As time is drawing near for the first primary election I would like to have each voter in the precinct to consider this last minute appeal for your support now, and your vote on July 25.

Office duties and the busy farm season has made it impossible for me to make a house to house canvass so far, but I assure each one that I will appreciate anything you may do for me between now and election day. I will try to see as many of the voters as is possible before the election, but if I do not see you, please consider this as a personal appeal for your support and vote. My record as Commissioner is open for inspection to each and everyone.

BEAVER ORPHANS PERISH  
Things like this will happen. A man saw a mother beaver with two young on a ledge below Marshall Ford Dam in Central Texas. The mother fled on being disturbed. The man was relieved of the two tiny beaver by a Game Warden and the animals were placed in a small pen and given food. But two days later they died. If they had been left alone the mother beaver would have returned and raised her young.

## Guard Your Knives, Is Advice to Housewives

College Station, July 16th.—

Every wise housewife should avoid  
abusing her knives because new  
ones will be hard to obtain with  
most available metal going into  
war equipment. To make your  
knives last longer and to keep  
them in repair, neighbors might  
form a "knife sharpening clinic,"  
says Mrs. Bernice Claytor, special-  
ist in home improvement of the  
A. and M. College Extension Ser-  
vice.

All household equipment will  
stay in better condition, whether  
in war or peace time, if it is kept  
clean. It should be checked occa-  
sionally by equipment dealers or  
persons trained in repair work  
who can advise on feasibility and  
cost of repair. Manufacturers' in-  
structions for use of the appli-  
ances come in handy in prolong-  
ing the life of the equipment  
around the home.

Sharing household equipment  
with others is a good way to keep  
the Victory Demonstrator's pledge  
to "work with family and neigh-  
bors." Exchanging the use of a  
washing machine with a neighbor  
who has a sewing machine shows  
a cooperative and neighborly at-  
titude, but it is more important for  
patriotic reasons because sharing  
will release metals, materials and  
labor for war production; will im-  
prove farm life for families who  
cannot afford equipment; and will  
save time, money and labor.

Whenever possible, sell or trade  
equipment you don't need, keep  
what you have in good repair, and  
postpone buying of new equip-  
ment until after the war. The  
money you save, you can invest in

War stamps and bonds. The metal  
you save will help build another

says.

### VOTE FOR JOHN A. HAMILTON FOR DISTRICT ATTORNEY

This is my personal solicitation for your vote and your  
influence. As your District Attorney I have tried to be effi-  
cient and diligent yet always keeping in mind that it is as much  
my duty to protect the innocent as to prosecute the guilty. I  
have tried to be impartial and fair, and to deal openly and  
honestly with every one. My record speaks for itself and tells  
whether I have lived up to these aims.

I am better acquainted now with the officers and people  
of the District by virtue of conducting criminal prosecutions  
through 70 terms of District Court in this District. Why dis-  
charge a hired hand when by training and experience he has  
learned what duties his job requires and how to perform them?

I earnestly and humbly solicit your vote for my re-election  
to the office of District Attorney.

### TO THE PEOPLE OF PRECINCT

**NUMBER ONE, FLOYD  
COUNTY:**

There are many voters in Precinct No. One I  
have not seen personally and solicited for their  
votes for Commissioner. In view of the tire short-  
age and the near approach of the First Primary I  
am sure I will not be able to get around to all the  
voters.

To these I want to say that from business ex-  
perience and familiarity with the problems of the  
precinct and the county, I am qualified for the  
place. And with the co-operation of the people I  
am sure I can make you a Good Commissioner and  
give you a business administration of the office.

I appreciate the good vote you gave me two  
years ago and hope this time you will see fit to give  
me top place and elect me to the office. Anything  
you can say or do for me will be appreciated.
