

Sheffy's Chatter

Butlers attend son's wedding on Barbados Island

By MYRTLE SHEFFY
Joe and Dugan Butler, her sister Jo Wood of Muleshoe and son Jimmy Jack Butler of here have been to the beautiful island of Barbados, the farthest west of the Caribbean Islands. They flew down to attend the wedding of son Butch and Caroline Brooks of London, England.

and dressing and all the trimmings Tuesday, Nov. 3. The adult price is \$4. Bill and Jeton Gregory of Odessa are the parents of a new baby girl, Allison Jeanette who came Sunday, Oct. 18. She weighed 8 pounds and 6 ounces. The grandparents here are Bill, Sr. and Dalia and the great is Jo Gregory.

Ray and Jetty Sheffy spent the weekend in Iowa Park visiting the daughter Oneta and Jim Gregg. Fred and Helen Kuntz are home from a two week trip back East. First stop was at Johnston, Pa. to visit the daughter Linda and Richard and baby son, then a stop in Philadelphia to visit some cousins. On to West Virginia, Fayetteville, to see his sister Ella Wilson who has been here several times. They saw other relatives there.

Ricky Kuntz stayed home to watch the store, but he won a trip to the Dallas Cowboy's game, all expenses paid by a fertilizer company. Ricky flew from Amarillo with a group of friends. Jackie Anthony was home from Tech, little sister Pam and brother Mike and Susie Anthony were Sunday dinner guests of grandmother Alice Anthony. Bob and Steve had to work the cattle or something.

Curtis and Marie Tate are home from a week's visit in Mooreland, Okla., where they attended a big family get together to celebrate the mother, Mrs. Kay's 93rd birthday. Had a big dinner and the cake, a good visiting time with all seven of Mrs. Kay's children, all the grands too. Besides the Tates, a brother Cecil Kay Bremerton, Mr. and Mrs. Cliff Kay of Ponca City, Mr. and Mrs. Ray Hart of Lawton, Okla., Mrs. Jack Roberson of Woodward, Okla. and Mr. and Mrs. Tom Lockwood of Moreland were there.

Linda Wise Welch of Friona was another Sunday birthday girl so her parents Frank and Shirley Wise had the family in to celebrate. I believe Frank took them out for dinner. Attending were Linda's husband Kevin Welch, grandmother Ruth Coleman, Kyle home from Tech, Gary and Ronda Wise and children Holly and Heather, Garland and Susan Coleman and sons Garland the 3rd and Ben. The daughter Susan Wise couldn't come from Temple. Beth and Jacy Buckley came in the afternoon for coffee and talk.

Dorothy (Mrs. Rex) Sheffy was the birthday lady Sunday also. She brought her cake to my house for the family coffee klatch. Halloween Day, Sat., the 31st is Ruth Jackson's birthday. Jeff and Jennifer Bell of Abilene came up Sunday for a visit with his parents Lonnie and Janice Bell. Lonnie took them and the family to K-Bobs for dinner, his mother Polly, son Mike and Michelle and children and Rick and

Susie and children. Joe Dan Minnick spent a week with his grandparents Jodie and Gainell Minnick. His mama Shell Minnick and Beth came from San Angelo for him last weekend. Buford and Dorothy Newton of Odessa came up last week for a visit with son Danny and Donna Newton and children.

Robert Horton of Midland was a weekend visitor at home, with his mother Johnnie and Edd Wilson. And Stacy Wilson went to Dallas by plane with the 80 members of the Chamber of Commerce group that went Sunday. Eight or nine youngsters went, Stacy with Doris and Arlie Petty, their girls Christi and Carol and Carla Pybus. Delores and Jerry Heller went too. She says they got cold at the game but it was exciting. Had a good brunch Sunday morning at the Anatole Restaurant, and they had a bus tour of big Dallas. Delores will tell you about the trip on another page.

The Thursday bridge group met at the Senior Citizens party room for games and a meal. Playing were Jo Gregory, Oleda Schumacher, Emily Clingingsmith, Bernice Hill, Betty Cartwright, Susie Reeves, Opha Burks second high, Faun Welker, high score winner, Rosalie Hawkins, Johnnie Vannoy, Retta Cluck and Mary Alice DiCuffa. Darlene or Mrs. Wayne Collins had a birthday Sun-

day, so a group of Methodist youth gave her a surprise party. The room was decorated with yellow and blue paper rope and balloons. Cake and punch was served from a table decorated with Jack-o-lanterns. Patricia Touchstone and Carla Sheffy gave me all these names: Nathan Nelson, Janet Sammann, Shan Powell, D.D. Bishop, Denise Behrends, Mark Bruegel, Lori Sides, Kyla Boozer, Becky and Beth Benton, Julie Reeve, Kristi and Karla Sheffy, Tricia Touchstone, Robert Watson, Scott Nelson and Wayne Collins.

Kim Riley is here for a visit with his mother Edna Riley and brother Ray Joe. Kim attends school at Marbridge Boarding School.

M. A. and Christine Pennington returned from their Chile crusade according to schedule at 3:30 Wednesday afternoon.

M. A. said that all went according to plans and schedule throughout the

entire trip. Both M. A. and Christine had good health and made the trip fine. M. A. stated that he had never seen a greater crusade. Over 4,000 souls came to Christ in the 10 days of the crusade proper. The church, Second Baptist Concepcion was at a low ebb, only about 35 in Sunday School. The first service of the Crusade, there were near

to 300 present and it went that way all week. Saturday night before the services were to close on Sunday, there was the largest crowd in the history of the church. The church was completely committed to the Lord's work at the close of the Sunday service. There were 250 decisions in the church where the Penningtons with their

team from Santiago worked. The Penningtons returned Sunday afternoon with their team members to Santiago where they visited in their adopted home there. They rested two days and nights before starting on the return trip. M. A. expressed his thanks to the many friends and churches for their prayers. He said he could

really feel the effects of the many prayers offered for the crusade. He has already received invitations from Temuc, Concepcion and Santiago for crusades in October, 1982.

Aural Davis has been in Chicago for one month for a visit with daughter Janis and [See CHATTER, Page 5]

SOMEBODY CARES

It is so important that someone cares about how this child grows up. Someone cares that she is clothed and fed and loved. Someone cares that she goes to school and grows in mind as well as body. Someone cares about her childhood wonder and curiosity and wants to see them satisfied. Someone cares enough to teach her to love other people and will help her in her relations with them. Someone cares about her spirit and desires for her the highest ideals and standards, and will help her to know God. Are you this someone? Let it be said of her as it was said of Him. "And Jesus increased in wisdom and stature and in favor with God and man." Luke 2:52.

TAKE SOMEONE TO CHURCH THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Ser.

More about

# Chatter

[Continued from Page 2]

George Thibeault, who have a new baby girl. Her name is Erin Christi and the little sisters are Emily and Erica. Aural says when her plane landed, the biggest crowd in history was waiting to greet the North American Soccer game champions, also a group meeting the "Rolling Stones." She says she was pushed along, but she finally found her family. Enroute home she was with Emmett and Sue Broderson who had been to Chicago to attend the Teachers Fraternity Convention, a good trip home from cold Chicago.

The family of the late P. L. and Charity Moore had their

annual get together Sunday at the Odd Fellows Hall. From Dimmitt were Christell and Art Wilcox, Omega and C. J. Johnson, J. B. and Thelma Moore, and the Don Moke family, the Douglas Moke family of Amarillo; the Jack Byrd family of Crane, Roy and Christeen Taack of Hart, the Keith Johnson family of Plainview, Mike and Christy Holland of Conroe, Ray and Louise Wilbanks of Lubbock, John Turpen of Plainview; Christi Woodward of Crane, Lesa Waddell and Terry Hernandez of Amarillo, the Carol Dennis family of Lawton, Okla.

Recent visitors of the J. B. Moores and Charlie Hestands were Janis and David Williams, Dawna and Heath Hestand of Sierra Vista, Ariz.

DRUG users do not report having relationships with their parents, and they do not see their parents as important sources of help and advice, although they are not necessarily alienated from one another, says Diane Welch, a family life education specialist on the home economics staff of the Texas Agricultural Extension Service.

SHEFFY'S WESTERN & CASUAL WEAR, located at Southeast Second and Jones, will begin its grand opening today [Thursday]. Here, owners Karen and Don Sheffy receive their Chamber of Commerce membership plaque from CofC Manager Delores Heller [left] and their framed "first dollar of clear profit" from CofC President Joe Josselet [right]. Chamber of Commerce and city officials held a ribbon-cutting ceremony for the new store last Thursday. Sheffy, the son of

Mrs. Sid [Myrtle] Sheffy, and his wife, the daughter of Mrs. Elmo [Polly] Bell, moved here from Canyon to open the new store. Sheffy's Western & Casual Wear features a full line of western and casual clothing for juniors and adults, including boots by Justin, Sanders, Acme and Wrangler, hats by Resistol, jeans by Lee and Wrangler, western shirts by Lee and Karman, and belts by Torex.

## View from the library

By BRICK AUTRY

Calendar  
 Mondays: TOPS Club 5:30 p.m.  
 Friday: 4 p.m. Girl Scout leaders' meeting.  
 Thursday: Aerobics 6 p.m. or so.  
 November 5: Regional Workshop for librarians, Amarillo.  
 This week at the library one will observe that the Children's Art Exhibit is gone. It is not gone entirely. Part two of the exhibit is on its way. This first part of "Hands Around the World" has been enjoyable. "Hands Around the World" will be featured through the end of this year. Welcome a new member of the afternoon library staff,

Denise Dobbs. She has agreed to take Sonya Andrew's place after school. Sonya was very disappointed to learn she could not practice basketball here at the library. So she decided to go to the gym to practice after school instead. One of the occupational hazards of being a librarian is that you can hardly compete with a basketball. Basketballs are always more fun to be around for some reason.  
 Unfortunately for Denise Dobbs, at the time she started, the children's department was turned upside-down. The books were all over the place. Library staff busily sized the children's books and color-coded them. It all looked extremely bewildering. But the library staff is kind and considerate of new staff members. Instead of throwing Denise into the upside-down children's department, they kindly set her to work trying to find the dozen or so categories in which the books are all shelved. There were only a hundred or so books to put up! Sure, you can do it, Denise.

## Banker speaks to Key Club

The Dimmitt High School Key Club held its regular meeting last Wednesday in the high school cafeteria. Fifty-five members were present.  
 Joe Josselet of the First State Bank of Dimmitt spoke to members about credit and loans.  
 Projects discussed at the meeting concerned the Halloween Carnival and the Pheasant Hunter's Breakfast. The Key Club will sponsor a car bash and a booth at the carnival.

## Fire Dept. receives donation

The Dimmitt Volunteer Fire Dept. received a check for \$75 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the department's work on the property of Marble Brothers. The money will be used for purchase of equipment.  
 The Texas Farm Bureau Insurance Companies pay fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

"The insurance company believes fire departments have contributed to reduce the amount of loss involved by fire and more importantly, to prevent fires. It is their hope this money will help the Dimmitt Volunteer Fire Dept. in their programs," a Farm Bureau Insurance Co. representative said.

## Church women to host bazaar and dinner

The Dimmitt United Methodist Women's annual Thanksgiving Bazaar and Dinner will be held Tuesday. Dinner will be served from 11:30 a.m. to 1:30 p.m. Tickets will be \$4 for adults, \$2 for children, with pre-school children admitted free. Tickets may be obtained from women of the church or at the church office.

The bazaar doors will be open 10 a.m. to 2 p.m. in the Fellowship Class room. The bazaar will feature craft items, baked goods, needlework, and a white elephant table.  
 Dinner will consist of turkey, green beans, cornbread and dessert.

## Social Security rep sets visits

Janice Ulmer, Social Security representative out of Plainview, will be at the Castro County Courthouse Nov. 5 and 19 to help anyone concerned with social security business.

Interested people should go to the county commissioners' meeting room on the first floor of the courthouse from 10 a.m. to 12 noon on either of these dates.

## Schools' Choral Dept. presents concert

More than 220 people attended the Dimmitt ISD Choral Dept.'s concert in the DHS Auditorium Oct. 20. The DHS Singers led the program with seven arrangements.

Soloists included Corina Gil, "Snowbells"; Tammy Stanford, "All I Have to Be"; Shelley Young, "You Light Up My Life"; Rena Moore, "With You I'm Born Again"; Janis Hutcheson, "Yesterday"; and Rhonda Heath, "You Decorated My Life."  
 Miss Stanford and Steve Anderson sang a duet of "Endless Love."  
 The Junior High School Choir presented three songs. The Junior High School Show Choir danced a disco number

to "Stars on 45," and six junior high girls danced a routine to "Cotton-Eyed Joe."  
 The newly formed Sixth Grade Choir gave its first performance at the concert including six songs.  
 The finale included dance-and-song numbers by the DHS Show Choir, in its first staged performance of the year.  
 All choirs were under direction of Doug Henry.

**Cancer in 1981**

# Hays Has It:

**THE NEW NUMBER ONE IS HERE!**

## MORE ACRES PER HOUR, MORE ACRES PER GALLON IN THE SIZE YOU NEED

135, 160, 185 PTO HP

Now there's a New Number One. And it's from International Harvester. The new International 50 Series tractors. The best performing tractors ever built. Here's why:  
**THE NUMBER ONE ENGINE.** You'll find the New Number One in the size you need: 135, 160 or 185 PTO horsepower. Each with the power and economy of a reliable IH-built diesel engine, proven in independent field tests to cover more acres per hour in less time, with less fuel. Now with exclusive Forward Air Flow for more efficient cooling, longer engine life.  
**THE NUMBER ONE DRIVE TRAIN.** Discover the all-new advanced design drive train that features Synchro Tri-Six shifting. Shifts with smooth, quiet precision. The only drive train with 18 fully synchronized forward speeds. And the speeds are ideally spaced to help you cover more acres per hour.  
**THE NUMBER ONE HYDRAULICS.** High-capacity Power Priority hydraulics supplies 67 gallons of total flow. You get 25 gallons for the hitch and remotes alone — delivered where you need it, only when you need it.  
 When you want tractor performance, productivity and reliability, you want the New Number One. An International 50 Series tractor.

IT IS not true that the buoyancy of water increases with its depth. Shallow water and deep water are the same in terms of buoyancy.

# Panhandle paces state in record corn harvest

With the exception of current market prices, Texas corn growers are enjoying one of the most gratifying crops in history. Many farmers on the High Plains have harvested bumper yields in excess of 200 bushels per acre. And in Central and South Texas, yields up to 170 bushels per acre have been reported.

Excellent yields this fall are mainly the result of timely rains and cooler-than-normal days during critical pollination periods in mid-summer, as well as cool, wet weather that followed in late July and August.

Overall, Texas farmers are expected to harvest more than 143.7 million bushels of corn from 1.25 million acres this year, an average of 115 bushels per acre, according to statistics from the Texas Crop and Livestock Reporting Service.

This year's corn crop is a major contrast to the harvest of drought-stricken 1980, when Texas growers produced just 117 million bushels from 1.3 million acres, an average of only 90 bushels per acre.

Other than a brief spell of near 100-degree temperatures and rainless skies, farmers faced nearly ideal growing conditions for corn, noted Jim Higdon, director of agronomy service for Pioneer Hi-Bred International, Inc.'s Southwestern Division headquartered in Plainview.

"We thought we were facing another year of drought on the irrigated plains when we had about 10 days of hot, dry weather in June," he said. "But when we really needed it, we received slow, soaking rains and cool temperatures."

"As a result, we are seeing many farmers harvest 175-to 190-bushel corn crops. And we had reports from a number of farmers who have harvested 225 to 240 bushels per acre."

Over the majority of the irrigated plains, farmers are harvesting between 8,000 and 12,000 pounds of corn per acre, according to reports from county agricultural agents.

This area is expected to produce more than 95 million

bushels of corn. Yields are expected to average more than 149 bushels per acre in the corn growing area north of Amarillo and 128 bushels on the South Plains.

The few farmers not experiencing good yields are those whose crops were stressed by the early-summer drought period.

"Corn that was in its pollination stage during our brief period of hot, dry weather has not performed up to par with varieties that pollinated after the one bad spell," said Higdon. "From what we have observed, crops in that category have produced yields a little below average."

Nationally, farmers are also expected to harvest what

could be a record crop. Agricultural Dept. officials are predicting 1981 will be the first year ever for farmers to produce more than eight billion bushels of corn. The national yield is projected at 109 bushels per acre from 74 million acres.

Last year, farmers produced an average yield of 91 bushels per acre from 73 million acres. The 1980 corn crop totaled 6.64 billion bushels.

In south-Central Texas, farmers produced about 17 million bushels. The upper Gulf Coast is expected to yield 8.6 million bushels, with the Rio Grande Valley expected to produce 7.8 million bushels.

## Amstar Corp. to acquire technology business

Robert T. Quittmeyer, chairman of Amstar Corp., announced that Amstar has reached an agreement for the acquisition of the Technology Business of Norlin Corp. for an aggregate consideration of approximately \$56 million, including the assumption of approximately \$10 million in liabilities.

In 1980, the operating income of the Technology Business was \$9.5 million on net sales of \$59.0 million. For the five-year period 1976 through 1980, the average annual growth rate was 29% in operating income and 15% in net sales.

Norlin's Technology Business designs and manufactures military electronics equipment, miniature circuit breakers and other electric power control devices, and custom dies and components utilizing tungsten carbide, quartz and other ceramic materials. The Technology Business includes eight divisions and wholly owned subsidiaries.

Quittmeyer said the acquisition is a further step in Amstar's program of diversification.

"The Technology Business offers attractive growth opportunities and we are pleased that this organization will become part of Amstar. As with our prior acquisitions, Amstar intends to expand the operations of the Technology Business and all of its business units under their present managements," he said.

## FCIC offices to be closed

The USDA will close 148 Federal Crop Insurance Corp. offices by next spring.

The business of selling crop insurance will be transferred to private agents.

The action means the loss of jobs for 68 full-time employees and 84 part-time employees, but most of these people have found new jobs, an FCIC spokesman said.

Turning sales over to private enterprise will improve service and make it more convenient for farmers, the FCIC said. Officials said private agents' offices often will be closer to farmers than one of the 148 offices or county offices of the Agriculture Department.

Wayne Fletcher, head of FCIC, said farmers can select their own agents to handle their federal crop insurance. If they do not, the FCIC will assign insurance files to local crop insurance agents, though farmers will be able to change agents.

The administration is in the process of expanding the federal crop insurance program so it will cover all risks for all major crops.

The expanded program will replace the disaster program that was actually insurance for which farmers of major crops did not have to pay premiums. Premiums for federal crop insurance are partially subsidized by the government.

If farmers buy federal crop insurance, they have a choice of including hail and fire protection in their policies or buying that coverage separately from private firms.

The federal insurance also covers risks like flood and drought that private firms cannot afford to cover.

Noting that farming is a "risky business," Fletcher said use of crop insurance has doubled in many areas.

ANDY BEHREND'S

## Bank elects Andy Behrends

The board of directors of Frost Bank in San Antonio recently elected Andy Behrends assistant vice-president, according to C. Linden Sledge, chairman of the board and chief executive officer.

Behrends, who joined Frost Bank Sept. 1, is the son of Mr. and Mrs. Andrew L. Behrends of Dimmitt. A Chartered Life Underwriter, he works in the Trust Development Dept. where he develops new trust business accounts, especially in the pension and profit sharing and employee benefits areas.

The new assistant vice-president graduated from Springlake High School and earned a BS degree from Texas Tech.

He served in the Air Force from 1951 through 1954, achieving the rank of first lieutenant.

Behrends is a member of the American Institute of Banking and the American Society of CLU. He is a past president of the Texas General Agents and Managers Association and the San Antonio Estate Planners.

## Board elects Robert McLean

The board of directors of the First State Bank has elected Robert McLean president and chairman of the board of the bank, to succeed his father.

The bank will continue to operate in its usual manner with no changes in basic policies, the board said.

## Busy November scheduled for Flynt

Jack Flynt of Dimmitt, National Commander of the American Legion, will begin the month of November with official visits to Georgia and Washington, D.C.

Flynt will be in Atlanta Sunday and Monday and in Albany Tuesday and Wednesday. Next Thursday, he will be in Washington, D.C.

Flynt will be home Nov. 8 and 9 before visiting San Antonio, Indiana and Maine.

Nov. 19 through 28, Flynt will visit Japan, Korea and Taiwan.

## Pianists earn high rankings

Piano students of Mrs. Leon Sanders received four superior and two excellent ratings when they participated in the recent Associational Hymn Playing Festival in Plainview.

The six Dimmitt students attending the festival will receive certificates. They were graded on interpretation, accuracy, tone, general effects and appearance.

Students attending were Kristi Sims, average rating of 96; Jacalyn Thompson, average 96; Patrick Killingsworth, average 95; Jo Hyman, average 93; Brian Stewart, average 91; and Tim Sims, average 87.

THERE isn't any such thing as an air pocket. When the airplane passenger says "We hit an air pocket and boy, did we ever drop in a hurry!" he's really talking about a downdraft. A hole in the atmosphere is impossible.

## THE PLAINS' ONLY FULL-SERVICE AUCTION COMPANY

If you are considering retirement or cutting down on your equipment inventory — or want to sell your equipment for any reason... it is to your advantage to contact us about our FULL SERVICE AUCTION SERVICE. ## Rate crew finishes Dimmitt inspection

The rate crew from the State Board of Insurance (SBI) should finish their reinspection of Dimmitt sometime this week, when they will travel on to Littlefield for an inspection there.

"On the average, I'd say that Dimmitt has better constructed buildings than most towns this size," said crew chief Willard Gass.

Beginning Sept. 1, the four-man crew was here to inspect every public building — commercial as well as churches and schools — to update the records of the SBI, and determine if any adjustments in the Key Rate for fire

insurance would need to be made.

Gass said that the information gathered in Dimmitt will be used to update current rates, adding that some will be up and some will be down from what they were before.

Lacy Kirkman, supervisor of the rate crew was in Dimmitt last week, checking on the progress of the reinspection.

"Our whole crew really appreciates the fine help and cooperation we have had from the city," Gass said, adding that they especially wanted to thank the Dimmitt Volunteer Fire Dept. and Fire Marshall Ron Antelak for the office space in the fire station that the crew had been allowed to use.

Other crew members were Mike White and David Nardecchia, both of Austin, and Robert Coffey of New Braunfels. Gass is from Boerne.

**THIS LIVELY PUP** needs a home. She's a New England Blue Heeler, according to Dimmitt Animal Control Officer Charles Whitman, who said, "She would probably make someone a good cow dog." Abandoned along a local highway by a truck driver, the pup is still too young for a rabies shot, Whitman said. If she isn't claimed by someone by Nov. 2, she will have to be destroyed. She can be yours for a "negotiable fee" if you contact Whitman through the Dimmitt Police Dept., 647-4545.

# LET'S KEEP THE WATER RUNNING IN TEXAS!

In cities and towns all across Texas, local water problems are threatening to erupt into one enormous statewide crisis. Countless communities are facing growing water supply, water treatment, sewage treatment and flood control problems estimated to cost a staggering \$50 billion over the next 25 years. To make matters worse, federal funds for water projects have recently been slashed.

But on November 3, Texans have the opportunity to adopt a plan, already passed by two-thirds of the Legislature, which would harness a portion of our state's budget surplus to help shoulder that heavy local burden.

The plan is proposed Constitutional Amendment No. 4.

### Passage of Amendment No. 4 would:

- Make possible the sale of more than \$200 million in authorized and urgently needed state bonds to address a backlog of needed projects.
- Create a loan guaranty program to enable local communities to save millions of dollars in issuing future bonds.
- Begin to build a "nest egg" for the future from a part of the state's budget surplus to assist local governments in financing future water and sewage projects.

Texas' water needs *must* be met, either now or in the future. We can act now, and save money... or pay the higher price later for our neglect, with possible increased taxes. Sensible action now makes much more sense for Texas.

## Water For Texas

# Dimmitt bloody but unbowed after Cat-fight

**By JOHN BROOKS**  
 "We were happy with the last three quarters, but it took us 12 minutes to learn they were just human."  
 That's how Dimmitt Coach Mike Major summed up the 34-0 loss to top-rated Littlefield Friday night in Bobcat Stadium.

The Wildcats, ranked No. 1 by the Harris Rating System all season long, is now 8-0, and 2-0 in District 2-AAA play.  
 Dimmitt, meanwhile, slips to 1-7 for the season and 0-2 in conference action. The Bobcats were shut out for the first time in their last five games as they frittered away at least two good scoring chances, with a turnover at the Wildcat 29 in the second quarter, and a just-short field goal ending a drive in the third period.

"We were more up-tight going into this game than any other time this year," said Major. "I thought, 'Oh, no, we're going to really get embarrassed,' but we settled down after the first quarter and played some fine football."  
 "Coach (Lyman) Schroeder, our defensive coordinator, did a good job calling the defense. We stopped them three or four times deep in our territory," praised Major. "Of course, it makes no difference what you call, if you don't run it right, it's not going to work. We had some super play from our whole defensive unit."

"We've got the two tallest defensive tackles (Jeff Watts and Shan Powell) playing AAA football in the whole world, and they were in their quarterback's face and up in the air all night. They knocked down a whole bunch of passes."

Littlefield scored the first of its five touchdowns on its second play of the game. Taking the ball at the Dimmitt 45 after a 31-yard Watts punt, tailback Scott Blakely gained two yards on first down. On the next play, wingback Larry Cantu took a reverse handoff and scooted around the right flank for the touchdown. Jim Burks, who went 4-of-5 on the night, added the extra point.

"We shut down the reverse after that. Ricky Gonzales is probably one of our best football players, but he hasn't played for a few weeks," explained Coach Major. "He shut down all the outside stuff

after that." Dimmitt, ineffective almost all night offensively, was intercepted on the next series, and Littlefield again struck quickly. Blakely, who ended up with 155 yards on 23 carries and three touchdowns, scored his first six-pointer from seven yards out. Burks' PAT gave the Wildcats a 14-0 lead with 7:07 left in the initial period.

Les Yarbrough, subbing for Blakely at the tail end of the first period, broke four tackles to score as the buzzer sounded at the quarter's end. The 19-yard run and ensuing kick made it 21-0.

"I thought, 'Somebody go get the scoreboard out of the gym, it's going to be triple digits,'" said Major. "But we decided, defensively, we could play with them, after the first quarter. We were no longer in awe of them. It was as if the defense said 'First, schmirst,' or something. It just took us that first quarter to realize we could play with them, that they didn't have a big 'S' under their shirts."

Littlefield was able to move the ball offensively, but got help for two more scores. The Wildcats knocked the ball free from kick-returner Bill Johnson at the Dimmitt 21 at

the first of the third quarter, and Blakely scored on the first play. Burks' kick sailed off to the right of the goalposts. Dimmitt drove the ball for the first time in the game during the third quarter, with Richard Guzman hitting flankers Brad Holcomb and Tim Wales for 14-yard gains, and tight end Jeff Watts for a 15-yard pickup. The drive fizzled, though, and a Bobby Nino field goal attempt, into the wind from 34 yards out, hit the crossbar and bounced back.

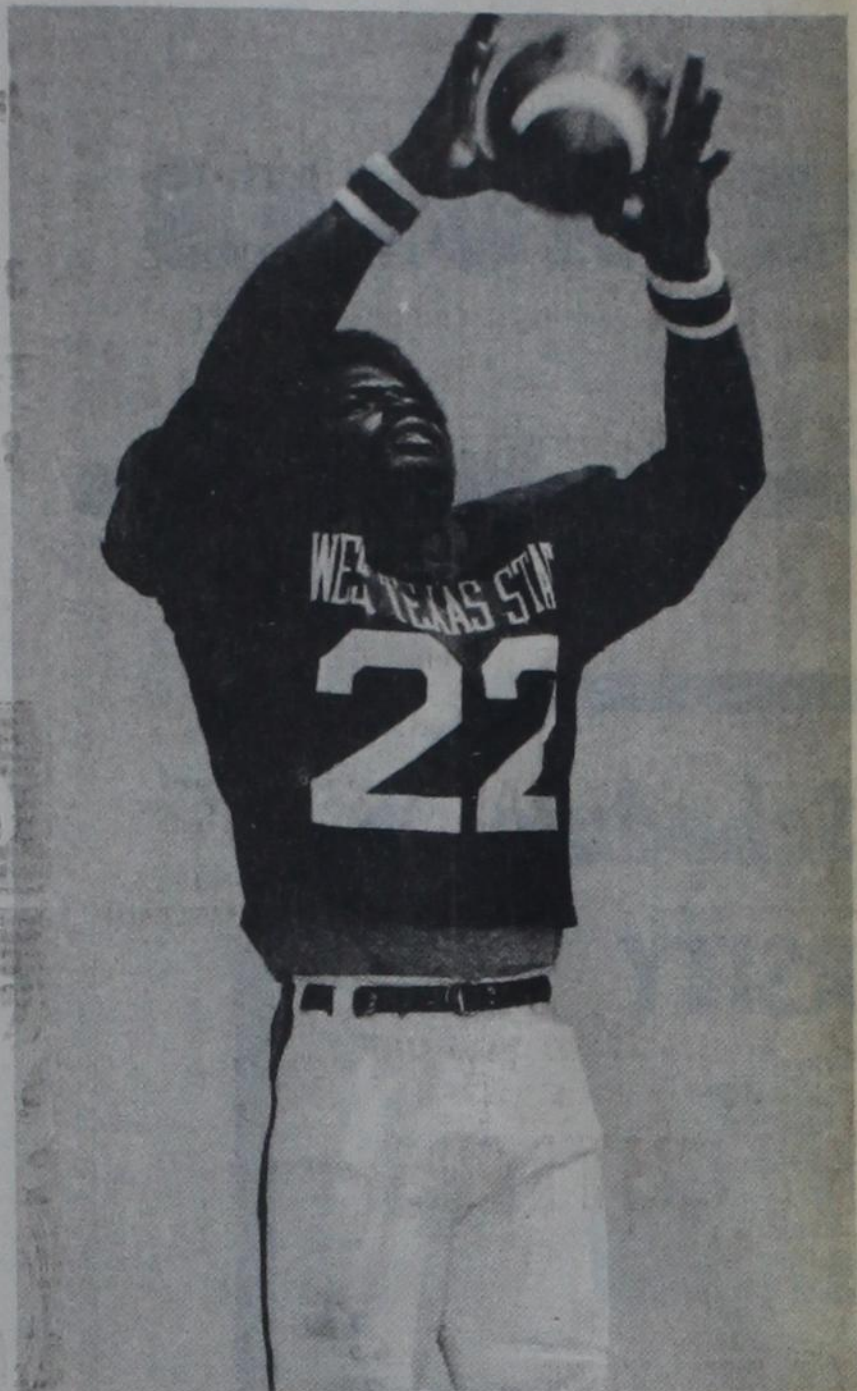

The Wildcats' last score came with 7:46 left in the game, as Blakely went in from 11 yards out. But, that was not their last opportunity.

"Coach (Jerry) Blakely told me after the game they were trying to score some more," explained Major. "I told him

I understand, because they are trying to protect a No. 1 ranking, and had come into the game favored by 46 points, and more. But he (Blakely) said our kids played tremendous after the first quarter, and he was glad he was able to jump on us quickly like they did, or they wouldn't have been able to score that much. We're not happy with a loss, but we are pleased with our effort over the last three quarters."

"The Wildcats' last score came with 7:46 left in the game, as Blakely went in from 11 yards out. But, that was not their last opportunity. Coach (Jerry) Blakely told me after the game they were trying to score some more," explained Major. "I told him

## Hart JV rips Springlake, 10-0

Hart's junior varsity team raced to a 10-0 victory over visiting Springlake-Earth last Thursday.  
 Hart's first score came on a fumble recovery in Springlake-Earth's end zone. Arthur Finch ran for the extra points, making the score 8-0 Hart.

The only other score came when Springlake's center snapped the ball above the punter's head out of the end zone and Hart was awarded a safety.

Hart's record is now 5-2 overall and 2-0 in district play.

**THOMPSON MAYBERRY** of Dimmitt continued his yeoman work as a defensive corner back for West Texas State University in the Buffaloes' game against Drake University Saturday. Going into the game he had been credited with 36 tackles and three broken-up pass attempts in the Buffs' first seven outings. Saturday he intercepted a Drake pass and broke up another to highlight a good defensive performance. A senior at WTSU, Mayberry is a 1978 graduate of Dimmitt High School. He is the son of Mr. and Mrs. Ellis Mayberry.

# Muleshoe team expected to be as stubborn as--

**By JOHN BROOKS**  
So far, there has not been much heard from "Mule Mania" this year. That may be caused by a change in logos precipitated by new head coach Windy Williams.

"We have a lot of respect for the 'Angry Black' of Muleshoe," said Dimmitt Coach Mike Major. "They're not big, not as big as Littlefield, and they have very few folks back from last year.

They're not particularly fast, either, but they run hard and block hard, and they're very well coached."

"They've probably played the second-hardest schedule in America, right behind ours," added Major.

The Mules, 5-2 on the season, have gone up against Portales (a top-rated AAA New Mexico team), Morton, Tulia, Idalou, Abernathy and Lockney. They opened district play last week with a 33-6 win over Olton.

"This is Coach Williams' first year as a head coach, but he was Greg Sherwood's top assistant at Spearman and Plainview," Major said. He's a good coach, and runs the same thing on offense that has carried Sherwood through so many outstanding seasons — the Wing-T."

"They'll run the same thing on defense that we saw in our first four games, a Split-4. They have some great linebackers, especially George Vela. He was all-South Plains last year, and he's just a super ball player. They have only one more starter back from last year on defense, Ronnie Angeley, in the defensive secondary, and he's a really good one, too," said Major.

"They will run a lot of inside traps, and will take two or three handoffs on every play. We'll have to sort 'em out and tackle all of them," said Major. "They don't have anyone with great speed, but they are all good backs."

As for the Bobcats, Major says it will be a week for working on basics on offense.

"Oh, we'll keep polishing

"We must work on controlling the ball more," said Major. "I've been saying this all year long, but last week we only snapped the ball 44 times on offense. They snapped it 64 times. And, that's one of the fewest numbers against us in that area all year."

"We didn't do well on our kick returning last week, a few breakdowns here and there that we haven't had in a while," moaned Major. "But Jeff Watts had a super night kicking the ball, and we're thankful for that. I'd just like to have one game where we didn't have to punt at all."

"Some people may be wondering why I went out on the field," said Major. "Zeke Garcia just almost got his neck broken, or easily could have, on a crackback block. It happened right in front of an official. While I respect these officials, and the kid wasn't playing dirty or anything, there is no place for a call to be missed that could have been easily made."

"Anyway, we had a super effort over the last three quarters Friday night. I just hope we play a whole ball game this week."

Game time is 7:30 Friday night in Muleshoe.

THEOPHILUS Van Kannal of Philadelphia, Pa. invented the revolving door as we know it today. He was granted US patent number 387,571 for this unique creation on August 7, 1888.

# Fired-up Cowboys down Swifts

**By JEANIE WILHELM**  
Happy scored three touchdowns in the second half last Thursday night to beat Nazareth 30-10 in a District 2-A game at Happy.

Jamey Johnson led the Cowboys to their victory with 165 yards rushing on 15 carries, and scored three touchdowns.

Nazareth scored first in the battle between the long-time rivals. Calvin Schulte kicked an 18-yard field goal with 1:53 left in the first quarter to put the Swifts out in front, 3-0.

Happy drove the ball 70 yards in just four plays for its first touchdown. Jamey Johnson scored on a 53-yard run with 11:52 left in the first

half. The run for the extra points failed and the score remained 6-3 at halftime.

With 10:28 left in the third quarter, Jamey Johnson

★

Happy 0 6 16 8	— 30

scored on a 31-yard run. The point-after run by Danny Venhaus was good and gave the Cowboys a 14-3 lead.

On the Cowboys' next touchdown, they moved the ball 77 yards on a pass from Danny Venhaus to Paul Malone with 4:54 left in the third. The conversion run by Venhaus was good and put the Cowboys ahead of the Swifts, 22-3.

The Swifts' only touchdown came on a one-yard run by Virgil Huseman with 8:15 left in the game. The kick by Calvin Schulte was good and made the score 22-10.

With 2:38 left to play, Jamey Johnson scored once again for the Cowboys on a

seven-yard run. The run for two extra points by Paul Comacho was good and made the final score 30-10.

Virgil Huseman led the Swifts in rushing with 56 yards, while Calvin Schulte had 36 yards.

"We played a Happy team that was fired up and ready to play," said Nazareth Coach Ken Cole. "We just, mentally, weren't ready for them."

"We were still down from last week's game against Motley County," coach Cole added. "We played a good, tough team last week and we just could not get back up for Happy."

"This week against Valley,

we have a fine chance to play with them and we're going to throw in a few new wrinkles against them," Coach Cole said.

Friday night's District 2-A game will be played at Valley. Kickoff time will be 7:30 p.m.

**If you're concerned about rising grocery costs, here's something you can do about it.**

On November 3, you can make a positive step toward helping hold the line on rising grocery costs.

Proposition 5, one of seven proposed Constitutional Amendments which will be offered on the ballot, would include livestock and poultry with all other farm products as exempt from property (ad valorem) taxes. The effect of passage of this amendment will be to lower production costs for livestock and poultry. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.

For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

**VOTE FOR 5.**  
HELP HOLD THE LINE ON YOUR FOOD COSTS!

(Pol. ad., paid for by the Castro County Farm Bureau, Dimmitt, TX.)

# Wolverines edge Longhorns, 13-12

Springlake-Earth took advantage of two costly Longhorn turnovers and a key penalty to post a very exciting 13-12 District 3-AA win. This was the second straight one-point loss for Hart, dropping their season record to 3-4 and 0-2 in District. S-E upped its record to 4-3 and 1-1 in district play.

Neither team mounted much offense in the first quarter, although Hart kept the Wolverines backed up in their own territory most of the initial period.

Late in the second quarter the Longhorns punted from deep in their own territory, allowing S-E to regain possession of the ball at midfield with just over three minutes remaining in the half. The Wolverines moved downfield on the passing combination of quarterback Todd Moore to Claude Barlow. A pass interference call gave S-E a first and goal from the Longhorns' 4-yard line. Hart stiffened on defense and S-E's fake field goal was unsuccessful, but Hart was flagged for being offside, giving the Wolverines one more chance. S-E took advantage of that mistake and scored on the next play with Todd Moore hitting Claude Barlow on a four-yard scoring toss with only 18 seconds left in the half. Roy James booted the PAT and the Wolverines led 7-0 at halftime.

The first Longhorn touchdown came early in the second quarter after Chris Clifford returned an interception 30 yards down to the Wolverines' 20-yard line. Clay Barnes then carried down to the 10-yard line. On

third and goal from the five, QB Derek Rich hit Chris Reyna for the score. The pass for two points failed, leaving S-E in the lead at 7-6 with 9:48 left in the third period.

The Wolverines took the ensuing kickoff and marched 60 yards for their second score. Lorenzo Monreal capped the drive with a one-yard run. However, the kick failed, leaving the Wolverines on top by a 13-6 count with 6:51 showing in the third quarter.

Hart came back with a drive of their own, going 65 yards in only 8 plays. Daniel Guzman finished off the march with a 28-yard touchdown run with 2:51 remaining in the third stanza. The run for two points failed so the score now read S-E 13 and Hart 12.

In the fourth quarter, the Wolverines drove to Hart's 19-yard line before being stopped on fourth and inches. The Longhorns took over and drove down to S-E's 25-yard line, using up almost six and one-half minutes before a fourth down pass fell incomplete, giving the ball back to the Wolverines with 4:10 left to play.

The Longhorns got the ball back with 1:59 remaining in

the game. However, on the first play, Hart fumbled a pass completion and the Wolverines recovered, preserving a hard-fought 13-12 win.

Derek Rich and Clay Barnes led the ground attack for Hart with 79 yards while teammate Daniel Guzman chipped in with 61 yards. Lorenzo Monreal led the Wolverines in rushing with 101 yards.

The Longhorns will entertain the Farwell Steers this Friday evening. Game time for the District 3-AA encounter is 7:30 p.m.

LIBEL AND SLANDER are often confused in popular usage. Legally, libel is printed and slander spoken.

## Hart Jr. High downs S-E, 14-6

Lolo Espinoza scored two touchdowns last Thursday to lead host Hart Junior High to a 14-6 win over Springlake-Earth.

Espinoza scored from two yards out and 10 yards out, with Pete Barretero kicking the PAT each time.

Springlake's only touchdown came late in the fourth quarter.

## 15—LEGAL NOTICES

### LEGAL NOTICE

The Panhandle Regional Planning Commission is in the process of electing board members for the year 1982. A minority director will be elected during a special meeting to be held Tuesday, November 10 at 2:30 p.m. in the Deaf Smith County Court House, 3rd and Schley, Hereford, Texas. Members of minority groups in Oldham, Deaf Smith, Parmer, Castro and Swisher Counties are encouraged to attend the meeting, help in nominating a board member and vote in the election. The minority representative will serve a three year term. For further information, contact Paula Montoya in the commission offices (806) 372-3381. 15-5-1tc

### Classifieds Get Results

ONE SLICE PER HAMBURGER—Here's another example of local gardeners' bumper crop this year. Velma Holland had only two tomato vines on her apartment patio, but with tomatoes like this, that's all she needed for the season's sandwiches and salads. This tomato weighed 1 lb., 4 oz., "and I had several others nearly this big," she said.

## In handling firearms, follow 'commandments'

Accidents with firearms don't just happen. They are caused by ignorance, carelessness or disregard for safety rules, says the Texas Agricultural Extension Service.

Abide by the following "Ten Commandments of Firearm Safety" each time you handle a firearm. Don't let a needless hunting tragedy mar your hunting pleasure.

1. Treat every gun with the respect due a loaded gun.
2. Watch that muzzle! Be able to control the direction of the muzzle even if you should stumble.
3. Be sure the barrel and action are clear of obstructions and that you have only ammunition of the proper size for the gun you are carrying.
4. Be sure of your target before you pull the trigger; know identifying features of the game you hunt.
5. Unload guns when not in use. Take down or have actions open; guns should be carried in cases to the shooting area.
6. Never point a gun at anything you do not want to shoot; avoid all horseplay with a firearm.
7. Never climb a fence or

tree or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.

8. Never shoot a bullet at a flat, hard surface or water; at target practice be sure your backstop is adequate.

9. Store guns and ammunition separately beyond the reach of children and careless adults.

10. Avoid alcoholic beverages before or during shooting.

THE oldest goldfish ever documented was one named "Goldie" who belonged to H.S. Taylor of Lincolnshire, England. The goldfish died in February, 1978 at the age of 36, having lived twice as long as the normal life expectation.

MR. AND MRS. JACKIE DAVIS  
 ... She's the former Joleen Creighton

**Davises are at home in Dimmitt**

Mr. and Mrs. Jackie Davis are at home in Dimmitt after a trip to Ruidoso following their Oct. 16 wedding in Roswell, N.M.  
 The bride, the former Joleen Creighton, is the daughter of Bill Don and Sue Creighton of Roswell.  
 The groom is the son of Ted and Sylvia Stubblefield, formerly of Dimmitt and now living in Mississippi.  
 In the civil ceremony, the bride wore a skirt topped by a

white blouse with a shawl collar, accented by lace. Witnesses were Sandra and Kevin Carrig of Pinion, N.M., sister and brother-in-law of the bride.  
 The couple both graduated from Dimmitt High School, the groom in 1977 and the bride in 1979.  
 The groom is employed with Hyman Farm Service of Dimmitt, and the bride was formerly employed at the Taylor & Sons grocery store in Dimmitt.

**Adults, kids need calcium**

Grown-ups who think that milk is kid's stuff may be in for big trouble, says the Texas Medical Association (TMA). People of all ages need calcium in their daily diets, either in the form of milk or in other sources of the mineral.  
 Most of the body's calcium is stored in the teeth and bones, where it combines with phosphorus to form crystals which give strength and hardness. But calcium isn't just the stuff of strong bones. It also plays a role in the clotting of blood, and it's important in the contraction and relaxation of the heart. Calcium is also a vital link in nerve transmission, and an essential element in enzyme regulation.

Vanesa Holland and Max Thompson

**Dec. 18 vows planned**

Mr. and Mrs. Garnett Holland of Dimmitt announce the engagement and approaching marriage of their daughter, Vanesa, to Max Thompson of Lubbock.  
 A Dec. 18 wedding is planned in the Lee Street Baptist Church of Dimmitt.  
 Miss Holland, a 1981 graduate of Dimmitt High School, is a freshman business management major at South Plains College in Levelland.  
 Thompson is a licensed funeral director and was formerly associated with Dennis Funeral Home in Dimmitt. A graduate of Plainview High School, he attended the University of Texas in Austin and mortuary school in Dallas. He is the son of Mr. and Mrs. Billy Thompson of Plainview and James McClure of Nashville, Tenn. He is now associated with Bartley-Franklin Funeral Home of Lubbock.

Mary Flynt went to Dallas last Sunday and met husband Jack Flynt, National American Legion Commander, who was in Dallas for a Veterans Affairs Commission Meeting. He is a member of the Veterans Affairs Commission. On Monday night they went to Plano and visited Mary's brother and sister-in-law, Mr. and Mrs. Calvin Finley and then went to the Plano Legion Post for an impromptu visit. They returned to Dimmitt Tuesday and Jack left Friday morning for Washington, D.C. Friday night daughter Karron and Steve Smith and Taran came for a weekend visit with Mary and Steve's parents Ralph and Avis Smith.

INDIA INK is not from India and never was. It's from China, and really ought to be called China ink.

**Social Security in Castro County**  
 By JANICE ULMER

This week we are concluding our series of articles on the 1981 amendments to the Social Security Act. Our discussion concerns the major changes in the disability program and Medicare.  
 Prior to these amendments, disabled workers could not receive a combination of social security and workmen's compensation payments totaling more than 80% of their average wages before they became disabled. For example, James Smith was hurt on the job and received both workmen's compensation and social security. The total benefits from both programs to James and his family amount to one and a half times his average earnings while he was able to work. In this case social security benefits to James and his family were reduced until the total benefits were only 80% of his pre-disability earnings.  
 This offset-type reduction ended when James turned 62 regardless of the fact he may have still been receiving workmen's compensation.  
 Under the new law the age at which the offset no longer applies is 65 instead of 62. And in addition to workmen's compensation, the 80% total benefit limit will apply to certain public disability benefits provided by Federal, State and local programs.  
 This is effective for people who become entitled to a disability benefit any time after August, 1981. There are several types of public disability payments that this provision will not affect. And of course, private disability payments will not be considered.  
 And finally, there have been several changes in the Medicare program. Starting next year, the deductible for part B (the medical portion) will be increased from \$60 to \$75 per year. This means you will be responsible for paying the first \$75 each year before Medicare will begin paying 80% of the approved charges.  
 In addition, under the old law if you did not meet the deductible in a year, charges from October through December could be counted towards the next year's deductible. This is no longer true. If you don't meet the \$60 deductible this year, we cannot count any bills from now through the end of the year against your \$75 deductible in 1982.  
 In 1980 Congress enacted

legislation permitting people over 65 to enroll in Medicare any time during the year. They have now repealed this and returned to the former rules. That is, if you do not apply for Medicare during your initial enrollment period (three months before you turn 65 through the third month after your 65th birthday) you must wait until the first three months of the year to enroll. January through March of each year are known as the general enrollment period.  
 If you are over 65 and have not applied for Medicare, you may do so under the 1980 rules until October 31, 1981. After November 1, 1981, you will have to wait for January, 1982 to apply.  
 This concludes our discussion of the recent changes in the law. If you find that any of these will affect you or you have any questions, please feel free to contact us and we will gladly explain them in more detail. Our toll-free number is 1-800-392-1603 and our local office is located at 1401-B West 5th in Plainview. One final note: we have received a limited supply of pamphlets called "How Recent Changes in Social Security May Affect You." Call or stop by and we will give you one as long as they last.

Just how much calcium does a person normally need to take? The recommended daily allowances set by the FDA call for 1000 mg for adults and children over four (the equivalent of four cups of milk). Pregnant and lactating women need more calcium — 1,300 mg (about five cups of milk).

Milk and milk products such as cheese, yogurt and ice cream are excellent sources of calcium. If you are allergic to milk, you can substitute calcium tablets for part of your requirement. Other non-milk sources of calcium are canned fish and edible bones, such as sardines and salmon. Green leafy vegetables (except spinach, beet greens and chard) are also good sources.  
 You may have to make a special effort to get enough calcium as an adult. Remember to include dairy products or other sources of calcium in your daily diet.

**DHS annuals to go on sale**

Orders for the 1981-82 Dimmitt High School Bobcat yearbook will be taken Monday and Tuesday by the annual staff.  
 The price is \$15, and for an additional \$2 the student's name will be printed on the cover.  
 Students are encouraged to order yearbooks now, because the price will increase after delivery in the summer.

# Here are 'pros, cons' of proposed amendments

Speaker of the House Bill Clayton has provided descriptions of the seven proposed amendments to the Texas Constitution that will be voted on Tuesday, with the basic arguments for and against each.

Clayton has personally endorsed Proposition 4, which he authored [creating a state water development trust fund], and Proposition 5 [exempting livestock and poultry from taxation].

Here are the proposed amendments, with the basic "pros and cons," for you to study before you vote Tuesday:

## Amendment #1 Reinvestment Zones

★ ★ Authorizes the legislature to allow cities, towns, and other taxing units to encourage the improvement, development or redevelopment of certain areas through property tax relief and through the issuance of bonds and notes.

**FOR:** Property tax exemptions and tax increment financing provide incentives for private interests to redevelop distressed areas.

Redevelopment of business and industrial areas would lead to increased employment.

**AGAINST:** Taxes in a reinvestment zone are frozen for many years, while other taxpayers must pay a larger share to keep up with inflation.

Is not limited to property tax exemption for small areas of redevelopment. A few property owners might be left to pay all the taxes for the redevelopment.

## Amendment #2 Clear Titles for Certain Free School Fund Lands

★ ★ Authorizes the General Land Office to issue a patent for public free school land to a person who can prove he acquired the land without knowledge of a defective title or that his predecessors have held a recorded deed to the land and paid all taxes for 50 years before November 15, 1981.

**FOR:** Allows persons to get a clear title to land where land was purchased in good faith and property taxes have been paid for many years.

**AGAINST:** (No real opposition voiced.)

## Amendment #3 State Financing Management Committee

★ ★ Allows the Legislature to create a state financing management committee to manage the expenditures of appropriated funds that are not dedicated.

**FOR:** The state would have the flexibility to adjust to federal budgetary changes and unanticipated expenses of state agencies.

This authority would help control costs of state government and make spending more accountable.

**AGAINST:** A financing management committee could become a political tool to harass agencies.

Budget management should be solely an administrative function given to agencies.

## Amendment #4 Water Trust Fund

★ ★ Creates a water trust fund from one-half of the state's surplus revenues, increases to 12% the allowable interest rate payable on authorized but unissued state bonds; and extends \$500 million of state's credit to guarantee water bonds issued by qualified political subdivisions.

**FOR:** The loan guarantee program will allow local communities and water districts to back their bonds with the credit rating of the state. This means lower costs of bond funding and lower utility bills for the ratepayer.

Provides mechanism for funding research, water conservation, water quality and flood control projects in cooperation with local authorities who determine the need and scope of projects for local areas.

If we don't raise the ceiling on state bonds they will remain unmarketable.

Causes no new taxes.

We can no longer depend on federal funds to help finance water projects.

**AGAINST:** Texas should learn to live with its available water resources through conservation and efficient use.

## Amendment #5 Livestock & Poultry Tax Exemptions

★ ★ Will exempt livestock and poultry from taxation.

**FOR:** Livestock and poultry should be exempted to the ranchers like farmers' products are to the farmers.

It is difficult to tax livestock on the range and every animal has a different market value.

The state will not lose significant revenues because most taxing units do not tax livestock.

**AGAINST:** This one industry should not be singled out for tax relief.

## Amendment #6 Property Tax Relief for Homesteads

★ ★ Allows counties, cities, school districts or other political divisions to exempt a portion of the market value of a residence homestead from ad valorem taxation.

**FOR:** This amendment will ease the eventual shift to 100% appraisal values by giving a homeowner a percentage exemption from property taxes for the next few years.

This amendment, by giving property tax relief, helps many to buy and keep homes.

**AGAINST:** This gives the most tax relief to the most valuable homes and renters get no tax relief.

## Amendment #7 Veteran Land Bonds

★ ★ Authorizes the issuance of \$250 million in veterans land bonds and increases the interest on bonds to ten percent.

**FOR:** This program doesn't cost the taxpayers.

It has helped almost 73,000 Texans buy land but without this amendment the program will have to shut down before next year.

**AGAINST:** The veteran's land program is too large already.

The federal government has the responsibility to provide benefits to veterans.

## Bazaar is planned for MG Foundation

An Arts and Crafts Bazaar to benefit the Northwest Texas Chapter of the Myasthenia Gravis Foundation is

scheduled for next Wednesday from 10 a.m. to 5:30 p.m. in the Muleshoe State Bank community room.

Anyone wanting to donate items for the bazaar should call chapter member Bessie Elder of Dimmitt at 647-5350.

The money raised by this chapter project will be used for research, distribution of educational literature and information, and the annual MG patient free clinics.

Christmas items are in demand for the bazaar.

The 11th annual Melba Bandy Masters MG Free Clinic was held Oct. 2 and 3 in Hale Center, conducted by Dr. J. E. Tether of Indianapolis.

Myasthenia gravis is a neuromuscular disease characterized by spells of extreme, sometimes fatal, weakness. It is actually a failure of communication between healthy nerves and healthy muscles and is extremely difficult to diagnose.

## TOPS Club names winners

Ronda Pevehouse was named the Lady TOPS winner Monday night at the Texas TOPS 386 Club meeting at Rhoads Memorial Library.

KOPS of the Week was Emily Clingsmith. Male TOPS winner was Duward Davis.

There was a report on dieting tips, and 17 members weighed in.

At the Oct. 19 meeting, 13 members weighed in. KOPS winner was Faye Varner and Lady TOPS winner was Joyce Davis. There was no male TOPS winner.

Karen Moss is the new club leader and Bea Hawkins is co-leader.

DURING the business week of January 6-10, 1980 the New York Stock Exchange recorded its busiest trading week in history as a record 272 million shares changed hands. The previous record was 254 million shares traded during the week of October 8-12, 1979.

## GED tests to be given

General Educational Development (GED) tests will be given next Wednesday at 8:30 a.m. at the Dimmitt High School counselor's office.

Anyone interested should be there at 8:30.

Cost is \$10 for complete battery of tests.

## Fire calls

The Dimmitt Volunteer Fire Dept. was kept busy Sunday with two different fires.

Fifteen firemen reported to a hay fire in a pit at Bud Hill Feedlot and 14 firemen helped put out a fire at 411 SE Third in Dimmitt.

At last Thursday's practice, 19 members were present.

## Police calls

City police, sheriff's officers and state troopers arrested eight men this week.

Two were arrested on misdemeanor DWI charges. Both posted bond and their cases are pending.

Two men were arrested on public intoxication charges. One paid a \$75 fine, the other posted bond and his case is pending.

A 38-year-old Dimmitt man was arrested for driving while his license was suspended. He posted bond.

A 31-year-old Plainview man was arrested for speeding and having no driver's license. He paid a fine and was released.

One man was arrested for possession of marijuana (under two ounces). He paid a \$57.50 fine.

A Dimmitt man was arrested for violating the terms of his probation.

A burglary was reported Friday at the Agricultural Housing Project. According to city police, entry was gained through a window, and approximately \$650 worth of property was stolen. Police are investigating the incident.

A Raymondville man was issued a ticket for unsafe backing this week when he hit a 1978 Chevrolet Impala while backing out of a parking space at a department store. The driver of the Impala was still inside the store, officers said.

Nazareth

Diocese pays tribute to Mrs. Conrad, Mrs. Acker

By VIRGIE GERBER Two women from Holy Family Parish were honored at the DCCW meeting in Hereford Oct. 20. Mrs. Leonard Conrad and Mrs. Philip Acker were given special plaques in recognition for the work they have done in our parish for so many years. Elma Conrad has played the organ in church since 1948 and had served other parishes before that. Gertie Acker has been a right hand to many people at Nazareth with her kindness and helpful hands all through her life. She is now 92 years young and resides at South Hills Manor nursing home in Dimmitt. Angela Acker and Clara Kleman brought her to Hereford and Mitzie Brockman brought Elma Conrad. Others attending the meeting were Ethel Schmucker, Linda Ramaekers, Rita Book, Eileen Gerber and Catherine Huseman. Greg and Tinie Hoelting are spending a couple weeks in Colorado visiting their families, the Leroy Hoeltings in Colorado Springs, the Dennis and Marvin Hoelting families in Denver. Attending the wedding of Richard Braddock and Mary Beth Timmons, Sat. Oct. 17, at St. Michael's Church in McKenney, were Josephine and Fred Ball, Carl Dean and Mary Kleman, Doyle and Rosie Kleman, Harold Gerber, Jerry, Nellie, Kenneth, Wayne and Brent Wilhelm, John, Norma, Simona and DeZane Schacher, Jimmy and Jean Schulte, Louie Wethington, Susie Dobmeier, Evelyn and Cathy Rossi, Bruce and Cecil Braddock and Lester Backus. Meta Stork and Florene Leinen visited in Hereford Saturday with Mrs. Mabel Wagner and in Dimmitt with Mrs. Flora Backus at the South Hills Manor Rest Home. The Nazareth Bowling League enjoyed a salad supper Sunday evening at the Legion Hall. Plans were made for the new season starting Nov. 8th. Virgil and Vi Pohlmeier enjoyed Sunday dinner with Meta Stork and Florene Leinen. They spent the afternoon and went to the bowlers salad supper in the evening. Joe and Rose Rivera have opened the cafe along the highway, formerly Norma's Kitchen. They would appreciate you coming by to meet them and try their good food. Carol Drerup, Lucille Drerup, Imogene, Tammy and Traci Drerup, Ethel and Annette Schmucker and Rosemary Wilhelm attended a lingerie shower and brunch Saturday at the home of Alice Jones in Amarillo, honoring Carol Drerup, bride-elect of John Gary of Levelland. The shower was hosted by the women who had worked with Carol at Catholic Family Service in Amarillo. A bridal shower was also held Sunday afternoon for Carol Drerup at the home of Mrs. Leonard Wilhelm.

Lawmen to sponsor 'Music City Jubilee'

Sheriff Lonny Rhynes and the Castro County Sheriff's Dept.'s Benefit Show is scheduled for 7 p.m. Nov. 7 at the Dimmitt High School auditorium. Proceeds from the sale of admission tickets will go for the Rhoads Memorial Library and the Castro County Museum. The three-hour production, which is called "Music City Jubilee," will feature country, gospel, bluegrass and western music. The show is headlined by "Mr. Gospel Music," Wally Fowler, who will be remembered from the Grand Ole Opry with his Oak Ridge Quartet Boys, his sounds of Nashville Band and Quartet and the Tennessee Valley Boys. A host of performers from radio, television, records and stage, including Jeanette Lunsford, "Queen of Gospel Music," will be on hand. Lunsford is expected to sing her original recording of "One Day at a Time." Other performers will include Marsha Morgan, who is auditioning for the lead role in the Patsy Cline Story, and

Man sentenced to state pen

Judge Marvin Marshall of 242nd District Court revoked the probation of Jose Antonio Garza Monday and ordered him to serve three years in the state prison at Huntsville. Garza, 23, had been on probation since Sept. 25, 1980, for a felony DWI offense, and he was accused of a new case of DWI in May of this year in Hereford.

More about Farmers ...

[Continued from Page 1] Union for consideration at the state convention. Members also elected Brock Merritt and Dennis Huseman to new terms on the 16-member board of directors, and re-elected Larry Lee, Ed Ramaekers and Vic Nelson to the board. Main speaker was Jim Hightower of Austin, former editor of the Texas Observer, who is a candidate for Commissioner of Agriculture. Speaking on "Politics, Power and Public Policy," Hightower urged that farmers fight back at special interest groups which he said control interest rates, utility rates, energy costs, food costs and other aspects of American life. Hightower described the Farmers Union as "one of the few fundamentalist groups left that support the family farm and the small businessman," and said the family farm is "the salvation of the consumer."

Duck and goose seasons underway

Open season on ducks, geese and coots in Castro County opened Tuesday and will continue through Jan. 17. Although hunting licenses are not needed if a hunter remains in his own county, hunters are reminded that waterfowl stamps must be bought on both the state and federal levels. The state's \$5 waterfowl stamp is available from hunting license outlets. The federal \$7.50 stamps are available at most post offices. Duck bag limits are based on a 100-point system, with values assigned by species and sex of the ducks. All point values for the 1981-82 season will be the same as in 1980-81, with the exception of placing black ducks on the 70-point list. Duck point values are: Canvasbacks, 100; hen mallards, Mexican-like ducks, black ducks, mottled ducks,

wood ducks, hooded mergansers and redheads, 70; all teal species, pintails, gadwalls, scaups, shovelers, widgeon (baldpate) and mergansers (except hooded), 10 points. All other species and sexes are 20 points statewide. The daily bag limit is reached when the point value of any birds taken reaches or exceeds 100 points. The season is closed on masked ducks, black-bellied and fulvous (whistling) tree ducks. Daily bag limit on geese is five, and 10 is the possession limit. The daily bag limit may not include more than two dark (Canada and white-fronted) geese, and the possession limit may not include more than four of these geese. Shooting hours for ducks and geese statewide are 30 minutes before sunrise to sunset. Saturday will be opening day for the sandhill crane season in Zone A, which includes roughly the Trans-Pecos, Permian Basin and Western Panhandle-South Plains. Daily bag limit is three cranes, and possession limit is six. The crane season will continue through Jan. 31. A special permit, issued free upon written request to the Texas Parks & Wildlife Dept., is required of all sandhill crane hunters.

More about

County board protests ...

[Continued from Page 1] proposal because of the larger portion of road maintenance that would have to be overseen by him. Commissioners stated several times that they felt Kaufman was totally disregarding the financial and governing aspects of the proposed changes. "You don't have any interest in how this will affect our entire county," one commissioner told him. Kaufman replied, "I don't live in this county, but I represent a group who does have a very great interest in the county, and who want to see things administered in a fairer manner." Bennett retorted that the commission also represents the same people as their elected representatives. "Then we should have a common interest in straightening this matter out in a manner beneficial to all," Kaufman said. Kaufman said his proposal would result in Pct. 1 showing 60 to 65% of its population as Mexican-Americans, with the ratio in Pct. 4 being around 50%, and from 25 to 30% in 2 and 3. Much disagreement centered on the interpretation and breakdown of census figures. Kaufman maintained that the boundary lines drawn last year could not be used again because of what he perceived as shifts in the location of the different segments of the population, but agreed that the changing of enumeration districts from the 1970 to the 1980 census did not help in trying to make comparisons. The commissioners told Kaufman they would prefer to make more changes in the lines in the City of Dimmitt rather than to make such drastic changes out in the country, to which Kaufman replied, "That's fine with me, if you can do it in a way that will satisfy all the stipulations set forth in the court order."

In other business, the commission agreed to pay the \$15-per-month difference in the cost of insurance for county employees whose families are covered. Commissioner Bennett moved that the county pay the difference for one year and then change insurance companies. Doug Williams of Amarillo, agent for Businessmen's Assurance of Kansas City, told the court that his original lower price on the insurance was based on a 50% enrollment rate among the 38 employees with dependents, but that only 15 families signed up for the coverage. County Treasurer Oleta Raper said that many of the families had coverage under the spouse's insurance, and so did not need multiple coverage. The county pays the coverage for employees alone, but family coverage is paid by the employee, at the original rate of \$64.43 per month, on top of the \$46.07 paid by the county. Williams said the low family enrollment necessitated the \$15 per-month per-family raise in the rate. New county DPS Trooper John Moore was introduced to the commissioners by Trooper Ron Morgan. County Judge M. L. Simpson showed a letter he had received from the White House Correspondent acknowledging receipt of the resolution passed by the commission condemning the use of public funds by the TRLA.

SWAIN BURKETT was given a surprise reception by his fellow lawyers last Wednesday in honor of his 50th anniversary as an attorney. Gathering in the offices of Burkett & Ross were District Judge Jack Miller, County-District Attorney Jimmy Davis, Jack Edwards, Russel Moran, James Horton and Burkett's partner, Jimmy Ross, along with Mrs. Burkett and legal secretaries Valeria Davis and Bettye Huckabay. Burkett was presented with this frame for the 50-year certificate which he received this year from the State Bar of Texas. After starting his law practice in 1931 in Henrieta, Burkett opened his first office in Dimmitt Jan. 10, 1935, "in the back end of the bank, with one statute book and a farm book." In recalling highlights of his half-century legal career, he remarked, "Dimmitt has been good to me."

DPS urges caution on Halloween

On Saturday "miniature monsters" will invade the neighborhoods and the cry, "trick or treat," can be heard throughout the land. Major Bell stated, "If parents and motorists join together and think of children's safety, Halloween can be a safe and enjoyable evening for everyone."

Major C. W. Bell, Region 5 commander for the Texas Dept. of Public Safety, said "Motorists and parents need to take precautions to protect children and prevent disasters this Halloween." He suggests that small children be accompanied by older children or adults and trick or treating be confined to their own neighborhoods. Major Bell also stated, "Costumes should be light in color, short enough to prevent tripping and non-inflammable. Facial makeup should be used instead of masks or hoods that restrict vision." Children should be told to look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists, and children should be instructed to use sidewalks when possible. Motorists should use extra caution in residential areas and look for children crossing streets in a haphazard manner.

Obituaries

Roy Lilley

Roy Lilley, well-known Sunnyside farmer and Dimmitt Alderman, died Monday at Methodist Hospital in Lubbock. He was 57. Mr. Lilley was in the hospital since Oct. 13 for hip-replacement surgery, necessitated by arthritis. Services were held at 2:30 p.m. Wednesday at the First Baptist Church of Dimmitt, with Rev. Murle Rogers, pastor of the Calvary Baptist Church of Friona, officiating. Burial was at Castro Memorial Gardens under the direction of Parsons Funeral Home. Mr. Lilley was born in Sunnyside Sept. 9, 1924, and finished school at Dimmitt High School in 1942. He married Mozelle Armstrong on Sept. 24, 1942 at Portales, N.M. He served in the armed forces, spending almost a year in Korea. A farmer and a Baptist, he was also a 32nd Degree Mason, an ASCS committee member for 17 years, a city alderman since his election in November of 1979, and a member of the Sunnyside Lions' Club. He is survived by his wife; one daughter, Sharon Wilke of Lubbock; his mother, Dora Lilley of Dimmitt; a twin brother, Ray Lilley of Crane; and one grandson, Jason Wilke of Lubbock. He was preceded in death by one son, Dean Lilley, in 1964. Pallbearers were: David Hays, Jimmy Waggoner, Ben Montiel, Jay Paul Waggoner, Tex Conard, John Gilbreath, Carl Bradley, and E. M. Jones. Honorary Pallbearers were: Melvin Barton, Charlie Hill, Truman Touchstone, Weldon Bradley, Boyce Carter, Tub Ramsey, Jackie Clark, Ed McLeroy, James Horton, and John Bridges. The family requests memorial gifts to the Arthritis Foundation at First State Bank in lieu of flowers.

CWB to pick Xmas project

The Castro County Child Welfare Board will meet next Thursday at 10:30 a.m. in the Dept. of Human Resources building behind the city hall in Dimmitt.

An evaluation of the recent townhall meeting sponsored by the board will be discussed, and follow-up assignments will be given.

The group will also discuss a project for providing Christmas gifts for the foster children in care in the county.

All members of the board are urged to attend.

ON January 1, 1821 an annual 'bachelor tax' of one dollar was levied 'on every unmarried free white male, above the age of 21 years and under 50 years' living in the Missouri Territory.

RIBBON-CUTTING CEREMONIES for the new Dimmitt office of the Hereford Texas Federal Credit Union, 212 W. Bedford St., were held this week. Here, Dimmitt Chamber of Commerce President Joe Josselet [left] and CofC Director Jim Killingsworth [right] hold the symbolic ribbon while Cashier Lanell Hanson and Loan Officer Ann Cox wield the scissors.

profit" from the chamber], President Robert Cox [holding the firm's Chamber of Commerce membership plaque], and J. O. Robinson. In background, from left, are Dimmitt CofC Manager Delores Heller, Mayor R. L. Fleming and CofC Directors Clara Patton and George Sides. Also on hand for the ribbon-cutting were Credit Union Treasurer Ed Coplen, Director Milton Adams, and Barbara Kerr, all of Hereford.

VETERAN'S SERVICES Kiwanians aid many

By BEDFORD W. SMITH
I have returned from the 34th Annual Veteran Services Conference and School conducted October 19-22 at the Executive Inn in Dallas.

open again the second week in November. Pensioners will be receiving the (AIQ) Annual Income Questionnaire Cards with their November 1 checks for October.

For their October '80 to September '81 fiscal year, the Dimmitt Kiwanis Club contributed \$12,284.03 to various charitable projects in Dimmitt and Castro County with the help of \$17,133.32 brought in by the club's two major fund raising projects, reported the club's outgoing treasurer, Richard Stahl, in his final report of the year at Monday's meeting.

jects for the club are fireworks sales and the annual pheasant hunt, which had expenses of \$4,909.66 and \$1,273.41, respectively. Major expenditures were \$4,764.17 to the Dimmitt FFA, \$1,988.66 for purchases at the Junior Fat Stock Show, and \$1,500 each for the Dimmitt Volunteer Fire Dept.'s purchase of a "Jaws of Life" and for the purchase of hearing aids for Jack Gfeller.

permits and publicity posters from member Leroy Maxwell. Davis said he will give an award to the first member to sponsor a new member in November, and reminded the club that the Kiwanis organization will award a gold "K" pin inset with a ruby to anyone sponsoring five new members in an administrative year.
