

# THE FLOYD COUNTY PLAINSMAN

VOLUME NO. 3

Floydada, Floyd County, Texas, Thursday, September 1, 1932

NUMBER 38

## HOWARD ELECTED JUDGE FLOYD COUNTY, RANDERSON SHERIFF

### Sterling Carried Floyd County in Governor's Race in Second Primary

Judge J. W. Howard, incumbent, was given a majority of 124 votes over his opponent, C. J. (Joe) McCollum in the Floyd County judge race of the second democratic primary election Saturday. E. S. Randeron, former service station operator here, was elected over W. A. Brewster to become sheriff, by a majority of 309 votes. Governor Ross S. Sterling carried Floyd County voting over Miriam A. Ferguson by a total of 373 votes.

A. S. Cummings defeated W. A. Cates in the race for Commissioner of precinct one and will succeed E. W. Henderson on January first. Walter Wood won by a 20 vote majority over A. H. Taylor, incumbent, to become commissioner of precinct three. In the commissioners race in precinct four H. D. Bloodworth polled 256 votes to 189 for George Fawver, incumbent.

J. E. Swinson won a "bitter race" for constable in precinct one over Cleo Stephens by a vote of 447 to 286. Swinson, a Floydada barber, and Stephens went into the runoff when their names were placed on the ticket in the first democratic primary election.

L. G. Mathews was selected as precinct chairman for South Floydada over B. E. Fry.

The election of Cummings, Bloodworth and Wood completed the election of a complete new group of commissioners for Floyd County. E. R. Harris was elected over T. Z. Reed in the first primary election as commissioner of precinct two.

## Mobilgas Is Name of New Product Offered Today For First Time Here

"Climatic Control" is being made available for the first time to local motorists with the introduction of "Mobilgas" by the Magnolia Petroleum Company, according to C. W. Ginn, Magnolia Agent in Floydada.

This new motor fuel, Mr. Ginn said, provides an entirely new quality in gasoline which has been designated as "Climatic Control", descriptive of the fact that Mobilgas manufacturing specifications have been prepared to meet variations in climatic and driving conditions.

Every car owner has observed how sensitive the engine in his automobile is to changes in the weather conditions. We have all experienced difficulty in starting on cold mornings, or loss of power from a "starved" motor in hot weather, Mr. Ginn said. These symptoms indicate that the gasoline used is not adapted to the climatic conditions in which the car is being operated.

Climatic conditions cannot be controlled, but Magnolia has succeeded through the preadjustment of manufacturing specifications to produce a gasoline which will assure the highest usable level of performance under all driving conditions and changes in the weather. This is being done at Magnolia refineries in the manufacture of Mobilgas.

Be sure to check the announcement in this issue of Plainsman in which Magnolia Petroleum Company tell of their new gas.

## FLOYDADA ROTARY CLUB PRESENTED PROGRAM AT MEETING IN PLAINVIEW

J. C. Wester was in charge of the program presented by the Floydada Rotary Club at the regular weekly meeting of the Plainview club. Members of the Floydada club were guests Tuesday at noon of the Plainview group.

Missos Vela and Verla Blasse-game of this city sang a vocal duet, as a portion of the program.

A talk, "In the Garden of Rotary", was given by A. D. Cummings. Homer Steen talked on, "Instructing New Members in Rotary".

Miss Royce Blackwell, of Spur, is spending this week visiting with Mr. and Mrs. T. W. Whigham in Floydada. Miss Blackwell returned with Mrs. Whigham from the Hester West Circle encampment at Roaring Springs last Friday.

## Floydada Public Schools To Open for 1932-33 Term With Informal Program

Opening programs will be held Monday morning, beginning at 9 o'clock, at the Floydada Public Schools, for the 1932 school term. Informal exercises will be held at the Floydada High School auditorium and the R. C. Andrews ward auditorium.

The East Ward School system was discontinued for this year by an act of the school board in the regular meeting in April. Students in grammar school will enroll at the Andrews Ward following the announcements and opening exercises Monday morning. High school students will enroll in the Floydada High School in a similar manner.

A. D. Cummings, superintendent of the Floydada public schools, announced that enrollment would start promptly at ten o'clock at the high school. All rural school pupils or all pupils who have not been in high school before will enroll through the superintendent's office. All pupils of the eighth and ninth grades will enroll in the lower study hall at the high school building. Tenth and eleventh grade pupils will enroll in the upper study hall.

Exercises Monday morning will include a brief song period, address by local ministers and announcements.

### High School Faculty Complete

The faculty for the Floydada High School is complete with only one new teacher, that being Coach R. P. Terrell who will be instructor in mathematics. Other members of the faculty and the subjects they will teach are as follows: A. D. Cummings, superintendent and Economics and Civics; O. T. Williams, principal and agriculture; Odus Stephen, commercial subjects; J. M. Teague, algebra; Mrs. J. M. Teague, Spanish and English; Mrs. Richard Stovall, foods and chemistry; Mrs. Lon V. Smith, English; Mrs. O. Stephen, clothing and English; Miss Daltir Rea, history and dean of girls; Miss Sudie Miller, history; Mrs. Joe Breed, English and Miss Veve Swinson, librarian. Most of the teachers spent the summer away from Floydada, either attending college or visiting relatives, many have returned to make preparations for the school year.

Superintendent Cummings said that the locker deposits this year would be fifty cents and the library fees would be reduced from one dollar to fifty cents per student. The Andrews Ward faculty will be completed next Monday with the election of teachers to fill vacancies left by resignations of Miss Eddythe Walker and Mrs. Leroy McDonald. Miss Walker is to teach in the Littlefield schools the coming year. Teachers will be elected in a meeting of the Floydada Independent School Board to be held the first of next week.

Members of the Andrews Ward teaching corps are: O. K. Davis, principal; Miss Lula Belcher, Richard Stovall, Mrs. O. T. Williams, Mrs. J. H. Green, Miss Fannie Bolding, Miss Vera Meredith, Mrs. J. N. Johnston, Miss Vera Hamilton, Miss Emma Lou McKinney and Miss Ruby Norton. Miss Myrtle Terry will assist in the enrollment of students next week at the Andrews Ward.

Activity has been under way for several days on the cutting of weeds and general cleaning up and beautifying of the grounds at the High School and Andrews Ward buildings. A bermuda grass turf was planted and grown at the high school building on the football field during the summer. This completes one of the best football fields for high schools in west Texas.

### Expects Good School Year

A. D. Cummings, superintendent, is extending an invitation to all parents and patrons to attend the opening chapel exercises and is asking their cooperation in all school matters during the year. He indicated that he thought that this would be a very successful school as a fine cooperative spirit was being shown already.

Mr. and Mrs. B. Hatley returned last week from a vacation trip to points in New Mexico. Mrs. Hatley was on her vacation from the Western Union Office here and Mr. Hatley from the H. & B. Service Station. They were accompanied on the trip by Mr. Hatley's parents of Dougherty.

## And Here's Hoping for a Better Year — By Albert T. Reid

## Commissioners Reduce County Salaries \$4,219.92 For 1933 in Budget

As a portion of an office wide government economy more, the Floyd County commissioners court assembled in special called session Monday, formed a new salary scale for officials which is more than one third lower than the present scale. The reduction of salaries is to become effective January first, 1933.

The reduction was made as a result of a motion by George L. Fawver, seconded by E. W. Henderson, calling that the budget for 1933 provide for the new salary scale. \$4,219.92 is the total amount of the salary reduction.

**New Scale Given**  
Following is a comparison of the present and new salaries to be paid county officials next year:  
County Judge, \$2,250.00 per year. \$1,800.00.  
Sheriff, \$1,000 per year—\$1,000.  
Four commissioners, \$7,200—\$4,800.  
County Clerk \$250 per year—\$180.  
County Attorney, \$1,200 per year—\$840.00.  
District Clerk: \$799.92 per year—\$540.00.  
Janitor \$1260 per year—\$840.00.  
Total saving per year \$4,219.92.

## Eaglerock Airplane Purchased by Herbert Sims and Marvin Shurbet

Herbert "Yam" Sims and Marvin Shurbet, experienced pilots of this city, completed transactions last week for the purchase of an Eaglerock airplane which will be put into commercial use in Floydada within the next few days.

The practically new Eaglerock plane is powered by a 90 h. p. water cooled motor of the OX-5 Curtiss type, capable of top speed of 95 miles per hour and cruising speed of 90 miles per hour. The plane is one of the latest type and may be used for stunt flying, instruction and commercial flying.

"As soon as we get a parachute we expect to show Floydada people some real flying and will take up passengers", Yam Sims, co-owner said.

The plane is a Federal Government licensed ship. This is the second Eaglerock to be bought and put into use by Floydada aviation enthusiasts, the other being owned by Lee Wilkinson.

A hanger will be constructed to house the new machine as soon as possible the owners indicate. Floydada people were given their first sight of the plane Sunday when the pilots did some flying over town.

### WILL MOVE TO LUBBOCK

Mr. and Mrs. W. C. Grigsby and son, Billy and daughter, Miss Virginia, expect to move this week to Lubbock where they will make their home. Arrangements have been made to make the departure this Thursday morning if weather permits.

## J. B. Houston Assumed Management of Baker, Hanna & Company Today

J. B. Houston, of this city was made manager of Baker, Hanna & Company here this week. Mr. Houston assumed active management of the dry goods store this morning. He succeeds M. E. Rogers who recently resigned to move to Altus, Oklahoma.

Mr. Houston is a well known dry goods merchant in Floydada and Floyd County having been connected with the C. R. Houston and Company store here for a number of years. He made a number of friends and had many customers who he is asking to visit him at Baker Hanna Company.

M. E. Rogers and family were to have left today for Altus to make their home. Mr. Rogers expressed his appreciation for the business given the store while he was manager and is urging that customers continue their patronage.

Mr. Houston plans to keep the same clerical force now working at Baker, Hanna's.

## Foster Amburn and A. N. Bratton Attended District Meeting

Foster Amburn, manager of the Phillips Retail Station, and Andy Bratton, wholesale dealer for Phillips Petroleum Company products in Floydada, attended a district meeting at Lubbock Friday night. The meeting was held in the Hotel Lubbock for more than thirty Phillips dealers and employes from the South Plains.

Demonstrations were given on Phillips Ethyl Gasoline and Lee Tires. A moving picture shown in connection with the tire demonstration showed the manufacturing process of Lee tires, beginning with raw rubber and through the finished product. An instructive demonstration was given by the Ethyl gasoline official, from the Ethyl Corporation. Officials of the Phillips Petroleum Company from Amarillo and others were present for the meeting.

## Whirlwinds Start Training, Prospects Good For Winning Team

With seven letter men and 23 others reporting for practice for fall training, the Floydada High School Whirlwinds opened practice Monday morning for the football season. Coach R. P. Terrell has been putting the boys through workouts this week on football fundamentals, blocking and other football tactics.

Prospects for a winning team again this year are unusually good with seven letter men back conditioning for the season. Among the seven reporting for places on the Whirlwinds squad this year is Marion Heald, stellar halfback and captain of last year's eleven. Heald was an outstanding ball totter in the district last year and one of the best yardage gainers in the class B teams in the panhandle. He is a two letter man.

Floyd, better known as "Little" Murray, is back to make his fourth year as a gristler for Floydada high. Murray's smart directing of the Whirlwind squad in previous years has gained for him the distinction of having lettered for four years as quarterback of the Whirlwinds. Floyd's big brother, Lloyd Murray, is also back for his position at guard, a place that he well filled last year. Malcom Bridges, another backfield threat of the 1931 green and white squad, is going to give somebody a hard tussel if they beat him out for his position. Bridges came to light in the latter part of the season and his stellar playing was notable.

J. R. de Cordova upholds the family name to report back for a position at end. Grim determination has been a synonym for the de Cordova name in the Floydada High School football realm for several years. This is J. R.'s third year as a member of the Whirlwind squad, and the same spirit of grit and determination is being shown.

Leo Jackson, scrapping guard of the championship winning team of last year, is another letter man back to assist the line. Jackson also had experience at pivot position and is working at this place this year in practices. He promises to hold a breath again this year in the forward wall.

Which brings us around to no other than Otho Johnston lengthy tackle whose brilliant playing was an outstanding feature of last year's Whirlwinds. Johnston is starting his third year as a member of the Whirlwind squad and probably hold the tackle or end post this year.

Others who have seen some service with the green and white previously to this season and some of whom will be used to complete the eleven this year include: Gilbert Nichols, Guy Ginn, Wendell Jenkins, George Henry, John Hoffman, Rolin Smith, Walton Henderson, Wilford Cothern, Lowell Gamblin, Ralph Tubbs, Wilson Conelley, Verne Eastridge, Harold Bishop, and Herma Olson. Harold D. Salisbury, Junior Kurlidge, I. A. Smith, Jr., L. V. Assiter and John W. Kimble, among the lighter weight and inexperienced members of the training squad, whose prospects for a place on the team are doubtful, but who knows?

Watch For Tubbs  
Ralph Tubbs, heavy man who is working on the line in practice, is one of the best prospects among the novices this year. Tubbs was an outstanding man in the class games last year. He has plenty of weight and apparently sufficient grit and ability, and to add to this is red headed. What a combination—watch out boys. Guy Ginn is back bidding for a position at center. He had experience in the games last season and promises to give someone a stiff bout. Ginn is another one of those proven men of meritorious record as a part time player.

Lowell Gamblin, a fast and nifty cage star and track man, is another possibility who made a mark for himself in the field last year in the interclass games. Gamblin is apparently a man with a decided purpose but with no reputation as a gristler to rely upon as yet.

Other prospects include two boys from rural schools who have been members of cage and track teams. Johnny Baxter is a heavy weight from Campbell and Alfred Edwards is a

## J. M. WRIGHT'S RESIGNATION AS SHERIFF IS ACCEPTED

### By Commissioners Court In Meeting Monday; E. S. Randeron Appointed

J. M. Wright tendered his resignation from the office of sheriff of Floyd County Saturday to County Judge J. W. Howard. Mr. Wright announced his decision to release the office to become effective September 1 of this year.

A special called meeting of the Floyd County Commissioners court was held Monday at which time Sheriff Wright's resignation was accepted but to become effective September 12, 1932. The date for the resignation was set to become effective September 12 in order to allow E. S. Randeron, who was appointed to make necessary arrangements and become familiar with the office. E. S. Randeron was elected in the Saturday election to become the democratic nominee for sheriff of Floyd County in the November general election.

### Plans Not Definite

Sheriff Wright said Monday of this week that he had not definitely decided where he would make his home but that he was going back to the farm.

"I will probably locate some where in the plains country but I might decide to go back east," Mr. Wright said.

Sheriff Wright plans to take a month or more rest before returning to the farm, during which time he will locate something that is suitable. He wants to have time to look around a bit before he located to begin farming again.

Mr. Wright recently completed the eighth month of the sixth year of his experience as a peace officer in Floyd County, beginning the work under P. G. Stegall, deceased. He was appointed to fill the unexpired second term of Mr. Stegall's administration in January 1931, as sheriff of Floyd County.

He was candidate for the office this year but was eliminated in the July primary, running third in a race of four candidates. Mr. Wright has made a great many friends in Floyd County during his service as a peace officer and was favored by many in the July elections.

Mr. Wright had been a Floyd County farmer for a number of years preceding his appointment as deputy under Sheriff Stegall.

## Mrs. J. A. Seale, Former Resident, Buried Here

Mrs. J. A. Seale, former Floyd County resident, died Monday, August 29, at Cisco, Texas. Mrs. Seale, 73, was the mother of Dr. W. H. Seale, formerly of this city.

Remains were brought overland from Cisco, Texas, for burial services which were to have been held at the First Methodist Church here this morning. Ten o'clock was the hour set for the services conducted by Rev. I. A. Smith, pastor of the First Methodist Church, assisted by Rev. F. O. Garner.

Interment was to be made in the Floydada cemetery with F. C. Harmon in charge of arrangements.

MRS. MIRIAM A. FERGUSON

With 951,102 of the total votes of the state tabulated, Miriam A. Ferguson was leading over Ross S. Sterling by 2,889 votes in the governor's race, according to returns from the Saturday democratic primary election, last night.

The latest returns gave Mrs. Ferguson 476,780 votes and Sterling 474,388.

Sunday school at 10 o'clock.  
B. Y. P. U. at 7:15 o'clock.  
Preaching Sunday night at 8:15.  
Everybody cordially invited to attend all of these services.  
Mr. and Mrs. Bob Garrett and family and Mrs. Fannie Montague were visitors in Lubbock Tuesday of last week.

## Floyd County Teachers Institute Opened This Morning at 9:30 O'clock

The Floyd County Teachers Institute opened this morning for a three day session at the Floydada High School building in this city. The institute this year is the first to be held in Floyd County the teachers all over the county in 16 years, according to Price Scott, county superintendent.

Opening exercises began at 9:30 o'clock with two songs by the group led by O. T. Williams of this city. Rev. I. A. Smith, pastor of the Floydada First Methodist Church, read the devotional.

President J. A. Hill Spoke  
J. A. Hill, president of West Texas State Teachers College, at Canyon, made the main address this morning at the high school auditorium. After a brief recess, following President Hill's address, other discussions were heard. Mrs. Lou V. Smith, head of the English department of Floydada High School, spoke on "Problems of English." Problems of Social Sciences was discussed by W. N. Bobbit of Lockney.

This morning's session closed with a discussion on Problems of Primary and Elementary Instruction by G. D. Tate, of Lockney.

**Program Continued**  
Following is the program as given for the remainder of the institute, starting with the afternoon session today:

Opening exercises at 1:30 o'clock. Two songs led by Floyd Blankenship of Dougherty.

Address—President J. A. Hill, of Canyon.

Recess.

Round table discussion of English, History, and other problems of school as pertains to a closer coordination of Floyd County Rural Schools, with Lockney and Floydada high schools.

**Friday, September 2**  
Opening exercises—9:30 o'clock  
Songs led by Louis M. Boyd, of Prairie Chapel.

Devotional—Rev. Geo. E. Turrentine, of Lockney.

Address—Rev. Bernie Shell, pastor Presbyterian Church of Plainview.

Recess.

Interscholastic League Activities and the Depression—Price Scott, County Superintendent.

Organization and Election of officers of Interscholastic League for Floyd County.

Noon.

Opening exercises, 1:30 o'clock p.m.  
Two songs led by G. D. Tate of Lockney.

"What I Should Like to Find in My Teacher"—Mrs. G. M. Tate, of Aiken.

"What I Would Like to Find in My Patrons"—O. T. Williams, of Floydada.

"What I Should Like to Find in My Trustees"—J. W. Jones, superintendent of Lockney Public Schools.

"What I Would Like to Find in My Community"—Mrs. A. R. Hanna, of Sandhill.

Recess.

How to meet the present emergency in our schools—

(a) From the viewpoint of the county School Board—E. C. Nelson, chairman, Floydada.

(b) From the viewpoint of a school trustee—Mrs. Ruby Merrick, Lose Star.

(c) From the viewpoint of a school patron—Mrs. Geo. A. Lader, Floydada.

(d) From the view point of a teacher—A. D. Cummings, Superintendent of Floydada Public Schools.

**Friday Night 8:00 P. M.**  
Educational and Inspirational address at Floydada High School.

**Saturday, September 3**  
Local meetings will be held as follows, beginning at 9:00 o'clock A. M.

Teachers of Lockney schools will meet under the direction of Superintendent J. W. Jones, in Lockney at the high school building.

Teachers of Floydada Schools will meet at the Floydada High School building under the direction of Superintendent A. D. Cummings.

Teachers of the County Rural Schools will meet in the county court room under the direction of County Superintendent Price Scott.

Adjournment final at noon Saturday.

## Orchardists Seek Eight Cost Cuts

**Hope for 1932 Held Out to Fruit Growers of Illinois.**

An eight-point program designed to help orchardists cut their production costs and get at least a small margin of profit in 1932 is being pushed throughout the state by the extension service of the Illinois College of Agriculture, University of Illinois. Thirty county schools are being held to acquaint fruit growers with the eight points.

They are: (1) Economical spraying; (2) tree thinning and culling; (3) gross pruning instead of detail pruning wherever possible; (4) less cultivation; (5) use of more horse power and less tractor power; (6) quantity buying of materials; (7) reduction of investment to lessen overhead expense, and (8) repair, rather than replace machinery.

Many Illinois orchards are planted too close, which makes the work in too expensive, according to R. S. Marsh, horticultural extension specialist of the college. Hence, the most timely thing that orchardists can do is the tree thinning and culling. Culling out unprofitable varieties or poorly located trees is just as necessary as removing the non-layers from a poultry flock or the low-producing cows from the dairy herd.

"Trees are now living longer and developing larger tops as a result of better spraying methods and increased use of fertilizers. Hence, they should have more space and should not crowd each other. Where trees are planted on the square system, alternate diagonal rows can be removed with profit where they are too thick. A 20-by-20-foot orchard would be 28 by 28 after diagonal rows were removed, or a 30-by-30 orchard would be 42 by 42. Some new peach orchards are now planted 28 by 28, and the recommendation for apple trees has been 40 by 40 for the past 20 years.

"Several Illinois orchardists this year are thinning and culling trees, since last year's fruit prices and this year's prospects make it an easier job than when market prices are higher. Although this recommendation will reduce the acre yield temporarily, it will increase the yield for each man-hour, which is more economical at the present time."

## Bindweed Always One of Hardest to Exterminate

The perennial bindweed is one of the most persistent weeds, and it is very difficult to kill. If one attempts to kill it by hoeing every time it shows above ground one is usually tired doing this before the weed is killed. Sodium chloride, however, works down into the plant, and will, no doubt, lengthen the period of new growths above ground. Thus it will weaken sooner, and, if one sprays just as soon as it appears each time, one should be able to exterminate it. You might start with about four ounces of sodium chlorate to a gallon of water, and spray this over about one hundred square feet of ground, thoroughly saturating the leaves. If you find this does not kill the leaves increase the strength until they are killed. While we have not heard of this weed being eradicated, altogether by spraying, it is worth trying. Potatoes could not grow so long as the spraying was continued. —Montreal Herald.

## Use Care in Culling

When winter production has been low, some farm flock owners decide that a culling demonstration will be about the right thing to improve the egg returns and cut down the feed bill. But just now is not a very desirable time for culling. Many of the hens which have been fed most of the winter are about ready to return at least a part of their feed bill. A flock of poor laying ability may represent a chance for some salvage in spring egg money, although such hens should not be used as breeding stock to multiply birds of their type.

Of course, there may be some hens which are better culled out at any season. They include hens heavy with fat and the beef type birds which barely pay their board in the spring and never pay it in other seasons. Hens that have been held three or four years are seldom profitable and such hens may be found in some farm flocks. —Indiana Farmer's Guide.

## Terracing Made Easy

Terracing is such a simple, easy job that no farmer can afford to let his top soil wash away. Charles F. Holder, Grayson county, Texas, had lost most of the top strata of soil on one 15-acre field. There were ditches difficult to cross and others that could not be crossed. Fertilizer washed away before crops had an opportunity to utilize it. Mr. Holder decided to terrace. With a steel ditcher and four mules he and a young son in five days built a series of four terraces totaling nearly a mile in length. The ditches no longer interfere, washing has been stopped and fertilizer remains on the field to be utilized by crops. —Capper's Farmer.

## Infant Son of Mr. and Mrs. Virgil Barton Buried in Floydada Cemetery

Thomas Virgil Barton, ten day old son of Mr. and Mrs. Virgil Barton, of the Cone community, died last Thursday morning at the family home in the Cone community. The child was born August 15, the mother, is a daughter of Mr. and Mrs. T. R. Atkinson of the Starkey community.

Funeral services were conducted at 2 o'clock Thursday afternoon at the home of Charles Bolinger, with Mr. Bolinger conducting. Several friends and relatives were present for the services.

Survivors include only the child's parents, Mr. and Mrs. Virgil Barton, of the immediate family.

Interment was made in the Floydada cemetery following the funeral services with friends in charge of arrangements.

## HESTER WEST CIRCLE MEMBERS HELD ENCAMPMENT LAST WEEK AT R. SPRINGS

Members of the Hester West Missionary Circle of the Methodist Church enjoyed a three day encampment last week at Roaring Springs. Those attending the encampment left here Wednesday at noon and went in three cars to the scene of the camp, arriving in time to enjoy a swim and make camp before night.

The program for the three days of the encampment included swimming periods in the morning and in afternoon from 4 to 6 o'clock lesson study and other activities. The campfire programs given were very impressive and it was the opinion of those present that more benefit was derived from the individual camp than could have been derived from the Panhandle Wide encampment at Canyon or the Palo Duro.

Lessons from the study book, "Great Souls at Prayer", were taught by Miss Winnie Salisbury, Miss Leah Smith and Mrs. T. W. Whigham, during the study periods of the three day camp.

"We enjoyed good programs, had plenty of food, and greatly enjoyed the trip", Mrs. Whigham, sponsor said. "The inspiration that we received from the wonderful campfire programs was well worth the cost of the trip", Mrs. Whigham continued.

Members enjoying the encampment were: Misses Maureen and Helene Hay, Wilmina Salisbury, Leah and Nora Smith, Margaret Smith, Elizabeth McKinney, Vela and Verla Blassegame, Mary Gamble, Bernice Bishop. Mrs. Geo. Smith, accompanied the group as sponsor as did Mrs. T. W. Whigham. Miss Royce Blackwell of Spur, joined the group at Roaring Springs.

"Members of the Hester West Circle certainly appreciate the fine spirit of cooperation of those who made the trip possible and if they could know the benefit and inspiration that was received from it they would be well repaid for their assistance", Mrs. Whigham said.

Roy Holmes and T. W. Whigham went to Roaring Springs for the group and they returned home Friday evening.

**Miss Hester West Writes**  
Interesting Accounts of  
Journey to Orient

Miss Hester West, foreign missionary to China and who left recently to start her work as a medical missionary there, writes interesting accounts of her journey enroute to the orient. Miss West is a daughter of Mr. and Mrs. John L. West of this city and was reared in Floyd County.

Following is excerpts from communications received by her parents, Mr. and Mrs. John L. West of this city:

From letter of August 8, written enroute from Chicago to Canada, a paragraph follows describing the country.

"We did not go near enough to Lake Michigan to see. I wish you could see the many many fields of corn that are on either side of the track since we waked up yesterday morning. We are now passing through the dairy section. Most of the barns have silos near them and most of the cows are Holsteins. Some wheat fields still in the shock. The country is rolling with medium trees, whatkind I can't tell from here. The barns are very large and the houses are built straight up from the ground and are mostly two stories high."

From letter of Tuesday, August 9. Written near Moose Jaw Saskatche.

"We have been writing letters as fast as we could so we could use our U. S. stamps and could mail postal cards for one cent. We had quite a collection when we got to Portal N. D., the last town in the U. S. The immigration and the customs officers came through at Portal. We had our baggage all open for inspection but when they found we were through passengers they passed on through without even looking. They look for firearms and booze."

**Describes Beautiful Scenery**  
From letter of Thursday, August 11, written at Lake Louise in Canada:

"We spent the day yesterday at Banff and enjoyed it very much. We went on a bus trip through the mountains and saw the Bow river falls, the National Park, saw buffaloes, yaks, mountain goats and sheep, gophers, polar bears, grizzly bears, coyotes, (they were yellow and smaller than ours) my first porcupine, a fish hatchery and a cave with a natural sulphur springs. We looked at it as hard as we could all day. I have a feeling that I would feel that the mountains were cutting off my breath after a stay in them. They were beautiful in the clouds and the fog. I like the plains to live."

"We saw a Royal Mounted Police. He had a scarlet coat like mine, dark trousers with a broad yellow stripe up the side, and a hat like Bugs' (Hester's brother) uniform hat. His horse was a well cared-for bay. When we change our money into Canadian money we get 12 cents extra."

We have just passed the Great Divide—The dividing line between the province of Alberta and British Columbia. To our left as we are going we can see the mountains with snow on them. Not only on the tiptop but quite a way down the side. It is so cool that we all have on our heavy suits and either extra underclothing or a light coat. Flowers are blooming out in the woods. We can see a mountain stream coming down from the snow area. It makes me shiver to see it. It has begun to sleet now. We have just passed a lumber camp with the men living in tents. I am glad I'm not a lumber man in that camp. The other camps I have seen have houses or barracks."

"We have been through a series of short tunnels as we are coming down from the highest part of the Canadian Rockies. We have had to make several long curves and doubtless back on ourselves but we are on a steady downward slope now I believe."

From letter of Friday, August 12, written at Vancouver British Columbia:

"Our ship is to sail at 11:00 in the morning and that means we are going to have to make our time count for as much as is possible so I had better end this letter and mail it tonight. Don't expect another one from me for about five weeks. We are not stopping until we get to Japan as it takes about three weeks to come back to you it will be a long gap. However, as soon as we land in Shanghai, we are to send a cable back to Miss McKinnon and she will notify you that we are safely there."

**Enjoying Ocean Trip**  
From letter written on board ship one hour out from Vancouver:

"I am sitting alone in our small cabin. The others are yet on deck but I came down to get my steamer rug for it was getting rather cool for me. While I was here I thought I'd rattle you off a note to let you know that all is well with me and my crowd. There was quite a group of first class passengers and a large crowd of those going second, so we had a crowd to see us off. There was no one in the crowd who knew us but when I threw my paper ribbon a little Chinese girl caught. When we had moved so far out that it broke, she waved me a hearty good-bye, so we were told goodbye after all. The ship is not a large one but it is sailing along very smoothly and quietly now. It is misty and cloudy yet outside so we could not get a good view of the receding land, but even so it was pretty and green."

**PREACHED HERE SUNDAY**

Rev. John W. Bates, evangelist of the State Baptist Convention, filled the pulpit at the First Baptist Church in Floydada Sunday morning.

Rev. Bates is conducting a meeting at Crosbyton and plans are being made to secure him here for a meeting soon. The evening service was in charge of the Senior B. Y. P. U.

Mr. and Mrs. Price Scott spent the past week end in Lubbock visiting relatives. Mr. Scott also attended to business relative to the County Superintendent's office.

**IS TEACHER AT CENTER**

B. R. Coltharp, member of the Center school faculty this year, arrived last week to assume his duties in the school. He is making his home at the Center teachersage.

Mr. Coltharp comes to Floyd County from Channing. The Center school faculty has three members this year.

**How One Woman Lost 10 Lbs. in a Week**

Mrs. Betty Luedeke of Dayton writes: am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, SAFELY and HARMLESSLY—take one half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast go lighter on fatty meats, potatoes, butter, cream and pastries—it is the safe way to lose unsightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at any drugstore in America. If this first bottle fails to convince you this is the safest way to lose fat—money back.

But be sure and get Kruschen Salts—imitations are numerous and you must safeguard your health.—Adv.

**Miss Mildred Strickland Entertained With Three Tables of Bridge**

Miss Mildred Strickland was hostess Thursday afternoon at three tables of bridge, at her home 1122 South Main Street in this city.

High score in the games for the afternoon was held at the conclu-

sion of the games by Miss Golden Louise Steen. The hostess served sandwiches, minted tea and cookies following the games.

Those playing were: Mrs. Jack Deakins, Misses Golden Louise Steen, Katie Lee Thurmon, Mildred Armstrong, of Waco, Pauline Rogers, Winona Felton, Hazel Probasco, Ruth Jenkins, Robbie Archer, Virginia Welch, Pattye Looper and Mildred Strickland, the hostess.

# HOW MUCH IS A DOLLAR WORTH?

## Let's Look In On The Smiths

In 1929 the Smiths had an income of \$40.00 a week.  
In 1929 the Smiths were paying \$50.00 for a \$35.00 house.  
In 1929 Mrs. Smith was forced to do considerable squeezing of pennies to keep the grocery bill within \$12.00 a week.  
In 1932 the Smiths had their wages cut to \$34.00 a week.

In 1932 the Smiths forced the landlord to accept \$35.00 for his \$35.00 house. Rather he refused to accept it and the Smiths moved to a house owned by a landlord who had discovered that times had changed.

The Smiths' income had been reduced \$312 a year, but the Smiths have cut their rent bill \$180 a year.

In 1932 Mrs. Smith has discovered she feeds the family better on \$7.00 a week than she could in 1929 on \$12.00. The Smiths are saving \$260 a year on food.

Rent and food saving amounts to \$440. Wage cuts amount to \$312.00.

In 1929 the Smiths were in debt some \$500.00.  
In 1932 the Smiths are in debt some \$60.00.  
Mrs. Smith needs two new dresses, which can be bought at less than half of the 1929 price. Mr. Smith needs a new suit.  
The radio which cost the Smiths \$160 in 1928 can be duplicated now for less than \$75. The old radio has started to wheeze.  
The small car the Smiths own is getting a bit shabby. Mr. Smith is thinking thoughts about a newcar.  
The Smiths in 1932 have more money than in 1929.  
The Smiths have been a bit cautious in their buying because they heard so much depression talk. . . . but now they've begun to suspect that things are not so bad as some people painted them.

### MR. MERCHANT!

Why not talk to the Smiths about the things you have and the things they need and soon will be buying? The Smiths read The Floyd County Plainsman. Use the advertising columns.

## THE FLOYD COUNTY PLAINSMAN

**Miss Kate Stiles is Attending Christian Endeavor Encampment**

Miss Kate Stiles left Monday morning for Decatur where she is attending the annual Presbyterian Christian Endeavor Encampment. The encampment is being held in Joe Wheeler Park in Decatur and will continue until Sunday of this week.

Miss Stiles met Rev. O. M. Balcum, of Slaton, at Ralls Monday morning and accompanied him to Decatur. Miss Stiles will return next Monday.

The duties in the secretary's office of the Retail Merchants Credit Association are being performed this week by Miss Robbye Archer.

**MISS RUTH KEY GREEN NAMED HONOREE AT DINNER PARTY THURSDAY EVENING**

Miss Elizabeth Hollingsworth entertained last Thursday evening at the home of her parents, Mr. and Mrs. A. S. Hollingsworth, on West Ollie Avenue, with a six o'clock dinner honoring Miss Ruth Key Green, of Houston. Miss Green is visiting in this city with relatives and friends.

Following the dinner the group present attended the theatre, returning to enjoy a slumber party.

Those enjoying the evening and night were: Misses Fleeta Manning, Nella Francis Faulk, Virginia Stovall and the honor guest and the hostess.

**NUMBER ENJOYED SWIMMING PARTY AND SUPPER AT ROARING SPRINGS**

A group of young people of this city enjoyed a swimming party and picnic supper at Roaring Springs swimming pool Sunday afternoon and evening of this week. The group met at the Arwine Drug and went from there in a truck to Roaring Springs.

Those enjoying the party were: Misses Eula Mae Gullion, Mildred Olson, Peggy McKinney, Nita Merle Hanna, Inez Switzer, Ruby Cothorn and Irene Morgan; Messrs. Hearon Wright, Willie B. May, Truett Spence, Lee Mayhew, Jim Stiles, Bowman Dorsey, Alvah Hull and Jimmie Snyder.

**TO THE CITIZENS OF FLOYD COUNTY**

I wish to express my appreciation to my many friends of Floyd County in their support of me for County Judge. Although I was eliminated in the second primary it is with a heart still warm for the people of Floyd County that I write this, and I assure you that every courtesy and kindness shown me during these last few months will be remembered the rest of my life.

Judge Howard is a good, honest, and straightforward man and I am with him for the next two years as our county judge.

Sincerely,  
C. J. (JOE) McCOLLUM.  
(Adv.)

**Berean Sunday School Class Enjoyed Watermelon Feast Thursday Evening**

Members of the Berean Sunday School Class of the Baptist church and their guests enjoyed a watermelon feast and swimming party at the Roaring Springs swimming pool Thursday afternoon and evening. The group met at the First Baptist church and went in a truck to Roaring Springs.

Members of the young men's class and their guests enjoying the picnic were: Messrs. J. D. Moore, R. C. Patton, Wilmer Jones, Herwin Strickland, W. A. Amburn, Jr., Rex Johnston, Marvin Crow, Ralph Tubbs, Durand Bishop, Milton Sims, Guy Ginn, Marion Heald, John Harold Myers, Verne Estridge, Joe Breed; Misses Selma Linder, Amy McRoberts, Virdene Snodgrass, Johnnie Johnston, Esther Tyler and Clarabelle Gollightly, Mrs. Joe Breed and little Marinell Thornton.

This was the regular social meeting of the Berean Sunday School Class.

**Sandhill Home Demonstration Club Entertained Starkey Club Aug. 24th**

The Starkey Home Demonstration Club was entertained last Wednesday afternoon from two o'clock until 5 o'clock by the Sandhill home demonstration club.

Games, songs, readings and music comprised the program for the afternoon. Following the program refreshments of chicken sandwiches, ice tea and cake were served to 18 members of the Sandhill club and 13 visitors. All seemed to enjoy the evening very much.

The next meeting of the club will be September 14 at which time important business will be discussed. All members are urged to be present.

**BAPTIST REVIVAL MEETING CLOSED SUNDAY NIGHT AT MCCOY CHURCH**

Rev. G. W. Tubbs Sunday night closed a successful revival at the McCoy Baptist Church. The revival was of a week's duration and good attendance was had although many people were starting into the harvest and were busy with their crops.

Rev. Tubbs has accepted a call from the McCoy church to become the pastor. He will preach on the third Sundays each month, and the Saturday night preceding.

**MISS HAZEL FORT IS NAMED HONOREE AT PICNIC MONDAY EVENING**

Miss Hazel Fort, of Silverton, who visited in Floydada the latter part of last week and the first of this with friends, was named honoree at a picnic Monday evening.

The picnic was given at the Day crossing on the canyon. Those enjoying the outing and supper were: Misses Eula Mae Gullion, Nora Smith, Robbye Archer, Ruby Cothorn, Madge Dorsey, Irene Morgan, and the honoree; Messrs. Hearon Wright, Winifred Newsome, Roy Holmes, Clark Rutter of Plains, Kansas, Truett Spence and R. P. Terrell.

**LIBERTY NEWS**

Liberty, August 29.—Mr. and Mrs. Jeff Hampton, Mr. and Mrs. Thomas Hampton and Miss Nell Hampton, of Memphis, Texas, spent Thursday night and Friday with Mr. and Mrs. W. A. Huckabee and family.

Mrs. A. L. Spence and children, Mr. and Mrs. Burl Huckabee and baby and Mr. and Mrs. W. A. Huckabee, Mrs. Ola Warren and son and Alton Noland spent Sunday with Mr. and Mrs. Tom Noland.

Mr. and Mrs. Smith, Mr. and Mrs. S. M. Lester and the club girls enjoyed a picnic on the Blanco Canyon Friday night.

Miss Eula Huckabee spent Saturday night with Miss Effie Noland. Mr. and Mrs. W. L. McAda, Halse McAda, Mr. and Mrs. Grady McAda and son, spent Sunday with Mr. and Mrs. G. A. McAda.

Lester and Ray McCormick Misses Willie and Margie Hill and Ruth and Jennea McCormick made a trip to Wichita Falls last week.

Elbert Kubank spent Saturday night with Earl Huckabee.

Mr. and Mrs. T. M. Noland and children and Miss Eula Huckabee spent Sunday with Mr. and Mrs. Otis Huckabee.

Mr. and Mrs. Burl Huckabee and baby spent Saturday with Mr. and Mrs. A. L. Spence and family.

Mr. and Mrs. Hodge and family spent Sunday with Mr. and Mrs. Bud McAda and family.

**Miss Robbye Archer Hostess at Sunrise Breakfast Sunday Morning**

Miss Robbye Archer was hostess at a sunrise breakfast for a number of young people Sunday morning of this week. The group met at the home of Miss Archer early Sunday morning and went to near the home of the hostess' sister, Mrs. S. J. Latta, east of Floydada.

Those enjoying the breakfast, the of which consisted of hot cakes, bacon and eggs, toast and marmalade, were: Misses Nora Smith, Eula Mae Gullion, Irene Morgan, Oleta Jackson, Hermalea Norman, Ruby Cothorn and Robbye Archer, hostess; Messrs. Hearon Wright, Truett Spence, Herwin Strickland and Wayne Gound and Mr. and Mrs. S. J. Latta.

**Detail Plans Laid For Club Exhibits in Council Meeting Saturday**

Detail plans for the annual Floyd County home demonstration club exhibit were discussed in a meeting of the county council Saturday afternoon in the county court room. The annual exhibit will be held September 23 and 24 this year in the Manasco building on California St.

Thirty five members were present for the meeting. Mrs. Webb Taylor, of the Fairmont-Edgin club, presided at the meeting in the absence of Mrs. C. A. Caffee, council chairman.

Mrs. A. H. Kreis, member of the Campbell club, and chairman of the exhibit committee for the club fair, reported on plans being made in this connection.

**To Have Council Booth**

It was decided in the meeting to have a booth during the annual exhibit the proceeds of which are to go to replenishing of the council treasury. Mrs. J. B. Turner, of Blanco, is chairman of the committee appointed to complete arrangements for the booth. Other members of the committee are Mrs. S. J. Latta, of Campbell club and Mrs. A. R. Hanna of Sandhill.

A rural drama contest, such as was had in connection with the Floyd County Fair last year, will not be held this year due to the fact that many of the club members and their families will be in the midst of cotton and row crop harvest. The rural drama contest will probably be held during the winter months near Christmas it was indicated.

Miss Alta Lloyd, Lakeview, who went as bedroom improvement demonstrator for that club to the A. & M. short course, expressed her appreciation to the council for the assistance given her in making the trip.

The next meeting of the county home demonstration club council has been called for September 17 at which time final plans for the exhibit will be completed.

**VOTING RETURNS GIVEN**

Below is a listing of the offices, candidates, and number of votes polled by each, unofficial returns:

Governor: Sterling 1543, Ferguson 1170  
Railroad Commissioner (6 yr term): Terrell 1533, Satterwhite 900.  
Railroad Commissioner (4 yr term): Thompson 1922, Hacher 497.  
Justice Supreme Court: Hickman 1231, Pierson 1002.  
Congressman at Large Place 1: Terrell 681, Parrish 1841.  
Place Number 2: Bailey 938, Davis 1474.  
Place Number 3: Strong 1478, Burkett 787.  
Senator 30th Senatorial Dist.: Duggan 1237, Lockhart 1251.  
Representative 120th District: Avery 959, Tarwater 1546.  
County Judge: Howard 1448, McCollum 1324.  
County Sheriff: Randerson 1550, Brewster 1241.  
Commissioner Precinct 1: Cummings 729, Cass 403.  
Commissioner Precinct 3: Taylor 172, Wood 192.  
Commissioner Precinct 4: Bloodworth 256, Fawver 189.  
Constable Precinct 1: Day 365, Smith 442.  
Constable Precinct 1: Stephens 286, Swinson 447.  
Precinct Chairman, So. Floydada: Mathews 272, Fry 228.

Jimmy Snyder returned Sunday from Spur where he had visited for a week with his sister, Mrs. Dick Speers. He visited in Spur following the Texas National Guard encampment at Camp Helen Palacios, Texas, where he was in training.

Mr. and Mrs. Robt. A. Sone and son, Bob, Jr., have returned home from spending the past few weeks visiting at Corpus Christi, San Antonio and other points down state.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS,  
To the Sheriff or any Constable of Floyd County—GREETING:

YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, Anton Frenzel whose residence is unknown, to be and appear before the Hon District Court, at the next regular thereof, to be held in the County of Floyd, at the Court House thereof, in Floydada on the Second Monday in October, 1932, same being the 10th day of October, 1932, then and there to answer a Petition filed in said Court, on the 29th day of August A. D. 1932, in a suit numbered on the docket of said Court No. 2529, wherein Wanda Frenzel, is plaintiff and Anton Frenzel, is defendant. The nature of the plaintiff's demand being as follows, to-wit:

Suit for divorce, charging cruel and harsh treatment and improper conduct of defendant, towards plaintiff; Plaintiff prays for title and possession of 1930 model Chevrolet coupe.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

GIVEN under my hand and seal of said Court, at office in Floydada, Texas, this, the 29 day of August A. D. 1932.

(Seal) ROY O'BRIEN,  
Clerk District Court, Floyd County, Texas. 38-4tc

**TO THE VOTERS OF FLOYD COUNTY:**

I certainly do want to thank each and everyone of you for your liberal support in the recent primary. I take that as a great compliment for my services. Out of all the officers that had opponents, I was the only one retained in office.

I earnestly solicit the cooperation of all good citizens to help the officers in their duties and let all pull together to keep our county in good standing as it is at present. As one man wrote us (who owns some of our road warrants) that the Commissioners Court of Floyd County should be complimented on the way they have handled the county affairs, for this compliment we are very thankful for we get so few.

Your humble servant,  
J. W. HOWARD,  
County Judge.

## NEW MAGNOLIA MOBILGAS GIVES "CLIMATIC CONTROL"

Dallas, Texas, September 1.—"Climatic Control" is made available to Southwestern motorists for the first time today with the introduction of "Mobilgas" at more than 12,000 service stations and dealers of the Magnolia Petroleum Company, it is announced by E. P. Angus, vice president and sales manager. "Mobilgas," an improved fuel for modern motors, succeeds "Maximum Mileage" as the standard grade gasoline at Magnolia stations which continue to sell "Magnolia Ethyl," as their premium super fuel and another grade known as "Metro".

"Climatic Control," we believe, marks the greatest improvement made in automotive fuel within recent years," Mr. Angus said. "It is a property found only in Mobilgas and represents the achievement of the Mobilgas Research Laboratories in answer to the need for an automotive fuel which will insure uniformly high performance under wide variations in climatic conditions—a gasoline which will produce all the desired results under intensely high temperatures or below zero, at level or in high altitudes.

"Mobilgas with Climatic Control is Magnolia's answer to the need for a motor fuel adapted to every climatic condition. Every owner and driver of an automobile has experienced how sensitive his car is to changes in the weather—he has experienced the difficulty of starting on cold mornings, or loss of power or missing caused by 'vapor lock' in hot weather. These variations in motor performance result from changes in 'engine heat' and indicate that the gasoline being used is not adapted to the climatic conditions in which the car is being operated.

"Climatic conditions cannot be controlled, but Magnolia has succeeded through the preadjustment of manufacturing specifications to produce gasoline best adapted to the climatic and operating conditions of the locality in which it is used. This is now being done in the manufacture of Mobilgas at Magnolia refineries in the Southwest.

"Specifications covering the manufacture of Mobilgas with Climatic Control were worked out with scientific accuracy in the Mobilgas Research Laboratories. In specially constructed 'cold' and 'hot' rooms, tests were made under temperatures as low as 20 degrees below zero and as high as 150 degrees above. The results were further checked under every conceivable climatic and driving condition in the Southwest by the Magnolia fleet of test cars, including new Chevrolet, Plymouth and Ford V-8 models for 1932. The tests were conclusive and Magnolia now offers Mobilgas with complete confidence that 'Climatic Control' will meet the need of a better motor fuel," Mr. Angus said.

"In addition to providing Climatic Control, specifications for Mobilgas have been further improved to produce a gasoline that meets the changed requirements of modern day motors.

In 1924 only 3.5 per cent of the cars manufactured were powered with motors classed as 'high compression' while today 91.5 per cent of the automobiles being turned out by the factories have high compression motors. This means that ordinary gasoline which gave satisfactory results in the cars of a few years ago will not give efficient performance in high compression motors with which practically all of the modern cars are equipped. Present day motors require a fuel with higher anti-knock value, known scientifically as the 'Octane number'. In Mobilgas the anti-knock value has been materially increased over that of the former Magnolia Maximum Mileage gasoline to insure efficient performance in modern cars. The introduction of 'Mobilgas' follows the recent advent of 'Mobiolite' which, together with Magnolia Ethyl gasoline, rounds out the Magnolia line of lubricants and fuels to meet all the exacting requirements of modern day motors," Mr. Angus said.

### Whirlwinds Start Training, Prospects Good For Winning Team

Continued from page one  
Cecil Badgett, 41, was drowned last Thursday afternoon following an attack of cramps while swimming near Whitewright, his home.

He was a brother of Mrs. L. T. Bishop of this city and D. R. Badgett of the Center community.

Mr. Badgett was born in 1892 and reared in Whitewright, making his home there the most of his life. He served three years in the United States Navy and worked for two years, 1920 and 1921, in Floydada for the Lon Davis Gin Company. He was employed at a garage at Whitewright at the time of his death.

Funeral services were conducted Friday afternoon at 4:30 o'clock from the family home in Whitewright. Mr. and Mrs. L. T. Bishop and D. R. Badgett from here attended the funeral services, going to Whitewright Thursday night and returning Monday night. Besides Mrs. Bishop and D. R. Badgett of Floydada, deceased is survived by his mother, Mrs. J. S. Badgett of Whitewright, and Miss Pernie Badgett, also of that city.

Interment was made in the Whitewright cemetery.

### FAMILY TO ARRIVE

Mrs. J. H. Brown and daughters, Misses Mariel, Marguerite and Ormagene, will move here this week from Plainview, to join J. H. Brown, recently appointed agent for Continental Oil Company. They plan to move into the house formerly occupied by M. E. Rogers and family, which is on West Missouri and First Streets.

Misses Mariel and Marguerite will enroll in Floydada High School and Ormagene will attend Andrews Ward, Mr. Brown said.

Mrs. A. J. Welch and daughter, Miss Virginia, visited in Lubbock Sunday with Mr. and Mrs. A. L. Seoggin and family. They returned Monday morning and were accompanied by John Harvey and Mary Lou Seoggin, who will visit with them here for several days.

Mr. and Mrs. Lindsey Graham, who have been visiting for several days at points in Oklahoma and Missouri, will return this week to Floydada. Mrs. Graham will resume her duties at the tax collector's office.

### Admission to Be 10c at Palace Theatre Friday and Saturday This Week

Not as a permanent feature but as a special price this week, Manager Jack Deakins announced that admission prices Friday and Saturday of this week would be ten cents to everybody, to the Palace Theatre.

The feature picture for Friday and Saturday, September 2 and 3, is "The Texan", starring Gary Cooper and Fay Wray. "The Texan" is an interesting story of the great state of Texas, during the pioneer days, and has a splendid plot.

A double feature is booked for Sunday, Monday and Tuesday of next week. James Cagney will be starred in a fighting picture, "Winner Take All." In addition Jack Dempsey, heavy heavyweight champion, will be shown in "The Lure of the Ring". In this picture high lights of the last eight heavy weight championship fights will be shown. These will include: Dempsey-Tunney fight, Dempsey-Tunney, Dempsey-Sharkey, Dempsey-Tunney, Sharkey-Loughran, Sharkey-Schmeling, Schmeling-Stribling and Sharkey-Walker.

### Floyd County Covered By General Rains During Current Week

Rains varying from one half to one inch and a half were received generally over Floyd County the first of this week. Work in the fields at farms of the county in many parts was at a standstill following the moisture precipitation.

Rain was apparently heavier in the north and northeast sections of the county, as much as an inch and one half being reported by farmers north of Floydada. Good rains were reported in the South Plains community.

Rain fell between Floydada and Lockney Monday evening which caused travelers some difficulty along the highway. A heavy rain was reported north of Lockney on the Lockney - Plainview highway. Roads and streets in the county were almost impassable Tuesday but had greatly improved by noon yesterday, although still heavy.

Approximately three quarters of an inch is estimated to have fallen in Floydada this week. Clouds and overcast skies gave promises of more rain yesterday and last night with a much cooler atmosphere.

One half an inch was said to have fallen generally in the western half of the county around Sandhill and Harmony communities. Lighter rain fell in the Lakeview community.

### VISITED IN EAST TEXAS

Mr. and Mrs. H. O. Cline and family left last Thursday morning for Waco and other points in that part of Texas for a visit with relatives. They returned Tuesday of this week.

Mrs. Bob Kirschner, of Dallas, who has been spending the summer visiting with her mother, Mrs. A. P. McKinnon in this city, will leave Friday or Saturday of this week for Waco for a visit with her husband. Mr. Kirschner is in a hospital at Waco.

Rev. and Mrs. Claude Wingo and family left Tuesday morning of this week for Abilene where they will make their home. Rev. Wingo was formerly pastor of the First Christian church here.

Miss Louise Billings arrived Saturday from Houston for a visit with her cousin, Mrs. Wilson Kimble, and family in this city. She will visit here for several days.

Mr. and Mrs. Hal Hartrick, who have been visiting for some time in Temple arrived Wednesday for a visit of several days with Mrs. Hartrick's sister, Mrs. W. H. Sharp and family. They will go to Al-sandra near Quitaque where they will teach school this year.

Mr. and Mrs. Gene Pittman and daughter Francis Jean, of Lubbock, spent Saturday night and Sunday visiting with her parents, Mr. and Mrs. R. F. Jackson in Floydada.

Mrs. Bob Smith and daughters, Genave and Worth Gwendolyn, and Mrs. J. R. Maddox and Mrs. Jack Deakins spent Friday on a picnic at Roaring Springs.

Mrs. Myrtle Hale, of Fairfax, Oklahoma, and Miss Vera Fry, of Amarillo, visited in Floydada from Wednesday to Sunday with their sister, Mrs. G. A. Linder and family. They returned to Amarillo via Lubbock.

Miss Genave Shipley, who had been visiting for four weeks with her mother, Mrs. Bob Smith and family in this city, left Tuesday to return to Denver, Colorado, where she will resume her work with the Mountain State Telephone Exchange.

### 88 ATTENDED GIRLS' H. D. C. ENCAMPMENT FRIDAY - SATURDAY

88 persons including members of girls demonstration clubs in Floyd County and their chaperones were present at the annual encampment held Friday and Saturday at the Hank Smith Memorial Park in this county. All clubs were represented with the exception of the Irick club, a recently organized unit.

Those attending the camp left Floydada from the court house lawn at about six o'clock going in two trucks and six cars to the scene of the outing. The group went by the home of Miss Alta Lloyd, in the Lakeview community, to make an inspection tour of her bedroom which recently scored first place in a district contest and fourth place in a state contest. Each of those present registered in a book being kept by Miss Lloyd on the visitors to her bedroom.

A visit was made to the Old Rock House after arrival at the Hank Smith Memorial Park in the Blanco canyon. Mr. and Mrs. Bob Smith, present residents of the Rock House, related several incidents in the history of the memorial spot, to the visitors.

Following the visit to the Old

Rock House the girls enjoyed a picnic style supper and ice cream.

### Clubs Presented Program

Each club represented furnished one or more numbers for the program for the evening, which included numerous songs, stunts and jokes and contests.

Mrs. S. M. Lester, county recreational chairman, was in charge of the games and play for the evening's entertainment. A number of prizes were awarded to club and individual contest winners.

Miss Martha Faulkner, county home demonstration agent, presented prizes of baskets of grapes to the Baker and McCoy home demonstration club members. One hundred percent of the members of each club were present.

The club members prepared breakfast Saturday morning over an individual campfire. Breakfast was followed by a swim and a business period. During the business session Miss Faulkner outlined plans for exhibits in the Floyd County Home Demonstration Club Fair to be held September 23 and 24. Report blanks were also distributed for the club meetings in September.

### Tells of Benefits

Miss Alta Lloyd, bedroom demonstrator for the Lakeview demonstration club, discussed, "Benefit I Derived from Being Demonstrator and Entering the Contest." Advising

the girls present that it would be to their benefit to enter the contest next year.

Miss Annie Jewell Fawver, Miss Irene and Thelma Colston, of Baker club told of their trip to College Station to the short course and Galveston, a trip made in July this year. Members of girls clubs and their chaperones to the encampment were as follows:

Baker—Annie Jewel Fawver, Lou Nelson, Jewell Williams, Irene Colston, Thelma Colston, Opal Colston, Gertrude Colston and Mr. and Mrs. Powell.

Antelope—Miss Leona Hines. Starkey—Letha Ferguson, Leona Holmes, Edith Day, Wanda Sargent, Lucille Parish, Carmon Ferguson, Ruby Day, Lois Day, "Shorty" Thornton, Iona Sargent, Evelyn Grigsby, Willie Faye Wilson, Mrs. S. C. Poter and Mrs. Bill Day.

South Plains—Thelma Smith, Linae Milton, Faye Oliver, Oleta Fields, Maxine Myers, Inez Gilliland, Gladys Gilliland, Almeda Workman, Chrystelle Leach, Evelyn Doan, Jewell Jackson, Mr. and Mrs. Z. H. Doan, Alice Gregg, June West, Lucille West, Mr. and Mrs. G. F. West.

McCoy—Wanda Day, Zora Belle Pittman, Irene Smith, Georgia Pittman, Lorene Embry, Leola Smith, and Mrs. J. B. Holland.

Sandhill—Thelma Gollecher, Dot Smith Elizabeth Goodman, Verna

Phillips, Faye Jeter, and Mrs. Turpley.

Fairview—Juanita Rushing, Claudia Faye Teal, Dorothy Jean Rushing, Mrs. Lee Rushing and Mrs. F. O. Conner.

Liberty—Fredrica Williams, Lucille Wilson, Lillian Williams, Martha Lester, Bennie Lester, Dorene Anderson, Ruth Brady, Pauline Strickland, Dorothy Smith, Moselle Williams, Mr. and Mrs. S. M. Lester and Mr. and Mrs. C. A. Smith.

Lakeview—Bettie Bishop, Ruth Smith, Mona Mae Smith, Frankie Jones, Alta Lloyd, Jimmie Poore, Mr. and Mrs. C. A. Cass, Ruby Harrison and Mr. and Mrs. R. C. Smith.

The group returned Saturday afternoon in time for some of the members to attend a county council meeting held in the county court room.

Miss Genave Shipley visited in Plainview last week with Miss Mary Collier. Miss Collier had been visiting in Floydada for a few days with Miss Shipley.

Mr. and Mrs. Bob Smith enjoyed dinner Sunday at the home of his brother, Ham Smith and family, in the Blanco community.

Mr. and Mrs. E. D. Tarpley, of Clovis, New Mexico, arrived Sunday for a few days visit with her parents, Mr. and Mrs. R. F. Jackson, in this city.

**MAGNOLIA**  
Announces  
**Mobilgas**  
with  
**CLIMATIC CONTROL\***

The Newest Scientific Achievement in Gasoline . . . . Now In the Southwest at over 12,000 Magnolia Stations and Dealers

TROL! By this scientific achievement Mobilgas is preadjusted to every variation in temperature or altitude before it is placed on sale in your locality. Hot—cold—rain—shine—from sea level to mountain peaks, it's all the same to Mobilgas.

The outstanding advantages of Climatic Control are yours in Mobilgas without extra cost . . . plus the fact that Mobilgas gives you the highest ANTI-KNOCK performance of any regular priced gasoline. Fill your tank today . . . you'll notice a great improvement.

YOU may have noticed how your car seems to run differently in the rain than it does on a hot summer day. You have noticed how one gasoline gives you a quick start on a cold morning while another rasps your temper. On long, fast drives in hot weather you may have noticed your car sputtering and missing. The reason for this variation in performance is that gasoline is extremely sensitive to changes in "engine heat".

At last something has been done about it. Mobilgas has CLIMATIC CON-

\*CLIMATIC CONTROL . . .

. . . is the preadjustment of the specifications of Mobilgas, before it is placed on sale in your locality. It automatically adapts itself to the variations in "engine heat", caused by changes in temperature, altitude, humidity and road "pull". In the Mobilgas Research Laboratories all these changing climatic conditions have been "manufactured" in hot and cold testing-chambers. The road performance of Mobilgas is thus scientifically verified at different "engine heats".
