Anyone who has not found from one to a case of empty beer bottles in his front yard since Precinct 4 went wet can count himself exceedingly lucky. There are people among us who, during the daylight working hours, seem to be good, law-abiding citizens. But from about 9 p. m. until midnight on most days of the week and especially on Saturday, they become virtual fountains of beer bottles, scattering them in people's yards, along the highways, in the park, at the airport, and anywhere else they can toss a bottle or can without being seen.

The county was forced by law to go along when Precinct 4 was voted wet. Most everyone we talked to said it was a free country and if the law said Precinct 4 could vote itself wet then that was the way it ought to be.

For the most part this has been a reasonable attitude, even a generous one. The people of Dimmitt have been far more lenient in spirit than were the people who forced the wet issue in the first place. And we must admit that the number of arrests has not increased significantly (there are probably less drunk arrests now than there were arrests for bootlegging before) and liquor violations have been rare. So far there has been no great change in the community, although the long-run results remain to be seen.

But there has been a change in amount of the litter scattered here and there in the form of bottles and cans. It would be a full-time proposition—and then some—for someone to keep the county cleaned up.

In some areas the package store operators go together and hire a man and truck to do nothing but pick up after their customers. Those operators make at least that much effort in the name of civic pride.

Some people know how to see the good side of everything. It seems the east wall of Choc Lay's Magnolia Service Station blew down in one of those high west winds we had a few days ago. Instead of repairing the wall, Choc just frames the hole and uses it for a big door.

Information we forgot to include in last week's feature article on city government: Dimmitt city commissioners are paid \$37.50 per month and the mayor is paid \$50. Their salaries are set by law, although they are eligible for a raise. These wages were set when Dimmitt was less than 2,000 population. Now that they are in the 2,000-5,000 bracket they are eligible for a \$50 a month salary for commissioners and \$100 for the mayor. It is difficult to say whether they receive enough for the job or not. However, it is significant that during most election years it is difficult to round up even one candidate for each vacancy.

Amarillo, the shopping mecca to the north, has had for some time the nebulous distinction of containing more self-appointed patriots per square foot than any other incorporated municipality in the land. Characteristically, these super-patriots are also arch-conservatives and they say they are devout fundamentalist Christians. As to this latter claim, there is undoubtedly room for accusations of gross hypocrisy.

This sad facet of American ethnic principles has now, perhaps, taken a turn for the better. If you remember, a Mrs. Harold Boots said at the textbook hearing in Amarillo that she wanted to ask Rep. Ronald Roberts of Hillsboro if he were "still a card-carrying communist." He wasn't there at the time, having stepped out momentarily, but he made a good reply last week: He filed a slander suit against the woman.

One of the big reasons for the cancerous growth of the irresponsible far right has been their seeming immunity from having to back up their wild accusations. Now, perhaps, the worm is turning. If these people find they have to prove their venomous assertions before a court of law we're apt to find there are a lot less communists, socialists, pinkos and the like in the country.

## Teachers, Parents To Hear Talk

The Dimmitt chapter of the Classroom Teachers' Association will hold its annual public-relations meeting in the high school auditorium at 8 p. m. Friday, March 23, 1962.

Both junior high and grade school bands will give a short concert before the meeting begins.

Dr. Emmitt Smith, Director of Teacher Education, and Co-ordinator of Public Service of West Texas State College will be the speaker. He will speak on the subject of curriculum improvement.

Dr. Smith holds the Bachelor of Science, the Master of Education, and the Doctor of Education degrees.

Supt. Paul Hilburn urges parents and all interested persons to attend.

## CITY - WIDE

# BONUS DAYS

Dimmitt's "Bonus Days" start Tuesday and will be a weekly affair each Tuesday thereafter with local stores offering special prices as local trading bonuses.

"Bonus Days" is under the direction of the Castro County Chamber of Commerce. The Chamber Bonus Days committee is made up of Al Jackson, manager of Cobb's; Nolan Froehner of Froehner's Variety; Harry Brown of Bob's Super Market; Chuck Munsell of Taylor & Sons Food Store; Wade Maynard of

Harman's Dept. Store; Jimmy Manning of Manning's; Charles Vaughan of White's Auto; Sandy Parsons of Parsons Rexall Drug; and E. O. Henderson of Henderson's Variety.

"Beginning Tuesday each merchant will place a large sign in his window showing his biggest special for the day. The big special sign can be easily picked out because it will usually be upside down or sideways or particularly big," committee chairman Jackson said this week. "These values will be

good ones. There won't be any efforts at 'unloading' inferior merchandise or anything like that. These will be real values on normally fast-moving merchandise."

The Bonus Days venture is a long range program, aimed at keeping shopping dollars at home. Nearly all merchants, including lumber yards, implement dealers, and service businesses such as barber shops, will be taking part in the program.

This is the first concentrated sales program, other

than dollar days, to ever be carried out here. There will be no prizes or promotional gimmicks, Jackson emphasized. "We're depending on real, city-wide values in merchandise and services as the foundation of success for the program," he said this week.

Local shoppers can come to town and shop the windows which will be dressed up with signs covering both the Bonus Day special and other prices reduced for the day.

Firms participating will be:

## Revival Services Start Sunday at Methodist Church

Revival services will be held at 7 a. m. and 7:30 p. m. from Sunday, March 25 through April 1 at the First Methodist Church in Dimmitt.

Evangelist for the revival will be Rev. J. H. Crawford, pastor of the First Methodist Church of Plainview. This is his first appearance in Dimmitt.

Song leader will be another member of the Plainview Church, Mr. Homer Garrison, Hale County farmer and business man.

Rev. Crawford is a member of the McMurry College Board of Trustees and Executive Committee trustee of the Methodist Home at Waco, chairman of the Conference Pension Foundation Board, Member of the Board of Publications of the Methodist Church and was delegate to both general conference and Jurisdictional conference in 1960. He holds BA and DD degrees from McMurry, BD from Perkins School of Theology at Southern Methodist University. He was district superintendent of the Stamford District from 1947 to 1953 and was pastor at Lamesa prior to his appointment to his Plainview church.

Pastor of the Dimmitt Methodist Church Rev. Hugh Blaylock said this week that "Rev. Crawford is recognized as being one of the outstanding leaders in the Methodist Church of this area."

"Mr. Garrison is a successful farmer and former businessman in Hale County," Rev. Blaylock continued, "and is considered an excellent song leader. He was, for many years, the Mercury dealer in Plainview and is an active leader in his church, serving in many places of leadership. He has given much time to the music program of his church and at present is directing the music for the Sunday evening worship services of his church. Mr. Garrison is an outstanding layman, and is well experienced in song leading for revivals."

Everyone is invited.

**GOES TO DALLAS**  
Mr. and Mrs. Iris Touchstone accompanied their daughter Mrs. Maxine Childress to Dallas where she will receive treatment for her eyes.

Visitors in the home of Mrs. W. L. Alexander Sunday were Mr. and Mrs. C. P. Hussey and Mr. and Mrs. William B. Carrey of White Deer.

## Last Rites for Mrs. Waggoner Held Monday

Mrs. Perneca Patton Waggoner, 65, of Dimmitt, died at 4 p. m. Saturday in Taylor Clinic in Lubbock following a lengthy illness.

Her body was transferred to Dennis Funeral Home in Dimmitt for services and burial. Services were Monday at the High School auditorium. Arrangements were by Rix Funeral Home.

Mrs. Waggoner was born in Hopkins County, Texas, September 28, 1896 and was the daughter of Mr. and Mrs. A. J. Patton. She moved with her family to Wilbarger County in 1905.

Perneca Patton and Edward Waggoner were married in May 1911. To this union were born three children. Mr. and Mrs. Waggoner moved to Castro County in 1924 where they resided in the Cleo Community until 1933 at which time they moved to Dimmitt. She was a member of the Church of Christ since youth. Her husband preceded her in death in 1960.

Pallbearers were grandsons of the deceased: Wade Carroll, Glenn Williamson, Kenneth Becknel, Jess Pharis, Larry Gamblin, Eddie Winston and Harold Waggoner.

Survivors are a son, Euleas of Dimmitt; two daughters, Mrs. C. J. Fowlkes, 103 Ave. U, Lubbock; and Mrs. Rex Carrell, 2619 36th St., Lubbock; two sisters, Mrs. Drue Baggett, Harold; Miss Maude Patton, Sulphur Springs; two brothers, Ed Patton, Chico, and C. L. Patton, Hugo, Okla.; 11 grandchildren and 5 great-grandchildren.

**TICKETS STILL AVAILABLE**

Coach J. D. Covington said Wednesday that there were still a few tickets left for the general public to attend the athletic banquet to be held Saturday night. The tickets are available at the Chamber of Commerce Office.

## Lee Street Baptist Church Plans Revival

A revival meeting will begin at the Lee Street Baptist Church, March 25 and run through April 1. Prayer services will be at 7:30 and preaching services at 8:00 each evening.

Bro. Jerry F. Dawson, assistant professor in history at Wayland Baptist College, Plainview, where he has taught since 1960, will be the evangelist. Leading the music will be Wendall Hendricks, a Wayland junior religious education major from Plainview.

Rev. Dawson, who has completed his residence requirement for the doctor of philosophy degree at the University of Texas, is continuing historical research for his dissertation while teaching at Wayland. He holds the M. A. degree with a major in history and a minor in philosophy from the University of Texas.

His first two years of undergraduate work were done at Wayland and his B. A. degree was earned at Mississippi College from which he was graduated with special distinction.

While studying at the University of Texas, Dawson served as pastor at McDade Baptist Church near Austin. He also taught the sixth grade in the Elgin public schools. A native of Borger, Dawson has spoken frequently before Panhandle groups and church congregations.

A cordial welcome is extended to the public to attend these services.

**ATTEND SHORT COURSE**

Mrs. George Bradford and Mrs. Goodwin Miller attended the Texas District Garden Club short course at Texas Tech student center Tuesday.

## Talent Show Contestants to Appear on TV

Preparations for the Dimmitt Jaycee Talent Show to be held Saturday evening, March 31, at 8 p. m. in the High School auditorium are moving along rapidly, with more than twenty numbers already entered.

Several of the talent show contestants will appear on KGNC-TV during Cotton John's Farm and Home Show at 12:30 p. m. March 31 and winners of the talent show will also appear on the program at a later date.

According to program chairman Fred Bruegel, Jr., the show will include local talent only, consisting of three age groups, age one through twelve, teenage, and an adult group. Anyone interested in entering the show should contact Bill Culpepper. Tickets are \$1.00 for adults and 50 cents for students. Tickets may be purchased from any member of the Dimmitt Jaycees or at the high school auditorium the night of the show.

Awards will be presented to the first, second, and third place winners of each age group along with their opportunity for the TV appearance sometime after the show. "We think we've worked up a fine program of entertainment, and we invite everyone to attend," Bruegel said.

## New Pavement Program Begins Here In Month

The Dimmitt City Commission on March 14 awarded a contract to the firm of Hodges & Teirmen of Lubbock for some thirteen blocks of paving.

Work on the proposed paving will begin after necessary paper work has been completed in about a month.

There will be no general straight through street paving, only random blocks where requested. According to city manager E. B. Noble, most "leave-outs" in the city will be paved. Leave-outs are unpaved segments extending half way out into the street along the front or side of an adjacent lot.

The City will pay ten percent of the total cost out of the general fund and the remainder must be paid by property owners alongside the paving. Property owners may still sign up for paving, although city's budget for participation will not stand much more.

Cost of the work will be slightly less than \$5 per running foot on a 34-foot wide street, making this one of the best bids for this type of work received by the city in recent years. No flat rate was announced because the price depends in the individual intersection situation, among other things.

Also to be paved, but not with city participation, will be Circle Drive, which will provide access to the new Dimmitt High School when it is completed.

The program will cost the city's general fund from \$7,000 to \$8,000,

## Latin Boys Admit 16 Break-ins Here

A man who hid himself in the Dimmitt Food Locker Wednesday evening caused the capture of two Latin-American youths and the subsequent clearing up of some thirteen recent burglaries dating back to October 30 last year.

The man, who did not want to be identified, caught the 10 and 14-year-old youths and called city marshal W. W. Jones and Patrolman Tom Finley. The youngsters admitted:

1. Breaking into Dimmitt Food Locker four times through a back window, taking \$15, \$8, and \$17.60 and were caught the fourth time.
2. Entering Seale Florist two times.
3. Breaking into Dimmitt Sheet Metal twice.
4. Burglarizing Dimmitt Laundry twice, taking small change.
5. Entering C & P Pump Company but nothing was taken.
6. Stealing a case of Budweiser beer from a red station wagon.

Jones said the youths families had made restitution and the boys were on probation.

## City Election Absentee Voting Ends March 31

Absentee voting for the city election will close at noon on March 31. Anyone who wishes to vote in absentia should appear at the city hall before noon on Saturday to vote if they plan to be out of town on election day April 3.

## Absentee Voting In Trustee Election Starts

Election of Dimmitt school trustees will be held April 7 and absentee voting will cease on April 3, three days prior to the election date according to the election laws. Anyone wishing to vote in absentia may do so at the county clerk's office in the courthouse.

There are three posts to be filled. J. G. Davis, Jim Elder, John Nichols, and A. J. Kemp are on the ballot. Davis and Elder are running for re-election.

## SON BORN

Born to Mr. and Mrs. Bobby Jones a son, Friday, March 16. The little one has been named William Craig. He was born in Hereford, Texas and weighed 6 pounds and 11 ounces.

MAKING PLANS for their merchandising activities during Bonus Days this week were the staff of the local Southwestern Public Service office. They are, left to right, Joyce Nelson, Pat Porter, Earl Brock and Chamber of Commerce manager Eddie Coltharp. They will join with some forty-five other firms in promoting the special merchandising day each Tuesday.

# Subsidies Almost Universal

(Ed. note: The following article was taken from the Baptist Standard, March 19-23, and is reprinted here because of its particular significance in this agricultural area.)

By CARL A. CLARK  
Professor of Pastoral Ministry  
Southwestern Seminary

These days I hear a great deal of complaint about the large tax costs involved in agricultural subsidies. I realize this is a very controversial issue in American life. Many people are very vigorous in insisting on agricultural subsidies

and others are just as vigorous in opposition to it.

I do not wish to become embroiled in the controversial issues but I would like to do two things. First I would like to present some facts with the attitude that we are neither praising nor condemning, and second it seems to me these facts can contribute to a better understanding of the national issue on the part of both rural and urban people.

History  
It seems that the United States government has been in some kind

of subsidy to certain segments of the population since its very beginning. In 1789 the second act of the First Congress was to enact a tariff law to protect the industry of America. This first congress also set up a subsidy for the American Merchant Fleet providing for a 10 per cent reduction in customs duty and a tax tonnage for goods shipped in U. S. vessels.

In the early days, from 1827 to 1866, the government granted six million acres of public lands for canal building and river improve-

## LEGAL NOTICES

**LEGAL NOTICES**

"NOTICE OF HEARING OF SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS, AND ON OTHER MATTERS WITH REFERENCE THERETO WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF DIMMITT, TEXAS, BEGINNING ON THE 11th DAY OF APRIL, 1962, AT 7:30 O'CLOCK P.M.

TO ALL OWNERS AND TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS OR AVENUES OR PORTIONS THEREOF IN THE CITY OF DIMMITT, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES OR THEIR AGENTS AND ATTORNEY

You are hereby notified that the City Commission of the City of Dimmitt, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof, hereinafter described; and the City Commission has approved and adopted the estimate, statement, and report of the City Engineer and has taken other proceedings with reference to the making of such improvements, and all of which are of record in the minutes of the City Commission of the City of Dimmitt.

NOTICE IS HEREBY GIVEN:

1. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon the property abutting the streets or avenues, or portions thereof, in the City of Dimmitt, Texas, hereinafter named and to all other interested parties and to their agents and attorneys, before the City Commission of the City of Dimmitt, Texas, which hearing shall begin on the 11th day of April, 1962, at 7:30 o'clock P. M. and shall be held in the City Hall of the City of Dimmitt, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments; the lien and liability thereof; the special benefits to the abutting property and the owners thereof by means of the improvements for which such assessments are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The City Commission shall have

power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during, or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of any improvements abutting the property for which the assessment is levied. All of said owners, claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and of record with the City Secretary of the City of Dimmitt and particularly to the estimates of the City Engineer, and to the proposed assessment rolls for any exact amount to be assessed against the abutting property and the owners thereof within the limits hereinafter set forth; and the City Engineer's estimates and proposed assessment rolls being on file in the city office with the City Secretary of the City of Dimmitt, Texas.

2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving, or repaving of said streets or avenues, or portions thereof, and by the construction or reconstruction of the concrete curbs and gutters, and by the construction of such things and other and necessary incidentals or appurtenances as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb, and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt penetration wearing surface on six-inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such a nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

3. The streets and avenues or portions thereof to be improved within the limits designated by the City commission are listed below as they have been divided by the City Commission of the City of Dimmitt into separate and distinct improvement units. The designation of such streets or avenues or portions thereof and such other information is as follows:

**LEGAL NOTICES**

THE STATE OF TEXAS

TO: J. C. COPE and wife, Mrs. J. C. COPE, and if either be deceased, to the heirs, the unknown heirs and legal representatives of each of the said J. C. Cope and Mrs. J. C. Cope, and to VELLA LACK and her husband, if she be married, and if either the said Vella Lack and her husband be deceased, to the heirs, the unknown heirs and legal representatives of each of the said Vella Lack and her husband, Defendants, GREETING:

You are hereby commanded to appear by filing a written answer to the Plaintiffs' Petition at or before ten o'clock A.M. of the First Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday, the 30th day of April, 1962, at or before ten o'clock A.M. before the Honorable District Court of Castro County, Texas, at the Court House of said County in Dimmitt, Texas.

Said Plaintiff's Petition was filed in said court on the 14th day of March A. D. 1962, in this cause, numbered 2667 on the docket of said court, and styled, J. W. CARMICHAEL, ET UX, ELLA RAE CARMICHAEL, Plaintiffs, vs. G. W. BUSSY, JR., ET AL, Defendants.

The names of the parties to the cause are as follows: J. W. Carmichael, et ux, Ella Rae Carmichael, are Plaintiffs, and G. W. Bussy, Jr., Mrs. Lola Bussy Collins and husband, Sandy Collins, Roy Bussy, Ira Bussy, Archie Bussy, and J. C. Cope and if he was ever married, Mrs. J. C. Cope, and if the said J. C. Cope or his wife, if he was ever married, and Vella Lack and if she be married, her husband, if the said Vella Lack or her husband, if she is married, be deceased, the heirs, the unknown heirs and legal representatives of each of the said J. C. Cope and his wife, Mrs. J. C. Cope, if he was ever married, and Vella Lack and if she be married, her husband, if the said Vella Lack or her husband, if she is married, be deceased, the heirs, the unknown heirs and legal representatives of each of the said Vella Lack and her husband, if she is married, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Trespass to try title covering all of Lot No. 3 in Block No. 87, of the Original Town of Dimmitt, Castro County, Texas, for the title to and possession of the above described property, and Plaintiffs also allege and claim ownership and title to said property under the Five Year and Ten Year Statutes of Limitation, and Plaintiffs pray for the title to and possession of such property, and that the cloud cast upon Plaintiffs' title by the Defendants be removed; as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court at office in Dimmitt, Texas, this 15th day of March, A. D. 1962.

Attest:  
Zonell Maples

### First Christian Church Activities

Bible School attendance at the First Christian Church in Dimmitt has averaged almost 40 in this two year old congregation of 36 members. This is a gain of almost 8 over the same period of 1961 when the church was about one year old. The school meets at 9:45 a.m. each Sunday with graded classes for all ages. Paul Fry, Manager of the Flagg Gin is the Superintendent. Average attendance at the weeks

Spring Tune-Up Campaign which was concluded last Sunday was good and more consistent than in any previous meeting conducted at the church; one adult convert was baptized and added to the membership roll. Minister Bedford W. Smith stated.

Minister Bedford W. Smith who attended the West Texas-New Mexico Christian Convention at the Parker Heights Christian Church on Tuesday and Wednesday at Odessa reached home in time Wednesday evening to take part in the concluding end of the regular Bible Study at the church here which

meets from 7:30 to 8:30 p.m. each midweek. He was a Convention speaker.

"Paul's Gospel to the Romans" will be the first of two sermons series on the Book of Romans. ## We Want Better Movies

Film producers spend millions of dollars each year to film movies for the public to view. Some are excellent, and wonderful for all ages, some are mediocre, and the rest are trash.

We want better movies. Often movies shown on Saturday nights are not suitable for anyone, and certainly not for children. However, Saturday is the time children pick to go, and parents allow them to go, not realizing what kind of show they are going to sit through. Most parents seldom, if ever, go to the show, therefore, they don't pay a great deal of attention to what movies are being shown.

Moving pictures that have been released from Hollywood recently should be strictly for those people who are intelligent and mature enough to be able to see through what is being shown on the screen and grasp the thought or meaning that is behind it. If they cannot they can only be bored and confused.

The sale of tickets should be controlled to prevent these people from being exposed to the off-color movies that are sometimes shown. It is not always possible for the management to do this because if they refuse to admit children under 16, parents that bring their children with them may be insulted if the theatre refuses to sell them a ticket. However, they should, in some way, regulate the flow of people that see these. Perhaps they should print on the marquee "Adults Only" for films that need to be labeled such. Then parents that bring their children to the show and pick them up afterward, would have the opportunity to know that the show is adult entertainment and not allow their children to see it. They could say "No person under 16 years of age will be admitted unless accompanied by their parents". Then if the parents wanted to allow their children to see the show it would be their decision.

The question is, "Why is Hollywood filming so many obscene films, and what can we do about it?" Film producers make pictures that will make the most money. This means they film shows that the majority of movie going Americans want to see, which does not speak well of the American public. In large towns trashy movies appeal to many people. These people are nearly always those that have not received an education and therefore are not intelligent enough to appreciate good, wholesome movie entertainment. Nevertheless, these are the ones that go to the movies, and cause off-color movies to make millions of dollars.

This sort of thing is not true in Dimmitt, but this is because we have a very high standard, and grade A citizens. These movies do not go over in Dimmitt, and you might say, "If they are not accepted here, why are they shown?" After a film has been made it is released to Movie Distributors who in turn send them to the individual theatres. If the manager refuses to show the film he must pay the distributors anyway. He cannot hold over the previous movie because he has a deadline to meet in getting the films back to the distributor. This would cause him to have to close his business which he cannot do without losing money.

What can we do? It depends entirely on how seriously we will work to get it changed. A national boycott of this type movie would force producers to make better movies. However, this is, of course highly unlikely, because of the many people that attend this sort of movie.

Another possibility would be through a congressional act that would put a strict censor on movies. But that would infringe on the freedoms and rights of these people to film what they please, and our government is founded on democracy. However, government regulated railroads when they became so corrupt that they were selling some tickets at exorbitant prices while others were given away. So maybe government should step in and try to regulate and censor movies.

The American public can stay home watching television and see better, more wholesome movies that they can in the theatre. This is because most movies made prior to 1955 have been sold to television. Movie theatres, then, are forced to show those movies that have been made since that time.

A third, and highly unlikely, way is to write to Hollywood companies and producers and appeal to their sense of decency. In most cases their want of money will overcome whatever sense of decency they may possess.

In a town the size of Dimmitt entertainment for young people is limited. The movie is about the only place to go, unless it is out running up and down the streets, or going out of town. We would like to see our movies improved. Good movies are an asset to a community, just as bad ones are a detriment. We want to see good movies rather than waste our time and money on trash. We don't want to see Frankenstein and his buddies or someone's mistaken idea on life and we're tired of having it thrown in our faces.

If you would care to express your opinion, I, the Editor, would like to hear it.

## One Act Play Cast Attends Eastern New Mexico Drama Festival

Dimmitt High School's cutting of "Cheaper By The Dozen" was given an excellent rating at the Eastern New Mexico Drama Festival at Portales last Friday. Larry Scoggin was presented a certificate of recognition for his role as Frank Gilbrith.

Seventeen one act plays were presented on Friday and Saturday by West Texas and New Mexico Schools. Dimmitt cast members felt very proud that they could receive a rating of excellent and place one cast member on the all star cast out of the many schools represented.

On March 30, 1962 Dimmitt High will compete with Tulla, Friona, Canyon and Dalhart in the District One Act Play contest on the campus of West Texas State College in Canyon.

The Drama Festival closed Saturday night with a party and dance at the Student Center. The Del Mars of Clovis, New Mexico, played for the dance.

Those attending the festival were: James W. Bates, Sponsor, George Wall, Arnold Acker, George Froehner, Mike Goodwin, Wayne Measham, Mike Patterson, Jerry Morris, Deborah buckmaster, Gayle Buckmaster, Kitty Robinson, Beth Beecher, Donna Beyer, Larry Scoggin, Robert McLean, Steve Wesson, Kathy Gollehon, Kay Williams, Kathryn King, and Mrs. Katy Buckmaster.

The group is looking forward to another Drama Festival and also they hope for your support as they go to district.

## PLAY CRITICISM

The following criticism was given by Dr. Peter Marroney Director of Drama in Tucson, Arizona, at the Festival last Friday.

Over-All Criticism of the scenes at first lacked movement with the characters remaining in static positions for a period longer than is acceptable. (2) The dialogue should be handled with a sense of vitality and in the mood of each individual character. The director's responsibility in presenting a play of this kind is to guard against similarity in voice projection and body movement. The children of the family in this kind of play generally one person leads and the others accept not only his tempo and rhythm but also his character qualities.

## CHARACTERS

Frank: Frank was played with understanding and great dimension in both the narrative and the action position of the play. He conveyed much of the effect of the period through his confidence and poise in both instances mentioned above.

Ernestine: Ernestine should follow Frank in his appreciation of the hidden humor in the dialogue and the audience will enjoy the little comedy points. If the actor displays an enjoyment and understanding, then she can project them to their fullest effect to the audience.

For the others I would have to group them since most of the play's affect depends on team work. There wasn't quite enough inner relationships between character to character, except possibly the father who in most cases gave us an effective and mature, commanding person. He is to be commended for his successful handling of the scene of his departure. The young lady who portrayed the mother should distinguish between what is often regarded as a humble and estaid, quality from liturgy or ineffective speech. In action the director should contend for consistency to achieve the felling of the period.

## CAMPUS CHAT—Strictly Feminine

I heard that the Americans don't know how to parlevous a cow. Imagine that!! Since they were having a gay Parisienne festival I decided to keep my French eyeballs peeled for any happenings that would remind me of my native land. As I entered the club "Gay Paree" I was immediately reminded of home by the definitely French atmosphere. I was surprised to find that genuine French waiters had been imported for this event. Oh yes, and it wouldn't have been complete without those intriguing little French cigarette girls.

As I passed one table, I noticed that Kent Gabel was wearing a look of surprise. It seems he doesn't know his own strength—he broke a glass while playing a song with a spoon. One of the waiters must have been sipping the cognac. A. D. Schreck couldn't tell Lowell's sleeve from his glass evidently because he tried to shovel ice down it.

Steve was thankful for the glass of water that was requested for him. After he realized his love letter was being revealed to everyone he needed it. And I thought Steve never got embarrassed!! Wayne and Tony can't seem to get along without their "sugar" so now instead of giving it to Beth and Donna they're wrapping it up in tin foil.

Wait! What's this? Whistling? Oh, the cigarette girls just arrived. Later I found these same Parisiennes dancing to the strains of "Squaws Along The Yukon"?? Wayne and Donna must have been a little unhappy, or else didn't care for the music. It looked as if they were not feeling like gay Parisiennes for a while.

Carole and Don must have caught the true atmosphere of Paris—I don't think they sat out over two dances. Believe it or not, Sharon and Tuffy didn't even have a fight at the dance, in fact, they even smiled at each other every once in a while.

A funny thing about Mike, Lowell, and Garry. They had dates to the banquet but they came to the dance alone. But they seemed to have a good time anyway.

It seems the song, "To Know Him Is To Love Him" has some effect on James and Jean. At least you would have thought that if you could have seen them dancing to it.

Every good day comes to an end for some people, but not the senior girls. After the dance they all congregated at Martha Nell Taylor's house for a slumber party. With all the good food, listening to themselves on a tape recorder, and playing tricks on Motee, Wanda, and Sandra, it must have been 4:00 A.M. before they finally shut up long enough to go to sleep. That was especially bad since they had to get up at 6:00 A.M.

The freshmen and sophomore girls followed the example of their older classmates by enjoying a slumber party out at Shari Willis's.

Oh hum, all this talk of slumber is making me sleepy. I guess I'll join the senior girls at their slumber party if I can find room enough to sleep on the floor.

Bon jour, mes amis Michelle (Frenchy)

## Red Orators Now Available

The Communist Party, U. S. A., has just set up a speakers bureau. This bureau has sent letters to college student organizations offering to send experts "who can speak with knowledge and authority on Communism".

One such letter was found on the desk of a member of the Prairie staff at West Texas State, who writes a column called "As I See It," by George. "They think they're being unjustly accused," wrote George, "without having adequate opportunity to defend themselves, and would like-get this to send a speaker to our campus."

The letter states that Communism is widely discussed in America and this is unfair and not due process, because they can not defend themselves. They will give a truthful view of the Communists on such topics as Communism, Marxism, the McCarran Act, the policies of the Ultra-Right, the vital issues of peace, democracy, freedom of speech, socialism and other current topics. Such speakers are available for lectures, symposia, and debates.

Nothing is said about discussing what happened to Hungary or the Baltic states or the Russan Kulaks; or why Comrade Khrushchev can't get his farmer to grow enough food or why they had to build a Berlin Wall, and why the Russian people can't travel at will; or the fact that Communism is a world conspiracy dedicated to the destruction of capitalism.

The letter claims that it is "entirely legal to have Communist speakers, as the Attorney General recently stated".

The Prairie stated that they would try to find a Communist to jail on some college podium.

This information was taken from the Amarillo Daily News.

Thought for the Week—  
"You will get out of anything exactly what you put into it."  
Keep this thought in mind through the next week; challenge the validity of this statement, put it to a test.

In school put that extra bit of work in and watch for results. When finding entertainment, be determined to find fun. Put all you have into everything you do whether work, play, school, or religion. Try it. You might be in for a welcome surprise!!

## Senior Girl of the Week

This blonde-haired, hazel-eyed daughter of Mr. and Mrs. John King made her way into this world on September 26, 1943, in Colorado City. They named the baby girl, Jean.

Jean prefers Mexican food to all others, and you can be sure that she thoroughly enjoyed seeing the movie "Ben-Hur." However, Warren Beatty and Lana Turner are the two stars she likes to see perform. If you see Jean listening very intently to the radio, she'll probably be listening to "To Know Him Is To Love Him." Elvis Presley is her favorite singer, so naturally her hobby is collecting Elvis Presley records. Blue is the color which Jean likes best, and the Chevrolet also ranks as a favorite. When Jean reads it's very possible that she will be reading Exodus. Now Jean's pastime is planning for that big Day in June, and she is very busy with it. But with all of these likes, Jean has one big dislike. She very strongly resents snobby people.

In high school Jean has been a member of F.H.A., an F. T. A. officer, a member of the Pep Club, F. T. A. delegate to Austin her Junior and Senior years. She also won third place in Interscholastic League in shorthand her Junior year.

Jean's ambition is to be a good wife and mother, and we all know that she will succeed!

"Corny Corner"

First Buzzard: That was a new two engine jet that went by. Don't you wish you could fly that fast?  
Second Buzzard: Listen, if I had two tails and they were both on fire, you couldn't even see me!

"Did you ever hear anything like it?" marveled the business man's teenage daughter as the band struck up a hot rock and roll number.

"Only once," replied the father. "That was when a truck loaded with live ducks hit a freight car full of empty cream cans."

Two drunks stumbled up to the bar and sat down.  
The bartender walked over and said, "Well, fellows, what'll you have?"

One of the drunks said, "Bring me something long and tall and cold and full of whisky."  
The second drunk said, "Take my wife."

Did you hear about the two beatniks who were walking down the street? One fell into an open manhole. He hollered to his pal, "Hey, man, how about a hand?"

And the second beatnik clapped like crazy.  
"Those new people down the road seem to be very devoted," said Mrs. Jones to the newspaper which hid her husband.

A rustle of the newspaper was all the reply she got, but she was used to that. She said, "Everytime he goes out he kisses her and goes on throwing kisses all down the road. Edward, why don't you ever do that?"

"Me?" snorted the man behind the news. "I don't even know the woman."

Word of the Week—  
What would you do if you were told to put the pillon on the Palfrey.

### THE NEW BIRTH

(By Harold F. Savely)

Great have been the controversies concerning the new birth. Regardless of one's attitude toward its elements, one thing must remain certain to all; i. e., the new birth stands diametrically between man and the kingdom. Jesus said, "Except a man be born again . . . born of water and the Spirit, he cannot enter into the kingdom of God" (Jno. 3:3-5).

"A man, not an infant, is its proper subject. Both 'water and the Spirit' are its essentials. It puts one into the kingdom.

Notice also: (1) One must be converted and become as a child in order to enter (Matt. 18:3); (2) One is translated into the kingdom, when redeemed by blood (Col. 1:13,14); (3) One's soul is purified in obedience to truth, when born again (1 Pet. 1:22, 23); (4) The kingdom preached, along with the name of Christ, wrought faith and baptism to salvation (Acts 8:12,13); (5) Peter, holding the kingdom's keys (Matt.16:19), enjoined repentance and baptism for remission of sins (Acts 2:38).

In order to a new birth, therefore, one must believe and be baptized, immersed (Mk. 16:16; Rom. 6:3-6). Resulting is a new relationship, salvation in Christ, "new creatures" (2 Cor. 5:17)

# NEWS FROM BETHEL

## Continuation of the History of the First Baptist Church in Dimmitt

This is the last in a series of articles on the First Baptist Church taken from D. C. Lawrence's thesis on the histories of churches in Dimmitt. A new series of articles will start next week on the history of the First Methodist Church in Dimmitt.

At the beginning of Lee's fourth year in Dimmitt, E. H. Youts, Sunday School Superintendent, reported that the pastor's ministry had received a total of 237 additions, ninety-one by baptism and 146 by letter and statement. Contributions totaled \$42,778.69. Youts, who claimed the gifts of money by members represented only a token of their love for the church, declared the greatest sacrifice had been made by devoted disciples serving in Sunday School, Training Union, W. M. U., and Brotherhood.

The Dimmitt Baptists continued their numerical growth, and financial prosperity during the period 1946-1949. They reported forty baptisms, and forty-eight additions by letter, and the Sunday School enrollment was 371 in 1946. Their expenditures totaled \$18,000.91 for that year. In 1947, expenditures for all causes almost doubled those of the previous year and amounted to nearly \$31,000.00. The Baptists acquired additional property in 1945 with the purchase of lots ten, eleven, and twelve of Block 151, from D. S. Burkett and his wife, for the sum of \$425.00, which made them owners of the North half of Block 151. These lots provided a location for the new auditorium. In 1948, Earl Landtroop accepted the call to serve as pastor, and ground was broken for the new auditorium. Expenditures for that year totaled \$34,390.00 included, to clear the title of lot number three in Block 151, was \$125.00, paid to James W. McQuerry and wife for a Warranty Deed. The new auditorium was completed in 1949, and all former members and friends were invited to attend services April 10, 1949, for the dedication.

We, the members of the First Baptist Church of Dimmitt, Texas, wish to extend to all former members, their families and their friends, an invitation to worship and fellowship with us during any or all of our services on Sunday, April 10. Our recently constructed auditorium is an edifice of which we are all justly proud; it is adequate, comfortable and an asset to our community. We invite you to be our guests at this, the first service to be held in the new building.

George E. Ray of Abilene, Texas, notified officials of the First Baptist Church of Dimmitt that he would accept their call to become pastor of the local church in 1951, a position he was to hold for more than six years. During his first year with the church, there were fifty-five baptisms, and sixty-one additions by letter. Under Ray's leadership, a Mexican Mission Building was erected, and a new organ, chimes, and a public address system were purchased for the First Church. In 1952, the Baptist Church contributed \$886.00 to Western Missions, and total gifts mounted to \$40,589.67.

During 1954 and 1955, the Baptist Church experienced some of its greatest growth and development. In 1954, forty-three were admitted into fellowship by baptism into the local church, and a pastor was called for the Mexican Mis-

was one of expansion. The Dimmitt Baptists were in the first Baptist Association in the Plains Country of Northwest Texas, organized at Claude, Texas, in 1891. During the years 1891 to 1930, they worshipped with other denominations, first in the school house, and then in the Presbyterian building. Early growth was slow, probably because they were without a full-time minister until 1928. They grew consistently through the early years and weathered the depression year. The Baptists experienced significant growth numerically and financially through the 1940's. Contributions kept pace with their building programs, and reached an all time high in 1956, the year their educational building was completed. The Baptists had experienced a slight decline as this study came to a close, signified by the drop to 330 in Vacation Bible School in 1958 compared with 358 in 1956, and contributions of less than \$50,000.00 in 1958 compared with more than seventy-thousand dollars in 1956. In spite of the temporary decline, it seems probable, based upon past

**A. Hope Owen to Preach Sunday**

President A. Hope Owen of Wayland Baptist College will preach for both the morning and evening services at the First Baptist Church on March 25.

This is Dr. Owen's ninth year as president of Wayland Baptist College and under his leadership the college has shown remarkable growth which includes an increased enrollment for 1961-62, new facilities including Owen Hall, a residence for 100 young women, and Allison-Conkright Hall, and 8-unit apartment for married students. The Wayland Board of Trustees honored Dr. Owen by naming this largest of residence halls for him.

During the summer of 1961 he was also honored by being elected vice president of the Southern Association of Baptist Colleges, which is made up of the presidents and deans of the 71 Southern Baptist related seminaries, colleges and academies.

Projected plans for the immediate future at Wayland include construction of the Home Life Building and completion of the renovation and remodeling of historic Gates Hall, which has long been the center of college life.

Dr. Owen became president of Wayland after a successful career as pastor in New Mexico, Oklahoma and Texas. Previous to becoming Wayland's president he served for seven years as pastor of Plainview's First Baptist Church and before that as pastor of First Baptist Church, Shawnee, Okla. During these pastorates he served as a member of the Boards of Trustees of Wayland and of Oklahoma Baptist University. The latter honored him by conferring on him the Doctor of Divinity degree as well as the B. A. degree at Southern Baptist Seminary.

**Subsidies ...**

(Continued from Page 1)

ment.  
 Between 1850 and 1871, a period of only 21 years, the railroads of America received 181 million acres of public land. In recent years they apparently have forgotten these early subsidies. Ocean and air transportation also has been subsidized quite heavily through government funds. For example, the private luxury liner, the United States, cost 76 million dollars; but 40 million dollars of this was provided by government subsidy. This is half of all that was spent on the wheat program from its beginning until 1932.

Whereas the earlier forms of subsidy were used to assist transportation, to encourage foreign trade, and to help develop the young industries of America, agriculture has been, apparently, the most recent segment of the population to receive governmental assistance.

For example, during the war defense plants received a very effective tax amortization plan which enabled them to write off much of the expense of construction. Depletion allowances provided for the petroleum industry have been of significant assistance. Billions of dollars of federal reserve money deposited in private banks has been of significant assistance though not termed subsidy.

During World War II industry was given a cost plus 10 per cent incentive to produce, and when the war was over huge plants were recognized as surplus and sold at a

loss with the cost charged against the war. Farmers, on the other hand, increased their production 40 per cent with a seriously reduced working force. At the end of the war their surpluses were listed as charges against the farm program and have been criticized as being subsidies.

**Postal Subsidy**  
 We do not have room to discuss all government subsidies, but the Post Office Department gives us some information which indicates that the United States government through tax funds has been subsidizing postal activities for many years. Much of this has to do with business and industry. For example, the Post Office Department furnished estimates which have been published by the House Appropriations Committee as follows: Various magazines were subsidized in 1959 on the following basis:

Life Magazine	\$9,000,000
Saturday E. Post	5,000,000
Reader's Digest	4,000,000
Lood Magazine	3,000,000
Ladies Home Journal	2,000,000
National Geographic	1,000,000
Good Housekeeping	1,000,000

These 13 publications carry an estimated \$38,000,000 subsidy in one year's time. This is the amount it cost the Post Office Department to mail these magazines less what the magazine paid. This kind of governmental assistance, one must keep in mind, is not only to the magazine itself but also is indirectly an assistance to the businesses who advertise in these magazines.

It is interesting to note that the

subsidies to business through postal deficits during a 12 year period, 1947 to 1959, have been equal to the total farm price support cost for a 27 year period, from 1933 to 1960. Peculiarly when people make such strong complaints about agricultural subsidies they seem to forget these subsidies to business which amount to twice as much in actual dollars.  
**Christian Justice**

We who are interested in the rural church are interested not so much in the economic factors involved but perhaps more acutely in the ethical issues that are involved. We raise the question, therefore, of the justice involved in the current agricultural situations as compared to the rest of the nation. Is it fair to criticize the farm subsidy system so severely while not even mentioning government support of other business and industry?

In 1959 farm workers of the United States received an average of 71½ cents an hour for their labor. The average pay of factory workers that year was \$2.22 per hour. Total farm income was reduced \$20,000,000 in the last seven years over the previous seven years whereas other incomes and prices

have been advancing spectacularly. The per capita annual income of farm people in 1959 was \$960 including farm income, subsidies, and off-farm work. Per capita income of non-farm people for that year was \$2,202.

We wonder if the Christian Gospel should not have particular relevance to the inequalities of the economic situation?

(The above statistics have come from a pamphlet, Government Subsidy Historical Review, published by the Committee on Agriculture of the 86th Congress, revised May 10, 1960 and may be had from the United States Government printing office.)

### 170 Attend Cub Scout Banquet

One hundred and seventy persons attended the Cub Scout Blue and Gold Banquet on February 27 when Glenn O'Neal, district executive from Plainview, addressed the group and gave awards to scouts who had earned them during the year. M. B. McKinney gave the invocation.

Jimmy Singer was master of ceremonies for the occasion and introduced E. B. Noble as the new scout master. Singer has currently been serving as cub scout master.

Each Den was assigned a president to depict and the centerpiece on each den table was in some manner symbolic of that president. The centerpiece at the head table was in the form of Uncle Sam's hat mounted on a gold base with two blue candles on either side. The table decorations, place cards and napkin holders were in blue and gold colors.

Den I had as their centerpiece a Liberty Bell and Gail Crum who was dressed as George Washington, spoke to the group about General Washington.

Joe Langford represented President Kennedy for Den 2 and their centerpiece was a space rocket.

A white house was the centerpiece of Den 3 and their president, portrayed by Joe Mike Meyers was Franklin D. Roosevelt.

Dwight D. Eisenhower was the president featured by Den 6, represented by Junior Daves. Their centerpiece was a replica of George Washington Monument.

Steve Taylor represented Theodore Roosevelt for Den 7 and a facsimile of the Panama Canal was their centerpiece.

Tim McGaughey of Den 8, portrayed Abraham Lincoln.

Each boy delivered a brief discussion on some important event that occurred during the administration of the president he represented, and a member from each den participated in a flag ceremony at the beginning of the program.

### GOP Candidate For Lt. Governor Speaks in Dimmitt

Bill Hayes of Temple, Republican candidate for Lieutenant Governor in the May 5 primary, gave a brief and straight from the shoulder talk Friday in the home of Mr. and Mrs. Allen Webb.

At a coffee attended by thirty or more people, Mr. Hayes outlined his six plank platform, stressing particularly a positive program for teaching the American Heritage in our schools. Summing up his remarks, the candidate stated: "I believe in protecting the sovereign rights of Texas and preserving the individual rights of Texans. I believe in thrift and lower taxes, encouraging initiative, strengthening the free enterprise system, instructing our armed forces in the evils of communism. I believe in love of family and faith in God."
