

about dimmitt
and castro county

By Bascom Nelson

Castro County will have no fair this year. If one had been organized, it would probably be held this week end.

The natural reply of all too many people would be "So What?" The annual Castro County Fair this year fell victim to indifference.

It was the only county-wide affair of the year—the only visible binder of a county that has become to be like a single community over the years. We are missing something worthwhile.

The fault in not having a County Fair lies not on any individual, but upon the entire population of the county. The men who could have promoted the fair, who have done so in years past, have grown tired of the endless arrangements and work that went into something they were not sure the county's appreciated.

It may be a good thing that we do not have a fair this year. If the farmers of this county have enjoyed it in the past and gained something from it, then maybe the absence of a fair will tend to teach its value and more and harder work will go into it next year than ever before.

Castro County has never gone into a County Fair wholeheartedly. It has been essentially some type of entertainment at night at the fair grounds and livestock and farm produce contests. It has never been the celebration it should have been.

Two weeks ago we passed through the small town of Boerne, about twenty miles this side of San Antonio. Boerne is about the size of Tulla, and for all practical purposes has little more to offer than Dimmitt.

Boerne is similar to Dimmitt in that it is the county seat of Kendall County and is the only town over a thousand or so in the county.

They were preparing for their parade when we passed through. Block after block of expensive floats (not a commercial one in the bunch, either), beautiful young ladies, and all sorts of things were getting ready for a parade that would have gone over big on Times Square.

The town was jam-packed with people. The Kendall County Fair was a big thing.

We could have the same thing here. Perhaps we are becoming a "cited" county, where we take no pains to know people, make friends, and work together. A county-wide reunion that would be a flop here would go over great in rural South Texas where people enjoy such get-togethers.

Perhaps the day of the county fair is over, since it goes hand in hand with community visiting and enjoyment. We seem to be drifting more and more into family and group cells and care less for meeting someone from across the street. We can remember knowing almost everyone in town and a good portion of those in the county—but neither we, nor anyone else, can claim that knowledge now.

The county fair is an American institution. It was on its way to becoming part of our Castro County way of life. Perhaps the changing times will relegate the fair to an inconsequential part of our life. We hope not.

For the past several weeks we have been diligently plodding along with our contention that motor scooters were made to be used and not heard. It has come to our attention that these machines come equipped with perfectly adequate mufflers, but some of the owners, wanting to make a lot of noise, remove them. The resultant racket is not the fault of the motor scooter or the boys who follow the law and leave on their mufflers. But a few apparently want to make a lot of noise and give the little machines a bad name.

The weather is never a very interesting topic because, as many have noted before, there's not a thing anyone can do about it. That doesn't mean we wouldn't like to though. During a good portion of this week it has seemed like late fall or early winter. There are already ducks on the lake and the temperature has ranged down into the high 50's.

All of us are becoming as nervous as the proverbial cat on a hot tin roof over the possibility of an unseasonably early freeze. Whath this would do to our cotton production isn't nice to think about. A good many farmers planted late due to heavy rains and an early freeze could hurt badly.

The cold front has moved on, but there might well be another.

Perhaps we should import some Inca Indians from Peru for a sun dance. Nothing else will apparently help.

Dimmitt Lions Club to Sell Mops and Brooms Here Friday

Dimmitt Lions Club members will knock on doors and ring bells Friday afternoon in an effort to sell every body in town either a corn broom, door mat, mop, ironing board cover and pad or any combination of these.

The Lions will maintain a central selling point on the northwest corner of the Court House Square. Merchandise will be supplied by

the Texas Blind Shops Caravan, which makes possible the sale of articles manufactured by Texas Blind Workers in Blind Shops, or Lighthouses. These are non-profit organizations and proceeds from sales of the merchandise will be split between the Lions and the blind.

In charge of the program is Lion Marvin Simms.

County ASC Community Elections Completed; Convention Sept. 26th

Results of a county-wide election to elect members and chairman of community ASC committees were announced this week by Charlie Hill, Agricultural Stabilization and Conservation Committee secretary.

Community committee chairmen will meet at a county convention in the ASC office on Thursday, September 26 at 9 a.m. to select the official county committee. The

new office-holders will see their terms come into effect October 1. Purpose of the community committees is to select soil bank farm yields and set up ACP practices.

Elected were:
Community A: Bruce Fields, chairman; Clyde Hancock, vice-chairman; Charles Burks, member; Bill Simpson, first alternate and Ed Wilhelm, second alternate.
Community B: J. M. Wright, chairman; Floyd Cole, vice-chairman; Fred Axe, member; George DeLozier, first alternate; and Jack Streun, second alternate.

Community C: Dewey Wright, chairman; C. G. Miller, vice-chairman; Alan Webb, member; Noel Gollehon, first alternate; and Odie Moore, second alternate.
Community D: A. L. Behrends, chairman; Dudley Winders, vice-chairman; Dent Bradley, member; Roger Haberer, first alternate; and J. E. Keller, second alternate.

Community E: Philip Jones, chairman; Howard Bridges, vice-chairman; Rodney Smith, member; Hubert Lilley, first alternate; and D. D. Myrick, second alternate.

NOTICE

The first Parent-Teachers Association meeting will be held Tuesday (Sept. 17) at the High School Auditorium beginning at 8 p.m. P-TA officers have urged that all parents of school children and teachers attend this meeting.

Organizing of Cub Scouts to Be on Sept. 30th

An organizational meeting for the Cub Scout program has been scheduled for September 30 at 7:30 p.m. at the Scout Hut at the southeast corner of City Park.

Cub Scouts who have completed work toward advancements during the summer should report this to their den mothers before September 20th if they want to receive their awards at this pack meeting.

Any boy between the ages of 8-10½ who wishes to become a cub scout should come to this meeting accompanied by one or both parents.

Boys 10½-11 are eligible to be Webelos and should be at this meeting. Mr. Winfred Fuller will be the Webelos leader.

First Field Day for High Plains Experiment Station Set for Wednesday, September 18th at Halfway Farm

Castro County farmers and other in this area will have a chance for their first mass look at the High Plains Experiment Station at Halfway and what it has done when the first Field Day is held Wednesday, September 18.

Tours will start at 2 p.m. and continue through the afternoon. Wagons drawn by tractors will transport the guests down the road through the center of the Station past the new recharge well and back to the starting point. Descriptions of the crop and fertilizer research on both irrigated and dryland portions of the Station will be given at various stops on the tour by scientist familiar with the plans and purposes.

Each wagon load will be accompanied by a guide who will point out the various items of interest enroute and answer questions raised by their group. It is estimated the tour will be of one hour duration.

September 18th, was selected as the date most convenient to the largest number in the high plains area, and after inquiry disclosed it would not conflict with other planned Agricultural events. Many inquiries have been made at the Station and to the members of the Regional Council concerning a "Field Day," so a good attendance is anticipated.

Three fertilizer experiments on grain sorghums at the High Plains

Station at Half way in Castro County may offer pointers to High Plains on how to increase their per-acre net profits on the crop.

"The experiments will be among the major stops during the Station's first annual Field Day on Wednesday, September 18," Dr. Thomas C. Longnecker, Head of the Station, said Tuesday.

"Of all the crops grown on the High Plains, grain sorghums probably offer the greatest opportunity for an increase in yield through the practical use of fertilizer."

He said the fertilizer program on grain sorghums was an effort to find the answers to a number of questions; such as, what kind of fertilizer to use; when to use it; where to place it and how much to use.

"One experiment has been set up to determine whether phosphate is required in combination with nitrogen," Dr. Longnecker said. "This test, which was set up in the Spring of 1957, called for applications of nitrogen and phosphate at planting time, singly and in all possible combinations at the per-acre rates of zero, 40, 80 and 120 pounds" he continued.

"The second experiment involved the application at planting time of zero, 40, 80, 120 and 160 pounds of nitrogen to the acre, with zero and 80 pounds of phosphate to the acre. The fertilizers were applied singly and in all possible combina-

Bobcats Win Over Springlake 44-0; Play Lockney There Friday Night

The Dimmitt Bobcats defeated Springlake's Wolverines 44-0 in a wet, cold season's opener Friday night.

The Bobcats showed no cause to be labeled a muddy-field team, either, since they lead 25-0 at the beginning of the second quarter just before the fine drizzle turned into a full-grown rain.

About one thousand people showed up to watch the game, but many left early due to the inclement weather.

Coach J. D. Covington is still

in the dark regarding the potentialities of his 1957-issue Bobcats. The opening game did not require his charges to reach down and come up with any last-ditch stand determination. He will probably know more this week end, however, when the Bobcats take on one of the strongest teams in the Panhandle.

They go to Lockney Friday night where game time will be 8 o'clock.

Considered estimates give Lockney a three-touchdown pre-game

lead over Dimmitt. The Lockney squad is in the enviable position of being populated by eight members of last year's all-district team. They have 5-3-year lettermen back and seven 2-year lettermen. Lockney defeated Hale Center 27-6 last week and Hale Center has been picked to win their respective district.

It will be a tough game for the Bobcats.

Starters Friday night will be Jimmy Tate at center; Boyce Tate and Coyce, Wilkinson at

guards; George Frye, Leon Gunn or Jack Ragland at tackles; Gary Cleaver and Jerry Cluck at ends; and Zay Gilbreath, Keith Lowe, Truman Touchstone, and Norman Nelson in the backfield. Jimmy Curtis or James Collins will be in the defensive backfield.

According to coach Covington, the Bobcats are responding to training and showing good spirit during workouts and he feels Dimmitt will have a pretty fair team—although he sees little chance of a district championship.

Movie showings of previous week football games have been changed to 8 o'clock on Monday nights in the School Cafeteria. The public is urged by the coaching staff to attend these movies.

In last Friday's game against Springlake, Covington cleared the benches with every Bobcat seeing action. The halftime score was 32-0. Scoring touchdowns were Keith Lowe and Norman Nelson, two each, and one each for David Bradley, Jimmy Curtis and Coyce Wilkinson.

THIRTIETH YEAR

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, SEPTEMBER 12, 1957

12 PAGES—NUMBER 46

First Full State Football Season For Nazareth Starts Wednesday

Nazareth High School's Swifts will take their first venture into full-season football Wednesday night when they tangle with the Pettit Eagles.

Game time will be 7:30 at Dimmitt High School Stadium.

Nazareth first began work on a football team last year and played several games. They have set up a full nine-game season for this year.

According to a Nazareth High School spokesman, Coach Fred Scott will be depending on the seniors to make the Swifts' initiation into football a successful one. George Huseman and Edwin Huseman at ends show much promise. Dennis Hoelting at quarterback and Ronald Birkenfeld at

halfback look good. Dennis Hoelting and his brother Leroy will do most of the passing.

The team will be supported by a newly organized and trained cheering squad.

Grade Football Season Starts Here Wednesday

Seventh and Eighth Grade football will begin its 1957 season Tuesday night when the two Dimmitt teams will play.

Two games will be played each Tuesday night during the season beginning each time at 6 p.m.

The first home game will be September 24th against seventh and eighth grade teams from Plainview. All games will be played at the High School Stadium.

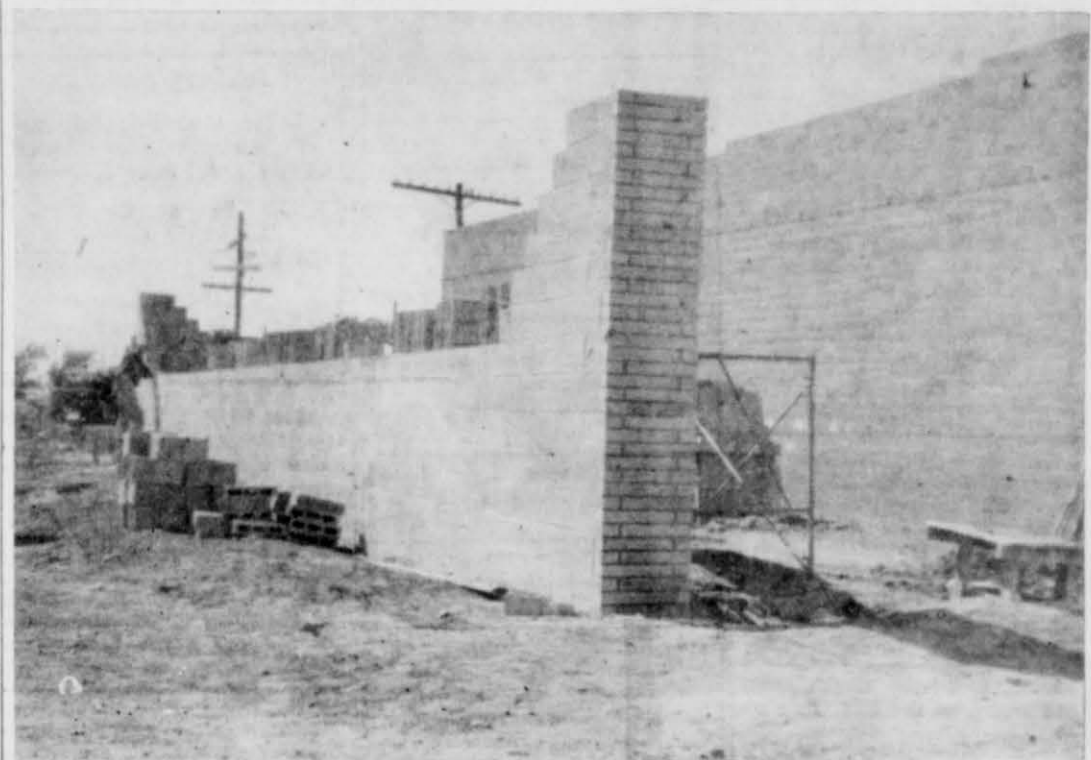

Following is the year's schedule:

Date	opponent	place
Sept. 17	Littlefield	There
Sept. 24	Plainview	here
Oct. 1	Olton	here
Oct. 8	Hereford	here
Oct. 15	Muleshoe	there
Oct. 22	Canyon	there
Oct. 29	Tulla	here
Nov. 5	Happy	there
Nov. 12	Lockney	there

The final game against Lockney will be for the eighth-grade only. The others will include games by both seventh and eighth grades.

Coach Thomas Harrison said this week that both teams are coming along nicely. "The seventh graders are looking especially good and the eighth grade player are showing improvements over their efforts of last year when they were seventh graders," he said, "and as yet we are not sure who Tuesday night's starters will be."

Both teams have new jerseys and the eighth grade has a complete new uniform.

NEW BANK AT HART—Construction begins on the first home of the new Farmers State Bank at Hart. The charter was granted in Austin September 5 and the opening is planned sometime in October. This building, when completed, will be considered temporary for a year or so until a larger building is constructed on the lot just south of the one shown here. Harris Lumber Co. is building the brick and tile structure. Directors of the new bank will be Willis Hawkins, T. B. Cox, Otto Dinwiddie, Roland Shepard, Paul Brooks, of Hart, and K. L. Riggs of Lubbock.

Mexican Independence From Spain To Be Celebrated Here with Fiesta Extension Group To Meet Oct. 1

Dimmitt citizens of Mexican descent will hold a fiesta here this week end commemorating the independence of Mexico from Spain in 1810.

The four-day celebration begins Friday evening with the crowning of fiesta queen, Miss Lillie Holguin of Hereford. Attendance to the event will be from Dimmitt and Muleshoe and will be in effect a three-county celebration.

A parade will begin at 2 o'clock Monday and will proceed through downtown streets of Dimmitt. It will feature a Mexican Independ-

ence theme. Dances will be held each night of the celebration.

This will be the first such activity in Dimmitt and arrangements are being made by La Comision Honorifica Mexicana from Littlefield.

Serving as the queen's first maid of honor will be Miss Eva Lopez also of Hereford. Second maid of honor will be Miss Rita Falcon and princess will be Miss Maria Luisa Arguijo both of Dimmitt. Duchess will be Miss Viola Muniz of Muleshoe.

Everyone in the county is invited to attend the festivities.

The Extension Program Building Committee which reviews the past year's program of the County Extension Service, and sets up the next year's activities, will meet on Tuesday, October 1 in the County Agent's office.

Election of officers for the committee for the coming year will also be held.

Present officers are Elvis Burch, chairman; Roy Taack, vice-chairman; and Mrs. Leo Witkowski, secretary-treasurer.

Visits Shellys

Mrs. Roland Moore and Lee of Channing visited her sister Myrtle Shelly and family Monday.

County Wide Milo Producers Meeting To Hear National Officer Thursday

A county-wide meeting for all grain sorghum farmers and elevator men has been set for Thursday (Sept. 19) in the District Court Room beginning at 2 p.m.

Feature speaker of the meeting will be Bill Nelson, new executive vice president of the National Grain Sorghum Producers Association, who will discuss the purposes and objectives of the organization.

Mr. Nelson has previously served as marketing specialist for the Oklahoma Extension Service and feels that farmers and others working together can do much for the depressed milo situation.

Mr. R. G. Peeler of Hereford, who has recently been in Washington, will also be present to discuss legislative action and thinking covering the future of milo.

At the meeting Thursday it has been urged by GSPA officials that every farmer and elevator man in the county be present to discuss the program of work suggested by the Grain Sorghum Producers Association and a workable means of financing this organization.

A GSPA spokesman said that with an all-time high milo crop in prospect, farmers must take constructive action now to ward off any decrease in price for milo in 1958 and the years ahead.

Mr. Carlos Calvert, local president, and Mr. Sam Gilbreath, director of the National Grain

Sorghum Producers Association, have encouraged everyone affected to be present at this meeting.

About the Speaker

Grain sorghum producers who are faced with a record crop estimated to be double that of last year and prices that range up to 25 cents a hundred lower, added new emphasis to their self-help program of "Research, Market Development, and Legislation" this month with the announcement that Mr. Delmer G. (Bill) Nelson, widely known agricultural economist, had joined the staff of the Grain Sorghum Producers Association

with offices in Amarillo, Texas.

Mr. Nelson will be the speaker at Thursday's meeting of grainmen.

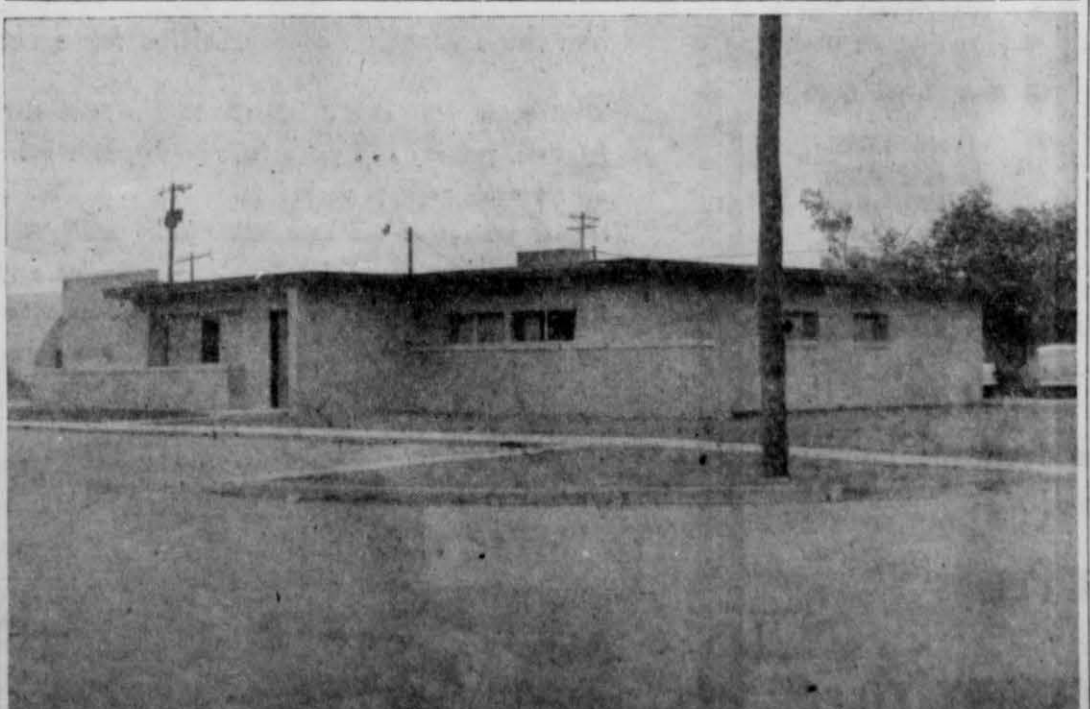

Mr. Nelson, formerly Extension Grain Marketing Specialist at Oklahoma State University, will serve the Association as Executive Vice-president, according to Mr. R. G. Peeler, Association President of Hereford. Peeler expressed pleasure in the fact that the Association was able to obtain as its executive officer a man with so much youth and energy as well as such an enviable record of training and experience.

The 32-year old economist was awarded a bachelor of science degree in agricultural economics from Oklahoma State University and has done graduate work at the University of Tokyo, Oklahoma State University and Colorado State University. It addition, he has received executive training at the Southwest Chamber of Commerce Executive Institute in Dallas, Texas. Since joining the Oklahoma State University Extension Service in 1949, Nelson has served as Assistant County Agent in Canadian County at El Reno, where he was associated with the internationally famous livestock and crops expert, the late County Agent, Mr. J. Riley Traver; and since 1953, as the state Grain Marketing Specialist. The young economist has received wide recognition for his efforts in establishing the first Grain Elevator

Management Training Program in the southwest at the Oklahoma State University, and for his work with Grain Elevator Bookkeeping Short Courses and with International Trade Delegations from Pakistan, Greece and Turkey.

Nelson's business and professional interests include past member of the Board of Directors of the Junior Chamber of Commerce; member of the Rural Education Committee of the Southwest Conference on Adult Education; past Vice-President, Oklahoma State University Former Students Association; and Director of the College Department Training Unit of the First Baptist Church of Stillwater.

Mr. and Mrs. Nelson and their 2-month old daughter Vikki Lynn will establish their home in Amarillo after September 1. Nelson said that he is "impressed with the determination and interest of the grain sorghum producers to support financially and morally the aggressive research, market-development and legislative program of self-help which they have underway." He indicated that his first activity would be that of establishing close working relationships with the chairmen and members of the County Grain Sorghum Producers Associations throughout the area and with the managers of county elevators who are assisting the sorghum producers in their program.

OPEN HOUSE SATURDAY—The newly completed High Plains Clinic is housing the offices of Doctors J. W. Spence and Carl Page in Dimmitt. The building was shown to the public with an open house held Saturday afternoon. Located at 213-217 West Etter, the building was erected by Killingsworth Construction Company and completed earlier this month. It is equipped with offices, laboratory, x-ray room, emergency facilities and a recovery room. Craig & McMurry of Lubbock were the architects.

4-H CLUB NEWS

Miss Taack Tells Of 4-H Talent Club Contest

By Mary Taack

On arriving at the Herring Hotel on August 16th, we were escorted to our reserved rooms and later in the lobby all the Talent Club members met. We also met Mr. Kenneth Loyd, our tour director, Mr. C. C. Appiquist, our photographer, Mr. Frank Wendt boys sponsor, Mrs. Conne Novakoff, girls sponsor, and Mr. Clay Pack, our bus driver.

The Talent Clubbers consist of 8 girls and 8 boys, from all parts of Texas wherever cooperatives have been formed among farmers. These boys and girls were selected because of their outstanding records, leadership, and general 4-H work.

Also on our trip was the 1957 State winning team on Cooperative and the State winner in Individual Cooperative.

At 6:15 p.m. we boarded our chartered bus to the Thompson Park for Bar-B-Cue supper. Those attending the supper with the Talent Clubbers were the parents and agents. After an enjoyable evening in the park we went back to the Herring Hotel and everyone got a good night's sleep.

At 7:00 a.m. we had a breakfast banquet in the Jr. Ballroom at the Herring Hotel. After an enjoyable meal, we boarded the bus to the P.G.C. Mill.

At the Ford Mill we were shown the control room, which automatically closes various feed by the touch of a button. This way one man now can do the job that used to take several men. The feed is raised, stacked and elevated to the storage room with the help of a very new man.

The Laboratory was very interesting. We were shown how the grain was tested in various ways and how the wheat was milled and baked. We were shown various types of wheat, some were good and some were bad, for making bread.

Next we visited the Terminal Elevator, here we saw the actual operating of a grain elevator. We went into the elevator and saw how the grain was stored. We learned that the different kinds and grades of wheat were stored separately.

After leaving the P.G.C. elevator we went to the Southern Farm Supply, where we went on a tour through the building. We had a look at what a farmer had to buy to carry on his operation and we found that the farmer can save money by buying from a Cooperative dealer. We saw how oil was put into cans with a machine and it only takes two men to operate it.

At 10:30 a.m. we went to the P.G.C. offices in the Thompson Building, where Mr. J. Frank Triplet, President and General Manager of P.G.C., gave an inspiring talk on the "History of Producers Grain Corporation."

For our final meal at the College, we had a chuck wagon dinner at the Athletic Field, which was enjoyed by all.

At the General Session our topic was "Can Cooperatives Set Pace?" That night at the Student Union Large Ball Room, we had the "Last Roundup." We had ballroom and square dancing time and everyone had a good time and hated to leave.

I was very happy to have the opportunity to take pictures of each district couple. We the Talent Clubbers, presented a small gift to Mr. Loyd, Mr. Pack, Mr. Wendt, Mr. Novakoff and Mrs. Novakoff to show our appreciation for their help and interest while on the Talent Tour.

For our final meal at the College, we had a chuck wagon dinner at the Athletic Field, which was enjoyed by all.

Thursday morning, bright and early, we packed our bags and left the dormitories. We had breakfast at Ft. Collins and then were on our way home.

We stopped at Central City, Colo., where we visited the Central Gold Mine and Museum. Also the Teller House and many other old buildings. We looked for curios and took pictures.

By noon we arrived at Ledger's Derby Cafe in Idaho Springs and after lunch we were soon on our way through the Mountains.

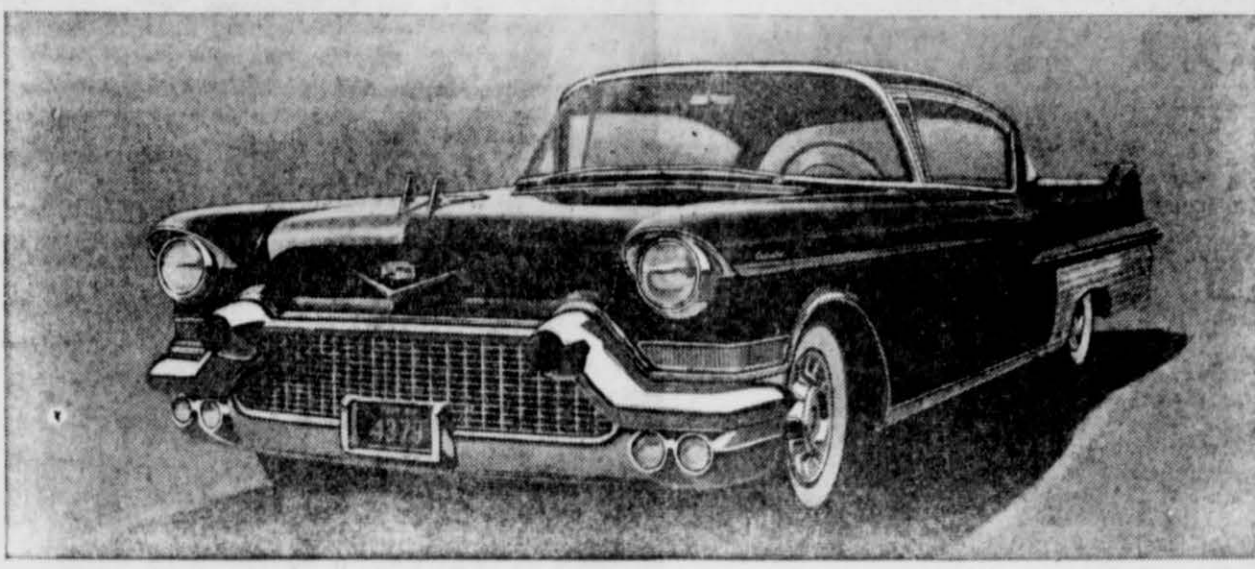

We stopped and took pictures at Loveland Pass and then headed for Denver, Colorado and arrived at Denver, Colorado at 12:30. We had a very good dinner at Grand Central which was served in a grand style. After dinner we visited Denver Museum on Natural History which was very interesting. Here we saw many interesting and important things, such as the bird groups, fossil exhibits, the ancient man of America, the department of mineralogy and geology, also the butterfly and moth exhibits. We saw the best structure of several dinosaurs which lived one hundred and fifty million years ago.

Sunday afternoon we arrived at the Colorado State University at Fort Collins, Colorado and ate a very good supper in the dormitory cafeteria. After supper we went to our rooms, cleaned up, and went to the "Get Acquainted Hour." There we played several games where we got acquainted with other young people.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Within Castro County there are approximately 100,000 acres of land which needs some degree of leveling in order to get maximum use of rainfall and irrigation water. In many cases the leveling would not require an expensive operation, but only a smoothing operation to form the ideal irrigation system. This smoothing should not be confused with floating. The float or land plane is an important tool in the farming operation but a land leveling tool it can't do the job effectively. It is much less expensive to use machines which are designed to do the job of cutting, transporting and spreading the soil to be moved.

There are several advantages to land leveling. A properly leveled field will make maximum use of natural rainfall allowing the water to stand until it can penetrate the soil or allowing it to be leveled off a non-erosive velocity. The leveled field will make uniform distribution and more efficient irrigation with a minimum of soil water.

At present the local Soil Conservation Technicians are assisting two farmers in doing land leveling. Raymond Mobley, located 7 1/2 miles north of Dimmitt and East of the Herford highway, is now in the process of leveling a 22 acre field to be seeded to alfalfa. The field has had a small hole in the center of it. Prior to this time the hole had been made by running deep water furrows and pushing the water through. This method of watering was wasteful, hard to control, and caused the crop in the hole to suffer from too much water. When asked to help, the SCS technicians studied and surveyed the field. The resulting

figures showed that the field could be leveled to a constant grade to tie in with the surrounding land and all with a minimum of dirt work. F. E. Higgins, located 4 miles north of Dimmitt on the Herford highway, had a different problem. He was faced with watering alfalfa on steep land and still getting maximum use of the water. It was determined that the land was too steep to be economically leveled as a field perfectly level. Leveling to a grade to tie in with other parts of the farm, or bench leveling. One of these types will fit in on your farm.

Visited in the George Home Mr. and Mrs. Davey Hensen and Sandra of Tulla, Mr. and Mrs. Holyer, of Tulla, formerly of Carroll, Wales visited in the J. J. George home Sunday afternoon.

OFFICIAL PUBLICATION OF DIMMITT HIGH SCHOOL

NUMBER 1

SENIORS OF '58 RECEIVE RINGS

Excitement in the lower halls of Dimmitt High, September 8, was caused by the seniors receiving their 1958 class rings. The rings are red with a blue band and a white center. The center of the ring is a shield-shaped set of the words Dimmitt High School, surrounded by black background. You will know a Senior by "Oh, look here," or one holding out his right hand.

Student Handbook Will Be Available

A handbook, which will contain interesting and valuable information about the student and his school, will be given to each student of Dimmitt High School later in the year. This book will help the student understand the Student Handbook, how the Student Handbook affects school activities, and the influence of the student in his school. One of the important things that the handbook has is a topic "How to Study," which could help each student in his school work.

LET'S BACK OUR TEAM

School spirit plays a large part in all the activities that the school undertakes. School has started and along with it many activities are beginning. There already has been one football game and there will be many more this season. Much can be accomplished if all the student body cheer every activity of the school. It helps the members of every kind of team and club to do their best when they know that the whole student body is backing them one hundred per cent. Don't hold back when you can do some thing that will help the school and the rest of the student body.

Have You Seen

a car? a kid's hat? a bottle neck? a fish bowl? a neck tie? an ear phone? a shoe skate? a shoe box? a jolly roll? a board walk? a house dress? a powder puff? a house fly? a shaking run? a fire whistle? a match box?

Choir Elects Officers

The Dimmitt High School Choir met September 5, for the first meeting this year. Officers were elected for the following school year. They are as follows: President, Joe Walker, Vice-President, Jack Bradley, Secretary, Jeanne Robison, Treasurer, Pat Cowell, Reporter, Joe Beecher.

Who is the Laziest

Mary. Which girl is the laziest in your class? Mary. I don't know. Mother: You ought to know. When all the others are writing and studying, who sits idly in her seat and watches the rest? Mary: The teacher.

Something New in DHS

Yes, there is something new in school this year. Three new courses are offered to the student who prefers something different. Mrs. A. Smith is teaching Civics this year. Civics has been made a required subject for all high school students beginning this year. It is a one semester course. We have one new course which has been taught in Dimmitt before and that is Chemistry. A new teacher, Mrs. Robinson, is teaching Chemistry and also our last new course, Physics.

RECIPE FOR VICTORY

1 1/2 cups meat and strength
3 barrels experience and know-
ledge
1 lump pickin'
3 buckets water
To color and flavor, add:
20 rows stuffed bladders, 1000
ed by 5 purple and white
jumping beans

SCHOOL DAYS

Books and papers on the floor. "Class in Session" on the door. A touch of genius in the air. Noisy people everywhere! School begins, the same routine. Will keep us busy till the Spring. The games and tournaments we're in. And skipping class, which is in. The fun we share with all the folks in the lower hall drinking coke. Yes, we repeat that we're not foolin'. These good old days that they will soon be gone.

FRESHMAN STYLES

Have you ever seen so many shiny shoes? If you were to have visited the first day of school at Dimmitt High School, you would have seen freshmen boys down on their knees polishing shoes. The new hair cuts are very becoming. The freshmen girls are wearing lipstick all over their faces, clothes on backwards and on the wrong side. For exercise, the girls carry their upper classmate's books to their lockers and classes.

SCHOOL OFFICERS

The first official meeting of the year, the Students Senate met September 4. The secretary, treasurer and reporter were elected for this year. The president and vice-president were elected for last spring by the student body. The officers are President-Gary Cleaver, Vice President-Jonah Aldridge, Secretary-Charlotte McElroy, Treasurer-Evelyn Cummins, and Reporter-Truman Touchstone. S. T. Newman was re-elected Senate Sponsor. Plans were discussed for calling a meeting of all class to elect officers and sponsors.

Senators of '58

The Senators of '58 met Wednesday, September 4, to elect class officers. Zay Gilbreath was elected president, Jerry Cluck-Vice President, Evelyn Cummins Secretary, Alan Newman Treasurer, Ometh Bradley and Lee Le Loster Reporter. Donna Woodell and Ronald Fortner-business managers. Elected to work on the pep squad were Charlotte Mears, Charlotte McElroy, and Mrs. Waggoner. James Bates was elected the class sponsor.

NEWS FROM FRIO

A birthday party honoring Miss Sammie Ann Vinson was given Friday afternoon, September 6 by her mother, Mrs. Edgar Vinson and her grandmother, Mrs. Carlton Dobbins, in the Vinson home. Those present to help Sammie Ann celebrate her fifth birthday were: Donna and Kim Glenn, Mark L. Simpson, Andrea Axe, Sandy and Kay Terrell, Genie Robbins, Cheryl Mason, Rhonda Stephan, Cheryl Cole, and Carleta Vinson. Ice cream and birthday cake were served to the group and favors of balloons, bubble gum, and bubble soap were given to the group. The mothers present were: Mrs. S. J. Glenn, Mrs. Andy Axe, Mrs. Jeff Terrell, Mrs. Gary Mason, Mrs. Weldon Stephan, and the hostesses.

Among the new faces seen in the Hereford and Dimmitt schools last week were the children who started for their first year from this community. Bill Cole, Stevie Robbins, and Cecil Jones are first graders in the Hereford schools and Reba Hall is starting her first year in Dimmitt. Also there is a new face from the community among the teachers this year. The Rev. B. H. Baldwin is teaching the sixth grade at the Shirley Grade School in Hereford. He is glad to get back to his teaching duties after being away from them for more than a year.

Mrs. Jennie Buchanan who has been visiting here with Mr. and Mrs. T. L. Sparkman, Sr., Mr. Annie Springer, and the A. L.

Jones, for the past several weeks left Friday morning by train for her home in Manteca, California. She had left her home on June 25 to visit with friends and relatives in Oklahoma, Plainview, and here, so she was anxious to get back to her home.

A miscellaneous shower was given Friday afternoon in the Fellowship Hall of the Frio Church for the Darold Baldwins who were married recently at Happy Union. Mrs. Floyd Cole was in charge of the program. After a game was played and a poem was read by Mrs. Owen Andrews, the gifts were presented to Mrs. Baldwin. Lemonade and cookies were served. They present were Mesdames Ernest Harder, H. M. Mobley, Owen Andrews, Henry Dobb, T. L. Sparkman, Jr., Clark Dobb, Herb Schmidt, B. H. Baldwin, Floyd Cole and Beverly, Miss Alma Andrews, and the guest of honor, Mrs. Darold Baldwin.

Mr. and Mrs. Clark Andrews and Rocky were in Amarillo Friday to shop and on business and in Canyon for Mrs. Andrews to see the dentist. Kirk stayed with his grandparents, the E. B. Berrymans, while they were gone.

Mr. and Mrs. Clark Dobb and Dusty visited Tuesday evening in the home of Mr. and Mrs. Gary Mason and Cheri.

Mr. and Mrs. Sammie Cox, Charlotte, Bobby, and Mike and Mrs. H. H. Cox of Watonga, Oklahoma visited from Friday night until

Sunday in the home of Mr. and Mrs. Kenneth Cox, Larry, Lynn, and Virginia. Sunday the Sammie Coxes, Mrs. H. H. Cox, and Mr. and Mrs. Kenneth Cox, Larry and Lynn went to Panhandle to visit with H. H. Cox. Sammie Cox is Kenneth's brother and the H. H. Coxes are their parents.

Mr. and Mrs. Edgar Vinson, Sammie Ann and Carleta, Mr. and Mrs. Jeff Terrell, Kay and Sandy and Mr. and Mrs. Weldon Stephan and Rhonda were dinner guests Sunday in the home of Mr. and Mrs. Darwin Miller.

Mr. and Mrs. Frank Robbins, Carol, Stevie, and Genie and Mrs. Robbins parents, Mr. and Mrs. F. Y. Moreman of Hereford, returned recently from their vacation. They were in Gunnison, Colo., Red River, and other places of interest in Colorado and New Mexico. They also visited in Albuquerque with Frank's uncle and aunt, Mr. and Mrs. L. D. Robbins, and their cousin Mr. and Mrs. Don Robbins and family. Jerry Robbins stayed with his grandparents, Mr. and Mrs. H. D. Robbins, in Hereford while his parents were gone.

Mr. and Mrs. T. L. Sparkman, Jr., Bonnie, and Darlene and Mrs. H. M. Mobley were dinner guests Sunday in the home of Mr. and Mrs. Floyd Cole, Jana, Bill, Cheryl and Beverly.

Ediana Vinson visited Sunday with Carol, Genie, and Stevie Robbins.

Mr. and Mrs. Ralph Hart of Clovis, New Mexico spent Saturday night and Sunday in the home of Mr. and Mrs. J. E. Andrews. Sunday dinner guests in the Andrews home were: Mr. and Mrs.

Fred Andrews and Mr. and Mrs. Wiley Andrews of Melrose, New Mexico, the Ralph Harts, Mr. and Mrs. R. A. Burrus, La June, Wanda Zadine, and Gary of Texico, New Mexico, Mrs. Alma Sprull and Ilene of Loco, Oklahoma, who have been here visiting for several days, and Mr. and Mrs. Clark Andrews, Rocky and Kirk. Afternoon visitors in the Andrews home were: Mr. and Mrs. Henry Andrews and Jean, Mr. and Mrs. T. L. Sparkman, Jr., Bonnie and Darlene, Mr. and Mrs. W. H. Andrews, Delores, Bonnie, Jackie and Mr. and Mrs. D. O. Benson of Hereford. Mrs. Ralph Hart, Mrs. R. A. Burrus, and Mrs. Alma Sprull are sisters of Fred, J. E. and W. H. Andrews.

Mr. and Mrs. Gary Mason and Cheri visited Sunday afternoon in the home of Gary's parents, Mr. and Mrs. R. L. Mason of Hereford.

Mr. and Mrs. Homer West were supper guests Tuesday evening in the home of Mr. and Mrs. Henry Dobb, Larry and James.

Mr. and Mrs. D. F. Yandell and their daughter and husband, Mr. and Mrs. Johnny Robinson, returned home Thursday afternoon from a week's vacation. They visited in Crockett, a small town near Waco, with Johnny's grandparents, Mr. and Mrs. Hiser. They were in Beaumont, Port Arthur, and then went down the coast to Galveston. They went across to the island out from Galveston by ferry and enjoyed swimming in the Gulf. From Galveston they went to Houston where Johnny's aunt, Mrs. Rena Robinson, took them on a tour of the city. They saw the Battleship Texas, the San Jacinto Monument, and other points of interest there. They went on from there to Corpus Christi, Brownsville, and then to Mexico to Matamoros. They then traveled in the Rio Grande Valley to McAllen from there to They reported that they had a very good time.

Becky Little of Texline accompanied Mr. and Mrs. Leon Martin and Stephanie of Hereford, who had been visiting in Texline, to Hereford Friday afternoon for a visit with her grandparents, Mr. and Mrs. H. D. Robbins. Her parents, Mr. and Mrs. E. H. Little, and sister, Peggy, came for her Saturday.
