Book Club Members Meet for Annual Spring Luncheon

Members of the Dimmitt Book Club met in the Dining Room of Mrs. Rex Tynes in Hereford, May 12, for the annual spring luncheon and review. Twenty members and two guests were present for the occasion.

After luncheon, which was served by Mrs. Tynes, Mrs. A. J. Kemp reviewed, "Snips and Snails" a delightful warm hearted story of the life of a teacher in a private school for boys in Arizona. The author is Louise Baker.

Recently elected officers for the ensuing two years were introduced with Mrs. Earl Lust as president; Mrs. Sam Hunter, vice-president; Mrs. A. J. Kemp, secretary-treasurer; Mrs. O. B. Trimble, parliamentarian; and Mrs. Glen Youts, reporter.

Outgoing officers are: Mrs. Noel Gollehon, president; Mrs. Earl Lust, vice-president; and Mrs. Ray Sheffy, secretary-treasurer.

As the club does not meet during the summer months, the next regular meeting will be held the second Wednesday in September.

Crawford-Holster Vows Are Pledged

Miss Mildred Crawford, daughter of Mrs. Fay Crawford of Fresno, Calif., and Mr. Charlie Holster, son of Mr. and Mrs. Louie Holster of Dimmitt, were united in marriage Friday evening, May 7, at 8:15 P. M. at the Missionary Baptist Church of Sunnyside. Rev. George Brittain performed the ceremony.

Attending the wedding were Mr. and Mrs. Foy Black, Mr. and Mrs. Albert Stephens, Miss Maynell Curtis, Miss June Bellnap and Mrs. Geo. Brittain. The bride wore a yellow linen street length dress, trimmed in white with white accessories.

The couple will make their home in Dimmitt where he is employed by Soapy Holland and she is employed by Mr. Nolan Frohner at Frohners Variety Store.

Mr. and Mrs. Floyd Reynolds visited C. B. Harris in Lubbock Sunday. Mrs. Harris is Mr. Reynolds' sister.

Mrs. Deroy Cates visited her mother at Kress.

8 Attend Waurayne Hughes Circle Meet

The Waurayne Hughes Circle met Monday morning in the home of the circle co-chairman, Mrs. Edwin Ramey. Due to inclement weather conditions the group were unable to fulfill their scheduled meeting with another circle member.

The circle lesson was based on three devotionals, taken from three books of prayer.

Attending the meetings were Mesdames O. T. Vardell, Ray Holton, Frank Mears, A. L. McLain, Bob Fuller, Claude Johnson, Nora Wyatt and the hostess, Mrs. Ramey.

Open House Held for Mr. and Mrs. Brannan

Mr. and Mrs. Carl Kemp were hosts Sunday afternoon with open house, honoring Mr. and Mrs. B. J. Brannan who are moving to their ranch north of Clayton, New Mexico.

Decorative appointments featured roses, iris and peonies. The serving table was covered with cut work linen with silver appointments and an elaborate centerpiece of roses and iris.

Mrs. D. W. Brashear and Mrs. Margaret Boren served coffee and fruit punch. Guests were received by Mrs. Sam Hunter and Mr. Kemp. Sixty-five guests called during the afternoon.

Born Monday, May 9, at the Castro County Hospital to Mr. and Mrs. Kent Birdwell, a son, named Jimmy Kent.

Joe Richard Hastings visited the Marlin Woods at Alpine and several scenic points in the vicinity.

LEGAL NOTICE

ORDINANCE NO. 131
AN ORDINANCE OF THE CITY OF DIMMITT, TEXAS, REDEFINING AND REESTABLISHING THE BOUNDARY LIMITS OF THE INCORPORATED LIMITS OF SAID CITY, ESTABLISHING THE CORNERS THEREOF AND DECLARING AN EMERGENCY

WHEREAS, there exists an uncertainty as to the true and correct city limits lines as defined and created by the original, field notes of the corporation of the City of Dimmitt, Texas; and

WHEREAS, because of such uncertainty much confusion has arisen as to the true and correct boundary lines and as to the property that is actually within the City Limits; and

WHEREAS, the City of Dimmitt, Texas, has caused such original city limit lines to be re-surveyed and re-established as shown by the field notes herein-after fully set out;

THEREFORE, be it ordained by the City Commission of the City of Dimmitt, Texas, that the following is and shall be established as the true and correct boundary markings of said city and the city limit lines as follows, to-wit:

BEGINNING at a point 365 feet west and 280 feet north of the southeast corner of Section No. 25, Block M-10-A, Castro County, Texas, which point is the intersection of the south boundary line of "South Street" with the East line of "East Street" as shown by the plat of the City of Dimmitt, Texas, of record in the Deed Records of Said County;

THENCE West with the south line of "South Street" 4915 feet to a point in the west line of Section No. 25, Block M-10-A;

THENCE North with the west line of said Section No. 25, 753 feet to a point, being the Southeast corner of Lot No. 10, Block No. 1, Carter Subdivision to the Town of Dimmitt, Texas;

THENCE West 1650 feet to a point;

THENCE North along the west line of West Tenth Street, 2208.9 feet, the southeast corner of Lot 20 of Sheffy Addition to the City of Dimmitt, Castro County, Texas;

THENCE West 300 feet;

THENCE South 150 feet;

THENCE West along the south line of the Sheffy Addition 542.8 feet, a point, being the northwest corner of Lot 11 of said Sheffy Addition;

THENCE Northwesterly, cross State Highway 86 perpendicular to its center line, to a point in the north line of State Highway 86 as same is described in the Deed Records of Castro County, Texas;

THENCE Northeasterly along the north right-of-way line of State Highway 86 to the southwest corner of Lot 16, Block 4, of the Howe Addition to the town of Dimmitt, Castro County, Texas;

THENCE Northwesterly 140 feet, the northwest corner of said lot 16;

THENCE Southwesterly 26 feet, a point;

THENCE North 540.8 feet along the west line of the Howe Addition, a point;

THENCE East 140 feet along the north line of Lot 9, Block 4, of Howe Addition to Dimmitt, Castro County, Texas;

THENCE Northeasterly across Twelfth Street to the northwest corner of Lot 7, Block 1 of the

Howe Addition, aforesaid;
THENCE East 100 feet;
THENCE North 50 feet;
THENCE East 380.3 feet, a point in the west line of Block 25 of the Miller Addition to the town of Dimmitt, Castro County, Texas;

THENCE North 1466.8 feet, a point in the north line of Section 26, Block M-10-A, Castro County, Texas;

THENCE East 1650 feet to a point in the east line of Section 26, Block M-10-A;

THENCE North 30 feet to a point in the south line of Survey 23, Block M;

THENCE East to the southwest corner of Block No. 2, Wanona Addition to the Town of Dimmitt, Texas;

THENCE North with the west block line of said Addition to the northwest corner of Block No. 4, Brown Addition to the town of Dimmitt, Texas;

THENCE East with the north line of Block 4 to the northeast corner of Lot 1, Block 4, Brown Addition;

THENCE North to the northwest corner of Lot 8, Block 2, Brown Addition;

THENCE East with the north line of said Block to the northeast corner of Block 2, Brown Addition;

THENCE South with the east block line of Brown and Wanona Additions to the southeast corner of Block 1, Wanona Addition;

THENCE East to a point in the south line of Section 18, Block M, which point is 245 feet west and 280 feet south of the northeast corner of Section 25, Block M;

THENCE South approximately 5000 feet to the place of beginning;

This ordinance shall be published in two issues of the Castro County News and shall take effect from and after its publication.

The fact that great confusion exists as to the true and correct boundary markings of the City Limits of the City of Dimmitt, Texas, creates an emergency and a public necessity requiring the rules providing for three separate readings be dispensed with, and they are hereby dispensed with and this ordinance shall take effect from and after its publication.

The above and foregoing ordinance was duly introduced by Commissioner Harold Stephens and seconded by Commissioner A. C. Hays, Jr., and by unanimous vote of the City Commission was duly passed and approved this 8th day of May, 1954.

Local Club Drops Season Opener to Kress Ball Team

The baseball season in the Central Plains League officially got underway Sunday. However, the Dimmitt nine got off to a bad start by committing 20 errors and losing to the Kress team by the score of 9-3.

According to Murray Hall, left fielder for the Dimmitt club, the local outfit collected more hits than Kress but lost the game due to so many errors. Alvin White, Dimmitt pitcher, was charged with the loss.

In other games Nazareth took their opener with Hart while Umbarger defeated Olton. This throws the league in a three way tie with Nazareth, Umbarger and

Kress claiming a share of first place and Dimmitt, Olton and Hart deadlocked for fourth, fifth and sixth places.

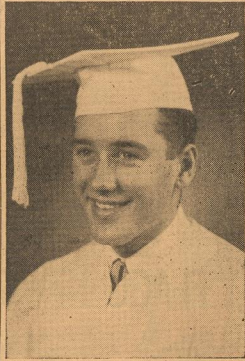

The schedule this Sunday follows: Dimmitt at Nazareth, Hart at Umbarger and Kress at Olton.

Players for the Dimmitt club are: Alvin White, pitcher; Jimmy Howe, catcher; "Smitty" Smith, first base; Leo Fields, second base; Richard Wood, shortstop; Conrad Clark, third base; Murray Hall, left field; Leon Blundell, center field; and J. R. Mitchell, right field.

Mr. and Mrs. John Merritt and children and Mrs. Pearl Sheffy have returned from Sangundo, Cal. where they visited Ann and Brian Webster. Ann is the daughter of Mrs. Sheffy.

The Robertson children visited their mother, Mrs. O. B. Winkle, Sunday.

Garden Club Hears Mrs. Bob McLean

The tremendous strides made in the breeding and selection of flower plants was emphasized by Mrs. Bob McLean as she addressed members of the Dimmitt Garden Club in the home of Mrs. Fred Faust, Tuesday morning.

Mrs. McLean pointed out that Iris have made big strides during the past 50 years over the "German Flags" grown by past generations. "The old "German Flags" were dirty shades of white, dull purples and ugly yellow," the speaker added. In sharp contrast to this, these varieties are now clean, crisp, and available in a large selection of colors and kinds.

"Do plant some of the "mores,"

Mrs. McLean suggested. She told club members that the El More is a big, fine, clear purple and the lovely pink, ruffles. "These are preferred of the 3,000 varieties," Mrs. McLean concluded.

The club made plans for a picnic, which will be held in Palo Duro Park, May 25th. All members are invited to go along.

Hot pecan rolls, frozen melon and hot coffee was served to the 20 club members present for the occasion. The refreshments were served by Mesdames Faust, Ray Sheffy and B. J. Brannan.

Kay Bearden of Dallas was here for a last week-end visit with her mother, Miss Bearden has employment as receptionist at a Dallas clinic.

S. S. Representative To Be Here May 19

A representative of the Amarillo Social Security Field Office will be in Dimmitt Wednesday, May 19, according to J. R. Sanderson, manager of that office. This representative can furnish information on any phase of the Federal Social Security program. He, however, has nothing to do with the State Old Age Assistance program or with Unemployment Compensation matters.

Persons desiring to see this representative should write a post card or letter to the Social Security Office, Amarillo, stating their desire and indicating where they can be contacted in Dimmitt.

CARD OF THANKS

Jennings-Axe Nuptial Vows Are Read in Beautiful Church Setting

Nuptial vows were solemnized Tuesday evening, April 27, at 8:00 o'clock for Janie Fay Jennings, daughter of Mr. and Mrs. John Jennings of Canyon, and Marvin Axe, son of Mr. and Mrs. H. L. Axe of Dimmitt. Rev. Strauss Atkinson read the double ring service in the First Baptist Church.

Miss Laura Smith, organist, played as a nuptial prelude, "Because," "Clair de Lune," and "Indian Love Call." She also accompanied Mrs. James Inman of Lamar, Colorado, who sang, "Through the Years," and "I Love You Truly." "O Promise Me," was played for background music during the exchange of vows and the traditional wedding marches were used.

Mrs. Bill Cleavinger of Topeka, Kansas, sister of the bride, was matron-of-honor. Serving as flower girl was Kathy Hufnagle.

Weldon Warren of Dimmitt served as best man. Ushers were Bill Cleavinger of Topeka, Kansas; Jerre Inman of Canyon and David and Zane Axe of Hereford.

Given in marriage by her father, the bride was attired in a gown of chantilly lace and white bridal satin. The lace theme was carried through with soft lace panels extending near the bottom of the skirt and train. The fitted lace sleeves extended into points over the hands. Her finger tip veil of English illusion fell from an intricately designed tiara trimmed with beads, pearls and rhinestones. Her bouquet was a cascade arrangement of white roses and stephanotis accented with green rose foliage and showered with white satin streamers tied with love knots and stephanotis.

She had the traditional something blue, a sixpence in her shoe, and for something old she wore a locket which belonged to her paternal grandmother; borrowed a handkerchief from Mrs. George Grogan, aunt of the bride, and one from Mrs. Andy Axe, aunt of the groom.

Following the ceremony, a reception was held in Fellowship Hall at the church. The tiered wedding cake was served by Mrs. James Jennings and Mrs. Jozach Byrd. Mrs. Fred Axe of Dimmitt and Mrs. Roy N. Byrd, Jr., presided at the punch bowl.

The bride chose a pink sheath dress with matching coat and pastel blue accessories for traveling. Her corsage was white rose buds.

Mrs. Axe graduated from Canyon High School and is enrolled at West Texas State College.

Mr. Axe graduated from Dimmitt High School and attended West Texas State College. He has completed eight weeks of basic training at Ft. Bliss and is to report to Ft. Sill for training in Supervision Artillery School.

Dr. J. A. Hill To Be Honored May 13

An invitation is being extended by the Hereford chapter of the West Texas State Ex-Students' Association to an autograph party honoring Dr. J. A. Hill on his new book, "One Man's Faith," which is just off the press. All West Texas Exes, personal friends of Dr. Hill, and others in the area who are interested are invited to attend the party to be held in the home of Mr. and Mrs. B. E. Roberson of Hereford on Thursday, May 13. Calling hours from 3 to 5 o'clock in the afternoon and from 7:30 to 9:30 in the evenings, according to Mrs. Elmer Patterson, president of the Hereford Exes' Association.

Proceeds from the sale of the book will go to the West Texas Ex-Students' Association for the publication of the history of West Texas State College, a project on which Dr. Hill already has started work.

Armed Forces Day Set At Amarillo

Eight visiting generals, including Air Force Chief of Staff Gen. Nathan F. Twining, a parade and 12 aircraft flyovers will highlight Armed Forces Day in Amarillo, Saturday, May 15.

Besides General Twining, the distinguished visitors include Lt. Gen. Robert W. Harper, Air Training Air Force commander; Maj. Gen. Roger Ramey from Washington, D. C.; Maj. Gen. Lee Washburne, also from Washington, D. C.; Maj. Gen. J. B. Montgomery, commander of Carswell Air Force Base of Fort Worth, Texas; Brig. Gen. William Rentz, Tech Training Air Force headquarters; and Brig. Gen. A. H. Leulman, Information officer for General Twining.

The eight generals will occupy in Block 169; Lot 9 in Block 24; and Lot 11 in Block 141, all in the Original Town of Dimmitt, Castro County, Texas. Plaintiff also claims title by virtue of the five, ten and twenty-five year Statutes of Limitation, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and seal of said Court, at office in Dimmitt, Texas, this 22nd day of April, 1954.

A Hydra-Matic GMC pays you back 6 ways

SURE, GMC's Truck Hydra-Matic Drive costs extra on some light-duty models. But man—how it pays you back!

You save gasoline—because GMC Hydra-Matic cuts the high consumption of fuel in stop-go use.

You save tires—because GMC Hydra-Matic's velvet-smooth getaways prolong tire life—by as much as three times in some operations.

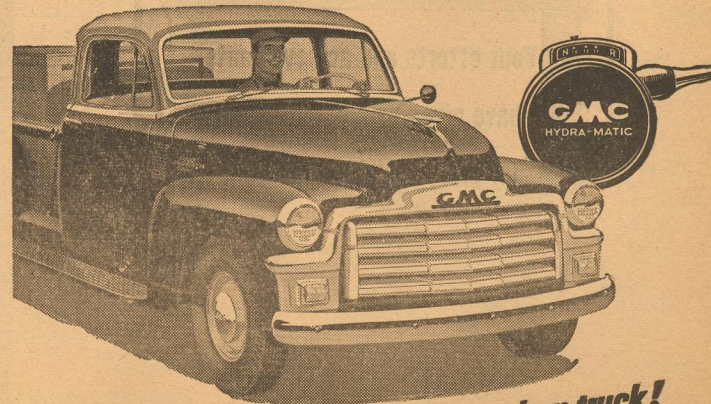

You save maintenance—because GMC Hydra-Matic ends all clutch costs—prevents shock-loading damage.

You save time—because at every start, GMC Hydra-Matic ends shifting lags, gets up to road speed quicker.

You save yourself—because GMC Hydra-Matic frees you of all clutching and shifting chores. And being fresher, more alert, you're quicker to avoid hazards that could be costly.

You save at trade-in time—because a Hydra-Matic GMC will rate a higher price than old-type hand-shifted trucks.

Are you a shrewd buyer? Then drop in at our showroom. We'll prove that a Hydra-Matic GMC is your best truck investment.

News of Our Neighbors

TULIA—(from the Tulia Herald) Tulia Junior Chamber of Commerce, with the assistance of the Automotive Dealers' Association and High School Driver Training program, recently issued a challenge to all teen-age drivers to participate in a driver proficiency test conducted on a nation-

wide scale to test their skill and ability in handling an automobile. The project designed to encourage thought and action on the part of young drivers in auto safety and in keeping with the slogan, "Make a young driver skilled, not killed." The driving contest was held on the courthouse square in Tulia, May 8th, at 8 a. m.

WELLINGTON—(from the Wellington Leader) C. T. Roberts, superintendent of Wellington Schools for the last five years, has ac-

cepted a position with the University of Texas as co-ordinator of superintendents workshops projects over the state. He will assume his duties July 1. The family live in Austin, and he will continue to work on his doctor's degree, which he expects to complete in about 12 months.

CANYON—(from the Canyon News) A hearing on May 14 has been set for Canyon for all land owners to determine whether or not an election will be held for the purpose of setting the time

for an election to form a new conservation district. A petition was filed by 50 land owners in Randall and Potter counties for such a hearing. The state will have representatives at the courthouse on Friday, May 14, at 8 o'clock in the evening to explain the operation of such a district.

MEMPHIS—(from the Memphis Democrat) Valedictorian of the 1954 graduating class of Memphis High School is Marvin Smith, son of Mr. and Mrs. Brown Smith, who live in the Plaska Community. His four year average was 96. Miss Sue Miller, daughter of Mr. and Mrs. J. Miller of Memphis, is salutatorian of the class, with an average for the four years of 93.62. Thirty-nine students are candidates for diplomas this year.

ASPERMONT—(from the Aspermont Star) Twenty-two seniors of Aspermont High School will begin their graduation activities Sunday evening, May 9th when baccalaureate services will be held at the First Baptist Church, beginning at 8 o'clock. Commencement exercises will be held on Friday, May 14.

HAPPY—(from the Happy Herald) Jack Merideth, former assistant coach at Floydada, has been named by local authorities to be head coach of the Happy Cowboys for the 1954-55 school term. The new Happy coach is a graduate of Daniel Baker College at Brownwood and was outstanding in football both there and at high school in Archer City. He has been at Floydada for the past three years.

LOCKNEY—(from the Lockney Beacon) Floyd County Judge Ralph C. Johnson and the Commissioners Court estimated Monday that the 4-lane highway through the county from the Hale to Motley county lines and from Floydada south to the Crosby county line would cost the county \$2000,000. The money would be spent for right-of-way with the cost of moving permanent installations along the proposed right-of-way being included in the cost.

OLTON—(from the Olton Enterprise) A bronze plaque was awarded the Olton High School band for placing first in marching and another was awarded them as they took first place in sight reading. In concert the mustang band was awarded the superior certificate for their performance. This is the first time an Olton band has received first place plaque in a state meet. The band missed taking sweepstakes honors by one point. Thirty-three first place medals were won by Olton band students.

FARWELL—(from the State Line Tribune) Announcement that a new dry goods store will open soon in Bovina was made this week by Gene Harmon of Dimmitt, who has leased the building on Main Street, formerly occupied by the C. R. Elliott Company. Harmon, who has been in the mercantile business for a number of years in his previous location, said he was hoping to get the store open by the 14th of this month. The business will be known as "Harmon's"

Hart Women Hold Special Program

The Womens Society of Christian Service of Hart met in the home of Mrs. G. R. Bennett, Thursday, May 6th for a covered dish luncheon and Mother's Day Program. During the morning hour Mrs. Bennett presented two beautiful corsages to Mrs. Leroy Avens, the visiting speaker and Mrs. R. O. Browder, the pastor's wife.

The luncheon was served from a beautifully decorated table laid with a white linen tablecloth brought from Korea by Mrs. Bennett's nephew.

A Mothers Day Program was given by the following: Devotional—Roma Lee Swindle; How Mothers Day Began—Sue Bennett;

The Mothers of the Earth—

Chellafon Bennett; Tribute to Mothers—Marguerite McLain; Little Things—Marlene Bennett; and The Minister's Wife—Mrs. G. R. Bennett.

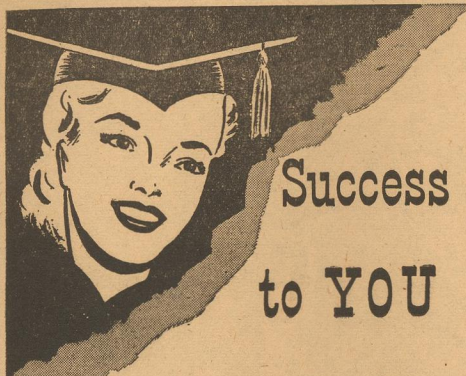

Mrs. Leroy Avens reviewed the book "Karen" by Marie Killilea, the life of a little girl born with cerebral palsey and how her par-

ents under extreme difficulties helped her to overcome her handicap, enabling her to lead as normal a life as was possible.

The following attended: Mesdames Leroy Avens, and Ruby Boston of Hereford, W. A. Hawkins, Sr., T. B. Cox, E. I. McLain, R. O. Browder, Edd Thompson, M. L. Aven, Hubert Maple, Hershel Curtis, A. L. Aven, J. D.

New driver comfort! New driving ease!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper... new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

You save on operating costs. High-compression power saves you money! The "Thrifmaster 235" engine,

the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you're ahead with America's number one truck. You'll like the way we're talking business!

Most Trustworthy Trucks on Any Job!

DOLLARS

GOING TO WASTE?

Of course, no one makes a point of throwing cash away—but somehow, many dollars do manage to disappear without contributing their share towards better living, if you don't have a savings plan. What's needed is a good, safe place for "storage of dollars"—such as a savings account. Not only are your savings insured to \$10,000 here, but they also earn a liberal return. Why not start your savings account now?

"Son, when you take over, this General Electric motor will still be driving our pump!"

"You see, son, General Electric built this motor to last longer. Look at that cast-iron construction—rain, sleet, or dust can't hurt this motor! We don't have to worry about steel bands rusting away. And no extra protection like a shed is necessary because this motor is fully protected against all kinds of weather."

"Another thing I like about G-E motors is that you don't have to lubricate them for a long time. When you do, there are only two places to take care of—one at the top and one at the bottom—both easy to get at."

"Notice that G-E control—protected against the weather just like the motor. It protects our motor against overloads, undervoltages, and short circuits. And I don't have to worry about you getting hurt because you can't open the panel while the power is on."

"General Electric knows our irrigation problems, and they have the engineering experience to give us the motor and control team that will do the best job. Yes, son, when you take over, profit by my experience. Insist on G-E motors and controls!"

Highlights and Sidelights FROM YOUR State CAPITOL

Austin, Texas—Governor Allan Shivers thinks that his opponent, Ralph W. Yarborough, "may be" receiving some financial help from George Parr, the South Texas politico.

It was quite a coincidence, Shivers said, that Yarborough and Parr announced their candidacies on the same day. Parr is running for district judge.

Shivers said he supposes Yarborough will make "the same sort of campaign of personal vilification and name-calling he made two years ago."

After making these remarks to reporters, the governor left with Mrs. Shivers for a vacation in Alabama. Later he will go to Korea with several other governors, returning to Texas June 1.

Thereafter, he said, "there will be a long time for campaigning." Yarborough's Reply To Shivers' remarks about him, Yarborough retorted that "my opponent realizes that the political ground is slipping out from under him and is wildly slinging mud in all directions. Anybody who can manufacture that much mud in one sitting ought to go to work and do something about the drought."

Shivers and Yarborough shaped up as the leading contenders in the race for governor. Other candidates who paid their \$600 filing fee were J. J. Holmes, Austin general contractor, and Arlon Barton "Cyclone" Davis of Dallas, frequently a candidate for state office.

Young Demos
Young Democrats of Texas

squared away into two factions, ready for the coming summer's political battles.

One side, friendly to Shivers, promised a precinct-by-precinct fight for control of the party machinery. The other faction held a meeting at San Antonio, where Yarborough was a principal speaker.

Other Races
A number of state office holders were unopposed for re-election.

These included Land Commissioner Bascom Giles, Railroad Commissioner Ernest O. Thomson, Congressman-at-large Martin Dies, Comptroller Robert S. Calvert, Treasurer Jesse James and Supreme Court Justices J. E. Hickman and Clyde E. Smith, and Agriculture Commissioner John C. White.

Attorney General John Ben Sheppard drew a late-filing opponent in the person of Doug Crouch, a state representative from Denton who recently moved to Fort Worth.

Opposing Judge Few Brewster for a place on the state supreme court are Alfred M. Scott of Austin and Robert B. Keenan of Gladewater.

A three-man field set out in the race for lieutenant governor, with Ben Ramsey seeking re-election and having as his opponents George T. Henson of Mineola and C. T. Johnson of Austin.

Harry N. Graves of Georgetown retired from his place on the court of criminal appeals, and the position is being sought by Alan B. Haley of Wichita Falls, Lloyd

W. Davidson of Austin, W. C. Graves of Dallas and Sam W. Davis of Houston.

Running against U. S. Senator Lyndon Johnson is State Representative Dudley T. Dougherty, wealthy Beville rancher and oil man.

Republicans File

All those candidates above will seek nomination at the Democratic primaries. The Republicans will have a primary election, too, for the third time in Texas history. Here are the G. O. P. candidates:

For U. S. Senator: Carlos G. Watson of Brownsville and Willard T. Holland of Houston.

For governor: Todd R. Adams of Crockett.

For commissioner of agriculture: Harold W. Linderman of Houston.

For congressman-at-large: Thomas H. Nolan of San Antonio.

More candidates may be permitted to file up to June 7, said Alvin Lane, state Republican chairman.

Two Million Voters
It is possible that more than two million votes may be cast in this year's election.

Anyway, there are that many persons eligible to vote in Texas. Comptroller Robert S. Calvert announced that poll taxes paid add up to 1,640,101. More than half million others may vote by getting exemptions.

In the presidential race between Eisenhower and Stevenson, Texas cast 2,075,946 votes.

More To Come
Texas' population will stand above the 12-million mark by 1975, according to a survey by the Texas Research League.

Privately financed, the league makes studies for the state and other units of government.

If Texas' water problem is solved, the population growth will be much faster than the survey shows, said Alvin A. Burger, the league's director.

The state will be wise, Burger said, to anticipate population growth and plan to provide public services for a greatly expanded population.

Not Enough Money
Agriculture Commissioner John C. White was gratified to learn that President Eisenhower had authorized the expenditure of \$10 million to aid five drought-stricken states, including Texas, but he said it wasn't enough.

Ten or fifteen million dollars won't whip the drought problem, said White, "but it's a move in the right direction."

Road Situation
For a long time, Texas has had—and still has—a road problem.

To build a first-class highway system in this state will take an expenditure of \$1,665,310,000, according to the state highway department.

In a booklet titled "Texas Highway Needs," the department said:

"The trunk or main highway, representing the backbone of the highway system, presents the most critical problem confronting the people of Texas.

"These trunk highways have now become outmoded and obsolete."

Next year, the Texas Good Roads Association will ask the Legislature for an additional tax on gasoline of a penny a gallon to boost revenue for highways.

Radar Rides Highways
Heavy footed drivers will be arresting themselves before long. A radar system has been installed by the Texas Department of Public Safety to facilitate the apprehension of speeders on Texas highways.

Plan Commission
Governor Shivers appointed an Economic Advisory Commission and called a meeting of its members for May 17 to start long-range planning on a number of problems, such as recession, inflation or deflation, drought, and government.

Public officials, legislators, labor leaders, and representatives of business and agriculture make up the commission's membership.

New Officials
Dr. Henry Holle, Texan who has been a United States public health administrator in New York City, was sworn in as state's health

officer. He succeeds Dr. George W. Cox.

Mark Wentz of Big Spring was appointed state fire insurance commissioner to fill out the term of the late Paul Brown. H. C. Pittman of Waco was named a member of the Industrial Accident Board, replacing Robert L. Hill, who resigned.

Laughlin Case
On its way to the U. S. Supreme Court is the appeal of former District Judge C. Woodrow Laughlin of Alice, removed from office by the Texas Supreme Court. Meanwhile, Laughlin is seeking re-election to a new term in the same court.

Junior College
Something needs to be done about junior colleges, which have been growing rapidly in number and size, says Cecil A. Morgan of Fort Worth, head of a State Board of Education committee. Good work is being done by the junior colleges, the committee said, but new laws should be

part-by-part proof...

Plymouth is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

Seat Springs

Plymouth uses coil seat springs, for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings

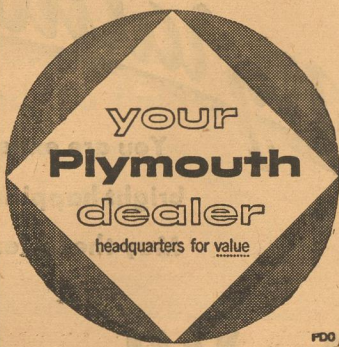

Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

Micronic Oil Filter

Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

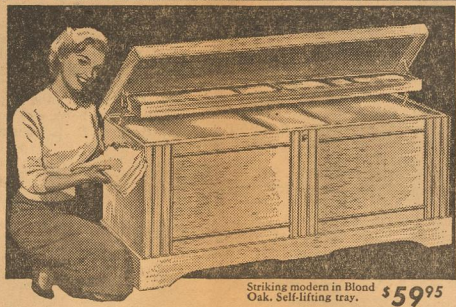

Go for a drive in America's "best-buy" low-price car!

D. 1954, in this cause numbered 2168 on the docket of said court and styled C. W. Boothe, plaintiff, vs. G. M. Etter, et al, defendants.

The parties to said suit are C. W. Boothe, plaintiff, and the parties and organizations to which this writ is directed are defendants.

A brief statement of the nature of this suit is as follows, to-wit: Trespass to try title, for title and possession of Lot 17, Block 58, of the Original Town of Dimmitt, Castro County, Texas. Plaintiff also claims title by virtue of the five and ten year Statutes of Limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the seal of said Court, at office in Dimmitt, Texas, this 20th day of April, 1954.

Attest:
