Good grief! Fall Clean-up Week was a real waste of time, what with the trash Halloween brought and then the high, dusty wind to scatter it.

The house wrapping around here is getting out of hand, but throwing water balloons and eggs is just a ridiculous way to celebrate Halloween.

Property owners need to be protected from these thoughtless acts and parents need to know where their older children are as well as their little "spooks." For those parents who actually take their children around with rolls of toilet tissue, I can only say they have a thoughtless lack of concern for other people. What would they say or do if one of the children were shot as a prowler or perhaps burglar, while strewing toilet tissue all over someone's property? That would be as tragic as the poisoned treats we have heard about. And this could happen very easily in the dead of the night.

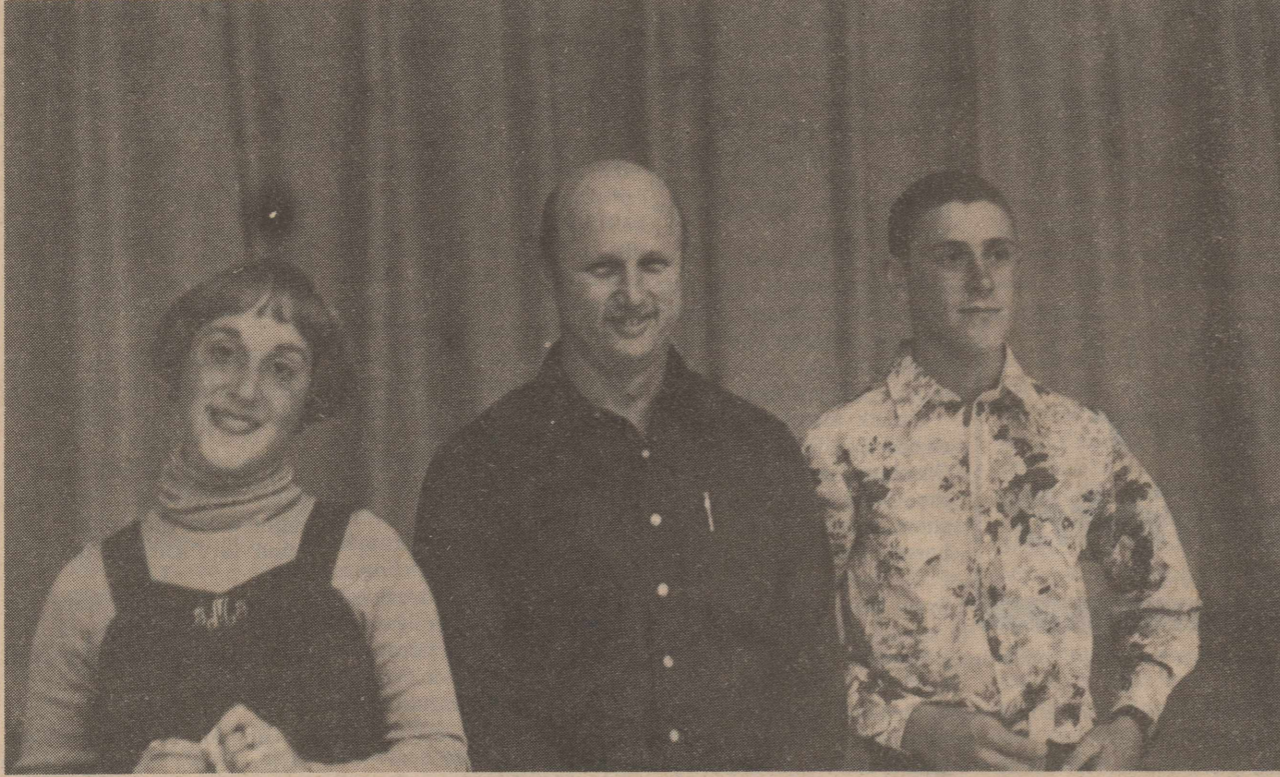

Another thing which has come to my attention this week was the theft of a lamb from the 4-H pens and barns this past Friday night. These kids work hard on their feeding projects and if this is a Halloween trick, it's pretty sick. This is much harder on a 4-H Club member than on a rancher with a pasture full. Ever since I can remember Sheriff Mills has had an ad in the paper offering a \$500 reward for the apprehension of livestock thieves. I think this act qualifies as well as a rustler who drives up to a ranch and just loads up.

SALE TO BENEFIT COMMUNITY CENTER

The Ozona Community Center will have a rummage sale November 12 and 13 at the Center for the purpose of raising money for the Center. As you know, the roof has had to have extensive repairs and the funds for Kiddie Klub and Tinyville are almost gone. This is the second of several fund raising projects being carried out for the benefit of the Community Center.

If you have rummage to donate, please contact the Center, 2-2710, or take your items to the Fellowship Hall of the Methodist Church.

The Times for the Rummage Sale will be announced in next week's Stockman.

4-H GOLD STAR WINNERS-Gigi McKinney and R.J. Everett were presented the Gold Star Awards Saturday night at the annual Crockett County 4-H Awards Banquet held at the Civic Center. Making the presentation was County Judge Johnny Jones, center.

Crane Downs Lions 21-13 In District Opener Fri.

Ozona's Lions had one of those nights where nothing went right in Crane Friday night and lost their first district game 21-13. The only other game in the district saw Kermit beat Sonora 7-3, so at the moment Crane and Kermit seem to have a slight edge to win the district. Kermit will be in Ozona Friday night and the Lions will be going for the upset in the final home game of the season. Sonora will take on Crane, in the other District 7-AA.

The Crane Golden Cranes effectively stopped all-purpose running back Blake Moody, holding him to 54 yards on 20 carries for the least amount of yardage gained in a game this year by the outstanding Lion. This, of course, stopped the Ozona offense and they were only able to rush for 95 yards.

The Cranes took the ball downfield to score in the first quarter. To add insult to injury, the Cranes scored again in the second quarter when Ozona fumbled the ball inside its 7 yard line. However, Ozona came back to score in the second quarter on a 65-yard drive. The big play was a 28 yard pass from Sewell to Bean and Moody scored from the 1 yard line. He also kicked the extra point and the Lions went into halftime trailing 14-7.

After the half, the Cranes

simply refused to allow Ozona to have the ball and effectively controlled the game, scoring again in the third period.

In the final period, Coach Sewell, put Moody in at quarterback and he completed two passes to set up the final Ozona score before leaving the game with an ankle injury. Sewell passed to Cruz Garza for 20 yards and the score to end

Jr. High Cubs Take Two Wins

The Jr. High Cubs travelled to Crane Saturday, October 29, and won two games from the Crane seventh and eighth graders. The seventh grade cubs raised their season record to 2-2-1 with a 6-0 win and the eighth graders improved their season mark to six wins and one loss with a 32-14 score over Crane.

The Cubs will complete their season this Saturday by hosting the Crane Jr. High at Lions Stadium. The seventh grade game will start at 11:00 a.m. followed by the 8th grade game.

Last Thursday the Cubs 8th graders defeated the Iraan Jr. High by a score of 43-0 at Lion Stadium.

the game. The PAT failed.

Crane out-played the Lions in the statistic department, having 15 first downs to the Lions 10, rushing for 174 yards and passing for 40 for a total yardage of 214, while the Lions had 95 rushing and 92 passing for a total yardage of 187. The Lions lost three fumbles and had a pass intercepted while the Cranes did not turn over the ball at all.

Individual statistics for the Lions had Moody rushing 54 yards on 20 carries for a touchdown and 1 extra point. Sewell had 29 yards on 6 carries, Allen 3 yards on one carry and Reyes 9 yards on 5 carries.

Poor Man's Supper Is Friday Nite

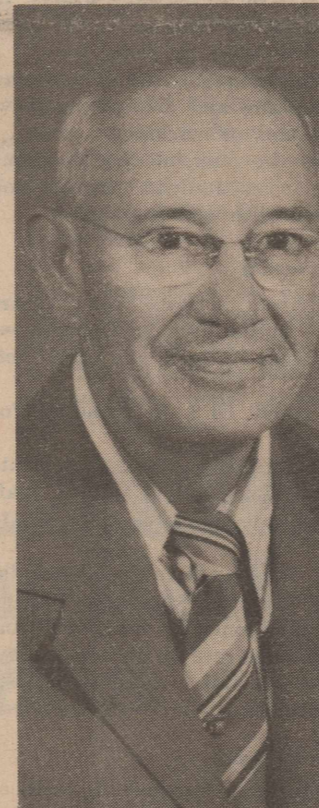

The Band Boosters annual Poor Boy's supper will be held Friday, Nov. 4, at the Civic Center from 5 until 7 p.m.

Prices are adults, \$1.50, students under 12, \$1, and carry out plates, \$1.75. Tickets may be purchased at the door or from any band booster member.

The menu will consist of beans, salad, cornbread and dessert with tea or coffee.

Services Sunday For Hubert Baker

Funeral services for Hubert Weldon Baker, 75, were held Sunday afternoon at 3:30 in Ozona Church of Christ with burial in Cedar Hill Cemetery under the direction of Janes Funeral Home.

Mr. Baker died at 12:30 Thursday in Shannon Hospital where he had been rushed by ambulance earlier that morning, of an apparent heart attack.

He was born Aug. 13, 1902 in Tennyson and had lived in Ozona since 1937. He had a grocery store in Ozona for 16 years and was a salesman for Martin Glover Wholesale for 23 years before then. He was manager of the Ozona Chamber of Commerce for nine years before retiring in March 1974. He served on the chamber board of directors until death.

Mr. Baker was past worshipful master of Ozona Masonic Lodge and received his 50-year pin in 1974. An elder of Ozona Church of Christ for 30 years, he was a member of the Texas Old Time Fiddlers Association. Mr. Baker was an accomplished musician and shared his talents every-time he was called upon.

He was married to Lottie Lee Sims, September 1, 1923 in San Angelo. They celebrated their Golden Wedding Anniversary here four years ago.

Survivors include his wife; one daughter, Mrs. A.J. Pakkila of Buchanan Dam; one sister, Mrs. J.E. Butler of San Angelo; two brothers, Clifford Baker and Neal Baker, both of San Angelo; three grandchildren, three great grandchildren and a number of nieces and nephews.

Annual 4-H Awards Program Draws 180 In Attendance

The 4-H Annual Awards Program and Barbecue was held Saturday evening at the Civic Center. "Hats Off To Our Leaders" was the theme of this year's program. A total of 180 people enjoyed the supper of barbecue goat, beans, potato salad, and peach cobbler.

Rebecca Everett was announced winner of the Mother Davidson Award which is the highest award in Crockett County. Mr. Joe Tom Davidson presented the trophy. Gigi McKinney, announced Gold Star Girl and R.J. Everett, III was Gold Star Boy. The Gold Star awards are presented to the outstanding 4-H boy and girl. Judge Johnny Jones presented the Gold Star Awards.

A total of 48 4-H members received awards. Adult and junior leaders presenting awards were Mrs. Floyd Hokit, Melinda Hokit, Mrs.

Kirby Corbell, Les Hale, Mrs. Herculano Delgado, Elsa Delgado, Mr. Eddie Hale, R.J. Everett, III, Mrs. Jasper Bench, Nancy Bench, Regina Everett, and Ed Hale.

4-H members receiving awards were Gigi McKinney, Becky Everett, and Cliff McMullan-Citizenship Awards; Elsa Degado, Melinda Hokit, Ed Hale, Bubba Everett, Louis Bunger-Leadership; Mabel Delgado, Will M. Black, Les Hale-Achievement; Cliff Chaney and Frankie Reavis, Judging; Mike Couch, Grass-Range Management; Jana Chaney and Deena Beth Phillips, Dairy Foods; Maricella Payne, T.J. Hearne, Kristal Williams, and Vanessa Miller-Clothing; Gail Hunnicutt, Jo Anne Hearne, and Sue Ellen Black-Dress Revue; Cliff McMullan and Elsa Delgado, Danforth Award; Rebecca Everett, Santa Fe and Rutherford Record Book; and Melinda Hokit, Clothing Record Book.

4-H members participating in the "Hats Off To Our Leaders" program were Melinda Hokit, Ed Hale, Gigi McKinney, Rebecca Everett, Oneita Carlisle, Jana Chaney, Tammy Adams, Kent Hokit, Dan Bean, Karise Aycock, Jacinda Marley, and Regina Everett.

This year's goats were donated by George Bunger, Frank McMullan, Jr. and Joe Couch. Mr. Johnny Meyers and Floyd Hokit did the barbecuing. The other food was prepared by the Crockett County 4-H members.

This year's senior and junior 4-H officers planned the meal, program, and decorations. The officers are Rebecca Everett, Melinda Hokit, Tammy Adams, Oneita Carlisle, Ed Hale, Kent Hokit, Dan Bean, Karise Aycock, and Jacinda Marley.

Big Lake Gas Processing Plant Opens

Energy company officials, elected officials and community leaders from throughout the West Texas area participated in the grand opening of the Big Lake Gas Corporation's new refrigeration gas processing plant October 29.

Construction has been completed on the facility near Big Lake by the Corporation, a wholly-owned subsidiary of Regal Petroleum Corporation headquartered in Dallas.

According to Regal President Guy A. McDaniel, the gathering system is currently producing 3-1/2 million cubic feet a day, and anticipates an escalation in the near future to 5 million cubic feet.

The gas is purchased by El Paso Natural Gas Company and is transported to the West Coast. The liquid products are being purchased by Phillips Petroleum and Gulf-Warren, and are transported through the Phillips line.

The Big Lake Gas Corporation processes gas for both majors and independents in the Barnhart and Farmer Fields. The gathering system covers Crockett and Reagan counties, according to Mr. McDaniel.

Investment in the plant is in excess of \$1 million. The plant will be increased in size as warranted by additional gas development in Reagan and Crockett counties.

Carroll E. Gregg of Dallas, hydro-carbon processing engineer, and Regal Vice President W.J. (Jack) Alexander designed and constructed the facilities.

Parade Costume Winners

An estimated 100 children were on hand in the park Saturday for the annual Girl Scout sponsored Halloween Parade in the downtown park. Alice Lopez is troop leader.

Judges for the contest were Jeanette Hill, Rick Whitworth, Al Ramirez and Maria Vitela. Prize winners in the pre-school to second grade group were Edward Fierro, Sabrina Easterwood and Jaci Cook. Winners in the other group were Danny Moran, Stacy Lay and Cody Sutton.

After the judging, the parade formed and led by Zella the Witch, marched around the square.

Light Absentee Voting Indicates Lack Of Interest

As of Tuesday, only two Crockett County voters had cast absentee ballots in the November 8 amendments election, denoting a considerable lack of interest in the proposed seven amendments to the Texas Constitution.

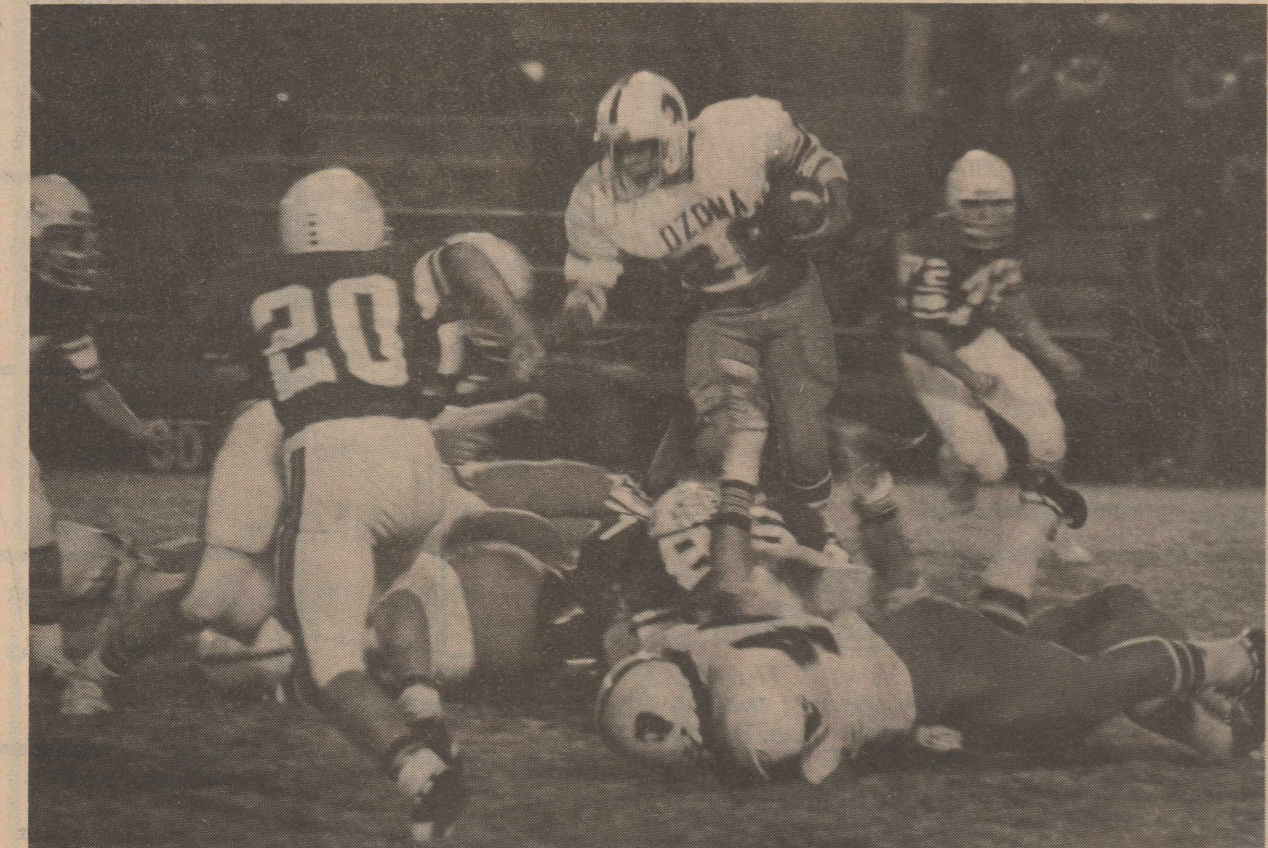

Crockett County voters will vote at the courthouse next Tuesday in the state-wide election. The boxes at the power plant and Powell Field will also be polling places.

Local voters have another election before the end of the year, and this special election seems to be the subject of most political comment. Briefly, the election was ordered by a federal court when a three-judge panel voided the action of the last Democratic Primary and ordered a new election for Commissioners in Precincts 1 and 3. They declared the election illegal due to the fact that the precinct lines had not been approved by the Justice Department under the Voting Rights Act of 1965.

The order declared both posts "vacant," and only this week County Judge Johnny Jones was notified the present commissioners were to continue in office until the election results became known, following the December 10 election or the subsequent run-off election. With five candidates running in Precinct 3 and four in Precinct 1, there will almost certainly be a run-off or second election between the two who garner the most votes in the election.

There were no new candidates filing in Precinct 3 during the past week, but two more have filed in Precinct 1. They are Arthur Kyle and Dr. Gary Vannoy, bringing to four the candidates in that race.

Filing ends at 6 p.m. November 8. Absentee voting in person will begin November 20 and end December 6. Requests for ballots in the mail were declared open with the date of the order. Of course, ballots cannot be mailed until they are printed, but in order to be counted, they must be back not later than 5 p.m. Dec. 6.

LIONS FIND CRANE MORE THAN THEY CAN HANDLE at Crane Friday night. However, Joey Borrego, gives it all he's got diving over a jumble of Lions and Cranes, only to

find another Crane waiting for him. Crane came out on the winning end 21-13 in the first game in district play for both teams. [Joel Sanchez Photo]

you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

Q: My husband "Tom" and his ex-wife "Mary" were divorced in Louisiana after 30 years of marriage. "Mary" got all the furniture, and "Tom" got all the debts, amounting to \$25,000, plus alimony under Louisiana law. "Tom" left Louisiana for Texas five years ago and he hasn't paid alimony since the first year. Now, "Mary" is threatening to get a judgment against him. Since Texas doesn't have alimony, can it be collected through a judgment in Louisiana? Could they put "Tom" in jail if he can't pay up?

A: Yes! A valid Louisiana judgment is enforceable in a Texas Court upon compliance with proper procedure. Whether or not Tom would go to jail is a matter of Louisiana law. In Texas he would not be subject to jail for non-payment of alimony.

Q: If my ex-wife has our child's name changed to that of her present husband, do I still have to pay child support?

A: Yes, you do. And remember that only the court has the authority to give you permission to stop child support payments and this happens very rarely.

Q: One more thing, since both she and her husband work, can I have my child support payments reduced?

A: Child support payments can be reduced by the Court after a hearing, but whether the Court will do so depends on whether you can show such a change in circumstances as to require a reduction.

Q: Within the city limits of an incorporated town in the

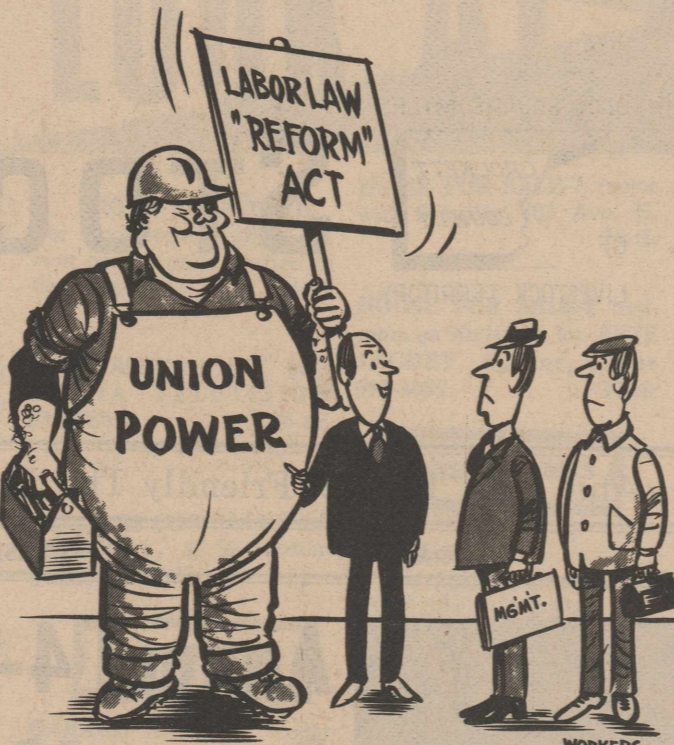

State of Texas, is it standard procedure and legal for a city policeman to escort a motorist with out of state plates to the police station and hold him until he pays the fine for running a stop sign?

A: Texas has adopted the uniform Act Regulating Traffic on Highways, and this act is applicable to all public roads. This includes traffic control devices. No local authority may pass or enforce any rules or regulations in conflict with the Act, but local authorities may pass rules which are not in conflict. There would appear to be no conflict with the Act if local authorities make provisions for immediate hearings for an out-of-state motorist who wishes to contest a ticket.

Q: Several years ago we bought some country acreage. The county engineer said that if we had the survey done, he would see to it that a county road was built giving our neighbor and us access to the property. Now that we've spent money on the survey, he refuses to do anything about it. Is there anything we can do to either get the road built or get our money back from the County?

A: The only governing body authorized to build a road to your property would be the County Commissioners. The county engineer has no such authority. We suggest you take the matter before the commissioner's court.

Send your questions to "You and the Law," State Bar of Texas, P. O. Box 12487, Austin, 78711. Answers may appear in columns in hypothetical terms; personal answers not possible.

TEXAS PRESS ASSOCIATION

AUSTIN—Texans will vote on seven proposed constitutional amendments November 8.

Absentee balloting already is underway at courthouses over the state, but interest is light.

Gov. Dolph Briscoe last week gave his endorsement to all seven of the proposals, which range over subjects from administration of justice to taxation.

Amendment 1 would increase the size of the Court of Criminal Appeals from five to nine judges and permit the judges to sit in panels of three to discuss routine matters and speed appeals.

Amendment 2 provides an additional \$200 million in veterans land bonds.

Amendment 3 permits trial judges to deny bail to persons charged with felony offenses who have been twice convicted previously, who are charged with a felony while out on bail on a previous indictment or who are charged with a crime involving use of a deadly weapon after previous conviction.

Amendment 4 authorizes tax relief to conserve cultural, historical or natural history resources.

Amendment 5 permits formation of agricultural or marine commodities producers to form associations to promote their products and assess fees to cover costs following a referendum.

Amendment 6 allows the legislature to permit state and national banks to exercise banking and discounting privileges by use of electronic devices or machines.

Amendment 7 reconstitutes the Judicial Qualifications Commission into a Commission on Judicial Conduct and strengthens its powers to deal with erring judges.

Speeding Up

Seventy-four per cent of drivers on state highways are ignoring the 55 miles an hour speed law, and Department of Public Safety Director Wilson E. Speir has urged voluntary compliance.

The insurance industry joined DPS in pleading for a slowdown. Speir said the number of fatalities and major accidents is increasing each week. According to DPS figures, traffic deaths increased from 2,467 at this time last year to 2,675 in 1977.

Jerry Johns, president of Southwestern Insurance Information Service, said more Texas drivers are violating the speed limit than at any time since its enactment, and continued increases in the accident rate (with accompanying insurance cost hikes) are inevitable unless motorists begin watching their speedometers.

Abuse Charged

A five-member investigation team reported 10 cases of patient abuse at Rusk State Hospital including a fatality resulting from a beating by two other patients in a "close supervision" ward.

State Mental Health Commissioner Kenneth Gaver fired the hospital superintendent, Dr. Robert B. Sheldon. The report was turned over to the district attorney of Cherokee County where the hospital is located.

Courts Speak

Striking down an old rule, the State Supreme Court held an injured Abilene State School employee could recover \$49,300 in damages.

In other action, the high court: Turned down a former Kingsville city manager's appeal for reinstatement.

Upheld a \$35,100 award against a Grayson County Hospital where a patient suffered from improper removal of a catheter due to an orderly's incompetence.

Agreed with lower courts that a University of Texas student could not stop the campus newspaper, The Daily Texan, from editorializing on election.

Attorney General Opinions

Twelve-member juries appear to be required in the Dallas County courts at law, but changes in federal law indicate the State Supreme Court may hold six-member juries permissible in civil cases where the controversy exceeds \$1,000, Atty. Gen. John Hill said.

In other recent opinions, Hill concluded: Certain information furnished the State Board of Insurance in connection with a disciplinary hearing is public under the open records act.

A county legally may pay reasonable premiums on bonds required by law of reserve deputy sheriffs and of reserve deputy constables.

Short Snorts

Sen. Peyton McKnight of Tyler has been sworn in as president pro tempore of the Senate.

Charles Ramsey was elevated to chief examiner of the State Board of Insurance.

The Railroad Commission denied a Brazos River Gas Company rate increase for Weatherford but approved a change pegging rates for a 10 mcf monthly charge at \$27 for consumers in the North Texas city.

A national tribute to Mrs. Lyndon B. Johnson is scheduled here December 11.

TEACHER OF THE MONTH
The Lions Roar Staff would like to dedicate this Lions Roar to the "October, Teacher of the Month".

Claiming the title of Teacher of the Month for October is Mrs. Baugh, our home economics teacher. This is the second time the award has been given, and the second time that it has been claimed by a "rookie" to our school.

Barbara Baugh comes to Ozona originally from Big Sandy. She attended Glade-water High School where she was a majorette in the band, a member of the FTA, FHA, National Honor Society and graduated with honors in 1973. In the summer of '74 she attended the University of Hawaii. December 31, 1975, she was married to Mike Baugh. She also attended Stephen F. Austin University in Nacadoches, where she was a member of the H.E. Club and Phi Upsilon Omicron and graduated in December of 1976. This is her first teaching job and she says she enjoys it very much.

We also found out a lot of other interesting things about her. Her favorite things are people, horses, and trees. She loves cold weather, but her favorite season is Autumn because of all the different colors. She loves the outdoors and enjoys camping and one of her favorite sports is horse racing. Her favorite culture is the American Indian and hopes one day to work with them. Mrs. Baugh's favorite movie is A Man Called Horse, her favorite ice cream is baseball nut, her favorite song is "Let It Be" and her favorite poet is Khil Gabran. In her spare time she likes to do needlework, macrame, prints and other crafts. She also has a dog named Charo. Mrs. Baugh plans to go to Texas Tech for the summer and get her Masters. Congratulations and keep up the good work.

Even though the Lions had a tough break last week, we still want District 7-AA. Let's back the Lions to a big victory over Kermit here Friday.

The Cubs stomped on Crane with outcomes of 32-14 by the eighth grade and 6-0 by the seventh grade. Way to show 'em how! The J.V. will travel to Sonora to play the Broncos at 7:15 Thursday and the Junior High will stay here to play Crane again Saturday with the seventh grade to start at 11:00 and eighth grade to follow. Show your spirit and back these teams to victory in their last games of the season.

Congratulations to Sheri Moody for receiving the Spirit Mug this week and to Teresa Martinez for receiving the LION award in band. Keep up the good work, girls! Also, congrats to all the 4-H award winners! Happy Birthdays to Yolanda Castro and Sherrie Hummel.

Cliff B. was playing Sleeping Beauty in Civics last Friday. Instead of a kiss awakening him, something else did--compliments of Asa's Beauty Parlor--"beauty while you sleep."

We're all very proud of our flag corps. They can lose their flags and whip some more right up with the blink of an eye. But we have to admit, we did like it when ya'll played "Somewhere Over the Rainbow."

Jeffrey M., does your blinkers not work or is it you've got better things to do other than turn them on? You'll learn after getting that green stamp afterwards.

Reflectors are to show people where the highway is Jim Bob-not the ditch.

A few kiddos lost some of their privileges Saturday night when they didn't respond to "Alright, inside!"

Shane F., what were you doing Sunday sitting on Davy's head? Davy Crockett that is.

Gigi M. is still growing. After school Tuesday, while the Speech II class was decorating for the play, everyone noticed she had a home grown tail--a long, beautiful orange one at that! What's your secret, G.?

The first of this week, everybody was scared out of their wits when many witches, spooks, and goblins came knocking on their doors. Various Halloween parties were given and everyone had an enjoyable Halloween. Even the trees got into the "haunting" spirit with brightly printed and colored squeezably-soft tissues! We hope all of you had a "happy haunt" and just in case anyone forgot, be sure and set your clocks back one hour! This is a big hint to Kim Sinclair, since she was late--late--to a very important date! Ooops, but that was a week early!

HALLOWEEN PLAY
Mr. Porter's Speech II class presented a Halloween play last week at Ozona High School. For those of you who were unable to identify the "haunters" in the play, "The Hound of the Maskervilles," here is the list of characters:

Aurilla, Jeannine Perry; Sabilla, Cynthia Nicks; Vanilla, Sandra Fielder; Lady Maskerville, Gigi McKinney; Ghoulfinger, Max Schroeder; Fang, Cliff Babbitt; Fang's Bark, Steve Pagan; Bridget, Debbie Whitley; Fidget, Martha Castillo; Quiver, Danny Weant; Quake, Cruz Garza; Heada Chopper, Lucy Perner; Bingo, Blake Moody; Bongo, Jim Bob Sosa; Mayor, Robert Longoria; Masquerader, Andy Galan; Stage Manager, Felipe Castro; Stage Crew, Asa Bullard, Michelle Preddy, Curry Sheehan, Peggy Wood, Andy Galan.

Debra Says
by Debra Price

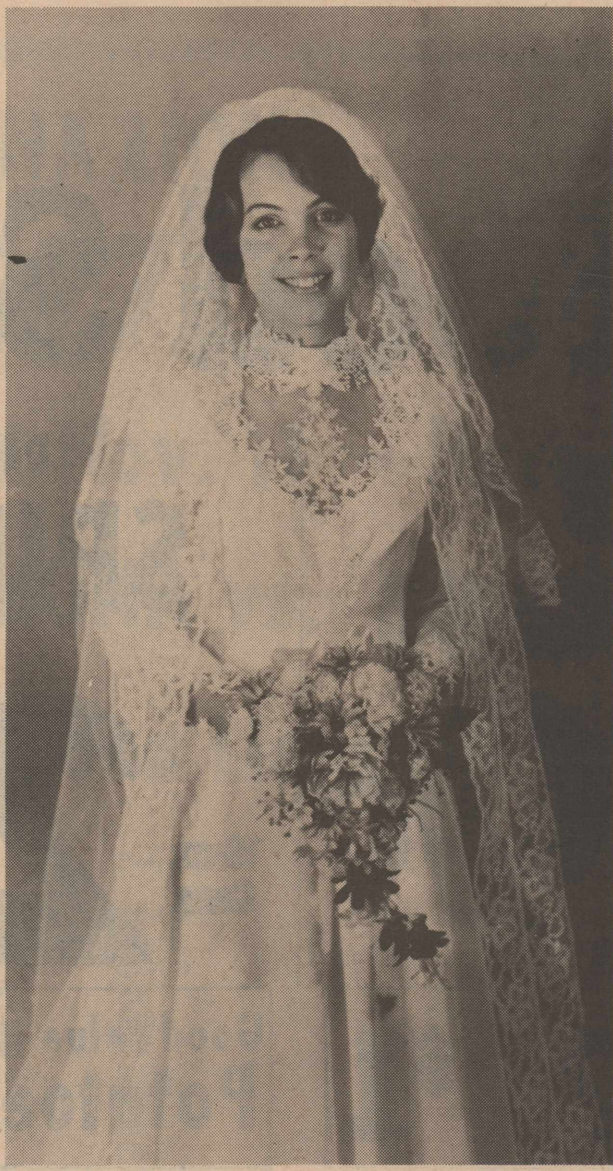

Saving energy in the kitchen is a concern of the Federal Energy Administration. Much of our food is highly processed, and even that which is not may have come from lands far away, at an enormous cost in energy. So before it gets to us, our food may have been treated, transported, processed and re-processed, packaged, and hauled again--from market to our own kitchen shelves.

To help cut down on further energy output--in meal preparation--the Office of Conservation suggests these tips to the consumer:

1. Avoid peeking in the oven, or in the crockpot. Use a timer, a meat thermometer or time/temperature chart; check minimum allotted cooking time for the food you are cooking. Or use the oven light to help you see into the oven. Make sure the oven door seal is tight and not leaking.
2. Plan complete oven meals that can be cooked all at the same time. Turn off oven when there is about five minutes of cooking time left--the oven will be hot enough to finish the cooking.
3. Match pots and pans to the size of the burners. Use pans with flat bottoms for close contact with burner. A pot on too large a burner allows heat to escape.
4. Cover saucepans with tight-fitting lids whenever possible. Food will cook faster at a lower temperature.
5. Preheat oven only for baking, and then for only about ten minutes.
6. Set surface burners on high setting only briefly; lower setting will usually work just as well.
7. Prepare double recipes of some foods--such as stew, soup and lasagna. Freeze for later use.
8. Keep your gas range pilot adjusted. It could be using more fuel than necessary.
9. Put pots and pans on the range before burner is turned on so heat is not wasted.
10. Use your oven instead of surface units when possible. Less heat is lost in confined areas.
11. When practical, thaw foods before cooking.
12. Use glass or ceramic pots and pans on a conventional range; the heat can be lowered 25 degrees without losing cooking efficiency.
13. Heat only as much water as you need; it will heat more quickly.
14. Use specialized appliances--popcorn poppers, toasters, skillets--when possible; they use less energy than the range does.
15. Use the vent fan to exhaust air heated by range-top cooking. This eases the burden of your cooling system, but don't let the fan run needlessly.
16. Cook several dishes at once by dividing the skillet with foil inserts.

HEALTH MUFFINS

- 2 cups oatmeal
 - 2 cups shredded wheat
 - 2 cups All-Bran or Bran flakes
 - 1 cup boiling water
 - 1 cup oil
 - 1 pound brown sugar
 - 1 quart buttermilk
 - 5 cups flour
 - 1 teaspoon salt
 - 5 teaspoons soda
- Combine cereal and add water. Add remaining ingredients in sequence and mix well. Bake in greased muffin pans. Bake at 400 degrees for 15 minutes. May be stored 2 months in tightly sealed container in refrigerator. Approximately 116 calories per muffin.

MRS. DUANE CHILDRESS
...nee Karen Moody

Moody-Childress Wedding Held Here October 22

Ozona Church of Christ was the setting for the Oct. 22 wedding of Miss Karen Jeanice Moody and Duane Michael Childress. Bill Morrison officiated.

Parents of the couple are Mr. and Mrs. Foy Moody and Mr. and Mrs. John Childress.

The bride, given in marriage by her father wore a traditional white silk wedding gown. Her gown featured an empire bodice appliqued with lace and seed pearls. Her veil was of white illusion caught with a silk headpiece encrusted with lace and pearls. She carried a bouquet of orchids, stephanotis and yellow rosebuds.

Miss Sheri Moody, the bride's sister, was maid of honor, and bridesmaids were Mrs. Ralphanne Moody of Plano, Mrs. Virginia Murrah of Bryan and Miss Luann Perner.

The bride's attendants wore dresses of Autumn yellow silk featuring wide cowl collars and wore picture hats. Their bouquets were cascades of yellow and bronze crysanthemums.

David Childress, the bridegroom's brother of Midland was best man. Groomsmen included Steve Wilkins of Georgetown, Sooner Williams and Dwight Childress, the bridegroom's brother. Ushers were David Williams of Midland, Mark Harvey of Houston, Craig Williams, Douglas Moore, Fred Chandler, and the bride's brother, Blake Moody.

Dr. Gary Vannoy and Sonny Cleere were soloists accompanied by Mrs. Steve Kenley.

The church was decorated with rainbow candelabra entwined with greenery. Arrangements of yellow and bronze crysanthemums flanked the altar. The pews were decorated with votive candles and yellow ribbons.

A reception followed the wedding at the Granny Miller Hall. The bride's chosen colors of yellow and white were used in decorations and floral arrangements.

The bride is a graduate of Ozona High School and attended Midland College where she studied business. She was employed at a Midland engineering firm.

The bridegroom is a graduate of OHS and the University of Texas with a bachelor of science degree in marketing. He is a business-

man. After a wedding trip to Hawaii, the couple will live in Ozona.

The rehearsal dinner was held at the Circle Bar Club.

Out of town guests included Mr. and Mrs. Ralph Hull of Houston, Mrs. Michael Koury, grandmother of the bridegroom, of Houston, Miss Kim Barbour, Curt Barbour, Mr. and Mrs. T.P. Hull, Jr., Mr. and Mrs. Conrad Hinshaw, Mrs. Charles Deware, all of Houston.

Also, Mrs. J.D. Young, grandmother of the bride, of Houston, Mr. and Mrs. Atmar Atkinson of Lubbock, Mr. and Mrs. John Hollingsworth of Fort Worth, Mrs. David Childress of Midland, Mr. and Mrs. Sam Conner, Mr. and Mrs. Wayne Ulrich, Miss Karen Ulrich, Miss Mary Elizabeth Ulrich, all of Midland, Mr. and Mrs. L.B.T. Sikes of Austin, Mr. Jake Murrah of Sanderson and Mr. Denson Moody of Uvalde.

Parties honoring the bride before the wedding included a gift tea at the home of Mrs. Tony Allen, the bridesmaid's luncheon in the home of Mrs. C.O. Walker, assisted by Mrs. Fred Hagelstein and Mrs. Deane Holden, a rice bag party in the home of Mrs. Lane Scott.

All of us have memories that are worthy of cherishing. The same is true of our family names. They are worth cherishing and preserving. Your family memorial is one of the most important ways of doing this.

Tips For Gardeners
From the Ozona Garden Club by Mrs. Bailey Post

After the great showers that refreshed our country, November should be a busy month for gardeners. Although garden work now lets up somewhat, there is always need to look after bulbs and other plants in storage or the greenhouse, care for equipment, bring notebooks up to date and catch up on garden reading.

Even though the fall clean-up started last week, this should be continued until our city looks well groomed. Clean gutters and drains of fallen leaves that may prevent their functioning properly, and do not permit leaves to lie for long periods in masses on the lawn. Drain garden pools before a freeze.

Proceed with basic soil improvement work until frost. Leave the surface of ground turned over in the fall rough so that the maximum benefit of winter rains is received.

Evergreens, such as yews, English ivy, hollies, junipers, and many others may be rooted by inserting cuttings in a propagating bunch where they will not freeze. Take cuttings before really severe freezing weather. Another way of rooting is to weight down a limb or branch and cover well with soil. Keep damp. When rooted in the spring, cut the branch from the main plant and place where it is to grow.

Blue bonnets should be coming up after the rains, but if it remains dry, they should be watered to keep them growing.

Mulch semi-hardy plants and shrubs with leaves, straw or green clippings. If your roses have grown tall and leggy, it may protect them from strong winter winds to cut them back some now, and finish pruning them by March 15.

Branches of dogwood and other shrubs or trees that have trailed the ground and rooted can be cut off now and transplanted. Get a ball of dirt if possible. After placing the new plant in its planting hole, give it plenty of water.

COUNTRY CLUB BRIDGE

Mrs. Gene Perry was hostess for bridge at the Country Club Thursday.

Mrs. Gene Williams and Mrs. Frank Tillman tied for high score. Mrs. George Bunker won low and Mrs. John Childress, bingo.

Others playing were Mrs. Clay Adams, Mrs. Bob Bailey, Mrs. Dale Bebee, Mrs. Hugh Childress, Mrs. Cuatro Davidson, Mrs. Tommy Harris, Mrs. Jerry Hayes, Mrs. Brock Jones, Mrs. Arthur Kyle, Mrs. Bruce Mayfield, Mrs. Beecher Montgomery, Mrs. Kirby Moore, Mrs. J.B. Parker, Mrs. Hillery Phillips, Mrs. Sherman Taylor, Mrs. Ewart White, Mrs. Jack Williams, Mrs. Lowell Littleton and Mrs. O.D. West.

DUPLICATE BRIDGE

Mrs. Gene Perry and Mrs. Sonny Henderson won first place in Duplicate Bridge at the country club Sunday. Placing second were Mrs. Robert Cox and Mrs. Tom Montgomery.

League Hosts Mexican Buffet Thursday

The Ozona Womans League met Thursday, October 27, at 7:30 p.m. in the Civic Center. Husbands and guests were served a buffet mexican dinner. Hostesses were Mrs. Nat Read, Mrs. Lane Scott and Mrs. Erby Chandler.

Following the dinner, Mrs. P.L. Childress III introduced the special guest and speaker, Phillip Hardberger. Mr. Hardberger spoke on his recent re-creation of Lingberg's flight across the Atlantic from New York to Paris. He told of the many preparations necessary for such a flight, the problems incurred, the route of his flight, and many interesting incidents along the way. Mr. Hardberger was greeted in Paris by a large crowd including French government officials and his wife to share the success of his trip.

Mr. Hardberger is the nephew of Mr. and Mrs. P.L. Childress Jr., Mr. and Mrs. Lowell Littleton, and the grandson of Mrs. R.E. Hardberger, all of Ozona. He and his family live in San Antonio where he is an attorney.

The Understanding Chair

When we are young, rocking is a game. When we are old, it can become a way of life. And in between, there are countless occasions when rocking fulfills a human need... to think... to relax... to reminisce... to dream.

It's almost as though the rocking chair understands people, turning their restlessness into calm and contemplation.

But there are deeper human needs that find no comfort in the rhythm of the rocking chair--intense spiritual needs met only by communion with God.

The Church really understands people. Its worship, its teaching, its community service, all provide expression for man's spiritual needs. The soul's restlessness is turned into conviction and commitment.

Ann Mayfield Announces For Commissioner

In formally announcing her candidacy for Commissioner of Precinct 3, in the special election to be held Dec. 10, Ann Mayfield said her primary objective in seeking the post was making Crockett County a better place to live and helping the people get the most from their tax dollars.

Mrs. Mayfield said she would be able to devote as much time as needed to the post and that she wanted to work toward making the job a non-salaried one. She says she feels there are many qualified people willing to give of their time.

Some of her primary concerns are benefits for the Ozona Volunteer Fire Department, keeping public buildings, grounds and parks in first class condition, assisting with a senior citizen program and checking the need for a county supervised day nursery program.

Mrs. Mayfield moved to Ozona in 1943 and moved to the ranch at Pumpville in 1946 where she served on the Pumpville-Langtry school board for two years. She moved back to Ozona and bought a home in 1956. She worked for over two years in the county attorney's office and became familiar with the Commissioners Court and County Judge's problems concerning county government.

She was in banking for 13 years at the Ozona National Bank. She was branch manager for San Angelo Savings Assn. for two years until the local office was closed. There she became familiar with values and sales of real estate in Ozona, worked existing loans and savings programs.

Mrs. Mayfield served on the Civic Center board for two years and was active in organization of the teen center. She has been a member of First Baptist Church for 20 years and is presently serving on the maintenance committee. She has been a member of the Ozona Womens League for 18 years, serving in various offices.

For the past 18 years she has been in dirt contracting with her husband, the last 6 years as owners of Mayfield Construction. Here she gained knowledge of building and construction of roads and cost and repair of heavy equipment.

For the past year she has been ranch manager for her husband on the Murray ranch on the Pecos River and has become fully aware of ranching problems. She has also become familiar with many oil companies and their personnel in this area.

She has had children in school here for many years and is familiar with all the schools and their problems.

Arthur Kyle Throws Hat Into Ring

Arthur Kyle, longtime businessman in Ozona and now retired threw his hat into the political ring this week, and formally announced he is seeking the post of commissioner in Precinct 1.

In making his announcement, Kyle said, "I have lived in this county and in this precinct all my life, and in the past few years there has been a great amount of unrest in the way the county affairs have been handled through the commissioners court."

He went on to state, "I am not pointing the finger at anyone, but I think it is time we move forward and become a community that everyone will be proud to live in and call home."

"To this end I am willing to give my time and efforts," he went on and in an appeal to the voters of precinct 1 he said "If you think I can help accomplish this, I ask your support in the coming special election, Dec. 10."

SS Visit Is Set For November

Pete Gonzales, social security representative for the San Angelo Social Security Office, has scheduled his November visit to Ozona. He will be at the County Courthouse on Wednesday, November 16 from 2:00 to 3:30 p.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time. Persons who are unable to meet with him are encouraged to call the office in San Angelo. Residents of Ozona may call toll free by dialing "Operator" and asking for "Enterprise 2058".

Your claim will be processed faster if you call first for information on needed proofs.

Filing Time For Park Jobs Told

Cong. Bob Krueger is trying to help Texans in his 21st Congressional District get some of the most popular summer jobs anywhere--working in national parks.

Krueger says many potential applicants for seasonal employment are disappointed in their search, simply because they are too late filing their applications.

Krueger's office has been notified of a new filing period for applicants--December 1, 1977 through January 15, 1978. Inquiries should be directed to: National Park Service Regional Office, P.O. Box 728, Santa Fe, NM 87501.

Applicants can expect to

receive a new type of form, which, when filled out completely, will entitle them to consideration for two separate park areas and two types of jobs in each area, throughout the National Park System.

Seasonal jobs include: park aid, park ranger, student assistant, architect, landscape architect, environmental scientist or engineer, laborer, skilled trades and crafts, clerical and lifeguard jobs. Most require work experience related to park operation, or two years of college work.

Mr. and Mrs. Kenneth Corder of Midland, spent the weekend here with her mother, Mrs. S.A. Coose.

Crockett County Care Center News

by Joan Nicholas
Activities Program Director

We had a lovely party, Tuesday afternoon, when the W.M.U. ladies of Big Lake came over and gave an inspiring program of religious music and later invited residents to join in the hymn singing. The refreshments they brought were delicious. They made an 84-mile round trip to provide much joy to our residents and we are most grateful. The group admired the Center very much.

How fortunate Crockett County is to have such a

4-H Work Shop Set For Nov. 5-6

"4-H adult and teen leaders, interested in 4-H Method Demonstrations and Woodworking Projects, will be welcomed by the Texas 4-H Center training staff on November 5 and 6," says County Extension Agents Debra Price & Billy Reager. Leaders who choose Method Demonstration training will be led by Mr. George McArthur, 4-H and Youth Specialist, College Station, and Miss Georgia Doherty, Assistant County Extension Agent, Lubbock. Mrs. Price also notes that for those who elect to receive 4-H Woodworking Project instruction, Mr. Wayne Keese, Extension Agricultural Engineer, College Station, will provide training.

A general session for all week-end workshop participants on how youth in 4-H can learn with fun will be led by Ms. Carolyn Gilber, Assistant 4-H and Youth Specialist, Lake Brownwood.

The Crockett County Extension Agents have information and registration details available for local 4-H club and project leaders interested in these training opportunities. Agents may be contacted by phone at 392-2721 or at the Crockett County Extension Office located on the top floor of the Courthouse Annex.

facility! For those who live out of town (or in town) who have never seen the Center we would like you to come by and visit when possible, and see for yourselves.

A building, however, is only as fine as those who staff it. Two doctors check with the charge nurse daily and visit residents as needed. From what I have observed, all nurses, aides, kitchen and housekeeping staff are cheerful, competent, and kind. We have a full program of activities and a well equipped beauty shop where the men are shaved and the women beautified!

As I was out of town Wednesday morning, Mrs. Munsell kindly came and played the piano for everyone's entertainment-she is the daughter of Lee Dudley.

On Saturday, Ms. Mary Ellen Bailey accompanied Robert Manuel, the physical therapist, on his visit to the Center. Ms. Bailey, a speech pathologist, worked with each person having speech difficulties and met with Mr. Peters and me afterwards to report on her evaluations. I will be following through with the instructions she gave me. She plans a return visit soon.

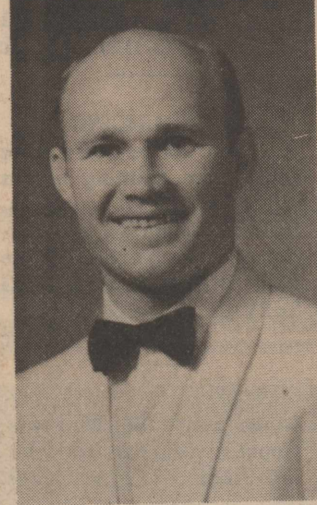

The Center lost a valued friend in Hubert Baker who had entertained us just recently with his fiddle and hat tricks. The memory of a gentleman who never spoke ill of anyone will always live within us.

Spooks, goblins, witches and many weird little forms visited us this Halloween morning! The little three and four-year-olds came from the Ozona Community Center (about fifty of them) and sang a selection of cute little songs and were handed a variety of candies before departing on a school bus driven by Mr. Probst. Thank you Kiddie Klub! Come back soon.

We miss Tommy Womack who was transferred to the hospital here last week. She is feeling much better, so we look for her return before too long. Get well soon, Tommy!

Dr. Vannoy Announces For Post

Dr. Gary Vannoy of the Ozona Veterinary Clinic threw his hat in the ring this week for commissioner of precinct 1 in the upcoming special election, Dec. 10.

In making his announcement Dr. Vannoy said, "Because of my sincere concern for the welfare and future of Crockett County and its citizens, I want to be included as a candidate for commissioner of precinct 1. I want Ozona to remain the finest place to live, prosper and rear our children," he said.

"Having been on the board of directors of the Ozona Chamber of Commerce and currently chairman of the Community Development Program, I want to continue to improve Ozona's business opportunities," Vannoy said. "My close association with and dependence on the ranchers would encourage me to be responsive to their needs," he went on, "and hopefully, my medical background will be an advantage in making decisions concerning the health care facilities in our county," Vannoy concluded.

Dr. Vannoy received his bachelor of science degree from Abilene Christian College in 1969 and his Doctor of Veterinary Medicine from Texas A&M University in 1973. He has been engaged in private practice in Ozona for the past four years. He has served as president of the Ozona Chamber of Commerce and is presently vice-president of the Independent Cattleman's Association, a member of the Ozona Lions Club and a deacon in the Ozona Church of Christ. Time To Cull And Sell Cows That Will Not Calve

One sure way to cut winter feed costs and generate income is to cull and sell cows that will not calve and that wean lightweight calves.

"Winter feed costs, depending on management, are generally between \$50 to \$100 per cow, and accurate culling based on an individual cow's performance can cut these costs and improve profits," says Dr. Larry Boleman, a beef cattle specialist with the Texas Agricultural Extension Service.

"Maintaining accurate performance records on each cow is the key to accurately determining reproductive efficiency. These should include the cow's lifetime production in the herd, age,

conception data, calving dates and weaning weights of calves as well as calving intervals," notes the specialist.

Without cow identification and performance records, culling is limited to a pregnancy determination and visual inspection which are important and should be practiced by all beef producers whether they have performance records or not. A veterinarian should check cows for pregnancy and soundness and remove open or defected cows.

Month of birth and age of calves are two important factors effecting differences in weaning weights within a herd, explains Boleman. Older calves will weigh more than younger calves, and research results show that calves born in winter and early spring weigh from 35 to 80 pounds heavier at weaning compared to summer and fall calves. Calving dates are helpful in culling and can also help detect cows with breeding problems.

Weaning weights can be used more accurately in culling if they are adjusted to a common age such as 205 days. Cows can be compared and culled on the basis of their milking ability.

"Producers will have to decide how extensive a record system they need. However, when it comes down to culling cows, there is no substitute for good records," contends Boleman. "Good cow performance records not only can save money but can be used to increase the production level of the herd by selecting top heifers for herd replacements and identifying high performing individuals for sale."

Herd record forms can be obtained from the Texas Agricultural Extension Service through the local county Extension office.

TEC Starts Veterans' Aid Program

The Texas Employment Commission, in conjunction with the Labor Department, has initiated a Disabled Veterans Outreach Program to assist unemployed veterans in gaining employment.

A representative from the Texas Employment Commission will be in Ozona the third Wednesday in each month to discuss this program with interested veterans. He will be at the Justice of the Peace office in the county courthouse.

Meat Imports Down

Imports of foreign meat during the first six months of 1977 fell considerably below a year ago, according to Dr. Ed Uvacek, livestock marketing specialist.

"Beef and veal imports were 14 percent below last year's levels in the first half of the year. Australia and New Zealand account for almost 60 percent of the imported beef, with Australia accounting for almost 40 percent of this," notes Uvacek.

Lamb imports from the "down-under" countries of Australia and New Zealand were down a huge 28 percent. New Zealand supplied 77 percent of the imported lamb. Mutton and goat meat imports were down 8 percent.

"Pork appears to be the only red meat import that did not suffer a drastic drop," says the livestock specialist. "Imports from Denmark and Poland, the main suppliers, were down only 4 percent from 1976 levels."

Summing up the meat import picture, 595 million pounds came into the U.S. the first half of 1977, a drop of 81 million pounds, or 12 percent from levels a year ago.

"The biggest reductions, of course, came from Australia and New Zealand, but other smaller exporting countries such as the Dominican Republic and El Salvador also cut back sharply," points out Uvacek.

"Even though U.S. cattle prices have not been very attractive, imports of live cattle increased 12 percent during the same six-month period. In contrast, sheep imports fell 82 percent," adds the specialist.

WTRC Farm Equipment Benefit Sale

Saturday, November 19, has been set as the date for the annual farm equipment round-up auction to benefit the West Texas Rehabilitation Center.

The sale will begin promptly at 10 a.m. at the Tex Herring Equipment Company in Lawn, Tex. As in the past, Col. Tex Herring will contribute his services and commission as auctioneer for the sale.

Col. Herring urged area farmers wishing to donate farm equipment or related items for the November 19 sale to contact either him or the West Texas Rehabilitation Center.

THANK YOU

We of the Board of Directors of the Ozona Community Center want to thank each and everyone of you who helped to make the Halloween Trick or Treat for the Community Center such a big success. \$961.55 was collected.

To those who helped with driving the youngsters over town, to those who helped with games and refreshments for the party after the Trick or Treat, and to the youngsters themselves, we want to say a special thanks.

FIRE DEPT. AUX. TO MEET MONDAY

The Ladies Auxiliary of the Ozona Volunteer Fire Department will meet November 7 at 7:30 at the fire station.

The program will be presented by Debra Price.

All firemen's wives are urged to attend.
