

MRS. NORMA CONARD WITH DIMMITT DAY CARE CENTER STUDENTS
... Pioneer project opens up a new world for them

Clubs open pocketbooks for retarded students

The Dimmitt Day Care Center for Mentally Retarded Children is operating with new vigor now, without nagging money worries — thanks to Dimmitt's civic and service clubs.

MRS. NORMA CONARD, the center's teacher, and her students have completed a two-week whirl of luncheon meetings, showing every service club what the youngsters are learning and accomplishing, and how they are being taught to "come out of their shells" and take their place in the world.

At the same time, members of the center's advisory board appealed directly to the service clubs for monthly pledges to help the community meet its share of the school's cost. Financial support in the past has been on a sporadic basis.

Those who work with the center hoped for pledges totaling at least \$67 a month, a minimum local budget. To attain the goal, they were hoping for commitments of \$10 per month from each club.

BUT THE service clubs responded much more generously after seeing what Mrs. Conard is accomplishing with the children. They have made pledges totaling \$80 a month. And for the first time since it started two years ago, the center seems to be free of financial worries.

The Dimmitt Lions Club and Kiwanis Club have each pledged \$20 per month. From the Rotary Club and the Jaycees came pledges of \$15 per month. The United Lions Club — the first to commit itself — pledged \$10 per month.

In addition to these new pledges, the center receives \$5 per month from the Asbury Class of the First United Methodist Church, \$10 per month from the Methodist Women's Society of Christian Service, and \$10 to \$20 each month in individual contributions.

Christmas mail deadlines listed

"Be sure to send your gift parcels and Christmas cards early enough to insure their delivery before Christmas, not after," Postmaster John Wood advised this week.

"ON THE day after Christmas a post office building can be the most depressing place in the world if it still contains a mountain of cards and packages that didn't make it because they were mailed too late," he added.

Such disappointments can be avoided if Christmas mailers will observe the following mailing deadlines:

Gift parcels going to distant states should be mailed by Dec. 1. Parcels going to local and nearby areas should be mailed not later than Dec. 13.

GREETING cards going to distant states should be mailed not later than Dec. 10. Cards going to local and nearby areas should be in the mail by Dec. 15.

When you mail parcels, you should include the name and address of both the sender and addressee to permit identity in case of damage or loss of the outside address label. The outside label should be placed on only one side of each parcel.

Wood also emphasized the importance of using ZIP Codes and adding a return address to all Christmas mail. ZIP Codes enable postal employees to sort and handle the mail faster, and a return address assures that mail with an illegible or incomplete mailing address will be returned to the sender.

LAST YEAR more than 32 billion pieces of mail went to postal dead letter branches because the mailing address couldn't be read and there was no return address on the envelope," Wood said.

THIS MONEY goes to pay for extra teaching supplies, materials for the children to use in creative handcraft, refreshments, telephone bill, and Mrs. Conard's gas to transport the children to and from school.

Mrs. Conard explained to the service clubs that her salary and basic teaching materials are paid by federal-state funds administered by the Amarillo State Center for Human Development. The Dimmitt Day Care Center, which was one of the state's pilot projects in this field, is operated as a "satellite" of the Amarillo State Center, along with similar schools in six other Panhandle cities.

Classes are conducted five days a week, year-round, in a double apartment in the Castro County Agricultural Housing Project. The county takes care of the rent, another local obligation.

THE COMMUNITY also is responsible for providing volunteer teacher aides — one or two every day — to help Mrs. Conard with her work. As a result, many housewives and high school girls throughout the county have become well acquainted with the center and involved in its program.

Board to interview applicants for top hospital post tonight

The Plains Memorial Hospital board will meet tonight (Thursday) to interview three applicants for the hospital administrator's post.

JERRY COCKREHAM, hospital administrator for the past two years, has resigned effective Dec. 1.

Tonight's board meeting will begin at 7:30 at Sally's Steak House.

James Horton, president of the board, said all three applicants to be interviewed tonight are local men. The salary for the hospital executive's post, he added, "will have to be negotiated."

AFTER completion in early 1970 of a 16-bed wing and remodeling project, the new administrator will be called upon to manage a 46-bed hospital offering many specialized services.

After his resignation, Cockreham said, "I've enjoyed my stay, and my resignation was certainly not because of any conflict or bitterness. I just felt that the time had come for me to make a change personally."

He added, "I think the hospital is sound and healthy and it will continue to be that way. I have confidence in the board's ability to pick an administrator who can handle the job."

HORTON praised Cockreham's performance as administrator. "He has really done a good job for the hospital, and we regret losing him," Horton said.

Members of the five-man governing board that will choose Cockreham's successor are Horton, president; Ed Bennett of Hart, vice-president; Donald Wright, secretary; and Dale Max-

DJHS will host parents Tuesday

Dimmitt Junior High School will hold its annual open house for parents Tuesday night.

IT WILL be "back to school" night for parents, who will follow their children's class schedules, meet the teachers, learn what type subject matter is taught, and get an insight into the teachers' grading systems.

The 1½-hour open house will begin at 7:30 p.m. when parents convene in the school auditorium. Parents' "class periods" will be 10 minutes each, and during the lunch period on their schedules they will be served refreshments.

"Ladies in the area have been very good as volunteers, and many other ladies are becoming interested," Mrs. Conard said.

She explained to the service clubs that she experienced the usual feelings of fear and doubt when she first started working with the retarded youngsters. But she said she overcame these feelings when she learned that retarded children are "just like all other children in most ways," with the ability to laugh and cry, work and play together, learn and accomplish.

SHE SAID that having the center here means that Dimmitt has a place for any child who is trainable or teachable. Youngsters who can't qualify for the public schools' special education classes are accepted by the center.

One of her seven present students, she explained, was in the public school program "until the teachers learned that she wasn't capable of learning at that level. We were so glad to tell her parents, 'Yes, we have a place for you in Dimmitt.'"

She said she will recommend that another of the girls in her class be admitted to the special (See CLUBS OPEN, Page 11)

well and James Welch, members. Horton said the board will not necessarily name an administrator tonight. Board members will interview the three local applicants, then will decide whether or not to hire one of them or call for more applications, he said.

Wreck kills three calves

A West Texas State University student's car slammed into a herd of stray calves on Farm Road 1055 Saturday night, demolishing the car and killing three animals.

THE ACCIDENT occurred six miles west and 1.2 miles north of Dimmitt at 7:20 p.m. Saturday.

Ronald Ashford, 22, of Muleshoe, driver of the 1964 Plymouth, was not injured in the wreck, according to Highway Patrolman Billy Scott.

Ashford told the patrolman he was driving 60 to 65 mph along the paved farm road when he came upon 10 or 12 stray calves on the road. He said he veered to the left in an attempt to miss them but bit four of them, killing three and breaking the leg of a fourth.

THE HIGHWAY Patrol is now trying to establish the ownership of the cattle through their brands. They apparently had strayed from a nearby wheat pasture, Scott said.

"With all the cattle on pasture now," Scott added, "I bet that more than half our accidents between now and the first of the year will be car-cow accidents."

Truck rolls, grain spills

A load of milo was spilled over Farm Road 168 north of Hart Saturday afternoon when a 1966 Chevrolet bobtail truck overturned.

DRIVER of the truck was Augustin Ruiz, 53, of Olton. He was not injured.

The accident occurred at 5 p.m. Saturday, 1.3 miles north of Hart.

Highway Patrolman Billy Scott said the truck received an estimated \$250 damage. The truck's owner, Jack Gallett of Olton, was able to recover most of the grain.

"I think we're going to have enough candy, and we've got plenty of money for mailing."

THAT WAS the good word Wednesday from Mrs. Reta Welch of Bethel, chairman of the 1969 "Christmas Candy for GIs" project, after candy makers from 8 to 80 had helped assure that all the county's servicemen will have plenty of sweet treats for Christmas.

Members of the Bethel, Flagg and Mulkey home demonstration clubs, plus several individual volunteers, started wrapping 450 pounds of homemade candy and canned peanuts into 90 five-pound packages to be mailed to 66 Castro County servicemen throughout the world.

Since this is 10 fewer servicemen than last year, Mrs. Welch said, less candy and mailing money were needed for this year's project.

OF THE 66 servicemen on the mailing list, more than half are stationed overseas, Mrs. Welch reported. Twenty-eight of the men

have San Francisco APO addresses, meaning they are stationed either in Vietnam or elsewhere in the Pacific or Orient.

The servicemen with San Francisco APO addresses will receive a double helping of Christmas candy — two five-pound boxes apiece to eat and share with their buddies.

The candy will be mailed Friday and will reach the servicemen at their far-flung posts well before Christmas. Each package will include four one-pound coffee cans of homemade candy and a pound of canned peanuts.

TO PAY the postage, Castro Counties have contributed \$112 to the candy project fund at the First State Bank, "and several others have told me since then that they were going to donate money," Mrs. Welch said.

"The VEFV told us that what we needed in money, they'd make up," she added.

Candy makers ranged from 8-year-old Blue Birds to one great grandmother. The largest group contributions of candy were 40 pounds by the Dimmitt High School homemaking girls and 32 pounds by the girls in Dimmitt Junior High School's Coordinated program.

SEVERAL housewives are "standing by" with their candy ingredients ready, in case more candy is needed, Mrs. Welch said.

"Every year we begin to wonder if we're going to get enough candy," she said, "and the candy makers always manage to come through. It's looking real good."

The unique candy project was started here three years ago by the Bethel HD Club and has been successful each year, gaining world-wide attention and appreciation by the county's men in service.

FHA office to open here

Castro County will have a full-time Farmers Home Administration office of its own by Dec. 1.

CONGRESSMAN Bob Price told the News Friday that Lynn Futch, state FHA director, had notified him "that our request for an opening for a full-time office for that agency in Dimmitt has been granted."

Dale R. Burris, who is presently stationed in Anson, will be the county supervisor assigned to the local office.

The new office here is expected to relieve the work load of Donald Jennings, long-time FHA supervisor for Castro, Hale and Swisher counties. Jennings has operated the office here on Tuesdays and Thursdays.

"The opening of the Dimmitt office will result in more convenient service to the citizens of Castro County and will improve the efficiency of administering the FHA program in Texas," Congressman Price said.

HE ADDED, "State Director Futch and National Administrator James V. Smith are to be commended for their foresight in approving this new office."

The Farmers Home Administration is the rural credit agency of the US Department of Agriculture and provides loans for land purchases and operating expenses for family-size farms. The agency also makes home loans to farmers and residents of towns of less than 5,000 population.

The FHA has been a big partner of Castro County's residents, helping finance such projects as the historic Castro County Agricultural Housing Project in East Dimmitt, the Castro County Country Club, and many private homes in the area, in addition to making farm improvement and operating loans.

Salvation Army slates kickoff

The Colonial Inn Restaurant will be the location of a kick-off breakfast Friday at 6:30 a.m. for the 1969 Salvation Army fund drive.

RALPH GLOVER, manager of Southwestern Public Service Co., will be the Dimmitt chairman, Jack Flynt of the Castro County Farm Bureau Agency, will have charge of the drive in the communities of Easter, Bethel, Flagg, Jumbo, Sunnyside, Arney, Nazareth and Hart. Mrs. Helen Richardson and Weldon Skinner will take care of the Dimmitt school system personnel and students.

The present committee consists of Judge Raymond Wilson, chairman; Bob McLean, secretary; treasurer; Earl Brock, Sheriff Jack Cartwright, Weldon Skinner, Mrs. Helen Richardson, Rev. Jim Pickens and Joe Warren of Nazareth.

Names and team captains and workers will be carried in the Castro County News next week.

PART of the funds collected will remain in the county to take care of transient and local needs. The only concern in working with the recipient is the actual need at that time.

The Salvation Army administration costs amount to seven percent, while many organizations of this type spend up to 25 percent and 30 percent of their funds for administrative purposes, Judge Brocker said.

The Castro County committee has not set a goal for this fund drive, except for the hope that everyone in Castro County will be given a chance to "care and share."

GROUP CANDY — The girls in Mrs. Jackie McLeroy's Coordinated Vocational Academic Education program at Dimmitt Junior High proudly show the 32 pounds of candy they made for the "Christmas Candy for GIs" project. Working in the school's homemaking department, the girls produced fudge, peanut brittle, Martha Washington candy and chocolate-covered cherries for the county's servicemen.

In left row, from front, are Lidia Gonzales, Teresa Mendez, Gloria Olivarez, Lupe Garcia, Elma Ochoa, Corina Saldivar, Hortensia Rueda and Mrs. Reta Welch, project chairman. In right row, from front, are Beatrice Sanchez, Linda Vasquez, Rachel Rios, Betty Gonzales, Amelia Campos, Agnes Garcia, Vicenta Campos, Ophelia Quinonez and Mrs. McLeroy.

Demos launch voter drive

The Castro County Democratic Executive Committee has joined a statewide voter registration campaign called "Operation: Everybody!" in hopes of getting 4,318 county residents registered before the Jan. 31 deadline.

THE TEXAS Democratic Party set the county's quota. "That figure represents 65 percent of our estimated voting population," County Democratic Chairman Carl King said. "The state goal is to have 4,250,000 Texans registered between now and the end of the registration period on Jan. 31."

If the county's Democrats are to meet their quota, they'll have to sign up 1,362 more voters than have ever been registered in the county before.

Tax Assessor Kent Birdwell, whose office compiles the voter registration list, said last year's total of 2,956 is the county record.

ONLY 1,000 county residents are registered now, Birdwell reported.

"Voter registration is free, but everyone must register in order to vote in the 1970 elections," King said. Application forms are at the county tax assessor's office in the courthouse.

"Our county will be competing with other counties of similar size for statewide recognition in doing a good job," King said.

"Operation: Everybody!" is a project of the State Democratic Executive Committee. The special drive is headed by Mrs. James A. McMullen III of Fort Worth. Mrs. Carol Vance of Houston is vice-chairman.

Under the state's free voter registration law, which has been in effect three years, every voter must register every year. Exemptions for elderly voters no longer apply.

TO BE a qualified voter, you must be a citizen of the US, over 21 years old on the day of the election, and a resident of the state for at least one year and of the county at least six months immediately preceding election day. Persons who have been convicted of a felony who have not had their right of suffrage restored, and persons who are under an adjudgment of mental incompetency, cannot vote.

October wrecks highest of year

More accidents occurred on the county's highways in October than any month so far this year.

THE TEXAS Highway Patrol investigated 17 accidents during the month on rural highways in Castro County, according to Sgt. Vernon Cawthon, Highway Patrol supervisor for the area.

One person was killed, eight were injured and property damage was estimated at \$17,031 as a result of these wrecks, Sgt. Cawthon reported.

The October figures hiked the County's 1969 totals for rural highways to 95 accidents, two persons killed, 45 persons injured and an estimated property damage of \$69,755.

And the most dangerous traffic months are still ahead, Sgt. Cawthon said. November and December are especially dangerous for pedestrians, he explained, because of earlier darkness, bad weather and holiday traffic. During the last two months of 1968 there were 86 pedestrians killed and 813 injured in Texas.

Message in 'Glass Menagerie' to be retold by DHS students

By ROBERT FARRER
DHS Drama Instructor

The drama department of D.H.S. is proud to announce the presentation of "The Glass Menagerie" by Tennessee Williams, Saturday at 8 p.m. and Sunday at 2 p.m.

"THE GLASS Menagerie," a drama in two acts, according to most critics, is the most beautiful play Tennessee Williams has ever written. Williams wrote this play, it is reported, to meet requirements for a master's degree at the University of Iowa. It is also reported that he received a grade of "D."

Since then, Williams' play has received praise of the highest degree from audiences and critics over the world. Needless to say, Iowa University has had a bit of trouble living down its evaluation of his work.

The main reason we chose to do "Menagerie" this year is that we are personally of the opinion that it has a very timely message that should be heard by everyone who is trying to raise children today.

THE PLAY deals mainly with the conflicts which arise within people who are oppressed by their

environment. To explain that further, Williams deals with people who, like our young people today, are searching for a world that they believe to be better than the one we are now living in.

Tom Wingfield wants adventure; he feels trapped, just as do many young people today.

Laura, his sister, caught up in the grip of a terrible feeling of insecurity, escapes into a world of make-believe and fantasy.

THEIR mother, Amanda Wingfield like most parents today, has one thing on her mind — security for her children. Her husband has left her to raise them alone, and she is "double afraid" of failing to fulfill her duties as a parent. As a result, like many of us, she tends to over-react to the situation and becomes overbearing and over-demanding of her children. She is obsessed with the idea of getting a gentleman caller for her daughter; she believes that will make everything fine.

As brought out in the lines of the play, "It is memory, it is sentimental, it is not realistic." It is a play that young people and parents need to see. It is funny, tragic, and sad.

All in all, it will provide an evening of entertainment and enlightenment for anyone who attends.

Those who attend the play Saturday night or Sunday afternoon will see some of the finest acting performances ever staged by high school students in Dimmitt.

Tickets will be on sale at the door. The price is \$1.25 for adults and 75 cents for students.

Band to march at WTSU game

The Dimmitt Bobcat Band and the Tulia Hornet Band will perform in Buffalo Bowl Saturday afternoon as West Texas State University holds "Dimmitt and Tulia Day."

THE TWO high school bands will be the feature halftime attractions during the football game between West Texas State and Bowling Green University.

Director Ralph Smith's 88-student marching band will perform the same march numbers that local fans saw at halftime in Bobcat Stadium Friday night. These numbers will also be the band's entries in the forthcoming Interscholastic League marching contest.

Tickets to the WTSU-Bowling Green game are on sale at the Higginbotham - Bartlett Co. in Dimmitt.

TIME GONE, HOPE GONE — Stunned silence pervaded Dimmitt's stands Friday night as the crucial Dimmitt-Lockney football game came to an agonizing end. Here, the face of cheerleader Vicki Vaughan reflects the feelings of Dimmitt's fans as head cheerleader Barbara Hansen watches the scoreboard clock tick off the final second. Lockney's Longhorns had the ball and a 22-21 lead, and were letting the clock run out. With the loss, Dimmitt's Bobcats — previously state-ranked — were knocked out of any chance for the District 3-AA championship. See story, Page 12.

There are three major influences that play upon the life of our children. They are the home, the church, and the big outer world. It is a part of the divine plan that during the plastic and formative years of life the child should be shut away from the evil influences of the outer world in the protective care of the home.

Bible Thoughts

THE FORMATIVE YEARS
By Ronnie Parker
There are three major influences that play upon the life of our children. They are the home, the church, and the big outer world. It is a part of the divine plan that during the plastic and formative years of life the child should be shut away from the evil influences of the outer world in the protective care of the home. Care, love, teaching and training are the responsibilities of parents. Paul's charge is this: "Bring them up with Christian teaching in Christian discipline" (Eph. 6:4).

Neither do small children have sufficient ability to make all the right moral choices. That's why teaching and training in Christian discipline is necessary. And, by the way, don't stop at telling your children to do right, show them how!

Make your life have the right...

Impact

on others

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

IT'S A RADISH, according to Ray Robertson, who plucked it on his farm recently and brought it to the News office. Sure enough, it smelled like a radish and tasted like a radish — although it's 20 times bigger than any radish you'll ever find on the market. The crown at top had pushed out of the ground, and what was left underground would do justice to a Texas turnip.

Nazareth news

Turkey dinner to be Nov. 23

By Mrs. Florance Albracht
Everyone in the county is welcome to come and enjoy our annual Turkey Dinner, which will be held Sunday, Nov. 23 in the Nazareth Community Hall.

Serving time will be from 11:30 a.m. to 2 p.m., and admission will be \$1.50 for adults, \$1 for grade school children and 25 cents for pre-schoolers.

The dinner menu will be turkey and dressing, two vegetables, salad, homemade bread and homemade pies. Take-out boxes will be available.

A VERY large crowd of relatives and friends gathered in Holy Family Church last Thursday morning for the requiem for Phillip Acker, and burial in Holy Family Cemetery. He was one of the old timers of the community, moving here in 1907.

People came from nearly every town within a radius of 70 miles. Those attending from out of state were Mrs. Mary Behrens, Mr. and Mrs. Pfeifer of Lindsay, Neb., Mrs. Leo Pitzl of Omaha, Mr. and Mrs. Richard Behrens of Rock Island, Ill., Mr. and Mrs. Harvey Payne of Idaho Falls, Idaho, Mrs. Lottie Wethington and Mrs. Mary Helen Taylor of Farmington, N.M., Mr. and Mrs. John Hoelner and Pat Williams of Okarche, Okla., and Mr. and Mrs. Lawrence Warkne of Canute, Okla.

MR. AND MRS. Albert Schulte and Mrs. Rose Hindman left Thursday and Mrs. Brigitta Dohmeier and son, Allan and his wife left Saturday for Hartington, Neb., for the 40th wedding anniversary celebration of Mr. and Mrs. Edmund Hochstein.

Claude Annen, son of the Raymond Annen, arrived home Nov. 1 for a two-week leave from Fort Leonard Wood, Mo. He will report to Fort Benning, Ga., Nov. 16 for advanced officer's training.

Mr. and Mrs. Gene Hubbard and daughters spent the weekend with her folks, the Raymond Annens.

ON SATURDAY evening the Raymond Annens and son Claude the Gene Hubbards family and Mrs. Gladys McLain and family enjoyed supper with Mrs. Cornelia Annen.

On Sunday the Raymond Annens had all their children and families home for dinner — Mrs. Ruby Mae Hubbard and family, Mrs. Gladys Annen and family, Mrs. Fay Spencer and family, Claude Annen, Mrs. August Huseman and Mrs. Cornelia Annen came to visit with the family in the afternoon. Mr. and Mrs. John Stork and Mr. and Mrs. Albert Gerber went to Lake Texhoma the past week

for a reunion of the 90th Division that served in World War I. They reported a most enjoyable time, talking over old times. While there they met with some old friends, the Barber Eubanks, and spent a lot of time visiting with them.

MRS. ANNA ALBRACHT and Mrs. Adeline Pohlmeier and Rosella spent Saturday and Sunday in Amarillo. They visited their son and brother, Math, in Northwest Texas Hospital, where he has been a patient since Friday.

Mr. and Mrs. Ed Drerup, Mrs. Max Acker and Mrs. Frank Hoelting went to Sunray Saturday for the funeral of Mrs. Angela Schumacher, mother of Andy Schumacher, formerly of this parish.

Mrs. Agnes Brockman and Mrs. Helen Backus flew to Montana two weeks ago for the funeral of their aunt. They arrived back home Sunday by car with their cousin, Ray Hemmer, who plans to visit relatives here and in Happy for a week or 10 days.

Word has been received here of the death of Sister Patricia at the convent in Fort Smith, Ark. She came here in 1916-17 to teach. Some of us old timers will remember her teaching us in the fifth through eighth grades. May she rest in peace.

VETERANS DAY Tuesday was celebrated with a mass for all deceased veterans, sponsored by the Nazareth American Legion and Auxiliary. In the evening, a social was held in the Legion Hall.

The Order of Martha meeting, after two previous attempts, was held in the home of Mrs. Alma Schacher Wednesday afternoon. The other two dates had to be canceled because of muddy roads. Members spent the afternoon sewing and visiting. A cute plaque made by the hostess with the message, "How Tall are you? Would you stoop halfway for the Missions?" brought in several dollars for the missions.

Mr. and Mrs. Clarence Birkenfeld, Mr. and Mrs. Ralph Albracht, Raef and Stocy spent Sunday in Lubbock visiting the Dennis Gerbers.

THE SUNSHINE the past week has been very welcome to every one, especially the farmers. Farmers are harvesting if at all possible and the ground is still wet, causing lots of combines to get stuck, although the grain is dry.

THE NAZARETH American Legion Auxiliary is requesting the addresses of all Nazareth servicemen. The ladies plan to pack and mail Christmas boxes for the boys next Thursday night, so they need the addresses before then. If you have the address of a serviceman from Nazareth, please leave it at Carl's Grocery by next Thursday.

BAGGY, ill-fitting slip covers soon will be a thing of the past. New stretch knit slipcovers add a custom-made look to furniture. They can be machine washed and tumble dried with no ironing, reports Extension Home Furnishings Specialist Jane Berry.

Delta Xi chapter meets in Friona

Delta Xi chapter of Delta Kappa Gamma Society met in the high school cafeteria in Friona Saturday.

After the business meeting, Mary Cardenas and Adela Barba, Dimmitt High School students, gave talks on Spanish courtship and marriage customs.

A tea followed the program. Ten members from Dimmitt attended the meeting.

Holiday shopping has started early

By IRENE KEATING
Home Demonstration Agent

Friday I heard a woman say that she was already doing her Christmas shopping. She is very wise to start now because it will be Christmas before we realize it. I hope that if you haven't already started holiday shopping,

you will resolve to start now to avoid the rush. Also, if you shop early, you are more likely to find items you want — and, of course, selections are better.

THIS IS the time to begin to do your holiday baking. Have you made pumpkin pies using the new flakes and powder? If not, you must try it. Pies from the new products are said to be indistinguishable from canned pumpkin pie.

Another new product in the frozen food field is frozen prepared breakfast. The three available are pancakes with sausage patties, scrambled eggs with sausage and fried potatoes, and French toast with sausage patties.

I have ordered some "Holiday Breads Around the World" recipe folders from the Quaker Oats Co. They have many good holiday bread recipes. Also you may want to buy a copy of our "Yeast Breads," "Quick Breads" or "Christmas Time at Home" bulletins to make holiday foods.

THIS IS also the time to make out holiday menus and plan your table settings. If you get your silver polished now and make sure your table linens are clean and pressed, you'll be saving time later. You might want to make a new holiday cloth to use.

If you "plan and do" ahead of time as much as possible, you will really be able to enjoy the holiday season.

This is the time to start on those decorations and other holiday pretties so you won't be under last minute pressures. You may just want to re-work some of your last year's items, or you may make new decorations. We all can get ideas from the many magazines and from decorations we see in stores, catalogs, etc.

Band schedules turkey supper

Members of the Dimmitt Bobcat Band are now selling tickets to the band's annual Thanksgiving supper to be held Saturday night, Nov. 22, in South Elementary School cafeteria.

TICKETS are \$1.50 for adults and \$1 for children under 12.

The turkey supper will be prepared by the Band Parents, and members of the band will serve. Fathers will man the cleanup crew afterward.

Proceeds will go to finance this year's band trip to Six Flags Over Texas.

Baylor U. sets 'intro' meeting

The Baylor University Development Council will sponsor an informal "Get Acquainted With Baylor" meeting Monday at 7:30 p.m. in the meeting room of Pioneer Natural Gas Co., 301 Taylor St., Amarillo.

THE MEETING is to give area people the opportunity to gain first-hand information about the university, its philosophy, facilities, educational program and some results of its endeavors.

Judge Abner McCall, president of Baylor, will be at the meeting, along with Tom Darrish, vice-president of development, and other university officials.

Coffee will be served, and the meeting is open to the public.

WHATEVER you want or need, somebody probably has one. Try a "Wanted" classified ad in the News.

CANDY FOR SOLDIERS has been a popular project among local Blue Bird groups. Here, members of Mrs. Clark Dobb's group stir and taste at the Scout Hut last week before packing and delivering their candy for shipment to Castro County servicemen

through the "Christmas Candy for GI's" project. From left are Harriett Dunaway, Lou Phillips, Laine Snider, Kim Weatherford, Ramonda Young (foreground), Vicki Cleveland and Keri Huffines (background, near wall). At right is Debbie Dobb.

Vows recited

Mr. and Mrs. R. E. Bradshaw, 609 W. Halsell St., announced the recent marriage of their daughter, Eula Oreda, to Charles French.

THE COUPLE exchanged vows Oct. 24 in the home of the bride's parents, before a gathering of friends and relatives. Rev. M. A. Pennington performed the ceremony.

Maid of honor was Robbie Rice of Hart. Ronnie McKay of Dimmitt served as best man.

A bridal shower was given for the bride three days before the wedding in the home of Mrs. C. W. Yates. Assisting with hostess duties were Mrs. Eddie Campbell, Mrs. Wray Belknap, Mrs. R. H. Ginn, Mrs. Gary Evans and Mrs. Mabel Ewing.

Sorority holds Ritual of Jewels

Alpha Epsilon Tau chapter of Beta Sigma Phi conducted a Ritual of Jewels at the Country Club Wednesday night of last week.

LAQUITA HILL and Virginia Hansen of Dimmitt and Virginia Reed of Hart helped with the ceremony.

During the business meeting the sorority voted to support the medical research program on the study of transplant organs.

The cultural program for the evening was "Interpretation of Love," with Dimmitt High School students Tanya Brown and Kimberly Sims giving poetry readings. Miss Brown presented "Love Is a Little White Bird" by Carl Sandburg, and Miss Sims presented Ralph Waldo Emerson's poem, "Love."

Sue DeVaney and Carrol Bryant were in charge of the program. Hostesses were Mary Jo Brown and Marilyn Carver.

On the Go

Mrs. Mae Bright returned home Monday from Trent after attending funeral service for her mother-in-law Mrs. Zillah Bright, who passed away Friday morning. The funeral was at 2 p.m.

Socially Yours

Marriage revealed

Mr. and Mrs. B. E. Albert of Wichita Falls announce the recent marriage of their daughter Janice Kay, to Loy Morgan Arnold of Arlington, a former Dimmitt resident.

ARNOLD is the son of Mrs. Sybil Arnold and the late Loy L. Arnold.

The couple exchanged vows Oct. 30 in Juarez, Mexico.

Attendants were Mr. and Mrs. Carl Winfrey of Lubbock.

Following a wedding trip in Juarez and El Paso, the newlyweds are now at home at 2902 Third Place, Apt. C-1, Lubbock.

THE NEWLYWEDS are both honor students at Texas Tech, and both will be seniors at mid-term.

The bride is a graduate of Rider High School in Wichita Falls, where she was a member of the National Honor Society, journalism staff, Quil and Scroll, a Capella Choir and Student Council. She was a district and state officer in Tri-Hi-Y, and was presented as a Junior Forum Debutante in 1967. She is majoring in secondary education at Tech, and has been named to the Dean's Honor List.

The groom, a former Dimmitt student, graduated in 1967 from Wichita Falls High School, where he was a member of the National Honor Society. He is majoring in pre-medicine, and also has been named to the Dean's Honor List at Tech.

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance . . . PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.

By EUPHA MAE GRIFFIN
First we want to say thanks to so many who bought poppies from us Saturday. We didn't meet as many of you as we'd like to. Our help was short this year; there are so many activities going on.

WE FINISHED our Veterans Day activities Tuesday night with a short memorial service at the post home. These veterans didn't forget us, so let's don't forget them.

We are still slow on membership dues for 1970. Come on, let's win these awards and get behind our country.

Hope all can attend our District 13 convention in Littlefield Saturday and Sunday. Our department president and department commander and several other department representatives will be there. Memorial services will be conducted Sunday morning at a joint meeting by our district president, Eupha Mae Griffin, and assisting her will be Dean Loerwald of Plainview, secretary and treasurer.

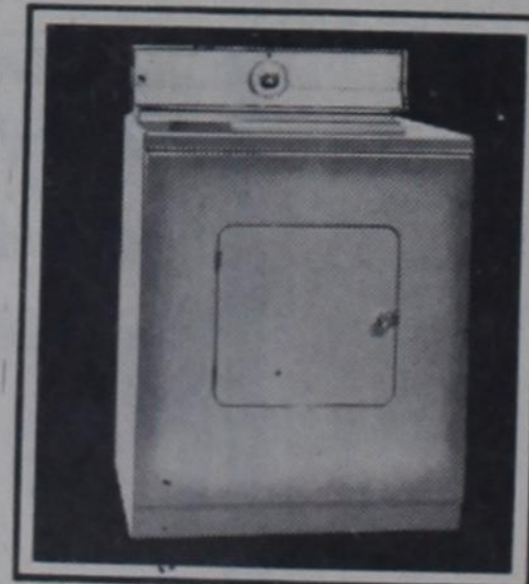

All persons having any equipment belonging to the Veterans of Foreign Wars Post 8056 — would you please contact us, as we have misplaced some. We have wheel chairs, hospital beds, walkers, crutches to loan anyone in need, free, but we need to locate them. Thank you.

REMEMBER:
If you think you are beat — you are.
If you think you dare not — you don't.
If you'd like to win, but think you can't.
It's almost a cinch that you won't.

Frio news

Maize harvest resumes--again

By Mrs. Owen Andrews
About an inch of moisture, including a little snow, fell over this community last weekend. By the last of the week, the ground had dried sufficiently in some places, that some farmers were combining maize again.

RECENT visitors of the Jim Brooks were her brother, Earl and Mrs. McClennen of Comanche, Okla., the Glen McClennen of Purcell, Okla., They were returning home from a hunting trip near Pagosa Spring, Colo.

Mr. and Mrs. Clark Andrews visited her relatives, Mrs. Howard Lowery and Audrey Franks, both in Amarillo hospitals and others of the relatives in Amarillo, on Sunday afternoon.

Visiting the Earnest Harders during the weekend were Mr. and Mrs. Ray Driscoll and their son, Keith, of Clinton, Okla.

Attending an associational Y.W.A. meeting at Littlefield Sunday afternoon were Mrs. Floyd Cole, Mrs. Sam Ogan and Genie Robbins.

Mrs. Earl Cole and Mrs. Floyd Cole went to Lubbock last Thursday where both boarded planes. Mrs. Floyd Cole went to Waco to be with her daughter, Jana, during a Home Economics Workshop, during the last of the week. Mrs. Earl Cole was flying to the West Coast to see her grandson, Jim Shearhart, who was scheduled to leave for Vietnam in the near future. He is in the Navy. She also went to Yuma to visit her son, Thomas.

ATTENDING church at Frio Sunday morning were Mr. and Mrs. Ray Cole of Lubbock. They had spent the weekend with his grandmother, Mrs. Earl Cole. Ray grew up in this community and is the son of the Thurman Coles.

Robin Taylor and Carol Morgan of Friona spent the weekend with Robin's brother, Dee and family,

and the Dee Taylors took them home Sunday. Their parents, the Dueward Taylors of Friona are fishing in the gulf coast for several days. Accompanying the Taylors on the trip were their relatives, the Reuben Taylors and the Roy Millers, all of Friona.

Mr. and Mrs. W. H. Andrews spent the weekend visiting her relatives near Marlowe, Okla. He brought a load of fence posts for fence building.

The Jimmy Barbers of Hutchinson, Kan., were visiting their parents, the Harlan Barbers here and her parents, the R. C. Howards, near Lubbock. Mrs. Barber remained for a longer visit with the relatives and Jimmy was returning this week on business. He works with government agriculture experiment projects.

THE LINDLEYS, Elza Warricks and Ted Bush attended funeral services for Luther Greeson in the Assembly of God Church in Amarillo Monday afternoon. Greeson, 57, a cousin of Mrs. Warrick and Mrs. Lindley's had been in poor health for several years.

Ted Bush left Monday afternoon for Syracuse, Kan., where he was to attend funeral services for a niece, Mrs. Gladys Stuckmon. She was killed in a truck-train crash on Sunday. Mrs. Stuckmon has visited the Bush home here.

SPACE UPON this planet is finite; the resources of this planet are exhaustible and are not easily renewed. We are made aware of that by his sheer numbers and his heedless ingenuity, man can injure his environment so as to hasten his own extinction.

THE LAND responds in direct proportion to its treatment by man. Abuse the land and it decreases in productivity. Treat the land according to its needs and it stays productive.

CHEER-FUL — Here are Nazareth High School's cheerleaders, who are helping keep the spirit up this year in athletic games. Kneeling is Bobbie Kleman, a sophomore. Standing, from left, are junior Monette Pohlmeier, head cheerleader Jackie

Book, a senior, and sophomore Jocelyn Kleman. The girls really had something to cheer about Friday night as the Swifts defeated Matador, 8-0, in a District 2-B contest.

Booster Club elects Matthews

J. R. Matthews will be the president of the Dimmitt Athletic Booster Club next year.

HE WAS elected Monday night at the club's weekly meeting in Dimmitt High School cafeteria. Other new officers elected were Earl Griffith, vice-president; Mrs. Wanda Kay, secretary; Dr. James Sims, treasurer; and Mrs. Gloria Isaacs, reporter.

Twenty-nine persons attended Monday night's meeting to elect officers, view the game film of the Dimmitt-Lockney game and hear coaches' reports.

Coach Brown L. Smith announced that Nelson Chavers was the "Bobcat of the Week" for his outstanding performance in the Lockney game.

Irene Parker was awarded the weekly \$5 cash prize for having the best decorated car before the Lockney game, and the sophomore class won the \$10 class award for the best decorated hall last week.

For the first time this year, coaches reported, Dimmitt lost all its football games during the week — varsity, freshmen and junior high. No B Team game was scheduled.

The Booster Club will meet again Monday at 7:30 p.m. in the DHS cafeteria. The meeting is open to the public.

THE MATERIAL wealth we are creating will not be worth having if creation entails the raping of nature and the destruction of environmental charm. —Dr. Rene Dubos

WHY were your story and picture printed free in the News? Because advertising paid the cost. It's another good reason to shop Dimmitt first!

Implement mechanics course set

The Texas Employment Commission will start a 36-week implement mechanics course in Hereford Dec. 1. The commission is now seeking students for the course.

LESTER RAPE, manager of the TEC office in Hereford, said the classes will be held only if enough persons in Castro, Deaf Smith and Parmer Counties wish to take the course.

The class will allow 15 persons to learn farm implement mechanics. Two additional students could be admitted if necessary, Rape said.

To assure that the course begins on schedule, all persons interested must enroll within the next week, Rape said.

Those wishing to enroll may contact either the Hereford TEC office at Seventh and 25-Mile Avenue or the Employment Commission office at the Castro County Agricultural Housing Project in Dimmitt.

TO BE qualified for the course, a person should be 18 years of age or older and possess an eighth grade education or more.

"The main requirement, though," Rape said, "is that the student wants to learn to become a first rate mechanic."

Rape pointed out that part-time work will be available to students who enroll in the class, and that students who qualify can draw a training allowance, depending on several factors. This allowance can run from \$39 per week up, depending mainly on the number of dependents the stud-

Day Care Center has spooky party

The Dimmitt Day Care Center (Satellite School) gave a Halloween party recently for students and their families.

HELPING host the event were Mmes. Taack, Sepulveda, Anderle, Albracht, Killingsworth, Smithson, Webb, Tidwell and Proffitt, all volunteer workers for the school, and members of the Sunny side Baptist Church WMS.

Teens escorting little "goblins" through the spook room were Ronda Tidwell, Tresa Underwood, Janie Booth, Katherine Taack, Jane Ann Mooney, Jan Giles and Tonya Brown.

Serving as "witches" and "genies" for the party were Teema and Penny Proffitt and Barbara Hansen.

STUDENTS receiving the training allowance also will be allowed to work a maximum of 20 hours per week while taking the course, Rape said.

The course, similar to a high school power mechanics course, will be conducted under the provisions of the Manpower Development and Training Act.

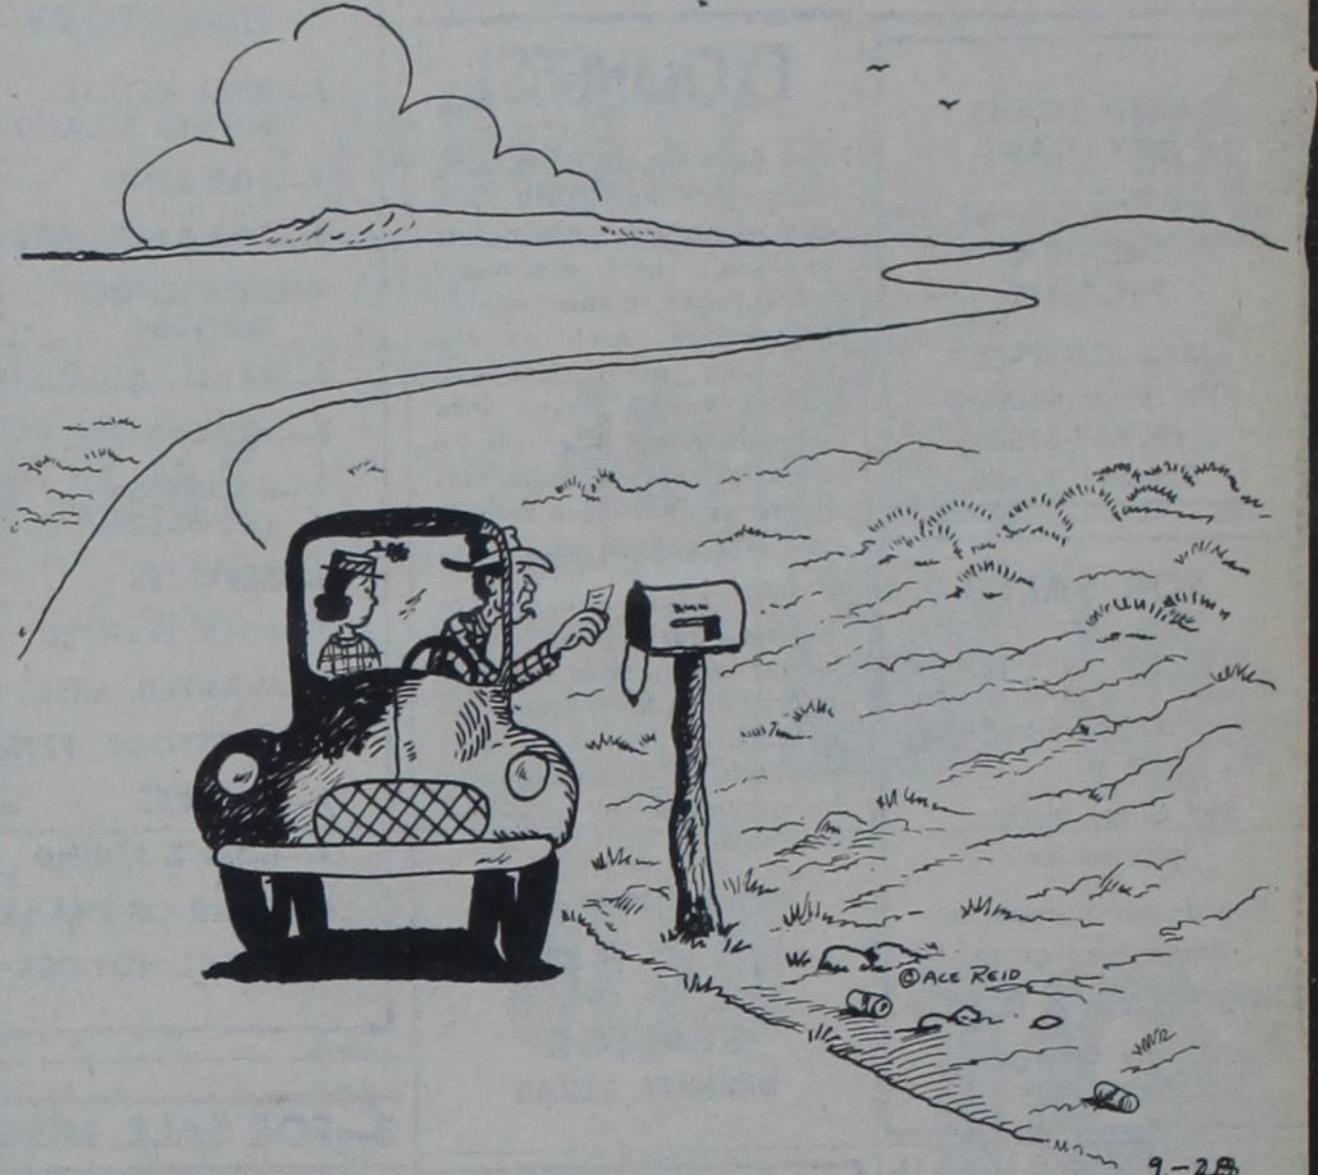

MAN CAN go broke by having too many cattle, but seldom is man hurt by having too much grass. —R. E. Dickson

"IN THE area of agriculture we are first, it is vital that we remain first." —President Richard M. Nixon

Business Men, Not Beggars, Through N.F.O.

Impala's hidden persuaders:

- 350-cu.-in. engine**
A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good of regular gas.
- Anti-theft column lock**
A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.
- Aluminized exhaust system**
It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?
- Side guard beams**
They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.
- Inner fenders**
Up inside every fender is another fender to protect against splash and mud and help keep your Impala looking young.
- Flush and dry**
We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.
- Full Coil suspension**
Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

CHEVROLET
On the move.

Sunnyside news

Three ministers fly to Baptist convention

By TEENY BOWDEN

Rev. Mack Turner flew with Dr. Raymond Perkins and Bill Myers of Dimmitt and Rev. David Owens of Muleshoe to the Baptist General Convention of Texas meeting in San Antonio Tuesday through Thursday. Dr. Perkins is a pilot. It was the first cross-country flight for Rev. Turner.

Mr. and Mrs. Eldon Lilley left last Friday morning for Abilene to attend a Shriners crippled children's clinic with friends who are from Dallas. They returned home last Sunday night.

Mr. and Mrs. Donnie Lilley went to Big Spring last Friday evening to spend the weekend with Mr. and Mrs. Raymond Lilley and other relatives.

Ezell, Larry and Gale Sadler all went hunting sand hill crane at the game reserve near Mule shoe last Saturday morning. Ezell and Gale went back Monday morning. Ezell brought back one and shot down the second one, but couldn't find it. The others didn't have any luck.

The WMS met at the church Monday morning for the Baptist Women's Day of Prayer. Only four members attended.

WANDA LAXON of Lubbock, bride-elect of Spec-S Harold Spencer, was honored with a bridal shower at fellowship hall of the church Monday afternoon. Hostesses for the occasion were Mrs. E. R. Sadler, Mrs. J. Paul Waggoner, Mrs. Garner Ball, Mrs. Alton Louder, Mrs. R. V. Bills, Mrs. Gale Sadler, Mrs. Milburn Haydon, Mrs. Roy Phelan, and Mrs. Roy Lilley of Dimmitt. Mrs. Haydon, Mrs. Phelan and Mrs. Lilley were unable to attend. Her mother and sister Jeanette from Lubbock attended, as well as his mother and grandmother from the community.

Larry Sadler and Robert Duke were called Monday, Tuesday and Wednesday mornings for jury duty. Larry sat at the hospital with his grandfather Monday night so Mrs. Sadler and the girls stayed in Dimmitt with the Tex Consards Monday, Monday night and Tuesday.

Troy Jones was admitted to Dimmitt Monday afternoon after having blacked out downtown. He was dismissed Thursday. He received a bad cut over his eye and a black eye in the fall.

Mr. and Mrs. Lynn West and children of Dimmitt visited Monday night with Mr. and Mrs. Eldon Lilley.

Mrs. Ezell Sadler spent Tuesday night with Mr. and Mrs. James Powell, Randy, Tress, and Cheryl while Mr. Sadler sat up at the hospital with W. E. Louder.

MR. AND MRS. Roy Phelan returned home from Weatherford Tuesday evening after spending a week with relatives there and attending the wedding of one of his nephews. They also visited at Wills Point with Rev. Turner's father and at Electra with Mrs. Rogers, mother of Rev. Murle Rogers.

The WMS met Wednesday night for the general Society program with Mrs. Roy Phelan in charge. After the program some business was transacted.

Mrs. Norma Conard of Dimmitt spoke during the prayer meeting Wednesday night, in the pastor's absence, on her work with the Satellite Day Care Program for the mentally retarded.

Mr. and Mrs. Larry Odom spent Monday and Tuesday night with Leslie Louder. They have moved from Dalhart back to Dimmitt and don't have a house yet. He is working for Dimmitt Upholstery and Garage. They also spent the day Sunday with Leslie Louder.

Mr. and Mrs. Ezell Sadler visited in Hale Center Wednesday night with Mr. and Mrs. Erceel Keeler.

MR. AND MRS. Charles Axtell, Mr. and Mrs. Jerry Jones and Kyle, and Miss Kim Bailey, who teaches in the Springlake-Earth High School were guests of Mr. and Mrs. R. A. Axtell for a buffet supper in their home last Thursday evening, Nov. 6.

Mrs. R. A. Axtell attended the monthly luncheon of the Earth United Methodist Church Friends.

I wish to take this means of expressing my deep appreciation to my many friends and relatives for the cards, visits and expressions of encouragement during my recent stay in the hospital.

MRS. S. J. MOONEY
14-51tp

I wish to thank my many friends for their words of encouragement, visits, flowers and prayers during my stay in the hospital.

May God bless you all.

ANDY ELDER
14-51tc

To my many friends I wish to thank you for the many acts of kindness, the prayers, cards, flowers, and visits during my recent illness, while in the hospital. Thanks to you Drs. Lee, Blackburn and Murphy and all the wonderful staff of nurses and employees of Plains Memorial Hospital.

MRS. CECIL (TRUDY) DENNIS
14-51tc

and family spent the weekend in Levellard to be with his brother who has just returned from overseas.

Dwayne Louder of Flagg sat at the hospital with his grandfather, W. E. Louder Thursday night as he has once a week since April.

REV. AND Mrs. M. D. Durham of Lubbock had supper Friday night with Mr. and Mrs. Roy Phelan.

Mr. and Mrs. Walter Meeks of Hamlin and Mr. and Mrs. Jesse Wilson of Seymour visited Monday through Thursday with their brother, Mr. and Mrs. Arthur Wilson.

Saturday a mother dog, part chihuahua and part Pekingese, disappeared from the Bill Morgan residence at the El Paso Gas Camp. She had pups Oct. 26. Her name is Precious and that is just what she is to the Morgan family. She is two years old and black and white. If you have seen this dog please let them know.

SPEC-S HAROLD SPENCER and Wanda Laxon of Lubbock were married Saturday afternoon in double-ring vows performed by Rev. George L. Brittain of Grants, Church in Lubbock. Richard Eckel of Waco was best man. Olvis Spencer of Rome, Ga., was one of the ushers. Mrs. Milburn Haydon was the soloist. After the reception at the fellowship hall of the church they left for a honeymoon trip to New Mexico. They will make their home at 426 16th St., in Killeen as long as he is stationed at Fort Hood. Several relatives attended and have spent the weekend with the Noah Spencers and the John Spencers.

A mission action group interested in lifting the morals of the community met at the church Friday afternoon for a discussion period. No definite action was taken, but many needs and some solutions came from it.

Seventy-four attended Sunday School with 27 in Training Union Sunday. Choir practice followed the evening service.

Kids' concert tickets on sale

Tickets go on sale this week in Dimmitt grade schools for the annual Young People's Concert sponsored by the Amarillo Symphony Guild.

THE AMARILLO Symphony Orchestra will perform in a concert for children Dec. 13 at 3 p.m. in the Amarillo Civic Center Coliseum, for children from 6 to 12 years of age and their chaperones.

Dr. Thomas Hohstadt will conduct the Amarillo Symphony Orchestra in a musical tour of old and new masterpieces. The symphony will play melodies originating from the American theater, themes from contemporary movies, and arrangements from well-known classics. A conductor will be chosen from the young audience to lead the symphony orchestra in a familiar song.

Selections from the concert will include excerpts from "West Side Story," "The Colonial Boogie March," the theme from "Romeo and Juliet" and the overture from "Hansel and Gretel." Guest artist for the concert will be the November winner of the Amarillo Symphony Orchestra's student soloist auditions.

MORE THAN 7,000 school children are expected to attend the concert. Tickets for the non-profit concert may be obtained through teachers. Admission price for the performance is 75 cents.

AMERICAN motorists drop an average of 1,304 pieces of litter on every mile of the nation's vast network of primary highways each month — nearly 16,000 pieces per mile per year, according to Keep America Beautiful. Paper items accounted for 59 percent of the total roadside litter. The rest was tabulated at 16 percent cans, 6 percent plastic items, 6 percent bottles and jars, and 13 percent miscellaneous.

NEED A DISH TOWEL?—Members of the Sweet Blue Birds Group show the dish towel calendars now being sold by all Camp Fire Girls and Blue Birds to raise money for association and group activities. In right foreground, Lori Dyer gives a close-up of the calendar, which portrays "The Year in

Moons." Others in the group, from left, are Virginia Lindsey, Carla Bechtol, Debra Dennis, Ka Ka Bruegal, Glenda Gail Carson, Delma Padilla, Tina Pat Jones and Dee Ann Summers. The calendars sell for \$2 each.

Vern Lusts are honored with anniversary dinner

By MRS. JACK RISTER
Mr. and Mrs. Houston Lust honored his parents, Mr. and Mrs. Vern Lust, with a 48th wedding anniversary dinner Sunday in their home. Mr. and Mrs. Glenn Lust and family of Lazbuddie, Mrs. Glenn Stiles of Big Square and Charles Summers of Dimmitt also were guests.

MR. AND MRS. Houston Lust attended funeral services last Thursday for Mrs. J. T. Avent of Tulia.

Mrs. Joe Finck of Tulia visited a few days with her daughter, Mrs. Houston Lust, and family. Flo and Ann Lust attended a girls' basketball clinic Saturday in Plainview.

Mr. and Mrs. George Sides and Mr. and Mrs. Charles Wales attended a bridge party in the

home of Mr. and Mrs. Barry Love in Dimmitt last week.

Mr. and Mrs. Charles Wales attended a "42" party in the Donald Wright home east of Dimmitt last Thursday.

SEVERAL from our community were at the Dimmitt High School pep rally Friday afternoon at the courthouse square. Our editor, Don Nelson, was there taking pictures.

The weather has surely been pretty this week. Some of the combines are beginning to roll again, and also a lot of cattle are being moved into the community for pasture.

Mrs. Charles Self attended a GA associational meeting at Amherst recently.

Mrs. Donna Clay and children have moved from Roosevelt, Okla., to Dimmitt, where she will work for Dimmitt Wheat Growers. Mrs. Clay and Mrs. Charles Rickard are sisters. The Charles Rickards hosted a family dinner in their home Thursday night honoring Edgar Miller on his birthday.

MR. AND MRS. George Sides attended the Roosevelt High School Homecoming last Friday night. Mr. and Mrs. Sides also attended the Texas Tech game Saturday night.

Mrs. Marvin Tisdale and Nancy moved to town this week. We surely will miss this family in our community.

Mrs. George Bagwell and Mrs. Fred Bruegel were hostesses for a bridal shower for Mrs. Larry Hobradsch at the First State Bank recently. Oh, yes — Mrs. Howell was also a hostess, and Mrs. J. T. Stehr attended the shower, too.

Mrs. Bobbye Bruegel's father died Nov. 1. His funeral was Monday in Dallas. Our sympathy goes to the family.

Mrs. J. E. Dutton of Anson was buried there Nov. 2. Mrs. Dutton was the daughter of Mrs. J. O. Carpenter and the grandmother of Mrs. Bryce Dowell of Dimmitt. The Carpenters were our neighbors at Flagg before moving to Dimmitt. Our sincere sympathy goes to this family, too.

MRS. JAMES WELCH was a hostess to a recent bridal shower in Lazbuddie for Linda Block of Amarillo, bride-elect of Larry Davis of Lazbuddie.

Mrs. Jimmy Howell visited one

night last week with Mrs. Don Buckley of Amarillo.

Norma Smith, Glenda Rickard, and Sue Howell attended the Garden Club meeting in Dimmitt Tuesday of last week.

THE BETHEL Home Demonstration Club had a tour last week of the Irvin Greenhouse in Canyon, and had lunch in Amarillo. Fifteen ladies attended.

Mr. and Mrs. Vern Lust were in Amarillo Friday.

The Handcraft group met in the home of Mrs. Leland Smith in Dimmitt Thursday afternoon. Ten ladies attended.

Mr. and Mrs. Monty Boozer attended a Young Farmers, and Young Homemakers supper Saturday night in Dimmitt.

MRS. A. T. MORGAN visited Tuesday with Mrs. Bartlett and Mrs. Harsh in Dimmitt.

Terry Ott of Earth visited over the weekend with Ricky and Rusty Morgan.

Mrs. Bud McElroy was in Morton Thursday to visit Mrs. L. H. Hooper.

Sue Lust was home from West Texas State, and Joe Lust was home from Texas Tech for the weekend to visit their parents, the Houston Lusts.

ASCS news

Sweet sorghum, sorghum grass rules changed

By CHARLEY HILL
County ASCS Office Manager

The rules governing the use of sweet-sorghum and sorghum grass crosses have been changed for the 1970 crop year as follows:

SUDAN and sorghum-grass crosses will be permitted on 1970 diverted acres. This includes all varieties of hybrids included in Column 5 of the sorghum classification list published by the Extension Service each year. A list of these qualifying hybrids published for 1969 crop is available in our office.

No variety of sweet sorghums or forage sorghums will be permitted on 1970 diverted acres. Other hybrid crosses, not classified as grain sorghum, may be used except on diverted acres.

DESTROYED CROP ACREAGES
If you have crop acreage that you certified that has been destroyed by weather conditions since your report, and you want the acreage to be changed on our records to "destroyed acreage," then you must request measurement service for such acreage and pay the required fee. Otherwise, the certified acreage will be used in determining the yield for future year yield appeals.

If the entire crop acreage was destroyed, and no acreage will be harvested, no measurement will be made since you cannot prove a yield unless all three years have some production.

CROP REPORTS
NEEDED FROM FARMERS
During the last half of October some 35,000 farmers received crop questionnaires from Cary Palmer of the Texas Crop and Livestock Reporting Service.

Accurate estimates are of great importance to producers for providing an accurate picture of Texas agriculture. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin.

LIONS GATHER HERE—For the first time ever, Dimmitt hosted a district cabinet meeting for Lions Clubs throughout District 2-TI Sunday. Here, District Governor Ed Flood of Amarillo describes the new Lions anti-drug campaign for young people during the luncheon Sunday in DHS cafeteria. From left are Ralph Glover, district cabinet member from Dimmitt; Mrs. Glover; Boss Lion Lynn Polson; Flood; and Mrs. Polson. After the lunch Flood conducted the district meeting for Lions while wives gathered at the Country Club to see Mrs. Reta Welch's program, "Personality in Hats." Sixty-five attended.

Stone, Bischoff to take part in Navy intelligence seminar

Loy D. Stone, Dimmitt psychologist, is slated as one of the key speakers to more than 110 Naval Intelligence officers attending a seminar at the Naval Air Station in Dallas Friday through Sunday.

DISCUSSING the psychological problems involved in prisoner of war situations, Stone will give a presentation interrelated with that of a former war prisoner.

Stone, a state certified counselor, also involved in farming operations north of Dimmitt, has made considerable research contribution in applied hypnotherapy, parapsychology, and other problems relating to experimental psychology.

In addition to his psychological research, primarily conducted with West Texas State University, Stone is also a graduate of the computer programming department there. As a result of his computer studies, he and the operator of his farm, Carl King, are in the process of devising a new computer approach to their farming operations.

OTHER conference highlights include presentations by top government civilians and Army and Naval officers serving as executives in such areas as electronic intelligence, nuclear research, counter-intelligence, criminal investigation, bacteriological warfare and executive management.

The conference committee is headed by Navy Lt. Joseph H. Cowen, son of Mr. and Mrs. Joe Cowen of Dimmitt. Lt. Cowen serves as a special assistant to the commandant as district intelligence officer, Eighth Naval District, and resides in New Orleans. Lt. Cowen is one of a handful of Navy special duty intelligence officers, and has also specialized in the training and administration of the reserve intelligence program.

Additional Panhandle area talent tapped for the event includes Judd Bales, director of management training at Cannon AFB, Clovis, who will emphasize executive management improvement programs at the seminar; and Dr. Harold W. Bischoff, former Dimmitt physician, who is past executive officer of the Navy's first bacteriological warfare research unit.

DR. BISCHOFF, in addition to his M.D. degree, holds two advanced degrees in bacteriology and also a master's in epidemiology. He will relate his experiences as research director of the Navy bacteriological warfare research team, emphasizing the dangers

and limitations of bacteriological warfare.

Now engaged in medico-electronic research in Las Cruces, N.M., Dr. Bischoff served many years as the area's only "general practice" physician specializing in radioactive isotope treatment and diagnosis, and epidemiology (public health).

The Air Force is providing air transportation to Dallas Naval Air Station for the Panhandle area speakers in response to endorsement from the Office of the Chief Naval Operations.

Amarillo's KVII-TV pioneers horse judging via television

A televised quarter horse judging contest for young people the first of its kind, is being staged by KVII-TV in Amarillo, in cooperation with the American Quarter Horse Association and the Texas Agricultural Extension Service.

FROM THIS pioneering undertaking, say its sponsors, may come a nation-wide series that will increase knowledge of quarter horses among young people and adults alike and further spread participation in the youth activities program initiated several years ago by the AQHA.

Second place winner will receive a handmade saddle. A ton of horse feed awaits the third place winner. Each of the remaining seven winners will receive a trophy saddle blanket.

THE CONTEST was conceived by Jack Tompkins, farm and ranch director of KVII-TV. Cooperating with Tompkins is State 4-H Horse Specialist B. F. Yeates of Texas A&M University and other officials of the Extension Service. Also assisting is Dr. Dale Burnett, director of the AQHA's youth activities program.

The contest, which began Oct. 27, will continue for eight weeks. At its conclusion, the 10 youngsters who make the highest score will meet at the AQHA headquarters in Amarillo for a final judging session to determine the final order of winners. The contest is open to all youngsters 18 and under.

EIGHT classes — four halter and four performance — are being televised each Monday morning for the duration of the contest. Motion picture films of the eight classes were made prior to the beginning of the contest.

The halter classes consist of stallions, mare and geldings. Calf roping, cutting, western pleasure and reining are featured in the performance events.

Contestants will view each class as it is televised, record their decisions on post cards and mail them to the television station each

business and industry

WINS SERVICE AWARD — Mrs. Lola Mundell, hardware clerk at Dimmitt's TG&Y Store, received a five-year service award Friday evening at the company's annual awards banquet in Amarillo. Awards were presented by Carl Adkins (left), Amarillo area supervisor, and L. H. Myers (right), Texas division vice-president.

ANOTHER snack has been born for snacking Americans: crisp, dry celery. The dehydrated vegetable is processed by explosion-puffing. US Department of Agriculture scientists say it retains good flavor, texture and color. It is ideal for dehydrated soup mixes and other prepared foods.

Financial Facts
By Willis A. Hawkins, Jr.

Do you know which was the smallest coin ever minted? Finding the answer to this question is in itself no easy task.

Most historians, however, believe the world's tiniest coin came from ancient Athens. It was called the "eighth-obol" and was made of silver.

As you might guess the "eighth-obols" were short lived. They were so small that people kept losing them.

The authorities stopped issuing them and minted a large copper coin of equal value instead. Oddly enough, many people protested the change!

Immediately, there was a strike in the Athenian fish market. The fish-wives had a habit of holding small change in their mouths and couldn't quite handle the new large coins. They found it very difficult to talk with a mouth full of copper!

Jerry Vandiver

**Vandiver is new
Lions governor**

Jerry Vandiver of Wichita Falls, son of Mr. and Mrs. Cecil Vandiver of Dimmitt, is the new Lions governor of District 2E1.

VANDIVER, 33, is the promotion and public relations manager for station KFDX-TV in Wichita Falls, and has been a member of the Wichita Falls Downtown Lions Club since 1964. He has served in nearly every local Lions Club office, and was president of the club last year.

As the district governor-elect, Vandiver attended the Lions International convention in Tokyo, Japan, in August.

Vandiver is a 1954 graduate of Dimmitt High School, and attended West Texas State University two years before graduating from Midwestern University in Wichita Falls.

EXCEPT for the time he has served in the Army, he has been with KFDX-TV since 1957.

He served two years in the Army in 1959 and 1960, then was recalled for a year's service as a communications specialist with the 49th Infantry Division at Fort Polk, La.

Vandiver is married to the former Karen Paris of Frederick, Okla. They have a daughter, Kim, 8.

Square Dance Tips

By BILL HARMAN

Who square dances? Why Every Body! Once upon a time, in the heart of good old Dimmitt, Texas, there were four nice couples who were searching for a good, activity for themselves and their companions.

Their names were Any Body, Some Body, Every Body and No Body.

IN THE beginning No Body knew that there was a lot of pleasure and a lifetime of friendship for couples who were willing to band together and support each other in friendly dancing fun.

Somebody first had the idea that square dancing was an activity of pleasurable exercise at moderate cost and friendly association with wonderful people.

So Somebody told Every Body about square dancing, and Every Body met at the Dimmitt Square Dance Hall and Every Body had a wonderful time.

Well, one day Somebody decided they were not going to square dance. So they remained at home, only for one night, they thought at first.

Now this made Every Body very unhappy because Any Body could not dance with No Body. They could not form a complete square. At the same time, Somebody was unhappy also because remaining at home was not their answer to recreation either.

NOW Any Body was not going to give up easily, but continued coming to the Dimmitt Square Dance Hall, and Somebody kept coming also, because of the fear that one day No Body would be the only one there, and the thrill of square dancing would come to an end in the Heart of Castro County.

Finally Somebody got the message out to Every Body that square dancing was still fun.

So, as was sure to happen, Every Body came to the very next square dance and it was wonderful; and the Promenaders Square Dance Hall rang out with music and laughter. The future of square dancing throughout the Dimmitt area was happily assured forever and ever and ever. And strangely enough, No Body was amazed at how it all could happen.

THE ABOVE was taken from the official publication of Square Dancing, "Sets in Order."

Host couple for Oct. 23 was Jim and Sue Slough. Door prize was won by Paula Harmann. Host couple for Nov. 4 was David and Shirley Nelson. Door prize was won by Sid Perkins.

Square 'em up! Square dancing is fun!

Three named 'Outstanding US Teenagers'

By MYRT LOMAN

The Outstanding Americans Foundation announced Tuesday that Danny Smith, Pam Shive and Becky King of Hart High School have been selected as Outstanding Teenagers of America for 1970.

The students, nominated for this honor by their school, will compete for state and national awards in the Outstanding Teenagers of America program.

The Outstanding Americans Foundations, a non-profit foundation dedicated to honoring, inspiring and encouraging young people to take full advantage of the opportunities in America, sponsors the awards program annually.

The recipients were selected on the basis of ability and achievement. They will compete with other winners in the state for a governor's trophy awarded annually to the most outstanding teenager of the state. Each of the 30 state winners will be eligible for one of the two national Outstanding Teenagers of America awards and college scholarships, made available by the Outstanding Americans Foundation.

John Putnam, president of the foundation, said it is the goal of the awards program "to recognize and encourage the ability and achievements of today's young people. They are America's leaders of tomorrow."

Smith is captain of the 1969-70 Longhorn football team and is a four-year letterman. He has been elected Most Athletic for the 1969-70 Year and also Best Citizen. He is treasurer and secretary of the FFA and an active member of the Baptist Church.

Miss Shive has participated in basketball for three years, was named to Who's Who her junior year, and was elected Football Queen her senior year along with Most Likely to Succeed, Most Friendly, Most Courteous, and Miss HHS. She also is an active member of the Baptist Church.

Miss King is a member of the basketball team, was Who's Who her sophomore year, FFA secretary, FFA Plow Girl and editor of the annual staff. She is an active member of the Baptist Church.

THE SCHOOL Board Monday night accepted the auditor's report for the 1968-69 school year, presented by Jim Ratcliff and Jody Minnick of Dimmitt.

The board appointed Supt. Ted Averitt census enumerator for the 1970 school census.

J. C. Box was employed as bus mechanic for the Hart Public Schools.

The board accepted the testing program for the 1969-70 school year, presented by Supt. Averitt.

Board members heard a report on the recent band survey, which indicated that 25 high school students and 20 junior high students would like to be in a high school band next year.

Members of the annual staff took group pictures of the school board during Monday night's meeting for this year's "Longhorn" yearbook.

THE JUNIOR class of Hart High School will present its play, "Rest Assured" Tuesday at 8:15 p.m.

A three-act comedy, "Rest Assured" concerns "Money Mad Morlock," his teenage daughter who is going to be a wrestler; an Italian ghost; and many other delightful characters.

The play will also be staged Monday morning at 9 for grade school students and Tuesday afternoon at 1 for junior high and high school students.

Admission prices for the Tuesday evening performance will be \$1 for adults and 50 cents for students.

THE Elementary Choir performed for the Texas Music Educators Association, Region XVI annual music workshop in Plainview Saturday.

The meeting was held at the Holiday Inn. This region is made up of 18 counties in our area. Consultants were Mrs. Eddie Lake Bunton, supervisor of music in Wichita Falls and Jack Harmon, Rhythm Band, Inc., of Fort Worth.

The Hart choir sang "The Happy Wanderer," "Joshua Fought the Battle of Jericho," and a patriotic medley which included "Where In the World But in America," "America Our Heritage," "The Land I Love," and "This Is My Country."

BOY SCOUT Troop 246 enjoyed a campout over the weekend, leaving on Saturday morning. Their first stop was for a hike to a cave where Indians lived near Wayside, followed by a tour of another Indian shelter northeast of Happy, looking for Indian artifacts.

Some of the boys completed their Indian Lore badge requirements. A digout which was once occupied by an early dairy rancher.

Returning Sunday afternoon, boys and adults making the trip were Scoutmaster Deryl Clevenger, Dwight Miller, Duane Clevenger, Somy and Freddy Mancias, Danny George, Mike Cox, James Warren and Gilbert Rodriguez.

OATIS STOUT of Hale Center died in Plainview Hospital Friday. Burial was Saturday in Plainview Cemetery. Mr. Stout, 67, was the brother of Mrs. Chloa Flippin of Hart.

The kitchen in the home of Mr. and Mrs. Claude Krcop received quite a bit of damage Saturday when a pressure cooker blew up, sending the lid through the ceiling. The explosion broke the two kitchen windows and destroyed the cockstove. There were no personal injuries.

THE Classroom Teachers Association met in the high school library Monday with 19 members present. There are 30 members in the organization.

The program was a panel discussion by Future Teachers members and teachers. The teacher trainees gave views from their standpoint, then the teachers gave their own views on the program. Teachers reported the program as being "very effective."

Future Teacher trainees on the program were Bill Bledsoe, Cathy King, Andy Rogers, Pam Shive, Jerry Heller, and Ann Hood.

Teachers on the panel were Mr. R. E. Everitt, Mr. W. C. Hodges, Mrs. Max Stephens, Mrs. H. H. Bledsoe, and Mrs. L. D. Williams.

MR. AND MRS. Sam Swopes and son Truman and family of Vinita, Okla., were recent visitors of their daughter and sister, Mr. and Mrs. Cecil Ray Jones and family and other relatives.

THE HART of Texas Tops Club met Monday night for a "Tacky Party" in the community room of the Farmers State Bank.

ANDY ROGERS
... Flame King

Andy Rogers is a senior in Hart High School. Other candidates were Quincy Hawkins, Graciel Catano and Harold Bob Bennett.

Following the crowning of the Bonfire King, the Hart seniors sponsored a car smash.

The Parent-Teachers Association sponsored a skating party in Hart Elementary gym Tuesday afternoon of last week.

Approximately 75 boys and girls participated in the party with Darrel Six and Frances Cunningham assisting the group with their skates.

Skating is one of the fund-raising activities sponsored by the Hart PTA. A piano for the music department has been purchased with PTA funds.

Ladies helping with the party were Mrs. Ben Kennedy, Bill Hill, Jim Black, Wister Clevenger and Melvin Aven.

CUB SCOUTS of Den 2 met last Thursday in the community room of the Farmers State Bank with six boys present.

The theme for November, "Folk Lore," was discussed, with our American heritage being emphasized as a major part of Cub Scouting. The theme offers many opportunities to portray famous characters of early America with each state having its own folk heroes and folkways.

Robert Lacy, Jackie Davis, Kelley Jones, Brett Aven, Russell Davis and Glen Black were each given the name of a person, to guess the legends concerning the person.

Project for the week's meeting was the making of toothpick holders.

Jackie Davis showed the boys a two-ring and string trick.

MRS. J. D. MURRAY was hostess for the Good Neighbor Club at her home northeast of Hart Tuesday of last week.

Members enjoyed a covered dish luncheon, followed by a short business meeting.

Ladies discussed the annual Christmas party. The club will sponsor the sale of pies, doughnuts and coffee at the farm sale Dec. 6 at the late Otto Dinwiddie's farm northeast of Hart. Proceeds will be donated to the Hart Cemetery Fund.

METHODIST Men met Wednesday morning at 7 in fellowship hall of the United Methodist Church.

American Legion Zone Commander Bud Steiert reports there will be no zone meetings during November and December so farmers may harvest their crops. The next zone meeting will be in January, with date and place to be announced later.

THE ANNUAL Prayer and Self-Denial Meeting of the Women's Society of Christian Service was held last Thursday in the United Methodist Church with seven members present.

Mrs. H. H. Parker had charge of the program, assisted by Mrs. L. L. Swindle and Mrs. Fred Brown.

Final plans were made for the sale of sandwiches, pies and coffee at the farm sale of the late Sam Davis. The sale to be held Tuesday at the Hubert Maples farm south of Hart.

The WSCS is now sponsoring Frances Conales at Girlstown.

THE FUTURE Homemakers of America met Wednesday in the Hart High School library for a program entitled "Salute to Soldiers."

Naval Recruiting Officer Jim Dunn of Amarillo presented a talk on "Sea Power," followed by the showing of a film.

The Hart chapter is sponsored by Sherry Scott, and has an enrollment of 66 junior and senior high school students.

Vets' widows can get pension. Veterans' widows were reminded this week that if they have a limited income they may be eligible for a Veterans Administration pension.

Zinn of Floydada, song leader is Bill Meyer, music director of the First Baptist Church of Dimmitt. The public is invited.

MR. AND Mrs. Hooks Beavers of Stark City, Mo., were recent visitors with sons, Alvin and family of Dimmitt, Wayne and family of Hart, and their friends in the area.

THE Royal Ambassadors met last Thursday at the First Baptist Church with 53 boys and their sponsors Harold Smith, Jim Averitt and Landra Bruntington, present. Smith told the boys the life story of Daniel, and the RAs continued their study toward their badges.

Football was enjoyed by the boys, with six teams under the leadership of Jim Averitt and Landra Bruntington.

ON SATURDAY, Deryl Clevenger, Stanley Schaeffer of Dimmitt and Harold Smith took 43 Hart and Dimmitt boys to Ceta Canyon to tour the "Schaeffer Shelter."

Deryl Clevenger took the Baptist RAs and Scouts to Ceta Canyon in the Scout bus.

During the day the group found two arrowheads and one spear point. Clevenger found a rock that was used to grind grain, and a spear point.

Schaeffer has found over 100 artifacts, such as Indian arrowheads, knives and metates, or grinding stones, in the "Schaeffer Shelter," a cave which he discovered, in Ceta Canyon.

The group set up its camping quarters on Schaeffer's mother's ranch in Ceta Canyon.

After enjoying five picnics and scouting during the day, the boys returned home. W. T. King furnished transportation back home for the RAs since the Scouts spent Saturday night in Ceta Canyon.

THE DELTA Xi chapter of Delta Kappa Gamma Society, an international society for women educators, met Saturday in Ft. Worth.

The program topic was "Cutting Patterns," by Mozelle Neill of Hereford. The second part, "Spanish Cultures," was presented by two Dimmitt High School students, Mary Cardenas and Adela Barba.

Hestesses were Lois Miller, Leota Hargrove, Valoris Osborn and Carnelet Truitt.

Attending from Hart were Mrs. Lanny Tucker and Mrs. H. H. Bledsoe.

MRS. ANNY LONG of Amherst is spending three weeks in the home of her daughter and family, Mr. and Mrs. J. B. Allensworth.

Leonard Griswold remains seriously ill in Plains Memorial Hospital in Dimmitt. He is mechanic for Hill Farms.

SANDRA BRUNTINGTON, daughter of Mr. and Mrs. Dub Bruntington was injured in a one-car accident Sunday night in Plainview.

Miss Bruntington was in a car with Brenda Johnson, a Wayland student. The car went out of control on East 24th St. hitting a fence and a light pole.

Miss Johnson received numerous bruises while Miss Bruntington was hospitalized in Plainview Hospital and Foundation with severe facial lacerations and an eye injury. More than 100 stitches were required on her face and around the eye. Miss Bruntington, a student in Hart High School, will be in hospital room 265 for some time.

MRS. DOYCE McADAMS met with Cub Scouts of Den 3 Thursday in the community room of Farmers State Bank. The boys completed costumes and practicing on their skit for the pack meeting tonight (Thursday).

Duane Clevenger, den chief, led the boys in some games.

Mrs. Elmer Six and Pat served refreshments to Bart Bruntington, Vic Hart, Bruce McAdams, Ricky Rowland, Pat Six, Randy Heck, and Johnny Newsom and Den Chief Duane Clevenger.

THE Hart school students gathered Thursday night for their pep rally and bonfire.

Roni Cox, head cheerleader crowned Andy Rogers as Bonfire King, Andy, son of Mr. and Mrs.

'TACKY' was the only way to describe these members of the Hart of Texas Tops Club as they held their "Tacky Party" Monday night in the Farmers State Bank community room. From left are Mrs. Janie Alexander, Mrs. Helen Taack, Mrs. Barbara Davis and Mrs. Buster Aven.

hot rolls, apple sauce cake, whipped topping, milk and butter.

Tuesday — Pinto beans and Vinnas chunks, sauer kraut, seasoned spinach, onion slice, cornbread, cherry cobbler, milk and butter.

Wednesday — Meat loaf and catsup, whole new potatoes in cheese sauce, tossed salad, cornbread, ginger cake, milk and butter.

Thursday — Vegetable beef stew, plain crackers, sandwiches, lettuce wedge, orange sheet cake, milk and butter.

Friday — Hamburgers, mustard, onion, pickle, relish, French fries, catsup, lettuce and tomato, chocolate pudding, milk and butter.

Vets' widows can get pension. Veterans' widows were reminded this week that if they have a limited income they may be eligible for a Veterans Administration pension.

UNDER current law, according to Jack Coker, manager of the Waco VA regional office, qualified widows of wartime veterans who have died of causes not related to their service are eligible if their income is no more than \$2,000 if they have no children, and no more than \$3,200 if they do.

THE HART Volunteer Fire Department answered a call Friday afternoon to the farm of Bob Lacy, where an electric fence shorted out.

A copy of the Castro County cemetery records may be bought at Farmers Grain Co. in Hart for \$2. The book was compiled by the Castro County Genealogical Society.

Lockney kills Bobcat title hopes

By JIMMIE CHAPMAN

A fighting band of Dimmitt Bobcats went down to defeat Friday night at Bobcat Stadium to a determined herd of Longhorns from Lockney to the tune of 22-21 in a game that was in doubt from the opening whistle.

Hard-running Nelson Chavers, picking up 177 yards on 21 carries and scoring two touchdowns, almost pulled the game out for the Bobcats with one of the most spectacular display of bull-like rushes and sprints that has been seen at Dimmitt in a number of years.

Dimmitt had its share of the breaks as a fumble by Tracy Dickson on the Lockney 28 set up the first offensive drive after the opening kickoff.

Chavers went to work from the 28 after the recovery, gaining four yards on the first play and then picking up seven to put the ball at the 17-yard line. Lockney was penalized half the distance for piling on as Denny Newton picked up a yard, placing the ball on the 8-yard line.

Offsetting penalties followed, but Roy Thomas finally got the TD by going around right end for eight yards two plays later. Cleavinger kicked the extra point and Dimmitt had a 7-0 lead with 8:29 left in the opening period -- and Lockney still had not run an offensive play.

The rest of the first period was a trade-out affair, with each team recovering the other's fumbles to stop good drives. Mark Wohlge-muth knocked down two of quarter-back Larry Glasscock's passes to force a couple of Lockney punts, and the first quarter ended as Doug Hodel recovered a Thomas fumble on the Dimmitt 30-yard line, with the score still 7-0.

UH-OH! FIVE LOCKNEY TACKLERS CONVERGE ON FULLBACK NELSON CHAVERS . . . After three-yard gain in third quarter

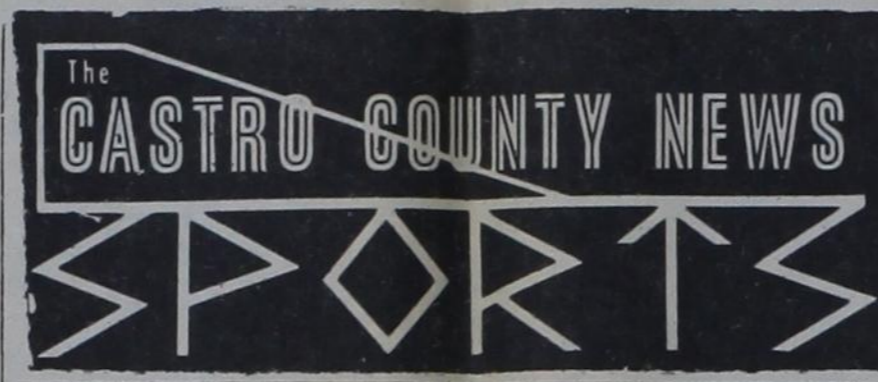

ON THE first pass in the second period, Mark Cleavinger intercepted Lockney's bid for a touchdown, a pass in the end zone. Three plays saw the Cats lose four yards and an incomplete pass forced the punt from the Dimmitt 16. Cleavinger got off his best punt of the night to put Lockney on its own 39-yard line.

Late in the second quarter, Lockney started its first scoring drive after a punt by Cleavinger took a back spin and was killed on the Dimmitt 40, netting only one yard. Dimmitt drew a five-yard penalty for offsides, then

Glasscock passed to halfback Roy Duckworth, who went to the Dimmitt 23.

Duckworth picked up two more yards on two tries into the Bobcat line, then Glasscock hit Dickson with a 21-yard scoring pass. Gary Mangold booted the extra point and the game was tied at 7-7 with 3:28 left in the first half.

NEWTON recovered a fumble by Glasscock after Loy Willie had raked the ball out of the Longhorn quarterback's hands on the Dimmitt 47-yard line with only 59 seconds left in the half. Chavers gained eight yards, and three carries by Thomas put the ball on the Lockney 33.

own 20 and started the longest drive of the night that ended in the tying score.

DICKSON made three good runs and had the defense pulled in when he passed to Duckworth on a play that netted the Longhorns 50 yards to the Dimmitt 9-yard line.

Then Chavers uncorked his first touchdown run. He bulled his way over the center of the line and was hit twice, but the determined fullback was not to be stopped and went the distance for the TD with only seven seconds remaining in the half. Cleavinger again kicked the extra and Dimmitt was ahead 14-7. The Cats tried an inside kickoff to prevent a Dickson runback, and Lockney got the ball at midfield with five seconds left. Chavers broke through the line and threw Glasscock for a 15-yard loss as he was attempting to hit Dickson with the bomb. That ended the half on an optimistic note for the Bobcats.

The third period saw both defensive lines rise to the occasion. THOMAS intercepted a pass on the Lockney 34 and the Cats moved the ball to the 1-yard line, but a 15-yard holding penalty proved costly for the Cats. Three more running plays by Thomas and Chavers failed to get the first down, and Mark Cleavinger tried his first field goal of the season distance, but it was wide to the left and the score remained 14-7.

Dimmitt drew three penalties in this drive, but a pass by Kenny Doss -- after taking a pitchout from Sanders -- was good to Cleavinger for 36 yards to keep the drive going.

After the field goal attempt failed, Lockney took over on its own 20 and started the longest drive of the night that ended in the tying score.

DICKSON made three good runs and had the defense pulled in when he passed to Duckworth on a play that netted the Longhorns 50 yards to the Dimmitt 9-yard line.

Gary Langford tackled Dickson in the end zone on the next play as the Lockney halfback was attempting to catch a TD pass, and the ball went out of his hands. Glasscock kept the ball on the next play and swept around left end for the score. Mangold again kicked the extra for Lockney and the score was tied 14-14 with 38 seconds left in the third period.

Newton fumbled the kickoff and Lockney recovered on the Dimmitt 20 to give the Longhorns another good scoring chance. But the Cats held and Mangold tried a field goal. The 35-yard attempt was short, and the Cats regained possession on their 20.

ON THE first play, Chavers blasted over right tackle, angled to the sideline and outraced all Longhorn pursuers in a brilliant 80-yard touchdown run. Cleavinger kicked the point and the score was 21-14 with 10:54 left in the game.

Late in the period, Cleavinger punted from the Cats' 23-yard line and the ball went only 24 yards to the 47. Glasscock kept on the first play and ripped off 22 yards, then Doug Hodel gained 11 yards to put the ball at the Dimmitt 14.

From there, it took the Longhorns six plays against a determined Cat defense before they could get the score. Hodel got it

on a one-yard smash after he has been bounced back twice. Gambling for all or nothing, Dickson took the pitchout and swept right end for the all-important two extra points with the clock showing 3:53 remaining.

Dimmitt could not move the ball after the kickoff and had to give it over to Lockney on the Dimmitt 44. The game was still not over, and the Cats held to take over on their own 17 after a punt by Jim Bob Martin went for only 24 yards.

Chavers gained four yards on two attempts, then Sanders passed to Cleavinger on the sidelines and the end stepped out of bounds a yard short of the first down with 59 seconds left. Chavers tried for the necessary yard but was swamped by the Longhorns for no gain and Lockney took over at the Dimmitt 26 with only 48 seconds left in the game. The Cats were out of time-outs, and Glasscock kept on two dives at the line for no gain to run out the clock and spoil Dimmitt's 3-AA title hopes.

THE CATS were knocked out of any chance at the district crown as Floydada edged Abernathy 7-6 to run its season record to 9-0 and clinch the playoff berth against the Friendship Tigers of District 4-AA.

Dimmitt's 11 seniors do, however, have one more chance for a little glory that they richly deserve. They get to play the district winners in Floydada Friday night, and a win over the undefeated Whirlwinds would redeem the Cats' early-season selection as the co-favorites.

The Bobcats have lost two games by a total of only three points, and have not given up all season, despite being under the gun in nearly every district game. The boys will put on the purple and white for the last time Friday, and they are likely again to make every Dimmitt backer proud.

The boys who will play their last game for the Bobcats Friday at Floydada are Bill Sanders, Denny Newton (Dimmitt's four-year letterman), Nelson Chavers, Roy Thomas, Loy Willie, Mark Cleavinger, Jerry Cartwright, Randy Schumacher, Glen Schumacher and Gary Langford.

Lazbuddie foils Hart title hopes

Hart lost its bid for its first district championship Friday night with a 22-2 loss to Lazbuddie on the opponents' home turf.

BOTH TEAMS sported identical 6-1 season records and were undefeated in District 2-B play going into the contest.

Experience proved to be the difference as Lazbuddie — which advanced to the regional finals last year and had most of its starters back — rang up 16 points in the first quarter to put Hart in the hole early.

The rest of the game was a virtual standoff, with the second and fourth quarters scoreless. Lazbuddie broke loose for a 65-yard touchdown in the third, and later in the same period Hart's defenders dashed into the end zone to nail the Lazbuddie punter as he recovered a high pass from center.

LAZBUDDIE'S Derril Matthews ran his season point total to 120 as he scored 12 points to become the game's offense leader. He plunged a yard for Lazbuddie's first TD in the first period and passed to Charles Lee for the two-point conversion, then broke loose for 65 yards in the third quarter for Lazbuddie's final score.

Lazbuddie's sandwich touchdown in the first period came when Lee returned a punt 50 yards. Larry Hodges ran the two-point conversion to make it 16-0, and that's where the score stayed until the third period.

Hart's Longhorns were the biggest test for Lazbuddie's Longhorns in the district title race.

Friday night's victory assured Lazbuddie of the crown and the right to go into the playoffs.

Coach Doug Higgins' Hart herd is now 1-1 in district play, with two games remaining. Friday night the Longhorns will travel to Matador, and they will end their season at home against Turkey on Nov. 21 — a week after Dimmitt and Nazareth have completed their schedules.

On the Go

Mr. and Mrs. Cecil Vandiver visited recently with relatives in Wichita Falls.

DRIVING — Fullback Nelson Chavers breaks a tackle and turns the corner to pick up five yards in Dimmitt's second-quarter scoring drive against Lockney Friday night. Bearing down on Chavers is Lockney's Dickie Lambert (64). Chavers

later sputted 17 yards for Dimmitt's second touchdown with seven seconds remaining in the first half to give the Bobcats a 14-7 lead. However, the fired-up Longhorns came back to win the crucial game, 22-21.

Coach says

'We can beat Floydada'

By DON NELSON
It wasn't any easier for Coach Brown L. Smith to talk about it Monday morning than it had been Friday night.

HE LOOKED and sounded like a farmer who had just seen his crops hauled out while he was oiling his machinery.

"They beat us fair and square," he said of the Lockney Longhorns, who had gambled on a two-point conversion and knocked the Bobcats out of the District 3-AA race, 22-21. "We knew they were good, and they proved it."

It was hard to think ahead to the Floydada game. The season's final bout at Floydada Friday night was to have been the championship showdown. But now the undefeated Whirlwinds have it in the bag. No matter how Friday night's game turns out, Floydada is the district champion and will meet Frenship of 4-AA in the bi-district playoff.

"WE CAN beat Floydada if we play ball," Smith said. "We ought to be more relaxed since the pressure's off."

erwise we're in good physical shape," Smith said.

Many of Floydada's victims this year felt the Whirlwinds were lucky, that they didn't have as potent a team as Dimmitt or Lockney or Abernathy, that they were born under the right star to win so many games by the skin of their teeth.

STILL, the big Whirlwinds have won all their games, and you can't argue with success. They downed the disappointed Abernathy Antelopes Friday night, 7-6, and two weeks ago came from behind to nip Olton, 24-22, with a last-minute field goal. They skinned past Friona by a touchdown, and topped Lockney 24-20.

Whatever has been required to win, the Whirlwinds have done. They proved against Olton that they can play under pressure, and they've probably had a good dose of Dimmitt's trauma — fired-up opponents — during the year.

Coach L. G. Wilson's Whirlwinds are big and well balanced. They operate from a Texas-style wishbone T with a split end. In Frank Watson, they have the district's only 240-lb. fullback. In halfback Mike Burk, they have the place-kicker who has been worth his

weight in gold. In Jack Gregory, they have a quarterback as good as any in District 3-AA, which is rich in good quarterbacks.

DIMITT'S main incentive will ride on the shoulders of its 12 seniors, who would like to defeat the district champs in their final game.

Maybe the Bobcats will want to win it for their coach, and hand him an 8-2 record — good by anybody's standards. Or they may

DISTRICT 3-AA STANDINGS

1. Floydada (5-0)
2. Olton (4-2)
3. Dimmitt (3-2)
3. Lockney (3-2)
5. Abernathy (2-3)
6. Friona (1-4)
7. Hale Center (0-5)

This week's schedule: Dimmitt at Floydada, Abernathy at Friona, Hale Center at Lockney. Olton, open date.

Basketball season will start Nov. 21

Dimmitt High School's basketball season will begin Friday night, Nov. 21, and a full schedule is on tap for the Bobcats and Bobbies through the Christmas holidays.

DISTRICT 3-AA competition will get an early start when Lockney visits Dec. 19, then will go into high gear Jan. 6, with two games a week through Feb. 13.

The Bobcats and Bobbies have a good home schedule, with six of their first nine outings on the local boards.

Adrian will again be Dimmitt's first opponent, coming here to play Nov. 21 in the season curtain-raiser.

FARWELL will visit the following night, and the Bobcats and Bobbies will return the visit Nov. 25 in their first road game.

The local teams will then stay on the road for a week, with games against Muleshoe and Tulia, before going into their first tournaments.

The Bobcats will appear in the Plainview Tournament Dec. 4, 5 and 6, while the Bobbies are in the Friona Tournament.

A WEEK later, after a mid-week bout with Hereford here, the Bobcats and Bobbies will enter the Tulia Tournament. In the week before the Christmas holidays, they'll host Tulia, Lockney and Dumas, then the Bobcats will go to Lubbock to compete in the Caprock Tournament Dec. 29, 30 and 31.

After traveling to Dumas Jan. 2 to work off the holiday feasting, the Bobcats and Bobbies will swing into their six-week conference schedule.

Swifts win, 8-0

Nazareth's Swifts chalked up their first victory of the year Friday night when they downed Matador, 8-0, at Swift Field.

GENE SCHMUCKER, big Nazareth fullback, accounted for the Swifts' eight points, ramming through the center of the line for the touchdown and running the two-point conversion. His touchdown run broke a scoreless tie in the fourth quarter.

The victory put the Swifts in third place in the District 2-B race with a 1-2 conference record. Nazareth's season mark now stands at 1-6-1.

COACH R. B. Christian's Swifts will close out their season by hosting Turkey Friday night at 7:30.

The Matador game Friday night was only the second home game this year for the well-traveled Swifts.

Generally speaking the trout fishermen in the western states use larger flies than eastern anglers. —SPORTS AFIELD.

When the blacktail's summer coat of reddish brown changes to gray-blue, the rutting season will soon start. —SPORTS AFIELD.

Chavers gets Bobcat honor

Fullback Nelson Chavers, who gained 177 yards and scored two touchdowns against Lockney Friday night while performing yeoman service as a defensive guard, is the "Bobcat of the Week."

THE 174-POUND senior was named as the week's top Bobcat at Monday night's meeting of the Dimmitt Athletic Booster Club.

Head Coach Brown L. Smith praised Chavers for his determined effort in the Lockney game and for his performance all year as a mainstay in the offensive backfield and the defensive line.

Chavers blasted through the Lockney line for a 17-yard touchdown just before halftime Friday night to put the Bobcats out front, 14-7. In the third quarter he broke loose on a brilliant 80-yard scoring sprint for Dimmitt's final touchdown to break a tie and give the Bobcats a temporary advantage of 21-14, just after Lockney had scored its second touchdown.

Chavers was a guest of the Dimmitt Lions Club Tuesday at noon.

Holding a bass by the lower jaw normally paralyzes it. It will not flap around while thus held usually — with one exception — a green bass, one that is fresh and has not been played out. —SPORTS AFIELD.

Presenting **The VERSATILE Eversman 329**

Longer, Heavier Stronger — Built To Sell at a LOWER COST

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32'6". Width 12'. Blade capacity 1 3/4 cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

HAYS IMPLEMENT CO.

Simple solution to rising car prices.

The Simple Machine. Ford Maverick. Still \$1995*

Our small car has scored a big success. And the reason is simple—solid value. Now, with other car prices going up all around it, Maverick is going its own Mavericky way. It still costs \$1995* and that's still a small price to pay for a car that's simple to drive... simple to park... simple to service... simple to repair... and simple to own.

Simple to drive. Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage.

Simple to park. Maverick can U-turn in a tighter circle than the leading import. It can nip around corners and slide into tight parking spaces with amazing agility.

Simple to service. Maverick is easier and less expensive to maintain than an economy import. Maverick requires fewer oil changes, fewer chassis lubrications, too. You save time and money.

Simple to repair. The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself like change spark plugs, adjust ignition timing, and more. Fenders and grille can be replaced in a matter of minutes.

Simple to own. The simple machine can start solving money problems for you right now. Check it out at your Ford Dealer's. The price that made it famous now makes it a better buy than ever.

*Ford's suggested retail price for the car. White sidewall tires are not included; they are \$32.00 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

'Glass Menagerie' scenes

"I HAVE TRICKS in my pocket and things up my sleeve," says Tom Wingfield (Craig Vandiver) in a first-act narration that sets the mood of "The Glass Menagerie," which will be performed Saturday night and Sunday afternoon by the DHS drama department.

"HAPPINESS AND a little good fortune" is the wish of Amanda Wingfield (Sharon Welch, left) for her daughter, Laura (Tonya Brown) as they hopefully prepare to receive Laura's gentleman caller, whose visit has been arranged by brother Tom.

JIM O'CONNOR (Bobby Baker), Laura's gentleman caller and a former classmate, offers her a piece of gum, a symbol of his honest friendliness toward her. Jim makes the visit as a friend, not knowing how desperately and seriously Laura has built up her matrimonial hopes. "Glass Menagerie" is considered one of Tennessee Williams' most moving plays.

Loan is same, support drops on USDA's 1970 cotton rates

The US Department of Agriculture has announced the upland payment rates for the 1970 crop. THE NATIONAL average price-loan rate for middling one-inch cotton at average location has been set at 20.25 cents per pound for the 1970 crop. Price support loans available to program cooperators for different individual qualities will be based on the middling one-inch rate. This is the same rate as that applicable to the 1969 crop.

The price-support payment rate to program cooperators has been established at 16.80 cents per pound. This payment is in addition to the price-support loan. It is the amount necessary in addition to the loan to provide producers at least 65 percent of parity on cotton produced within the acreage permitted under the program. The payment is made to cooperators on acreage planted which is 65 percent of the total farm allotment. The 1970 rate compares with a 1969 program price-support rate of 14.73 cents per pound.

The USDA announcement, along with previous determinations, gives cotton producers basic information on next year's program prior to a mail referendum, Dec. 15, on 1970-crop cotton marketing copies.

IN THE referendum, at least two-thirds of the upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect. If more than one-third of the growers vote "no," the only cotton program will be price support at 50 percent of parity for growers who do not exceed their acreage allotment.

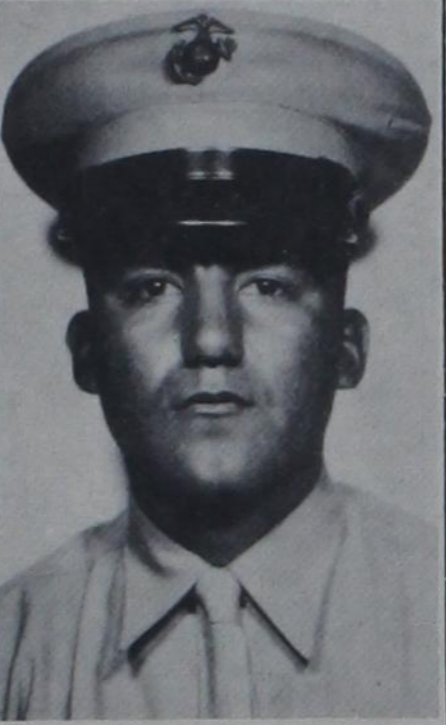

The 1970 loan rate was established under legal provisions calling for a level which will reflect — for middling one-inch upland cotton at average location in the US — not in excess of 90 percent of the estimated average world price for the 1970-71 marketing year. The loan rate announced will continue "one-price" cotton, making it possible for US cotton to move in either domestic or export channels without an export payment.

The carryover of upland cotton as of Aug. 1, 1970, is expected to fall to the lowest level since 1953. In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Special provisions for small farmers, however, will be continued.

SMALL FARMS — that is, farms with allotments of 10 acres or less or with projected production from the allotment of 3,600 pounds or less — may plant the entire farm allotment and, in addition to the price-support payment on the domestic allotment, receive payment of 11.95 cents per pound on the projected yield of 35 percent of the farm allotment.

Previously announced were upland cotton quotas, national and state acreage allotments, national and farm domestic allotments, national and state projected yields, skiprow planting provisions, the lease and sale of allotments, and the national export market acreage.

Payments under the program would be subject to any limitation that might be required by Congress in the Department of Agriculture appropriations.

HOME — Marine Pvt. Reynaldo Reyes, son of Mr. and Mrs. Nasario Reyes, 310 NW Third St., is home on leave after four months' service at San Diego, Calif. He is visiting with his wife, Mary, and her parents, Mr. and Mrs. Lee Rodriguez, in Hale Center. Reyes plans to study radio electronics.

Abilene to host state convention of Farmers Union

Abilene will host the 66th annual convention of Texas Farmers Union Dec. 4-6.

ACCORDING to officials of the statewide farm organization, the fact that the Plains is generally referred to as "Farmers Union country" assures a large attendance and the "biggest convention in the organization's history." The convention headquarters will be the Windsor Hotel.

An array of speakers and a full program awaits these farm and ranch families who will attend the convention this year. Among the headline speakers will be Tony L. Dechhand of Denver, president of the National Farmers Union; Alberta Farmers Union, Alberta, Canada; Sen. Ralph Yarbrough; Fred Heinkel of Missouri, president of the Mid-continent Farmers Association; Gordon Twedt, president of the Montana Farmers Union; and Ray Novak of Denver, executive vice-president of National Farmers Union Insurances.

The convention will give priority attention to adopting a state program to guide the policy direction of the organization during the coming year.

The first draft of the proposed program, composed of resolutions from the 120 chartered county organizations, will be written by a drafting committee that will meet prior to the convention. STATE officers for 1970 and delegates to the National Farmers Union Convention will be elected by secret ballot from nominations made on the floor of the convention. The National Farmers Union convention will be held in Denver in March.

The two-year terms for district directors from Districts 1, 3, 5, 7 and 9 will expire at this year's meeting of the board of directors, and executive committee members from these districts will be elected for two-year terms. The meeting of the full board of directors will be held at the convention location on Dec. 4.

New Cub den meets Friday

The new Cub Scout Den 1 held its first meeting Friday afternoon in the home of Mrs. Stanley Leonard, den mother.

PRESENT were seven 8-year-old boys — David Allison, Randy Durham, Leslie Heart, Gary Malone, David Nelson, John Perkins and Billy Leonard. Mrs. Leonard said several more boys may be added to the den later.

Mrs. Leonard served the boys cake and ice cream, and they sang "Happy Birthday" to David Nelson, whose eighth birthday came on Nov. 12.

Instead of having a permanent assistant den mother, each of the boys' mothers will take turns helping Mrs. Leonard and serving refreshments.

Wool producers need documents

Wool producers were reminded this week that they should bring sales documents for shorn wool and unshorn lambs to the Castro Agricultural Stabilization and Conservation Service office to earn incentive payments for the 1969 marketings.

SALES of both wool and unshorn lambs may be included in a single application for payment, according to Charley E. Hill, office manager of the Castro ASC Committee.

Producers also were reminded that purchases of all unshorn lambs, including the lambs in ewe-lamb pairs, must be reported when application is filed for wool incentive payment. Hill said wool producers occasionally overlook reporting purchases of replacement stock, but the ASCS county office must have an accurate record of purchases as well as sales of unshorn lambs.

Wool delivery expenses not shown in the sales documents should be reported when producers apply for incentive payments. The ASCS office manager pointed out that under the National Wool Act, all producers who market wool and mohair in 1969 are eligible for incentive payments.

SHORN WOOL payments to a producer are equal to a percentage of his returns from sales. The percentage is that required to raise the national average price received for shorn wool by all producers up to 69 cents a pound. Mohair payments are determined in a similar manner, with the national incentive price set at 77.4 cents a pound.

Grain contest deadline near

Saturday is the deadline for members of the Dimmitt Young Farmers to enter the chapter's 1969 Grain Sorghum Contest. THE THREE goals of the contest are to encourage high yields, profit efficiency and record-keeping. These will be the judging points.

Entries in both milo and corn are being taken. Those who have entered the Milo Contest so far are Jess Willard, Garry Moore, Howard Smithson, David Cole, Richard Hunter, Danny Bruton, Glen Odum and Dale Reeves.

Entrants in the corn contest so far are David Cole, Glenn Odum, Danny Bruton, Howard Smithson, Garry Moore and Jess Willard.

PLAINS MEMORIAL HOSPITAL
It's a girl for Mr. and Mrs. Charlie Hill of Dimmitt. She was born Nov. 4, weighed 7 pounds, 8 ounces, and has been named Traci Rane.

Mr. and Mrs. Jose Garza of Hereford became the parents of an 8-pound, 5/4-ounce boy on Nov. 2. They have named him Abel.

A 5-pound, 5-ounce girl was born Nov. 5 to Mr. and Mrs. John Wesley Chavers of Dimmitt. She has been named Johnnie Ruth.

Mr. and Mrs. Harold Durbin of Nazareth became the parents of a 5-pound, 12 1/2-ounce girl last Thursday. She has been named Kelli Lynn.

Schumacher's mother dies

Funeral services were held in Sunray Saturday afternoon for Mrs. Angela Klement Schumacher, 74, mother of Andy Schumacher of Dimmitt.

Mrs. Schumacher, a resident of the area for half a century, died Friday in Dumas Memorial Hospital.

FUNERAL mass was read at 2:30 p.m. Saturday by Father Kevin Hand in Christ the King Catholic Church of Sunray. Burial was in Lane Memorial Cemetery, under the direction of Sunray Funeral Home.

Born Jan. 21, 1895, in Austin, Mrs. Schumacher moved from Munster to Hereford with her husband, Clem, in 1920. In the late 1930s the family moved to Sunray. Mrs. Schumacher was an active member of the Sacred Hearts Parish and the Altar Society in Sunray. She also had been the cook for the Sunray Lions Club and Jaycees.

Survivors include two sons, Andy of Dimmitt and Ernest of Sunray; two daughters, Marie Leervald and Mrs. Adeline Leervald, both of Hereford; 18 grandchildren and 13 great grandchildren.

Electric motors have new legends

Electric motor manufacturers have made a change in markings of motor nameplates, and knowing their meaning can help buyers select a motor that's right for the job.

W. S. ALLEN, Extension agricultural engineer, says the older-type motor marking indicated the "degrees rise" which showed how much warmer the motor would be than the surrounding air temperature.

For instance, a motor marked "40 deg. C Rise" was designed to operate 40 degrees centigrade (72 degrees F.) warmer than the surrounding air.

The nameplate did not say so, but most motors were meant to operate safely with an air temperature of 104 degrees F.

THE NEW markings, says Allen state the maximum ambient (surrounding air) temperature in which the motor is meant to operate, and the type of insulation, such as Class A, Class B, etc.

Selecting a motor with adequate horsepower to do the specific job is still a must, and the new types are not designed to be overloaded any more than the old type, Allen cautions.

More About Clubs open

(Continued from Page One)

education program next year because of the progress she has made.

"FOR SO many years we have been accustomed to these children being kept at home," she said, "and most of us never saw them. We were all equally guilty of shutting them off into the back room."

She said one girl in her class "didn't make a sound when she first started with us, but she is now talking."

A boy in the class, she said, stayed in the house all the time, never played with his brothers outdoors and would not lift his feet when he walked. He had to be helped up and down stairs.

"NOW HE can walk naturally, can be trusted to ask for help when he needs it, and plays outdoors with his brothers," she said. "He also can tell you which lady helps with the class on which days, and he has memorized the TV schedules."

These gains are the result of the youngsters learning the pride of accomplishment and developing ambition while working with others at their own pace, she said.

"I think we owe credit to the Kennedy administration for the advances and programs in this field," Mrs. Conard said. "The Kennedys had the situation in their own family and faced up to it. President Kennedy felt something more could be done than what was being done."

THE ULTIMATE goal of the center is to make the youngsters productive adults who will be at least partially self-supporting. They will be able to perform menial jobs either in their home towns or in special "sheltered workshops" that are being set up by human development centers in metropolitan areas. These "sheltered workshops" will contract for hand-made items or assembly-line fabrication of consumer products.

LUCKY CHARM — Hart High School's five peppy cheerleaders show the "good luck charm" that was made for the Longhorns this year — a maroon cut-out football with white lettering, which has been at every pep rally and game. It has worked well this year, too, with the Longhorns compiling a 7-2 record so far, although they lost to Lazbuddie Friday night in the district championship game. The cheerleaders, from left, are sophomore Sylvia Gonzales, senior Vicki Six, junior Roni Cox (head cheerleader), sophomore Cindy Dyer and freshman Suzanne Hawkins.

Announcing... BIG LIQUID FERTILIZER APPLICATOR!

To add to our service we now have a big applicator pictured above to apply liquid fertilizer to your field your stubble or your wheat crop.

Sol-u-Phos sprayed on stubble creates rapid deterioration and rotting, turning organic matter into plant food and prevents tie up of nitrogen needed by the following crop.

- Sol-u-Phos sticks to stubble becoming an integral part of it, no waste and loss.
- Hastens rotting and deterioration of residue.
- Makes land easier to farm.
- Sterilizes a great deal of weed seed and volunteer.
- Adds plant food to field.
- Increase production and yields.
- Plants come out earlier in spring.
- No labor involved.
- Avoids spring rush and spreads work load.
- Puts soil in better condition.
- Avoids crop infury.
- Proven agronomically sound and economical.
- No soil compaction.
- Runs in rain, snow, or sunshine.
