Applications For Postmaster Test May be made until Tuesday, July 12

An examination for the position of permanent postmaster of Dimmitt will be held in the near future and applications may be made until July 12th.

The examinations are given by the United States Civil Service Commission and will be held to fill the vacancy left when Tom Bice retired last year. Mrs. Tina Rawlings has been acting postmaster during the interim period.

The position pays \$5,385 per year and is one of considerable responsibility. The Commission requires that competitors for the postmaster vacancy must have had at least two years of experience "in progressively responsible occupations which, by their nature, extent and importance have demonstrated the applicants' ability to conduct and manage the entire postal business for the community which involves handling numerous cash transactions, the accounting of large sums of money, and the receipt and prompt shipment and delivery of letters and packages."

Competitors must show that they can deal with the public agreeably and effectively and that they are reliable citizens who would command the respect and confidence of patrons of the postoffice.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, and fitness for the position. They

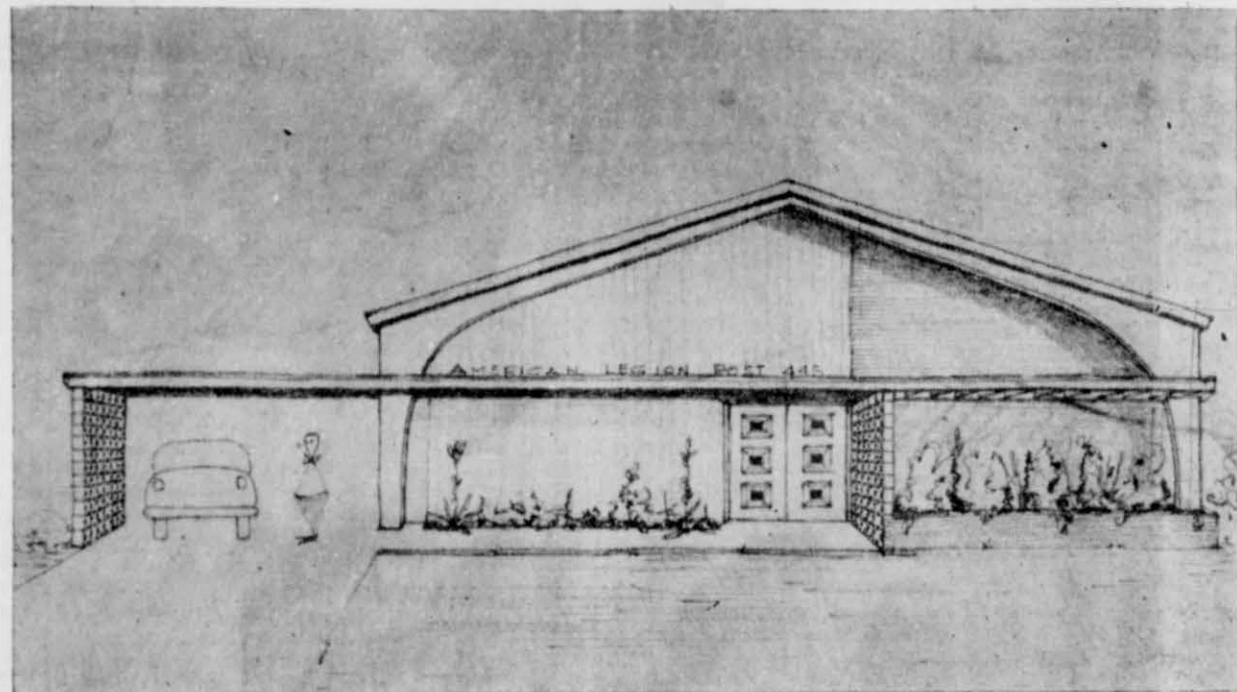

must have resided within the delivery area of the office for one year immediately preceding the closing date of the examination. In addition, they must have reached their 18th birthday on the closing date for acceptance of applications. Persons over 70 years of age cannot be appointed.

Complete information about the examination requirements and instructions for filing applications may be obtained at the Dimmitt Post Office. Applications must be filed with the U.S. Civil Service Commission, Washington 25, D. C. and must be received or postmarked not later than the closing date.

Oxygen Bottle Explosion Causes Damages Monday

An explosion, blamed on a defective oxygen bottle, caused about \$2,000 damage about 7 p.m. Monday at the F&W Welding Shop in South Dimmitt, according to the owner O. B. Winkle.

No one was in the shop at the time of the explosion and consequent fire. The Dimmitt Fire Department answered the call to the sheet-metal building. There were no injuries.

New Legion Building—This is the artists' drawing of the new American Legion Building to be constructed in South Dimmitt. It will be made of brick and tile and will feature much mahogany paneling on the inside. Construction begins in about one week.

American Legion Announces Plans For New Building In South Dimmitt

The Dimmitt American Legion voted Thursday to construct a new building to replace the one recently sold to Haynes Machinery Company.

Costing \$18,000, the new building will have central heating and refrigerated air conditioning, according to Post Commander Dr. Carl F. Page.

The new Legion building will be located one block east of Cotton Bowl Lanes bowling alley on pavement on a lot purchased from Mr. Pres Dyer. The building will face west and will contain 2343.75 square feet, measuring 37.5x62.5.

The Legion will open the building to the public and it will be used for civic and private gatherings.

To be constructed by Sims Structures, Inc., of Amarillo, the

building will be unique in that it will be supported by archways of laminated pine planks. This system has the advantages of being attractive in appearance and economical at the same time.

Dimmitt's American Legion had worked for several years on a building at East Second and Andrews but a general lack of funds kept the building from being what the organization wanted so it was sold. The new building is smaller, more compact and designed specifically for public use involving many people. It will contain a kitchen with new appliances and will be modern in every respect.

Walls of the building will be brick and tile and the ceiling will be nine feet high on the outside, tapering upward to a fifteen foot arch at the center. The front will

be of redwood and windows will be glass brick. Lighting will be indirect fluorescent. The inside walls will be of brick and the remainder of the interior will be of paneled mahogany. Plenty of electrical plug-ins are provided.

There will be a gravelled parking lot on one side and in front.

The ballroom, measuring 36x50, will be covered with vinyl asbestos floor covering.

"Our purpose is not only to have a new Legion building but to have a nice place for the various community functions, parties, etc."

Page said last week. "We want to encourage anyone who needs a meeting place to contact us about using the building immediately."

Construction is slated to begin next week with the completion date set for September 1.

Methodist MYF Seeks Odd Jobs

The Senior Department of the Methodist Youth Fellowship is having a "HoBo Day, June 28, 1960. It is to earn money for a Mystery Raffle the last of the summer. The youth will be available all day Tuesday to do any kind of odd job anyone wants done. People may call in ahead of time and make reservations for their odd jobs.

The phone numbers are: MI 7-3858; MI 7-3136 and MI 7-3826.

The youth will wash cars, do dishes, mow lawns, wash windows, clean house, baby sit, yard work and just any kind of work which is available.

Hospital Board Endorses \$225,000 Bond Election

(Ed. Note—The five-man board of directors of Castro County Hospital this week endorsed the upcoming \$225,000 bond election aimed at providing a new building for the hospital when matched with a like amount of government funds. Here is the text of their endorsement.)

Having reviewed the costs of new hospital construction in other localities during the past three years, we are confident \$225,000 of County Bonds, matched by \$225,000 Hill-Burton Funds, will construct and equip a new Castro County Hospital of about 40 beds. We endorse the July 9th \$225,000 Bond Issue and advocate no expenditures for construction or equipment from these bonds until Hill-Burton Funds compliment our funds.

County Drys Lose Second Round In Battle Through State Courts

The case of whether or not Castro County is legally wet continued on to the next step of winding its way through the Texas court system Monday when the dry forces began preparing an appeal following the decision against them by the 7th Court of Civil Appeals in Amarillo.

Two judges of the three-man tribunal heard the case. They were Justices Alton Chapman and E. J. Northcutt. Chief Justice of the Court James G. Denton was not present due to the death of his father.

In a decision reversing the finding of the District Court here, the appellate court in effect kept open the door for any political subdivision within a county in Texas to conduct local option elections and

vote either wet or dry, regardless of the status of beer or liquor sales at the county level.

An appeal will, in all probability, be made to the Texas Supreme Court by dry forces who have been battling results of an election called by Castro County commissioners last year. The election, held on October 10, resulted in the precinct turning wet by a vote of 160 to 92.

County officials had called the election after being presented a petition based on a Supreme Court holding last year which upheld an election at Asherton, in Dimmitt County, which resulted in that city allowing a sale of liquor and beer.

Dry forces in Castro County base their fight on the contention that circumstances in the two counties—Castro and Dimmitt—are not alike. They say the 1935 constitutional amendment allowed subdivisions within a dry county to vote wet only if the county voted dry after the amendment became effective.

James Witherspoon, Hereford attorney representing wet forces, argued before the Amarillo appellate court that Dimmitt County was dry prior to 1935 and the 1938 local option election referred to by dry forces was merely an unsuccessful attempt to change the county to a wet status.

Witherspoon argued that regardless of this situation, the law did not apply differently to counties according to when they voted wet or dry.

The Amarillo Court went along with Witherspoon's argument, stating that the law was clear on the question and left no doubt as to the intent that political subdivisions within a county could hold local option elections, regardless of the status of the county.

Burning Wheat Stubble Costly Figures Show

Burning wheat stubble causes a substantial economic loss, according to figures compiled this week by the Running Water Soil Conservation District.

According to Pete Wright, secretary of the District, the amount is about \$3.70 per acre, figured conservatively.

There is about 5,000 pounds or more of wheat stubble per acre which is above the surface or burnable. It is made up of 61 percent nitrogen, .07 percent phosphorus, and .8 percent potassium. This is an average per acre amount of 30.5 pounds of nitrogen, 35 pounds of phosphorus and 40 pounds of potassium.

Cost of this much fertilizer to be placed in an acre of land would be Nitrogen, at 5 cents per pound, \$1.50; Phosphorus, at 4 cents per pound, \$1.40; and Potassium, at 2 cents per pound, 80 cents. This is a total of \$3.70 per acre.

"This is in addition to the loss of valuable organic matter, destruction of soil bacteria, loss of permeability, depletion of moisture and many other important assets of well managed crop residues," Wright said.

Mr. and Mrs. Joe Gossett left Wednesday to return to their home in Norfolk, Virginia after visiting here the past week with her parents, Mr. and Mrs. Henry Howell.

Final Lines of Bowling Classic Here Saturday

The first annual singles classic is being held at Cotton Bowl Lanes through Saturday evening. The bowling tournament will be held every year.

ABC and WIBC sanctioned, the tournament is being sponsored by the Castro County News and everyone is invited to participate.

The tournament begins Saturday, June 18th. Anyone still caring to enter may do so until 8 p.m. Saturday, June 25th. Bowling will be on a basis of four games played across eight lanes in both the women and men divisions. Total entry fee for men is \$6.50 and for women, \$5.00. Prizes for men graduates on down from \$105 for first place to \$8.00 for tenth place. In the women's division prizes are from \$50 for first down to \$7.50 for fifth. Highest league average of 12 games or more can be used and if no average, the bowler must bowl scratch.

Dial Switchover Made on Schedule

"It wouldn't do no good to dial. All I get is a lot of buzzin' every time I pick up the phone."

"Sure I know how to dial. You put your finger in the 'O' hole, bring it around to the number you want, and turn it loose."

"Uh, Operator? I'd like to report a phone out of order."

And so went things in Dimmitt Tuesday when West Texas Telephone Company switched over to the long awaited, long anticipated, and long wanted dial system in Dimmitt.

"We had a lot less trouble than we thought we'd have," Elton Singer, operator of the Telephone Company said Wednesday. "In fact, the technicians installing the equipment were surprised at how smoothly things went."

But Singer was speaking of a relative situation. The switchover might have gone smoother than in most other towns but there was still plenty of compounded confusion brought on by malfunctioning long-unused telephone dials, ignorance of the functioning of a telephone dial and how to use it, miswiring in places, overloaded circuits, and just plain tough luck.

The system was overloaded most of Tuesday morning and some of Tuesday afternoon as people experimented with the fabulous little dial that let them call up their friends without bothering the operator.

While they were still changing over about 4 a.m. Tuesday one technician made a routine line-tap with his check-out phone and was surprised to hear one lady who had just dialed her friend say, "Now ain't this somethin'!" That was at 4 o'clock in the morning and all

the Dimmitt phones had not yet been switched over.

"Everyone was very courteous," Singer said, "and we really appreciate it. We knew that changing over to dial would cause many inconveniences, frustrations, and delays but everyone has been very nice and patient and it has helped us tremendously."

For the most part Dimmitt's

Jerry McGowan Improved After Gunshot Wound

Jerry McGowan, 20, is reported improving in Castro County Hospital Thursday after being shot in the right side of his chest with a .22-caliber rifle shortly before 9 a.m. Tuesday.

According to Sheriff Jack Cartwright the allegedly self-inflicted wound took place in the family trailer home in Northwest Dimmitt. Dr. Carl Page, attending physician said that, barring complications, young McGowan should recover with very few, if any, ill effects.

After the incident occurred McGowan apparently tried to make his way to the hospital but succeeded only in reaching the nearby home of Mr. Bill Barnett, lab technician at High Plains Clinic. He fainted and was found in the front yard by Mrs. Barnett who watched him while a neighbor, Mrs. Pete Wright, went after Mr. Barnett. Barnett took him to the hospital where he is being treated.

new dial system was working very efficiently, although the Singers felt it would take three or four weeks to reach peak efficiency.

The changeover went efficiently, climaxing almost a week of near-sleepless nights for everyone involved in the switch. While the first dialed call was made over the

system shortly after midnight Tuesday, it was late that afternoon before all phones in the Dimmitt exchange had been switched over.

The telephone directory was delivered via mail with a supplement of new phones and number changes since January when the directory was printed. The directory will be

in force for one year. An experiment was made with this directory. Instead of listing the name, address and number in that order, the number comes first, followed by the name and address. Telephone patrons are invited to comment about this arrangement to the telephone company.

NO GOOD NO MORE—Mrs. Glenn Stiff, who was formerly Juanita Singer, was given the honor of taking pruning shears to the old telephone switchboard cables to signify the switchover to dial shortly after midnight Tuesday morning. Mrs. Stiff is the daughter of T. A. Singer, operator of West Texas Telephone Company until his death three years ago.

FIRST DIALING—Jimmy Singer of West Texas Telephone Company had the honor about 12:30 a.m. Tuesday of dialing the first number over the system when the changeover first started. He called his mother, Mrs. T. A. Singer, while his brothers, Robert (left) and Elton (right), looked on. Work went on the remainder of the night and the following day switching the telephone system to dial.

Marjorie Barron of Delton, Texas arrived Wednesday to visit for awhile with Mr. and Mrs. Noah Spencer and family.

Mr. David Wheeler of Amarillo was a dinner guest of Mr. and Mrs. S. M. Taylor Thursday.

Mrs. James Powell and Randy Spivey spent Saturday night and Sunday

with Mr. and Mrs. Woodrow Powell and family of Earth. Randy stayed to visit a few days.

Brother and Mrs. Marie Rogers and Butch visited in Floydada Friday night with her parents, a brother and other relatives.

Brother and Mrs. W. A. Terrell of Goodlet, Alabama, home missionary among the Indians in Arizona spent Saturday night and Sunday with Mr. and Mrs. Alford Crisp and family.

Mr. and Mrs. Behrens of Lubbock and Miss Joyce Taylor of Amarillo spent two weeks and with Mr. and Mrs. S. M. Taylor, Mr. and Mrs. Cecil Bridges, and Susan and Lester Hankins and children of Lubbock were also Sunday dinner guests. Mrs. Tom Taylor and Bobby Sid of Dimmitt visited in the afternoon.

Mr. and Mrs. J. Paul Waggoner and boys were dinner guests in the home of her father, Mr. and Mrs. Bob Ball of Oton Sunday. Other members of her family were present to honor their father on Father's Day.

A Father's Day dinner was enjoyed in the home of Mr. and Mrs. Edzell Sadler by Mr. and Mrs. Billy Ott and children of Hereford, Mr. and Mrs. Bob Ott and children of Dimmitt, Mr. and Mrs. Clarence Mitchell and Shirley of Sprague and Mr. and Mrs. Milton Haydon and Mr. and Mrs. Alton Leavelle. They were also honoring Mrs. Billy Ott on her birthday.

Mr. and Mrs. Raymond Lewis and children of Oton spent Father's Day with her parents, Mr. and Mrs. Raymond Lilly and Donnie.

Mr. and Mrs. Troy Blackburn and children spent Father's Day with her father, Mr. and Mrs. George Smith of Oton. Other members of the family were present.

Mrs. Homer Ellis of Truth or Consequences, New Mexico, Mr. Bill McWilliams of Plainview and Mr. and Mrs. Al Smith of Dallas visited Sunday with Mr. and Mrs. Martin Power, Mr. and Mrs. W. E. Louder, Mrs. Edzell Sadler, Mrs. L. B. Bowden and Mr. Leslie Louder Sunday.

Mr. and Mrs. Clarence Baggett of Oton and Mr. and Mrs. Chester Lee Baggett of Dimmitt also visited in the Martin Power home and with other relatives, Mr. and Mrs. Al Smith of Dallas spent the night.

Mr. and Mrs. Tex Conrad were in Lubbock Thursday for an appointment for Mr. Conrad with a nerve specialist. He spent Saturday night in the Castro County Hospital for relief of pain.

Mrs. Tex Conrad visited in Hereford Thursday with Mr. and Mrs. Roy Conrad.

Mr. and Mrs. Tex Conrad and girls visited in Hart Sunday after-

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

An in-tarrow fungicide test to determine the efficiency of 12 different chemicals used in the prevention of seedling diseases on cotton is underway at the High Plains Research Foundation. Each of the 12 chemicals has been applied in four row plots, 300 feet long. A 13th plot has been planted with no chemicals applied to be used as a check plot for comparison.

A comparative date of planting on cotton is in process at Hereford to secure further information desired by area farmers so they can achieve higher quality yields.

Cotton was planted on April 20 and May 20 and will be planted on June 20 and 30.

A climatology test on cotton is included with the date of planting research program. This test consists of cotton planted on (1) dryland, (2) irrigated land with no fertilizer, and (3) irrigated land with various rates and combinations of fertilizer. Air temperature, relative humidity, and solar energy are to be recorded throughout the growing season to determine the effect of these factors on the cotton yields. These tests are being conducted by Dr. J. D. Billen, ARS, Lubbock, and Delbert Langford of the Foundation.

These projects are being conducted at the High Plains Research Foundation in cooperation with the Texas Agriculture Experiment Station, Lubbock, and the Agricultural Research Service of the U.S. Department of Agriculture.

Mr. and Mrs. Bill Dean of Hereford visited Sunday with Mr. and Mrs. Tracy Pheasant family.

Mr. and Mrs. Weldon Bradley, Molly and Lee visited in Tucuman, New Mexico with his parents Saturday and Sunday.

Carl Bradley visited with Mr. and Mrs. Vernon Scott in Plainview Sunday.

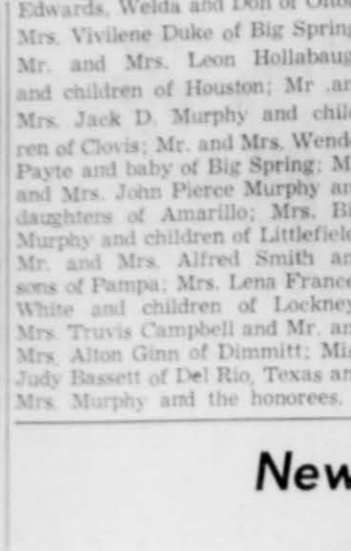

83 attended Sunday School with 60 in Training Union Sunday.

Brother W. A. Terrell of Goodlet, Alabama had charge of the evening service showing films of his work and speaking concerning it.

Raymond Moulton Home On Leave

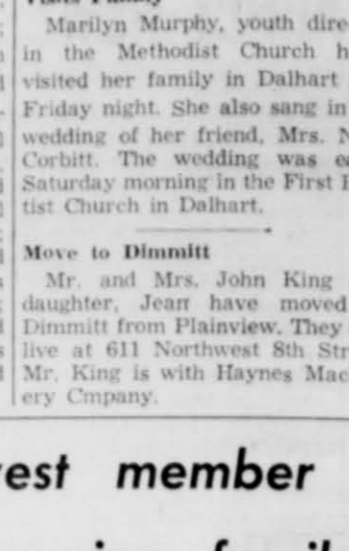

Raymond O'Neil Moulton, 308 SW 6th Street, Dimmitt, arrived home June 17 from the U.S. Naval Training Center, San Diego, California. Upon completing leave he will return to San Diego for advance training before joining the crew of the Navy's new Guided Missile ship the U.S.S. King, DDG, 10 at Seattle, Washington.

Mrs. Ola Murphy Hosts Gathering

Poly relatives and friends gathered in the home of Mrs. W. A. Murphy June 19th for dinner and visiting. The occasion was in honor of Ray and Roy Murphy who have just returned from Germany where they were stationed while in the service of the Army and Fawcayne Murphy who is home on leave. He is stationed at Fort Dix, New Jersey.

Those present were Mrs. Mabel Marchman of Clovis, New Mexico; Mrs. Jess Wright of Dimmitt; Mrs. Edna Jamison of Colorado City, Texas; Mr. and Mrs. L. L. Chandler of Big Spring, Texas; Mr. and Mrs. W. A. Murphy, Jr. of Clovis, New Mexico; Mr. and Mrs. Jack

Senator YARBOROUGH'S REPORT

In this country today, we have 50 million Americans over 65 years of age who can't afford a good meal, can't pay for a warm place to live, can't buy the best care they need.

Many of these senior citizens have never had much of this life's goods. Others have had a living during some periods, but time and circumstances, age, sickness, and many other things have left them penniless and hopeless.

One of the great social challenges of America today is learning to meet the complex problem of proper care of the aged.

As a people, we have failed to provide life through an act in medical science before we have learned how to make that life fully enjoyable and productive.

The problem generally falls into two categories:

Senior citizens who still are able and would like to work at part time to supplement Social Security benefits or old age pension checks.

Those who are ill or so aged in years that they require at least medical treatment during home care.

Those still able and want to work. I have introduced bills which would allow them to earn money without being penalized through loss of either Social Security or Old Age Assistance.

Those drawing Social Security will earn up to \$2,400 per year the present \$1,200 limit without having their Social Security checks cut. All those on Old Age Assistance could earn an additional \$50 monthly without their checks being cut.

It is time to favor legislation to build more low-income public housing for the aged.

A number of proposals are now being considered by the House to help elderly people who are unable to live independently.

None of these plans seem satisfactory to me and it likely that a combination of various medical care proposals will be the answer.

It shows that the number of those over 65 years of age is increasing and likely to be able to work must work but a prepay plan folks can put money aside for productive and healthy life. Pay for these heavy medical expenses, almost sure to come.

Mr. and Mrs. Bonnie Chasak and children, Frankie, Gary Wadsworth and Sandy of Corpus Christi are spending their vacation with the W. E. McFarlands and her sister and family, Mr. and Mrs. Morris Mason of Dalhart and his brother and family the Robert Clarke of near Hart. The Chasaks lived in the community for several years during which time Mr. Chasak was employed by Mr. McFarland.

ARNEY NEWS

Mr. and Mrs. V. L. Welch and grandson, Frankie Van Greut and Lubbock spent the week end with their daughter and family, Mr. and Mrs. Dottie Thornton Sunday evening Mr. and Mrs. Joe B. McKee and children Jay, Pamela and Jay Brent of Amarillo visited in the Thornton home also.

Mrs. Ray Acrow and son Pat of Big Spring came Friday to visit the Kenneth Bibbe. Pat will remain to help his brother-in-law through the wheat harvest but Mrs. Acrow will return home the middle of the week.

Grace Lange is helping the Al Schneiders through the wheat harvest.

Mr. A. L. Swagerty of Plainview and Mrs. Wilma Holt and son Bill and friend Lane Davis of Amarillo and David Van Zandt were all guests of the Harry Edmonds for lunch on Sunday.

Mr. and Mrs. Hollis Payne of Floydada and Mrs. Payne's sister, Mrs. Boyd from Seymour, Tennessee were guests of Mrs. Maud McFarland for supper and the Friday night with the Harry Edmonds.

Visiting the A. S. Kikers are Mrs. Kiker's sister and brother-in-law, Mr. and Mrs. A. Armstrong of Stanton. Granddaughters Kiker are visiting their grand parents and cousin Karily Kiker of the summer. Mr. and Mrs. A. McKinney of Big Spring visited Sunday with her sister also.

Mrs. Kiker had the mortician to fall backwards from a kitchen stool a few days ago and hurt her back. The injury was so serious that she was unable to get up without having the Lee Domels Sunday were her parents, Mr. and Mrs. Marvin Edmond and boys Carl Lee and Tony of Dalhart and another brother, Mr. and Mrs. Herbert Edmond and children Theresa and Lesley of Perry. The Edmonds all went to Palo Duro on a picnic and outing.

Mr. and Mrs. W. E. McFarland celebrated their thirtieth wedding anniversary and Mr. and Mrs. Hollis C. Payne their first with a dinner out at Wayne's Cafe in Tulsa Friday evening, June 17.

Jane Boyd spent Friday night with Mr. and Mrs. Harry Edmonds and Volma Ruth. The Paynes were guests of the Edmonds for lunch on Saturday.

Cindy Harrison went home with her grandparents the C. G. Harrison of Silberton or Friday for several days visit.

Connie Watson of Hereford returned home with DeZane McFarland last week to spend the remainder of the week in the McFarland home.

The Ray Watsons of Hereford visited Sunday with the G. E. McFarlands.

The wheat harvest continues without mishap except for machinery break-downs, and combines move quickly from field to field. Yields are much higher than was expected. Dryland yields are very good. Most of the wheat will have been cut by the end of the week if the weather remains good.

Mr. and Mrs. Bonnie Chasak and children, Frankie, Gary Wadsworth and Sandy of Corpus Christi are spending their vacation with the W. E. McFarlands and her sister and family, Mr. and Mrs. Morris Mason of Dalhart and his brother and family the Robert Clarke of near Hart. The Chasaks lived in the community for several years during which time Mr. Chasak was employed by Mr. McFarland.

McCORMICK NO. 181 HARVESTER-THRESHER

with 46-inch cylinder, 18-foot cut!

It's bigger all over—inside, outside, up front! This new McCormick No. 181 harvester-thresher cuts a full 18-foot swath. Five big rotary straw racks separate the grain inside the big 46-inch side separator. Gives you 25% more threshing and cleaning capacity than the big McCormick No. 151.

Grain tank is bigger too—holds 65 bushels. III 6-cylinder engine develops 80 hp. Forty-five-gallon fuel tank holds enough gas to last all day.

Yes—the No. 181 is bigger all over... yet it handles "as easily as a baby buggy." Choice of 18, 16, or 14-foot platforms. Come in and get the full story on this big new combine.

You can buy the No. 181—and all your other farm equipment—using the convenient terms of the HAYS IMPLEMENT CO.

NEWS FROM FRIO

By Mrs. Owen Andrews
Two young couples were honored with showers at the Frio Baptist Church last week. On Wednesday night after the regular church service, Mr. and Mrs. David Patterson were honored with a miscellaneous shower in the recreation room of the church. Hostesses for the occasion were Mrs. Frank Robbins, Weldon Stepan and Edgar Vinson. Gifts included a complete set of machine dinnerware, linen and some pieces of furniture. The Pattersons live near the Earl Harkins and he is helping Frank Robbins farm.

Jack Copeland Is New Trainer For New York Pro Gridders

Jack Copeland, 25-year-old son of Mr. and Mrs. Floyd Copeland of Dimmitt has already gone as far as a person can go in the football training field. He started his career in Dimmitt High School and is presently training for the New York Titan professional football team. The New York Post did a feature story about him last month on the young trainer and he is in its entry.

By ARCH MURRAY
Jack Copeland, the New York Titan's new trainer, leads for Durham, N.H. next Tuesday to set up a training camp. The first arrival due July 5.

WNU met Tuesday afternoon in the home of Mrs. Ernest Harder. The program was a study of the 10th and 16th chapters of Romans. Present for the meeting were Messrs. T. L. Sparkman, Jr., Owen Andrews, James Dobbs, D. F. Schmidt, H. M. Mobley, Floyd Cole and the hostess.

Veradelle Andrews has moved into town. She lives with Loveta Fowler on Ross Street. Veradelle is employed with Associated Grocers as a secretary this summer and plans to teach school again this fall.

WNU met Tuesday afternoon in the home of Mrs. Ernest Harder. The program was a study of the 10th and 16th chapters of Romans. Present for the meeting were Messrs. T. L. Sparkman, Jr., Owen Andrews, James Dobbs, D. F. Schmidt, H. M. Mobley, Floyd Cole and the hostess.

About Your HEALTH

The wave of infectious hepatitis now sweeping the nation is being felt strongly in Texas. State Health Department officials are rushing quantities of gamma globulin to local health authorities who request it for use in preventing further increases in cases of the liver ailment.

An aggregate of 1,061 cases of the disease—sometimes called "yellow jaundice"—had been reported as of May 28, compared with 553 cases of a similar period last year.

The ten leading causes of death in Texas during 1959 caused 60,721 out of a total of 273,753 deaths. Heart diseases and cancer were the number-one and number-two killers respectively.

Heart disease accounted for one out of every three deaths—24,629 and coupled with cancer—11,686 deaths—claimed half of the total for last year.

Apoplexy was the third ranking cause of death followed in order by accidents (including automobile), diseases of early infancy, pneumonia, birth defects, general a-

about dimmitt

We need some changes in our foreign policy. We can be nice and be held in contempt or we can be contemptuous and respected. The Japs respect force and might much more than reason and decency and that's just the reason Communism is getting stronger all the time in Japan.

Many Things To Make DAD Happy!

Visiting the grave of Sam Houston, the home of Eugene Field (author, of course, of "Little Boy Blue"), and the courthouse in which the case of Dred Scott was tried;

Hearing and seeing, on the stage, Ted Lewis, Bob Hope, Jerry Lewis and Mary Martin.

Yes, life has not been lacking in variety each Sunday for seven years on a Southwestern radio hookup; hundreds and hundreds of after-dinner speeches; viewing San Francisco, Natchez, Vicksburg, San Antonio, New York, Hollywood and Mexico; interviews Jack Dempsey and Jess Willard (but not at the same time); seeing Dan Patch at a racing sulky in the twilight of the great pacer's career;

Writing books, magazine articles, thousands of news articles—and this column.

Many years ago, there was a genial business man in Memphis, by the name of O. K. Houck. At a service club, he was introducing the speaker of the day, a prominent minister, and he said, "I go to hear Dr. Williamson preach once a year and that is often

enough." He paused and the expressions on the faces of his hearers indicated embarrassment at his remark. Then he continued, "Yes, once a year is often enough; you get so much religion that it lasts you for a full 12 months."

Songs aren't as sad as in "the good old days." Some of the favorites in my boyhood were "Just Tell Them That You Saw Me," (the lament of a girl who had run away with a villain and has encountered someone from her home town. Similar in theme was "You Made Me What I Am Today (I Hope You're Satisfied)." Then there was "Don't Turn My Picture to the Wall."

Can you remember when they used to print pocket dictionaries which sold for a quarter? Those handy little books were full of information, too, such as: "Suppress—See repress." "Repress—See suppress."

Well, anyhow, they showed you how to spell a word.

FLAGG NEWS

Mr. and Mrs. Robert Yates and boys attended the wedding of Mrs. Yates' brother, Bill Timmons to Martha Flunk in Stratford Saturday night. On their return home they spent the night in Sunray with Mr. and Mrs. Bill Ewing and children.

Visitors in the C. T. Dameron home last Wednesday were Mrs. John Dameron and children and Barbara Rodrick of Newport, Rhode Island. Also visiting was Mrs. Wade English, Sue and Monty of Richmond, California and Mrs. Bernice English and Lonnie.

The John Dameron of Claude are taking Miss Rodrick back to her home in Newport and then will spend two weeks in Little Creek, Virginia. John will take naval training reserve.

Mr. and Mrs. Marvin Axe and girls visited Mr. and Mrs. Bill Cleavinger and boys Sunday.

Mr. and Mrs. Clyde R. Davis and children visited recently with Mr. and Mrs. Jack Noblett and children of near Lubbock.

Mrs. Tom Lewis was in Amarillo one day last week.

Visiting in the J. W. Birchfield home recently were Mrs. Clarence Meeks and Debbie of Farwell and

Mrs. Birchfield also of Farwell. Mr. and Mrs. James Bradford and boys were in Amarillo on business last Monday.

Mrs. Malone of Hereford visited in the home of her daughter and family, the Gene Lewis'.

Recent guests in the Earnest Darden home were Mr. Darden's mother of Haskell and Mr. Darden's brother and his wife, the J. W. Dardens of Stamford.

Mrs. Wade English and children of Richmond, California visited with Mrs. James Bradford and Mrs. C. G. Ballard last week.

Zelda Axe visited in the Marvin Axe home last week. Zelda is a sister of Marvin's.

Mr. and Mrs. Clyde R. Davis were in Muleshoe on Tuesday to be with Mr. Davis's mother, Mrs. C. P. Davis. She underwent surgery early Tuesday morning.

Christian Church Minister Returns

Minister and Mrs. Bedford W. Smith, who taught last week at El Porvenir Christian Camp, El Porvenir, New Mexico accompanied by Kent and Clay Gabel, Senior High School Campers, are back again this week on the faculty when Junior High Campers attend. Anna Gabel, Theiva and Sharot Morgan left with the Smiths on Monday. They will return on Saturday.

Mr. Raymond White was selected to be the 1960 Christian Church Father of the Year and received an interesting book from the Church Sunday morning. Bible school and morning worship attendance was somewhat smaller because of vacations and harvest.

"Jesus' letter to the Church Following Jezebel" in the series of "The Seven Churches of Asia" will be the 10:50 a.m. topic June 26th.

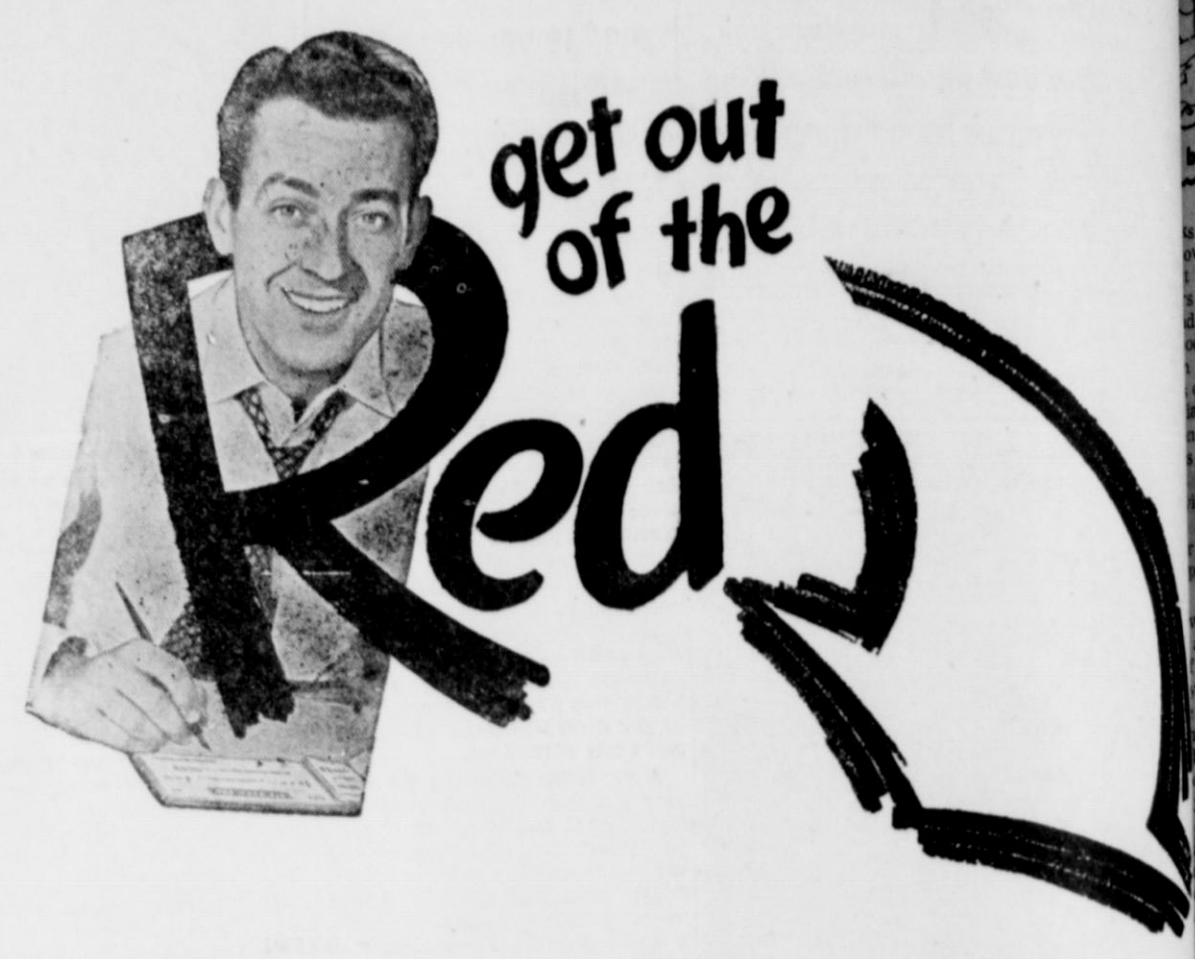

"That Which is Another Man's" will be the 7:00 p.m. service topic. In the absence of the Minister, the Elders are leading the mid-week services and Bible study, 8:00 to 9:00 p.m. Wednesday.

Through a hard-hitting, conscientious ADVERTISING PROGRAM

Competition is a demanding taskmaster—but it can also be the greatest rewarding factor in merchandising or servicing. It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, when he knows he has a thriving, growing business that will never want for customers. Business goes where it is invited—and competitive prices, outstanding courteous service with a good selection, and promotional advertising will do the most inviting.

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now—you'll be amazed at how quickly you will feel the difference. Just telephone 88 and a salesman will call on you at your convenience.
