## Dates for Floyd County Interscholastic League Meet Set for Mar. 31, April 1

Friday, March 31, and Saturday, April 1, were the dates set for the annual Floyd County Interscholastic League Meet in a meeting of the directors held here Thursday afternoon. The annual meet will be held in Floydada this year.

Preliminaries in volley ball, tennis and playground ball will be held in Floydada March 24. The volley ball games will be played on the gymnasium of the Andrews Ward. Playground ball will be held at the Andrews Ward and the tennis preliminaries will be held at the courts of Floydada High School.

Arrangements were completed for a sub-junior story telling contest and sub-junior declamation contests. In the story telling there will be entered two divisions from each school, these being a first grade division and a second grade division. One entry, either a boy or a girl, may be entered from each grade. The time limit for the story is five minutes. Only one division will be had in declamation which will include both the third and fourth grades. One entry will be allowed in this division from each school, either a boy or girl.

Miss Manson Merriwether, of Lockney, was selected as director of sub-junior story telling and declamation for the meet. Further details of the program for events during the two day meet will be completed at a later date it was indicated.

Ten directors of events for the county meet were present for the conference which was held in the high school auditorium at 4 o'clock Thursday. Those attending were: A. D. Cummings, Price Scott, J. W. Jones, Edwin Bodeker, Roy Owen, Mrs. Henry Hodel, Mrs. O. T. Williams and Miss Ola Hanna.

Attendance at the league meeting Saturday was good, a larger crowd being present than at the meeting held two weeks ago, indicating that interest is increasing in the activities of the organization.

Mr. and Mrs. J. Ray Dickey and son, of Lubbock, spent the week end visiting in Floydada with Mr. and Mrs. J. C. Dickey and other relatives. Mrs. Geo. A. Linder, Mrs. Edwin Heald, Verne Eastridge and Marion Heald visited in Plainview Sunday with E. F. Eastridge who is in the hospital there.

## FRANKLIN D. ROOSEVELT

THIRTY-FIRST PRESIDENT of the UNITED STATES

## OUR NEW PRESIDENT

We take this occasion to extend our compliments to the new President of the United States and to wish him the greatest possible measure of success in his effort to lead the nation out of the slough of despond.

It is a Herculean task which Mr. Roosevelt and the new Congress face. There has not been, in recent times at least, such an opportunity as lies before the new Administration. At the same time, no new Administration has come into the control of our Government, since Lincoln's time, which was confronted with such perils.

We give President Roosevelt and his advisers credit for the highest motives of patriotism. We think no one can deny that Mr. Roosevelt's record of public service, beginning with the Legislature of the State of New York, as Assistant Secretary of the Navy during the Great War, and as Governor of New York for the past four years, has been a record of forward-looking, aggressive and intelligent effort for the common goods.

But the situation which confronts the new Administration is one filled with pitfalls and uncertainties. We think that the nation at large realizes, as it never has realized before, that our desperate situation in America is on all fours with the economic distress which is felt in every quarter of the globe. We do not believe, and we do not think that Mr. Roosevelt believes, that the United States, in this critical juncture, can lift itself by its own bootstraps. And one of the great uncertainties is how far the nations of Europe will go in co-operating, along lines which our nation can accept, toward bringing about an economic readjustment on a world-wide scale.

That is not to imply that there are not many serious phases of our domestic situation which cannot be remedied by intelligent and courageous action at Washington. It seems certain that, in the beginning of his Administration at any rate, our new President will have the whole-hearted and effective support of our new Senate and House of Representatives, and that sort of team work ought to result in speedy action, so far as legislation can be of benefit.

The country is still in the dark as to the exact methods and policies which the new Administration will undertake to make effective. But we believe there is a very general desire to give the new President the freest possible hand, and to clothe him with authority beyond that which has been bestowed upon any Executive, except in war time, in the sincere hope that he will thus be able to act swiftly and effectively.

We do not think, as we intimated, that any new President taking office for the first time has ever had the opportunity which is offered to President Roosevelt. At the same time, we are not unmindful, and we are sure Mr. Roosevelt is not unmindful, of the tremendous responsibility which the nation is laying upon him.

## Work Progressing on Construction of Aiken School Building

Activity on the construction of the Aiken School District's new building is well underway this week. Brick work was started the fore part of last week.

The building is being reconstructed on the same plan and on the same foundation of the former building, which was destroyed by a fire the latter part of last year. Plans for a gymnasium were cancelled when the district failed to receive full payment on insurance carried on the building.

## Brother of Mrs. R. O. Daniels Killed in Auto Accident Thursday

Percy Holmes, aged 33 years, was fatally injured in an automobile accident which occurred at Emola, Virginia, Thursday or Thursday night of last week, according to a telegram received in Floydada by his sister, Mrs. R. O. Daniels. Mrs. Daniels received the message of her brother's death Friday morning.

Mr. Holmes was a resident of Brooklyn, New York, and was en route to Jackson County, Oklahoma, for a visit with his parents when the accident occurred. Surviving are the parents, Mr. and Mrs. S. P. Holmes of near Eldorado, Oklahoma; a brother, Henry Holmes, of Brooklyn, New York; another brother, Clifford Holmes, of Riverside, Rhode Island, and a sister, Mr. Harriet Peteron, of Broxton, Massachusetts.

Mrs. Daniels left Friday afternoon for Eldorado, Oklahoma, to be with her parents during the funeral services.

## Tennis Courts to Be Hard Surfaced With Caliche By R. F. C.

Through the Reconstruction Finance Corporation unemployment relief committee's cooperation the tennis courts at the Floydada High School building are being hard surfaced with caliche. Workmen have been busy this week hauling the caliche and spreading it on the courts.

Four sets of players may play on the two full courts being hard surfaced. The courts will be in good condition for the Floyd County Interscholastic League preliminary games which will be played March 24th.

## Darwin Callahan Checked in as Manager of Motor Inn Station

Darwin Callahan, City, was checked in Monday as manager of the Motor Inn Service Station in this city. He succeeds T. P. Jones, who is moving the latter part of this week to Electra to make his home. The Motor Inn Station is a Texaco station, handling a full line of Texaco gasoline and motor oils.

Mr. Callahan was formerly associated with the Motor Inn station and prior to that time was manager of Cities Service Station. Recently he was employed by the Mallory Grocery as clerk.

Miss Hattie Thorp returned Sunday from Abernathy where she had been employed during the fall and winter as bookkeeper in the Stone Gin Company.

## Whirlwinds of 1933 Must Improve to Whip '32 Squad Game Friday Shows

As usual Murray-Heald backfield combination spelled defeat for another football eleven and the Whirlwinds of 1932 defeated the team-to-be of 1933 by a score of 14 to 0. The inter class game was played on Whirlwind field Friday afternoon.

The game went scoreless until the latter part of the second period when Marion Heald raced twenty yards for a touchdown for the Senators of the 1932 eleven. Floyd Murray, four year letter man at the quarterback position, went over center in the third quarter for the second counter. J. R. deCordova, end, hooked on to a long pass to place the ball within scoring distance on the second counter. The 1932 squad featured off-tackle plays and line bucks. Johnston, old timer at tackle, put on steam to make some nice gains on off-tackle plays in the game Friday.

Denison, Rawdon, Geeter and Connor, alternating at guard on the 1933 squads line, made a good showing on the forward wall. All these men and others on the Whirlwind squad of next season put some dents in the veterans line that will be remembered.

Spring football practice which was started last week by Coach R. P. Terrel, has brought to light the fact that there is still plenty of gridiron material in Floydada High School and with further practice and training the 1933 squad will follow up next season with more victories for the green and white. Terrel has been drilling his new squad mainly on fundamentals of the game.

**POSTMASTERS TO BE NAMED; LUBBOCK, IDALOU AND SUDAN TO GET NEW HEADS**

Three South Plains Democrats are expected to be among the 88 Texans who will receive federal appointments as postmasters of their home towns soon after March 4 when President-elect Franklin D. Roosevelt goes into office.

Latest list of patronage available, as made public under the McKellar resolution, shows the 35 South Plains postoffices divided into five groups. They are: 1—Immediately after March 4; 2—prior to the end of 1933; 3—for 1934; 4—for 1935; 5—for 1936.

Commissions of all first, second and third class postmasters do not expire at the same time. They are appointed for a four year term and cannot be removed except on trial after filing of charges of alleged misconduct or inefficiency.

**Take Civil Service Exam**  
To fill a vacancy, appointments are made from the three highest in the civil service examination conducted by the civil service commission. When a vacancy occurs the postoffice department notifies the commission and the examination is held. Only qualified residents of a community are eligible to take examinations.

The new president is expected to fill vacancies as soon as the civil service available list has been completed.

Four of the largest offices in the state do not become vacant until

1934. They are: Dallas, \$8,000 a year; Houston, \$7,000; San Antonio, \$6,000 and Amarillo, \$4,200. Waco's \$4,200 job holds over until 1936 and Austin's \$4,500 post in 1935. The \$5,000 job at El Paso is available this year. It is the highest salaried post to become vacant in 1933.

For some reason the published list shows both Lubbock and Lorenzo in two lists. The former town is in the list of offices to be vacated soon after March 4 and also in 1936. Lorenzo is in both the 1935 and 1936 lists.

Following are the lists, by years, with salaries:

For 1933, almost immediately after March 4: Idalou, \$1,200; Lubbock, \$3,600; Sudan, \$2,100; Hermleigh, \$1,100.

Before end of 1933: Kress, \$1,400; Plainview, \$3,300; Tulia, \$2,400; Aarpermont, \$1,800; Big Spring, \$3,200. For 1934: Anton, \$1,500; Crosbyton, \$2,000; Hale Center, \$2,000; Happy, \$1,900; Levelland, \$2,400; Lockney, \$2,100; Matador, \$2,000; Ralls, \$2,300; Seagraves, \$1,700; Seminole, \$1,500; Slaton, \$2,400; Tahoka, \$2,400; Dimmitt, \$2,000; Silvertown, \$1,900.

For 1935: Amherst, \$1,900; Floydada, \$2,400; Littlefield, \$2,500; Lorenzo, \$1,700; Meadow, \$1,500; Snyder, \$2,500; Spur, \$2,400; Childress, \$2,800; Jayton, \$1,500.

For 1936: Abernathy, \$1,900; Brownfield, \$2,400; Dickens, \$1,600; Farwell, \$1,800; Friona, \$2,000; Lamesa, \$2,800; O'Donnell, \$2,000; Olton, \$1,900; Petersburg, \$1,700; Post, \$2,400; Wilson, \$1,200; Albany, \$3,700; Hereford, \$2,600; Pampa, \$3,300; Roaring Springs, \$1,700; Sweetwater, \$3,400.

**HOUSE OF REPRESENTATIVES VOTE TO CUT POLL TAX FROM \$1.75 TO \$1.00 PER YEAR**

Austin, February 27.—Reduction of the state poll tax to \$1.00 was approved today by the Texas house of representatives, a bill that would carry out the reduction having passed by a vote of 106 to 26.

In all but eight counties the reduction would be 75 cents under the existing rate. The constitution levies a poll tax of \$1.00 for the benefit of the public school fund. To this the state added 50 cents and all but eight of the state's 254 counties tacked on an additional 25 cents.

**Levy Is Prohibited**  
The bill would prohibit the counties or the state from levying any poll tax in addition to the \$1 provided by the constitution.

Authors of the bill contended that the \$1.75 poll tax prevented many citizens from exercising their right of franchise. Some even favored abolition of the \$1 constitutional tax on the theory that it was unfair to levy a tax on the right of a person to vote.

There was considerable opposition to the proposal to prohibit counties from levying the 25 cent tax.

**Amendment Defeated**  
An amendment that would have given the counties this privilege was defeated, 64 to 58.

It was estimated that decreasing the poll tax to \$1 would deprive the general revenue fund of approximately \$750,000 annually. This de-

crease would be partially offset, sponsors of the bill contended, by an increase in the available school fund revenues because of the increased number of persons who would pay the tax. They estimated \$200,000 more persons would pay poll taxes at \$1 than would pay them at the existing rate.
