

Overcome 'Priddy' big scare

Swiftettes grab eighth state crown

RAMONA HEIMAN drove home this lay-in in the third quarter of Nazareth's 56-48 state tournament win over Priddy Saturday in Austin. Heimann, who led the Swiftettes with 19 points, was fouled by Priddy's Naidene Tiemann, and converted the free throw to give the Swiftettes a 39-21 lead with 5:42 left in the

third quarter. Coming up to help out are teammates Debbie Schmucker (far left), Kelly Schilling (20), LaDawn Schmucker (10) and Leona Gerber (32), while Pirates Marla Hopper (34) and Amy Schwartz (44, from whom Heimann stole the ball for the layup) look on.

It was Priddy close at the end.

Nazareth prevailed over the Priddy Pirates, 56-48 Saturday to capture its eighth state Class A title in nine years in Austin, but had to fight off a furious charge by the Pirates.

The Swiftettes win capped their second straight undefeated season at 34-0, and extended their winning streak to 69 games. But Priddy closed a 50-33 deficit, with 5:09 left, down to 52-48 with just a minute to play.

"I don't think we lost our composure," said Swiftette coach Joe Lombard, who picked up his sixth gold medal Saturday as Nazareth coach. "I just thought we relaxed too much, and when they made that run at us, we just didn't respond like we should and go down and make good shots like we should have. I don't think it was a case of us playing bad, but maybe we were a little tired, and got a little lax."

The Swiftettes, though, felt they had it won all the way — even with 1:13 left to play, when Debbie Schmucker went to the line with Priddy within six points, the Swiftettes were smiling, laughing, savoring a victory they knew was just around the corner.

"Our kids were just smiling and laughing out there," Lombard said. "It's kind of tough on the old coach, though."

Priddy closed the gap to four using the same tactics that Jim Valvano employed three years ago at North Carolina State, when he beat the Houston Cougars in the NCAA finals.

"We wanted them to have to beat us at the free throw line," said Pirate coach Larry Eilers. "We almost made it work, too."

LaDawn Schmucker, and Debbie, her cousin, missed on five straight one-and-one opportunities in the fourth quarter, while Priddy's Melanie Seider had five of her nine points in the period, and Marla Hopper hit five of her game-high 15 in the same stretch. Ramona Heimann, who led the Swiftettes with 17 points, had the Swiftettes only basket in the stretch, a jumper from the corner with 2:16 left that gave the Swiftettes a 52-41 lead.

"LaDawn's a great shooter, and sometimes they don't always fall for her," said Lombard of his 5-8 senior, who had 11 points in the final game. "I'd just as soon she shoot them as anyone else on the team."

The furious comeback almost erased a super first half for the Swiftettes, "a great first half, almost as well as we can play," Lombard said.

In fact, the way the Swiftettes came out, it looked as if a repeat of the 1984 semifinal game, a 59-32 win over the Pirates, was at hand. Priddy didn't score until just 3:05 was left in the first quarter, with Nazareth already on top, 7-2. The Swiftettes led by 11, 13-2, with 1:36 to play in the period, before Priddy came back to make it a nine-point game, 15-6, after one quarter.

The Swiftettes used the same pressure-intense type of play in the second quarter, opening up a 16-point lead at halftime.

The ringleader for the Swiftettes gang-up, take-it-away defense, and their put-it-in-the-hole-from-anywhere offense, was Leona Gerber, who had nine of her 16 points in the first half, plus a half-dozen steals.

"Leona was dominating out there," Lombard said of his senior, who finished her basketball career with three state

Swifts, Munday open state tourney today

It's an early start for the Nazareth boys this morning, as they open the 1985 State Boys Basketball Tournament against Munday at 8:30 at the Super Drum in Austin.

Nazareth, 27-5, is trying to better its runnerup finish in the 1984 tournament, where the Swifts fell to Snook, 39-30.

Munday is 18-5, and got a late start on basketball after winning the 1984 Class A football title.

"Munday is probably just now peaking after their late start from football," said Nazareth coach Joe Lombard, who is trying for a basketball double-crown while trying to prevent the Moguls from a double of their own.

"They have some super athletes," Lombard said. "Their best player is probably Offutt, who was an all-state quarterback in football, and is their 'quarterback' in basketball, too. He's better than (Tim) Cope from Klondike (who had 26 points in last Saturday's regional final against the Swifts).

"They do a good job on the boards," Lombard said, "and they have a 6-4 kid who hits the boards well and is a good scorer. They have some height, but I think we'll match up with them. They're definitely quicker than we are, and lately they've been running a man-to-man defense.

"All our reports say they are a very patient team," Lombard said, "and they try to run, but they are patient enough to take good shots. They do a lot of things very well."

"They beat three state ranked teams, Lingleville, Eula, and Ponder, in the regionals," Lombard continued. "They beat Ponder by 12 in the finals. They also beat Wichita Falls Hirschi in a practice game, and Hirschi always has a good club."

(Continued on Page 10)

Aldermen give building ordinance first approval

A big step was taken Monday night toward eliminating some of Dimmitt's eyesores when the City Board of Aldermen okayed the first reading of an ordinance for the abatement of dangerous buildings.

Several groups, including the Chamber of Commerce, the Mayor's Council for City Beautification and private residents, have tried for many years to get the city to demolish, or have demolished, several buildings that are termed dangerous.

"The ordinance is designed to give the city the authority to tear down a building," said Mayor Wayne Collins, "but not to be oppressive or unfair. We don't want to harm anyone, but we need the authority to tear down buildings that are dangerous. I have a list of 18 buildings that need to be torn down, and they meet the criteria for being torn down."

There were over a dozen supporters of the ordinance at the meeting, including Susie Bradford, who explained her family moved from their home on NW Eighth four years ago because a neighboring property owner would not demolish the dilapidated house on the adjacent property.

Louise Cathey, who lives on the other side of the ramshackle house, said, "The place has caught fire twice, and the city has put it out. They should have let it burn."

Similar sentiments were issued by others who live near blighted property, and members of the MCCB said they had encountered no op-

position to the ordinance.

"Some of the houses have been condemned, so no one is able to live in them, and they have no value at all," said Director of Public Works James Killough. "A lot of the buildings we're looking at have never had utilities hooked up to them, and several have not had the taxes paid on them in several years."

The ordinance passed unanimously on its first reading, and the ordinance could go into effect after a final reading Mar. 18.

Several property owners along NW Fifth appeared before the board, asking that their street be included in any

proposed paving project this year.

Ronnie Griffith, of 611 NW Fifth, told the Board he had a petition signed by all of the residents along NW Fifth from Halsell north to Youts agreeing to pay for their share of any paving.

City Manager Paul Catoe said the city owns only the western half of the street, and the street is actually a county road.

"When we built the houses," Griffith said, "we, and the Farmers Home Administration, were told the street would be paved. Not only is it not paved, but no one wants to

1:1

By Don Nelson

They started playing organized basketball together in the third grade, when they were 8 and 9. They were fast, furious, and sometimes funny.

In the fourth grade, they won the Minor League Little Dribblers district championship. The older boys — the fifth and sixth graders — won the Major League district title. Together, they headed to the state tournament.

Dan Nelson will never forget hauling those two dozen boys to Fort worth and back — and all through Cow Town's suburbs — in his big diesel bus. They climbed over, under and into every nook and cranny, slept very little, and had a heckuva time.

Anyway, here was this converted charter bus and a dozen cars equipped with CB radios, snaking through Hurst, Bedford and Euless — taking the kids to the different junior high gyms where they would play their next games, or to a fast-food place for their next meal.

John Nino and Rocky Rawls coached the younger kids, while the Bell brothers coached the older ones. (Jeff Bell and Rocky Rawls, who were high schoolers then, are now successful coaches at Lorenzo and Bronte.) The rest of us didn't know much about the game, but came to think we did.

The Little Dribblers had some serious flaws in their playoff schedule, which led Kids, Inc., to drop out. The state tournament had to be held on Easter weekend —

(Continued on Page 4)

Nazareth trio named all-tourney

Three members of the state champion Nazareth Swiftettes were named to the all-state tournament team Monday.

Senior guard Leona Gerber and junior forward Ramona Heimann were repeaters from last year's squad, while junior post Kelly Schilling was named to the all-tourney team for the first time.

Heimann led the Swiftettes with 29 points in the two tourney games, while Gerber hit for 28 points. Schilling added 21 for Nazareth.

Also named to the Class A team were Naidene Tiemann of Priddy, who led all rebounders in the tournament with 28, and Connie Cole of Snook.

Authorities are continuing their search for a Dimmitt Middle School seventh grader who was reportedly carrying a .25-caliber automatic pistol Tuesday afternoon at the school.

School officials told the News Wednesday they had heard the student had a loaded gun in his possession. When the student was confronted, he originally denied having a handgun. Officials then told

the child he would have to be searched, and the student then turned over the pistol.

DMS officials told the News there were no charges in the barrel, but the clip was loaded. The clip was taken out of the pistol.

A school official then tried to take the student to the principal's office, where he would be released to police, but the student reportedly said he would get in trouble with his probation officer, and fled the scene.

The student was reportedly on probation for a similar incident in Lamb County, but Dimmitt police could not verify that report Wednesday morning.

A school administrator told the News Wednesday, "I don't know why he did it (brought the gun to school). I don't think he was going to use it for violent purposes...I think he just wanted attention, but I don't know for sure. He's a

quiet, reserved kid, and I don't think he intended to hurt anyone."

Parents night is set at DMS

All parents of students at Dimmitt Middle School are encouraged to visit the school today (Thursday) at 8 p.m. as a part of the Public School Week observance.

Refreshments will be served in front of the office and parents will have an opportunity to speak to their children's teachers. It is asked that children not attend so that parents and teachers can visit more freely.

Winning science fair projects will be on display. (Complete fair results are listed on Page 4 of this issue.)

The refreshments are furnished by Jackie McLeroy's CVAE classes.

Congratulations to the Nazareth girls basketball team who won state championship for the 8th year, and to the Nazareth boys basketball team who will be going to Austin for the state games. We are proud of the Dimmitt boys basketball team even though they didn't make it to the State finals — they have played well during the basketball season.

The Community Concert Association presented Earl Rose, pianist, in a concert on Sunday afternoon at the Dimmitt High School Auditorium. This was another relaxing and entertaining program and Mr. Rose played some favorites like the theme from "Chariots of Fire," "Blue Moon," "Bridge Over Troubled Waters," "Don't Get Around Much Anymore," and "Someone Loves Me." Earl Rose is the composer for the Soap Opera television series "Ryan's Hope." He frequently acts as assistant music conductor for the Tonight Show and he has made several guest television appearances on "Ryan's Hope" and "Another World."

This was the last concert of the season for Dimmitt, but there will be one in Hereford on March 11, Bill Shustik, and two more in Plainview, one on March 18, the Royal Ballet of Flanders and on May 12 the Canterbury Trio (Cello, Violin, and Piano).

The Bill Clarks and the Percy Parsons honored V. C. Hopson with a surprise lunch and birthday cake at K-Bobs Sunday. Those sharing in the fun were Lola, Jewell, Susan and Jimmy Owens of Hereford, Lorena Cates, Debbie Ball, Bettye Huckabay, Carolyn Jones, Carolyn and George Sides, Eddie, Cindy and Tyson Adams, Joe, Joyce, Mandy and Bryan Higgs, Van, Carole, Cody and

Nazareth

By Uirgk Gerber, 945-2669

Congratulations to the Nazareth Swiftette team and coaches Joe Lombard and Sandy Oliver on winning the State basketball tournament in Austin. Also to the Nazareth Swift team and coaches Joe Lombard and Johnny Hampton on winning the Regional tournament in Levelland this past weekend. Good Luck in Austin.

Anna Ehly, who is living in Amarillo with her daughter, Ronnie, spent last week here with Lynn Ehly and other family members.

Philip and Dora Pohlmeier and granddaughters Kalina Pohlmeier and Erika Rider visited with Robert and Donya Pohlmeier in Elk City, Okla. and the family of Ralph and Emalene Pohlmeier in Yukon, Okla. On their way home they enjoyed dinner with the family of Gary and Theresa Rider in Claude. The Greg Pohlmeiers, Frank and Germaine Pohlmeier, John Witt and Sharon May of Amarillo were also dinner guests of Gary and Theresa Rider.

Congratulations to Neal and Colleen Wilhelm of Ranger on the birth of a daughter, Danielle, Feb. 26. Grandparents are Francis and Betty Wilhelm and Fritz and Julene Gerber.

Congratulations to Mark and Vera Hoelting of Lubbock on the birth of a daughter, Erin Rachel, Feb. 21. Grandparents are Cecil and Norita Hoelting of Nazareth and Ida Gibson of Dimmitt.

Ed and Leola Ramaekers spent a week in Washington, D.C. attending meetings of the American Sugar Beet Association.

Going with seven other couples of the Hereford area, they spent several extra days sightseeing. They toured the Capitol and White House, on Ash Wednesday they attended services in the National Shrine of the Immaculate Conception, they were at Arlington Cemetery for the changing of the guard at the Tomb of the Unknown Soldier and they visited with many of the Congressmen, lobbying for the sugar program.

Congratulations to Clyde

Cory Hopson, Vernon, Jane, Tye and Scott O'Kelly and Dorothy Hopson.

The Homer Nisbetts, the Houston Lusts and Louise Mears have been fishing at Amistad Lake. They fished for two days and had a big fish fry. Houston and Doris got in a boat with one guide and Doris acted as though she didn't know how to fish so the guide really helped them catch a lot of fish; Homer, Tommie Sue, and Louise got in another boat with a guide and they told the guide how they used to fish — well, they didn't catch very many fish! So the moral to this story is — if you hire a guide — let him tell you how to fish!

This group came back by Levelland on Tuesday in time for the Dimmitt-Brownfield basketball game. Oh yes! they brought back some fish and they all reported a really good time!

Zay and Charlotte Gilbreath from Gruver were in Dimmitt Thursday night visiting Zay's mother and dad, Virginia and Sam Gilbreath, and they spent the night with Charlotte's mother, Louise Mears. Friday they went on to Levelland for the Gruver boys basketball game between Gruver and Nazareth, then on to Lubbock for the Dimmitt games.

Susie Reeves was hostess to the Thursday Bridge Club, with four tables playing. Fern Dickey was high scorer, and Beash Bradford was second.

Others who played were Bernice Hill, Jo Gregory, Loranel Hamilton, Evie Froehner, Elizabeth Huckabay, Opha Burks, Alice Collyer, Faun Welker, Jean Christian, Emily Clingsmith, Neva Hickey and Cleo Forson.

The group enjoyed a luncheon of baked chicken and trimmings.

Judge Rod Shaw and wife, Bobbye, of Lubbock came to Dimmitt for his sister's birthday (Aural Davis). They took Aural out to dinner at the Country Club in Hereford. Aural's birthday is March 5.

I went with Irene Carpenter to Amarillo on Friday. She met her sister, Inez and Sam Wright from Wheeler, and they all visited in the home of their brother, Mr. and Mrs. J. C. Cox. I visited with my daughter, Mary Lynn Lankford and family — also my cousin Johnnie Nix and her brother, Guy and Faye Kelley from Lubbock and Earth.

On Saturday morning Irene and I drove to Tulia and met my sister, Lynna Cloer, for lunch at K-Bob's. Since Monday March 4 was my birthday, she invited two of my friends, Ellen Avent and Marie Harris to have lunch with us. Marie works for the Plainview Herald and writes "Marie's Marlarky" for the Tulia Herald. Marie covered the Lockney Chamber of Commerce banquet in Lockney on Friday night and she said she saw Bill and Melanie Beachy there.

Billie Wesson entertained the Dimmitt Dinner club at the Senior Citizens Center on Saturday night. She served ham, green beans, tossed salad, lemon gelatin salad, hot rolls, pecan pie, and "TRASH," to Morgan and Geneva Dennis, Ivor and Hazel Bagwell, Buster and Mearle Morgan from Bovina, N. A. and Thelma Bryson, Gene and Connie Ivey, Oleta and Guy Walser, Elmer and Mauzee Youts, Irene Carpenter, and Mary Edna Hendrix. The group enjoyed playing "42" and visiting.

Shirley and Harold Stephens entertained their Dinner-Bridge Club last Saturday night. The dinner menu consisted of broiled steaks, baked potatoes, green beans, tossed salad, hot rolls, and for dessert, lime sherbet and chocolate. Those enjoying the dinner and bridge playing were Sue and John Merritt, Aural Davis, Carole and Goldman Dyer, Myrtle Lois and Russel Moran, Dorothy and Ted Sheffy and Avis and Ralph Smith.

I received a letter from Vivian Rogers of Burnet, Texas. Vivian is a former Dimmitt resident and she asked me to tell all her friends that the Bluebonnets and Paint Brush flowers would probably be prettier this year because of the snows they had last winter. Their Bluebonnet Arts and Crafts show is scheduled for April 13-14 and 20-21. Vivian has a business in the name of Rogers Studio in Sherwood Shows III in Hoover Valley specializing in Acrylics, Landscapes and Still Life.

I ate some broccoli soup in a restaurant in Amarillo so I tried to make up a recipe — you can take it or leave it! Cook one bunch of fresh broccoli until tender. Mash or put in food processor. Make a thin white sauce, add 2 cups of grated cheese, 1/8 t. hot sauce, dash of garlic powder and add to the cooked broccoli.

Bill Shustik, American troubadour, will be the featured artist at the Community Concert Association concert in Hereford on Monday, March 11, at 8 p.m.

MAKING WAY...

The drawbridge makes way for the boat to come into the city and down the canal. Dredges make canals in open waters such as the gulf to make way for ships to travel an inter-coastal waterway. Police officers and secret service men clear a path in the crowds to make way for an important foreign potentate so that he might arrive at his destination.

Church members are the ones who can clear the way, and show the right path to those who have not found the way to our Lord.

Isaiah 40:3B reads, "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

Support your church in every way you can. Ask someone to attend church with you this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THE NAZARETH SWIFTETTES didn't "run" the ball much during their 56-48 win over Priddy Saturday in the Class A State Tournament in Austin, unless the opportunity to fast break

presented itself. Here, LaDawn Schmucker has just stolen the ball, and cut past Priddy's Janna Feist for a basket with 5:12 left in the first half to put the Swiftettes ahead 22-14.

Police Calls

Earnest Chance Jr., 50, of Dimmitt was arraigned on felony charges of DWI and posted \$1,500 bail, but he remains in jail until traffic fines are paid stemming from charges of driving without a license and with no insurance. He was jailed Monday.

Also stopped Monday was Antonio Mata, 23, of Friona. Originally charged with DWI (misdemeanor), running a stop sign and driving without a license, he was later charged with aggravated perjury, a third degree felony, when it was discovered that he had been previously charged and jailed here under another name. At his arraignment, bond was posted at \$1,500. He is out on bail and has paid the fines for the traffic charges.

Feb. 27, a 23-year-old man was held on charges of violation of probation stemming from an earlier theft. Also, a 39-year-old Dimmitt man was jailed Feb. 26 for violation of probation he was serving on DWI charges.

A 26-year-old Friona woman was arrested Sunday for DWI and failure to drive in a single lane. After she was stopped she was found to have no driver's license and no proof of liability insurance. She failed to correct-

ly identify herself and a later search of her vehicle turned up an unlawful weapon, an 8-inch butcher knife.

Monday, a 29-year-old Friona man was stopped for DWI (misdemeanor) and was charged with possession of marijuana and driving without a license.

Three men were arrested for DWI (misdemeanor) Sunday. Two, ages 26 and 36, were from Dimmitt, and one, aged 23, was from Plainview.

A 29-year-old Tulia man was charged with public intoxication Sunday.

Sunday afternoon, police received a report of criminal mischief from Ricky Hargrove of Dimmitt. He reported that his 1977 Chevrolet pickup was damaged while it was parked outside of Gary's Engine and Machine.

While Hargrove was inside the business for about 15 to 20 minutes, someone apparently broke the back glass of the pickup with a BB or similar projectile. Damage was estimated at \$130.

A man was picked up on a Canyon municipal warrant and paid the fine he owed. A 30-year-old Hereford man was jailed to serve time on DWI charges.

Obituaries

P. C. Daniel

P. C. Daniel, 77, of Dimmitt, passed away Saturday.

Funeral services were held Monday at Lee Street Baptist Church in Dimmitt with Rev. Ronnie Travis officiating. Burial followed in Castro Memorial Gardens by Foskey Funeral Home.

Mr. Daniel was born in Lott, and moved to Castro County in 1930 from Marlin. He was a member of Lee Street Baptist Church.

His wife, Leona, passed away last June.

Survivors include a son, Robert of Dimmitt; two daughters, Purva Smith of Plainview and Miley Pitts of Yuma, Ariz.; a brother, Henry of Albuquerque, N.M.; two sisters, Marie Morris and Josie Mae Barron, both of Columbus, Ga.; seven grandchildren; and three great-grandchildren.

Pallbearers were Charles Doss, George Hudson, James Killough, Bill Henderson, D. H. Strickland and Woody Jones.

Andrew Landon Smith

Andrew Landon Smith, two-month old son of Clifford and Janice Smith of Dimmitt, died Monday.

Graveside services were held Tuesday in Littlefield Memorial Park with Dale Wells, minister of Fourth and Bedford Church of Christ officiating. Burial was by Foskey Funeral Home.

Other survivors include a sister, Michelle; two brothers, Chad and Jeremy; grandparents, Charles and Myda Smith of Littlefield, and Raymond and Josephine Benham of Levelland; and great-grandparents, Henry Halverson of Edmonton, Alberta, Canada, and Frankie Oakes of Putnam, Okla.

A tradition of service continues.

"FILING SHORT FORM NOT SIMPLE," SAYS H & R BLOCK

Two different short forms and new deductions make short form filing more complicated this year.

You may not be eligible or it may not be to your advantage to file one of the two short forms. The short forms, including the new 1040EZ, can only be used by taxpayers meeting certain strict requirements. You are limited in deductions on the short forms. Using the wrong form could cost you money, or even mean an audit.

You will have peace of mind in knowing H & R Block's personal,

courteous, and competent service is yours . . . at a very reasonable price. One Day Service is also available for your convenience at any H & R Block office.

H & R Block's tax preparers are trained to know which of the forms - 1040EZ, 1040A, 1040 - gives you the maximum tax advantage for your individual requirements.

See your telephone directory for the office nearest you or call

It pays to plant Paymaster corn hybrids

NEW 7190

Relative Maturity Range
103-115 days Zone 1
93-105 days Zone 2 & 3

7190 is a management-responsive hybrid with exceptional yield potential for its maturity. It will be similar in maturity to 6990, with a potential yield advantage in most areas under good growing conditions. Drydown is comparable. Very good stalk. Medium-tall plant with medium ear height. Semi-erect leaf angle. Ear is medium-long and slender with a firm cob. Produces heavy test weight bronze-colored grain. 7190 is adapted to most soils and is responsive to good management practices and growing conditions in irrigation and normal rainfall areas. Recommend medium to medium-high final plant populations. Research trials and PEP data to date indicate that 7190 will be highly competitive in yield performance for its maturity group.

8990

Relative Maturity Range
109-119 days Zone 1
103-114 days Zone 2
101-111 days Zone 3

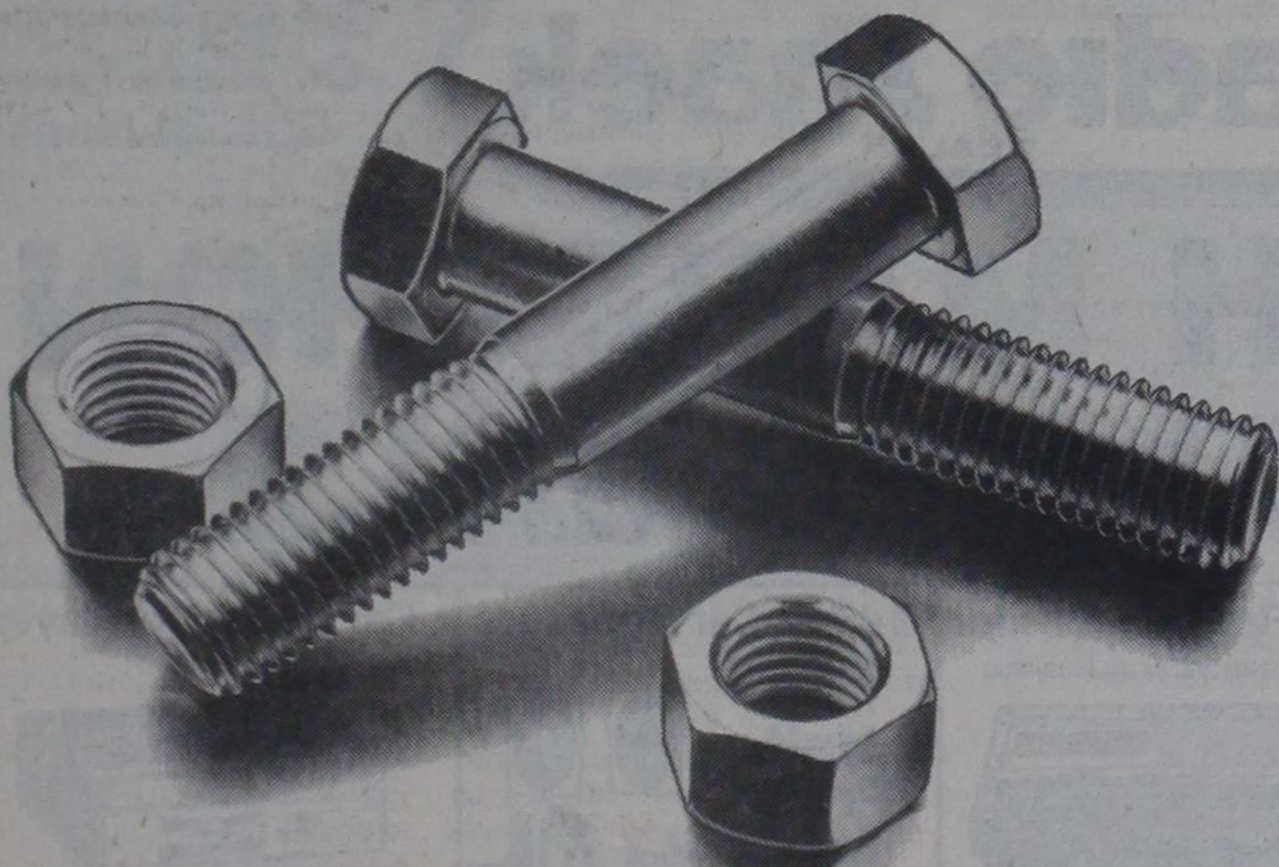

8990 is a widely adapted hybrid with high yield potential for its maturity. In research and PEP over the past several years, 8990 has exhibited a yield advantage over other hybrids. Long, wide leaves. Stalk is large with a generally average-to-good stalk rating under most conditions. Very good roots. Ears are long and girthy with deep, large hard-textured kernels. Shuck coverage is good. Has demonstrated a high level of performance under varying management practices and growing conditions. Adapted to most plant populations, especially the medium to medium-high range. 8990 is recommended for either grain or silage production for irrigated normal rainfall areas with good management practices.

It pays to plant Paymaster seed

THRIFTWAY

ON DISPLAY FOR PUBLIC SCHOOL WEEK are the entries in the annual Dimmitt Middle School Science Fair. First place winners at the fourth and fifth grade levels in physical and biological divisions are shown with their projects. They are (kneeling, from

left) Shanna Schaeffer and Matt Sims; and (standing, from left) Kris Keith, Candace Matthews and Melissa Guzman. The fair entries will remain on display in the old middle school gym through Friday.

Science fair winners named

Judging in the annual Dimmitt Middle School Science Fair was completed Monday night, and top winners named in each grade and division will be advanced to the regional science fair held at Amarillo College.

The projects are remaining

on display in the old middle school gym through Friday as part of the Public School Week observance.

First, second and third places were awarded in both a physical and biological division for each grade level.

Winners are listed below by grade and division.

Fourth

Physical—1. Shanna Schaeffer. 2. Stacy Evans. 3. Zack Smith.

Program offers help

"The Beginning Experience" is a weekend program offering help to widowed, divorced or separated persons.

A specially trained team leads participants through the program. Other activities include personal reflection and group dialogue.

Meant for men and women who have worked through the initial feelings of anger and despair which usually follow the loss of one's spouse, the program picks up at the point of desiring a new beginning.

The weekends are held at the Bishop Defalco Retreat Center in Amarillo.

March 22-24 is the next scheduled program. Others will be held in July, September and January. For more information, phone Leona Miller at 364-4793.

More about

1:1

Continued from Page 1

while the boys were out of school — so the national tournament could be held in Levelland during spring break. And the kids traveled all the way to Fort Worth to play Friona, Dalhart, Denver City.

Another team they played was Hurst, which had drawn its all-star team from a 40-team league. We had picked our all-star team from among 40 boys. Still, our kids played them close.

Still another team they played at state was Seminole. They lost by 20.

Through junior high they kept winning. They ran the fast break like crazy. And because of the grade-team structure, they looked so familiar together on court that each of them had a dozen sets of parents. Lord only knows how many miles we've all traveled together.

Nathan and Michael looked so much alike with their blond pageboy haircuts that they learned they could take each other's fouls and free throws sometimes, and the refs wouldn't know the difference. Ray always needed to tape his elbow to his ribs to keep from fouling when he drove in. Danny was so small he had to uncork his shot from the waist to get it up. Darrell seemed to be always jumping and spinning, whether he had the ball or not. Greg was the serious one, the stabilizer, and Doug was the inside scrapper. Bobby didn't do it fancy, but he got it done.

In high school, some of them dropped basketball, although we still followed them in whatever they did. Those who stuck with the game kept winning. Some of them stayed in the gym all year round so they could work with the older boys and improve their game. They were dead-serious. They wanted to be Bobcats.

They stayed together on the junior varsity their sophomore year. There was such a wealth of talent on the varsity then that there was room only for the juniors and seniors, that was the year the Bobcats went 38-0 and won a second consecutive state championship.

THE Statue of Liberty was shipped in 214 crates sent from Paris to Liberty Island in New York Harbor. She now stands within the star-shaped walls of Fort Wood, which was built in the early 1800's. On the day the Statue of Liberty was unveiled — October 28, 1886 — a million people lined the parade route in New York City.

They continued working, now with boys older and younger. One of them started working out on the weight machine as soon as the '82-'83 season was over so he could develop the leg strength to block out and rebound against Teal and Galloway the next year.

Last year they got to play varsity ball, working with a group of seniors who turned out to be a lot better than people gave them credit for. They were underdogs, and weren't picked to get into the playoffs. They finished second in district, losing to Abernathy by a point both games, then fought their way through the playoffs until they got their third shot at Abernathy in the regional finals.

Their determination paid off. Had Galloway not swished an all-time high of 23 points against them, they would have put Abernathy away by 10 or so. As it was, they won a thrilling last-second victory by two points. They made it back to state. There, they took the fight to an undefeated New Boston team and played the socks off of them before losing, 60-59. New Boston later won the state title game by 17. This team that had been picked third in the district had come within a basket of the state championship.

This year they were the seniors, the team leaders.

"There isn't any way we're not going back to state my senior year," one of them vowed. They felt they owed it to the younger kids on the squad, as well as to themselves. "We wanted to continue something that we had going," another said.

This year the district was as tough as it's ever been. There wasn't just a Dimmitt and a Morton, or a Dimmitt and an Abernathy. Now there was a Dimmitt, a Floydada, a Muleshoe, a Tulia, an Idalou, a Littlefield...

"They did a super job all year long," Coach Ken Cleveland said. "People don't know how tough our district was, and they did a super job just to win district."

Two weeks ago they started the playoff climb again.

Downstate loomed that Seminole team that was knocking everybody over.

"We figured Seminole was the team we'd have to beat

eventually to go back to Austin," Michael said.

And Seminole was thinking the same thing about Dimmitt. Both were state-ranked, and justifiably so.

Through the playoffs they enjoyed the benefit of Dimmitt's reputation. Good teams wilted in their presence, and they won by 20 and 30 points.

"I know Childress and Brownfield were better teams than that," Nathan said. "They just got uptight."

But our kids didn't expect to get uptight. They had been there before. They knew what it took. They knew they could do it.

Still, that Seminole team sounded pretty awesome.

They were drawing nearer to their goal — a fourth straight trip to the state tournament, something the Dimmitt Bobcats had never done before.

In the regional semis, they saw just how good Seminole really was.

Then it was showdown time. Then the butterflies hit them.

"I've never been so uptight in a game before in my life," Nathan said.

"It was all on the line — what we had been talking about all year," Michael said. "Maybe we shouldn't have talked about it."

The tall Indians came out and blasted them 20-7 in the first quarter.

"Seminole had already said they planned on outscoring us in the first quarter — that that's what they needed to do to beat us," Darrell said. "And they did it just like they said they would."

With everything they had, they fought back — and their parents and adopted aunts and uncles fought back with them, teeth clinched.

They brought into play everything they had learned since those Little Dribblers days. Despite their cold shooting, they climbed back to within four points early in the fourth. Pat had the hot hand, so they fed him. And they played defense harder they'd ever played it before.

But it was not to be. The goal they had nurtured most of their young lives had been shot out from under them.

They continued to play furiously until the final minute when, with no hope left, the

(Continued on Page 5)

Who's New?

PLAINS MEMORIAL

A baby boy, Emilio Porras, was born Feb. 27 at 9:55 p.m. to Juanita Vidal and Ernesto Porras of Dimmitt. The infant weighed 7 pounds and 14 ounces and was 19 inches long. Other children in the family are Angelica, 5, Elizabeth, 4, Ernesto, 2, Estevan, 1. Grandparents are Mateo and Angelita Porras of Mexico, and Crecencio Vidal of Bakersfield, Calif. Great-grandmother is Natividad Aranda of Dimmitt.

On March 3 at 10 a.m., a baby boy, Tommy Wayne Jouett, was born to Elida Zamora and Gary Jouett of Dimmitt. Weighing 6 pounds and 12 ounces, the baby measured 19 inches long. Other children in the family are Mike, 12, and Yesina, 6. Grandparents are Julian Rodriguez and Rosa Rodriguez of Dimmitt, and Reba Jouett of Houston, and the late J. T. Jouett.

OUT OF TOWN

Ann and Bill Philpott of Lubbock are the parents of a daughter, Delese Ann, who was born Feb. 27 at 6:05 a.m. in Methodist Hospital there. She weighed 7 pounds and was 20 1/2 inches long. She has a big brother, Clint, who is 3 1/2 years old. Grandparents are Paul and Juanita Howard of Dimmitt and Roy and Jackie Philpott of Lubbock. Great grandparents are Mary Lou Webb of Dimmitt, and Mr. and Mrs. J. A. Edwards of Lubbock, Mrs. M. L. Welch of Silverton and Mr. and Mrs. Chet Reeves and Mrs. Ray Philpott, all of Childress.

Jody and Donya Snitker of Dimmitt are the parents of a girl, Heather Louise, who was born March 1 at Northwest Texas Hospital in Amarillo. She weighed 8 pounds, 1 1/4 ounces. Grandparents are Nelda Tuttle of Dimmitt and Mr. and Mrs. Curtis Snitker of Hart.

Marlan and Melanie Hart of Hart are the parents of a boy, Kasey Daniel, who was born Feb. 21 in Methodist Hospital in Lubbock. He weighed 7 pounds, 2 ounces and was 20 1/2 inches long. Grandparents are Mr. and Mrs. Preston Upshaw and Mr. and Mrs. Joe Hart, all of Hart. Great grandparents are Mrs. Edna Hart of Hart, Marie Garrison of Plainview and Homer Garrison of Hereford.

CHAMPION of all the Durocs at the Houston Livestock Show and Sale is this 237-pound medium weight specimen sent by Anessa Scott of the Dimmitt FFA and shown by Kim Howell (above), also of the Dimmitt FFA.

County youths place at Houston

Partial results have been announced from local students who showed animals at the annual Houston Livestock Show and Sale held last week.

Anessa Scott of the Dimmitt FFA sent the Breed Champion Duroc of the entire show. The 237-pound animal was also named first place in the medium weight class of Durocs. Handling the barrow at the show was Kim Howell, also of Dimmitt.

Judges said that the barrow combined freshness, body length and a natural width from the front to the rear, presenting "the total package looked for in a barrow."

Bruce Huseman of the Castro County 4-H showed the Reserve Champion barrow in the Berkshire breed. The animal was also judged first in the heavy weight division of its breed.

Another first place winner was the medium weight Hampshire barrow shown by Danna Ralston, 4-H. She also showed the sixth place animal in the heavy-weight class of Southdown lambs.

Third place winners were Kim Spring with her heavy weight Berkshire and Casey Summers with a medium weight Berkshire, both barrows and both showing with the 4-H. Justin Gleghorn, 4-H, showed the third place steer in the lightweight class of other breeds.

Fire calls

Children playing with matches was the cause of the fire Friday afternoon at the Jack Bradford home at 1604 Sunset Circle in Dimmitt.

Mrs. Bradford said that her daughter and a friend were lighting a candle while playing under a bed and accidentally caught the bedding on fire, causing a smoke alarm in the house to go off.

She said she called to her visiting grandmother to get the children out of the house and then doused the fire with pans of water carried from the bathroom.

The carpet, mattress, box springs, bed frame and bedding were all damaged, but smoke damage was minimal. There were no injuries.

When firefighters arrived they helped drag the damaged mattress out of the house and used exhaust fans to blow the smoke out.

Seventeen firemen and three units reported.

THE Daughters of the American Revolution salute the First Rhode Island Regiment composed in part of black soldiers, both free and slave, who served bravely with distinction throughout the American Revolution.

More about Aldermen...

(Continued from Page 1)

claim it. The county says it's not theirs. Sometimes the ruts gets so bad your car will bottom out...we're afraid if we don't get it paved soon, we're going to miss the boat."

The city is going to approach Castro County Commissioners Court next Monday to ask the county to give the city the road to Youts Street to facilitate a paving project. The property owners indicated they would be willing to pay the full price for both sides of the street (no one resides on the east side of the street north of Halsell), and place a lien on the property on the other side of the street for the paving, which could cost each property owner up to \$5,000.

The city also approved the low bid of \$26,520 from High Plains Pavers of Plainview for the city's 1985 seal coating project. Other bids included: Appian Corp. of Hereford—\$28,560; Caprock Highway Construction of Lubbock—\$29,070; and Lipham Construction of Aspermont—\$29,325.

The bids are subject to approval by City Engineer Bill McMorries.

McMorries also discussed ways to improve drainage along NW Eleventh, where flooding has been a problem since homes were built along the street in the 1960's.

"Anything we do to solve the problem is going to be expensive," McMorries said. "The houses block the natural flow of water that comes down Allen, Dulin and Andrews, and the alleys, because they all dead-end in the alley between NW Tenth and NW Eleventh. The best way would probably be to pave the alley. With curb and gutter, it would cost around \$40,000."

Killough said the alley has flooded so badly at times that it took literally months before garbage trucks could go unaided to pick up trash.

Alderman David Hays said that preventing water from flowing from north of Halsell into the area would help, and city officials will discuss ways to block that flow this week.

Gary Pitner of Panhandle Regional Planning Commission in Amarillo outlined the Community Development Block Grant Program which many cities in the region have received funding from since the program started in the 1970's.

"We'll be getting around \$1.4 million this year," Pitner said. "Last year, we got about the same. 26 cities applied for a grant, but only seven received funding. Six of the seven projects approved were for water projects, because that is the biggest priority in our area. It's a very competitive process."

Pitner was invited to the meeting by Jerry Hanners, director of the Economic Development Commission, and asked Pitner to also explain the Economic Development Grant Program, in which cities compete statewide for dollars.

"Tulia got \$500,000 from the ED fund for their new Ramirez Tortilla factory," Pitner said. "They used it as a loan, which Ramirez is paying back at a very low interest rate. The city will then use the paid-back money for a revolving fund for economic development."

The aldermen also honored Police Chief Don Franklin as city employee of the month.

What's Cooking?

Here are the school lunch menus for the week of Mar. 11-15 for the Nazareth public school.

MONDAY — Chili dogs, green beans, peaches and milk.

TUESDAY — Lasagna, tossed salad, hot rolls, fruit salad and milk.

WEDNESDAY — Cheeseburgers, French fries, lettuce, onions, dill pickles, orange cake and milk.

THURSDAY — Beef stew, cheese slice, cornbread and syrup, apple cobbler and milk.

FRIDAY — Cheese chile rellenos, cauliflower, tossed salad, pears and milk.

Singles to meet

Saturday there will be a Singles Seminar for area adults at the First Baptist Church of Plainview.

Registration fee is \$5 per person, and will include a luncheon. Registration begins at 8:15 a.m., and dismissal is set for 3:15 p.m.

Scheduled speakers are Dr. Britton Wood and Phil Carpenter.

Phone (806) 296-6318 for more information.

PRESIDENT Reagan has formed a special commission to save, restore and preserve the Statue of Liberty. The President General of the National Society Daughters of the American Revolution, Mrs. Walter Hughey King, has appointed a committee to help support this project. Each Chapter and State in the DAR organization will assist by appointing a chairman to help preserve the Statue. Financial support from interested citizens is welcomed.

FARM EQUIPMENT — REAL ESTATE

March 14, 1985 — 10 a.m.

Located 4 miles north of Earth on FM 1055, then 1/4 mile west

MRS. BONNIE KENWORTHY, OWNER

Due to the death of my husband, the following will be sold at public auction.

TRACTORS & STRIPPERS

- 1—1984 IHC Model 5288 Diesel Tractor, S/N 2580002U001864, equipped w/rope IHC factory cab, w/front, hydraulics, 3-pt. hitch, fully weighed, 20.8-38 rear, 14L-16.1 front tires. (Like new).
- 1—1971 IHC Model 856-D Tractor, S/N 27219, equipped with dual hydraulic, w/f cab, 16.9 x 34 tires. (Good)
- 1—Set 20.8-38 duals for IHC
- 1—Set 16.9-34 duals for IHC
- 1—IHC Model 95 two row self-propelled cotton stripper, powered by IHC diesel engine. Good condition.
- 1—Heston 2 row cotton stripper powered by gasoline, engine needs repair

COMBINE & HEADERS, GRAIN CART

- 1—1972 J. D. 7700 combine powered by gasoline engine, cab 22' header
- 1—J. D. Model 845 corn head w/corn savers 6-row
- 1—20' Sunflower header
- 1—J. D. 1210 grain cart
- 4—Heston headhunters

GRAIN TRUCKS, PICKUPS & JEEP

- 1—1971 Ford F600 grain truck, S/N F600CVL40222, single axle, powered by gasoline engine w/hoist, steel grain bed, 8.25 x 22 tires
- 1—1968 Ford F600 grain truck, S/N F60DKC57570, single axle, 2 speed rear end, powered by gasoline engine, steel grain bed w/hoist, 8.25 x 22 tires
- 1—1966 Ford F600 grain truck, S/N F60CK802439, single axle, w/2 speed rear end, powered by gasoline engine, steel grain bed w/hoist, 8.25 x 20 tires
- 1—1967 IHC Model 1600 grain truck, S/N 416080H678630, single axle, 2 speed, powered by LPG engine, steel grain bed w/hoist, 9.00 x 20 tires
- 1—1946 Willis 4 x 4 Jeep w/3 speed transmission, powered by 4 cylinder Chevy engine
- 1—1980 F150 Ford long bed pickup, automatic transmission, power steering, powered by LPG 302 engine w/3 tool boxes, 15" tires
- 1—1978 C-10 Chevrolet pickup, short narrow bed w/350 gasoline engine, equipped w/air, radio, heater, auto transmission, 15" tires

TOOL BARS & MAKEUPS

- 9—J. D. Diamond 2 x 2 tool bars, assorted length
- 1—Set of tool bar spacers
- 1—Lot of 3-pt hitches
- 1—Lot of tool bar shanks
- 1—Set of Noble spring fingers
- 1—set Roll - a - Cone markers hyd.
- 7—Shop made dikers
- 1—Set gauge wheels
- 1—J. D. hyd. cylinder

LIVESTOCK EQUIPMENT & TRAILER

- 1—Hale 16' stock trailer, 1/2 top, 2-axle, 15" tires
- 1—Shop made 2 horse trailer w/tack compartment, new paint
- 3—Portable grain augers w/electric motors
- 2—Metal cattle self-feeders
- 3—Stockmaster portable 14' feed bunks
- 1—Shop made 3-pt wire roller w/approx. 10 miles wire
- 1—20' water tank
- 2—Hog self-feeders, 1 12-hole, 1 24-hole
- 1—W-W portable squeeze chute
- 1—Shop made calf cradle
- 1—Lot of 5/8" sucker rod pannels, assorted lengths
- 12—Wood panels
- 1—Lot of portable pannels and trailer
- 1—Lot of rebar electric fence post and wire

IRRIGATION MOTORS & GEAR HEADS

- 1—Chrysler 440 engine w/headers, run one season w/natural gas carburetor. Good condition.
- 1—Chrysler 440 engine, run one season. Good condition.
- 1—Ford 428 engine w/natural gas carburetor, run one season Good condition.
- 1—Ford 428 engine w/natural gas carburetor. Runs good.
- 2—Amarillo 1 to 1 ratio gear heads
- 1—Peerless 1 to 1 ratio gear head

IRRIGATION PIPE & FITTINGS

Approx. 100 joints of LCOA 6" Flo line 30' joints

- 1—Lot of hydrants 7" outlet
- 40—Joints 7" x 20' gated pipe 40' gates
- 4—Hi pressure hydrants 7" outlet
- 1—Lot of irrigation fittings, T's, L's, Caps, etc.
- 1—Lot of irrigation tubes, 1 1/2" and 2"
- 1—Lot of tarp sticks
- 1—Shop made pipe trailer

COTTON TRAILERS

- 1—John Deere 8 x 8 x 18' metal trailer
- 2—Cobey 8 x 8 x 18' metal trailers
- 1—Lubbock 8 x 8 x 18' metal trailer
- 1—Cobey 8 x 8 x 18' metal trailer
- 6—Cobey 8 x 8 x 24' metal trailers
- 1—Big 12 14000# Chasle

SHOP EQUIPMENT

- 1—Continental shop press 30 ton comp.
- 1—Craftsman electric drill press
- 1—J. D. 6 & 12 volt battery charger
- 1—Lincoln 300 amp AC-DC shop welder w/leads
- 1—Coats 2020 air power tire changer

- 1—American shop air compressor electric motor
- 1—Shop grinder, Duracraft 2-HP
- 1—Lot of hand tools
- 1—set of 3/4" dr. sockets
- 5—Impac wrenches, various sizes & sockets
- 1—Lot of electric tools
- 1—Lot of pipe wrenches
- 1—Hi-pressure washer.
- 1—Johnson metal band saw
- 1—Forney 200 amp shop welder
- 1—Floor jack, air operated
- 1—Lot of bolts & assorted parts
- 1—Lot of C-clamps
- 1—Shop A-frame w/1/2 ton hoist on casters

Many items too numerous to mention

SPRAYERS & TANKS

- 1—Re-circulating sprayer
- 1—Front Mt. sprayer w/300 gal. fiberglass tank, Ace pump

'Cats fall in region final

By DON NELSON

The Bobcats' 1984-85 playoff climb ended just a game short of last year's. But it was the game they wanted to win more than any other this year — the game that would have propelled them to the Super Drum, the Top Four, the state tournament.

The classy Seminole Indians shattered the Bobcats' dreams, 67-51, in the Region I-AAA championship game Saturday. The Seminole win broke a

three-year string of Region I-AAA championships by the Bobcats.

Before their regional semifinals game Friday, the Bobcats watched Seminole dismantle Iowa Park, 75-53. They watched the Indians dominate the boards, and saw four Seminole players score in double figures.

Then the Bobcats went out and played one of their flattest games of the year against Gatesville.

Dimmitt 51, Gatesville 50

The Dimmitt-Gatesville score stood at a miserable 5-5 at the end of the chilly first quarter, and the Hornets of District 8-AAA held a 19-17 halftime lead.

The Bobcats finally came alive in the third and forged an eight-point lead, which they stretched to 10 with 5:20 remaining.

But then things went bonkers again in the stretch. The Bobcats made only one of a possible six points on one-and-one free throws midway in the fourth while Gatesville collected four of four and sank a pair of field goals to pull within a point, 45-44, with 2:30 remaining.

After Dimmitt's Nathan Nelson and Gatesville's Kenny Moore traded long shots, Dimmitt led by 47-46 when Gatesville went into a stall, looking for a winning shot.

But Pat McDonald made the game's biggest play when he stole the ball and drove the length of the court for a layup to open a three-point lead, 49-46, with 30 seconds left. Then, after a Gatesville rim-out, James Alexander was fouled and made both free throws to stretch Dimmitt's lead to 51-46, with 26 seconds remaining.

But it wasn't over yet.

Gatesville stole an inbounds pass and scored with 20 seconds left, and Carl Cody sank two free throws with three ticks to go, and it was a one-point game again at 51-50.

Nelson took the inbounds pass after Cody's free throws and fought to keep possession as the Hornets trapped him near the lane. They stripped him of the ball, but not until the horn had sounded on a 51-50 Dimmitt escape.

"I never knew three seconds could be so long," Nelson said afterward. He added, "We established a new 'worst game' for ourselves today."

Senior wing Mike Love agreed. "That's one of the few teams we could have beaten, playing like that," he said. "Gatesville probably had more talent than anybody, and they were quick, but they didn't put it together. We just played terrible. We couldn't have beaten Floydada, Muleshoe or Tulia playing like that."

But it was a win — thanks mainly to McDonald's 23-point effort — and it set up the long-expected showdown with Seminole in Saturday afternoon's championship game.

Seminole 67, Dimmitt 51

In the title game, the Bobcats were, again, uncharacteristically uptight. The team that most others dreaded to play was suddenly fighting a case of butterflies.

While the Bobcats again started off cold, Seminole's Terry Bailey — a superb 6-4 senior post — opened with one of the best quarters of his life. He scored 12 points in the first quarter, including a pair of three-point plays, and dominated the backboards to stake the Indians to a 20-7 lead and force the Bobcats into a catch-up game.

The Bobcats went to work with their full-court zone press — which they hadn't used in the first quarter — and started scoring on the fast break. They outscored the Indians 16-11 in the second to narrow the margin to eight points, 31-23, by halftime.

"I didn't press the first quarter because I didn't want to let them get started with their running game," Coach Ken Cleveland said. "That's their game, and they're good at it. We kept them from running, but they just killed us on the boards in the first half. I'll bet they got 20 of their 30 points in the first half on two-foot follow shots."

The Bobcats continued to close the gap in the third when McDonald got a hot hand. He scored 12 of his 26 points in the third period as Dimmitt cut Seminole's lead to four, 41-37.

(Continued on Page 9)

JAMES ALEXANDER grabs a rebound away from Gatesville's Carl Cody in the third quarter of the Bobcats' Region I-AAA semifinals game Friday night. Other Bobcats in the lane (from left) are Danny Martinez, Nathan Nelson, Mike Love (beyond Alexander) and Pat McDonald. Dimmitt won the game, 51-50, to advance to the regional championship contest.

Cleveland, Nelson, McDonald nab honors

Pat McDonald was named Most Valuable Player, and Dimmitt coach Ken Cleveland was named Coach of the Year on the District 2-3A Super Team announced this week.

McDonald was joined by teammate Nathan Nelson on the all-district unit, which consisted of 12 players.

McDonald led the Bobcats with 648 points, a 19.6 average, and led the team with 7.3 rebounds a game. He also had 162 credits, second on the team to Danny Martinez, who had 6.2 credits per game. McDonald also hit 60% from the free throw line, converting 70 of 117 attempts.

Nelson, a senior, scored 7.3 points per game, hitting 89 of 199 field goal tries, and averaged 3.7 rebounds and 4.2 credits per game. He was 47-of-80 from the free throw line for the year.

McDonald was the only non-senior on the all-district unit, which included Fred Rike and Matt Murff of Tulia; Jim Pruitt of Idalou; Derrick Jenkins and David Morren of Floydada; Mark Moton, John Isaac and Rob Donaldson of Muleshoe; and Jay Jaquess and David Estrada of Littlefield.

More about

Swiftettes ...

(Continued from Page 1)

championships, a record of 132-8, and a playoff mark of 24-1. "She was the player of the game. She did so much for us — assists, scoring, defense, rebounding. She means so much to this ballclub, she's got to be the most valuable player."

For the record, Gerber hit seven of 11 field goal attempts, two of four free throws, and led the Swiftettes with eight rebounds in the final game. For the tournament, Gerber hit 13 of 22 field goal tries, giving her 28 points for the tourney. She trailed only Heiman, who had 29 points in the two games.

The Swiftettes easily earned their berth in the finals with a 52-32 lambasting of the Snook Bluejays in the opening game of the tournament Thursday, jumping to a 29-6 lead midway through the second quarter and coasting the rest of the game.

"We just did whatever was necessary to win the game," Lombard said, "especially in the second half. We had a couple of kids that lost confidence in their shooting. But it seemed like, in the second half, we didn't play any better than we had to."

The Swiftettes went into the contest worried about two Bluejays — 5'11 Connie Cole and 5'8 Glenda Benford. Cole led Snook with 19 points, but Benford just had nine, and the Swiftettes were able to keep Benford and the rest of the Bluejays off the boards.

Cole got 20 rebounds, but the Swiftettes pulled down nine more rebounds than the taller Bluejays.

"Kelly Schilling had a super game," Lombard pointed out, "and we all did a great job against Cole and Benford. We had two or three people on them most of the game, and that hurt their offensive output."

"All of our inside people did extremely well in the first half, especially Kelly," Lombard said. Schilling hit 11 of her 13 points in the first two quarters, and pulled down six of her nine rebounds.

Snook hit just 15 of 60 field goal tries, while the Swiftettes hit 24 of their 60 attempts from the field. The big difference, though, was in the first half, when Snook hit seven of 22 attempts from the field while the Swiftettes canned 15 of 32 shots.

Most of those extra tries came from turnovers. Nazareth forced 10 first-half Snook turnovers, and got eight points directly from them while charging to a 31-14 halftime lead.

Snook got no closer than 15 points in the second half (despite help from the official scorer, who missed a Gerber shot after a quick turnover with a minute to play in the third quarter), closing the gap while the Swiftettes suffered from a nine-for-28 shooting performance. Snook fared even worse, though, shooting eight-for-38, just 21%.

After the tournament, Lombard was asked the obvious question: How does this team compare with the other Swiftette teams?

"It's just a great honor to coach a super bunch of young ladies like these," Lombard said. "Basketball is important to us, but I hope we've prepared them better for life. I hate to compare teams, because they play different competition. Everybody is out to beat Nazareth, and in its own right, this team was best, but I don't know if it's better than last year's (also undefeated team), or a team that lost three or four games. It may well be the best team we've had, in looking at our record and teams that we've played this year."

"I will say this," Lombard continued. "Gerber and Heiman are two of the best we've ever had at Nazareth, and Schilling and Schmucker aren't too far behind them."

DANNY MARTINEZ fires a 15-ft. jumper as Mike Love heads for the boards in the Bobcats' Region I-AAA semifinals game against Gatesville Friday night. Dimmitt won, 51-50.

NAZARETH'S LEONA GERBER (middle, falling down) found herself in a state finals sandwich Saturday in the third quarter of the Swiftettes 56-48 championship win. Priddy's Marla Hopper (left) and Naidene Tiemann (center) applied a little too much pressure — Gerber was fouled, and made one of her two free throws to give the Swiftettes a 42-25 lead. Helping out underneath are Swiftettes Kelly Schilling (left) and Ramona Heiman (right), while CeCe Kern (14) and LaDawn Schmucker (10) get ready to help in the backcourt.

More about

Bobcats ...

(Continued from Page 8)

at the 3:06 mark. At the end of the third, the Indians held a 45-39 advantage.

One of the biggest plays of the game came early in the fourth when Seminole's Brad James fired a 15-footer and McDonald was whistled for an under-the-basket foul while the ball was in the air. The shot connected and Seminole got the ball out of bounds. Jonathan Bell scored a quickie off the inbounds pass and the Indians were suddenly up by 10, 49-39.

"That four-point play was a swing play," Cleveland said. "I hate to say anything about the officiating, but I didn't see Pat foul the kid."

"I think that was a real big play — probably the biggest in the ball game," Seminole Coach George Byerly said. "If they get down the floor and make it four, we've got a real dogfight on our hands. But with a 10-point lead, we could be more controlled."

Down by 10 points and with time running out, the Bobcats had to start fouling to get the ball. But the Indians sank 12 of 14 free throws in the waning minutes to stretch their final victory margin to 67-51.

"They were a better team today," Cleveland said afterwards. "We could play them a best-of-seven like the pros do, and it could end up 4-3. But today they were the ones, and I can't argue that."

Although the Bobcats forced more turnovers (13-8) and had more steals (5-4), the key statistic was in rebounds, where the taller Indians dominated, 37-25. Those 12 extra rebounds gave the Indians a lot of short follow shots and cut off many second shots for the Bobcats.

Another key factor was the Bobcats' off-target shooting. McDonald played a superb offensive game, hitting 12 of 23 field goals (52%) and going 2/2 at the free-throw line. Ray Cameron hit two of three field goals and Darrell Washington was 1/2 from the floor and 2/2 from the line. But the other six players who saw action accounted for only five baskets and seven free throws. As a team, the Bobcats connected on only 36% of their field shots — 12% below their norm.

The Bobcats finished their year with a 23-10 record against the toughest competition they could find. They played eight playoff teams, defeated two teams that are going to state (Nazareth and Morton), and finished in the top eight Class AAA teams in the state.

More about

Swifts ...

(Continued from Page 1)

The Ponder club the Moguls beat in the Region II finals basically the same club the Swifts knocked off in the first round of last year's state tournament 53-47.

"I fully expect us to be in the ballgame with Munday," Lombard said. "We'll have an advantage by having played down there last year. We won't be in awe of the place (Super Drum). That should be to our advantage, to have been down there before. We can go down there and just think about Munday and winning the ball game."

Lombard says the Swifts are playing some of their best basketball of the year, and was pleased with the Swifts' play in the Region I Tournament last weekend in Levelland.

"I think we can play better, and, I hope, will play our best two games of the year in the state tournament," Lombard said. "We had good play from a lot of people, both starters and our people off the bench, in the regionals — a lot of contributions from everyone. And Russell Hoelting was just super. We will have to play a good defense to win it all, and if we do that, we'll at least be in the ballgame."

Waiting in the wings are Snook and LaRue LaPoynor, who meet at 10 a.m. today. The Bluejays are 33-5, while LaRue LaPoynor is 29-6.

The Swifts left Tuesday morning for the state capital, and worked out Tuesday afternoon in Brownwood. They arrived in Austin Wednesday, where they are staying at the Villa Capri.

Nazareth's state tournament games will be broadcast live over the UIL Sports Network by KDHN, 1470, beginning at 8:20 this morning.

Take region title

Swifts turn back tough field

Nazareth was able to COPE with one of the strongest regional tournament fields in the state last Friday and Saturday to earn its second straight trip to Austin.

The Swifts, 27-5, were able to cope with the hot scoring hand of Klondike's Tim Cope in the finals Saturday night, winning 61-56, after powering past Gruver 45-40 Friday afternoon and blowing past Jayton 66-54 Saturday morning.

"Russell Hoelting just had a super tournament for us," said an exhausted coach Joe Lombard Saturday night. The 6-0 senior post had 63 points in the three games.

Hoelting led the Swifts back against Gruver, 18-3, "because we happened to have the baseline open, and he's a good shooter," Lombard said.

The Greyhounds led by eight, 10-2, midway through the first quarter before Hoelting, who finished with a game-high 22 points, hit a

three-point play with 1:23 left in the quarter. The Swifts trailed by the same margin, 12-9, after the first period.

Chris Gerber, who had the first four points of the contest, tied the game at 16 on a jumper from the corner before Randy Leavitt put the Swifts ahead with 3:20 left in the first half on a turnaround jumper.

Ricky Backus hit two free throws just before halftime to give the Swifts a 22-18 lead, but Gruver closed within two at the half.

Nazareth had opened with a man-to-man defense "because we were afraid of using a zone against their outside shooting," Lombard explained. The Swifts had to go back to a 2-3 zone in the second half,

Swifts 45, Gruver 40

NAZARETH: Ricky Backus 3-0-6; Chris Schmucker 0-2-2; Russell Hoelting 10-1-21; Chris Gerber 4-2-10; Kevin Hoelting 2-0-4; Billy Steffens 4-0-9; Randy Leavitt 4-2-10. **TOTALS:** 27-7-61.
TOTAL FOULS: Klondike 19, Nazareth 16.

though, because the Greyhounds were able to penetrate through the man-to-man. The zone shut off the inside game, but Nazareth couldn't penetrate Gruver's matching 2-3 defense on the other end. It kept Nazareth from building a lead, and let Gruver come back to take a short-lived lead on four straight long-range bombers at 32-30.

Leavitt tied the contest at 32 with 7:30 to play after taking a lob feed from Backus, then Hoelting put the Swifts up for good on the 10-footer with six minutes to play.

Kevin Hoelting hit the eventual winning free throws with 2:13 left, then Gerber stole the ball in Gruver's end with two minutes left.

The Swifts tried to set up their control offense, but a pass from Gerber to Leavitt was intercepted. While giving chase, Gerber went down with a twisted ankle. It kept him out of Saturday's semifinal with Jayton, but the senior guard was able to play Saturday night against Klondike.

"They're the best Class A team we've played by far," Lombard said of the Greyhounds. "I believe the key was we didn't let them get to the foul line. They had shot 36 of 42 free throws against Phillips (in the Greyhounds' 68-44 area championship win). It could have gone either way right down to the last minute."

While Lombard was in Austin coaching the Swiftettes to their eighth state title, the Swifts were facing Jayton in the regional semifinals.

With intermittent reports of the Swiftettes game announced over the Texan Dome PA

system, Nazareth looked inspired in taking the win.

Freshman Chris Schmucker strating in place of Gerber, hit five of six field goals for 16 points.

"Even though he's a freshman he's kind of a team leader when he's out there," said Coach Johnny Hampton, who led the Swifts Saturday morning during Lombard's absence.

"Jayton had some super athletes," Hampton said. "These were the same kids who won the state six-man football championship."

The Swifts hit a blistering 82% (9 of 11) from the field in the first quarter, and 70% for the first half, but led by just 31-29 at halftime as the Jaybirds hit on 14 of 21 shots, 67%, in the first half.

The Swifts never trailed, though, in the contest, and opened up a 51-44 lead after three quarters, then outscored Jayton 15-10 in the fourth quarter.

In the regional finals against Klondike — well, anyone who didn't see the girls win Saturday morning got to see an almost exact ending, as the Swifts staved off a furious comeback by the Cougars for the state tourney berth.

"The boys played the same game as the girls played this morning," Lombard said Saturday night. "We could not put them away...we should have won this one by 20 points. It's really unbelievable, but I'm so glad we won and get to go to state again."

"We had an especially good first quarter," Lombard said, "and a pretty good first half, but we just could not put them

(Continued on Page 12)

RUSSELL HOELTING puts a perfect block on an attempted shot by Gruver's Kelon Morley in the fourth quarter of the Swifts' Region I-A quarterfinals game Friday at Levelland. The block was crucial, with the Swifts holding a 34-32 lead with 5:46 remaining

in the game. Nazareth went on to win, 45-40, then defeated Jayton and Klondike to win the regional championship. Other Swifts in photo are Ricky Backus (12), Randy Leavitt (52) and Chris Gerber (30).

← MARK SMOTHERMON gets off a shot over Gatesville's Mike Hollingsworth in the Bobcats' Region I-AAA semifinals game Friday night. Dimmitt escaped with a 51-50 victory despite a four-point Gatesville run in the final 20 seconds.

→ PAT McDONALD drives past Seminole's Terry Bailey en route to a Dimmitt score in the first quarter of the Region I-AAA championship game Saturday in Lubbock Municipal Coliseum. McDonald scored 26 points — more than half of Dimmitt's total — as the Bobcats fell to Seminole's balanced scoring attack, 67-51. McDonald was named to the all-regional tournament team.

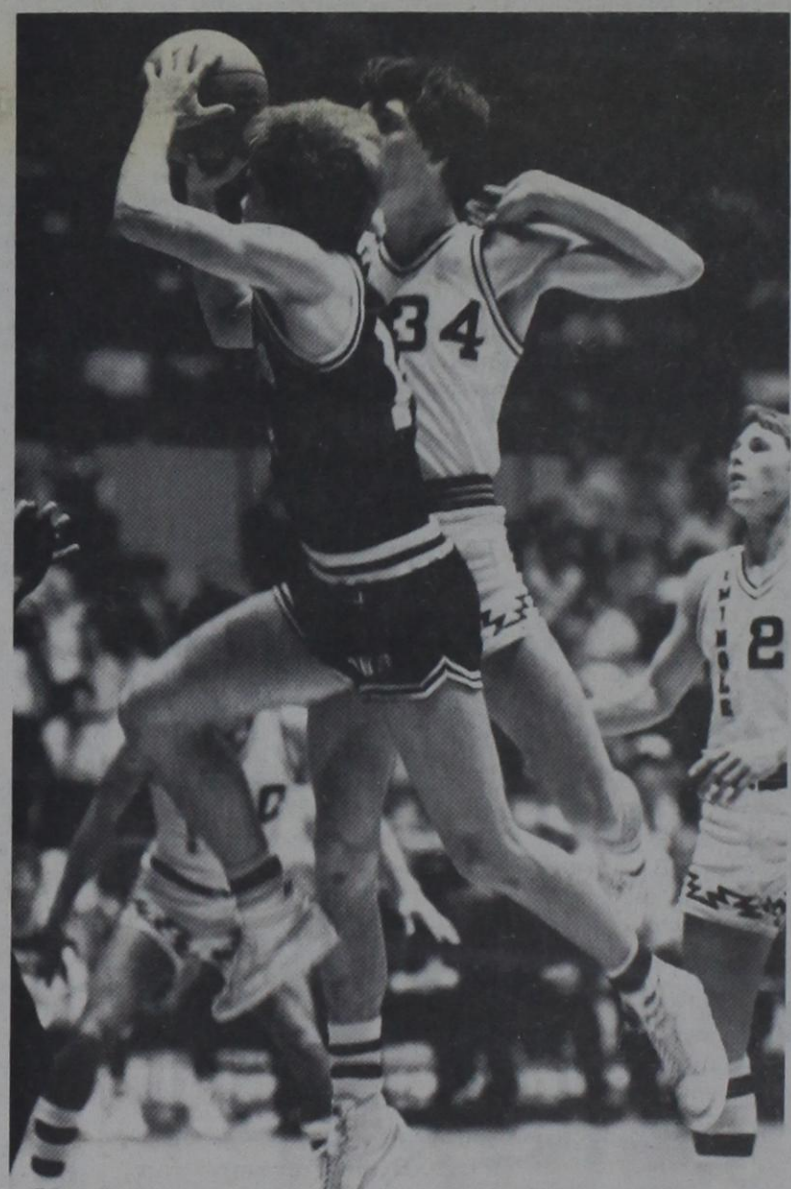

Well Done, Bobcats!

* 23-10* Top 8 in State*Regional Finalists

THANKS FOR A GREAT YEAR!

← RAY CAMERON scores for Dimmitt as Darrell Washington (30) races to the boards in the second quarter of the regional championship game Saturday. Cameron's basket, which came after a steal and feed by Danny Martinez, cut the Indians' lead to 21-30 near halftime.

→ OUCH!—Dimmitt's Mike Love draws a foul from Seminole's Terry Bailey (34) as he drives in for a shot in the second quarter of the Region I-AAA championship game Saturday in Lubbock. Love made both free throws to cut Seminole's lead to 20-9.

MIKE LOVE sets up the offense for Dimmitt after stealing the opening tip in the Bobcats' regional championship game against Seminole Saturday afternoon in Lubbock Municipal Coliseum. Guarding him is Seminole's Jonathan Bell. The taller Indians won the title bout, 67-51.

LGPA schedules cleaning, dinner

A St. Patrick's Day Spring Cleaning of the Castro County Country Club was planned recently by the Ladies Golf and Pool Association.

Journalism scholarships are available

Two local high school seniors have an opportunity to win a \$500 college scholarship, it was announced this week by Don Nelson, publisher of the News.

The News is a member of the West Texas Press Association, the world's largest regional press group, and that organization is seeking out two future community journalists to receive stipends of \$500 each.

Through the "Bob Craig Memorial Scholarship" program, named in honor of long-time Hamlin Herald publisher Bob Craig who died in 1981, the West Texas Press Association is sponsoring an essay contest based on the theme, "My Future and Career Plans in Community Journalism." High School seniors interested in pursuing a career in community journalism may submit their essays to WTPA Scholarship Committee, Glenn Rea, Chairman, Box 757, Azle, Texas 76020.

The essays must be postmarked no later than April 15.

The essay is limited to a maximum of 400 words and no letters of reference will be accepted for consideration in the contest.

In addition to being a senior in high school, each applicant must maintain a "B" average or better and plan to continue studies at a school of journalism. Once the winners are selected they must be enrolled in at least three hours of journalism each semester they received assistance.

The scholarships will be divided into payments of \$250 per semester for two semesters for two students.

The essays will be judged by the Texas Press Association.

Crime Line

The Castro County Crime Line is offering a \$500 reward for information leading to the indictment of the individual or individuals responsible for over \$4,800-worth of damage to farm equipment south of Dimmitt.

In a general area about two miles south of Dimmitt, several well motors and two tractors were damaged, including glass breakage on the tractors. The incident happened late Friday or early Saturday.

The damaged items belong to Ray Bradley, Donald Wright, W. A. Baldrige and Frank Wise. Sheriff's deputies say the damage was apparently caused by a hammer.

The family cleanup is set for 1:30 p.m., according to reporter Gaye Keaton.

"We want all of our members to bring their cleaning supplies and join us for our spring cleaning," Keaton said.

The LGPA also set the annual membership dinner for Mar. 19 at 7 p.m. at the Country Club.

"This will be a covered dish supper," Keaton said, "and we encourage new and old members to attend. We have some good ideas planned, but we need everyone's help to make them work."

Social Security in Castro County

By TERRY J. CLEMENTS

Because the Social Security and supplemental security income (SSI) programs are designed primarily for people who are aged, disabled or blind, and families of deceased workers, many people overlook the aspects of these programs which protect children, particularly disabled children. However, these benefits mean the difference between a lifetime of dependency and a measure of dignity to many people disabled in childhood.

Social Security benefits may be paid to a person disabled before age 22 if a parent has retired, is disabled, or died after having worked long enough under Social Security to qualify for benefits. The monthly benefits may continue as long as the child is disabled, so long as the retired or disabled parent continues to receive benefits or if the parent dies. An application may be submitted at any age if it can be shown that the disability began before age 22 and that the person is still disabled. About 500,000 persons are receiving benefits as adults disabled in childhood.

SSI, which makes monthly payments to people who are 65 and over or blind or disabled with little income and resources, also makes payments to blind or disabled children. Some of the parent's income is considered to be that of the child when determining the child's eligibility. Approximately 230,000 persons age 17 and younger are receiving SSI benefits as children.

The medical requirements for disability are the same for children under both programs and, in general, is the same definition which applies to adults. Eligible individuals must have a physical or mental impairment which prevents them from working for a year or more or is expected to result in death.

Most who qualify for child's disability benefits have some form of mental impairment or mental retardation. Other common qualifying disabling conditions include birth defects, muscular dystrophy, and muscular sclerosis.

If you have any questions you may contact us at 1401-B 5th Street or call us at 293-9623.

Letter Thanks, Bobcats

Another basketball season is history, and, again, I would like to express my appreciation for all the support and backing given to our Bobcat team by the many loyal fans we have in Dimmitt.

I'm sorry we won't get to make the trip to Austin with our team, but I'm very proud of the efforts and accomplishments of this year's team.

I want to thank all our Bobcat players for their hard work and dedication. They gave 100% effort all year long. I always hate to see our seniors play their last game. We had five seniors that everyone can be proud of: Nathan Nelson, Mike Love, Darrell Washington, Ray Cameron and Danny Martinez provided valuable leadership and their attitudes were great. It was a hard pill to swallow Saturday afternoon, but in time all these players will look back and see that they accomplished something.

I want to thank all our coaches in Dimmitt for their help and support, but a special thanks to Alan Steidle and George Rasor. Alan and George have been with us a number of years and all their hard work with our basketball program is greatly appreciated.

Thanks to our administrators and school board for their support. We are fortunate to have their leadership in sports in Dimmitt. Thanks to our cheerleaders, our teachers, our students for backing the team. A special thanks to Cody Myers and the band. Thanks to the newspaper and radio station for all your support and coverage.

Again, thanks to all our fans — but a special thanks to our "front row" gang who back us all the way.

We are never completely satisfied unless we finish at the top, but I told our players Saturday afternoon they could hold their heads up and be proud they were one of the final eight teams in the state. This year's team was a bunch of battlers, and I'm proud of them.

THANKS BOBCATS!
KEN CLEVELAND

SOMETIMES a humpback whale may carry over 1,000 pounds of passengers, says National Wildlife's Ranger Rick magazine. The commuters are thousands of tiny animals, like shelled acorn barnacles, gooseneck barnacles and lice.

More about

Swifts ...

(Continued from Page 10)

away in the second half. And I guarantee you, that Cope is a super player. He hit some big shots against us."

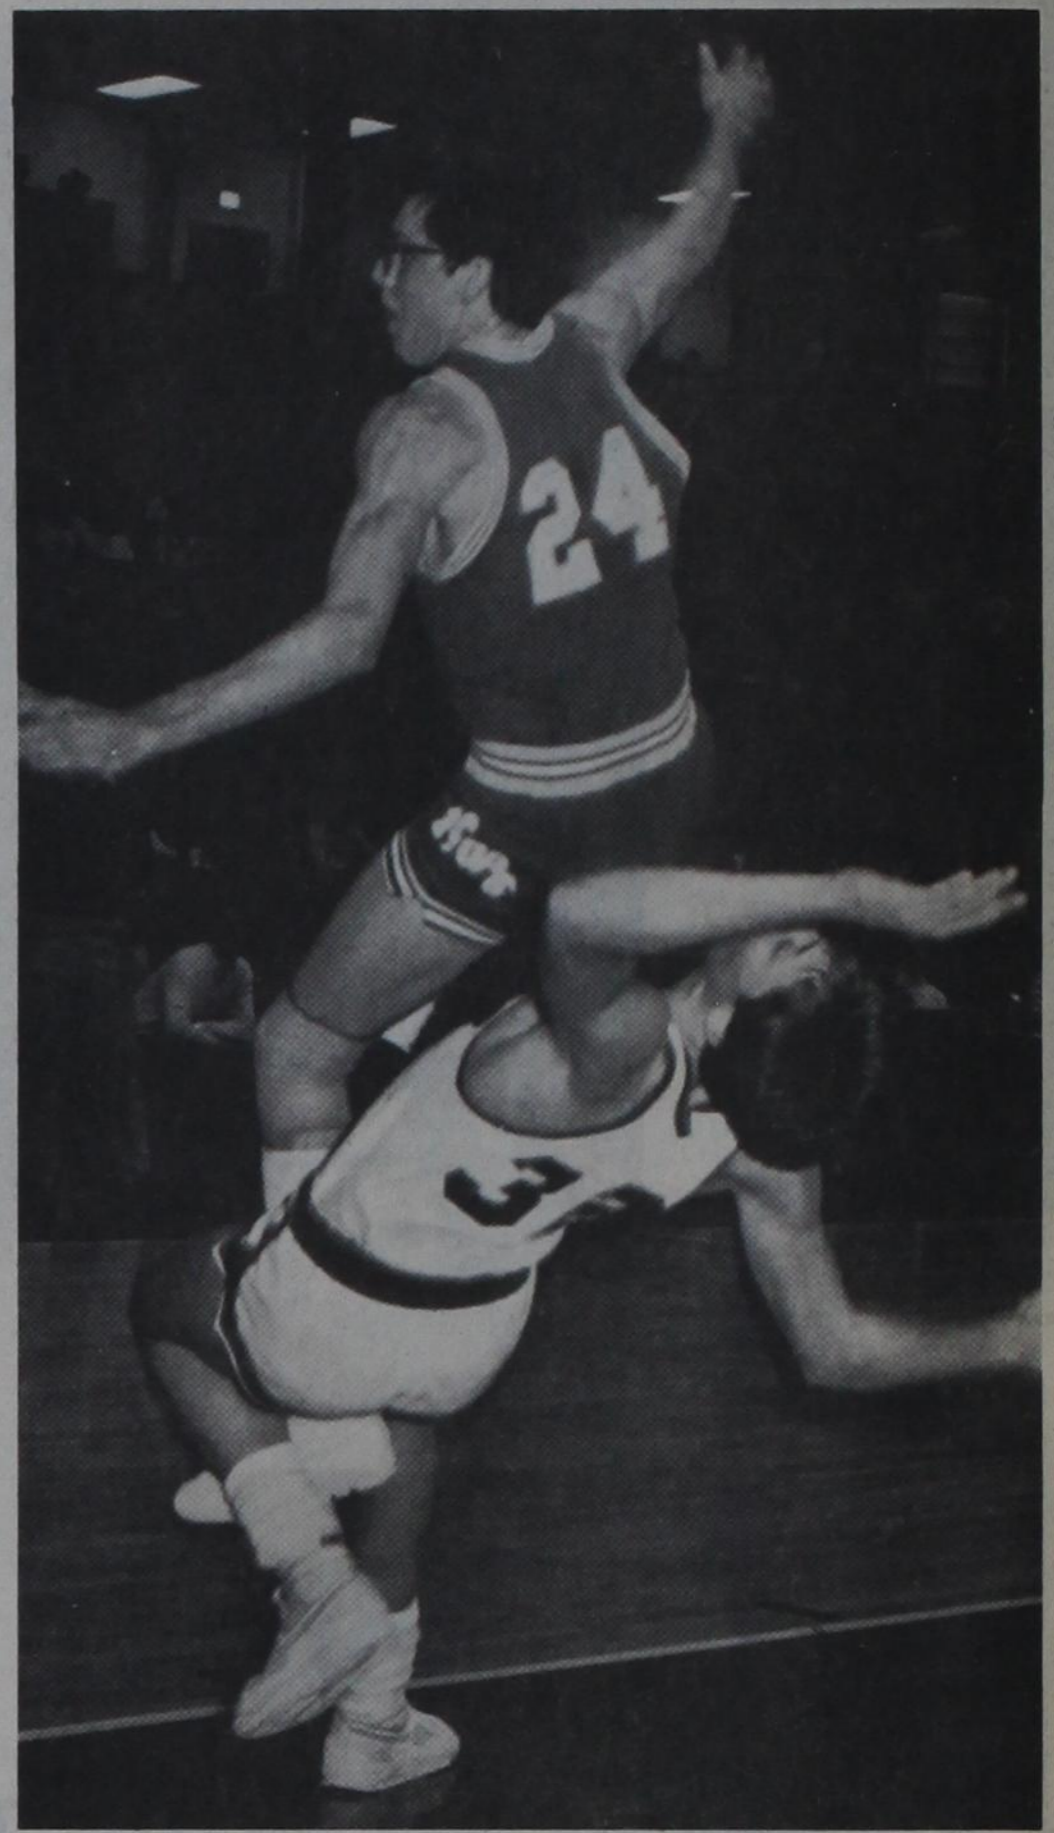

Nazareth threatened to up the game out of reach early, leading 9-2 with 5:00 left in the first quarter, but Cope, who had 26 points for Klondike, got the Cougars back within four at 13-9. Russell and Kevin Hoelting led the Swifts to an eight point advantage, 21-13, at quarter's end.

The Klondike press gave the Swifts some fits, but Nazareth returned the favor. Neither team could score until Kevin Hoelting put the Swifts up by 10, 23-13, with 6:00 left in the first half. Nazareth then mixed an outside barrage by Backus and the inside play of the Hoeltings, Leavitt and Billy Steffens to fashion a 12-point halftime edge, 33-21.

Klondike couldn't gain any ground in the third quarter, and still trailed 59-48 with 1:22 left. The Cougars hit six straight points, though, while Kevin Hoelting and Chris Gerber missed on five free throw opportunities to close to 59-54 with :34 left.

Bryan Kirkland missed with :12 left, and Billy Steffens pulled down the carom. Schmucker was fouled immediately, and hit both ends of the two shot foul. Mike Mitchell hit a long-range jumper with five seconds left for the 61-56 final.

"Russell was absolutely super," said Lombard. "It kind of hurt when Ricky Backus fouled out (with 2:29 left), because he's our best free throw shooter, and that hurt us in the last minute. As normal, our post people played well, but Russell was just absolutely super."

ZAP!—Nazareth's Russell Hoelting (24) collides under the basket with Gruver's Kelon Morley in the first quarter of the Swifts' Region I-A quarterfinals game Friday in the Texan Dome at Levelland. Morley had tried to draw a charge on Hoelting's driving layup, but all he got out of it was a hard trip to the paint and a foul call. Hoelting's shot fell and he converted the free throw for a three-point play. The Swifts defeated Gruver, Jayton and Klondike to earn their second straight Region I-A championship.

Danny Underwood and Debbie Dennis

June wedding planned

Mr. and Mrs. Edgar Dennis of Dimmitt announce the engagement and approaching marriage of their daughter, Debra Denise, to Danny Paul

Underwood, son of Shirley Underwood of Dimmitt and Roy Dale Underwood, also of Dimmitt.

Vows will be exchanged June 8 in the First Baptist Church of Dimmitt. After the wedding the couple plans to live in Dimmitt.

Obtaining an associate degree in science from South Plains College in 1982, Dennis now works in the obstetrics-gynecology clinic of the Texas Tech Health Science Center in Lubbock. She graduated from Dimmitt High School in 1980.

Underwood is a 1981 graduate of Dimmitt High school and will graduate in December from Texas Tech University with a degree in agriculture education. He plans to go into farming.

Ashmore gets recognition

Cindy Ashmore of Dimmitt was one of the more than 50 Wayland Baptist University students honored recently at the annual Recognition Day Chapel.

A senior accounting major, Ashmore received the Accounting Award from the Division of Business, being named the outstanding student of the year in that area of study.

She and her husband, Junior, live at Ruskin Circle in Dimmitt.

Blevins, Adams to wed

Mr. and Mrs. Roy W. Blevins of Hereford announce the engagement and approaching marriage of their daughter, Sheri Dianne, to Kenneth Wayne Adams, son of Mr. and Mrs. Donald Adams of Rt. 2, Hereford.

Vows are planned for May 11 in the First Christian Church of Hereford.

A 1983 graduate of Hereford High School, the bride-elect is employed by Hereford Welding Supply. The prospective groom

is a self-employed welder. He graduated from Hereford High School in 1974.

The pair plan to live at Rt. 2 Hereford after the wedding.

Rotary hears UIL readings

"The Dirtiest Man in the World" was among the readings presented to the Dimmitt Rotary Club at its Friday meeting.

Sixth grade participants in UIL Literary events set for Saturday practiced their oral reading at the meeting. Those who gave readings included Shawn Thomas, Lisa Travis, Royce Schulte, Dennis Petty and Jamie Baker.

Their sponsor, Glenda Sims, said the competition takes many hours of preparation, with the youths coming in early each school day morning.

The program was introduced by club member Jimmy Evans. Fifteen members were present.

'Legendary Ladies' will be reviewed

Dimmitt Book Club will meet Wednesday (March 13) at 4 p.m. in the Rhoads Memorial Library meeting room.

Diane Townsend will review *Legendary Ladies of Texas*, edited by Francis Edward Abernethy. The meeting is open to the public.

"Texas women were activists. They ran ranches, branded cattle, made big money, got elected to public office, and built major in-

stitutions. They brought civilized life to hundreds of Texas towns. Some Texas women were quite outrageous. Many were outlaws in spirit, if not always in fact. Other Texas women expanded the range of allowable experiences for women by proving their own extraordinary capabilities," Townsend said.

She added that much of the information about Texas women has been overlooked or discounted by historians, who may have been unaware of its significance.

"Abernethy's collection of articles about some of Texas' *Legendary Ladies* is most welcome. It captures the spirit of real women who were so unique or adventuresome that they simply cannot be forgotten or overlooked," she concludes.

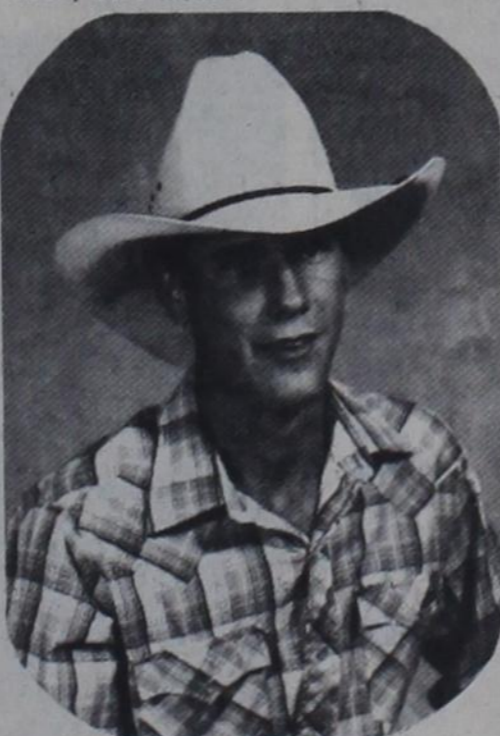

The review will be preceded by the regular club business meeting at 3:30 p.m.

Schilling is honored

Roy Schilling, son of Donald and Agnes Schilling of Dimmitt, was recently honored at Clarendon College.

Named "Mr. Clarendon College 1985" by the student body, Schilling is a sophomore majoring in farm and ranch management.

He graduated from Dimmitt High School in 1983, where he was active in FFA, industrial arts, and band.

DEPRESSION-ERA GLASSWARE MONTH is being celebrated in Castro County and the Texas Panhandle in March. A display of the colorful ware is being set up in the First State Bank of Dimmitt by Top of Texas Depression

Glassware Club officers (from left) Delle Moore, secretary, and Ramona Annen, president. Displays are also on view at Rhoads Memorial Library and the Castro County Museum.

Education grant may be available

March 15 is the deadline for the Castro County college students majoring in education to apply for the \$500 annual recruitment grant, made available by Iota Zeta, the local chapter of Delta Kappa Gamma to honor students who show a potential for distinctive service in any education field.

Marci Wescott and Shirley Schacher are previous recipients of the grant, which is made possible through donations by local members to the fund.

Interested students must have attended a Castro County high school, have verification of acceptance by a college education department, and must submit a letter of application along with the verification letter.

Interested persons may contact Shirley Barnes at 938-2243 or Margaret Rambo at 938-2450, or may write to Delta Kappa Gamma Recruitment, in care of Mrs. Barnes, Hart, 79043.

Cotton Show set

A Cotton Arts and Crafts Show is set for April 11-13 to coincide with the Texas Cotton Ginners convention in Lubbock.

Theme of the show will be "Cotton or Country." Items can be made of any materials, but they need to reflect the theme. Application for booth space may be made by contacting JoAnn T. Mock, Rt. 2, Post 79356, phone (806) 996-5415.

Entries are also encouraged for the Original Fiber Style Show set for April 11 during the convention. Original designs in handwoven, crochet, screen print, knit, quilted, or batik materials are welcome.

Application must be made in advance and space is granted on a first come, first served basis.

Happy Birthday!

MARCH 7 — Bobby West, Stephanie Killingsworth, Buddy Joe Burnam, Lupe Garza, Lisa Ball, Allen Maurer, Robin Brooks, D. L. McLain, Christine Box, Reta Cole, Luis Villegas, Daniel Rodriguez.

MARCH 8 — Gaines Howell, Kasey Wheelless, Stewart Newsom, Denise Alford, Gloria Diaz, Herman Longoria, Kristin Brockman, Donna Birkenfeld.

MARCH 9 — Jeffrey Hutson, Trudy Dennis, Frank Sepeda, Wanda Brock, Abel Reyna, Sr., Katy Browning, Winfred Wagner, Ronnie Hooper, Chris Bermea.

MARCH 10 — Ben Benton, Alyce Killingsworth, Shelly Gentry, Clay Anderson, Gale Long, Anita Huseman, Andrea Braddock, George Bermea, Barbie Steffens, Carie Wethington, Marlon Backus.

MARCH 11 — Sheila Langford, Lance Louder, Norris Cole, Peggy West, Gerald Summers, Daniel Higgins, Traci Knox, Michelle Davis, Manuel Mendoza, Jr., Harry Grensburg, Jolene Schulte, Nelita Collins, Jessie Olvera, Leonard Wilhelm.

MARCH 12 — David Cole, Diane Hatla, Carla Petty, Dawn Ramaekers, Rodney Schulte, Kayla Acker, Bruce Hall, Greg Hoelting, Susie Schulte.

MARCH 13 — Bryan Armstrong, Robbie Sarabia, David Hernandez, Harvey Davis, Denice Gerber.

Annual PAA art show scheduled

The Plains Art Association 25th annual Spring Show and Sale has been set for March 17-31 at the Herral Fine Arts Complex at Wayland Baptist University in Plainview.

Entries will be accepted March 15 from 10 a.m. to 6 p.m. Fees are \$5 per entry for non-members and \$4 per entry for members of the association. Membership dues are \$10. There are no limits on the number of entries per person. The show is open to all area artists over 16 years old.

Except for purchase awards, the association will charge a 20% commission on all sales. Artists should price their work or mark it NFS — not for sale.

Categories of competition will include paintings not under glass, painting under glass, photography, and other art forms (sculpture, pottery, stitchery, jewelry, enamels, etc.).

Ribbons and cash prizes will be given to the winner of the Best of Show, and first, second and third places in each category.

Cash prizes will include \$125 for best of show, \$90 for first place, \$60 for second, and \$30 for third in each category. Purchase awards totaling \$800 will be given, with the art work to be selected by the purchaser March 16 from 2 to 4 p.m.

Judge will be Gary Edson, head of the Art Dept. at Texas Tech University in Lubbock. Show winners will be announced March 16 at a luncheon.

Viewing by the public will begin March 17, with an open house set March 31 from 2 to 4 p.m. For more information, call (806) 293-5969.

Local singer releases tape

A brand new country and western cassette tape album just released Friday features local singing talent Gary Jouett, 25, of Dimmitt.

The title song of the album, "You're All I Ever Need," was written by Jouett, along with six other selections. The tape also features three original songs by other writers.

On sale at Ann's Cafe, Sheffy's Western Wear, and TG&Y in Dimmitt, the album is priced at \$7.35 each, including tax.

"I've been singing for about 13 years now," Jouett said. "I've been a member of the local band 'Whiplash' for about 2½ years."

He added that he also plays the guitar, but not on his new tape. Jerry Hodges of Hereford and Jerry Frazier of Dimmitt engineered the taping at Soundstage One of Hereford. The tape was produced by Jouett and his fiancée, Elida Zamora, who are both featured on the cover picture.

'YOU'RE ALL I EVER NEED' ... Gary Jouett and his newly released tape.

Jouett is the son of Reba J. T. Jouett. He is employed at Ann's Cafe in Dimmitt.

Locals make honor list

Three Castro County students have been named to the Dean's Honor Roll at Texas A&M University.

Receiving recognition for outstanding academic achievement were: Robin S. Ryan, fall graduate, health education; Timothy M. Wales, junior,

agronomy; and Rodney G. Kleman, animal science.

Recipients of the Dean's Honor Roll must be registered for 15 semester hours and earn at least a 3.75 grade point ratio, out of a possible 4.0 during the most recent grading period.

View From the Other House

The good ol' banana!

"Sometimes I go on a fruit binge. Sometimes that is all I eat, I just feel like eating fruit. I don't know why," says Bob Hodge, a New England marathon runner. The body has a good reason to go bananas. Fruits are an especially abundant source of complex carbohydrates, which are rapidly broken down into glycogen and stored in the muscle and liver to be used for energy.

I know one fellow who has a banana before he runs. If you do too, good for you. The average six-inch long banana is 20 percent sugar. It has about 85 calories. The other part includes an alkaline mineral residue that is good for digestion. One banana gives about one-fourth the daily amount of the USDA recommended Vitamin C, and substantial amounts of calcium, niacin, iron and phosphorus for building red blood cells and makes for good bone growth.

As many of you good dieters know, I recommend one banana a day with your cereal for breakfast because it's one of the very best natural sources of potassium. The body carries only a small amount of this mineral and doing without potassium brings on more mus-

cle fatigue and slowed reflexes. I am told potassium helps regulate the good ol' heart beat. It also helps give real good for the ol' ulcer fighter. I have been having a good first-hand experience with that little problem. I am doing much better now. Thank you all for all the nice cards, flowers, and calls during my stay in a Lubbock hospital. Dimmitt can really be a nice place, a good friend when a body is down.

You all come down to The Other House and get a little slimmer and feeling real good. Amelia is starting her new slimmersize classes. Hope you like our new name for the exercise classes. She is really a tough and good instructor.

Also be looking for the grand opening of the new Do Dad Shop, which is next door to The Other House.

We are open in Dimmitt from 8:30 a.m. to 7 p.m. each day and in Hereford 9 to 7. Come on by.

Till Later,

Ann know, I recommend one banana a day with your cereal for breakfast because it's one of the very best natural sources of potassium. The body carries only a small amount of this mineral and doing without potassium brings on more mus-

ABI Agriculture Business Industry

de la Garza to address Deaf Smith REC meeting

Kika de la Garza, US Rep. for the 15th Congressional District, will be the featured speaker at the 1985 annual meeting of Deaf Smith Electric Cooperative, set for March 16, beginning at 5 p.m. in the Hereford Bull Barn.

Representative de la Garza is a 20-year congressional veteran, and has served as chairman of the House Agricultural Committee for two terms.

During his House service, de la Garza's record has included active promotion of legislation to protect and improve the farm and rural economy through crop stabilization programs, expanded agricultural export trade, rural development programs, soil conservation, and agricultural credit.

At the meeting, a fish and chicken dinner will be served by Danny's Fins and Hens of Lubbock. During the meal,

Kika de la Garza

entertainment will feature James Storie and Gentle Country.

The business meeting will begin immediately following the meal, conducted by A. W. Anthony Jr., chairman of the Board of Directors. Jerry Roberts will present the secretary's reports.

Following the reports and Congressman de la Garza's presentation, members will elect three directors. The Nominating Committee has submitted a slate of six candidates: Position One — Clark Andrews and Kenneth Frye; Position Two — Donald Wright and Don Richardson; and Position Three — Clarence Martin and Gilbert Kaltwasser.

Also highlighting the evening will be a drawing for door prizes and give-aways totaling over \$1,000, including a color television set.

Surveyors' Week set March 10-16

Theme announced for bike-a-thon

"I'm riding for Jaime" is the theme for this year's bike-a-thon, benefitting St. Jude Children's Research Hospital, according to local bike-a-thon chairman Rev. Edward D. Freeman.

Rev. Freeman said that the local event is set for Saturday, March 23, at 1 p.m. at the Dimmitt High School track.

Entry blanks may be picked up at the principals' offices at Richardson Elementary or Dimmitt Middle School.

Jaime, a 5-year-old patient at St. Jude's, was diagnosed with leukemia in May of 1983. Since that time she has come to the hospital every six weeks for treatment, and every 12 weeks a bone marrow test and spinal tap must be performed to make sure her cancer stays in remission.

ALCOHOL is responsible for more deaths among people aged 15-45 than any other single agent.

Gov. Mark White has proclaimed March 10-16 as Surveyors Week in Texas to recognize the important role surveying plays in Texas' history and development. During Surveyors Week, local chapters of the Texas Surveyors Association will set up exhibit booths in shopping malls to display surveying equipment and show their film, "Surveying—Texas Style."

"This is one of the best opportunities for the public to become aware of surveying and the background of surveying," says Art Osborn, TSA past president.

A Land Title Survey is required for residential, commercial, industrial, farm, ranch and investment property. The surveyor will prepare a written description of the survey, a certified map or plat, a report of the findings and marked boundary lines and corners. To per-

form the survey, the surveyor needs the most recent deeds of the property and the surrounding property, easement or deed descriptions of adjoining or severing rights of way, permission to enter the land, names of tenants in charge of the site and any historical information that might influence the location of the lines.

Surveyors can also do topographical surveys to determine which way the land drains, and prepare maps or plats of subdivisions for developers.

For more information about surveying in Texas, contact the Texas Surveyors Association, 4302 Airport Blvd., Austin, Tx. 78722. 512/454-8626.

THE first definite route of travel was established in Texas in 1691 when Domingo Teran de los Rios blazed El Camino Real from Monclova to the Spanish missions established among the Indians in East Texas.

EDC \$ SIGNS

By Gerald M. Hanners

At this week's meeting of the City Board of Aldermen, the residents of NW Fifth street told the Board that they want their street paved!

Ronnie Griffith presented a petition signed by all homeowners on NW Fifth.

Griffith told the Board that the homeowners want paving and are willing to pay their share of the cost.

Griffith told it like it is. He said that the residents who live on the unpaved street are tired of having a mudhole when it is wet and blowing dust in their front door when it is dry.

Those who live on NW Fifth want to improve the appearance of their neighborhood. They are interested in improving the environment and livability of the place where they live. They know that without paving, their neighborhood may not develop as it should. Growth will stop. The value of their homes may decline.

Ronnie Griffith told the Board that this may be the last chance for their street to be paved. With the high cost of paving, another major paving project in Dimmitt may be prohibitive.

City Manager Paul Catoe agreed, saying that the cost for paving has risen to \$25 per front foot.

The residents of NW Fifth street are to be commended for their desire to improve their neighborhood and for their willingness to pay the price.

Our city leaders are doing their best to provide paving for all who desire it.

Street paving improves appearance, improves quality of life, increases property values and stimulates growth. It is an obvious indication of the pride that we have in ourselves and an investment in our future.

New graphics unveiled for Case IH dealers

It was agricultural history in the making last week in Las Vegas when Case IH dealers from around the country joined forces for the first time.

David Hays, of Dimmitt's new Case IH agricultural equipment dealership, Hays Implement Co., joined nearly 2,200 other dealer principals for the formal kick-off of the expanded J I Case agricultural equipment operation. On Jan. 31, the US Justice Dept. gave the final green light to Tenneco Inc.'s purchase of International Harvester's agricultural equipment business, which has now been merged into Tenneco affiliate, J I Case, headquartered in Racine, Wis.

A high point of the dealer meetings was the unveiling of colors and graphics for the new Case International product line. Displayed on a Case IH 2096 tractor, the new graphics feature a major IH hallmark — the characteristic IH red.

The new logo retains the best of both traditions, putting the two established logos side by side — Case IH. This fresh look will soon be a familiar sight across the continent.

"There was a terrific feeling in the air," said Hays. "The entire Case IH dealer organization was excited — excited to see the equipment, excited about the new look, the new logo, the new colors — and excited to be a part of the new Case IH Agricultural Equipment dealer network."

"Our Case IH dealers can offer the most complete product line in the industry, backed by the financial strength of Tenneco," he said.

Case IH dealers participated in intensive training seminars on product features such as the Case IH Intelligence Center, CDC engines and power transmissions. The seminars

also profiled equipment lines including combines, hay and forage tools, planters and tillage equipment.

In addition to product information, dealers learned of new financing programs, warranties, parts availability and other information vital to farm customers.

"I think our customers will be delighted the way things are shaping up," said Hays. "Both Case and IH warranties will be fully honored, parts availability will be excellent — and Case financing, warranties and service will just be outstanding."

New Case IH dealers carry two- and four-wheel drive agricultural tractors up to 400 gross engine horsepower, plus a full line of planting, harvesting, tillage and other agricultural equipment, reflecting the technological expertise of two strongly innovative companies.

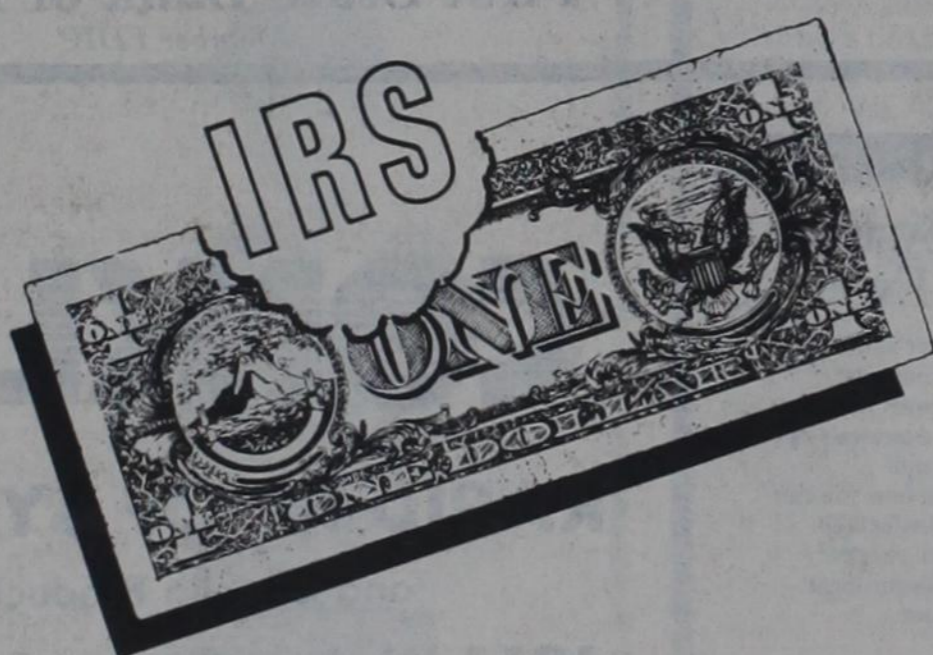

Early Riser Cyclo® Air planters and Axial-Flow® combines offer unparalleled productivity and efficiency. The Case IH Intelligence Center, standard on most tractor models, is the industry's most comprehensive electronic monitoring system.

New Case state-of-the-art diesel engines, already featured in the Case 96 Series tractors, will gradually be phased into all of the company's agricultural and construction equipment, which Case manufactures and markets worldwide.

Windbreak trees valuable, order soon from RWSWCD

BY Clayton Jobe

TREES are nature's outdoor air conditioners. In areas where natural protection is lacking, windbreaks of trees and shrubs can help protect life and property for 40 years.

On the High Plains, homestead and field windbreaks serve many useful purposes.

- Saves up to 30% on home heating and cooling costs.
- Prevents wind damage to homes and buildings.
- Reduces cropland erosion and damage to crops.
- Protects orchards, vineyards and gardens.
- Provides shelter for livestock.
- Supplies food and cover for wildlife.
- Screens areas from unsightly views.

Add to these the beauty and home-like setting which trees bring to an area and the returns in comfort and economy far outweigh the cost. In addition, windbreaks increase the monetary value of a homesite and improve the quality of life.

Windbreaks are most effective when placed at right angles to the prevailing winds. In most cases, a homestead windbreak planted on the north, west and south sides of the area to be protected is adequate. It should be planted at least 100 feet from the nearest structure and extend 100 feet beyond the homestead.

Avoid planting tall-growing trees under utility lines. Caution should also be taken in locating plantings adjacent to public roads and at intersections so as not to obstruct motorists' view.

Windbreaks bordering fields should be planted at right angles to the prevailing damaging winds. Usually they are placed along the windward side of the field. Protection of soils and crops can be expected for a distance of up to 25 times the height of the tallest trees.

The most effective windbreaks will contain three rows. However, the number of rows is not as critical as selecting the right species. Use the following guide for layout of a windbreak.

a. Three-row windbreak: use a dense shrub, a hardwood tree and a conifer (evergreen); or two rows of conifers and one row of hardwood trees.

b. Two-row windbreak: use a dense shrub and a row of conifers; two rows of conifers; or a conifer and a hardwood tree row.

c. One-row windbreak: use a row of conifers.

Conifers retain their foliage year-round and provide maximum protection during the winter months. When only summer protection is desired, plant one or more rows of hardwood trees to screen hot winds and shade the area.

The Running Water Soil and Water Conservation District will have their trees coming in next week. The one-gallon con-

tainer size trees and the Pecan trees will be delivered next week. Starting March 13 with the larger trees that have been ordered. The pecans will arrive the 14th of March.

If you have not placed your order, go by the Soil Conservation Service office at 3rd and Bedford before 4:30 p.m. Friday and place your order. Payment in advance is requested on these trees.

The District will continue to order windbreak seedlings through March 15 and will receive these trees March 27 and March 29. The Texas Forest Service has informed the District that they are out of all but one species of tree. The Colorado Forest Service does, however, still have most of the trees that have been available.

"Please come in, or call 647-4324 and place your order as soon as possible, so that we can get the trees that you want," stated Lilly Nicholson, Running Water District Technician.

CUFUPU

Clean Up, Fix Up, Pride Up

Sgt. Sweat

Phone 647-4324 by March 15.

The Mayor's Council on Beautification encourages you to plant some trees now. You'll be glad you did.

March is tree planting time.

There are many excellent reasons to plant trees — they blossom in Spring, shade in Summer, give color in Fall, and catch snow flakes in Winter. All year long trees protect the top soil and provide wind protection.

Trees should be planted right now so that they can establish strong root systems and begin to grow this spring and summer.

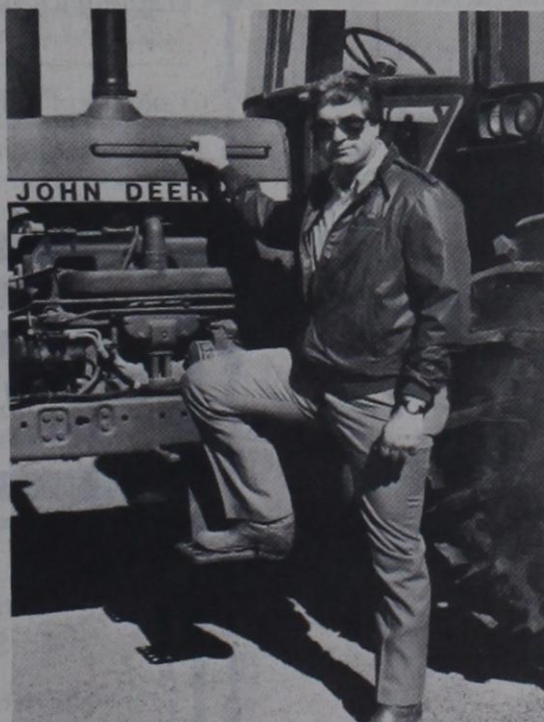

There is a wide selection of trees from which to choose. Some that grow well in Dimmitt and that stay fairly disease-free are cedar, juniper, elm, pine, oak, Russian olive, and, of course, all fruit trees.

It's not too late to order trees from the Soil Conservation of-

Announcing ...

Your local
John Deere
dealership is now
Bob Towler
Equipment Company

Although the entire parts and service staff of your local John Deere Dealership remains the same, I'm new here. I'm pleased to be here, and look forward to meeting you. Please come by, have a cup of coffee, and let's get acquainted.

Bob Towler

Bob Towler
Equipment Company
301-SE 2nd, Dimmitt 647-3324

Thank You.

To Our Friends and Customers of 35 Years:

After serving as your John Deere dealer for the past 35 years, we have sold C&S Equipment Co. to Harold Thompson and Bob Towler. The change of ownership became effective March 1.

It was on Jan. 1, 1949, that the N. F. Cleavinger family established C&S Equipment Co. Since that time, we have supplied equipment and provided service to some of the best farmers in the world. The John Deere farm equipment used by our customers have helped Castro County become one of the most productive agricultural counties in the nation.

We want to express our gratitude to the customers and friends we at C&S have had through the years. We have enjoyed our partnership with our customers, and our association with our friends in all phases of community life. It has been a wonderful experience knowing you and working with you through the years.

We would ask our customers to continue to trade with the local John Deere dealership, and to show the new owners the same friendship and kindness you have shown us through the years.

C&S Equipment Co.

15—LEGAL NOTICES

LEGAL NOTICE

United States Department of Agriculture, Agricultural Stabilization and Conservation Service, is accepting bids for office space. Space must be a newly constructed or an existing building meeting ASCS needs, and preferably west of Highway 385 and within 4 blocks of the Courthouse. The office should have easy access to major roads and highways in the area and provide ample parking for handling trucks and automobiles.

Specifications may be obtained from the Castro County ASCS Office, Third & Bedford Sts., Dimmitt, Texas between 8:00 a.m. and 5:00 p.m. Monday through Friday.

Persons interested in leasing space may contact County Executive Director, Charley E. Hill (647-2153) at the Castro County ASCS. Bids must be in writing and received in the Castro County ASCS Office no later than March 11, 1985.

The right is reserved to reject any and all bids.

BREAKING THE PRESS—Dimmitt's Nathan Nelson (21) drives upcourt against Seminole's full-court press in the Region I-AAA championship game in Lubbock Saturday. Pursuing him is the Indians' Terry Bailey, and in background is Dimmitt's Pat McDonald. The taller Indians won the championship bout, 57-51.

ON November 5, 1781, the continental Congress elected John Hanson as the first "President of the United States in Congress assembled" under the Articles of Confederation. George Washington, later the first President elected under the Constitution, wrote to congratulate Hanson on his "appointment to fill the most important seat in the United States." The Daughters of the American Revolution urge you to study and enjoy reading about our American History.

CAP to meet

The Dimmitt chapter of the Civil Air Patrol will meet today (Thursday) from 6 to 10 p.m. at the Dillon Gage Office.

CPR training will be given and all members are urged to attend. Others interested are also invited to come.

Hardest Worker: Lorina Silva.

Washington named to West All Stars

Tammie Washington of the Dimmitt Bobbies has been selected as a member of the West team in the Fifteenth Annual Golden Spread High School Girls All Star Basketball Tournament March 15 and 16 in Canyon.

Washington, an all-district selection last year, will play for the West when they face the South All Stars Friday, March 15, at 9 p.m. in the West Texas State University Fieldhouse. A game between the North and East teams starts at 7 p.m. next Friday.

On Saturday, the losers play at 7 p.m., with the winners

squaring off at 9 p.m., also at the WT Fieldhouse.

AC sets classes

Amarillo College is currently offering three courses through the Continuing Education Division.

Communications in management, fundamentals of supervision and weekend real estate and related courses are all beginning next week.

The communications course begins next Thursday with class time from 8 a.m. to 5 p.m. each Thursday for six weeks.

Saturday is the beginning date for the other two courses. Class time is 8 a.m. to 5 p.m.

The supervision course will meet on Saturdays and Sundays for three weeks.

Classes on real estate principles and practices and on real estate law will also run on Saturdays and Sundays, continuing through March 24.

For more information, call 376-5111, extension 2179.

Apply now for nursing school

Methodist Hospital School of Nursing (R.N) in Lubbock is accepting applications for the 1985 fall term of its Basic Professional Diploma.

Requirements for admission to the intensive program include a minimum of 34 hours of college credit. After completing the minimum college requirements, students begin the 21-month, full-time program which emphasizes clinical training.

Clinical courses involve 16 to 30 hours of hands-on-nursing practice each week. Course work includes basic and advanced medical and surgical nursing, patient care management, psychiatric nursing, maternal-newborn nursing, professional relations, pharmacology and diet therapy.

To obtain application forms and additional information,

contact Dean Irene Wilson, R.N., Methodist Hospital School of Nursing, 2002 Miami, Lubbock, Texas 79410, (806) 793-4291.

Parkinsonism Society to meet

The West Texas Parkinsonism Society will meet today (Thursday) at 7 p.m. in Room 4-A-100 at the Texas Tech University Health/Science Center in Lubbock, for the regular meeting.

Paul Heinrich, ACSW, CSW, Director of Medical Social Work Dept. of Texas Tech University Health/Science Center, will be the speaker. He will give an overview of the field of medical social work. A question and answer discussion period will follow.

The public is invited.

CONTACT YOUR TEXAS DEPARTMENT OF HUMAN RESOURCES

Sunnyside By Teeny Bowden, 647-5703

Lynn Brown came in from Dallas and Lee and Gale Brown, Jared and Jason from Dumas Friday evening, to help Cliff and Naomi Brown move from the community to Hale Center Saturday and Sunday.

Verba Sadler attended the funeral services for Beulah Newton in Earth Thursday afternoon. She and her husband, J.D. and their daughters, Ysleta and Yvonne, are former residents of the community. The girls attended Sunnyside School in its last years, and Ysleta and her husband, Garner Ball and their children, Randy and Debra are also former residents.

Verna Sadler was initiated into the Alpha Chi Honorary Society at Wayland Baptist University in Plainview Wednesday night. Only the top 10% in the class receive this honor. Gale Sadler accompanied her to the services.

April Guy had an abscessed tooth pulled Monday in Dimmitt without complications, but learned at her check-up in High Plains Baptist Hospital in Amarillo Friday that she will have to take chemotherapy again three days this week. Her counts are normal, and this chemotherapy is maintenance therapy to keep her built up. Terry took her brother, Michael Fowler, to the plane Saturday to return to his home in California.

Michael Fowler came to be with April for her 39th birthday, Feb. 24, and they got to do several things together this week. Last Sunday night they visited in Plainview with Ginny Guy and on Tuesday they visited in Dimmitt with "Goose" Ramey. Goose and Decimae Beene of Friona brought April a birthday cake decorated with the words, "Happy Birthday" "39 and Holding" last Saturday and they visited with her again this Saturday afternoon.

Cheryl Powell came in from Sul Ross University Friday night for the weekend with Ezell and Verba Sadler and Randy Powell, and Patricia Powell and her daughter, Tresa Danae Sirmans, Ken, Amber and Tiffany came in from Canadian also Friday night for the weekend with them. Larry and Sharon Sadler, Stacy and Laura had supper with them Saturday night. Five generation pictures were made with Nora Loudder in Canterbury Villa on their way home Sunday afternoon.

Olvis and Martha Spencer, Blake and Lisa of Comanche spent the weekend with Noah and Ruth Spencer, and also visited with Mrs. John Spencer, and Clyde and Lucille Akers of Lubbock who were also here for the weekend.

Gale and Verna Sadler spent the weekend in Tucumcari with their daughter, Susan and Greg Harmon.

Cleo and Wendell Widner of Melrose came Tuesday and visited until Thursday morning with Ezell and Verba Sadler. Weldon and Irene Bradley of Dimmitt visited with them Wednesday night.

Others who helped with contributions to the Young Farmers who sponsored the county junior livestock show included Jackie Clark, Vic Nelson, Mary Cluck, Lance Loudder, Lynn Cox, and Cluck Cattle.

Olvis and Martha Spencer, Blake and Lisa of Comanche were visitors in the Sunday morning church services. Teeny Bowden gave an emphasis on Home Missions during the service.

Cottage Prayer Meetings were held Tuesday night in the home of Ezell and Verba Sadler and Friday night in the home of Gerald and Pat Elkins in preparation for the revival March 11-17.

On Monday night at 6:30 there will be an all-church fellowship meal to get acquainted with the revival team, and a combined English/Spanish service will start at 7:30.

The rest of the week, services will be at 7:00 for English speaking and 8:30 for the Spanish speaking. Everyone is invited to hear Dr. Crane and Rev. Joe Higgs in this revival.

Mrs. C. D. Pierce of Littlefield visited this week with her daughter Pat and Gerald Elkins and helped Pat do some painting.

Ezell and Verba Sadler attended the rock club meeting in Hereford Monday night and the music practice in Hereford Friday night. Verba and Willie Mae Sadler went to Farwell Thursday night for the bluegrass music.

Rev. and Mrs. Bentley Gwyn and Holly visited the Panhandle-Plains Historical Museum in Canyon Tuesday.

Teeny Bowden received a telephone call from Bob Mallouf, State Archeologist, Friday afternoon explaining the delay in getting a report from him regarding the prehistoric Indian campsites the Castro County Historical Commission has recorded with the state office. He was very pleased with the reports and said he wished all county commissions would follow our example of preservation.

Mike and Michele Bell, Zachary and Michael, and Rick and Susie Bell, Caleb and Kacie attended the Bobcat games in Lubbock Friday night and again Saturday afternoon, and spent Saturday night and Sunday in Lubbock.

DYF will meet

A "rule change" meeting will be held by the Dimmitt Young Farmers next Thursday (March 14) at 8 p.m. at the Dimmitt High school ag shop.

"We want to invite anyone who might have a complaint, criticism, or suggestion for next year's stock show," said DYF President Kurt Wales, who said everyone was invited to attend the meeting.

SHOWING HEART—The Dimmitt High School homemaking senior clothing class, part of the Future Homemakers of America, raised \$133 for the Angel Yanez Medical Fund through the sale of heart-shaped Valentine message pillows. Angel, 8, is a victim of leukemia. At the check presentation are (from left)

students Mimi Barrera, Amy VanNatta, Norma Gonzales, Connie Saenz, and Diane Baldera; Angel's parents, Jose and Juana Yanez; student Delia Arce; and home economics teacher Marka Herbert.
