Through a hard-hitting, Conscientious Advertising Program

Competition is a demanding taskmaster-but it can also be a Mrs. Howard P the greatest rewarding factor in merchandising or servicing It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, knows he has a thriving, growing business that will nev want for customers. Business goes where it is invited-and competitive prices, outstanding courteous service with good selection, and promotional advertising will do the most

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now-you'll be amazed at how quickly you will feel the difference. Just telephone 647-3488 and a salesman will call on you at your convenience.
