

County Farmer Wins 20 Awards At State Fair

Buck Trotter, Castro County farmer, entered 15 Berkshire hogs and took 20 awards including grand champion boar at the recent Pan-American Livestock Exposition at the State Fair of Texas in Dallas.

Trotter and his 11 year old son Danny have a herd of about 65 pigs on Trotter's farm just inside the Castro County line south of Hereford.

After only four shows Trotter has numerous trophies and two bulletin boards full of ribbons which he has won.

Before the end of February, he will have traveled to four fairs, three other major fat stock shows and all the smaller shows within a radius of 150 miles of this area. He entered the grand champion Amarillo and in the South Plains Fair in Lubbock. He won many other awards at these two fairs also.

In Waco he walked away with numerous prizes and \$159 in prize money.

"I feel that to raise a prize winning pig one has to feed him the right food and give him proper exercise," says Trotter.

He says each of his pigs get five pounds of food per day and he walks them two miles in the morning and two miles in the evening to keep them trim and not "flabby."

In the Dallas show Trotter entered the grand champion boar, reserve grand champion sow, and reserve senior champion sow. It is no trick for Trotter to walk off with \$1,000 at State Fair Livestock show. He has been raising hogs for 11 years and five years ago began showing them in all the local fairs and stock shows and walked away with all kinds of ribbons and prize money.

Other wins at Dallas include first place with a junior yearling boar, second place with a senior boar, third place with a February boar pig, second and third places with a mature sow.

First and second places with a junior yearling sow, first and second places with a senior sow, first and second place with January sow pig, sixth and seventh places with February sow pigs, second and third places with March-April sow pigs and second place with a get of sire.

Jeanie Hammonds Listed In Good Condition At Lubbock

Jeanie Hammonds, a victim of car accident in Lubbock on October 12, is listed in good condition at Methodist Hospital in Lubbock.

Miss Hammonds, a 1964 graduate of Dimmitt High School, received a broken leg in the accident. After the leg was set under anesthetic, she failed to recover consciousness. She was in a coma and listed in critical condition for three days.

She is on her way to recovery in Methodist Hospital, Room 403, Lubbock, Texas.

Mrs. Lucian Erskine Cited For Laboratory Technician School

Mrs. Lucian Erskine, a land owner in Castro County, was honored at a decoration ceremony recently of the Eloy Alfaro International Foundation of the Republic of Panama. She was presented with the Eloy Alfaro Grand Cross and Citation in an October 9 ceremony at de Ville Hotel in St. Louis, Missouri with 350 present.

Mrs. Erskine is the second woman in the United States to receive this award. She received a letter of congratulations from Vice-President Humphrey.

The outstanding woman was awarded the citation "in recognition of her distinguished contribution to culture and humanity, and her outstanding merit and accomplishments in the field of education, service to Latin-American students." She was presented the award by Board of Dignitaries of the Eloy Alfaro International Foundation of the Republic of Panama.

Eloy Alfaro, President of Ecuador at the turn of the century for two terms (1842-1912) established in Latin America many schools, colleges and universities, as well as hospitals and other welfare institutions; and furthered cooperation and unity among the countries of the entire Western Hemisphere. He was the dedicated leader of a generation fired with the hope that responsible political action would enhance the prosperity and welfare of their people, so states an article concerning Alfaro.

The Eloy Alfaro International Foundation of the Republic of Panama, named after the soldier patriot, statesman-martyr, the former President of Ecuador, is for the perpetuation of the principles of truth, justice and friendship among peoples and nations; and seeks to promote moral values with the personal integrity, for which General Alfaro devoted and laid down his life. The Foundation was authorized by the then

President of the Republic of Panama, in January 23, 1949 by his official decree, by which executive act he created this Foundation, in order to perpetuate the memory of Eloy Alfaro, and it has devoted itself to the task of encouraging the study and propagation of the liberal ideals and principles, for which Eloy Alfaro stood.

In appreciation of the great achievement of General Alfaro there are monuments to his memory in almost every capital of the Western Hemisphere.

Among the elite and select group of United States citizens who have been awarded the Eloy Alfaro Grand Cross and Citation include former Presidents Dwight D. Eisenhower, and Harry S. Truman, the late Presidents, Franklin D. Roosevelt, John F. Kennedy, Herbert Hoover, the late General of the Armies, Douglas MacArthur, President Lyndon B. Johnson, Vice President Hubert H. Humphrey, FB Director J. Edgar Hoover, Governor Rockefeller and former Governor Harriman, Senators Mansfield and Dirksen, Sir O. Carlyle Brock, Sir Barney Collins, and Lieut. General Willis D. Crittenger, USA (ret.).

Mrs. Erskine was awarded the honor due to her school for training of laboratory technicians where she trained about 300 Latin American students also Central and South American students. She has visited personally all South American countries except Bolivia, Paraguay and French Guinea. The Gradwohl School of Laboratory Technique located in St. Louis Missouri is the oldest such school in the United States.

Mrs. Erskine's husband's family is one of the oldest families owning land consecutively in Castro County. Her husband's grandfather took the land in Castro County in on a bad debt and it was worth 25 cents an acre at that time.

Farmers Union Adopts 1966 Resolutions At Convention

A crowd of about 60 turned out to hear H. M. Baggary, Tulia Herald editor, speak at the annual Castro County Farmers Union Convention held Monday night at the Colonial Inn Restaurant.

Baggary talked of the world's realistic problems such as population explosions, changing agriculture and automation.

The speaker said, "Red China is growing at a rate of 1,000,000 people per month and at this rate by the year 2000 Red China will have more people than our present world population today."

"Agriculture is changing," "The farmers throughout history have been on bottom economics level. This is still true in South America and Mexico. The farmers in 1920 were still at the bottom of the ladder."

"The farmer was allowed free but nobargaining power. Labor was beginning to get a respectable wage. The depression of the '30's came and again the farmer was hardest hit."

Baggary continued, "Franklin D. Roosevelt was elected to presidency in 1932 and recognized the farm problem and that drastic changes had to be made. FDR started an orderly system of agriculture."

"The government is the only organization that can give order to the farmer's problems of production and marketing," emphasized the speaker.

"A lot of people and some organizations yell for freedom," said Baggary. He continued, "Actually there is no such thing as freedom. We are living under controls because of laws to protect others."

"Some farm organizations gripe about freedom, subsidies and tariffs, said the speaker, "look what

First Baptist Plans Harvest Day Offering

Kickoff meeting for fund-raising project planned at First Baptist Church was held last Thursday night at the Colonial Inn Restaurant with 48 present.

Dr. Franklin Swanner of Plainview, Area Mission Secretary, was guest speaker at the evening supper.

Fund-raising plans will be climaxed November 21 in a Harvest Day offering at the First Baptist Church. Purpose of this offering is to raise \$20,000 in money and pledges for retirement of debt.

This meeting kicked off the final goal which will be attained Harvest Day. Ten thousand of the needed amount was pledged by those present.

According to Rev. Johnny Burnett, Education Director this is a beginning for future plans of First Baptist Church.

Charley Hays is chairman of Building Finance Committee. Other members of the committee are George Bradford, Ward Golden, Ivor Bagwell and James Horton.

Those attending were ten team captains and their team members.

JOE COWEN is sworn into the Navy's Aviation Officer Training program in Dallas. He will be sent to Naval Air Station, Pensacola, Florida, the "Annapolis of the Air," on January 5, 1966 where he will commence his training. See story for details. —Staff Photo

SWPS Completes Major Transmission Line

Southwestern Public Service Company construction crews have finished a major transmission line construction project, representing an investment of nearly \$1,500,000, designed to provide additional electrical power capacity for the Dimmitt-Hart area.

Two new transmission lines, a new interchange substation and rebuilding of an existing transmission line were the major projects in the improvement program.

A 115,000 volt line was constructed from Plant X, near Earth to the new Castro County Interchange, 7 miles west of Dimmitt. Eventually, this line will be completed from the new interchange station to Hereford and be an additional strengthening factor in local electric service in the future.

At the interchange station, the voltage is stepped down from 115,000 to 69,000 volts and the power is carried to Dimmitt on a new 69,000 volt transmission line, of H-Frame construction. The transformer used to step-down the voltage at the interchange station can carry a load of 40,000 kilowatts, and virtually triples the amount of electric power that will be available to customers in the Dimmitt-Hart area.

The final step in the transmission line and interchange station phase of the new construction was the rebuilding of the 69,000 volt transmission line from Dimmitt to Hart. This power artery is now of H-Frame type construction, replacing the previous single pole wishbone type line.

In addition to the transmission work, a new distribution substation was constructed at Hart and that community's distribution system rebuilt and major improvements were made to the distribution system at Dimmitt to complete the coordinated project.

Former Dimmitt Man Hurt By Fall Into Pit

Gus Barron, former Dimmitt resident, now of Tulia, was injured Sunday night when he fell 24 feet into a beet pit at C & W Gin and Elevator about seven miles north of Tulia.

He is listed in satisfactory condition at Swisher Memorial Hospital.

Barron, who is employed by Tulia farmer T. R. Herndon, received sprains of the right shoulder and ankle.

According to police he had gone to the gin to get his stepson, Clyde Blocker, a gin employee who was in the process of closing up the building.

Blocker was walking across the gin floor to turn on a light. Barron was following him in the dark when he lost his footing and fell into the pit.

He had been in the pit about 30 minutes when ambulance attendants removed him with the aid of a rope.

CONSTRUCTION is well underway on Southwestern Public Service's improvement project for customers in Castro County. Here the line crew erects new poles to carry 69,000 Volt line. See story.

Be vitamin-wise when you select vegetables. In general, freshly harvested vegetables have more vitamins than those held in storage.

You get several times as much vitamin A value in bright-orange mature carrots as from pale-colored, young ones. Even so, young carrots are a good source of vitamin A. Choose them if you pre-

fer. Deep - orange sweet potatoes have a maximum vitamin A value. Good sources of riboflavin as well as vitamins A and C are turnip greens, kale, and collards. Appreciable amounts of thiamine and protein are contained by lima beans, peas and young cowpeas, including black-eye peas.

The dark-green leafy vegetables are richer in nutrients — Particularly vitamin A, calcium and iron — than light green vegetables.

Leaf lettuce has more vitamin A value than pale-green head lettuce. The dark-green, outer leaves of head lettuce are much higher in vitamin A value than the inner leaves. For maximum food value, look for dark-green lettuce.

If the tops of beets are attached and still tender when you buy them, cook them. They are good sources of vitamin A. Peppers are high in vitamins A and C.

More bonded fabrics will be on the market this winter than ever before, says Mrs. Lynn Parks Stiles, Extension consumer education specialist at Texas A & M University.

Manufacturers predict that in a few years about 60 percent of all fashion fabrics, including linens and bedding, will be bonded.

Consumers often ask why some bonded fabrics separate. The type of manufacturing process determines the longevity of the bond. There are three types of laminating methods used in making bond-

ed fabrics:
(1) Adhesives glue the fabrics together. This is the least expensive process and the least successful as the glue is easily dissolved by solvents used in dry-cleaning process.
(2) Heat setting a polyurethane foam between two fabrics is more expensive but lasts longer since it is not destroyed by dry-cleaning solvents. This middle layer, however, is so thin that it is difficult to distinguish it from an adhesive.
(3) Locklined fabrics are made of two layers connected during the weaving process. This is rarely found in clothing because of the expense of the construction process.

Mrs. Stiles suggests that consumers buy bonded fabrics carefully and look for the guarantee of permanent bonding on the fabric.

Plentiful, colorful and tasty squash know no season. They're available in many colors, sizes, shapes and textures in fresh or frozen form.

Today, the popular classification of "summer" or "winter" squash no longer apply. Squash is better identified by hardness of shell and maturity. Soft shell squash includes zucchini, white "patty pan" and yellow varieties. Hard shell varieties are buttercup, acorn, butternut and Hubbard.

One pound of soft shell squash generally will yield two to three servings. The hard shell squash will yield one cup of squash from one pound of fresh vegetable. Top quality soft shell squash is fresh in appearance, fairly heavy for its size, the skin is tender and edible, and free from blemishes. The smaller the diameter of the squash, the smaller and more tender the seeds. There's no waste, for both seeds and skin are edible.

Times have changed since the days when almost every farm had its own chicken flock. Families provided their own chicken — usually reserved for Sunday dinner and other special occasions. But with the development of today's efficient, productive poultry industry, chickens have become a regular dish for most families, with the light weight broiler the leading favorite. The popularity of the broiler-fryer has gained in momentum until it is today the largest selling type of chicken on the market.

The usual industry definition for broiler-type is a chicken about 9 weeks old, male or female, and under 4 pounds. This size chicken

is just right for the average-size family — and the price fits the budget.

Broilers are grown in just about every state, with many produced in our immediate area. It's a big industry. This October, our markets provide an unusually plentiful supply of broilers, says the U. S. Department of Agriculture's Consumer and Marketing Service.

For fried chicken you may wish to utilize this recipe for Crunchy Fried Chicken. Ingredients include 1/2 C. evaporated or fresh milk, 1 slightly beaten egg, 1 1/2 teaspoons salt, 1/4 teaspoon paprika, 1 cup finely crushed corn flakes, frying chicken cut into pieces and 2 cups salad oil. To prepare, combine milk and egg in a shallow dish. Blend salt, pepper and paprika with crushed corn flakes in another shallow dish.

Dip chicken pieces into milk-egg mixture, then roll in corn-flakes. Heat salad oil in heavy skillet. Add chicken and brown lightly on one side for 3 to 5 minutes. Turn chicken carefully to keep coating intact.

Reduce heat and cover pan tightly. Simmer for about 30 minutes, or until thickest piece of chicken is tender. For extra crunchiness, remove cover during the last 10 minutes of cooking. Drain chicken on absorbent towel.

Country-Fried Chicken presents a different twist. Extra spices added to the recipe make it especially delicious. For 6 to 8 servings, you'll need broiler-fryers cut into serving pieces, Two-thirds C. flour, 2 teaspoons salt, 1 teaspoon paprika, 1/4 teaspoon pepper, 1 cup bacon drippings, 2 cloves of garlic, 1 bay leaf and milk gravy.

To prepare, combine flour, salt paprika and pepper in clean brown bag. Shake chicken a few pieces at a time in flour mixture until uniformly coated. Heat bacon drippings, cooking oil or fat in heavy fry pan, add garlic and bay leaf.

Place flour coated chicken pieces in single layer in hot fat. Do not crowd chicken or it will not brown uniformly. Cook slowly, turning once or twice to brown on all sides. If the fry pan is small it may be necessary to brown a few pieces at a time.

When all the pieces are browned, return all chicken to the fry pan and cover pan tightly. Cook slowly for about 20 minutes, or until tender. Remove cover and cook until coating is crisped. Remove chicken to heated platter, keep warm while preparing gravy. To make the Milk Gravy, pour

MRS. WILLIAM ALLEN CLEMENT nee Elizabeth Ann Book

Elizabeth Ann Book - Bill Clement Married In Double Ring Ceremony

Elizabeth Ann Book and William Allen Clement were married in a double ring ceremony, Friday evening, October 22 in Lubbock. The bride is the daughter of Mr. and Mrs. George W. Book, Route 2, Dimmitt, and the groom is the

son of Mr. and Mrs. Howard Allen Clement of Dimmitt, formerly of Joplin, Missouri. The bride was attired in a floor-length gown of white satin peau de soie, with chapel train extending from the empire waistline. The bodice and long tapered sleeves were of chantilly lace, enhanced by a round neckline. A finger-tip length veil of silk illusion fell from a small pillbox of white peau de soie. She carried a bouquet of white roses secured on a white engraved Bible, a gift from the groom.

Miss Vicki Clement, sister of the groom was maid of honor. She wore a dress of pale blue peau de soie, fashioned with an empire waist, short sleeves, and a round neckline. She wore a small matching pillbox and carried a nosegay of blue carnations.

Serving as best man was Harvey Haes of Dimmitt. Ushers were Dr. Dabney Harvey of Lubbock, and Albert Sinclair of Salinas, California.

A reception was held at the home of Dr. and Mrs. Dabney Harvey, 4505 West 18th, Lubbock, immediately following the ceremony.

For a wedding trip to Missouri, the bride chose a moss green wool suit and black accessories. The couple will be at home at 126 Emma, Hereford, where the groom is associated with Holly Sugar Company.

Shopping Hints Given On Washing Machine For Home

Special circumstances and family needs can help homemakers decide whether to buy an automatic or a non-automatic washing machine. Whichever type you choose, check the following points before you go shopping, says Mrs. Wanda Meyer, Texas A & M University Extension Service home management specialist. Water needed — Important, especially if water supply is expensive, or limited, or both. Capacity — Mos machines wash better with three pounds less than the capacity indicated by manufacturers.

General workmanship — The

washer should be sturdy. Parts that come in contact with clothes should be rustproof. The tub and motor should be mounted on rubber or springs to lessen vibration and noise.

Tub materials — Porcelain enameled steel is the most common and quite satisfactory. Aluminum, stainless steel and nickel-copper are more expensive.

Motors — These should be shielded from water. They should be grounded, insulated from metal parts and have a sealed-in lubricant that provides permanent oiling.

Responsibility of the manufacturer — A careful reading of the warranty will explain the responsibility the manufacturer takes for repairs and replacements. Needless to say it is best to buy a product represented by a reliable service organization convenient to use.

1965 COTTON LOAN PROGRAM

The Castro County ASCS Committee has approved cotton loan clerks located at gins, banks, cotton warehouses and offices of cotton buyers to assist cotton producers in the preparation of Form — A Cotton Loan documents. The preparator of Form — A cotton loans is the same this year as in past years. However, the handling of the documents after being prepared has been changed beginning with the current crop.

When your Form — A Cotton loan has been prepared you may receive your money by check from the loan clerk or gin or you may receive your money from this office by bringing or mailing the loan documents to us. Except loans for cotton which is mortgaged to Farmers Home Administration must come to our office for disbursement of funds. If the cotton is produced on a farm by a tenant and the landlord has a share in the cotton the loan must be made jointly to the tenant and the landlord. This will apply in any case when more than one person owns a share of the cotton being pledged as collateral for the loan. Joint loans must be signed by each person having an interest in the cotton or may be signed for the landlord by the tenant, if such tenant has on file in our office the required "Power of Attorney" form. Cotton loan clerks will not accept signatures of agents unless you present to them your copy of the Power of Attorney form.

Most "Power of Attorney" forms for agents that are on file in our

Martinez Begins Basic Training In U.S. Navy

Seaman Recruit Francisco J. Martinez, USN, son of Mr. and Mrs. Martin Martinez of Dimmitt, Texas has begun seven weeks of Navy basic training at the U. S. Naval Training Center, San Diego, Calif.

In the first weeks of his naval service he will study military subjects and live and work under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian to sailor he will be taught and supervised by experienced Navy petty officers. They will teach him the basic skills of seamanship as well as survival techniques, military drill and other basic skills.

On completion of his recruit training he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

office are not sufficient for signing cotton loans and we urge you to contact our office, prior to obtaining a loan if you intend to sign as an agent, and determine if you have this authority. If you are an agent for a producer and have your copy of the "Power of Attorney" form and the form number and date in the upper left corner shows "ASCs-211, 2-2-62" you have the authority to sign cotton loans as an agent. If you have any other form it will be necessary that you have this new form executed. The forms may be obtained from our office.

LIENS

If there is a lien against your cotton it must be waived before the loan clerk approves the loan. This may be obtained by having the lien holder sign the waiver on Form-A or by obtaining the signature on a separate form, CCC-679 and taking this form with you to obtain your loan. All lending agencies have been supplied with this form.

Producers will not receive a copy of the loan document at the time of preparation, but will be mailed a copy after the loan forms are received in our office.

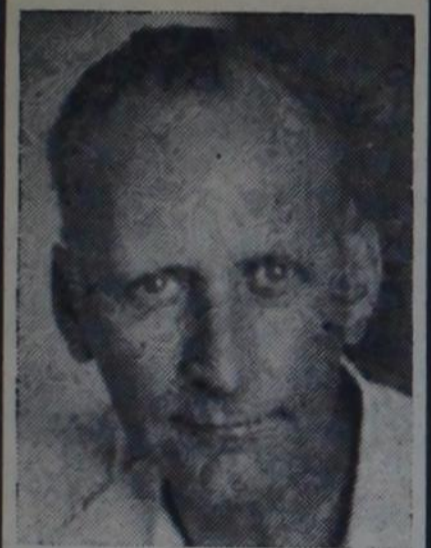

CUSTODY OF LOAN DOCUMENT

Warehouse receipts and cotton loan documents will be held in County ASCS offices until July 31, 1966, which is loan maturity date and may be repaid at our office anytime prior to maturity. Copies of loans will be catalogued and will be available to sellers and buyers at anytime prior to maturity. The 1965 crop cotton loan for Castro County is 28.96 cents per pound, basis Middling 1 inch white cotton.

Dear Blabby:

HOME WITHOUT A HUSBAND
By Oma Siler

Dear Blabby: I'm an old maid and I like it that way . . . I don't want a man around. I've got a good job and a pretty good income. My only trouble is, this. I want a nice home (of my own.) And I need help to do the work around the house, since my job takes so much of my time. What do you suggest?—Spinster.

DEAR SPINSTER: I think you want to have your cake and eat it too, but if you insist on living alone, this will help you. You can afford the nice things you want if you'll shop for them at ALLENS HOME FURNISHINGS. With their wide selection of top quality furniture and appliances, and their low prices, you can easily pay for your things on a spinster's income. Remember, those fine appliances . . . from ranges, refrigerators, and freezers, to TV sets and vacuums will make housekeeping easy.—BLABBY.

An investment in Your Future

ATTEND CHURCH

God Bless...

God bless Mommie, Daddie, and all my friends at church . . .

"Hearken unto the voice of my cry, my King, and my God."

God's word has a great deal to say about prayer, for prayer is our means to communicate with God. Through prayer we can give thanks, petition for our friends, and seek God's wisdom for our daily living.

Make prayer a daily practice in your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Clubs Meet

CHESS CLUB:
 The Chess Club met for the first time Monday, October 18, during activity period. The main purpose of the meeting was to organize the club. The officers elected were:
 King (President) — Gary Moss
 Queen (Secretary) — Donna Summers
 Bishop (Treasurer) — Donny Jackson
 Knight (Parliamentarian) — Garland Jarvis

The members of the Chess Club decided to meet on the second and fourth Tuesday of each month at eight o'clock. The next meeting will be Tuesday, October 26, at the home of Mr. Newman.

STUDENT COUNCIL:
 Wednesday, October 20, the Student Council met. The Council discussed going to Lorenzo November 13, to the area meeting of the South Plains Association of Student Councils; the Dimmitt Council is president for the area. The ten dollar membership fee, to join the Texas Association of Student Councils was sent.
 The meeting was then adjourned.

NOTICE:
 The proofs of the senior pictures will be in within two weeks. The seniors need to be making up their minds about the number of pictures that they will want, so they can make their final decision without hesitation.

The FHA girls need to be making plans for the Best Beau Banquet, which will be November 13, in the High School Cafeteria.

Don Moore Named Bobcat Of The Week

Despite the fact that it took almost an entire week to chase this fellow around, we finally slowed him up enough to get a few questions answered.

Don Moore's favorite food is chicken, his favorite color is blue, and his favorite car is the Chevrolet Impala Super Sport.

Attracting Don's eye first in the field of sports are football and basketball. In the line of teachers, Coach Cleveland hits the spot. In the future our Bobcat plans to join the navy. This may be very convenient since his hobbies are ships and aircraft carriers. (We assume models, as of yet.)

Mr. Bobcat's parents are Mr. and Mrs. B. L. Moore and his birth-date is September 9, 1943. Congratulations to you and wish you the best of luck, Don.

DHS HONOR ROLL LISTED

This year the F.T.A. will sponsor the "honor class." The class having the most students on the honor roll will have its name put on the front display case. This on the banner, which is hung in six weeks the seniors are the honored ones, as they have sixteen students on the honor roll.

To be eligible for the honor roll, a student must have an average of at least 87 with no grade below 87, over the six weeks period. If, at the end of a six weeks period, a student has a high average, he should go to the office and ask for an honor roll form, on which he should list his grades in each subject, excluding band, P. E., and major sports, and his average. Then he should return the form to the office.

The students making the honor roll this six weeks are:

BOBCAT TALE PHILOSOPHER Necessity Of Education

All through our national history, our leaders have stressed the necessity of education. They have realized that the fate of the nation depends on the education of its youth, that the sure foundation of the state is laid in knowledge instead of ignorance: to inform and give knowledge is the best safeguard of liberty.

What is the purpose of education? This question could be answered in many ways. It is to promote good citizenship, preparation for life, right social living, moral character, happiness, growth according to nature, full development of personality. In the final analysis, the purpose of

living and the purpose of education are basically the same. The reason a people have for living is the end toward which they guide the education of their youth.

Today there are many young people all over the world that seem to think education is going out of style. That it is just something to pass their time away with but we must realize that the nature of a person has its beginning in his education.

Daniel Webster once said: "If we work upon marble, it will perish, if on brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, and enboss them with principles, and with the love of our fellowmen, we engrave on those tablets something that will brighten to all eternity."

Vo Ag Boys Attend State Fair In Dallas

Approximately forty of the Dimmitt Vocational Agriculture boys left for the State Fair in Dallas via truck after the Dimmitt - Friona game. The trip was sponsored by Mr. Elroy Otte, one of the VoAg teachers and Mr. Jon Henderson, the other Vo-Ag teacher, stayed home to pick up some of the FFA boys in Amarillo who had attended the FFA Convention in Kansas City.

The truck left the Ag building around 11:00 Friday night, but before it had gone very far, the outside lights went out on the trailer, and this caused a two hour delay at the Calvin Petty farm. The lights inside the van had to be turned off because they overloaded the fuse; the boys had quite a rough time in the dark. They arrived Saturday at noon in Dallas.

The trip's main purpose was to observe the livestock and agriculture exhibit. The boys were on their own until twelve o'clock that night; what happened in that time is hard to say except that it was expensive and few of the boys will say too much about it. The boys who went on the trip would like to extend their thanks to Dicky's Dozer Service, who furnished the truck; Soapy Holland, who furnished the van, and to Don Robb, the driver, and to Mr. Otte, who made this trip possible.

Whirlwinds Down Dimmitt Bobcats

The Dimmitt Bobcats met the Floydada Whirlwinds at Floydada Friday after a real exciting game which saw the lead change many times the Whirlwinds finally got the final score to win the game 18-15.

Floydada won the toss and elected to receive. On the first play Gary Lyles was wide open and could have scored easily if he had not have dropped the pass. So they were forced to punt. After getting 3 first downs in the drive Beelee Goodwin went over from the one for the score. The play was called back on an offside penalty. This didn't stop the 'Cats as Joe Bob Sanders carried to the 3 yd. line. On the next play Joe Bob went over for the touchdown. The extra point attempt by Ronnie Kenmore was good, and the Bobcats led by a 7-0 score.

Dimmitt kicked off to Floydada but they were not able to move the ball Dimmitt took over and after making 1 first down were forced to punt. Floydada took over and after making 2 first downs Waldo West caught the pass for a touchdown. The attempt for the 2 extra points was no good. The score was now 7-6 in favor of Dimmitt.

Dimmitt took the kickoff and after making 2 first downs and getting to the 19 yd. line the 'Cats were forced to give up the ball. Floydada picked up 2 first downs before they were forced to give up the ball. Dimmitt took over as the clock ran out in the first half with Dimmitt leading 7-6.

In the second half Floydada kicked off to Dimmitt. After making a 1st down the Bobcats were forced to punt. On third down and 8 yards for Floydada John Cantrell went 74 yards for the touchdown. The extra point was no good. Floydada now led for the first time by a 12-7 score. After the kickoff the 'Cats made 1 first down but were forced to punt. Floydada was stopped when they had a 3rd and 1 yd. They were forced to punt. The Bobcats couldn't move and were forced to punt. The third quarter ended at this point. Floydada got the ball but were forced to punt. Dimmitt fumbled and Floydada took over on the yd. line. Dimmitt's defense stopped the Whirlwinds as the quarterback fumbled and John Howell caught it in the air and ran to the 36 yd line. Dimmitt drove all the way getting 4 first downs with 3:25 left in the game Joe Bob Sanders went 6 yds. for the touchdown which put Dimmitt back in the lead. Bernard Bossett ran for the 2 extra point to make the score 5-12

Susan Thornton Hosts Slumber Party For Frosh

Susan Thornton's house was the scene of another one of those freshman slumber parties Friday night, October 14. Everyone was in by 12:30 after the Hootenanny. By "everyone", I mean Patty Simpson, Linda Bradley, Nell Wood, Carolyn Scarborough, Sharon Barker, Sharron Flynt, Karen Birdwell, Darla Underwood, Carla Roberson, and Jeanne Damron. Since these freshman girls were still full of life, they decided to visit the senior girls who were having a party over at Eva Giles house. The freshman crew arrived just in time to snap a picture of Jan Willis and Tony Young as they drove up. I think Tony got embarrassed because he left so quickly that he ran over Jennie Damron's foot — at least he thought he did but it was all a joke. After all the girls came in, they occupied their time with a weegie - board and, of course, the telephone until about 5:30. At this time, the girls retired only to get up again at five 'til eight to go to band clean-up. Apparently it was just a typical freshman party.

Daffy-nitions

If you had a fresher of feelings, what would you say that your mood was? Well, here is what some people laughingly replied:
 Miss Griffing — Clownish
 Garland J. — Playful
 Kay B. — Happy
 Peggy Godfrey — Cheerful
 Beelee G. — Joyful
 Joe Bill B. — Sorrowful
 Beth S. — Very Mixed up
 Johnna Hastings — A Feeling of spring time.
 Vickie B. — Very changable
 Janet Fryar — Unhappy
 Beth M. — Quite emotional!
 Jean N. — Confused.
 What I really asked was, "If you had a sudden overflowing of feelings, what would your mood be?"

in favor of Dimmitt. Floydada took the kickoff and after a break went in for the score when Kerry Bearden caught a pass for the TD with only 1:04 left in the game. The extra point was no good. Dimmitt took the ball and made an attempt to score as they drove to the 20 where Floydada intercepted to end the game. The Bobcats played their best game of the season as they got 13 first downs to 7 for Floydada.

The Dimmitt 'B' team was defeated by Muleshoe by a 40-14 score. The Freshman were defeated by Muleshoe by a 36-20. The seventh grade played Olton as did the 8th. They were defeated. This week the Bobcats meet Lockney at Lockney.

Campus Chat

Hello, my name is Roy. My friends and I would like to relate to you a few stories of great interest. And, I believe, we are quite qualified to do this, for, we are the wheels off of several cars in this area. We are having a wheel convention this week and are discussing some exciting events of last week. We hope that you will get as much enjoyment from them as we did. One of my friends, B. B., which stands for Basket Ball, was present when Donna Summers, Johnna Hastings, and Evelyn Waggoner took off for Abilene to attend High School Day at A. C. C. He tells us that they had a wonderful time especially Evelyn, who plussed with her summer sweetheart, Bryan Bost from Roswell. Another friend accompanied a group of boys to Abilene after the ballgame; Stanley Byrnes, Tommy Stafford, Tommy Coleman, Ronnie Hutton, and Sammy King all report a great time.

Unfortunately, one of my friends F. B., which stands for Foot Ball, got hooked onto the wrong axle, after a very bumpy ride he arrived at Friona. He then had to roll back to Dimmitt; luckily he had no flat tire. Having rolled back to Main Street, F. B. saw Robby and Poppy, Gene and Molly, Kent and Mary, Donna and Tommy, Jan and Tony, A. D. and Barbara Elliott, Vickie and Joe, Keith Ann and Mike, Ronnie and Juanelle, Jay and Paula, and Jean and Dan. Some stag girls also rode around before going to Eva's slumber party. It is a good thing that Sherlon's wheel didn't come off — which it almost did — or it might have collided with my friend, F. B. It seems that Claudio was quite fooled by Keith McMahon's pantomime at the hootenanny. Keith, do you really sing like that? About 1:20 a.m. the girls from Susan Thornton's slumber party visited Eva's slumber party to sing Happy Birthday to Eva and to trick-or-treat a little early — both early in the month and early in the morning. That was just a few minutes after Jan got home, wasn't it, Jan???

Another of my friends, T. B., which stands for Tennis Ball, was extremely sleepy Saturday morning after riding all night under a truck full of FFA boys going to the State Fair in Dallas. Saturday I rolled along behind the all-school play cast who went to WT for a speech workshop. All this time I had to roll very fast to keep from being run over by Irene, Connie, Nancy and Peggy who were going to WT for Senior Day. My friend, B. B., reports having seen Kathy Graham Donna Dehtan, Penny Hays, and Kay Bradley in Lubbock. T. B. had to hurry to get back to WT for the football game where he saw Jacky and Genita, Irene, Connie, Nancy, Peggy, Jack, Jay, Beth and Ginger. Another friend saw Eva and Gary Keith Ann and Mike, Jackie and Bill, Ann and Jerry Don, and Jean and Dan in Dimmitt on his way to the Tech game to see the football boys and Bob, Claudio, Mary Lynn and Sue. I am sure glad that he stopped in Dimmitt, for he saw that fancy ring that Keith Ann is wearing on her third finger, left hand.

T. B., reports that all preachers had to preach loudly to keep people awake Sunday morning. They must have slept all day, however, for they were active again Sunday night. In fact, I saw Mary Kirby and Anthony Mays, Jean and Dan, Joe Bob and Doricell, A. D. and Vickie Lawson, Robby and Karen Birdwell, Donna and Tommy, Johnna dn Richard, and Joe and Vickie. Ann Scarborough, due to difficulties beyond her control, had to stay

Kathy Graham - Robby Ebeling Are Named DHS Seniors Of The Week

The daughter of Mr. and Mrs. Billy Graham, Kathy, is the senior girl of the week. She was born in Dimmitt and has attended all but one year of school here. Kathy's favorite subject is band. A book that Kathy could read again and again is Rebecca. She likes it because it is true to life. "Shenandoah" is at present Kathy's favorite movie. The Beatles are her favorite singers and "Everybody Loves Somebody" is a great song in her opinion. One good looking actor is James Garner and a pretty, lively actress is Doris Day.

Baseball is the sport that Kathy likes best since it is the only one that she understands. Mexican food is her favorite palate pleaser. The color that Kathy wears all the time and is her favorite is pink. Miss Graham's hobby is painting and her main interest is playing the piccolo. From what I hear, Kathy has found some interesting items at Tech too. Kathy's ambition is to be a public school music teacher or a history teacher. The person who our senior girl would most like to meet is Lyndon Johnson.

Our Senior boy of the week is

Robby Ebeling, son of Mr. and Mrs. Jack Ebeling. Robby was born in Amherst, Texas, and he has attended DHS for four years. His favorite subject is history.

Bobby's favorite book is Bila 18, because it is an excellent example of the treatment of Jews in World War II. He thinks "Gone With The Wind" was a good movie because it showed the feelings and the problems of the South during the time of the Civil War. There are several stars that shine brightly enough to catch Bobby's eye. The voices of Gary Lewis and the Playboys keep Bobby singing and swinging. When the song "Rusty Bells" is played he would like to cry but of course he doesn't because that wouldn't be manly. He likes the unpredictable acting of Clark Gable and he thinks Debbie Reynolds is beautiful and talented.

Other favorites on our senior's list is shrimp and he loves to wear blue shirts. Basketball is his favorite sport because it is a game of skill. Bobby's main interest is reading. His ambition is to be a teacher and later work for the State Department. The person he would most like to meet is Queen Elizabeth II.

The Shadow

This is special agent 34-22-34 reporting One day while sitting in my plush private-eye office, a mysterious letter came with a thousand dollars enclosed. With the money was a letter asking me to shadow a certain freshman girl. As this is a very important case, I got right to work on it.

On Friday the "chosen one" was followed to school. Later that day she attended the pep rally. Later on that night I followed her to the football game with Friona in which she marched with the Bobcat band; then on to the hootenanny and a slumber party at Susan Thornton's home. She then enjoyed "bugging" the girls at the senior slumber party. How about those phone calls into the wee hours of the night? Enjoy yourself? As the night grew longer, I decided I couldn't keep up with my lively subject, so I decided to retire for the night.

As Saturday morning rolled around, I found my subject leaving the Thornton's party and on her way to the football field clean-up. She got home in time to get ready to go to speech workshop at West Texas. I decided to head back to Dimmitt. After this my friend was taken to Happy by her brother to spend the weekend with her grandmother. As I had other interests in Dimmitt, I had secret BOY report about her activities. Agent BOY reported that the "chosen one" spent Sunday by attending church and spent the rest of the day just watching it rain. As I hear, she didn't enjoy this activity very much. Agent BOY then reported that the freshman girl got home Monday in time for school.

The rest of the week followed as usual. On Monday the "chosen Fish" was followed while dragging main. She had two girls with her whom I later found out was Vickie Lawson and Karen Birdwell. Later on that evening this "Fish" went to band practice

home and watch color TV. Uh-Oh!!!!!!DO I hear air -s-s-s-s How, I've got to roll away now before I get flat. See you later. Hey kids, buy your annuals now, please!!!November 3 is the very last day. Time is almost gone, don't delay, buy today.

then back home to hit the books.

Wednesday this unusual person spent the day at school and then down town to drag main and shop for a black dress. Somehow in all these activities she found time to go to the freshman and 'B' team pep club meeting at Kay Wood's home. The girls that were with this "Swinging fish", were Vickie Lawson, Patty Simpson and Karen Birdwell. After all this she simply went home for a change and studied.

Thursday our "friend" was followed to school and hen later that followed to school and then later that practice. I had just driven up when "whoosh" this fish was off to the freshman ballgame with Karen Birdwell. After watching this exciting game this "round of energy" went to get a coke and drag main. What's this I hear about your trouble with Gene Carson at the game? Why didn't you want to sit with him? My companion was Karen Birdwell. Then, as usual she was home and hitting the books.

This is agent 34-22-34 submitting this report to the Bobcat Tales staff. My comment on this person is that "I'm going to require two thousand dollars the next time I shadow a person as energetic as this "Fish".

If you haven't guessed who this is it is Sharron Flynt. The Bobcat Tales staff would like to thank Sharon for letting us shadow her this week.

Beware! The shadow is still around and he or she may be watching you!

All you lady drivers of the coffee A-Go-Go Cart please, as the cable car conductor in San Francisco says, "Watch da coives!" There is a road map in the cash drawer of the cart showing the prescribed route. If you don't follow it you'll have some mighty disappointed coffee-anticipators in the west wing.
One of our most successful and satisfying services is the work in Central Supply. Five workers on Tuesday and five on Friday. They are easing the load tremendously and it looks like five more could be used soon. Are you available?

The rummage sale was remunerative to the tune of almost \$315. All our thanks to the few who showed up to help.
By the time this gets into print, the Gift Shop work-shop will be in full swing. Watch for notice of another one soon and get your ideas and materials organized.
Health careers are being encouraged all over the United States. On November 9, a group is coming from Amarillo for this purpose. People from the Chamber of Commerce, Hospital Auxiliaries and others will make-up the groups who will be speaking to our high school students. Isn't it comforting to know that whenever there is need there is someone who will do something about it? Sometimes that someone is you.

Grain Sorghum Chat

by Wes Anthony
We continue to raise more grain sorghum each year. So we must keep finding new uses and more markets. And I do not believe we can do this as individuals but by organization only. This is exactly what our Grain Sorghum Producers Association is doing.
We complain about government controls. The government did not keep you from planting your whole place in any crop you wanted to. Neither did it make you plant any part of it.
Now be honest with yourself, why didn't you do this. Just because you didn't think it was good business, wasn't it? There is a speed limit of 70 miles per hour. You do not have to obey the law if you want to pay the penalty.
Difference of opinion: Two men were standing at the Grand Canyon. One man remarked what a beautiful sight to behold. The other said, "My, it would hold lots of garbage."

MARY HAISLIP Haislip - Cowen Engagement Announced

Mr. and Mrs. L. E. Haislip, Route 3, Hereford, announce the engagement and approaching

marriage of their daughter, Mary, to Joe Hamilton Cowen, son of Mr. and Mrs. Joseph N. Cowen, 600 S.W. Tenth, Dimmitt.

Eva Giles Hosts Party

Fifteen senior girls attended a slumber party given by Eva Giles after the football game Friday, October 15. Since it was Eva's birthday, the girls were served a lovely birthday cake, along with sandwiches and cokes. The girls got a little frightened about 1:00 a.m., because they were watching a gory science fiction show on television.

The seniors were pleasantly surprised with a visit from fifteen freshman girls (at 2:00 o'clock in the morning!) who were attending a slumber party at Susan Thornton's house. After the freshmen left, some of the seniors went to bed, but the rest stayed up and talked until about 4:00. They woke up in time to drag themselves to clean-up at the football field at 8:00. Even though they were a little sleepy Saturday and Sunday, all the girls had an enjoyable time.

Drama Students Attend Senior Day At WTSU

The Speech Department at West Texas State University in Canyon sponsored special classes for high school drama students, Saturday, October 16, 1965. One class taught the correct use of make-up for the stage and how to make costumes from regular clothing; another class showed correct movements on stage and emphasized drama; the last meeting demonstrated the use of lights and props to produce special effects, and it also showed students how to make a back-drop and other props. Those who attended from Dimmitt were Beth Sheffy, Ginger Kemp, Sharon Flynt, Bobby Ebeling, Jack Flynt and Miss Griffing.

Saturday was also Senior Day at the WT football game, and special tickets were available to high school seniors. These Dimmitt seniors explored the campus,

Dimmitt Boys Exhibit Barrows At State Fair

Dimmitt FFA and 4-H members placed four barrows Thursday and Friday in the annual Junior Barrow Show at the Livestock Show, State Fair in Dallas.

Showing barrows were Darrell Pope, Dimmitt FFA, who won third place in Lightweight Berkshire and Johnny Adams, Castro County 4-H, who won third place with a lightweight Chester White. Adams also placed a barrow in seventh place of medium weight Chester White division.

Grand Champion barrow was a

210 pound Hampshire owned by Terry Kendall, 16, of Muleshoe. His parents are Mr. and Mrs. Guy Kendall. He is a junior at Muleshoe High School and a member of the FFA.

Reserve Grand Champion barrow was a 224 pound Hampshire owned by Jimmy Alair, 14 of Springlake. He is the son of Mr. and Mrs. Thomas E. Alair and is in the ninth grade. He is a member of Springlake-Earth FFA.

A grand total of 1,324 individual livestock were shown by exhibitors. Following the sifting, a total of 970 were exhibited. Breakdown of the show includes exhibition of 594 barrows, 132 steers and 244 market steers at the 1965 Junior Livestock Show, State Fair of Texas.

Texas Highway Patrol Checks 11 Rural Wrecks

The Texas Highway Patrol investigated 11 accidents on rural highways in Castro County during the month of September, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, nine persons injured and an estimated property damage of \$6,362.00.

The rural traffic accident summary for this county from January through September of 1965 shows a total of 76 crashes. As a result of these crashes there were five persons killed and 73 persons injured. The estimated property damage amounted to \$53,737.00.

November 29, 1965 is the deadline for applications for the next Patrol Training School. "Applications for the position of patrolman should be made as soon as possible," the Sergeant stated. Those who are selected to fill these positions have the privilege of knowing that they stand as the symbol of order in our society and are respected by all law abiding citizens.

"The work of the patrolman is challenging," the Sergeant pointed out, "but the rewards are many. Each man answers a call to serve with the best opportunities for participating in the constantly developing effort to curb the dual menace of increasing crime and traffic accidents."

Full details on qualifications can be obtained from the nearest Department of Public Safety Office or from any DPS Patrolman.

LAST MINUTE TOUCHDOWN DEFEATS BOBCATS, 18-15

Dimmitt Bobcats almost tamed the Floydada Whirlwinds Friday night but lost in the last minute final touchdown to win 18-15. This was the 'Cats best game of the year.

TERRY HILL (88) carries the ball for yardage in Friday's game against Floydada. Other Bobcats are Joe Bob Sanders (19), Tony Young (11) and Tommy Stafford (20). See story. —Staff Photo

RONNIE KENMORE (83) carries for the Bobcats. Whirlwinds are Steve Marler (21) and Dayne Golightly (30). See story for details. —Staff Photo

Dimmitt kicked off to Floydada to open action Friday night at Whirlwind stadium. Floydada took the ball on the 32 yard line and started a short drive which ended on a fourth down punt to the Bobcats.

Dimmitt took over on the 41 yard line and drove for a touchdown. Tony Young carried seven yards for the Bobcats to start off the long scoring drive. Then a 15 yard penalty against Floydada set the ball on the 3 yard line in Floydada territory. Young moved the ball seven yards again and then on the next play, he carried for a first down to the 23 yard line. Young took the handoff on the first and ten situation and bowled his way to the 11 yard line. Joe Bob Sanders made a five yard plunge to the six yard line. Young carried the pigskin to the one yard line on the next play. Beelee Goodwin plunged over the goal on a quarterback sneak but the play was called back due to an offside against Dimmitt.

With first down and six yards needed for a touchdown, Joe Bob Sanders took the handoff and drove three yards and then on the next play he plowed the final three yards for a touchdown with six minutes and 46 seconds left in the first quarter. Ronnie Kenmore booted the extra point and Dimmitt took an early lead, 7-0.

Floydada took the kickoff on the 10 yard line and ran it back to the 24 yard line where after three plays and needing one yard for a first down, the 'Winds were forced to punt.

Dimmitt took possession of the ball and after one first down was forced to punt on a fourth and 40 yards to put Floydada on the

10 yard line.

The first quarter ended with Floydada plowing through for a first down to the 30 yard line. Floydada gained two yards on first play and then a five-yard offside penalty set up a first and six situation for the 'Winds. Kerry Bearden carried five yards and John DeLeon, quarterback, dashed over for a first down.

The 'Winds needed six yards to reach the midfield stripe when DeLeon was pulled down for a five yard loss by Bobcats Joe Bob Sanders, David Seale, Don Moore, and Stanley Byrnes.

DeLeon carries for one yard gain on the next play. Then with third down and 13 yards needed for a first down, Joe Christian broke loose for 10 yard run to the Dimmitt 28 yard line.

Floydada carried on the next play for a one yard gain and then on second play from scrimmage, DeLeon sent a 27 yard pass to Waldo West for a touchdown

25 yard line. Darrell Monday carried the ball for a two yard gain on the first play. Dimmitt's John Howell made a good tackle on the second play which stopped Floydada with no gain. On the third play, John Cantrell ran 88 yards for a touchdown behind some key blocking to put Floydada in the lead for the first time during the game. Extra point attempt was no good and the scoreboard read 12-7.

The third quarter ended with Floydada in possession on the 'Winds 33 yard line. Floydada was forced to punt and as Young moved in to make a fair catch, he fumbled the ball and Floydada recovered on Dimmitt's 25 yard line. On an outstanding play of the evening, John Howell intercepted a Floydada pass and ran it to the 36 yard line. From there, the Bobcats drove for their second touchdown of the night.

Hard-driving Bobcats Joe Bob Sanders, Terry Hill, Tommy Stafford and Tony Young shared the duties of carrying the ball to the 10 yard line where Sanders plowed to the six yard line on first and ten situation. On the next carry, Sanders plunged through the middle for a touchdown with three minutes and 25 seconds left in the ballgame. Quarterback Beelee Goodwin pitched out to Bernard Bossett who lunged for the extra two points and the Bob-

cats took the lead again, 15-12. Floydada took the kickoff and started a final touchdown drive which defeated the Bobcats with only a minute left in the game. During the drive, DeLeon sent an aerial to Waldo West which set Floydada up on the 16 yard line. John Cantrell carried to the four yard line and then on the next play, Joe Christian pulled in a short pass for the winning touchdown. Extra point attempt was no good and the score was 13-15 with one minute and four seconds of playing time left in the game.

Dimmitt took the kickoff and ran the clock out in an effort to score again.

District 2-A team standings follow: Abernathy, 2 wins, 0 losses; Friona, 2 wins, 0 losses; Lockney, 1 win, 1 loss; Floydada, 1 win, 1 loss; Dimmitt, 0 wins, 2 losses; Olton, 0 wins, 2 losses.

The Bobcats will face Lockney next week, there at 7:30 p.m. Lockney and Dimmitt have been defeated by Friona. Lockney defeated Olton to stay out of the cellar. The Bobcats will be looking for their first win of the season, Friday night.

EASTER NEWS

Ernest Flood and Joe of Wesley visited Sunday afternoon with Mr. and Mrs. J. H. Flood. Doricell Oldham of Dimmitt spent Wednesday night with Reba Hall.

Mr. and Mrs. Fred Walton visited with Mrs. Oscar Lanier Wednesday in the Hereford hospital. Mrs. Lanier is from Boys Ranch. Ronnie Hall was among those in the Frio Jelly Workers 4-H Club that were on the Radio Bank Program Saturday morning at Dimmitt.

Mr. and Mrs. Fred Walton were in Amarillo Tuesday on business. Rocky Andrews spent Sunday

Jack Nichols To Direct Talent Show

Jack Nichols, son of John Nichols of 700 Maple, Dimmitt, is director of the Oklahoma Christian College Fall Windstorm, which is a musically coordinated talent show. This is the first of six

different shows to be directed and produced by Nichols and Jeff Williams, another OCC student.

Fall Windstorm is a repeat of Windstorm '65 upon the request of Mrs. James Baird, president of the 1965 Harvest Fair which will be conducted by the OCC Stepping Stones October 29 and at which time the show will be presented. A second performance will be given for students Saturday night, October 30. Those students participating in the show were chosen from strict audition.

Cattle Producers Can Earn Big Share of Consumer's Beef Dollar

Improve Cotton Defoliation Programs—Cotton producers who use mechanical harvesters often receive lower than normal grades on their cotton due to a poor defoliation program. Extension Service cotton specialists encourage farmers to improve cotton defoliation programs by choosing proper chemicals, applying thoroughly at recommended rates, being sure that equipment is in good working condition and properly calibrated, and keeping abreast of latest weather conditions and predictions.

Shorn Wool Prices Decline — Monthly prices for shorn wool during the first half of 1965 averaged 5 to 14 percent below year earlier prices and ranged from 47 to 48 cents per pound, grease basis, USDA reports. Estimated U. S. shorn wool production for 1965 is 4 percent below 1964 production. Worl wool prices declined during the second half of 1964 due to increased blending and substitution of lower-priced man-made fibers and declining mill use of raw wool, USDA economists add.

J. Mullin Is Garden Club Guest Speaker

"Landscape design, one of our oldest arts is one of the newest arts available to the public," said Mr. J. Mullin of Lubbock, guest speaker at the Dimmitt Garden Club, Wednesday, October 20.

Mullin spoke on "Landscape Designing in the Home." He showed and explained three different homes he had designed the landscapes for in Lubbock. The formal and informal gardens landscapes featured oriental, Mullin concluded by saying that these designs could be incorporated in Dimmitt gardens.

Mrs. Iris Touchstone, president, presided at a short business meeting. Mrs. Sid Sheffy announced the State Board meeting will be held at the Texas Hotel in Fort Worth, Nov. 1-3.

Buffet luncheon was served at the Colonial Inn to 20 members and five guests. Guests attending were Mesdames Bud Giles, oe Scott, Roy Cluck, Jerry Hardin and a new member, Mrs. Walter Myrick.

Now is the time to plant your spring bulbs.

Farmers Union -
(Continued from Page 1)

are Shirley Garrison, president; Don Carpenter, vice-president; and Jerry Wilhelm, secretary, treasurer.

Board of directors for Farmers Union include Calvin Lippard, Ed Wilson, C. W. George, Jr., James Welch, Charles Wales, Sam Sanders, Ralph Futrell, Dean Sanderson, ohn Merritt, Greg Hoelting, Fritz Smith and Trent Downing.

Following resolutions were passed by the Farmers Union for 1966:

FEED GRAINS:
Whereas, the present voluntary feed grain program has been successful in reducing carryover stocks, and maintaining the farmers' level of income Farmers Union congratulates the Secretary of Agriculture and the Congress for passing a four year program for feed grains allowing the farmer to make long range plans.

However Castro County Farmer Union recommends some needed changes to more accurately adjust individual farm yield bases, namely:

1. That the base yields all counties and producers be based on more recent years to reflect current yield levels.

2. That the county ASC Committees be given authority to adjust individual farm yield bases in years of hail and severe weather condition.

3. That the County ASC Committees be given authority to make yield adjustments for producers of grain and forage seed crops planted on feed grain acreage. This adjustment to be made on yield potential of the particular seed variety compared with regular hybrid milo varieties grown locally.

COTTON:
We favor the one-price program wherein American mills buy U. S. cotton at the same price it is offered to foreign mills.

That loans to cooperators be set at least 90 percent of the estimated average world market price plus a price support payment to these cooperators in an amount to reflect at least 90 per cent of parity on the projected yield of their acreage permitted to be devoted to cotton.

Due to the desire of some producers not to raise cotton, uneconomical size allotments, we favor the sale or lease of cotton acreage allotments within a county, or in other counties of the same state. This sale or lease to be made after appropriate adjustments have been made as to not to add to the surplus.

We recommend that skip row planting be continued as in 1965 with full credit for acres left out.

LABOR:
We recommend that the Secretary of Agriculture determine the need for foreign labor and be given authority to make agreement with countries concerned so workers will be available in areas where needed.

SUGAR BEETS:
We recommend that a larger percentage of the entire sugar allotment be given to domestic growers, and specifically, all of the growth factor allotments be given to domestic growers.

OTHER:
We recommend that price support payment, diverted acreage, and cropland adjustment payments be made to the landlord and tenant farmer on the same basis as rent. The county committee should be given the authority to rule farms ineligible to those who refuse to comply.

"The electric load growth in Castro County has been one of the fastest throughout our company's 45,000 square mile service area. These new improvements which firm up our power sources and the ability to distribute that power when it reaches the local communities will make it possible for the area to grow electrically for many years to come," Earl Brock, the electric company's Dimmitt-Hart manager, said.

The million dollar-plus improvement in the Castro County area is part of Southwestern Public Service Company's 1965 construction program calling for the investment of an additional \$24,000,000 throughout its service area.

Amendment Proposal Discussed

Paul Miller, Veterans' County Service Officer, for Castro County strongly recommends that the people of this area support and vote for Amendment No. 2 on November 2nd which authorizes the continuation of the Veterans' Land Program. Miller says that the program has not only benefited the State of Texas, but it has greatly helped the economy of our local area.

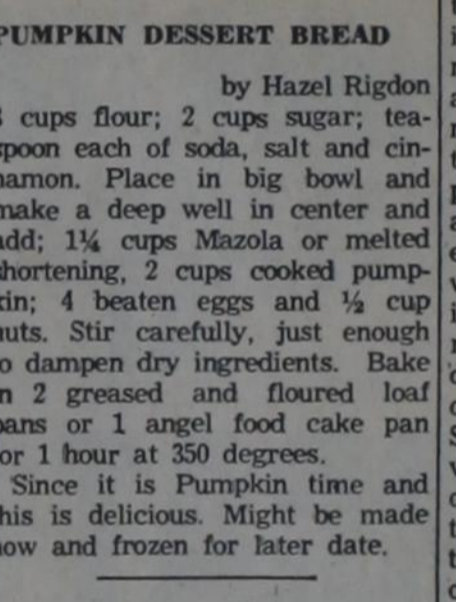

There have been 33 veterans who have purchased 2,243 acres of land in Castro County for \$226,479.00. This program has been highly successful and has given Texas veterans a chance to own a tract of land that they fought to protect. It is a program that is not only self-supporting but is making a profit for the taxpayers and people of Texas of over 2 1/2 million a year. While making this profit for the taxpayers and people of Texas and helping Texas as veterans, it is boosting the economy of the state, something we all want. Counting the rotating money there has been \$236 million invested in land and to date there has been 34,800 tracts of land bought for veterans in the State of Texas. 6,100 of these veterans have paid their tracts off in full. 8,200 veterans have transferred their contracts after three years. 6,000 have executed oil and gas leases and approximately 500 tracts have producing oil and gas wells on them.

Every individual in the State of Texas is benefited and affected by the Veterans' Land Program. Many veterans daily are asking to purchase land through the program. If the vote on Amendment No. 2 on November 2nd is favorable, then the Veterans' Land Program will continue to purchase land. Land Commissioner Jerry Sadler says that a new program will operate on a current basis so that veterans will not have to wait to receive their contracts and necessary papers to purchase land through the program. A veteran will be permitted to purchase \$10,000 worth of land compared to \$7,500 under the present program. Miller strongly urges that the people of this area go to the polls on November 2nd and support Amendment No. 2, the continuation of the Veterans' Land Program.

PUMPKIN DESSERT BREAD
by Hazel Rigdon
3 cups flour; 2 cups sugar; teaspoon each of soda, salt and cinnamon. Place in big bowl and make a deep well in center and add; 1 1/4 cups Mazola or melted shortening, 2 cups cooked pumpkin; 4 beaten eggs and 1/2 cup nuts. Stir carefully, just enough to dampen dry ingredients. Bake in 2 greased and floured loaf pans or 1 angel food cake pan for 1 hour at 350 degrees.

Since it is Pumpkin time and this is delicious. Might be made now and frozen for later date.

PRISON RODEO STAR -
Jimmy Dean, dynamic television star, returns to the prison stadium in Huntsville on Sunday, Oct. 31 as a featured attraction for the final performance of the 34th Annual Texas Prison Rodeo. Dean packed the prison stadium in 1964 and inmates predict that he will repeat his popularity again this year. Along with Dean will be the prison's "cream-of-the-crop" inmate cowboys competing in several exclusive prison-produced contests. Too, inmate entertainers will be on hand to help entertain rodeo fans for two solid hours, beginning at 2 p.m.

Nazareth Stops Lazbuddie 34-0 In Friday Night Action

by Art Albracht
Led by a hard charging defense and a first up offense, Nazareth rolled past Lazbuddie 34-0 last Friday in Nazareth.

The victory kept the Nazareth slate clean in district with a 2-0 record and gave the Swifts a 4-1 record on the season. Nazareth controlled the game from the start and broke it wide open in the second quarter when the Swifts scored 21 points and made their lead 28-0. The body crunching defense allowed the Lazbuddie attack only 43 yards on the ground while the brilliant Nazareth pass defense picked off four Longhorn passes.

Quarterback Marvin Hoelting led the well balanced offensive attack with all the interior linemen doing a fine job of blocking. Donald Braddock, along with Tony Birkenfeld, Claude Ammen, and Clyde Schulte were defensive standouts against the rush, while Hoelting and Gerald Brockman shined against the Lazbuddie pass offense.

It was the four pass interceptions that wrecked the Lazbuddie upset plans, plus an 85 yard punt return by Hoelting. The punt return by Hoelting was set up by a murderous block thrown by Braddock at the Nazareth 20 yard line. Hoelting cut around right end, down the sidelines then made a fake and cut at the Lazbuddie 45. Hoelting then simply had to sprint the remaining 45 for the tally. Ricky Gerber and Gerald Brockman threw important blocks along the touchdown romp.

Brockman was the top rusher for the night with 73 yards in 11 carries and the fleet halfback also caught three passes for 52 more yards.

The first Swift score came in the late part of the first quarter. Hoelting took a Longhorn punt back to the Lazbuddie 45 from his 34 to begin the drive. On the first and ten, Brockman took a pitch cut around left end for 26 yards to the Nazareth 18. On the next play, a block by Jerry Aberant sent Hoelting home free, on an 18 yard quarterback keeper. Hoelting split the uprights for the conversion and the Swifts led 7-0.

Nazareth shortly exploded for another touchdown, when Hoelting scampered 85 yards on the punt. Again the conversion went good making the score 14-0 Nazareth. On the next Lazbuddie possession, the Longhorns could go no where. Harold Venhaus, who played by far his best game on defense, clobbered the Longhorn ball carrier on one down, while Ricky Gerber belted the Longhorn halfback on another. Nazareth got a punt but could do little offensively.

The Swifts hit pay dirt again in the middle of the second quarter. It took the Nazareth offense just three plays to score, after Hoelting picked off a Lazbuddie pass at the Nazareth 48. Brockman took a pass for 28, then scampered 15 on a hand off, moving the ball to the visitors' one. Halfback Gerber dove into the end zone for another marker. The

extra point was perfect, and the score now was 21-0 with the Swifts well out in front.

Venhaus was up to his old tricks after the Longhorns went to work at their 38. Again he smashed the Longhorn ball carrier at the line of scrimmage. A pass interception on a second and five yard play, gave the Swifts a first down at the Lazbuddie 30. In six plays the Swifts had another score. Brockman got it on a three yard dive over left tackle.

The drive for the score was aided by a pair of passes from Hoelting to end Tommy Pohlmeier. The conversion went good and the halftime score stood at Nazareth 28, Lazbuddie 0.

Nazareth took the second half kickoff back to the Lazbuddie 33. Back to back 15 yard penalties were assessed against the Longhorns before the kickoff which aided the Swifts in getting good field position. In five rushes the Swifts got their final score when Hoelting capped the drive on a 16 yard keeper play around left conversion attempt of the night as the ball was partly blocked.

Brockman, later in the third stanza, swiped a Longhorn aerial and returned it to the Lazbuddie 35. The Swifts couldn't get a first down, so Hoelting dropped back to punt. The quarterback, faked the kick and then scampered for a first down at the Lazbuddie 21. From that point, the Swifts were stopped. Lazbuddie covered a Nazareth fumble by Hoelting at the 23 of the Longhorns.

A fired up defensive effort held the Longhorns without a score in the final quarter. The second unit offense played the entire last quarter while the defense used the regulars, so as to keep the Longhorns from scoring.

Statistics for the battle show the Swifts with nine first downs to Lazbuddie's five. On the ground, the Swifts got 118 yards to 43 by the Longhorns. Hoelting completed 5 of 10 passes for 65 yards. The all purpose quarterback punted for an average of 38 yards in four kicks. Nazareth got four first downs rushing, three by passing and two by penalties.

The Swifts got for the big victory this Friday on the Nazareth homecoming evening. Bovina will battle Nazareth starting at 7:30 p.m. If the Swifts can grab this game, they could figure prominently in the district deciding of a district champion. Bovina is a very strong team and is playing its last year in class B football. Vega has lost only one game on the season and romped to another district victory over the Happy Cowboys by the count of 41-0. Vega, without a doubt, is the toughest team the Swifts will face. The Vega team lost only one starter from last season's solid team and have tremendous size and experience.

Nazareth can't rest for at least two weeks, as they play Bovina this week and Vega the next.
