Singer urged an early meeting of clubs and other groups interested in the project with the ultimate hope of putting the project over.

Highway 51 through Dimmitt will be recognized as an international route when the Canadian bridge above Vega is completed, linking Dimmitt with the Canadian border. The expected completion of the bridge in early 1954 will mean a big increase of traffic on the highway.

Lion Earl Brock reminded members that a Boy Scout Court of Honor will be held in the district courtroom of the courthouse here November 12, beginning at 7:30 p. m. Troops from Dimmitt, Hart and Tulla will be represented. Dimmitt holds the attendance trophy, Brock said, but will need a good attendance Thursday night in order to hold it. All Scouts qualifying will receive merit badges, or advancement in ratings, whichever ever the case may be.

A film sponsored by the Southern Public Service Company and showing development in the Southwest will be shown at the next meeting.

GRAND CHAMPION—Leo Witkowski, Castro county dairyman and livestock showman, stands behind the milking shorthorn bull that won the grand champion award at the state fair recently. This is only one of Witkowski's many fine animals that placed high at the fair. He plans to enter several other livestock shows before the year is over.

Cotton Situation Unfavorable For Castro Farmers

Cotton Surpluses Grow As Uncle Sam Sets Up Allotments

Castro county farmers suffering from the recent rain and hail storms won't find solation in the worsening cotton situation which has forced Uncle Sam to set up allotments for 1954.

Local PMA Secretary Horace Blagg agreed this week that the cotton picture is serious and continues bad. Blagg indicated that there is not much hope for any immediate solution as federal warehouse surpluses grow. The estimated carryover in bales as of August 1, 1954, according to figures released by Blagg, amounts to 7,854,046.

The seriousness of the cotton situation is reflected in the ensuing figures, made available by Blagg:

Carryover on August 1, 1953, 5,064,346 running bales; 1953 crop, 15,314,600; estimated imports from August 1953 to August 1954, 75,000 bales; supply for 1953-54 marketing year, 20,454,046 bales; disappearance from August 1953 to August 1954, 12,600,000; estimated carryover on Aug. 1, 1954, 7,854,046; total needed production from '54 crop, 8,450,954 (law prevents agriculture secretary from setting this figure below 10,000,000 bales so next year's production will be 10,000,000.)

The national acreage planted to cotton during the past three years is as follows: 1951, 28,021,000; 1952, 26,808,000; and 1953, 24,600,000. All Castro county farmers will be notified of their 1954 cotton acreage allotment around December 1 of this year.

A marketing quota election will be held in the county December 15 according to Blagg, to determine if cotton farmers want marketing quotas on their 1954 crop. County voting places will be announced prior to the election.

Bobcats Still In Third Place; Face Sudan Hornets Here Friday Night

Although the Dimmitt football team remained in third place among class "A" teams in the Panhandle this week, the Purple and White gridders failed to gain any prestige from their close decision over Happy Friday night.

The Cats may go into their game Friday night against the powerful Sudan Hornets underdogs since they managed to defeat their last two opponents, Happy and Amherst, by only one touchdown. Sudan will be up for the Friday night tilt despite their close loss to Springlake, an undefeated eleven. The Hornets, according to Coach Leo Fields, will have the same line as last season that caused the Bobcats considerable trouble last year. Fields compares the Sudan backfield to the fastest in the Panhandle and insists that his team will have to play their best in order to hold the Hornets on equal terms.

The Bobcats resumed regular workouts this week but were minus the services of several key players. Don Johnston, suffering from an injury incurred in the Amherst game, will be out of Friday night's battle, as will George Ray, who underwent an

appendicitis operation over the weekend. Charlie Brown has been moved from the backfield to a tackle position and "Wimpy" Witt from guard to tackle. Richard Wood, will be back, however, for the first time since the Panhandle game, and may boost Bobcat stock some. Wood will enter the game wearing specially built pads to prevent any further injury to his collar bone.

Injuries dampen the Bobcat's hopes somewhat but the squad is showing signs of their early season calibre, according to Fields, and this will go a long way toward offsetting their deficiencies. The game will get underway at 8 p. m. in Bobcat stadium.

Riding the crest of eight straight wins are the potent Springlake Wolverines. The Wolverines rate first in class "A" again this week but will have to hurdle two more foes before they can clinch the district title. If the Wolverines get by Amherst they will then face one of their toughest tests of the season, their annual grudge battle with the Dimmitt Bobcats. The game looms as the top game of the week and will be played at Springlake on Friday, the 13th. Maybe the date will "jinx" the Springlake team, which is surely riding for a fall.

Redesignation of Highway 62 Aired At Tuesday Meeting of Lions Club

Redesignation of Highway 62 Aired At Tuesday Meeting of Lions Club

The possibility of redesignating Federal Highway 62 in order that the heavily traveled route might run through Dimmitt, was aired at the Tuesday luncheon meeting of the local Lions Club.

Lion B. M. Crop Benefits From Recent Rains Overshadow Losses In County

Widespread rains have caused some late damage to Castro county crops, however, damage is probably out weighed by benefit derived from the moisture, according to County Agent Charlie Hudson.

The wheat crop has benefited especially, Hudson says. Wheat pastures are coming on very rapidly since the rains, and livestock men are participating in the use of wheat pastures on an extensive scale for the first time in several years.

A survey reveals that harvesting of all crops is proceeding with rapidity. Approximately 5,500 bales of cotton have been ginned up to the time harvest was stopped by the rains. Cotton is yielding some four-fifths to one bale per acre where it was not damaged. There is still a shortage of some 1,000 cotton pullers in the county, Hudson asserted, but it is expected that very shortly this situation will be alleviated due to the employment of mechanical harvesters.

Cotton grades have been reduced somewhat due to recent rains, but county farmers are receiving a fairly good price as most of them are placing cotton under the government loan program. Prices received under this program average about 31 cents per pound.

The grain sorghum harvest is well underway with fields averaging from 2300 to 2500 pounds per acre. Storage space is rapidly filling, however, no great shortage of storage is predicted.

An acute problem facing county farmers now is the housing situation for itinerant workers. This problem reportedly is growing daily. County school officials also report crowded conditions with the attempt to enroll children of workers and care for them during the harvest season. No immediate solution is foreseen as the problems worsens.

Department Urges Vehicle Check

Dimmitt and Castro county motorists who haven't had their vehicles inspected to meet the state safety law requirements are urged to do so as soon as possible in order to avoid a last minute rush before the deadline on April 15 of 1954.

Castro Motor Company and Dimmitt Motor Company have been designated by the Department of Public Safety as inspection stations. These businesses are authorized to make safety inspections and issue stickers, designating that a vehicle has passed the state law requirement.

The inspection consists of a check of the vehicle motor number, brakes, lights, tail lamps, stop lights, horn, windshield wiper and mirror.

The Bethel Circle will meet with Mrs. Harry Rothwell, Monday afternoon. The time of the meeting remains the same, however members changed the place of meeting.

PRIZE ANIMAL—Seen here is the grand champion milking shorthorn cow of the State Fair of Texas. The prize animal was shown by Leo Witkowski, owner of Wheatland Farms and some of the finest livestock in the Southwest. Witkowski, representing Castro county at the fair, won numerous awards, too, with his show herd.

Youths Escape County Jail

Two Hereford youths, charged with theft, escaped from the county jail here over the weekend, according to Deputy Sheriff J. V. Messenger. The jail break was the first since the present jail was built in 1939.

The 13 and 14-year-old boys were arrested Saturday in Hereford by officers there and brought here as Deaf Smith county is without the services of juvenile jail facilities. They made their daring break around noon Sunday by removing the screws from a metal screen over a window in their upstairs ward and breaking a window pane. The youngsters slid down the flag pole at the northeast corner of the courthouse and walked away unnoticed.

Messenger indicated that the two youths retained a spoon from their dinner tray and used it to remove the screws from the screen. The heads of the screws in an adjacent window in the ward had been filed off, but the screw heads in the other window remained visible and the youths had little trouble removing them.

The teenage boys remained freed this week but Deaf Smith and Castro authorities are cooperating in their search for the couple. Appropriate measures have been taken by the sheriff's office here to prevent any future outbreaks.

Mr. and Mrs. Horace Carlile are visiting Mrs. Carlile's mother, Mrs. Patton at Jayton.

The Posey Cunninghams visited the Arthur Bartons in Earth over the weekend.

Soaking Rains Aid Area Winter Crops

Although the present fog and drizzle that is blanketing Castro county has stopped field work the moisture will go a long way toward improving small grain, Local Soil Conservation office officials say the light rain will delay harvesting of cotton and prevent some farmers from getting top price for their cotton. However, they add, if cotton is allowed to dry out completely losses will be held down or possibly eliminated.

The rain is penetrating the soil and will likely carry over to the spring, making the ground right for farming operations, officials report.

Hard Work And Sound Farm Practices Pay Off for Jumbo Community Farmer

(Editor's note) The ensuing story made available to the News through the courtesy of the Farmer-Stockman Magazine, is a good example of what can be done through will and determination and by employing sound farm practices.)

A sixty-five acre farm is a rarity on the Texas Plains, where land was once surveyed and sold in "sections" and "leagues." And young M. L. Simpson, Jr., did a lot of figuring and planning before he set up in the Jumbo Community on his own with a herd of dairy cows and a small farm.

Simpson was doing all right for himself with his father, who pioneered on the Plains in his own time. The successful young farmer has inherited the same self-reliance and ambition to stand on his own two feet, but didn't have the capital for a section or even a quarter section farm at present prices.

Could he make it on less? He thought through the possibilities with year-round grazing as the basis. Alfalfa, wheat, Sudan grass, with corr silage to fill in the gaps looked both possible and practical. Simpson talked it over with the then county agent, Edd McLeroy, who couldn't find any fatal flaw in the program.

So the aggressive Jumbo farmer took the leap. His 65 acres are watered and fertilized to a fare-you-well—15 acres in alfalfa, 15 in corn and silage and 15 in milo. Barley, oats and rye with clover and vetch furnish winter pasture, Sudan grass takes over for the summer.

"My goal was 4000 pounds of milo and ten tons of corn silage per acre," says Simpson. He used 100 pounds 45 percent superphosphate and 200 pounds ammonia nitrate, and beat his goals with 5000 pounds of milo and 12 tons of silage per acre. Vetch made 30,000 pounds green weight per acre.

Electric fence controls grazing in rotation, and his 25-cow producing herd had a 350 pound DHIA record. Besides, he is raising replacement heifers with a minimum of labor and concentrates.

Simpson is very active in the Jumbo Rural Neighborhood Progress Contest, and besides twice-a-day milking and in-between farm work, finds time for photography as a hobby.

Hospital News

Patients in hospital:
Mrs. Annie Hyatt, Donnie Brown, Jim L. Wilkinson, George Ray, Jr., Mrs. J. R. Gollehon, Mrs. Claud Heath, Hernandez Isiadio, Vicente Masquedo, Leocadio Ruiz, and Carrillo Mayo Manuel.

Patients dismissed since last report:
John G. Gober, Mrs. Tom Tate, Stanley Nelson, Mrs. Ed. J. Wilhelm, Roy Wood, William McAfee, Joe Lee Wilcox, Linda Allen, Mike Tomsonley, Bob Ott, Mrs. J. C. Montgomery, Jimmie Manning, Kayle Cummings, Richardson Mitchell, Thomas Finley, Kristi Webb, Mrs. F. U. Jackson, Nelson King, Mrs. Joe Hastings, Jesus Medina, Ruiz Jesus, Cruz Martinez Chavira, Gombao Cordero Jesus, Mrs. Esther Saliz and baby boy, Panuco Juan, Garza Gertrude, Jose Garcia, and Halmaria Sanchez.

Mexican Fined For Drunk Driving

Hilario Tenorio, Mexican laborer, pleaded guilty to a charge of driving while intoxicated, Monday morning and was ordered by County Judge Robert Estes to pay a fine of \$123.45 and spend three days in county jail.

The defendant was arrested Sunday afternoon two miles west of Hart on State Highway 194 by sheriff's deputies. A passing motorist noticed Tenorio's erratic driving and reported it to the sheriff's office. It was the second DWI fine meted out here in less than a month.

Clerk's Office Has New Sports Digest

County sports enthusiasts may obtain the new hunting and fishing laws digest at the Castro County Clerk's office.

The digest covers all wildlife in the state that is in addition to the various open seasons on wildlife. The bag limit during the open season is also included in the book.

Water Treatment Saves Teeth

Children in fifteen Texas cities are literally drinking their way to dental health through fluoridation of public water supplies, declares Dr. Geo. W. Cox, State Health Officer. Three other towns have approved the program and several other communities are seriously considering fluoridation.

The Texas State Department of Health approves fluoridation of public water supplies because it is the most practical and effective public health measure for partial prevention of tooth decay in children. Numerous studies have disclosed that one-half to two-thirds less dental decay is experienced by children who drink water containing one part fluoride to one million parts of water. Some cities in Texas have this amount naturally in their water supply.

It isn't known exactly just how fluoride acts in reducing tooth decay, but these ideas have been advanced. One is that fluoride makes the enamel of the teeth harder. Another is that fluoride reduces the growth of bacteria, or enzymes, and the acids that are believed to cause tooth decay. But it will be some time before the final answer is found.

The most dramatic results from the use of fluoridation to prevent tooth decay are found among the consumer's dollar is 9 cents lower today than it was in 1945.

4. That it will be "Pretty hard to stay in business" if small ranchers have to live with current cattle prices.

News of Our Neighbors

WELLINGTON—(from the Wellington Leader) Farm bureau members, in the annual meeting and barbeque recently, elected Wood Coleman, president; Clyde Emmert, first vice-president; Woody Wood, second vice-president; and Riley Dunson, secretary. The group also heard Walter Rogers pledge his continued work for the farmer and support prices.

MULESHOE—(from the Muleshoe Journal) Nearly 200 farmers crowded the district courtroom here recently when the annual convention of the Bailey County Farm Bureau was held and they discussed the pros and cons of propositions effecting the immediate future of Texas and U. S. agriculture. The group drew up resolutions that will be presented at the state convention.

CHILDRESS—(from the Childress Reporter) The board of directors of the Chamber of Commerce and Board of City Development, meeting recently, elected four new directors to two year terms on the board. Elected for the ensuing term were A. L. Sharp, Sr., C. V. Jones, Rowden Cordell and Truman McFarland. Eight candidates were nominated for the posts.

HALE CENTER—(from the Hale Center American) Two Cotton Center teenagers and two young ladies from Hale Center suffered painful injuries in a three-auto collision near Painview over the week-end. Two young soldiers from Lubbock were also injured in the accident that occurred a few hundred feet south of the "Y" on Hale Center Highway 87 at the south outskirts of Plainview. In-

jured were Charles Nutt, 18, of Hale Center, Jamice Allman, Hale Center; Miss Sammie Hodges, also of Hale Center; James Sagar, 19 of Cotton Center. All were expected to recover, however.

PETERSBURG — (from the Petersburg Journal) The walls of the new gymnasium annex of the school here are now completed and the walls of the high school building proper are rising rapidly. The gym annex will be completed by December 1 and the school at an early date. Students are enduring the over crowded conditions that now exist very nicely and are anxiously awaiting the opening of the new building.

LOCKNEY—(from the Lockney Beacon) The Southwestern Bell Telephone Company has filed a request with the city secretary for another increase in local rates. The company is asking that two-party line rates be raised from \$3.60 to \$4.00 per month, individual line rates be raised from \$4.25 to \$4.75 and that business telephones be raised from \$7.50 to \$8.00 per month. The company has asked for and received three previous rate increases.

HEREFORD—(from the Hereford Brand) W. T. Carmichael was elected president of the Deaf Smith County Farm Bureau

11 Candidates Vow for Homecoming Queen Honors at Wayland College

With the nomination of 11 candidates for Homecoming Queen, Wayland College Student Government Association is readying plans for the annual Homecoming on the campus, Nov. 5-7, according to Glenn Clements, Ventura, Calif., SGA president. Jeff McBeth, Plainview, is general chairman.

Homecoming Queen nominees from organizations are: Freshmen, Bettie Phipps, Sacramento, Calif.; Sophomores, Jorene Clement, Amarillo; Juniors, Patsy Pylant, Plainview; Seniors, Carolyn McAdams, Plainview; Ikwas, Pat Lewis, Plainview; Mike and Mask, Happy Johns, Tulsa, Okla.; Future Teachers of America, Jody Blankenchip, Tulsa; Thespians, Lois Rust, Phillips; Ministerial Alliance, Marilyn Jones, Jeffersonville, Ky.; Volunteer Mission Band, Imogene Cearley, Amarillo. All former students are invited

Thursday at a called meeting. He succeeds Virgil Dodson. Others elected were Grant Hanna, first vice-president; M. G. Gaywood, second vice-president; and Earl Plank, secretary-treasurer.

back to the campus but most of them will not arrive until Nov. 6, with hundreds showing up for the following day which will begin with an early morning Alumni Breakfast and end with the Queen's Coronation and the two basketball games.

The Hutcherson Flying Queens of Wayland College, 1953 runners-up in the National AAU Women's Tournament, will meet Dowell's Dolls of Amarillo in the night's opener. Sheppard Air Force Base is sending a strong aggregation against the Wayland Pioneers for the second game.

The Mike and Mask Club will give two performances of "The Night of January 16", Thursday and Friday in Wayland Auditorium. A parade of floats featuring the Queen candidates and the traditional western theme of Wayland Homecoming activities will be staged at 10 a. m. The Walter Jetton Chuck Wagon Gang from Fort Worth is returning for the third year for the traditional western luncheon.

YOUR SENATOR REPORTS

Senator Lyndon B. Johnson says that reorganization proposals abolishing regional offices of the Soil Conservation Service are "startling and difficult to understand."

"It is billed as a step toward efficiency and greater economy," Senator Johnson said. "It is difficult to find any economy in this plan."

The Texas Senator also disclosed that the Agriculture Department has rejected "by inference" a proposal to stabilize the market through purchasing cattle on the hoof. The proposal had been urged on Secretary of Agriculture Ezra T. Benson by Senator Johnson upon a number of occasions.

Senator Johnson read a letter from Secretary Benson's executive assistant, L. N. Hooper. "By inference, he rejects the proposal," Senator Johnson said. "In a sense, he leaves the door open by avoiding a direct answer."

Explaining the reorganization proposal which would abolish 7 regional offices of the Soil Conservation Service, including the one at Fort Worth, the Senator pointed out that Secretary Benson "says that no essential services will be eliminated."

"That can only mean that the functions now handled by 7 offices will be handled by 48 offices—one in each state," Senator Johnson said. "It has been my understanding that the function of the reorganization act is to consolidate overlapping agencies and to eliminate duplication."

"It is a strange sort of consolidation that begins with 7 offices and winds up with 48," Senator Johnson also said:

1. That Texas lost at least \$61,000,000 in income during the first six months of this year because of declining cattle prices.
2. That farm price supports on cotton and wheat apparently are not responsible for current high retail prices paid by consumers for bread and cotton goods.
3. That the farmer's share of

Grade News

8th
 An intramural basketball program has been made for the seventh and eighth grades.

The eighth grade boys of Mrs. Stone's room started the series of games off by defeating Mrs. Fuquay's boys 917, Thursday at noon.

The eighth grade football team was defeated by the Hereford squad 20-12, Tuesday, October 27, at Dimmitt.

We have been very busy this week selling candy and working, trying to make money for our Halloween Queen Candidate Omata Bradley.

We sold sandwiches, candy, and soda pops at the Halloween Carnival, Saturday night.

Twenty-five of the eighth-grade mothers were present for tea and cookies in the Grade School Music Room. They discussed the program for the year. We regret that some of the mothers were not here because it was raining.

7-A
 The captains of the 7th and 8th grade basketball teams are Sandra Leeth and Donald Renfro in 7-A; Judy Patterson and Norman Nelson in 7-B; Charlotte McElroy and Carl Heizes in 8-A; Una Kirby and Truman Touchstone in 8-B. The boys have the first game. It is Mrs. Fuquay's and Mrs. Stone's. The girls have the next one. It is Mrs. Wooten's and Mrs. Fuquay's.

Sandra Leeth, the 7th grade candidate, has chosen for her es-

FHA Feeds A Multitude

"Pie, Coffee, Sandwiches, Hot Dogs." This was the familiar cry around the FHA girls booth at the Carnival Saturday night. There was a hungry crowd around the booth all the time. The girls had sold all their supply of foods before the carnival closed. Miss Potts, their sponsor, said that the people complimented them on their fine work and their good food.

court Donald Renfro.

The class has a new pupil, Bobbie Wall, from Knox City, Texas. The 7th grade won the football game. The scores were 7 to 6. They played Hereford here.

7-B
 In 7-B we have ordered new books for our library. We are making Halloween masks in art. We don't have them finished yet.

Our room has been planning for the Halloween Carnival. We are going to have the pie walk, Ring the Peg, and a ball throwing contest.

5-A
 The fifth grade enjoyed the making of a lifesize witch that stood beside the door to help gain votes for their queen candidate, Mary Helen Behrends. Her escort will be Stanley Nelson from the 5-B room.

Staff Submits Annual Pages

The annual staff, according to Pat DeLozier, editor, sent approximately one third of the 1954 BOBCAT to Newsfoto Publishing Co. of San Angelo on Wednesday and Thursday of last week. Staff members have worked diligently the past few weeks marking pictures, trimming pictures, mounting pictures, and typing copy. The shipment included the class pictures of the entire school and all the advertising.

The staff received a discount for all pages sent in before November 1 and a further discount for all pages that were mounted. Sale of advertising has been completed by DeWayne Brown, Don Hardy, Jack Dye, and Bob Anthony. DeWayne, business manager, reports that ad sales are above last year and that interest in activities that the staff sponsors is manifested by the students. Advance sale of annuals will begin soon.

Striking Senior

If you see a blond boy, 5' 10" tall, who is always smiling, you will know it is Don Hardy. He is a very active member of the Senior Class. It seems that football is his favorite sport and he keeps in training with the Bobcats by eating broiled steak for his favorite food. He has played football all four years in high school and his 1953 position is tackle. If you want to be a good friend of Don's you had better speak when you see him, because not speaking is his pet peeve. Don has a pastime that we all enjoy and that is sleeping. He is called an oldtimer around school because he has gone to Dimmitt all twelve years.

Sophomores Hold Miniature Carnival

"Step right up, three shots for only a dime!" This is what you heard as you entered in the old gymnasium in the high school building. The sophomores of DHS held a miniature carnival Halloween night with five booths. The first one was a dart game, and the second one had three cream cans into which you tried to throw baseballs. In the third booth, people pitched money at a jar. Next you could see people lined up trying to put the flame out on the candles with BB guns. In the last booth they had prizes on nails. People threw rings on the nails and the one on which it landed was the prize you received. The miniature carnival proved to be great fun to those who attended as well as a good money making scheme.

Bobcats Squeeze By Happy Cowboys

The Dimmitt Bobcats almost had their bid for the district title ruined Friday night, but they came out on top of a hard fought 13-7 ball game with the Happy Cowboys.

The Bobcats rated the Happy club the hardest hitting lads they have played during the season. Dimmitt crossed the goal line first when halfback Jack Dye rumbled 30 yards over left guard after a sustained 50 yard march. The extra point kick was wide, and at the end of the first quarter the Bobcats led 6-0. The fighting Cowboys, who could not be outdone, took advantage of Bobcat penalties and pushed the ball over to tie the game. The extra point was good and the "happy" Cowboys led 7-6 at the halftime.

The fired up Bobcats came back at the half to score the only touchdown of the second half. The winning points were scored when Jack Dye snagged a pass and ran it to the four yard line. After a series of plays Maxie Warren pushed the pigskin over from the one foot line. The try for extra point was good and the Bobcats took a 13-7 lead. The last quarter was scoreless, but both teams displayed some fine ball playing.

This week the Bobcats will take on the Sudan Horretts on the home grid. A win will put the Cats within one game of the district title. At present Dimmitt and Springlake are tied for first place in district standings. The two will meet in the last conference tilt or the 1953 schedule.

NOVEMBER ANNIVERSARIES

Many happy returns of the day to David Burkett, Judith Cleavenger, Shirley DeLozier, Kenneth Drake, Enda Follis, Luther Follis, Clinton Glenn, LaNette Hoyle, G l e n d a Jolly, Norma Law, S o n y a Kay Lowe, Joe Ben Mitchell, Cecil Poe, Belva Warren, Eva White, and Patricia Wilson.

Meet the Bobcats

Name: Don Hardy
 Position: Tackle
 Weight: 168
 Years Lettered: 1
 Age: 17
 Classification: Senior
 Remarks: Don has made a good offensive tackle. Blocking is his greatest asset.

Name: Troy Stafford
 Position: End
 Weight: 149
 Years Lettered: Up from the B team
 Age: 16
 Classification: Junior
 Remarks: Troy has developed into a good defensive end.

Name: Harold Waggoner
 Position: End
 Weight: 162
 Years Lettered: Up from the B team
 Age: 17
 Remarks: Harold is one of the hardest working Bobcats on the field.

Name: George Ray
 Position: Tackle
 Weight: 226
 Years Lettered: Reserve letterman
 Age: 17
 Classification: Junior
 Remarks: George has been one of the mainstays in the defensive line.

Frosh Have Minstrel

The Freshman Class, under the direction of their sponsor Mr. Bates, presented a continuous performance of their Negro Minstrel at the carnival. Don Howell was the interlocutor, and the blackface end men were Edward DeLozier, Darrell Stine, Jimmy Johnson, Monty Boozer, Roger Owen, LaRue Weaver, and Lorine Wear.

The show featured its own Hula-hula girls, Monty Boozer, Leon Crum, Cecil Poe, Jimmy Johnson, and Ray Smith. The class reports a successful evening.

Games Anyone?

The Chess Club had a games room at the Halloween Carnival. It was well worth a person's time and money to rest at such events as the Halloween Carnival. That is just what you could do this time. Anyone who wanted to could play checkers, chess, canasta, dominoes, and 42. The most important thing about the room was that it gave a person a place to rest his tired, aching feet.

Best Beaus to Be Banqueted

The annual Best Beau Banquet, an informal affair, will be held November 14, 1953, in the cafeteria. The theme of the banquet will be "Sea Life", with the decoration ideas coming from the theme. Cecil Massey of Hereford is the speaker for the banquet. He has spoken to Dimmitt audiences and is in demand as an after dinner speaker. Music for the occasion will be furnished by a girls duet and a mixed octette. Mary Nelson, FHA president, and Joe Nelson, FFA president, will crown the sweethearts, the names of whom will be announced at the time of the coronation. Committees for the banquet are planning for 150 people. The chairmen of the groups are: Menu—Carolyn Bagwell; decorations—Sharon Wesson; invitations—Pat DeLozier; cleanup—Melba Curry; and program—Darlene Cates. Miss Potts, chapter advisor, is meeting with each of these committees to plan and supervise the banquet.

FHA Holds Meeting

The F. H. A. girls met Monday night, November 2, 1953, at 7:00 in the auditorium. In absence of President Mary Nelson, vice president Wilda Smithson called the meeting to order. We discussed the F. H. A. pens, rings and jackets. If you would like to have one of these get in touch with Miss Potts before Monday, November 9.

The freshmen and sophomores gave three skits. The freshman skit was entitled "Date-Etiquette".

The sophomore skits were "Shoes for the Family" and "Recipe for Health".

This week is National F. H. A. Week. Next Saturday is Hobo Day! Each girl is to work and turn in her money. So let's get out and work hard!

Reporter

Striking Senior

Having attended Dimmitt schools for twelve years, Laoma Hershey is qualified to be known as a Striking Senior. She is five feet eight and has dark brown hair and blue eyes. She is an excellent typist and her favorite subject is Typing II. Laoma has a favorite food that we all like, steak and French fries. In her spare time she likes to sleep and travel. When she finishes high school, she plans to attend West Texas State College for the remainder of her schooling.

H. S. Classes Entertain Hundreds at Carnival

SHARON WESSON, ALTON WHITWORTH CROWNED AT HALLOWEEN CARNIVAL

Junior Hit Parade

One of the most successful events at the Halloween carnival Saturday night was the Junior Hit Parade. The study hall was packed through every performance of their continuous showing. The numbers were: Doris Day Kenmore, singing "Canadian Capers"; Homer Godfrey and Jethro Brock with their "Hound Dog in the Window"; Bud Roman Honea and Laurie Wayne Woods singing, "Tell Me a Story"; "You Saw Me Crying in the Chapel" by June Valli Tucker; two television stars, Dottie Dillard Reynolds and Jack Shook Robb, singing "Side by Side"; the Ames Brothers, Edgar Dennis, Ivan Sinclair and Joe Nelson, singing "You, You, You"; and last but not least seven beautiful Can-Cans, Gwen Smith, Mary Ann Witt, Sonya Kay Lowe, Audrey Lee McDermitt, Louise Simpson, Jimmie Hyatt and Larina McAfee. The band was under the direction of John Rarig Dennis and the M. C. was Tallulah Bankhead Dixon. The Junior Class impersonated all these stars to the delight of their audiences.

Old-time Shoot Em Up Saturday Night

"Two guns blazed in the dark, a woman screamed, and the lights went up. Two men lay stiff and stark. Pitched on his head and pumped full of lead was Dangerous Dan Magrew." Anyone who attended the senior variety show watched this in great anticipation. As the crowd gathered, Carolyn Rothwell, played selected piano numbers. Jerry Vandiver announced the numbers on the agenda for the evening. The first event was a short comedy entitled "Willie Bumpkin's Courtship" or "How not to get your Man." The cast consisted of: Mrs. Fixit—Pat DeLozier, Mary Fixit—Dortha Messenger, Willie Bumpkin—Dor Owen. The setting of the skit was the summer of 1890, in the front parlor of the Fixit home, where the courtship of Willie Bumpkin and Mary Fixit took place under Mother's careful supervision.

A boy's quartet consisting of Bennie Gollehon, Jack Dye, Jerry Vandiver, and Don Johnston sang "Never-the-Less" and "Play a Simple Melody" while the stage crew readied the stage for the melodrama entitled, "The Shooting of Dan Magrew". David

The climax of the annual Halloween Carnival was reached when Sharon Wesson and Alton Whitworth, sophomore candidates, were crowned King and Queen of Halloween in traditional ceremonies sponsored by the Senior Class.

Carolyn Bagwell played "Pomp and Circumstance" as the attendants to the queen were escorted to the stage by the king's attendants. Mary Coke, Halloween Queen of 1952, and Bobby Bradley, freshman class president, reigned until the crown bearers, Donna Beyers and Harold Golden, arrived at the foot of the throne. Here they placed the gleaming silver crowns on ruffled pillows of purple satin. Don Johnston, master of ceremonies, announced each princess and her escort as they entered the packed auditorium. The attendants were Princess Darlene Cates and Prince Joe Nelson; Princess Omata Bradley and Prince Zay Gilbreath; Princess Carolyn Rothwell and Prince Jerry Vandiver; Princess Norma Battles and Prince Stanley Nelson; Princess Wilton Ivey and Prince Monty Boozer; Princess Sandra Leeth and Prince Donald Renfro; and Princess Mary Helen Behrends and Prince Hal Ratcliff.

Melvin Witt, senior class president, crowned Queen Sharon Wesson and King Alton Whitworth to reign as Halloween royalty for the year.

Adams dressed in typical old western style clothes narrated the poem. The setting of the melodrama was in the Malamute Saloon. The main characters were: The "Lady known as Lou"—Dalvia Howard, "Dangerous Dan Magrew"—Robert Yates, "The Miner from the creek"—Don Johnston. The supporting cast was: Carolyn Rothwell, Carolyn Campbell, and Eileen Ballard as Bar Maids; Barton Clowdus, Bartender; Jerry Vandiver—"The Rag Time Kid", Clark Dobbs, DeWayne Brown, Jack Dye, Melvin Witt, Jamie Smith, Gaylon Patterson, and Harley Worrell were patrons of the saloon.

The show ran continuously until the crowning of the Queen at 10:00 o'clock. The seniors were pleased to have a large audience at each performance.

For a real bargain—get a real truck!

SURE, you can save a few dollars now on a truck price-tagged slightly less than a GMC. But if you want a bargain that will still be a bargain after years of hard truck-work, ask these questions *before* you buy:

Does the truck give you a GMC's 105 H.P.? That's up to 19% more power than comparable sixes. It hustles a GMC's top loads up tough pulls—without engine strain.

Does it have a GMC's 8.0 to 1 super-high-compression? That gives you quicker getaways—more drive—better mileage. All on regular gas.

Does it offer a GMC's engine-sparing Truck Hydra-Matic*? With it, you say good-bye to gearshift wrestling. No more clutch repairs. Maintenance costs shrink.

Does it have the extra protection of a GMC's self-energizing brakes? The extra comfort of a GMC's "Six-Footer" cab? The handling ease of a GMC's ball-bearing steering action?

If all the answers are "yes," you have a real bargain—a GMC. And there are 19 handsome 1/2- to 1-ton models to choose from. How can you lose?

*Standard equipment on Package Delivery chassis; optional at moderate extra cost on all others.

C. & S. Equipment Co.

You'll do better on a used truck with your GMC dealer

LEGAL NOTICE

THE STATE OF TEXAS

TO: Perry G. Cox, and if he be deceased, to the unknown heirs and legal representatives of Perry G. Cox, and to Mrs. Perry G. Cox, and if she be deceased, to the unknown heirs and legal representatives of Mrs. Perry G. Cox. Defendants, Greetings:

You are hereby commanded to appear before the Honorable District Court of Castro County at the Court House thereof, in Dimmitt, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of December, A. D. 1953, there and there to answer Plaintiff's Petition filed in said Court, on the 20th day of October, A. D. 1953, in this cause numbered 2152 on the docket of said court and styled Howard Scoggin Plaintiff, vs. Perry G. Cox, et al, Defendants.

The party plaintiff in this cause is Howard Scoggin, and the parties defendant are the parties to whom this writ is directed.

A brief statement of the nature of this suit is as follows, to-wit: Trespass to Try Title for the title and possession of Lot 3, Block 85, of the Original Town of Dimmitt, Castro County, Texas. Plaintiff is also suing for title and possession of the above described premises by virtue of the ten and twenty-five year Statutes of Limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Dimmitt, Texas, this 20th day of October, A. D. 1953.

Attest:
 Neva Hastings, Clerk,
 District Court, Castro County, Texas
 (SEAL)

Firemen Answer Call

Dimmitt firemen answered a call to the Castro Co-Op Girl early Tuesday morning to extinguish a small fire that started when two bales of cotton ignited. Both bales were slightly damaged, but the fire was suppressed before it spread to the gin. Origin of the fire was not determined.

last week from a visit with Mr. and Mrs. Dick Dietz and family, of Bartlesville, Okla.

IRENE SCHACHER

Mr. and Mrs. Alfred Schacher of Nazareth announce the engagement and approaching marriage of their daughter, Irene, to Mr. Dennis Acker, son of Mr. and Mrs. Phillip Acker, also of Nazareth. The wedding will take place on Saturday, the 21st of November, in the Holy Family Church at Nazareth.

B and PW Plans Benefit Dinner

The Dimmitt Business and Professional Women's Club will serve a Thanksgiving dinner-turkey with all the trimmings on Saturday, November 21. The dinner will be served at the High School Cafeteria from 5 p. m. to 8 p. m.

Tables may be reserved in advance. Also there will be a delivery service by which club members will deliver plates to the homes of those desiring such service.

The B & PW Club Dinner is designed to raise money for their project, which is the developing of a tennis court at the school house. Tickets may be obtained in advance from any club member.

The club will have a breakfast meeting to discuss final details for the dinner on Monday, November 16 at 7 a. m. at the Hotel Coffee Shop. All club members are urged to attend.

Mrs. J. G. Davis, Sr., has just returned from a 10 day visit to her daughters, Mrs. C. L. Richardson, and Mrs. Albert Smith of Big Spring. She was accompanied home by Mr. and Mrs. Cleo Richardson, who visited friends and relatives here.

Stork-Acker Nuptials Are Said in Double Ring Ceremony at Nazareth

Holy Family Church, Nazareth, was the scene on October 27, of the marriage of Evelyn Stork, daughter of Mr. and Mrs. John Stork, to Floyd Acker, son of Mr. and Mrs. Jacob Acker, all of Nazareth.

Very Reverend Peter Morsch read the double ring ceremony. Tommy Acker, brother of the groom, and Eugene Gerber, nephew of the bride, assisted Father Morsch. Mrs. Conrad accompanied the choir in singing the Nuptial High Mass. Mrs. Virgil Pohlmeier and Mrs. Jim Bell, sisters of the bride, sang, "Ave Maria," at the Offertory.

Escorted to the altar and given in marriage by her father, the bride was attired in a gown of Chantilly lace and nylon tulle over slipper satin. The fitted bodice was fashioned with a stand-up collar and sleeves that terminated in petal points. The train of lace accented the bouffant skirt of tulle and satin. Her finger-tip veil of tulle was attached to a Juliet cap trimmed with lace. She carried a bouquet of yellow roses, showered with stephanotis. For something old and borrowed she wore a ring of her mother's; for something new she wore necklace and ear-rings, a gift of the groom; for something blue she had a bow at the hem of her slip.

Mrs. Albert Gerber, sister of the bride, wore a rose-ballerina dress of net and satin, fashioned with a full skirt and brief bolero jacket. She wore matching accessories and carried a cascade bouquet of yellow mums and pom-poms.

Dolores Stork and Grace Ack-

er, sister of the bride and groom, and Estelle Hoelting, cousin of the groom, were bridesmaids. They were dressed in dresses of blue, identical to that of the matron-of-honor. They also had matching blue accessories and carried bouquets of yellow mums and pom-poms.

The flower girl, Brenda Pohlmeier, niece of the bride, wore a dress identical in color and style to that of the bridesmaids, and carried a bouquet of mums and pom-poms matching theirs.

Kenneth Acker was his brother's best man. Serving as groomsmen were Jack Acker and Clifford Stork, brothers of the bride and groom. David Dea, nephew of the groom, served as ring-bearer. Catherine Backus and Virginia Burt presented the bride with a statue of the Blessed Virgin Mary, as a gift of the Children of Mary sodality of which the bride was a member. The groom received a crucifix, a gift of the Children of Mary, of which he was also a member.

Mrs. Stork, mother of the bride, wore a brown crepe dress with gold accessories. Her corsage was of white carnations. Mrs. Acker, mother of the groom, wore a blue faille dress, with matching accessories. Her corsage was of white carnations.

Immediately following the ceremony, the bridal party was served breakfast in the home of the bridegroom's parents, Mr. and Mrs. Jacob Acker.

A reception was held in the home of the bride's parents, Mr. and Mrs. John Stork, at four o'clock. A buffet supper was

Hart PTA to Meet At School Tuesday

The Hart Parent Teachers Association will meet in regular session, Tuesday, November 10, at the Hart School auditorium. Meeting time is set for 7:30 p. m.

Mrs. Bill Wood will lead a round table discussion on the subject, "Education for What." Juniors, seniors and parents will serve on the panel. All members of the PTA are urged to be on hand.

Mr. and Mrs. Edgar Ramey, Mr. and Mrs. Edwin Ramey, Mr. and Mrs. Dewey Wright and daughter, Dorothy and Mrs. Etta Brashears attended the birthday dinner of their sister, Mrs. Effie Jacobs in Plainview over the weekend.

Mrs. Acker is a graduate of Nazareth High School. Mr. Acker is also a graduate of the Nazareth School.

Mr. and Mrs. Acker left the following afternoon for New Mexico. Upon their return they will make their home on a farm near Dawn, where Mr. Acker is farming.

FAYE CONARD

Mr. and Mrs. Roy Conard of Dimmitt announce the engagement of their daughter, Faye Conard, to Jack Morgan, son of Mr. and Mrs. Dewey Morgan, also of Dimmitt. Date and plans will be announced later.

Virgie Williams who has recently moved to Dimmitt visited in Portales, N. M., over the weekend. Mrs. Williams is employed at the Trimble Beauty Shop Monday through Saturday.

—OLD PROVERB

HOW MUCH A 'MICKLE' IS, DEPENDS LARGELY UPON WHAT THE RETURN ON SAVINGS IS. THAT IS WHY THE RECENT INCREASE IN INTEREST RATES IS SUCH GOOD NEWS FOR AMERICA'S SAVERS.

THE MONEY WE ARE ABLE TO PUT BY THIS WEEK MAY NOT SEEM MUCH, BUT IF WE SAVE REGULARLY, EVEN ONE PLUS ONE OR TWO PLUS TWO, BUILDING UP OVER THE YEARS WITH INTEREST ADDED, CAN AMOUNT TO A TIDY SUM FOR THE FUTURE FINANCIAL SECURITY OF THE FAMILY.

Mr. and Mrs. Kay Roberts, Mrs. Jinks and Mrs. Roberts are sisters. Mrs. Haufman and Mrs. Garvy are also relatives of Mrs. Roberts.

Milton Bagwell, Sandra Neumayer, Edgar Dennis and Nelda Bagwell were Sunday afternoon visitors of Granddad and Grandmother Bagwell.

Word has been received that Elbert Smith is on his way home from Germany and Herbert Howell arrived in California some two weeks ago from sea duty in Japan and many other places. We are so happy to have these boys on their way home.

Edgar Milton Dennis was a Sunday guest in the Ivor Bagwell home.

The Dimmitt Dinner Club met in the home of Mr. and Mrs. Ivor Bagwell Thursday evening. Eleven couples enjoyed a delicious supper and games through the evening.

Nelda and Sue Bagwell were in the group of girls who sang for the American Legion meeting Monday night.

Sandra Neumayer, Milton Bagwell, Edgar Dennis and Nelda Bagwell were Sunday evening supper guests of Zella Vee Smith. Milton Ivor Bagwell from West Texas State at Canyon spent the week with his parents, Mr. and Mrs. Ivor Bagwell.

Mrs. Leona Rothwell and Mrs. J. G. Davis, Sr., were Sunday visitors of Mr. and Mrs. J. C. Williams.

Mr. and Mrs. Delmar Gregory

of Odessa were Sunday visitors of his sister, Mrs. Vernon Williams, and family.

Mrs. George Bagwell and Sue were Hereford visitors Saturday afternoon.

Lloyd Earl Lust of Pratt, Kansas, spent from Thursday until Sunday with his parents, Mr. and Mrs. Earl Lust. Also visited other relatives.

Mrs. Vernon Williams received word Friday night by telephone of the serious injury of her half-brother, James Bates, from the Saint Anthony Hospital in Amarillo. James fell backward from a ladder while working for an overhead door company in Amarillo.

J. A. Bagwell, Jr., is here from Amistad, N. M., to work through grain harvest which everyone hopes to complete as soon as the fields are dry.

Mrs. Harry Rothwell and Mrs. Leona Rothwell were Wednesday business visitors in Hereford.

Mr. and Mrs. Ivor Bagwell were Tuesday evening supper guests of Mr. and Mrs. Elmer Youts.

Mr. and Mrs. George Bagwell, Mr. and Mrs. Dilmond Neumayer, Mr. and Mrs. Ivor Bagwell and Mr. and Mrs. Morgan Dennis attended the ball game at Happy Friday night.

Mr. and Mrs. Elmer Ireland from Shallowater spent the day Thursday in the home of Mr. and Mrs. Will Wright.

Auxiliary Has Party

The American Legion Auxiliary to the Greer H. Estes Post No. 445 sponsored a very successful Progressive Bridge and "42" party Tuesday evening in the Legion Hall.

High and Low prizes were won by Mrs. Cecil Crum—(High prize in Bridge); Mr. O. K. Howe (Low prize in Bridge) and the 42 prizes were taken by the Ed McLeroys and the John Woods.

Refreshments of pie and coffee were served to all present.

Watch for the date of the next party. The public is invited. The charge is 50c each.

BLANKET
PLENTY
SINCE I
HOOK UP
WITH
REDDY!**

In the old days, it took three or four blankets to keep the Chief warm when the wintry winds began to blow across the reservation. But, now that he's "wired for winter", with one electric blanket, he finds that one does the job—even better than a big pile of old-fashioned blankets did.

You, too, can enjoy complete winter-time sleeping comfort with one blanket—electric, of course. And don't forget, they come with dual controls, so that each sleeper can have the comfort setting desired.

Piano Workshop Set For Amarillo

On November 27-28, a piano workshop will be conducted by Frances Clark of Kalamazoo College, Kalamazoo, Michigan, in Amarillo, Texas. This workshop is being sponsored by the Amarillo Music Teachers' Association and teachers of the area are invited to attend. For further information write to Nellie Erhard, 1511 West 18th Ave, Amarillo, Texas. Miss Clark is director of Piano Pedagogy at Kalamazoo College. She originated a piano pedagogy course and teacher training program which has been widely copied by colleges and universities in many parts of the country. She is

Agricultural Exports To Be Aired At Bureau Convention

The agricultural export situation is likely to be given serious consideration when farmer delegates convene Nov. 9-11 in Miami.

Declining agricultural exports pose a grave problem for producers of certain commodities. Growers of some of the basic commodities, including cotton and wheat are hardest hit by the loss of foreign markets. Two years ago exports accounted for 51.2 per cent of the cotton crop and 46.7 per cent of the wheat crop. In that same year the production from one out of every ten acres found outlets outside the United States.

JOIN OUR PAYDAY REGULARS!

The people who are really getting somewhere with their savings program are those who come in regularly and add to their insured accounts here. You, too, can make real progress by opening an account and saving on a regular plan. Try it now. Earnings start the 1st on amounts added to new or present accounts by the 10th.

eral Wells for the 20th annual convention of the Texas Farm Bureau Federation.

to set up a bi-partisan trade commission last session to review the whole field of international trade. The commission's report, to be given when Congress convenes in January, is expected to point up flaws in the present trade policy.

Farm Bureau was instrumental in getting the Reciprocal Trade Agreements Act extended until next year. This act permits the President to negotiate separate trade treaties with various countries.

The national farm organization was able to help eliminate Section 104 of the Defense Production Act. This section of the act was causing retaliatory measures by other countries to the detriment of U. S. trade and prestige.

The Farm Bureau was primarily responsible for adoption by Congress last session of a plan whereby the U. S. would accept the national currencies of the free nations of the world in return for surplus agricultural commodities. The foreign money collected would be used to carry out our commitments under the Mutual Security Administration.

Several reasons have been given for the decline, including: the reduction in direct foreign economic aid by the country; improved farm production in areas fostered by the U. S.; inventory reductions in importing countries in response to eased world-supply situations.

Secretary of Agriculture Ezra Taft Benson, commenting on the downward trend in farm exports, said, "Our declining export situation points up sharply our needs for more effective farm programs and for foreign trade policies that will not only assure the U. S. farmer good markets at home, but which will widen his markets abroad."

The major farm organizations are attempting to find a solution to the export decline which threatens the whole farming industry. The American Farm Bureau Federation, which has a membership of 1,600,000 farm families in 47 states and Puerto Rico, has initiated action on several fronts to bring an increase in exports. The Farm Bureau was largely responsible for getting Congress

Dimmitt Soldier In Dam Ceremony

Pvt. Howard W. Gipson, son of Mr. and Mrs. W. R. Gipson, Sr., of Dimmitt took part in the recent Falcon Dam dedication ceremonies on October 19th, when President Eisenhower and Ruiz Cortines dedicated the new dam. Pvt. Gipson is a member of Hq. & Hq. Co. CC"B" of the 1st Armored Division, stationed at Fort Hood, Texas.

Pvt. Gipson was a member of the 1st Armored Division detachment from Fort Hood, Texas, which acted as honor guards and

road guards and provided bands, communications, construction, medical and military police service for the dedication ceremonies.

Before entering the military service Pvt. Gipson worked as a Truck Driver. He attended the Dimmitt High School.

As a regular of the 1st Armored Division, Pvt. Gipson belongs to an organization famed for its action against the enemy in Africa and Italy during the Second World War.

John Adams, in 1800, was the first occupant of the White House. The Statue of Liberty has been in New York Harbor since 1886.

You're in the driver's seat for less than you think

It's your money, of course—but we'd like to see you make the most of it.

That's why we want to show you the price of the big Buick SPECIAL illustrated here—to make Point #1: you can buy this great performer for just a few dollars more than the "low-price threee."

But Point #2—the smart point—is this:

When you put up those few extra dollars for the Buick pictured here, you're in the driver's seat of a lot more automobile.

You boss extra power—more satisfying power—walloping Buick Fireball 8 power—highest ever found in a Buick SPECIAL.

You get extra room—a lot more comfortable room—real, man-sized, 6-passenger room—as much room as you get in cars costing hundreds of dollars more.

You enjoy extra satisfaction—more solid satisfaction—in the ride of this big, broad, road-steady traveler that's cushioned by coil springs on all four wheels, and engineered with all the other costly features of the Million Dollar Ride.

And, speaking of extras—here you get, at no extra cost, a long list of standard equip-

Come in and ask us about today's low delivered price of this

BUICK SPECIAL

142 MILES AVENUE—HEREFORD, TEXAS

"Mile After Mile You'll Prefer Shamrock"

When a lady drives into a service station, she wants friendly, courteous service. That's what I find at my SHAMROCK service station. I've found my Shamrock dealer really cares for my car, and gives me that extra service that means so much. Shamrock is a mighty good brand.

Gasolines • Lubricants

19,700,000 METERS

The gas meter at your home is a symbol of constant, dependable, convenient service. Turn the valve on your stove or your furnace and gas is there, ready to use. You don't have to order it ahead of time; you don't have to store it.

According to statistics of the American Gas Association, this same dependable service is provided through 19,700,000 gas meters to 18,150,000 homes and to 1,550,000 offices, stores, churches, schools, factories, and other commercial structures.

Today, 69,000,000 people and most of the nation's industries enjoy natural gas service. This is in sharp contrast to the years preceding the Second World War. At that time, natural gas was enjoyed only by communities located relatively close to producing fields.

The growth of natural gas from a regional fuel to one of nationwide importance has been made possible by the construction in the past seven years of 44,000 miles of large-diameter long-distance pipe lines at an investment of more than four billion dollars.

Before the war, supplies of gas discovered accidentally by persons hunting for oil were adequate to meet the limited regional needs for gas. In fact, natural gas was produced in surplus quantities—much of it was wasted—and represented

little value to the producing states and to the national economy.

Today, with natural gas a primary source of power, supplying 22.5% of the nation's mineral energy resources, it is no longer wise to depend upon the discovery of gas by persons primarily interested in finding oil. Gas should be hunted for the sake of finding gas.

The people best equipped to make the search for gas are the gas companies themselves. These companies have the investment in pipe lines, the obligations to consumers, the interest in developing the gas industry, and the know-how to do the job best. However, present policies of regulatory agencies are applied not only to the pipe line operations of gas companies but to the costly, difficult job of exploration and drilling. These policies, limiting the return of this highly risky undertaking to the same as that given stable utility operations, plainly discourage exploration and drilling by gas companies.

We believe that consumers, wanting long-range natural gas service, should not be wholly dependent for the discovery of new supplies by persons not directly interested in natural gas service. We believe that the strict regulation of gas companies in the exploration for gas should be relaxed so that these companies can explore and drill for gas on the same basis as do independent producers.

EL PASO NATURAL GAS COMPANY

Tea to Highlight Book Club's Service of National Book Week

Silver Tea, sponsored by the Dimmitt Book Club, will highlight local organization's observance of National Book Week.

Scheduled for the District Courtroom here at 4 p. m., the tea will be held immediately following Mrs. Swain Burkett's book review on "The Female," a historical novel based on sixth century Constantinople, with Justinian and Theodora, co-rulers of the Roman Empire.

As this is National Book Week the Dimmitt Book Club is anxious to serve tea to everybody who is interested in helping to bring new books and good reading to Castro county residents, both old and young.

Club members point out that this will afford those who have never seen the local library the opportunity to inspect it. A new unit consisting of a low table and several chairs has recently been added to the library for the convenience of youngsters. Public school students will also find late editions of encyclopedias and good references for any assignments. These books which completely cover various branches and fields of knowledge are at the students disposal.

The club is making arrangements for an expected large attendance as the meeting is open to the public and promises to be one of the best held here this year. The book review, too, will be of great interest to those who like to explore the ancient world and wish to learn how one woman divided the forces of 100,000 rebellious citizens of Constantinople.

Bridal Shower Is Given Miss Conard

Faye Conard, bride elect of Jack Morgan, was honored Friday with a bridal shower in the home of Mrs. L. H. Stevens. Co-hostesses for the occasion were Mrs. W. P. Stone and Mrs. H. H. Carille.

The honoree received a number of useful gifts after which refreshments were served. A large number of visitors were in attendance.

Approaching Wedding Announced by Parents

Mr. and Mrs. R. C. Adams of Dimmitt announce the approaching marriage of their daughter, Georgia Ann to Ronnie Walthall, son of Mr. and Mrs. J. W. Walthall of Hart.

Details of the wedding will be disclosed at a later date.

Mr. and Mrs. B. M. Nelson and Mary and Mrs. Talmage Buckmaster visited their sons and brother, Bascom and Roger, at Fort Leonard Wood, Mo. last week-end.

Mr. and Mrs. Lon Woodburn and Mr. Owen McSpadden of Dimmitt and Mrs. Dewey Watson and Mrs. Belle Betts of Clovis, New Mexico, returned home Tuesday from a deer hunt in Colorado. They brought home a deer.

Don't wait another minute. Grab your hat and rush down to your Gas range dealer's store. You'll find at his store one of the finest displays of modern Automatic Gas Ranges—and he wants to trade for that old range of yours. Now is the time to buy that modern Automatic Gas Range you have been wanting. Your dealer is ready to trade. See him today.

Miss Yvonne Bearden, accompanied by her roommate, Miss Gail Jennings, was home from Abilene Christian College over the week-end.

Card of Thanks
We wish to express our deepest gratitude to every person who, by words of sympathy, cards, or gifts of food and flowers, every act of kindness shown to us when our beloved husband, father passed to the great beyond.

Especially to Dr. Faust and all the nurses at the hospital. We are indebted. Their efforts went beyond the call of duty. Rev. Wingert, to Rev. Van Zandt, Mr. Froehner, Mrs. Brashear, Mrs. Hyatt and all the choir, we offer our heartfelt thanks.

Mrs. J. B. Traylor
Mr. and Mrs. Allan Webb,
Kristi and Allan
Mr. and Mrs. Geo. Webb
Mr. and Mrs. Floyd Copeland

Record Stands at 7 Wins and One Loss

Cats Slip by Happy, 13-7, to Post 3rd Conference Victory of Season

Coach Leo Field's Dimmitt Bobcats chalked up their third conference win of the season Friday night at Happy, but not until the Cowboys gave them one of their toughest battles of the season. The Cats took a shaky 13-7 lead in the third quarter and managed to stave off a late Happy rally, when defeat seemed imminent, to win by a narrow six-point margin.

The Cowboys drew first blood when jarring quarterback "Red" Oler crashed through the line for two yards and a score. Dimmitt came back in the second period when Jack Jones reeled off 20 yards for a touchdown. Failure to convert, however, gave the Cowboys a 7-6 halftime lead.

Trailing by one point in the third period, alert quarterback Maxie Warren scored from two yards out on a quarterback sneak. The rejuvenated Cowboys thundering back in the final two intes, determined to upset the dope bucket but time ran out. The Happy team moved the ball within the shadows of the Bobcat goal but the Cats put up an ironclad defense and held on downs. With only two minutes of playing time the Bobcats moved the pigskin out of danger.

The Cowboys were sparked by the fine play of Oler while Edgar Dennis, Warren and Jones shared honors for Dimmitt. Called on for comment following the game, Coach Fields said, "I'm just happy we won." Fields added, "We know Sudan has a fine ball club and we'll have to be at our best to even stay on the same field with them Friday night."

Sunnyside News

Lloyd Davis, Freddie Lilley and Deward Armstrong returned from a deer hunt in Colorado last Wednesday. Herbert Lilley and Ezell Sadler remained for a few days more hunting and returned on Saturday. The boys report plenty of snow, but not very many deer.

Mr. and Mrs. J. Paul Waggoner and boys returned home Saturday after spending a two week vacation in Donora, Pennsylvania, with her sister and family.

Sunnyside was well represented at the Halloween carnival in Dimmitt on Saturday night.

Mr. and Mrs. Bob Davis and Warren succeeded in crossing the Happy goal line in the last quarter but was charged with stepping out of bounds and the ball went onto play at the point of the infraction.

Dimmitt now boasts seven wins against a lone defeat, this coming at the hands of a powerful Olton eleven. The Cats still have Sudan and Springlake to play and will face some of the stiffest opposition of the season when these two games are played. These two foes stand between the Cats and a possible district championship.

Mr. and Mrs. G. L. Brittain attended to business in Lubbock on Monday.

The farmers of the community are harvesting cotton while the nice weather lasts.

Mrs. J. P. Armstrong visited her daughters, Mrs. Hubert Lilley and Mrs. Roy Lilley, on Tuesday.

family of Hest and Mr. and Mrs. Roy Lilley were dinner guests of Mr. and Mrs. Milburn Conard on Sunday.

Mrs. T. J. Bridges was in Olton on Monday to see the doctor.

Mr. and Mrs. J. Paul Waggoner and boys visited her parents, Mr. and Mrs. Bob Ball of Olton on Sunday.

Rev. and Mrs. G. L. Brittain attended to business in Lubbock on Monday.

The farmers of the community are harvesting cotton while the nice weather lasts.

RECIPE OFF
By Mary
Pumpkin

Broadcast: November 7, 1953
1/4 cup brown sugar 1 1/2 cups cooked or canned pumpkin
1/2 teaspoon salt 1 1/2 cups Per Evaporated Milk
1 teaspoon cinnamon 1 slightly beaten egg
1/4 teaspoon nutmeg 2 Tablespoons dark molasses
1/2 teaspoon ginger
1/4 teaspoon cloves
Mix in a bowl the brown sugar, flour, salt, cinnamon, nutmeg, ginger and cloves. Then add rest of ingredients and stir until smooth. Pour into a 9-inch pie pan lined with unbaked pastry made with pie crust mix. Bake on center rack of very hot oven (450) 15 minutes, then reduce heat to moderately slow (325). Bake about 40 minutes longer, or until firm. Cool before serving.
