## 406 REGISTERED DURING OLD SETTLERS ANNUAL REUNION HELD MONDAY AT CITY HALL; OFFICERS FOR 1934 ARE TO BE RETAINED FOR NEXT YEAR

406 persons registered when the Floyd County Pioneers Association held the annual reunion Monday of this week. The annual reunion, the sixth of its kind, was held on the lawn of the city hall.

Monday, May 28, marked the 44th anniversary of Floyd County and it was in honor of this occasion that the reunion was held. An interesting program was given during the day including a number of short talks by old timers in which they related a number of both descriptive and interesting incidents in the early history of Floyd County.

Officers of the association for 1935 reunion were not elected, it being the decision of the directors to retain the present officials, due to a lack of time for election of a new group. Officers are: Geo. L. Fawver, president; R. E. L. Muncy, vice president; Tom W. Deen, secretary-treasurer; Glad Snodgrass, Dr. C. J. McCollum, Miss Anna Sims, Mrs. Aura Hollis and R. E. Fry, directors.

### Made Opening Address

Mrs. Arthur B. Duncan, widow of Arthur B. Duncan, Floyd County's first judge, gave the opening address welcoming the Floyd County Old Timers to Floydada. Her twin brother, Elder J. J. Day, also said a welcome to the visitors. Judge W. B. Clark, also a pioneer of Floyd County, gave the response.

Mrs. May Fullingim, of Lorenzo, gave a speech preceding the noon hour. She is a daughter of Mrs. W. A. Shipley, one of the pioneer families of Floyd County.

R. E. L. Muncy, pioneer Floyd County preacher, said the invocation at the noon hour. Pioneers and other visitors brought basket lunches and this, together with coffee and beans, comprised the lunch during the day.

Claude V. Hall, pioneer school teacher, made the main address starting directly after the basket dinner. He at the present time is head of the history department at East Texas State Teachers College at Commerce. He related interesting and essential incidents in the early days in Floyd County. Mr. Hall gave the main address at the reunion last year.

Following Mr. Hall's address several speeches were heard from a number of old timers in the county. They dealt mostly with important happenings in the early founding of the county.

### Pioneer Parade at 3 O'clock

Perhaps the most interesting and colorful incident of the day was the old timers parade, which was held

at 3 o'clock. The procession was headed by two vicious and gaily dressed Indians, who rode their Mustangs at a rapid pace. Following were a number of pioneers, who rode in buckboards, or buggies, drawn by horses. A truck carried an organ, which was played by one of Floyd County's earlier settlers. The parade caused much comment both among the pioneers and the younger people. A complete route of the town was followed.

As soon as the crowd gathered again at the city hall, following the parade, the square dance was held. Music was furnished by local musicians. Ben Gully, himself a pioneer, called the dance.

## Lonnie Gidcumb Convicted In District Court, One Other Case Tried

Lonnie Gidcumb was convicted and given a five year sentence, on a sodomy charge, in Floyd County District Court last week. He was convicted on one charge, of which there were four of the same kind.

C. B. Bland, charged with the theft of two bales of cotton, was tried but the jury failed to reach a decision and was dismissed Tuesday afternoon. It is alleged that Bland, who lives at Earth, Texas, stole the two bales of cotton from the Floydada Cotton yard and sold them at Plainview.

No court was held yesterday. The same jury list as was used this week has been called back for next week.

## WAYNE CARTER GETS COPYRIGHT ON SCORE SHEET USED IN BALL GAMES

Wayne J. Carter, who is scorer of the games in the Floydada Twilight Soft Ball League, last week received a copyright on the score sheet from which he is using in the scoring of the ball games here.

Carter made a copy of the form he uses and sent it to Washington, securing a copyright through patent attorneys. He said he planned to sell the rights on his copyright to a publishing house and they will make score books from the sheet.

Soft ball score books are being brought more in demand as the game becomes more and more popular in the United States.

Leo Jackson, who had been attending West Texas State Teachers College at Canyon, returned this week to spend the summer vacation.

## W. H. Sharp Purchased H. & B. Station, Is Now Full Owner of Business

W. H. (Bill) Sharp, who had been in charge of the mechanical department of H. & B. Station, has purchased the interest of Hal Drace and B. Hatley and is now full owner of the business, located on west California street. The trade became effective Saturday.

Mr. Sharp will be assisted by Homer Stanley, who will be in charge of the station and parts department. Mr. Stanley recently returned from Phoenix, Arizona, where he had been employed.

Mr. Hatley and Mr. Drace had not made permanent plans the first of this week.

## Thursday Contract Club Met With Mrs. Britton At Mrs. Stansell's Home

Mrs. Lorain Britton was hostess to the meeting of the Thursday Contract Bridge Club at the regular meeting Thursday evening at 6:30 o'clock. She entertained at the home of Mrs. N. B. Stansell.

Miss Mildred Strickland won high score for the members and Mrs. Walter Pennington held high score for the guests. Guests were Mrs. Polk Goss, Mrs. Walter Pennington and Miss Gwendolyn Snodgrass. Mrs. Floyd Simpson resigned from the club and Misses Eulalia Burrus and Snodgrass were elected as members.

Members playing were: Mrs. Arthur Stewart, Mrs. Winifred Cooper, Mrs. Floyd Simpson, Mrs. Fred Nabors, Mrs. Lorraine Britton, Mrs. N. B. Stansell, Miss Ruth Jenkins, Mildred Strickland, Jessie Wae Wood and Adelaide Scott.

Miss Jessie Mae Wood will be hostess at the next meeting to be held Thursday evening, June 7.

## MEMBERS OF FLOYDADA METHODISTS MISSIONARY SOCIETIES ATTENDED MEET

Members of the Adult Missionary Society and the Porterfield Missionary Society of the First Methodist Church in Floydada attended a district missionary meeting held Tuesday in Olton.

Mrs. S. S. Stoneker, of Plainview, district chairman was in general charge of the session. Missionary society members of the district voted her a lifetime membership.

Attending from Floydada were: Mrs. Wilson Kimble, Mrs. G. V. Smith, Mrs. J. M. Willson and Mrs. I. A. Smith from the adult society and Mrs. Paul Jacobsen and Mrs. W. H. Sharp from the Porterfield society.

## L. B. MAXEY'S GRANDSON DIED IN LOS ANGELES, CALIF., LAST SATURDAY NIGHT

J. L. Lemons, 14 year old son of Mr. and Mrs. M. O. Lemons of Anaheim, California, died Saturday night at 7:40 o'clock in a Los Angeles hospital. He was a grandson of L. B. Maxey of this city, Mrs. Lemons being Mr. Maxey's daughter.

Mr. Maxey left Monday at noon to go to Anaheim for a visit with his daughter. He will probably remain a month, his daughter, Mrs. Boetler, of Floydada said.

Mr. and Mrs. Lemons are former residents of Floydada, having moved from here to California about eleven years ago. He is a brother to Carl Lemons of Cedar Hill community.

No information as to when the funeral services were held or other information was received by Mrs. Boetler of this city.

## ADULT MISSIONARY SOCIETY LESSON LED BY MRS. G. V. SMITH MONDAY EVENING

Mrs. Geo. V. Smith led the lesson of the Adult Missionary Society at the regular meeting held Monday afternoon at 4 o'clock at the First Methodist Church.

A regular monthly business meeting will be held next Monday afternoon at 4 o'clock.

## WINIFRED NEWSOME IS HOME FROM SCHOOL

Winifred Newsome, who is a candidate for county attorney, has returned to Floydada after having completed his studies at Baylor University at Waco. He received his law degree from Baylor.

## HOG CALLING CONTEST TO FEATURE NEXT NEIGHBOR DAY IN FLOYDADA WED.

A hog calling contest will be the feature of Neighbor Day next Wednesday in Floydada. This contest which is open to both men and women, has been scheduled to start at 2 o'clock Wednesday afternoon.

The best caller in each division will receive \$3.00 cash prize and the second best in each division will be awarded \$1.00 cash prize, making a total of \$8.00 in awards. Several entries are expected. A regular cash contest will be held at 3:30 o'clock.

A fiddling contest was the feature of the Neighbor Day this week. Several entries were held in the two divisions and many heard the musicians play.

In the babies to 40 years division the following were entered: Miss Frankie Sanders, accompanied by Rue Del Brewster; Mrs. Opal Meek, accompanied by Wesley Woolsey; Burlie Veach, accompanied by Bob King; Lee Howard, accompanied by Claude Langford.

In the 41 years to 100 years division the following played: S. M. Woolsey, accompanied by Wesley Woolsey; Jeff Hampton, of Memphis, Texas; Jacob Hatcher; G. W. Schrader.

Burlie Veach won first in the first division and Mrs. Meek won second. Jacob Hatcher won first in the second division and G. W. Schrader won second. First prize was \$5.00 and second was \$2.50. Judges were: Luther Fry, W. H. Hilton and L. P. Osborn.

## DOWNPOURS OF RAIN IN PARTS OF COUNTY OTHER POINTS REMAIN DRY

Saturday's typical West Texas rain brought downpours to limited sections of the county and left others with the dust blowing. Rain reports varied from no rain to four and three-fourths inches.

Heaviest precipitation was in and around the Center community, nine miles north and east of Floydada, where four and three-fourths inches of moisture were received. Lakes were filled and harditches were flowing over. Some hail was received in that community but with only a minimum of damage.

Accurate account of the rain Saturday is hardly possible due to the freakish way in which it fell. As an example in west part of Floydada the rain was very light while at the east side the bottom dropped out and more than two inches were received in places.

Mrs. W. E. Miller, of Sandhill community, reported a shower at their farm but that two miles south the rain did not lay the dust and that heavier rain was received northeast of them. Mrs. O. S. Miller, of Center, reported four and three-fourths inches while Lee Rushing, three miles east, received only one inch.

The Q. A. & P. reported a light rain at Dougherty but a downpour two miles north of there. As a whole the rain was not general but heavy in parts and light in others.

## MEMORIAL DAY SERVICE HELD SUNDAY IN CHARGE OF McDERMETT POST LEGION

Memorial Day services were held Sunday afternoon at 3 o'clock at the Floydada cemetery for the war dead whose graves are located there. Members of the legion and others met at 2:30 o'clock at the Legion hall and went from there to the cemetery.

Rev. S. R. McClung, pastor of the First Baptist Church, made the address of the afternoon in which he paid tribute to the dead of all wars, the Civil War, Spanish American and World War. Mrs. E. L. Angus and J. C. Gilliam sang a duet, "Keep the Home Fires Burning."

A salute to the dead was fired by a firing squad, members of which were: H. R. Stanley, Jim Holmes, John Maxwell and James Colville, John Phillips and J. E. Billingsley were color guards and E. C. Thomas and Lindsey Graham were color bearers.

A committee went to the cemetery Sunday morning and placed flags over the graves of the war dead. Flowers decorated the graves Sunday evening. 22 graves were decorated at the cemetery.

## Notice Of Adjusted Figures Mailed To All Cotton Contract Signers

Notice of the adjusted figures have been mailed to all producers who signed a contract to reduce the 1934 cotton acreage, according to County Agent Glen A. Lindsey.

If the producer wishes to accept the contract with the adjusted figures should sign the acceptance slip and mail back immediately to the county agent's office. If he wishes to cancel his contract he should sign the rejection slip and mail it back to the agent's office in order that the county agent will be sure that he received the notice.

## 75 PRESENT FOR CREAM GRADING SCHOOL HELD IN COUNTY COURT ROOM

Approximately 75 cream buyers, from towns all over this territory, were present for a cream grading school held Monday night in the county court room in Floydada.

Purpose of the meeting was to acquaint all cream buyers with the different grades of cream and how to grade cream in accordance with government requirements. It was part of a nation-wide movement to put the sale of butter on a quality basis for the protection of the consuming public and to take butter not fit for consumption off of the market, announced some time ago by the U. S. Department of Agriculture and the pure food and drug administration.

Willis Tinney, district cream grader of the state department of agriculture was present and explained the different cream grades and why it is necessary to buy cream on the grades.

Hereafter, in a move to eliminate poor grades of butter from the market, creameries and other cream buyers will buy only No. 1 and No. 2 grades of cream and No. 3 will not be accepted at all. The new requirement of grades becomes effective on June 1.

Meetings of a similar nature are being or have been held all over the nation.

## LATEST "TARZAN" DRAMA TOPS ALL FILM THRILLERS

The yearning for adventure that is latent in every human is given a thrilling expression in "Tarzan and His Mate," jungle film continuing the experiences of Johnny Weissmuller and Maureen O'Sullivan in "Darkest Africa." The new adventure thriller opens at the Palace Theatre for three days, Wednesday, June 6.

Almost from the first scene there is a series of "punch" incidents to capture audience interest. Struggles between man and beast on land in the water are blended into one of the most powerful dramas of conflict ever screened.

The daughter of Mr. and Mrs. Bill Webb, of Dougherty, underwent a tonsillectomy at the Smith and Smith hospital Sunday.

## New 'Soda Chef' Fountain Installed At Arwine Drug Company This Week

A new "Soda-Chef" fountain, the latest in fountain equipment, has been installed at Arwine Drug Company on the south side this week.

The new fountain, manufactured by the Russ Manufacturing Company, is constructed of stainless steel with a tile front. A rubberoid composition counter slab eliminates noise and glass breakage. Fountain fixtures are in steel and black combination.

A steam table and electric toaster are outstanding features of the new fountain. The fountain has a hot soapy water vat, in which glasses are washed before being dipped in a cold, clear water vat. This assures absolute sterilization at all times. Ice cream dippers are placed in a compartment of running water. A six foot plate glass candy case, electrically refrigerated, keeps candies at the correct temperature at all times. The fountain is powered by a three-fourths horse power Frigidaire motor.

A coffee urn installed is the very latest, keeping the water at 180 degrees. The entire fountain is automatic. Sandwiches and coffee will be served at the new fountain.

## WORLD'S WORST HICK HERE MONDAY IN INTEREST OF HIS CAMPAIGN

W. W. (Hick) Halcomb, the World's Worst Hick, was in Floydada Monday in the interest of his campaign for Representative of the 120th Legislative District. He is editor of the Castro County News at Dimmitt.

Mr. Halcomb was accompanied by Frank Cone, pioneer resident of the plains and who is district and county clerk of Castro County.

## Commencement Exercises Held For Seventh Grade Of Lakeview School

Commencement exercises for the seventh grade graduating class of the Lakeview school were held Monday night at the school auditorium. Eight students received diplomas, signifying completion of elementary work, in the class.

Bro. Luke Priba, minister of the City Park Church of Christ, made the commencement address. Sarah Strain was salutatorian of this year's class and Ona Ruth Wright valedictorian. P. L. Shotwell presented the diplomas.

Students in the graduating class were: S. L. West, Dorothy Hargis, Lena Mae Nelson, J. W. McCray, Agnes Riggle, Ocie Bell Childs.

C. Alexander said the benediction following the program and presentation of diplomas.

## Wheat Farmers Must Have Contracted Acreage Measured and Staked

Wheat farmers, who have contracted acreage to the government under the 1934-35 wheat plan, must have or are expected to have the contracted acreage measured and staked so that the supervisors may measure the land and determine the accuracy.

Paragraph 5 of the wheat contract states: "The contracted acreage of 1934 and 1935 shall be posted by the producer in such manner as the secretary or his authorized agent may direct."

"Any sort of a substantial marker in each corner of the field is all that is necessary to post the land," County Agent Glen A. Lindsey said.

It is essential for this land to be staked so that the engineers, who are checking the work done by the supervisors can measure the land to the same results as the supervisors, Mr. Lindsey explained.

## PORTERFIELD MISSIONARY SOCIETY MET MONDAY AFTERNOON AT FOUR

The Porterfield Missionary Society met Monday afternoon at 4 o'clock at which time Mrs. Paul Jacobsen led the regular bible study lesson.

Another regular meeting will be held Monday afternoon at 4 at the church.

## Harley Sadler's Own Company Will Play Week's Engagement in Floydada

Harley Sadler is coming back to Floydada for a week's engagement starting Monday night, June 6th, under the auspices of the Fire Department and the American Legion.

Harley has purchased a new tent theatre, said to be the most beautiful ever built, and has assembled practically an all new company, including eight big time vaudeville acts, never before in this territory. The opening play in Floydada is "Merton of the Movies," a three act society comedy drama, with Harley in the comedy role, portraying it in his inimitable manner. Billie Sadler in a leading role, supported by an exceptionally strong cast. There will be eight acts of vaudeville between the acts of the play, including Maudie and June, sensational juggling team, The Fox Sisters, singers and dancers, Goldie and Wilson, Alpine Yodlers, Ralph Thomas, xylophonist and dancer, Bert Couch, singer, The Whitehouse Twins, singers and dancers, Ewert and Barry, accordionists and dancers, Little Gloria Saddler, singer and dancer, and a thirty minute overture preceding the play by Joe Gelford and his 12 piece band. This season, Harley Sadler presents the famous Roy E. Fox Popular Players as a special added attraction. Years ago, one of the first jobs Harley had was with the Fox show, which was considered the best tent theatre in America at that time. Fox left Texas to go East with his family, playing big time vaudeville which took them all over the United States and Canada. Harley took out his own show, which has made the reputation of being the most successful on the road. Beginning this season, Roy E. Fox's Popular Players came to Harley Sadler's Own Company as the added attraction, and this year's Sadler show is said to be bigger, better and different than any previous organization. Popular prices will prevail, but for the convenience of those who may or cannot come until late or who do not care to wait their turn at the box offices at the tent, special numbered reserved chairs will go on sale starting Monday noon at White Drug Store. On Monday night in Floydada, one lady will be admitted free when accompanied by one paid adult ticket and the ladies free ticket contained in Harley's advertisement in this issue of this paper.

## Light for the Dining Room

By Helen G. Toland

The five or six light candle fixture provides aesthetic as well as scientific seeing conditions if it is shaded in some pale parchment or silk, so that none of the bare bulbs is visible to those seated in the room. Flamentint bulbs and highly colored shades make the steak look black and burned instead of brown and juicy.

NOT a lady in the land would set her family down to eat a raw steak for dinner. But the land is full of wives and mothers who blithely serve dinner night after night in a lighting atmosphere quite as raw and unpleasant to the eyes of their family as raw meat would be to their several palates. In dining rooms everywhere there are center fixtures and wall brackets with naked bulbs flooding the table top and indeed the entire dining room with harsh, glaring light most unattractive.

So those with an eye to the beautiful have long preached the gospel of the shaded lamp bulb, and the women who bother to beautify as well as to balance their meals have shades of some sort.

**Shaded Light More "Digestible"**  
Now comes science to tell us that lamp shades in the dining room do not belong in the category of paprika, cress or parsley. They are not mere garnishing for light, but as necessary a part of the food we give our eyes as mixing, sifting and cooking is a part of the food we give our stomachs.

In the course of development science tells us the amounts of light and the kind of light our eyes need to be kept in good seeing condition. It has been found that they cannot digest and assimilate the raw light from bare bulbs any more than our stomachs could digest and assimilate raw meat.

In order to understand this, recall how uncomfortable it is to look into the sun at noon, or to look at a sheet of water glistening in the bright sunshine. In looking at the sun you encounter direct glare. In looking at the sheet of water under the bright sunlight you encounter indirect glare. Both are unpleasant and instinctively you turn away. But you do not turn away from the white cloth glistening under the glaring unshaded electric light, because it is human nature to want to see what you are eating.

Instead for the dinner hour you endure a lighting condition that is as unhealthy as it is unpleasant—even though you may have sought to correct it by using flamentint bulbs, smaller bulbs, fewer bulbs, or candles.

If you have tried these ruses, the men folks of the family have undoubtedly protested. They want plenty of light, even if they have to swallow it whole. And better, something to eat, even half-cooked than nothing at all. But science says all this fuss about combining science and art in dining room lighting is unnecessary when there are so many pleasant, and perfectly proper alternatives.

### Center Fixture Should Not Glare

There is the center fixture of the dome type which will illuminate the table without shining in the eyes of the diners, if it is hung about 24 inches above it, low enough to include the table top only within its circle of light. It should have either a 100 or 150-watt lamp in it. The indirect type of fixture which lights the ceiling (and thus the room indirectly) is always good provided it has the right lamp inside—200 or 150-watt size. The five or six-candle type of fixture hung at the right height, carrying 40 or 60-watt lamp bulbs and shaded so that no one is annoyed by a view of bare bulbs is very popular and deservedly so, but it must have shades.

For art's sake, be it remembered that highly colored shades, or even a flamentint frosting on bulbs, tends to give the dining room a gloomy appearance, and to distort the real color scheme of the room. Rather choose clear or inside frosted lamp bulbs, and shades of palest color tints, with bindings only in deep color, where that is necessary to the room decoration. And for the sake of science, be sure you have plenty of light shaded to specifications, lest you and yours suffer from chronic seeing indigestion in later life.

### Girl Riders Are Expected From 100 Towns Over West Texas

Stamford, Texas, May 29.—One hundred towns and cities of West Texas are expected to send riders as sponsors to the Fifth Annual Texas Cowboy Reunion to be held here July 2, 3 and 4. Letters inviting the naming of the sponsors are being mailed to chambers of commerce this week by H. G. Andrews, chairman of the committee in charge of this feature of the reunion.

A handsome, special-made saddle, valued at \$300, will be awarded as first prize in the judging of sponsors this year. The saddle will be contributed by the Salesmanship Club of Dallas. Second prize will be a pair of boots contributed by the Bryant-Link Company of Stamford; third prize, a pair of spurs given by the Nocona Boot Company, Nocona, Texas, and fourth prize, a pair of bits, contributed by W. R. Boone, Lubbock.

In the awarding of prizes, the appearance, horsemanship and riding apparel of the girl, and the appearance, performance and equipment of the mount will be considered by the judges. The judging will take place in the rodeo arena of the reunion grounds on the morning of the first day. Winners of prizes in past years will not be eligible for awards at the 1934 reunion.

Sponsors are required to furnish their own mounts and equipment, but grooms and forage will be provided by the reunion.

The girls will ride in the parade to be held during the reunion, and will be guests at a round of social affairs in their honor, including dances, teas and receptions.

Mrs. W. B. Harrison of Stamford has been selected as hostess to the sponsors. Miss Dorothy Bunkley, daughter of Mayor and Mrs. E. P. Bunkley of this city, has been chosen as Stamford sponsor.

Miss Fannie Wood, of Sulphur Springs, is visiting in Floydada with Mrs. A. B. Duncan.

Jack Sims, who is employed as lineman foreman with the telephone company, visited in Floydada last week end. He is now working at Littlefield.

### Miss Jean Ayres, One Of 79 Women Students Honored at Texas Tech College

(Special to Plainsman)  
Lubbock, Texas, May 30.—Seventy-nine women students of Texas Technological College were recently honored in a recognition day service for outstanding campus or curricular activities, according to Mrs. Mary W. Doak, dean of women.

Of this number each was required to have maintained a B average in all of her college studies and to have either made an A average for the fall semester of this year; have been received in Alpha Chi, Alpha Psi Omega, or Double Key honorary fraternities; entered extra curricular activities and maintained an A average; represented the college in various activities; made highest scholastic standing for 1932-33; made highest showing in English for 1932-33; won the Pan Hellenic award; won the Double Key award; or be the best college citizen for the past year.

Miss Jean Ayres, of Floydada, daughter of Judge and Mrs. Jeff D. Ayres, is a member of Alpha Chi honorary fraternity. She has maintained a high average in her college studies.

H. G. McChesney, manager of the Panhandle Lumber Company, returned to work Monday after having been away from the job for several days following an operation at a Plainview sanitarium. He returned to Floydada Wednesday of last week.

Sponsors are required to furnish their own mounts and equipment, but grooms and forage will be provided by the reunion.

The girls will ride in the parade to be held during the reunion, and will be guests at a round of social affairs in their honor, including dances, teas and receptions.

Mrs. W. B. Harrison of Stamford has been selected as hostess to the sponsors. Miss Dorothy Bunkley, daughter of Mayor and Mrs. E. P. Bunkley of this city, has been chosen as Stamford sponsor.

Miss Fannie Wood, of Sulphur Springs, is visiting in Floydada with Mrs. A. B. Duncan.

Jack Sims, who is employed as lineman foreman with the telephone company, visited in Floydada last week end. He is now working at Littlefield.

Mr. and Mrs. Crowder Whorton and little son, of Seminole, is visiting with his uncles, John and A. L. Hollums.

Mr. and Mrs. S. L. Dennis and daughter, Miss Virgie Mae, spent Sunday with Mr. and Mrs. T. M. Noland and family.

## COMPARE NEW CARS FEATURE-BY-FEATURE WITH DODGE "SHOW-DOWN" PLAN

IT MAY seem hard to decide which of the many new cars this year gives you most for your money. But it's so easy to select the best one if you'll use the "Show-Down" Plan.

You'll see an exact—but impartial comparison. You'll be able to judge for yourself the features you want.

You can check Dodge features against those the other cars have. New "Floating-Cushion" Wheels that literally step over bumps and ruts. New interior baggage compartment. New "7-Point Ventilation". And many other surprising new things.

And Dodge also offers you Floating Power engine mountings, cross-steering, all-steel body, hydraulic brakes—all the things that are necessary in a thoroughly modern car.

We'll be glad to explain the "Show-Down" plan to you. It gives you the real facts. It's easy. Simple. Fun to use. Saves your time—and it may save you money! See this new, bigger Dodge now. See how much more you get for just a few dollars more than the lowest-priced cars!

**TO THE CITIZENS OF THE 120th REPRESENTATIVE DISTRICT:**

It is only after long deliberation and serious consideration that I have decided to offer my services to the citizens of this 120th Representative district, subject to the action of the voters as expressed in the coming Democratic primary, and in making announcement of my candidacy, I am entirely mindful of the opportunity for service and of the grave responsibility this office entails. To me the holding of public office is indeed a sacred trust. I verily believe that aside from the duties of the Church, there is nothing more serious and more sacred than duties of the State.

I make no pretensions whatever at being a skilled politician, and in no sense am I interested in politics, as such; but I am tremendously interested in the welfare of this great area of West Texas. Though in the past frequently suggested and solicited by various friends and acquaintances, I have never before been a candidate for any public office, preferring rather to be a good high private in the ranks, and in consenting to office at this time it is purely with a desire born of confidence and past successes in a public way that I may be able to accomplish still greater things in the future for the people of this particular district and this great section of the State.

I am past 50 years of age, virtually in the prime of business life, strong physically, alert mentally and sound morally. I am a college and university graduate, carrying degrees of bachelor and master of arts, besides some other degrees which I prize just as highly in an educational way. I am married, having a wife entirely sympathetic and helpful in all my aspirations and endeavors. While I am and have been a newspaper editor for several years past, I am also a farmer, owning a farm tract of several hundred acres in the upper Panhandle territory, a 320-acre farm tract a few miles west of Portales, N. M., and a diversified truck farm under irrigation three miles from Muleshoe. I have an intimate knowledge of the farmer's problems, for I was born on a farm, having lived on a farm and been an actual dirt farmer most all of my life.

I was a soldier in the Spanish-American war, enlisting as a private, and after various promotions in office, was for some time private secretary to Brigadier General John A. Andrews before being honorably discharged from service. I also did duty in the secret service department during the World War, and was at one time United States Commissioner at Columbus, N. M., under appointment by President Woodrow Wilson.

I yield to no one in my loyalty to our present great national leader, President Roosevelt, and am proud that I voted for him, proud to continue supporting him and proud to submit my name to the voters as a "New Deal" candidate for representative in the Legislature from this district. I am not interested in any special groups or factions. I owe allegiance to no clique, clan nor corporation, recognizing the people only as my master.

My desire is to give consistent, conscientious and constructive service to the State in general and especially to West Texas, looking toward eventually making the Plains area the best part of this great Lone Star Empire. My great wish and my supreme ambition is to keep step with the citizens of this district; to work in unison with them, and to eventually participate with them in the blessings which will come to all of us because we have fought a good fight—we have kept the faith.

There are innumerable benefits to which this area is entitled, ought to have and could have in a large measure with the proper representation at Austin. With the representation of this section of the state in the legislative minority, it has always been a case of strenuous fighting for our just deserts, and it takes strong, courageous men to give battle and win the victory over such overwhelming odds.

While this office is not one of an executive or directional nature, yet it is incumbent upon one seeking it to set forth his views upon the major matters of state interest. My campaign literature to be broadcasted over the district will contain such statements, I will express them in my public speaking engagements and will be happy to discuss them with the citizens privately.

Your vote and influence will, I assure you, be rewarded by faithful service toward securing equal opportunities for all and against special privileges to any.

**FIREMEN EDGE INTO FOURTH PLACE IN FLOYDADA TWILIGHT SOFT BALL LEAGUE**

The past week's results in the Floydada Twilight Soft Ball League finds little change other than the firemen advancing from fifth position to fourth. The Methodists still hold first lead although their crown has been threatened by the druggists and merchants.

Teams Standing, May 31

Methodists	5	8	0	1000
Oilers	8	6	2	750
Druggists	9	4	5	444
Firemen	9	3	6	333
Merchants	7	2	5	286
Rotary	7	1	6	166

**Monday, May 28th Oilers vs Methodists**

The Methodists tightened their grip on first place Monday afternoon by driving the Oilers back a second time. Smith allowed 8 scattered hits, while his mates got to L. Murray for 5 well bunched hits, in the third, a triple by E. Carter followed by a homer for Denison in the 6th accounted for the other two. The vacancy left by Whimp Thomas in left field was well filled by E. Carter except the Thomas whip or peg.

**AMERICAN PAVING CORPORATION COMPLETES WORK IN THIS COUNTY**

The American Paving Corporation, in charge of the Floyd County Highway 28 project, will complete their work here today and plans to move equipment and employees to Springfield, Missouri, where projects are underway.

For the past several months the project of grading and drainage of highway 28 east of Floydada to the Motley County line and paving two miles through Floydada has been underway. The grading and drainage was completed several weeks ago and final work on the paving through town is being done today. F. M. Kennedy, secretary of the American Paving Corporation, and who has had charge of the office here said that no contract had been let for the completion of the highway through the county and would probably not be soon.

For the entire time the payroll for labor on the road amounts to between \$26,000 and \$27,000.

MAGNOLIALAND is truly Vacationland. Here in the Southwest is every kind of pleasure and recreation you could wish for.

Miles upon miles of paved highways make it easy for you to drive in comfort. Thousands of Magnolia Stations and Dealers are eager to provide you with road maps . . . information . . . and to keep your motor pur-

ring smoothly with Mobilgas and Mobiloil.

Before you go, let us Mobilize your car, fill your gas tank with Mobilgas and your crank-case with summer-grade Mobiloil, the world's largest selling motor oil. You'll find that your car has more power and greater smoothness when it is protected by Mobilgas, Mobiloil and Mobilgrease.

**LUBRITE**  
(Formerly Magnolia Motor Oil)

Lubrite is a tough, full-bodied, long-lasting motor oil, second only to the world-famous Mobiloil. Exhaustive tests indicate that Lubrite gives as good (if not better) performance than any other motor oils selling at a higher price . . . If you want a good quality motor oil costing less than Mobiloil, ask for Lubrite.
