Train Of Wheat From Floyd County Elevator Sets Nations Wheat Record

A train load of wheat from one elevator concern in Floyd County set a nation's record when it was marketed in Fort Worth Friday morning.

It was the first time on record in the United States that a train load of wheat had been shipped from a single community by one elevator concern to a single consignee and then sold to a single milling company.

McAvoy Elevator Company of Aiken, owned by J. E. McAvoy, shipped the wheat, E. M. Rogers and Company, commission merchants received it and Kimbell-Diamond Milling company of Fort Worth and Sherman bought it.

Just how much the annual wheat crop means to Floyd County wheat farmers is shown by this load of wheat which brought approximately \$75,000.00 to the farmers who raised the wheat.

Remarkable also was the fact that the wheat of the trainload tested from 60.5 to 62.4 pounds for the entire 100,000 bushels. Protein tests ran from 12 to 15.80 percent.

The Santa Fe train which pulled the giant load of wheat was half a mile long.

Fort Worth grain men and chamber of commerce officials comprised a delegation which met the train upon its arrival in Fort Worth.

Represents Large Portion This 100,000 bushels of Floyd County wheat which was bought and shipped by J. E. McAvoy represents the major portion of the wheat in that section of Floyd County.

Floyd County's 1934 wheat harvest is rapidly nearing the finish point. Grain dealers believe that by July 1 the wheat harvest will be a thing of the past.

Miss Tessie Coleman, who is visiting in Floydada with her sister, Mrs. J. C. Gilliam, Miss Helene Hay, Miss Mary Gamble and Mrs. Gilliam were visitors in Plainview Thursday with Mr. Gilliam who was in the Plainview hospital.

Two Men Sustained Injuries When Trestle Fell At Joe Bailey Gin

Carl Good and W. E. Oden both sustained painful, although not serious injuries, when the trestle on which they were standing while working fell at the Joe Bailey Nickels gin, last week.

Mr. Good and Mr. Oden fell about twenty feet to the ground. They were given treatment for their injuries at the Smith and Smith sanitarium.

C. W. Nickels is moving the Nickels gin from Joe Bailey to between Joe Bailey and Lakeview.

Fine Spirit of Co-Operation Is Shown By Baseball Score Keeper

We recommend for the sportsmanship roll of honor, for his support of community enterprises, Mr. Wayne J. Carter, scorekeeper for the Floydada Twilight Softball League.

During the entire baseball season Wayne has devoted much of his time to the keeping of an accurate record of the games, teams and players. He has worked in co-operation with the Floydada newspapers in an unreserved manner.

Business, like baseball, must have co-operation equally from everyone in order to be a success and sportsmanship in business as well as baseball is commendable.

Hugh Jeff Ayres Returned From Plainview Sanitarium Saturday

Hugh Jeff Ayres, son of Judge and Mrs. Jeff D. Ayres, was returned home Saturday from the Plainview sanitarium where he had been for some time following an operation for appendicitis.

He is thought recovering satisfactorily.

Legion Team to Meet Firemen In Donkey Game Saturday And Sunday

Sport fans of this section will be given an opportunity to see a vastly different and amusing type of baseball game when the Legion and Firemen teams meet in a donkey baseball game Saturday night and Sunday afternoon.

The games will be held at the Twilight League grounds starting at 8:45 o'clock Saturday night and at 4:30 Sunday evening. Donkey baseball, which has become popular only during recent months, is a thrilling and spilling, mostly spilling, game.

All players on both teams are mounted except the pitcher and catcher. There are nine players on each side.

A fine inning game is played with the middle panel back, was badly battered in on the ground until he hits the ball; then he mounts the donkey and rides to first base (if he can). No whips or sticks allowed on donkeys and donkey is trained for his place.

No person, at bat, is allowed to strike out and he must ride the donkey. Base playing donkeys must be kept on the base. An admission charge will be made to the game.

Members of the Firemen's team are the following all stars plus members of the fire department: Dr. A. E. Guthrie, Bob Smith, R. E. Fry, Lou Davis, Mayor W. C. Hanna, Tony Maxey, Homer Steen, Burl Bedford, Olin Watson, W. U. White, O. P. Rutledge, Ralph Groves, Zolk Goen, Judge McDonald, Ed Johnson, R. P. Terrell, E. L. Norman, G. C. Tubbs, O. K. Davis. Members of the American Legion team will be members and associate members of the American Legion.

Floyd County Court Orders Land Owners to Move Fences Back

In a meeting of the Floyd County Commissioners Court Monday A. B. Clark, county clerk, was ordered to notify land owners along highway number 28 to move their fences back and open the road.

This order includes land owners south of and adjacent to the Panhandle and Santa Fe Railway Company right of way north toward Hale county line.

In further business of the court several bills and accounts were ordered allowed.

Tom Bishop, of Memphis, Texas, accompanied by Mr. Reece, visited in Floydada Sunday with his mother, Mrs. Jennie Bishop.

Mr. and Mrs. Dee Garner, Truett McClung and Stinson Garner visited in Clarendon last week end with friends.

Mr. and Mrs. W. B. Featherston, of Wichita Falls, visited in Floydada Monday morning with his cousin, Mrs. L. G. Mathews.

Mr. and Mrs. Jim Ferguson, of Post, and Mr. and Mrs. Myers Powers, of Duncan, Oklahoma, visited in Floydada last week end with Mr. and Mrs. R. F. Jackson. Mrs. Ferguson and Mrs. Powers are nieces of Mr. and Mrs. Jackson.

Mrs. J. D. McPhaul, of Lubbock, is visiting in Floydada this week with her parents, Mr. and Mrs. R. F. Jackson.

C. A. Cass, Jr., of Lakeview, is visiting in Farmersville with his grandparents, Mr. and Mrs. R. B. Patterson.

Miss Mildred Raley and Blondie Finley went to Canyon Sunday where they visited with friends.

Mr. and Mrs. Dub Newsome, of Clayton, New Mexico, visited in Floydada Thursday and Friday with Dr. and Mrs. E. A. Guthrie.

RANDERSON'S WRECKED CAR RETURNED HOME; PURCHASES NEW V-8

The Chevrolet automobile, in which E. S. Randerson Floyd County sheriff was seriously injured thirteen days ago, was brought back to Floydada Friday night for repairs. Mr. Randerson sustained head and chest injuries when the car swerved from the highway and struck a tree, about eighteen miles this side of El Paso.

Orville Harris, of Harris Brothers Wrecking Shop, went to El Paso in company with members of the commissioners court last mid week to repair and drive the car back to Floydada. It was necessary to install a new differential and put on a new wheel before the car could be driven back.

The left side of the car, from the middle panel back, was badly battered. All glasses on this side were broken and the left rear fender torn off. The car is in John McClesky's Top Shop for repairs.

Floyd County's commissioners court, in meeting Monday, voted to issue a warrant for \$508.00 to pay the difference between the Chevrolet and a new Ford V-8. The new Ford, a black sedan, was purchased through Barker Brothers, Floydada Ford dealers.

Randerson Improved A letter received by Deputy Sheriff G. Scott King which was written Monday by Mrs. Randerson stated that the injured sheriff was slowly recovering. Physicians stated that the condition of Mr. Randerson's lungs was much improved.

Next Six Months Enrollment For CCC Must Be Complete July 3

Enrollment for the Civilian Conservation Corps must be complete for the next six months by July 3, County Relief Administrator Clifford Rhoades announces this week.

Floyd County's allotment for the next six months is 9 men. Young men interested in enlisting in the C. C. C. for a six months period should register at the county administrator's office not later than July three.

Several young men from Floyd County are still in C. C. C. service. Mr. Rhoades urges that those in the age class, and wishing to enlist, see him immediately. Those whose applications are accepted, will be required to report at the Lubbock Army recruiting station not later than July 6.

Veterans to be Accepted Any war veteran, wishing to make application for government C. C. C. enlistment, should do so not later than July 10. The applications will be taken here then the name and data will be sent to district headquarters at Amarillo for approval.

Floyd County is in the Amarillo district for C. C. C. veteran enrollment.

Mrs. A. J. Welch, Billy Joe and Miss Virginia Welch, Misses Mary Jack Jones, Mary Anne Kimble and Jo Dickie McReynolds, went to Silver Falls Wednesday night where they met a party of people from Lubbock and the entire group enjoyed a picnic and social.

Mr. and Mrs. Hal Drace, who are making their home at Childress, visited in Floydada last Sunday afternoon with relatives.

BORN--To Mr. and Mrs. Clifford Rhoades, City, a daughter, Sunday afternoon at 6 o'clock.

Walter Pennington, who has been employed at Onstott's Dry Goods in the shoe department, has accepted a position as manager of the shoe department of Perkins-Watkins at Quannah and will move to Quannah the latter part of this week.

E. B. Patton, manager of Fox Brothers Grocery in Floydada, visited in Crowell last week end with his parents.

BORN--To Mr. and Mrs. J. M. Perdue, of Mt. Blanco, a daughter, June 25.

ENCOURAGED IN CAMPAIGN OUTLOOK OVER DISTRICT

Alton B. Chapman, candidate for district attorney, was in Floydada yesterday in the interest of his campaign. He reported much encouragement.

Feed Needs To Be Discussed In Meeting Of Farmers Saturday

Glen A. Lindsey, county agent, has announced that a mass meeting of Floyd County farmers will be held Saturday afternoon in the district court room, to discuss the feed needs in the county.

In the meeting Saturday the number of people needing feed and the amount of feed needed will be discussed. This move was necessitated by the shortage of feed for stock in the county and drought conditions. Farmers in the south part of the county report that feed recently planted is withering and dying as soon as it comes up.

A delegation including H. P. Puckett, John R. Gray, H. J. Nelson, C. O. Spence, A. S. Cummings, V. W. Hennessee, Floyd County farmers, and Tony Maxey, went into conference with Glen A. Lindsey yesterday afternoon to discuss the feed needs in Floyd County.

If the needs are found to be great and extensive in the county application will be made to secure government drought relief to meet the situation. Floyd County farmers who wish to discuss the feed needs are asked to be present in the meeting Saturday afternoon in the district court room.

Neighbor Day Will Be Subject Of Discussion In Merchants Meeting

Plans and discussions on Neighbor Day will be heard Friday when those interested will meet at ten o'clock in the county court room. All the business firms in Floydada are asked to have representatives present.

The meeting is merely to decide if the neighbor day will be continued and to make plans for entertainment and amusement for the visitors on that day if it is decided to continue the day.

EDGIN SCHOOL CLOSED

Edgin school closed Friday night with a program at the building. It was the end of the 1933-34 school term.

E. C. Nelson, Tom Deen and Price Scott attended from Floydada.

City Secretary and Collector S. E. Duncan left Thursday with his family for a vacation trip to San Antonio and Old Mexico. They are expected to return Sunday.

Misses Lola Mae Grundy, Blanche Hilton, Louise Connor, Scott, of Lubbock, visited in Floydada last week end with relatives. They accompanied Bill Grundy who came for a visit with his parents, Mr. and Mrs. Ike Grundy.

Mrs. J. M. Gamblin and Mrs. Dan Moseley were visitors in Amarillo Friday.

Horse Racing, Rodeo, Candidate Speaking Also On Two Day Program

Floyd County Relief Projects Will Be Renewed About July 10th

All projects under the County Relief Administration were shut down last night and will remain closed until about July 10 until re-instatement is made, Clifford Rhoades, relief administrator has announced.

Only two projects were underway, those being the project for improvement of crossings on streets of highway 28, and the Lockney Grade School project. All the men listed on the relief rolls had worked up their budget.

One of Lubbock Jail Breakers Was Under Sentence From Floyd County

Andrew H. Nelson, one of the four men who broke from the Lubbock jail and kidnapped two men Sunday, was under sentence from Floyd county district court on two burglary charges.

Nelson was convicted in the January term of Floyd County district court on charges of burglarizing the Phillips Service Station and Kirk & Sons hardware on the night of January 6. He was sentenced to five years on the two charges.

Nelson in company with Ed (Perchmouth) Stanton, under death sentence for the slaying of John Mosley Tulsa sheriff, Bill Doupe, and J. B. Stephens, felons, escaped the Lubbock jail Sunday morning.

Walter S. Posey, vice president of the First National Bank at Lubbock along with Campbell H. Elkins, also of Lubbock, were kidnapped by the escaping prisoners and held hostages for a 12 hour ride. They were released later near Big Spring. Mr. Posey, a brother-in-law of Mrs. E. P. Nelson, Frank Boerner and Mrs. S. W. Ross of Floydada, is a former resident of Floydada.

Officers on the Alert Floydada and Floyd County peace officers have been on the alert for the escaped prisoners since word of their break for freedom was broadcast Sunday morning. Officers of this section of the state and of New Mexico, are on the continual lookout for the criminals.

A. S. Hollingsworth and son, Somer Jr., went to Calvert, Texas, Friday night for Miss Elizabeth Hollingsworth who had been visiting there with relatives. They returned Sunday night.

DANGEROUS METHOD OF CELEBRATION SHOULD BE AVOIDED ON JULY FOURTH SAYS STATE HEALTH OFFICER

Austin, Texas, June 26.--Taking note of the approach of the great patriotic National holiday, July 4th, which this country has celebrated for one hundred and thirty-eight years, Dr. John W. Brown, state health officer, calls attention of the people of Texas to some of the dangers of careless celebrating. Each year on the 5th of July one reads of the appalling number of accidents which occurred over the fourth.

It is not alone the wounds received from explosions that increase our death toll. Injuries from automobile accidents, splinters, nails, and other penetrating wounds in which dirt may be carried into the skin heighten the hazard of tetanus or lockjaw. Such wounds should be promptly treated by a physician.

If the days pleasure includes a swim, caution should be used and no attempt made to do more than your strength will permit. If a drowning takes place, artificial respiration should be started at once and continued until a doctor arrives. Automobile accidents have usually one of three causes--exceeding the speed limit, driving on the wrong side or failing to grant the right of way. It can be seen that the chief factor in auto accidents is the judgment of the "machine" within the machine. Caution should guide the holiday activities so that the day may be remembered with joy instead of sorrow.

Plans are being made by members of the McDermott Post American Legion for a big celebration next Tuesday and Wednesday, July 3rd and 4th. The celebration will be in honor of July fourth.

Floydada and Floyd County people will be given entertainment in Floydada during these two days and will not be compelled to go elsewhere to see recreation.

Horse races, candidates speaking, rodeo, big neighbor day on Tuesday, and other entertainment will be featured during the two days. Members of the trades extension committee, promoters of the Neighbor Day, decided to hold the neighbor day contests on Tuesday of next week in order that several of the stores planning to do so, might close.

Wednesday of next week, the 4th of July, several of the stores including grocery and dry goods and perhaps others will be closed all day in observance of independence day. Tuesday will be given over to the cash contests in the morning and horse racing and perhaps candidates speaking in the afternoon.

Races will be held at 3:30 each afternoon at a track that has been arranged at the Santa Fe Railroad track 'X' north of Floydada. The railroad company gave permission for the use of the stock pens and the field nearby for the racing grounds.

More than 50 horses, some of them well-known in racing circles since legalized betting in Texas, will be here during the two day race meet. Horses will be entered from Plainview, Silverton and perhaps other nearby cities. A rodeo will be held each afternoon.

Frank Norfleet, of Hale Center, whose fame as a detective as the result of his famous man hunt, is well known all over the country will be in Floydada during the two day celebration to be master of ceremonies.

Plans are being made for one of the largest and best celebrations of the "glorious fourth" ever held. People are expected here from all over this section of the panhandle.

DISTRICT JUDGE CANDIDATE VISITS IN FLOYDADA

H. A. C. Brummett, candidate for district judge, was in Floydada this week in the interest of his campaign.

A. C. Compton, district sales representative for the Magnolia Petroleum Company, was in Floydada Friday on routine business.

TEXAS COWBOY REUNION TO STAGE THREE SHOWS DAILY ON JULY TWO, THREE, FOUR

Samford, Texas, June 26.--Three rodeo performances daily will be staged this year during the Texas Cowboy Reunion, July 2, 3 and 4. A morning matinee has been added at one-half the adult price of admission to the regular afternoon and night performances.

W. G. Swenson, president, believes this will be an added convenience to the crowds attending the Reunion, relieving the congestion which has resulted in the past from the great crowds attending the afternoon show. It will also give all of the cowboy contestants in the rodeo an opportunity to perform before the crowds.

Mr. Swenson has also called attention of visitors to the advantages of attending the night performances. The arena is so well lighted that the performers may be seen as well as in daylight and at the same time the spectators have the comfort of the cool night air.

The morning matinee will start at 9 a. m. each day and the regular

performances at 2:15 p. m. and 8 p. m. Low admission prices are being maintained, some of the tickets being slightly lower than last year.

Besides the additional performance to accommodate to increasing crowds at the rodeo, a new grandstand of approximately 1,000 seats has been added this year.

Rodeo prizes are more generous than ever before. Besides the cash prizes such as have been given for daily winners in the past, six saddles and other premiums are being given to champions in the various events this year. The total prize list will amount to over \$3,000.

Rodeo events include the cutting-horse contest, oldtimers calf-roping, steer riding for juniors and the usual cowboy contests bronc riding, steer riding, wild cow milking and calf roping.

The rodeo is the attraction around which is built a continuous program of entertainment for the three days and nights of the reunion.

Jess Mitchell of Muleshoe, Withdraws From Race For Representative of 120th

Jess Mitchell, newspaper editor at Muleshoe, in Bailey county has withdrawn his name as a candidate for Representative from the 120th Legislative district, according to information received here today by the Plainsman, the following statement from Mr. Mitchell being authorized for publication:

"It is with considerable regret that I announce my withdrawal as a candidate for representative from this 120th Legislative district, and I take this opportunity of thanking the citizens of this district for their very favorable response to my activities in this direction.

"During the past week there have arisen unforeseen business complications of a personal nature which demand my immediate attention, some of them requiring me to be out of the state for an indefinite period and which would handicap the prosecution of my candidacy, hence my decision to withdraw from the race.

"I have very greatly enjoyed the privilege of traveling over this district, meeting the voters, and discussing with them the needs of Texas in general and of this area in particular. The fact that I have already had assurances from citizens which virtually guarantee me an entry into the second Democratic primary makes retirement from the race more regrettable to me. I deeply appreciate the thousands of voters all over the district who have reposed their confidence in my ability in promising me their vote and shall ever feel indebted to the hundreds of people in this district who have wholeheartedly sponsored my candidacy.—JESS MITCHELL."

University of Texas Sponsoring Cotton Week From July 2 to 6

Austin, Texas, June 26.—In order that Texas will become more "cotton minded" and realize the importance of cotton in state and national policies adopted with reference to it, the University of Texas Bureau of Business Research is sponsoring a cotton week from July 2 to 6, inclusive, according to Dr. A. B. Cox, professor of cotton marketing and director of the bureau.

For several years the bureau of business research has conducted a special cotton week, giving instruction in cotton classing and lectures on cotton marketing and production. Cotton week is designed especially for cotton buyers and cotton ginners of Texas, and those farmers who are interested in the cotton business of the state.

There will be classes for beginners who know little or nothing about cotton classing. There will be advanced classes for those who wish to take the examination to become licensed cotton classers. In previous years, the average attendance has been 150, and approximately the same number is expected this year, with a slight increase because of the interest the AAA has created.

Cotton week will be held in the cotton classing rooms of the United States Department of Agriculture office, University Little Campus. Dr. Cox said that those wishing to take the examination in cotton classing should write at once to John T. Egan, United States Department of Agriculture, Nineteenth and Red River Streets, Austin.

University of Texas Has More Than 60,000 Ex-Students Rolls Show

Austin, Texas, June 26.—With more than 60,000 individual ex-students and 20,000 holders of degrees, The University of Texas former students constitute approximately one per cent of the population of the entire state, according to information recently compiled and released from the office of President H. Y. Benedict. There is one University of Texas graduate to every 300 people in the state.

Giving a statistical review of the University in the 51 years of its operation, the president's statement showed that, of the 20,000 degrees which the institution has conferred since it opened in 1883, 7,500 have been in the arts and sciences; 1,500 in business administration; 1,400 in engineering; 2,500 in law; 1,700 in medicine; 600 in pharmacy; 600 in nursing; and 2,500 graduate degrees.

Mr. and Mrs. John A. Hood and family were visitors in Stamford last week end with his father, W. A. Hood. Mr. Hood returned to Floydada but his family remained in Stamford for a two weeks visit.

Relief Commission, American Legion, Auxiliary Making Survey

The Texas Relief Commission is cooperating with the American Legion, American Legion Auxiliary, the Child Welfare Division and the State Dept. of Health in making a survey.

The families of ex-service men and women, and all the families who have blind, crippled or otherwise handicapped members under fifty-five years of age, and all relief families with children will comprise these groups.

By making this survey, it will be possible to locate crippled and otherwise handicapped persons, and assist them through funds already available, and will make it possible for them to obtain further assistance.

A survey of each town and rural community in the county will be made to ascertain the number of persons in ill health.

Cooperation of each and every citizen of the county is asked by the welfare workers, in order that every case can be given attention. If you know of any handicapped person in your community, report the case at the relief office, and it will immediately be investigated.

Our state department of health is striving to improve the health of every person and no more necessary work can be done than adjusting abnormal health conditions among our children in order that they may make genuine citizens in the future.

Good Crowd Present For Singing Convntion At Starkey Sunday

A large crowd was in attendance at the Singing convention held in Starkey Sunday. Several communities in Floyd and adjoining counties were represented.

The Lubbock quartette comprised of Odus Echols, Clyde Burleson, H. L. Shipp and Raymond Ivey, were present and gave several numbers.

Floydada's quartette: Earl Rainer, H. L. Sims, Lorilla Stephens and G. C. Tubbs, were in attendance also.

Miss Faye Beth Marble, of Lockney, was visiting in Floydada last week with Miss Bernice Bishop.

Dr. C. M. Thacker, A. D. Cummings, G. K. Davis and G. C. Tubbs were visitors in Tulla Thursday.

John Edwards Goes To Akron, Ohio, to Work For Goodyear Rubber Co.

John Edwards, who finished his studies in Baylor University at Waco, Texas, recently was in Floydada. The first of this week visiting with friends and relatives before going to Akron, Ohio, where he will attend a training school and be employed by Goodyear Tire and Rubber Company.

Edwards, known by many as "Big John," finished Floydada High School in 1928. He later enrolled in Baylor University and was a star athlete there. He was co-captain of Baylor University Bears football team last year.

Edwards was selected from a group of applicants for the position with Goodyear from the entire student body of Baylor University. He will be given a free two years training course and a salary while in this school and following this course will be given a position with the company. He will study methods of tire construction and general uses of rubber and rubber products, including manufacturing processes.

While in town John was a pleasant caller at the Plainsman office where he visited sometime with the force.

CAMPBELL BAPTIST CHURCH ANNOUNCEMENT

The following church services will be held at the Campbell Baptist Church Sunday, July 1, 1934:

HOSPITAL NOTES

Maurice Herbert, Dougherty, underwent a tonsil operation Monday.

The son of Mr. and Mrs. Herbert Bishop underwent a tonsil operation last week. They live at Blanco.

Billy McClung, son of Mr. and Mrs. J. T. McClung, city, was given medical treatment Saturday night. His leg was badly gashed when he ran and hit a pipe. 8 stitches were required to close the cut.

E. C. Potter, city, underwent a minor operation Saturday.

Reid Strickland, son of Mr. and Mrs. G. R. Strickland, city, received medical treatment for a bruised hand. His hand was caught in the wringer of a washing machine Monday afternoon late.

FRANK McHUGH LEADS DOUBLE LAUGH LIFE

Frank McHugh, whose peculiar, high-keyed screen laugh will be heard in the Warner Bros. production "Smarty," which comes to the Palace Theatre on July 4th, as well as many other pictures, never laughs that way in real life. His real laugh is a full octave lower than his film laugh. In "Smarty," he plays the role of a stupid friend of a couple of quarreling love birds, which parts are taken by Joan Blondell and Warren William.

JOAN BLONDELL IS NOW TAKING FRENCH LESSONS

Joan Blondell, who has the role of a fickle wife in the Warner Bros. picture, "Smarty," July 4th matinee and night, is anything but that in real life.

At present she and her husband are spending their evenings together studying French, German and Spanish. They are studying with Dr. Franz Moeller, formerly head of the language department at the University of Munich, and now a resident of Hollywood.
