Voters will decide Tuesday

1972 HOMECOMING QUEEN at Nazareth High School is Noreen Kleman (second from right), a sophomore, who was crowned in pre-game ceremonies at Swift Field Friday night. Here, the Homecoming Queen and her attendants view the Nazareth-Mattador game from their special stand along the sideline. From left are Janice Schacher, junior; Becky Wilhelm, freshman; Miss Kleman; and Peggy Book, senior. Homecoming activities also included a parade and pep rally last Thursday night, a dance after the game, class reunions, the annual Homecoming Dinner Sunday at noon, and tours of Nazareth schools Sunday afternoon.

Polks will troop to the polls Tuesday to choose the next president, the governor and to make their opinion known on 14 amendments to the Texas constitution.

County voting precincts are:

- 1 — County Clerk's office
- 2 — Assembly Room, courthouse
- 3 — Tax Assessor's Office
- 4 — Grand Jury Room, second floor, courthouse
- 5 — H&S Farm Supply, Nazareth
- 6 — Hart City Hall
- 7 — Bethel Community Building
- 8 — Bob Simpson Home (9 1/2 miles north, US 385)
- 9 — Summerfield Elevator
- 10 — Morrison Gin office
- 11 — Flagg Gin

64 accidents, 16 fatalities so far in '72

The Texas Highway Patrol investigated 12 accidents on rural highways in Castro County during the month of September, according to Sgt. Rex Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in no persons killed and nine persons injured.

The rural traffic summary for this county during the first nine months of 1972 shows a total of 64 accidents resulting in 16 persons killed and 44 persons injured.

Yule promotion billings mailed

Billings were mailed to all Dimmitt merchants Wednesday for their share in the downtown Christmas promotion program.

BUSINESSES are asked to pay \$10 each to help pay for Christmas decorations, candy and bicycles for the program, which encourages shopping in Dimmitt.

The Chamber of Commerce bills and collects for the promotion, and the chamber board administers the fund.

Eight lucky youngsters will receive free Christmas bicycles from Dimmitt merchants this year, along with the traditional Christmas candy.

The free-bike program has replaced the free Saturday-morning cartoon shows staged in former years.

Utah search called off

The air search for four missing Hart churchmen was called off Monday and might not be resumed until spring.

NEW SNOWS in southeastern Utah made flying more hazardous and dimmed the searchers' hopes of spotting the men's white plane in the rugged mountains and canyons.

The single-engine plane, which has been missing 15 days, was piloted by Harold McColum, Dimmitt contractor and minister of the Hart Church of Christ. Accompanying him were three of the church's elders—J. C. Jackson, Mart Booe and G. C. Hanes, all of Hart.

They were en route from Dimmitt to Oreville, Ash., and Bernaby, Canada, to inspect mission churches which the Hart church is supporting, when their plane was reported missing Oct. 18.

THE PLANE was last seen on a scheduled stop at Cortez, Colo., and was on a flight plan to Salt Lake City with a stop scheduled at Hanksville, Utah.

Memorial service planned at Hart

There will be a memorial service Sunday afternoon at 3 in the Hart Elementary school reduced almost to brush-piles as men whose plane has been missing 15 days.

THE single-engine plane was piloted by Harold McColum, minister of the Hart Church of Christ, and accompanying him were three church elders, J. C. Jackson, Mart Booe and G. C. Hanes. The plane was last seen at Cortez, Colo. Oct. 18.

Trees and telephone lines were the main victims of the Halloween ice storm that coated the county Monday night and Tuesday.

THREE-FOURTHS of the telephones in the county are out of service and many homes were still without electricity Wednesday morning, West Texas Telephone Co. and Southwestern Public Service Co. have brought in extra crews and are working overtime to restore service.

Many trees and groves were broken ground. A quarter-inch coating of ice built up on their limbs, then brought them crashing to the auditorium for four Hart church members.

"It looks like a twister or something hit them," commented Mrs. Carl Bolton, 707 1/2 W. Etter St., after sadly surveying her big pecan trees which, until Tuesday, were promising a large crop of nuts.

"I thought poplar trees could withstand about anything, but a lot of them are down, too,"

Holcomb injured in Tuesday wreck

Ben Holcomb of Dimmitt was injured in a two-vehicle accident Tuesday morning on the Fieldton Highway near Olton.

HOLCOMB WAS traveling north when his Ford pickup collided broadside with a car that had slipped off the icy highway and then pulled back on.

Holcomb was admitted to Lubbock's Methodist Hospital with broken ribs and lacerations. He was expected to be released Wednesday afternoon or Thursday morning.

The driver of the car, Linda Mitchell of Littlefield, was admitted to the Littlefield Hospital.

Candy deadline eight days away

Sounds early to be thinking about Christmas candy, but the deadline for making Christmas candy for Castro County's servicemen is just eight days away.

THOSE making candy should deliver it to the Castro County Farm Bureau office on North Broadway before 5 p.m. Nov. 10.

The following Monday, volunteers will begin the packaging for the Nov. 17 shipping date.

Beral Hance at the county extension agent's office is compiling the mailing list, and all families with a man or woman in the military service should submit addresses to Mrs. Hance within the next week.

Mrs. James Welch of Bethel is chairman of the 1972 candy project.

Group resumes original name -- Dimmitt Jaycees

They're the Dimmitt Jaycees again, instead of the Castro County Jaycees.

THE YOUNG men's civic organization voted last Thursday to change the name back to the original title and scope.

The Jaycees went county-wide two years ago in an effort to enlist young men from Hart, Nazareth and other communities in coordinated efforts. However, President Chuck Braafladt noted at last Thursday's meeting that the idea had not proven practical for men living 10 to 20 miles from the club's weekly meeting place.

The group was first chartered as the Dimmitt Jaycees in 1955.

Fire damages food store here

The Nif-T Food Store, in Dimmitt's Bruegel Shopping Center, received heavy smoke and fire damage early Sunday morning from an electrical fire.

FIRE MARSHAL Guy Waldrop said the fire apparently started under the deep fat fryer. A spokesman of Nif-T Food said the store would be closed and restocked because of the heavy smoke and fire damage. He said the ceiling was burnt and new fixtures would be required before the store could re-open.

Other stores in the shopping complex reported no smoke damage from the fire.

THE SOTRM also brought activities to a cold standstill here.

The Dimmitt Lions Club called off its Community Halloween Carnival scheduled for Tuesday night, but plans to hold it Saturday night if the weather permits.

The UIL regional band marching contests in Lubbock were postponed two weeks, to Nov. 14 and 15. Nazareth's and Hart's school bands were scheduled to march Tuesday and Dimmitt's band was to compete Wednesday.

With their electrical power knocked out, Nazareth Public Schools called off classes Tuesday, but held an in-service work day for teachers.

All Dimmitt Schools dismissed an hour early Tuesday so buses could finish their rural runs before dark.

MILO HARVEST was just getting into full swing here, but the storm stopped it and threatened to cause lodging of the stalks, posing a serious problem in a harvest season that otherwise has enjoyed ideal weather.

Although trees suffered the most lasting damage, West Texas Telephone Co. received the

most immediate damage from nature's trick-or-treat ice storm. "I DON'T think there's an east-west line left standing," said Reeford Burrous, WITC plant manager. "The north-south lines aren't in such bad shape, but we've lost nearly all of our east-west lines. They're the ones that caught the brunt of it."

"There are 28 poles down just between Dimmitt and Nazareth, around the county," Burrous reported. "Our first rough count showed more than 40 poles broken down in the rural areas."

Burrous explained that the Dimmitt-Nazareth pole network carries the company's large "lead" lines with multi-circuit, inter-city capacity.

"WE'VE GOT nearly everything out," Burrous added. "I'd say 75 percent of the telephone lines in the county are down. 'Inside the city, the main damage is in the alleys, where the drop-lines into the houses have been knocked out. Trees falling over these lines caused most of it, plus the weight of the ice and force of the wind.'"

The telephone company is bringing in 20 additional men from Arkansas, East Texas and South Texas to help the local

Halloween Carnival rescheduled for Saturday night by Lions Club

The ice storm forced Dimmitt's Lions to call off their annual Community Halloween Carnival Tuesday night, but they hope to stage it Saturday night if weather permits.

BOSS LION Charlie White said the carnival is "go" for Saturday night unless "icy or muddy conditions are" in effect Saturday. If the carnival committee decides to cancel again, he said, the announcement will be made over KDHN Radio by noon Saturday.

The carnival is scheduled to begin at 6 p.m. Saturday at the Panhandle Compress & Warehouse on East Halsell Street. Admission will be 25 cents per person, with pre-schoolers free.

Co-chairmen Jodie Minnick and Doug Proffitt have asked all Dimmitt Lions Club members to be at the Panhandle Compress at 2 p.m. Saturday to set up booths and prepare the warehouse for the carnival.

AS FAR as was known by press time, all 24 or more booths originally planned will still be conducted. These include:

- Milk bottle throw, ring-a-cake walk, balloon dart board — Junior High classes
- Wheel of fortune, coin drop
- Freshman Class.

—Pie Walk — Sophomore Class.

—DUCK GRAB and concessions — Junior Class.

—Pool ball, nail driving game, colored ball pitch — Industrial Arts Club.

—Buried treasure and fortune teller — Journalism Class.

—Pie throw and shave-a-balloon — School Choirs.

—Coin pitch — Spanish Club.

—Fishing wall — Pep Club.

—SHOOTING gallery and table games — Lions Club.

—Chili cup concession and add-em-win dart game — Home Demonstration Clubs.

—Bean bag game — Camp Fire Girls.

—Library Fund benefit contest — Beta Sigma Phi sorority.

THE COSTUME contest is still on, with prizes to be awarded to seven youngsters showing up in the best Halloween costumes. Six door prizes also will be awarded during the night, including a television set by Beta Sigma Phi sorority.

The carnival will be a combination snack party, fun night and costume party. "You shouldn't have to eat supper before coming out, because there'll be plenty of food there," Minnick said.

INSPECT SCULPTURE—Congressman George Mahon (left) of Lubbock views the bronze bust of himself which was presented by counties in his 19th Congressional District. With Mahon is Larry Hausmann, president of the Castro County Farm Bureau. The sculpture was unveiled at a "George Mahon Appreciation Day" barbecue dinner given in honor of the congressman last week in Fair Park Coliseum in Lubbock.

Eight from Castro County attend 'George Mahon Day' in Lubbock

Eight persons from Castro County attended the "George Mahon Appreciation Day" barbecue Oct. 24 at Lubbock's Fair Park Coliseum.

A BRONZE bust of Mahon was unveiled in ceremonies after the dinner and presented to Rep. Mahon and his family. The sculpture by Juandell Wade of Lubbock will be on permanent display at Texas Tech University Museum.

The Castro County Farm Bureau delegation included Larry Hausmann of Dodd, president, Mr. and Mrs. Ernest Sammann and Mr. and Mrs. Elvon DeVaney. Also attending from here were Carl King, Ray Joe Riley and Dick Reinhardt.

H. L. "Hub" King of Brownfield, Texas Farm Bureau state director, District 2, was master at the unveiling of the bust.

We will have a stockholders' meeting Monday at the Country Club. All members who own a stockholder's certificate are urged to attend this meeting at 7:30 p.m. to vote on new board members.

THE LADIES' Golf Association will hold its annual Association Golf Tournament Nov. 11 and 12. The awards dinner will be held Sunday night, Nov. 12.

The Men's Club Tourney will also be held at the same time. Players may get up their own game, but have to play with at least one other person signed up for the tourney.

BOBBIE DAMRON came in high in Friday's bridge play with a score of 4,180. Loretta Hucks was second with 4,130. Ellen Hrabal was third with 3,370, and Ramona Annen was fourth with 2,990. Loretta Hucks served coffee and doughnuts to participating bridge players.

Since school will be out Friday, full tables will not be played for bridge, but Jeannie Johnson, hostess, said she thought we had enough for two tables, and if anyone else wanted to play to please call her at 647-5653.

Bertha and I are getting to be pretty good friends. She told me the other day that a "bidding convention" was a partnership understanding about the meaning of a bid or of a bidding sequence. Whenever

two partners agree to use a bidding convention, they should explain it carefully to their opponents. In some cases it is necessary only to name the convention because the opponents are quite familiar with it. (I see that Bertha has never attended our Novice Bridge Club on Fridays.)

The Blackwood Convention begins with a bid of four no-trump, which asks the partner to show how many aces he or she holds. A later bid of five no-trump may be used to ask partner how many kings he or she holds. The Gerber Convention is a bid of four clubs used to ask partner for aces, and five clubs for kings.

Say, this sounds like a snap! I never played cards where you could come right out and ask what kind of cards your partner had!

DON'T FORGET our night organizational bridge meeting tonight (Thursday) at 7:30 at the Country Club. We have both men-women and women-women partners signed up, and also singles. Anyone wishing to play at night is urged to attend this meeting, or call my wife at 647-4555 and make your reservations. We will not know until after the meeting exactly what night they will meet, what time or how often.

The ladies elected Myrtle Sheffy their "Most Valuable Substitute" last week, as she has saved their lives more than once. I don't know how she scored Friday, but my wife tells me that she had a big fat goose-egg at the third table. I don't play bridge, so I can only assume she had eggs for lunch?

The book review, to be presented at 4 p.m., is open to the public. Contributions or silver will be given to the library building fund.

"I don't know what ails me, but a prescription by Dr. Laurence J. Peter will cure me," said TV commentator Joe Garza.

Kitchen shower fetes Miss King

A kitchen shower was given in Hart Saturday afternoon for Becky King, bride-elect of Gary Six. Mrs. Dwight Miller and daughter, Carol, hosted the shower in the Miller home.

Miss Miller received the guests and registered their names on an apron.

Mrs. Miller and Carol served from a table that was covered with a white cloth, with red ribbons through eyelet embroidery. A bridal centerpiece arranged with red net was the table decor.

Hostess gifts were a hairpin lace afghan, aprons, recipe file and juice set.

Special guests were Mrs. W. T. King and daughter, Terri, mother and sister of honoree; and Mrs. Elmer Six of Petersburg and Mrs. Vicki Birdwell of Dimmitt, mother and sister of the prospective bridegroom.

Guests were Hart school classmates of honoree—Carolyn Cole, Brenda Covington, Kathy Kennedy, Debbie Davis, Diane Barnham and Mmes. Diane Neal, Rickey Farris and Ronnie Trulock.

giola. "He makes me laugh—and that will allow me to avoid the final placement syndrome."

The "final placement syndrome" is a facet of the human experience Dr. Peter tackles in his new book, which is aimed at helping people avoid incompetence, find happiness and work toward a better world. The book is his prescription for accomplishing these goals. It is a sequel to his original best-selling socio-business book, "The Peter Principle."

Shower in Hart honors Miss Rowe

Stephani Rowe of Amarillo, bride-elect of Bruce Futrell of Hart, was complimented with a shower last Wednesday afternoon in the home of Mrs. Charles Martin, east of Hart.

MRS. HAROLD Bennett and Mrs. Bob Bennett served from a table that was covered with a linen cloth and centered with royal blue candles in antique brass holders, entwined with ivy and daisy mums.

Miss Rowe was presented a carnation corsage and set of stainless flatware by the hostesses.

Special guests were Mmes. Ralph Futrell, R. A. Futrell and Homer Hill, mother and grandmothers of the prospective bridegroom.

Twenty-one ladies from Hart and Tulsa assisted.

Miss Webb is shower honoree

Diane Webb, bride-elect of Carter Townsend of Jackson, Miss., was honored with a shower and tea Saturday afternoon in Mrs. Goodwin Miller's home.

MRS. MILLER presented the guests to Miss Webb and her mother, Mrs. Carrol Webb.

Mary Ann Cluck registered guests and Kim Miller and Emma Lou Hastings served punch and cake. The serving table was covered with a white linen cloth and featured an arrangement of American beauty red gladiolus in a silver candelabra. Pink tapers lit the scene.

Out of town guests included Mrs. C. R. McKee of Mineral Wells, Miss Webb's grandmother; Mrs. Janice Mooney Davis of Amarillo and Leisa Dannevik of Lubbock.

The couple will exchange wedding vows at the Highland Church of Christ Chapel in Abilene. Both are seniors at Abilene Christian College.

KVII-TV moves 'adult' movie to later time

KVII-TV of Amarillo has announced that the ABC network movie, "That Certain Summer," originally scheduled to be shown Wednesday night, has been rescheduled for Saturday at 10:45 p.m.

A SPOKESMAN for KVII said the management felt the original time slot was "entirely too early for a movie with such a controversial subject."

The subject is male homosexuality, and the conflict is between a divorced homosexual and his adolescent son who is slowly learning the truth about his parents' divorce.

After previewing the film, KVII fought with the network for the right to reschedule the movie at a time where the children's audience would be removed. In the Wednesday 7:30 p.m. time period, a local movie was shown in place of the network movie.

4-H'ers to get awards Saturday

By IRENE KEATING
Saturday night is the county 4-H Awards program and banquet. This year 103 4-H'ers will be recognized. This event climaxes the 4-H events and activities of the year. 4-H Council members will conduct the program. Judge Raymond Wilson will announce the Gold Star Award winners and the county commissioners will present the 4-H medals.

LAST WEEK I had a nice visit with two ladies from Edin-

burg whose husbands are here for harvest. They are home demonstration club members—I'll hope they'll come by again next year.

There are fifteen women who are making coats in our workshop that started last week. We're all having a good time and learning together.

The Dimmitt 4-H Club is having its club awards program tonight (Thursday). Working Girls Will have their club awards next Thursday at 7 p.m.

at Hart. Seventeen Working Girls are presently enrolled in the Child Care project. Happy Helpers are also conducting child care each Saturday at Easter Community building.

IF YOU'RE planning to bake fruit cakes, its time to get started. In fact, you really should be getting some holiday baking started. We have our Christmas recipe sheets completed if any of you want to come by and get one. This is the time to get your holiday foods plan-

ned and set up your schedule as far as activities and gifts are concerned. If you plan ahead you'll really enjoy the holidays.

Judge Wilson gave an interesting talk on the duties of county officials at the Town and Country Home Demonstration Club last week.

Tonight at 7:30 in my office we will have a meeting of the Spanish-American Home Demonstration Club and elect officers and select a name. All

homemakers are invited to attend. The club is our fifth club in the county. I hope we can organize a club in the Hart area also. If you're interested let me know.

Gas companies plan to merge

The managements of Pioneer Natural Gas Co. of Amarillo and Houston Natural Gas Corp. of Houston have agreed in principle on a merger of Pioneer Natural Gas Co. into Houston Natural.

BURTON P. SMITH, president of Pioneer, and Robert R. Herring, president of Houston Natural Gas, said that the proposed terms of the merger called for the exchange of one share of Houston Natural common stock for each 2.25 shares of Pioneer common stock. They said that the merger, which could be consummated as early as January 1973, would be subject to satisfactory mutual investigations, the approvals of the directors and stockholders of both companies, and other conditions.

Pioneer has 7,468,132 common shares outstanding and Houston Natural has outstanding 6,767,031 common shares and 748,472 convertible preference shares. The stocks of both companies are listed on the New York Stock Exchange.

Pioneer is engaged principally in intrastate transmission and distribution of natural gas in the Texas Panhandle and West Texas. The company serves 235,000 customers in 69 communities including Amarillo and Lubbock, and operates 9,324 miles of transmission and operating revenues for the 12 months ended June 30, 1972, were \$94.3 million. Net income was \$9.6 million or \$1.28 per share.

HOUSTON Natural's primary business also is natural gas. It serves more than 345,000 customers in Houston and 116 other Texas Gulf Coast communities and utilizes a 2,300-mile intrastate transmission and gathering system. For the fiscal year ended July 31, Houston Natural Gas revenues and sales were \$277.2 million. Net income of \$20.7 million produced earnings of \$2.68 per common and common equivalent share.

Herring said that no personnel changes in the Pioneer organization are contemplated and that Pioneer, after the proposed merger, would continue as a separate entity in this service area.

Hart superintendent and teacher are nominated for TSTA awards

The Hart Classroom Teachers have submitted the names of Supt. Ted Averitt and Mrs. Max Stephens for the TSTA Teacher Awards.

AVERITT, superintendent of Hart Schools since 1968, has been nominated for the TSTA Administrator of the Year, and Mrs. Stephens as TSTA Teacher of the Year.

Averitt was born at Kaufman and graduated from the Kaufman High School. He attended Texas A&M, received his BS degree from North Texas State University, and earned an MS degree from Texas Tech.

His achievements in Hart have included the organization of a school band with a new band building and uniforms. Coordinated Vocational-Academic education program for girls and boys in grades 7-12 and an Industrial Cooperative Training Program for girls and boys in grades 11 and 12. Kindergarten Migrant Program for grade K-8, special education, SRA and Distar reading program with a new reading center building.

His professional background includes 13 years as a classroom teacher. He was superintendent at Hermleigh prior to coming to Hart, and also was a coach and classroom teacher there. He has taught and coached at Monahans-Wickett, Burk Burnett, Iowa Park and Alvord.

He is a member of Texas State Teachers Association, PTA, past president of the Castro County National Education Association, Texas Association of School Administrators, and Region 16 Teachers Association. He is a deacon in the First Baptist Church and a member of the Lions Club, Hart Athletic Boosters and Band Booster Club. He also is a past president of the Hermleigh Lions Club.

He and wife have three children, Jan, Jim and Stacey. The chairman of the TSTA Public and Professional Relations Committee will announce the winner of the state award at the annual state TSTA convention.

BETTIE STEPHENS was born in Maypearl and has been in the teaching profession for 27 years.

She attended Midland High School, earned a BS degree from Sul Ross University and has done graduate work at West Texas State University, New Mexico State University and Texas Tech.

She has served two years as vice-president and program chairman for Delta Kappa Gamma Society.

She has taught remedial reading in Hart Elementary School, grades 1, 2 and 3, since 1964. She also has taught at Artesia, N.M., Hermosa, N.M., Midland and Rankin.

She is a member of the Hart Classroom Teachers Association, Castro County Teachers Association, Texas State Teachers Association, Hart Church of Christ, Zealot Club, Delta Kappa Gamma and Eastern Star. She is the former president of the Artesia Teachers Association and a former vice-president of the Castro County Teachers Association and the Hart Classroom Teachers Association.

She and Mr. Stephens have a daughter, Elizabeth.

Angus group admits youth

Lon A. Keel of Dimmitt has been granted a junior membership in the American Angus Association at St. Joseph, Mo., announced Lloyd D. Miller, executive secretary.

THIS NEW junior membership entitles the member to register purebred Angus at regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the Association.

There were 95 young people in the United States to receive junior memberships last month.

Greetings Comrades,

Our Halloween Dance was one of the best ones we've had in a long time. We had a nice large crowd and the band came through with some mighty fine sounds.

COMRADES, last week I told you about some plans for the 11th of November. Well it looks like we are going to have a parade and open house at the post home. Details haven't been worked out as yet, but the parade will probably be in the morning and open house in the afternoon.

Please be at our meeting Nov. 6 that's next Monday night. We'll put all the details together. We need your help so please make a big effort to be there.

I must say that the new procedure at game night is catching on or pretty good. We had one of the biggest crowds ever last Wednesday. If you want to join the fun, be there at 8:30 and bring the family with you, everyone will enjoy it.

Thomas Stephen Martin of Dimmitt, a graduate student at Oklahoma State University, is among 18,213 students enrolled on the Stillwater campus this fall.

By classes there are 3,568 freshmen, 3,652 sophomores, 3,689 juniors, 4,083 seniors, 2,941 graduate students and 180 special and unclassified students attending OSU.

ALLEN KING ... SCS agronomist

'Minimum Tillage' talk set tonight

Allen King, field specialist in agronomy with the Soil Conservation Service, will present a program on "Minimum Tillage" to the Dimmitt Young Farmers tonight (Thursday) at 8 o'clock in Dimmitt High School's vo-ag building.

KING WAS reared in West Texas and eastern New Mexico and graduated from Texas Tech in 1941 with a degree in agronomy. He joined the Soil Conservation Service in 1941 and has spent most of his career in West and South Texas.

He presently serves 88 counties in North Texas as agronomist. King is headquartered at Amarillo.

New Lubbock Inn has 'old' goals

In today's fast-moving society, the combination of the modern and the touch of nostalgia is sometimes hard to come by. But the New Lubbock Inn receives the name and the spirit of the original Lubbock Inn of the 1920's.

The old Lubbock Inn was known for its hospitality and fine food. People would travel horseback for miles to eat there. Developers of the New Lubbock Inn have tried to establish the same uniqueness on a modern level.

The New Lubbock Inn features bronze mirror glass contrasting with white marble-crete at the entrance. The motel has two telephones in each room (one in the bath), color TV bedside controls for television and lighting, king or long-boy beds, modern coffee shop, cocktail lounge, and an unusual pool.

Why You Should Re-Elect President Richard Nixon Nov. 7
LET'S LOOK At AGRICULTURE And STOCK RAISING
WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.
WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.
HERE ARE SOME OF THE REASONS
PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.
PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.
PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

SPINHIRNE WILL OPEN WESTERN AUTO STORE AT DIMMITT SHELL SOON

A Western Auto Store will be opening in Dimmitt soon, after an absence of several years. Walter Spinhirne at Dimmitt Shell will open the Western Auto Store at his present location on South Highway 385.

Spinhirne said the Western Auto Store will operate independently, but that Western Auto will supply it. Among the merchandise to be stocked are Wizard Batteries, Davis tires and small and major appliances. "Some of the appliances will be carried locally and others will be available at our catalog sales desk."

Remodeling is underway now and stocking will begin soon at the Western Auto Store. The entrance to the store will be on Broadway, the backside of the Shell station. Mrs. David Acker will work in the Western Auto Store.

Spinhirne will continue to operate the Shell distributorship. The Shell service station is open from 7:30 a.m. to 8 p.m. six days a week and Sundays from 12 to 6 p.m.

Salvador Ortiz is the service station attendant at the Shell station. Assisting Spinhirne, too, are his sons, Michael and Marvin who work on weekends.

Spinhirne opened the Shell station in January, 1969. The station dispenses Shell gasolines and oils, giving S&H Green stamps on all purchases. The station also offers motorists minor tune-ups, muffler service, and wash and grease jobs on autos.

Spinhirne wants you to make Dimmitt Shell your automotive headquarters and to watch for the opening of the Western Auto Store.

Methodist set date for annual Harvest Dinner

By MYRT LOMAN
 The First United Methodist Church is planning its annual Harvest Dinner for Nov. 15 at 7 p.m. in fellowship hall of the church.

Rev. Kenneth Wyatt of Tulia will be the guest speaker for the service after the dinner. Rev. Wyatt is an ordained Methodist minister, a nationally known artist, and formerly was an after-dinner speaker with the Knife and Fork Clubs circuit.

The local church has this stewardship dinner each year just before Thanksgiving.

 MRS. G. R. BENNETT was hostess Friday at a covered dish luncheon for members of the Golden Ones Club.

WHAT IS IT? — Mrs. K. E. Lambert of Hart would like to know what this "mystery plant" is which is growing in her flower garden. The plant's outstanding feature is the spiny pods which it produces. Each pod is covered with thorns similar to a rosebush's. Also, the plant produces a white flower, and it blooms only at night. Mrs. Lambert brought the flower from Tulsa. Can you tell her what it is?

 After the luncheon, the ladies toured the new house being built for Mr. and Mrs. Dub Holley and family.

Returning to the home of Mrs. Bennett, the ladies made a tour of her home to see the

many decorative items she has made for her home. These include an old decorated cream can; an old nail keg covered and made into a nice stool; and many little rocks of different sizes, glued together, spray-painted and made into worms, owls and what-have-you. Keepsakes of her husband's, the late Ray Bennett, are keys of all kinds; cuff links; pins glued on a bottle and spray-painted gold; and a large picture frame with "his" and "her" pencils and pens glued to the back of frame, making a rather attractive picture. On the beds in the guest rooms are decorated dolls. Beautiful flowers and pictures of all descriptions decorate her home.

Mrs. Nora Lee Zyburka will host the November meeting.

FIRST DOWN — Nazareth halfback Pete Gonzales (13) turns the corner around right end and sprints to a first down at the Matador 15-yard line in the fourth quarter of Friday night's NHS Homecoming game. The Swifts were working against the clock at this point, trying to get a

third touchdown before the final buzzer sounded. But the clock won, catching the Swifts on the 10-yard line at game's end. Nazareth won the District 2-B bout, 14-0, to hike its season record to six wins against two losses.

Home sweet Homecoming

Swifts shut out Matador, 14-0

Nazareth's Swifts struck for touchdowns in the second and fourth quarters Friday night to please a big Homecoming crowd with a 14-0 victory over Matador. IT WAS the Nazareth defense's fifth shutout of the season, and hiked the Swifts' record to 5-2 for the year and 3-2 in conference play. The spunky Matadors pushed the ball inside the Nazareth 20-yard line three times, but the Swift defense always rose to the occasion to keep the goal line uncrossed. Meanwhile, Nazareth tailback Junior Joiner and split end Charles Heck brought the crowd to its feet with a pair of exciting touchdown plays—Joiner's on a 45-yard run and Heck's on a reception of a beautiful reverse pass from play action. Although plagued by fumbles and penalties, the Swifts rolled up 215 yards on the ground, with the fleet-footed Joiner ac-

counting for 125 of them and fullback Stanley Gerber pounding for 70. Sophomore quarterback Bernie Huseman pinpointed his passes well, completing four of five for 95 yards, including the 20-yard touchdown strike to Heck. The Swifts finished with 310 total yards and held the Matadors to 185, including 45 through the air. Coach Clayton Neal's Swifts knew they were in for a fight from Stan Irvin's Matadors when the two crews battled to a scoreless deadlock through the first quarter. But in the second stanza the Swifts capitalized on a Matador fumble, converting the turnover to a big-play scoring strike as Joiner raced 45 yards to paydirt. Joiner's scoring jaunt came one play after three Nazareth linemen pounced on a Matador fumble. Joiner punched through the line for a two-point conversion to give the Swifts an 8-0 lead with 3½ minutes gone in the second quarter. The rest of the quarter was scoreless, with both teams moving the ball well but losing their momentum via turnovers and penalties. The first half ended with Nazareth still on top, 8-0. The teams fought scorelessly through the third quarter, with outstanding defensive plays highlighting the action. In the fourth period the Swifts marched to the Matador 20, then staged the game's most spectacular play: Huseman took the snap and

everybody headed north on an apparent right-side power sweep. But when he reached the corner, the little Swift quarterback faded as his backs set up a pocket, then winged the ball back across the field, against the traffic flow and into the south edge of the end zone. Standing all alone was Heck, who had sneaked out on a buttonhook pattern. The little 5-6 sophomore end smothered the football to his chest as the fans roared their approval of the razzle-dazzle touchdown play. The Swifts tried another two-point conversion run but were stopped short, leaving the score at 14-0 in Nazareth's favor. That's where the score stood 4¼ minutes later when the final yuzzer sounded. As the game ended, the Swifts were on the Matador 10-yard line, trying to pick up their third TD, but the clock stopped them. Dennis Kern led the Swift defense with six tackles and four assists, while Steve Acker, Kent Birkenfeld and Junior Joiner were also credited with outstanding defensive play.

All five of Nazareth's victories have been shutouts. The only two teams that have scored against the Swifts were powerhouses Wilson (42) and Happy (35). Friday night the Swifts will travel to Sundown for a conference game that's expected to be one of the rougher ones of the year. The Roughnecks have lost only one game all season while winning six. Kick-off time will be 7:30.

3-AA sidelines

While Littlefield wins shootout, Smith takes notes on Chieftains

Just for a change, since he had an open date Friday night, Brown L Smith went to a football game. The Dimmitt coach drifted down the road to Littlefield to watch the Wildcats play Friona. And since he happened to be handy, and just happened to bring a pencil—he took a few notes. OF COURSE, since he has to take his Bobcats to Friona Friday night, there was more than just coincidence in his presence, as well as his note-taking. Even a coach has to enjoy watching such a contest as this, and Smith admitted it. "That was some game," he said. "That thing could have gone either way." And both Littlefield's Jerry Blakeley and Friona's Bob Owen would be forced to agree, after the Wildcats pulled out a 21-14 decision between the District 3-AA leaders. NOW, Littlefield owns a 2-0 district record with games remaining with Morton (this week) and Olton. The Wildcats could clinch a tie for the title—but not the playoff—against Morton this week. Olton, which overcame Morton 13-10 last Friday in the other 3-AA game, now has a 1-1 record—along with Friona—and is in a position to go to the playoffs. And Olton takes the week off this time to prepare for Littlefield. Smith knew about Littlefield: he had lost to the Wildcats 21-2 the previous week. But he had not seen Friona, and admitted he did not know a whole lot about them. But they looked good, he said. "LITTLEFIELD did about the same thing against Friona as they did us; (J. E.) Johnson and Leneral Lewis (running

backs) looked good again. And their quarterback (Terry Bryson) is coming on, too. "But, that blocked punt had to be the turning point. Until then, Friona's ground game had really looked good." Friona had led since it scored on the opening drive of the game and held a 14-13 lead midway of the third period, but Alan Mackey flanked the Friona blockers and blocked a punt. Littlefield took over on the 5 and Pat Henderson scored on the next play for the winning difference. The Wildcats relied on defense from that point, and although giving up yardage, did not give up points. The win left Littlefield and Friona with 6-2 seasonal records. OLTON ALSO had to come from behind, as Glen Johnson broke for 31 yards with 6:07 left in the game to lift the Mustangs to a win over Morton. Morton had taken a 10-7 lead in the second quarter on Ted Thomas' two-yard run and 33-yard field goal. The game was closer on statistics than score, as Olton owned a 17-16 lead in first downs and 281-280 edge in yardage. THIS WEEK, Dimmitt will be physically stronger as it goes against Friona. The week off gave Smith time to let some injuries mend, and he expects to have running backs Albert Fwing and Pete Davila healthy. Both have been out four weeks with injuries; Davila with a back problem and Ewing with a cracked ankle. And as Smith returns to the sidelines and a very busy night next Friday, it will be time for Olton's Ray Kinnison to have a night to rest. And who will be surprised if he happens to

Cats healthier for Friona bout

By JOHN BROOKS The Dimmitt Bobcats are preparing for the remainder of their 3-AA schedule, starting with Friona as their second district opponent of the year. THE BOBCATS have used their open-date week to recover from injuries and get ready for the final stretch of the district race. They are already having to look up at the leaders, as they are tied for fourth place with Morton. Littlefield is in first with Friona and Olton tied for second. The Bobcats are warmly welcoming tailback Albert Ewing back to the lineup. The fleet-footed junior is recovering from a cracked ankle and is still not back at full speed. However, he should be ready for action against the Chieftains Friday. THE CHIEFS, under the direction of Bob Owen, are an experienced bunch with big-play power. In the backfield are quarterback Johnny Bandy, a starter last year, while James Bartlett, Lewis Lee and Mario Perea are the top ball-toters. The star linemen are Kevin Wiseman, a senior tackle, junior tackle James Perea, and senior center Willie Bailey. The defense highlights Wiseman, Bailey, Mario Perea and Bandy. Game time Friday night is 7:30 at Friona.

Sanders in lead on contest points

This week's winners of the Booster Club's football contest were Mrs. Frank Wise, first; Bill Sanders, Delynn Smith, Neil Kelly and Shirley Underwood, tied for second. EIGHT-WEEK point totals for the top contenders for the seasonal title are Bill Sanders, 101 points; Anita Adams, 99; Ted Goldsmith, Emmett Broderson, Shirley Wise, Bullet Adams, and Shirley Adams, 98; six people with 97 points and five people with 96. Three weeks are left in the contest. The Boosters Club will meet at 7:30 p.m. Monday.

Legislator gives pros, cons of proposed amendments

By BILL CLAYTON
State Representative

The November election is just around the corner and I wanted to take this opportunity to briefly explain the 14 constitutional amendments which you will be voting on. Some of these amendments are rather controversial and some are not.

SINCE THERE are so many of them I will not go into great detail but will just give you a little background and pro and con arguments on each amendment. If you need additional information on any particular amendment, if you will let me know I will be delighted to go into more detail on it for you.

I will list the arguments for and against the amendments in the order that they will appear on the ballot.

AMENDMENT NO. 1
This proposal would increase the annual salary of members of the Texas Legislature from \$4,800 to \$8,400. No changes are made in the mileage or per diem allowances.

Those for the amendment argue that \$4,800 is not sufficient to compensate a legislator for the time he must spend in the regular and numerous called sessions that our complex state government now calls for. In addition, many interim duties are imposed upon legislators in studying specific problems and framing legislation to solve them. They further argue that \$4,800 is scarcely adequate to meet present-day cost of living. Those against claim that it is a part-time job, that it should not be compensated on an annual basis and our resources have sufficient drain in them now without adding an additional cost in legislative salaries.

AMENDMENT NO. 2
This proposal is local in nature and abolishes the Lamar

County Hospital District and authorizes the commissioners' court of that county to provide for the transfer or disposition of assets of the district. Hospital districts used to be created by constitutional amendment, and those so created can be abolished only in the same manner.

AMENDMENT NO. 3
This proposal would require all justices of the peace to be compensated on an annual salary basis rather than on a fee basis. The constitution now requires all justices of the peace only in counties of 20,000 population or more to be compensated on a salary basis, and this proposal would put all justices of the peace on the same footing.

PROPOSERS of the amendment argue that justices of the peace should be taken off fee basis and put on some equitable salary system related to all other officers of their same classification in the state.

OPPONENTS of the amendment argue that doing away with a fee basis will discourage diligent justices of the peace and will make them dependent upon the commissioners' court which provides their salary.

AMENDMENT NO. 4
The proposed amendment would add an authorization for the 63rd Legislature to establish a constitutional revision commission. The only restriction as to subject matter would be that the existing Bill of Rights must be retained in full. If the legislature could agree on a proposed constitution it would then be put before the voters of Texas for approval or rejection.

PROPOSERS of the amendment argue that there is a real need for a more workable basic law which would require less periodic revision, and since the legislature has always been entrusted with the function of proposing constitutional changes the legislative body is the logical choice for responsibility in the preparation of a new or revised constitution.

OPPONENTS of the amendment argue that constitutional reform should not be through a new document but through revision of the existing document, and the convention called for has a totally new con-

stitution as a possible alternative.

AMENDMENT NO. 5
Tax exemptions of any sort must of necessity be by constitutional amendment because Article VII, Section 2 of the existing constitution requires that taxes be equal and uniform. This amendment would provide additional exemptions to disabled veterans, their widows and children, and to the widows and children of men killed in action.

Those FOR the amendment say that persons disabled in military service should be compensated for their sacrifice to this country.

Those AGAINST the amendment say that compensation of disabled veterans is a federal matter and that there are already adequate and generous programs available to disabled veterans.

AMENDMENT NO. 6
Presently the constitutional homestead exemption from ad valorem taxes stands at \$3,000 and is applicable to both state and county taxes. This proposal would extend the homestead exemption by allowing a county, city, town, school district or other political subdivision of the state to make a like exemption.

PROPOSERS of the amendment argue that the ad valorem tax is the basic form of taxation supporting local governmental units and the present homestead exemption gives no relief, as neither the state nor county taxes compare to any degree with the burden of local taxation.

OPPONENTS of the amendment say that this would be a substantial reduction in revenue to local government and school districts and again violates the principle of equality and uniformity in taxation.

AMENDMENT NO. 7
The equal protection clause of the 14th amendment to the United States Constitution prohibits a state from legislating different treatment to persons because of sex. This is known as the women's equal rights amendment.

PROPOSERS say that there is still substantial discrimination and that only a constitutional change prohibiting such discrimination can effectively change the status quo.

OPPONENTS argue that the proposed amendment is not necessary because all discriminatory legislation is now prohibited by the federal constitution and additional constitutional comment on the subject can only cause confusion as to the meaning of discrimination.

AMENDMENT NO. 8
This amendment would provide four-year terms for the offices of governor, lieutenant governor, attorney general, comptroller of public accounts, treasurer, commissioner of the general land office, secretary of state and certain statutory state offices. These offices now have two-year terms.

Those FOR the four-year term argue that officials would have an opportunity to grasp the operation of the job and be more efficient in it before they were forced to go back into campaigns for re-election. As this amendment would become effective with the General Election in 1974 it would perpetuate elections for state offices in non-presidential years and generate a stronger interest in state politics. Thirty-nine states have four-year terms for governor, including several of our immediate sister states.

Those AGAINST the amendment point out that long terms of office lead to corruption—that too much power is inherent in long terms and they make the official less responsive to the rise and fall of public opinion.

AMENDMENT NO. 9
This amendment would permit soil and water conservation district directors to serve in other offices. Presently any public official is prohibited by the state constitution from holding more than one office in state, local or federal government.

PROPOSERS of the amendment argue that in the less populous areas of the state there is a shortage of qualified people to hold responsible positions and the amendment would increase the available manpower by permitting public officials to fill them. The common law would provide an adequate protection against persons holding two public offices where there might be a conflict of interest between the duties.

OPPONENTS of the amendment insist that the present prohibitions were intended to prevent the concentration of public jobs among a relative few and that multiple office holding would too greatly divide the time and attention of officials.

AMENDMENT NO. 10
This amendment would involve two basic changes. Presently, the constitution can only be amended by a resolution submitted in the regular legislative session. This amendment would also permit constitutional amendments to be considered in special sessions of the legislature. The second phase

of the amendment deals with the manner of publication of proposed amendments.

PROPOSERS argue that the amendment would permit greater flexibility in the submission of amendments and provide bet-

The view from your library

By MARY EDNA HENDRIX

Spooks and Goblins were at the Children's Story Hour last Friday as we read ghost stories to Stacy Jackson, Todd and Tracy Hill, Angie Kitchens, Greg and Scott Sava, Kathy Witt, Denise Layman, Blake Brown, Lynn Roland and Lance and Cindy Smith. Lynn King and I served black witch cupcakes and pumpkin orange punch, and gum as an extra treat.

★
ON MONDAY the library board members, Jack Miller, Edna Riley, Leora Little, Hazel Merritt, and Lynn King and I met with Judge Wilson and the county commissioners, Al Maurer, Dale Winters, E. I. McLain, and J. M. Wright; Mayor Elmer Youts, city manager E. B. Noble and city commissioner Noel Gollehon. The commissioners awarded the construction contract to Jerry Gailley Construction Co. of Lubbock, and we sold the stock Monday that Mrs. Tyrene Perry had given us about two and a half years ago to build a new library. Floyd Dickey has the lot cleared so it may not be long now before they start the construction of the new library!

★
AFTER our meeting last Monday, Lynn King invited Leora Little, Edna Riley and me out to the Golden Spread Nursing Home to a birthday party for her mother, Mrs. Dougherty, who was celebrating her 86th birthday. Mrs. King's daughter and her family, Tommie and Bill Barkley, Heather and Brian came from Amarillo and brought a beautiful birthday cake. Mr. and Mrs. Tom Robinson, long time family friends, came from Levelland for the party. Mrs. Dougherty received many gifts and the residents of the nursing home sang "Happy Birthday" to her.

ter information to the general electorate as to what they are voting on.

OPPONENTS of the amendment insist that basic changes should be considered carefully and a 30-day special session would not provide enough time for proper consideration of proposed amendments.

AMENDMENT NO. 11
This amendment would provide a \$22,500 salary for the lieutenant governor and the speaker of the house. They each presently draw an annual salary of \$4,800 per year.

PROPOSERS of the amendment argue that the leadership and administrative ability demanded of presiding officers puts these offices in the same relative importance as other full-time state officials and they should have equal pay. The past few years the jobs of both presiding officers have become full-time.

OPPONENTS of the amendment argue that the speaker of the house should not receive the same amount of salary as the lieutenant governor as he is not elected on a state-wide basis but is selected by the members of the House of Representatives.

AMENDMENT NO. 12
The proposal broadens the exemption from the prohibition of dual office holding and compensation for non-elected employees. It is similar to Amendment No. 9.

PROPOSERS of the amendment argue that in some cities, school districts or other governmental subdivisions state

employees are a large percentage of the population and the amendment would allow these persons to serve on city councils and school boards in such communities without sacrificing their state salaries.

OPPONENTS insist that there is sufficient number of qualified citizens in any community to fill local offices and that service in two capacities would result in heavy work loads.

AMENDMENT NO. 13
This proposal would permit constitutional bonds to be sold with maximum interest rates not to exceed a weighted annual interest rate of 6 percent. These are Veterans Land Board Bonds, Water Development and Water Quality Bonds, and College Opportunity Loan Program Bonds.

PROPOSERS of the amendment argue that its adoption would permit certain state and local agencies now under restrictions to compete for sale of their bonds in the open market on an even footing with other entities, enabling them to continue to enlarge upon many state and local programs.

OPPONENTS argue that increasing the constitutional limit would provide higher interest rates and therefore require more revenues to pay off the bonded indebtedness.

AMENDMENT NO. 14
The proposal would allow the commissioner's court of a county to distribute a portion of the county permanent school fund to school districts in the county on a scholastic population basis for the purpose of reducing

bonded indebtedness or making permanent improvements.

PROPOSERS argue that many school districts need new facilities and lack funds to finance them. Some have already issued bonds to the statutory limits and others have reluctantly refused the issuance of new bonds. Utilization of a portion of the county permanent fund would relieve the financial strain on school districts and provide adequate educational facilities in the counties.

OPPONENTS argue that a reduction in the funds would reduce the income to the available school fund and therefore create a need for a larger state expenditure in the support of education.

As the constitution is the basic document governing our state, it is important that we inform ourselves as much as possible on each amendment before voting. Hopefully the above information has been helpful to you.

outside crews repair lines and restore service. "Our men are working 12-hour shifts, and we'll keep working long hours until we get everybody's service restored," Burrous said. SOUTHWESTERN Public Service Co. was another major victim of the storm. Many local homes—especially those west of the Dimmitt High School complex—have been without electricity since Tuesday morning. "We've still got some primary lines down—a couple of miles of line west of town and about that much northeast," SWPS Manager Ralph Glover said Wednesday morning. He added, "We're hoping to have practically everybody back on by night. I'm sure glad to see this weather clearing up." GLOVER SAID the utility's main damage has been to conductors and lines that were hit by falling tree limbs. "We haven't lost too many poles, although we've lost a few," Glover reported. "We've had a lot of line breaks from the wind, ice and trees." Repair work is progressing at a frantic pace here. "We've got four extra crews

President Chuck Braafladt and Past President Harley Wilke will present awards to the year's top project chairmen, and will announce the winner of the "Jaycee of the Year" award.

in here working with our own servicemen," Glover said. "They're working 16-hour shifts and resting eight." THE FIRST power outage occurred at 5 a.m. Tuesday, and different parts of the city were cut of power two hours or more during the day. Temporary power outages continued Wednesday morning in the city as repairmen spliced and replaced broken lines. Power outages stalled city water pumps in Southwest Dimmitt Tuesday, and Mayor Elmer Youts called on city residents to conserve water to maintain an emergency supply.

More About About Dimmitt

(Continued from Page 1) worst feature of the storm was the loss of TV viewing time, due to power failure which interrupted TV Cable service. We can grow some more trees, but we will never be able to make up that TV viewing time.

It will probably be a few days before the extent of damage, if any, to crops can be assessed. Here's hoping that damage will be slight.

It is less than a week to election day, and will it be a relief to get this one behind us. I either heard or read that President Nixon was going to make several speeches between now and election day. If enough people hear him it should cinch the election for the Democrats. Texans have been pretty well conditioned for dishonesty and wrong doings by their elected public officials, and maybe it is no wonder that they look on the burglarizing of the Democratic headquarters as a caper, as well as the proven attempts to sabotage the Democratic organization by the other major party.

The pros and cons of the amendments to the state constitution are given on page twelve of this issue of the News. These amendments will be voted on in the election next Tuesday.

I am going to vote for amendments three, eleven, twelve, two and one. I will vote no on all the others.

Riley, a young farmer in the Sunnyside community is lauded for his promotion of the cotton industry, especially his efforts in developing strands of cotton that will be more profitable to grow in this area. Without fear of contradiction, I would say that we have more young farmers with college degrees farming in Castro County than in any other county in the nation. The future of our agricultural area is in good hands.

Abernathy comes from behind to down Dimmitt freshmen, 26-14

Abernathy's freshmen came from behind with a pair of long touchdown passes last Thursday to defeat Dimmitt's freshmen, 26-14, in Bobcat Stadium.

DIMMITT moved out to a 14-16 halftime lead and things looked good for the young Bobcats but Abernathy fought back with a touchdown in the third and two in the fourth to hand Dimmitt's frosh their eighth loss of the year.

Steve Stanton scored Dimmitt's first TD with a two-yard plunge in the initial period, then repeated his scoring act with a six-yard run to paydirt in the second quarter. Meanwhile, Abernathy pushed across a six-pointer in the first quarter but the Bobcats held their visitors scoreless in the second. Abernathy tied the score at 14 in the third period, then the

roof fell in for Dimmitt in the fourth. The young Antelopes scored twice on short runs and twice on long passes—one for 48 yards and one for 36.

DIMMITT played most of the game without the services of quarterback Ronnie Lawson, who left the game with an injury midway in the second quarter. Also, David Montiel left the game with a head injury just before halftime. Dimmitt didn't score anymore after losing these two starters. Lawson and Montiel are both expected to be back in the lineup this week, however.

Dimmitt's offensive standouts were Steve Stanton, Ronnie Lawson and Leon Sandoval. Coach Jim Jefferies praised Rick Cearley, Kyle Touchstone, Robert Lopez, Steve Stanton and Gilbert Nino for outstanding

Briscoe's Position on Fiscal Responsibility:

"I will...establish a new wave of economy in state government."

"It is high time that the State of Texas began to rely more on performance budgeting and less on wishful thinking," says Dolph Briscoe. And to achieve that goal, he proposes to establish a budget commission in our state government to impose strict controls over government spending and assure that every taxpayer's dollar buys a sound dollar's worth of good government. He will work to eliminate waste and to achieve businesslike management throughout state government. More efficiency in government means less expense to you.

IT'S EITHER McGOVERN FOR PRESIDENT OR FOUR MORE YEARS OF NIXON

SO, LET'S ELECT SENATOR McGOVERN PRESIDENT

Watch George McGovern, Democrat For President, Nov. 1, 9:30 p.m. NBC Nov. 3, 9:30 p.m. CBS. Check Local Stations for Nov. 6 Program.

Democrats Top To Bottom

"I shall vote for George McGovern and Sargent Shriver for President and Vice-President of the United States. I shall vote for Dolph Briscoe and Barefoot Sanders for Governor of Texas and United States Senator, and all of the nominees of the Democratic Party.

"I believe that the people of America - all the people of America - will be best served by the election of a Democratic President and a Democratic Congress in 1972."

-LYNDON B. JOHNSON

"My best wishes to you personally, and my hope for victory for all Democratic nominees in November."

-DOLPH BRISCOE
Democratic nominee for Governor (telegram to Senator McGovern)

"I have repeatedly expressed my support for the entire Democratic ticket in Texas. I expect to have opportunities to speak in Texas during the fall, and my support for the ticket from top to bottom will be evident. The campaign in Texas promises to be a tough one - but I am sure that the record of service of the Democratic Party to the people will provide us with a victory there again this year as it has in the past."

-SENATOR LLOYD BENTSEN

"... you have my vote and my support in this campaign. I join with you ... in urging support for the Democratic Party and all its nominees for victory in November."

-BAREFOOT SANDERS
Democratic nominee for U.S. Senator (telegram to Senator McGovern)

"The McGovern-Shriver ticket is in the tradition of the great Democratic Administrations of Roosevelt, Truman, Kennedy and Johnson - the Administrations which did so much for the state of Texas. Senator McGovern and Sargent Shriver have demonstrated a deep understanding of the needs of the little man - the small businessman, the farmer, the worker - the people who make up the real strength of this State."

-CONGRESSMAN WRIGHT PATMAN

Dear Fellow Democrat:

The choice in this Presidential election is clear. Do we want four more years of frozen wages and rising prices . . . or, four good years of a prosperity we can all share equally? Four more years of unfair taxes and special interests, or four years of plugging the loopholes and fair taxes for all? Four more years of big business favoritism or four years of an Administration concerned about working people?

These are not new issues. They were raised in 1932 when Franklin Roosevelt remembered the forgotten people Herbert Hoover had ignored. These were the issues in 1948 when Harry Truman defended the working people against the Republican rich and in 1960 when President Kennedy re-ignited our passion for justice. They were the issues again in 1964 and 1968 when Lyndon Johnson and Hubert Humphrey pledged to face America's problems.

This is the tradition of the Democratic Party. And it is the tradition that George McGovern will bring back to America.

Can you afford four more years of Richard Nixon? When you go into the grocery store, ask yourself whether you can afford four more years of rising prices. When you pay your property tax, ask yourself whether you can afford four more years. When you see the Nixon Administration do special favors for big business and ignore working people, ask yourself whether you can afford four more years of Mr. Nixon.

Our colleague in the U.S. Senate, George McGovern, has proven time and again that he is a leader of unshakable courage and vision. We believe he will bring America back to the fundamental ideals that have made us proud of our country. He and Sargent Shriver will return our government to the American people.

We sincerely hope you will vote for George McGovern and Sargent Shriver and the entire Democratic ticket on November 7th.

Bentsen calls for grand jury probe of Russian grain deal
By CAROLYN RAERE
Post Washington Bureau
WASHINGTON - Sen. Bentsen urged the Justice Dept. to convene a special grand jury to investigate possible conflicts of interest in the recent multi-million dollar grain trade with Russia. Bentsen made his request in a Senate floor speech which he contended was "one of the most important" that he has ever made.

Grain Exporters Told in Advance Of Policy Change

Washington - An Agriculture Department official admitted that grain exporters were told in advance of a policy change that would lower the federal subsidy payment.

The Great Grain Robbery

On July 8th, the Nixon Administration announced an agreement to sell \$750 million worth of American grain to Russia - a potential boon to farmers.

But the Administration pulled a fast one. It concealed the size of the potential wheat deal from the farmer, so that about five big corporate wheat traders could be given *secret information* enabling them to reap windfall profits.

Unsuspecting Texas farmers sold their wheat at *only* \$1.30 to \$1.35 per bushel.

Had the Administration been truthful with them, they would have held their wheat and waited for higher prices - which are currently soaring at \$2.10 a bushel.

Texas Farmers Were Cheated Out of 75¢ to 85¢ on Every Bushel Sold.

Two Nixon Agriculture Department officials gave essential information which enabled wheat traders to quietly buy up all the wheat available at low prices in anticipation of huge profits. Those officials were then rewarded with *lucrative executive positions* with the grain companies.

Assistant Secretary of Agriculture Clarence Palmby, who was said to be the man most responsible for the U.S.-Soviet grain deal, left his office one month before the announcement of the deal to become vice-president of Continental Grain Company, the largest participant in the Soviet trade. Palmby was replaced by USDA by Carroll Brunthaver from Cook Industries, another of the grain traders participating in the Russian deal.

Clifford Pulvermacher, general manager of the USDA export marketing service, also accompanied Agriculture Secretary Earl Butz to Moscow. In June, he left the USDA to become Washington representative for another major grain trade participant, the Bunge Corporation. There was a job opening at Bunge because George Shenkin had left earlier to become Pulvermacher's assistant at USDA.

The evening of Sept. 29, Walter Cronkite, the Texan who gives the CBS Evening News, exposed even worse information. The Nixon officials let the big corporate supporters cheat the taxpayers out of tens of millions of dollars more than the subsidy program intended!

Take a minute. It's a little complicated, but this is how Texas farmers got taken.

Texan Cronkite explained - By midsummer the word was out and the price of wheat was zooming up. Nixon's fat-cat corporate friends had already made a killing *buying* our farmers' wheat. Now they made a double-killing *on our own government*.

The export companies *sold* the wheat to the Russians at still low prices; but Nixon's people in the government let the exporters wait to "register" the sale for weeks and weeks as the price shot up. Thus, Nixon paid the exporters a huge subsidy - an *added bonus* - based on the high price when they finally registered the sale, weeks *after* the actual sale. When the Nixon Administration finally did set a final date for exporters to register their sales, it gave them a full five days. CBS News figured the "special subsidy" in those five days cost the taxpayer about **EIGHTY MILLION DOLLARS**.

As Cronkite explained, the "U.S. price" already included a reasonable profit for the exporters. They got tens of millions *extra* profit on the farmers' wheat.

The farmer got taken **TWICE** - as a farmer and as a taxpayer.

Texas Wheat Farmers Swindled

The agreement of the U.S. Government to sell huge quantities of grain to the Soviet Union should have been great news for the American farmer. . . but no such luck!

By the time the Nixon administration and big grain trade companies had collaborated, there was nothing left for the farmer.

It was a complex boondoggle, but this much is clear:

- Information on the scope of the wheat sale was hidden from the farmer by Nixon officials.
- The information was fed secretly to big grain companies by the Nixon administration.
- Grain companies made giant, windfall profits.
- Farmers made only pocket change.
- Nixon agriculture officials got lucrative grain industry jobs.
- The American taxpayer lost millions of dollars.
- The farmer was cheated twice - as a farmer and as a taxpayer.

George McGovern and Sargent Shriver believe farmers have the right to know what their government is doing. McGovern and Shriver will end these shoddy special interest deals and restore government to the people.

***THE ADMINISTRATION CHEATED THE FARMER - NOW IT INSULTS HIM!**
"Hell, anybody could have guessed the market and gotten a loan, still had their wheat, paid off the loan and interest, then sold for higher prices now," said a sarcastic Nixon official.
"Texans just gambled, they don't have anything to cry about." added the same cynical official.
(Quotes from Dallas Morning News, Sept. 25, 1972)

***BUT WHO STACKED THE DECK??**
There was no guessing game for Republican officials and grain traders . . . they knew the score . . . it was all in the game plan.
As one perceptive farmer said: "I think we had a curve thrown to us. I think they (USDA) knew more than they told about the sale. I knew we were talking to the Russians about buying things, but I didn't know anything about wheat talks."
(Dallas Morning News, Sept. 25, 1972)

Classes reunite at Homecoming

By Mrs. Florance Albracht
Saturday evening the class of 1952 enjoyed a class reunion at Norma's Cafe in Nazareth. Of the 12 graduates, nine were able to be present. Those unable to come were, the former Nora Klemman, Clementine Aichlomeyer and Kathleen Hoelting. Coming for the occasion from Ardmore, Okla. was Mrs. Martha (Burt) Kirkpatrick. Others of the class of '52 were Leola (Klemman) Ramaekers, Aurelia (Acker) Schoenenberger, Julene (Heiman) Gerber, Nellie (Braddock) Wilhelm, Juanita (Hoelting) Schacher, Mae (Acker) Hochstein, Irene (Brockman) Wilhelm. The only male in the class was Vincent Gerber. While visiting and reminiscing, they found out that the 12 graduates have now 73 wonderful children.

ON SUNDAY evening the class of 1947 held their reunion at the Legion Hall. Those enjoying the evening were their teacher, Sister Benedict Marie, th Bernard Klemans of Amarillo, the Virgil Pohlmeiers of Tulia, the Ralph Steffens, the Leonard Gerbers, the Carl Dean Klemans, the David Ackers, Mrs John Schacher and Mrs. Francis Wilhelm. Unable to attend were Vernon Braddock and Fedlis Ehly.

HAROLD Schacher, son of the Alfred Schachers, is home on a 30-day leave from Bergstrom Air Base in Austin before leaving on a tour of duty in Korea. Mike Huseman of Omaha spent a few days here with friends and seeing about his farm land.

Homecoming for Nazareth Swifts over the weekend was a big success. The Swifts won their game Friday night with Matador 14-0. Homecoming dinner on Sunday found more than expected coming to enjoy the meal.

The CYO of Umbarger had an afternoon of Recollection on Sunday Oct. 29. Going from here and playing for the guitar mass at 5 o'clock were Noreen Klemman, Alvin Birkenfeld, Michele Wilhelm and Lydia Gerber. Also attending were Mary Beth Ramaekers and Becky Wilhelm.

MRS. Martha Kirkpatrick and four children spent the weekend visiting her mother, Mrs. Helen Burt and family. Martha also enjoyed her class reunion on Saturday evening.

Saturday about noon the "Grover Girls" stopped in Nazareth handing out literature and but-

tons campaigning for Grover for governor of Texas. He is the Republican candidate. Tuesday, Nov. 7 is election day. Get out and cast your vote for your favorite candidate.

Ed Wilhelm is in real serious condition, he was improving some last week but on Sunday he went into a coma.
ON Wednesday, Nov. 1 Holy Family Parish observed the Feast of All Saints with masses at 8:20 a.m., 10 a.m. and 6:30 p.m. The church sets aside this one day a year to honor all the souls who are in Heaven, even though not canonized by the church. On Thursday "All Souls" day is celebrated with masses at 8:20 a.m. and 4:30 p.m. with weather permitting mass at the cemetery and 7:30 p.m. The faithful pray for all the souls who have departed this life and especially remember their loved ones who have died.

Visiting the Louis Schachers on Sunday was their daughter Elsie and family of Slaton. Mrs. Max Acker and Christine Braddock attended a luncheon in Lubbock on Wednesday with Mrs. Pauline Dea.

Genealogists plan workshop

The Castro County Genealogical Society will host a come-and-go workshop Sunday in the basement of the courthouse. Materials for genealogical research and family sheets will be available. Everyone is welcome to attend. Finding the part one's ancestors had in settling this country brings alive its history.
