Pro-Western Parties Lead Italian Vote

ROME (AP) — Italy's pro-Western Center parties took a substantial lead over the Communist-Socialist Left today in fragmentary early returns from nationwide local elections.

The figures were so scattered, however, they could not be interpreted as a firm trend.

In 184 of the 48,313 voting districts, Christian Democrats won 41,436 votes; Communists 7,249 and Socialists 12,147.

The Christian Democrats and their allies in the government had

a total of 55,765 votes against 19,396 for the extreme Left and 7,339 for the Right.

The results included areas in the extreme north of Italy, where the Left is weak.

First scattered returns from Sicily gave the Christian Democrats 2,282 votes to 1,214 for a Communist-Socialist combine and 1,520 for a Center-Right alliance.

The voting turnout in the elections, watched as a test of West European reaction to Moscow's new coexistence line, was heavy. It was estimated 90 per cent of those eligible may have cast ballots. This circumstance seemed to favor the Center parties.

At stake were control of 6,587 community and provincial councils from the Alps to Sicily, local posts in 563 other communities and provincial governments in 533. The candidates totaled 313,601.

Tyrolen Trent, the first province to report, showed strong gains by both the Christian Democrats of Premier Antonio Segni and the Communist-allied Socialists of Pietro Nenni. The area long has been a Christian Democrat stronghold.

The Catholic Church's interest in an anti-Communist victory, voiced repeatedly by the Vatican newspaper L'Osservatore Romano was evidenced by the thousands of nuns and priests among the early voters.

Former President Truman was an interested spectator. Now visiting Italy as a tourist, he drove past a number of polling places in Florence but didn't get out of his car. He said he "did not want to interfere in any way."

Results in the last local elections were:

Changes Sought In Paving Plans At Jr. College

County Judge R. H. Weaver and Walter Parks, county engineer, will consult with the trustees of the Howard County Junior College this week in an endeavor to bring about a revision of plans for paving a roadway through the college grounds.

The college had requested that the county pave the road and Parks had been instructed to investigate the matter. He reported that the college wants a strip of highway approximately a half a mile in length and 115 feet wide. This, he told the commissioners court, was equivalent to paving two or more miles of roadway. He made a preliminary estimate on the project and said that it would cost perhaps as much as \$20,000.

The wide right-of-way to be paved, he said, would be for the purpose of providing extensive parking space.

The commissioners reiterated their willingness to help the college in the project but were hopeful that some sort of compromise might be worked out which would reduce the magnitude of the job.

If the county takes over this assignment, the commissioners said, it would result in a sharp delay in the road building program which the county now has under way.

Weaver and Parks will propose that changes in the project be made.

Held

Lester Deffenbaugh, 45, is being held at Wateka, Ill., by Iroquois County officials in the shooting of Stanley Jensen, 34, and his wife Marjorie, 31. Police said Deffenbaugh, a parolee from a state training school who lived with the Jensens, told them he shot and killed Jensen and a short time later shot Mrs. Jensen. Mrs. Jensen died several hours later at a local hospital.

Bride Awaits Hearing On Death Spree

HAMMOND, Ind. (AP) — A 25-year-old bride waiting in jail today for a grand jury investigation of the fatal shooting of her husband and three in-laws in the climax of a family dispute.

Detective Capt. Russell Oltz said Mrs. Opal Agnes Collins told him she killed her mother-in-law and two little sisters-in-law and then shot her paralytic husband in his wheel chair.

Victims of the Saturday shootings were Mrs. Julia M. Collins, 48; her daughters Martha Ann, 14, and Mary Sue, 11; and her son Ben Collins Jr., 28. Collins was paralyzed from the shoulders down as the result of an injury suffered during Army service in 1947.

Capt. Oltz quoted Mrs. Collins, a bride of 25 days, as saying her in-laws were "trying to break us up" and adding, "They told my husband I was trying to get all of his money."

Collins' only income was his service pension. The family lived in a new bungalow which he had bought when they moved to Hammond last December from Louisa, Ky.

Ben Collins Sr. told police there had been arguments over title to the house and designation of beneficiary on a life insurance policy.

American Rabbis Will Visit Russia

NEW YORK (AP) — A second group of American rabbis will visit the Soviet Union this summer.

Rabbi Morris N. Kertzer, secretary of the New York Board of Rabbis, announced yesterday that from 8 to 10 board members will leave about June 27 for a month's tour of Russia and other Eastern European countries. The board represents Orthodox, Conservative and Reform spiritual leaders.

Swimmers Hit Pool In Record Numbers

Swimmers flocked to the city pool Saturday and Sunday in numbers almost doubling the first two days' crowds in 1955.

In all, 1,169 persons paid to swim Saturday and Sunday.

Saturday's total was 513, and Sunday, attendance was 656. The Sunday figure could have been higher, since swimmers who Saturday bought 10-swim passes were not counted Sunday.

The Saturday total included 345 adults and 168 children and Sunday's figure consisted of 465 adults and 168 children.

The first two days the pool was open in 1955 found 775 persons swimming. That total included 326 on Saturday and 449 on Sunday.

Jap Scientists Report Evidence Of Atom Blast

TOKYO (AP) — Japanese scientists announced their instruments indicated the United States set off another hydrogen blast at Bikini today comparable in power to the mighty May 21 H-bomb explosion.

The Atomic Energy Commission in Washington had no immediate comment.

The Tokyo Central Meteorological Observatory said its 15 gauges throughout Japan recorded atmospheric pressure waves from the direction of Bikini for about 40 minutes. The observatory said the duration and strength of the waves were the same as those recorded after the May 21 blast, which exploded with an estimated force of more than 10 million tons of TNT.

A "supersensitive" seismograph at Matsushiro, 130 miles northwest of Tokyo, recorded earth shock nearly three hours ahead of the air gauge readings, the scientists reported. The seismograph also recorded the May 21 blast before the atmospheric instruments.

Earth shocks travel much faster than atmospheric pressure waves.

None of the 15 newsmen who saw the May 21 bomb drop at Bikini were there today. Their stay in the proving ground was limited to 30 days. Weather conditions forced repeated postponements of the H-bomb drop and thus delayed later tests of the current series beyond the time limit granted the correspondents.

The AEC has said the current tests will run into June.

The Tokyo observatory said the Matsushiro seismograph recorded the earth shocks at 3:02 a.m. (1:02 p.m. EST, Sunday). The air gauges recorded the atmospheric pressure waves at 6:33 a.m. in Yokohama and 6:14 a.m. in Tokyo.

The seismograph recorded the May 21 explosion 12 minutes after the blast was set off at Bikini and the air pressure gauges reacted about three hours later.

Allowing for time zone differences and the speed of earth shocks and atmospheric pressure waves, the newest blast—if it was detonated—apparently was set off about dawn at Bikini.

MATE IS SUSPECT Wife Stays Loyal In Heiress's Death

MIDDLEBURY, Vt. (AP) — A young Vermont wife today stuck by her husband as he proclaimed innocence in the slaying of the pretty Philadelphia heiress whose body was found in a closet of his Carson City, Nev., apartment.

William E. Boswell, 35, an itinerant bartender, was arrested Saturday in connection with the strangulation of blonde Mrs. Anne Harris Van Ryne, 22.

Police had been tipped off that Boswell was driving cross country to visit his wife in this small Vermont town and arrested him as he was about to enter his mother-in-law's house.

After visiting her husband in Addison County Jail, Mrs. Arline Boswell, 22, told newsmen: "He says he is innocent. I believe he is. The least I can do now is to stay with him."

Mrs. Boswell, who had left her husband in Carson City recently, went into seclusion after leaving the jail yesterday.

Boswell pleaded guilty to a fugitive charge and was held without bail to await transfer to Carson City, where a murder complaint was issued for him.

Police said the registration of the car he was driving was made out to Mrs. Van Ryne and her husband, who is serving a year in Los Angeles on a bad check conviction.

Police said also that Boswell had Mrs. Van Ryne's wallet containing Nevada and Pennsylvania driving licenses and other papers.

The body of the pretty heiress was found last Thursday in a closet of Boswell's Carson City apartment. She was wearing a dress and a housecoat belt, which police believe was used to garrot her, were found nearby.

VFW Slates Meeting Here

Big Spring was chosen Sunday as the next meeting place of the 25th district of the Veterans of Foreign Wars.

Attending the convention at Pecos Saturday and Sunday from the Christensen-Tucker Post No. 213 were J. J. Tyler, commander; Nathan Wilson, past post commander; J. B. McKinney, trustee, and J. V. Gregory, quartermaster.

Sessions were in charge of Toby Hanna, Pecos, the outgoing 25th district commander, Cecil Shanyo, Lubbock, state service officer, talked about veterans' problems, especially those which may result from the recent Bradley report recommendations. Awards were presented to members in posts getting 10 or more members.

New officers of the district, elected at the meeting, include: O. E. Baker, Pecos, district commander; Nathan Wilson, Big Spring, senior vice commander; Herb Polk, Monahan, junior vice commander; Pat MacMullen, Midland, quartermaster; J. J. Tyler, Big Spring, chaplain; Cletus Brooks, McCamey, surgeon; J. B. McKinney, Big Spring, 3-year trustee; George Goddard, Odessa, 2-year trustee; C. T. Mount, Pecos, 1-year trustee; and H. F. Curry, McCamey, judge advocate. They were installed by W. G. Ray, Midland, past district commander.

Date of the convention in Big Spring will be set later.

Optometrists Told Ad Values

DALLAS (AP) — The Texas Optometric Assn. was told yesterday institutional advertising in newspapers, radio and television is the most effective way to tell their story to the public.

"It is the most effective way to reach the people," said the chairman of their public relations committee, Dr. Grady Jolly of Abilene. "And it is time that professional associations recognize the import of their influence in reaching the people."

Following a year's trial in the use of newspaper, radio and television advertising involving a public education program on visual care, Dr. Jolly and his vice-chairman, Dr. W. C. Hambrick, also of Abilene, confirmed the advisability of display advertising in newspapers for public education and the use of radio and television as additional media.

The public relations experiment was launched in June of 1955 and according to visible results, say the optometrists, more Texans have been informed about visual care than ever before.

Tornado Warning Out For W. Texas

Dummy Hurtles Cliff

The Air Force catapulted a dummy "pilot" off a 1,500-foot cliff at near-supersonic speed in Hurricane, Utah, as more than 100 newsmen watched, but for the first time in 29 tries the dummy's chute failed to open. This picture shows how the dummy is hurled from a rocket sled going 600 or 700 miles an hour, when the sled is suddenly stopped by powerful brakes at the brink of the cliff.

O'Daniel Due Here Friday

W. Lee O'Daniel will be the first of the gubernatorial candidates to bring his campaign to Big Spring this season.

Garfield Crawford, public relations representative, notified Chief of Police C. L. Rogers, that the O'Daniel entourage would be here at 8 p.m. Friday.

Chief Rogers said that arrangements were being made for the equipment to be set up on the east side of the courthouse square.

Deadline Today On FREE WANT ADS For Boys and Girls Under 16

15-word ads from boys and girls will be published in The Herald Thursday.

Copy deadline is tonight! Young people are urged to bring ads by the Herald office by 5 p.m. today, or put ads in mail tonight.

Be sure to give name, address, phone number and age, with ad up to 15 words.

Threat Extends Through Kansas

Possible tornadoes were forecast again Monday for parts of Texas after a total of 16 funnels threatened Central West Texas late Sunday and early Monday.

The U.S. Weather Bureau forecast severe thundershowers and possible tornadoes from 2 p.m. to 10 p.m. Monday along a 120-mile strip through the Texas Panhandle, covering much of the South Plains and southeastern New Mexico.

The danger area extended from Hobbs, N.M., northeast to Dodge City, Kan. It was mapped just west of Big Spring, Post, Matador, and east of Memphis.

The twisters late Sunday night and early Monday were in the area surrounding Abilene.

Abilene itself was placed under a "take cover" and emergency evacuation basis for a brief period near midnight as three twisters flared about the countryside, one dipping to within 1/2 mile of the city limits.

Despite the unusual barrage of funnels no injuries were reported and only slight property damage was found. Most of the funnels started out of low-hanging clouds, then lifted before their destructive force was felt.

Particular credit was given to the West Texas Weather Warning System, an organization of about 70 volunteers in 22 counties who sight and transmit warnings of tornadoes.

The tornado sightings ranged from Abilene to Aspermont and east to Brokenkettle.

The alert was sounded in Abilene at 11:15 p.m. Many residents attempted to leave the city, jamming highways on the south and east. Shortly afterwards a twister was sighted near the Abilene Christian College campus in the northeast part of the city, but veered away at the last minute. Another funnel was reported near Hawley, and a third near Hodges, both just north of the Abilene city limits.

The all clear signal was sounded in Abilene at 12:10 a.m.

Heavy rain and hail spotted parts of the tornado plagued area.

On the M. M. Cobb ranch near Stamford, due north of Abilene, from 3 to 4 inches of rain fell plus 3 inches of hail. Some of the hail remained on the ground Monday morning. At nearby Haskell about 2 inches of rain fell. There was some damage to young wheat in the Haskell area from hail.

Thunder clouds still hovered over parts of the state Monday with light rain reported in Lufkin, Galveston and Del Rio. Lighter showers fell in Sherman, Mineral Wells, Beeville, San Antonio, and Dallas.

A report of an injury at Judd, a small Haskell County community, turned out to be false, Sheriff H. T. Melton of Knox County reported. He said a tornado hit the ground a short distance from Judd but that a search showed no injuries or damage.

Several people were killed at Judd by a tornado in 1953.

Tornadoes also were reported near Knox City, near Stamford, near Jayton in Kent County, and 10 miles west of Rochester in King County.

Heavy rains were reported in the South Plains.

The Abilene Reporter-News said

Steel Union Holds Talk On New Contract

PITTSBURGH (AP) — The United Steelworkers and the world's biggest steel producer, U. S. Steel Corp., sat down at the bargaining table today to negotiate a new contract that likely will become a pattern throughout the basic steel industry.

John A. Stephens, head of Big Steel's 60-member negotiating committee, said he is hopeful of a speedy settlement that will be equitable to "the owners, the steelworkers and the nation."

USW President David J. McDonald, heading up a negotiating team of 90 members, said he hopes for "a reasonable and satisfactory agreement well in advance of the June 30 midnight strike deadline."

The first order of business taken up was election of a chairman to preside over the joint sessions. Stephens has held the post for many years and is expected to be given the job again this year.

The union established a precedent by sending a woman negotiator to the basic steel bargaining table for the first time. She is Mrs. Deatrice Reagan, president-elect of Local 2662, Cleveland.

Stephens said he is fully aware of "the impact of steel affairs on the national economy and I hope the settlement will serve the nation well."

Clifford Hood, U. S. Steel president, was on hand for the opening session.

Today's negotiations are the first of a series that will affect some 650,000 union members employed by 172 basic steel and iron ore producing firms whose contracts expire June 30.

Police Seeking Park Meter Foe

NORTH BERGEN, N.J. (AP) — Police today sought an unidentified man who borrowed a sledge hammer from a construction worker Saturday, smashed a parking meter into bits and sped off on a motorcycle, saying "I've always wanted to do this."

Police said the worker, Joseph Picone, was repairing a sidewalk on Bergenline Avenue at the time of the incident.

Appointments Close Out Methodist Conference

Fifteen pastoral changes were made in the Big Spring District of the Northwest Texas Methodist Conference Sunday when Bishop Martin preached the last conference sermon and told a crowd that packed the big First Methodist Church that "only a great living faith will save this day with the burning issues before us."

He said the predominant factor dividing the world into two camps today is the fact that Communist nations are based on a "man-centered philosophy" while the free world has a "God-centered conception of life."

The church leader urged Northwest Texas Methodists to look upon their new year of service "with wills and emotions submitted fully to the God-centered concept."

The Rev. Harold L. Morris was appointed to the Ackery pastorate, succeeding H. W. Gaston who will go to Ropesville. The Rev. Robert D. Harris was assigned to Camp Springs-Ira, succeeding Frank Oglesby. Rev. Oglesby will serve at

Hamby, Herbert Johnson replaces H. W. Kile on the Colorado City Circuit

Fred S. Cox was named to the Dunn-Buford pastorate, succeeding F. R. Pickens who is retiring. Joseph A. Walker was assigned to Fluvanna, replacing J. W. Hawkins, also retiring.

C. T. Jackson was named to the Garden City-Pioneer post, succeeding H. Lee Crouch Jr. who will go to Clyde.

James Futch was assigned to Hermleigh, succeeding S. A. Sifford who moves to Hart, Preston. Florence was appointed to the Lenora-Patricia pastorate, succeeding Rodney Williams.

Allan Adams succeeds Harold L. Morris at Loraine. Rev. Morris will serve the Ackery church.

Elton Wyatt replaces Jack Riley at the Trinity Church in Snyder.

Wallace Kirby moves to Stanton, succeeding Hugh H. Hunt who was

Firemen Fight Bus Blaze

Lost Skier Found

Lynn Wattler, who was lost for two days in the snowfields of Mt. Hood, Portland, Ore., is transferred to a litter by Jim Lyne, left, a forest ranger and Bob Wachsmuth, right, a ski patrolman, who found Miss Wattler wandering into a timbered area.

Adlai, Estes Ending Drive In Florida

By The Associated Press
Adlai Stevenson and Sen. Estes Kefauver today wound up their primary election campaigns in Florida—their only Southern primary test—while others assessed a Democratic primary in North Carolina which unseated two congressmen who did not sign an anti-integration manifesto.

Florida Democrats vote tomorrow in a key test of the popularity of Kefauver and Stevenson, both seeking that state's 28 votes in the Democratic National Convention.

The two presidential hopefuls began the final week's campaign with a joint appearance resulting in no fireworks, but as the week wore on tempers frayed. Kefauver blasted Stevenson yesterday for alleged use of a "sneer and smile" technique. Stevenson's manager said Kefauver showed signs of "desperation."

Stevenson arranged to fly to California this morning to begin stumping ahead of that state's June 5 primary, in which he also opposes the Tennessee senator. Kefauver planned a final 17-hour marathon tour of the key Miami area.

President Eisenhower has only taken opposition on the GOP side of the contest. In Saturday's North Carolina Democratic primary, defeat came to Representatives Deane and Chatham—nonsigners of a document attacking the Supreme Court's decisions to segregation.

A third nonsigner, Rep. Cooley, chairman of the House Agriculture Committee, won renomination. Cooley, however, told the voters he strongly opposed mixing the races.

In another congressional race in which segregation was not an issue, Rep. Carlyle was defeated by former U. S. Sen. Alton Lennon. Other results gave thumping victories to Sen. Ervin and Gov. Luther H. Hodges.

Gov. J. P. Coleman of Mississippi issued a statement calling for re-election of the Wisconsin Republican State Convention. Wiley, a staunch supporter of Eisenhower's foreign policy, has been at odds with state GOP leaders for years. He said the lack of endorsement won't prevent his seeking another term.

The convention move means that its new choice, Rep. Glenn Davis, will have organization support and financing in the September primary. It does not close out other candidates.

In Washington yesterday, Secretary of State Dulles said he would welcome "a pretty thorough airing of foreign policy" in the 1956 political campaign. But he said in a filmed television interview he hopes the discussion will remain on a high level "and just throwing dead cats around," he called it a "healthy thing that every four years foreign policy should be discussed."

'Knockout Blow' By Russia Is Possible, Air Chief Declares

WASHINGTON (AP)—Gen. Curtis LeMay says Russia will equal this country in total bomber forces by 1958 and might be able to knock out the United States with a surprise attack the following year.

LeMay heads the U.S. Strategic Air Command. His testimony before a special Armed Services subcommittee headed by Sen. Symington (D-Mo) was made public during the weekend after censoring by the Defense Department. His statement that Russia might be able to deliver a knockout blow by 1959 was softened by the observation that "I don't think this is possible to happen."

But he said under questioning it could happen "if everything went in his (the Russians') favor and we made all the mistakes possible to make, and we were caught completely by surprise on the ground." Under such circumstances, he said, "we would have practically nothing left to do any retaliating with."

LeMay said that under present schedules, the Russians by 1958 will equal the United States in total bomber power, including both long and medium range. If estimates of the Central Intelligence Agency are correct, he added, Russia will have twice as many

long-range jet bombers by 1960. He said he could not guess what the Kremlin might do, but "if he is stronger, he may feel that he should attack."

LeMay said his own bomber command's greatest need now is more skilled technicians, then more bases and jet air tankers and finally more long-range B52 jet bombers.

Meantime, Sen. Malone (R-Nev.), who dislikes overseas commitments, told newsmen this country should defend itself from its own shores. He called for an Air Force with 2,000 B52-type jet bombers instead of the presently planned 500, and between 5,000 and 10,000 jet fighters.

He suggested also a fleet of atomic submarines and a ring of radar warning stations and guided missile bases around North America.

Such a program, he said, would enable this country to withdraw its troops from overseas and put an end to economic aid to foreign countries. And behind such protection, he added, this country could save off the threat of war "for 50 years."

Negroes Arrested On Race Bar Count

TALLAHASSEE, Fla. (AP)—Two Negro women refused to move to the rear of a city bus Saturday and were arrested on charges of placing themselves in a position to cause a riot.

Policeman Fred Lehman said Wilhelmina Jakes, 26, and Carrie F. Patterson, 20, sat down in a front seat next to a white woman and ignored a request by bus driver Max Coggins that they move to the back.

Coggins said there were several other passengers on the bus and he feared trouble would result. He stopped the bus and called police. The women were released on \$25 bond and a hearing was set in City Police Court for June 1. Tallahassee has a city ordinance based on a state law authorizing the regulating of seating on intrastate buses.

Honorary Degree

BELTON, Tex. (AP)—Mrs. Oveta Culp Hobby, president and editor of the Houston Post and former secretary of health, education and welfare under President Eisenhower, will receive an honorary degree of doctor of humanities today from her alma mater, Mary Hardin-Baylor College. She will give the principal address at the school's 111th graduation exercises.

Look Out Below!

Delbert Peck of Kennewick, Wash., seems to be in for it as a wild 1,800-pound Brahman bull he attempted to ride in a rodeo in Tonasket, Wash., tries to trample him in this spectacular picture by Rancher-Photographer Hurk Jahns of Rock Island, Wash. But, luckily for Peck, the big bull came down straddling the cowboy who came out of it with only a slightly injured hand.

WORLD OF NATURE

Birds And Bees Mundane Subject

By DION HENDERSON Associated Press Staff

Remember when every school child knew all about the birds, and bees and the flowers?

Well, times have changed. Today's kids may be right up to here with information on guys and dolls, but details on how the birds and flowers—to say nothing of bears and trees—operate has escaped them.

Worse yet, conservation officials and educators agree, an understanding of the natural world and the place humans have in it has escaped a good many teachers as well.

Discovery of the situation, and prompt efforts to do something about it, seem to have been made in a number of states and provinces at approximately the same time.

State and federal agencies, private and industrial scientists and educators themselves have banded together in many instances to refresh the occupants of the schoolhouse on the ecological facts of life that man depends on the field,

the forest and the streams for a good deal more than recreational hunting and fishing.

The conservation sciences, of course, are immensely complicated and still-developing fields calling for highly specialized instructors. But still one of the basic requirements in the public schools—called for constitutionally in some states, such as Wisconsin—is for instruction in reading, writing, arithmetic and the conservation of natural resources.

On the national level, the Conservation Education Assn. was organized in 1953 as the successor to the National Committee on Policies in Conservation Education. Headed by Howard Michaud of Purdue University, the CEA aims at "the development of effective resource education programs in schools and colleges and in youth and adult programs."

But the CEA, which holds its natural four-day conference Aug. 25-29 at Clemson, South Carolina, deals with over-all problems and philosophies.

Folk Music? There Ain't No Other Kind

By EDDY GILMORE

LONDON, May 28 (AP)—An earnest, deadly serious European student pulled out his pencil and looked Louis Daniel Satcho Armstrong straight in his saucerlike eyes.

"Mr. Armstrong," said the young man who was gathering material for a ponderous treatise on new art forms, "what do you think of folk music?"

Satchmo's enormous, rubbery mouth stretched into a big smile. "Folk music?" said Armstrong with characteristic gentleness. "Why, Daddy, I don't know no other kind of music but folk music—I ain't never heard a boss sing a song."

The reply was typical of the 55-year-old American Negro whose lyrical trumpet has carried him from a reform school in New Orleans to a familiar friendship with European royalty.

Born in a back alley in New Orleans on a sultry Fourth of July night in 1900, Louis Armstrong has become a legend in his lifetime and in Europe and other parts of

the world, a happy ambassador of the United States.

What does the State Department—which has spent millions of dollars in an effort to sell the American way of life to foreigners—think of Armstrong as an unofficial envoy?

"He's very, very useful," said a spokesman of the United States Embassy in London, "and he's most helpful."

For a diploma at that's tantamount to saying in jazz language, "The cat's terrific."

Satchmo doesn't cost the American taxpayer a cent, but don't get the impression that the high priest of the hot trumpet free-wheels around the world solely for free and his love for the red, white and blue.

Louis Armstrong collects money, and plenty of it, for his far-flung concerts of Dixieland music played the same way he learned to play it way down yonder in New Orleans.

His fee for his current British tour—is \$5,000 a night and he's playing 17-nights—which totals \$85,000.

Latin American Killed In Dawson

LAMESA — A Latin American man, identified by papers on his person as Marcelino Caudillo Jr., 21, of Lockney, was shot and killed about 9:30 p.m. Sunday 18 miles northeast of here.

Dawson County Deputy Sheriff Morris Zimmerman said that Reyes R. Alcorta, 55, is being questioned in the case. Zimmerman said that Alcorta told him that a man he didn't know came to the house and began cursing him. According to the deputy, Alcorta said he shot him with a .22 caliber rifle.

Alcorta then walked eight miles to the home of his brother-in-law, Willie Benitez, who took him to O'Donnell to see his employer, Hal Singleton, the deputy said.

Singleton called the Dawson County Sheriff's department. Zimmerman and Deputy Shorty Hancock are conducting the investigation. Sheriff Henry Mayfield left Sunday to take two prisoners to Huntsville.

Zimmerman said the single bullet wound was on the left side of the neck.

Conducting the inquest is Justice of the Peace Jim Edwards. No

verdict had been returned this morning.

Funeral arrangements are pending at Higginbotham Funeral Home.

Calendar Girls

The Girl Scouts and Brownies of Lamesa posed Friday for the above picture, which will be enlarged and used on the cover for the Woman's Study Club calendar to be published next fall. The calendar will carry birthdays, anniversaries, and special days for citizens of the community along with meeting dates of the various clubs and organizations in the town. The girls are, front row left to right, Pam Palmore, Sherry Burdett, Kathy Crawley, Vicki Crowell, Sue Jenkins and Sharon Reed. Second row: Jane Grammar, Betty Shaw, June Grammar and Sue Lee. Third row: Ruth Ann Scott, Marsha Petty, Nancy Taylor, Sandra Jordan, Linda Curry and Allene Adcock. Back row: Jan Rhoades, Carol Lee, Ruth Flennigan, Sunny Palmore and Sylvia Reed.

Breakfast Fetes Four Graduates On Sunday

Complimenting those class members who are completing their high school work this week, Mrs. Jack Haptonstall, the teacher, entertained Sunday morning.

The affair was a breakfast at Mrs. Haptonstall's home and the girls are members of the Theban Class of the Baptist-Temple.

The guests were seated around a table laid with a pink cloth and appointed with crystal and silver. The centerpiece was a circular arrangement of pink larkspur centered with tall white candles and small "Wise Old Owls" were arranged to suggest the graduates walking down the road of knowledge.

A gift was placed in the plate of each honoree and miniature mortarboards and gold pennants for the "1956 Graduates" completed the table decorations. Breakfast was served from a tea cart to the table.

The four who were honored were Reba Riddle, Jolene Reynolds, Joyce Lankford and Connie Kamm.

Linen, Kitchen Shower Honors Jan Baggett

A shower of linens and kitchen ware was given for Jan Baggett, daughter of Mr. and Mrs. Rex Baggett, Friday morning at the Country Club by Mrs. L. B. Baird, Mrs. C. W. Smith, Mrs. J. D. Caudle, Mrs. H. T. Bratcher and Mrs. Sam Hefner.

Miss Baggett will be married on June 2 to Richard Deats, son of Dr. and Mrs. C. W. Deats.

Mrs. Baird, Mrs. Caudle and Mrs. A. C. Bass greeted the guests at the door and presented them to Mrs. Baggett, the honoree, her grandmother, Mrs. Ruby Baggett of Electra, and Mrs. Deats.

Miss Baggett chose a white linen dress made along simple lines, the only trim being the embroidered flowers at the scooped out neckline and at the waistline. She wore white and rhinestone ear screws and the buckles on her white pumps were trimmed with rhinestones.

The serving table was covered with a white cutwork cloth, and the appointments were silver. The centerpiece was unusual in its originality. The forepart of the base was a bar of music with the score of "O Perfect Love" handwritten by Mrs. Bratcher. The flowers were white gladioli backed by silver gypsophylla and foliage and were arranged to form an arch that supported two wedding rings and wedding bells.

Serving were Mrs. Frank McCleskey, Mrs. John Rudeseal, Mrs. Fred Beckham and Mrs. Johnny Hill.

Flowering ligustrum together with silvered leaves made arrangements for the entertaining rooms along with smaller bouquets of garden flowers.

Art Pupils Show Work

A pansy theme was used for the background by Mrs. Richard Patterson when she displayed the art works of her students Saturday afternoon at the Park Hill School.

Specializing in childrens instruction, 149 pictures, all painted during the year were exhibited. Media used were pastels, oil, pen and ink and casein.

Pupils whose work was shown were Mack Alexander, Cathy Boren, Frankie Cherry, Modesta Simpson, Bryans Fitzhugh, Mollie Groebel, Sandra Crawford, Jackie Crawford, Joanna Patterson, Jane Wall, Jerry Walker, Danelle Williams, Sandra Clanton.

Also, Tommy McCann, Robert Vance Lebkowsky, Ross Reagan, Gregg Gossett, Robin Gossett, Sonny Early, Jay and Dickie Hatch, Joe Hollighead, Max Tarbox and the two adult students, Mrs. Lee Holman and Mrs. Ralph Gossett. Tea was served during the show.

Engagement Told At Lamesa Tea

LAMESA — The engagement and approaching marriage of Sue Stephens to Roy E. Smith of O'Donnell was revealed Saturday afternoon at a tea on the Clayton ranch. About 100 guests called between 3 p.m. and 6 p.m.

Hostesses for the tea were Mrs. Allan Stephens, Mrs. Mardis Clayton, Mrs. Joe Clayton, and Mrs. A.M. Clayton.

The serving table was laid with an imported lace cloth and centered with an arrangement of yellow daisies. Gold writing in it revealed the date of their wedding, July 7. The centerpiece was flanked by yellow tapers in candelabra. A silver coffee and tea service was used on each end of the table.

Members of the house party included Mrs. C. I. Hill, Mrs. Bill Willis, Mrs. James Smith, Mrs. Borden Gray, Mrs. Sid Reeter, Mrs. Richard Anderson, Mrs. Earl Sealy, Mrs. Dub Branch, and Mrs. John Whitmire.

The bride elect is a graduate of the Lubbock High School in 1951 and is employed in the Court-house at Gal. The bridegroom has just been discharged from the Army.

Mr. and Mrs. Elliott Yell and children, and Mrs. Paul Bishop have returned from a weekend spent in the home of Mr. and Mrs. Bruce Bishop in Florida.

Awards Are Given At Banquet

Webb Chicks Bowling League held the awards banquet Saturday evening at Carlos Restaurant with husbands of members as guests.

Awards were made by Mrs. Vincent Best and Mrs. Robert Hayes. Those who received recognition were: high average, Mrs. Harold Kain, 149; Mrs. Vincent Best, high series 519 and Mrs. Davita Zouza, high game, 160. Most improved player was Mrs. Aven Shipman. First and second place teams (tied) were Kain Killers and Best Pin-Ups and the Thompson Cats.

The Bauch Wows were the highest in the series with 1533 and the high team in games was the Best Pin-Ups.

The dinner table was centered with a flat oval shaped bowl which held daisies, roses, sweetpeas and cornflowers. On either side were miniature bowling balls and pins. Door prizes were a gold bowling pin autographed by members of the team which went to Mrs. Robert Parent; a crying towel, won by Mrs. Cletus Piper and the centerpiece which went to Mrs. Richard Walsh.

Arrangements were under direction of Mrs. Piper.

Announcement was made that the individual prize winners and the team captains will appear on the sports television show this evening on KBST-TV.

Guests Reported In Forsan Area

FORSAN — Mr. and Mrs. Les Griffith visited in Lubbock with Mr. and Mrs. Frank Knox. Guests of the Griffiths have been Mr. and Mrs. Preston Harroston of Waco and Mrs. J. W. Pruitt of Snyder.

Mr. and Mrs. Bobby Baker and Debbie of Andrews visited her parents, Mr. and Mrs. Jim Craig.

Mrs. Travis Breithaupt, Beverly Jo and Karen, of Odessa visited her parents, Mr. and Mrs. John Cardwell.

Mrs. Ray Wilson and Mrs. Dennis Hughes and children are in Lewisville visiting Mrs. Wilson's mother and other relatives.

Guests of Mr. and Mrs. Sam Starr and Mrs. H. G. Starr were Mr. and Mrs. Jack Starr and children and Ada Starr of Oklahoma. Also visiting the Starr family were Mr. and Mrs. Bill Greer and Mark Robin of Dallas.

Mr. and Mrs. Jess Brown and sons have returned to their home in Frasier, Colo., after spending a vacation here with the J. W. Griffiths. The two families visited relatives in DeLeon.

Gaye Griffith is employed in El Paso for the summer. She is staying with her sister, Mrs. Bob Sledge, and family.

BTU Uses Circus Theme In Party

LAMESA — A circus theme was used Friday night when the Junior I and II Departments, Training Union Department, and Joy Carol Choir of the First Baptist Church held their annual banquet.

Sponsors for the young people are Mrs. Forrest Mead, Mrs. Buster Reed, Mrs. Ed Hatch, and Mrs. W. J. Beckham.

The table held circus animals with balloons suspended from the ceiling with prizes being given from the pop-corn box at intermission.

About 80 attended the banquet.

Banquet Observed By Walther League

The Walther League of St. Paul's Lutheran Church met Sunday night at Sparenberg, to celebrate the 63rd birthday of the League with a banquet. Attending were members from Sparenberg, Lamesa, and Big Spring. The young people from Big Spring were guests.

The Rev. Edwin Kleeber, Sparenberg pastor, gave the welcome. Rev. Robert Lamesa was master of ceremonies and the after dinner speaker was the Rev. Wayne Dittloff, St. Paul's pastor.

A candlelighting ceremony closed the banquet.

Representatives of the local league were Charles Pachall, president; Thomas Fehler, Christene Snow, Mr. and Mrs. F. G. L. Snow the Rev. and Mrs. Wayne Dillhoff.

Pupils Will Give Recital Tuesday

Piano pupils of Mrs. Byron Smith will be presented in recital at Howard County Junior College Tuesday evening. Time for the program is 8 o'clock.

Those appearing will be Margie Newman, Sandra Hughes, Ward Stevenson, Linda Alton, Alice Clemons, Regina Hine, Joe Beth Watson, Cherry Whittington, Cora Sue Turner, Diana Spivey, Carol Black, Patsy Hampton, Sylvia Cole and LaPrecia Brown.

Also Kenneth Russell, Marilee Cole, Jarold Spivey, Johnny Hughes, Brenda Hooser, Beverly Dillard, Wilma Cole, Johnny Harrison, Nancy Newsom, Bonnie Fox, Melva Turner, Terrell Turner and Beverly Osborne.

Beatrice Hobbs Receives Cap

Beatrice Hobbs, daughter of Mrs. Jewel Hobbs, 804 Eleventh Place, received her cap on Friday after completing nine months pre-clinical work at Shannon School of Nursing and San Angelo College.

Miss Hobbs has two more years of theory and practice before receiving her graduate cap and school pin. She is the captain of the volleyball team; was voted one of the ten most photogenic girls at San Angelo College; was nominee for Miss San Angelo College and also nominee for pre-clinical class favorite.

Her sister, Juanita Hobbs Lee, graduated from Shannon School of Nursing in September, 1953.

Miss Paul Is Bride Of Mr. Carruth

LAMESA — Miss Georgia Alice Paul became the bride of Fred B. Carruth of Andrews Saturday at 5 p.m. in the parsonage of the Second Baptist Church.

The Rev. A. E. Hughes read the single ring ceremony. Spring flowers were used to decorate the house.

The couple's parents are Mr. and Mrs. G. W. Paul of 507 Avenue H and Mrs. Dave Carruth and the late Mr. Carruth of Lamesa.

The bride, given in marriage by her father, wore a more taffeta white dress. It was fashioned with a long waistline which ended in eight petal points from which fell a full gore. Her bolero jacket featured a Peter Pan collar with short sleeves and buttoned down the front. Her hat was of bands of satin encrusted with seed pearls and rhinestones. She wore a white orchid.

Miss Joan Murphy was the maid of honor. Her dress was of organza embroidered in shades of orchid fashioned after the bride's. Her corsage was of white carnations.

Rufus Timmons of Andrews was the best man.

Following the exchange of vows the reception was held at the bride's home with the serving table being laid with white linen and centered with the tiered wedding cake which was surrounded with miniature orchid mums. Presiding over the table were Miss Wilda Carruth, cousins of the bridegroom, Miss Carolyn Hughes and Miss Joan Murphy. Mrs. W. E. Murphy registered the guests.

When the couple left on a wedding trip to South Texas the bride chose a brown and beige tailored linen suit with brown accessories and a white orchid corsage.

The bride is a graduate of the Lamesa High School and the bridegroom is a graduate of the Andrews schools. He is employed by J. P. (Bum) Gibbons Well Servicing Company. They will make their home in Andrews.

Barbara Barrow Is Gift Tea Honoree In Purcell Home

LAMESA — Miss Barbara Barrow was complimented with a gift tea Saturday afternoon in the home of Mrs. Suttle Purcell.

Hostesses with Mrs. Purcell were Mrs. Owen Taylor, Mrs. Ross McDonald, Mrs. Irvin Wright, Mrs. J. O. Goodson, Mrs. Raymond Jones, Miss Helen Woods, Miss Juanice Koen, Mrs. Dick Edwards and Mrs. H. J. Woodul.

The bride's chosen colors of gold and blue were carried out in the decoration with the refreshment table being laid with an heirloom white cut work linen cloth belonging to the prospective bridegroom's grandmother. The centerpiece was six golden tapers in tall elevated candelabra which were covered in bridal wreath entwined with tiny blue and gold bows. From the back of the centerpiece came a wide blue net drape on which was written in gold Barbara and Martin.

Mrs. Dorman Powell and Miss Helen Woods were in charge of the gifts while Miss Juanice Koen served the cake and Mrs. Dick Edwards poured the punch.

About 125 called during the tea hours.

Miss Barrow is the bride-elect of Martin Burkhead. Their wedding will be read in the First Baptist Church of Lamesa on June 21.

Picnic Baskets

Save orange halves after you have extracted the juice and scallop the cut edges, zig-zag fashion, with your kitchen shears. Cut away inside membrane. Pack the orange baskets with a layer of fruit sherbet and a layer of vanilla ice cream; freeze. Nice to have on hand for picnics.

LOOKING 'EM OVER

With Tommy Hart

West Texas junior college basketball teams should find it much easier to qualify for the National Judo Tournament in the future.

The Regional setup has been reshuffled to the extent that only Sayre of the Oklahoma clubs will be eligible to take part in the Regional V. Tournament at Amarillo.

The Oklahoma schools will now have their own Regional tournament and it will be played in Cameron. Such perennial powerhouses as Conners State, Eastern Oklahoma A & M, Cameron, Bacone and Murray State, along with Decatur, Texas, are member schools of the Oklahoma district, or Region 2, as it will be known.

HCJC twice played Oklahoma teams in the finals of the Region V meet at Amarillo and, on each occasion, won a one-point decision to qualify for the trip to the National Tournament at Hutchinson, Kansas.

One of the better looking young athletes to engage in the HCJC basketball workouts conducted here recently by Coach Harold Davis was John Watson, a 6-foot-3 lad from Doyline, La.

In all probability, John will enroll at HCJC this fall. Possibly another Doyline athlete will accompany him here.

If the two do pop up here in September, they will be the seventh and eighth Doyline products to attend the local college.

Frank Dunn started it all back in the '40's. Other Doyline products who have played here are Melvin Norris, Bill Thompson, Cecil Hoggard and Jim Knoets and Richard Currie.

Knotts is considered the finest all-around eager in the history of the school.

As a matter of fact, Thomson is responsible for Watson coming out for the spring drills. Bill is now office manager for a contractor in Shreveport.

Watson played the astonishing total of 62 games for Doyline last season, while rating all-state honors. That's the equivalent of two seasons in most places. He scored 1,116 points for an averaging of about 16 a game.

He's as good as the other Doyline products he'll be more than adequate and Thomson insists he has greater potential than Knotts.

The last name of Stan Musial, the St. Louis Cardinals' hitting star, means "he had to" or "he was forced to."

Dave Kosko of the Milwaukee Braves shortened his name from Kosulowski, derived from the Polish work "kozol," which means goat.

Wendy Green, a high school golf star while at Midland, recently assumed his duties as assistant links pro at the Odessa Country Club.

Green, who until recently held a similar position with the Roswell, N. M., Country Club, grew up at and attended junior high school in Odessa.

In case you're interested, no fewer than 9,000 men have played major league baseball since the circuits were organized.

A figure filbert has concluded that the great hero Nabuba has earned \$103.45 every time he puts his foot down in competition or \$43.87 for each second he's been in competition.

Higgins Reasons He Got The Wrong Man

By JOE REICHLER
The Associated Press

Manager Mike Higgins of the Boston Red Sox was feeling today like the fisherman who went out for a whale and came back with a couple of minnows, who can blame him?

Six months ago, the Red Sox engineered a deal with Washington, acquiring pitcher Bob Porterfield among others in exchange for five young players and cash. It seemed they had stripped the Senators of their best players but now it's evident the big catch got away. The big catch is first baseman Roy Sievers.

What a waste of a job of hitting Sievers has turned in against Red Sox pitching this season, especially at Fenway Park. In five Washington games at Boston, he has blasted 10 hits in 20 times at bat for a .500 average. That's not all. He has scored 10 runs, clubbed 5 home runs and 2 doubles and driven in 11 runs. He also had 4 for 8 and 3 RBIs in three games in Washington.

He really turned on the heat against Boston yesterday, collecting five hits, scoring five runs and driving in five as Washington held the Red Sox to a split in their double-header. It was Roy's 10th-inning double that drove in Clint Courtney with the run that gave Washington an 11-10 second-game triumph after the Red Sox had come from behind to win the opener 9-7. The big St. Louisian homered in each game, the second four-bagger coming off Porterfield who failed to finish for the fourth time in five starts. He has a 1-3 record.

Another St. Louisian, this one by adoption, had himself quite a time yesterday. Stan Musial snapped out of a slump with seven runs batted in on four hits, one a three-run homer, to lead the St. Louis Cardinals to an 11-9 and 12-2 double-header sweep over the Chicago Cubs. The twin triumphs boosted the Cards to within 11 percentage points of the top although they lead the first-place Milwaukee Braves by a full game.

Sparked by rookie first baseman Frank Torre's four straight hits, the Braves defeated the Cincinnati Redlegs 7-4. Because they have lost only nine games to St. Louis' 13, the Braves are in front in percentages, .640 to .629.

Rain washed out games between Pittsburgh and Philadelphia and Brooklyn and New York.

Rain also forced postponement of the New York Yankee-Orlando game in Baltimore but the Yankees' 3-2 game lead over Cleveland remained intact as the Chicago White Sox held the Indians to a split in their twin bill. In a first game that lasted four hours and 52 minutes—six minutes shy of the American League record—and 15 innings, the Sox nipped the Indians 5-4. Cleveland came back to win the second 4-2 behind Early Wynn's five-hitter.

The Detroit-Kansas City twin bill also ended in a split. After Al Kaline, Ray Boone and Charlie Maxwell had homered to spark the Tigers to an 8-2 triumph, Art Ditmar shut out Detroit 5-0 despite giving up 10 hits. Veteran outfielder Enos Slaughter helped Ditmar to his fourth victory with a single, double and triple.

The Cardinals mauled 11 Cub pitchers for 27 hits to gain a sweep of the three-game series.

Joe Macko helped defeat San Antonio in a twin bill 5-3 and 2-0. Macko picked up four hits, including a home run.

Tulsa stepped from sixth to fourth place when the Oilers topped Shreveport 9-6 for their third straight win over the Sports.

Austin's newly acquired right-hander, George Maranda, hurled four-hit pitching and won the game while Dick Hanlon was charged with the loss, his first after five wins.

Monday's schedule puts Dallas at San Antonio, Fort Worth at Austin, Oklahoma City at Houston and Tulsa at Shreveport.

Bonus Baby Lindy McDaniel picked up his fourth win without a defeat in the opener, in relief, and Vinegar Bend Mizell also won his fourth with a five-hit, 10-strikeout performance in the nightcap.

Pitcher Jim Wilson, making his first appearance for the White Sox since he was acquired from Baltimore several days ago, won his own game with a two-out single in

the 15th that drove in Minnie Mirowski with the winning run. Wilson had taken over in relief in the 14th and picked up his fifth triumph.

Tom Brewer survived a rough first inning when Washington scored five times, to record his sixth triumph in seven decisions. The young pitcher slammed a three-run homer in the third, climaxing a seven-run outburst.

Gift From Girls
Arah Phillips (left), who retires as girls' volleyball coach at Big Spring High School this year, is shown with a blanket given her by her players. Miss Phillips has served as Steerote coach since 1945. Eunice Freeman (right) presented the blanket to Miss Phillips on behalf of the other players.

REVERSAL AVENGED

Local Team Loses To Lions, 11 To 7

CARLSBAD, N. M. (SC) — Carl's Lions gained revenge for an early season defeat administered by the Big Spring Tigers by winning an 11-7 decision over the Texans here Sunday afternoon.

Friction between the umpires and the Bengals caused action to all but grind to a complete halt on occasions.

The Tigers got off to a fast start, scoring four runs in the first inning. However, the Lions banked three in the second and took what proved to be a permanent lead in the fourth on a five-run outburst.

Isa Mendoza, started on the mound for Big Spring. He departed in favor of Gus Fierro in the midst of the big fourth.

Al Valdes clubbed a three-run homer for the Tigers in the first inning and followed up with a fifth-inning single. Cobby Cabrera, Luis

Marquez and Sonny Dutchover also had two hits each for Big Spring.

H. Hernandez and L. Navarrette each drove out three safeties for the Bengals.

Big Spring visits San Angelo for an engagement with the Greyhounds next Sunday.

ABILENE (SC) — Letterman for four spring sports at Hardin-Simmons University have been announced by Athletic Director Bill Ledbetter.

Tennis letterman: Bill Herring, third year, Abilene; Donnie Campbell, third year, Brady; Jerry Goard, second year, Sweetwater; Freddie Kniffen, second year, Clyde; and Jackie Newton, first year, Plainview.

The Cowboy tennis team, coached by Otto Polk, won the Border Conference championship.

Golf letterman: Arlyn Scott, fourth year, Odessa; Duane Blair, third year, Vernon; Henry Whitely, first year, Amarillo; Gale Shed, first year, Lampasas; and James Dixon, first year, Andrews.

Track letterman: Whitley, fourth year, Lewisville; Delnor Poss, third year, San Angelo; Max Irwin, second year, Eunice, N. M.; Dewey Bohling, first year, Albuquerque, N. M.; Jackson Williams, first year, Rule; and James Thompson, first year, Stamford.

Baseball letterman: Don Sizemore, first year, Hutchins; Carlos Berry, first year, Lamesa; John McMillan, second year, Ft. Sumner, N. M.; Dub Pierce, first year, Hobbs, N. M.; Bill Bearden, first year, Bill Millican, first year, John Howerton, first year, Robert Groom, first year, and Lee McLaughlin, first year, all from Fort Worth; John Jones, first year, Lamesa; Bill Herrington, first year, Ranger; Ollie Byrd, first year, Mobile, Ala.; James Hill, first year, San Angelo; Loren Roberts, second year, Midland, and Wayne Asing, first year, Honolulu.

Reed Oil Company and Local 826 clash in the opening Little League baseball game of the week at 6:30 o'clock this evening on the Little League diamond.

The second contest, down for 8:30 p.m., pits Cosden against the Anna Lions.

Sandlot Player Killed In Game
CASS CITY, Mich. (AP) — A 23-year-old farmer who played baseball as a hobby was hit by a thrown ball and killed in a game between Cass City and Mayville yesterday. Chester E. Dorland, Cass City catcher, was hit just above the right ear by the second baseman's relay in an attempted double play.

Giardello Faces Cotton Again
By The Associated Press
Joey Giardello, once a high-ranked middleweight, will try again tonight to pick up where he left off in a rematch with Charlie (King) Cotton of Toledo, Ohio, at St. Nicholas Arena in New York.

Cotton, making his first New York start, upset the Philadelphia boxer May 7 when they met for the first time.

Don Mont will telecast to some sections of the country.

Clever Willie Pastrano of New Orleans and charging Chuck Spieser of Lansing, Mich., clash for

the third time Wednesday in a television fight at the Municipal Auditorium in New Orleans. Pastrano won their first match, July 25, 1955, but they battled to a draw Jan. 27, 1956.

Pastrano, 20, has an unbeaten string of 17 fights, including two draws. The latest Ring ratings list him No. 7 among the heavies.

Although Spieser is ranked with the light heavies (No. 2) he has ambitions for the big title.

LARRY Boardman, 29-year-old lightweight from Meribor, Conn., makes his Madison Square Garden debut Friday against Frankie Ryff of New York. It will get the usual radio-TV treatment.

Port Arthur at Corpus Christi, 7 p.m.—Mason (1-0) vs. Gandy (0-1)

DALLAS — Texan Don January, whose fantastic finish with an eagle deuce on the final hole won him first money in the \$30,000 Dallas Centennial Open, looked toward the second half of a Dallas golf extravaganza today—the \$70,000 Texas International Open.

The tall young man from Abilene wound up the Centennial Open yesterday like they write about in Frank Merrill books—he pulled from behind with a blast from a sand trap into the hole 15 feet away. Then saw the men he had left in the lurch with one great shot—Dow Finsterwald of Bedford Heights, Ohio, and Doug Ford of Mahopac, N. Y.—try desperately for birdies that would have given them a tie for first.

January's closing 3-under-par 67 gave him 268 for 72 holes and a stroke advantage for Finsterwald and Ford.

GETS A RAISE

Dale Long Awed By Fan Reaction

By GIB STALEY
PITTSBURGH (AP) — Dale Long, 30-year-old Pittsburgh Pirate first baseman who has achieved something baseball's greatest sluggers never accomplished, is a little bit awed by the fan reaction.

A \$2,500 "merit raise" has been given Long as the result of his terrific batting, which includes belting seven homers in as many consecutive games for a major league record. Sometime before tonight's game with Brooklyn he expects to stop in the office of Pirate General Manager Joe Brown and sign a contract calling for \$16,500.

But the awe of the fans over his achievements apparently is just as pleasing to Long as the money.

Shortly after Long had hit his seventh homer, against Philadelphia Saturday, Brown was in the phone to tell him he was getting a new contract—and the \$2,500 raise. The big fellow said he was grateful then he choked up.

Long had been kicked around baseball until he teamed up with Pirate Manager Bobby Bragan when Bragan was at Hollywood

of the Pacific Coast League. Long says he thinks Bragan is "the greatest fellow in the world."

Long has been the spark which has kept the third-place Pirates in the thick of the National League race. He's the National League leader in three important departments: 13 home runs, a .419 batting average and 36 runs batted in.

Long has been in baseball since 1944. He played with nine minor league teams, before getting his first chance with the Pirates in 1951. After playing only 10 games, he was waived out of the league and wound up with St. Louis in the American League.

St. Louis cut him loose and somehow he wound up in the Pirate chain again. He blossomed under Bragan in 1953 and 1954 at Hollywood and last year hit .291 as the Pirates regular first baseman.

Long's explanation for his outstanding showing this season is simple: "Confidence, and the fact that I'm not trying to kill the ball like I once did."

By DALE BURGESS
INDIANAPOLIS (AP) — Qualifications for the 500-mile auto race Wednesday, already assured the fastest field in its 45 years, were reopened today over bitter objections from crews of slower qualified cars threatened with elimination.

The extension, unprecedented after a full field of 33 cars had qualified, resulted from rain which washed out Saturday time trials and allowed only 57 minutes of running yesterday.

By The Associated Press
Hobbs last night used an eight-run explosion and some rain-aided games to open up a two-game lead—the widest margin of the season—over the pack in the Southwestern League.

Hobbs cut loose with an eight-run burst in the top of the 11th against Clovis to turn a tight game into a runaway 11-1 victory. Second-place Plainview and third-place El Paso were idled because of wet grounds at Plainview.

Roswell clipped San Angelo 13-4 and Midland ran over Ballinger 14-4 in the other games played at Steer Park Sunday afternoon.

McNew helped his own cause with a three-run round tripper. Jay Hill also drove one out for the Dusters, that one with the sacks deserted.

The Webbs team, which is managed by Jim Zapp, has now won four straight games and is booked to play Snyder here next Sunday.

Manager Jim Zapp is trying to arrange a game with the Lamesa All-Stars here for June 24. A game with the All-Stars was weathered out last week.

The win over Odessa was the second straight for the Dusters. Odessa has defeated Lamesa.

Webb Air Force Base's Dusters got behind Charles McNew with a steady attack that netted a 12-5 victory over the Odessa Chiefs in a baseball game played at Steer Park Sunday afternoon.

The win over Odessa was the second straight for the Dusters. Odessa has defeated Lamesa.

By The Associated Press
Hobbs last night used an eight-run explosion and some rain-aided games to open up a two-game lead—the widest margin of the season—over the pack in the Southwestern League.

Hobbs cut loose with an eight-run burst in the top of the 11th against Clovis to turn a tight game into a runaway 11-1 victory. Second-place Plainview and third-place El Paso were idled because of wet grounds at Plainview.

Roswell clipped San Angelo 13-4 and Midland ran over Ballinger 14-4 in the other games played at Steer Park Sunday afternoon.

McNew helped his own cause with a three-run round tripper. Jay Hill also drove one out for the Dusters, that one with the sacks deserted.

The Webbs team, which is managed by Jim Zapp, has now won four straight games and is booked to play Snyder here next Sunday.</

Judges Due At Trial Of Two Truman Aides

ST. LOUIS (AP)—U.S. Dist. Judges George H. Moore and Roy W. Harper are expected to be called as government witnesses this week in the conspiracy trial of two former high officials in the Truman administration.

Testimony was halted last Wednesday after Atty. Harry I. Schwimmer, a codefendant who suffers from heart disease, became ill in the courtroom and was taken to a hospital.

The trial was recessed until today. U.S. Dist. Judge Rubey M. Hulen will decide if Schwimmer is well enough to attend court sessions.

The trial will continue with Matthew J. Connelly, appointments secretary to former President Truman, and T. Lamar Caudle, former head of the Justice Department's Tax Division, as defendants if Schwimmer is unable to continue.

The three men are charged with trying to stall or sidetrack criminal prosecution of Irving Sachs, St. Louis shoe manufacturer whom Schwimmer served as an attorney. Sachs was fined \$40,000 for tax evasion but escaped a prison term on health grounds.

Judge Harper fined Sachs on the tax evasion charge in 1951. Judge Moore charged the grand jury which returned the indictments.

Missiles Called Future Weapons

WINNIPEG, Man. (AP)—Britain's Field Marshal Viscount Montgomery predicts that guided missiles will take over half the wartime work of long-range bombers within 10 years and will replace 70 per cent of the tactical air forces.

The deputy supreme commander of NATO forces in Europe told a news conference here last night: "We are advancing toward the day when the principal vehicles for the delivery of firepower will be the missile."

He warned that military leaders "must avoid planning for the next war in terms of the last war."

The World War II conqueror of Rommel's Afrika Korps asserted the vast changes new weapons will bring about in war strategy will not erase the need for land armies. Nuclear-armed fighter-bombers traveling at the speed of sound would not provide an effective support arm, he said. Ground troops' nuclear weapons would slow the pace of military operations because of the shock effect, he said.

Airman Killed In Gun Game

YOKOTA, Japan (AP)—An 18-year-old Texas airman was killed Sunday in a gun game with another air policeman, the Air Force said today.

It said Airman 2. C. Jack V. Tinnin of El Paso was killed in "an accidental shooting." The Air Force gave this account:

Airman 2. C. Richard Jennings, Berkeley, Calif., going on duty, yelled, "Okay, draw!" when Tinnin, just off duty, entered the barracks after checking in his .45 automatic pistol. Jennings drew his weapon which accidentally discharged.

Congressmen Doubt Benson To Carry Out New Rice Plan

WASHINGTON (AP)—The new farm bill, now at the White House, sets up a two-price plan for rice—but there's some doubt among rice state congressmen it will be tried out.

The rice plan is to become effective only at the discretion of the secretary of agriculture. Some congressmen question whether the administration will look with favor on the idea.

President Eisenhower, in vetoing the first farm bill several weeks ago, objected to two-price plans for farm commodities. This tied some Southerners to conclude the administration likely would take no steps to implement the program.

However, Sen. Ellender (D-La.) took the view that the President, in vetoing the first bill, tossed in all objections he could find to the measure and that his primary objection was to a two-price plan for wheat, rather than for rice. Since the new bill confines the plan to rice, Ellender said, he believes the administration might not object to it.

Ellender's view is that there has been some sentiment in the Department of Agriculture to try out a two-price plan and rice would offer the best opportunity for a test since it is a relatively small crop and grown in only a few states.

As set up in the bill a two-price plan for rice could be tried out only in 1957 and 1958 or 1959. It would be a two-year trial run.

Of somewhat more immediate importance to rice growers is the provision in the bill fixing the 1957 and 1958 national rice acreage allotments at the 1956 level. This means rice growers will take no further acreage cuts in the next two years.

The bill does not deal with support prices for rice, which under existing law are set at between 75 per cent and 90 per cent of parity. The administration, already has announced the 1956 crop will be supported at 82½ per cent of parity.

The two-price plan for rice in the new farm bill is the same as that in the vetoed bill except that it makes it effective for only two years and then only when the secretary "determines and proclaims that the initiation of a program is administratively feasible and in the best interests of rice producers and the United States."

Under the two-price plan the rice-grower would get his acreage allotment as now. In addition he would be given a pro rata share of the primary rice market—the rice consumed domestically and exported to Cuba. His share of the primary market would be considerably less than he would raise on his acreage allotment.

After determining the primary market the secretary of agriculture would set a support price for rice at a figure he believes would encourage export of rice. This would be somewhere between 80

MORE SUPPORT NEEDED

GOP Leader Hopes Foreign Aid Slash May Be Restored

WASHINGTON (AP)—Sen. H. Alexander Smith (R-N.J.) says he hopes the Senate "will be able to restore" much of the billion dollars a House committee cut from President Eisenhower's foreign aid program.

But three Democratic senators contended, also in weekend interviews, that Eisenhower should line up more support from Republican Senate leaders if he wants favorable action.

The Democrats are Senators Sparkman (Ala.), Humphrey (Minn.) and Mansfield (Mont.). Like Smith they are members of

the Senate Foreign Relations Committee, which now is holding hearings on Eisenhower's \$4,900,000,000 request.

Chairman Richards (D-SC) of the House Foreign Affairs Committee defended the House cut yesterday in a CBS-TV interview. He said it amounted to "cutting out the surplus and wild guesses and still leaving enough for an effective program."

The committee said in a formal report Saturday that much of the arms shipments now allotted to Europe should be sent elsewhere until it is "clearer" what defense policy Europe intends to follow.

Without naming any countries, it criticized what it called a letdown in self-help by some of the "prosperous" Western European nations.

During the TV interview, Richards referred to what he called "apathy" on the part of Britain, France and West Germany.

The House committee cut a billion dollars from the three billion Eisenhower had asked for military aid, and 109 millions from the \$1,900,000,000 he asked for economic and other programs.

Sen. Humphrey said, "The passage of this program is going to require more leadership than just sending a bill down here and having witnesses testify."

Sen. Knowland (R-Calif.), Senate Republican leader, and Chairman Bridges (R-NH) of the Senate GOP Policy Committee have said the Senate will not vote the full amount Eisenhower has asked.

Mansfield said the program "would have a better chance" if Knowland and Bridges got behind it.

Sparkman, calling on Eisenhower to act, said, "We Democrats ought not to be required to carry all the load for him. That job belongs to him and his leaders."

Drumming

Five-year-old Richard Keith, whose parents don't consider his drumming a nuisance, pounds on his skins for newsmen in Los Angeles as he appeared in court to get judicial approval of his new \$300-a-week contract with the "I Love Lucy" TV series. Richard—he was born Keith Thibodeaux in Lafayette, La.—has been pounding drums at the age of ten months and has been a professional two years. His first Hollywood assignment will be the role of Ricky Ricardo Jr., on the "Lucy" show.

Quanah Parker's Widow Plans Honor

CACHE, Okla. (AP)—An old crippled woman, once a proud "First Lady of her land," will pay her memorial day tribute at the grave of Quanah Parker, last great chief of the Comanche Indian nation.

She is Topay, surviving widow of the half-white Indian warrior and diplomat. For months Topay has worked in her wheel chair, fashioning paper bouquets of yellow, lavender, red, blue and white flowers for her husband's grave.

Topay says she was born near Anadarko, Okla., and married the handsome chief when she was 25. Nobody is sure of her present age. The wind and time are etched on her bronzed and wrinkled face, but her spirit is as young as a colt's.

She lives in a two-room house

not far from the somber Wichita Mountain slopes, and near enough to recall happy memories of the rambling home where she lived with Quanah until his death 45 years ago.

Parker, born about 1845 to Cynthia Ann Parker, a white woman, and Peta Nokoni, a Comanche chief, rose to principal chief himself. He led his warriors in the Battle on Adobe Walls in Texas, a conflict described as the last Great Plains Indian fight against the white buffalo hunters.

Later Parker rode at the head of his tribe when it surrendered at Ft. Sill, Okla., in 1875 to close the Indian wars in southwestern Oklahoma.

Parker was allotted the tract near here where he lived with his wives until his death in 1911. He was reported to have had eight wives, and efforts of the government to separate him from them failed.

Topay chuckled as she rattled out in her staccato Comanche the familiar story of President Theodore Roosevelt advising Quanah "how to walk the white man's road."

When told to give up his polygamous life by relinquishing all of his wives but one, Parker's answer was: "You tell 'em which one I keep."

Wedding Comes Off In Hospital

BOSTON (AP)—An emergency appendectomy didn't keep Miss Barbara Fialkow from getting married as scheduled—but she couldn't wear her wedding gown and the location of the ceremony had to be changed.

She and Bertrand A. Magazine, 23, were to have been married yesterday at Temple Beth Zion, but she was rushed to the hospital last Wednesday.

The wedding took place in the chapel of Beth Israel Hospital. Instead of walking down the aisle, she sat in a wheel chair. And the bride wore pajamas and a housecoat instead of a gown.

After the ceremony, the bride returned to her room and the bridegroom attended the wedding reception at the Temple hall.

Construction Continues High

WASHINGTON (AP)—The Federal Reserve Board says construction activity in the early months of 1956 continued to be a strong factor in the nation's economy.

At the end of April, the board said, new construction was at an annual rate of 42 billion dollars on a seasonally adjusted basis.

This was not far below the record high of last summer but was attributed primarily to plans for business and industrial expansion.

The "tight money" situation was felt primarily in the residential building field, the federal reserve's monthly bulletin said, with both the number of dwelling starts and the money outlays below levels of 1955.

The board said the volume of mortgage financing of old and new houses in the first months of this year was about the same as early 1955. However, residential building continued to rise through 1955 and rose to a peak the latter part of the year. Activity this year thus has not kept pace with the last few months of 1955.

Large Areas Get Moisture

Rain fell over much of the nation today and several areas watched the sky for tornado clouds.

At least a dozen twisters spun out of roving thunderheads in western Nebraska, western Kansas and northwestern Texas yesterday. No measurable damage was reported as the tornadoes struck open country or failed to touch ground.

Heavy rains flooded streams in central Illinois inundating farm land and communities in three counties. Nine inches of rain were reported at Fisher, Ill., early today.

Heavy rains caused flash floods in the Salt Creek at Farmer City, Ill., and the Kickapoo Creek at Heyworth, Ill. The overflow washed out newly planted crops, stranded automobiles and sent families fleeing from their homes. There was no immediate estimate of damage.

Warm moist air continued to flow northward and overrun cooler currents moving southward in the Great Lakes and Ohio River Valley regions.

The collision of the warm and cold air set off thunderstorms in these areas, the lower Mississippi Valley and the Plains region.

Could Have Used It For An Ash Tray

DALLAS, Tex. (AP)—Mrs. Alma Bothe found a tube-shaped object near her house with a cord attached to one end. She changed her mind about carrying it into the house when she noticed the letters D-A-N-G-E-R.

"I didn't know what the thing was, but it scared me," she said. So she placed it in the garbage can. Four hours later she told her sister about it and they decided to call police. Sgt. J. K. Bradberry said it was a stick of dynamite with blasting cap and fuse and "capable of blowing something sky high."

Witnesses Offered Bar Assn. Help

ST. LOUIS (AP)—Witnesses subpoenaed to appear before the House Un-American Activities subcommittee during hearings here starting June 4 have been offered services of the Bar Assn. of St. Louis.

The association's executive committee said it had been "reliably informed" several witnesses had been unable to obtain lawyers. "There is ground to believe the reason for this difficulty is the unpopularity of the cause," the committee said.

Clean Rest Rooms Ahead!

High standards in rest rooms help make Phillips 66 Stations the favorite stopping places of increasing thousands of motorists. To Phillips 66 Dealers, "Hospitality on the Highway" means more than just filling your car's gas tank or checking the oil. Along with clean rest rooms, it means having your car brushed out, getting the windows cleaned . . . and special attention to your battery, tires and radiator. It means friendliness, courtesy, the desire to please you.

Your Phillips 66 Dealer believes that in the service he gives, as well as in the products he sells, "It's Performance that Counts." Drive in to his station soon.

It's Performance that Counts!

IMPORTANT OCTANE BOOSTS in BOTH Phillips 66 Gasoline and Flite-Fuel

Quality-controlled Phillips 66 Gasolines keep pace with today's high compression engines. Enjoy the higher octane rating specially blended with the extra clean-burning qualities and famous controlled volatility of Phillips 66 Gasoline and FLITE-FUEL. Treat your car to a truly fine motor fuel at your Phillips 66 Dealer's, and you treat yourself to top performance every mile.

Drug Concern Carries Full Stock Of Goods

Drug stores of today are a far cry indeed from those of grandpa's day.

Modern conditions require the drugstore to serve not only as a place to go for prescriptions — although this continues to be the most important of all their activities, in the opinion of most drugstore operators — but as a center where nearly any need can be met.

Bennett Brooke's Edwards Heights Pharmacy, 1909 Gregg, is a strictly modern drugstore in every sense of the word. If it is to be found in any drugstore anywhere, — you can find it at Edwards Heights Pharmacy.

Yet Brooke is one of those druggists who knows that prescriptions are vital and that the responsibility of a pharmacist in serving his customers in this field is heavy. The prescription department at Brooke's Edwards Heights Pharmacy occupies a most important share of the available space.

But prescriptions are but one facet. Edwards Heights Pharmacy is headquarters for hundreds of shopping needs — running the gamut from cold drinks to cosmetics, from cameras to picnic supplies and fountain pens. Indeed, if it is to be found in a drugstore anywhere you can find it at Brooke's.

And there is the added advantage of abundant free parking space at Edwards Heights Pharmacy. It is an easy store to reach and a friendly and efficient establishment in which to shop.

Shopping hours are convenient at this store and every day new customers are added to the army of Big Spring residents who have made the store their drug supply headquarters.

Beauty Tips

Designed to keep automobiles looking young and beautiful is Polishampoo, a container of which is displayed here by this lovely lassie who also points out that Polishampoo is so easy to use that even the little woman can give the family car a cleaning like it has never had before. Polishampoo, which combines the cleaning and polishing operations, renews and protects the priceless finish of automobiles.

There is no oily, gummy residue remaining to cause rapid rust; carpets cleaned the Blue Lustre way stay cleaner longer. Housewives like the effortless manner and professional results now possible with Blue Lustre. It is economical too, for only half a gallon will clean three nine by 12 rugs.

Blue Lustre Makes Rug Cleaning Easy

The troublesome task of cleaning carpets and upholstery is no longer a problem or difficult job when using the new Blue Lustre Carpet and Upholstery Cleaner. This exciting foam cleaner developed through long research is brushed into the fabric of the rug or carpet and instantly penetrates carpet soil — holding it in suspension for quick removal by vacuuming. Blue Lustre is available at Big Spring Hardware, 117 Main Street. Dull colors sparkle again; soiled pathways disappear and these traf-

fic areas can always be kept clean, fluffy, and bright by the occasional use of Blue Lustre without cleaning the entire carpet. Blue Lustre is a safe odorless and gentle concentrate and when mixed with water produces a billowy foam which — swiftly and surely — cleans the finest carpets without soaking or matting the pile. It leaves the nap open and lofty, revealing a sparkling new appearance and floors are soon ready for use again. Since all carpet soil is removed,

Harland Station Gives Car 'Treat'

The family automobile is a complex machine that demands good care, without which it cannot always give good service.

A local business concern which dedicates its energies toward seeing that your vehicle gives the best possible service at all times is the Harland Magnolia Service Station, located at 1000 Lamesa Highway.

Garland Harland, owner and manager of the establishment bearing his name, recommends that all vehicle operators have their cars serviced regularly.

That service includes changing the crankcase oil, thoroughly greasing the chassis and cleaning the vehicle at regular intervals.

If you are in doubt as to the weight and grade of motor oil to use in your car, consult Harland or one of his employees. They have a chart supplying the needed data. Gasoline and motor oils going into American motor cars are constantly being improved. The regular gasoline sold at the service station pump these days is better

than the premium gas was only a few years ago. Customers at the Harland station can rest assured that the products sold by the establishment are the best available anywhere. A limited number of automobile accessories, including guaranteed Mobil-tires and tubes, can also be purchased at the Harland concern. S&H green stamps, which can be redeemed locally, are given at the Harland station with each purchase.

If you want to give your vehicle a treat and insure improved performance, drive it into the Harland station for complete servicing.

Drainage Well

LEXINGTON, Ky. (AP) — Residents have finished drilling a well in the middle of a street in their neighborhood. It wasn't that they needed water; they needed a drainage hole to get rid of surface water.

Ford Stockholders Meet

Seated on wooden, folding chairs housed by a large, circus-type tent, Ford stockholders listen to reports of company officials (stage, background) in the first stockholders meeting in 38 years. Ford stock recently went on the market. About 3,000 people showed up for the meeting.

SEN. GORE

Federal Highway Allocation Scored

WASHINGTON (AP)—Sen. Gore (D-Tenn.) today denounced as "highly inequitable" a House-approved plan for allocating federal interstate highway funds among the states.

In a speech prepared for Senate debate on the highway bill, he called instead for a continuation of the present allocation plan which he said "has the merit of having worked satisfactorily for two years."

The Senate was striving to complete action on the multibillion-dollar highway construction and taxing bill by tomorrow night, in advance of the Memorial Day holiday.

There appeared to be little advance controversy over tax provisions of the bill, which would increase the federal gasoline tax from 2 to 3 cents a gallon and boost levies also on tires, trucks, buses, diesel fuel, trailers and a tread rubber.

The taxes are designed to raise an estimated 1 1/2 billion dollars, in addition to the yield of present highway user taxes, to finance the

expanded road building program. Part of the federal money would go for extra aid to states on primary, secondary and urban roads, but the greatest part, about 25 billions, would go for a 40,000-mile network of interstate highways, most of them four- and six-lane roads. The federal government would pay 90 per cent of the cost of these.

Gore, author of a highway bill passed by the Senate last year, sought to continue the present formula of allocating interstate funds to states based two-thirds on population, one-sixth on area and one-sixth on road mileage. The Senate Public Works Committee wrote that plan into the Senate bill.

The House bill would divide up the money on the basis of the needs of the states to complete their portions of the interstate system, as reported last year to the Bureau of Public Roads.

Gore, terming that system unfair, said it would penalize states that submitted conservative estimates and reward those that submitted "unusually high, and perhaps unrealistic, estimates."

Presbyterians Laud Social Security Plan

PHILADELPHIA (AP)—The 168th General Assembly of the Presbyterian Church in the U.S.A. was told today revised Social Security provisions have raised ministerial salaries and at the same time "slowed down the number of pulpits which would have otherwise become vacant."

The report of the church's Department of Ministerial Relations was presented on the fifth day of the assembly's seven-day annual meeting.

There was a strong possibility the nearly 1,000 delegates would vote today on a proposed merger with the United Presbyterian Church in the U.S.A. It would have more than three million members.

Of the recent changes in Social Security coverage, the Department of Ministerial Relations said:

"The additional boost in income which ministers who qualify will get has been recognized by men who are close to or eligible for retirement. Many who would have retired have stayed in service until they can qualify for Social Security."

"Many who were in retirement have accepted assistantships of one kind or another to make them eligible. This has slowed down the number of pulpits which would have otherwise become vacant."

The department added that this condition is expected to be strictly temporary.

"Another effect of the Social Security law," the department said, "has been that of raising salaries. Since the top benefit can only be obtained if a salary of \$4,200 is involved, the tendency to provide the maximum benefits to our ministers has been noticed."

Bad Business

DALLAS, Tex. (AP)—Leaving the keys in a parked auto is bad business as any officer, D. E. W. E. Douglas could tell you. He left the keys atop the sun visor in an unmarked police car he parked in front of headquarters Saturday and officers are still searching for it.

St. Louis Youth Admits Dropping Log On Police Car

ST. LOUIS (AP)—State police say an 18-year-old youth has admitted he dropped a 30-pound log from an overpass onto a patrol car chasing "drag racers."

Reginald Drant of suburban Olivette was charged with assault with intent to do great bodily harm.

Trooper Bert F. Morris, who was chasing the racers on the Daniel Boone Expressway, suffered cuts of both hands but escaped serious injury by swerving as the log struck the car. It smashed the right side of the windshield, showering the inside with glass fragments.

Firestone Tire & Rubber Co.

Has employment for man in Lamesa to handle sales and collections in Time Payment Department. Experience helpful but not necessary. Man selected will be given 30 day training program with salary and all expenses paid. Wonderful opportunity for man who wants to get ahead. Application blanks available at Crawford's Home & Auto Supply, Lamesa or P.O. Box 3109, Odessa, Texas. Company representative will arrange for private interview—all applications strictly confidential. Salary open. Age 25-40.

Baptist Women To Elect President

KANSAS CITY (AP)—The Women's Missionary Union, auxiliary of the Southern Baptist Convention, will elect a new president tomorrow for the first time in 10 years.

Mrs. George R. Martin, Norfolk, Va., who was first elected to the office in 1945, disclosed today she will not accept re-election to an 11th term.

Pending formal announcement to the WMU by Mrs. Martin of her decision, there was no speculation as to a successor.

The WMU convention, forerunner to the four-day meeting of the SBC beginning Wednesday, got under way yesterday with two sessions started today.

A third convention, the Southern Baptist Pastors' Conference, opens a two-day session tonight. Separate meetings of 25 boards, associations and similar groups are scheduled throughout the week.

The conventions are bringing an estimated 15,000 Baptists from the 30,377 churches of the denomination. It has a membership of 8,474,741 in 26 states.

Because the SBC is an association of self-governing churches, its actions are not binding. In practice they generally are followed at the local level.

Principal scheduled business concerns proposals for expansion in the fields of education, welfare and missions.

The Southern Baptist approach to racial problems was brought up last night by Paul Geren of Washington, D.C., a former missionary to the Far East. State Department representative in Amman, Jordan,

and newly appointed executive vice president of Baylor University.

Speaking to the WMU, Geren said colored peoples are making the relation between themselves and white people "the dominant political and moral issue of the world scene."

Observing that Baptist missionaries abroad affirm that "so far as the Gospel is concerned there is no difference" between Americans and Africans, Geren told the women, "We must be faithful to our reach across the sea."

"We need to have fast friendships across racial lines; we need imagination to suggest new ways out of old impasses," he said.

Greek Foreign Minister Resigns

ATHENS, Greece (AP)—Premier Constantine Karamanlis today accepted the resignation of Foreign Minister Spyros Theotokis. Theotokis had been under fire from Greeks demanding a tougher fight to get Cyprus away from the British.

The government announced Agriculture Minister Evangelos Averoff would be shifted to the Foreign Ministry.

Reliable sources said Theotokis in his letter of resignation complained that his "moderate" policy in the Cyprus debate with Britain had not been appreciated.

Memorial Day Toll Set At 110

CHICAGO (AP)—The National Safety Council estimates Memorial Day traffic accidents will claim 110 lives.

The normal average of motor vehicle deaths on a nonholiday Wednesday at this time of year is 70.

The council challenged the mo-

toring public to hold the Memorial Day death toll to 70.

The period covered by the advance estimate is from 6 p.m. (local time) tomorrow to midnight Wednesday.
