DALLAS (AP) — Hary Hoxsey, Dallas cancer clinic owner, says he is going to ask Congress to investigate the Food and Drug Administration. That agency has stated his cancer treatment is worthless.

### Rainier Kin Gets No Bid To Wedding

LAS VEGAS, Nev. (AP) — The world may be watching the marriage in Monte Carlo this week but D. B. Lorenzi, hefe in one of America's gambling resorts, says he isn't very interested. Lorenzi, a retired land developer, claims he is a second cousin of Prince Rainier III, tracing his ancestry to the Monaco royal line of Grimaldi through his grandfather. He said he was born in Montau, France, near Monaco, and came to Las Vegas in 1911. Asked if he had been invited to the wedding, Lorenzi, now in his 80s, replied: "No. It's too high class society for me. I'm just a plain Las Vegas man."

### Comedian's Son Asks Name Change

LOS ANGELES (AP) — Charles Richard Fitzgerald told Superior Court that during the war when he was in the Army he often failed to answer to his name at bed check and mail call. Fitzgerald said this and similar inconveniences prompted him to ask the court yesterday to legalize his stage name, Charley Foy. Foy, 57, is the son of the late Eddie Foy, a famous vaudeville performer.

## Russia Moving For Mid-East Position

WASHINGTON (AP) — The Soviet Union appears to be moving swiftly and with great skill to consolidate a position as a power in Middle Eastern affairs.

This is the interpretation most generally placed here on the Russian Foreign Office announcement of readiness to cooperate in United Nations efforts to make peace between Israel and the Arab states.

The move, in the view of U.S. officials, was timed to set the stage for British-Russian talks on the Middle East. It was announced as a warship carrying Soviet Premier Nikolai Bulganin and Nikita Khrushchev, Communist party boss, approached English shores for the first visit ever made by Soviet Communist rulers to a great Western capital.

American officials are watching the London scene closely to see what kind of impact the Soviet leaders make on the people of England and Western Europe. They also are eager to learn whether the Kremlin plan comes up with any concrete proposals for Middle East action, for progress on disarmament negotiations or for developments on other world issues.

Officials here believe Bulganin and Khrushchev would welcome an invitation to visit Washington. No consideration is being given at present to extending such an invitation. It might be possible if their London visit goes off well.

The Russian policy shift on the Middle East is analyzed here as serving several Soviet purposes. At least one of them coincides with the announced abolition of the Cominform as an agency for international Red propaganda.

This is the idea that a major aim of Soviet foreign policy now is to demonstrate peaceful and friendly intentions all over the world with the hope of diminishing fear of Soviet power and lulling

## Princess Grace To Live Mainly At French Villa

MONTE CARLO (AP) — Grace Kelly's hairdresser says the film queen has done more living in the Palace of Monaco in the past week than she will as Prince Rainier's wife.

The hairdresser, Virginia Darcy, told reporters Grace and the Prince plan to live in his villa "Ibera", over the frontier in France at nearby St. Jean-Cap Ferrat. They'll use the old 200-room palace for work, state functions and diplomatic affairs.

Miss Darcy spent all day yesterday at the palace, in the elegant five-room suite Grace has been occupying. Furnished in Empire style, it has a mosaic bathroom, a sitting room, an office, a wardrobe room and bedroom.

The actress has been attended by two maids and an English secretary, the latter a resident of Monaco for many years. Loads of fan mail, written in many languages, as well as heaps of gifts are making Grace's letter writing one of her most important jobs.

Miss Darcy said when Grace saw a gold and silver tray sent by Britain's Queen Elizabeth II, she exclaimed, "How did she ever hear about me?"

The whirl of prewedding festivities has left the blonde film star short on sleep. She went to bed at 4 a.m. Tuesday and also was up late last night.

Miss Darcy described Grace as a little tired but thrilled and overwhelmed by the exciting events of the last week. Despite the thrills and excitement, she said, Grace repeatedly sighed, "I'll be glad to get on that yacht." She and Rainier will spend their honeymoon cruising the Mediterranean aboard his yacht.

## 'Frisco Hotel Fire Kills 2

SAN FRANCISCO (AP) — Fire swept through a downtown hotel today, killing a man and a woman and injuring 10 other persons.

Ten persons were treated for injuries. The dead were not identified. The fire broke out about 1:20 a.m. in the St. George Hotel.

About 70 residents fled the building as flames burst through fourth-floor windows.

## Republican Wins Louisiana Election

SHREVEPORT, La. (AP) — A pro-segregation Republican was named to the Caddo Parish Police Jury yesterday, the first Republican to be elected in the Shreveport area since reconstruction days.

Charles T. Beard 33, defeated Democratic incumbent Thomas P. Fitzgerald. Beard was one of 14 elected to the police jury in Ward 4.

Beard polled 5,652 votes to 3,294 for Fitzgerald, an attorney, who favors integration.

Five other Republicans ran for posts on the jury, the parish (county) governing body, but all were defeated.

## Ike Swamps Estes In New Jersey Vote

NEWARK, N.J. (AP) — Sen. Estes Kefauver of Tennessee went down to a resounding defeat in the New Jersey primary today, the most serious setback since he opened his campaign for the Democratic presidential nomination.

At the same time, New Jersey Republicans gave President Eisenhower a firm endorsement, although he had no opposition.

Returns from 3,416 of the state's 4,155 voting districts showed these totals in the preference sections of the ballots: Eisenhower 280,007; Kefauver 98,227.

In the Democratic returns, there also were 1,681 write-ins for Adlai Stevenson, who was not a candidate in this primary.

For Kefauver, however, the "popularity contest" was much less serious than the battle for delegates to the nominating convention. His 72 backers — who would have 36 convention votes — were swamped by an unplugged slate headed by Gov. Robert B. Meyner.

The organization elected 63 delegates with 31 1/2 votes, while Kefauver elected only one delegate with 1/2 vote. The organization led in the remaining 8 contests with 4 votes.

On the Republican side, a 38-vote delegation pledged to the President was elected. It had taken opposition from three "conservative" and undesignated candidates.

A tabulation of the first and last candidates listed on the organization and Kefauver delegate-at-large slates, with 3,361 of 4,155 districts reported, showed that Gov. Robert B. Meyner, head of the organization slate, polled 155,008 votes. The 18th listed member of Meyner's ticket received 105,815.

On the Kefauver slate, the vote total ranged from 64,401 for the first listed, to 39,194 for the last.

Kefauver campaigned extensively for six days in New Jersey, making his final appearance last Sunday. But the tactics of hand-shaking and meeting people that served him so well in New Hampshire and Minnesota failed here.

His campaign manager here, Martin J. Rafferty of Newark, said however: "The senator performed a great service for the people of New Jersey. He showed great political courage by coming into the state. The people gave him a good vote. It is by no means a defeat for him. Highly organized Democratic

Surrounded

Sen. Estes Kefauver, seeking the Democratic presidential nomination, is surrounded as he shakes hands with some of the hundreds who listened to him make a speech from the steps of the San Francisco, Calif., city hall a few minutes earlier. Kefauver is making a three-day tour of Northern California.

machines in 21 counties were too much for him to overcome." Neither Eisenhower nor Kefauver got as many preferential votes in this election as they had in 1952, but the President's percentage was better. Four years ago, after a hot fight with the late Sen. Robert A. Taft, he polled 390,591 votes — nearly half the total cast then by both parties.

Kefauver got 154,964 in 1952 when he was also unopposed. He did not contest then for convention delegates and at the convention got only three of New Jersey's votes on the first ballot.

In a battle for convention delegates this time, the senator met a clear-cut defeat. Before the election, he had predicted he would win at least 10 delegates.

Democratic State Chairman George Brunner said early today that "results were as we anticipated. We were interested in elect-

ing a full slate of unpledged delegates because we felt the party must be interested in selecting the strongest possible Democratic candidate. We feel as a party that the Democrats will elect the next President."

Kefauver's preferential total ran ahead of the statewide votes of his strongest delegate-candidates, but he did not keep up with organization candidates. Since his was the only name on the "popularity" section of the ballot, many Democrats evidently did not cast a vote there.

Some Stevenson backers had asked support of the organization slate and a boycott of the presidential balloting.

The extent of this "cutting" of Kefauver seemed especially apparent in Mercer and Middlesex Counties. Both are Democratic strongholds where a Democrat could be expected to run ahead of any Republican, but in this primary Eisenhower outscored Kefauver in both counties.

There was little likelihood that the vote reflected any reaction to the President's veto of the farm bill. New Jersey's farm population is not large.

## Youth Corruption By Peron Claimed

BUENOS AIRES (AP) — Ousted dictator Juan D. Peron spent about \$4 million dollars during the last years of his 19-year regime to corrupt Argentina's youth, a government report says.

The National Investigating Commission reported on activities of the Union of Secondary Students, a youth organization formed by Peron.

Peron is now in exile in Panama. The report said Peron set up the student union to serve his "personal and political ends" and incited the youths to rebel against conventions, morals, customs and institutions.

## Student Gets Long List Of Sentences

MOUNT STERLING, Ky. (AP) — Billy Hill, 17-year-old high school senior, received the following sentences when he pleaded guilty to 12 different charges in Circuit Court yesterday:

Ten years for robbery, two years for carrying concealed a deadly weapon, two years on each of two housebreaking charges, two years on each of two charges of stealing from a school, one year for operating a motor vehicle without the owner's consent, and one year on each of five charges of storehouse breaking.

The sentences will run concurrently and the youth will be turned over to the Kentucky Youth Authority until he becomes of age.

## Jaycees To Attend State Convention

The Big Spring delegation, headed by President David Simms, took off Wednesday morning for Brownsville and the state Jaycee convention.

Eleven were in the party representing the local chapter in activities that will continue through Saturday.

Big Spring has entered the publications contest, and it also has entries in the safety and agricultural divisions of the scrapbook contests.

Among those making the trip were Mr. and Mrs. Simms, Mr. and Mrs. C. C. Ryan Jr., Mr. and Mrs. Harry Weeg, Mr. and Mrs. Ralph McLaughlin, Lt. Bob Green, Lt. Elden Clayton, Lt. Bob Harrell, Neil Norred and Bill Gray.

# Bonds Set For Three Airmen

Three Webb Air Force Base airmen, held on charges of robbery by assault, waived examining trials when arraigned before Walter T. Grice, justice of peace, on Tuesday afternoon.

Grice set bonds of \$4,000 each in the case.

The three are Richard Foster, H. C. Ritchie, and James E. Forester.

The defendants had not posted bail Wednesday and were still in the county jail.

They were captured Monday afternoon a few hours after Charles Elliott, Midland, was robbed of his money and car and left tied on a road near Coahoma.

The trio was taken into custody near Abilene.

The men had been given a ride along U. S. Highway 80 east of Big Spring early Monday morning. They told Jess Slaughter, sheriff, they had left the base on Sunday morning and had planned to "get out of Texas."

# Episcopal Men Choose Officers

Three Air Force officers were elected to the top offices in the Men's Club of St. Mary's Episcopal Church last night.

They are Maj. Risdon B. Wall, new president; Maj. Max Wilmon, vice president; and Capt. Harold Tibbs, secretary-treasurer.

The club heard a talk by E. V. Spence, manager of the Colorado River Municipal Water District, on experiments in the field of water conservation through prevention of evaporation. Spence is member of a state-wide panel conducting the studies.

Rev. William D. Boyd, St. Mary's rector, reported on the session of the College of Preachers of the Episcopal Church which he attended in Washington, D. C., recently.

The club met in the Colonial Room at the Howard House. Dr. R. B. G. Cowper, retiring president, was in charge of the meeting.

# Guilford Jones Announces As DA Candidate

Guilford (Gil) Jones announced today that he is seeking election to the office of district attorney.

He is currently filling the office by appointment, following the resignation of Elton Gilliland in October of 1954.

Prior to becoming district attorney, Jones had been in private practice. He had practiced in the district court here and in surrounding counties as well as in federal district court.

Jones is 36 years of age. He and his wife, Bette, have two children, Guilford Jr., 12, and Janet, 8. They reside at 1610 Seury Street.

After five years in the Army during World War II, Jones returned to complete his studies at the University of Texas and upon graduation came to Big Spring to make his home.

He is a member of the American Legion, a past president of the Lions Club and has been active in other civic activities.

If elected, Jones said that he promised a vigorous, fair and active execution of the duties of the office of district attorney.

# Coahoma Seniors To Stage Spring Play Friday Night

COAHOMA (SC) — Seniors of Coahoma High School will present their annual spring play Friday at 8 p.m.

"Mama's Angel Child," a three-act comedy, is the production.

Mildred Graham, author of the royalty play, has added some new twists to the old plot of the charming but poor widow who sets out to marry a millionaire.

Mrs. Chamer, the widow, persuades her 21-year-old daughter, Daphne, to dress and act like a six-year-old so that Mrs. Chamer might appear young enough to capture her millionaire.

The child plays her role to the hilt and becomes noted as an "incorrigible brat."

The way two women servants "throw themselves" at Willoughby, the man servant, compounds the comedy. The story has a happy ending.

The cast includes Martha Camp as Ellen; Charlene Williams as Daphne, "the brat"; Joyce Hill as Mrs. Chamer; Robert Turner as Willoughby; Bill Tindal as Mr. Bagley, the millionaire who is tired of being chased by young women; Art Dodds as Dick Armstrong, Bagley's stepson; and Daria Wood-

son as Miss Kreech, a governess as stern as her name.

Director of the play is Mrs. Carmen Wyatt, English teacher. Proceeds will help finance senior activities, including the spring trip.

Admission charges will be \$1 for reserved seats, 50 cents for general admission and 25 cents for students. The play will be staged in the high school auditorium.

# Dawson Educators Attend Conference

LAMESA — Five Dawson County educators will attend the annual meeting of the Texas Elementary Principals and Supervisors Association in Austin Thursday.

K. D. Smith, North Elementary principal; Harold Wilkerson, Central Elementary principal; Ralph Ranson, elementary supervisor; P. K. Humes, county superintendent of schools; and E. A. Deering, county elementary supervisor, were to leave today for Austin.

Ranson said that demonstrations at the meeting will be conducted in Austin elementary classrooms while classes are in session.

### Adlai Claims News Quote Was Inaccurate

SOUTHERN PINES, N.C. (AP) — Democratic presidential aspirant Adlai E. Stevenson, scheduled to fly to Pittsburgh from here today, says a news story quoting him as saying he intends to win the nomination on the first ballot was "wholly inaccurate."

But, said Stevenson, "it is a good idea." He added: "I don't know much about the history of national conventions, but I doubt if many candidates have been nominated on the first ballot in contested conventions. I've been wracking my brain trying to think of what I might have said to give the young man that impression. If it is a reporter making a prediction, let's hope it comes true."

### Disbanding Means No Goal Changes

MOSCOW (AP)—Pravda made it clear today the dissolution of the Cominform—the international organization of Communist parties—does not represent any change in Communist aims.

The Soviet party organ served notice that party organizations in the various countries will find new "beneficial forms for their mutual ties and coordination of their activities."

Pravda made the comment in connection with the official announcement of the dissolution, carried this morning by all Communist papers in East and West Europe.

First word in Moscow of the move came yesterday from Deputy Soviet Premier A. I. Mikoyan.

"The official announcement said the purpose was to 'overcome the division of the workers' party.' This was a frank reference to Moscow's desire for establishment of united fronts between Europe's Socialists and Communists, as well as to the Stalin-time split between Yugoslavia and the Soviet bloc.

The expansion of the Socialist system beyond the Soviet Union's borders, it added, had carried new conditions.

"The information bureau of the Communist and workers parties (Cominform), both in its composition and in the substance of its activities, does not meet these conditions," the announcement said.

The dissolution was agreed on by the central committees of Europe's Communist parties after they decided the Stalin-sponsored bureau set up in 1947 had "exhausted its functions."

Pravda's editorial clearly indicated the move was a matter of expediency.

It said it was vital for Communists to take into consideration the new dictum by Soviet party chief Nikita S. Khrushchev that it has now become possible for Communists to take power by parliamentary means, without violence.

"New possibilities have opened for utilizing parliaments for transforming capitalist society into a socialist one in individual countries," the editorial declared.

### Crude Oil Threat To Water Supply

VIRDEN, Man. (AP)—Fifty thousand gallons of crude oil from a broken pipeline today threatened the water supply of more than 30,000 persons along the Assiniboine River.

The break in the Trans-Prairie pipeline occurred late yesterday near this southwestern Manitoba town and sent the stream of oil surging down Bosshell Creek toward the Assiniboine.

The towns of Brandon and Portage la Prairie, downstream from Viriden, both depend on the river for their water.

J. G. Cowan, deputy minister of mines and natural resources, said the water systems of the two towns possibly draw their supplies from a depth low enough that the oil might pass above the intake.

### Loses Gems

Mrs. Maree Pamp, one of the bridesmaids for Grace Kelly's wedding, leaves the Monte Carlo Casino. She reported to Monaco police that she had been robbed of \$10,000 in jewels she brought from her Philadelphia home to wear at the wedding festivities. It was the second theft of jewels from members of the Kelly wedding party.

### Increase Asked

OKLAHOMA CITY (AP) — Eight railroads have asked the Corporation Commission for a 5 per cent increase in passenger fares on interstate travel.

### County Judge Meeting Ends

MINERAL WELLS (AP) — West Texas county judges and commissioners ended a two-day convention yesterday, passing a resolution urging state aid for county road problems.

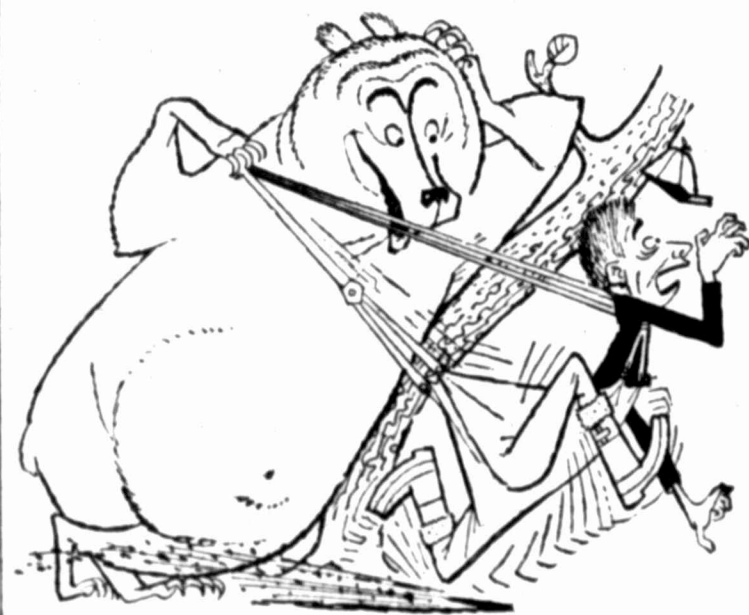

The officials asked that the one-cent gasoline tax increase cover right-of-way purchases, county road building and retirement of bonds.

Asst. Atty. Gen. J. C. Davis Jr., told the convention the adoption of a proposed county funds amendment would save money for the counties and put them on a better business basis.

He predicted voters would adopt the amendment this year.

The association urged legislators to remove the ad valorem tax on vehicles and substitute a county license not to exceed \$5 per vehicle. This money would also be used for right-of-way purchase.

Pecos County Judge Paul Counts of Fort Stockton was elected president. Lamb County Judge Robert Kirk of Littlefield was named vice president and Tom Green County Commissioner John Lochaby of San Angelo, secretary-treasurer. Felix McGaughey, county judge from Alpine, was elected to the executive committee. San Angelo won the 1957 convention.

Her Son-In-Law

Mrs. John B. Kelly of Philadelphia smilingly chats with her son-in-law, Prince Rainier, at the rehearsal in Monaco cathedral for his wedding to her daughter, actress Grace Kelly. The prince has his hands around six-year-old Prince Sebastian von Furstenberg who will be a page at the wedding. Mrs. Kelly took Grace's place in the bridal march at the rehearsal, telling her daughter, "your father says it's bad luck for a bride to make the march to the altar in rehearsal."

### Old Bolsheviks Emerging From Stalin Shadow

MOSCOW (AP)—Old Bolshevik veterans of the Russian Revolution are emerging from the shadows into which Joseph Stalin cast them. The officially sanctioned resurrection into public prominence of associates of Lenin and those who joined the Communist party before the Bolshevik Revolution is part of the party's program to cut Stalin down to size. The Soviet press reports that one group of old Bolsheviks met in Moscow's Central Lecture Hall to lay plans for the observation of the 86th anniversary of Lenin's birth next Sunday. According to their program they will make personal appearances at dozens of factories, schools and organizations to give personal reminiscences of Lenin.

### CAMPAIGN PLEDGE

## Ike Won't Give Way To Pressure

WASHINGTON (AP)—President Eisenhower has pledged, no "surrenders to pressure, bribes for support, escapes from responsibility" in his campaign for re-election. Eisenhower urged Republicans to enlist young people in a campaign he said must be "concerned with those things which count for most—people and principles." Eisenhower was cheered lustily by 900 GOP leaders as he addressed a colorful banquet that wound up a two-day pre-campaign strategy meeting. His speech, in effect, was the opening of his own re-election effort. "Our aim must be to convince every American newly arrived at voting age that the Republican party is the party through which these young citizens' aspirations for their country can be achieved," Eisenhower said. In sounding a call for what he termed an "organized crusade" on behalf of people and principles, the President invited aboard Republicans, independents and those he described as "sound thinking Democrats." He said "we welcome them all."

The right thing as he sees it regardless of what the political consequences might appear to be at the time. Nixon said most politicians believed the easiest way was for the President to sign the farm bill. But he said Eisenhower did what he thought was right in vetoing it. Eisenhower told the Republican leaders — most of whom had closed ranks in support of his veto action — that he had received a flood of messages. He said some were critical, citing one from a man in California who he said accused him of being persuaded by his "rich business friends to crucify the farmers of the U.S." Eisenhower said every message he had from a business man urged him to sign the bill. Eisenhower stressed the civil rights theme with an assertion the Republican party "sets up no walls of birth or creed." He said it was one of the fundamental principles of the GOP that "every American is equal before the law and the conscience of government."

### U.S. Joins Pact Unit

TEHRAN, Iran (AP)—The United States today became a member of the five-nation Baghdad Pact without actually signing the Alliance as a whole.

The U. S. action was viewed by some here as a means of entering the Alliance via the back door.

The development was announced after a closed session of the top-level Ministerial Council.

The Council agreed last November "membership of the economic committee may be extended to states not signatories to the pact."

This was done not only with the United States in mind, but also in the hope Jordan or other Arab countries might be willing to line up with economic aspects if not with military phases.

Until today the United States had remained on the sidelines of the organization for fear of antagonizing Egypt, Saudi Arabia and other Arab nations which bitterly oppose the Alliance.

It was formed a year ago, binding Iran, Iraq, Pakistan, Turkey, and Britain in a NATO-style defense organization against possible Communist aggression in the Middle East.

### Baby Russian Bear With Red Visitors

LONDON (AP)—The Soviet Embassy confirmed today reports that one member of the Bulgarian-Khrushchev party to Britain is a baby Russian bear.

He is a gift for somebody, but the embassy spokesman wouldn't say for whom.

London newspapers broke out in a rash of speculation on who gets the bear? Prime Minister Eden, Prince Charles and Sir Winston Churchill were early favorites in the betting.

The bear, a 2 1/2-month-old cub named Nikki, arrived in a crate Monday aboard a Soviet jetliner that brought advance members of the Russian entourage.

He is so young he takes only milk," an embassy official said. "He is so small, so small."

Pets imported into Britain normally have to be quarantined for six months to make sure they have no contagious diseases. But the Russian cub was taken direct to the embassy.

"Bears do not necessarily have to go into quarantine," an officer of the Royal Society for Prevention of Cruelty to Animals said diplomatically.

VATICAN CITY (AP)—The Vatican views the Bulgarian-Khrushchev visit to Britain as "inopportune and undesirable."

This comment was made by the Vatican radio, which said the Christian world "especially resents" honors being showered on persons it blames for the persecution of the Roman Catholic Church in Communist countries.

Knows How To Eat And Relax

Carol Ohmart won a starring role in her first motion picture, "The Scarlet Hour," when she replaced the leading lady in a Broadway musical.

HOLLYWOOD BEAUTY

Starlet Has Secrets Of Good Nutrition

By LYDIA LANE HOLLYWOOD — Every under-study dreams that the leading lady will get sick, that a talent scout will be in the audience and that her performance will win her a Hollywood contract. This is the story of Carol Ohmart's life when she took over in "Kismet" in New York. She was signed for the lead in "Scarlet Hour" by Mike Curtis. Paramount thinks so highly of this talented newcomer that the commissary menu boasts a "Carol Ohmart Salad."

keeping her neck and shoulders immobile. "This is an accepted part of East Indian dancing. "I like to do it," Carol explained, "because it gives a wonderful release at the base of the brain. I feel infinitely more relaxed for it. It is one of the first things I do when I wake up in the morning." "Did you find it very difficult to learn?" I asked Carol. "It takes time and concentration to perfect it. I found it helpful to try to move my head from the back, pressing it sideways as if a hot iron would scorch my cheek unless I got out of the way. To correct a tendency to tip your head, work in front of a mirror. "I can't wait to get home and try it," I murmured. "It is a wonderful way to release tension, but don't get impatient," Carol warned. "It took me weeks to learn."

Grace Will Be Wed In Regal Ivory Gown

MONTE CARLO — The wedding dress Grace Kelly will wear tomorrow is described as a "regal style designed along Renaissance lines." It represents six weeks' work by 35 persons in the wardrobe department of the actress' studio (Metro-Goldwyn Mayer).

Into the ivory silk taffeta and lace creation, Helen Rose put 25 yards of peau de soie — that's heavy taffeta, 25 yards of silk taffeta, 100 yards of silk net, and 300 yards of val lace (narrow strips) for the petticoats.

Study Programs Featured Tuesday At WSCS Circles

Mrs. M. A. Cook was hostess to 21 members of Fannie Hodges and Fannie Stripling WSCS circles of First Methodist Church at her home, 1611 Main, Tuesday morning. After opening prayer by Mrs. R. E. Satterwhite and a meditation from the Beatitudes by Mrs. R. L. Curley, Mrs. Hugh Duncan presented the program. "Hungers of Body and Mind." Others participating were Mrs. Cook, "New Forms and Old Forms" and "Those Who Walk Alone"; Mrs. Robert McKenzie, "Living Conditions and Religion in Russia"; Mrs. Howard Stephens, "Religion in Russia."

The gown, combining the ivory peau de soie and rose point lace, has a cathedral train 3 1/2 yards long. The long-sleeved bodice is of rose point lace, re-embroidered so there are no seams. It is closed down the front with tiny lace buttons and fitted over a foundation of silk in a pale flesh tone. The peau de soie overskirt is bell-shaped. It has no folds in front and the fullness in the back inlaid with pleats at the waist, is flared out at the bottom in a fan shape. The underskirt, described as a "masterpiece of engineering," involves three petticoats. The veil, a circular affair designed to keep the face in view, is embroidered with rose point lace and re-embroidered with thousands of tiny pearls. It is attached to a Juliet cap of rose point lace, with a small wreath of tiny orange blossoms and leaves fashioned of seed pearls. Embroidered on the back of the veil are two tiny lace love birds. Philadelphia, Miss Kelly's hometown, will get the gown for its Museum of Art after the wedding.

Mrs. Arnold Marshall and Mrs. C. H. Thiele brought the study from "This Revolutionary Faith" to 12 members of the Sylvia Lamun Circle Tuesday morning in the home of Mrs. Albert Smith, 809 W. 18th. Mrs. Rex Baggett gave the devotion. A guest was Mrs. H. T. Bratcher. On May 1 the circle will meet at 10 a.m. in the church parlor with Mrs. W. M. Roman as hostess.

'Desserts' Named At 4-H Roll Call Roll call was answered by naming a dessert at a recent Gay Hill 4-H Club meeting. Jenn Stallcup called the roll. Nancy Norman led songs. Presiding officer was Gwen Proctor. Elizabeth Pace, county home demonstration agent, discussed individual progress reports to be made by members.

Mrs. Hunt Reviews 'Tender Victory'

The story of Johnny Fletcher's faith in humanity and his love for his fellowman was told Tuesday evening by Mrs. W. A. Hunt. It is the theme of "Tender Victory" by Taylor Caldwell, which Mrs. Hunt reviewed at the First Methodist Church. Sponsored by the WSCS of that church, she related the story of Johnny's rejection by a church because of his "family" of European orphans. There were five children of assorted nationalities and religious faiths, changed from a "wolf pack" into a group of normal children. Because of the orphans, adopted when he was a chaplain during

Flower Candelabra Brightens OWC Coffee

A candelabra of flowers decorated the table Tuesday morning for the Newcomers' Coffee given by the Officers' Wives' Club. The party was held in the lounge of the Officers' Club to honor all newcomers in the group. A five-tiered silver candelabra was used by Mrs. R. D. Whittington, in charge of making the centerpiece. Instead of candles, roses and Dutch iris filled the candle cups. The entire arrangement was covered with pink net and based in a circle of roses.

Fairview Club Plans Tour Of Homes May 1

A tour of homes was planned by members of the Fairview Home Demonstration Club Tuesday afternoon at a meeting in the home of Mrs. J. G. Hammack Sr. Her daughter-in-law, Mrs. Carl Hammack, was cohostess. The devotion was given by the senior Mrs. Hammack, with the opening prayer offered by Mrs. John Sutherland. Roll call was answered by members giving their favorite taproot tree. A council report was given by Mrs. Jack Hatch. Homes of members will be toured as an observance of National Home Demonstration Week, scheduled for April 27-May 5. The club will meet in the home of Mrs. O. B. Gaskins, May 1, at 9:30 a.m. to begin the tour. An exhibit of the club's work will be set up in Mrs. Gaskins' home. Appointed to arrange the display were Mrs. Frank Wilson, Mrs. Shirley Fryar and Mrs. L. A. Griffith. Mrs. O. B. Engle discussed the small utensils needed in a kitchen. Recreation was in charge of Mrs. E. O. Hicks, Mrs. Jim Smith and Mrs. R. N. Adams. Under their direction, members made hats of dollies and trimmed them with flowers, ribbons and other decorations. Mrs. Hatch received the special prize of the afternoon. Sixteen members attended with one new member, Mrs. S. P. Jones.

### Smoking Plane Finds Quick Aid

GRAND ISLAND, Neb. (AP)—When a local airport attendant saw an American Airlines DC-7 coming in for an unscheduled landing with smoke and flame belching from an engine, he knew where there was plenty of help. He telephoned to the state fire school meeting and 12 trucks made a fast run to the airport. But it was all for practice because there wasn't any fire. It turned out the plane engine was just acting up a bit.

### Fruit Tree Pill Seen As Hope For Sunburn

FLORENCE, Ariz. (AP)—A little pill made from sun-drenched fruit trees is being studied in the desert here to determine whether it has the power to prevent sunburn. Scientists from the University of Arizona and the University of Oregon hope the drug, psoralen, will speed the sometimes painful process of tanning.

Psoralen, derived from fig and citrus trees has been used by the Egyptians for centuries to deepen skin pigmentation. Last year the scientists realized they were a long way from success when eight volunteer convicts at the state prison were sent to the hospital with severe sunburn.

But Dr. Thomas B. Fitzpatrick, University of Oregon dermatologist said he is encouraged by the latest results.

### Maceo Partners Probe Continues

SAN ANTONIO (AP)—A federal grand jury resumed its investigation today into the affairs of three partners of Maceo and Co., Galveston amusement operators. The jury heard 15 witnesses from Houston, Galveston and the coast area yesterday.

The grand jury has subpoenaed more than 20 Galveston and Houston residents. Four members of the firm have been indicted on charges of income tax violation. They are A. J. Adams, Sam Serio, Vic Maceo and Frank Maceo.

### Storm Victims Find Haven In Church

These homeless victims of the tornado which left 21 dead in the Birmingham area were given emergency housing in the McDonald's Chapel Methodist Church, near the scene of the greatest damage. The church, used only by whites, was set up as a haven for Negroes.

### SOME WARMING

## Late Cool Wave Continues In U.S.

The Associated Press  
There was a little warming in some areas but unseasonable cool weather continued in broad areas of the nation today.

Below normal temperatures continued over most of the northern tier of states from the Great Lakes region eastward to the Atlantic Coast. The cool air also dipped southward through the Middle Atlantic coastal states and along the immediate southern Atlantic coast through Florida.

Some cooling also was reported from Texas westward through Arizona, Utah and Nevada and over the Rockies to the Canadian border.

Temperatures advanced from the central Gulf states through central Mississippi and the central Plains and northward to the Canadian border. Some warming also was reported along the Pacific coast and inland into Idaho. Precipitation continued during the night in widely scattered areas. Snow flurries and showers fell from Michigan and extreme

northern Indiana eastward through Ohio, Pennsylvania and western New York. Falls were mostly light.

A belt of showers, with snow flurries in the higher elevations, extended from Colorado westward through most of Utah, northern Nevada and the central Sierras of California. One inch of fresh snow fell at Bryce Canyon, Utah, and Colorado Springs, Colo. Falls in other areas were smaller.

Blowing dust plagued southeastern New Mexico and western Texas yesterday. Strong winds caused dust clouds up to 10,000 feet in Iowa. Humidity dropped to 10 percent at the Des Moines Airport, one of the lowest marks ever recorded in the Iowa City.

### Forced Landing Damages Plane

An F-94C airplane, forced to make a belly landing on one of the runways at Webb Air Force Base at 3:45 p.m. Tuesday, was heavily damaged but its pilot walked away from the wreck unhurt.

The pilot was First Lieut. Richard Hickenbottom, 96th Fighter Interceptor Squadron, New Castle County Air Base, Wilmington, Del. He was ferrying the F-94C from Wilmington to Kirkland Air Force Base, Albuquerque, N. M.

An investigation into the cause of the accident has been ordered. The plane probably can be repaired but damage was extensive.

### Higher Court Agrees Fine Was 'Wrong'

LONDON (AP)—Joseph Drew, 22, claimed in an appeals court that a magistrate wrongly had fined him \$25 for attempted car theft. The higher court agreed. It voided the fine and substituted two months in jail.

## You Are Invited To See The Newest BILLY GRAHAM

### "Battleground Europe"

BILLY GRAHAM

"Battleground Europe" is the newest of the Billy Graham documentary films. It was filmed entirely in Europe and shows tremendous crowds rallying to the call of the Cross, in Nuremberg, in Paris and in London.

You actually see and hear Billy Graham preaching in five different languages through an interpreter with meetings in Norway, Holland, Germany, France and England.

A dramatic story you will want to see.

### Prison Camp Victim To See Her Child For The First Time

SAN DIEGO, Calif. (AP)—Mrs. Melitta Real, whose child was born in a German prison camp, leaves for France tonight to claim a daughter she has never seen. She didn't know until last month the girl is alive.

"The Germans told me my baby died the day after she was born," she explained. "I believed them, because I'd been so badly treated."

Mrs. Real, 30, met her present husband, Alex, at Monterey, Calif. They have lived here three years and have no children.

The daughter was sired by an Alsace-Lorraine youth Mrs. Real was conscripted into the German army and she into a labor camp, she said.

After the war, Mrs. Real married an American soldier, came to this country and was divorced. The conscripted youth was captured by the Russians, returned to France in 1954 and married another woman.

Mrs. Real's parents, Mr. and Mrs. Victor Blaknik of Freyming, France, wrote last month that the 12-year-old daughter is alive.

### Negro Candidate Loses In Florida

RIVIERA BEACH, Fla. (AP)—A Negro candidate for Town Council who drew more votes than any of his three white opponents in the first city primary lost decisively yesterday in the runoff election.

Bruce Caddy won the office with a total of 1,362 votes, compared to 823 for F. Malcolm Cunningham, a Negro attorney. Caddy got 24 votes from the 856 votes cast by Negroes and Cunningham received 120 white votes from a total of 1,458.

The city has two precincts, one for whites and one for Negroes, so an exact count of the voting by races was possible.

### Family Just Calls Him 'Ray'

MONTE CARLO (AP)—A prince Rainer II of Monaco has a score of titles and his citizens call him "Your Serene Highness" but the family of his bride Grace Kelly just calls him "Ray."

Grace's father, John B. Kelly Sr., was asked after the wedding just what the family called their much-titled son-in-law. Kelly replied "We call him Ray."

### Executive Dies

AUSTIN (AP)—William McNamara, 56, president of the Dr. Pepper Bottling Co., of Austin and a former secretary of the State Botlers Assn., died yesterday.

# No other truck can offer you as much as a new 1956 GMC

LOOK at the facts—no matter what kind of truck you need. GMC's new light-duty power plants have as much as 16.2% greater displacement than the nearest competition. H. P.'s been upped as much as 20%. V8's are the latest in short-stroke design.

In the new half-tonners, a brand-new fast-ratio cruising axle gives you all the efficiencies of overdrive. And it's an option at a fraction of overdrive's usual price.

A new ride stabilizer gives Blue Chip light-duties remarkable new riding comfort. No need to fight the steering-wheel—even on the poorest roads.

All GMC's now have a 12-volt electrical system. Tubeless tires are standard equipment. And a new boulevard styling makes a GMC far and away the best advertisement you can run.

In short, new 1956 Blue Chip GMC's are just about as impressive a line as you've ever seen. Values are even more remarkable. Drop by and see for yourself!

# Shift Doesn't Work Against Bosox Ace

By ED WILKS  
The Associated Press

Memo to American League managers:

You can forget that defensive shift against Ted Williams. You'll either have to walk the big guy or pitch and pray.

The Thumper, who has won four American League batting titles—topped by his 406 in 1941—and has a lifetime .348 average, set the terms for the 1956 season when he made his first appearance in the Boston Red Sox' opening day lineup in four years yesterday.

Forced to miss those recent starts due either to service duties or injuries, Williams showed up as a healthy civilian for a change and batted two doubles to left and a single to center against Baltimore's shift as the Red Sox belted the Orioles 8-1.

The prescribed defense against Williams' notorious left-handed power has been to shift the shortstop and second baseman into right and crowd the outfielders around to right. Now something new is needed.

Ted, who walked his first time up, drove in a run and scored one in the 16-hit Boston attack, which got started with a four-run first off Bill Wight. Frank Sullivan held the Orioles in check with an eight-hitter, fanning seven.

The bat spree gave the Red Sox a running break in the predicted four-way AL pennant fight among Boston, New York, Chicago and Cleveland.

The Yankees, who have been hinting this may be Mickey Mantle's big year at last, swamped Washington 10-4 with the Mick swatting two 475-foot homers out of the Senators' Griffith Stadium. The White Sox got a jump on the Indians, winning 2-1 at Chicago when Cleveland ace Bob Lemon walked the clinching run home in the seventh.

Kansas City beat Detroit 3-1 on

Gus Zernial's pinch two-run double.

In the National, which fell short of the AL's 117,210 opening day crowds with an attendance of 108,887, Brooklyn's world champion Dodgers—who won their first 10 games last season, were knocked off by Philadelphia and Robin Roberts 8-4. Hank Aaron and Joe Adcock homered for Milwaukee in the Braves' 6-0 decision over the Chicago Cubs on

Low Burdette's five-hitter. Stan Musial hit a two-run homer in the ninth as St. Louis defeated Cincinnati 4-2. And Johnny Antonelli tossed a six-hitter and homered in the New York Giants' 4-3 victory over Pittsburgh.

Yogi Berra also homered for the Yanks, who got six-hit pitching from Don Larsen. Karl Olson, late of the Red Sox, homered twice for the Senators and Rookie Dick Tietelbach, former Yank farmhand, once.

Dale Long homered twice for the Pirates to make Antonelli work for his decision. Bob Friend, the NL's ERA leader in '55, was the loser with two New York runs

unearned. Willie Mays scored the winning run, scooting home from second on an infield out.

Burdette, despite four innings of rain and snow, was never in trouble and held the Cubs to one hit in the last six frames.

# Pinkie's Falls Farther Behind

Cosden put more daylight between it and the remainder of the Midland Women's Bowling League field by swamping Knorr Furniture in all three games played last night.

In posting the win, the Big Spring team registered scores of 788-785-789—2320.

Dot Hood set a torrid pace for Cosden, with a high game of 189 and a series of 539. Sugar Brown wasn't far behind, with 164-479.

Cosden bowls Fashion Beauty Shop next week.

Pinkie's Liquor Stores, also of Big Spring, maintained second place by defeating Midland National Bank in two of three games.

Pinkie's had aggregate efforts of 787-724-695—2186. The team was led by Jesse Pearl Watson, who scored 174-440; and Locky Beach, who had 172-440.

Pinkie's bowls the Eagles Club next week.

In other matches Tuesday night, Basin Supply turned back West Texas Brick and Tile, 2-1; Basin Electric fanned out Lone Star, 2-1; while the Eagles Club swamped Schlitz, 3-0.

# Tuesday Act In Keeping With Brooklyn History

By ED CORRIGAN

BROOKLYN (AP)—They say some things can happen only in Brooklyn and maybe they're right.

This sprawling borough of almost 3,000,000, countless houses of worship, beautiful parks, fine shops and excellent schools of higher learning, also has the Brooklyn Dodgers.

They do some things that make sober Brooklynites scratch their heads.

Usually, it's the Brooklyn players who bring the smiles. Old timers here still chuckle when they recall the antics of Babe Herman, Casey Stengel and Dazzy Vance.

But today, it's the Dodger officials, who, perhaps dazed by the world championship the Brooks won last year, are walking around like zombies.

The baseball season opened yesterday and things progressed smoothly enough until the game

with the Philadelphia Phillies was almost ready to begin.

The crowd had risen for the playing of the national anthem. The players were lined up along the foul lines. The world championship flag was to be raised proudly over Ebbets Field.

The band started to play. Everet McCooley, who was to sing the Star Spangled Banner, was about to burst forth when suddenly he hesitated, looked around

and bellowed into the microphone: "Who's going to raise the flag?"

No one had been assigned the task. A Marine Corps color guard quickly whipped into action and the festivities continued.

But, shux, what happened yesterday was nothing compared to the goings on when Ebbets Field opened in 1913.

On that dark day almost half a century ago, the Brooks' brass forgot to bring along a key to open the park.

Down—And Out

Umpire Vic Demore calls the out as Carl Furillo of the Dodgers hits third base just behind the throw to third baseman Willie Jones of the Phillies in the second inning of the opening game at Brooklyn. Furillo was out when shortstop Granny Hamner fielded a grounder and made the toss to Jones. (AP Wirephoto).

# Traffic Heavy Around Top Position In Texas League

By The Associated Press

The Texas League race is all knotted up in a 4-way tie for first place and the boys already are getting edgy with less than a week of play.

Shreveport and Houston players reached the chip-on-shoulder stage Monday night followed by a veiled accusation by Shreveport manager Mel McGaha that somebody of the Houston club swiped the spectacles of his star outfielder, Ken Guettler, in order to get Guettler

out of the lineup.

At Austin Tuesday night Manager Connie Ryan and third baseman Leo Thomas of the Senators were chased for arguing too vigorously with the umpires. Connie anybody else is getting edgy. His ball club has lost four straight and is in the cellar.

Shreveport bounced back from Monday night's 13-3 loss to Houston to nose San Antonio in 13 innings and it created the 4-way

LAREDO, Tex. (AP)—

Sixteen-year-old Joanne Brunl of Laredo led a field of favorites into second round play of the Texas Women's Public Links Tournament here today.

Miss Brunl, the defending champion, downed Ethelind Schacht of Alvin, 5 and 4, in yesterday's first round play.

The opening day's big upset was the defeat of Mrs. Joe Vaughn of Nacogdoches, a pre-tournament favorite, by Mrs. William Holmes, Dallas.

In other top matches Betty Jean Martinez, San Antonio, defeated Jerri Poe, Bay City, 5 and 4, while Wanda Sowell, Tyler, eliminated Edie Thompson, McAllen, 5 and 4.

What one great all-season oil guarantees you full-time protection against both friction and corrosive wear?

# New CONOCO Super Motor Oil!

THAT'S A FACT, MR. JENKINS! AMERICA'S FIRST DOUBLE-DUTY MOTOR OIL IS NOW A WONDERFUL ALL-SEASON OIL, TOO! THIS SINGLE-GRADE OIL IN THE CAN WITH THE GOLD BAND GUARANTEES YOU YEAR-ROUND PROTECTION AGAINST ENGINE WEAR!

For full-time POWER...use CONOCO Super Gasoline with TCP!

"After two tankfuls of Conoco Super with TCP, Mr. Baxter, you'll find this old car of yours will give you improved performance in both stop-and-go and highway driving."

"You see, it's the fuel that gives you a great 'new high' in octane—plus TCP, the discovery that neutralizes power-robbing lead and carbon deposits which form on spark plugs in your engine."

The proved power benefits of TCP:

1. TCP boosts engine power up to 15%.
2. TCP gives you extra gas mileage.
3. TCP increases spark-plug life up to 150%.
4. TCP is just like an engine tune-up.

Still... the greatest gasoline development in 31 years!

OIL-PLATING...A GREAT CONOCO DISCOVERY...GIVES YOU FULL-TIME PROTECTION AGAINST FRICTION WEAR BY PLATING A TOUGH FILM OF LUBRICANT TO ENGINE SURFACES!

Discussing Jerry's Decision

After Jerry Graves (center), star pivot man and linebacker of the 1955 Big Spring High School football team, signed his 'letter of intent' with Rice Institute, he sat down with Red Bales (left), coaching aide at the Houston school; and Mrs. Tommy Phillips, his mother, to discuss some of his plans for the next school year.

### Little Leaguers Open Drills On Three Diamonds Monday

Little Leaguers will begin spring conditioning at 5 p.m. next Monday. All boys from nine through 12 years of age will be eligible to try out for berths on the various teams. Sportsmanship and the ability to get along with other boys will play a large part in the selection of a player, as well as the ability to field, run and hit. The training period will continue for a period of two periods and any boy who does not attend at least one half the sessions will not be considered eligible to play on a team, unless he can supply the president of his league with a legitimate excuse. (This is in accordance with National Little League rules.) Tryouts for the American League will be held on the Howard County Junior College baseball diamond. Any boy living south of Highway 80 and east of Settles Street is eligible for American League tryouts. All boys living west of Settles Street, south of Highway 80 and east of the Air Base road will report to a field at 17th and Lancaster Streets for National League trials. Boys living west of the Air Base road and north of Highway 80 are in the Texas League area and will check in for workouts at the Little League park in the northeast section of the city. League competition will get under way Monday night, May 21, in the Little League park on the Snyder highway. The Texas League will play its games on Mondays and Thursdays, the American League on Tuesdays and Fridays and the National League on Wednesdays and Saturdays. Schedules are being drawn up and will be announced in The Daily Herald at a later date. Present plans call for regular play to end on July 21, after which the playoffs will take place. Indications are each league will again have four teams.

### LOOKING 'EM OVER With Tommy Hart

Gordon LeBeouf, the Port Neches bull who played against the Big Spring Steers as a sophomore, has changed his mind and is now committed to attend Rice Institute, rather than SMU. Bo Hagen, hired away by Rice from the Dallas school last year, did the selling job on LeBeouf. The Sunset golf course in Odessa will probably open its back nine holes July 1. The course has two water wells producing 420,000 gallons of liquid a day and is planning on drilling another one. Two former sports scribes, Tanner Laine and Earl Scudday, both of Lubbock, started something recently when they picked their ideas of an all-time West Texas schoolboy football backfield. Laine, who used to live in Midland, picked Byron Townsend of Odessa, Jimmy Welch of Lubbock, Wahoo McDaniel of Midland and Glenn Wyatt of Abilene as the best. Scudday would have substituted Charley Brewer of Lubbock for Wyatt in his dream secondary. Ray Scudday, the Sweetwater scribe, challenges the picks and remarks there are at least six other players that rate above Welch and McDaniel, among them Tack Dennis and Olie Cordill, both of whom were Big Spring stars back in the '30's. Others mentioned by Scudday as worthy of selection to the elite group include John Kimbrough of Haskell and Abilene; the Magness boys, Boone and Buck, at Breckenridge; Joe Tyson and Leece Jackson of Lubbock; Wild Horse Mayes of Amarillo; Curly Hays of San Angelo; Jay Francis of Midland and Red Sheridan. I've seen most of those boys perform and I still think Big Spring's Frosty Robinson is the finest all-around high school back I've ever seen in action. J. C. Armistead, who played with Robinson, deserves mention for his great ability to tug the mail, too. Both were all-stars. The name of Amarillo's track meet was changed this year from the Sandie Relays to the Amarillo Relays, for obvious reasons. There are now two high schools in the city. The teams of one use the nickname of Sandies, the other, Dons. Athletic officials at Howard County Junior College reason the racing oval there needs at least three more inches of cinders. It's far easier for the ordinary man to find a public golf course in America than it was 25 years ago. In 1930, 78 per cent of all courses were privately owned. By 1955, only 54 per cent catered exclusively to membership, whereas 46 per cent are public courses. Last year, 127 new courses were opened in this broad land of ours and, of that number, 80 were public courses. Something like 286 more are now under construction and, of that group, 212 will cater to the general public.

### STEERS ARE DEFEATED BY ODESSANS, 15-4

ODESSA (SC)—The Odessans broke the barrier with an eight-run first inning and went on to defeat the Big Spring Steers, 15-4, in the first District 3-AA baseball game for both teams here Tuesday. Despite the first inning pum-

### Webb-HCJC Game Is Called Off

Tuesday afternoon's baseball exhibition between HCJC and the Webb Air Force Base Dusters, which was to have been played in Steer Park, was called off due to cold weather. Coach Harold Davis of HCJC revealed yesterday that the double header between Clarendon and his team, originally set for Tuesday, had been re-scheduled for next Tuesday afternoon, with the first game scheduled for 1:30 p.m.

### North Is Handed Initial Defeat

College Heights handed North Ward its first City Softball League defeat of the season here Tuesday afternoon, 6-5. A three-run second inning propelled the Giants to victory. North Ward scored in every inning but the second and the seventh. Dexter Pate was the winning pitcher. Mike Martinez the loser. College Heights has now won six games, compared to two losses. North, the league's leader, has a 5-1 record.

melling, T. L. Kennedy went all the way for the Longhorns. He settled down after the shaky start to hurt creditable ball. Dean Ewart and Gerald Erwin teamed up to set the Steers down with five hits. Dick Stice and Johnny Cutbirth paced Odessa's 15-hit attack with three hits each in as many tries. Stice clubbed a home run, double and single. He hit his round-tripper with a mate aboard in the third. George Peacock drove out two of Big Spring's five hits. Ewart had two for Odessa, as did Joe Phillips and Raymond Stoker. Big Spring returns to action Saturday, meeting San Angelo in Angelo at 2 p.m. The Steers' won-lost record is now 1-10.

### Cooper Stops Angelo, 4-3

MIDLAND (SC) — Larry Cooper, ace of the Midland mound corps, set San Angelo down with one hit but the Bulldogs had to go nine innings before subduing the Bobcats, 4-3, here Tuesday afternoon. Midland broke the ice with a three-run fifth but the Cats came back to bank two tallies in the sixth and tied the score with a run in the seventh. The winning run came with none out in the ninth when Lupe Hernandez singled, went to second on a wild pitch by David Dumas and romped home on a two-baser hit by Butch Howard. All the San Angelo runs were unearned. Cooper struck out 12 batters. Phil Lane got the only San Angelo hit, which came in the seventh.

Webb is Seventh In Bowling Meet

Webb AFB's team placed seventh in the 1956 Southwest Air Force Conference Bowling Tournament held at Edward Gary Air Base in San Marcos, Texas, earlier this month, according to information received here. A total of 28 bases were represented at the three-day meet. The team of six men representing Webb scored 2592 pins. Sheppard AFB of Wichita Falls won the meet, followed by Edward Gary AFB and Bergstrom AFB, in that order. Fourth was Wolters, fifth Kelly and sixth Goodfellow. Representing Webb in the tournament were Ken Becker, C. V. Best, Harold Nicholson, Harry Heise, David Souza and Sam Varano.

### Cold Weather Favors White Sox Hurler

By JOE MOOSHIL CHICAGO, April 18 (AP) — Billy Pierce, the Chicago White Sox left-hander, likes it cool when he pitches. Pierce stopped the Cleveland Indians on five hits yesterday in hurling the Sox to a 2-1 triumph and the chilly weather was in his favor. "I like it cool," said Pierce. "Clouds don't make a big difference but I like cold weather. When it's cold I don't work up a sweat and therefore I don't get tired."

Pierce, the majors' leading pitcher with a 1.97 earned run average last year, said Jim Busby, formerly of the White Sox, hit a slider for a home run, Cleveland's only run. Pierce was never in serious trouble as he bested Bob Lemon in the season's opener before nearly 17,000 chilly fans. Temperatures were in the low 40s and a stiff west wind swept spacious Comiskey Park. He walked a man in the first who was caught stealing, then gave up a single but settled down. Pierce showed his pitching mastery in the ninth. With two out he walked Al Rosen and finished the game by striking out Vic Wertz. Pierce had no intention of walking Rosen which would be the normal thing to do with Wertz, a left-handed batter, on deck. "The ball kept rising away from me," said Pierce. "and I couldn't figure it out. Then I looked at the ball and found a scratch on it. It would be a good pitch if you could control it but with a man on I couldn't afford another walk so I asked for another ball."

Bobby Boyd Goes Against Holly Mims In Chicago

CHICAGO (AP) — Young Bobby Boyd, No. 2 ranking middleweight contender, tries to expand a winning streak against dangerous Holly Mims tonight to keep his hopes buoyed for an early title shot. Boyd, lanky 23-year-old Chicago Negro, is unbeaten in his last nine starts and rules a 9-5 choice in the 10-round bout at Chicago Stadium. The fight will be televised (10 p.m. EST, ABC). Boyd, who turned pro in 1952 after coming up in the Golden Gloves ranks, has advanced steadily in the ratings since his last loss a year ago to Milo Savage. He has disposed of such rugged fighters as Italo Scottichini, George Johnson, Gene Fullmer, Tony Anthony and Eduardo Lausse. He defeated Lausse in his last start two months ago. Possessor of a long, hard right and accurate left jab, Boyd has scored 21 knockouts in a record of 39-6-2. Mims, 26, is registered out of Washington, D. C., and is regarded in boxing circles as a "spiller." He is a fine counterpuncher with a sharp right. Many ring experts figure his shuffling, walking style and punch will give Boyd trouble.

### Spring Football Drills To Open On April 30

Spring football workouts have tentatively been set to open at the local high school Monday, April 30. The drills will be set back only if the Steer baseball team is threatening for the 3-AA leadership at that time. At least seven athletes now playing baseball will be out for football, too. Provided the grid work begins at the prescribed time, intra-squad games will be scheduled Friday, May 4 or Saturday, May 5, and again on Friday, May 11, or Saturday, May 12. On Friday night, May 18, the Steers will play their annual contest with the Exes. Boys who will be Eighth and Ninth Graders next year will begin their workouts April 23, in order that Coach Carl Coleman can spend as much time with them as possible.

Lamesa Rotarians Practice Baseball

LAMESA — Despite stiff joints and without fanfare, Lamesa Rotarians yesterday ground through their first practice session in preparation for their baseball game with Lions on the night of April 26. Lions so far have announced no practice schedules. The Rotarians and Lions will clash in a benefit game for the proposed community center here. Charles Caraway and Dan Lewis are regular Yearling mentors and they will be on hand, too. Coleman had originally planned to launch Steer workouts on April 23 but moved them back a week due to the fact that so many of the boys are playing baseball. The Steer diamond corps end their season May 8. Coleman and assistant mentor Emmett Broderon have a vast rebuilding job to do, since the Longhorns lose 22 men via graduation this year. The 1955 Steers won four games, lost five and tied one.

### Air Base Stages Meet On Saturday

A triangular track and field meet, involving airmen of Webb AFB of Big Spring, Reese AFB of Lubbock and Goodfellow AFB of San Angelo, will be conducted on the HCJC racing oval here at 1:30 p.m. Saturday. Webb now has a 25-man team working out and the number may increase before the meet begins. It is planned to make the event an annual one.

### Man Charged With DWI For Second Time In 2 Days

Wilson Roger Bivings, who was released on \$500 bond Tuesday on a charge of driving a car while intoxicated, was back before County Judge R. H. Weaver Wednesday morning again.

He was once more charged with driving a car while intoxicated, having been picked up by police a few hours after he had been freed on bail in the first case.

Once more he pleaded not guilty and again his bond was fixed at \$500.

Jack McDowell, charged with willfully burning property of another, told Judge Weaver he had not

### Midway Scouts Elect Officers

Boy Scout Troop 136, Midway, has elected officers for the ensuing year.

Officers elected are senior patrol leader, Harold Griffith; scribe, Doyce Whillie; quartermaster, Douglas Ernest, bugler, Cariker Roy Wright.

Patrol leaders are Don Lilly; Alen Dunn assistant; Allen Kincaid, Roy Griffith, assistant; and Cariker Roy Wright, Douglass Wilson, assistant.

New officers take over their duties on May 1.

At the same meeting Tuesday night at which officers were named, the troop made plans for a week-end outing at Colorado City Lake.

Present at the meeting were the following committeemen: Woodrow Robinson, chairman; George Ragsdale and M. B. McFall, McFall is institutional representative.

### Trustees Will Answer Coach Next Tuesday

School trustees are to answer Coach Carl Coleman's request for a pay raise and new contract at a special session next Tuesday.

Mrs. Jessie May Sabin, high school government and history teacher, also may be heard at the meeting. Mrs. Sabin requested a hearing following the election of teachers recently, Clyde Angel, school board president, said.

She was not named in the list of teachers recommended for re-election. She is to be notified of the special meeting Tuesday and will be heard if she wishes to attend, trustees said this week.

Although no formal action has been taken, the majority of trustees have indicated Coleman's requests will not be granted. The coach asked that his salary be increased from \$6,198 to \$7,500 per year and that he be given a new three-year contract.

Trustees Omar Jones and John L. Dibrell spoke in support of the athletic official last week, but Tom McAdams, R. W. Thompson, Robert Stripling and Angel were critical of some phases of the current athletic program. Tom Guin, new member of the school board, has not indicated what his position will be.

Next week's meeting was called by Angel at the close of a session Tuesday night. Other school problems also will be discussed.

### TB Association Changes Program Of Patch Tests

Directors of the Howard County Tuberculosis Association decided last night to make tuberculosis patch tests available for pupils in the first, fifth and eighth grades.

In the past, the association has given the tests to 12th graders, but this group is eligible for the free X-rays and it was voted to give the patch tests to the younger students.

The board also completed committee appointments for the year. With President Zack Gray on

the executive committee will be Ross Bartlett, Dewey Mark, Mrs. Clyde Thomas Jr., Mrs. A. D. Harmon Jr., Mrs. Alton Underwood and J. B. Wiginton.

Named to the nominating committee were Mrs. Ross Bartlett, Jewel Barton, Wiginton and Ed Carpenter.

Appointed to the medical advisory board were Drs. V. E. Friedewald, B. Broadrick, Preston Harrison and J. M. Woodall.

On the rehabilitation committee will be Mary Cantrell, Jim Smith, Pete Cook and George Melear.

Jack Watkins was elected mass X-ray chairman. He will be assisted by Bartlett.

Chairmen for the annual Christmas Seal campaign will be Wiginton, seal sales; Gray, bond sales; Neil Norred, mail sales; Mark, publicity; Mrs. R. Patterson, booths; and Mrs. Garner McAdams, bangle sales.

### Burglars Loot Theatre Stand

Deputy Sheriff Fred Taylor said that prowlers forced the door to the concession stand of the Jet Drive-in Theatre south of Big Spring Tuesday night.

The burglars broke open a cigarette vending machine in the building, robbing it of an undetermined amount of money and looting it of most of the cigarettes it contained.

Other merchandise in the stand also was believed stolen but an accurate check on loss could not be made.

Lock on the cigarette machine was jimmied, he said, and there was evidence that the thieves had excellent knowledge of the type of lock used on such devices. Taylor examined the place for fingerprints.

No arrests have been made in connection with the case.

### Shotgun Blast Hurts Airman

A Webb airman was the victim of a shooting on the Northside Tuesday night, and a Negro woman is being held in jail for investigation.

Raymond Shannon Jr., Negro airman in the 3560th Maintenance and Supply Group, was shot in the left arm, and Webb officials said this morning he was to be transferred either to San Antonio or Wichita Falls for further treatment.

The shooting occurred in Sam's Barbecue, in the 500 block of Northwest Third. Shannon was a shot with a .12 gauge shotgun.

The woman being held said that another airman was causing a disturbance in the cafe, owned by Sam Williams, and tried to start a fight. While his friends were taking him outside, he turned, and according to witnesses, started toward the woman.

She aimed the gun and fired, but hit Shannon. The airman was about 30 feet from the woman when the shot was fired, police said.

The other man pleaded guilty to drunkenness and disturbance charges in corporation court this morning and was fined \$100 on each count.

### Tech Lectures For Architects Slated

LUBBOCK — Some of the world's leading architects will be brought to Texas Tech for special lectures under a new program established by alumni architects.

The new lectureship is named in honor of Prof. F. A. Kleinschmidt in recognition of his long service to Tech and the architecture profession. Prof. Kleinschmidt founded the Tech department of architecture and allied arts in 1928.

Dr. Thomas C. Howarth of the University of Manchester, England, will inaugurate the lectureship with an address here on April 23.

Howarth is a senior lecturer at the Manchester institution and a fellow of the Royal Institute of British Architects.

### Catholic Women Elect Officers

Mrs. C. C. Brunton of the Big Spring Diocese was elected vice president of the Big Spring District, Diocese of Catholic Women, Tuesday in Odessa.

Mrs. Brunton is a resident of Forsan.

Mrs. Ralph Geisler of Midland was chosen president. Mrs. Fred McLaren of Midland will serve as secretary, treasurer, and Mrs. John Sweeney of Odessa will be parliamentarian.

Officers were installed by Mrs. Fred Haiduk of White Deer, diocesan council president. Attending from Big Spring were the Rev. William J. Moore, OMI, Mrs. R. C. Frayser, Mrs. Brunton and Mrs. L. D. Jenkins.

A school of instruction was under the supervision of Nora LeTourneau of the National Council of Catholic Women, Washington, D. C. The theme of the entire meeting was "Christianity — Our Hope in the Atomic Age."

Other features of the all-day session included a welcome address by Mrs. J. Colquitt of Odessa and an address by Most Reverend John L. Markorsky, auxiliary bishop of Amarillo.

Members were present from Hermleigh, McCamey, Midland, Odessa, Big Spring, Snyder, Stanton, Sweetwater, Amarillo and Colorado City.

### Housing Project For Webb May Start In September

Construction now is expected to start about Sept. 1 on the 460-unit housing project for Webb Air Force Base, the WAFB purchasing and contracting office reported.

Final drawings are being prepared by a Fort Worth architect, John W. Floore, following approval of preliminary plans by the Air Force.

Floore is expected to complete plans for the project in about 60 days. Advertisement for bids will follow approval of the plans. Some 35 contractors already have indicated they will submit bids. Construction probably will require a year.

Amount of funds available for the project has not been reported, but estimates place the total at more than \$6,000,000. The housing development is planned for the area immediately southeast of the base.

### Wiring Blamed For Pickup Fire

Faulty wiring caused a pickup fire at 1900 Gregg this morning.

Firemen from the Main Street station answered the call and reported that only slight damage was sustained to the wiring. The pickup belonged to Joe Kitchen.

Tuesday morning, a small fire developed from a cigarette in a vacant house at 1001 W. 2nd. No damage was reported.

### New Venture Set Near Dual Producer In Fluvanna Field

Stanolind Oil and Gas Company is staking a venture in Borden County near the location of a dual producer reported only last week.

The No. 9-A Jordan is being located three and a half miles northwest of Fluvanna in the field by that name. Rotary tools will carry to 8,600 feet.

The new venture is in the same quarter of Section 579-97, H&TC Survey, as the No. 8-A Jordan which completed from the Strawn and Ellenburger formations. Each formation flowed about 150 barrels of oil through partial chokes in finaling.

**Borden**

**Ex-Farm Official Speaks At Lamesa**  
LAMESA — A former assistant secretary of agriculture lashed out at the Eisenhower administration here last night in a talk to a group of Dawson farmers interested in organizing a Farmers Union chapter.

The speaker was Emory Jacobs, who was assistant secretary of agriculture under Claude Wickard during the Roosevelt administration. He criticized Eisenhower for vetoing the farm bill Monday.

The farm group scheduled another meeting for April 27.

# TODAY'S BIG SPECIAL

at a price that will open your eyes (and Purse)

If you're in the market for a real buy, take a good look at this one. It's a 1956 Buick SPECIAL—which means, of course, it's a big car. But look again at the price news it carries. It tells you this big Buick SPECIAL can be yours for only a few dollars more than the price of the well-known smaller cars—for even less than some models of those very same cars. (And the price we'll show you proves how true that is.) The gospel truth is—this brawny new beauty is the biggest bundle of high style and hot performance ever offered in Buick's lowest-priced Series.

Even that, though, doesn't completely explain why Buick outsells every car in America except the two well-known smaller ones. To understand the big reason, you've got to know something about how much more pure automobile you get for your money in a 1956 Buick— Buick's walloping new 322-cubic-inch V8 engine— The extra joy and comfort of Buick's new buoyant ride, Buick's matchless new handling ease, Buick's extra solidity of structure—

The extra thrill that comes from the world's most modern transmission. For, at your option, you can also have the new double-acting take-off—and the extra gas-saving mileage—of Buick's advanced new Variable Pitch Dynaflo. † Those are some of the things we'd like you to know, firsthand, about the 1956 Buick. And we'll let the car itself—and that low price tag—do the talking. Will you come in—real soon—this week maybe? †New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Amazing Gallery Exists In France

A cave artist made this picture of a mammoth.

By RAMON COFFMAN  
This summer I plan to visit France. I am organizing a travel party which several readers of this column have joined. We shall sail from New York in June. The tour will include Holland, the Rhineland, the Swiss Alps, Venice, Rome and Pompeii, but the high point of the journey for me will be the caves I have mentioned. They contain remarkable pictures which were made during

the Old Stone Age. Notice that I use the word "remarkable." Any country in Europe or the New World has more beautiful pictures than those in the caves. The cave pictures, in fact, hardly are beautiful at all. Some are crude. Others are drawn or painted with skill, but the figures are animals in most cases.

Certain cave paintings were made with four colors, and are lifelike. Experts have declared that present-day artists would have trouble painting as well if they worked with the same materials and under the same conditions.

Many of the pictures are on cave walls hundreds of feet back from the entrance. The artists must have had light from flickering torches, or from lamps made of hollow stones.

Perhaps the most important sight of our trip will be the Cave of Combarres. On the walls and ceilings are more than 400 pictures which were made by cave artists! With a length of 720 feet, this amazing picture gallery shows various kinds of animals, including reindeer, mammoths, ibexes and wolves.

**Robin Tangled Up In Its Own Nest**

DENVER (AP)—A robin got all tangled up in its building project. A housewife noticed the bird dangling upside down in a tree, its legs caught in a length of string it had carried there for nest building. Fire Capt. Frank Magor went to the robin's rescue.

Candidate

Jesse James has officially announced his candidacy for reelection as state treasurer. Without elaborate promises, he said "my platform will continue to be economy, efficiency and courtesy, based on a proven record of honesty, integrity and fairness to all." During James' administration income earned from the state's current funds on deposit with Texas banks has grown from the rate of \$165,000 per year to a rate of almost \$2 million per year. He has handled over \$8 billion of the people's money without the loss of a cent, as estimated by official audits.

**Standard-Times Writer Versatile**

SAN ANGELO (AP)—Elmer Kelton, San Angelo Standard Times farm editor, and in his spare time a successful western novelist and short story writer, is versatile. He came back yesterday from a tour of the Del Rio-Rock Springs area, where he had been gathering material for the annual Standard-Times wool edition. So what did he do: He kicked off his boondockers, slouched his khakis and 10-gallon hat, and reviewed the first San Angelo appearance of coloratura Lily Pons. "Pretty good review, too," said Kelly Crozier, a fellow worker. The regular amusements editor, Jack Allard, missed a plane in Washington.

**Piloted Missile Breaks Record At 1,000 MPH**

PALMDALE, Calif. (AP)—The Lockheed F104A Starfighter, a missile with a man in it, has flown more than 1,000 miles an hour.

It was the first public showing of this dazzling new craft which Gen. Nathan F. Twining, Air Force chief of staff, has called "the fastest and highest flying fighter anywhere in the sky."

The exact speed of the plane is a secret. Actually two models were flown—the original XF104, powered by a Curtiss-Wright J65 jet engine, and the production model F104A, which has a lighter and more powerful engine, the General Electric J79. Although the speeds were not disclosed, the pilot of an F94C jet fighter reported he was flying 500 miles an hour, and the F104A pilot, Herman R. (Fish) Salmon, was heard to reply over his radio, "I am doing better than twice that fast."

Robert E. Gross, Lockheed Aircraft Corp. president, told the gathering that the F104 was "the champion in the fighter field—the finest fighter in the world." Gen. Otto P. Weyland, commander of the Tactical Air Command, announced that his command would be the first to receive the new air superiority fighter, and the first planes soon will go into operational squadrons. "It is a significant and tremendous step forward in our progress on supersonic flight. To the Tactical Air Command this addition will mean a capability to strike harder and faster than any other tactical air arm in history."

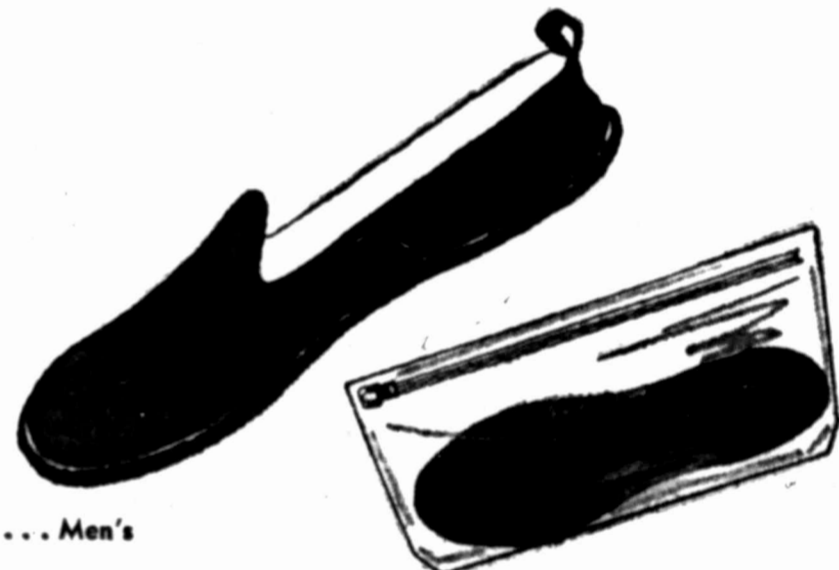

"It will be a strong deterrent to any potential enemy. No other country in the world can match it at this time."

The most striking thing about the new fighter was its resemblance to a missile, largely because its wings are so short and stubby they hardly seem to qualify as airplane wings.

**Japs 'Expected' Cominform Death**

TOKYO (AP)—A Foreign Office spokesman said today the Cominform's dissolution has long been expected by us. The spokesman told reporters the Japanese Foreign Office had expected the move since Soviet Premier Bulganin and party boss Khrushchev visited Yugoslavia last year "because it was the Cominform that accused Tito."
