W. M. WINDSOR SLIGHTLY INJURED WHEN CAR WRECKS

W. M. Windsor, of Floydada, sustained slight injuries when his automobile over-turned two times Sunday afternoon on the highway two miles east of Idalou. He was fortunate to escape without serious injury as the car was almost demolished.

Mr. Windsor was traveling west toward Idalou when the accident occurred. He was passing another car going west when he saw he was meeting another car traveling east. In order to avoid an accident Mr. Windsor gave the wheel of his car a sharp turn to the right and headed into the bar ditch. The car over-turned two times and came to a standstill with the top side down and headed in an opposite direction.

The occupants of the on-coming car stopped to give aid if necessary. Mr. Windsor went to Idalou and had a wrecker bring his car to that place for repair. It was necessary to secure one wheel in the place of one that was smashed and after this repair was made Mr. Windsor drove his car to Floydada Monday. Damage was estimated at about \$85.00.

MANY CAME TO FLOYDADA FOR THE SECOND "NEIGHBOR DAY" HELD WEDNESDAY

Floydada was crowded Wednesday by the many people who came for the second "Neighbor Day." Streets and stores were crowded for several hours by the busy shoppers.

"Neighbor Day" is becoming a larger and better attraction with each week. Next week the trades extension association is offering the largest inducement yet. Read the ad in this issue explaining the attraction for "Neighbor Day" on May 16. Merchants offered special inducements in the way of prices and were displeased with the results. Don't fail to be here for next "Neighbor Day" next Wednesday.

Mr. and Mrs. Decker Ridge, and son, Sam Brown, visited in Floydada over the week end with Mrs. Ridge's mother, Mrs. Jess Brown. They are residents of Lubbock.

Miss Julia Beth Newell Died In Lubbock Sanitarium - Interment Here

Miss Julia Beth Newell, aged 23 years, died Monday afternoon in the Lubbock sanitarium following an extended illness from a lung ailment. She was the daughter of Mrs. A. A. Newell former resident of Floydada, and who has been a resident of near Abernathy for the past ten years.

Surviving also is a brother, Alonzo Newell and Mrs. Newell's father, Mr. Young, all of Abernathy. Deceased was a niece of Mrs. L. H. Newell of Floydada.

J. E. HAMMITT, OF NEAR LOCKNEY, DIED THURSDAY

J. E. Hammitt, aged 57 years, 5 months and 12 days, died Thursday at his home near Lockney following a brief illness. Physicians said his death was caused from heart ailments and complications.

Funeral services were held Friday afternoon at 3:30 o'clock from the First Methodist Church in Floydada. Rev. C. A. Strickland, of Cedar Hill and L. L. Hill, of Lockney Methodist Circuit, conducted the services. Pallbearers were: Bruce Whitlock, Elmer Mosley, Irvin Bennett, J. V. Gillie, Bud Strickland and J. C. Wilson. Flower girls were: Bonnie Blackwell, Pauline Blackwell, Altha Strickland, Hattie Ruth Brown, Celia Mae Brown, Cecile Mae Wilkes and Ruth Hartman.

Jonathan Edward Hammitt was born in Earth County, Texas, September 21, 1876. He was married to Miss Lida McGlasson, of Dallas County, Texas, at the age of 17 years. To this union were born 9 children, two preceding him in death, Mae and Bessie. Six of the other seven were present for the services as follows: Lee, of Crown Point, New Mexico; Oscar, of Duro, New Mexico; Floyd, of Springfield, Colorado; Mrs. Flossy Womack, of Campo, Colorado; Mrs. Lena Wilcox, of Campo and Claude Hammitt, of Lockney. Mrs. Stella Lyon, of New Albany, Pennsylvania, was unable to be present.

Mrs. Lydia Hammit died in 1909. Mr. Hammitt re-married in 1910 to Mrs. Viola Rowland and to this union were born two children, Mrs. Eddie Strickland of Lockney and Walter Hammitt, of Dallas. Mrs. Viola Hammitt preceded her husband in death on July 13, 1932.

Mr. Hammitt was united in marriage to Mrs. Lennie Casey on August 27, 1933. The widow and eight step-children also survive. Mr. Hammitt was a member of the Church of the Nazarene in Floydada.

Interment was in the Floydada cemetery with A. L. Mayhew of Harmon's Funeral Directors in charge of arrangements.

Misses Vera Hamilton and Oma La Juana Beavers spent Saturday visiting in Lubbock.

JUNIOR SENIOR BANQUET HELD FRIDAY NIGHT

The annual Junior Senior Banquet, for Floydada High School, was held Friday evening at the R. C. Andrews Ward Gymnasium. Members of the Junior class entertained the members of the Senior class. Attendance was good.

Decorations of the gymnasium were in the class colors. A "cruise" idea was carried out in the entire affair, with small boats placed on the banquet tables.

A. D. Cummings, superintendent, made the main address using as his topic, "Avoid the Cross Currents." To open the program for the evening the members of the Junior class sang their welcome song. Rex Brown, president of the junior class, made the toast to the seniors and Hugh Jeff Ayres, senior president, made the response.

Miss Florence Goodjohn made a toast to the teachers. "Ships-a-Sailing", a reading, was given by Emma Louise Smith. This was followed by music by a senior male quartette. The class history, class poem, class prophecy, were given by Lorraine Stiles, Wendell Jenkins and Edelle King, respectively. "Sailing! Sailing!" was the song given by the senior class. Imogene Roy and Cloyd McClung gave the class wills, which was followed by a double duet.

On behalf of the senior class President Ayres made presentation of a hat to Alpha King and a purse to Mrs. Lou V. Smith, as gifts from the class. A farewell song and music by the orchestra completed the program.

Following is the menu:
Over seas cocktail, cruisers' food a la carte, kitch'n sauce, foreign P's in Irish boats, let-us-sail salad, ocean wave rolls and butter, sailors' delight with angel food, bon voyage beverage life savers.

WARNING to EXPECTANT MOTHERS

If you have ever been a patient in any hospital, you are probably familiar with the advantages of a liquid laxative.

Doctors know the value of the laxative whose dose can be measured, and whose action can thus be controlled to suit your individual need.

The public, too, is fast returning to the use of liquid laxatives. People have now learned that a properly prepared liquid laxative brings a perfect movement without discomfort at the time, or after. Dr. Caldwell's long experience with mothers and babies, and his remarkable record of nearly three thousand births without the loss of one mother or child, should give

anybody complete confidence in any prescription which he wrote!

But most important of all, a gentle liquid laxative does not cause bowel strain to the most delicate system, and this is of the utmost importance to expectant mothers and to every child.

Expectant mothers are urged to try gentle regulation of bowels with Dr. Caldwell's Syrup Pepsin. It is a delightful tasting laxative of fresh herbs, pure pepsin and active senna. Not a single mineral drug; nothing to cause strain or irritate the kidneys.

Dr. Caldwell's Syrup Pepsin is an approved preparation and kept ready for use by all druggists.

PLYMOUTH'S CAUSING MORE TALK because it's MORE CAR

WHEN folks gather around to look at the new Plymouth, you hear, "It's certainly the most car for the money!"
Plymouth's all of that... in style, in power, in safety and in big-car roominess. But this year—biggest of all in Plymouth's 1934 story is the New Plymouth Ride!

Now, nose bump and road-fight are ended forever! And, no vibration... Because Plymouth offers Individual Front Wheel Springing plus Floating Power Engine Mountings.
Come in today! See the reason for the sensational new 1934 Plymouth ride! Then ride in this great car!

COTTON PRODUCERS OF NORTHWEST TEXAS GATHERED IN REGIONAL MEETING HELD IN THE TEXAS TECHNOLOGICAL GYMNASIUM

Seven hundred cotton producers of Northwest Texas gathered in a regional meeting held in the Texas Technological College gymnasium for an all day session May 1. E. F. Creekmore and C. C. Moser, vice presidents of the American Cotton Cooperative Association, New Orleans, and Sterling C. Evans, president of the Bank for Cooperatives, Houston, were the principal out of town speakers.

Mr. Creekmore spoke on "The National Association and Its Relation to Regional Organizations." Mr. Moser outlined "A Cotton Marketing Program for Northwest Texas," and Sterling C. Evans talked on "The Bank for Cooperatives and Group Enterprises."

President Bradford Knapp of Texas Technological addressed the producers on "Necessities for Cooperatives in the New Deal."

M. S. Hudson of Hale Center, president of the association, presided at the morning session, and C. A. Barron of Lamesa, vice president, was in charge during the afternoon.

A barbecue luncheon was served during the noon hour.

Officers of the association are: M. Hudson, president, Hale Center; C. A. Barron, vice president, Lamesa; and J. H. Brock, secretary, N. H. Payne, general manager, and H. L. Cantz, educational director, of Lubbock.

The board of directors, including Hudson and Barron, is made up of D. L. Tucker of Levelland, W. H. Haymes of Crosbyton, Joe Y. Thompson of Tahoka, Jess T. Elms of Littlefield, and R. D. Jones of Tahoka.

TO THE PEOPLE OF THE NINETEENTH CONGRESSIONAL DIST.

For nearly a year you have had before you my announcement for Congress from this new District.

Believing that the people generally have grown weary of the many worded, time worn, inflated structures in American politics we call "Platforms" that so often become the funeral biers of numerous forgotten promises, I formally submit my candidacy to you in four simple sentences:

"To keep faith with my fellow man.

To ever be mindful of my trust.

To remain loyal to those I represent.

To do, always, the very best I can."

No man in this race can say more, nor should he say less.

These four sentences pledge me to support every emergency measure of the President's Recovery Program consistent with the needs of those who live in this District.

They also pledge me to sincere and profound consideration of every future question of Government tending to promote the welfare and happiness of the people who live in this District.

Were I to detail a platform several times as long, I could say no more. The multiple problems of Government that are perplexing the greatest minds in the world cannot be properly discussed in a political announcement, nor can they be solved in a political campaign.

Questions of Currency, Revenue, Economy, Taxes, Tariff, Foreign Relations, National Defense, Commerce, Banking, Pensions, Transportation, Labor, Unemployment, Industry, Farming, Stock Raising, Marketing, Law Enforcement, and many others with their numerous related subjects, affect all mankind, and 434 other Congressmen will have an equal voice. All my life I have been a student of Law and Government. I shall expect to apply the knowledge gained, and my very best thought, to these matters as they arise.

However, if there are some who desire an expression of my views on National subjects, I invite and welcome your inquiry, personally and otherwise, and assure you a courteous reply. Before the campaign is over, I hope in some manner to acquaint every interested person with these views.

So far as I am able to observe at this stage of the campaign, every candidate in the race, regardless of the number of words used, is running on the same platform, which is: "A sincere desire to render a public service to the greatest number of people." This being true, the only ISSUE raised or that can be raised is "THE PERSONAL ABILITY and the POWER of the individual candidate to PUT OVER the things he advocates and undertakes?" That is the only question for your determination, and one you must answer if you expect a full measure of representation in your law-making body.

Whether I fill the requirements in meeting this issue is for your determination. If I am not qualified to be your champion in any forum, and to stand man to man with any who oppose your interests, then I do not want to go to Congress. That is fair to you, and fair to me.

I am conducting my campaign my own way, and concede the same privilege to the other candidates. I have no controversy with any man, and do not propose to engage in cheap, petty, local politics that might lead to one. To me, the Congress of the United States is a sacred institution, second only to the Flag, and I expect to deport myself with a dignity worthy of the high office I seek.

With an abiding faith in the sincerity and the ability of our Democracy to choose for the best interest of all concerned, I humbly submit my candidacy for your deliberate and careful consideration.

CLARK M. MULLIGAN,
Democratic Candidate For Congress.

BURL BEDFORD'S RESIGNATION AS COUNTY RELIEF ADMINISTRATOR TO BECOME EFFECTIVE MAY 10; CLIFFORD RHODES APPOINTED

Effective May 10th, Burl Bedford for the past several months administrator of County Relief Funds, will resign this position it has been announced.

Mr. Bedford, who has been administrator through the entire Civil Works Administration and recently during the new government relief plan, filed notice of his resignation the first of last week. Jeff D. Ayres, chairman of the County Relief Board, called a meeting for Friday afternoon at three o'clock when a new relief administrator was appointed.

Clifford Rhoades, for the past several months connected in the office department of the relief work, was appointed to succeed Mr. Bedford and his appointment to become effective on May 11, which is Friday. His appointment was given approval by F. M. Grazer, field supervisor for the state relief commission.

Other changes in the personnel of the county relief administrators office was the resignation of C. C. Huckabay, as certifying officer, and the appointment of J. U. Borum in this position. A reduction in administration expense allowance necessitated the removal of two other people of the office force in the county Wilma Fuller at the local office and Joe Nall at Lockney, Mr. Bedford said.

Under the latest relief plan most of the projects have been under way for several days. The court house lawn grass planting project was completed last week and the City Park Project here was expected to be completed the first of this week.

Expiration date on the projects was thirty days and after this time all work done will be after the projects are re-submitted to and sanctioned by Austin officials. All relief workers, with exception of four or five, have worked out a budget on relief funds needed, Mr. Bedford said.

MANY VISITED EXHIBIT OF FLOYDADA PUBLIC SCHOOLS

Many people from all over the county visited the exhibit of work done by students in the Floydada Schools held Thursday, Friday and Saturday. Exhibits were placed in the Duncan Building on the south side.

Included in the exhibits of school work were a number of interesting posters and notebooks, sketches and paintings by students in the R. C. Andrews Ward School.

One of the most interesting exhibits in the display was one of a miniature pioneer village, representing the town of Salem, Massachusetts, one of the first colonies in America. This exhibit was made by Miss Lula Belsler and Miss Fannie Bolding, and students of the sixth and seventh grade. The pioneer dwellings and houses, the stockade and store houses were all shown as was the public punishment methods, the stocks and whipping post.

O. K. Davis, teacher, and students in the Andrews Ward school had on display a large board showing the government administration process. The board was arranged with the President as the center and the other governing bodies arranged about him and was very interesting and educational.

Exhibits were also made by the commercial department of Floydada High School, the history department, algebra, geometry, civics, home economics, public speaking, foreign language, English and economics. The exhibit was an outstanding example of the type of educational work now being done in the Floydada schools.

SCIENCE ASSOCIATION WILL MEET IN SANTA FE, NEW MEXICO

Santa Fe, New Mexico, was selected for the next meeting place of the Southwest Division of the American Association for the Advancement of Science which recently met at Texas Technological College in association with the Texas Academy of Science. The Grand Canyon of Colorado was selected for the meeting place in 1936.

Dr. R. A. Studhalter, head of the Texas Technological department of biology, was made chairman of the biological science section. Veon C. Kiech of the University of New Mexico was named chairman of the physical science committee, and Dr. H. S. Colton of Arizona, chairman of social science.

CLAUDETTE CAFE OPENS TUESDAY IN NEW LOCATION

Claudette Cafe, owned by Claude Merrell, opened this morning in a new location on the west side of the square. The cafe is located in the Snodgrass building. Workmen were busy last night moving the fixtures from the California street location to the new place.

The new location gives more room and the higher ceiling makes the cafe cooler and more pleasant for patrons. A new cigar case was installed along with the other fixtures at the west side location.

"We will give curb service and will have plenty of free parking space," Mr. Merrell said.

ORDINANCE NO. 161

AN ORDINANCE ENTITLED: An ordinance levying occupation taxes upon persons, firms, corporations, or associations, pursuing certain occupations within the city of Floydada, providing a penalty, and repealing city ordinance No. 156.

Be It Ordained By The City Council Of The City Of Floydada:

1. That there shall hereafter be levied upon and collected from every person, firm, corporation, or association, pursuing any of the occupations enumerated and taxed by the terms of Article 7947, R. S. 1925, State of Texas, as amended, within the corporate limits of the City of Floydada, an occupation tax upon the same terms as provided by said Article 7947 for each such occupation, save and except that the tax hereby levied upon each such occupation shall be in an amount equal to one-half the tax levied upon such occupation for the same period by said Statute.

2. That all occupation taxes hereinabove provided for shall be payable in advance; that all annual occupation taxes hereinabove provided for shall be paid for the calendar year, and shall become due on January 1st of each year; provided, however, that in the event any person, firm, corporation, or association shall commence the pursuit of a particular occupation after the lapse of a portion of the calendar year, such person, etc., shall pay in advance only a proportionate part of the annual tax for the portion of the calendar year then remaining; provided further, that in the event any person, firm, corporation, or association, shall cease to pursue a particular occupation before the expiration of the calendar year, no refund of the tax already paid shall be made.

3. All occupation taxes hereinabove provided for shall be paid to the City Secretary of the City of Floydada, and upon receipt of payment of an occupation tax, said City Secretary shall issue to the person, firm, corporation, or association paying same, a receipt showing the amount paid, the period covered by such payment, and where issued to cover a place of business, specifying the name and location of such place of business; such receipts shall be non-transferable, and where issued to cover a place of business shall be kept posted by the person to whom issued in a conspicuous place in said place of business so as to be subject to inspection at all times by the City authorities; all receipts issued to cover coin-operated vending machines or instruments shall be kept on, annexed to, or attached to such machines or instruments.

4. Whoever shall pursue any occupation which is taxed by the terms of this ordinance, without first paying the tax herein provided for, shall be guilty of a misdemeanor, and subject, upon conviction, to a fine of not less than \$5.00, nor more than \$25.00, and each day during which such occupation is pursued without the payment of such tax shall constitute a separate offense.

5. That City Ordinance No. 156 is hereby in all things repealed.

Passed and ordered published by the City Council in regular meeting, and approved by the Mayor, this 8th day of May, 1934.

W. C. HANNA, Mayor,
S. E. DUNCAN, City Secretary.

THE GOAT COLUMN

Now comes Mr. Hollingsworth of the Express company and wants to know when he high-hatted us. He said the paragraph about the fellow and the new automobile fitted him exactly, except that he did not know he had high-hatted us. As a matter of fact the goat column had no thought of Mr. Hollingsworth nor any one else with new automobiles bought through finance companies, except the fellow who snubbed us when it would have been just as easy to have been decent, in which case we might not have had any desire whatever in checking up on the gentleman in question.

Truth of the matter is we have no objections to any one buying anything they may wish on the installment plan, but we do hate for some simple minded sap to high-tone us when if he was called upon to pay his bills he would be found wanting.

Mrs. A. P. McKinnon stopped by the Plainsman office yesterday at noon, and refreshed our memory of the fact that we had promised her a plant from our bogonia if we ever had the misfortune to break off a limb. And so we are going to keep true our promise. Mrs. McKinnon next presented a plant within the next few days if we have good luck in making our fallen limb grow.

Our first lesson in the gentle art of soft-ball baseball was somewhat amusing. We were getting along very well watching the boys as they progressed with the game along the lines of sign language of foreign type to us, until all of a sudden the game broke abruptly and several fellows all began pointing their index finger at the man standing behind the catcher. It was at this point of the game we concluded our ability to learn the signs would be a flop and we drove away feeling better for having attended for a few minutes, our first soft-ball game.

Just how the fellows learn the sign language of the game we are at a loss to know, but the people on the side-lines were all enjoying what was about to happen, it seemed, from the way they shook their fingers at the man behind the catcher.

The Plainsman force was detained last week from attending the Nunn-Warren, Hawk-Howe press convention in Amarillo. We decided to stay home and give the people a "Neighbor Day" tabloid instead. And at that we believe it may have been more profitable in the long run.

ATTENTION !

To the man that wants to know that he is going to own a home when he buys. We are offering today 10 tracts of 177.1 acres each located on or near the highway from Littlefield to Morton in Cochran county, Texas, about 12 miles from Morton.

Selling this land on the COTTON PLAN PAY EVER OTHER BALE until you pay 11 bales each year. You are carried when you make a crop failure or part failure. There is not interest on this plan at any time. Put up \$100 cash on each tract; which is paid back when you make the first delivery of 11 bales. Break out 150 acres of land by Nov. 1, and build a house as good as a box 14 by 28 by Dec. 15, 1934. The water is about 100 ft. deep. YOUR FIRST CROP WILL BE IN 1935. Now come on and get you a home this year so that you will know where you are going to live next year. YOU SHOULD INVESTIGATE THIS PROPOSITION.
