

'Cardiac Kids' win Region I crown; now Austin-bound

44th Year — No. 21 Dimmitt, Texas, Thursday, March 4, 1971 16 Pages

BEAR UP, COACH—Maybe this is what the scribe meant when he said a strong team requires a strong coach. When the final buzzer sounded on the Dimmitt-Phillips game Friday night in Lubbock Municipal Coliseum, signifying the Bobcats as

State foe: Hughes Springs

Coach Kenneth Cleveland and his Cardiac Kids are going to Austin.

AND A BIG crowd of Dimmitt basketball fans, wearing all the purple they can find, are following the Bobcats on the 470-mile trip to watch them in their quest for the impossible dream, the state championship.

Dimmitt schools will turn out one hour early today (Thursday), not resume classes until Monday morning.

The Bobcats were ushered out of town at 10:30 a.m. Wednesday. In Lubbock they switched to a chartered bus, and were scheduled to work out in the Howard Payne College gymnasium in Brownwood about 5 p.m. Wednesday.

WHILE IN Austin the Bobcats will stay in the Crest Motel on South Congress Avenue. After the two-day state tournament, they will leave Austin at 9 a.m. Sunday and arrive back in Dimmitt between 5 and 6 p.m.

Wearing the crown of Region I-AA, the Cardiac Kids will enter the throne room of Texas school-boy basketball—the University of Texas' old Gregory Gym—to do battle with the Hughes Springs Mustangs of District 16-AA at 2:30 p.m. Friday in the Class AA leadoff game.

Hughes Springs is the only returnee from last year's state tournament. The Mustangs lost to state champion Kountze in the first game last year, then defeated Morton in the third-place bout. And this year (does this sound familiar?) the Mustangs have all five starters back from last year's team.

AT 4 P.M. Friendswood of District 24-AA and Luling of District 25-A will meet in the other first-round game.

The two teams that survive the first-round bouts will play for the state championship at 7 p.m. Saturday. For the first-round losers, the season will be over—there will be no third-place game this year.

The Dimmitt-Hughes Springs game Friday afternoon will be broadcast on KDHN Radio in Dimmitt, KGNC Radio in Amarillo and Dimmitt TV Cable Co.'s Channel 6, beginning at 2:30. If the Bobcats win the first-round game, KGNC and Channel 6 will carry the state championship game at 6:45 Saturday. Sammy Smith, KGNC sports editor, will do the play-by-play.

CLEVELAND'S Cardiac Kids have clawed their way toward the top, past the only two teams that bested them during the regular season, until they stand now as one of the top four Class AA basketball clubs in Texas.

They won the District 3-AA championship two weeks ago when they turned back the Morton Indians, defending regional champions, by one point in the final three seconds of a playoff game.

Nine days ago they put it all together and blitzed the Rulls Jackrabbits, 100-76, to become the bi-district champions.

AND FRIDAY they became the Region I-AA champions with a heart-stopping 60-58 victory over the Ballinger Bearcats and a decisive 50-40 win over the tall, talented Phillips Blackhaws.

THIS IS the seventh Dimmitt Bobcat team to advance to the state basketball tournament. Of the six Bobcat quintets that have played on the Gregory Gym floor in the past, four advanced to the state championship game and one brought home the big silver basketball trophy.

Since 1944, Dimmitt has averaged going to the state boys' tournament every four years.

John Blaine coached Dimmitt to a fourth place finish in the Class A state tournament in 1944, and his Bobcats of 1948 finished third in the state Class B playoffs. Blaine's Bobcats of 1951-52 completed an undefeated season by winning the state Class A championship, then whipped Class A champion Bowie for the "divisional" crown.

Johnny Ehrhridge guided the Bobcats to the Class A state finals in 1950 and 1961, finishing as the state runner-up both years.

IN 1967, Kenneth Cleveland's "Prairie Bandits" advanced to the state finals before losing a heart-breaker to Hardin-Jefferson High School of Sour Lake in the championship game.

Cleveland's Bobcats of 1970-71 hope to not only follow in that high tradition this year, but to enhance it with a second state championship trophy.

'WE DID IT!' — With just seven seconds remaining on the clock and with Kenny Doss sinking a pair of free throws downcourt to give the Bobcats their final 50-40 victory margin over the Phillips Blackhaws in the regional championship game Friday night, senior forward Max Newman leans

Sad roundup continues

Cattle deaths may hit 1,000

The sad roundup of dead and stray cattle still continues in the wake of last week's blizzard, and the death toll apparently will top 1,000 head in the county.

THE GRIM search was hindered Tuesday by a short but blinding snowstorm that dropped 1½ more inches, adding 12 of an inch of moisture.

Cattlemen carrying lists of each other's brands are searching throughout Castro, Lamb, Bailey, Farmer and Swisher Counties for their lost cattle, which broke electric pasture fences and strayed southward during the blizzard.

The "Lost and Found" column in the newspaper bulged this week with notices of still-missing livestock. KDHN Radio has been broadcasting lost-stock notices. The Sheriff's Office is keeping a brand list on stock lost and found, and Sheriff Jack Cartwright said the list indicated that cattle deaths will top 1,000.

THE TEXAS and South western Cattle Growers Associations have sent a dozen or more brand inspectors into the Panhandle to help in the search for dead and stray cattle.

One county feedlot alone was reported to have lost some 500 calves that had just been shipped in before the blizzard, but the feedlot did not confirm the report. Dead cattle have been collected into large piles in Arney, Sunnyside and Bethel. Dead calves reportedly blocked one county road in the Arney area. Large semi-trucks have been rolling through the county, filled with dead livestock.

The only bright part of the picture has been the help and cooperation extended to those with stray cattle.

One such heartwarming story came from Ray Schulte & Sons of Nazareth, who had 500 cattle strayed in bunches of five and six from the Heck Farms between Hart and Nazareth.

"Many people in the Hart area herded the steers in, penned and fed them, and wouldn't take any pay for it," Mrs. Ray Schulte reported. "People we didn't even know had penned them up for us and were feeding them. Farmers ranchers and feedlot people have been working together to get all the stray cattle penned up, fed and located. It really makes you appreciate your neighbors."

Defense chokes Phillips in title contest, 50-40

That big 10-point victory margin over the towering Phillips Blackhaws in the regional championship game Friday night "was as much a surprise to me as to anybody," Dimmitt Coach Kenneth Cleveland admitted.

THE BOBCATS held the Blackhaws to a scant nine points in

the first quarter and five in the second to take a 25-14 lead at halftime.

Most fans on both sides of the Lubbock Municipal Coliseum kept expecting Phillips to blow it open, to make a bid. But it never happened, as the determined Bobcats maintained a tight control in the low-scoring contest.

Instead, the Blackhaws turned desperate and rough in the fourth quarter and the Bobcats collected 15 points in the final frame—all on foul shots, without a single field goal—to seal a 50-40 victory.

TO THE IMPARTIAL observer, the game may have been boring. But it wasn't to the 1,500 Dimmitt fan, who were holding their breath and seeing visions of Austin throughout the championship game.

Defense was the key.

Here's how Cleveland and his Bobcats set up their defensive ambush to choke off the big Blackhaws' deadly inside game:

"PHILLIPS played four boys along the baseline—one in each corner and one on each side of the lane, with the fifth boy alone out front," the coach explained. "Our normal defense is a 1-2-2 zone, but we had to revise it to try to stop their inside shots."

"We put Kenny Doss on the boy out front, man-to-man."

"Kent Bradford and Max Newman usually cover the corner shots, but this time I told them to get inside the two boys along the lane (6-8 Randy Jamigan and 6-4 Kenny Killian) and stay between them and the basket."

"THEN I sent Danny Ebeling and Mark Wohlge-muth to the corners to cover the corner shooters. This left Kent and Max inside the big boys for good rebounding position."

"It looked real good on paper, but I had no idea it would come close to working the way it did," Cleveland said.

The tailored defense worked to perfection—partly because the Bobcats were determined that it had to.

THE Blackhaws, with three boys taller than any of Dimmitt's players, were able to force the Bobcats to play slow, deliberate ball. But at the same time the Bobcats beat the taller Blackhaws at their own game by choking off the deadly close-in attack of Jamigan and Guest.

"Not many people may have noticed what Kenny Doss was doing out front," Cleveland said, "but he was sticking so close to that Phillips kid that he couldn't see to feed the big boys. That's one of the main reasons they weren't getting their inside shots. Kenny turned in an outstanding

defensive game.

"Then, when the front man WAS able to feed the big boys, Kent and Max kept a hand in their face and bothered them enough to throw their shots off," Cleveland said.

THE BOBCATS kept their tactical thumb on the Blackhaws throughout the game, with the purple defense waiting one way and then another, following the movement of the ball like a swarm of bees following the air currents.

At the same time, the Bobcats staged a well-balanced scoring attack that enabled them to stay in complete control all the way. Bradford finished with 15 points, Ebeling sank 14, Wohlge-muth netted 11, Newman hit for 6 and Doss bucketed 4.

For Phillips, Jamigan finished with 14 points while Roy Rhoten scored 8, John Hill 7, Kenny Killian 6, and Terry Zink 4.

WITH Dimmitt leading 35-25 going into the fourth quarter, the frustrated Blackhaws got rough as they went for the ball, and the Bobcats collected plenty of fees at the free-throw line as the DHS student body chanted, "Black that kick!"

Phillips gave the Bobcats 32 free throws, of which they sank 22. The Blackhaws, meanwhile, were awarded only 11 free throws, sinking eight.

Dimmitt outscored Phillips 13-9 in the first quarter and 12-5 in the second. Phillips sank 11 points to Dimmitt's 10 in the third, and in the final frame the two teams tied with 15 each—with the Bobcats collecting all their fourth-quarter points at the free-throw line.

Lost boy spurs 1½-hour search

A 3-year-old boy was the object of a 1½-hour search in South Dimmitt after he wandered away from his babysitter's home Monday afternoon.

SCOTT FARRER, son of Mr. and Mrs. Bob Farrer, was found by Mrs. J. L. Hrabal at approximately 5 p.m., playing around a vacant house near the city park. The youngster had wandered away from his babysitter's home about 3:30 p.m. after he and a playmate managed to open a yard gate.

The search involved 15 to 20 cars, several people on foot and volunteers on bicycles. Mrs. Hrabal reportedly had walked through the neighborhood for an hour or more when she found the lost boy.

Three charged with vandalism

Sheriff's officers arrested two juvenile boys and an 18-year-old youth last Thursday in connection with recent burglaries and vandalism at Dimmitt High School, the Country Club and Dimmitt Junior High.

CHARGED with two counts of breaking and entering was Armando Davila, 18. He has been placed under \$3,000 bond—\$1,500 on each count—pending Grand Jury action.

The other two boys went before juvenile court Friday. County Judge Raymond E. Wilson ordered one of them, a 16-year-old, to the state school for boys at Gatesville. The other boy, 15, was placed on probation as a first offender.

The three were arrested after Dimmitt High School and the Country Club were burglarized and vandalized last Wednesday night.

AT THE high school, vandals entered the lunchroom and Spanish classroom by breaking a window to each room, officers said. In the Spanish classroom, teaching equipment and pictures were damaged, and in the school lunchroom a plexiglas top was taken off a candy counter and candy was scattered around the room.

At the Country Club, vandals broke a picture window in the west end of the clubhouse, burglarized three vending machines, took \$30 and a set of keys from the cash register in the pro shop, and made off with an assortment of candy, cigarettes and pie. The Sheriff's Office recovered the stolen items last Thursday.

The vandals also broke into the Country Club storage building nearby, took off five electric golf carts and ran them into snowbanks and muddy ditches, officers reported.

TWO OF the boys arrested were charged with last Wednesday night's incidents at the high school and Country Club, and the third was implicated with them in an earlier burglary and vandalism incident at Dimmitt Junior High, sheriff's officers said.

Hughes Springs only team back

When a team of sophomores and juniors goes to the state tournament, why do you not hear from them the next year?

IT'S THAT WAY in this year's Class AA state tourney.

Of the 20 starters on the four teams in last year's state Class AA tourney, only two were seniors. But only one of those teams is back this year.

Kountze won the Class AA championship last year with a team composed of three juniors and two sophomores. But that same Kountze team was defeated in the Region II-AA championship game Saturday by Friendswood, which goes into the state tournament this weekend sporting a perfect 25-0 record.

MORTON finished fourth in the state last year with a starting lineup of three juniors and two sophomores. But the Indians were eliminated at the district level this year by Dimmitt.

The only team to return to the state tournament with the same five starters this year is—you guessed it—Hughes Springs, Dimmitt's first-round opponent.

Coach Don Woodall's Mustangs have won 29 games while suffering only a single loss this year. They defeated Fort Worth Kirkpatrick, 76-59, for the Region II-AA championship Saturday.

STARTERS for Hughes Springs are Lynn Royal, 6-6 junior center;

It's a banner of many colors

The Bobcats aren't just representing Dimmitt in the state basketball tournament this week.

THE BANNER they carry to Austin bears other colors, also. Attesting to this fact is a letter that is posted in the coaches' office in DHS gymnasium:

"To the Dimmitt High School Student Body:

"Morton High School would like to express its best wishes and high hopes for the state champions being Dimmitt High School.

"WE WILL be proud to back the Bobcats in every way possible. We feel it took a great team, with a capital G, to beat our Indians. I represent the entire student body of Morton High School in congratulating the Bobcats."

The letter is signed by Beverly Dolle, vice-president of the Morton High School Student Council.

THE PRIZE—After defeating Phillips, 50-40, in the Region I-AA title game, Dimmitt's Bobcats accept the regional championship trophy and individual trophies in Lubbock Municipal Coliseum Friday night.

HOWARD COOK

Sheffy's chatter

Would you believe they've been married 50 years?

By MYRTLE SHEFFY
George and Adeline Rush, son Pat, and daughter Alice, are going to Columbia, Mo. this week to attend and also host the golden wedding celebration for her parents Mr. and Mrs. Patterson Bain.

ship Hall Sunday afternoon, the 7th. All the Sheffy kids are serving coffee and cake to celebrate mine and Sid's fifty years together. We were married in Amarillo March 8 in 1921. Edgar Ramey and Daisy Womack were with us.

his family for a few weeks. She will be leaving Panama and going to Brazil for a year's work with the Peace Corps.

named David. The great grandmother Dora Johnson was there with her elder sister Maggie Golehon who fell and broke her hip awhile back.

they did go on Friday to Monday. Beth Strickland Roberts had a birthday Feb. 28, Sunday. Her husband Jack's day was Feb. 22, and to help celebrate, their friends, Mary Lee Stone and Jack Durlap, both students at WTSU, came in Saturday for dinner out.

ame, who are students at WTSU. She saw Mrs. Joe Covington who is an aunt of Brice Dowell.

out on the Flagg Ranch. Mrs. Turpin tells me that the ranch had interesting guests last week. They do have the cattle feeding pens there and owners are Jay Taylor and Steve Taylor of Amarillo and Mr. Ito of Japan and Mr. Moira of San Francisco were there to see this phase of Texas cow business. Mr. Ito gave Mrs. Turpin a Japanese doll as a hostess gift.

★ BOB BRADFORD received his Basic at Ft. Ord, Calif. and is now at Fort Sill, Okla. His brother Jack a student at Christian College which is at Mesquite east of Dallas and a friend came up to Lubbock for the Bi-District playoff of the basketball Bobcats. They stayed one night with his parents James and Mildred Bradford.

★ MRS. BILL Behrends served cake and punch to a group of 6-year-olds Saturday afternoon. It was son Dean's birthday. They had all kinds of games. Dean's guests were LaRissa and James Pickens, Jill and Blake Brown, Mike and Greg Prather, Michaci Anthony, Barry Oldfield, Shane Gray, Brian Handley and Adam Hardison. Adam was the birthday boy Friday. He had a party for the same group of youngsters including Scott Nelson and Cam Kittrell. I first heard that David and Marilyn Hardison are moving to Tulsa in May. David is commuting there now. Marilyn is teaching school and working on her masters degree at WTSU. They will be selling their house at 810 Halsell. We are sorry to lose these people, but we wish them good things in Oklahoma.

★ Mr. and Mrs. Dwight Shottentkirk visited last weekend with her sister in Dallas Mr. and Mrs. Jess Lassiter.

★ Another "42" party was Friday evening in the home of the Horace Carilles. The group had supper first at the Colonial Inn Restaurant. Those attending were the Wes Anthonys, The Edgar Remeys, the Jack Pattons, the Burl Bradfords, the Sid Sheffys, Ann Singer, the Clarence Bearclaws, the Goodwin Millers, Cletha George, and Leola Haberer.

★ MR. AND MRS. Bill Clark and sons Greg and Jim, and daughter Tonya moved here from Lubbock. Bill is with Wheat Growers. I met the Clarks at church, they are visiting around for awhile.

★ We had coffee at the drug store with teacher Betty Hawkins and some of her students. Betty says, tell the town they will present the play "Tom Sawyer" on March 20. Tommy Killeugh, the red-head, will be a natural for Huck Finn and Johnny Webb will play Tom Sawyer. Jeth Cock will play the part of Mrs. Harper. Max Wohlgenuth will be the "Injun." You remember the story, the Injun and Huck were hiding out together. I don't have the whole cast. Just happened to talk to these boys. So let's see the play.

★ Ray and Margaret Nelson have been to Dallas and Throckmorton. Margaret stayed in Dallas two weeks with daughter Gretta Liles who had back surgery, then two more weeks in Throckmorton. They brought little Aimee home with them for a stay but took her home Monday. Mrs. Nelson plans to stay with Gretta this week also. They saw Suzanne Dickey Axe in Dallas.

★ YOU CAN see I visited the people at the hospital. Mrs. Carille went with me. We saw Josie Bradford, she had "no voice." Okay now. We saw John Nolen and Mr. Huseman who has a broken pelvic bone. Bea Hawkins was there also. Hope she is better. Many others we didn't see.

★ My car was out of gas near Edmondson. I stopped there and met Tommie Dalton. He was a Hart boy and formerly worked for the Homer Hill Cattle Co. He knows most everyone in our county.

★ Gene and Connie Ivey went to Winslow, Ariz. awhile back to visit their daughter Laura Fanning and family. Connie's brothers Coy and Newt Dunn came there from California and brought their mother Mrs. Dunn. She came to her home in Littlefield with the Iveys.

★ Eerie and Annabelle are going on to Chicago and to Elkhart Ind. for a business convention. Eerie was voted number one salesman of the nation for the Ames company.

★ We had coffee at the drug store with teacher Betty Hawkins and some of her students. Betty says, tell the town they will present the play "Tom Sawyer" on March 20. Tommy Killeugh, the red-head, will be a natural for Huck Finn and Johnny Webb will play Tom Sawyer. Jeth Cock will play the part of Mrs. Harper. Max Wohlgenuth will be the "Injun." You remember the story, the Injun and Huck were hiding out together. I don't have the whole cast. Just happened to talk to these boys. So let's see the play.

★ MRS. R. E. CATOE is recuperating from surgery she received at Methodist Hospital in Lubbock. Her sister Mrs. Ruth Hunter of Houston and all the family have been visiting her.

★ Vera Webb is visiting her daughter Mary Jean Copeland at Lamesa or Midland.

★ Fred Hamm is much improved from his recent heart attack. Mrs. Hamm and Fred's sisters and a daughter have been here to visit him.

★ Carol and Don have new twin babies Carla and Darla and a pretty black haired 4-year-old boy, at Quitaque with relatives but

★ Ethel LOVE went to visit her daughter Mrs. Leroy Fisher in Sudan last weekend while they attended the 50th anniversary celebration of the First Baptist Church Sunday. Ethel was a member of this church for 8 years

★ Ethel LOVE went to visit her daughter Mrs. Leroy Fisher in Sudan last weekend while they attended the 50th anniversary celebration of the First Baptist Church Sunday. Ethel was a member of this church for 8 years

★ Gail Bruegel was hostess to her mother Mrs. Garrison and her sisters Brenda and Joan from Childress a few days last week. Do remember to go to the wedding of Sandy Bruegel and James Baker Saturday evening at the Methodist Church.

★ Do go to the Methodist Fellowship Hall Sunday afternoon, the 7th. All the Sheffy kids are serving coffee and cake to celebrate mine and Sid's fifty years together. We were married in Amarillo March 8 in 1921. Edgar Ramey and Daisy Womack were with us.

★ Do go to the Methodist Fellowship Hall Sunday afternoon, the 7th. All the Sheffy kids are serving coffee and cake to celebrate mine and Sid's fifty years together. We were married in Amarillo March 8 in 1921. Edgar Ramey and Daisy Womack were with us.

Bible Thoughts
TRANSFORMING POWER
By Ronnie Parker
People can be changed. If your life is stained and ugly in sin you can be washed clean. Souls in the kingdom of darkness can be translated into the kingdom of light. How? Through the transforming power of the gospel.

First Baptist Church schedules emphasis week on home missions

The First Baptist Church of Dimmitt will observe a Week of Prayer for Home Missions March 7-14. THE CHURCH members have set a goal of \$800 for a special offering to spread the gospel in the homeland through Christian social ministries, work with language groups, the military chaplaincy, missions in the mountains and pioneer areas, work among

the deaf, and student summer missions. At present, some 2,000 Southern Baptist home missionaries are engaged in this effort in the US, serving all 50 states plus Panama and western Cuba.

★ NEXT Wednesday evening, there will be a Family Missions Supper in the church fellowship hall beginning at 6:30. Program personalities include Mrs. Gene Ivey, Mrs. E. L. Carpenter, Hubert Edwards, Elmer Youts, Dr. Charles Vandiver, Mrs. Harold Miller, Mrs. I. B. Wimberley, and Dr. and Mrs. Raymond Perkins.

★ A transportation committee composed of Mrs. Jim Hays, Mrs. V. C. Hopson and Mrs. Elmer Youts will provide taxi service for anyone needing a ride to the church supper. Mrs. Therman Oldham and Mrs. Buster Morgan, Woman's Missionary Society director, are also helping with the supper.

★ PRAYER partners will meet daily throughout the city to pray for the home mission needs facing our nation. The Week of Prayer will conclude Sunday, March 14, with the offering being taken in the morning worship service. At the evening service at 7, a Missions Musical will be presented by the choir and youth groups under the direction by Bill Myers.

★ Last year's goal for the Home Mission Offering was \$500, but church members gave nearly three times that amount, \$1,492.60.

★ SOIL CONSERVATION is no gamble.

Table of church services including Iglesia de Cristo, True Gospel Holiness Church, New Hope Baptist Church, First Christian Church, Sunnyside Baptist Church, Northside Baptist Church, La Iglesia de Dios del Prmojento, Church of Christ (Northside), Lee Street Baptist Church, Assembly of God Church, and Macedonia Baptist Church.

America the Beautiful...
From the time that Columbus discovered America... men have thought of this country as something special. It was here that Ponce de Leon sought the Fountain of Youth, and men have long admired America's majestic mountains and beautiful valleys. However, the real beauty lies not in the land, but in the people. The people came... seeking a land where they could worship God in freedom, and under God developed a kind and loving spirit. This is what makes America beautiful. Attend church regularly... help keep America beautiful.

Table of church services including Presbyterian Church, First Baptist Church, Immaculate Conception Catholic Church, Iglesia Metodista - St. Luke, Church of Christ (S.W. 4th at Bedford), First Methodist Church, and Macedonia Baptist Church.

Sunnyside news

Cattlemen are still searching for strays lost in storm

By TEENY BOWDEN
A lot of cattlemen spent most of the week trying to find drifted cattle and cull them out.

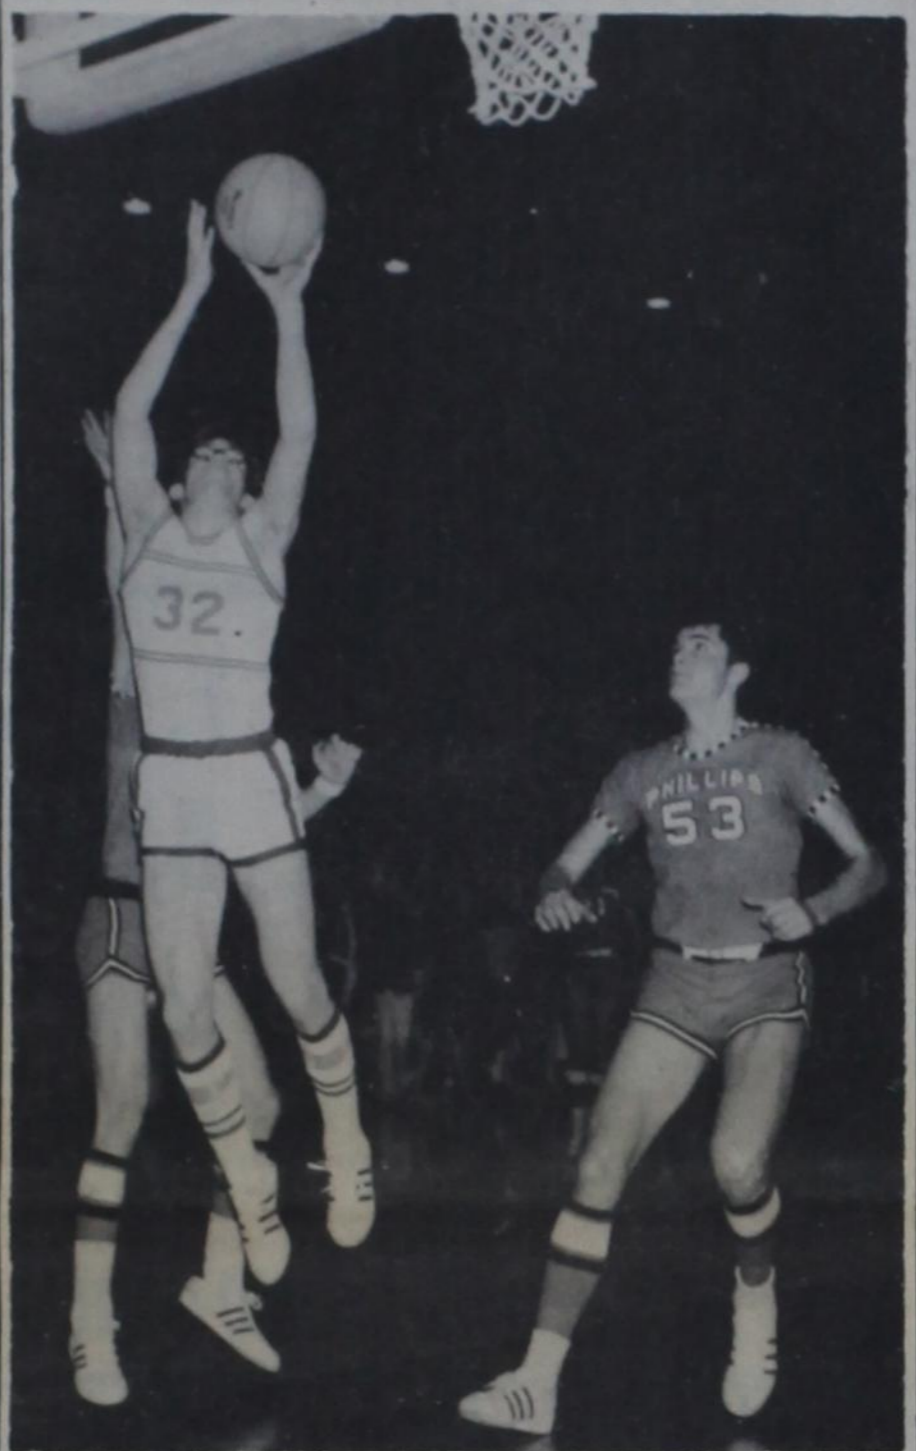

the National Honor Society at Springlake-Earth Wednesday.

IN THE Duard Harris home recently from out of town were Mrs. Fred Carter from Clayton, N.M.;

Donald, Mrs. Delmer Turner, Mrs. John Gallighugh, Mr. and Mrs. Dave Brewer, Mr. and Mrs. Doc Turner, Austin Harris, Mr. and Mrs. Ben Morris, Mrs. C. D. Damron, Fred Cummings, Mr. and Mrs. R. H. Isbell, Mr. and Mrs. Wayne Cummings and Lewis Morris, all of Wellington;

★ GERALD Graham and Tommy Alair were two of the directors for the Springlake-Earth Junior Livestock and Project Show held there last Friday and Saturday.

Also Mrs. Sarah Harris, Mrs. Belle Laughter, Mrs. Josie Mc-

MAX NEWMAN goes high for a layup for Dimmitt after stealing the ball from Phillips' big Randy Jarnigan (53) in the second quarter of Friday night's regional championship game in Lubbock.

with a heavyweight cross lamb, and eighth with a lightweight crossbreed. Michael Graham won second with a heavyweight other breed barrow, and reserve champion and seventh with a lightweight crossbreed. Danny Bradley won second with a medium-weight crossbreed in the barrow show. Tommy Alair was also one of the trophy donors.

Mr. and Mrs. Ed Townsend became grandparents again last Saturday when an 8 pound, 3 ounce boy was born to Mr. and Mrs. Jerry Townsend in University Hospital in Lubbock.

Ken Dawson was listed on the Dean's Honor Roll for the fall semester at Tech. He has completed his requirements for a BS degree in agronomy.

MR. AND MRS. Floyd Ivey and Mokey took her sisters to the plane at Lubbock last Sunday morning early, before the storm got to the blizzard stage.

Mr. and Mrs. Gale Sadler and girls had a like experience. They left Corpus Christi early before the airport closed down and were grounded at Dallas last Sunday, and came in Monday afternoon.

Mr. and Mrs. Dwight Shottenkirk and girls spent last weekend in Dallas with Lance, who was celebrating his birthday. He is in the R.O.T.C. now and likes it fine.

The Mission Friends, Crusaders and Girls in Action met Wednesday afternoon for their weekly meeting preparing for their WMU Focus Week program planned for last Sunday and snowed out.

THE Springlake-Earth Little Drubblers had their first games Tuesday and Thursday of this week. Kevin Riley, Ricky and Mike Smith are on Don Randolph's Pee Wee Team.

Mrs. E. R. Sadler visited in Dimmitt Thursday morning with Mrs. Pearl Sadler.

Mr. and Mrs. Larry Sadler attended the Satellite Day Care School salad supper at the First United Methodist Church in Dimmitt Thursday night.

THE LIONS Club sponsored a ping pong tournament at the community building Thursday and Friday nights.

Several from the community attended the Regional Tournament in Lubbock Friday and Friday night.

Mr. and Mrs. Thomas Parson took their grandchildren back to their home in Houston over the weekend.

ing, went on to Lamesa, and visited with the Johnny Wayne Heilbrocks and family and came back to see them win over Phillips. Mr. and Mrs. J. Paul Waggoner also went and perhaps several others.

MR. AND MRS. Carl Bradley went with her sister, Mr. and Mrs. Charles Hedrick of Amarillo

to Albuquerque early Saturday morning to visit his father in the hospital there. He is gravely ill. They returned Sunday night. Kent stayed with Mr. and Mrs. Jess Matlock. Kelby and Kyle stayed with Mr. and Mrs. Weldon Bradley.

Lee Bradley called his parents, Mr. and Mrs. Weldon Bradley, Friday night from Vietnam.

Resa Carson spent Saturday with Mr. and Mrs. Billy Carson and family of Dimmitt.

The Lions Club set up a Heart Fund drive at the community building Sunday.

SNOW still remained on the ground in drifts Sunday, and some drives are still muddy, but the blizzard swept all north and

south roads clean.

Seventy-four attended Sunday School with 21 in Training Union Sunday. The WMU focus week program planned for last Sunday was given during the morning services with each organization using five minutes to tell something about their work.

SINCE THE first Easter Seals were mailed to American homes, millions of dollars have been translated into rehabilitation and research. Nearly a quarter of a million disabled persons benefit annually from Easter Seal medical diagnosis, therapy, pre-school classes, workshops, camps, and itinerant and mobile therapy programs.

Upswing is seen in homebuilding with easier money, fewer frills

Scaring housing costs have caused postponement of many home building plans. Even the cost of an ordinary place to live has climbed well out of reach for many families.

BUT THE situation is changing, predicts Mrs. Jane Berry, Extension housing and home furnishings specialist at Texas A&M University.

Money is becoming more plentiful, interest rates are decreasing, and activity in the construction industry is gaining momentum.

About 1,650,000 new homes will be started in 1971, according to the National Association of Home Builders. This is an increase from a projected total of 1,400,000 in 1970.

IN SPITE OF the sizeable price tags on new houses, Mrs. Berry says that buyers will find a wider selection of lower-priced homes available as builders are determined to widen their markets. In the past, families with incomes of less than \$10,000 have been priced out of home ownership, since the median cost of a new house was \$26,700 in 1969—up \$2,100 in one year.

To try to regain this market, Mrs. Berry explains that builders are eliminating some conven-

iences. The result has been a drop in the average price of a new home to \$24,000 in the last 12 months. One large builder, for example, is omitting air conditioning, carpeting and several automatic gadgets from his most popular model, and reducing the cost by about \$5,000.

Due to the housing crisis, builders are also using innovative techniques. Factory assembled components and modules are being used more extensively, cutting down both construction cost and time.

AND IN urban areas, an increasing number of multiple-family housing developments are available, the specialist says. For the family not interested in home ownership, apartments, condominiums, cooperatives and townhouses provide alternatives.

Mobile homes, Mrs. Berry adds provide lower income families with good housing. In 1968 mobile homes accounted for 90 percent of all single-family dwellings under \$15,000. Most mobile homes cost under \$10,000, including appliances and furnishings.

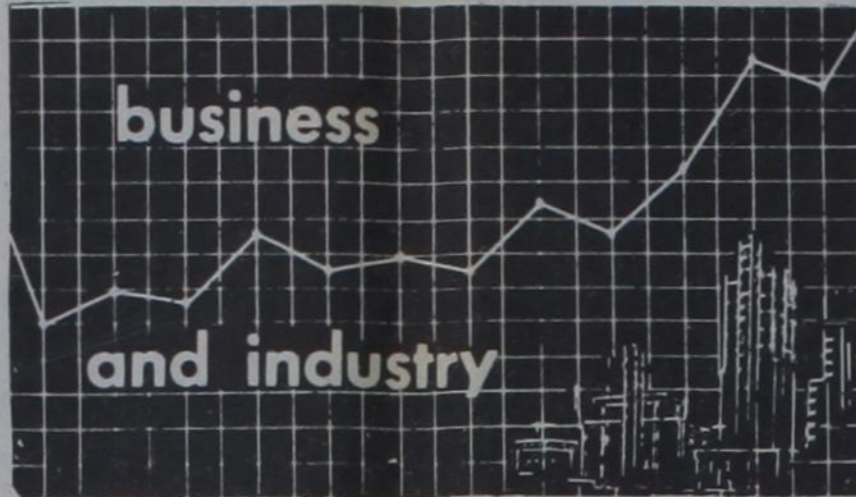

USDA takes over meat inspection

The United States Department of Agriculture announced recently that it would take over all meat inspection in the state, and this could have far-reaching effects on the Texas housewife.

THE ACTION came after Texas failed to comply with the Wholesome Meat Act of 1967 that said state inspection procedures must be "at least equal to" federal regulations. The deadline for compliance was in December. When the USDA began inspecting packing plants in Texas, it was found that several had not met federal sanitation standards.

What does all this mean to the homemaker?

Dr. Ed Uvacek of Texas A&M University says that the homemaker can be doubly sure of getting meat products that are sanitary and disease-free. Many people have not been aware that up to now, part of the meat marketed in Texas was not inspected at all. Federal law required certification only if meat was moved across state lines, and local packers with local markets were not

MRS. FLORINE BROCKMAN of Nazareth is the new part-time secretary and receptionist in the USDA Soil Conservation Service office in Dimmitt. She is employed by the local Running Water Soil and Water Conservation District to keep the office open on Tuesdays, Wednesdays and Thursdays while conservationists David Springer, Larry Starnes and Clayton Jobe are in the field. Mrs. Brockman's husband, Ernest, is a long-time cooperater with the Running Water District.

Slaughter cattle, beef heifers expected to stay in good demand

A substantially increased production of beef cows, yielding a larger calf crop, more feeding, and a greater cattle slaughter is part of the outlook for 1971, according to Dr. Ed Uvacek, Extension livestock marketing specialist.

DR. UVACEK indicated that he feels slaughter cattle prices will move up slightly through the first half of the year and level off for the remainder. He predicted that feeder and stocker calf prices will move up sharply into the spring months, with a pattern similar to last year.

The manufacturing meat market has had a fantastic growth which isn't being met by domestic production, and this is one reason slaughter cows will again demand premium prices, especially in the spring, Dr. Uvacek predicted.

Another of his forecasts is that beef heifers, that could possibly go back into breeding herds, may be demanded more than usual, causing the price differential between steer and heifer calves to be narrower.

subject to any kind of inspection, they did not request.

FEDERAL inspection has an interesting sidelight. Many of the small community slaughter houses and locker plants will have to either remodel their facilities or face closure.

Dr. Uvacek estimates that many small meat packers are not even aware of the law and will continue to operate until they are inspected by federal employees and given the choice of improving their plants or going out of business. These small plants often do not have enough business to make remodeling possible, and will probably be closed permanently.

Bentsen sponsors firearms crime control measure

Senator Lloyd Bentsen said this week he has introduced legislation setting tough mandatory sentences for those convicted of crimes involving firearms. The legislation was introduced last Wednesday when Congress re-convened.

CONGRESSMAN Bob Casey of Houston introduced the same legislation in the 91st Congress and again in this Congress.

"During the campaign I pledged my support of the Casey bill," Bentsen said. "I think it is sound legislation that places crimes of violence involving firearms into proper perspective. I have now introduced legislation in the Senate."

The senator also introduced an amendment to the Firearms Registration Act which would exempt .22 caliber ammunition from registration. He introduced the two bills as companion legislation.

"Under our Constitution it is not possible to prevent citizens from bearing arms, and some of the measures which I have seen designed to force gun registration are not very realistic unless we want to take away the right to bear arms," the senator said. "I don't want to take away that basic right, but I do want to make convicted criminals responsible for the illegal use of firearms, and I want to protect the right of sportsmen to own and properly use guns."

"I BELIEVE that tough measures against the criminal is a more realistic approach than trying to penalize the law abiding citizen," he added.

The Bentsen legislation would make the first convicted offense of robbery, assault, rape, burglary, kidnapping or homicide other than involuntary manslaughter involving the use of any firearm punishable by a mandatory 10-year sentence, and not less than 25 years for second or subsequent offenses, without probation.

The measure also extends jurisdiction of the federal act to state courts, where most such offenses are tried.

SCREWWORM ALERT

The first 1971 screwworm case in the southwest has been confirmed. It was found in Hidalgo County on Feb. 8. Stockmen are advised to keep a close check on their livestock and collect samples when worms are found in wounds. Samples should be sent immediately to the Mission Lab for identification. Warmer weather has increased fly activities in areas just south of the Rio Grande River.

Gabel
★

Ken Gabel joins Amarillo National

Kent Gabel has been named farm and ranch manager in the trust department of Amarillo National Bank, according to an announcement by R. C. Ware, executive vice-president and L. Raeburn Hamner Jr., senior vice-president and trust officer.

GABEL, a native of Dimmitt, joined the bank early this month, following three years as a partner in a farm and ranch operation in Castro County with his father George Gabel.

A Dimmitt High School graduate, Gabel earned his bachelor of science degree in 1967 from Texas Tech, where he majored in agriculture.

Gabel and his wife, Mary, are parents of Sarah, 1, and Gina, 3. The family resides on Ricks Street in southeast Amarillo. They are members of the Christian Church. Mrs. Gabel is the daughter of Mr. and Mrs. Billy Graham, who farm east of Dimmitt.

On the Go

MRS. MORRIS GOWDY of Dimmitt and Mrs. Leonard Huber of Littlefield visited in Memphis recently with their mother, Mrs. W. A. Henry of Lakeview, who is hospitalized in Memphis. They also visited their brother, Henry F. Cunningham, and friends, Mrs. W. H. Whitefield and daughter Mildred.

Clutch plays in waning seconds salvage victory over Ballinger

A heart-stopping thing happened to the Dimmitt Bobcats on their way to the Regional basketball championship Friday morning: the Ballinger Bearcats almost took it away from them in the semifinal game.

ONLY A series of patented Bobcat clutch plays in the final seconds by David Nino, Danny Ebeling and Max Newman salvaged a 60-58 victory for Dimmitt.

Coach Kenneth Cleveland's quintet was sailing along with a hard-earned 10-point lead midway in the fourth quarter when the Bobcats' leading scorer, Kent Bradford, fouled out after hanging up 22 points.

Suddenly the Bearcats of District 8-AA grabbed the momentum and started chipping away. In the next 4½ minutes the Bobcats saw their 57-47 lead dwindle

to a single point at 58-57. **MEANWHILE, Kenny Doss** — Dimmitt's front-line man on defense—also went to the bench with five fouls, and did Ballinger's Russell Hearn.

With victory suddenly within their reach again, Ballinger's players, bench crew and fans came alive. Dimmitt fans, at the same time, were getting that old, familiar feeling—something akin to cardiac arrest.

Steve Routh, Ballinger's smooth 6-4 post forward, sank a pivot shot. 61 guard Kerry Brown netted a pair of free throws. 60 guard Rick Akins stole the ball and put in a layup, then scored another on a fast break.

DURING this four-minute outburst by the Bearcats, Dimmitt responded with only one point—a free throw by Ebeling with 3:56

remaining in the game. After Akins' last layup, the Bearcats applied a fullcourt press and the Bobcats failed to clear the center line in the required 10 seconds, and had to give up the ball.

Ballinger's Stanley Field, 5-11 guard, then bucketed a layup to cut Dimmitt's lead to 58-57 with 1:13 remaining.

NINO, who replaced Doss out front, drew a foul and was awarded a 1-1 opportunity, but his first shot glanced off the rim. Ballinger got the rebound and called time out with 43 seconds left.

Then, when the pressure was at its worst, the Bobcats came up with their game-winning clutch plays.

As Ballinger put the ball back into play from the sideline, the

determined Nino—miffed at missing his free shot—lunged for the ball and made a sensational mid-air steal from the Ballinger guard as Dimmitt fans came to their feet.

NINO dribbled into clear territory in the back court, and from there the Bobcats showed what they had learned about pressure

Linkletter speech tickets available

Radio and television personality Art Linkletter will make two appearances in Plainview on March 12, speaking on the subject "Youth and the Drug Problem."

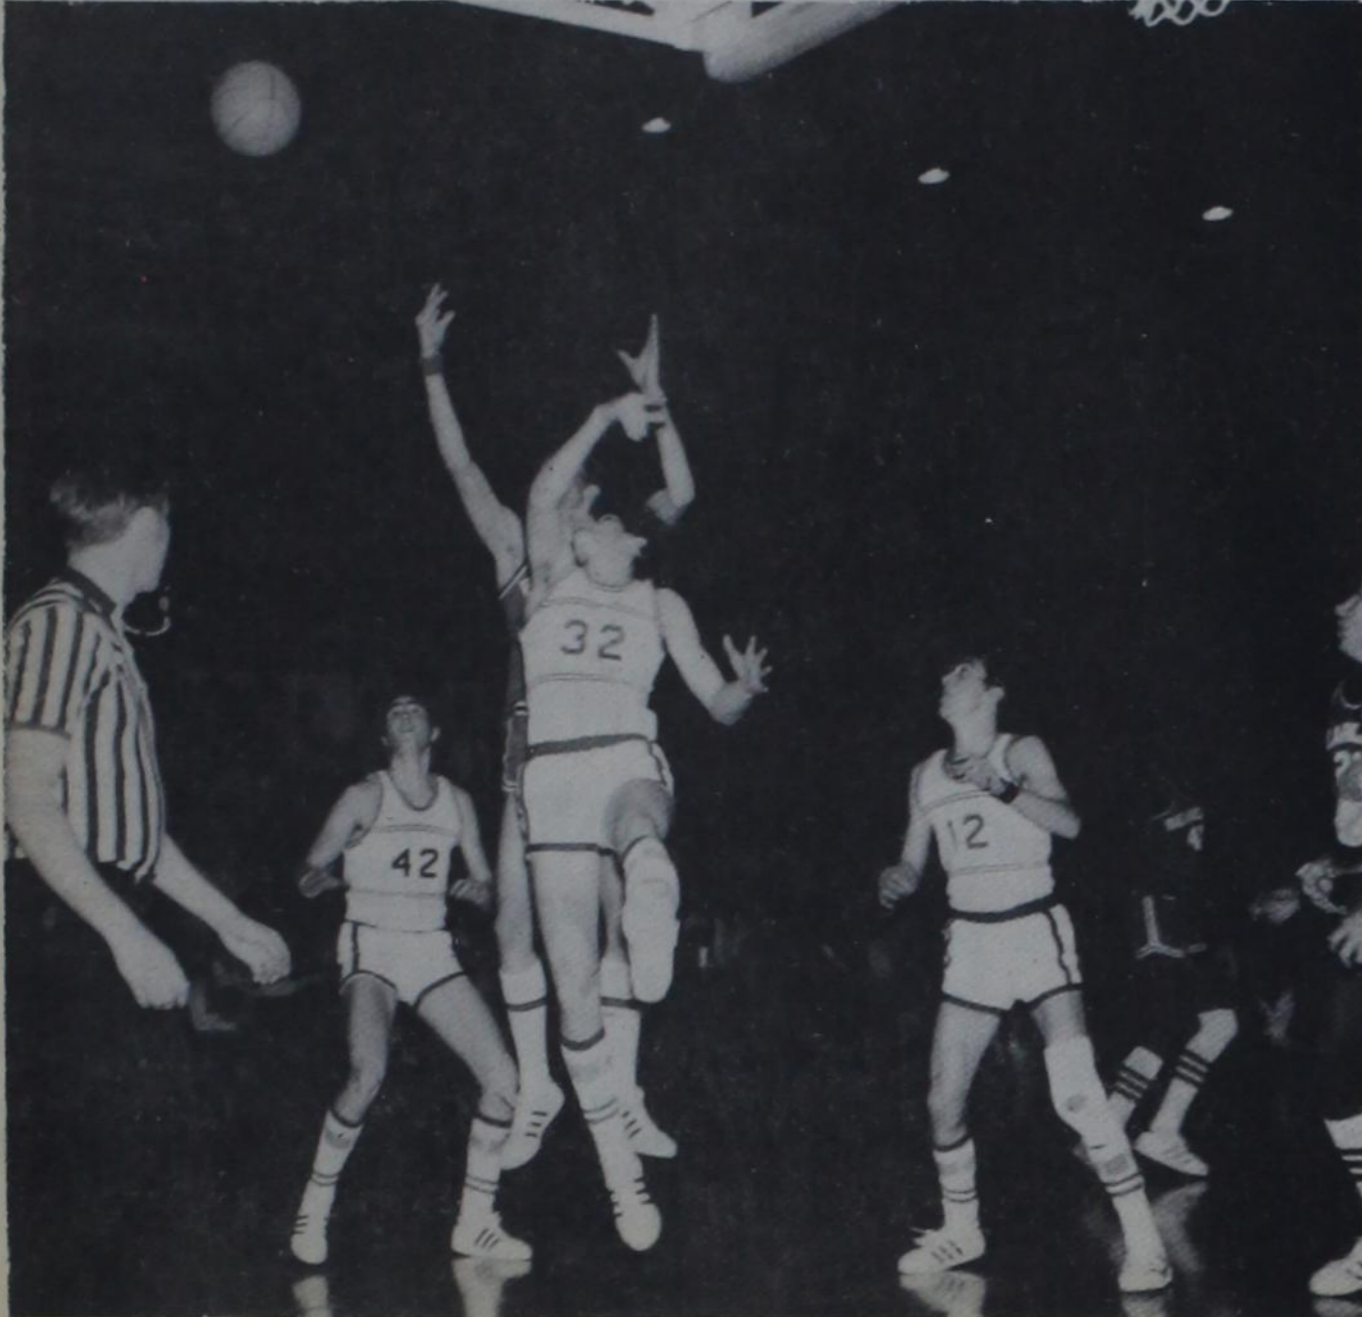

PLAINVIEW Junior Service League has arranged for the matinee in addition to the night appearance due to the tremendous response received by the organization.

Tickets for the afternoon program, set for 3:45 p.m. will be \$3.50 and the 7:30 p.m. appearance, \$5. Tickets are available at the Dimmitt High School principal's office. Dimmitt High School students holding valid tickets will be dismissed early in order to make the 3:45 speech. Night tickets will also be available at the high school.

Linkletter became interested in the drug abuse problem following the death of a daughter Diane, who leaped from a five story building during what was believed to have been a "flashback" from LSD. Since that time he has written magazine articles, spoken around the country and worked with government leaders in the preparation of narcotics and drug abuse legislation.

ART LINKLETTER traces his long, varied career back to 1933 when he worked as an announcer for KGB radio in San Diego. In 1936, he served as radio and public address system director for the Texas Centennial in Dallas and authored "Cavalcade of Texas," centennial theme.

The versatile entertainer has starred in and co-produced several TV specials, holds positions in a number of business organizations and is the successful author of such books as "Kids Say the Darndest Things," which was a number one nonfiction best seller for two years. Active in service and charitable organizations, he has received many awards for his efforts.

VOLLEYBALL PLAY—Dimmitt's Max Newman (32) tips a rebound back to teammate Kent Bradford (42) in the third quarter of the Dimmitt-Ballinger regional semifinal bout Friday morning. Also following

the play is Dimmitt's Danny Ebeling (12) and Jerry Matthews (far right). The Bobcats won the thriller, 60-58, to advance to the regional finals against Phillips.

tactics as they went into a stall and forced the Bearcats to take the gambles.

With 16 seconds left, one of the desperate Bearcats fouled Ebeling. It was a fatal mistake.

The smooth Dimmitt guard stepped to the free throw line and sank both charity shots to give Dimmitt a 60-57 advantage.

ROUTH CUT it to 60-58 when he sank the first shot of a 1-1 charity situation with just six seconds remaining. Then the Bearcats got a chance to throw the game into overtime when Routh's second shot rimmed off and Akins came up with the rebound for Ballinger.

In the battle for the ball, Dimmitt's Jerry Matthews was called for fouling and Akins got a 1-1 opportunity with a scant two seconds showing on the clock. But Akins' first shot rolled off

the rim and Dimmitt's Max Newman was there to spear it. Newman hugged the ball to his chest and disappeared into the uniformed crowd for the final two ticks.

"THAT STEAL by David Nino was one of the most important plays we had during the whole tournament," Coach Cleveland said. "We needed the ball real badly and if we hadn't gotten it, the way they were going, they would probably have beaten us."

The game was nip-and-tuck in the first half as the two teams with identical 31-2 records fought to a near-draw. The Bobcats led by 16-14 at the end of the first quarter and by 30-25 at the intermission.

Ballinger edged out front, 31-30, with their first shot of the third quarter, and during the next four minutes Dimmitt regained the

lead only once at 36-35, while tying it at 31, 37 and 39.

THEN THE Bobcats began to steadily gain control. Bradford fed the ball to Newman for a layup to put the Bobcats out front, 41-30, with 2:57 remaining in the third. Then Ebeling sank a set shot, Newman made four free throws in a row and Matthews sank a jumper to give the Bobcats a 49-43 lead—their biggest bulge to that point—at the end of the third.

To start the fourth quarter, Matthews missed a free throw but rebounded and sank a follow-up shot to put the Bobcats out front, 51-43.

Routh responded with a layup for Ballinger to cut it to 51-45, but Bradford laid in a jumper and Mark Wohlgemuth scored a pair of free shots to stretch it to 10 points, 55-45.

Dimmitt's 10-point lead lasted only two minutes, though, as Bradford fouled out and the Bearcats started their dramatic comeback attempt.

BRADFORD led Dimmitt's scorers with 22 points, while Ebeling and Newman sank 12 each. Wohlgemuth netted 10 and Matthews sank 4. Routh of Ballinger was the game's leading scorer with 24. Akins, with 11, was the only other Bearcat to score in double figures.

Ballinger sank 23 field goals to Dimmitt's 21, but the Bobcats made up the victory margin at the free throw line, sinking 18 of 26 while the Bearcats made only 12 of 21. The Bobcats were deadly from the charity stripe as Wohlgemuth sank two for two. Newman hit four for four, Ebeling netted six of seven and Bradford sank six of nine.

Campus chatter

Regional champs head for Austin

By DIANE GARCIA and PAT BARRIOS
Hi, out there sports fans. Here is the authentic Campus Chatter from the halls of good ol' Dimmitt High.

THE BIG news, of course, is our amazing Bobcats. By the time this is printed, I hope we will be on our way to Austin. The kids on the student body bus have been having quite a few good times. Right George Vasquez and Pete Davila?

Some very childish person or persons did a very strange thing Wednesday. Whoever broke into the building shouldn't have done it. They will get in serious trouble. Isn't babysitting at the Baptist Church fun, Steve Brown? Everybody ought to try it sometime.

ANDY MAYS learned that next time he wants to get some snow, he should go outside instead of trying to reach out the window. Bo Myers might push you out again.

The boys in the Industrial Arts shop work very happy since there are a few musical things in the shop.

Henry Rivera just might give up on Santos Gonzales. I think he likes somebody else.

DANNY EBELING is still the hero of the team!

Clearance Smith had an acci-

dent on the student body bus coming back from Levelland. He just couldn't wait. That's life. I heard that Celia Morris was turning hip, but apparently not, she is still the same.

By the way, Lino Perez plans to attend UCLA on a basketball scholarship.

Rosa Ortiz has finally straightened things out. How straight, Rosa?

We hear there's a conflict between Mary Guana and Santos Gonzales. Could Henry Rivera be a part of it?

GEORGE VASQUEZ, are you a natural blonde or is it Miss Clair? Junior Espinoza, is it true you use peroxide? Only your hairdresser knows for sure.

Roy Garza, would you please leave poor Bertha Davila alone? What's been going on with Richard Davila and Vicente Campos during third period.

Aresala Gamez, isn't the chatter box she used to be. We wonder why?

Ofelia Quinonez, who's mascara was it after all? Diana Garcia, where have you been in your spare time? We hear you've developed a "thing" for Herford.

A RECORD number of 31.6 million visits were logged at Texas tourist attractions during 1970.

CLASSROOM ON WHEELS—Linda Elder and Bob Acevedo look over the drivers' education trailer where students in the driver training class are learning to make instant decisions based on what they have learned in class.

problems. Their answers, which are automatically recorded and graded, show whether they have learned a particular phase of the course satisfactorily or whether they need more classroom training on that phase.

'Tejano Day' held Friday

Los Tejanos, a Mexican-American service organization at South Plains College, sponsored "Tejano Day" Friday, Feb. 26.

NORTHWEST Texas Hospital School of Nursing and West Texas State University School of Nursing are having a Nursing Career Day on March 19.

THE THEME for "Tejano Day" this year was "Opportunities Through Education" and its objective was to make the Mexican-American students of this area aware of the opportunities available to them through higher education.

SOUTH Plains College is having Senior Day March 31, and is inviting all high school seniors from area schools down for a close look at the school.

Counselor's Corner

By KEN RINGO

This has been a short week and so I will have a short column this week, passing on to you little pearls of information that have crossed my desk this week.

THE SHOW, slated for the Castro County show barns, is sponsored annually by the Dimmitt Young Farmers.

All entries for the show must be in the secretary's office by 10 a.m., March 11.

Dimmitt's FFA chapter plans to enter approximately 40 lambs, 40 barrows and nine steers.

Check the Bulletin Board daily.

SOIL SAMPLES should be taken now to complete plans for renovating pastures in the weeks and months ahead, remind soil chemists of the Texas Agricultural Extension Service.

Ag boys ready for stock show

"We are probably going to have some of the best animals we've ever had," stated John Quinby, DHS ag instructor, when commenting on the Castro County Junior Fat Stock Show to be held March 11-13th.

Editorial

Yes, we have pollution

Jim Steiert in the West Texas State University "Prairie."

A massive pollution problem exists relatively near the WTSU campus in the form of Buffalo Lake National Wildlife Refuge.

The largest portion of the lake has dried up, and the dry lake bed itself is mute testimony to the high mineral content of the water, in that it is bleached white in many areas.

The only area where there is any water is at the north end of the lake, near the dam, and it is quickly receding.

What happened to this lake, which at one time was a busy recreational playground for the area? The answer to this question is quite involved. A diverse number of factors have contributed to the present appalling state of the lake.

Many area citizens sought to pin the blame for the pollution on the Hereford Feed Yards. The feed yards have contributed to the pollution to an extent, but it is ridiculous to point an accusing finger exclusively at them.

At times of heavy rainfall, all areas along the lake's watershed contributed toward the pollution. Runoff from the feedyards is a portion of this pollution.

However, the feedyards have long ago taken action to control this runoff, and prevent further contamination of the lake.

At present, no water is reaching the lake, The Tierra Blanca

At present, no water is reaching the lake, The Tierra Blanca

At present, no water is reaching the lake, The Tierra Blanca

At present, no water is reaching the lake, The Tierra Blanca

Creek, on which the lake is located, is dry. The only time this creek runs is after periods of rainfall which contribute runoff to the watershed. The fact that no fresh water comes into the lake is a major factor in determining its present state.

One of the major factors in the pollution at this time is the fact that thousands of ducks and geese winter on the lake. Buffalo Lake was declared a National Wildlife Refuge in the 1950's, and since that time geese and ducks have been stopping over to winter every year.

There have been mistakes in the management of Buffalo Lake. They were mistakes that were costly. However, there may be hope for a second chance, although it is doubtful that the lake will ever again be like many people remember it.

With ample rainfall, the lake

With ample rainfall, the lake

With ample rainfall, the lake

With ample rainfall, the lake

With ample rainfall, the lake

With ample rainfall, the lake

With ample rainfall, the lake

may some day increase its water level. Only time will tell. If this second chance should one day present itself, it will take alert conservation measures on the parts of the area's citizens to see that this disaster does not re-occur.

Buffalo Lake is mute testimony to the destruction which pollution leaves in its path. If the lake serves no other function, it should be a vivid reminder of what we must strive to avoid.

Two DHS rooms are vandalized

Vandals broke into Dimmitt High School last Wednesday evening and caused hundreds of dollars' worth of damage in the cafeteria and Room 21, Mrs. June Parker's Spanish classroom.

"WE LOST a tape recorder, a record player, an overhead projector, one tape and three paintings," Mrs. Parker said after surveying the damage caused by the classroom vandals.

The damaged equipment was covered by school insurance.

The Sheriff's Office last Thursday picked up and questioned two young suspects in connection with the school break-in, and with another vandalism incident that occurred the same night at the Country Club.

IN ADDITION to damaging equipment and slashing pictures in the Spanish classroom, the vandals broke windows in both the lunchroom and classroom to gain entry, and also threw a jar of black poster-paint against the wall of the classroom.

THE LAST confirmed case of screwworms in the Southwestern US was in La Salle County, Texas in mid-November but some activity has been noted south of the Rio Grande.

Larvae samples should also be taken from wounds and submitted to the Mission Laboratory for positive identification.

25 from DHS go to Houston for FTA meet

Dimmitt High's FTA organization left Wednesday at 6:30 p.m. for Houston to attend the State convention.

Twenty-five students were accompanied by club sponsor Thelma McMinn and Mr. and Mrs. Oscar Wiley, Mr. and Mrs. Jim Golding, Mrs. S. R. Hutto, and Mrs. W. O. Markley.

The students spent all day Thursday sightseeing. They saw such sights as the Astrodome, N.A.S.A. Manned Space Craft Center, and the Battleship Texas.

FTA members were actually in the convention all day Friday and part of Saturday. The major objective of the trip is to meet representatives from other high schools. By 3 p.m. Saturday they were preparing for the long trip back home.

Philip Pohlmeiers have 25th anniversary party

By Mrs. Florence Albracht
Sunday afternoon the Philip Pohlmeiers had a family celebration in their home, observing their 25th wedding anniversary, having postponed it from Feb. 21 because of the blizzard. Enjoying the afternoon were Mr. and Mrs. Vincent Pohlmeier, Mrs. Max Acker, Mr. and Mrs. Leroy Pohlmeier, Ray, Paul and Edwin Pohlmeier, Mr. and Mrs. Virgil Pohlmeier of Tulsa, Mr. and Mrs. Greg Pohlmeier of Plainview, Mr. and Mrs. Lester Schulte, Mrs. Lizzie Birkenfeld, Marcella Birkenfeld of Umberger, Mr. and Mrs. John Birkenfeld and family of Hereford, Walt Birkenfeld of Lubbock and Lucy Maurer.

MR. AND MRS. David Acker, Mr. and Mrs. George Book Jr. and Mr. and Mrs. Junior Hochstein went to Okarche, Okla., over the weekend to take part in the Catholic Order of Foresters bowling tournament. Mr. and Mrs. Book and Mr. and Mrs. Acker took first place in team competition, and Book and Acker took first place in men's doubles.
Mr. and Mrs. Raymond Annen, Mrs. Cornelia Annen and Mrs. August Huseman went to Amarillo Sunday to visit the Larry

Spencers. They also enjoyed the smorgasbord at St. Joseph's Parish.

August Huseman is in Plains Memorial Hospital suffering from a fall he had at their home during the blizzard, Feb. 21.

★ Another of our boys has returned home safely from Vietnam after 11 months' duty over there. Jimmy Schmucker, son of the Joe Schmuckers, came home unexpectedly a month early, on Feb. 22. Mr. and Mrs. Clyde Hoelting and family were hosts for a supper and party for the Joe Schmucker families that evening. Jimmy will report to a camp near Washington D. C. on March 29 for six months' more active duty in the Army.
Mr. and Mrs. David Ehly are the proud parents of a baby boy, Brent Michael, born Friday in the Canyon Hospital. It is the first grandchild for the Leo Ehlys and the Vincent Husemans of our parish.

Mr. and Mrs. Clarence Birkenfeld went to Lubbock Saturday to be baptismal sponsors for their new granddaughter, Dana Rae, daughter of the Denis Gerbers. She was baptized at the evening mass in St. Elizabeths Church. Also visiting the Denis Gerbers Sunday were the Ralph Albrachts. Mr. and Mrs. Frank Hoelting and Leonard spent several days in Plainview the past week, staying with their grandchildren. Susanne and Daryl Keys, while their folks took a trip to Las Vegas. While in Plainview, they attended the Boy Scout supper. Daryl is a member of the Boy Scouts.

Sisters Mary, Benedict Marie, Marcella, Clara, Herman Joseph, Adrien and Immaculata spent the weekend in Amarillo at St. Joseph's Convent with the Benedictine nuns there, studying rules and

regulations of their order.

Mrs. Annie Hiltrens and daughter and family, the Kaplons of Clovis, spent Sunday visiting her nieces, Mrs. Agnes Brockman and Mrs. Helen Backus, and nephew, Paul Venhaus and family.

Mr. and Mrs. Ernie Brockman, Mr. and Mrs. Francis Wilhelm and Mr. and Mrs. Charles Bradock attended the memorial mass for Mrs. Joe Schwallier, Tuesday evening in St. Ann's Church in Canyon.

Thirty FHA girls and their sponsors, Mrs. Jimmy Schulte, Mrs. Betty Wilhelm, Mrs. King, Mrs. McFarland and Mr. and Mrs. Clayton Neal, rode to Lubbock in the school bus to attend the Area I FHA girls' convention, which was held in the municipal auditorium. The day was enjoyed by girls and sponsors alike, being entertained by local talents and a good speaker.

On March 14 the FHA girls will have their annual chicken dinner in the school cafeteria. More details next week. Y'all come!

Enjoying the Scitellite Day School workers salad supper last Thursday evening at the First United Methodist Church in Dimmitt were Mrs. Leonard Gerber, Rachel and Margaret Olivera, Mrs. Max Acker, Mr. and Mrs. Alvin Anderle and Mr. and Mrs. Florence Albracht. After the supper a round of "Crazy Bridge" was enjoyed by the group. Mrs. Max Acker received a pin for over 100 hours of aid duty at the school. The others received certificates for hours they worked during the past year.

Mrs. Grace De Cardenas and children and Nancy Dreyer of Dallas spent the weekend with their folks, the Ed Dreyers. On Sunday the Dreyers enjoyed a family dinner.

Mrs. Loretta Guggemos is staying with her daughter, Mrs. Ralph Shirley, in Friona for a couple of weeks.

Mr. and Mrs. Frank Hoelting spent Sunday in Amarillo with their son and family, the Ronnie Hoeltings, and also enjoyed the smorgasbord with them at their parish, St. Joseph's in Amarillo, Sunday.

John Hemmer from Montana has been visiting the Venhaus families. On Wednesday Mr. Hemmer and Mrs. Agnes Brockman had dinner with the Phil Brockmans in Muleshoe. He left for home Wednesday.

Club postpones fertilizer sale

The Kiwanis Club of Dimmitt has changed the date of its lawn fertilizer sale to March 20, due to the state basketball tournament this weekend and the County Junior Flat Stock and Project Show March 13, according to Jack Patton, Kiwanis president.

LOOKING FOR a home to rent or buy? The best deals are on the News classified page, the county's most complete home listing.

HELPING CANCER PATIENTS is a job that can be done by ladies of all ages, as these Hart residents prove. The ladies made these service and comfort items recently at a volunteer work party for the Castro County Cancer Society Unit at the home of Mrs. D. A. Bass. Mrs. Mabel Aven, 79, shows a patient's homemade "Johnny coat," and Mrs. Jewel Kennedy, 71, holds a pair of homemade slippers. Seated, center, is Mrs. Ellen Cox, 88, shows a hand-made doughnut pillow. The 5-year-old girls are Linda Booe (left) and Robin Bowen, who are helping "Send a Mouse to College" for cancer research.

HD notes

Spring provides 'lease on life'

By IRENE KEATING
There are so many pretty flowers coming up now. I have seen pretty jonquils and daffodils in several yards. Spring must be close by.

THIS TIME of year always refreshes me and gives me a new lease on life. I am always ready to get out in the yard and to freshen up the house, etc. Some people prefer other seasons, but I definitely favor spring even though it is often windy and sandy. Mrs. Nell Ingram was in the other day and mentioned that she washes her okra, beans, peas, and some greens in her clothes washer! This is quite a time saver when you have large quantities. She uses cold water and the delicate cycle.

Mrs. Catherine Hochstein was asked to teach canning at Amarillo College night classes. Due to her busy schedule she declined, but I'm very proud of her. She could do an excellent job as she cans and freezes every summer.

THE 4-H Project Show will be held March 13 at the American Legion Building. 4-H girls will enter food and clothing. Cash awards are made possible by the Castro County Farm Bureau. 4-H

Here are week's best food buys

Do you take advantage of advertised food specials? If you do you can definitely save money on your food budget, reports Gwendolyn Clyatt, Extension consumer marketing specialist at Texas A&M University.

A VARIETY of beef and pork cuts at budget saving prices are available at the meat counter this week. Some features to expect are beef roasts, ground beef, and round, T-bone or sirloin steaks. If it's pork you prefer, choose from ham, loin roasts or chops. Fryers remain the number one bargain in the meat department, and Grade A large eggs continue to be the best egg value.

In the produce section, both grapefruit and oranges—two of our best sources of vitamin C—are in abundant supply. A new crop of avocados is appearing; this prices are somewhat lower than in recent weeks. Bananas continue to be a good value, but quality and prices may vary. Apples also remain a good buy; at this time of year, be sure to store them in the refrigerator. And for a special treat, some markets are featuring strawberries.

RECENT adverse weather conditions in many growing areas may cause higher prices and lower quality in some of the tender vegetables. However, good buys will be found on root vegetables—carrots, potatoes, sweet potatoes, radishes, rutabagas, and turnips. Dry yellow onions and green onions are also in plentiful supply. Other good vegetable choices include broccoli, celery and lettuce.

MORE THAN 2,500 facilities and services financed by Easter Seal contributions are giving help where needed. They provide the medical diagnosis, physical, occupational, and speech therapies, special education, recreation psychological and social services, sheltered employment, and other care and treatment that crippled children and adults require to walk, talk, and live like others.

MANURE left in the feed lots adds nothing to the land.

Nazareth bowlers earn trophies in two-state event

Mr. and Mrs. David Acker, Mr. and Mrs. George Book and Mr. and Mrs. William Hochstein Jr. of Nazareth took part in the 10th annual Catholic Order of Foresters Texas - Oklahoma Bowling Tournament Saturday and Sunday in Okarche, Okla., and came home with an armful of trophies.

THE ACKERS and Books won the first-place team trophy in the two-state tournament.

David Acker placed third and George Book fifth in men's singles, and together they captured the championship trophy in men's doubles.

Mrs. Rita Book placed fourth in women's singles, and teamed with Mrs. Mary Acker to place fourth in women's doubles.

Also taking part in the tourney were the Klemans brothers—Urban, Lavern and Elmer of Tulsa and Bernard of Amarillo—who are former Nazareth residents. Urban Klemans placed second in men's singles.

RAISING YOUR own vegetable garden not only can save you grocery money but also supply your family with an abundance of fresh, crisp and nutritious food. And in addition, the exercise will be most beneficial.

Two county posts to be honored at Legion's district convention

Two of Castro County's American Legion posts will be honored for outstanding membership achievement at the annual 18th District spring convention of the Legion Saturday and Sunday in Perryton.

THEY ARE Hart Post 311 and Nazareth Post 528. Percy Hart is commander of the Hart post, and the Nazareth post commander is C. D. Klemans.

Jack Flynt of Dimmitt's Greer H. Estes Post, national executive committee member and former Texas department commander, is scheduled to speak to the convention's assembly Sunday morning. His wife, Mary, former president of the Texas department, American Legion Auxiliary, will join District Chaplain J. M. Thacker of Matador in conducting the joint memorial service at 9:30 a.m. Sunday. Registration will open Saturday at 11 a.m. in the Veterans Memorial Building, Legion Hall, Perryton. At 1:30 p.m., Department Field Representative Garland DeLamar of Waco will hold a post officers' school. District committee reports will follow.

OTHER Saturday events include a social hour from 5 to 6 p.m. in the Veterans Building, a joint Legion and Auxiliary banquet at 7 p.m. in the Perryton school cafeteria, and a dance at 9 p.m.

Presenting The VERSATILE Everman 329
Utilizing important NEW IMPROVEMENTS in the Famous Everman CRANK AXLE
LONGER Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32'6". Width 12". Blade capacity 1 1/2 cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for clog busting and use of heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

7 Lanes are Everman models to fit all standard farm tractors.

HAYS IMPLEMENT CO.

it takes all kinds!

Choosing crop chemicals can be confusing. There are any number with look-alike labels... similar claims... but different results. Let CFS give you a hand. We compare the leading chemicals point by point, and observe them in actual field use. The ones that do the best job are marked "CFS Approved". Then we go a step farther. We test your soil for organic matter, texture and pH, because all of these can affect herbicide performance. The "CFS Approved" chemicals we recommend will give the best control... at the lowest cost... on your land. CFS is the only retail supplier to balance all these factors in recommending a chemical protection program. Before you buy, be sure to look for the "CFS Approved" seal. Call or stop in today.

Sheffys to mark 50th anniversary

Mr. and Mrs. Sid Sheffy will be honored with a golden wedding anniversary reception Sunday from 3 to 5 p.m. in Lamar Fellowship Hall of the First United Methodist Church.

THE RECEPTION is open to all the Sheffys' friends and acquaintances, although invitations have been mailed only to those out of town. The family has specified that no gifts be given.

Hosting the event will be the Sheffys' seven children—Ted and Rex of Dimmitt, Bob of Hereford, Mrs. Dorothy Bond of Dallas, Mrs. Ruth Jackson of Dimmitt, Don of Canyon and Mrs. Tommie Bills of Earth—and their families.

Mr. and Mrs. Sheffy were married March 8, 1921, in the Presbyterian parsonage in Amarillo. Mrs. Sheffy, the former Myrtle Knox, was the daughter of Mr. and Mrs. J. C. Knox. Her father owned and operated a grocery and general merchandise store in Dimmitt, having moved here from Eldorado, Okla.

SHEFFY, a native of Plainview operated a ranch southeast of Dimmitt with his brother, Ray, before his marriage.

In 1926, five years after their marriage, Mr. and Mrs. Sheffy bought farm land from the Grapevine Ranch property owned by the Bruce McLean family. They

lived on their farm in the Flagg-Big Square area from 1926 until 1951, when they moved to their present home at 705 W. Bedford St., Dimmitt. They still own their farm, but now rent out its operation.

The Sheffys have 20 grandchildren, two step-granddaughters and one step-great granddaughter.

Bake Show queen is Angie Wilhelm

The 4-H Food Show-Bake Show was held Saturday with 22 girls and one boy participating.

SENIORS in the Food Show were Sue Smith, Janet Smithson and Patty Hochstein. They were all blue ribbon winners.

Juniors were Billy Leonard, Leanne Crozier, Kelly Bagley, Angie, Margie and Christine Wilhelm, Sandra Tischler, Leonida and Natalie Durbin.

Bake Show participants were judged on a pound cake, yeast rolls and record. Participants in the contest were Evelyn, Angie, Christine and Margie Wilhelm, Elaine, Agnes and Donna Acker, Sandra Tischler, Janet Smithson, Heidi Bruegel, Kelly Bagley, Diane Hcdnett, Kathy Ballard, Sue and Janis Smith, Patty and Carol Hochstein, Natalie and Leonida Durbin, Lisa Graef, Teresa Powell, and Carol Bagwell.

THE BAKE Show, winner Angie Wilhelm, will participate in the district contest during the Tri-State Fair in September. Alternate is Sue Smith.

The top junior and senior girls in the Food Show will participate in the district contest in Amarillo April 3. They are Janet Smithson, Patty Hochstein, Sandra Tischler and Angie Wilhelm.

ADVICE and guidance to assist parents, employers and other persons in understanding and accepted treatment for handicaps is available from your Easter Seal Society.

FOOD SHOW WINNERS in the senior division of the county 4-H Food Show-Bake Show Saturday were Janet Smithson (left), 15, of the Dimmitt 4-H Club and Patty Hochstein, 14, of the Nazareth 4-H Club. Janet, daughter of Mr. and Mrs. Rayphard Smithson, won a blue ribbon for her red

table setting which featured beef Bourguigonne as the main menu item. Patti, daughter of Mr. and Mrs. William Hochstein Jr., won a blue ribbon for her white table setting which featured an oatmeal apple crumble dessert and recipe.

JUNIOR WINNERS in Saturday's county 4-H Food Show-Bake Show were Sandra Tischler (left), member of the Flagg 4-H Club, and Angie Wilhelm, 13, of the Nazareth 4-H. Sandra, daughter of Mr. and Mrs. Felton Tischler, prepared a yellow table setting with a Mexican salad and

recipe. Angie, daughter of Mr. and Mrs. James Wilhelm, displayed a green table setting with a tuna and chip casserole as the main dish. Angie also was crowned the Bake Show Queen after winning blue ribbons with her orange pound cake and yeast dinner rolls.

Book Club will meet Wednesday

Mrs. James Welch will review the book, "Faith, Hope and Charity," a child's-eye view of religion by Dick Van Dyke, at the Wednesday meeting of the Dimmitt Book Club.

THE REVIEW will begin at 4 p.m. in the First State Bank community room, and is open to the

public. It will be preceded by a club business meeting at 3:30.

On the Go

MRS. ELVIS Barker and daughter Sharon, a sophomore at Texas Tech visited her parents Mr. and Mrs. Jack Lamm and her brother Gary at Sayre, Okla. last weekend. They also visited Mrs. Ida Barker and Ola Mae Coop in Erick, Okla.

Nazareth girls hear advantages of water colors

Mrs. Helene McFarland, a water-color artist who is working toward her master's degree at West Texas State University, explained the advantages of water colors to the Nazareth Future Homemakers of America at their regular meeting Monday.

Mrs. McFarland recently held a one-artist show in Amarillo and will have a show in New York later this year.

IN HER educational talk to the Nazareth FHA girls, she explained that the color pigments in all art media are the same, and that the only variable is the vehicle, or carrying agent.

Water colors, she said, hold a fresh, true color permanently. Oil painting, although just as beautiful originally, loses its color eventually and tends to become monochromatic, she said.

She noted that the highest-paid artist in history is Andrew Wyatt, a contemporary water-color artist.

MRS. McFarland displayed some of the 300-lb. substance linen paper which she uses, and explained that it is impervious to normal wear and aging. She also showed several of her water-color paintings.

Several interested parents and teachers joined the FHA girls in hearing Mrs. McFarland's talk. The Future Homemakers and their guests enjoyed cookies and punch after the program.

Thirty-one members of the Nazareth FHA chapter attended the area convention Saturday in Lubbock. They were accompanied by Mrs. Lucille King, their chapter sponsor, and Mrs. Betty Wilhelm, Mrs. Jimmie Schulte and Mrs. Helene McFarland.

POOR SOILS tend to breed weak nations.

SCHOOL VANDALISM — Here's part of the damage done to the Spanish classroom of Dimmitt High School by vandals who broke in last Wednesday night. The glass plate and prism lens of an overhead projector were broken, three paintings were slashed and paint was thrown against the wall. The vandals also broke into the DHS cafeteria, where they did minor damage.

COUNTRY CLUB LOOT—Golf Pro Al Forrester looks over the money, cigarettes and candy that were stolen last Wednesday night when vandals burglarized the Country Club. They also broke into the storage building and took out five electric golf carts, running them into ditches and snowbanks. The Sheriff's Office recovered the stolen items the next day.

Christian Church marks 11th year

The First Christian Church, 600 Western Drive celebrated its 11th anniversary with a dinner Sunday.

ELEVEN of the original group that first met 11 years ago were present. There were 52 present in the morning service to hear the minister, Bro. Roy E. Barringer, bring a message on the topic, "Go Forward." The youth of the church presented a play, "Like Some Company," at the evening service.

Among former members and friends attending were Mr. and Mrs. Kent Gabel and daughters of Amarillo, Mr. and Mrs. Emil Halencak and family of Canyon, Mr. and Mrs. Ray White and granddaughter of Hereford, and Mr. and Mrs. B. Campbell of Earth.

PLAINS MEMORIAL HOSPITAL

Twins — a boy and a girl — were born Feb. 19 to Mr. and Mrs. Willie Lee Finch of Dimmitt. The baby girl, who weighed 4 pounds, 8 ounces, has been named Wanda Kay. The boy, who weighed 4 pounds, 10 1/2 ounces, has been named Johnny Ray.

It's a girl for Mr. and Mrs. Jesus Hernandez of Hart. She was born Feb. 24, weighed 7 pounds, 6 ounces, and has been named Cristella.

Mr. and Mrs. Nicolas R. Gonzales of Hereford became the parents of a 7-pound, 6-ounce girl Friday. They have named her Anna Louisa.

THE National Easter Seal Society for Crippled Children and Adults, with 2,500 facilities and programs, is the oldest and largest voluntary agency serving the physically handicapped. Contributions to the annual Easter Seal campaign, March 1-April 11, finance the major share of its work.

Satellite School honors workers

Twelve volunteer workers were honored for their service to the Dimmitt Satellite School for Retarded Children at a salad supper last Thursday night.

THE SUPPER, which was held in Lamar Fellowship Hall of the First United Methodist Church, was attended by approximately 40 volunteer workers, teacher's aides, advisory board members and their spouses.

Also on hand were E.W. Garms, director of the Amarillo State Center for Human Development, and Ruth Kerley of Amarillo, coordinator of the 12 satellite schools that operate in the Hanhandle under the Amarillo State Center.

Mrs. Norma Conard, the school's full-time teacher, served as mistress of ceremonies, and Mrs. Jackie Sava presented service pins and certificates of appreciation to volunteer workers.

Kathrine Taack and Mrs. Max Acker of Nazareth were awarded pins for more than 100 hours' service to the local school from Sept. 1, 1969 to Sept. 1, 1970. Miss Taack logged 220 hours of service and Mrs. Acker 104 hours during the year.

RECEIVING certificates of appreciation for 10 to 62 hours' voluntary service were Mrs. Jane Blackburn, coordinator; Margaret Olvera, Mrs. Alvina Gerber and Rachel Olvera, occasional workers; and Mrs. Lois Scott, Mrs. Nell Kitchens, Mrs. Myrtle Lois Moran, Mrs. Mary Lu Smithson, Mrs. Dora Albracht and Mrs. Matilda Anderle, regular teacher's aides.

The certificates read, "In appreciation for unselfish service and for the love and concern shown to the boys and girls of the Dimmitt Satellite School."

Mrs. Sava also introduced new members of the volunteer staff who have joined since September. They are Mrs. Betty West, Mrs. Sammie Lytal and Mrs. Lydia Tomlin.

"I WOULD like to thank all of the volunteers for their efforts," Mrs. Sava said. "Without them, there would be no Dimmitt Satellite School."

The two representatives of the Amarillo State Center praised Mrs. Conard for her progress with the retarded children in the local school, and lauded the local vol-

ASCS notes

Applications to open Monday for cost-shares under 'REAP'

By CHARLEY E. HILL
Executive Director

We will begin accepting applications for cost shares under the Rural Environmental Assistance Program on March 8. The following practices are included in the 1971 Castro County Rural Environmental Assistance Program:

- A-2: Establishing permanent vegetative cover.
- C-1: Establishing permanent waterways.

- C-4: Constructing terraces.
- C-5: Constructing diversion terraces.
- C-12: Reorganizing farm irrigation systems.
- D-1: Establishing vegetative cover for winter protection.
- D-2: Establishing vegetative cover for summer protection.
- I-2: Constructing animal waste storage facilities.
- I-3: Constructing diversions for the management of animal wastes.
- J-1: Constructing sediment retention structures.

You must make application for assistance before starting a practice in order to earn cost-sharing.

Assembly of God revival underway

The First Assembly of God Church revival is now in progress with Bro. Orville Painter from Southern California conducting the services nightly at 7:30. The public is invited to attend these services.

Child's Theatre to perform here

"The Elves and the Shoemaker," a play for the young heart, will be performed at 9:30 a.m. and 1:30 p.m. Monday in Dimmitt High School auditorium as part of the 17th annual Children's Theatre Tour of the Eastern New Mexico University department of theatre.

The three-act comedy by Nora MacAlvey and Charlotte Chorpensing is being presented 14 times in 10 eastern New Mexico and West Texas cities. Each year the tour plays to more than 12,000 public school youngsters in the area.

IN "THE Elves and the Shoemaker," Widget is a young elf who is just beginning to learn elf duties. Accompanied by two other elves, Gremlo and Finello, Widget heads for the shoemaker's shop for his first assignment.

Widget finds that the shoemaker has gone off to war and his wife and daughter are in danger of losing the shop to the greedy Heckla. If the two women can make Heckla a pair of shoes overnight, however, all debts to her will be cancelled.

Late that night Widget and his two friends make the shoes and return the next day to see their success. But Heckla has intercepted the money to pay off the debts and is about to take possession of the shop.

Seeing this, the elves come to the rescue again. Heckla's plot is exposed and the shoemaker's family lives happily ever after.

Bond sales goal set at \$70,000

County Bond Chairman Raymond E. Wilson announced this week that the 1971 US Savings Bond sales goal for Castro County is \$70,000.

JANUARY sales in the county were \$3,769, with six percent of the goal achieved.

During January, Texas sales amounted to \$17,375,765—an increase of 9½ percent over the total January 1970 sales of series E and H Bonds and Freedom Shares. This is 10 percent of the annual dollar goal of \$181.9 million.

Nationally, Savings Bond sales for January 1971 were \$430 million, for 8.9 percent of the national goal of \$4.8 billion. Sales were 13 percent above January 1970. Cash value of Bonds and Freedom Shares outstanding on Jan. 31 reached an all-time peak of \$52.6 billion.

Watercolor class offered

Etelan Kramar, Amarillo watercolorist, will offer a series of lessons in watercolor painting beginning this month or next, if enough local people enroll.

ANYONE interested should call Mrs. Alice Cowen, 617-3326, after 4 p.m.

Congressman's aide sets visit

Congressman Bob Price has announced that his district representative, Charles Lanehart, will be in Castro County Tuesday to assist local residents with any problems they might have with the federal government.

LANEHART will be at the First State Bank community room in Dimmitt from 9 a.m. to noon and from 1 to 5 p.m.

"I find that with each passing year my legislative workload becomes heavier in Washington and it is becoming more and more difficult for me to be in each of the 28 counties in our district on a regular basis. For this reason I have made arrangements for Mr. Lanehart to be in each county in the 18th District as frequently as possible, hopefully once a month," Price said.

Lanehart will be available to discuss problems of individuals and groups in the county.

Federal meat law goes into effect

New federal meat inspection regulations that went into effect Dec. 1 require all transporters, brokers, wholesalers and warehousemen to register with the US Department of Agriculture.

THIS registration, which is a requirement of the Wholesome Meat Act as of March 1, is geared to give the USDA a complete picture of the meat industry. It will also allow the USDA to act more quickly and more effectively in tracing uninspected or unwholesome meat back to its source, according to Dr. Ed Uvacek, Extension livestock marketing specialist.

Each branch or subsidiary of a company must register separately. Any trade name different from the firm's name must also be listed.

Firms which process meat or slaughter animals for human consumption in interstate commerce need not register since they are already under federal inspection. Retail outlets are not required to register, Dr. Uvacek noted.

North Dakotans to canvass for Farmers Union

A group of Farmers Union members from North Dakota will canvass Castro County next week to help increase Farmers Union membership here.

THEY WILL be part of a 40-person delegation scheduled to arrive at Lubbock Municipal Airport aboard a Farmers Union Convair at 3:45 p.m. Monday.

After a reception and briefing in Lubbock, the North Dakotans will fan out to Castro and 11 other South Plains counties for a three-day canvass.

Host families in Castro County will be the James Welches of Bethel and the Jerry Wilhelms of Nazareth. Carl King of Dimmitt is helping coordinate the overall canvass.

THE membership drive will be conducted Tuesday, Wednesday and Thursday. The North Dakotans will reassemble in Lubbock Friday, March 12, to return to their home state.

Texas Farmers Union President Jay Naman of Waco said the interstate visitation serves two purposes.

"The visit by our fellow farmers and Farmers Union members from the north not only adds to the enthusiasm for building membership strength in Farmers Union and enhances the opportunities for success in an area-side campaign, but such a program is particularly meaningful in that it permits farmers from different areas of the country to exchange views on farm policy, and this 'cross-pollination' of ideas and exchange of viewpoints will be most meaningful in providing the basic understanding between farmers that is needed if we are to solve pressing problems."

Four file so far for school board

By press time Wednesday, the deadline day for filing, three candidates had announced for the Dimmitt School Board.

THEY ARE Roy "Cowboy" Johnson and incumbent board members Clyde Damron, Melvin Barton and John Merritt.

Candidates had until 5 p.m. Wednesday to file with Gene King, school district business manager, in the school tax office at Dimmitt High School. The only requirements for a candidate are that he be a qualified voter and a resident of the school district. Election day will be April 3.

Five Indians, three Bobcats on 3-AA squad

All five of Morton's starters made the 3-AA All-District Team while three of Dimmitt's starters made the dream squad and the other two received honorable mention.

THE all-district squad, composed of 10 players chosen by the 3-AA coaches, was announced Sunday by Kenneth Cleveland, coach of the district champion Dimmitt Bobcats.

The only schools besides Morton and Dimmitt to gain berths

on the all-district team were Floydada and Olton, with one player each.

Dimmitt players making the all-district team were Kent Bradford, 6-2 senior post forward, who averaged 21.4 points per game during the year; 6-1 senior forward Max Newman, who sported a 14.7-point average and 6-1 senior guard Mark Wehlgemuth, who carried a 12.8-point average through the season.

SENIOR guard Kenny Doss and

junior forward Danny Ebeling received honorable mentions in the all-district selections.

Morton players making the all-district team were George Pritchett, Terry Harvey, Elton Patton, Keith Embry and Stan Coffman.

Charles Jackson of Floydada and Mike Parsons of Olton rounded out the all-district selections.

All players on the dream squad are seniors except Jackson, Embry and Patton, who are juniors.

Miss Robertson on dean's list

Ranger Junior College Dean, R. B. Golemon has released the names of students enrolled in Ranger Junior College for the fall semester of 1970 who earned a grade point average of "B" or better.

Carla Robertson, daughter of Mr. and Mrs. Ray Robertson of Dimmitt was on this list. Carla graduated from Dimmitt High

School in 1969. She was active in basketball and FHA. At Ranger Junior College she is majoring in interior design.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR 21) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVII, Section 1, of the Texas Constitution, be amended to read as follows:

"Section 1. The Legislature by a vote of two-thirds of all the members elected to each House, to be entered by yeas and nays on the journals, may propose amendments to the Constitution, to be voted upon by the qualified electors for members of the Legislature, which proposed amendments shall be duly published once a week for four weeks, commencing at least three months before an election, the time of which shall be specified by the Legislature, in one weekly newspaper of each county, in which such a newspaper may be published; and it shall be the duty of the several returning officers of said election, to open a poll for, and make returns to the Secretary of State,

of the number of legal votes cast at said election for and against said amendments; and if more than one be proposed, then the number of votes cast for and against each of them; and if it shall appear from said returns, that a majority of the votes cast, have been cast in favor of any amendment, the said amendment so receiving a majority of the votes cast, shall become a part of this Constitution, and proclamation shall be made by the Governor thereof."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment providing that the Legislature may propose an amendment of the Constitution at any session of the Legislature."

ALL REGIONAL — Dimmitt's Max Newman (left), 6-1 senior forward, and Kent Bradford, 6-2 senior post forward, walk back to their bench in Lubbock Municipal Coliseum Friday night after being presented individual trophies as members of the All-Region 1-AA team. Also announced as all-regional tournament players after Dimmitt's victory over Phillips in the finals were Randy Jarnigan, 6-8 post forward from Phillips; Ricky Anderegg, 5-11 senior guard from Crane; and Steve Routh, 6-4 senior forward from Ballinger. Newman scored 18 points and was outstanding on defense in the Bobcats' two tournament victories Friday. Bradford scored 37 points in the two games, including 22 against Ballinger in a 60-58 victory Friday morning and 15 in the Bobcats' 50-40 win over Phillips in the championship game Friday night.

1971 tax guides now available

The government has just released its 1971 tax guides for individuals and small businesses containing up-to-date information on federal income taxes.

BOTH BOOKLETS, Your Federal Income Tax and Tax Guide or Small Business, are available for 75 cents each.

Officials describe the booklets as "supplementing" pamphlets—each taxpayer receives from the Internal Revenue Service, usually in January, along with his machine-readable tax form. The guides contain more detailed information and aid taxpayers, in most cases, to complete their own returns accurately and quickly.

Easter Seal letters go out

Easter Seal Appeal letters are to be delivered this week in Castro County according to Mrs. Walter Maynard, the Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. As Representative, Mrs. Maynard serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in Castro County.

THE EASTER Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal. The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (SJR 5) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 51-a, of the Texas Constitution, be amended to read as follows:

"Section 51-a. The Legislature shall have the power, by general laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance grants to and/or medical care for, and for rehabilitation and any other services to or on behalf of:

- (1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years;
- (2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;
- (3) Needy blind persons;
- (4) Needy dependent children and the caretakers of such children.

The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars (\$55,000,000) during any fiscal year.

Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for these purposes, then and in that event the

Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this State."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the limitation on the total State appropriations for assistance grants for the needy aged, the needy disabled, and the needy blind, and setting a limitation on total State appropriations during any fiscal year for assistance grants for needy dependent children and the caretakers of such children."

The view from your library

By MARY EDNA HENDRIX
The Castro County Library is open for business!

THANKS for being so understanding while we were moving. We still need either a 9 X 12 used rug or several used throw rugs or 10 small chairs for pre-school children. We will have the Children's Story Hour Friday at 1 p.m. in our new location 105 East Bedford, next door West of Parson's Drug.

Mrs. P. P. Robb and Mrs. Jack Patton have worked hard on the genealogical section of the library. They have two display racks with literature to help in tracing your family tree, also some film and a microfilm reader. The Acker family and the Birkenfeld family have completed their search in their family tree. If you need a hobby, why not find out about your family?

We have several new books for primaries and juniors, plus a few for adult reading. One you might like to read is a biography, "Zelda," by Nancy Milford. There was a curious streak of recklessness in Zelda Sayre when she was a child. As she grew up, her escapades became the scandal of her hometown of Montgomery, Ala. When she married Scott Fitzgerald in 1920 after a stormy two-year courtship, her life seemed the natural extension of her Montgomery existence, played on a larger stage—New York, Paris, the Riviera. She and Scott moved in a golden aura of excitement, romance and promise. The epitome of the Jazz Age, they rode the crest of the era to its collapse, and their own.

ANOTHER book, "Khrushchev Remembers" by Edward Cranchaw, is a unique and enthralling historical first. Never before, in all the years since the great Russian Revolution, have we had access to the intimate political reminiscences of a Soviet leader. Never before have we had the opportunity to penetrate to the power-center of the Kremlin itself—as we do now in these absorbing, often shocking, sometimes bizarre, occasionally humorous, always illuminating recollections of the man who sat at the summit of power in the modern Russian empire from 1953 until 1964, and whose impact on the outside world, particularly the Western World, was so vivid and unsettling.

The Texas Forest Service at College Station presented the library with a copy of "Famous Trees of Texas," edited by John A. Haislet. "In the beginning God created the heaven and the earth. And the earth brought forth grass and the tree yielding fruit. . . and God saw that it was good." Many of Texas' historic trees are forever lost. Inadequate records of their location, death by disease or neglect, and man's thoughtless removal of those that stood in the way of progress have taken their toll. This is a beautiful book and we are happy to add it to our collection.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (SJR 15) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the Associate Justices serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.

"(2) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, Legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary. "(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.
