about dimmitt and castro county

by b. m. n.

It's that time of year again. Graduation exercises will be held at Nazareth this weekend, at Hart next weekend and in Dimmitt the weekend after next. Commencement exercises for the seniors are also the signal for the end of the school year for all other grades. Then the kids will be scattered around town or over the countryside. It is everybody's business to see to it that every kid that wants something to do is gainfully employed. As far as the little ones that are too small to be fit for anything, it is everyone's responsibility to see that they don't get hurt. Drive carefully and avoid hitting the little rascals; they will eventually grow up and make good citizens.

Slick con men have found victims in the Hart and Hereford areas according to recent reports. They have chosen as victims elderly people who have signed checks, for nominal sums, written by the slysters and which were easily raised to larger sums. In one case they claimed to represent the phone company, in the other instances they claimed to be representatives of the REC. Instead of representing the phone company or the REC they represent the lowest type of humanity. They should be apprehended and sentenced and denied the right of pardon or parole.

People are mad about the Cambodian's seizure of an American merchant ship, and rightly so. Other countries can't just take our ships and crews and not expect protests. (See DIMMITT, Page 11)

Bobby King

King gets grid post

Bobby King, who was an assistant football coach at Dimmitt High School in 1973-74, will return as head football and track coach.

AFTER STUDYING 24 applications for the post, the Dimmitt School Board voted Monday night to offer King a two-year contract.

As the new head coach, King will succeed Deane Wright, with whom he coached at Hamlin and Dimmitt. Wright has gone to Canyon High School as head football coach and athletic director.

King, 31, has been the first assistant coach at Class AAAA Duncanville during the past year. He also has coached and taught at Amarillo's Horace Mann Junior High, White-wright and Terrell.

THIS WILL be King's first head coaching job in football, although he has held the head basketball posts at White-wright, Terrell and Hamlin.

A native of Alvord, King holds bachelor's and master's degrees in education from North Texas State University.

Swindlers net \$8,000

HELEN RICHARDSON, principal of South Elementary School for the past 16 years, enjoys keeping track of the three generations of students she has taught here since 1930, and has individual or group pictures of most

of them. Mrs. Richardson will retire June 3 after 44 years in public education. A reception in her honor is scheduled Friday evening at the Country Club.

Dean of local educators to retire; reception set

She was born in a Bethel house that was also a school. She became a teacher herself when she was just 18. She has served 44 years as a teacher and principal—all but two of them in Castro County.

BUT NOW, Helen Richardson is cleaning out her principal's desk at South Elementary School, and preparing to retire. On June 3—the final day of classes—she'll end a long and dedicated career in public education.

Her present and former students, fellow teachers and administrators will honor her with a public reception Friday from 6:30 to 9 p.m. at the Country Club.

Mrs. Richardson has been a teacher or principal to virtually everyone who has gone through Dimmitt's elementary grades since 1938. And, as Miss Helen Estes, she taught many other county students in country schools at Big Square and Bethel from 1930 to 1938.

"IF ANYBODY had told me, back when I started, that I'd still be trying to finish this job after 44 years, I'd have been shocked," she said.

Not only is Mrs. Richardson the longest-time educator in the Dimmitt school system. She's a second-generation educator, as well. Her mother, Mrs. Percy Estes, taught in a dugout at Frio, and at community schools at Summerfield, Bethel and Hart.

Mrs. Richardson was born in the house at Bethel where her mother taught school. The residence-school was located about two miles southeast of the present Bethel Community Building.

SHE WAS the first child of Mr. and Mrs. Percy Estes, and was raised with two brothers, Greer and Bob. Greer was killed in action during World War II; the local American Legion post is named in his honor. Bob, a former county judge here, is now president of the Security First National Bank in Hugo, Okla.

She started school in Hereford. Her family lived at Frio at the time, so she stayed with her grandparents in Hereford so she could attend first and second grades. When her father was elected Castro County Judge in 1926, the family moved to Dimmitt and she transferred to the school here as a third grader.

She's been associated with the schools in and around Dim-

mitt—either as a student, teacher or administrator—all but four years since she came here as a third grader.

SHE GRADUATED in 1929 from the old red-brick school here (where the city park is now located). She attended West Texas State a year, then started teaching grades 1 through 11 in "a nice brick school with four rooms and an auditorium" at Big Square in the fall of 1930.

School has new name: Richardson Elementary

The Dimmitt School Board voted unanimously Monday night to change the name of South Elementary School to Helen Richardson Elementary School, in honor of the woman who has been the school's principal for the past 16 years.

THE NAME change will go into effect with the start of the 1975-76 school year.

Mrs. Richardson is retiring this year after having served 44 years as an educator, 42 of them as a teacher and principal in local schools.

As a result of the name change and the current school expansion project, there will no longer be a South Elementary, North Elementary or Dimmitt

Junior High next school year. Instead, they'll be known as Richardson Elementary and Dimmitt Middle School.

THE EXPANSION project is connecting North Elementary (grades 4, 5 and 6) with Dimmitt Junior High (grades 7 and 8), into a single school with common auditorium, shops, music rooms, media center and administrative offices.

After the school board named the elementary school Monday night, Supt. Charlie White commented, "I'm glad the board took this action—Mrs. Richardson richly deserves the honor. She's been a unique administrator."

Board okays field house

The Dimmitt School Board decided Monday night to plan toward a future football stadium south of Dimmitt High School, and voted to build a large new field house at the site as the first stage of the project.

BOARD MEMBERS, who had tabled an earlier field house design because it didn't have the size or all the facilities they felt it should have, ordered Supt. Charlie White Monday night to have an expanded field house designed and to call for bids on its construction.

The board is budgeting \$80,000 for the project. "Hopefully, we can have the new field house completed by the start of football season," White said. "That's what the board is shooting for."

HE ADDED, "The football field will remain at its present

site next year. The team will work out on the practice field south of the high school, and before games both teams will dress in the new field house and go to the stadium by bus.

County revises disaster plans

City and county officials and workmen are meeting with a representative of the Texas Department of Safety Disaster Emergency Service Division to rewrite the county's emergency preparedness plan.

A MEETING was held Tuesday from 2 to 4 in the Dimmitt Fire Station. Meetings are also scheduled for 2 to 4 this afternoon (Thursday) and 10 to noon Friday.

The project is sponsored by the Dimmitt Chamber of Commerce.

Two men posing as workers for a utility company swindled \$8,100 from an elderly Hart widow and a Hereford man Friday.

ACCORDING to Deputy Sheriff Granville Martin, who investigated the incident in Hart, the men came to Mrs. Nora Ray's house at noon. They stuck a "short detector" in an electrical outlet, then told Mrs. Ray they would have to fix her lines. To keep from getting shocked, they said, they would have to cut the phone wires.

Mrs. Ray decided she did not want them to do any more and asked what she owed. They wrote a check for \$1.50 which she signed. After leaving her home, they altered the check to \$1,851.50 and immediately cashed it at Farmers State Bank.

The bank teller asked for identification and the man showed his picture with the name Robert Freeman attached. The men were driving a green Chevrolet.

While working at Mrs. Ray's, the swindlers asked her about some land she had recently sold.

LATER that afternoon, apparently the same men presented themselves as REA inspectors to 80-year-old L. B. Godwin at his home 15 miles northwest of Hereford. The men pressured Godwin into giving them a \$2.50 check for their inspection. They altered it to \$6,250 and cashed it at a Hereford bank.

Two men working across the road from Godwin's home were able to give sheriff's officers a description. Also, fingerprints on the check are being studied.

The men were driving a 1969 or 1970 blue two-door Mercury with twin antennas and chrome wire wheels when the Hereford men saw them.

One of the suspected swindlers is thin, about six feet tall, and fairly well-dressed. He was reported to have either a glass eye or a nerve-damaged eye.

His partner was described as being fairly well-dressed, about 5 feet 9 inches tall, and about 35 years old.

The two men were seen in the Dalhart area Thursday, but apparently were not successful there.

A CLOVIS bank refused to cash a \$9,000 check from the pair early this week when they could not complete a telephone call to the elderly woman who had signed it. The two had charged her \$90 for lightning-rod repairs.

The Castro County Sheriff's office reported the case to the FBI and the Texas Rangers, and both agencies are helping with the investigation.

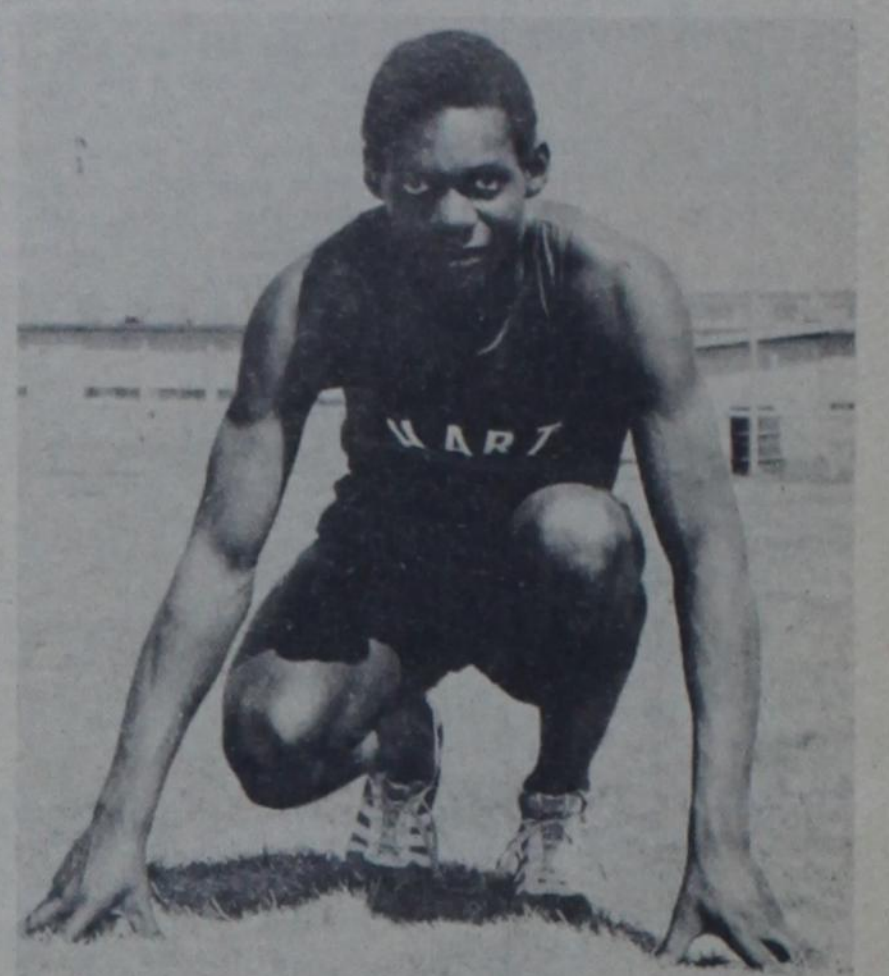

Officers are seeking to contact anyone who may have seen or dealt with the two men.

Stephen Finch of Hart won the state championship in the Class A 220-yard dash, and Dimmitt's and Hart's relay teams placed high at the state track and field meet Friday and Saturday in Austin.

FINCH sprinted the 220 yards in 22.1 seconds to outpace the seven other state qualifiers on UT-Austin's Tartan track. He broke the tape a long yard ahead of Schulenburg's Willis Adams to capture the gold medal.

Hart High School's mile relay team finished second in the state with an excellent time of three minutes, 23.2 seconds, less than three seconds behind the state championship team from Timpson. Members of Hart's relay team are Stephen and Randy Finch, Kenneth Smith, Donald Robinson and alternate Lester Aven.

Diplomas will be presented to 33 Nazareth seniors at graduation exercises at 8:30 Friday

night in the school cafeteria. SUPT. Joe King and school board president Ed Ramaekers will make the presentations.

Hearings set today, Friday on gas priority

Officials of the High Plains Irrigation Gas Users Association are urging all farmers, agribusinessmen and others interested in agriculture to attend the public hearings on natural gas priority in Lubbock today (Thursday) and Friday.

THE HEARINGS are being held in the Federal Building, 205 Texas Ave. from 9 a.m. to 5 p.m. to discuss the change in priority of irrigation gas.

The Federal Power Commission dropped irrigation gas from Priority 2 (commercial) to Priority 3 (industrial) in March.

Lite-A-Bike is Saturday

The VFW Auxiliary will sponsor a Lite-A-Bike program Saturday morning on the west side of the Dimmitt Fire Dept.

MEMBERS of the Auxiliary will provide reflective tape free of charge for use on bicycles as reflectors.

They will be at the Fire Station from 9 to 12 noon.

will address the graduates. Several awards will be presented.

Diplomas will be awarded by Mrs. Halsell, class sponsor and English teacher.

Rites held for Mr. Bass

Funeral services will be held at 2:30 today (Thursday) in the First Baptist Church of Hart for Fred L. Bass Jr. of Hart. Rev. Joe Cariker will officiate.

MR. BASS, 49, was found dead in his room at the Holiday Inn in Plainview Tuesday morning. He had checked in Monday evening.

Ruling in the death is being withheld until autopsy results are received. According to a Plainview justice of the peace, there was no evidence of foul play.

CofC looking for members

A membership drive by the Dimmitt Chamber of Commerce began last Thursday and will continue through May 23.

PRESENT chamber members have divided into two teams and are racing to see which team can get the most members.

They plan to contact all Dimmitt merchants, but if any merchant is not contacted and is interested in joining, please contact the Chamber office.

A breakfast for old and new members will be held after the drive ends.

Survivors include his wife, Jo; one son, David of the home; his mother, Mr. Mavis Bass of Olton Rt., Plainview and two sisters, Mrs. Doug Sopher of Olton and Mrs. Barney Campbell of Kress.

Congratulations to Nazareth High School's Class of 1975

Sheffy's chatter

By MYRTLE SHEFFY

Last weekend was spent with family to honor our "Mothers" and Dads too, and the school activities.

THE JUNIOR-Senior banquet with the prom in the other dining room was the beautiful party. The juniors, as always, decorated the hall with Joan Moore helping with the flower arrangements. I saw Kim Grif-fitt and Kelly Potts gathering flowers and also Cindy Ringo and Diane Ward getting a bou-quet.

Charlie and Mary Hestand were hosts to her folks. Mrs. Dora Houtchens lives with them now. Coming in were Roy and Florene Stafford from Austin, Patsy Lou Merritt and daughters Jackie and Joie from Clovis, Tommy and Donna Staf-ford and girls, and an aunt Mrs. Joe Baker from Canyon.

Fred and Juanita Bruegel had the family in for Sunday dinner. Mike came home from Amarillo, his fiancée Donna Bishop from Lubbock, Sandy and James Baker and baby from near Friona and maybe Fred Jr. and Carl and families. The Bruegels have moved back to the new (old) home. They still have more work to do like painting and papering.

THE GEORGE Bagleys and Kelly were hosts Sunday to Mr. and Mrs. Bob Crow and Vane-sa from Odessa and Grand-mother Crow from California and the other Grandmother Bagley from Corona, N.M.

Stan and Greta Liles, also Juston, Aimee and Pat Michael and Mark Hammonds of Ama-rillo were guests of Ray and Margaret Nelson.

Mr. and Mrs. C. A. Hance, and Mr. and Mrs. Jake Isaacs spent Mothers Day in Dumas with the Hance's daughter and family Mr. and Mrs. David Honea. I am just learning that the Isaacs have moved back to Dimmitt. Jake is with Dimmitt Agri business.

Mrs. Leonard Schulte was hostess at breakfast for the Schulte side of the family. Sister Alvera will be there from Amarillo. Guess they had din-ner some place else.

Zonell Maples had the dinner for her son Tom and Chris Maples and twins from outside

town and Jim and Judy Tate who also visited his parents Curtis and Marie Tate.

Andrew and Vada Bolton went to their home in Pueblo Friday after a three-week visit with Lottie Bearden. And Opal Bearden spent the weekend at Hollis and attended the wed-ding of her nephew.

TOM AND Chris Maples and girls, Billy Wesson, Joe and Jackie James and children of Hereford visited with C. H. and Peggy James Sunday after-noon.

Howard and Marietta Smith-son and her parents Mr. and Mrs. Raymond Odom went to the home of Glen and Beth Odom for the Mom's dinner.

Rose Acker says she did not cook dinner. That good ole Herman cooked for her and also washed the car. Their twins couldn't come home.

Oh yes, Howard and Mar-jetta Smithson and Rayphard and Mary Lou will go to Temple to see their parents and will attend the wedding of nephew Martie and Judy Ach-enhorse. Martie is the son of their brother L. E. and Mrs. Smithson.

Mr. and Mrs. W. E. Thorn-ton went to Farwell to see her mother Mrs. B. N. Graham.

And another day Mrs. Thorn-ton was hostess at a party and coffee for retiring friend teach-er Lottie Belle Cosby who lives at Canyon and commutes to Dimmitt to teach fifth grade. Guests were Pat Roberts, Wau-rayne Hughes, Dorothy Street and Beth Joiner.

Mrs. Ira McLaurin of Jus-ticeburg was a guest of her daughter and family Hank and Sid Lynn. That town is east of Post. The Lynns teach school here.

RETTA AND Billie Cluck were Sunday guests of their son Jimmy and Mary Cluck. Millicent Davis and son Johnny and Doricell Davis and children Chad and Jeannie were there for the dinner. Millicent is Mary's mother.

James and Mildred Bradford had their family in for Sunday dinner. They are George and Josie Bradford, Earl and Grace Lust, the parents, and son Jack and Suzie, also Jim and Jean.

Jim Hrabal went to Waco to pick up some machinery parts and wife Ellen and girls Julie and Debbie went to Dickens to visit her parents. Daughter Christi will work at the Arrow Head.

I looked in at the Junior-Senior Banquet—"So beauti-ful." The theme was "A Satur-day in the Park", using much

pink, white and pastel colored paper with many floral park murals. The girls and boys were so dressed up it looked like a Southern garden party. I visited a minute with sponsors Ralph and Avis Smith, Loranell Hamilton, Mr. Joiner, Mr. and Mrs. David Land. So many people there.

JERRY AND Joan Blackwell and children visited friends in Seminole last weekend.

Ronnie and June Parker went to Austin last week to watch their son Cliff and our Dimmitt boys do their thing in track. They visited friends there and saw daughter Dawn at ACC.

Polly Bell is home with a sore heel. She had doctors in Amar-illo remove spurs from the heel. Polly stayed a few days with her daughter Karen and Don Sheffy in Canyon.

Reba Touchstone and Max-ine Childers went to Lubbock one day recently. They visited friend Dot Myrick who is librar-ian at the Tech place, then had dinner with Shirley Wise and her son Gary Wise and Ronda Tidwell. Shirley and Ronda were getting pointers on how to do needlepoint better. This was a school of sorts.

Dee Yates and sons Kyle and Kip and friends Martha Dan-nevik and son Paul went to Arlington last weekend for a visit with Dee's brother Ted Timmons and family and a visit with Martha's sister and family Mr. and Mrs. Gene Ware.

DON AND Ann Ethington are the grandparents of a new baby girl. Her parents are Mr.

and Mrs. Loyd Hamilton of Al-buquerque. Mrs. Hamilton is the daughter of Ann. The baby was born May 5 and she weigh-ed nearly 7 pounds.

Sam and Virginia Gilbreath who spent the winter in Ari-zona are home to stay for awhile anyway. We are all happy to have them back in Dimmitt. And I hear that Ray-mond and Margaret Wilson will be home next month.

Nola Wood of Salida, Colo. came by here to see friends Shorty and Polly Manning and her brother Noel and Oleta Gollehon. Nola had been to see her son Richard Wood and family at Tahoka where he was a good basketball coach, but he will move to Elmer, Okla. this summer. That town is south of Altus. Richard will be principal of the school there. Richard graduated here with Jim Man-ning and Jim Butler and Don, Pat Wilson and many more kids.

And Blackey and Sarah Blackwell received word their grandson Jim Blackwell of Con-ifer, Colo. won several honors in basketball and track. He is a nephew of Dwayne Brown of Hart.

REV. AND Mrs. Ed Manning left here Sunday for Cincinnati, Ohio to attend the General Assembly of the Presbyterian Church. They will stop in Illi-nois to visit their daughter before coming home. Also will go south to Orlando, Fla. to visit their son Roy and family but will be back here for ser-vices June 1.

Earnest and Ann Mayhew

had a house full of company Sunday, all the children and sisters and brothers.

Jim and Jorene Hartwig of Sherman were guests at the Methodist Church Sunday. They are here to look at the wheat harvest prospects. Mrs. Earl Lust received a gift for being the eldest mother at church. Mrs. Norman Cleavin-ger had the most family there.

You should drive by the Pesino's yard on South Fourth Street. Their iris are very pretty and colorful.

Christene Hickman of Mor-ton was a weekend guest of her mother Clara Fuller and broth-er Winefred.

Mary Jean and Floyd Cope-land and daughter and the Allan Webb family were guests of their mother and grand-mother Vera Webb on Sunday.

George and Adeline Rush have returned from Prairie Vil-lage, Kan. where they visited their daughter Barbara and Rusty Harrison, son Chris and brand new son Benjamin. The Rushes also visited in Colum-bia, Mo. with Adeline's parents Mr. and Mrs. Patterson Bain. The Bains will be moving to Dimmitt in June.

And Monday morning Betty Patterson had a brunch for a

group of Baptist ladies. They had a special speaker from Af-rica but I did not get her name. Suzie and Gary Royal of Goodlet, Kan. were weekend guests of parents Joe and Gladys Benson and his folks at Hereford. They were at church also as were many other folks.

Jim Benswanger of San Di-ego, Calif. came by Saturday evening. He called on Ted Sheffy, C. J. Johnson. They and the George Bradfords came by our house for a short visit. Jim and his parents and three brothers were early day settlers

BAROMETER for the FUTURE

Webster says that a barometer is an instrument measuring the weight or pressure of the atmosphere, foretelling and measuring changes of weather and altitude.

If God were to place a barometer on our lives, would we be cold, lukewarm, or on fire for the Lord. The past we can not change... the future is up to us.

"... what doth the Lord thy God require of thee, but to fear the Lord thy God, to walk in all His ways, and to love Him, and to serve the Lord thy God with all thy heart and with all thy soul." ATTEND CHURCH REGULARLY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

of the Flagg community, as we were.

BETTY Patterson was hostess at a bridge party Thursday afternoon. She served an extra good chocolate cake and coffee and tea to Courtenay Armstrong, Maxine Tidwell, Ina Cleavinger, Shirley Wise, Carolyn Jones, Dorothy Mayfield, Ruth Jackson, Joannis Robertson, Jo Eddie Riley, Cheryl Glidewell, Mona Merritt, Betty Huckabay and Dorothy Hopson.

And our bridge group came to my house for games and I made ice cream and brownies. Guests were Josie Bradford, Maggie Boren, Opal Bearden, Ruth Wooten, Retta Cluck, Cletha George, Gladys Cleavinger and Ceal Carlile, who won high score.

The Garden Club will go to the Hereford Country Club for lunch and installation of officers May 21 (Wednesday). Be there at 15 minutes to 12. And Reba Touchstone will be hostess. The Flower Show will be next fall in the Exposition building during the fair Mrs. Charles Vandiver, chairman, tells us. So plant flowers for that season.

MRS. JONNIE Chapman of Littlefield spent the weekend with her son Jimmie and Della. They attended church and had Mothers Day dinner together. Duke Chapman, son of Jimmie and Della, called from Hawaii and said he would be in California at the same time his parents will be vacationing with their daughter Margaret and Jim Leinen and Jim Bob and Brandi. Duke is a sergeant in the Marines and has been in Hawaii for over two years. This will be the first time that the Chapman family will be together in five years.

Elvis and Joy Barker and daughter Pam spent Mother's Day weekend in Sayre, Okla. with Joy's parents Mr. and Mrs. Jack Lamm and with Elvis' mother Mrs. Ida Barker in Erick. Pam will graduate from Texas Tech this weekend with a double major in food and nutrition and family relations. She plans to work in Lubbock this summer and will begin a dietetic internship at the University of Arkansas in Little Rock in September.

Mrs. W. E. Kirkpatrick celebrated her 80th birthday Thursday, May 8 with a luncheon at the Colonial Inn Restaurant. The long table was covered with a white linen cloth and had two arrangements of spring flowers—one from Mrs. Kirk's granddaughter Kristen

Kirkpatrick of Dallas and one from Jean Boyd. A bud vase of deep pink roses was given to her by Mildred Kyle. Mrs. Kirk received a card from President Ford. Birdie Neill made the birthday cake, a fresh apple bundt cake. Everyone was asking for the recipe. Members of the Elephant Club present were Lois Bartlett, Nettie Graham, Birdie Neill, Faye Kenmore, Margaret Boren. Guests were Jo Kirkpatrick, Beral Hance, Mauzee Youts and Thelma Bryson. Mrs. Kirk said her birthday lasted for several days.

MRS. LOTTIE Belle Cosby, Dimmitt fifth grade teacher for the past nine years, was honored by Faye Kenmore Sunday evening after church with a farewell party. Mrs. Cosby is retiring and will be living full time at her home in Canyon. She has lived in Faye's home during the school terms. She received several lovely gifts. Faye served delicious refreshments to Geneva Dennis, Gladys Leeth, Birdie Neill, Maurine Henderson, Mary Kirkpatrick, Millicent Davis, Beral Hance and Mrs. Cosby.

Beral Hance visited Friday night and Saturday in Panhandle with her daughter Beth and Jack Hodges and Boyd. Panhandle had so many pretty yards with flowers blooming. Their city park is unusually nice with thick grass and lots of picnic tables and playground equipment.

MRS. JOHN Crum is spending a few days in Dimmitt visiting relatives and checking on her farming interests. She wants to announce the arrival of her first great-grandchild, who was born April 24 to Mr. and Mrs. Geary Caudle of Amarillo. Mrs. Caudle is the former Debbie Crum, daughter of Raymond and Idella Crum, who live in Dumas now. The little granddaughter weighed 7-pounds, 14-ounces and was named Monica Dawn. Mrs. Crum has just returned from Amarillo where she spent a few days with the Caudles.

Acevedo stationed at Laughlin AFB

Now serving at Laughlin AFB, with an Air Training Command unit is Air Force S. Sgt. Julian Acevedo Jr., son of Mr. and Mrs. Julian Acevedo Sr. of Dimmitt.

SGT. ACEVEDO, an aircraft mechanic, was previously assigned to an Air Force unit in Keflavik, Iceland.

A 1968 Dimmitt High School graduate, he has attended Oklahoma State Technical College. His wife, Patsy, is the daughter of Mr. and Mrs. P. J. Noble of Okmulgee, Okla.

Witnesses plan convention

More than 1900 Jehovah's Witnesses from West Texas and Eastern New Mexico will meet May 24 and 25 for intensive Bible studies in the Carlsbad Civic Center.

THEME of the convention will be "Have We Kept Our Senses and Been Watchful?" Area ministers will present Bible talks, dramatizations and symposiums.

Top speaker will be John Heckman, district minister from New York.

Anyone desiring to attend the meeting can contact the local congregation of Jehovah's Witnesses at 364-6530 or 647-4403 for further details.

Astros lead minor league

After two games, the Astros are the only undefeated team in Dimmitt's minor league baseball.

LAST Tuesday, the Astros downed the Cardinals 17 to 8 while the Dodgers beat the Yankees 22 to 8 in the season openers.

The Astros took their second victory Friday by defeating the Dodgers 15 to 7. The Yankees got their first win by a score of 11 to 9 over the Cards.

Braves take win in extra inning

In Dimmitt Little League action Thursday night, the Braves scored an extra inning run to top the Cards 4-3, leaving the Braves with a 2-0 record.

TERRY MIXSON, pitching for the Cards, struck out 11 of the 12 batters he faced. There were a total of 24 strike-outs in the game.

In other action Thursday, the Astros lost to the Yankees 14-6 and the Dodgers got past the Tigers 15-13.

In the season openers last Monday, the Cards topped the Dodgers 15-5 and the Astros beat the Tigers 15-4. Also, the Braves outscored the Yankees 13-8.

Babe Ruth team extends record

Dimmitt's Senior Babe Ruth team extended their season record to 4-0 with two one-point victories this week.

FRIDAY the Dimmitt team took an 8-7 win over Muleshoe and Sunday they managed a 9-8 victory over Olton.

Rafael Navarro and Brad Glenn shared pitching duties in both games.

Miss Hogue earns diploma from AC

Debbie Hogue, a 1972 graduate of Dimmitt High School, received an associate degree in Applied Sciences from Amarillo College in graduation exercises Monday.

Basketball game Saturday will benefit Cancer Fund

One of the funniest nights of basketball ever is scheduled to begin at 8 p.m. Saturday in the North Grade Gym when a group of Dimmitt Exes take on the Amarillo Communications team in a game and eight teams of local citizens compete in layup relays.

THE RELAY competition is slated for halftime, with five men's teams and three ladies' teams. Members of the men's team include such citizens as Dewayne Brown of Hart, Charles Heck of Nazareth, Ted Robb, Truman Touchstone, Charlie White and Avery Thrasher of Dimmitt.

One of the ladies' teams will be made up of Cancer Society board members.

Col. Jack Howell will auction off the teams before the races. Owner of the winning men's team will receive a gas grill and a picnic table will be given to

Chamber plans seminar on customer relations

The Dimmitt Chamber of Commerce will sponsor a customer relations seminar in the City Hall meeting room Wednesday and Thursday nights (May 21 and 22).

INCLUDED in the course are Vince Lombardi's film, "Second Effort" and a film on self motivation. Frank Driskill, a public relations specialist, will instruct the course, with emphasis on motivation, personality development and self improvement in sales and customer relations.

Sessions will be held both nights from 7 to 10 p.m.

An educational and fun program, it is designed to benefit anyone who works with people or meets the public in any way.

The course concentrates on personal awareness and applied public relations.

IN THE first session, methods of motivation are discussed and the proper responses for different personality patterns are pointed out.

Personality development is covered in the seminar's second phase. Discussions cover differences in people, why they are the way they are, what makes them change and evalu-

ation of one's own personality. Finally, the seminar includes discussion of successful applications of public relations programs.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

My office was closed Tuesday, May 13 while I was attending a conference of Veterans Services sponsored by the Amarillo VA Hospital, the Veterans Administration and Service organizations.

CERTIFY early to get the best service on GI Bill checks is the advice offered to the veterans not now enrolled in college but who intend to attend summer school or the fall term by Jack Coker, Veterans Administration Regional Office Director.

Coker said the Veterans Administration can have the veteran's first GI Bill check waiting for him at his school at the start of the school term if he completes his certification early.

Veterans can contact the campus VA "Vet Rep", the VA Regional Office in Waco, or the County Veterans Service Office.

Most of the veterans who attended college during the 1975 fall term are already certified to receive their benefits as they continue into the summer or fall terms.

VA's main concern is the veteran starting college under the GI Bill for the first time or those who attended previously and are starting again this summer or fall. They must be certified for school benefits if they want an advance GI Bill check when school starts next summer.

THE DEADLINE of Aug. 1, 1975 for filing application for Veterans Group Life Insurance is rapidly approaching. Veterans who were released from active duty as far back as April 3, 1970 can purchase a low cost term policy for a period of up to five years. This insurance is known as VGLI.

VGLI is available only to veterans who held SGLI coverage at time of separation. Application may be made for a lesser amount but not for more than was carried at the time of separation.

Davis gets Ford award

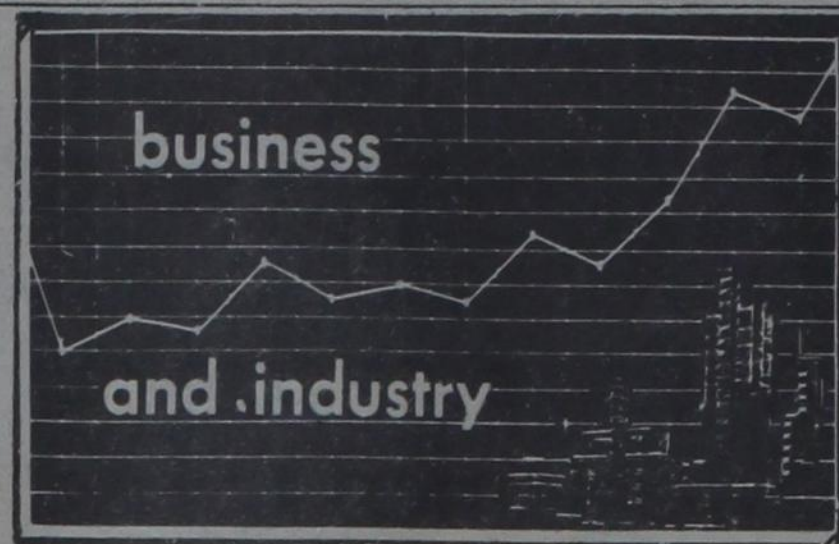

Duward Davis, service manager at Dale Fowler Ford, Inc., has received a Silver Medallion plaque presented by the Ford Parts and Service Division of Ford Motor Company.

THE award is part of a program to honor parts and service managers at Ford and Lincoln-Mercury dealerships across the country.

It is presented annually to those managers who are judged outstanding in customer service, sales and management ability.

Davis received his plaque at a special Medallion Awards banquet.

The OPEC nations are doing their best to hold up the price of oil, but sharply falling demand for oil among the consuming nations is forcing the big oil producing countries to figure out ways to boost sales without outright price cutting. Some of the countries are turning to barter in a desperate attempt to hold up sales because any sharp drop in oil sales jeopardizes the ambitious economic development programs of many of the oil producing nations.

BY bartering for crude oil an oil producing country can maintain the formal price structure while selling its oil for less at the same time. To do this the producing country swaps oil at the official price. But the companies who take oil in barter trades for industrial equipment will have to unload the oil at the best price around at discounts through oil traders. They will obviously lose money on the sale, so they mark up the price of their goods by enough to cover their losses.

Algeria is shopping for trucks and heavy machinery, and is trying to swap between 1 1/2 million and 2 million tons

of crude (worth about \$150 million) for heavy trucks and a truck assembly plant. Algerian crude is already being offered by European brokers on behalf of manufacturers. Canada's Massey-Ferguson is offering 100,000 tons. Mitsubishi is trying to sell another 100,000 tons. Altogether, industry experts here estimate that Algeria has as much as 7 million tons of crude to barter.

CRUDE oil prices are slipping slightly as some state owned oil companies, such as Spain's Hispanoil are getting price concessions from Middle East suppliers for large orders. Industry experts doubt that widespread price cutting will appear. The 7 million tons of Algerian crude is a small amount compared to the 27 million barrels per day exported by the OPEC nations as a group.

There is a question as to whether the Algerians will go through with their barter deals because if they did swap large quantities of crude to manufacturers, their present oil customers would desert them to buy oil at bargain prices from the heavy equipment suppliers.

MORE THAN 200 orphans of veterans are being cared for in the Veterans of Foreign Wars National Home in Eaton Rapids, Mich.

Some serious talk about West Texas gas

By K. B. "Tex" Watson, Pioneer president

Living in the middle of an area known for its abundant gas deposits, it's hard to imagine West Texans threatened by a shortage of natural gas. However, there is the possibility that governmental regulations could create a shortage here. If we are not vigilant, we could see much of our gas supply allocated to other areas. Or we could see price controls make it impractical for producers to drill additional wells in this area. What can the average citizen do to prevent that from happening? I would suggest that he be aware of the problem and support Pioneer's efforts to maintain our gas reserves.

MRS. VIVIAN ROGERS
Her paintings are on display in Burnet

Mrs. Vivian Rogers is Burnet's Artist of Month

Mrs. Vivian Rogers, formerly of Dimmitt, has been selected Artist of the Month in Burnet. HER PAINTINGS, both acrylics and oils of still life and landscapes, are on display during May in the Burnet First State Bank. Mrs. Rogers began painting in 1967, taking lessons from Ginger Meador in Dimmitt. During the next four years, she took lessons in Hereford, Tulia and Nazareth.

In Nazareth, she attended classes taught by Father Stanley Crocchiola. IN JULY, 1971, her husband, R. D., retired and they moved to Lake LBJ. She has become a member of Buchanan Arts and Crafts Inc. and her work is shown in the Buchanan Gallery. Last summer, Mrs. Rogers took a course in acrylics under Paul Malosovich of Texas Tech. Until that time, she had worked entirely with oils.

OVERDUE BOOKS!! We have not written about the overdue books in quite some time. If you have an overdue book that belongs to the Rhoads Memorial Library (or it may have a Castro County Library stamp in it) please return it as soon as possible. We may print a list of names as soon as we get one completed. So if you do not want to see your name in print, then let me suggest that you get your books back in the library!

MRS. BETTY Louder is our artist of the month and she brought us two beautiful paintings, one a desert scene with several yucca plants in full bloom and a forest scene with some deer resting under the trees. These are pretty pictures so come in to see them anytime here in the library. We still have our Xerox Copying Machine and we want to encourage the public to come in and use it. The charge is ten cents for one page, and this is much easier than typing several pages.

THE FRIENDS of the Library held their annual meeting Thursday night at the Rhoads Memorial Library with Maxie Horton presiding over the meeting. Mrs. Horton gave the Friends' report, Margaret Womack the secretary's report, Jean DuLaney the treasurer's report, and Mary Edna Hendrix the library report. The new officers for the year are: Carol Cyer, president; Esta Vandiver, vice-president; Margaret Womack, secretary; and Donna Allen, treasurer. Harold Smith will be the new director.

The Dyrle Maples family was honored as the "Library Family of the Year." Members of this family are Dyrle, Virginia, Steve, Julie and Michael.

The Friends gave corsages to the library staff (Mary Edna Hendrix, librarian, Martha Salinas, who works through the NYC school program, Elvia Sandoval, who works through

the Texas Rehabilitation Commission program), Mrs. Beral Hance, who has done a lot of typing for the Friends, and Mrs. Maples.

Dick Carter from Amarillo, the guest speaker, gave an interesting talk about the projects the Friends have done for the Amarillo Library. Mr. Carter is a past president of the Friends group in Amarillo. Mary Louise Loyd and Kathleen Wilkerson, who are both associated with the Amarillo Library, accompanied Mr. Carter to Dimmitt. Jean DuLaney, Sybil Steffens, Margaret Womack and Mildred Bradford served refreshments.

Here's a check list for May gardening

By IRENE KEATING

We have had some very nice weather, haven't we? If you weren't in the yard working mood you should be now.

HERE IS our May garden check list.

1. House plants will benefit from repotting. You may want to move them outdoors but keep in mind they need shade and must be protected from the wind.
2. Vegetable and flower beds should have a light application of fertilizer each month for steady growth and production.
3. Clean out those beds

where you had early spring annuals and replace with: (in sunny areas) cockscomb, Celosia, Periwinkle, Petunia, Zinnia, Marigold, Salvia, Morning Glory, Portulaca, Ageratum, Ornamental Pepper or Geranium; (for shady areas) Coleus, Caladium or Impatiens.

4. TIME TO make cuttings of chrysanthemums. As soon as the new plant has four pairs of new leaves, pinch out the top two sets to induce side branching. Repeat whenever necessary. This makes bushier, more compact plants. Do not pinch after mid-July.

5. Finish pruning climbing roses as soon as the initial burst of flowers is past to insure growth of new wood for next season's show.

6. Don't let up on the preventive spray program on roses or blackspot will take control. Use Phalton, Maneb or Benlate.

7. Flowers for the house will last longer if cut late in the afternoon and immediately placed in warm water in a cool, draft-free place.

8. Pinch back leggy annuals to encourage branching. Best to remove spent flowers to prevent energy from going into seed production.

9. Don't allow that lawn to suffer from lack of moisture. Weekly deep soakings are better than daily light waterings.

Patricia Smith

Vows set for July

Mr. and Mrs. Harold Smith of Hart announce the engagement and approaching marriage of their daughter, Patricia Ann, to Larry Keith Shugart, son of Mr. and Mrs. Floyd Shugart of Dimmitt.

MISS SMITH is a student at Hart High School. Shugart, a graduate of Dimmitt High School, is a co-owner of Floyd's Tire Shop.

A July 10 wedding is planned in the First Baptist Church of Hart.

Shower planned for Mrs. George

Mrs. Larry George will be honored at a pink and blue shower Saturday from 2:30 to 4:30 p.m. at the Country Club.

All friends of the honoree are invited, hostesses announced.

4-H'ers take first at District Roundup

Wendy Bruegel and Laurie Sides earned first place in junior method demonstrations at the District 4-H Roundup in Canyon May 3.

The Bethel 4-H'ers presented a demonstration on tomatoes in the vegetable preparation and use division.

Ross installs secretaries

New officers of Deaf Smith-Castro Counties Legal Secretaries Association were installed May 6, following a dinner at K-Bob's Steak House in Hereford.

EIGHTEEN members and guests witnessed the proceedings in which the following officers were installed for the chapter's second year: Barbara Wheat, PLS, president; Clara Vick, vice-president; Mary Pagett, secretary; Mildred Fuhrmann, treasurer; Mabel Caffey, governor, and Ruth Wynne, PLS, national representative.

Jimmy L. Ross, Dimmitt attorney, guest speaker and installing officer, presented the Code of Ethics and administered the Oath of Office.

Also on the program was the chapter's first scholarship presentation to Laurie Lyn Young, a senior at Hereford High School, in recognition of her achievements and goals in the secretarial field.

Another highlight of the evening was the recognition of Thomas W. Kendrick, Amarillo attorney, as their "Boss of the Year." Ruth Wynne, PLS, made the presentation of an inscribed trophy bearing the statue of justice.

In closing the program, Barbara Wheat, PLS, as the newly installed president, displayed an award to be presented to Mildred Sheffy, PLS, in recognition of her efforts in organizing the chapter and her service as charter president.

THDA honors Nell Ingram as 'Woman of the Year'

Nell Ingram was named the outstanding Home Demonstration Club Woman of Castro County Monday at the annual THDA luncheon in the County Exposition Building.

MRS. INGRAM, a member of the Bethel Club, is county THDA chairman. She was presented a silver tray by Irene Keating, county Extension agent.

Other nominees for the honor were Centrie Mayberry, Dimmitt; Maxine Ballard, Flag; Wanda Miller, Hart and Donna Allen, Town and Country Club.

Mrs. Doris Lust, council chairman, presented Irene Keating with a crystal dish and Beral Hance, Extension secretary, with a silver bowl for their service to THDA.

Guest speakers were Evelynne Martin and Mustafa Tosun, foreign exchange students at Dimmitt High School this year. The program was presented by Wanda Miller, Margarite McLain, Sue Hawkins, Deana McLain, Linda Lee, Linda McLain, Debbie Jackson and Karen Williamson, all of the Hart club.

The Town and Country club gave three throw pillows decorated with a Dresden plate quilt block as door prizes.

More than 50 members and guests attended the luncheon. Guests included the county commissioners, County Judge and Mrs. Weldon Bradley, Mayor and Mrs. Elmer Youts and local media representatives.

Sorority holds installation

Dimmitt's Alpha Epsilon Tau chapter of Beta Sigma Phi held their Founders Day meeting, including installation of officers and presentation of the Girl of the Year Award last Wednesday in the home of Mrs. Virginia Hansen.

THE EVENING began with a toast by Sandra Clark and a salad supper.

Martie Benton began the meeting by presenting the Founders Day program. She then presided over the installation of officers, which include Jerri Butler, president; Stefanie Love, vice-president; Beverly Lindsey, secretary; Virginia Hansen, treasurer and Sandra Potts, parliamentarian.

The Girl of the Year Award, given to the individual who has contributed most to the chapter, was presented to Jerri Butler.

Hostesses for the evening were the social committee and outgoing officers.

CHILD ABUSE often occurs during times of crisis when a parent is angry and upset, Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, points out.

Party honors Mrs. Mandrell

Mrs. W. A. Mandrell was honored with a Mother's Day party Sunday at the home of Mr. and Mrs. Charles Fishar.

HOSTS and hostesses were Mr. and Mrs. Richard Whitson and Pam, Mr. and Mrs. Charles Fishar, Charlotte, Laurie and Wayne. Also Mr. and Mrs. A. V. Shipp Sr. and Mr. and Mrs. A. V. Shipp Jr.

Attended by 20 people, the party included a barbecue chicken dinner.

Mrs. Mandrell received an orchid corsage.

LIBRARY FAMILY OF THE YEAR, announced at the annual meeting of the Friends of the Library last Thursday night, is the Dyrle Maples family of Dimmitt. Here, Maxie Horton (right), outgoing president of the Friends, serves a cup of punch to the Maples family's youngest member, Michael, 5.

Other members of the family, from left, are Mr. and Mrs. Maples, Steve, 14, and Julie, 11. The family received a plaque for utilizing and supporting Rhoads Memorial Library during the past year. Maples is a state highway patrolman, and Mrs. Maples is employed by Schaeffer & Co.

FFA's get awards at banquet Thursday

The Dimmitt FFA held their annual banquet and awards ceremony Thursday night in the County Exposition Building with more than 55 members and 175 guests present.

FFA members served barbecue beef and pork, potatoes,

beans and homemade ice cream, all prepared by themselves.

Johnny Webb received a plaque from Brack Jones of the Funk International Seed Co. as state winner in the company's corn yield contest. This was the first year Texas was included in the national competition. Webb had a yield of 101 bushels per acre.

Matt Howell was named Star Greenhand and Steve Anthony was named Star Chapter Farmer. Randy Smithson was recognized as a Lone Star Farmer and Mark Welch was recognized as district Star Lone Star Farmer.

The DeKalb Agriculture Accomplishment Award, presented to a senior vocational agriculture student on the basis of scholarship and leadership, went to Lon Keel.

Foundation award winners were Randy Bagwell, agriculture mechanics; Gaines Howell, livestock; Mark Welch, beef cattle; Matt Howell, swine; Lyle Shives, soil and water management; Kenneth Irlbeck, sales and serviceman and Johnny Webb, crop production.

For outstanding work in the Ag Coop Work program, Lyle Shives, who works for the Running Water Soil and Water Conservation District and Kenneth Irlbeck who works for Hays Implement Co. received

Okay—here's your chance to impress your friends with your horticultural aptitude.

NEXT TIME you spot a blanket of those yellow wildflowers, just toss off the casual comment, "The Gordon's bladderpods are abundant this year, aren't they?"

Honest. That's what they are, according to Richard Heizer of the Soil Conservation Service. Richard picked a few, dried them and sent them in to the Wildflower Identification Place.

Just think—the prettiest little wildflowers we have in these parts, and they have to be burdened with a handle like Gordon's bladderpods. And their abundance, Richard says, is an indication of over-grazing.

Sometimes the quest for knowledge can take you down depressing trails.

Gordon's bladderpods? Anyway, thanks for the information, Richard. Now, if you don't mind doing a little more research, where can we find this guy Gordon who named them?

WHEN STEPHEN Finch of Hart won the state Class A championship in the 220-yard dash Saturday, it was the crowning touch to a historic sports year for our local schools.

Every high school in Castro County has won a state championship in athletics this year—Dimmitt in boys' basketball, Nazareth in girls' tennis, and Hart in the track event.

This may be the first time it's ever happened. But I doubt that it will be the last.

ALL YEAR our pages have blossomed with pictures and stories of our youngsters who have won championships or posted outstanding accomplishments in many fields.

Just think back over the honors our youths have earned during the school year in football, basketball, track, band, FFA, 4-H, scholastic events.

With the help of our school principals, coaches and department heads, we're trying to get all these honors together for a commemoration, which is scheduled tentatively for our June 5 issue.

CHARLES HECK III, Nazareth High School's valedictorian this year, won the 19th Congressional District appointment to the US Air Force Academy. Apparently, he's the first student from our county ever to win such an appointment.

Admission to a major service academy is by congressional appointment only, and if I remember correctly, only one appointee and one alternate are named from each congressional district in the US.

The reason you haven't seen a story about it is that Charlie turned the appointment down. It wasn't that he didn't want it. It was because astigmatism in one of his eyes would have kept him from flying. And Charlie, who has been flying since the first day he was legally allowed to solo, wanted to be an Air Force pilot. That's why he applied for the Air Force Academy in the first place.

They tried to get him to come on anyway, explaining that 30 percent of the USAFA graduates don't fly. But Charlie decided he didn't want to be part of that 30 percent on the ground. He will attend Texas A&M instead, and will keep flying as a hobby.

I realize the Air Force has to have strict physical requirements, but I'll bet that if they would have just let Charlie fly, he could have handled the job with one eye closed.

MUMPS have interrupted the plans of a lot of people here lately. Our church, for instance, had to make do with an amateur songleader for a couple of weeks because of mumps.

But the unkindest case in

only schools around that could pay its teachers during the Depression," she recalled. "I never did have to take a voucher. The Dimmitt teachers at that time were getting only part of their \$50-a-month salary in cash, and had to take the rest in vouchers."

She taught six years at Bethel before joining the Dimmitt faculty in 1938.

"There were only 12 teachers in the Dimmitt schools when I came in here," she recalled. "We were using the red brick schoolhouse and the present junior high. H. P. Clemons was the superintendent."

"I STARTED teaching the overflow from the fifth and sixth grades, plus art in the fifth, sixth, seventh and eighth grades. Mr. Reeves, the principal, was quite interested in art. We had a county school fair every year then, with an art show, and this prompted us to try to do our best."

Later, she followed Elizabeth Huckabay as the elementary music teacher. ("Do you remember an operetta we gave one time, when a lot of girls in crepe-paper dresses were California poppies and the boys were pine trees? I've still got the pictures.")

1942 was a whirlwind year for her. She was named Dimmitt's grade-school principal, she married Melton "Red" Richardson, and she moved to Galveston.

SHORTLY after her appointment as principal, her fiancé—

town was the one that sidelined one of my girlfriends, Tonya Clark.

Tonya is the Dimmitt FFA Chapter Sweetheart, and also won the Plainview District FFA Sweetheart title. Last weekend she was going to win the Area I Sweetheart crown, and she was destined in July to be named the Sweetheart of the Texas Future Farmers.

IN PREPARATION for the area contest, the local FFA boys—with justified enthusiasm—had some nice brochures printed, showing her picture in a formal and listing her accomplishments, and sent them to every FFA chapter in the Panhandle.

Then, boink! Mumps. Tonya didn't get to compete in the area contest.

All we can do now is be gracious to the eventual state winner, and curse the mumps silently.

THE DIMMITT area will pay tribute to a fine lady Friday when a reception is held to honor Helen Richardson upon her retirement. As a teacher and principal, Helen has had a hand in helping raise three generations of local residents.

"It's a sad time and a glad time," she said. "Age-wise, I could teach another year. But I think it's important for me to quit while I'm still in good health."

"The work has gotten harder through the years, but I'm bound to have enjoyed it or I wouldn't have kept at it 44 years," she added. "I could have retired after 30 years."

Helen, we're glad you didn't.

who farmed here—was drafted into the US Navy. When he received permanent assignment to the coastal artillery at Galveston, he asked her to come there and marry him. Which she did, as soon as the school year ended in June, 1942.

She taught two years in Galveston. Then, when her husband was sent overseas in 1945, she came home again to teach in the elementary grades.

After the war, her husband went into business here and she continued teaching. Melton died in June, 1964.

Mrs. Richardson taught in the elementary grades until 1959, when she was named principal of South Elementary School. She's held that post for the past 16 years.

"I moved up here to the South Elementary campus when they bought the barracks and moved the fifth, sixth, seventh and eighth grades into them in 1947," she said. "They were going to use the barracks just a year or two, then build North Elementary."

"I MOVED into North Elementary when it was first finished, but they hung onto the barracks. They've still needed them, always. But I guess this is the last year for the barracks—and for me, too. We'll go out together."

The lady who started teaching in a four-room country school now heads a faculty that includes 34 teachers and 26 aides, plus office personnel. Education has come a long way during her career, but she has come along with it, and has learned that the dedication required hasn't changed.

"The same techniques we've been drilling on—teach in small groups, deal with individual problems as possible, and so forth—we used the same techniques back when I was first teaching," she said.

BUT TODAY, school people speak in a jargon that represents the new facts of life in the profession—Title I, Title II, Migrant, NDEA, media, ADA, audits.

"It would have been so much simpler if I could teach the same way I did originally, but the changes keep coming," she said. "Change is one of the hardest things in the world, and there's been some change or other nearly every year. But I'm glad I've had an open mind toward change. You never know how much better you can do until you try."

She added, "I didn't have all the equipment and audio-visual materials when I started teaching, but I think we need them now. Our kids see so much TV and are entertained so much, school has to compete for their attention and imagination."

"IT'S MARVELOUS, all the teaching materials and the sight-and-sound aids that are available today to help teach our kids. I appreciate this equipment and these materials so much. Our teachers can order marvelous materials a year in advance, and our service center in Amarillo has a marvelous library for us to choose from, too."

Mrs. Richardson has received the ultimate honor from her community. In 1966, she was named the Citizen of the Year.

And two years ago she was cited by the Texas Classroom Teachers Association "for meritorious achievement in school administration," after being nominated by the Dimmitt Classroom Teachers Association.

WHAT WILL she do when she retires?

"I'm going to stay right here—this has always been my home," she said. "I plan to take better care of my personal business, and I've got my place over in Ruidoso."

"This summer, five of us have our reservations for a trip to Hawaii. And next year being our Bicentennial year, I'd like to see some of the celebrations around the country."

Of her career here, she said, "It's been a rare and interesting experience. I've seen three

Olnick dies in California

Jay Olnick, who designed and engineered Dimmitt's large corn milling plant, died early Tuesday in San Francisco.

A MEMORIAL service is scheduled in San Francisco, with funeral rites and burial to be held later in Mexico City.

Olnick, 51, moved to Dimmitt in 1969 from Mexico City, where he was the president of Intensa, an international engineering firm. As an employee of Dimmitt Agri Industries, Inc., he lived here four years. He supervised the engineering during the plant's construction period and served as vice-president of Dimmitt Management Co., which managed the plant's operation during its first two years of production.

He returned to his Mexico City home and to Intensa after Dimmitt Agri Industries, Inc., leased the local plant to the Spreckels Division of the Amstar Corporation.

BEFORE establishing his engineering firm in Mexico City, Olnick was a longtime executive of Corn Products Co. (now CPC International) in New York and other cities.

He is survived by his wife and two daughters.

AFTER THE RACE—Dimmitt sprinters Cliff Parker [right] and Robert Mayberry, along with Sports Editor Garet von Netzer of the Amarillo Globe-News, relax in UT-Austin's Memorial Stadium Friday as they watch the

Class AAA sprint relay event. Parker, Mayberry, Gene Veals and Thompson Mayberry had just finished their Class AA sprint relay race, placing third in the state with a time of 42.7 seconds.

followed by real trouble, unless amends are made within a reasonable length of time—like almost immediately. There shouldn't be any threats by our government as to what we will do if the ship and crew are not released unharmed. We no doubt have enough military muscle in the Indochina area to effect the release of the ship and its crew. If, and when, we have determined that reasonable diplomatic efforts have failed, no threats should be made. We should just go in and get the ship and inflict whatever reprisals necessary to make it clear that hijacking American ships is not a profitable business.

NEWLY ELECTED OFFICERS of the Friends of the Castro County Library discuss ideas with Dick Carter [right] of Amarillo, who was the guest speaker at the Friends' annual meeting last Thursday night. New officers, from left, are Harold Smith, Hart director;

Donna Allen, treasurer; and Esta Vandiver, vice-president. These officers will join President Carol Dyer, Secretary Margaret Womack and Directors Sandra Bagwell and Sybil Steffens in organizing the Friends' service projects during the coming year.

Friends of the Library elect, hear 'ideas' talk

"The primary purpose of the Friends of the Library is not to do all the work, but to let others help. People are willing to work—they just need to be told what the needs are," the Castro County Friends of the Library were told at their annual meeting last Thursday night.

GUEST SPEAKER was Dick Carter, former president of the Friends of the Amarillo Library. Carter is a Southwestern Public Service Co. employee, and also teaches in Amarillo's Alternative High School-Carver Learning Center. He's a past president of the Panhandle Archeological Society and the Amarillo chapter of the Full Gospel Business Men's Fellowship.

Carol Dyer was elected president of the Friends for the coming year, to succeed Maxie Horton. Esta Vandiver was elected vice-president and Donna Allen treasurer. Margaret Womack was re-elected secretary. Harold Smith was chosen as the Friends' new director from Hart, to join Sandra Bagwell of Dimmitt and Sybil Steffens of Nazareth on the Friends board.

Named as "Library Family of

the Year" during the meeting were Mr. and Mrs. Dyrle Maples and their children, Steve, 14, Julie, 11, and Michael, 5. The "Family of the Year" is chosen for usage of the library during the year. Maples is a state highway patrolman here, and Mrs. Maples is employed by Schaeffer & Co., certified public accountants.

FRIENDS of the Library is a voluntary service organization that helps the public library through fund-raising, work projects and library-associated activities.

Quoting a former editor of Reader's Digest, Carter said a Friends group "might be looked upon as a benevolent pressure group."

"The Friends can show a little interest at the right time when it might not be appropriate for the library staff to," Carter said. "The Friends can help protect the future appropriations of the library, or to secure needed improvements."

"**THE FRIENDS** also can spend money that isn't in the library budget," Carter said. "You don't have to buy the big things yourselves—you can provide the incentive to get others to help."

He suggested periodic meetings between the Friends and the library staff to discuss the library's needs.

Carter listed some significant accomplishments by the Friends of the Amarillo Library to provide ideas for the local chapter.

"**WE BOUGHT** framed copies of masterpieces and modern paintings, with a plaque on the back of each giving the name and the biography of the artist," he said. "These can be checked out for six weeks at a time to be hung in homes and businesses. The library had bought a few, they were all checked out almost immediately—it proved to be a popular program. So the Friends bought more of them."

"We purchased the films of Alastair Cook's series on 'America' as a Bicentennial project."

"Also as a Bicentennial project, we will sponsor a lecture series in 1976. We don't know yet just who our speakers will be."

"**WE HELP** with the newspaper files in the library, with a continuing indexing program. This requires a trained person on a continuing basis—it isn't a job for volunteers. We pay the salary of the person who in-

dexes our newspaper collections by topic.

"We furnish book reviews for the newspaper. This is done at the newspaper's request."

"We sell plastic book bags, and during wet weather the library gives them to people who are carrying books out. This helps protect our investment in the books."

"Once a year, we have a Book and Author Dinner for authors throughout our area. We print a list of all our Friends projects and put them at the places before the dinner to let people know what we've been doing."

CARTER urged members of the local Friends to "make yourselves available" to help the library in any way, and added: "You need to make it known to the community that volunteer library workers don't have to be members of the Friends—anyone can help, and their help is usually needed and appreciated."

Nazareth

Plenty of clouds, but still no rain

By MRS. AGNES BROCKMAN

Monday morning the weather was very damp and foggy, but still no rain as of yet. We've missed so many good chances here lately, surely we'll get some one of these days. The dry land is needing moisture very badly.

THE FLORENCE Albracht families enjoyed a barbecue supper with the Francis Wilhelm's Mother's Day.

Anna Beth Hoelting, daughter of the Greg Hoeltings, finished classes in nurses training in San Antonio and is eligible to take her State Board tests in Austin in July for her R.N. She spent a day here in Nazareth and plans to be at home for a week after she gets back from a trip to Los Angeles, where she flew Saturday to visit relatives. She will attend the wedding of her cousin Mike Baron, grandson of the Wert Hoeltings.

The Joe Lange families went to Canyon May 5 for the funeral of their brother-in-law and uncle, John Irlbeck. A large group of friends from here also attended. Mr. Irlbeck was a former parishioner here and his wife grew up here. She is the former Theresa Lange. On May 6 they also attended the funeral mass of Jack Johnson, another uncle and brother-in-law at St. Joseph's Church in Amarillo, with burial in Dreamland Cemetery in Canyon. His wife is the former Elizabeth Lange. We sympathize with the families and will remember them in our prayers.

THE A. P. Hoeltings, Clyde Hoeltings, Eddie Schachers, Eddie Venhauses of Amarillo, Donald Dettens of St. Francis and Catherine Miller of Amarillo had Mother's Day dinner in Canyon Sunday.

The Albert Venhaus families had a get together Sunday in the home of the Dickey Hoeltings.

Mr. and Mrs. Greg Venhaus and family of Friona spent Sunday visiting the Paul Venhaus family and Mrs. Sybil Steffens.

The Jerry Leinens of Amarillo, Harold Steffens of Slaton and Lucy Leinen had a Mother's Day get together in the home of the Don Ackers.

THE CLARENCE Schulte families had a Mother's Day dinner at the Lester Schultes in Dimmitt.

Sunday evening the Phil Brockmans visited with Phil's mother Agnes Brockman.

ATTENTION

ALL THOSE INTERESTED IN THE ECONOMY OF OUR AREA

Everyone interested in agriculture — businessmen, farmers, employees, housewives are urged to attend the Public Hearings on priority of natural gas supply to our irrigation farmers from Priority No. 2 to Priority No. 3. Our entire economy could be sorely hurt if the availability of natural gas for irrigation use was changed to Priority 3. Attend both of these meetings in Lubbock, Thursday, May 15 and Friday, May 16, 9:00 AM to 5:00 PM, Federal Bldg., 205 Texas Avenue, Lubbock, Texas. Register and go on record in protest of the change of legislation. Our economy depends on it.

TEXAS TALK

By Jim Hays

After the Rough Riding was over, Teddy Roosevelt spent a lot of time making what he hoped would be remembered as profound statements. One of those is proving itself more every year . . . "We cannot afford to lose that preeminently typical American, the farmer who owns his own land." Many theories abound. Robert Aubrey lists it as a manifestation of what he calls the "Territorial Imperative." Others observe simply that a man will work harder for himself than for someone else. Undoubtedly true, but another, immeasurable factor is involved . . . pride. American farmers are proud to be able to each produce enough for themselves and 50 others. And they're smart. Smart enough to use the right portions of ecology, mechanization, chemical know-how and management to make the same land produce more every year. In 65 years production per acre has increased more than 620 percent. The Rough Rider was right, we can't afford to lose the family farmer.
