

The Floyd County Plainsman

VOLUME NO. 5

Floydada, Floyd County, Texas, November 22, 1934

NUMBER 50

Cattle Buying Program In County Gets Under Way Monday At Noon

The government cattle buying program scheduled to start in the county last week, but delayed because the veterinary and appraiser were tied up with the buying program in other counties, got under way Monday with the arrival here of Dr. A. R. Bincaid of College Station, and Emmett Cave of Fisher county, the appraiser.

The purchasing of cattle was started Monday at noon at Center. The program calls for purchase of 500 head of cattle in Center and the thirteen other communities of Floyd county where buying was limited in previous buying campaigns. These communities are Providence, Prairie Chapel, Lone Star, Aiken, Sterley, Erick, Pleasant Valley, Muncy, Rose-land, Lockney, Fairview, Liberty, Center, and Edgin.

The number of cattle to be purchased have been prorated among the fourteen communities. Those in charge of the campaign are urging cows be disposed of by the sellers as they consume more feed than yearlings and other young cattle.

The rain Wednesday interfered with the buying program, which was scheduled to close Thursday evening. Purchases had been completed in Center, Fairview, Liberty, Lockney, Pleasant Valley, and Muncy when the rain temporarily stopped the program, with 189 head purchased so far.

Purchases will be resumed, J. S. Porcher, acting county agent, said, as soon as the weather will permit workers to get into the field again.

Red Cross Membership Drive Opens Thursday Morning at 9 O'Clock

Everything was in readiness, it was indicated Wednesday, for the Red Cross annual membership drive which was scheduled to open in Floydada Thursday morning at 9 a. m.

About 70 women will assist in the drive, Mrs. Linder has indicated, and plans are to canvass the entire town and complete the drive within a few hours, probably by noon Thursday.

Workers will have their headquarters at Rutledge & Company's store. A meeting of Red Cross leaders in rural communities of the county, where the drive has been going on for several days, was held Saturday afternoon at the court house, where several of the rural communities were represented.

Captains of teams scheduled to work in the city drive met with Mrs. Linder Monday afternoon where final plans were made for the drive.

Quitaque Park Group Meets Here Friday; Park Official Coming

The steering committee of the Quitaque Canyon Park Association met here Friday at noon and received reports from delegates from a number of towns in this district. All towns reported in favor of the park project.

Committeemen made plans for themselves and other interested parties to accompany State Park Commissioner Colp to the Quitaque park site when he comes to visit the area sometime this month.

Those attending the meeting here Friday were: Col. R. P. Smythe, of Plainview, chairman; Clement McDonald, Quitaque, secretary; and Mr. Pipkin, Matador; Mr. Golding and Mr. Burrow, Spur; Mr. Singer and Mr. Deen, Dimmitt; Buck Russell, Quitaque; Mr. Hilburn, Plainview; Judge W. Coffee, Silverton; William McGehee, Lockney, and J. B. Jenkins and Edd Brown, Floydada.

In addition to the towns represented at the meeting reports approving the project were read from the following towns whose delegates were unable to attend: Lubbock, Abernathy, Ralls, and Crosbyton.

GLAD SNODGRASS IS ILL
Glad Snodgrass is ill in Amarillo where he has been since Sunday. He became ill while he and Mrs. Snodgrass were on a trip to the city and has been unable to return. Mr. Ed Johnson is in charge of the store in Snodgrass' absence.

Miss Ola Hanna of Lubbock, spent the week end in Floydada and at the Sandhill community with friends and relatives.

Local Magnolia Dealers Attended District Meeting Saturday At Amarillo

Mr. and Mrs. F. M. Thagard, Dudley Hill, and Mr. and Mrs. H. O. Cline and children attended a district meeting of Magnolia wholesale and retail dealers at Amarillo Saturday.

About 200 dealers attended the meeting, which was given over mainly to a discussion of fire and accident prevention and winter proofing. Several district men spoke at the meeting, including W. S. Norman of Amarillo, district manager.

A banquet and dance was held for the employees Saturday night. Mr. and Mrs. Thagard stayed for the festivities but the Clines and Mr. Hill returned early on account of muddy roads resulting from rain which fell in the Amarillo district Saturday morning.

Rev. Smith Is Returned To Local Pastorate; Walden Has Circuit

Rev. I. A. Smith, pastor of the Methodist Church here for the last three years, was returned to the local pastorate for another year, it became known Sunday night with the reading of the appointment of pastors of the West Texas conference at the close of the annual conference session at Abilene.

The return of Rev. Smith here was in compliance with the request of the local church which unanimously adopted resolutions asking that he be continued as pastor here.

Rev. E. B. Walden was appointed to the Floydada circuit, which includes a number of rural churches in the county, and Rev. Ollie Apple was returned to the Aiken church.

Rev. W. L. Tittle, presiding elder of the Plainview district, was continued in that position.

Rev. Williams, formerly of Jayton, was sent to Lockney to replace Rev. B. J. Osborne, who was sent to Knox City.

Rev. Smith was the only station man in the district whose appointment was not changed. The term "station man" includes all Methodist pastors not designated as circuit riders.

Fred Jones Undergoes Appendicitis Operation

Fred Jones, son of Mr. and Mrs. Edgar Jones of Floydada, underwent an operation for appendicitis at a hospital in Carlsbad, New Mexico, Monday night, according to information reaching here Tuesday.

Mr. and Mrs. Edgar Jones, accompanied by Leon Speer, had just returned from Carlsbad where they spent the week-end with their son. He had been suffering from appendicitis last week but apparently had recovered from the attack. They returned here late Monday only to find awaiting them a telegram informing them he had suffered another attack and was undergoing an operation Monday night.

He is convalescing nicely, according to a telegram received Tuesday from Mr. and Mrs. Jones who returned immediately to Carlsbad on receipt of the first telegram. They likely will spend several days there.

No Work Stock Before January 1, 1935 for Clients of Rehabilitation Dept.

Work stock for rural rehabilitation clients will not be provided by the Texas Relief Commission in most instances before January 1, 1935, it has been announced by J. E. Stanford, head of the rural rehabilitation department.

"Only in cases where it will not be necessary to advance funds for the feeding of the animals and then only when it will be advisable and profitable for work animals to be purchased earlier will buying of work stock be allowed," Stanford said.

Henceforth, rural rehabilitation clients will be required to pay for all capital goods furnished by the government in cash, Stanford declared. Formerly, the program allowed clients to work out capital goods as well as lease rental value of sustenance plots.

J. F. and E. W. Solomon and families and a sister, Mrs. J. B. Moore, all of near Memphis, visited during the week-end with their father and mother, Mr. and Mrs. J. B. Solomon.

"Another Victim of The Snatch Racket" — by A. B. Chapin

Four Hunters Return From Mason County, Bringing Two Deer

Frank Moore, LeRoy McDonald, John McCleskey, and Geo. B. McAlister returned Sunday night from a deer hunting expedition in Mason county, bringing back two bucks, a five-point and an eight-point.

The eight-point specimen was the finest buck that had been killed in that section so far this season, McCleskey said. Moore killed the smaller buck Friday morning and McDonald brought the larger one down Saturday morning.

The two bucks were the only deer seen on the hunt. Residents of the county said deer were scarce there, having migrated to other districts on account of the scarcity of acorns.

A two and a half inch rain had fallen in Mason county Wednesday, the day before the hunters left here. McCleskey, determined not to be left entirely without quarry, shot a buzzard on the trip.

Mrs. G. W. Armontrout Dies Sunday; Buried Tuesday At Carlton

Funeral services for Mrs. Harriet Susan Armontrout, who died Sunday night at the home of her daughter, Mrs. Will Walker, were held Tuesday morning at 10 o'clock at Carlton, Texas, with burial at Carlton.

Mrs. Armontrout died at 10:20 Sunday night following an illness of about two weeks. Death was attributed to pleurisy.

Mrs. Armontrout was a native Texan. She was born July 12, 1850. Survivors include three sons and two other daughters besides Mrs. Walker. They are as follows: Dave Armontrout of Tulsa, and John and Joe Armontrout of New Home, Texas; and Mrs. J. T. Curbo of Waco, and Mrs. Jess Cole of Fort Worth. Her husband, G. W. Armontrout, died some years ago.

Mrs. Armontrout had made her home with Mrs. Walker for the last several years. She was a member of the Primitive Baptist Church.

Mr. and Mrs. A. J. Cline had as guests during the week-end Mrs. Cline's father, sister, and two brothers and their wives. They were J. A. Coker and daughter, Miss Ruby Hazel Coker, and Charley Coker and wife, all of Mart, Texas, and Mr. and Mrs. Horace Coker of Raymondsville, Texas.

Mr. and Mrs. W. B. Humphries of Crosbyton visited here Sunday with Mr. and Mrs. John Edwards.

Mr. and Mrs. W. H. Seale spent Sunday with Mr. and Mrs. E. L. Landtrope in Hale county, south of Plainview.

Ramsey Schools Opens; All Schools of County Are Now In Session

The Ramsey school, four miles east of Lockney, started its term this week with Miss Ermine Ida Thomas as teacher. Five pupils were enrolled. With the opening of this school, every school in Floyd county is now in session, County Superintendent Price Scott reported Wednesday.

E. E. Huskey Honored Sunday With Birthday Luncheon At Home

Mrs. E. E. Huskey entertained Sunday with a noon-day luncheon honoring her husband on his birthday.

Those present were: Mr. and Mrs. Charlie Wade, Mr. and Mrs. L. B. Fawver, Mr. and Mrs. T. M. Noland, Mr. and Mrs. Frank Stovall; Misses Maxine and Asalee McGuffee, Effie Noland, Virginia and Dorothy Dell Stovall; Messrs. Alton and Audie Noland and Leonard Fawver.

M. E. Board Of Stewards Organizes, Makes Plans

The board of stewards of the Methodist church met Monday night and organized and worked out the church budget for the coming year.

H. G. McChesney was elected chairman of the board, Loran Leibfried, secretary, and Geo. A. Linder, treasurer. Other members of the board are N. W. Williams, E. E. Hinson, L. G. Mathews, A. N. Ward, Wilson Kimble, H. M. McDonald, O. M. Watson, J. M. Willson, S. W. Ross, George M. Finkner, T. W. Deen, J. V. Daniels, A. M. Hess, and Dr. Geo. Smith.

LONG LIFE FOR LEGION

President Franklin D. Roosevelt once said: "I believe that as an organization the American Legion has an enormous power for the good of the country for a great many years to come."

Joseph Daniels, war time secretary of the navy, once said: "The American Legion secures the best and promptest care and treatment ever afforded to the wounded of any war."

Calvin Coolidge once said: "The American Legion has consecrated itself to a continued service in maintaining our ideals and institutions. In every community they have been a force for good."

W. N. (Dutch) Brewster and family moved last week from 315 West Mississippi Street to the George T. Moore place at the southwest corner of the townsite.

Old Age Pension Meeting Will Be Held Saturday At 2 p. m. In Courthouse

A called meeting for the purpose of furthering the old age pension proposal will be held Saturday afternoon at 2 o'clock at the court house, it has been announced by G. L. Fawver of Baker, who is making arrangements for the meeting.

Rev. Mat Harder of Ralls will be the principal speaker, Mr. Fawver said. All persons 21 years of age and older are invited to attend and all men and women 60 years of age and older are especially urged to attend, Mr. Fawver said.

Clubs sponsoring the proposal already have been organized in Hale, Crosby, and Lubbock counties, it was stated, and petitions have been sent in from these units.

Saturday Deadline For Entering Cotton Pool; Bankhead Vote Soon

The last chance for owners of cotton tax exemption certificates to enter their tickets in the national pool will end Saturday night, the deadline for entering the pool, J. S. Porcher, in charge of the Bankhead administration here, said Wednesday afternoon.

Porcher said instructions from E. L. Deal, in charge of the national pool, were that only those tickets turned in by that time would be counted.

Tentative plans are that the vote on the Bankhead act will be taken between December 1 and 10, porcher said. The definite date will be announced soon.

Sealed ballots will be used and three men from each community, one of whom will be the cotton committeeman for that district, will act as local election officers. The county cotton committee will have general charge of the election in the county. Only those who received cotton tax exemption certificates this year, and possibly men who certify by affidavit that they intend to grow cotton next year, will be allowed to vote.

Free Program Planned At South Plains School

There will be a free program in the South Plains school auditorium on Friday night of this week. The public is cordially invited to attend.

Mr. and Mrs. Edgar Jones and Leon Speer left Sunday morning for Carlsbad, New Mexico, to visit Fred Jones, who has been suffering from an attack of appendicitis and likely will have to undergo an operation. They were expected to return Tuesday.

Texas Utilities Company Managers Met Friday In District Gathering

S. M. Cole, local manager of the Texas Utilities Company accompanied by J. R. Blocker, Silverton manager of the same company, attended a district meeting of managers of the company in Lubbock Friday of the past week.

Mr. O'Hearn of Lockney was also in attendance at the Lubbock gathering of utilities men.

The gathering of utilities managers is a monthly affair and is for the purpose of assembling the several heads of the company to discuss business matters pertaining to their properties throughout this section of the state.

Investigations Of Matador Football Player Dropped Says Supt. Cummings

A fond hope that the Floydada Whirlwinds would be declared conference football champions flourished briefly here this week when it was rumored that Matador's claims to conference honors would be ruled invalid on account of the ineligibility of one of its players.

But this hope apparently was dealt a death blow Wednesday when Superintendent A. D. Cummings announced that investigations into the eligibility of Matador's player had been dropped.

Next Friday the Whirlwinds will defend their own gridiron against an invasion by the Tulla high school team, who suffered a 6 to 0 defeat at the hands of the local boys in the first engagement of the season.

The Tulla eleven, rated as the shining lights of their conference last year, have been in a bad way this season and are said to blame their ills on the early-season drubbing they received at the hands of Floydada. Consequently the Tulla boys are expected to have blood in their eyes and revenge in their hearts when they gallop out onto the local field next Friday afternoon. But the Whirlwinds, with the Spur scalps dangling from their belts, are said not to be worrying about their ability to dispose of Tulla in the ancient and approved manner.

Legion Teams Putting On Membership Contest

The local post of the American Legion is conducting a membership drive through two membership teams.

A contest between the two teams has been announced with the contest to continue until December 17. The losing team will pay for a feed for the winners.

Team No. 1 consists of E. C. Thomas, captain, and Roy Snodgrass, B. Nichols, Paul Conner, L. C. Burns, Harry Morekel, Calvin Steen, J. H. Reagan, W. L. Fry, E. B. Chestnut, Harry Stanley, V. C. Permenter, S. J. Latta, J. E. Billingsley, B. K. Barker, Jno. R. Gray, R. A. Garrett, John McCleskey, and W. M. Knight.

Team No. 2 consists of John Maxwell, captain, and Frank Moore, L. G. Mathews, A. M. Hess, J. C. Gilliam, John Greer, T. P. Collins, Roe McCleskey, J. D. Porterfield, L. B. Bishop, Tom Davis, J. B. Turner, C. C. Wester, J. H. Holmes, Bob Medlin, Frank B. Howell, P. L. Maxwell, J. M. Willson, and C. S. Ray.

399,000 Pounds of Butter Due From Federal Surplus-Relief Corps.

Texas Relief Commission officials have notified county administrators and central distribution points over the state that a shipment of 399,000 pounds of butter will be due in the next ten days from the Federal Surplus Relief Corporation.

This commodity will be delivered to all relief roll families as soon as it is transported from distribution points to the various counties at the rate of four (4) pounds per family per month, large families receiving more, small families less.

Since it is a surplus commodity, butter distributed by the relief organization will not be charged against the budgets of clients, C. Z. Crain, head of the commodities distribution department, said.

Chester Day of Houston is visiting his father, Elder J. J. Day. The son is employed as an attorney for the Humble Oil Company.

County Gets Rainfall Estimated At One Inch, Heaviest Since Spring

Rainfall estimated at one inch, constituting the heaviest precipitation in this district since spring, fell over Floyd county and counties north and east of here Tuesday night and Wednesday morning.

Reports from Plainview and north to Amarillo and northeast as far as Estelline were that the rain was general over those districts. Travel was reported to be slow and difficult over the unpaved sections of the roads leading northwest of Plainview and east to Matador.

Bus service through here from Plainview to Matador, Vernon and other points east was disrupted. Neither the east bound bus, due at 10:30 a. m. nor the west bound, due here at 1 p. m., had arrived by mid-afternoon Wednesday. Only the bus from Lubbock through Spur to Floydada had made the day's run.

Reports from Crosby and Lubbock counties indicated that the rainfall shaded off and was lighter in those counties than it was here and north and east.

Star Route Mail Lettings Open Until January 15, 1935

Proposals will be received at the office of the Second Assistant Postmaster General, Post Office Department, until 4:30 p. m. of January 15, 1935, for carrying the mails of the United States from July 1, 1935, to June 30, 1939, upon the star routes in the States of Ohio, Indiana, Illinois, Michigan, Wisconsin, Minnesota, Iowa, Missouri, Arkansas, Louisiana, Texas, and Oklahoma, as specified in pamphlet advertisements of this date.

List of routes, forms of proposals and bonds, and all necessary information will be furnished upon application to your local postmaster or to the Second Assistant Postmaster General, Washington, D. C.

Mrs. Thomas Golithly Of Center Dies Saturday; Is Buried Here Sunday

Funeral services for Mrs. Thomas Golithly, resident of the Center community for many years, were held Sunday at 2:30 at the Center church with Rev. Fitzgerald conducting the funeral rites. Burial was in the Floydada cemetery.

Mrs. Golithly died Saturday night at 7:10 o'clock following a brief illness. She was 87 years, 8 months, and 19 days old.

Mrs. Golithly had lived in the Center community for the last 17 years. She had made her home with a son, O. R. Golithly. She was born at Tuscaloosa, Alabama, February 28, 1847.

Other survivors are a son, Sam Norton of Corsicana, Texas; two other sons, T. T. Golithly and E. E. Golithly, both of Floydada; and two daughters, Mrs. W. R. Gilbreath of Baird, Texas, and Mrs. M. E. Glover of Floydada. The husband, Thomas Golithly, has been dead for a number of years.

Pallbearers at the funeral were J. D. Glover, Ted Glover, Joe Glover, and Lee, Byers, and Elvord Golithly. Flower girls were Mrs. Clarabelle Bishop, Miss Opal Rogers, Mrs. Ruth Osborne, Miss Viola Golithly, Mrs. Myrtle Ballard, and Miss Viola Rogers.

Mrs. Golithly had been a member of the Methodist church since she was a young girl.

Survivors, other than those already mentioned, also include 66 grandchildren, 29 great-grandchildren, and eight great-great grandchildren.

Ross Henry and Group From Lockney Ba Deer

Ross Henry of Floydada and a party from Lockney returned early this week from a deer hunting trip to near Kerrville, bringing back with them an eight-point buck which Bob Muncy, one of the party bagged during the hunt.

Other members of the hunting party were Arthur Barker, Irving Bennett, and John Sandusky, all of Lockney.

B. K. Barker and family visited in Plainview Sunday afternoon with his mother and other relatives.

Make Your Thanksgiving Dinner Plans Early

Suggestions and Helps Offered Here to Aid Housewife in Preparing Feast

Thanksgiving Day, with all its rich color, friendliness, and hospitality, will soon be here. And the Thanksgiving dinner, will be not only the highlight of the day but one of the outstanding dinners of the year.

No doubt, you are already making plans for it. You have considered what is to be the main course, whether the lordly turkey, distinctive American product and traditional repast for this occasion, or some other fitting and perhaps equally tasty meat.

The cranberries will be there, of course, as well as other fruits, nuts, knick-knacks, and appetizers and delicacies for this delightful occasion. You are preparing to entertain, not only for the family, perhaps, but for relatives and visiting friends as well. And you are anxious to do your best and make this one of the most delightful events of the entire year!

For your convenience The Plainsman is listing herewith a number of Thanksgiving dinner recipes, in a variety wide enough, it is believed, to suit the needs of every hostess and to meet the limitations of every pocketbook. Further suggestions are made in the advertisements appearing on this page—advertisements of grocers and markets who are cooperating in bringing this service to you.

Make your Thanksgiving dinner plans several days ahead. Determine what you will need. Order your turkey, duck, or other fowl or pig early in the week, and also get the necessary staples. Plan your table centerpiece and get all table appointments in readiness. The day before

Thanksgiving bake the pumpkin pie, the mince pie, the Indian pudding, or make the cake. Simmer the ham until tender if ham is to be used. Plan to bake the ham the next day. Make such other preparations as are possible the day before so as to leave as much time as possible to enjoy Thanksgiving Day with friends and guests.

Here are the suggested menus. It is believed they will serve you every

THANKSGIVING DINNER

(For Two or More)

- Halves of Grapefruit with Grape Juice
- Broiled Chicken with Barbecue Sauce
- Parsley Potatoes Buttered Squash
- Canned Cranberry Jelly
- Canned Asparagus Salad
- Canned Date Pudding Hard Sauce
- Coffee

THANKSGIVING DINNER

(With Roast Chicken)

- Canned Cream of Mushroom Soup
- Roast Chicken Celery
- Whole-Wheat Stuffing
- Pan Roasted Potatoes
- Giblet Gravy
- Buttered Brussels Sprouts
- Pickled Onions
- Cranberry Sauce
- Molds of Orange Ice
- Marbled Angel Food Cake Coffee

PARK AND AUDITORIUM PROJECTS ARE APPROVED FOR CITY OF LOCKNEY

Plans were approved and received here Friday of last week for beautification projects for the Lockney city park and the Lockney city auditorium, it was stated by Clifford

Rhoades, county relief administrator.

Details of the projects had not yet been worked out, Mr. Rhoades said, declaring that he had not yet appointed a supervisor and that it had not yet been determined how many men would be employed on the projects.

Good Things To Eat

You will want a lot of these for Thanksgiving Day. Drop in or phone your order and let us take care of your grocery needs for this outstanding occasion.

Providing you with your every need in high grade groceries, fruits and vegetables for your Thanksgiving dinner at economical prices is "just our dish."

We suggest that you make your plans early and buy your holiday groceries early in the week.

Yours for service and good groceries.

168,000 Comforts Will Be Manufactured By Relief Sewing Rooms

Sewing rooms operated by the Texas Relief Commission shortly will begin the manufacture of 168,000 comforts for the state's needy families, it has been announced by A. C. Allen, director of production, who said 1,225,000 yards of comforter covering already have been delivered to sewing rooms over the state.

Comforter bats are being delivered at the rate of three carloads daily, the first having been distributed in the vicinity of Lamar county, where manufacture of comforts has been started.

In addition to comforts, sewing rooms have received 143,500 yards of toweling and nearly 200,000 yards of sheeting for manufacture and later distribution to relief roll families. Also, 182,500 yards of 45-inch sheeting have been delivered for manufacture into pillow cases.

All of these commodities will be delivered to relief clients unpriced and will not be charged against their budgets.

Allen reminded clients, however, that priced commodities, made up largely of meats, vegetables, fruits and miscellaneous foods canned at local canning plants and many items of wearing apparel made in the sewing rooms from material purchased by the Texas Relief Commission will be charged against budgets as issued.

All items made from surplus commodities furnished by the Federal Surplus Relief Corporation are issued unpriced, not chargeable against budgets of clients.

1935 M. E. CONFERENCE TO MEET AT PLAINVIEW

Plainview was awarded the 1935 session of the Northwest Texas Methodist conference without competition when delegates to the conference session being held this year at Abilene turned last week to the job of selecting a meeting place for next year. The invitation to meet next year at Plainview was made by Rev. W. G. Bailey and seconded by R. G. B. Fain, layman. Pastors were invited to bring their wives also.

Eleven charges paid in full on all financial apportionments, it was announced, and one district, that of Amarillo, raised nearly \$13,000 more than last year, or \$98,880, it was announced.

The conference, however, reduced by 20 per cent the \$53,738 requested by the general board for benevolence, this figure being \$4,000 less than was asked last year. Under the new financial plan, local congregations will make their own assessments.

Carroll McClung, Wayland college student, spent the week-end here with his parents, Rev. and Mrs. S. B. McClung.

See your gas appliance dealer today and see for yourself the many advantages of a Circulating heater.

West Texas Gas Co.
Serving you with dependable service.

BACKSTAGE in the TELEPHONE SERVICE

The telephone service this company furnishes you could not be as uniformly good, as quietly accurate, as far-reaching and inexpensive, if the nation-wide organization of the Bell System did not stand behind it.

There is American Telephone and Telegraph Co., the parent organization, furnishing technical and business guidance to the 24 operating companies.

There is Bell Laboratories, the research organization, constantly seeking better and more economical methods and equipment.

There is Western Electric, the supply unit, buying and manufacturing at a cost in most cases below what would be paid in competitive markets.

Each of these units stands behind the men and women who give you your local telephone service. Each is dedicated to the fundamental and enduring Bell System policy of giving good telephone service, at a fair cost to the user.

Back of this policy lies our belief that in an undertaking such as ours, planned for the long run, what is best for the telephone user becomes in the end the course that will bring us the sounder, more enduring success.

MONEY

We don't pretend to understand money. We don't know anybody else who knows very much about money. About the only thing that is clear to us, and to most of the folk we know, is that money is something most of us haven't got enough of.

If there were any real understanding of money anywhere, it would seem to be among the big bankers and financiers, and perhaps in the treasuries of the great nations of the world. But when we read about all the utterly divergent views about money and its importance in the scheme of things, expressed by the

Y. W. A. Met Monday Evening With Miss Tubbs

The Y. W. A. of the Baptist Church met at 7 o'clock Monday evening at the home of Mabel Tubbs. After the devotional by Thelma Jo Hamilton, the president, Ina Sims, took charge of the business period. She appointed the following committee to plan the buffet supper for next Monday evening: Adelle Norman, Mabel Tubbs, Faye Newell, Katherine Eubank. The buffet supper is to be at the home of Katherine Eubank at 7 o'clock.

After the business the girls enjoyed working on clothes and other articles for a Christmas box they are preparing for Paul Bell's Orphan's Home.

CARD OF THANKS

We wish to express our heartfelt thanks for the flowers and the help and sympathy extended us during the illness and death of our mother and grandmother.

Children and grandchildren of Mrs. Thomas Golightly.

W. O. Jones went to Wichita Falls Sunday morning on business. He expects to be gone most of the week.

Very men who, if the subject were fully understood, ought to be in complete agreement about it, we wonder why there should be so much difference of opinion on such things as gold, silver, paper currency, managed currency, the "commodity dollar" and all the other phases of the subject on which it seems as if no two people or nations agree.

SOUTH PLAINS HIGHWAY GAPS BEING CLOSED

New Jobs Started Almost As Fast As Others Are Finished

Lubbock, November 15.—Rapid closing of gaps in state highway paving over the South Plains, and especially in Division No. 5, is seen by Guy R. Johnston, district engineer. Jobs are being started over this section almost as rapidly as other jobs are being completed.

Two paving jobs are about to be completed on Highway No. 7 within the next two or three weeks, except for hot topping. The sector across the northwest corner of Hockley County, from Lubbock to Lamb County, from Lubbock to Lamb county lines, and the Bailey county sector, Muleshoe to the Farmer county line, will also be finished.

Opened to Traffic

Last week surfacing of nine miles on No. 7 from Post northeast to Pleasant Valley was opened to traffic. The remainder of the paving to Southland is to be completed within three weeks.

Second caliche course No. 9 from Lamesa north to O'Donnell is now being spared. This is a relief work job.

Caliche spreading was started Friday on No. 9 from Tahoka north to the Lubbock county line. This is also a relief job. Surfacing, or hot topping is expected to be done some time in the spring.

Second Course

Second course on No. 137 from Brownfield to Meadow is also being started. Twelve miles of first course caliche from Brownfield southwest to Seagraves on the same highway also has been finished. This work was begun at Seagraves and is headed toward Brownfield.

Good progress has been made on grading and drainage work on No. 9 from O'Donnell north to Tahoka.

Highway No. 9 in Swisher county now has half of the surfacing completed and opened to traffic, from the Hale county line to Tulla. Grading crews north of Tulla have reached Happy and the drainage and grading work is expected to be opened this week. Bids on paving this sector may be let November 26.

Southeast From Lamesa

Within two or three weeks base work on No. 9 southeast from Lamesa to the Martin county line will be started. The Martin county job will be handled out of the Abilene district office, as well as the Howard county project.

Completion of work on No. 83 east from Lamesa to the Borden county line is expected within two weeks.

Completion of grading work on No. 28 across Floyd county from Floydada to the Hale county line is expected by December 1. This work will shorten distance between Floydada and Plainview.

Spreading of the second course of caliche on No. 24 in Cochran county from Motorn to Whiteface, has started. This is a relief job.

On No. 7 From Lubbock

Two jobs were let last week on No. 7 southeast of Lubbock to complete gaps in that direction. George, Fields, Lubbock, has the contracts for paving from Slaton to Southland across Lubbock and Lynn counties, and from Post to Justiceburg, in Garza County. When finished these will give Lubbock an all-weather surface into Snyder and Sweetwater.

Highway 28 in Lamb County has its grading and drainage work completed west from the Hale County line through Olton for about 12 miles.

Mr. Johnston has submitted several plans for construction work in the division to Austin for approval. Until this is given and a probable date for letting of contracts announced, no statement will be made of future plans. Beside contracts, Mr. Johnston hopes this winter to secure several relief projects for the division.

MOUNT BLANCO CHURCH ANNOUNCEMENT

The following services will be held at the Mount Blanco Baptist church, Saturday and Sunday, November 24 and 25th:

Preaching Saturday night at 7:30
Sunday school 10 a. m.
Preaching 10 a. m.
B. Y. P. U. 7 p. m.
Preaching at 8 p. m.
Everyone cordially invited to attend all these services.

REV. G. W. TUBBS, Pastor.

Mr. and Mrs. H. L. Thompson of Plainview and small son, Woodrow, spent Sunday with Mrs. Thompson's mother, Mrs. Emma Speer, at the Hotel Floydada.

AUTHORITY TO OMIT PENALTY GIVEN BY LAW

CITIES, COUNTIES MAY ACCEPT DELINQUENT LEVIES WITHOUT CHARGES

Austin, November 19.—Both cities and counties have the unquestioned power to accept delinquent taxes now without charging interest and penalties, Rep. W. E. Pope, author of the emergency tax penalty remission bill, has pointed out.

Mr. Pope said Gov. Ferguson's approval of a concurrent resolution on tax payments opened the way for county tax collectors to accept payments now of state and county taxes without charging interest or penalties. The resolution directed them to accept the payments and to issue receipts, without charging in penalties and interest. So far as the tax payer is concerned, this completes the transaction, and the actual remission of the penalties will come when his bill is effective next February 9, Mr. Pope pointed out.

Compulsory Later

City councils have power to remit tax penalties and interest now, and after his bill goes into effect, will be required to do it, Pope said.

"There is no reason in the world for their preventing their people from paying taxes now and getting the benefits of remission," he declared.

Mr. Pope said that economic conditions, and the 90-day effectiveness of the emergency bill, are causing virtually all cities of the state to proceed with acts to remit penalties and interest now.

The concurrent resolution was passed by the recent session after the Pope bill failed to get enough votes to make it effective before February. Otherwise, as Rep. Pope has pointed out, people able to pay would have been stopped from paying any past-due taxes until the benefits of the remission came in.

May Escape Penalty

As it is, home-owners who have applied for government home loans, and others able to pay back taxes, may pay either city or state and county taxes, and escape the accumulated penalties and interest, under Rep. Pope's interpretation, based on his knowledge of the law he himself wrote.

Cities, he said, can go even beyond the policy now followed by the Austin municipal government, of merely taking partial payments, and waiting for further ordinances or the effective date of his law to accept the final payment.

J. N. Rodd made a business trip to San Antonio, Texas, Thursday and Friday of last week. He reports of rainfall from Spur to San Antonio, and stated that people in San Antonio had reports of moisture lasting on southward to the Rio Grande Valley and the Gulf of Mexico.

LUCKY GIRL
Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.
MRS. STRONG AND DAUGHTER, NANCY
"Dr. Caldwell's Syrup Pepsin brought relief at once," says Mrs. A. G. Strong of 34-47 80th St., Jackson Heights, N.Y.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:
You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.
Why Doctors Use Liquid Laxatives
A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves, not make matters worse.
Dr. Caldwell's Syrup Pepsin is an approved liquid-laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug-store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.
If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

Whirlwinds Beat Spur 27-13, Making Matador Conference Champions

Floydada played Matador's conference championship game Friday and did a good job of it, defeating the Spur Bulldogs, title contenders, by the decisive score of 27 to 13. The victory made Floydada the runner-up team for loop honors.

A crowd of perhaps 1500 people attended the game, many of them coming from Matador and Motley county to root for the Floydada team. A large group of rooters from Spur were also there backing the Bulldogs.

WEAK AND SKINNY MEN, WOMEN AND CHILDREN

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Founders of firm healthy flesh instead of lean emaciated bones! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting through scientists' latest discovery—the Vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of its horrid, fishy taste or smell. McCoy's Cod Liver Oil Tablets, they're called! "Cod Liver Oil in Tablets", and they simply work wonders. A little boy of 8, seriously sick, got well and gained 19½ lbs. in just one month. A girl of thirteen after the same illness, gained 3 lbs. the first week and 1 lb. each week after. A young mother who could not eat or sleep after baby came got all her health back and gained 10 lbs. in less than a month.

You simply must try McCoy's at once. Remember if you don't gain at least 3 lbs. of firm healthy flesh in a month get your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets—approved by Good Housekeeping Institute. Refuse all substitutes. Insist on the original McCoy's—there are none better.

Floydada won the toss and chose to defend the south goal. The Spur team then elected to receive the kick-off. The Bulldogs made one first down and then lost the pigskin to Floydada on downs.

The Floydada eleven took the ball and marched down the field in a series of firstdowns for a touchdown, Matthews taking the oval across the goal line. Luder then ran across the marker for the extra point.

The Bulldogs came back with a series of line plunges and end runs to score their first touchdown and tie up the score when the kick for extra point was good. The quarter ended with the score tied 7 to 7.

Early in the second quarter a long run by Luder put the Floydada boys in a scoring position and Luder carried the ball over shortly afterward for the touchdown. He failed in an attempt to run the extra point.

Most of the remainder of the second quarter the two teams saw-sawed back and forth in the middle of the field with first one and then the other in possession of the ball. As the quarter neared the end, however, the Spur team started a march down the field by a series of line plunges and end runs that threatened Floydada's goal. But the threat failed to materialize. The first half ended with the Bulldogs in possession of the ball on Floydada's five yard line. Score: Floydada 13; Spur 7.

At the opening of the third quarter Floydada received their opponents' kick and advanced the ball by trick plays, line plunges and end runs to about Spur's 35 yard line, where they lost the ball to the visitors. Spur then the ball to within about the same distance of Floydada's goal and proceeded to lose it to the locals.

After Floydada had advanced the ball back to the 50 yard line, Luder took the ball and, by a marvelous exhibition of broken field running, broke through the Spur line and ran 24 yards to put the oval on the Spur 26 yard stripe.

One or two plays later he again took the ball and ran to within a few feet of the goal line where Matthews took it and ran it across on the next play for the touchdown. Lightfoot made the extra point. Score: Floydada 20; Spur 7.

Spur received Floydada's kick-off, which was into the wind and short, and advanced it by line plunges and end runs, and was within two feet of the Floydada goal line as the third quarter ended. Score: Floydada 20; Spur 7.

On the first play of the fourth quarter Spur shoved the ball over on line plunges. The kick for point was low. Score: Floydada 20; Spur 13.

Floydada kicked off to the Spur team but soon gained possession of the ball. Matthews then made the longest run of the game, taking the ball on the Floydada 40 yard line and running 38 yards to the visitors' 28 yard marker. But the run appeared to be in vain for Floydada shortly lost to Spur on downs and the visitors again invaded Floydada territory, only to lose the ball again to the locals.

This time the Whirlwind team advanced the oval to within striking distance, where Lightfoot took the ball and crossed the goal line on a right end run. He also crossed the line to score the extra point and make the final score of the game 27 for Floydada to 13 for Spur.

The rest of the game was spent with the teams see-sawing back and forth near the middle of the field.

Floydada resorted to trick plays again and again in the game and these, together with frequent end runs, accounted for most of the yardage gained by the locals. These were interspersed with line plunges often enough to keep the visitors guessing. The Floydada boys seldom attempted the aerial route. The visitors tried several passes and some of them resulted in substantial gains.

GAINED 20 POUNDS IN TWO MONTHS

"Up to two months ago my stomach was in such a bad condition I could not even take a cup of coffee in the morning without being in distress for two or three hours. I bought a bottle of your Emulsion and it helped me from the start, so much so that people thought something had happened to me all of a sudden.

"Since then I have used six bottles and now I can get up in the morning and eat corned beef and cabbage, my stomach is in such good condition."

—E. H. Knobloch, 1956 Lincoln Ave., Chicago, Ill.

Milks Emulsion restores healthy, natural bowel action. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Wonderful for weak, sickly children. Your money will be promptly refunded. Price 60c and \$1.50 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

Chairmen Asked For Pictures of Conditions As They Exist Over State

Chairmen of county relief boards this week were asked by E. A. Baugh, assistant director of the Texas Relief Commission, for a picture of conditions as they exist in the various counties of the state.

"Realizing that staff members of the relief administration are in some respects too close to their jobs to get a fair perspective of actual conditions and probable trends, we are asking that you give us your views on certain points."

These points Baugh enumerated as follows:

1. How about the relief load in your county? Do you think it will go up or down? Or will it remain fairly stationary?
2. In your judgment, what is the state of morale of those on relief in your county? Do you feel their hopes, ambitions and initiative have been dulled? In what condition do they appear to be mentally and physically?
3. What are the prospects of their getting their jobs back within the next six or eight months?
4. What does the general public think the government ought to do about this unemployment situation?

George M. Finkner and family and Mr. and Mrs. F. M. Shenefelt spent Sunday on the canyons north of Silverton.

George Sherrill, who suffered an attack of pneumonia about three weeks ago, was able to come down town this week.

Ray Chapman, son of Mr. and Mrs. J. W. Chapman, student in Wayland Baptist College at Plainview, spent the week end with homefolks here.

Miss Mildred Kemp of Cedar Hill spent Sunday with Miss Amy Roberts.

Mr. and Mrs. S. H. Wester, of Plainview, spent Sunday here with their nephew and niece, Mr. and Mrs. J. C. Wester and family.

Kendall Onstott and Waldo Houghton, students in Texas Tech at Lubbock, spent the week-end with homefolks here.

County Agent and Wife Back From Visit

County Agent Glen A. Lindsey and Mrs. Lindsey returned the first of the week from a visit with Mr. Lindsey's relatives near Fort Worth.

The game Friday put Matador out in the conference lead, with three conference victories and a tie with Spur. It also gave Floydada three games and the runner-up position, while Spur is reduced to two games won and a tie with Matador. Paducah, won one victory over Roaring Springs, the other conference team, to give the latter the cellar position in the conference.

Auto Owners Will Not Be Denied Relief Says Adam R. Johnson

Destitute persons who own automobiles will not be denied relief so long as funds granted them are used for subsistence needs, Adam R. Johnson, state relief director, has announced. At the same time, Johnson said county administrators will not grant funds when it is evident that an appreciable part of them are being used to operate automobiles for purposes of pleasure. The director state the policy toward automobile owners as follows:

"No county relief administrator is to demand from the owner of an automobile his license plate and or key as a condition to receiving relief.

"It is the desire of the Texas Relief Commission that no relief funds be used for the purpose of operating passenger automobiles in a manner not strictly and entirely in conformance with the subsistence needs of the clients. It is recognized that many clients must use their cars to go to and from work relief employment. It is recognized also that in some instances cars are necessary for the clients to reach headquarter offices where they may secure relief grants.

"It is not the desire of the Texas Relief Commission, however, that any county administrator continue giving relief to any client when it is evident that the client is expending any appreciable amount of his relief funds for operating expenses of an automobile used for pleasure purposes.

"It is within the discretion of the county administrator, after considering each individual case on its own merits, to deny relief to any family which persists in expending relief grants on the operation of an auto-

mobile which is not essential to their welfare."

A. G. Hopkins and Jack Henry made a trip to Amarillo Sunday.

The Newer Manner in Kitchen Refinement!

"The Nesco" Roaster on display at our office embodies the most practical refinements for the Kitchen of today, the charm and magic of Electricity is built into the appliance itself.

The full, natural flavor of foods cooked in their own juices is retained by the "The Nesco". Oven speed in baking is obtained simply by the "High" and "Low" heat.

Average cost of operation is slight, the heat generated within the appliance itself is so insulated that the heat is conserved.

We'll be glad to show you the newer refinement.
