MARK SIMPSON RECEIVES TOP F.F.A. AWARD From Charles Heck, at Young Farmers-Homemakers Banquet

Richard Hunter receives award as 'Star Young Farmer of 1970'

Richard Hunter was named the Star Young Farmer of 1970 at the Young Farmers-Young Homemakers Awards Banquet Saturday night.

He succeeds Jerry Cluck as the chapter's top award winner.

HUNTER farms some 1,800 acres northwest of Dimmitt which he rents from Mrs. Rachel Hunter, Jackson Richardson and Mrs. H. C. Beard. Top crops on his irrigated farm land are cotton, wheat and milo, but he also raises some vegetables and grazes cattle.

He and his wife, Charlene, have two children, Rodney, 6, and Charlynn, 1½.

Other award winners Saturday night included Welden Lewis, former station manager and advisor to Radio Station KDHN, who was made an Honorary Young

Farmer; Glenn Odom, who was named the Hardworking Young Farmer; and Howard Smithson, who won the Hardluck Young Farmer award.

The "Outstanding FFA Boy" award went to Mark Simpson. Awards of appreciation were given to Marvin Casica and John Quinby, advisors to the chapter, and an award for assistance was given to Gene Ellis.

The guest speaker for the evening was Rev. Leon Hill of Amarillo.

Dope charge filed

Adolfo Ruiz, 27, of Houston, is being held in Castro County Jail in lieu of \$10,000 bond on a charge of possessing marijuana. He was arrested at 2 p.m. Saturday by sheriff's officers.

A second free vaccination clinic will be conducted today (Thursday) in an effort to attack future threats of diphtheria, tetanus (lockjaw) and pertussis (whooping cough).

THE CLINIC today will be held in Dimmitt, Hart and Nazareth schools, and will be aimed at reaching those who have not yet been immunized. Though the primary function will be to reach school children, parents of pre-school children who have not been immunized are urged to bring those children to the clinic, also.

One team of volunteers and nurses will work from 9 a.m. to 3:30 p.m. in Dimmitt Schools, and another team will be at Hart this morning and at Nazareth this afternoon.

The program is being sponsored by the Dimmitt, Hart, and Nazareth school districts in cooperation with the Texas State Department of Health, and is under the direction of Dr. J. D. Blackburn, Castro County health officer.

D-T-P vaccine, often called "three-in-one" or "baby" shots, will also be available at the clinics for all pre-school children two months through six years of age. It will be administered with the new jet injectors, often called "space guns," which do not use a needle but inject the vaccine almost painlessly through the skin.

A COMPLETE series of D-T-P vaccine consists of four doses — three taken at least a month

apart and the fourth dose taken about a year after the third. Parents should bring their children to both clinics to start the basic series, then see their physician for the third dose and a year later for the final dose.

T-D vaccine will be available for everyone of school age and older, including adults. It can be taken the same day and will also be administered with the jet injectors. A complete series of T-D vaccine consists of at least three doses — a minimum of two doses taken at least a month apart and the final dose taken about a year later. The final dose can be obtained from the family physician next year.

Boosters for the D-T-P vaccine are recommended for children from one to six years of age, and will be available at the clinics. Boosters for T-D vaccine will also be available.

Howard Hershey seriously hurt in Tuesday crash

Howard Hershey of Dimmitt received multiple leg fractures and severe lacerations Tuesday morning when the car in which he was riding collided with a large truck 1½ mile north of the Cameron Feed Yard near Easter.

THE WRECK occurred at the same dirt-road intersection where Mrs. Betty Jane Bailiff was killed in a similar accident Oct. 27.

Hershey, 65, was a passenger in a 1968 Buick driven by his son, Elmer, 29, of Fort Worth. They were reportedly on a pheasant hunting trip.

Highway Patrolman Dyrle Maples reported that the Hershey car was traveling east when it collided at the intersection with a 1970 Kenworth tractor-trailer rig owned by Shupe Brothers of Greeley, Colo. The truck's driver, William Glenn Fleming, 23, of Hereford, escaped serious injury.

MAPLES SAID the front end of the northbound truck hit the right front fender of the Hershey car. The door post of the car collapsed under the impact, trapping the elder Hershey in the seat and pinning his legs against the seat and floor.

The impact fractured both of Hershey's legs. He also received several facial lacerations. He was taken to Deaf Smith County Hospital, then transferred to High Plains Baptist Hospital in Amarillo, where he was reported to be in fair condition Wednesday morning.

Elmer Hershey received minor lacerations and bruises, and was treated and released at Deaf Smith County Hospital.

The Buick was totally demolished, and Maples described damage to the truck as moderate to heavy.

PUSHING TOGETHER to start up the Dimmitt Wheat Growers starch mill for the first time Monday are the five men who have served as president of the cooperative during the eight-year planning and construction period. In front, with head bowed, is George Bagwell, who was presi-

dent in 1962 when plans were first started to build a milling plant. Others, from left, are Jerome Brockman, current president, and past presidents Morgan Dennis, Frank Wise and Houston Lust.

Five of co-op's leaders punch big button Monday

At 10 o'clock Monday morning Jerome Brockman, George Bagwell, Morgan Dennis, Houston Lust and Frank Wise each placed a hand on a large button in Dimmitt Wheat Growers' millhouse, and pushed together.

THEIR joint effort automatically started the flow of corn into the huge processing plant, and marked an historic moment in the cooperative's eight-year struggle to break into the corn processing industry.

It was significant that these five men push the millhouse's start-up

button together Brockman is the current president of Dimmitt Wheat Growers, Inc., and Bagwell, Dennis, Lust and Wise have all served as president during the last eight years, sharing the burden and excitement of the \$10 million project. Bagwell was president of the board when the decision was made in 1962 to put the cooperative into the processing industry.

At the same time the five men pushed the start-up button, James Burnam opened a valve that blew a big steam whistle which he had provided for the millhouse.

APPROXIMATELY 25 persons were on hand to witness the start-up. They included DWG directors, officers of Dimmitt Management Co., city and county officials, local farmers and business men, members of the press, and representatives of equipment manufacturers.

Monday morning's start-up launched an automatic, intricate chain of events that utilizes more than 150 motors and miles of pipe and conduit to break down the corn kernel into its

many separate and marketable parts. At approximately 1 p.m. Monday, the millhouse's first production of starch was realized. It was standard dried unmodified pearl starch, which the plant is designed to produce, and which is used widely by the paper, textile, bakery, confectionary and pharmaceutical industries.

AT THE same time, the new millhouse was also turning out dried corn, corn bran and corn gluten as by-products of the starch milling process.

"The plant performed exceptionally well, considering that this was the first time it had been run, and considering its complexity," a Dimmitt Wheat Growers spokesman said.

"In spite of the apparent problems, the start-up was, in the opinion of the industry experts who witnessed it, one of the smoothest and best-organized start-ups in the history of the industry," the spokesman added.

AFTER THE plant's ability to produce was established, the millhouse was shut down, "principally because the operators are not yet trained, and this training takes a great deal of time and can only be done after the plant has gone into actual operation," the official said.

The millhouse's operating personnel "are all carefully selected local young men," the spokesman added. "It is hoped that they will learn rapidly, and that the plant will be in full-scale operation in as short a period as possible."

Commended by DHG officials for their part in making the start-up go so smoothly were (See CO-OP'S Page 13)

Last rites held for Mrs. Blanton

Mrs. Viola Ellen Blanton, 90, died Sunday at 3:30 p.m. in St. Anthony's Hospital in Amarillo.

MRS. BLANTON had been a resident of Dimmitt for 42 years. She was born in Stephenville, July 9, 1880, and moved to Dimmitt in 1928. Her husband died in 1963.

Each child who has attended the cartoon shows has been given a ticket for the drawing for the bikes. One boy's and one girl's bike, each 20-inch Bronco by Texas Ranger, will be given to the lucky winners Saturday morning.

Santa will be on hand to talk to the youngsters before and during the cartoon show, in the lobby of the Carlisle Theater.

DOORS WILL open at 9:6 a.m. and cartoons will begin at 30.

Children will be given free candy as the leave at 1, noon, 2 They will leave through the west (back) exit of the theater to prevent a traffic hazard on Broadway.

Girlstown gets big gift bag

More than 200 gifts, plus 239 pairs of undies in a barrel, arrived at Girlstown Saturday to help assure the 70 girls a merry Christmas from Castro County residents.

THE largest gift was one that hadn't been planned at first — a new Speed Queen washing machine.

Mrs. Mary Hall, chairman of the Girlstown gift drive in Dimmitt, explained that she received a call last week from a local man who had heard about the need for new washing machines at Girlstown. The girls were having to use two old machines which repairmen had branded as "hopeless." The caller offered to make the first donation toward a

new washer for the girls. That was at 10 a.m. last Wednesday, Mrs. Hall started making rounds, and by 2 o'clock that afternoon, the washing machine was paid for.

TWENTY-SIX businesses and individuals donated toward the new machine, which Northern Propane Gas Co. sold at cost.

The fund drive was so successful that a balance was left over after the washing machine was paid for. And since a second machine was still needed, Mrs. Hall used the extra money to start a fund for a second new washer.

Many more donations and pledges have been made this week to help pay for the second

machine.

"WE'LL HAVE THAT second washer paid for at any hour now," Mrs. Hall reported Wednesday morning.

Donations may be taken to the Northern Propane Gas Co. office on the Nazareth Highway, or to Mrs. Hall at the office of Andrews Trailer Park. Pledges may be phoned to Mrs. Hall at 647-5403.

OTHER needed gifts from local residents which were taken to the girls' home near Whiteface Saturday included cosmetics, dress material, toothbrushes, hosiery, clothing, shoes, school supplies — and even motor oil.

Of the 239 pair of undies in Mrs. Hall's "undies barrel" for

the girls, 50 pair were donated by the Easter Club. The local gift bag also included a large hibernian Bible for the girls, donated by Elvon DeVaney.

The girls will open their presents at their annual "Christmas Tree" this weekend. The new washing machine, of course, is already in use — and the second one may be humming along beside it before the girls' Christmas party takes place.

AFTER THE gifts were delivered Saturday, Marshall Cooper, Girlstown director, asked Mrs. Hall to relay his surprise and his thanks to "the town with the big heart" for all the girls' gifts, and for the big new washing machine.

GIFTS OF ALL SIZES, shapes and colors filled the home of Mrs. Mary Hall before they were taken to Girlstown Saturday. The packages included everything from cosmetics to motor oil, and the "undies barrel" in the center contained 239 pair of undies for the girls.

A BIG RED BOW decorated the washing machine which was sent to Girlstown by Dimmitt businesses and individuals. Mrs. Wannie Stevens of Northern Propane Gas Co. displays the washer and a giant-size box of detergent that went with it.

Young Farmer-Young Homemakers banquet impressive

By BERAL HANCE

Young Farmers and Young Homemakers had their annual awards banquet Saturday at the high school cafeteria. Gary Moore, president, was master of ceremonies. Rev. Leon Hill of Amarillo was the guest speaker. The tables were beautifully decorated in red and green and I heard the food was delicious. When the young people have a banquet they do things in a big way. They are a credit to our county.

Mr. and Mrs. Charles Carter of Friona and Rusty were supper guests Saturday night of Leta Eustace. Debbie Reed, Andrea George and Joan Stone spent the weekend at WT in Canyon with Jeanne Dumron and Karen Birdwell. They took their A.C.T. tests Saturday. Don Robb and Leon Gunn went hunting in the Oklahoma Panhandle last weekend. Florene Leinen was hostess for a bridal shower for Debbie Smith in her home Saturday afternoon. The house was beautifully decorated for Christmas and Debbie got many nice gifts. She is to marry Dale Jones Dec. 29. John Stork was honored by his children on his 77th birthday Friday evening. Mr. Stork is a former county commissioner.

REX AND Dorothy Shelly and boys, Scott and Brett, spent the weekend in Fort Worth with their daughter, Driscilla and Bob Storks. Bob is in the Baptist Seminary there. Ulys and Millicent Davis have returned from a trip over southwest Texas. Her sister, Mrs. Tennie Harmon is very ill and is in a Lubbock hospital. Mrs. Harmon is a former Dimmitt resident.

We are sorry to learn of the death of Mrs. G. L. Blanton, Sr. Her children here are George Blanton and Sue Miller. W. J. Kellum returned to his home in Kellum after a visit with his daughter, Dorothy and Walter Wilke. Dorothy's mother died a few weeks ago and Mr. Kel-

THE RESIDENTS of the Golden Spread Nursing Home have been honored with several parties. The ladies of the Assembly of God Church took cookies and fruit punch Friday, as did the Methodist Ladies. On Thursday, the Church of Christ ladies took cakes and punch, honoring all who had December birthdays. Virginia Shelly was brought here to Plains Memorial Hospital from Northwest Texas Hospital in Amarillo where Dr. Hyde set a broken shoulder bone. Virginia is doing good even with both arms broken, three ribs and a pelvic bone. Everyone in this hospital is so good to look after. Alice and Wes Anthony say they did their Christmas shopping in Dimmitt but went on to Lubbock to visit grandson Charles and Margaret Kutz. Both are students, Charles at Tech and Margaret at nursing school.

Bible Thoughts "RESCUED" By Ronnie Parker The power of sin, our guilt in sin, and the consequences of sin are well established truths taught in the holy scriptures. Man's condition in sin would be hopeless were it not for the love God has for him. God's love brought about a plan by which man could be rescued from the way of eternal destruction. Paul said, "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek" (Rom. 1:16). The gospel is "the power of God unto salvation" because it tells the story of the death of Christ on the cross of Calvary for the sins of the world and of his resurrection from death (1 Cor. 15:1-4; 1 Pet. 2:24). While in sin man is lost and needs to be saved. Christ is the only Savior from sin. Peter said it this way, "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:12). Christ paid the supreme price of his own blood in order to rescue mankind from sin. But you must believe in Him and obey Him. They had a STAR

"Now when Jesus was born in Bethlehem of Judaea in the days of Herod the King, behold, there came wise men from the east to Jerusalem; saying, Where is he that is born King of the Jews? for we have seen his star in the east and are come to worship him." Yes, they had a star... Today we have churches to guide us to our Saviour. Come worship the Lord in his house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Serv.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

BASEBALL GLOVE? — Nope, it's a carrot. Mrs. Bill Kent shows the unusual vegetable which was brought to Farmers Supply Co. last week by Joe Tidwell. It was about the size of a boy's baseball glove, and weighed approximately 2 1/2 pounds. Many weird shapes are being reported by carrot growers during the big harvest—but no matter what their shape, they're the best-tasting in the world.

SHEFFY'S

Dr. and Mrs. Charles Vandiver were hosts to the Dinner-Bridge Club Friday night at their home. Guests were the Charlie Hayses, the Russel Morans, the Goldman Dyers, the Ted Sheffys, the Harold Stephens, the Nolan Froehners, the John Merritts, Aural Davis and Helen Richardson.
Mrs. Arthur Wear is with her son in Parkland Hospital in Dallas. He is in the intensive care unit, and she will be unable to return to her photography studio on Broadway until he is better.

what ways they can be used as members of the First Christian Church of Dimmitt, Mrs. Smith as pianist and Mr. Smith as the church song leader.

MRS. MARY B. JONES of Hale Center, who was a Dimmitt resident for 42 years, has been hospitalized for the past six weeks. She was moved Friday from the Hale Center Hospital to Lubbock, where she is now in Room 407 of West Texas Hospital. She is the mother of Bobby Jones of Dimmitt.

Fireboys help Santa again

Dimmitt Volunteer Firemen again this year are repairing used toys to give to needy children at Christmas time.

THIS YEAR, Rex Cowert and Jack Ebeling are heading the committee which will choose a number of deserving families in the community, and help make Christmas for those children a little brighter.

Most of the toys which will be given away were collected during the year, and repaired by the firemen and the ladies' auxiliary Guy Waldrop, fire marshal, said that while they could still use a few toys in extremely good condition, "most of the work had been done, and the toys are ready to go."

Those who know of families who should be considered this year should contact Jack Ebeling at E&W Motor Co., or Rex Cowert at the sheriff's office.

"...I BELIEVE God created the earth by his divine processes for the benefit of man, not one man, nor one generation, but for mankind for all time.... For truly, the earth is the Lord's and the fullness thereof, but the responsibility for its stewardship is vested in man..." — C. W. Gee

14—CARD OF THANKS

Marshal Cooper, director of Girlstown, has asked me to express his thanks "to the town with the big heart" for providing Girlstown with a much-needed new Speed Queen washing machine for Christmas.

Thanks to the following Dimmitt businesses and individuals for donating money to help buy the washing machine: Northern Propane Gas Co., Western Amnicoria, Ardy Plumbing, Ellis Gin Co., Red Earm-Jerry Cluck, L&S Motor Machine Shop, Dairy Queen, Hi-Plains Auto Supply, Hays Implement Co., Brown's Texaco Station, Floyd's Tire Shop, Tidwell Flying Service, D&D Aerial Spray, Wall Cleaning Co., Fred Bruegel Sr., Dimmitt Veterinary Clinic, Cyanamid Farm Supply, H. P. Smith, Bob Goss Ford, Inc., Farmers Supply, Bob McLean, Castro County News, Von's Cafe, Webb-Mears Engine Service, Harley Dodd, Dimmitt Ready Mi, Swain Burkett, Elizabeth Hunt, Bert Andrews, J&R Paint and Body Shop, Archie and Larue Harris, and Tom Hall.

You donated more than enough to buy the first machine, and we have many other pledges yet to collect.

A second machine is badly needed by Girlstown, so we are going to keep the drive going and get it for them. Those whom we haven't contacted yet, or whose pledges we haven't picked up, will be recognized as soon as the second machine is bought.

You don't know how much the girls and everyone who works with them appreciates your help and support.

Mary Hall
Dimmitt Chairman, Girlstown

Cancer Society members attend Lubbock workshop

Several members of the newly reorganized Castro County Unit of the American Cancer Society attended an afternoon workshop in Lubbock Friday.

The workshop, conducted by Dr. Carl Page of Lubbock, district medical director, was attended by Mrs. L. C. McLain, president of the county unit; Mrs. Dwight Miller, vice-president; Mrs. Gladys McLain, secretary; Mrs. H. M. Morrisca, Mrs. James Kennedy, service chairman; Mrs. Claude Forson, public education chairman; and Mrs. Trent Downing, publicity chairman.

The regular monthly meeting of the group was conducted last week with 16 members present. Also present was Dan Harris of Lubbock district representative of the American Cancer Society.

At the meeting, service items were displayed, and it was announced that two Hart clubs will help make these items, which are distributed free of charge to cancer patients in the county. The Golden Orbs Club will make lab robes and pillows, and the Good Neighbor Club will make Johnny coats.

All of these items are made from discarded clothing and bedding.

The service chairman, Mrs. James Kennedy, can be reached at 938-2315 by persons needing service items or by groups desiring to help make these simple bedding and bandage goods to aid cancer patients.

The next meeting of the group will be Jan. 4 at 7:30 p.m. in the basement of the courthouse.

Smith retiring from ministry; Albuquerque man is successor

Minister Bedford W. Smith will conclude his second ministry with the First Christian Church Sunday, Jan. 3.

SMITH'S current ministry here began five years ago, in January, 1966.

He will be succeeded by Minister Roy Barringer of Albuquerque, N.M. Barringer, along with his wife and three sons, Randy, Jeff, and Craig, will move into the Christian Church parsonage here in time for him to preach the opening sermons of his ministry here on Sunday, Jan. 10.

Minister Smith and his wife, Elsie, a teacher in North Elementary School, will continue to live in Dimmitt upon his retirement from the pastorate after more than 47 years in the ministry.

MINISTER Smith served West Texas churches about 26 years. In addition, he served almost four years as an Army chaplain during World War II, mainly in the South Pacific with medical units in Holland, Dutch New Guinea, and the Philippines.

Minister and Mrs. Smith will continue to be members of the First Christian Church in Dimmitt, where she will continue as the church pianist. Smith will be available for evangelistic work, supply and ad interim ministries.

The view from your library

By MARY EDNA HENDRIX
The library will be closed Dec. 24 through 28 for the Christmas holidays, so if you need some books to read during the holidays, please check them out before next Thursday.

THERE were 12 boys and girls at the Children's Story Hour Friday. I read "Rudolph, the Red-Nosed Reindeer" by Robert L. May and "The Night Before Christmas" by C. C. Moore. The book was illustrated by Meg Wohlberg. The children knew most of the poem, "The Night Before Christmas," so they read along with me. The kids are so smart these days!

We received a few more new books last week. One of these is "Cow Country" by Tanner Laine, regional editor of the Lubbock Avalanche-Journal. You will want to read this since it is a history of most of the cowboys of this area. B. J. Brannan's picture is in this book, as well as a story about the "Bucket Brigade."

Another book is "Norman Rockwell — Illustrator" by Arthur L. Cuptill. Norman Rockwell's first Saturday Evening Post cover appeared over half a century ago, in May of 1916, when the artist was just 21, and with that cover began the career of one of the few living American artists whose name and work are both known and loved by millions of Americans.

SINCE there are so many working mothers, you may like to read "The Working Mother's Guide to Her Home, Her Family and Herself" by Alice Skelsey. It's a practical guide to how you can successfully work at your job, run your home, raise your children, serve your community, please your husband and stay a human being!

We have another book, "Fashion Your Figure," by Toni Beck and Patsy Swank. This is a book that suggests the "Ten Minutes a Day Program for Fitness." The exercise program outlined in this book is the one followed at The Greenhouse, that very pleasant beauty spa between Fort Worth and Dallas.

BARRINGER was educated in Cincinnati Bible Seminary of Cincinnati, Ohio, and for the past 10 years or more has served with New Mexico churches. He will be the third minister of the Christian Church here.

Minister Loren Dickey, librarian and teacher in Ozark Bible College, served during 1963-65 between Smith's two terms here.

At the annual church election all board members whose three-year terms were to expire in 1970 were re-elected to new terms to begin in January. They are George Gabel, an elder; and Deacons Paul Fry and Roy Johnson.

OTHERS on the church board are Othel C. Fry and Roy Baylets, elders; Kent Gabel, H. O. West, and Buck Kenworthy, deacons; and Deaconess Mrs. O. C. (Ethel) Fry.

The board will meet with Minister Smith Jan. 3 to organize a new year of work. Minister Smith was elected to a three-year assignment as trustee; joining George Gabel and O. C. Fry in that capacity. All three men are charter members of the church. Gabel and Fry have been trustees and elders from the beginning of the church.

All the Bible school officers were re-elected to one-year terms. They are Paul Fry, superintendent; Kent Gabel, assistant superintendent; Mrs. Paul (Glenora) Fry, secretary; and Mrs. Loranel Hamilton, assistant secretary. Minister Smith was elected the church song leader for the coming year. Other places will be by appointment.

THE BIBLE school Christmas program this year will be at the Bible school opening time, 9:45 a.m. Sunday. Treats for the boys and girls attending will be presented at the close of the 10:50 a.m. worship service. Minister Smith's sermon will center on the "Story of the Shepherds" in Luke's gospel.

At 6 p.m. a second Christmas message will center on the "Story of the Wise Men's Visit," found in Matthew's account.

Cotton samples now decreasing in area offices

Cotton sample receipts began a gradual decline at the four area USDA cotton classing offices during the past week, according to W. K. Palmer, in charge of the USDA classing office in Lubbock.

THE classing offices at Lubbock, Brownfield, Lamesa and Levelland received samples from approximately 18,000 bales on Friday. During the peak of the harvest, the four offices were receiving approximately 50,000 samples per day.

The four offices classed 220,000 samples during the week, bringing the total classed this season to 1,338,000, with 174,000 unclassified samples on hand Friday.

Strict Low Middling Light Spotted was the predominant grade at Lubbock last week with 29 percent of all cotton classed Stri Low Middling made up 25 percent, Middling Light Spotted 18 percent, Low Middling Light Spotted 6 percent, and all Spots and Tinges 17 percent. Nine percent was reduced in grade because of bark.

STAPLE length continued to average approximately 31-32. Twenty-nine percent of all cotton classed at Lubbock last week was 15-16, 33 percent was 31-32, 19 percent was one inch, and 12 percent stapled 1-1-32 and longer.

Fifty-seven percent of the cotton "miked" in the Lubbock office was in the 3.5 and better micronaire category, 12 percent "miked" 3.3 and 3.4, 19 percent was 3.0 through 3.2, nine percent was 2.7 through 2.9, and three percent was 2.6 and below.

Prices were \$2.50 to \$5 per bale higher during the week on all qualities except Middling and higher grades. Prices ranged from the loan or near the loan on high grade, long staple cotton up to \$40 per bale over the loan on low grade, low micronaire cotton. Most lots sold at 18.75 to 20.75 cents, regardless of quality.

ALL cotton in the Lubbock market is selling on a physical price basis with little or no regard for the loan. Demand continued very strong for low grade, low micronaire cotton and this caused the extremely narrow price range. Below grade cotton was selling at 17 to 18 cents.

Cottonseed prices were steady and ranged from \$56.00 to \$62.00 per ton to the farmer.

SANTA CLAUS and one of his elves made an early visit in this "West Texas sleigh" Sunday, at a children's Christmas party at the home of Mr. and Mrs. Jay Lee Touchstone, Clovis Highway. The party was given for the Touchstones' grandchildren, nieces, nephews and neighborhood children. In the sleigh with Santa are Todd and Tricia Touchstone of Dimmitt and Sandie

and Christi Howard of Waco. Atop the sleigh is Santa's green-skinned "elf," Kyle Touchstone. Standing, from left, are Tobin Touchstone, Johnny Webb and Debbie Giles. Santa (Truett Childers) joined the youngsters for a "Texas Christmas dinner" of hot dogs and lemonade after hearing the younger ones' requests.

Frio news

'Tis the season of Yule parties

By Mrs. Owen Andrews
The Frio Homemakers Club's Christmas party was held last Tuesday evening in the home of Mrs. David Yandell. A Christmas program was directed by the hostess, followed by exchange of gifts revealing secret pals of the past year. New ones for the coming year were chosen.

Present for the occasion were 17 members.
A Sunday school class party for the two older groups was held at K-Bob's in Hereford Saturday night. Mr. and Mrs. Frank Robbins planned the entertainment which followed the supper. Gifts for Lubbock's Buckner's Home were brought by guests. Twenty-three attended.

The Chesley Johnstons, Tommy Sparkmans and Eugene Baldwins were hosts at a Christmas party in the First National community room last Thursday night. A buffet supper was followed by games of "42". Others attending were the Dwane Nelsons, Kenneth Fryes, Ronnie Andrews, Leon Richards, Jack Andrews, Jimmy Blairs, Joe Andrews, Mike Waldrups and Clark Andrews.

party on Christmas Eve is being planned at the Frio Church in the fellowship room. Gifts will be brought to exchange, and Santa will make his usual appearance for the children. A program of volunteer talent will be planned. Weldon Stephan is in charge of the program.

The Kenneth Fryes, assisted by the Dan Easleys, were hosts at a neighborhood party Saturday evening. Others who attended were the Martin Youngs, the Charles Sells, the Don Tindals, the Jim Odoms, the Bill Bolingers and the Dee Willards. Refreshments and games of "42" made up the evening's entertainment.

Mr. and Mrs. Jerry Hogue of Lubbock visited his sister, Mrs. Kenneth Frye, and family Sunday. Hogue is a teacher and coach at Coronado High, and his wife teaches at Tech.

Two from Hart make all-district

Stan Dyer of Hart has been named to the 3-A all-district first team as a linebacker, and Ralph Bell has earned an honorable mention as a tackle.

DYER, a sophomore, and Bell, a senior, were the only Hart players named in the all-district selections, released Monday.

Here's the all-District 3-A lineup:

OFFENSE

Ends — Dennis West of Sudan, Carl Sulcer of Springlake, Charles Meals of Kress.

Tackles — Gerald Chisholm of Sudan, Ken Donathan of Vega, Hecarable mention: RALPH BELL, Hart.

Buads — Terry Braden of Springlake-Earth, Barry Crowe of Vega.

CENTER — Terry Stark of Kress.

Running backs—David Weaver of Sudan, Dick Robinson of Vega, Harold Sides of Vega, Johnny Backson of Kress, Layne Thomas of Kress.

Quarterbacks — Gene Sheets of Farwell, Mike Hough of Bovina, Bronc May of Vega.

DEFENSE

Ends — Randy Chisom of Bovina, Ken Donathan of Vega.

Tackles — Eugene Lopez of Sudan, Gerald Chisholm of Sudan, Kent Parrish of Springlake, Andy Watley of Vega.

Middle guard — Johnny King of Sudan.

People who cook with pride cook with GAS. Mrs. Viola Jordan does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Jordan and nine out of 10 professional cooks agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Jordan's favorite recipes.

CHICKEN CHOW MEIN
Mrs. Viola Jordan, Gray County Courthouse, Pampa

5 lb. chicken (I sometimes use a large, fat fryer)
1 medium sized onion
1 small can mushrooms (chopped)
1 small package spaghetti
1 no. 2 can tomatoes
1/2 cup ripe olives (chopped)
3 tbs. Worcestershire Sauce
1 button garlic
3/4 lb. grated sharp cheese

Cook chicken with one button garlic until tender. Cool and bone chicken. Cook spaghetti in plain water. Saute onions, add tomatoes with a pint (2 cups) of broth. Make a paste of 2 tablespoons of flour and cold water and add to onions and tomato mixture and simmer 30 minutes. Add chicken, mushrooms, olives, spaghetti. Sprinkle grated cheese on top of mixture and bake in a large baking dish for 30 minutes in a hot, gas oven (400 degrees). Serves 10 to 12.

WHO NEEDS A TRACTOR?—At C&S Equipment Co., your John Deere dealer, Miss Dimmitt found tractors of all sizes—from John Deere replica toy tractors (just like daddy's) starting at only \$1.25, to sidewalk riding tractors, to powerful garden tractors. Miss Dimmitt perches atop a John Deere riding mower—just the thing to make your work (or your wife's work) easier next summer. Miss Dimmitt found that C&S Equipment Co. has lawn mowers in all sizes—from push type to powerful tractor-mowers. And she was surprised at the big array of sturdy toy farm implements she found at C&S!

C & S EQUIPMENT CO.

WHILE SHOPPING Henderson TV & Appliance, Miss Dimmitt found a new Telex-Phonola combination stereo turntable, AM-FM radio and eight-track tape player in a contemporary cabinet to blend with any decor, for a fantastic assortment in listening pleasure.

The large selection of Norge washers and driers, and Kelvinator refrigerators at Henderson's might help some Santa find the perfect gift for a busy homemaker.

GIFTS CAN BE both beautiful and practical when they come from Parsons Rexall Drug. Here, Miss Dimmitt looks over a dazzling array of gifts which anyone would love to find under the tree. The watches are by world-famous Bulova and Caravelle, a division of Bulova, \$12.95 to \$40. The imaginative radios—"King Arthur," "Knight" and "1917 Model Car"—are by Sony, \$21.95. The mirror is one of many models of lighted vanity mirrors you'll find at Parsons, from \$10.

NO OTHER FEELING is quite like the one a lady experiences when she receives a beautiful ensemble in the latest fashion, selected just for her. At Cobb's, Miss Dimmitt models a Sir Julian pantsuit of 100 percent Dacron polyester double-knit, accented by a white belt. You can be sure you'll find the ensemble that's just right for her... at Cobb's! And for him, a gift that's always appreciated is a classic Arrow shirt with color coordinated tie in the "now" colors.

CHRISTMAS is a time of giving, and what better time, to give the lady that new gas range she's been wanting? Miss Dimmitt found a wide selection of beautiful Tappan ranges at Northern Propane Gas Co., in fresh, bright colors, as well as white, for the modern kitchen. These ranges have automatic clock control on the ovens, and offer such features as lift-off surface tops for easy cleaning, and some have the time-saving self-cleaning ovens. Speed Queen washers and driers, also in colors, and Admiral appliances make Christmas shopping easy at "Norgas."

NORTHERN PROPANE GAS CO.

AT HIGGINBOTHAM-BARTLETT CO., Miss Dimmitt discovered a complete selection of small appliances under the Christmas tree. A Sunbeam super-iron, with steam and dry controls, an electric knife by Hamilton Beach, a portable Mixmaster with three-speed control by Sunbeam, and an electric coffeemaker by Mirromatic, in the newest colors, would make any mother happy on Christmas morn. Susan also found toasters, blenders, hair driers and portable ovens in an assortment of styles, by leading manufacturers.

Diphtheria vaccination clinic to be conducted today

By MYRT LOMAN

A diphtheria vaccination clinic will be conducted today (Thursday) for residents of the Hart School District.

THE CLINIC, sponsored by the Hart PTA and Lions Club, is for everyone in the school district two months of age and older, who has not had the series of diphtheria vaccinations. Site of the clinic is the Hart Elementary School gym.

Anyone who has received his DPT-TD vaccination within 30 days, or who has received a booster shot within the last year, or who now has any fever, should wait until advised by his physician to have the inoculation.

Hart schools have sent forms to the parents which need to be signed and returned. If the form has been lost or misplaced, the parent or guardian must accompany the child to the elementary school gym from 9 to 11:30 a.m. today (Thursday) for the vaccination.

The volunteer assistants will be on hand to help with the immunization program.

IN THE first 11 months of 1969 we had 23.53 inches of moisture, but to date in 1970 we have had only 6.77 inches, with just a trace of snow on Friday morning. This is measurement in the city. It will vary in different directions from the city.

BROADWAY has the Christmas decorations up and many residences are decorated for Christmas. If you have never driven around town during the holidays to see the pretty and unusual decorations, you have missed something. Go this year and see the pretty lights, and you might see Santa warming his feet near a stove in a front yard.

MEMBERS of the Goodneighbor Club and their husbands were guests Friday night in the home of Mr. and Mrs. D. A. Bass for a salad supper and Christmas party.

The home was decorated with the Christmas motif and a big tree with gifts. Highlight of the evening following the meal was the exchange of gifts and games of 42.

Mrs. Arthur Cannon of Lubbock, former Hart resident, was a special guest. Some 34 members and guests enjoyed the fellowship.

HART SCHOOL will dismiss Tuesday for the Christmas holidays. Classes will resume Monday, Jan. 4.

Mid-term exams will be held Monday and Tuesday, Dec. 21-22.

Financial Facts
By Willis A. Hawkins, Jr.

A commodity base provides a built-in form of supervision over the behavior of money. The trend is increasingly toward the issuance of non-commodity debt money. However, this built-in restraint is swiftly disappearing and governments have had to seek out substitute procedures for stabilizing currency.

These efforts have led to an expansion of the powers of central banks and to the establishment of the International Monetary Fund at the end of World War II.

The IMF was set up on the recommendation of an international conference of experts held at Bretton Woods in 1944. Its purpose is to establish foreign exchanges and its constitution provides for:

International consultation and collaboration with a view to promoting exchange stability, facilitating multilateral trading throughout the world; and, Checking disequilibrium in the balances of international payments between the member countries.

"WHEN Jesus Was a Little Boy" was the program subject last Thursday at the Royal Ambassador meeting at the home of Mr. and Mrs. Harold Smith.

Following the program, the boys enjoyed dodge ball and a wiener roast in the back yard at the Smith home.

"WHAT MAKES a Good Disciple?" was the lesson subject taught by Mrs. Lowell Richburg to the 18 members of Girls in Action at their regular Wednesday meeting at the First Baptist Church.

Mrs. Richburg taught the girls two new songs in Chinese. The class discussed the many miracles performed by Jesus. The girls received their new study books and worked on activities.

Mrs. Ray Clark served refreshments.

Mrs. Jerry Kittrell and Mrs. Clark were special guests. Mrs. Lowell Richburg is the leader, assisted by Roxann Irons.

FUNERAL services were conducted in Plainview Friday afternoon for Roy Edward Burrus, 70, owner of elevators in Hart and several other Texas and Oklahoma cities.

Mr. Burrus died Dec. 8 of an apparent heart seizure while en route home to Plainview from Dumas. He was dead on arrival at a Canyon hospital.

Last rites were conducted in the Ninth and Columbia Church of Christ in Plainview. Officiating were Bob Eubanks of Hardin College, Searcy, Ark., and Gene Polvado, minister of the Plainview church. Burial was in Plainview Memorial Park under the direction of Wood-Dunning Funeral Home.

Born Nov. 19, 1900, Mr. Burrus had lived in Lamb and Hale Counties all his life. He spent his younger years as a farmer in Lamb County, then went into the cotton gin and grain business in 1930. He owned and operated elevators in Hart, Whiteface, Tulia, Levelland, Plainview, Chillicothe and in Oklahoma.

He is survived by his wife, Eunice; a son, Tom Neil of Dumas, and three grandchildren.

Pallbearers included Wister Clewenger and L. J. Rice of Hart, David Weaver of Lubbock, Alton Cox and Dwane Love of Tulia, and Curtis Bingham of Kress.

DEBBIE and David Acker of Nazareth presented the program at last week's Hart 4-H Club meeting held in the Max Marble home. The meeting opened at 7:30 p.m. with Charles Hotel, Castro County agent, assisting. The program was to enlighten 4-H members on the projects and record books which are entered annually in district competition.

Roll call, led by Donna Hart, was answered with "What Christmas Means To Me," in keeping with the Christmas theme.

Refreshments were served to Gary, Marlin, Donna, and Vic Hart, Dean, Terry, Kent, Tammie, and Brad Hill, Pat Stiert, Debbie and David Acker, Patricia Smith, Mr. Hotel, Larry and Marlin Marble, Mrs. Joe Percy Hart, and Mr. and Mrs. Bill Hill.

MESSES George Bennett, Bob Lacy, Leon Kendall and Bob Bowden entertained other members of the Chi Psi chapter of Beta Sigma Phi Saturday night with a party in the community room of Farmers State Bank.

Special guests were husbands of the members.

Bob Bowden auctioned boxes of food to the highest bidders. The boxes were wrapped in newspapers, with small bows of ribbon on top.

Crazy bridge and 42 were enjoyed, with Mrs. Bob Bowden and George Bennett winning high score honors.

Attending the party were Messrs. and Meses. J. D. Myrick, Jim Black, Richard Frank, Bob Lacy, George Vance, Leon Kendall,

Frank Barnes, Bob Bowden, George Bennett and Bill Hill.

MRS. JIM BLACK complimented her son Glenn with a theater party Saturday afternoon for his birthday. Glenn, Robert Lacy, Kent Hill and Janet Black saw the movie, "Son of Flubber," in Plainview.

CUB SCOUTING is getting underway here with the den mothers having completed their leadership course taught by Jerry Stevens, Boy Scout representative from Plainview. The course was conducted last Wednesday afternoon in the community room of Farmers State Bank.

Den mothers will be Meses. Weldon Jones, Leonard Griswald, Glen Gleghorn, Isaac Ponce, Lyndall Warren, Bill Rich and Leo Alexander.

A meeting has been slated for Monday at 7 p.m. in the school cafeteria to divide the dens. Promotion of boys from Cub Scouts into Webelos is planned for the program.

All boys who have registered and those interested in becoming Cub Scouts and Webelos are urged to attend Den and pack meetings will begin the first Monday in January.

THE ESTHER Sunday School Class of the First Baptist Church held its Christmas party Sunday night in the C. B. Martin Jr. home. Mrs. Martin is the teacher of the class.

A covered dish supper was served from a Christmas decorated table. Following the meal, table games were played and a sing-song was held with Dr. Lawrence Gregory of Clovis, N.M.,

at the piano. Dr. Gregory is a cousin of Mrs. Martin.

Fourteen couples attended.

AN ALL-CHURCH Christmas supper has been slated for Sunday night at the First Baptist Church. The covered dish supper will follow the evening worship service at 7:30 p.m. Fellowship hall is to be the setting for the event, which will be followed with the singing of Christmas carols.

Each family is asked to bring a covered dish and participate in this annual supper and program, according to Rev. C. T. Cunningham.

MR. AND MRS. Jerry Kittrell hosted the Joy Sunday School Christmas dinner in their home Sunday night. Ham and salads were served buffet style.

A gift of appreciation was presented to the class teacher, Mrs. Preston Upshaw.

THE HOME of Mr. and Mrs. C. B. Martin Jr. was the setting Friday night for the Nanny Farms Christmas dinner party.

Guests arrived at 7 p.m. The home was decorated with the festive holiday decor and included a piano-top arrangement of the three wise men. They were surrounded with angel hair and miniature lights. Decor in the closed-in patio were strings of greenery tied with red bows draping the yellow covered windows. Tables were covered with green cloths centered with red candles and rings of greenery.

Saturday vows set

Rita Vick of Dimmitt and Tom Walls of Wichita Falls will exchange wedding vows in the First Baptist Church of Dimmitt at 8 p.m. Saturday.

MISS VICK is the daughter of Mr. and Mrs. Clyde Vick. Mr. and Mrs. Edward Joseph Walls of Wichita Falls are the parents of the groom.

Friends and relatives of the couple are invited to attend the wedding and the reception following.

Bargains abound in holiday foods

Economical buys for the holiday season can be found in all areas of the market, from fruits and vegetables to meats, reports Gwendolyn Cyatt, Extension consumer marketing specialist.

LARGE supplies of ruby red and golden yellow apples, oranges, tangerines and tangelos are now available. Other good buys include pineapples, Emperor or Ribier grapes and persimmons and pomegranates. To make the most of your money, buy bags or small fruit sizes.

Dried fruits are also good holiday buys. They are good mixers plus they are nutritional. Raisins and prunes are the most popular dried fruits, followed by dates, figs, apples, apricots, pears, peaches and currants.

Most plentiful and reasonable of the fresh vegetables are potatoes, carrots, yellow onions and celery. Sweet potatoes and cabbage are also reasonable.

FRYERS continue in good supply in most stores. Whole and cut-up birds and fryer parts are marked with attractive prices, as well as roasting hens.

Pork is featured frequently in local markets. Look for specials on loin cuts, shoulder roasts, and a variety of hams. In addition to featured pork cuts, good meat buys are found on beef roasts, steaks and ground beef.

Checklist makes holidays easier

By IRENE KEATING

It will be Christmas before we know it. Last week we had our agents' Christmas party. It was fun even though it was so warm outside that it didn't seem like Christmas. The 4-H Junior Leaders Club had their Christmas party last week at Sunnyside community building.

HERE ARE some ideas to help you have a better holiday. By doing a couple of jobs each day, you will be prepared to enjoy the true spirit of Christmas. Here's a check list of pre-holiday chores.

Check your linens. Holiday guest towels and dish towels may be dusty after a year's storage. So will holiday tablecloths and napkins. If you need replacements, consider buying the no-iron variety or holiday paper ones. Are overnight guests expected? Be sure to investigate the towel and bed linen situation to see that they are in ample supply and good condition.

Make your company tableware sparkle. Remove any dusty film from punch cups, crystal, dishes and platters by washing them in hot suds or in the dishwasher. Check silverware and candlesticks to see if they need polishing. Remember to stock up on your Christmas candle supply. How about your mirrors and windows? Clean them to add to the glow of your holiday.

BE SURE to include the youngsters in your holiday preparations. They make good silver polishers and window washers.

Make full use of your freezer by preparing main dishes, desserts, garnishes and party fare well ahead of time and freezing them until needed. Start your holiday baking, too. Preparation of many of the nationally breads and cookies is time consuming, but it can be a pleasurable experience when done in a relaxed atmosphere.

One caution to keep in mind is to use moisture-vapor-proof wrapping or air-tight containers to insure good keeping of foods. Tin cans are fine for cookies and breads. If you plan to use some as gifts, you may even gift wrap them before freezing so they will be ready to give away.

Plan main dishes to include adequate meat or other protein food per serving. Be sure to pack them tightly to prevent the development of a warmed-over flavor.

SOME SPICES and seasonings tend to become strong under freezing conditions, so it's best to season foods lightly. Add more flavoring during the heating process before serving. Store a few party foods and extra ice cubes in the freezer if you have space. Include a variety of dips, since most will keep well for about six weeks. Appetizers and other similar dainties may be frozen in layers with a sheet of freezer wrap between them, with all the layers overwrapped.

Flour dough for both pies and tiny tarts may be rolled into the desired size, layered flat, then overwrapped. Allow the dough to thaw before shaping. You can also prepare various punch combinations and freeze them.

Plan your meal and party menus now, and make best use of your freezer space.

FB directors, wives have party

The annual Christmas party for Castro County Farm Bureau directors and their wives was held Friday night at the Castro County Country Club.

TWELVE board members and their wives attended the supper, then took part in games and contests. Guests included the area supervisor and his wife, Mr. and Mrs. Ben Cockrell of Canyon, Mr. and Mrs. Charles Nutt and Mrs. Lon Booth.

Hosts for the party were Mr. and Mrs. Jack Flynt and Karron, Mr. and Mrs. Eugene Hochstein and Susan, and Mrs. Nelda Tuttle and Donya, Janelle Venhaus also attended the party.

Tops Club holds Christmas party

The Dimmitt SOS Tops Club held its Christmas party Monday night with husbands as guests. Gifts were exchanged.

AT THE DEC. 7 meeting, 21 members weighed in, and Sybil Steffens was named queen. Mrs. Steffens is now a member of KOPS after holding her weight goal for three months.

Agnes Brockman was crowned queen for the month of November, and Tommy Petty has been elected to serve as co-leader until April.

During November, three members were weekly queens. Agnes Brockman, Rose Birkenfeld and Joyce Davis each received gifts.

The meeting time is now 6 p.m. for weigh-in, and 6:30 for meetings on Mondays at the First United Methodist Church.

Bazaar attracts 150, earns \$500

The Plains Memorial Hospital Auxiliary Bazaar grossed more than 500 Friday.

THE BAZAAR committee was headed by Mrs. Virginia Gilbreath.

Approximately 150 people including Rotary Club members, were served lunch prepared by the Auxiliary ladies. Mrs. Gail Bruegel headed the committee for the meal.

Garza separated from active duty

David Garza, son of Mr. and Mrs. Tony Garza, is home after being separated from active duty in the Army.

GARZA was stationed in Nha-Trang, Vietnam for several months. He is a 1964 graduate of Dimmitt High School, and has a BA degree in Latin American Area Studies from Texas Tech.

WSCS has party at nursing home

The Ruth Circle of Woman's Society of Christian Service of the First United Methodist Church presented a Christmas program at the Golden Spread Nursing Home Friday. The ladies also served cookies and punch.

ELEVEN members were guests of Mrs. Roy Haberer Monday. A Christmas program was presented, and the devotional was given by Mrs. Andy Behrends. "They Followed the Star," a Christmas story, was presented by Mrs. Diamond Neumayer. Refreshments of cake, candy and punch were served by Mrs. Haberer.

Jan. 22 date set

Mr. and Mrs. Clarence Wood announce the engagement and approaching marriage of their daughter, Laura Kay, to William Clyde "Bill" Conyers.

CONYERS, the son of Mr. and Mrs. John E. Conyers of Hereford, is a 1965 graduate of Hereford High School. He is presently employed by Leasure Body Shop.

Miss Wood is a 1969 graduate of Dimmitt High School, and is employed by the First State Bank.

The couple will exchange wedding vows Jan. 22 at 8 p.m. in the home of Mr. and Mrs. Delbert Scott of Dimmitt.

KayLynn Ward is shower honoree

Kay Lynn Ward was honoree at a miscellaneous shower last Wednesday in the Frio Baptist Church fellowship hall. She is the bride-elect of Royce Riggins of Hereford.

HOSTESSES for the shower were Mrs. Roanie Andrews, Frank Robbins, Floyd Cole, James Eull, Ed. Harlan Barber, David Yardell, Judy Williams, Paul Hill, R. L. Blakely, A. E. Hodges, Vi Williams and Olin Parriss.

The bride's chosen colors of royal blue and white were used in the table decorations. Mrs. Sy Koenig and Mrs. Earnest Ward, aunt of the bride-elect from Clovis, served refreshments.

Mrs. Robert Akin of Olton registered guests after they were received by Miss Ward, her mother, Mrs. Clinton Ward; the groom's mother, Mrs. Charley Riggins; grandmothers, Mrs. Valda Skeen of Clovis and Mrs. H. T. Thornhill of Pampa.

Miss Ward and Riggins will be married in the Frio Baptist Church Jan. 3.

Leinen home is site of shower

Debra Smith, bride-elect of Dale Jones, was honored with a bridal shower Saturday in the home of Mrs. Florene Leinen.

GUESTS were received by Miss Smith, her mother, Mrs. Thelma Smith, and her grandmother, Mrs. O. B. Winkle. Refreshments of cookies and pink punch and coffee were served from a table decorated with an artificial arrangement in pink. Elaine Cook served the guests.

Mrs. Leinen's co-hostesses included 15 other ladies from the Dimmitt area.

RANGE SEEDING TIME—This hardy field of sideoats grama was planted on the Leonard Wilhelm farm in January, 1968. Good stands of native grasses such as sideoats grama and blue grama can be obtained on dryland by planting grass seed into a good

dead-litter cover. Weeds must be controlled to obtain a stand. The most successful grass plantings on dryland in the Running Water Soil and Water Conservation District have been made in December and January. (SCS Photo)

Winter weed control advised by cotton specialist at A&M

Next year's cotton yields can be influenced by soil management and weed control practices during the upcoming winter months. Timely land preparation, says Fred C. Elliott, Extension cotton specialist, is the first step for a successful weed control program.

UNCONTROLLED winter weeds, he adds, are moisture and plant food robbers, both vital to top production. In addition to regular land preparation, Elliott lists as major weed control methods those that can be carried out with machinery or through the use of chemicals.

The mechanical methods include bedding and rebedding, bed shaping, Roll N' Cultivator, row disk, lippin' riger, do-all in West Texas the bed knifing tool does

an excellent job. Elliott says cotton producers have a wide choice of materials available for chemical weed control. Two are soil incorporated herbicides, Planavin and Treflan. Many growers, he adds, look with considerable favor on these materials and they can be applied beginning in late November or in December in South Texas. A popular method of application is with the roto-tiller or roto-vator. They may also be incorporated into the soil by broadcast disking with the tandem disks. These herbicides keep winter weeds under control if conditions are normal until planting time.

UNDER high moisture conditions, he adds, it is often necessary to treat again just before planting for the control of early

Johnsongrass. DSMA alone or in combination with a material such as Karmek is excellent.

For those who do not wish to use soil incorporated herbicides, mechanical methods are recommended.

Elliott offers these cautions if fall applied incorporated herbicides are used. If lower amounts of water are used, calibrations are very important. Application equipment should be checked daily for nozzle wear and accuracy of pressure gauges. Excellent tools for applying Planavin and Treflan on a band basis are the combination with a bed shaper, thus doing two jobs at the same time.

Elliott notes that the county agent's office has available a revised publication on weed control in cotton and also fact sheets on other subjects dealing with cotton which growers should find valuable.

MODERN AGRICULTURE

ASCS notes

New feed-grain provisions told

Secretary of Agriculture Clifford M. Hardin has announced major provisions of the 1971 feed grain program.

"**AT THIS** time, however," Hardin explained, "there are many unknowns in the feed grain situation."

"Consequently, we are not announcing the final set-aside percentage until we have additional information on factors affecting the 1971 crops. For the purpose of the January Farmers' Planting Intentions Report, the department will tentatively plan for a 20 percent set-aside for feed grain."

"The decision on the actual percentage will be made prior to the program signup period, March 1 through April 9, 1971," Hardin continued. "The preliminary payment associated with a 20 percent diversion requirement would be 32 cents per bushel for corn and 29 cents per bushel for sorghum, times the yield established for the farm, times one-half the corn and grain sorghum base."

"**WE ARE** announcing other program decisions in order to provide farmers with the broadest information possible for planning spring seedings," the secretary said.

"The set-aside program will give producers more options in the uncertain situations for corn than previous programs, since it places to limits on the plantings of crops except those for which marketing quotas are approved by farmers. These crops are peanuts, rice, tobacco, extra long staple cotton, and sugarcane. I have great faith in farmers to make the right decisions when they are provided the opportunity to do so. The set-aside program frees them of specific limitations on all non-quota crops," he said.

In 1971, participants in the set-aside program will be guaranteed a national average of \$1.35 a bushel on the production from half their corn base, and \$1.24 a bushel (\$2.21 a hundred weight) on half their sorghum base. This compares with total support in 1970 of \$1.35 a bushel for corn, and \$1.20 a bushel (\$2.14 a hundred weight) for sorghum.

SET-ASIDE payments for diverting the specified percentage of the base will be equal to the difference between the national average price received by farmers during the first five months of the marketing year and the guarantee.

The method of calculating set-aside payments for a farm will be like that of the 1970 program: half the feed grain base times the farm yield times the payment per bushel. Unlike the 1970 program — when participants were paid on the actual acreage of feed grain planted up to 50 percent of the farm base — participants in the set-aside program will receive the full payment regardless of what they plant on their acreage.

Preliminary payments to participants will be made as soon as practicable after July 1, 1971. Regardless of the eventual size of the total payment, the participant will not be required to refund

any of the preliminary payment. **THE** 1971 loan rate for corn will be \$1.08 per bushel for No. 2, which is equivalent to \$1.05 a bushel for corn of average quality, the same level as in 1970.

In setting the loan rates for other feed grain, the Agricultural Act of 1970 places heavy emphasis on feeding values in relation to corn. In contrast, the Food and Agriculture Act of 1965, which authorized recent feed grain programs, required consideration of this factor in setting total support, but left loan rates largely to the discretion of the secretary of agriculture.

As a result of the emphasis of the new Act, 1971 sorghum rates are higher than in 1970, while those for the other grains are lower. The 1971 loan levels for the other grains are: grain sorghum, \$1.73 per hundred weight; barley, 81 cents per bushel; oats, 54 cents per bushel; and rye, 89 cents per bushel.

THE Agricultural Act of 1970 makes provisions for the shifting of bases from farms which do not plant feed grain to those which do. The law provides that farms which plant less than 45 percent of their feed grain base in 1971 will have their 1972 base reduced for the amount of the under planting, up to 20 percent of the base. If no feed grain or authorized substitute crops are planted for three consecutive years, the entire base is removed from the farm. All base lost by farms will be placed in a national pool for reallocation to other farms.

Acreage which is not planted due to a drought, flood or other natural disaster, or a condition beyond the control of the producer, will be considered planted to feed grain to preserve bases, and any producer who makes a set-aside but elects to receive no payment will not suffer loss of base.

In 1971, acreage planted to soybeans will not be considered planted to feed grain, unless it is later determined that this action is needed to prevent a shortage of soybeans.

ACREAGE planted to wheat will be considered planted to feed grain to prevent loss of base. Under the wheat program, land planted to feed grain will be considered planted to wheat to prevent loss of allotment.

Feed grain bases will be set just as they were in 1970. Other program details, such as production of alternate crops on diverted acreage, will be announced prior to signup.

"**THE** BASIC natural wealth is the soil. Man is the final crop of any soil. He comes from the soil and returns to it at death. He lives on the soil or returns to it frequently. He is sustained by the soil. Therefore as the soil is so is the man. The wise use of our resources mean nothing except as they are used in relation to human welfare and the progress of society."

Former community resident dies in car wreck

By **TEENY BOWDEN**
Charles Clark, who farmed his mother's section in the community until last year, was killed in a car accident near Smyer last week. He lived in Lubbock, and his mother, who lives in Dallas, still owns the land here. She is a sister of Mrs. Willis A. Hawkins Sr. of Hart.

Mr. and Mrs. Ezell Sadler left Monday afternoon to spend the week in Abilene and to attend the wedding of a nephew there.

The Cub Scouts met at the home of their den mother Mrs. John Gilbreath Monday afternoon. Those present were den mother, Mrs. Jerry Butler of Dimmitt lending a hand, James Roberts, Burlie Robb, Roy Quinby, Jimmy Jo Butler, Russell Birdwell, Richard Robb, Jeff Lindsey and Lawrence Stephenson, all of Dimmitt, and Matt Gilbreath of the community.

Gale Sadler was dismissed from Plains Memorial Hospital in Dimmitt Monday night.

Mrs. D. A. Barnett of Olton came Monday to stay with her daughter, Mr. and Mrs. John Gil-

breath and boys while her husband is in West Texas Hospital in Lubbock for tests and observation. They visited with him in the hospital Thursday.

WAYNE and Darell Parson of Plainview spent the week with their grandparents, Mr. and Mrs. Thomas Parson.

Mr. and Mrs. Thomas Parson visited in Blanket over last weekend with his parents who are improving some now.

The Mission Friends, Crusaders and Girls-in-Action met at the church Tuesday afternoon for their regular meetings. Mrs. Mack Turner taught the book, "A New Song for Heng Wah" to the six and seven year old GAs.

JIM ROGERS, a nephew of Mrs. John Gilbreath from California spent this week with Mr. and Mrs. John Gilbreath, Coby, Matt and Hal and his grandmother this week.

Mrs. L. B. Bowden visited in Dimmitt with Mrs. James Powell Tuesday afternoon.

THE LIONS Club was host to the District Governor, Jack Ril-

ey, of McLean Monday night at a dinner meeting in the new community building. It was a ladies' night. It was attended by a large number of Lions in the county.

The Actees with their leaders, Mrs. Hershel Wilson, Mrs. Garner Ball and Mrs. Houston Carson had their weekly meeting on Wednesday after school instead of on Wednesday night to see if the attendance would increase.

The WMS Bible Study group met Wednesday night with Mrs.

L. B. Bowden, group leader in charge of the study.

MRS. JOHN Gilbreath entertained her bridge club with a luncheon Tuesday. Those present were Mrs. Ray Joe Riley from the community and Courtenay Armstrong, Ina Cleavinger, Gail Bruegel, Katy Graham, Ruth Jackson, Carolyn Jones, Mona Merrit, Joanis Robertson, Shirley Wise, Jerry Butler, and Nancy Ross, all of Dimmitt, and her mother of Olton.

Mr. and Mrs. Robert Duke, Bob, Larry, and Sandra attended the County 4-H Council in Dimmitt last Saturday night for an old-time box supper. Bob is vice-president of the council.

John Gilbreath attended a very major surgery Friday morning. Mr. and Mrs. Ezell Sadler came back from the visit in Abilene for the surgery. They left Saturday for Benson, Ariz., where they will visit with his cousin and all will go to Rocky Point off the California Coast in Old Mexico.

Mr. and Mrs. Weldon Bradley went to Boise City this week to the funeral of the son of Mr. and Mrs. Paul Redwine. He was 22 and lost his life in a car accident. Paul Redwine was practically reared in the community. School class supper in the home of Mr. and Mrs. George Sides in Dimmitt Wednesday night.

Methodists plan unique services

"Christmas Sunday" services at the First United Methodist Church this Sunday will employ Scripture readings, choral anthems, carols and a puppet theater to tell the story of Christmas.

REV. Jim T. Pickens, pastor, said the morning worship service at 10:45 will consist entirely of Scripture readings and special choral anthems. The service will include no sermon, he said. The church choir is directed by Nolan W. Froehner.

At the evening service at 6:30, the Christmas story will be told in an original production of puppets and music by Mrs. Catherine Kocken of Lawrence, Kan. Mrs.

Kocken is the sister of Mrs. Kent Birdwell of Dimmitt. The evening service also will include children's carols and acts of worship, Rev. Pickens said.

Both "Christmas Sunday" services are open to the public.

"THE VERY earth of our country is gradually getting lost to us. One-third of the fertile top layer of our soil has already been washed away into rivers and the sea. This must be stopped, or some day our country will be barren to yield us a living. This is one national problem crying for solution, it affects you directly and decisively!"

Sideses host church party

By **MRS. JACK RISTER**
A Sunday School party Wednesday night in the home of George and Carolyn Sides was attended by 35 members. Hostesses were the George Bagleys, the Bill Sniders and the George Sideses.

Mr. and Mrs. Jack Rister were supper guests of Mr. and Mrs. Claude Moore and Gary of Frio and Mrs. Earl Coady, Sheldon, and Rena of Dimmitt Thursday night.

Mr. and Mrs. Floyd Roberts and Larry of Amarillo, Bill and Joe Lane, and Coby Bell of Turkey, Brown L. Smith and Roy Blair of Dimmitt, Mr. and Mrs. Jimmy Howell and children, and Mr. and Mrs. Bill Yokum and Joe, were Saturday dinner guests

of Mr. and Mrs. Jack Howell and boys.

Mr. and Mrs. Bill Yokum were in Lubbock.

MRS. NORMAN Cleavinger and Mrs. Charles Wales were in Lubbock Monday.

Mr. and Mrs. Charles Wales and Mr. and Mrs. George Sides and their bridge club went to the Hay Loft Theatre in Lubbock Saturday night.

Mrs. Norman Cleavinger was a Sunday guest of her daughter and family, the Charles Wales.

Mrs. Charles Wales attended a WSCS meeting at Mrs. James Bradford's home Wednesday.

Mr. and Mrs. Monty Boozer attended the Young Farmer's Banquet Saturday night.

MOSS HOWELL is improving in the Deaf Smith County Hospital. He is in Room 164.

Pheasant season opened Saturday. Boy! All the shooting. The poor little birds got it. They are so pretty and are a lot of good eating, too.

Mrs. J. D. McElroy, Bob Osborn and James Osborn and children from Levelland visited Mr. and Mrs. Bud McElroy, Sharon and David Sunday.

CARROL BRADLEY of Levelland and Mike Long of Lubbock visited with the Jack Risters Sunday.

This is the season of the year to remember friends, neighbors, and relatives. Let's remember the true meaning of Christmas. I'd like to wish everyone a Merry Christmas and a Happy New Year.

Sublett finishes vehicle course

Army Pvt. Jerry M. Sublett, 20, son of Mr. and Mrs. Verlon D. Sublett, Route 1, Hereford, recently completed a light vehicle driver course at Fort Ord, Calif.

DURING the course, he was trained in the operation and maintenance of military vehicles up to and including the 2½-ton truck. Instruction was also given in the operation of the internal combustion engine and chassis assembly.

Pvt. Sublett entered the Army in August 1970. He attended West Texas State University.

Scott new SWPC chief at Earth; Cochran new Dimmitt serviceman

Allen Cochran is a new serviceman for Southwestern Public Service Co. in Dimmitt.

COCHRAN replaces Billy Scott, who has been promoted to manager for the electric company at Earth.

Cochran is a native of Mississippi. He was born in Pickens and graduated from high school at Goodman.

The new serviceman began his Public Service Co. career at Clovis in 1963 as a meter reader. He went from this job to truck driver, then began his apprentice training program at Plainview in 1964 and became a journeyman lineman in 1967. He is a graduate of the SWPS vocational school.

Cochran and his wife, Edna, have two children — David, 7, and Carol, 5.

He has been a member of the

Dimmitt Volunteer Fire Dept., was secretary of the Kiwanis Club of Dimmitt, served as a Little League baseball coach, worked with the Cub Scouts, and was the superintendent of the High School I Sunday school department at the First Baptist Church.

Scott and his wife, Linda, have four children — Bryan, 8, Bilinda, 5, Beth, 4, and Barbara, three months.

SCOTT has taken over the manager's post at Springlake-Earth after serving almost three years as a serviceman here. He came to Dimmitt in February, 1968.

Scott and his family plan to move to Earth about Jan. 1. They have owned their own home at 606 Pine St. for the past year.

During his service time in Dimmitt, Scott has been active in civic, service and church work.

Traffic fatalities decline, but costs are skyrocketing

"Traffic fatalities in November cost Texans nearly \$79 million," the president of the Texas Safety Association, George William Perry, said this week.

PERRY, a Dallas attorney who heads the statewide safety organization said a one percent reduction in traffic crash fatalities so far this year is encouraging, but those deaths and accidents that are occurring are hitting the Texas pocketbook hard.

"The reduction in the number of fatalities this year as compared with last year can be attributed to many factors, including stepped-up enforcement efforts by the Department of Public Safety and local police, plus the success of the Governor's 'Drive Friendly' program," said Perry.

But the state safety leader warned that the cost factor is holding at a high level.

"THE COST of repairing vehicles damaged in accidents contin-

ues to go up, and so does the cost of repairing the people who are injured," he pointed out.

"A study recently conducted by the Insurance Institute for Highway Safety shows that a 15 mph front-end collision in 1970 model American sedans will cost an average of \$728.83 in repairs. Better, uniform bumpers could reduce these costs," commented Perry.

"The medical cost situation is no different. In March of 1967, the average insurance claim paid for medical treatment of a crash victim was \$254. By December of 1969, the average payment was \$302, and the cost has continued upward," he said.

"THESE two factors alone are making the traffic crash a most expensive proposition. But traffic crashes do not have to happen, and Texans do not have to pay a multi-million dollar price tag every month for them," Perry

Legislature holds key to \$42,988 sewer funds

Taxpayers of Dimmitt stand to gain \$42,988 on the cost of proposed sewage plant improvements if the Texas Legislature acts promptly in approving a \$25,500,000 matching grants program requested by the Texas Water Quality Board.

THAT statement comes from Gordon Fulcher, chairman of the TWQB.

"If there is not a state matching grants program, the federal participation in sewage plant construction amounts to approximately 30 percent," Fulcher said. "If

the state, however, does have a matching grants program which contributes at least 25 percent of the cost of an eligible project, the federal participation may increase to 55 percent. This, then would leave a city or other taxing entity with only 20 or 25 percent of the total cost to be raised," he explained.

As an example of possible advantage to Texas taxpayers, Fulcher cites the fact that, during the 1970 fiscal year, over 100 projects were constructed in Texas at a total cost of approximately \$80 million. Of that total, the federal share was approximately \$30 million and shares of the cities and other entities totaled \$60 million.

IF TEXAS had had a matching grants program during that year, shares would have been: federal, \$49½ million; state \$22½ million; cities and other entities \$18 million, or a difference of \$42 million.

The board chairman proposes two ways in which the state could raise the money to provide the matching grants.

One would be a direct emergency appropriation.

"But with the Legislature facing many requirements for additional monies to meet the needs of this progressive, growing state, I would think another means must be found to raise the state's share. A better solution, it would appear to me, would be to create a program for financing of state grants by the issuance of state bonds to finance loans to the cities or other entities in the amount of 25 percent of the cost of eligible project. These loans, then, would be repaid by the entities in accordance with a repayment contract devised by the state agency designated to handle this program," he explained.

"IF TEXAS does not now make provision to fully participate in the Federal Grants Program, millions of dollars — and I mean many millions — that otherwise

would be spent in Texas will go elsewhere for the betterment of municipal systems in other states in the nation," Fulcher emphasized.

Very rapid action on the part of the Legislature when it meets in January will be required if Texas is to be in a position to take advantage of the grants program," Fulcher said.

"As a first priority of business with the consent, approval and support of the leadership of the House and the Senate, and at the request of the governor, legislation should be passed and completed by March 15," Fulcher said.

Nazareth schools adopt lunch plan

The Nazareth School Board last Wednesday approved the new federal lunch programs for Nazareth students.

PUBLIC Law 91-218, which goes into effect Jan. 1, provides standard guidelines for free or reduced-price meals for students, based on the ratio of family income and number of students in a family.

emphasized.

"We have entered the final month of this year," Perry continued. "Texas could end 1970 with a substantial reduction in traffic crash costs and a tremendous savings in Texas lives by reducing the number of crashes that occur."

"Throughout December, the Texas Safety Association is urging every motorist in the state to 'Drive Friendly,'" he said.

"We are convinced that if Texans will operate their vehicles in a friendly, sensible manner and avoid abusive drinking, we can end the year on a note of optimism instead of with grim statistics reflecting the unnecessary loss of Texas lives," concluded Perry.

Counselor's Corner

The counselor's office is sending a note home with each freshman student inviting each parent who would like to, to come up and discuss the test results with the counselor. It would be best for the parent to call first and make an appointment.

THE JUNIOR class P.S.A.T. scores and achievement test scores have also just arrived. We will be making appointments with the parents of juniors in the near future.

We met with the seniors this past week and discussed the cost of attending college and means and ways of surviving financially and we will meet with parents of the seniors some evening early in the second semester to discuss the same subject.

Semester exams are just around the corner, being on Dec. 21 and 22, so everyone work hard and good luck.

Teacher of week:

Jim Dowty

Jim Dowty, a veteran of 10 years teaching experience in Dimmitt has accepted a position as manager of a farm near Dumas.

Mr. Dowty's classes have completed several projects in the past years. These include a band trailer, a prize-winning stock trailer, many prizes in shop equipment and the vocational agricultural students have completed numerous personal projects.

Mr. Dowty states, "My classes have performed minor tune-up jobs as well as major overhauls."

Fish basketball rapidly improving

"They're coming along" stated DHS freshman basketball coach, Don Parker. The fledgling Cats have compiled a 1-3 record for the '70-71 campaign.

THE FISH defeated Ohon and dropped games to Muleshoe, La Plata of Hereford, and Canyon.

Jack Gregory, a 6-2 starter at the post position, is the leading scorer and rebounder at this point.

The starting five include Gary Wise, Darrell Buckley, Paul Langford, Joe Kenmore and Gregory.

The Fish will participate in the Muleshoe tournament this weekend.

Coach Ken Cleveland stated of the team, "They're improving greatly."

"My mother likes me this way."

Player of the week

Danny Ebeling

Danny Ebeling, junior guard, and the only starter who is not a senior, is this week's Fourth Hour Player of the Week.

DANNY has played basketball for five years. This is his first year on Coach Kenneth Cleveland's varsity and already he has gained a starting berth.

The team's success this year according to Ebeling, is due mainly to hustle, hard work, team work, desire and all-around good attitude.

Last year Danny injured his knee in the B-team game with Floydada. When asked if this had affected his playing any, Danny said, "It has slowed me down a little and affected my jumping, but it seems to be getting back into shape again."

EBELING stated that Morton will be the toughest team this year because they went to State last year, and all of their starters are back again this year.

Danny plans to attend Stephen F. Austin. He stated that he would like to play college basketball but his height may have a lot to do with whether he does or not.

Texas Tech and the New York Knicks are Danny's favorite teams. We, the Fourth Hour Publishing Staff, wish to congratulate this Fighting Bobcat.

Spanish Club

plans party for holidays

The Spanish Club will hold their annual Christmas party, Friday, Dec. 18. Members of the Spanish Club are urged to pay their dues if they plan to attend the party.

ALL MEMBERS will be able to invite a guest to the party. Music will be provided by the Levelland Meat Packing Company, from 8 till 12 p.m. Refreshments will be served to the club members and guests; later the group will exchange gifts.

The members will decorate the American Legion Hut for the occasion.

THE FUTURE hope of each farmer and the future hope of all farmers lies in soil protection and soil building. A fertile soil, safe against erosion, is worth more than money in the bank. In itself, such a soil is a bank account which Nature will honor with plentiful crops. We all might as well admit right now that the days of soil mining are over, and the days of soil building are here.

Lost--One all-district back

Alice Rush had a small fight in the gym last week. She left her marks on the other girl. Alice you're a tiger.

Everyone make sure and attend Rita Vick's wedding, Dec. 19 at 8 p.m. at the new Baptist church. There will be a reception in the fellowship hall following the ceremony.

Linda Elder seems to be very happy lately. Wonder if Johnny

Vick has anything to do with it? Hey, Janet Norris, does Billy King know about all the boys you have been flirting with?

We want to congratulate you, Clyde Damron, on your new haircut. You look like an all-American.

News flash: Jay Stanton likes Debbie Hansen. Fatty likes Rhonda Welch. Hally Fuller and Craig Vandiver must really be having some good times together. They say Hally never quits talking about them.

Boy! Mr. Miller can sure lose his temper during second period. No wonder, look who all is in there!

LANCE DAVIS and Linda Ellis will soon become "brother and sister," isn't that sweet?

Vicki Hunter wants to tell Robert Brackett that if he doesn't quit sticking his nose in the air,

he is going to run it in the ceiling. LOST--One all-district halfback Answers to the name of Dan Frierson. May be in the Dallas vicinity. Seriously, Dan, Nati Anes will need some help next year. Come on back.

Patsy Anes, what were you doing climbing out of the window in Choir, sixth period? What does Miller say about it?

Congratulations, Choir, at least you made a "hit" with the Elementary.

Sandi Ochoa, What's this we hear about you becoming a professional wrestler?

Ask Janie Garza what Odilia Salinas did at her slumber party.

Mary Cardenas, what's this we hear about you becoming a lawyer? Where do you plan to practice law and who will be your first case? Shall we ask Agnes Garcia?

We get advice from parents, then watch them boo referees

The Dimmitt Bobcats went to war with the Farwell Steers last week at the North Grade gymnasium. A fine ball game, however, was marred by some over-anxious fans.

THE CATS clawed their way to another victory by defeating the Steers, 99-73. There was

however, another battle being fought in the gym at the same time the boys were playing.

Adults challenged the referees. It was a fine fight all the way, with a climax in the fourth quarter. That's when it happened.

A Dimmitt player fouled, or so said the referees. But the ever-concerned parents retorted in loud hoots and yells. The Bobcats were ahead by only 38 points, and these parents were only concerned Americans doing what they've told their children not to do.

YES, if a student had stood up and yelled, "Kill the referee," he would have been condemned. Only parents, apparently, are allowed this privilege.

In closing, it would be appropriate to say: "Sorry parents, you lose."

Band is selling Yule fruitcakes

The Dimmitt Bobcat Band is now selling fruitcakes for Christmas. These cakes come in two, three and five pound sizes.

THE CAKES are priced at \$4.35, \$6.15 and \$9.45. If you would like to place an order, get in touch with a band member or Ralph Smith, director.

Hardwood comments

Anyone who thinks basketball is a non-contact sport is greatly mistaken. With elbows and knees flying around freely, injuries occur quite frequently.

KENT Bradford has been suffering with a nagging back. Wearing sneakers on a wooden court has resulted in more trick knees and sprained ankles than any football game.

Without the luxuries of protective padding, players are kneed, elbowed and pushed, with the opponents losing possibly only one or two points in foul calls.

SO IT appears that basketball is not the gentleman's sport that Dr. Naismith intended it to be. Dan Ebeling, guard, stated, "Come on out fans, we're 9-1 right now. See the Quail offense in action." See ya next week.

Cats cop Tulia title

Dimmitt's Bobcats plastered three opponents to capture their fifth straight championship trophy in the Tulia Invitational Tournament.

COACH Kenneth Cleveland's hard-driving crew rang up 238 points to their opponents' 151 in the three tourney games. Their closest victory margin was 23 points over a good Clarendon team in the semifinal bout Friday.

The Cats started with an impressive 75-41 victory over Idalou in the first round last Thursday. Using their whirlwind start, they bounded to a 23-15 lead in the first period and kept building throughout the game.

Kent Bradford led Dimmitt's scoring attack with 22 points, while Mark Wohlgenuth sank 19 and Danny Ebeling hit for 11.

IN THE semifinals Friday, a stubborn Clarendon crew warded off the Bobcat Blitz in the first quarter and matched points with the Cats in the second, before Dimmitt blew the game open with a tremendous second-half scoring surge.

The first-quarter buzzer found the Bobcats leading Clarendon by just three baskets, 17-11, and the Cats could gain only a point going to the dressing room with a 32-25 lead.

But in the third, Dimmitt scorched the nets for 28 points while holding Clarendon to 15 to take a 60-40 lead. The Broncos fought back with a 20-point fourth quarter, but the Cats responded with 23 points of their own to

Bobbies capture second 3-AA win

Coach Bob Askey's Dimmitt Bobbies chalked up their second district win Friday night, downing the Floydada Whirlwinds, 48-35, to stay on top in the 3-AA race.

THE victory gave the Bobbies a 2-0 district mark so far and a tie for first place with the Olton Fillies, who also collected their second district victory Tuesday night.

After the first quarter ended 9-8 in Dimmitt's favor, the Bobbies racked up 17 points in the second to take a 26-16 lead at the powder-room break. They held their lead throughout the third, then stretched it in the fourth to win going away.

Karen Baldrige led the Bobbies' scoring with 24 points, while Terrie Newton sank 12 and Cynthia Henderson 8.

DIMITT'S guards all had a good night, with LeeAnn Merritt and Ann Lust collecting eight rebounds each and Sarita White capturing five.

In the girls' B-team game, Dimmitt topped Floydada 33-28 as Dawn Parker led the B-Bobbies with 13.

win going away, 83-60. Four Bobcats scored in the double figures. Bradford and Wohlgenuth led the attack again with 23 and 16 points respectively, while Ebeling sank 12 and Max Newman netted 11.

THE VICTORY SET the stage for the championship bout between the Bobcats and the host Tulia Hornets. But the title-game suspense didn't last long as the Bobcats displayed their drag-race start and zoomed to a 23-8 lead in the first period.

At halftime it was 48-23, and all over but the trophy collecting. The Cats coasted to a 61-38 lead in the third and finished with a 30-point victory, 80-50.

But the victory was expensive for the Bobcats, who lost Wohlgenuth when the game was just four minutes old. The high-scoring forward had already bucketed four points and was going for six when a collision under the basket sent him sprawling to the floor with a badly sprained ankle. Wohlgenuth will be out indefinitely, Cleveland said.

BUT DESPITE the loss of Wohlgenuth, Dimmitt's scoring output held up as three Bobcats outshot the entire Tulia team by 10 points. Bradford rang up 30, Newman came through with 19 and Ebeling sank 11.

"I thought our boys played three outstanding basketball games — every one of them," Cleveland said after bringing the championship trophy home. "Jerry Matthews, Felton Isaacs and David Nino filled in real well after Wohlgenuth was hurt."

Nancy Tisdale was Dimmitt's top scorer with nine points. In the third-place game Saturday afternoon, the Bobbies fell five points behind Canyon in the first period, then matched the Class AAA Eagles through the rest of the game but could never get the upper hand as they fell, 35-41.

AFTER coming up on the short end of a 10-5 score in the first period, the Bobbies gained a basket on the Eagles' in the second to trail at halftime by only 16-19. But Canyon stretched its lead to seven in the third, 33-26, and outlasted a Dimmitt scoring surge in the fourth to escape with a six-point victory.

Henderson led Dimmitt's scorers with 16 points. Askey scored Sandra Robertson as the outstanding guard against Muleshoe and credited her with good play throughout the tournament. Ann Lust earned Dimmitt's top-guard honors against Canyon, and LeeAnn Merritt was named the outstanding defender in the Tulia game.

THE HORNETTES — who went on to win second place in the tourney — held the Bobbies to just six points in the first half as they moved out to an 8-4 lead in the first quarter and a 20-6 advantage at halftime.

Crippled Cats use foul line to salvage win over Floydada

Coach Kenneth Cleveland added a few gray hairs Tuesday night before his crippled Dimmitt Bobcats pulled out an 80-67 victory in their District 3-AA opener at Floydada.

THE Bobcats earned their victory margin at the free throw line in the foul-ridden game. The host Whirlwinds outscored the Bobcats from the floor, 27 field goals to 25, but the Bobcats were awarded a whopping 40 free throws and made 30 of them to salvage the conference win.

Floydada became the first team this year to outscore the Bobcats in the first quarter. The

Whirlwinds took a 14-11 lead in the initial period, but the Bobcats bounced back with 27 points in the second to go ahead by 38-27 at halftime, with Kent Bradford and Max Newman leading the scoring attack.

The third quarter was when things started looking black for the Bobcats as Bradford and Newman both collected their fourth fouls. The Cats already were missing forward Mark Wohlgenuth, who is out with a sprained ankle, and guard Jerry Matthews, who was benched because of illness.

AS CLEVELAND benched Bradford and kept Newman on the floor, Floydada sank four quick buckets to close the gap. Cleveland sent Bradford back in and hoped for the best. His gamble paid off — although both boys fouled out before the final buzzer, they lasted long enough to help give the Bobcats their victory margin.

By the end of the third period the Bobcats built their lead back to seven points, 53-46, and in the fourth they came through with another big 27-point quarter while the Whirlwinds were sinking 21. Cleveland considered the district opener to be crucial. With state semi-finalist Morton waiting down the District 3-AA road this year, a single slip could be fatal in the conference race.

"IT WAS the hardest game I've ever had to sit through," Cleveland said later. "If we hadn't been hitting our free throws in the last half we would have really been in trouble."

Newman came through with his best game of the year, sinking 24 points, including 12 of 14 from the charity line. Dimmitt's top scorer again was Bradford, who netted 27. Danny Ebeling added 13 points.

Ebeling, playmaker Kenny Dess, David Nino and Felton Isaacs were credited with outstanding play in the second half to preserve Dimmitt's victory.

In the boys' B-team game, the B-Cats won an easy 57-37 victory over Floydada's B-team as Andy Mays sank 19 points and Brent Miller 16 for Dimmitt.

Nutmeats are important ingredients in fruitcakes. Two pounds of unshelled nuts make about one pound (3 or 4 cups, depending on variety) of nutmeats. When unshelled nuts are priced at half the cost of shelled nuts, they are equally good buys.

BAKE fruitcakes in different-sized containers for variety. A 6-ounce fruit juice can is ideal for a small loaf. Fruitcakes baked in one-pound coffee cans may be put back into the can for safe traveling through the mail. Ring molds and various sizes of loaf pans also add variety.

For large fruitcakes, line the pans with brown paper and grease with shortening. Grease smaller pans, fancy molds and juice cans well. Put a round of greased wax paper in the bottom of the juice can.

In the boys' B-team game, the B-Cats won an easy 57-37 victory over Floydada's B-team as Andy Mays sank 19 points and Brent Miller 16 for Dimmitt.

Nutmeats are important ingredients in fruitcakes. Two pounds of unshelled nuts make about one pound (3 or 4 cups, depending on variety) of nutmeats. When unshelled nuts are priced at half the cost of shelled nuts, they are equally good buys.

BAKE fruitcakes in different-sized containers for variety. A 6-ounce fruit juice can is ideal for a small loaf. Fruitcakes baked in one-pound coffee cans may be put back into the can for safe traveling through the mail. Ring molds and various sizes of loaf pans also add variety.

For large fruitcakes, line the pans with brown paper and grease with shortening. Grease smaller pans, fancy molds and juice cans well. Put a round of greased wax paper in the bottom of the juice can.

Windows smashed at Hart Monday

More than \$300 worth of windows were broken out of a business building and a home in Hart Monday night.

THE Sheriff's Office reported that all windows of the American Oil Co. fertilizer plant a mile southeast of Hart were methodically smashed during the night. The plant, managed by Tom McLain, is being moved to Hereford. Glass damage was estimated at \$250.

A picture window at the Calvin Alexander home was broken out with a rock the same night, officers said.

READY?—At the Dimmitt Wheat Growers corn milling plant Monday morning, James Burnam opens the valve of a steam whistle which he provided to the plant, to announce the first start-up of the new millhouse. At right is Bob DuLaney, maintenance manager.

THERE SHE BLOWS!—The steam whistle at Dimmitt Wheat Growers' corn milling plant blows an authoritative blast of steam each direction as it heralds the first start-up of the starch mill Monday morning. Note the intricate maze of pipes, fittings, tanks and exhausts that make up this portion of the \$10 million plant. The nearby corn-syrup refinery is expected to be completed about March 15. (Louise Stone Photo)

More about: Co-op's leaders

(Continued from Page One) George Melende, project engineer Johnny Tan, millhouse superintendent; and the skilled construction workers who built the millhouse under the direction of Henry Spruell.

MEANWHILE, construction is progressing on the final phase of the plant — the refinery, which will turn out corn syrups, operating independently from the starch mill. Target date for completion of the refinery is March 15.

No formal inauguration ceremony for the wet-milling plant is planned until the refinery has been completed and the production of both starches and syrups has reached the projected quantities.

"It is believed this inauguration should take place at some time in the second quarter of 1971," a Dimmitt Wheat Growers official said.

BUT FOR right now, the successful start-up of the millhouse looks mighty good to the cooperative's officers and members, who have had to survive financial setbacks, unexpected corporate turnabouts, picket lines, rising costs and a mountain of other problems in their quest for a corn milling plant for Dimmitt.

What they now have for their efforts is the first corn milling plant in the world to be built, owned and operated by the farmers who supply its raw material.

650 attend Baptist event

Approximately 650 people attended Dedication Day services in the new First Baptist Church building Sunday morning.

FRANK POLLARD, who was pastor of the local church when plans began for the new building, spoke to the overflowing congregation Sunday morning. Pollard is now the pastor of Shiloh Terrace Baptist Church in Dallas.

Johnny Burnett, former music and education director for the church here, sang at both morning and evening services. Burnett has been a missionary to Brazil since he left Dimmitt, and he and his wife, Barbara, will return to that country in May.

An open house and reception Sunday afternoon attracted some 350 who wished to view the new church.

EVENING services were conducted by Eugene Greer of the Texas State Mission Board. A reception also followed the evening service. Special guests included Pollard and his wife, Jane, and the Burnetts.

Dr. Raymond Perkins, pastor of the local church, said, "I am most pleased with the response of the community on Dedication Day." Rev. Perkins also noted that a large number of out-of-town guests were on hand for the dedication of the new church building.

Lots of clicks but ... no pix

A synchronization lapse in the camera caused the loss of many news photos this week.

FLASH pictures lost because of the camera problem were the Hospital Auxiliary Bazaar and Rotary Club Christmas party Friday, action shots of the Bobcats and Bobbies in the Tulia Tournament Saturday, and the First Baptist Church reception Sunday.

Bands to give concert Sunday

A program of Christmas music will be presented by the Dimmitt school bands Sunday afternoon beginning at 2:30.

STUDENTS in sixth grade, junior high school and high school bands will play traditional Christmas carols under the direction of Ralph Smith, band director. Admission is free.

Month's wrecks kill 1, injure 5

The Texas Highway Patrol investigated six accidents on rural highways in Castro County during November, according to Sgt. Vernon Cawthon, Highway Patrol supervisor of this area.

THESE crashes resulted in one person killed, five persons injured and an estimated property damage of \$5,300.

The rural accident summary for Castro county during the first 11 months of 1970 shows a total of 104 accidents resulting in five persons killed, 45 persons injured, and an estimated property damage of \$91,289.

Home lighting entries sparse

With the deadline only hours away Wednesday, only five homes had been entered in Dimmitt's home lighting contest, according to Mrs. Dorothy Magness, secretary of the Chamber of Commerce.

First prize will be \$25, second place will receive \$15, and the third place home will win \$10. All homes will be judged on overall effect.

More About About Dimmitt

(Continued from Page One) and the farmers who conceived the idea and provided the initiative for its development deserve the thanks and commendation of every person interested in the progress and growth of the community.

Friday is the deadline for getting your name on the community Christmas card to be published in next week's issue of the News. Just go to the bank and give one of the tellers a check, or cash, in the amount that you normally spend for Christmas cards and postage. The Pink Ladies organization of the Plains Memorial Hospital will use proceeds from the project to purchase needed equipment for the hospital.

The custom of a community Christmas card originated in Dimmitt, and in the Castro County News, a number of years ago and has been an annual feature ever since. Much needed equipment has been provided for the hospital through this program, and on at least one occasion the money went to the perpetual care fund of Castro Memorial Gardens. The whole idea is in keeping with the spirit of Christmas.

President Nixon reverted to type this week and was again the Tricky Dick of yesteryear. There is no way that the appointment of John Connally as Secretary of the Treasury, can be construed as the beginning of a bi-partisan policy by the Nixon administration, it is mid-term and that is too late for bi-partisanship. The entire proceeding is strictly political, and smacks of a cheap political trick devised by conniving politicians with little, if any statesmanship involved.

What Nixon wants out of the deal is another 35 or 40 thousand votes in Texas in the next presidential election. And it could be that he feels that he owes Connally a political debt incurred in the defeat of Senator Ralph Yarborough for which Connally was a diligent worker. Nixon couldn't care less whether Bentsen or Bush was elected to the post. He knew that either of the two candidates in the general election for senator would vote the republican line on all bills coming before the senate.

There is no way to justify the appointment of Connally to the cabinet post he will hold after Feb. 1, so far as experience and training is concerned. Practically all of his experience has been in politics. He only lasted a year as Secretary of the Navy, under the Kennedy administration, and that would be poor training for the job he has just been appointed to. I predict now that this unwholesome alliance will result in John Connally being the running mate of Tricky Dick in the next presidential election.

More About Second shot

(Continued from Page One) It has been recommended by state health officials that those who have not had a booster within the past year should have one now.

D-T-P and T-D vaccines both protect against tetanus, often called lockjaw, and diphtheria. D-T-P vaccine also protects against pertussis, or whooping cough, a disease which threatens young children.

Immunizations are especially important for pre-school children, as they seem to be most susceptible to these diseases, the county health officer said.

TO ILLUSTRATE the degree of danger that exists for those unprotected against these diseases, the State Department of Health released these statistics:

In 1969, 30 persons lost their lives in Texas due to diphtheria, pertussis and tetanus infections. Already in 1970, Texas has reported a total of 204 diphtheria cases; 407 pertussis infections, and eight tetanus cases. Statistics on the number of deaths so far this year from these diseases is not yet available, but would closely approximate the 1969 comparisons.

"THE Texas State Department of Health and your Castro County Medical Society wish to keep these infections out of the county, and you are urged to make certain that you and your family are protected against these diseases by attending one or both of these clinics," Dr. Blackburn said.

At the second clinic Jan. 16, vaccine will be administered free to anyone in need of completing their series or in need of a booster. This will be a follow-up to the clinics held Nov. 27 and 28, and the one held today.

Earl Studer, 60, dies in Seymour

Hilda Earl Studer, 60, died in his home in Seymour Dec. 4. He was the father of Mrs. R. E. Hunter of Dimmitt.

SERVICES were held Dec. 7 in the Seymour Church of Christ. Officiating were Paul Ebbs of Seymour and Herbert Gibson of Amarillo. Burial was in Riverview Cemetery under the direction of the Elliston and Archer Funeral Home.

Mr. Studer, a former Dimmitt resident, was a carpenter by trade. He was born Jan. 1, 1910 in Seymour. He lived there until moving to Dimmitt in 1954, and returned to Seymour in September, 1969.

He married Agnes Garner on April 27, 1929 in Seymour. He was a member of the Church of Christ.

SURVIVORS include his wife; two sons, James E. of Big Cliff, Tex., and W. L. of Amarillo; three daughters, Mrs. Margie Buchanan of Marietta, Okla., Mrs. Joyce Hunter of Dimmitt, and Mrs. Renee Sperry of Torrington, Conn.; six brothers, one sister, 12 grandchildren and one great grandchild.

Christian Church has new minister

Roy Barringer of Albuquerque, N.M., has been named the new minister of the First Christian Church of Dimmitt.

HE AND his family are expected to move into the church parsonage here during the first week of January. Barringer and his wife have three sons — Randy, a high school senior; Jeff, a junior; and Craig, a seventh grader.

Barringer will succeed Bedford W. Smith, who is retiring after serving 47 years as a minister, including eight years with the Dimmitt church. Smith and his wife, Elsie, plan to continue living in Dimmitt, at 405 N. Broadway. Mrs. Smith will continue teaching in North Elementary School, and Smith plans to serve as a supply minister and evangelist in the area, as needed.

Four wrecks within 10 minutes occur on wet streets Tuesday

Four accidents occurred on Dimmitt streets within a 10-minute period Tuesday morning.

THE MISHAPS, which occurred on wet streets as drivers peered through fogged windows, caused more than \$2,300 damage to eight vehicles.

The pre-school wrecks made things hectic for Police Chief W. W. Jones, who investigated all four as fast as he could get from one to another. The collisions all occurred from 8:25 to 8:35 a.m.

The first accident occurred at Belsher and Southwest Fifth, where a 1964 Ford driven by Mrs. Margarita Gomez Jimenez, 28, collided with a 1965 Ford driven by Mrs. Patricia Jaret Bull, 29.

DAMAGE was estimated at \$200 to Mrs. Jimenez's car and \$500 to Mrs. Bull's auto. Mrs. Jimenez was cited for disregarding a yield sign.

While he was investigating this accident, Jones received a radio report of another one at West Tenth and Grant. But before he left the first accident scene he heard still another wreck occur nearby, at Stinson and Front, and stopped to investigate it en route to the second reported wreck.

The Stinson and Front accident involved a 1968 Chevrolet driven by Rex Wooten, 36, and a 1968 Dodge driven by Mrs. Carol DuBose, 27. The two cars collided in the intersection, causing an estimated \$200 damage to Wooten's car and \$75 damage to Mrs. Du-

Bose's auto. Mrs. DuBose was cited for disregarding a yield sign.

THE ACCIDENT at Tenth and Grant was the worst of the four, causing at least \$1,100 damage. Involved in the wreck were Jim Ratcliff, 25, who was driving a 1967 Pontiac, and Janet Lee King, 17, driver of a 1968 Chevrolet.

Jones said Ratcliff was driving south on Tenth and Miss King was traveling west on Grant when their cars collided at the intersection. Ratcliff was cited for disregarding a yield sign.

The fourth accident occurred at the intersection of US 86 and Western Drive, and involved a 1963 Chevrolet sedan driven by Mrs. Ramona Falcon, 21, and a 1967 Chevrolet pickup driven by Clyde Damron Jr., 17.

JONES SAID Mrs. Falcon, traveling west on the highway, was starting a left turn onto Western Drive when Damron attempted to pass her and sideswiped the left side of her car. Damage estimates were \$50 on Mrs. Falcon's car and \$200 on Damron's pickup.

Mrs. Falcon was cited for driving without a driver's license and Damron received a citation for passing in a no-passing zone.

"IF TOMORROW'S newspaper revealed a foreign nation was plotting to steal America's topsoil, acre by acre, over the next 20 years — to bring us to our knees for food — we would be stressed into immediate action. The Government would mobilize to save our soil, Congress would pass legislation, we would be at war! And overnight the hearts of every citizen would beat with sincere emotion for our long-forgotten, newly discovered friend, the land."
