Floydada Music Pupils Made Good Showing at District Piano Contest

The National Piano-Playing Tournament, held throughout the United States during National Music Week, was held for the West Texas District at Simmons University in Abilene, May 10th, 11th and 12th.

Supreme Judges for this great contest were Edwin S. Hughes and John Thompson. The basic purpose of this National Piano-Playing Tournament is to stimulate a revival of interest in the study of piano playing, and to build up the program or repertoire of each pupil.

This affords piano teachers the opportunity of presenting pupils of all ages and degrees of talent before a worthy and competent judge, that each may receive a fair and unbiased rating of his achievement and this plan is certainly carried out for the judge knows nothing of the pupil except his age and length of time in study; hence he uses his knowledge and ears and no bias is required to place each contestant as required to play behind a screen.

Sometimes the pupil suffers great nervousness in playing, because of the fact that he is judged by a person who has had extensive training and has a wonderful understanding of music. If the judge found any criticism or unusual talent he did not fail to make note of this on each pupil's envelope, which of course aids the teacher.

Some criticisms are severe; but all are just and should be accepted 'with pleasure.'

All students were expected to play four types of music. Polyphonic, Sonata Form, Romantic and Modern. Miss Bernice Holefield, advance pupil of Mrs. Ohmer W. Kirk, enrolled as College Freshman, played 23 numbers including an intricate Back Invention on which the judge gave her second rating with great praise. Miss Holefield not only won the Freshman College Class, but won the entire College Division for West Texas District, with 13 firsts and 10 second places, entitling her to the National Honor Roll receiving the highest award, the Gold Seal Certificate signifying superior talent and training.

Mary Wilson Hicks came second with 7 first places and 1 second, winning the State Honor Roll and the Blue Seal Certificate. Those pupils making the District Honor Roll and receiving Red Seal Certificates were: Evelyn Withers, four firsts and 3 second places; Gloria Hammonds, four first places, two second places and 1 third.

Pupils making Unit Honor Roll and receiving Excellent Rating were: Marjorie Kirk, 3 first, six second, 1 third; Juanita Fanning, 3 first, 2 second, 2 third; Juanita Rushing, 2 first, 3 second; La Nell Harmon, 1 first, 3 second and 2 third; Jane Clark, 3 firsts, 3 second; Bobbie Jean Stevens, 1 first, 4 seconds.

Those who attended the tournament from Floydada were: Dr. and Mrs. I. W. Hicks, and daughters, Evelyn and Lella; Mrs. and Mr. Frank Harmon and Elaine; Mr. and Mrs. Lee Rushing and children; Mrs. Byron Clark and Mrs. Will Stevens. Mrs. Ohmer W. Kirk, teacher of piano, was made member of the National Music Guild by previous work in the All-Southwestern Tournament and winning 30 or more first places in the National Tournament.

Norma Shearer Comes to Screen as Glamorous Heroine of "Riptide"

Norma Shearer comes to the motion picture screen after an absence of some eighteen months as the glamorous heroine of "Riptide," her new Metro-Goldwyn-Mayer starring vehicle which opens Saturday midnight at the Palace Theatre.

Familiar in daring sophistry to her famous characterizations in "The Divorce," "A Free Soul," "Strangers Lay Kiss" and "Strange Interlude," the new Shearer vehicle brings to the screen a romance smothered in triangular motivation.

Golden Wedding Circle Will Be Feature of The Pioneers Round Up

The Golden Wedding Circle will be a feature of the Pioneer Round Up in Plainview on May 19th. 32 couples are enrolled in this circle and any couple on the plains who have celebrated their golden wedding is eligible to ride with the Golden Wedding Circle in the parade.

A pioneers reception is being planned from one to four o'clock p. m. in order that the pioneers may meet and visit with old friends.

The parade of old time entries will move at four o'clock. A chuck wagon supper will be served at the city auditorium from six o'clock until eight. A program at eight o'clock will bring the old times back by a play depicting pioneer life and a pioneer wedding. Many early costumes and wedding garments will be worn. A square dance will follow the program, lasting from 9:30 p. m. until midnight. A museum of old relics will be on display during the evening.

Members of Seventh Grade At Andrews Ward Enjoyed Party Tuesday

Members of the seventh grade graduating class from the R. C. Andrews Ward School enjoyed a class social Tuesday evening at the gymnasium. Parents of the students and the teachers were invited.

A green, white and pink color scheme, the class colors, was carried out. In the refreshments the color scheme was effectively carried out with strawberry ice cream, angel cake served in green dishes. Mrs. Yancy Moore brought a cake for the party which was attractively decorated in the class colors and bore the class motto on top.

WON FOURTH AT STATE

Miss Doris Clonts, Abilene High School senior, won fourth in the State Interscholastic League meet at Austin in typing contests recently. She is a daughter of J. W. Clonts of Floydada and is a former student of Floydada High School.

W. H. Seale Dry Goods To Open Friday Morning In Floydada Store

W. H. Seale's Dry Goods store will open tomorrow morning in Floydada. The store will be located in the Duncan building on the south side of the square. Mr. Seale has returned to Floydada from Plainview where he had been engaged in the dry goods business. He retains his interest in the store there and it will be managed by his son, Jesse Seale. We previously said that he had sold his interests in Plainview, but were mistaken.

R. O. Daniels, Mrs. Hampton, Mrs. H. M. McDonald and Jim Hammonds will be employed at the Seale store in Floydada. Mr. Seale is asking that all his friends and customers visit him at the store.

Floydada Quartette Gave Mothers Day Program At Mt. Blanco Sunday

The Floydada Male Quartette went to Mt. Blanco Baptist Church Sunday evening where they gave a Mothers' Day vocal program. Arthur Tubbs and daughter, Marguerite, of Center, took G. C. Tubbs' place in the quartette. Mrs. Arthur Tubbs was at the piano. The program was very well presented and seemed to be much enjoyed by all present.

Crowds Increasing On Each "Neighbor Day" More Features Planned

The crowds that come to Floydada on "Neighbor Day", Wednesday of each week, are steadily increasing. Yesterday the largest crowd was present than has ever been for a trades day, it was estimated. Floyd County people, and others in this territory, are rapidly becoming acquainted with the advantages of coming to Floydada on "Neighbor Day" and are making plans to come to every one.

More features are planned for "Neighbor Day" next week.

Mr. and Mrs. C. N. Foster and Miss Doris Blasengame, of near Clayton, New Mexico, arrived Wednesday for a visit in Floydada with Mrs. Foster's daughters, Misses Helen and Jessie Faye Chambers. They will attend the commencement exercises for the senior class, of which Miss Jessie Faye Chambers is a member.

52 Students to Receive Diplomas of Graduation From Andrews Ward

52 boys and girls will receive diplomas, signifying their graduation from R. C. Andrews Ward School in exercises to be held this evening at 8:30 o'clock at the Andrews Ward auditorium.

Rev. W. H. Cheatham will deliver the commencement address in place of Rev. S. R. McClung, as had been previously announced. A song, "Texas, Our Texas," will be sung by the class.

Rev. Luke Priha, minister at the City Park Church of Christ will give the invocation. Marjory Kirk will give the salutatory; and Mary Wilcox Hicks the valedictory.

"When You Come to the End of a Pleasant Term" will be given by Frankie Saunders and Rue Del Brewster. Address. A song, "Welcome Sweet Springtime" will be given by the class. A. D. Cummings, superintendent, will make the welcome to high school and O. K. Davis will present the diplomas.

AUTOMOBILE SALES GAINS FOR APRIL ACCORDING U. TEXAS CHECK-UP

Gains established during April in new passenger car registrations in sixteen Texas counties representing all sections of the State were encouraging, according to the University of Texas Bureau of Business Research. Registrations totaled 5,307 in April against 5,245 in March and 2,914 in April, 1933, gains of 1.2 per cent and 82 per cent respectively. MRS. T. P. GUIMARIN, FORMER RESIDENT, SUSTAINED BROKEN ARM IN FALL

Mrs. T. P. Guimarin, former resident of Floydada and now of Decatur, sustained a broken arm when she fell at her home Thursday night while hanging curtains. She fell from a chair to the floor, breaking her arm in two places.

Mrs. J. G. Wood, a daughter, of this city, left Wednesday morning to go to Decatur for a visit with her mother.

WINS HIGH HONORS

Miss Bernice Holefield, promising young pianist, of Floydada who won the entire College Division in the National Piano Playing Contest held in District 56 at Simmons University at Abilene.

Miss Holefield, enrolled as College Freshman, won 13 first and 10 second places, entitling her to the National Gold Seal Certificate, signifying superior talent and training. She also has the distinction of winning the Senior High School Division two years ago in the All-Southwestern Tournament held in Abilene. Miss Holefield is a pupil of Mrs. Ohmer W. Kirk of Floydada.

Extension on Lockney Grade School Relief Project Granted by State

Clifford Rhoades, recently installed County Relief Administrator, received notice this week that an extension of time had been granted on the Lockney Grade School improvement project.

No approval has been given the request for extension of expiration date on the other relief projects as yet. Other projects are: Lockney Sewing Relief, County Sanitation, Erick School Improvement, Grade Crossing Improvement on highway 28 in Floydada.

Mr. Rhoades said that he felt sure the other extensions of time would be granted since the Lockney grade school project time was extended. He said that he would not have available men on the direct relief rolls until after May 25 as the men had already consumed their time on the budgetary system of work.

FLOYD COUNTY MEN ATTENDED BANKHEAD COTTON MEETING

Floyd County was one among the 25 counties represented in a meeting held at Big Spring Thursday and Friday in the interest of the Bankhead Cotton Bill which recently became a law by action of Congress.

Ways and means of getting an appropriation for this section were discussed although no final action was taken. Several resolutions were drafted and sent to Washington. One of these asking lenience for the drouth stricken area of the Panhandle in making a base average. This resolution, among other things, asked that the severe drouth years be excluded from the base average determining period.

Several hundred were in attendance at the Big Spring meeting. From Floydada attending were: S. W. Ross, Glen A. Lindsey, J. W. Lanier and E. C. King, member of the cotton committee.

Mrs. Ernest Matchens, and son, of Seymour, Texas, arrived last week for a visit with her parents, Mr. and Mrs. S. L. Dennis and family.

Miss Genell Stovall, student in Texas Technological College, spent the past week end visiting in Floydada with her parents, Mr. and Mrs. E. F. Stovall.

COMMENCEMENT SERMON FOR SENIOR CLASS WAS HELD SUNDAY NIGHT

The First Methodist Church in Floydada was crowded to capacity Sunday evening when the Senior Class of the High School heard their commencement sermon. Rev. I. A. Smith, pastor of the church, gave the sermon.

A space was reserved for the parents of the students in the senior class and the class itself was seated in a reserved section. The students entered as the audience stood while Miss Maudie Jo Fields played the processional.

Rev. N. E. Tyler, pastor of the Church of the Nazarene, gave the invocation. A hymn, "Holy, Holy, Holy," followed, being sung by the audience and class members. A violin solo, "The Rosary" by Nebin, was played by Mrs. A. D. Cummings.

Rev. S. R. McClung, pastor of the First Baptist Church, and father of the honor boy of the class, Cloyd McClung, read the scripture. "O Come to My Heart, Lord Jesus," a vocal solo, by Ambrose, was given by E. C. Potter, head of the commercial department in Floydada High School. Following this number Rev. Smith gave the commencement sermon. Rev. McClung gave the benediction.

As the audience stood again Miss Fields played the recessional.

METHODISTS, ROTARIANS AND MERCHANTS WIN IN LAST THREE GAMES OF WEEK'S PLAY

The Methodists, Rotarians and Merchants marched to victories in the last three games of the week in the Floydada Twilight Soft Ball League. In the double header Thursday night the Methodists upset the Oilers 7 to 4 and the Rotarians upset the dope and smeared it on the Firemen 10 to 1.

Errors seemed to be in order Friday night when the Merchants defeated the Druggists team 16 to 9 in a wild and dusty game under the floodlights. The Merchants held the lead from the second inning to the remainder of the game. The 'pill pushers' run in six scores in the first inning after several errors by the Merchants.

The Rotarians, with Guthrie on the mound, held the Firemen to 4 hits and 1 run, while they chalked up 11 hits and 10 runs. The Rotarians and the Firemen met under the floodlights in the second of a double header, Thursday night.

Earlier in the evening Thursday the Sunday School Boys took a game from the Oilers. This game bore plenty of thrills and was very interesting.

Why the Sudden Change to Liquid Laxatives?

Doctors have always recognized the value of the laxative whose dose can be measured, and whose action can be thus regulated to suit individual need.

The public, too, is fast returning to the use of liquid laxatives. People have learned that a properly prepared liquid laxative brings a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The wrong cathartic may often do more harm than good.

Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help. Dr. Caldwell's Syrup Pepsin is at all druggists. Member N. R. A.

**MORE FLOYD COUNTY SCHOOLS CLOSED;
BALL GAMES AND PROGRAMS HELD**

Several Floyd County rural schools closed Friday afternoon of last week for the 1933-1934 term. Ball games, programs, dinner on the ground and candidate speaking was the order of the day.

Providence community school closed Friday with a dinner on the ground and baseball games in the afternoon. A candidate speaking, with Floyd County office seekers present, was held.

Aiken school closed Friday with a dinner on the grounds and a program. Ramsey school also closed Friday with a program.

**50 CENT PER CAPITA PAYMENT MADE
FROM COUNTY SCHOOL FUND BY BOARD**

The County School Board, in meeting last week, made a payment of 50c per capita for Floyd County scholastics out of the county school fund. It was the first payment of the year.

In further business of the board L. B. Maxey, elected in the April election as chairman of the County School Board, was sworn in to take the place of E. C. Nelson.

WILL GIVE AWARDS

The county school board is sponsoring the presentation of perfect attendance certificates to all county school students having a perfect attendance record for the 1933 - 1934 term. This action was started last spring in an effort to secure better attendance records.

County Superintendent Price Scott said that the date for the presentation of certificates had not been decided.

**NEW FORD V-8 WINS
FIRST PLACE IN 250-MILE
SPEEDWAY EVENT**

Oakland, California, May 6.—Batting for a cash prize of \$1,500, Lou Meyer, a leading contender for the 500-mile sweepstakes at Indianapolis Decoration Day, took first place car race at the Oakland Speedway in a Ford V-8 in the 250 mile stock this afternoon from a field of 20 entries.

Meyer's time for the race, which was supervised by the contest board of the American Automobile Association, was 3 hours, 13 minutes, 4.6 seconds, and his average speed for the course 77.68 miles per hour.

Sam Palmer, also driving a Ford V-8, took the second prize of \$750, and also hung up the fastest time for a single mile lap of 81 miles per hour. Denny de Paolo, Ted Horn, Mel Kenealy and Al Gordon, all in Ford V-8s, took the next four places in the event. Four other drivers finished in the money. Eight of the 20 entries were Fords, the other 12 being of four other makes.

"I won the race," said Meyer at

the finish, "because my Ford V-8 had tremendous pickup, power and speed and was able to keep going at high speed for the entire 250 miles. It's a great car to drive and I ought to know because I now have won two tough races in Ford V-8s this year."

Twelve thousand persons turned out for the race which was run on the Oakland banked-curved oval under a brilliant California sun. No accidents of any nature marred the event.

Throughout the grind, Mayer drove a steady cautious race. In the early laps the race appeared to be between Palmer and Gordon, but just after he had caught up with Palmer in the 108th lap Gordon lost time in the pits and Palmer streaked ahead.

Soon afterward Meyer, who had been trailing up to this point, took the lead and never was headed. From the halfway mark the race settled down into a three-cornered battle between Meyer, Palmer and de Paolo, with only a few seconds separating the three during most of the latter half of the race. Nearing the finish all three contenders open-

ed their throttles; averaging more than 80 miles an hour for the last six laps.

Throughout the race the leaders thrilled the crowds with the way in which they guided their cars through the traffic of slower cars on the track, the quick acceleration of the Ford V-8 giving them several precious seconds each time it was necessary for them to slow down.

Kenealy, fifth-place winner, set a refueling record, when he appeared at the pits for his first refueling after 161 miles.

Mrs. Cella Ross and Miss Merle Seoggin left Friday afternoon for Lubbock to spend the week end visiting with Mr. and Mrs. A. L. Seoggin and family and other relatives.

Mr. and Mrs. W. H. Smith and family, of the Blanco community, spent Sunday visiting in Memphis, Texas, with her parents, Mr. and Mrs. T. B. Floyd.

W. H. Seale Dry Goods to open Wednesday in Duncan Building on south side of the square.

Joe and Ernest Boothe were business visitors in Lamesa Sunday.

**MOISTURE SUNDAY NIGHT
AND MONDAY MORNING WILL
HELP GROWING CROPS**

Rain, which followed a decided change in temperature, Monday morning covered the entire county with about three fourths inches of moisture. Sunday evening late the mercury dropped several degrees as the skies became overcast with clouds.

The rain fell in two showers, one about four o'clock Monday morning and the other between 8:30 o'clock and ten o'clock the same morning. Moisture from the first shower was estimated at one third of an inch.

Reports indicate that the rain was general over the county but slightly heavier in the south and east portions near Dougherty and toward Motley county. Matador is reported to have received a heavy rain.

Hail fell for a short while during the last rain of the morning but the stones were small and no damage was reported from this source. No damage was reported from wind.

Monday morning's rain will prove very beneficial to both growing wheat and cotton and feed that has been planted. Several Floyd Coun-

ty farmers planted cotton following the rain on Wednesday night, May 2, which was the last moisture received up to Monday morning.

Tom Bishop, of Kress, and Mr. and Mrs. Eddie Bishop, of Dalhart, spent the past week end visiting in Floyd-ada with the Messrs. Bishop's mother, Mrs. Jennie Bishop.

Firemen, Methodists, Oilers Win Floydada Twilight League This Week

The Firemen, Methodists and Oilers teams are winners in this week's play in the Floydada Twilight Soft Ball League.

Tuesday night the Firemen, in the first of a double-header, defeated the Merchants 10 to 4. In the last game of the double header, played Tuesday night due to the Monday night game being postponed on account of rain, the Methodists trimmed the Rotarians 10 to 8.

Interest in the Floydada Twilight league is increasing with each game and the crowds are becoming larger. The board of directors, in a meeting Saturday night, voted to admit two other teams but not allow their standing to affect the standing of the present teams. These two teams will enter the league on a competitive basis at the second half schedule.

Following is the box scores in this week's games:

GASOLINE TAX SHOWS ENORMOUS INCOME TO TEXAS ROAD FUNDS IN YEAR

Austin, Texas, May, 15.—The new Texas gasoline tax enforcement law rounded out its first full year of operation with a smashing 20 per cent increase in revenue to the state during the first quarter of 1934, the Texas Good Roads Association announced today from quarterly figures of Comptroller George H. Shepard.

Combined gasoline tax collections for the months of January, February and March exceeded the total for the same period last year by \$1,269,872, the comptroller reported. This brought the full 12 months' recoveries to more than \$4,250,000 above the previous period.

It was on March 21, 1933 that the potent new law was written onto the statute books as an emergency measure. Scores of remote refineries were humming day and night, turning out motor fuel of which the taxing authorities had no knowledge. Thousands of tank trucks were radiating out on the very highways whose income they were stealing, carrying bootleg, tax-free gasoline to every corner of Texas.

Every gallon of it which was sold deprived the common school fund of one cent, the bond-refunding fund of one cent and the highway fund of two cents.

A new law was proposed making bootlegging a felony and giving the comptroller adequate funds for enforcement. The Texas Good Roads Association and the Texas Gasoline Tax Committee, which backed it, voiced the belief that this lawless traffic was robbing the taxpayers of at least \$4,000,000 yearly. Actual recoveries have exceeded this figure. During the nine months it operated in 1933, the law "picked up" more than \$3,000,000.

Mac McLaughlin, of Tucco, Texas, has been employed at Boothe Mill and Elevator in Floydada. He is a member of the 'Merry Millers,' the Boothe string band.

The Boothe Mill and Elevator's 'Merry Millers' went to Pleasant Valley Tuesday night where they presented a musical program between acts of a play held there.

Miss Estella Russell left last week for Dallas where she is visiting with her parents, Mr. and Mrs. A. D. Russell. She will also visit in Farmersville while away.

Mrs. Ernest Matchens and little son returned to Saymour Saturday after spending a week with her parents, Mr. and Mrs. S. L. Dennis and family.

Mr. and Mrs. E. W. Lightfoot and family and Mr. and Mrs. T. C. Hollums spent Sunday visiting at Cotton Center with Mr. and Mrs. Merle Weathery.

Miss Lorilla Stephens and Duncan Hollums spent Sunday at Girard visiting with her parents, Mr. and Mrs. Frank Stephens and family.

THE GOAT COLUMN

Mr. J. W. Clonts advised us this week that he owed the goat column a dollar bill for selling several fattening hogs and a bull yearling in his end of town. Thanks Mr. Clonts, the more dollars we get the more hogs and yearlings we may be able to put on the market.

This is just another case of where a little bull put in print puts a bull on the market. We hope that every body concerned are as happy as Mr. Clonts. He says many such sales should be made, and the artist of the column very heartily agrees with him. Nothing ruins the disposition of a person who has worked hard in their places quicker than for a fattening hog or some nice cow to trample all over the place and tear down their pet tree or flower bed.

Judge L. G. Mathews says his young pecan trees are going to bear nuts this year. In the next breath he says that he intends to prosecute the first fellow caught climbing the trees for the nuts. Undoubtedly the judge knows the ways of boys, and if I were a boy I would await the tree climbing until that first boy was prosecuted before placing my climber on his pecans.

The fellow who placed tacks in our old Ford seat demonstrates the type of sportsmanship which makes people and nations declare war. He missed his mark, though, the tacks merely stuck in the patches in our old britches and shook out after we went home and one of them stuck in our foot.

Of all the things we would not stoop to is this kind of tommy-rot. To do injury to ones person 'behind their back' is, indeed, a small fellow's idea of getting even.

For the benefit of Judge H. A. C. Brummett of Dickens county, we are going to say that the ladies of the Lakeview community are going to hold their last quilting meeting in that community for this year on Thursday of next week. Ladies, Judge Brummett is said to be an excellent hand with the needle, you should not overlook such an opportunity for a lift at the final wind-up of your year's work.

Judge Brummett is a candidate for district judge of this district and naturally would be slow in refusing an invitation to your quilting party.

After attempting to use our Price Determination Schedule furnished by the Graphic Arts Code department for the printing industry for the past six days, we have come to the conclusion that it stimulates the greatest assortment of unique whistles from the buying public ever originated for the country printer. We are staying by the prices as handed us through the code authorities, and in most cases we get whistles, and no printing. The question enters our mind, whether it is

wise to stay by the code and go hungry for lack of business or violate the code and let Uncle Sam feed us at one of his detention camps.

If the buying public of printing could recognize the fact that this line of industry has gone up in production cost in accordance with other lines of merchandising it perhaps would not be such a task to quote prices on printing and still continue to make sales.

The Plainsman is not making the quotations, we are instructed to follow them, and we hesitate to violate the authority of the code. We have been reared to respect law and order and will proceed accordingly in this instance.

We want all our friends and customers to continue to buy their printing needs at our office, and we promise every courtesy in keeping with our Uncle Sam's orders to us.

15,000 Miles by Auto Through Southern States For Negro Folk Songs

Under Commission from the United States Library of Congress, John A. Lomax of Dallas, and his son, Alan, have traveled 15,000 miles by automobile through four Southern States for the purpose of interviewing nearly ten thousand negro convicts and thousands of other colored folk in rural communities. Their object was to obtain phonograph records of authentic negro folk songs. They will continue their research along similar lines.

Mr. Lomax is considered a foremost authority on Southern and Southwestern folk-lore, and was one of the founders of the Texas Folklore Society. He is a graduate of The University of Texas, holding both the bachelor and master of arts degrees, obtaining the former in 1927 and the latter in 1906. Young Alan is likewise a former student of the University.

In an article which he wrote for the Musical Quarterly, Mr. Lomax tells a number of experiences he had in interrogating the black convicts and in encouraging them to sing before his microphone the "sinful songs," or secular music, of his race. He sought, not the so-called negro spirituals which have grown from the black man's acceptance of a comparatively new religious faith, but the deeply pagan strains that are a natural emotional outpouring of the primitive negro race.

Misses Sarah Davis and Elizabeth McKinney, of Lubbock, spent Friday evening to Sunday evening visiting with relatives in Floydada. They are students in a beauty culture school in Lubbock.
