

Harvest is back on track

FIRST PLACE FLOAT in the Commercial Division of the Harvest Days Parade Saturday was this beautiful entry by the First State Bank of Dimmitt. Made of thousands of napkin

flowers, the green-and-white float featured eight arched windows with a bank employee, in formal and wide-brimmed hat, standing inside each window.

RUNNER-UP FLOAT in the Clubs and Organizations Division of the Harvest Days Parade Saturday was this flower-decked entry by the Catholic Organization, featuring the young

princesses and queen of the Immaculate Conception Church's festivals, wearing their formals and crowns.

Parade 'biggest in years'

Saturday's Harvest Days Parade was the biggest in years, perhaps the biggest ever.

The colorful parade, coordinated by the Dimmitt Rotary Club, featured 21 float entries, the Dimmitt High School Bobcat Band, the Farwell High School Yearling Band, 100 or more bike riders, 15 antique cars, two groups of mounted riders, nine pieces of heavy farm machinery, an advance guard of police cars and fire trucks — and even a pair of rolling beds.

Those riding in the parade ranged from pretty girls in formals to caballeros, from singers to dancers, from little Indian chiefs to a giant telephone, and from space cadets to a dozen or more clowns of all sizes and shapes — all accompanied by wailing sirens, lively march music, singing, oogah-horns and dance music.

Staged in perfect weather, the big parade spewed bubble gum and wrapped candy to the youngsters in the large crowd along the 16-block parade route.

Winning entries for the Harvest Days Parade were:

YOUTH DIVISION FLOATS

1. Bobcat Booster Club and Jr. High Cheerleaders; 2. Cub Scouts, Den 5, Pack 267; 3. Boy Scouts, Troop 266.

BICYCLES

Best Decorated Boy's Bike, Chris Keith; Best Decorated Girl's Bike, Kristie Salinas; Most Original Decoration, Halley Bradley; Best Dressed

Boy Rider, Chris Keith; Best Dressed Girl Rider, Kristie Salinas; Youngest Rider, Jeremy Strickland, 5.

CLUB AND ORGANIZATION FLOATS

1. Chamber of Commerce; 2. Catholic Organization; 3. Young Homemakers.

BEDS

1. Lions Club; 2. Methodist Youth.

COMMERCIAL DIVISION

1. First State Bank; 2. Killingsworth True Value Hardware; 3. Continental Telephone Co.

RIDING CLUBS

1. Hereford Charros; 2. Dimmitt Horse Riders.

MISCELLANEOUS RIDERS

Best Dressed Cowboy, Domingo San Megal; Best Dressed Cowgirl, Ester

Trevino; Little Mister Britches, Robert Esqueda; Little Miss Britches, Edna Esqueda; Most Original Entry, Hereford Charros; Youngest Rider, Ruben Guerrero.

ANTIQUE CARS

1. Roy Lilley, 1937 Ford; 2. Kenneth Frye, 1939 Horch; 3. Don Moke, 1946 Chevy Pickup.

Harvest of all crops got back on track under cloudy skies this week.

The local corn harvest is well underway now, with elevators reporting yields well above last year's.

The crop reporting service of the USDA is predicting a corn crop this year that would fill 2.3 million railroad cars, and make a train that would reach more than 22,000 miles — nearly the distance around the world.

Corn crop predictions are 7.94 billion bushels, three percent above last month's estimate of 7.73 billion bushels, and record crops also are predicted for wheat, cotton and soybeans.

Locally, corn yields could set a record, but the price Tuesday was \$4.90 per hundred weight, compared with \$6.20 last year.

Fred Bruegel Jr. of Bruegel & Sons, Inc., reports that corn harvest is progressing as normally as one could expect, "except for a few wet fields."

"The yields I'm hearing are a lot better than last year," said Bruegel. "The overall quality of the corn is very good. Our average moisture content is 25 percent."

J. R. Brown of Flagg Grain Co. said, "If the weather stays like it is now, the bulk of the corn harvest should be finished in about a month. The quality of the corn is really good now and the moisture content is ranging from 22 to 23 percent."

Corn harvest in the Easter Grain area is not in full swing yet, says manager Eddie Matthews, "But it probably will be by the first of next week. Some fields are still wet from rain and some of the corn is still green. We just have in two or three loads, but the corn looks real good. We got our first load of milo Tuesday and it looked real good."

Lynn Ehly of Star Grain in Nazareth reported a "real (See HARVEST, Page 16)

Pancake feast on tap Friday

The Dimmitt Lions promise to serve "the best pancakes west of 15th Street" at their annual Pancake Supper Friday before the Dimmitt-River Road football game.

The Lions will serve pancakes (all you can eat), sausage, bacon, coffee, milk and tea for \$3.50 for adults and \$1.50 for children under 12. They'll start serving at 5 and will continue until 7:30, half an hour before game time.

Tickets to the pancake supper are available from any Lions Club member, and also may be purchased at the door.

WINNER of the "Best Float" award in the Harvest Days Parade was this "Up, Up With People" float entered by the Dimmitt Chamber of Commerce. The colorful float

featured bunches of helium-filled balloons, Khiva Klown Bob Caddell and his daughter, the "newest clown in the family," along with several young riders.

THE HEREFORD CHARROS made their first appearance in a Castro County Harvest Days Parade Saturday, and swept all the awards for mounted riders. Wearing colorful sombreros

and charros, the well-disciplined riders were named the Best Riding Club, won the Most Original title and captured all the individual "best dressed" awards.

Group asks for bus to housing project

At Monday night's meeting of the Dimmitt School Board, a group of parents from the Agricultural Housing Project requested the board to establish a bus route to the complex.

The statute of public transportation for schools imposes a two-mile minimum on required bus transportation, but allows for exemptions.

"Areas having no sidewalks passing through industrial areas are considered hazardous for walking school children, so a route may be established for busing," spokesperson Jennifer Harbury told the board.

She told the board that most of the children who walk to and from the housing project use East and West Jones Street, and therefore must cross railroad tracks, grain elevators with heavy trucks around, and the Amstar plant, with its heavy industrial equipment and shift traffic.

The parents' group agreed to take a census of the number of school children in the project who would need bus transportation, and also to make an effort to recruit several possible drivers for the bus.

The school board did not admit the presence of a

hazard, but agreed to talk with the group again at its October meeting.

In the past, the school contracted with the Castro County Housing Authority to run a bus route to the project, and the authority supplied the driver and was responsible for overseeing his duties.

Ms. Harbury said she thought the camp is presently under the ownership of the Farmers Home Administration, but is under the management of the Azteca Corp. She said she thought the present manager, Miguel Velasquez, is employed by Azteca, whose local contact person is Larry Gonzales.

Board President Charles Wales said he felt the board would do better in dealing with some specific entity rather than just a few concerned parents, so that some sort of contractual agreement could be worked out as in the past.

The board approved three additions to the school policy manual dealing with graduation, grading and exemption requirements for special education students under the Plan A program.

Nathan Lockmiller, Plan A supervisor for the Castro

County Cooperative Special Education Program, told the board that special education students are in even more need than regular students to have a specific plan to help each one meet his specific goals and requirements for receiving a diploma.

"A special education student may not meet the same requirements for graduation as a regular education student, but there must be some way of determining that the student has completed all he is able to in a satisfactory manner," Lockmiller explained. He added that the only difference in a special education student's diploma would be the way grades are designated on the permanent record.

He said that the Admission, Review and Dismissal Committee of Plan A would work out specific guidelines for each special education student. The committee is composed of Lockmiller, Plan A diagnostician Frances Duke, two regular education teachers, one special education teacher and High School Counselor John Thomas.

Plan A encompasses 157 students county-wide, Lockmiller said, with 42 in the Hart and Nazareth schools. They include three seniors, three juniors, 12 sophomores and six freshmen in Dimmitt High School.

In other business, the board:

— Re-appointed Andrea Hinojosa as the parent representative on the Language Assessment Committee, which assesses test results for determining if a student should have bilingual education. The committee includes, but is not limited to, one parent of a limited-English-professional transitional language educator, and a campus administrator.

— Approved the high school (See GROUP ASKS, Page 16)

Bids called for Hart PO

The US Postal Service is asking for construction bids to build and lease a new main post office in Hart, Postmaster Betty Sanders said.

Bids are to be submitted to Richard L. Heiligman, realty management and acquisition specialist, Field Real Estate and Buildings Office, US Postal Service, PO Drawer 239, Dallas, 75221.

Bids will be opened at 2:30 p.m. Oct. 6 in the Downtown Station Post Office in Dallas.

The proposed building will have 2,875 sq. ft. of interior floor space. It will be built with private funds and leased to the Postal Service for a basic period of 10 years, with renewal options for an additional 20 years.

The Postal Service has acquired an option to buy a site for the new post office which will be assigned to the successful bidder. The site containing 17,500 sq. ft. of land is located on the corner of Broadway and Ave. F.

Injured girl's father 'grateful'

Mia Berg regained consciousness last Wednesday, 22 days after being critically injured in a motorcycle accident here.

But the Norwegian girl, an AFS exchange student, still has not spoken, and her left side apparently is paralyzed.

She passed her 17th birthday Sunday in the intensive care unit of St. Anthony's Hospital in Amarillo, facing more bone surgery and skin grafts and the prospect of two to three more months in the hospital.

But her parents — who flew here from Norway to be at her bedside — are gratified over her improvement, and are optimistic.

"Mia has started to improve — much," said her father, Dr. Knut Berg. "She is awake. She recognizes us; she can hear; she can see."

"But she can't move the left side of her body, and I think it will take a long time

and much training before she regains the use of her left side.

"And she can't speak, but we have the best hope that she will regain her ability to speak. It doesn't seem that the speech center in her brain has been damaged. We hope the speech problem is because of some inflammation caused when she was on a respirator for 15 days. She is forming words with her mouth; that is good."

"Her general improvement is good," he added. "She has no more fever, her other signs are good, and I think she will soon be removed from the intensive care unit."

"She has much pain . . . from pins in her arms and legs, and from two skin grafts. More surgery will be done on her right leg in two to three weeks."

Dr. Berg, an internist and chief physician of a university hospital in Norway, said he

DR. KNUT BERG "You have been great"

wants the Amarillo physicians to carry through with the bone surgery which Mia requires.

"I'm very impressed with the doctors, with the nurses

and the hospital," he commented. "I think she is getting the best treatment that they can give."

Mia's mounting medical bills, he said, will be paid by insurance and by Norway's public-health system. Money raised for the family here, he said, will be placed in a fund to either enable Mia to return to Dimmitt or for her American "mother," Bettye Huckabay, to go to Norway to see her.

"I think I will go home next Thursday, the 24th," Dr. Berg said. "I've been here five weeks. My wife will stay until Mia can be moved home, which we hope will be November, or at least by Christmas."

Dr. Berg made a special trip to Dimmitt Tuesday to offer his thanks to the people here for their concern and generosity during his family's crisis.

"You have been great," he

Chatter

[Continued from Page 2]
Laura Jones of near Childress, her son Billy Jones of Amarillo, a nephew Joe Stevens from Yantis.

Another time, the Teagues, Vernelle and Conrad went to Walsenburg to see LaVelle and Bob Mapes and some of their grands and greats. The Mapes have built a new home, called the Solar house, part is inside a scooped out hill. The front part is out. They say it is easy to cool in summer and heat in winter.

Betty Cartwright was hostess to a few grandchildren Sunday, special grand-ma day, Pam and Bobby Lockmiller and Trace, K'Dawn Stanfield, all from Clovis, and Jerry and Patti Cartwright and little Logan of here.

The Book Club has started the new club year in September. The first meeting was Wednesday afternoon at the Rhoads Memorial Library assembly room. Mrs. Ruth Coleman presided at the business and Susan Hanners told of the needs and jobs to be done (was now) at the fair. They sold books and showed different things. Mrs. Myrtle Lois Moran introduced her guest reviewer who was Mrs. Leslie Clary of Plainview.

The book, "Buttons and Bows" was given in the first person as the 8-year-old girl with six brothers and sisters. Her name was "Auride" short for Gertrude. She hated the name. Her dad was a banker. He had to tell her the bank's money belonged to other people when she bought a pink dress for \$7.98 and charged it to the bank. This book was a comedy and done without reading by Mrs. Clary. Mrs. John Merritt and Mrs. Jack Miller served punch, coffee and tiny little goodies called President Tyler's "Puddin' Pie."

Do go by the library sometime, borrow a book. It is an extra nice place for Dimmitt to have.
The Thursday Club met at the Senior Citizen Party Room for bridge and dinner. Johnnie Vannoy was hostess and guests were Elizabeth Huckabay, Fern Dickey, Emily Clingsmith, Betty Cartwright, Jo Gregory, Rosalie Hawkins, Cleo Forson, Oleda Schumacher, Alice DiCuffa, Opha Burks and Koma Ratcliff.

Sarah Blackwell had a birthday, Sept. 10, Thursday. So a group of friends went to Sarah's house with cake, cookies and put the coffee pot on to celebrate her day. Hostesses were Mamie Birdwell, Gail Nelson, Ruby Wood, Melvina Witt and Johnnie Boothe. Many friends went by for a chat. Out of town guests were Sarah's sister and husband Mr. and Mrs. Bill Taylor from Oklahoma City and J. B. Blackwell was having coffee in the kitchen with Bill.

Camille Farris of Dalhart has been visiting grandparents Myrna Cowser and the Loyd Farris of Hart.

The Dempsey family reunion was held in the ranch home of Mary and Dalton White of Houston at Buffalo over Labor Day weekend. Hosts and hostesses for the event were Telie Todd of Tyler, Mary and Dalton White and their daughters Ardyth and Brenda. Other family members attending were Maudie and C. W. Ownsby of Amarillo, M. W. and Jolly Dempsey of Lamar, Colo., Oleta and J. T. Williams of Pea Ridge, Ark., Leonard and Ruby Dempsey of Dimmitt, Mrs. Jesse (Vivian) Dempsey of Pea Ridge, Ark., Thelma Hickcox and Ozetta Hembree of Sunnyvale, Calif., E. P. and Virginia Jones of Ponca City, Okla., Bonnie, Troy and Trow W. Bevil of Plano.

Plans were made for the reunion next Labor Day weekend to be held in the home of Mr. and Mrs. C. W. Ownsby in Amarillo. 21 were in attendance.

Presbyterian speaker to extol 'God's cure'

Delores Winder of the Fellowship Foundation of Westminster Presbyterian Church in Shreveport, La., will speak at the Presbyterian Church in Dimmitt on Sunday at 6 p.m.

Mrs. Winder was a devout Christian and it was with some reluctance that she considered attending a conference on the Holy Spirit in Dallas in 1975. Until then, she had a lengthy and involved history of repeated back fusions, surgery for deformed vertebrae, and constant pain.

But on Aug. 30, 1975, a "door" was opened. At this meeting, Mrs. Winder was instantly healed of all her infirmities.

In the book, "The Miracles," by H. Richard Casdorph, M.D., Ph.D., of John Hopkins Medical School, a chapter is devoted to the restoration of Mrs. Winder's body. Although Mrs. Winder didn't believe in such miraculous healings, she was healed

in 15 minutes, and restored to full health. She now wears no back support and takes no medication.

Mrs. Winder will tell her story at the Presbyterian Church Sunday evening. The church has extended an invitation to everyone interested to attend.

Windbreak seedling applications open

Applications are now being accepted for windbreak seedlings from the Texas Forest Service.

These seedlings, grown from seed collected in West Texas and eastern New Mexico, are produced in the service's greenhouse in Lubbock and in a field nursery near Halfway.

Conifer species available this season included Arizona cypress, Eastern redcedar, Austrian pine and Ponderosa pine. These containerized seedlings cost \$1 each and are sold only in multiples of 30 seedlings.

Hardwood species include bur oak, Shumard oak, Russian olive, native plum,

hackberry, mulberry, honeylocust and green ash. These bare root seedlings are priced at \$20 per hundred, minimum order. The price includes the state sales tax.

Seedlings ordered now will be ready for pickup and planting in March 1982. Trees sold by the Texas Forest Service may not be used for landscaping or ornamental purposes.

For applications and information on windbreaks, contact the Texas Forest Service, Route 3, Box 216, Lubbock, 79401, (806) 746-5801. Applications are also available from county offices of the Agricultural Stabilization and Conservation Service, Soil Conservation Service, and agricultural extension agents.

NEW ADMINISTRATOR for the South Hills Manor nursing home is Suebeth Marmet (left) of New Jersey, and most recently of San Angelo. She began her duties here in mid-August, and says the residents are one of the best parts of her job. Here, she chats with Floy Hart.

Nursing home has new administrator

Suebeth Marmet is the new administrator for South Hills Manor nursing home in Dimmitt.

Moving here in mid-August from San Angelo, Mrs. Marmet was born in Jersey City, N.J.

She said of her three years in Texas, "It's certainly different. I'm most amazed by the flatness and lack of big trees, but the people are so friendly and open, I have really been made to feel that I belong."

Mrs. Marmet holds a BS in education from North Georgia College in Dahlonega, Ga. She also earned an Associate

of Art degree at Lakeworth, Fla., her LVN certificate in 1963 at Ellijay, Ga., and has almost completed work for a master's degree in education of the mentally retarded.

In the future she said she would like to take courses at Waco to finish her master's in gerontology.

She has worked in nursing homes off and on throughout her career, and was director of nurses at Menard. "Terrific" was how she termed the staff at South Hills Manor. She added that "things are going well and I see little that needs improvement."

"The best part of my job is getting to know the residents. A lot of history could be learned from these people," Mrs. Marmet observed. She said she misses the activities and shows she was able to see while living only 15 minutes away from New York City. Her hobbies are crocheting, reading and listening to all kinds of music. She has sold some of her crochet work in the past.

She has a son living in North Georgia, a daughter living in Menard, and one grandchild.

Deadline nears for '81 farm bill

As Congress gets back into session this week, attention will again turn to provisions of the 1981 farm bill.

This legislation needs to be completed by Oct. 1, reminds Dr. Ron Knutson, economist in marketing and policy with the Texas Agricultural Extension Service, Texas A&M University System. Some very interesting yet conflicting forces have developed during the recess, however, Knutson adds.

"First, bills reported out of the House and Senate Agriculture Committees are not consistent with the Reagan farm bill proposals. Major inconsistencies include target prices and, in the case of the House bill, a milk price support of 75 percent of parity which is considered too high," Knutson explains.

While the Administration may be willing to accept the target price concept, it wants to lower wheat target prices from \$4.20 per bushel to about \$4 and also lower corn and cotton target prices. The Administration believes that with low farm prices, the Reagan farm program spending limits will be exceeded, the economist says.

"Low farm price prospects bring us to the conflicting force. During the Labor Day recess, the USDA announced that 1980 farm income was only \$19.9 billion — down 40 percent from 1979. And USDA admits that 1981 income may not be much better," Knutson says.

Many rural congressmen, concerned about their reelection prospects, now are keenly aware of the impact of declining farm income on the financial position of farmers. Lubbock Congressman Kent Hance, for example, has indicated he is going back to Washington to advocate an increase in the cotton loan rate from the proposed 55 cents per pound.

"It's difficult to predict how this conflict will be resolved. The answer likely rests on the extent to which the President is able to restore the momentum of support that he achieved before the recess when his tax package moved through Congress," Knutson explains.

LOOK for the absurd in everything and you will find it.

JULES RENARD

FLB increases variable rates

Interest rates on all Land Bank variable rate loans will be increased to 11% on farm loans and 11½% on rural residence and farm-related business loans, Marlos A. May, manager of the Federal Land Bank Association of Dimmitt, announced this week.

These rates become effective Oct. 1.

"There continues to be substantial upward pressure in the bond market with no relief from the record high interest rates anticipated in the near future," May said.

"The September bond issue carried a face rate of 17.85% on nine-month bonds and 17% on 2½ year bonds," he continued.

"The bank's average cost of funds prior to the issue was in excess of 11%."

May said that marketing conditions and a ceiling cost earnings spread prompted the increase in the variable interest rate.

IT'S A FACT — Greenhouse-produced flowers and plants require a lot of energy — expensive energy. Texas Agricultural Extension Service specialists, working with greenhouse producers and researchers, have introduced a relatively simple way to help reduce energy costs by as much as 20%. To achieve these savings, greenhouse operators have converted their conventional forced-air heaters to place heated air under benches where it is most effective in promoting ideal growth conditions.

Sugarbeet field tour set today at Bushland

Growers and others interested in sugarbeet production are invited to a field day and tour today (Thursday) at the USDA Conservation and Production Research Laboratory at Bushland.

According to Dr. B. A. Stewart, USDA research director, the tour will start at 1:30 p.m. near the headquarters building and will finish by 3:30 p.m. Those wishing to do so may then travel to Hereford and inspect sugarbeet variety evaluation plots.

Sugarbeet growers will see the latest refinements in sugarbeet production techniques. Dr. Steven Winter, Texas Agricultural Experiment Station researcher at Bushland, says, "Our research shows that nitrogen is still the main cause of low sucrose content in sugarbeets."

The nitrogen problem has several aspects. Many fields simply have excessive nitrogen. Some have excessive nitrogen below six feet that promotes vegetative growth in the fall. Many furrow irrigated fields have two to five times more residual nitrogen on the lower end than on the upper end. Winter will discuss these problems and possible solu-

tions including cropping to remove nitrogen, differential fertilization, and other management techniques.

Other tour topics will be herbicide interactions, alfalfa for seed production and soil nitrogen removal, root rot control, row widths, soil-plant water relationships, tillage, and sugarbeet variety trials. Tour participants will have a chance to discuss other research underway at Bushland on herbicides, wheat, soybeans, and sunflowers.

Winter says he expects very good root yields when sugarbeets are harvested this fall.

"Sucrose percentage will depend considerably on weather conditions the next two or three months," states Dr. Winter. "Drier conditions with a late freeze will favor high sucrose."

According to Dr. G. B. Thompson, director of research at the Texas A&M Center at Amarillo, the event will be sponsored by the Texas Agricultural Experiment Station, USDA, Agricultural Research Service, Texas-New Mexico Sugarbeet Growers Association, and Holly Sugar Corp.

"Our research shows that technology and methods are available to produce high

yields and sucrose with very little hand labor," Winter said. "Growers can fine tune their management skills by attending the field day."

Couples tourney draws 54 teams

Fifty-four couples from over the Panhandle and one team from Louisiana participated in the First Annual Dandies and Darlin's Couples Golf Tournament Saturday and Sunday at the Castro County Country Club.

Prizes were awarded to the top three finishers in each of the six flights. Prizes included gift certificates from the Village Shop and the Pro Shop. Tournament activities included a steak supper and dance Saturday night.

Bud Posey of Clovis, one of the first golf pros at Castro County Country Club, was among the tournament players.

The tournament committee expressed its thanks to everyone who worked on or contributed to the tournament, helping to make it a success.

Winners of the First Annual Dandies and Darlin's Couples Golf Tournament:

PRO FLIGHT
1. Chris and Jan Fontanilla, Friona, 137; 2. Cotton and Kay Renner, Louisiana, 142.

CHAMPIONSHIP
1. Cliff Cook, Amarilo, and Shirley Underwood, Dimmitt, 139; 2. Tom and Beverly Snider, Borger, 141; 3. Coyle and Sue Winborn, Pampa, 142.

FIRST FLIGHT
1. John and Lavon Renner, Friona, 145; 2. John Weatherly and Linda Straw, Friona, 145; 3. Jay and Sue Beene, Friona, 146.

SECOND FLIGHT
1. Arnold and Shirley

Galbraith, Vega, 142; 2. Virgil and Thelma Marsh, Hereford, 145; 3. Roger McMillion, Hereford and Mozelle Lilley, Dimmitt, 145.

THIRD FLIGHT
1. Teresa Albracht and Woody Day, Hereford 158; 2. Tom and Jean Baize, Friona, 160; 3. Stan Brynes and Vicki Bryant, Dimmitt, 164.

FOURTH FLIGHT
1. Neva Hickey, Dimmitt and Bush Jordan, Pampa, 152; 2. Keith and Nancy Knight, Bovina, 154; 3. Dick and Jean Morgan, Bovina.

LONGEST DRIVE
PRO FLIGHT — Cotton Renner, Louisiana, Phyllis Payne, Olton.

CHAMPIONSHIP — Tom Snider and Beverly Snider, Borger.

FIRST FLIGHT — Jay Beene, Friona and Joyce Sikes, Farwell.

SECOND FLIGHT — Jim Harris, Kress and Mickey Beckner, Clayton, N.M.

THIRD FLIGHT — Woody Day, Hereford, and Sue Randall, Canyon.

FOURTH FLIGHT — Jerry Henson, Meadow and Neva Hickey, Dimmitt.

DISCRIMINATION of handicapped children in many cases starts when their needs are looked at ONLY in terms of how they differ from their able-bodied peers, says Diane Welch, a family life education specialist with the Texas Agricultural Extension Service. 1981 is the International Year of the Handicapped.

HALE CENTER running back Joe Davis races upfield while Dimmitt's Phil King [1] tries to head him off at the sideline during the second quarter of Friday night's home opener for

the Bobcats here. In left background is Dimmitt's Shan Powell [75]. The visiting Owls returned the opening kickoff for a touchdown and went on to post a 51-0 victory.

Owls race to 51-0 win

By JOHN BROOKS

Dimmitt missed out on four scoring opportunities, while Hale Center took advantage of every opportunity presenting itself, taking a 51-0 win over the Bobcats Friday at Bobcat Stadium.

The Bobcat bench resembled a M*A*S*H unit at times, with as many as eight second-line players in the game at once as the Bobcats went down with several injuries to starting personnel.

Fullback-defensive end Jeff Watts, strong safety Brad Holcomb and guard Scott Nelson all missed the entire second half with injuries, and are doubtful for this week's encounter with River Road. Dimmitt suffered several other minor injuries throughout the game, including a back ailment suffered by quarterback Phil King, a leg injury to tailback Mark Bruegel (who, despite missing almost half the game, led Bobcat rushers with 92 yards), and several other ailments. Starting linebacker and backup fullback Johnny Gonzales went out with a recurring ankle ailment.

Hale Center took advantage of the Bobcats' shaken-up

line-up, scoring seven times in the game, with five of the scores coming after the Dimmitt defense had been decimated by injuries.

The Owls started the game with an electrifying 90-yard kickoff return by Thomas Carrera.

Carrera, who scored twice more during the game (with a 55-yard interception return and a 43-yard touchdown pass from Ernest Pardo), took the ball at the Owl 10. He stayed behind a beautiful blocking wedge for the first 20 yards before skittering outside and outrunning would-be tacklers for the score. J. R. Compton's kick was blocked and Hale Center led, 6-0, just 14 seconds into the game.

It looked as though Dimmitt would get back in the game in a hurry, moving the ball from its own 30 all the way down to the Hale Center 17 before losing the ball on first downs.

The Bobcats had another give-away later in the half, deep in Owl territory, after tight end David Ogas — who was playing after suffering an eye injury earlier in the week and getting clearance from an ophthalmologist on Thursday — hauled in a Phil King pass for 38 yards.

King and his backup, Tim Kenworthy, connected on only two of 16 passes during the evening, and suffered five

interceptions. Ernest Pardo, Owl quarterback, connected on just three of his 13 throws, and had two intercepted, but was much more effective. Pardo connected with split receiver Mitch Johnson from eight yards out for the second Hale Center score. He later went to wingback Carrera for the sixth Owl touchdown of the night, a 43-yarder that put the Owls on top, 44-0, after Compton's kick.

Carrera had scored just three minutes earlier, on a 55-yard interception return that gave Hale Center a 37-0 lead.

Halfback Joe Davis scored twice during the first half, first on an outside carry from eight yards out with 1:21 left in the first quarter. The next came on a counter play from seven yards out midway through the second period.

The last Hale Center score came on a three-yard run by halfback David Thompson, three plays after safety Paul Loza had picked off a Dimmitt pass at his own 35 and returned it to the Dimmitt 7.

Hale Center used two outstanding qualities — superior speed and overwhelming quickness — to turn the tables on the Bobcats. Several times, Hale Center backs showed how their offense got its name as they veered away from would-be tacklers. The Owl coaching staff also picked up quickly on the injury-riddled side of the Bobcat defense.

LEO Durocher — he can always be counted upon to make an impossible situation infinitely worse.

BRANCH RICKEY

Dimmitt 7-A wins, 14-0

Dimmitt's 7th Grade "A" football team scored twice in the first half last Thursday to blank visiting Hale Center, 14-0.

Dimmitt's first score came on a two-yard run by Todd Durham in the first quarter. Joel Nelson ran for the extra

points. Dimmitt's second TD came when a blocked punt left the Bobcats in good field position and Paul Herrera scampered in from the 6-yard line.

Coaches cited Ruben Valdez, Joe Porter, Mark Standlee, Tony Gross, Billy Martin and Jacinto Lopez for outstanding offense, and Milton Carrasco, Chad Smithson, and Scott Hill for outstanding defense.

White House hosts Flynt

American Legion National Commander Jack Flynt of Dimmitt was a special guest at the White House Tuesday, and was honored with a lawn party there Tuesday afternoon as a guest of President Reagan.

Wednesday, Flynt was scheduled to make his first official visit to the Legion's national headquarters office in Washington. Another national office for the Legion is maintained in Indianapolis.

TOP FIDDLER in the Harvest Days Fiddlers' Contest was a relatively young one — Paul Melton of Plainview (second from left). Each fiddler in the contest was provided with plenty of guitar back-up support, and a large crowd in the Expo Building enjoyed the contest and an informal hoedown that followed.

SKEETER AND FELIX, cats owned by Lyndy Jared Townsend and Daniel Maxwell at Saturday's pet show, are closely admired by Mark Mitchell and Daniel Maxwell.

Nazareth

Big crowd attends appreciation party

By VIRGIE GERBER
The Rough Riders Band of Nazareth sponsored an appreciation party at the ball park Sunday afternoon and evening. A large crowd attended from Nazareth and the surrounding towns where they have enjoyed playing for dances.
The Nazareth CYO organization had a good concession stand and the Nazareth Knights of Columbus served donation refreshments furnished by the band. Proceeds went to a Deaf and Mute Organization which is a special project of the K. of C's. Special guests from Hart, Olton, Dimmitt and Nazareth and "Crossfire" from Amarillo, helped with the entertainment which made a very enjoyable afternoon and evening for everyone there. Thanks Rough Riders!
A large group of Senior Citizens enjoyed a covered dish luncheon at the Nazareth Legion Hall on Sunday evening. They enjoyed cards and other games after the meal.
Father Stanley should be home sometime this week from Central Plains Hospital in Plainview where he had surgery on his leg.
A. P. Hoelting is still in intensive care at High Plains Hospital in Amarillo where he had surgery two weeks ago. Sister Norbert Hoelting of Fort Smith, Arkansas is here to visit her brother in the

hospital and her other relatives.
Mr. and Mrs. Wayne Gipson, daughter Denise McLain and her friend Tim Hutson of Roswell, N.M. spent Labor Day weekend here with the Raymond Annens and Dale McLain families.
Cornelia Annen hosted dinner Sunday for her sister Martha Bauman and Patsy Warren of Hart and Mr. and Mrs. Raymond Annen.
Mrs. Cecelia Annen was the birthday girl Saturday evening at a surprise party. Those enjoying a meal with cake and ice cream were Raymond Annen, Wayne and Gladys Gipson, Denise McLain and Tim Hutson of Roswell, Dale and Delynda McLain and children Whitney and Cameron of Dimmitt, Mr. and Mrs. Claude Annen and sons Howie, Mac and Cody and Cornelia Annen.
Carroll Gerber, who has been in High Plains Baptist Hospital for the past two weeks, will be taken to Oklahoma City on Wednesday morning to a graft specialist. He will have surgery Thursday and is expected to be there for 10 days.
Francis and Betty Wilhelm attended the American Legion and Auxiliary National Convention in Honolulu, Hawaii. Approximately 20,000 people from the United States and several foreign countries were there for the convention. While on Oahu, they saw the

Arizona Memorial in Pearl Harbor, the Punchbowl Cemetery which is a national cemetery, went into the crater on Diamond Head and attended the Jim Nabors show. They also went to the Polynesian Cultural Center, which is about 1 1/2 hours from Honolulu. The center has seven primitive villages, depicting early life on the different Polynesian islands. Very interesting learning the cultures of so many different people, yet all very similar.
From Honolulu they flew to Kahului on the island of Maui. Went to the Haleahala Crater which is on a mountain over 10,000 feet high. From there one can see the entire island of Maui. It was very cold and windy up there, but a most interesting sight to see.
From Maui they flew to Lihue on the island of Kauai. This is the "Garden Isle." Very beautiful. They saw the Grand Canyon of Hawaii. It is green everywhere and many, many flowers, every color of the rainbow. They saw pineapple being harvested and even picked several. They were shown how sugar cane is harvested and went to a sugar cane mill. They talked to a farmer who has a large sugar cane field, he explained how sugar cane is grown and harvested. Very different and kind of primitive compared to farming here in Texas.

Kiwanis installation scheduled for Oct. 15

The Kiwanis Club's annual installation banquet is set for Oct. 15 in the City Hall meeting room, it was announced at the club's Monday meeting.
The upcoming pheasant hunt, a regular money making project of the club, was also discussed.
Bob Murdock sent a report that efforts to secure additional land for the hunt have yielded negative results so far.
Club President Charles Richard said, "I feel that since we give a portion of our proceeds from the hunt to the Dimmitt FFA, that perhaps some of its members' parents might want to volunteer some of their acreage. It would certainly be welcomed."
The committee to select the

Kiwanian of the Year is manned by Bob Murdock and Randall Craig, while Cliff Lewis and Duward Davis head the food committee for the upcoming banquet, and Jimmy Davis is in charge of entertainment.
Club members voted to include in the new slate of officers Cliff Lewis as treasurer. Also appreciation was expressed to Joe Nelson for preparing the club's float which appeared in Saturday's Harvest Days Parade.
Cliff Oliver, a plant engineer at Amstar, was welcomed as a new member by the 16 other members present at the meeting.
Club Sweetheart Wendy Bruegel was applauded in honor of her birthday last Saturday.

Mel Pope, District Maintenance Engineer for the State Dept. of Highways and Public Transportation, presented the program at the invitation of club member Doyle Wasson.
Pope, of Lubbock, showed a slide and tape animated feature concerning the life-and-gas-saving benefits of the 55 miles per hour speed limit.
In other remarks, he said that 10% of the district's budget goes for mowing — a total of \$1 million a year. He also cited a Highway Dept. study on the speed of traffic on US 60 that showed 50% of the road's traffic travelled at speeds over 60 mph, while another one-fourth drove more than 70 mph.
Other guests included Bud Eades of the Hereford Noon

Kiwanis Club, and Danny Heard and Darrin Black, both of the Dimmitt Key Club.

IT took me fifteen years to discover I had no talent for writing, but I couldn't give it up because by that time I was too famous.

FREE HEARING TESTS SET FOR SENIOR CITIZENS
LIVINGSTON HEARING AID CENTER, INC.

Offers a new concept in helping the hard of hearing. Livingston Hearing Aid Center, Inc. will sponsor FREE electronic hearing tests on Friday, Sept. 18 from 10:30 a.m. to 11:30 a.m. The tests will be given at Senior Citizens Center in Dimmitt by Thomas A. Noble. His professional approach assures you of personal understanding and expert help.

THOMAS A. NOBLE
Hearing Aid Specialist

Most hearing aid specialists sell you the brand of hearing aid they carry. And that brand may not have the model that's exactly right for you.

With Livingston Hearing Aid Center, Inc., it's different. We offer a new concept for the hard of hearing by carrying a wide variety of hearing aids from over 12 different manufacturers. We promise to fit you with an aid that answers your problem exactly. And our promise is backed by a 30 day satisfaction guarantee or your money back.

Everyone, especially older citizens, should have their hearing tested electronically at least once a year. Many of you may suspect you have trouble hearing and understanding.

Repair service and cleaning will be available to you for your present hearing aid - no matter what brand or where you bought it. The hearing tests are FREE and will only take 20 minutes of your time. Please come in and take advantage of this special opportunity.

River Road backs big as steamboats

By JOHN BROOKS
"They're big and quick. The smallest man in their backfield is almost as big as our biggest starter."

That's how Coach Mike Major of the Dimmitt Bobcats described the River Road Wildcats, Dimmitt's opponent this Friday night at 8 at Bobcat Stadium.

"They only have one senior in their offensive line-up, and only one person under 180 pounds," said Coach Major. "Their backfield goes 180, 185, 193 and 197 pounds."

Needless to say, the Wildcats will use a power attack. And, Coach Major says, there's no telling just how they will line up.

"We saw films on their first two games (against Panhandle, a 13-0 loss, and against Gruver, a 15-8 win), and they came at 'em in about five different sets. They try to force you into making defensive mistakes, and just run the ball right at you. The different sets are deceiving, because they try to do just one thing - run right over you. You have to cover your defensive area, or they are gone."

"They're no slow pokes either, in the backfield or the line. It's one of the biggest teams, man-for-man, we'll see this year, and all 11 offensive people have outstanding quickness."

The smallest man on offense is quarterback Jeff

Reynolds, a 6-1, 180 pounder, filling in for Pat Rogers, who defected to Amarillo Palo Duro after starting as the Wildcats' man-under last year. He's joined in the backfield by Gary Martin, (6-2, 193), Russ Welch (6-1, 197) and Allen Sanders (6-0, 185).

"Reynolds throws the ball well, too," said Coach Major. "He'll throw to those backs coming out of the backfield, and will throw it down the field to some fine wide receivers, too."

The Wildcats will run a 5-2 defense at the Bobcats, and have some smaller, but quicker people on their defensive line.

"Their nose guard, Roy Neal, only weighs 138 pounds, but he has a mean streak," praised Coach Major. "He'll strike you really hard, and that's true of their whole defense. He's the only small man they have on the team. The smallest man in secondary weighs 165 pounds, and everyone else is over 180. Overall, the team, I think, is really underrated. And their coach, George Malkoch, will have 'em always ready to go."

Dimmitt must regroup from two ball games where they have surrendered almost 100 points while failing to dent their side of the scoreboard.

"We've got to cut down on the turnovers. You can't drive down in their territory

and throw the ball on the ground," Major lamented. "We had four opportunities to score, but couldn't move it when we needed to."

"We've got to cut down on the turnovers. Hopefully, we have seen most of the speed we're ever going to see (against Floydada and Hale Center). You can't turn the ball over 10 times to these folks (Hale Center) and expect to stay in the game with them."

The Bobcats will use last Friday's game as a learning experience.

"We've got things straightened out, now. We know who can play the best, offensively and defensively," said Major. "Now, we must get these people fundamentally sound - blocking and tackling - and cut down on our mistakes."

The Bobcats are expected

to be near full strength going into their third contest. Several Bobcats missed at least part of the game last Friday night, but all are expected back, at or near 100%. Tailback Richard Guzman, who was able to run only one play during the first two games, is continuing to recover from a nagging ankle injury.

"Our motto this week is, 'Patience plus persistence equals progress,'" said Major. "We must continue to try to improve each week, and the only way we can do that is to work hard."

Friday has been designated "Parents' Day." Mothers of the players will be honored at the pep rally Friday afternoon at 3:10 at the Dimmitt High School gymnasium, with the fathers to be honored during the game Friday night.

Game time is 8 p.m. Friday at Bobcat Stadium.

8-A team defeats Hale Center, 30-0

Woody Glass ran for two touchdowns and three two-point conversions last Thursday to lead the Dimmitt 8th Grade "A" football team to a 30-0 win over Hale Center.

Dimmitt scored once in each quarter, with its first touchdown set up by a Hale Center fumble in the first quarter. Glass's 19-yard run left the Bobcats on the Owl 1-yard-line, where Mark Smothermon sneaked over for the score. Glass ran for a two-point conversion. Smothermon also scored

the second touchdown for the Bobcats with a 40-yard run, and again Glass ran for the two-point conversion.

In the third quarter Glass scored on an eight-yard run, sneaked over again for the extra points. Then, in the fourth stanza Glass broke for a 95-yard touchdown run.

Coaches cited Dirk Wright, Cruz Arce, Woody Glass and Mark Smothermon for outstanding offensive play, and Bobby Gill, Noe Castro, Mark Shackleford and Mike Schinkus for outstanding defense.
