DHS Band heads for coast

Four buses carrying 122 Dimmitt High School bandmen and 40 chaperones were to leave Dimmitt at 9 o'clock Wednesday night bound for the Buccaneer Band Festival at Corpus Christi.

RALPH SMITH'S award-winning band will perform at 10:40 a.m. Saturday at Del Mad College Auditorium in Corpus Christi. The Bobcat Band will be one of 54 top bands taking part in the two-day festival.

For its contest numbers, the DHS Band will perform "Sol y Sombra March" by Gates and "Overture in B-Flat" by Giovanni.

After eating breakfast in San Antonio, Dimmitt's bandmen will arrive in Corpus Christi about 11 a.m. today (Thursday). They will stay in the Holiday Inn on Shoreline Drive.

A **FISHING** and boating excursion in the Gulf is on tap Friday morning, then the band will rehearse at 4 p.m. in the Roy Miller High School.

"We also hope to take the kids to Padre Island Saturday afternoon," Smith said.

The buses will start home at 7:30 a.m. Sunday and will arrive in Dimmitt about 9 o'clock that night.

THIS WILL be the third Buccaneer Festival for the Bobcat Band, which won the festival's top award two years ago.

Judges will have the option of naming an "Outstanding Band" in each class, with handsome plaques as the prizes.

Dimmitt High School's band students have earned their own money through various fund-raising projects during the year to pay their shares of the cost of the annual band trip.

IN ADDITION to the 40 chaperones aboard the four buses, many parents are expected to make the trip by car and plane to hear the Bobcat Band perform in Corpus Christi. With the band trip taking a fourth of the DHS student body out of classes, Dimmitt schools have declared a holiday today and Friday.

VICTIM OF THE WIND—"I had forgotten how high the wind can get out here," commented driver C. J. Ralph of Fort Worth after this 14x65 mobile home was tossed over on its side while he was pulling it along State 196 east of Dimmitt last Wednesday evening. Ralph was transporting the new mobile home from Grand Prairie to Albuquerque when a whirling gust combined with the already-high winds

to flip the trailer. The mishap twisted a steel bottom-frame out of shape (left foreground) but did not overturn Ralph's truck. Here, welder Forrest Hargrove (foreground) cuts the hitch from the twisted frame to weld to a new frame he has just completed. Local men had the damaged mobile home re-fitted and on the road back to Grand Prairie Thursday afternoon.

Kent Bradford named National Merit winner

The National Merit Scholarship Corp. announced today that Kent Bradford, Dimmitt High School senior, has won a \$1,000 merit scholarship.

HE IS one of 49 Texas high school seniors to earn a prestigious National Merit Scholarship after competition by the top five percent of the nation's senior scholars.

Bradford, son of Mr. and Mrs. James Bradford, was chosen in open competition with other finalists in Texas. Another DHS senior, Sharon Welch, daughter of Mr. and Mrs. James Welch of the Bethel community, also was a finalist.

Bradford's scholarship is sponsored by the Standard Oil (Indiana) Foundation, Inc., which is supported by the Standard Oil Co. of Indiana. The parent company markets its petroleum products in Texas under the American Oil Co. trade name.

MERIT scholarships are part of the Standard Oil (Indiana) Foundation's program to aid education, youth activities, public health, medicine and science.

In this year's National Merit Scholarship program, approximately 1,000 winners were named from the 710,000 high school seniors across the US who took the original qualifying test in February 1970. Almost 15,000 advanced to the semifinalist level, and about 96 percent of these became finalists, from which the 1,000 winners were chosen. The merit finalists represent about one-half of one percent of the national senior class.

MERIT Scholarship winners, according to the corporation, "are usually products of a combination of able parents, wholesome home influences, effective schooling, and other background experiences within and outside of formal schooling."

It was the second major scholastic honor within a week for Bradford. Saturday he repeated as the regional science winner in the UIL meet in Lubbock, and this weekend in Austin he will compete in the state competition. He won first place in the state in science last year as a junior.

Bradford also was an all-state post forward in basketball this year, and was named to the All-Regional Band. He is a member of the DHS Student Council and National Honor Society. He has served as president of his class, and has been chosen "Most Valuable in Class" and "All School Favorite."

IN ADDITION to his scholastic honors in science and the National Merit Program, he placed in the top five percent in the area history contest last year, and won school awards in biology, history, geometry and algebra.

FIRST CANDY-STRIPER to put in a shift at Plains Memorial Hospital was Beverly Hill, who worked after school last Wednesday in her new pink-and-white uniform. Here, Beverly receives instructions from Mrs. Kathy Lindley, R.N. The Candy Strippers are a hospital service group for teenage girls. They have already built a large membership, and will be seen regularly at the local hospital from now on.

Gibson's center moving in here

Workers erected a new front-sign and started installing fixtures Saturday for a Gibson's Discount Center in Dimmitt.

THE NEW store will be located in the building formerly occupied by Foodway Supermarket, 108 W. Jones St., in the Bearden Shopping Center.

"We hope to open within 30 days," said Delmar Watkins of Pampa, owner of the new store. Manager of the discount center will be Glenn Phelps, who is now a department manager of Gibson's Discount Center in Borger, Watkins said.

THIS WILL be Watkins' eighth Gibson's Products outlet. He also owns stores in Pampa, Borger, Dumas, Tucumcari, Hereford, Canyon and Tulia. With 8,000 sq.

ft. of floor space, the center here will rank alongside Tulia's as the smallest in the chain, he said.

The store will sell housewares, appliances, sporting goods, dry goods, non-prescription drugs and sundries, toys, electronics equipment and hardware, and also will have a grocery section.

Pony League tryouts slated

Pony League baseball tryouts will be held Saturday at 2 p.m. at the Pony League Park in Dimmitt.

PONY LEAGUE is for boys 14 and 15 years old, who will not be 16 before Aug. 1.

An editorial

We need a 'storm team'

When the Hereford tornado passed 10 miles west of Dimmitt 11 nights ago, Sheriff Jack Cartwright was tracking it.

CARTWRIGHT stayed in regular radio contact with the National Weather Service office in Amarillo, which was keeping a radar eye on the deadly storm cell.

"Do you think I should have the alarm sounded in Dimmitt?" he asked the NWS.

"No," came the reply. "You're watching the worst part of the storm cell. It's going to miss Dimmitt. But Hereford is right in the path of it."

Shortly before midnight the tornado passed over Highway 86, ripping up eight power poles. Cartwright notified the Deaf Smith County Sheriff's Office that the tornado was approaching Hereford and was dangerous. This was 45 minutes before the funnel slammed into our neighbor city, causing \$2½ million in damage and injuring 20 persons.

WHY Cartwright's warning was not relayed to the residents of Hereford remains a mystery. The siren didn't sound there, reportedly, until the tornado was practically on top of the city.

A 30 to 45-minute advance warning would have given residents there enough time to prepare themselves, and perhaps get themselves out of harm's way. That no one was killed in Hereford was one of those extremes of luck or fate that seem to accompany tornadoes.

Dimmitt was lucky—again—that this tornado missed the city. And we were fortunate that Cartwright was tracking it for us.

BUT HOW LONG will our luck hold out? Throughout our county, we are still unprepared for such an emergency—just as Hereford was unprepared.

What if this storm cell had been farther east, placing Dimmitt, Hart or Nazareth in its path? Or what if such a storm system were to drop five tornadoes into our area at the same time, as this one did near Muleshoe?

We don't have enough lawmen to watch every part of the average storm cell from which a funnel might drop.

WE NEED a storm-watch team here—perhaps chartered as a Civil Defense unit—to keep a constant vigil on such

spring storm systems, to track them methodically as they pass over our county, to maintain a county-wide radio network so any resident in danger can be alerted.

Jerry Brackett of Dimmitt, a Citizens' Band radio operator, attempted to start such a storm-watch team last November, so it could be organized and ready before the tornado season.

But Brackett's public appeal went virtually unheeded. The team has not been organized because not enough men or boys have expressed an interest in the idea.

Similarly, a Civil Defense unit was initiated here two years ago, but nothing has come of it.

Today, Brackett is making another public appeal. He has the full support of Sheriff Cartwright, who said, "We could use the help."

PERHAPS most of us have the idea that we should gather our families into basements or corners and take our chances with a tornado.

Place this idea beside Brackett's idea—that we should methodically track every dangerous storm system, night or day, and relay its position and development by radio so our families can be alerted and perhaps evacuated under a predetermined plan—and you can readily see which idea makes the most sense.

If you're willing to become part of such a storm watch team, contact Brackett at 647-2128 from 3:30 to 11:30 p.m., or the Sheriff's Office at 647-3311.

TWO YEARS AGO a tornado was born five miles southeast of Dimmitt. If it had started moving, it might have hit Nazareth.

Last year the Lazbuddie tornado roared directly toward Dimmitt, hitting several farms, then veered and passed six miles west of the city.

Eleven nights ago the Hereford tornado tore out a path 10 miles west of Dimmitt.

Are we going to keep gambling with the fickle quirks of weather forever? Or are we going to do something to outfox these deadly quirks and take some of the gamble out of them?

We have the opportunity to make our own "luck." But will we take advantage of it?

Tomorrow may be too late to decide.

Pampa Dribblers earn crown here

Pampa's All-Stars nudged Dimmitt, 42-33, Saturday night for the championship in the Little Dribblers Regional Tournament here.

BY WINNING the four-team tournament, the smooth Pampa crew earned the right to play in the National Little Dribblers Tournament in Levelland today through Saturday.

The Dimmitt All-Stars did well while competing against teams from larger cities in the regional tourney. Dimmitt defeated Hereford 34-29, in the first round, then lost a 53-39 decision to Pampa in the second round Friday.

But Dimmitt came back to take a close 42-40 win over Levelland in the semifinal round of the double elimination event Saturday afternoon.

Their victory over Levelland sent Dimmitt's All-Stars up against Pampa again in the championship game.

PAMPA'S All-Stars—built around an elementary school team that had lost only two games all year—combined a smooth pattern offense with commanding height to dominate their foes.

But in the championship bout "he smaller Dimmitt crew gave the Pampa All-Stars a run for their money before dropping the game by nine points.

Levelland was the tourney's hard-luck team, losing a 28-27 heart-breaker to Pampa in the opening round and dropping a 42-40 decision to Dimmitt in the "See **PAMPA DRIBBLERS**, P-11)

Smith is named veterans' officer

The County Commissioners Court has appointed Bedford W. Smith as the new county veterans' service officer.

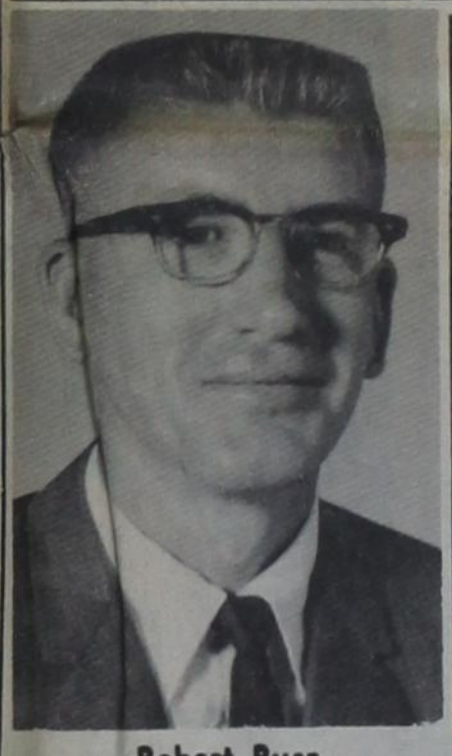

SMITH, who retired recently as minister of the First Christian Church is a veteran himself and a member of the American Legion.

He succeeds Mrs. Wanda Newberry, who resigned to take a full-time position with Western Ammonia Co.

Smith's office hours are 10 to 12 and 1 to 6 on Wednesdays and Fridays, and 10 a.m. to noon most Saturdays. At other times, for appointments or in emergencies, he can be reached at his home, 647-4368.

Smith's office is in the Castro County Library, 103 E. Bedford.

Smith attended a workshop in Lubbock recently for county veterans' service officers.

Robert Ryan

Tahoka man gets principal's post

Robert Ryan, junior high school principal at Tahoka, has been hired as the new principal of Dimmitt High School.

THE DIMMITT School Board signed a contract with Ryan at its April board meeting, and he announced his resignation at Tahoka last week.

Ryan will succeed DHS Principal Ike Moore, who recently asked for reassignment within the local school system. Moore will be the junior high school counselor here next year.

Ryan, 33, has been with the Tahoka Public Schools since 1967. He was a basketball coach and teacher one year, then became principal of Tahoka Junior High in 1968.

A NATIVE of Jones County, he graduated from Hawley High School in 1955. He attended Cisco Junior College on a basketball scholarship, earning two letters, then received a basketball scholarship to Hardin-Simmons University, where he earned two more letters. He received his bachelor's degree from H-SU in 1959.

He taught and coached at Lorraine a year, at Ira five years and at O'Donnell a year before moving to Tahoka. While at O'Donnell he worked with Supt. Charlie White, before White assumed the superintendent's post at Petersburg.

Ryan earned his master's degree in education from Sul Ross State College in 1967, and has done additional graduate work at Texas Tech.

HIS WIFE, J'Lyn, is a native of Karnay. They were married May 31, 1960, and have two children—Robin Scot, 8, and Stephanie Rene, 3. Mrs. Ryan is a business teacher, but does not plan to teach here.

"My family and I are very anxious to get moved, meet new friends and become a part of your community," Ryan said.

Let's clean up, teenager urges

The nation-wide "Earth Day" observance came and went last Wednesday, practically unnoticed in Dimmitt.

The state-wide "Trash Round-up Week" April 26-May 1 is suffering from similar apathy here.

AND THIS lack of local concern for public cleanliness bothers Debbie Waggoner, a Dimmitt teenager who would like to see local people show a little more pride in their town.

She isn't mad about it. She's just concerned—and ready to do something about it.

"The city is looking a little shaggy," she said. "There's no reason why we couldn't have our own clean-up drive here, such as others towns did on Earth Day."

DEBBIE would like to see everyone get into the act—the schools, businesses, the general public.

"We could have a poster contest in the schools to promote it, and put the posters up all over town," she said. "The newspaper could print some 'Before' pictures of places that need to be cleaned up, and then after the drive it could print some 'After' pictures."

"We could specify one day for a concentrated effort, have early

outs at school so the kids could take part, and have all the business places close early so everyone downtown could work on it.

We could fly our flags all over town that day, and have all the workers gather at the courthouse lawn for a sack lunch. Those are just a few ideas...."

FINDING a chairman for the project apparently wouldn't be any problem.

"Sure, I'd be willing to be the chairman," the ecology-minded lass said. "The main thing is to have enough people willing to work. It wouldn't have to be a chore—it could be fun if we all get together on it."

So if you're interested, give Debbie a call at 647-4474 after school hours.

"Earth Week and Earth Day are already past," she said, "but our clean-up project here wouldn't have to be part of a national drive anyway. It could be just us—after all, we have to live here...."

Sunnyside book to be published

The book, "This Land We Hold," the history of the Sunnyside community, is scheduled for public release Aug. 1.

THE BOOK was compiled by Mrs. Teeny Bowden, Sunnyside correspondent for the News. It will be 400 to 500 pages in length and will include many historical photos and maps.

Published by the Quana Press, "This Land We Hold" will sell for \$9.95 through advance orders and \$12.95 upon its release Aug. 1. Pre-publication orders are being accepted by Mrs. Teeny Bowden, Rt. 1, Dimmitt.

New HD Club organized here

The Town and Country Home Demonstration Club was organized last week. Any woman who is interested may join. The club will meet the first and third Thursday mornings each month.

OFFICERS elected were: Mrs. Patricia Powell, president; Mrs. Helen Oldham, vice-president; Mrs. Pat Forson, secretary-treasurer; and Mrs. Ann Pevehouse, Council delegate.

Other members present were Mrs. Verletta Witt, Mrs. Thelma Axe, Mrs. Mary Jo Smith and Mrs. Audrey Nelson. Mrs. Sue Tischler and Mrs. Irene Keating were visitors.

THE NEXT meeting will be May 6 at Mrs. Patricia Powell's home with Mrs. Oldham as hostess and Mrs. Witt will be in charge of the program.

Mini-Girls win tourney title

The Dimmitt Mini-Girls All-Stars rang up three lopsided victories to capture the championship of the Whiteface Mini-Girls Basketball Tournament last week.

COACHED by Bob Askey, the Dimmitt Minis outgunned Sundown, 26-12, last Thursday night, then whipped Whiteface, 29-11, in the semifinals Friday night.

In the championship game Saturday night, Dimmitt ran away from Slaton, 35-17, to capture the top trophy.

Dimmitt's first and second-round victims finished well in the eight-team tourney, with Whiteface winning the third-place game and Sundown winning the consolation title.

MINI-GIRLS Basketball is similar to the Little Dribblers boys' program for elementary school pupils. Dimmitt had a four-team league this year, and the organizers hope to have more teams next season.

Members of the Dimmitt Mini-Girls All-Stars were Laurie Langford, Anniita Parker, Beth Cleveland, Sharla Burrows, Linda Wise, Joyce Wooten, Bonnie Lee, Christy Hrabal, Melanie Nelson, Brenda Underwood and Lisa Hill.

Beauty pageant is postponed

The Castro County Jaycees have made two major changes in their annual beauty pageant.

FIRST, they have changed it from the "Miss Dimmitt Pageant" to the "Miss Castro County Pageant" to encourage more entries from Hart and Nazareth.

Second, they have postponed it until summer.

The pageant usually has been held in April or May, but due to the busy schedule of local high school girls during the next five weeks, the Jaycees voted last Thursday to postpone the pageant to allow enough rehearsal time for the girls.

Date and entry rules for the pageant will be announced later, Jaycee President Jim Ratcliff said.

15—LEGAL NOTICES

NOTICE OF HIGHWAY IMPROVEMENT
The Texas Highway Department offered an opportunity for a public hearing to be requested by publication on March 25, 1971 and April 1, 1971 of a notice reporting the proposed improvement of State Highway 194 from South Street in Dimmitt to 1.7 miles northwest of Hart. No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department at Lubbock, Texas has submitted all of the engineering data and information received in connection with the development of its project for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed project contemplates the reconstruction of the present highway to a two-lane highway with paved shoulders. This proposed reconstruction will be within the present usual 100 foot right of way of State Highway 194 except for four minor elevations that straighten offsets three of twenty five feet and one of fifty feet that presently moves out around wide right of way of the Fort Worth and Denver Railway Company. Additional right of way required at these four locations will be obtained from the Fort Worth and Denver Railway Company by Castro County.

The proposed project also contemplates the reconstruction of the State Highway 194 and U. S. Highway 385 intersection to provide for a safer flow of traffic. The north bound U. S. Highway 385 traffic to be stopped for State Highway 194 traffic.

Maps, environmental studies and all other available data concerning the development of this project may be inspected and copied at the Resident Engineer's Office, Littlefield, Texas.

Chi Psi chapter elects officers, plans new projects

By MYRT LOMAN

Hart's Chi Psi chapter of Beta Sigma Phi sorority elected new officers, heard a report on its American Cancer Society benefit movies, inducted five new members and outlined plans for future projects at a meeting last Thursday night.

THE MEETING was held in the home of Mrs. Leon Kendall, with Mrs. Tom Ed Benton as co-hostess. Mrs. J. D. Myrick, president, conducted the business meeting.

Mrs. Bob Lacy was chosen president for the coming year in the annual election of officers. Other new officers will be Mrs. Richard Franks, vice-president; Mrs. Leon Kendall, recording secretary; Mr. Bob Bowden, corresponding secretary; and Mrs. George Ed Bennett, treasurer.

Mrs. Richard Franks reported on the sorority's Cancer Drive benefit movies which have been shown the past four Saturdays in Hart. The final movie was shown last Saturday by Hart's two Beta Sigma Phi chapters. All proceeds will be given to the American Cancer Society.

Mrs. Bob Bowden reported on the Mother's Day-Founders' Day salad supper to be held May 4 at 7:30 p.m. in the First Baptist Church.

PLANS ARE underway for the Chi Psi chapter to help with the blood bank drive as a service project. Details of the project will be announced later.

Inducted into the chapter during the pledge ritual were Mrs. Max Marble, Mrs. Ted Averitt, Mrs. Mike Burnam, Mrs. Glen Gleghorn and Mrs. Barry Hughey. Mrs. Myrick gave an impres-

ive two-part program on "Connisseur" and "The Garden." Each member brought an old object or something that had a special meaning to her life. Some of the items brought were more than a century old.

KEITH LEMONS, age 17, of Coronado, is the 17-year-old son of Mr. and Mrs. Warren Lemons and a junior in Hart High School. He is vice-president of the Student Council, vice-president of the junior class, member of the Na-

tional Honor Society, member of the Fellowship of Christian Athletes, Who's Who of the junior class, participant in basketball and track, is a member of the First Baptist Church and the Youth Choir. He is sponsored by American Legion Post 311 of Hart.

ROY CORONADO, 17, is the son of Mr. and Mrs. Nabar Coronado. He is a member of the junior class, the National Honor Society, and participates in football and track.

The Hart Lions Club will sponsor Coronado to Boys State. The two alternates selected by the Hart school faculty are Steve Cox and James Taylor.

THE JERRY KITTRELL home was the scene last Thursday night for a birthday dinner for the Thomas Brooks family, the Jimmy Ray Davis family and Edna Kittrell. Thomas Brooks, Jimmy Davis and Edna Kittrell all have birthdays in April.

Following the supper Jimmy Davis and Mrs. Brooks entertained the group with music.

THE MONTHLY Cub Scout pack meeting will be held tonight (Thursday) at 7:30 in the elementary school gym.

Awards will be presented to the Cubs and the second Pinewood Derby will highlight the evening. All parents and interested persons are invited.

KATHY CRAWFORD and Cindy Dyer won blue ribbons in the district girls' track meet last week as Hart High School girls placed in 14 events.

Miss Crawford was the district champion in the 220-yard dash and Miss Dyer won the 80-yard hurdles.

Other district placers for Hart were: 440-yard relay — Hart third. (Becky King, Debbie Hardy, Cindy Dyer, Kathy Crawford).

880-yard relay — Hart second. (Becky King, Debbie Hardy, Cindy Dyer, Kathy Crawford).

High jump — Kathy Crawford, tie for second.

Triple jump — Kathy Crawford, fourth; Becky King, sixth.

Long jump — Becky King, second.

60-yard dash — Becky King, third.

100-yard dash — Debbie Hardy, sixth.

Shot put — Betty Follis, fifth.

440-yard dash — Roni Cox, fourth.

80-yard hurdles — Roni Cox, sixth.

IN THE junior high school district track meet the same day, Dana McLain placed second in the 60-yard dash and fourth in the 100-yard dash, Mary Lou Mancias placed fourth in the discus throw and Dee Ann Bailey placed fifth in the broad jump. The 440-yard relay team of Terri King, Dana McLain, Dee Ann Bailey and Carla Rambo placed fourth.

day at the First United Methodist Christian Service met last Thursday at the First United Methodist Church.

Plans were completed for the annual breakfast to be given Friday for the members of the Hart senior class at the church.

Mrs. Leonard Griswold presented the devotional and led the discussion of the first three chapters of the study book, "The Land, Culture and Church in the Americas."

Participating on the program were Mmes. T. H. Taylor, Leonard Griswold, Hubert Maples, W. T. Crick and Mabel Avens.

GIRLS IN Action met in the First Baptist Church last Wednesday after school.

Mrs. Lowell Richburg, leader, told the story of the Resurrection. Afterward, the girls worked on their individual work books.

Mrs. Preston Upshaw served refreshments to 18 members and two guests, Rent Upshaw and Brenda Barham.

All junior girls are invited to attend each Wednesday meeting at the church for Bible lesson and fellowship.

FOLLOWING a week's vacation, Cub Scouts met last week in their regular den meetings.

Den 1 met Tuesday after school in the home of Mrs. Leonard Griswold, den coach, assisted by Mrs. Mary Ponce and Mrs. Ismael Isquique.

The boys made cards and jewel boxes to give their mothers on May 9 for Mother's Day gifts.

Highlight of the meeting was an observance of the 10th birthday of Russell Davis, who received his Scout handbook and was promoted to the Webelo Den.

Den 2 met Wednesday at the bank building with Mrs. Glen Gleghorn, den mother, assisted by Mrs. Griswold.

The group were guests at the farm home of Mr. and Mrs. Percy Hart, who assisted with the study of "American Heritage."

The Hart home is the homestead of his parents, for whom the town was named.

Den 3 met at the Wozencraft Insurance Agency Wednesday after school with Mrs. Lyndall Warren, den mother, in charge.

The boys worked on their Mother's Day gifts and practiced on a skit to be presented at the April pack meeting.

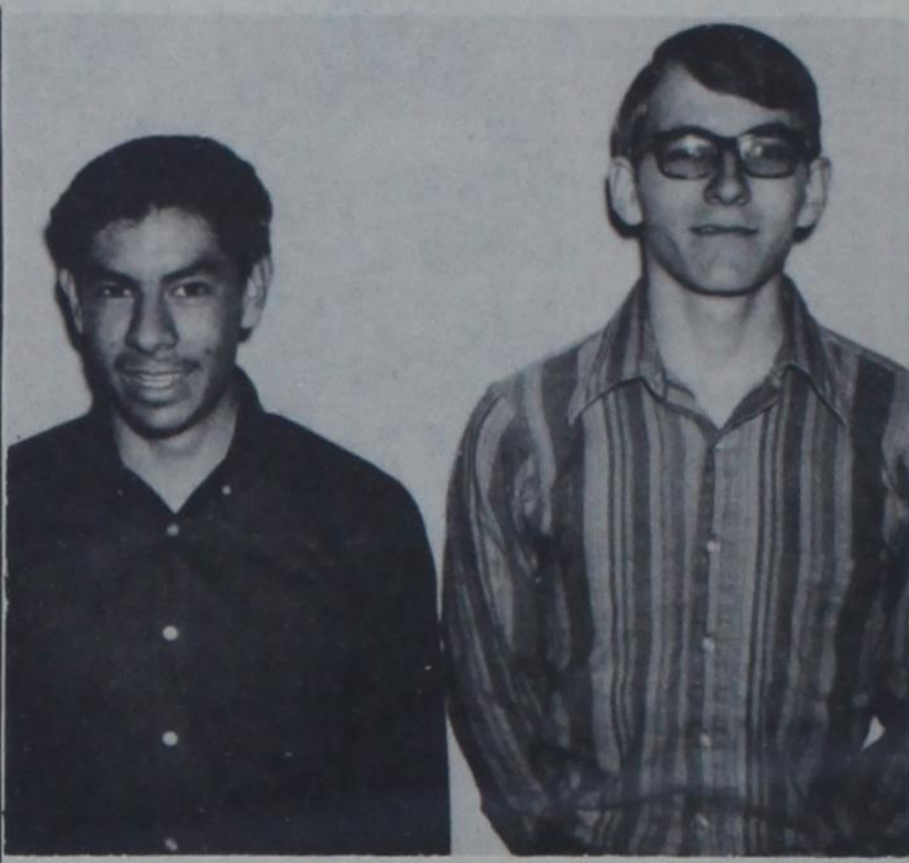

The Webelo Den met Thursday after school at the home of Bill Shelby, leader, with Mrs. Griswold assisting.

The boys completed painting their handmade bookcases, their April project.

CHESTER BORDERS, 52, a widely known South Plains educator, died last Wednesday morning in a Levelland hospital following an illness of two months.

He was the brother of Mrs. Myrtle Lee of Hart.

Services were at 2 p.m. Friday in the Cactus Drive Church of Christ in Levelland with Bob Reynolds, minister, officiating. Burial was in Resthaven Memorial Park in Lubbock.

Financial Facts

By Willis A. Hawkins, Jr.

Did you know an 1804 silver dollar can buy you three new automobiles?

Most dollars are deflating today, but not this one! The 1804 silver dollar is one of the most publicized, most valuable, and most nebulous rarities in the United States series.

There are only 15 of these dollars known to be in existence. Eight of them are known as "originals" but are commonly believed to be specimens minted in 1834 and 1835. The other seven are restrikes, probably minted in 1859.

Regarding the origin, date of issue and authenticity of any 1804 dollar, opinion is very much divided.

It's recorded that 19,370 silver dollars were minted in 1804, but not that they were dated for that

year. The coins were probably all dated for 1803 because of a practice utilized then.

New laws about credit ratings, credit cards protect consumers

Two new consumer protection laws have recently been passed by Congress, effective April 25, reports Mrs. Doris Myers, Extension specialist in home management at Texas A&M University.

ONE NEW law states that an individual will not be liable for any loss from unauthorized use of his credit card after he has reported its disappearance to the issuer. The other law, titled the "Fair Credit Reporting Act," gives consumers some rights against the use of erroneous data in the files of credit bureaus.

According to the law affecting lost credit cards, an individual may report the loss by telephone or by letter to the issuer. Most companies will cancel use of the card once they have been notified. If the notice is by letter, cancellation is effective the day the letter is postmarked. For losses occurring before notification, liability is limited to \$50.

The \$50 liability applies separately to each card that is lost. So, if a billfold or purse containing five credit cards is misplaced, the potential maximum liability is a total of \$250. If a husband and wife lose their cards on a joint account, however, the total liability is limited to \$50.

THE NEW law also prohibits banks and other firms from mailing out unrequired credit cards. Companies must inform the user of his rights and potential liabilities, plus they must assume the legal burden of paying for liabilities the card holder may suffer.

The Fair Credit Reporting Act, the second new law protecting consumers, generally forbids bureaus to send out adverse information that is more than seven years old. The exceptions include

bankruptcy, which may be reported up to 14 years; and information in reports on those applying for a loan or life insurance policy of \$50,000 or more, and those applying for a job with an annual salary of \$20,000 or more, both situations having no time limit.

Once informed that a credit bureau has hampered your credit, insurance or employment status, you have the right to obtain from that bureau all information in your file. The exception is medical information.

IF THE file contains false, incomplete or inaccurate information about you, the material may be re-investigated by the credit bureau, and the findings sent at your request to all who have received your report within the past six months or within the last two years, if the file was sent for employment purposes.

If the credit bureau's investigation doesn't settle the dispute, you are entitled to insert a personal statement of 100 words in your file. Your side of the story, then, will be included in any future report, and it also may be sent to those who have already received the disputed information.

House gets bill on 'Clean Water'

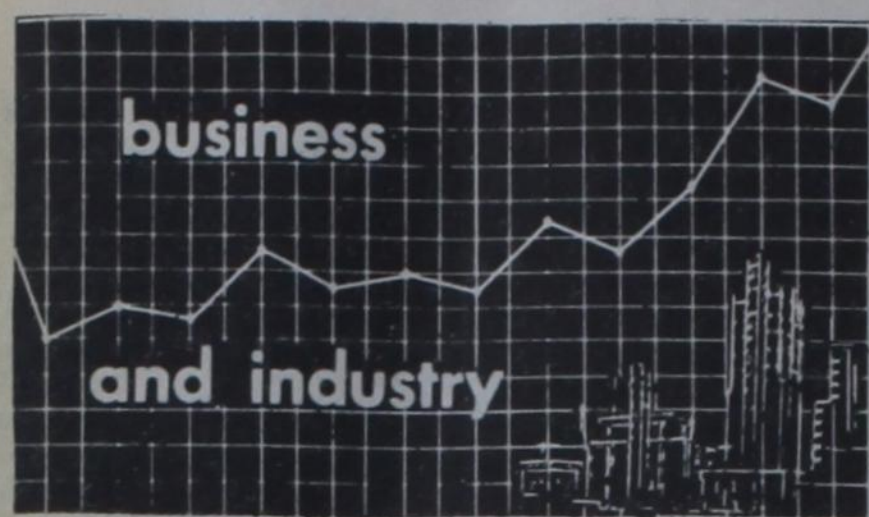

State Representative Bill Clayton has announced that the enabling legislation for Constitutional Amendment 4, the "Clean Water Amendment," was passed out of committee last Thursday morning, and would be ready for floor debate probably this week.

THE enabling legislation specifies that money from the proposed \$100 million bond issue, if passed by the voters May 18, would be used only for municipal waste water treatment facility construction. It would be a loan from the state for 25 percent of the total cost of the project, to be repaid with interest. This would provide for an increased level of federal funding from the present 30 to 55 percent of the total cost, which is a direct grant.

THE IDEAL SITUATION

is to get a credit bureau report before granting credit. But, when you are troubled with an unpaid account, the collection service of your credit bureau can help you.

Safety seminar slated for area

A two-day safety conference called "Safer '70's Seminar" has been announced by Max Comer, president of the Panhandle chapter of the American Society of Safety Engineers.

THE SEMINAR will be held Wednesday and Thursday, May 12 and 13, at the Holiday Inn West in Amarillo.

The seminar, open to the public, is designed to bring the latest accident prevention techniques and legal aspects of safety into perspective. A diversified program will cover facets of safety specifically fitting to any small business, the manufacturing industry, the transportation field and anyone or business concerned with employee accident prevention, insurance and the legal consequences of employee injury.

Conference topics will include "Attaining and Maintaining Enthusiasm for Safety," "Industrial Security and Its Relationship to Local Law Enforcement," "The Loss Control Triangle: Industry, Insurance Broker, Insurance Company," "Preventing Accidents Through Prediction and Analysis," "The Economics of Safety," "Traffic, What Are You Doing About It?," "Narcotics in Industry," "Federal Qualification Regulations for Motor Carrier Safety," "Construction Safety and Its Relationship with Operating Industry," "Safety for Hospitals," and "Accident Investigation Prior to Pre-Hearing and Trial."

Registration for the entire conference is \$23, with partial registrations available on request.

It's **PIONEER** again this year.

Here's why:

ALLEN WEBB, Dimmitt, produced 7,767 pounds of grain sorghum per acre last year from 73 acres of late-planted Pioneer brand 820. Even though his 820 was planted after wheat, May 25, Mr. Webb said it outperformed many varieties planted much earlier. Mr. Webb also produced an outstanding crop of corn last year, reporting 178 bushels per acre from 162 acres of Pioneer brand 3306. Naturally we are pleased that good farmers like Allen Webb plant more and more Pioneer hybrids.

Letter to the Editor Wadley's critics 'strain at gnat'

Dear Editor:
Re: The letter by Pastor Bill Wadley (April 15 issue):
THE PASTOR who reprimanded Bro. Wadley seems to me to be "straining at a gnat" with a little nitpicking on the side. I agree with Bro. Wadley that pastors should not be selective in their visitation of the sick...
What of the times when our own pastor is out of town, etc.? When our son was in the hospital, we would have appreciated a visit by any pastor, and received none, so why knock the fellow who tries?
MRS. C. B. LUNSFORD

ENTRY FEE will be \$5.00 a team; fifted according to handicap; with gift certificates for prizes.

SIX MEMBERS of the L.G.A. journeyed to Olton Thursday to play in the regular Hi Plains Play Day with Polly Holland taking Low Putt honors with 34 in the Second Flight. Bernice Hill carded a 49-51 in the Third Flight for Low Gross and Low Putts with 29.

Other linksters included Amy Glover, Bobby Vilas, Kathy Thomas, and Ole Mae Trimble. The next scheduled Hi Plains tournament is centered in Muleshoe on May 11th.

Three from here earn SPC degrees

David A. Bellinghausen, Michael Shaw Boothe and Bertha Mae Howell of Dimmitt will receive associate degrees at the South Plains College graduation exercises May 14.

THE PROGRAM will begin at 10 a.m. in the Texas Dome at Levelland, and is open to the public. A total of 283 will receive degrees or certificates during the graduation exercises.

HP Foundation elects officers

Officers of the High Plains Research Foundation at Halfway were re-elected in the annual spring meeting of the board of trustees recently in Plainview.

HAROLD HINN of Dallas and Plainview is chairman of the board and Frank Moore, Plainview farmer, is president. Other officers include Virgil Patterson of Amarillo, vice-chairman; R. G. Peeler of Hereford, Edward Quebe of Lockney and Steve Taylor of Amarillo, vice-presidents; and Graddy Tunnell of Plainview, secretary-treasurer.

New trustees added to the board were Paul Stuke of Plainview, Gaylord Groce and Ralph Mabey of Petersburg; Larry Witten of Olton; D. L. Miller of Floydada and Paul Engler of Amarillo.

Appointed to honorary life trusteeships were S. S. Forrest Jr. of Lubbock, Guy Victory of Lubbock, Orville Nash of Guyton, F. O. Masten of Sudan and Dalmer Norton of Hereford.

Trustees attending the meeting heard staff reports on the 1970 research program and an outline of research areas for the coming year. The 1971 research program was reviewed by the special commodity guidance committees which were established to set guide lines for all research conducted by the foundation staff.

Nine go to KC gathering

By Mrs. Florence Albracht

The Fourth Degree Knights of Columbus held a district exemplification of degrees in Lubbock, which began on Saturday evening, April 24 at the Holiday Inn. Sunday at 12 o'clock mass was celebrated by Rev. Bishop De Falco in Christ the King Church, followed by the exemplification of degrees at the high school gymnasium. Buffet dinner was served at the Holiday Inn for members and wives at 6 p.m. Forty candidates from the Panhandle became members.

From here Albert Hartman, Robert Huseman and Charles Heck were among the candidates. Attending from here besides these were Mrs. Robert Huseman, Mrs. Charles Heck, Mr. and Mrs. John Schacher and Mr. and Mrs. Florence Albracht.

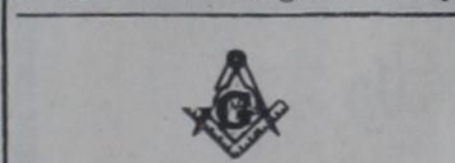

AFTER spending several weeks in Amarillo with her son and family, the Math Albrachts, Mrs. Anna Albracht is in town staying with her daughter and son-in-law, the Greg Hoeltings.

On Sunday May 2 at the 10 o'clock mass about 140 school children and adults will be confirmed by Rev. Bishop De Falco in Holy Family Church.

Mr. and Mrs. Lefty Juliska from Indiana visited Mrs. Lizzie Birkenfeld and family over the weekend.

Mr. and Mrs. Howard Schulte and family are moving to San Antonio, where he will be employed.

MR. AND MRS. Lawrence Acker celebrated their Silver Wedding Anniversary with mass celebrated by the pastor Father Stanley for their intention on Friday evening in Holy Family Church. Also a reception was held in the community hall on Sunday evening for their family, relatives, an friends. Their daughter Shirley

Art students molding heads

"Heads" are the thing you see most in the Art Room this week. THE ART students are banging, pounding and pushing on 350 pounds of clay. Each student has 12 1/2 pounds of clay of his own. They are now working on human heads, necks and shoulders.

Mrs. Broderson stated, "The clay work is three-dimensional; it gives the student a chance to really look at people. It also gives the student a chance to see that everyone is a little different."

Next the Art students will be working on full figures of humans or animals. Some will also work with small pottery.

THE CLAY is self drying because the Art Room is not equipped with a kiln, which is an oven for cooking and drying glazed clay.

"Most students seem to enjoy working with clay very much," Mrs. Broderson said.

NATION'S BIGGEST INDUSTRY

Farming employs 4.6 million workers—as many as the combined employment in transportation, steel industry and the automobile industry. Agriculture's assets total \$307 billion, equal to about two-thirds of the value of capital assets of all corporations in the US, or about half the market value of all corporation stocks on the New York Stock Exchange. The value of agriculture's production assets represents about \$50,000 for each farm employee, says the US Department of Agriculture.

SOMETHING TO THINK ABOUT
 The average family of four eats 2 1/2 tons of food per year. It breaks down about this way, 1,000 pounds of meat, fish and poultry; 1,500 pounds of dairy products; more than 1,000 pounds of fruits and vegetables and over 1,500 pounds of flour and cereal products, sugar, potatoes, fats, oils and eggs. Each million people we add to our population requires another 172,000 beef cattle; 25,400 dairy cattle; 433,000 hogs and 1.3 million hens at today's food consumption rates.

CRAFT DISPLAY — Members of the art class were responsible for this display. The art work, presented during the recent district one-act play contest at DHS, featured paintings, craftwork and other objects of art assembled in Mrs. Broderson's art class.

Campus chatter

By PAT BARRIOS and Diane Garcia

Hi, out there people! Here is the authentic campus chatter from the halls of DHS and around the town.

GUESS that the big news of the week was, of course, the Athletic Banquet. I think that everybody enjoyed the banquet. I certainly did, golly Randy Matson is big!

Congratulations to all the MVP winners: Richard Davila in track, LeAnn Merritt in girls' basketball, Kent Bradford in boys' basketball and Mark Wohlgermuth in football. Also, congratulations to Ann Lust, our lovely Football and Basketball Queen.

Last week we ran a survey to determine how many readers we had. Seems like most everybody likes this column (yee!)

A LOT of people thought that there was too much Spanish stuff in our page. Well, the reason is that 33 percent of the students in this school are Spanish. About one-third of the paper has to do with Chicanos.

There are some people who are complaining about the freshmen not getting anything written about them. Here is the reason for that. Who wants to write about slimy fish anyway?

The "D" Club would like to say "welcome" to its rookie members.

JIM PATTON cut off the top of his combat boots for summer. Some people buy summer shoes. Patton just modifies his.

Eddie Harris and Dae Ann McGowan are still at it. Oh, what a life.

Say, Kenny Ringo, who was it who gave you that red spot on the neck? You wouldn't have anything to do with it, would you Brenda Seely?

Another complaint we had, was that we write about the same people all the time. It is because they are the ones who do something worth writing about. Make news and it will be written about.

GOOD LUCK to our Bobcat Band, which will be competing at Corpus Christi. Hope everyone has fun.

We certainly hope that Mr. Moore recuperates from his illness.

Welcome back to school, Jimmy Jobe. That's the way to stay in there.

WE NOTICED that Pat Barrios had new brown go-go boots on Wednesday. Susie Reyes seems to have black and white polka-dotted shoes.

Araseli Gamez, did you enjoy talking about one certain sophomore: Did you know that the new Farnabbs Collins is Frank Iodriquez?

Lino Perez, why were you calling Margaret Abrego Saturday night? Too bad, Margaret said no. Who was that person behind you, Margaret?

Janie Garcia has been doing plenty of celebrating for graduation night. Isn't it kind of early to start?

WE WONDER who Frank Crespin's secret admirer is. It seems that she hasn't learned how to write yet. Next time, please sign your name on your letter, okay?

Juanita Huerta and JoAnn Garcia decided that Diana's book should be put elsewhere besides the bathroom. Where did you happen to put it, JoAnn? It wasn't trash!

Bertha Davila and Diana, did you finally get all that ink off?

We hear Junior Gauna loves to dance, he even dances alone if he has to!

Mary Gauna, that's too bad the "R" turned out to be an "H."

Counselor's Corner

By KEN RINGO

Some of the seniors are still dragging their feet on enrolling in a college or vocational school.

A college recently sent me this list of disadvantages of late enrollment:

1. OPPORTUNITY for academic counseling or adequate advisement very limited.
2. Opportunity to become familiar with the campus very limited.
3. Anxiety over meeting admission requirements increased.
4. Campus housing reservations are seriously jeopardized.
5. Almost eliminates the possibility for financial aid, student employment, scholarships, etc.
6. LACK OF preparation for freshman orientation program renders campus program relatively ineffective for the student.
7. Communication with unprepared students by University staff is seriously hindered by student's ignorance of college catalog.
8. Enrollment time is expanded from the usual 15 to 25 minutes to one to three hours.
9. LATE applicant generally does not complete enrollment process on time and is required to pay late registration fee.
10. Late registrants are severely hindered in their opportunities to correct registration errors and make class schedule changes.
11. Permitting registration before admission requirements are met always results in a few students being withdrawn from the University, without refund, for failure to meet admission requirements.
12. THE STUDENT comes to feel that almost every representative of the University has the answer "No" waiting for any question that he asks at a time when he is desperate for the answer "Yes," or other constructive answers to his questions.

SHAPING UP—Don Hrabal hasn't quite finished rebuilding his '52 Studebaker, but progress is evident. Hrabal, a DHS senior, is rebuilding the sedan in farm machinery class. He hasn't decided whether to sell the car or use it while in college.

New law allows hunting from car on private land

Gov. Preston Smith has signed geese and doves are under the wing of game animals and non-migratory game from automobiles, and removing the American bison or buffalo from the list of game animals.

HOUSE BILL 377 permits hunting of game animals and birds from automobiles within the boundaries of private property by persons legally on the property. This bill excludes hunting from, or shooting across, public roads and rights-of-way. It also does not exempt the hunter from the requirement that he hold a valid state hunting license, whether on private property or not, according to Texas Parks and Wildlife Department officials.

Migratory birds such as ducks, geese and doves are under the regulation of federal as well as state laws, officials point out, and currently it is illegal to take any migratory species from a motor vehicle.

THE OTHER bill, HB 381, deletes the American bison or buffalo from the list of animals defined by state law as game animals. This resulted from the contention that the buffalo no longer is hunted as a wild game animal and is raised by landowners more as a domestic animal or

Spanish Club to sponsor party

The Spanish Club under the direction of Mrs. June Parker will sponsor a skating party today. (Thursday) April 29, at 7 p.m. The party is for the members and their guests.

THE PARTY will be held at the Hereford skating rink to celebrate the end of school.

The party will be paid for by the money earned from the club candy sale. The club made \$150 profit from this candy sale. The rest of the candy will be sold before the skating party.

livestock.

The department formerly issued permits to landowners to allow them to kill buffaloes which they had to declare as "surplus" animals. This legislation will relieve the department of this licensing role.

Rotary sponsors teacher banquet

Dimmitt's Rotary Club sponsored its annual Teachers Appreciation Banquet April 20 at 7:30 in South Grade Cafeteria. All teachers in the Dimmitt school system were invited.

THE PROGRAM included the Dimmitt High School Choir, Dr. Charles Vandiver, soloist, and group singing. A debate was given on ecology by Lonnie Marley and Clyde Dameron. All teachers felt it was very enjoyable.

Ewell Kelly stated, "The choir was the best part of the program." Mrs. Alexander stated, "The group singing was the best part."

A very fine crowd attended the banquet.

DHS boys capture four plaques at WTSU industrial arts fair

Dimmitt High School boys captured four first-place plaques in woodworking and power mechanics at the West Texas State University Industrial Arts Student Fair in Canyon Friday and Saturday.

THE 'BLUE MAX,' a 1965 Army Jeep remodeled by the school's Industrial Arts Club, won the top award in the fair's open class—a first-place plaque in division. IA Club members rebuilt the vehicle, giving it a Chevrolet 283 engine with a three-speed overdrive transmission, as their group project.

Larry Moore swept the first-place awards in his level, area and division with his power mechanics exhibit, an engine overhaul.

Kirk Hansen was the top scorer in the region on the written exam in power mechanics. He also won second place at his level with his power project.

IN THE woodworking competition, Eddy Harris swept first place in level, area and division with his cedar chest with upholstered top.

Industrial arts students competed in woodworking, power mechanics and drafting. They competed first in their own levels, then first-place level winners advanced to area competition. First-place area winners then competed at the division level.

Dimmitt boys competing in the fair are students of G. L. DuBose and Marvin Cepica.

OTHER D.H.S. boys who placed in the fair were:

Terry Robertson — First in level.

Holly scientists start program to stem the sugar loss in beets

Holly Sugar Corp. agriculturists will take on the added role of sleuths this year to stem the loss of sugar in beets.

IN RECENT years, Holly Sugar has noted the decline of sugar content in beets grown over its far-flung district in the West — from Texas to California — and a rise in impurities, especially of nitrates.

Zealous application of nitrogen-rich fertilizer by growers may be a reason but other factors might also be culprits.

So, a program of quality control, which actually is improved sugar content, is being instituted in the Hereford area.

Dr. D. D. Dickenson, director of agricultural research for Holly, met and discussed the problem recently with the agricultural staff of the Hereford district.

NOW PROMOTED to the top post in the company's agricultural research arm, Dickenson is contending with the quality problem and directing the sleuthing program. Dickenson explained that the sugarbeet is a biennial plant. In its first year, its energy is expended in root production — "chockful of goodies for the production of a seed crop the second season" is the way he puts it.

But, for extracting sugar, the beet's life cycle is interrupted by harvesting at the end of its first year.

Before harvest, the most important step is to sugar up, or ripen, the beet. Growers "must slow the growth processes so that the sugar produced in the leaves goes into storage in the root rather than for growth," he said.

THIS IS accomplished by three influences which can be exerted by the grower.

A drying condition is required, and a grower can help by not irrigating later than a month before harvest. Rains at harvest, however, can revive growth.

Sugaring up also is improved by cutting down on available nitrogen six weeks before harvest. Since various nitrogen compounds break down into nitrates at varying rates, the last fertilizer application might have to be four to five months before harvest.

NITRATES are a vital element in the growth of beets — at the proper time and in the proper amounts. The trouble comes when efforts are being made to get the beet to store sugar, close to harvest, rather than continue growth.

Finally, cool nighttime temperatures and bright days are important, Dickenson explained that cool temperatures mean sugar is stored and not used at night.

Growers have no control over rains at harvest or cool night, but can exert an influence on irrigation water and nitrogen, according to Dr. Dickenson.

PRIMARY sources for nitrates are fertilizer, the amount of nitrogen in the soil when the beet is planted, and decomposition of crop residue.

Because nitrogen is vital for root growth, a total of ten pounds of available nitrates per ton of beets is recommended. And that's the rub, he stressed.

Many growers do not know the amount of nitrates available in the soil when they plant their seeds or what nitrogen will be released by crop residue.

WITHOUT taking these other sources into account, the grower applying the 10-pound rate by fertilizer might actually be feeding his beets two or three times as much nitrogen as is needed.

Dickenson explained the three programs designed by Holly to actually determine the nitrate status of (1) 1971 Hereford area sugarbeet fields, (2) the beets growing on these fields this year and (3) the beets that will be harvested this fall from these fields.

Already this past winter, fields on which sugarbeets are now being planted in the Hereford area were sampled to find out what amounts of nitrate-nitrogen were being "carried over" from previous years' fertilization and cropping.

RESULTS just completed indicated that 40 percent of the fields sampled had 240 pounds or more of available nitrate. This quantity is ample for a 24-ton crop of beets — without any additional nitrogen being added from either fertilizer or crop residues.

The second part of the program will be to follow the nutritional status of the beets as they grow during the season. This is done by analyzing the petiole (the stem on which the beet leaf grows) of the beet plant for nitrate-nitrogen several times during the season.

Using this technique, the actual amount of nitrogen in the growing plant can be followed. From past experience, it has been found that the best sugar is obtained when the amount of nitrate falls to a low level four to six weeks before harvest.

THE investigative activity will continue this fall when beets are harvested. Agriculturists in the Hereford area were recently apprised of what the problem is and what to be looking for.

According to Dickenson, every sugar sample going through the laboratory will be tested for nitrates this fall. This will show how extensive the problem is and how many fields produced

CONFRONTATION—Dimmitt's Brad Glenn drives for the basket as two tall Pampa players try to head him off in Friday night's second-round winners' game of the Little Dribblers Regional Tournament here. Glenn paced the scoring for Dimmitt, but the Pampa All-Stars combined height with a pattern offense to take a 53-39 victory.

Lee St. Baptist to hold revival

An "old-time revival meeting with an old-time gospel preacher" is slated at the Lee Street Baptist Church in Dimmitt beginning Sunday and continuing through Friday night, May 7.

REV. Ira Harrison will do the preaching and Gene Jones will lead the singing.

Rev. Harrison is an old-timer in the West Texas area, having pastored for many years in the area, and was manager of the Baptist Bookstore in Lubbock for a number of years. Now a resident of Abilene, he is currently the interim pastor of the First Baptist Church in Groom.

Jones is a senior at Wayland Baptist College, Plainview, and is music and youth leader at the Lee Street church.

SERVICES will be each day at 12 noon—with a luncheon served at the church—and at 8 each evening.

All services are open to the public, according to Rev. Bill Wadley, pastor.

Girls' softball action to start

The new Dimmitt Girls' Softball League will begin action Wednesday, with six teams competing.

THREE games are on tap each Wednesday evening through June 2 at the Little League and Pony League baseball park.

In the first night's action Wednesday, the Purples will meet the Greens at 5 p.m. at Little League Park, the Reds will play the Maroons at the same time at Pony League Park, and the Blues will play the Whites at 6 at the Little League Park.

TEAMS and coaches are:

Purples — Clara Goldsmith and Yvonne Hufines, coaches, and D'wan Goldsmith, assistant.

Greens — Shirley Pope and Bill Behrends, coaches, and Wanda Derrick, assistant.

Blues — Dee Yates and Ann Turpin.

Whites — Joe Bert Andrews and Hazel Nelson.

Reds — D. H. "Molly" Malone and Darlene Wooten.

Maroons — Elen Hrabal and Neil Hrabal.

TEXAS civil injuries in damages suits will be able to return verdicts by 10-to-2 (rather than unanimous) votes under a new law passed, despite a filibuster in the Senate.

Hart Boy Scout earns Eagle rank

Mike Cox, 14-year-old son of Mr. and Mrs. Claude Cox of Hart, officially became an Eagle Scout Sunday.

A MEMBER of Hart Boy Scout Troop 246, Mike was one of six boys from the Haynes District to be awarded the highest rank attainable in Boy Scouts at ceremonies Sunday afternoon in Lubbock.

The semi-annual Eagle Scout Court of Honor was conducted in the First United Methodist Church of Lubbock, with approximately 450 Scouts and their parents from throughout the region attending.

Mike has worked 2½ years toward his Eagle Scout rank, but is younger than most boys who attain the top rank in Scouting.

HE IS an eighth grader in Hart Junior High and participates in football, basketball and track. His main hobby, besides his Scouting activities, is building model trains.

He is the grandson of Mrs. T. B. Cox of Hart and Mr. and Mrs. A. W. Fish of Plainview.

DHS girl places in history event

Doris Elaine Strother, daughter of Mr. and Mrs. Raleigh Strother of Dimmitt, placed in the top five percent in Class 1 Tuesday in the 13th annual West Texas State University History Contest. She will receive a gold medal.

215 STUDENTS representing 23 Panhandle schools participated.

Miss Strother competed in the US History contest in a four-hour exam composed of an objective test and essay, and was the only one from Dimmitt to place.

Letter to the Editor

A fable: Consider 'Mr. Novice'

Dear Editor:

Once upon a time in the Land of Knowledge, there was a being called a youth. Because he thought that he had all intelligence and knew all things, he objected to the terms "teenager" and "youth," so for want of a better term, let's call him Mr. Novice.

MR. NOVICE had been deprived of the advantages of the satisfaction of true work because of the labor laws in the Land of Knowledge. However, he understood all things because school books had so much more volume of theory than his parents had had advantage to gain. He had been taught a different kind of math, and science pertaining to space, so he knew all things.

Mr. Novice felt that he was very different, so he knew that he must dress and look different. What should Mr. Novice do about this? He decided he would let his hair grow to his shoulders (or maybe a little less) and let his beard grow to a very bushy length. By this, Mr. Novice knew that he would be very different, to the extent that for the first time in history the Establishment, as he called the "fuddy-duddies," would have to look him right in the face to determine his sex.

In addition to this, he also decided to wear very psychedelic clothing, and, too, he would decorate himself with beads and very attractive trinkets.

NOW HE was very different!—to the very extent that other young people copied his mode of dress and looked just like him. They therefore dropped the E in Mode and became "Modes" in a very short time.

Mr. Novice knew that the fuddy-duddies had been very, very permissive in his discipline as he has grown to be the being of all understanding. He also knew that they had repeated from time to time that he had learned extensively from TV. Therefore, Mr. Novice knew that he had all understanding, even from childhood.

There was in the Land of Force a government that did not value the worth of the knowing individual as the government in the Land of Knowledge did.

Mr. Novice knew that his own government, ruled by the fuddy-duddies, had gotten involved in a police action-type of war with the Republic of Power. He also knew that he wanted no part of this war, because in his superb intellect he wanted his own way

Young Farmers honor Quinby

John Quinby, advisor to the Dimmitt Young Farmers chapter for the past five years, has been named the "Young Farmer of the Month" for April.

QUINBY, a vocational agriculture teacher in Dimmitt High School, was cited for his work as a chapter advisor, helping the Young Farmers plan their programs and chapter activities. The school's vo-ag department provides the meeting place for the Young Farmers.

The Young Farmer of the Month teaches Vocational Agriculture I, II and III, plus Cooperative Training in Vocational Agriculture.

A native of Chillicothe, he attended Tarleton State College, then received his bachelor's degree in agriculture education from Texas Tech in 1962. He taught in Lueders four years before coming to Dimmitt in 1966.

In addition to being a Young Farmer, Quinby is a member of the Castro County Jaycees, Presbyterian Church, Vocational Agriculture Teachers' Association, Texas State Teachers Association and the Classroom Teachers Association.

HIS FAMILY includes his wife, Barbara, and two children—Roy, 8, and Allyson, 6. Mrs. Quinby is a teacher's aide in South Elementary School. The Quinbys live at 612 W. Andrews St.

Hart boys finish citywide cleanup

Twelve Hart Cub Scouts and Webelos observed "Earth Day" by finishing their city cleanup project.

THE BOYS started their citywide cleanup of streets and vacant lots in February, but bad weather prevented them from finishing until Saturday.

In appreciation for the boys' work, the Hart City Council presented them a check for \$35.

Taking part in the project were Keith Newsum, Russell Davis, Leon and Luther Isaguirre, Arno Gonzales and Ronaldo Longoria of Den 1, Scott Jones of Den 2, Marlin Marble and Russell Cleaver of Den 3, and Larry Marble, Robert Lacy and Kelley Jones of the Webelo Den.

MRS. GARLAND LYNN JARVIS
... The former Maralyn Ruth Lewis of Muleshoe

Mr., Mrs. Jarvis at home in Lubbock

Mr. and Mrs. Garland Lynn Jarvis are now at home at 1913 Ave. O, Apt. B, Lubbock, following their April 14 wedding.

THE BRIDE is the former Maralyn Ruth Lewis, daughter of Mr. and Mrs. F. P. Lewis of Muleshoe. The groom is the son of Mr. and Mrs. A. G. Jarvis of Dimmitt.

Miss Shugart

May 21 date set

Mr. and Mrs. Floyd A. Shugart announce the engagement and approaching marriage of their daughter, Treva Lois, to Franklin Earl Smith, son of Mr. and Mrs. Troy Smith of Plainview.

WEDDING vows will be exchanged in the Northside Baptist Church of Dimmitt at 7:30 p.m. Friday, May 21, with friends and relatives of the couple invited.

Miss Shugart is a student in Dimmitt High School. Smith attended Plainview Public Schools and is now employed by Kruse and Reed Welding in Plainview.

Eight Pink Ladies cited for service

Eight members of the Plains Memorial Hospital Auxiliary were honored for 100 or more hours of service when the organization held its annual installation of officers recently.

MRS. SARAH HILL presented 100-hour pins to Mrs. Joe Butler, Mrs. Glenda Simms, Mrs. Reba Touchstone, Mrs. Reta Welch and Mrs. Grace Wright.

Receiving 200-hour bars were Mrs. Gail Bruegel, Mrs. Sue Miller and Mrs. Jeanne Miller.

On the Go

VISITING with Mrs. George Bradford Monday were Mrs. C. B. Roberts and her daughter, Mrs. Milligan, of Amarillo. They went to Hereford together to visit friends whose home was destroyed by the recent tornado.

They exchanged wedding vows in a double-ring evening ceremony in the Broadway Church of Christ Chapel in Lubbock. Bill Looney, minister of the Happy Church of Christ, officiated.

Attending the bride as matron of honor was her sister, Mrs. Mike Clumpitt of Denver City. Bridesmaids were Debbie McCarty of Houston, niece of the groom; Melinda Mims and Gail Williams of Lubbock; and Pat Chewning of Roswell, N.M.

SERVING as best man was Terry Looney of Happy. Candlelighters and ushers were Scott Hoover of Lubbock and Bill Knox of Denver City.

Debbie Clumpitt of Denver City, niece of the bride, was the flower girl. Ring bearer was Gary Don Lewis of Odessa, nephew of the bride.

Vocalists were Molly Puckett of Lubbock, Doreen Hutton of El Paso, Beth Peel of Post, Arlie Eiche of Snyder, Ben King of Lockney and Terry Looney of Happy. They sang "Twelfth of Never," "More," "One Hand, One Heart," "The Lord's Prayer" and "Whither Thou Goest." Also, the bridegroom sang "Come, Share My Life."

GIVEN IN marriage by her father, the bride wore a full length gown of Chantilly lace over satin, featuring a high roll collar, Empire waistline and long bishop sleeves of English illusion, cuffed with lace over satin. The gown was complemented by a cathedral length train. Secured by a headpiece of seed pearls and lace, the bride's tiered veil was also of English illusion and was tapered to fingertip length in back and completely edged in lace.

The bride carried a cascade bouquet of white roses centered with a white orchid, accented by yellow baby roses and tied with satin streamers.

Her attendants all wore floor length yellow gowns of Dacron crepe with squared necks and wrist-length puffed sleeves of light yellow miramist. Their gowns featured Empire waistlines accented by lace, with gathered skirts. Each bridal attendant carried a long-stemmed yellow rose with yellow streamers.

A RECEPTION in the church's fellowship hall followed the ceremony. Assisting at the reception were Emily Jones of Grand Prairie, Koni Cox of Idaho, Shirley Sneed of Amarillo and Delana Carlisle of Tulla. Mrs. John Myatt of Lubbock registered the guests.

For a wedding trip to New Mexico, the bride chose a white A-line dress with pearl buttons, long bell sleeves and white accessories.

Jarvis is a senior music major at Lubbock Christian College. His bride is employed by Stenocall in Lubbock.

MRS. ALLENE McLEROY, Mrs. Mable Cooper Dixon and Mrs. Myrtle Bshrends went to Pueblo, Colo., last week to visit a sister, Mrs. Suzie Cooper Smyer then to Los Alamos to visit a brother, John Cooper.

Mr. and Mrs. Johnny Tafoya of Friona are the parents of a son born April 19, who weighed 7-pounds, 3 1/2-ounces. He has been named Jeffrey.

Mr. and Mrs. George Lopez of Dimmitt are the parents of a baby boy, Ray R., who was born April 19 and weighed 7-pounds, 3 1/2-ounces.

Mr. and Mrs. Iva Bert Kitchens of Dimmitt have a new son, Cody Kip, who was born April 19 and weighed 6-pounds, 13 1/2-ounces.

Mr. and Mrs. Rafael Enriquez of Dimmitt are the parents of a girl, Rene, born April 19, who weighed 8-pounds, 11-ounces.

Mr. and Mrs. Juan Falcon of Dimmitt have a baby daughter, Antonia Marie, born April 22, weighing 9-pounds, 4-ounces.

OUT OF TOWN
Mr. and Mrs. Jerry Blackwell of Columbia, S.C. are the parents of a new daughter who was born April 21. She has been named Kimberly. She has an older brother Scott, who is 2 years old. Grandparents are Mr. and Mrs. J. B. Blackwell and Mr. and Mrs. W. B. Hammonds.

Miss Stone

Betrothal revealed

Mr. and Mrs. Loy D. Stone announce the engagement and approaching marriage of their daughter, Denise, to Joel Williamson, son of Mr. and Mrs. Leroy Williamson of Hereford.

VOWS WILL be exchanged May 22 at 4 p.m. in the First Baptist Church of Hereford.

Miss Acker wins 4-H scholarship

By IRENE KEATING
We are having spells of summer and winter it seems. I've discovered though that there's usually always a good day after a bad day.

★
LAST WEEK I was notified that Debbie Acker of the Nazareth 4-H Club has won a partial scholarship to attend the 1971 Citizenship Short Course and 4-H Talent Club and Tour. Her scholarship is made available by the Producers Grain Corp. She will be gone June 10-21. 4-H'ers must fill out applications and are selected from the various PGC districts.

THIS IS the time of year when we begin to do our summer sewing. Remember to read labels on both fabric bolts and ready-made garments. This saves much disappointment and problems. There are many new fabrics so study them carefully to get what best suits your needs.

This season bags are soft, fringed, crocheted, embroidered, tapestry, patches, studded, beaded, jeweled, canvas, vinyl, suede, checkered and satchels. So you probably can use any bags you already have.

★
SHOES ARE important — clogs, cork-soled, crepe-soled, sandals,

wedges, ghillis, platforms, laced, flat, high, leather, uede, reptile an two toed. Boots are big high snug, sleek, leather, vinyl, reptile, canvas, zippered, laced, buckled, heeled, trimmed and patterned.

Hosiery is opaque, textured, patterned, ribbed, and comes in all colors.

Some of you will be glad that hats are in, wide-brimmed, belted, crocheted, snug, tied (gypsy-fish), floppy, cowboy-styled and berets.

Jewelry is naturalistic and often home made.

Make-up is natural, subtle tones, soft shading, shimmery accents.

Hair is an accessory — long cropped shaggy, curled, sleek, braided, looped, real or fake.

THIS WEEK I want to share some information about menswear for spring. It is boomtime this spring for tailored knits in menswear. The new knits mean new freedom, not only in the physical sense but also in a psychological sense. Men will be wearing clothing they can put on and forget—functional as a sweater, yet formal as a conventional business suit.

The first thing a man will notice when selecting a pair of knit

slacks is the attractive and pleasing hang of the fabric. And the color and pattern will also catch his attention. While the salesman may speak of comfort, the wearer usually has to experience it to realize a difference.

Most men aren't comfortable in "ordinary" clothing, so the knit fabric's built-in give is a

new feeling. The "give" means freedom from binding at the knees, easier reach into pockets for change, and in knit coats, new freedom in overhead reaches.

Performance is another plus. The knit garments look and fit better for longer periods of time, resisting wrinkles and retaining a crease. Because of their elasticity, they move with the body like a second skin, and have 15 to 20 percent stretch with complete recovery.

MOST OF the knit garments for men are completely washable, but check the labels and hangtags to be sure of care instructions. Unless the hangtag says the item is completely washable, it is best to treat as dry cleanable only.

Iota Zeta, Castro County chapter of Delta Kappa Gamma, met in the Hereford Community Center Saturday with the Farmer County and Deaf Smith County chapters, Iota Eta and Delta Xi. THE THREE counties were formerly included in the one chapter, Delta Xi, but because of increased membership, the chapter divided a year ago to form the three.

Mrs. Eloise McDougal of Hereford officiated at an initiation ceremony for new members from all three chapters. Mrs. Evie Froehner of Dimmitt, president of Iota Zeta, took part in the initiation.

New members of Iota Zeta chapter are Mrs. Waurayne Hughes, Mrs. Pat Evan, Mrs. Pat Crooks, and Mrs. Loranel Hamilton, all of Dimmitt.

Mrs. Mozelle Neil, president of Delta Xi, presided at the luncheon meeting. Mrs. Alice Cowen and Mrs. Faun Welker of Dimmitt were on the program commemorating the birthday of Delta Kappa Gamma, which was organized in Austin in May 1929. It is an international society of women educators.

Mrs. Charles Vandiver demonstrated methods and ideas for arranging dried material, flowers, dock, branches and other items of nature when the Dimmitt Garden Club met last Wednesday in her home.

Each person attending the meeting made a floral arrangement. Twelve attended, including a new member, Mrs. George Rush. Mrs. W.C. Anthony and Mrs. Don Hargrove served a "potted plant" dessert to each member—a small plastic flower pot with a flower growing from ice cream and a "topsoil" of crushed dark-chocolate cookie. Members were advised that now is the time to transplant potted roses, bedding plants and tomato plants.

Mrs. Sid Sheffy announced that she has many iris and day lilies to share with anyone who would like to "come and dig" at her home.

WARRANT OFFICER AND MRS. DARRELL POPE
... She's the former Shirley Leinen.

Leinen - Pope vows exchanged Saturday

Miss Shirley Leinen became the bride of Darrell Pope in a formal, double-ring ceremony Saturday at 4:30 p.m. in St. Anthony's Church in Hereford. THE BRIDE is the daughter of Mrs. Florene Leinen of Dimmitt. The groom's parents are Mrs. Lurline Pope of Dimmitt and George Pope of LaCross, Kan. Officiating at the ceremony was Father Boniface Reidman. Two large white tapers decorated the front of the church with arrangements of white flowers on the altar.

Serving as matron of honor was Kathy Hill, sister of the bride. Bridesmaids were Linda Leinen, sister-in-law of the bride, Shirley Hollums, sister of the groom, and Deanne Heiman, cousin of the bride.

KENNETH HOLLUMS, brother-in-law of the groom, served as best man. Groomsmen were Terry Hill, brother-in-law of the bride, Kenneth Patton and Shannon Truelock. Candlelighters were Kimmie Hollums, niece of the groom, and A'an Truelock. Ring bearer was Michael Wilkerson, and flower girls were Cindy Hollums, niece of the groom, and Mufie Truelock.

Serving as ushers were Don Leinen, the bride's cousin, Charles Wilkerson and Dana Wall. ORGANIST was Mrs. Maxie Horton, and soloist was Mrs. Ann Teuchstone, who sang "Ave Maria" and "A Time for Us." Given in marriage by her brother, Dale Leinen, the bride wore a gown of white tulle with finger-length veil, accented with white flowers and pearl headpiece. The bride's bouquet was white carnations with a white orchid.

For something old, the bride carried a white rosary which her mother had carried at her wedding. Her something new was a pearl necklace, a gift from the groom. Something borrowed was her sister's white prayer book, and she wore the traditional blue garter. The bride and groom both wore lucky pennies in their shoes, minted in the years they were born, 1949 and 1950.

THE BRIDAL attendants wore green tulle crepe dresses with soft green tulle veils. Each attendant carried a nosegay of white daisies. A reception in the Knights of Columbus Hall followed the ceremony. The serving table was covered with a cloth belonging to the bride's grandmother. Wedding cake, punch and coffee were served from a silver punch bowl and coffee service. Serving were Elaine Cook and Terry Dowdy. Marianne Brown registered the guests.

Other members of the house party were Howard and Beth Cook, Paulene Davis, Virginia Cowart and Adell Hill. FOR A wedding trip to Colorado and Kansas, the bride wore a pink suit with white accessories and the orchid from her bridal bouquet. Following their return, the groom will leave for a tour of duty in Vietnam as a helicopter pilot. The bride will continue to make her home in Dimmitt.

The bride is a graduate of Dimmitt High School. She attended Texas Tech for two years and is presently employed by Behrends Insurance Agency. The groom is a Dimmitt High School graduate and attended West Texas University in Canyon for two years. He is a commissioned warrant officer in the US Army.

Music: an added note to my life

(Editor's Note: Kim Miller, eighth grader in Dimmitt Junior High School, placed second in ready writing at the recent district literary meet with the following article. Under ready writing rules, she was assigned a topic, then given 30 minutes to organize her thoughts and theme, then a time limit in which to write her essay. Her article displays a command of language and power of description beyond her grade level.)

The drums roar, the trumpets blare, the flutes race up and down the scales like lightning. Suddenly the room is hushed. The crowd is awed at the quietness. Then the sweetest sound comes to your ears. It plays so softly it makes you almost go to sleep. CRASH!!! The cymbals crash together with an earthshaking sound and the music changes into a march.

The audience claps, you stand up in your chair. They're clapping for you. It was you who was doing that, whether you were playing the trombone or the saxophone, or even a clarinet. You did it and it was done beautifully. That's how I feel after every band concert. This is the kind of music I like to play. It's not just some everyday music that you can hear on the radio, but it's a special kind of music, like

The view from your library

By MARY EDNA HENDRIX
Did you visit your library during National Library Week? We are having several new families using the library since we have moved into the new location, but we have lost a few who came to the library when it was in the basement of the courthouse but have not been in our new location.

ESTA Vandiver, president of the Dimmitt Book Club, brought a new table for us to use during the Children's Story Hour and the following day she and Sue Merritt brought 14 little chairs for the children to use. We have had one table and six chairs but that is not enough now that we are having more children to attend and the floors are not clean enough for them to sit on. Friday, April 23, there were 17 boys and girls and Mrs. Gray and Mrs. Forrester stayed to help me.

OVERDUE BOOKS!! I WOULD like to encourage everyone who has a Castro County Library book in their home that is past due to please return it as soon as possible. We will be needing more books during the summer for the Summer Reading Program, I would like to get all these books back in the library by the end of April if possible.

Mrs. Enida Riley was in the library one day last week and brought me a clipping out of the Dallas paper. The title of the article was "Libraries Meet Public's Needs," and they said "Make available excellent public library service to every citizen according to his individual need, regardless of where he lives, his economic conditions or educational background, thereby providing expanded opportunity for self-advancement." The Dallas Library had a full time staff of 458 people and had \$3.7 million in operation funds from the city of Dallas for the year. The library circulated a total of 3.6 million volumes which makes our total circulation of 9,012 seem rather small.

What's cooking at the schools

Here's what's cooking at the school lunchroom next week for students in North Elementary, South Elementary and Dimmitt Junior High. The menu for the DHS cafeteria will be essentially the same, according to Mrs. Sarah Blackwell, lunchrooms supervisor.

NO SCHOOL Thursday and Friday because of the band trip. Monday — Chicken fried steaks, sweet potatoes, green beans, sliced peaches, rolls, butter and milk. Tuesday — Beef stew with vegetables, fruit cup, cinnamon rolls, cornbread, crackers and milk. Wednesday — Barbecue on bun, cabbage slaw, hominy, banana cake and chocolate milk. Thursday — Chicken ala king, English peas, Jello fruit salad, cookies, rolls, butter and milk.

A July 10 wedding in Austin is planned by Vicki Ruth Sanders, former Dimmitt resident, and Doug Messer of Midland.

MISS SANDERS is the daughter of Tom Sanders of Earth and the late Mrs. Wanda Sanders. Messer is the son of Mr. and Mrs. Marcus Messer of Earth. The engagement and approaching marriage were announced this week by Miss Sanders' father.

AMARILLO wedding planned Saturday. Mr. and Mrs. J. R. Woods of Amarillo announce the engagement and approaching marriage of their daughter, Cynthia Ann, to John Earl Backus, son of Mr. and Mrs. Earl Backus of Nazareth.

VOWS will be exchanged at 3:00 p.m. May 1 in Ridgecrest Baptist Church in Amarillo. Father James Maloney, pastor of St. Joseph's Church in Amarillo will officiate.

Shower honors Paralyn Render

Paralyn Render, bride-elect of Don Moore, was the honoree at a shower Saturday afternoon in the home of Mrs. Raymond Wilson.

IN THE receiving line with the honoree and hostess were Miss Render's mother, Mrs. Glen Render; Moore's mother, Mrs. B. L. Moore; and the honoree's grandmother, Mrs. Cobb of Plainview. Mrs. Gary More registered the guests, who numbered more than 70. Kathy and Elaine Smith, schoolmates of Miss Render at Texas Tech, served cake and punch from a table that was covered with silk net over a pink cloth, and centered with an arrangement of pink carnations, stock and spring garden flowers in a tall epergne of silver and crystal. Twenty-six ladies assisted Mrs. Wilson with hostess duties.
