AP WIRE SERVICE

BIG SPRING, TEXAS, TUESDAY, JUNE 5, 1956

PRICE FIVE CENTS

SIXTEEN PAGES TODAY

Hail Piles High

Drifts of hail a foot deep cover a main street in Sioux Falls, S.D., after a 20-minute storm. Tractors and shovels, normally used during the winter months, were pressed into service to clear the streets in the business district. (AP Wirephoto.)

California May Hold Key To Nomination

SAN FRANCISCO (AP)—California voters today in a primary which both Adlai Stevenson and Sen. Estes Kefauver eye hopefully as the key to the Democratic nomination for president.

All the indications — newspaper polls, crowd reaction and professional guesses — gave the edge to the 68-vote Democratic delegation pledged to Stevenson.

This was disputed right to the last by the handshaking senator from Tennessee and leaders of his rival state.

Mollet Due To Win Vote Of Confidence

PARIS (AP)—Observers predicted Premier Guy Mollet would win a vote of confidence today in the National Assembly, winding up a three-day debate keyed to France's policy in rebellious Algeria.

Instead of separate ballots on Algeria and each major phase of the Cabinet's program, the Socialist Premier called for one vote

endorsing—or rejecting—his entire government policy. This strategy faced many assemblages, particularly Communists and extreme right-wingers, with difficult choices.

Tito, Kremlin Talk Business

MOSCOW (AP)—Yugoslav President Tito opened formal negotiations with the leaders of the Soviet Union today to complete the reconciliation of his version of communism and the Kremlin's post-Stalin brand.

Yugoslav circles said their chief of state would insist on retaining complete independence of action and freedom to continue the equal relations he established with the West after Stalin booted him out of the Soviet bloc in 1948.

Diplomatic circles believed any rift still existing between the Yugoslav marshal and the present Soviet leadership would be completely erased during the talks.

Kefauver Getting Montana's Votes

HELENA, Mont. (AP)—Balloting in Montana's first presidential primary since 1924 today seemed sure to give President Eisenhower the state's 14 Republican convention votes and Sen. Estes Kefauver its 16 Democratic convention votes.

Deputy Wounded In Arrest Attempt

HALLETTVILLE, Tex. (AP)—Chief deputy sheriff Guy Henry was shot in the back last night while scuffling with a man he was trying to arrest on a disturbance charge.

Martin Jury Indicts Six

STANTON (SC)—Martin County Grand Jurors Monday indicted six defendants and postponed action in the case of a seventh person, Guilford Jones, district attorney, said Tuesday.

N. York Demos Wrapping Up Support For Harriman

ALBANY, N.Y. (AP)—Scattered challenges from supporters of Adlai Stevenson spiced New York's primary election today but posed no threat to the Democratic organization's drive to wrap up the state's big convention delegation for Gov. Averell Harriman.

Work Under Way On Playing Field

Work has started toward the development of the playing field for the new stadium.

Missouri School To Honor Texan

COLUMBIA, Mo. (AP)—The Missouri University Alumni Assn. distinguished service award will be given tomorrow to David M. Warren, editor and publisher of the Panhandle, Tex., Herald.

Tax Slash Gets OK, If Budget Will Balance

WASHINGTON (AP)—The Committee for Economic Development today recommended a tax cut of two billion dollars or more next Jan. 1 — provided such a cut would not toss the nation's cash budget in the red.

Bus Segregation Is Nullified By Court

Nation's Personal Income Rises To Record Total Of 317 Billion

WASHINGTON (AP)—Personal income in April rose by nearly 2 billion dollars to a record annual rate of 317 billion, the Commerce Department said today.

This was the highest annual rate for farm income in any month since last November. For the first four months of the year farm income has been running at a rate of \$14,300,000,000, or slightly below the \$14,800,000,000 for the entire year of 1955.

Personal income includes wages and salaries, the net income of proprietorships and partnerships, farm income, dividends and interests, net rents, and other types of individual income.

Federal Laws Held Superior To City, State

MONTGOMERY, Ala. (AP)—A three-judge federal court panel in a 2-1 vote today ruled racial segregation unconstitutional on Montgomery city buses.

The panel ruled that both the city and state segregation laws requiring separate seating facilities for white and Negro passengers violate the federal constitution.

Judge Richard T. Rives of the 5th U.S. Circuit Court of Appeals and Judge Frank M. Johnson Jr. of Alabama's U.S. Middle District Court signed the majority opinion.

Judge Seybourn Lynne of Alabama's Northern U.S. District Court, Birmingham, wrote a dissenting opinion saying that in his opinion separate but equal facilities are constitutional.

The ruling doesn't become effective, the court said, until a formal judgment is entered. Opposing attorneys were asked to submit in writing within two weeks their views on the form of a judgment and whether a stay should be granted pending an appeal.

The decision came on the six-month anniversary of Montgomery's Negro bus boycott which started last September in protest against segregated seating facilities on city buses. The suit in Federal court which led to today's decision was filed by four Negro women who testified at a hearing on May 11 that they have refused to ride city buses since the mass protest began.

Today's ruling can be appealed directly to the U.S. Supreme Court and may provide the first clearcut test of city bus segregation in the South.

The 4th U.S. Circuit Court of Appeals at Richmond, Va., had a previously ruled bus segregation unconstitutional in Columbia, S.C., but sent the case back to the trial court for a determination of damages.

The Supreme Court on April 23 dismissed an appeal from the Court of Appeals ruling, but two of the judges sitting on the panel here, commented at the hearing last month that in their opinion the Supreme Court hadn't passed on the segregation issue itself, but rather dismissed the appeal because the case was still pending in the lower courts.

Since no question of damages was involved in the suit here, an appeal would go directly to the Supreme Court to uphold or reverse the panel's findings.

Cyprus Chief Under Guard After Threats

LONDON (AP)—A car speeding through the streets of Manchester scattered leaflets today threatening death to Sir John Harding, governor of strife-torn Cyprus.

New Court Hearing On Right-To-Work

AUSTIN (AP)—The State Supreme Court today ordered a new hearing in a railroad case from Amarillo involving constitutionality of the Texas "right to work" law for Wednesday, June 27.

Tax Hearings Set Wednesday

Initial session of the Howard County Board of Tax Equalization will be at 9 a.m. Wednesday.

Showers Dot Part Of State

Showers continued to dot Texas Tuesday as the mild humid weather settled over the state.

Light rains fell during the early morning at Childress, Wink and Salt Flat. There was thunderstorm activity in the Panhandle.

Partly cloudy skies prevailed over the state with the exception of the Rio Grande Valley where skies were clear. The forecast called for continued partly cloudy and warm weather with widely scattered showers.

Lightning killed Lee Poteet, 66, Monday while he was driving a tractor on his farm northwest of Olton in Lamb County.

Temperatures Monday afternoon ranged from 81 degrees at Dallas to 109 at Prestidio.

No Jurors For Chapa Trial

FORT STOCKTON, Tex. (AP)—Efforts to select a jury in the trial of D. C. Chapa, former tax assessor and collector of the Benedictine school district charged with theft and embezzlement, made little headway here yesterday.

Demo Committee To Prepare Ballot

AUSTIN (AP)—The State Democratic Executive Committee will meet here next Monday to prepare the state ballot and decide whether to include on the ballot the questions of interposition, intermarriage and school segregation.

18 Drivers In Competition For Webb Road-E-O Titles

Eighteen contestants this morning started vying for driving trophies in Webb AFB's eliminations for the Air Force Road-E-O.

Judge Will Rule On Moving Trials

STERLING CITY, Tex. (AP)—Dist. Judge Joe Mays is to rule today on whether to move the trial of two men charged with robbing the First National Bank here to another city.

Yesterday he switched Charles Peoples' trial to Odessa. Peoples, 33, Wallace Ray Moulton, 34, and Percy Allen Warren, 30, all of San Angelo, were charged with robbing the bank of \$7,800 on May 2.

Peoples' trial was moved to Odessa after attorneys decided they could not find jurors here with open minds in the case.

Work Under Way On Playing Field

Work has started toward the development of the playing field for the new stadium.

18 Drivers In Competition For Webb Road-E-O Titles

Eighteen contestants this morning started vying for driving trophies in Webb AFB's eliminations for the Air Force Road-E-O.

Judge Will Rule On Moving Trials

STERLING CITY, Tex. (AP)—Dist. Judge Joe Mays is to rule today on whether to move the trial of two men charged with robbing the First National Bank here to another city.

Soil Bank Will Pay Off Only When Farmers Cut Surpluses

WASHINGTON (AP)—Farmers will get payments under the government's new \$1,200,000,000 yearly soil bank program only for what they themselves do to reduce production of crops now in surplus.

They will get no payments on reductions caused by nature through drought, floods, hailstorms, insects and the like.

Agriculture Department officials said today this will be the rule in fixing payments under the soil bank plan for 1956 crops.

The soil bank is designed to reduce production of wheat, cotton, corn, peanuts, rice and tobacco by the offer of government subsidies to farmers for planting fewer acres than are allotted them.

The farmer may plow under a poor, infertile crop and get a soil bank payment—but only on the amount of the estimated production thus eliminated.

These rulings greatly narrow the 1956 program from that indicated by Secretary of Agriculture Benson at a news conference May 31.

Benson put a different light on the program in a speech last night at Beaver Dam, Wis.

"To the end that I am able I intend to see that the nation gets a dollar's worth of surplus reduction or a dollar's worth of conservation for every dollar paid out," he said. "We should not also load upon the program responsibility for drought relief, flood relief and credit needs."

The administration had proposed to determine the size of payments for underplanting allotments by multiplying the normal yield of the idled acres by a crop unit rate. These rates have been set at 90 cents a bushel for corn, \$1.20 for wheat, 15 cents a pound for cotton and \$2.25 a hundred pounds for rice.

Thus a farmer who ploughed up 10 acres of corn having a normal yield of 30 bushels an acre would get a soil bank payment of 500 times 90 cents or \$450.

But under a payment method tentatively adopted for this year, the yield of ploughed-up land would not be based on the normal figure, but on an appraisal of the crop output at the time the farmer applied.

Thus if a field which normally produced 30 bushels was appraised at 20 bushels because of adverse weather, the payment for ploughing under each idled acre would be 20 times 90 cents or \$18. That would be only \$180 for 10 acres.

France And Germany Agree On Transfer Of The Saar

LUXEMBOURG (AP) — French Premier Guy Mollet and West German Chancellor Konrad Adenauer agreed early today on the procedure for transfer of the rich Saar valley back to Germany.

The agreement includes provisions for (1) a three-year transition period for termination of the customs and economic union between France and the Saar, (2) continued French rights to some coal production in the region and (3) building an international canal linking the Moselle and Rhine rivers.

Lad Hits The Jackpot With Use Of Worthless Jap Coins

This youngster really had a "yen" for cold drinks. In fact he had a pocketful of yens — 10 yen coins which he had brought with him from Japan.

He was working the racket steadily at a filling station vending machine until the proprietor became suspicious. The vandemics were summoned.

France and West Germany have long sought to eliminate the Saar as a major point of friction in their relations. The German-speaking industrial sector supplies much of the coal to process the iron from France's great Lorraine mines nearby.

Davy Crockett (His Picture) Has Returned To Capitol

AUSTIN (AP)—Today is D-day at the State Capitol for Davy has come home. After about seven months of retouching and conservation work, the painting of Davy Crockett is again hanging in the main foyer of the Capitol.

The Legislature for the restoration and conservation of five paintings. One of them is a portrait of Stephen F. Austin, painted in 1836, and given to the Senate in 1919; a picture of the Battle of the Alamo, bought by the state in 1905; and a scene at San Jacinto, obtained for \$25,000 by the state in 1901.

Eisenhower At Labor Ceremony

President Eisenhower and George Meany, president of the AFL-CIO, sit together during the dedication of the labor organization's new headquarters building in Washington, D.C. (AP Wirephoto.)

AT FORT WORTH CAA Conference On Airport Set

R. H. Weaver, county judge, and Jack Cook, chairman of the aviation committee of the Big Spring Chamber of Commerce, will go to Fort Worth on Thursday for an interview with the Civil Aeronautics Administration regarding the proposed Howard County Airport.

Weaver emphasized that no effort to get CAA funds would be made as the agency has made it clear it will not participate financially in construction of an airport here.

W. L. Pope, 69, Dies Monday

Walter Leonard Pope, 69, retired farmer, died unexpectedly at his home at 9:30 p.m. Monday. Services have been set for 2 p.m. Wednesday in the South Side Church of Christ in Cosboma, where he was a member.

Mr. Pope was born Sept. 7, 1886, in Cedar Hill, and came to Big Spring from Mitchell County in 1932.

Mitchell Death Verdict Given

COLORADO CITY — A verdict of death due to self-inflicted gunshot wounds was reported by Justice of the Peace G. C. Lemons today in the case of George William Mealer, 54, who was found dead Monday afternoon south of here.

High, Jr. High Summer School Has 90 Pupils

About 90 students are enrolled for the summer session of high school and junior high, officials reported today.

No decision was reached on the employment of an engineering firm to direct operations, in the event the airport is built. Two firms are bidding for the job.

Water Demand Hits New High

Water consumption hit a new year's high Monday, topping the previous 1956 record by almost 500,000 gallons.

Usage Monday — the 24-hour period ending today at 8 a.m. — was 7,621,000 gallons. The previous 1956 high was recorded on May 18, when Big Spring consumed 7,140,000 gallons.

HOSPITAL NOTES

BIG SPRING HOSPITAL Admissions — Manuel Sanchez, Box 583, Pecos; Cruz Gonzales, City; Cino Clemencia, Box 512, Cosboma; Rita Hickson, 107 E. 17th; Perry Peterson, 611 Douglas; Gilbert Golian, 508 NW 2nd.

Dismissals — J. H. Carr, 701 E. 16th; Elizabeth Jo Sledge, 811 N. Gregg; Jesse L. Brooks, Midland; H. Reeves, 601 E. 12th; Juan Pardeez, 506 N. San Antonio; Hiram Crowder, Crawford Hotel.

Arson Suspect Freed On Bond

Curtis A. Hamlin, airman, charged with arson, was released on \$500 bail Monday afternoon.

Hamlin was one of three airman charged with setting an oil tank afire some weeks ago.

Cotton Growers Unit Lists 206 Dawson Members

LAMESA — A report from the Lamesa Cotton Growers Association indicates that 206 Dawson County farmers and businessmen have affiliated with the organization.

Western Union Talks Continue

WASHINGTON (AP)—There were sporadic interruptions of telegraph service in several areas yesterday while Western Union management and union officials sought agreement on a new labor contract.

Benson Appeals Acreage Review Panel's Findings

LAMESA — On the final day on which an appeal of the award could be made, Secretary of Agriculture Benson filed an appeal of the findings of the review committee which awarded Ralph Gary of northeastern Dawson County additional cotton acreage last Feb. 24.

It was pointed out that while commissioners recognized the need for such signs for the county to erect them might set a dangerous precedent. It was also said that a request by a school for similar signs sometime ago had been declined.

Automobile Burns

A car identified as the property of Clem Doney, Natchitoches, La., burned on U. S. Highway 80, seven miles west of Big Spring last night. Sheriff's officers investigated the fire.

Recreation Project Enrollment Climbs

Registration continued to climb Tuesday for the Citywide Summer Recreation program.

One Mishap Listed

Police officials reported one accident Monday afternoon. Involved at Thirteenth and Gregg were Aggie Raymond Posey, 804 E. 13th, and Elwin Don Payne, 208 Mesquite. Posey had a 1954 Pontiac, and Payne had a 1948 Studebaker.

Welch Home Hit By Lightning Bolt

LAMESA — Lightning Sunday night struck the house of the manager of the Planters Gin company at Welch.

IOOF Mullin Lodge Names New Officers

A. F. Hill was elected noble grand of the IOOF Mullin Lodge No. 372 at a meeting here Monday evening.

MARKETS

WALL STREET — The stock market held steady today with early trading. Most leading issues remained unchanged or higher.

LIVESTOCK

FORT WORTH (AP) — Cattle 5,000; sheep 1,500; hogs 2,000; pigs 1,000; chickens 3,000; turkeys 1,000.

Like To Confer With Solons, Trying To Hold Foreign Aid

WASHINGTON (AP) — President Eisenhower has asked House Democratic and Republican leaders to meet with him tonight for talks about the \$1,100,000,000 cut in foreign aid voted by the House Foreign Affairs Committee.

These Democratic leaders have been invited to tonight's meeting in Eisenhower's White House study. Speaker Rayburn of Texas, floor leader McCormack of Massachusetts; Rep. Albert of Oklahoma; Deputy leader; Rep. Richards of South Carolina, chairman of the Foreign Affairs Committee, and Rep. Gordon of Illinois.

Five Convicts Taken To Prison

Rufus Davidson and Fred Taylor, deputy sheriffs, took five prisoners to the Huntsville penitentiary today.

College Slates Spanish Course

Another non-credit course in conversational Spanish will be offered at Howard County Junior College during the first six weeks of the summer session.

Farm Bureau Sets Membership Meet

The Howard County Farm Bureau has scheduled the first of what are planned as quarterly membership meetings.

Cubs Get Awards At 'Hobo Party'

Six boys received awards at a weekend meeting of Cub pack No. 1 sponsored by the Airport P-T-A. The event took the form of a 'hobo' party at the City Park and attracted 50 people.

Committee To Meet

Citizens Traffic Commission Juvenile Driver's licensing committee will meet Wednesday at 3:30 p.m. at the office of R. H. Weaver, county judge.

Thieves Get Nothing

Burglars broken into the Salvation Army building Monday night, but nothing was missed. A gain was made by the burglars in locking their entry.

Wildcat To Test Clear Fork In Northwest Mitchell County

A Clear Fork wildcat test is being staged in Mitchell County. Drilling the venture about 12 miles northwest of Colorado City will be the No. 1 Elhel Dawson. Operator will be projecting to 2,500 feet to try the Clear Fork.

In Howard County's Big Spring field, Phillips No. 1-A Othello is swabbing. It is a C NW NW, 3-1-11, T&P Survey, and in the Big Spring field.

Borden

King-Warren-Dye No. 1 Milliken, 13 miles northeast of Gall, took drillstem test from 4,650-90 feet. The tool was open one hour, and recovered was 1,620 feet of salt water. The test was in a Permian Sand. It is C SE SE, 323-97, H&T Survey.

Dawson

Superior No. 1 Minton is installing pumping unit. It is C SW SW, 6-33, HEAWT Survey, and about 14 miles northeast of Lamesa.

Glasscock

Southland Royalty No. 2-34-A McDowell is taking electrical logs in lime at 2,431 feet. Site is in the Rosemary field, 467 feet from south and west lines, 34-34-2s, T&P Survey.

Martin

Pan American No. 1 Turnbow took a drillstem test in the Devonian from 12,065-181 feet, with the tool open one hour. Air blows were reported immediately but no gas surfaced while the tool was open.

House debate on the bill may bring a move to ban further U.S. aid to Yugoslavia. Rep. Edna F. Kelly (D-NY) said she intends to push for such a ban.

Plans Okayed For 'Fourth' Program

Plans for the city's traditional Fourth of July celebration were sanctioned by Chamber of Commerce directors Monday.

Thieves Get Nothing

Burglars broken into the Salvation Army building Monday night, but nothing was missed. A gain was made by the burglars in locking their entry.

Wildcat To Test Clear Fork

A Clear Fork wildcat test is being staged in Mitchell County. Drilling the venture about 12 miles northwest of Colorado City will be the No. 1 Elhel Dawson.

Wildcat To Test Clear Fork

Phillips No. 1-B Johnie is plugged back to 8,953 feet and is swabbing. It is C NW NW, 3-1-11, T&P Survey, and in the Big Spring field.

Mitchell

Ja-Bo No. 1 Dawson will be a wildcat 1,900 feet from south and east lines, 8-27, T&P Survey, and 12 miles northwest of Colorado City. Rotary tools will be used in drilling to 3,200 feet, to test the Clear Fork.

Sterling

Sun No. 1 Hildebrand is drilling in redbeds at 490 feet. It is a wildcat 574.9 feet from north and 1,853.3 feet from west lines, 22-12, and about two and a half miles southwest of Sterling City.

Crip, a part-cocker puppy, waits dependently on the bed of his young master, who is in critical condition after being struck by a car in Indianapolis, Ind. Tom Alan Robertson, 8, was dragged for half-a-block by the car after the youngster stepped into the street while carrying ice cream cones home for the family. The dog whimpered and howled from under the car after the accident, and police had to drag him away. (AP Wirephoto).

\$90,000 Of Brinks Loot Recovered

BOSTON (AP)—A routine arrest in Baltimore has led to what the FBI calls the first sizable recovery of loot from the \$1,218,000 Brink's robbery of more than six years ago. Some \$90,000 was found yesterday by FBI and Boston police behind false paneling in an office in the sub-basement of a South End rooming house. Authorities said serial numbers check with those on the Brink's loot. The find came within 18 hours of the arrest of Jordan Perry Jr., 31, a Boston stone mason and ex-convict, who was taken into custody after passing suspicious money in a Baltimore amusement park. Two men were arrested in Boston, charged with being accessories after the fact of the Brink's robbery, the largest cash haul in the nation's criminal history. They were identified as Edward Bennett, 36, of Weymouth, and John F. Buccelli, 41, of Brookline. The FBI said Bennett was arrested as he arrived at the South End office. Buccelli, whom the FBI said it had shadowed in Bennett's company, was picked up a few blocks away. Meanwhile, trial date for 10 men indicted as participants in the Brink's robbery was set for Aug. 6. The 10 were indicted — and eight of them arrested — last January. The roundup of money began Sunday night when Perry cashed a ragged and moldy \$10 bill in the amusement park. The park operator, suspicious, showed the bill to police. Authorities looked up Perry and, they said, found more than \$1,000, mostly in \$5 and \$10 bills, on his person. The bills, they said, "had a smell of mold and were brittle and brown with age." Perry admitted having more money in his hotel room, officials said, and they found \$3,770 hidden under a carpet. The bills were numbered in sequence, indicating robbery money, officials said. A check with the FBI showed it to be Brink's money. The Baltimore FBI said Perry was booked on a conditional release violation warrant issued by the U. S. Board of Parole. The Boston raid, police indicated,

ed, was made on information supplied by Perry. Agents armed with axes swarmed into the B&P contracting firm office and ripped out the false paneling of a wall bearing portraits of Abraham Lincoln and George Washington. Behind the panel, wrapped in newspapers and plastic bags and stored in an old refrigerator they found \$90,000. Raiders said the money was moldy and rotting and gave appearance of having been buried. The newspaper wrapping was dated Dec. 11, 1955. Police said Perry, who claimed foundation of a Boston house two months ago, is free on \$10,000 bail in connection with a \$7,500 payroll robbery last-September.

Farmers Billed For More Bracero Pay

LAMESA — The bracero back pay controversy has arisen here again with the Mockingbird Hill Labor Association being billed for 20 cents per 100 pounds of cotton pulled between Oct. 30 and Nov. 3, 1955, by bracero laborers. Two farmers, E. G. Bean and Clyde Edwards, also have been billed for the 20 cents per 100 pounds. Bean filed an appeal Monday and Edwards filed Friday with the U. S. Department of Labor. Mockingbird Hill Labor Association filed an appeal with the Department of Labor in Dallas and has received word that the appeal has been forwarded to the Secretary of Labor.

Adenauer Due Next Week For Talks In Washington

WASHINGTON (AP)—West German Chancellor Konrad Adenauer will arrive in Washington next Monday for informal talks with President Eisenhower and Secretary of State Dulles.

The West German Embassy today announced the itinerary for the 80-year-old statesman's seven-day trip to the United States, during which he will receive an honorary degree from Marquette University, Milwaukee. Adenauer last visited this country a year ago. Adenauer's plane is due in New York next Saturday. After a week-

Army Seeking Volunteer Unit

The Army is moving rapidly toward its goal of a 100 per cent volunteer unit, according to Maj. Gen. Donald P. Booth, assistant deputy chief of staff for personnel.

As part of the campaign to bring this about, the Army is placing emphasis upon recruitment of high school graduates.

"A high school graduate can find tremendous advantages in an Army career," said Col. Garlen R. Bryant, commanding officer of the Southwestern Recruiting District. "He gets a chance to develop his leadership traits in the combat arms, or a chance to become a technician through the Army's technical training program. A young man can map his own career, choosing his branch before actual enlistment. The Army's re-enlistment rate leads all other services, which is proof that an Army career is both satisfying and rewarding." Complete information on enlistment in the U. S. Army may be obtained from the local recruiter, Sgt. Aubrey Barr, who is at the post office building each Monday.

Start Work On A New Map Of Asia

TOKYO (AP)—Geologists of 13 nations met here today to start work on a unified Asian map under auspices of the United Nations Economic Commission for Asia and the Far East.

The session will last six days. Russia's delegate told the opening session that Russia considered that Red China and Outer Mongolia should be present but did not demand they be represented. Nor did he demand that Nationalist Chinese delegates be ousted.

MRS. RODNEY LEE WILLIAMS

Rev. Williams Weds Carol Ann Campbell

LAMESA — In a candlelight ceremony read Monday evening in the First Methodist Church Miss Carol Ann Campbell became the bride of the Rev. Rodney Lee Williams.

The parents of the couple are Mr. and Mrs. Tracy Campbell of 1704 North Ave. L. Lamesa and Mr. and Mrs. L. C. Williams of 934 North Ft. Worth Street, Midland.

The double ring ceremony was read before an archway of greenery and white peonies flanked with white tapers and bride baskets of white peonies. Dr. Orion W. Carter of Big Spring, assisted by the Rev. J. Lloyd Mayhew, read the exchange of vows.

Dottie Floyd played the traditional wedding music and accompanied Charlie Jenkins, who sang "Whither Thou Goest" and "Because."

WEDDING GOWN

Given in marriage by her father, the bride wore a gown of ivory French lace in a tulip rose pattern, accented with tulle. The scalloped skirt parted over bursts of pleated nylon tulle and fell in a court train. Her fingertip veil of illusion was caught to a crown of pearls. She carried a white orchid and streamers of stephanotis atop a white Bible.

Peggy Campbell was her sister's maid of honor. Bridesmaids were Betty Campbell, sister of the bride, Dana Brackeen of Andrews, Stella Bergan of Phillips and Nancy Mitchell of Lamesa. Their rainbow colored dresses of blue, orchid, green, yellow, and pink were fashioned of nylon lace over taffeta with a Peter Pan collar. Tiny buttons down the front ended at the long torso from which fell billowing lace skirts worn over crinolines. They wore a flange of lace and ruffles were dotted with tiny white flowers. Their cascading bouquets were of white peonies tied in rainbow colors.

Theron Williams of El Paso, was his brother's best man. Ushers were the Rev. Dulaney Barrett of Dallas, the Rev. Charles Hastings of Dumas, the Rev. Ernest McGoughy of Vera and the Rev.

1468
12 1/2-24 1/2

For Sunny Days

A very feminine, cool sundress designed especially for the slightly shorter figure. A brief bolero is included in this sunny-day outfit.

No. 1468 with PATT-O-RAMA included is in sizes 12 1/2, 14, 16, 18 1/2, 20 1/2, 22 1/2, 24 1/2. Size 14 1/2 dress, 3 1/2 yards of 35-inch bolero, short sleeve, 1 1/2 yards.

Send 35 cents in coins for this pattern to IRIS LANE, Big Spring Herald, 367 W. Adams St., Chicago, 6, Ill.

Plans Told For Service Men's Club

The St. Thomas Club, formed of a group of service men, will meet during the summer at the Service Men's Center each Friday at 7:30 p.m. Sessions will be held in the reading room, and the socials at the club will be attended after the meetings.

Planned for Friday evening at the Center is a dance from 9 to 12, to which all service men, their wives or dates are invited. Tentative plans call for music to be furnished by the band from Webb Air Force Base.

Serving at the open house Sunday afternoon were members of the Wesley Memorial Methodist Church. All service men and wives or dates are invited to attend open house held Wednesday, Friday, Saturdays and Sundays.

A table tennis tournament is scheduled to begin Saturday at the Center. Practice will be held Wednesday and Friday with play to start at the weekend. A prize will be awarded once a month.

Junior hostesses and other girls are invited to enter the tournament.

Bridal Couple To Make Home Here

Mr. and Mrs. Charles Thomas Hale will make their home at Eighth and San Antonio streets, following their marriage May 30.

The bride is the former Mary Evelyn Hanson, daughter of Mr. and Mrs. W. E. Hanson on Gall Route; the bridegroom's parents are Mr. and Mrs. R. T. Hale, 711 San Antonio.

The double ring rites were read in the home of the bride's parents by the Rev. James Gammon, minister of the Bethel Baptist Church.

The bride, given in marriage by her father, wore a frock of rayon and silk lace over taffeta with matching hat. Her flowers were white carnations tied with baby blue streamers.

Barbara Hale, sister of the bridegroom, was maid of honor and wore a dress of blue crystalline; she wore a corsage of white carnations. Billy M. Hanson, a brother of the bride, was best man.

Serving during the wedding reception were aunts of the bride, Mrs. H. S. Hanson, and Mrs. Marvin Hanson.

Both the bride and bridegroom are graduates of Big Spring High School. Hale is employed by Neil's Transfer Co.

Training Course Held Monday For Wesley Officers

Mrs. Raymond Hamby was in charge of WSCS officers' training day at Wesley Memorial Methodist Church Sunday afternoon at the church.

Mrs. C. W. Parmenter offered the opening prayer. Each officer heard her duties described, with the importance of performing them stressed.

During a business session, members decided to have an executive meeting on the first Monday of each month preceding the regular WSCS meeting. Time for the board meeting was set at 2:15 p.m.

A social hour followed the dismissal prayer, and refreshments were served by Mrs. Marshall Day. Eleven attended.

Mr. and Mrs. C. E. Shive have as their guests, their daughter and her family, Mr. and Mrs. Frank Searcy and daughter, Mary Louise, whose home is in Ponca City, Okla. The Searcys will be here until Saturday.

M 14-16
L 18-20

Be Comfortable

Be cool and comfortable this summer in this easy-to-make halter. No. 217 has tissue—sleeveless, medium or large. PLEASE STATE SIZE.

Send 25 cents in coins for this pattern to MARTHA MADISON, Big Spring Herald, 367 W. Adams St., Chicago 6, Ill.

Grand officers present for the installation were Mrs. F. I. R. R. Read, past grand matron of Texas; Elizabeth Elliott, grand examiner of District 2 of Colorado City, and Mrs. Beulah Carnrike, grand representative to Missouri from Texas.

She Goes For Slimness

"I look better and feel better when I am thin." This is one of Joan Fontaine's statements in today's Hollywood Beauty column. The attractive blonde stars in Warner Bros. "Serenade" with Mario Lanza.

Mrs. Chrane To Serve At Pythian Meeting

Mrs. L. D. Chrane has been asked to serve as manager of the Pythian Sisters' Grand Temple, when it convenes in Dallas June 17-20. This was announced Monday evening at a meeting of the local Pythian Sisters.

Mrs. Chrane was invited to fill the office by Mrs. Ina Maley of Pecos, grand chief of the lodge of Texas.

Plans were made at Monday's meeting for a joint picnic to be held at City Park June 14. A committee was appointed for the picnic, with Mrs. R. E. Collier as chairman. Assisting her will be Mrs. Herbert Johnson Jr., Mrs. Ronald Jones, Mrs. A. F. Hill and Mrs. R. L. Buck.

An application for re-instatement was read from Mrs. W. L. Thompson. Arrangements were made for a re-obligation ceremony to be held at the next regular meeting. This will be June 18.

Hostesses for the evening were Mrs. Paul Darrow and Mrs. J. R. Bowerman. Hostesses for the next session will be Mrs. Johnson and Mrs. Choc Smith.

Cindy Houston Is Honored By Tea

LAMESA—A gift tea held recently in the home of Mrs. Joe Whitlow, honored Cindy Houston, bride-elect of Doyle Archer.

Other hostesses included Mrs. Buddy Barron, Mrs. Gay Wade, Mrs. S. F. Reynolds, Mrs. Lex Woodall, Mrs. W. D. Phillips, Charlene Barron, Charlene Whitlow, Duronell Phillips, Elnora Wade and Clea Woodall.

In the receiving line were Mrs. C. L. Houston, mother of the bride-elect, the honoree, Mrs. Archer, mother of the prospective bridegroom, Mrs. W. F. Bertram, grandmother of the bride-elect and Mrs. Bill Phillips, aunt of the bride-to-be.

The serving table laid in white linen featured a centerpiece of blue centurea and white gypsophylla in a blue bowl. The hostesses alternated at the serving table and guest register.

Music during the tea hour was furnished by Sue Green, Miss Phillips and Carol Lee.

Miss Houston and Doyle Archer will be married June 25 in the First Baptist Church.

Mrs. Myrtle Lee is in Gulpfart, Miss., where she is a guest of her sister, Mrs. James Crossland, and Mr. Crossland. She is also visiting Mrs. Charles Lozano, a former Big Spring resident, who is ill.

HOLLYWOOD BEAUTY

Follows A Regimen To Keep Her Slimness

By LYDIA LANE
HOLLYWOOD — Joan Fontaine deserted Hollywood for the Broadway success "Tea and Sympathy," in which she later toured for quite a few months. But "Serenade" at Warner Bros., with Mario Lanza as her co-star, lured Joan back to the coast and her Brentwood house.

"I had tea with Joan recently and found her slimmer and more lovely than ever."

"I had wonderful Dior gowns for 'Serenade,'" she explained. "But in order to do them justice I wanted to lose 10 pounds. I wasn't fat to begin with so I consulted my doctor. Losing excess weight is one thing, and slimming down for a matter of line is quite another. But I love being thin and I do hope I can comfortably stay at this weight."

"How tall are you, and what do you weigh?" I asked.

"I am 5-4 and weigh 108 pounds."

"According to the charts that is about eight pounds under normal," I remarked.

"I have such small bones that I can't carry as many pounds as the charts recommend. It is much too heavy for me. I look better and feel better when I am thin."

I asked Joan to tell me how she reduced and kept feeling and looking well afterwards.

"I never cared for breakfast," she confessed, "but the first thing the doctor insisted was that I have a boiled or poached egg every morning, an orange, dry toast and coffee."

"For lunch I had a choice of a hamburger patty with lean meat."

"I found myself admiring Joan's lovely voice."

"My mother used to make us read Shakespeare aloud when we were children. You can't slur his rhythm and you have to be precise. In 'Hamlet' Shakespeare gives the players invaluable advice. 'Speak the speech I pritheas, as I pronounce it to you, trippingly on the tongue.'"

"A tape recorder is a great help in improving speech. Don't talk from your nose or throat but bring your voice forward. Let it float upward from your diaphragm."

Placing her hand a short distance in front of her mouth she said, "Talk here."

HOW NOW BROWN COW? There are low voices, harsh voices, cultured voices, high voices, but the best voices of all are well-modulated. Leaflet M-11, "Exercises to Improve the Speaking Voice," outlines methods to develop resonance and to lower the voice. There are others to develop flexible lips and tongue to help us speak more clearly. And lots more. To get a copy of M-11, send 5 cents. AND a self-addressed, stamped envelope to Lydia Lane, Hollywood Beauty, in care of The Big Spring Herald.

Mrs. Raley Leader For Circle Study

Mrs. Ira Raley was hostess and study leader Monday when members of the Kate Morrison Circle of the East Fourth Street Baptist Church met in her home.

Mrs. Raley led the Bible study, using the topic "Believing and Achieving." The scripture was from Acts 27:20-25.

Prayers were offered by Mrs. Gilbert Webb and Mrs. H. Reaves. Six members were present.

Bride

Mrs. John Park is the former Edith Jane Davis, daughter of Mr. and Mrs. George R. Davis of Chicago, Ill. The bridegroom is the son of Mr. and Mrs. Henry Park of Forsan. The couple married in the First Methodist Church in Frederick, Okla., with a single ring ceremony. Park, who has made his home in Wichita Falls during the past year, has accepted a position with the International Business Machine Company in San Jose, Calif., where they will make their home.

Rankin Family Has Reunion Here

For the first time in 30 years the family of Mrs. D. W. Rankin gathered at her home to celebrate her birthday anniversary which was on Sunday.

The big meal Sunday was held in the yard when the guests presented Mrs. Rankin with numerous gifts and flowers.

Present were her three sisters and their families, Mrs. F. E. Day and Mrs. W. A. Martin of Eastland, Mrs. Gene Anderson of Odessa; her sons and their families, Wesley Lines of Fort Worth and D. W. Rankin, Jr. of Big Spring; her daughters, and their families, Mrs. Barclay Canova of Amarillo, Mrs. Tommy Tucker and Mrs. Bill Cooper of Austin; a grandson, Buddy Lowery, Austin; and nieces, Mrs. Charles Norman of Odessa and Mrs. R. L. Young of Abilene. Mrs. Margaret Holden and son Wilkes of Big Spring also were present.

New Plants Boost The Coal Industry

PITTSBURGH (AP)—The once ailing American coal industry first hit the comeback trail by meeting the needs of Western Europe. But today it is finding a new lease on life in its own back yard.

All along the Ohio River, starting here and running to the Mississippi, new industrial plants are rising at costs totaling billions of dollars. Almost all are big users of coal or of the electric output fueled by coal.

Coalmen now talk of a total production of 500 million tons this year compared with 450 million last year, and less than 400 million in 1954.

The U.S. Coal Exporters Assn. says exports of American coal last

year was around 35 million tons, more than double the 1954 volume. Domestic use is rising this year—sparked by the capacity output of the steel industry, the growing use of coal by the expanding electric power utilities, and by the fast industrial pace in general.

A spokesman for Pittsburgh Consolidation Coal says the only big shadow over the coal industry at the moment is the threat of a steel strike. A strike lasting a month would hit the coal industry seriously. But barring that, coalmen see good times ahead for them in this Ohio Valley, enjoying a big industrial boom.

The Federal Reserve Bank of Cleveland says the trend is to "move the coal consuming plant to the coal—electric power companies are building new generating facilities practically on top of the coal beds."

New power stations are popping up all along the Upper Ohio and the aluminum and chemical industries also are moving there. The Atomic Energy Commission chose Portsmouth, Ohio, as the site of its huge atomic energy plant partly because of the nearby coal to supply its electric needs.

Another lure for companies to build new plants along the Ohio is the cheap transportation afforded by river barges.

In Washington, defense planners smile on the projects, since they mean a dispersal of industries once concentrated in the older industrial centers, a goal of the military in planning for possible air attack.

Now Cab Driver

Jack Votian, once a \$1,000-a-week RKO producer, now drives a cab in Hollywood. He was dropped as RKO's top man when Howard Hughes bought the studio and became a cab driver after unsuccessful attempts to get back into the movie industry. Behind him are some of the medals he won in both World Wars and a painting of himself as a U.S. Army colonel in World War II. (AP Wirephoto.)

Overflow Crowd Gathers At Rites For Jesse Jones

HOUSTON (AP)—Public officials, former governors, financiers, truck drivers and laborers yesterday paid their final tribute to Jesse H. Jones, Houston No. 1 citizen.

The 1,000-seat St. Paul's Methodist Church could not accommodate the large crowd present to attend funeral services for the 82-year-old builder, banker, publisher, financial genius, and Cabinet member.

Before the services thousands

had viewed the body of the former secretary of commerce who headed the Reconstruction Finance Corp. for 13 years and who was known to many as "Mr. Houston."

The simple services conducted by Dr. Deal D. Cannon, pastor, and Bishop A. Frank Smith lasted less than 15 minutes.

Private graveside services followed at Forest Park Cemetery, where Jones was buried in an 1,100 pound copper casket.

Among those attending the services were Gov. Allan Shivers, former Gov. Dan Moody, Sen. Price Daniel and former Gov. and Mrs. W. P. Hobby, the chairman of the board and the editor and publisher of the Houston Post.

Jones, who came to Houston in 1893 at the age of 24 to build the city's skyline and compile one of the nation's largest fortunes, died Friday. The longtime publisher of the Houston Chronicle entered St. Luke's Hospital May 9 after having undergone a kidney blockage operation in March.

Owner of 35 downtown Houston buildings ranging up to 37 stories in height, Jones returned to Texas in 1945 after resigning as secretary of commerce and as head of the RFC.

After returning to Houston, Jones devoted much of his time to philanthropic projects of his Houston Endowment Corp., which has given millions to educational, medical and charitable institutions.

No Big Issues In Dakota Vote

PIERRE, S. D. (AP)—National issues were all but settled before South Dakotans started voting today in their primary election.

President Eisenhower was assured of winning 14 Republican convention votes and Sen. Kefauver (D-Tenn.) had the eight Democratic votes. Neither state has any opposition. Voters are prohibited from crossing party lines and write-ins are banned.

Both parties were watching the turnout closely for any alteration of the voting pattern set in the 1952 primary. Republicans then cast a total of 128,000 votes in a contest between an unpledged Eisenhower slate and one pledged to the late Sen. Robert A. Taft of Ohio.

A Kefauver slate drew 22,312 ballots that year against 11,741 cast for an unpledged Democratic one. Democrats, however, were looking for a boost in that total today because one of the main races is for the party's senatorial nomination.

Merton B. Tice, municipal judge and former national commander of the Veterans of Foreign Wars, is opposing Ken Holm, farmer

and former state legislator, for the right to meet Sen. Case (R-SD) in the general election.

Case, as well as Gov. Joe Foss and his Democratic opponent, State Sen. Ralph Hersth, has no primary opposition, and their names will not appear on the primary ballots.

Navy Rocket Try Fizzles

WHITE SANDS PROVING GROUND, N. M. (AP)—The Navy got another fizzle yesterday when it attempted to shoot a research rocket up 138 miles.

Its Aerobee-1 reached only 37 miles into the sky. It attained not quite half the 6,100-foot-a-second velocity hoped for.

John Townsend and other scientists working on the project indicated it might be abandoned or at least delayed for a long time until they can find out what the trouble is.

Several weeks ago another Aerobee-1 reached only a few thousand feet in a highly publicized attempt at a new altitude record.

The Aerobee-1 is strictly a research vehicle, not a weapon.

One-Time Newsboy Is Now A Bishop

LOS ANGELES (AP)—A onetime Los Angeles newsboy has been consecrated a Roman Catholic bishop. The Most Rev. Aldon J. Bell was consecrated yesterday in St. Vibiana's Cathedral, where he was ordained in 1932. James Francis Cardinal McIntyre officiated.

Boy Scout Parley Set Thursday Eve

Regular monthly 10-11 meeting of the Lone Star Boy Scout District has been called for 7:30 p.m. Thursday at the Howard County Junior College Auditorium.

A. C. LaCroix, district chairman urged all members of operating committees as well as the Cub Scout and Explorer leaders and committeemen to be on hand. Emphasis will be placed on keeping an active program going during the summer.

Claims Beard Is No Just Cause For Being Fired

ATLANTA (AP)—A former transit operator who claimed he was fired because he grew a beard filed a \$25,000 damage suit against the Atlanta transit system and Amalgamated Street Car Local Union No. 732.

Gerald F. Barnes charged in a court suit that his civil rights were violated when he was discharged April 23 because, he said, he exercised his constitutional right to "have and enjoy chin whiskers."

The transit firm's reason for Barnes' discharge, according to the suit, was "conduct disturbing to discipline and harmony in our operating force and as a result he was given a direct order which he willfully disobeyed."

200 Turn Out For Swimming

The YMCA swimming program got under way Monday morning with close to 200 boys and girls turning out for this first session in the Municipal Swimming Pool.

The girls outnumbered the boys almost 4 to 1.

At the 9 o'clock session there were approximately 60 girls and 40 boys. The 10 o'clock session was composed entirely of girls—100 of them.

Truett Mobley YMCA program secretary, said that most of the boys that might have come to the 9 o'clock swim session were attracted by the Fun Club at the West Side Park which is another part of the Y summer program. Thirty-four boys were present for the beginning of this club. Which will swim from 11 to 12 o'clock at eight of their eleven sessions.

Mobley said there are enough swimming instructors for the sessions but anyone who is really qualified to teach swimming can be used.

Blasts Wage-Hour Law For Farmers

WACO (AP) — The president of the Texas Farm Bureau charged here yesterday that expansion of the federal wage and hour law into agriculture would turn American farmers into peasants.

J. Walter Hammond said the proposed legislation is already "a foot in the door" and will mean the ruin of free American agriculture if passed.

Hammond said bills before the Senate labor subcommittee now propose to eliminate: (1) The agricultural exemption on large farms, (2) the agricultural processing exemption, and (3) the exemption for "outsider salesmen" and buyers of farm products.

He said the proposed bill also would provide for: (1) Another hike in the minimum wage to \$1.25 per hour, (2) payment and time and a half after 35 hours of employment in one week, (3) and payment of overtime in excess of eight hours per day.

"This means an increase in the costs of farm labor as well as everything the farmer has to buy

to grow his crops. The farmer is already caught in a cost-price squeeze. His prices are down and his costs are up," he said.

Shivers Offers To Talk With Grand Jury

AUSTIN (AP) — The Hidalgo County grand jury which had asked Gov. Allan Shivers to appear and answer questions about the Rio Grande Democratic Club investigation will talk with the governor next week.

The governor's press secretary Weldon Hart said an exact time has not been set, but the governor would be in the Valley next Sunday and Monday on personal business.

"Gov. Shivers told them he would be there then, and if they still wanted to talk to him, he would be glad to appear," Hart said.

The investigation of the club was made at Shivers' request. He asked Atty. Gen. John Ben Sheperd to investigate the possibility of violation of state and federal laws concerning contributions for political purposes by labor unions and other organizations.

Girl Is Drowned

CLEBURNE, Tex. (AP) — Rebecca Briggs, 15, drowned in a swimming pool at Cleburne state park yesterday while on an outing with a group of Future Homemakers of America. She was the daughter of Mr. and Mrs. Arnold Briggs of Cedar Hill, Dallas County.

Driver Trainee Wrecks Her Car, Kills Teacher

DETROIT (AP) — A woman learning to drive wrecked her car and killed her teacher last night.

Mrs. Alice Dixon, 44, told police she was practicing in a supermarket parking lot and became excited when another auto started to enter as she was leaving. Her foot hit the accelerator instead of the brake.

The car slammed into the other auto head on, then shot across a street intersection into a parked truck.

Eddie Mae Clark, 48, who was teaching Mrs. Dixon how to drive, was killed. Mrs. Dixon and her husband Wilbur, 56, who was in the back seat, were injured seriously.

Mexico's Tourist Trade Is Bigger

MEXICO CITY (AP) — The government tourist office announced yesterday that visitors to Mexico spent 1 1/2 million dollars more the first three months this year than during the same period of 1955.

The total for the quarter was 81 million dollars.

AUTOMATIC TYPE-SETTING DUE IN FEW YEARS, PRINTERS TOLD

DALLAS (AP) — A veteran newspaper production man predicted here yesterday that 95 per cent of America's newspapers will use machines to set their news stories in type automatically within the next 10 to 15 years.

R. J. Richardson production manager of the company publishing the Commercial Appeal and Memphis-Scimitar in Memphis, Tenn., said that the unions have fought the change in big cities for some time "but now are realizing they cannot hold up progress."

William Dwight president of the Holyoke, Mass., Transcript-Telegram, told the 28th mechanical conference of the American Newspaper Publishers Assn. that the newspapers have been "hobbled with restrictions" on the use of new machines.

He said that despite the fears in the 1930's that typesetting machines would be the end of the road for printers, more men are working today than ever before.

No Endorsement Of Adlai In Illinois

SPRINGFIELD, Ill. (AP) — Adlai E. Stevenson's name was cheered by Democrats at their state convention yesterday but they did not formally endorse the former Illinois governor as the party's candidate for president.

The demonstration for Stevenson was touched off when Mayor Richard J. Daley of Chicago said, "With the united support of people in this room we shall elect president of the United States a native son of Illinois— Adlai E. Stevenson."

Daley, principal speaker at the one-day convention, told the some 700 delegates that "democracy in Illinois in 1956 will not be divided. I hope your help and assistance will carry Illinois for a native son in the person of Adlai E. Stevenson."

Chief business of the meeting was selection of 28 national convention delegates, each with half a vote. Most of them were from the Chicago area, where the party organization is strongly behind Stevenson, the 1952 Democratic

New Phone Books Now At Printer's; Due Late In June

Big Springers need not start looking for their new phone directories before the latter part of the month.

Officials at the telephone company said Monday that the books are now being printed in Dallas and would be mailed from there June 22. The books will be approximately the same size as the current issue and will contain Big Spring's Amherst listings.

The city will go on the two-letter-five-number dialing system July 1. Lomax and Luther listings will be included in the new directory, but they will keep their present EX prefix on numbers.

All persons who had telephones prior to May 25 will appear in the new books, but none who received a listing since that date.

Integration Issue Brought Again To Presbyterians

MONTREAT, N.C. (AP) — A committee's negative report on pro-segregation overtures was among the final business considered here today by the 96th general assembly of the Presbyterian Church, U.S. (Southern).

Overtures pertaining to the segregation question in the church were offered by presbyteries in South Carolina and Alabama.

The standing committee on Christian relations considered the overtures and in its report said it unanimously disapproved what was asked. The rub was expected if the groups which offered the overtures offered a fight on the floor in their behalf.

The general assembly of 1954 and 1955 adopted pro-integration statements, recommending that its churches, schools and colleges be opened to all races.

Sentenced To Chair For Poison Deaths

MONTGOMERY, Ala. (AP) — A pretty, auburn-haired waitress who killed her fourth husband with arsenic was sentenced last night to die in the electric chair.

Mrs. Rhonda Belle Martin, 49 and 170 pounds, admitted killing Claude C. Martin and five other members of her family, but she was tried only for the death of her fourth husband.

Her other victims were three daughters, her mother and another husband.

A jury of 12 men deliberated 3 hours and 10 minutes last night before convicting her of poisoning Martin after about a year of married life.

When the verdict was read, Mrs. Martin buried her head in her arms and sobbed.

The woman's attorney based his defense on a plea of insanity.

The prosecution countered that Mrs. Martin served arsenic in coffee to her husband in order to "collect some paltry amount of insurance and to get him out of the way so she could marry his son."

Eight months after Martin's death on April 27, 1951, Mrs. Martin married her stepson, Ronald C. Martin, 21 years her junior. He now lies in a veterans' hospital paralyzed by arsenic poisoning.

Ronald Martin's illness, for which Mrs. Martin is under indictment for attempted murder, touched off the investigation that brought to light the series of poisonings.

Under Alabama's automatic appeal law, last night's conviction will go to the Supreme Court. The sentence is postponed until the appeal is decided.

Solicitor William F. Thetford introduced evidence that Mrs. Martin collected \$2,750 on three insurance policies soon after her husband's death.

Files Cross Action In Divorce Suit

LOS ANGELES (AP) — British-born ice skater Belita Jepson-Turner has filed a cross complaint for divorce against her husband Joel Flordan, Hollywood actor.

She alleges cruelty, charging that he threatened violence in getting her to sign a managerial contract last year.

Miss Jepson-Turner, 31, known professionally as Belita, filed her action in Superior Court yesterday.

Boycotters Hoot

Students of Florida A&M University for Negroes yell and clap as a bus, emptied by an anti-segregation boycott, passes in Tallahassee, Fla. The bus is driven by Max Coggin, driver who called police when two A&M coeds refused to go to the rear of the bus. The incident touched off the boycott. The bus carries old "A&M College" sign through the institution became a university several years ago. (AP Wirephoto.)

New Wave Of Debate Stirred On Cause Of Stalin's Death

WASHINGTON (AP)—A fresh wave of debate boiled up today over whether Joseph Stalin died a natural death or was murdered. The purported details of a secret speech made by Russian Communist party boss Nikita Khrushchev suggested to some officials here that the men who were closest to Stalin in his last days had strong reasons for doing away with him to protect themselves. They pointed to the long record of "despotic" rule, ruthless arrests and murder which Khrushchev attributed to Stalin. The 25,000-word speech was delivered at a secret session of the Soviet Communist party at Moscow Feb. 24-25. The State Department published yesterday what it called "a version" of the speech as distributed to Communist leaders outside Russia. There was no word as to how this country got it. The general theme of the speech had been learned by the West previously. Stalin's death was announced March 5, 1953. It was attributed to a brain hemorrhage. There was speculation at the time that he might have been assassinated. But there was little evidence to go on, and this point of view never prevailed in official quarters here. Now the whole subject is up for restudy, although government specialists in Russian affairs say there are arguments in favor of the natural death explanation. One of these is that Stalin at 73 might well have suffered a stroke. Several doctors joined in signing bulletins on the progress of his illness and its outcome. Another consideration is that no one can be absolutely certain that Khrushchev was telling the complete truth about events preceding Stalin's death. Some experts say he may have exaggerated past suspicions and fears in order to gain the sympathy of his audience. Khrushchev charged that Stalin had brought against V. M. Molotov, who recently resigned as Russian foreign minister, and A. I. Mikoyan, a top party leader, "some baseless charges." He said this was a few months before Stalin's death. If Stalin had not died, Khrushchev indicated, Molotov and Mikoyan might have suffered "annihilation." He said Stalin was pursuing a plot to wipe out the last of the old Bolsheviks in the highest councils of communism and thus provide "a cover for all shameful acts of Stalin." He also indicated that the "Doctors Plot"—in which a group of doctors was accused of trying to kill off top Russian Reds in the months before Stalin died—had alerted the men around the old dictator that a new Stalinist purge might be in the making. In the view of American officials, the major meaning of the Khrushchev speech is that the Soviet system of government is unstable. They say that since Stalin could do the things which Khrushchev attributed to him in sensational detail, some other ruthless and ambitious man in the future might also gather power into his own hands and establish a Stalinist dictatorship. Khrushchev accused Stalin of direct responsibility for the deaths of thousands of "loyal Communists" whom he described as victims of a reign of terror. He said Stalin had destroyed the principle of collective leadership which Lenin had set up. Khrushchev also said Stalin bungled the conduct of the war, costing the lives of hundreds of thousands by bad strategy and by failure to prepare for the conflict with Germany.

IN IOWA PRIMARY

Ike's Supporter, Hickenlooper Wins

DES MOINES, Iowa (AP)—U.S. Sen. B. B. Hickenlooper, 59, seeking a third term as a backer of the Eisenhower administration and flexible farm price supports, won Republican renomination with ease in yesterday's primary election. Although indications were that the total vote would be lighter than usual for a presidential year, the Democrats polled more than 100,000 votes for the first time in a decade. On the basis of the senatorial results, however, the Republicans cast about 68 per cent and the Democrats about 32 per cent of the total vote. Hickenlooper's opponent was Atty. Gen. Dayton Countryman, 38, who campaigned for high rigid price supports. He counted on heavy backing from the southwest Iowa drought section and the membership of the new National Farmers Organization, which was founded there. But Countryman won only 2 of the 27 counties in the drought area. Hickenlooper gathered into his fold all the most populous counties. These included Countryman's home county. Countryman, in a statement following a congratulatory telegram to Hickenlooper, said: "The farmers have shown that they are happy by renominating Hickenlooper." R. M. (Spike) Evans, 65, a farmer and former U.S. Department of Agriculture official and Federal Reserve Board member, took the Democratic senatorial nomination from Lumund F. Wilcox, 44, an attorney, by about the same margin. Hickenlooper had over Countryman. Herschel C. Loveless, 45, who was the unsuccessful Democratic nominee for governor in 1952, easily topped Lawrence E. Plummer, 47, an attorney, for their party's nomination for governor. Gov. Leo Hoegh was unopposed for Republican nomination for a second term. Only two of Iowa's eight incumbent Republican congressmen had primary opposition, and each came through without difficulty. They are Representatives Henry O. Talle, 2nd District, and H. R. Gross, 3rd District. Iowa's primary is different from those of many states in at least two respects. There is no presidential preference rating and national convention delegates are chosen at party conventions rather than in the primary election. Switch voting, as well as write-ins, were permitted, but the indications were that neither was significant.

Save Your Valuable Rugs And Furnishings

Soil free carpets and upholstery wear longer. We recommend frequent cleaning with the new, easy to use, Blue Lustre. The swift action of this new miracle foam works equally well on wall-to-wall carpets, fine oriental rugs or upholstery. Bright original colors gleam like new. Blue Lustre is easily applied with a long handle brush, leaving the pile open and lofty. No residue remains to cause rapid resoiling. Very economical too, as 1/2 gallon of Blue Lustre concentrate cleans three 9 x 12 rugs.

Candidates' Paths Cross In El Paso

By The Associated Press
Two candidates for the Democratic gubernatorial nomination carried their campaigns to El Paso Monday—Sen. Price Daniel by airplane and former Sen. W. Lee O'Daniel by his red fire truck. In a press conference after his arrival Daniel said if elected governor he "would let the local school districts decide what is best for their schools" in regard to racial integration. He said his aim would be "to lead Texas to the best public school system in the United States." Following the press conference, Daniel attended a meeting of the East El Paso Lions club where he spoke and answered questions. O'Daniel spoke from his red fire truck in a park in the heart of this city. He told the crowd of about 200 that Daniel wanted to become governor "so he can keep the lid" on any investigation of the veterans' land scandal. Daniel, when told of this remark, said "all who have looked into my record have praised it." O'Daniel repeated his stand against segregation and called the Supreme Court the "nine old men." He said Daniel has "big money behind him and that will eliminate him as a contender." O'Daniel left El Paso to speak at Van Horn and Fort Stockton. Daniel speaks Tuesday at the annual meeting of the El Paso Valley Cotton Assn. Wednesday he begins a tour that will take him to Lubbock, Plainview, Amarillo and Wichita Falls. Daniel began his active campaign Monday at Houston by asking "true moderates and conservatives" to work together in a fight against "left wing radicals." "Let's forget differences of opinion and join together in this fight to keep out the radicals who want to take over the governor's office," Daniel told a meeting of Harris County campaign workers. "The big issue of this campaign is whether the government of Texas shall be controlled by the people or by the left wing radicals," Daniel said. He said Harris County residents already have been waging a fight against such elements and that this was one of his reasons for starting his campaign in the state's most populous county. "You have in this county the best illustration of what the extreme left wingers would do if they get control," he said. "The radicals have taken over your county to some degree." "They exposed their ruthlessness at the state Democratic convention in Dallas when they brutally disregarded the plea of Sen. Lyndon Johnson for moderation," he said. "In the closing hours of that convention, that radical element led by the leftists from Harris County turned their backs on Sen. Johnson. With the eyes of Texas upon them, they themselves gave evidence that the extremists in politics are also extremists in government and that the end result of irresponsibility is ugly politics and even worse government."

Heavy Damage Results When Dike Breaks

GEORGETOWN, Colo. (AP)—A 60-foot section of dike at Georgetown Dam burst yesterday losing a boiling torrent down Clear Creek Canyon. The deluge, touched off by rapidly melting snow, smashed out at least nine bridges, washed away a 100-foot section of U. S. 6-40, injured one man and caused damage estimated at more than \$200,000. A 140-mile stretch between Georgetown and Idaho Springs, a resort town below the dam, took the brunt of the swirling waters, laden with timbers and other debris. Idaho Springs is 34 miles west of Denver. Early warnings by state, county and federal officials were credited with averting possible loss of life. A sedan-truck driven by Arthur Williams, 50, of Wheat Ridge, Colo., hit a rock and plunged into swollen Clear Creek. The water dragged the vehicle half a mile before Williams could free himself and clamber ashore. He suffered cuts and bruises. The waters engulfed motor courts between Georgetown and Idaho Springs and damaged some dwellings and business houses at Idaho Springs. Temperatures to 90 degrees the past few days hastened the melting of snow at higher elevations. Strong winds kicking up waves on the dam reservoir were believed to have helped weaken the dike.

Took Navy Tugboat For A Joy Ride

SAN PEDRO, Calif. (AP)—Two men—a sailor and a civilian—were detained by naval authorities here after they assertedly took a Navy tugboat for a "joy ride" while its crew was asleep below decks. Held were John DeShazo, a sailor or attached to the nearby Terminal Island Naval Station, and William F. Burns, a civilian from Long Beach. Witnesses said the craft was piloted away from its moorings at Terminal Island in the early morning hours yesterday. The tug was off Huntington Beach, 10 miles south of here, when crew members awakened, went on deck and "recaptured" their vessel.

Fight Forest Fires

EDMONT, Alta. (AP)—More than 1,200 men working around the clock were gradually gaining the upper hand today against fires in northwestern Alberta's forests. Of 80 fires reported, only seven were still out of control.

Demos To Work Out Civil Rights Plank

CHICAGO (AP)—Democratic Chairman Paul Butler says the party's Platform Committee will convene a week before the 1956 national convention "to get substantial agreement on civil rights."

He told a news conference yesterday he is confident a civil rights plank acceptable to Northern and Southern Democrats will be drawn up during the pre-convention deliberations.

Butler declared "I will not have any difficulty with the platform."

The drafting committee will meet Aug. 6, one week before the convention opens for business Aug. 13 in Chicago's International Amphitheatre.

Butler said it was "the first time in party history" that the Platform Committee would meet a full week before the convention opened.

"It is expected," he said, "to get substantial agreement on civil rights before the convention opens."

Butler also announced the selection of James Leonard Reisch, 47, Atlanta broadcasting executive, as convention manager succeeding William Neale Roach, who quit the post May 18 after, Butler said, he vetoed a plan by Roach to hire an assistant.

The party chairman said he expected the pre-convention drafting of the party platform to save considerable convention time. Under present plans, he said, a draft of the platform is scheduled to be presented to the convention on the morning of Aug. 14.

Nomination of candidates, barring a fight over acceptance of the platform, will begin Wednesday morning, Aug. 15, with the first roll call scheduled later the same night, he said.

U.N. Will Pursue Peace For Mid-East

UNITED NATIONS, N.Y. (AP)—Backed by a unanimous Security Council vote, U.N. Secretary General Dag Hammarskjöld today began the second phase of his campaign to ease Middle East tension.

He was ready to assist Israel and her Arab neighbors in keeping up the momentum toward peace which he reported last month at the end of his special mission to the Middle East.

The 11-nation council gave him the go-ahead for a further effort after a week of debate on a British proposal which originally left the way open for broad peace negotiations. However, the resolution was drastically watered down to meet Arab and Soviet objections.

In the end, it limited the secretary-general to continuing his "good offices" with Israel and the Arabs in an effort to obtain full compliance with the armistice agreements of 1949. How he would do this was left up to him.

Informed quarters said he had no plans for a second personal mission to the Middle East at this time. He had made it known that he felt the initiative was now in the hands of the Middle East countries themselves and that he would merely make himself available for any assistance they might want.

The main Arab criticism of the original British proposal, which had been worked out with the

United States and France, was that it appeared to be aimed at a permanent peace settlement rather than at prevention of military clashes. They insisted it must be made clear that the intention was only to relax Arab-Israeli tension.

The British reluctantly agreed to take out a reference to "the need to create conditions in which a peaceful settlement on a mutually acceptable basis" can be made.

Model Train Buff Tries Hand At The Real Thing

DETROIT (AP)—The engineer of a phantom train crew that spirited a diesel engine, string of box cars from under the noses of railroad yard hands, turned out to be a 16-year-old model train enthusiast. He gave himself up last night.

The boy, whom police identified only as a Detroit high school student, and his two "firemen" spent more than two hours highballing through a maze of complicated switch tracks early Sunday. They added nine extra box cars from three sidings before they brought the stolen diesel back to the West Side yard.

Railroad detectives knew of the theft but couldn't spot the culprits in the 20-mile run.

"I'm a model train enthusiast,"

police quoted the youth as saying. "I used to hang around the Grand Trunk roundhouse in Pontiac, (Mich.) and got to know the engineers, and a lot about the engines."

He told police he suggested to his pals it might be fun to swipe an engine.

"I knew how to operate it," he said, "and my friends who came along for the ride made good switchmen after I told them how to do it."

"We slipped out of the yard on the heels of another train," the youth said.

Police said the boy will be turned over to his parents to appear before juvenile authorities today. His "crew" they said will be picked up for questioning.

Minister

Cleo Carlisle, student minister at Gulf Coast Bible College, Houston, is to arrive in Big Spring this week to become associate minister at the First Church of God, Main and 21st. He will direct the choir, assist with youth work and serve as supply speaker during the summer. Rev. Hal Hooker, pastor, announced. Carlisle is from Texoma, Okla.

Ceremony Oct. 7th

VATICAN CITY (AP)—The beatification of Pope Innocent XI probably will be held on Oct. 7, Vatican sources now say. Previously it had been expected late this month. Prelates attached to the Vatican's Congregation of Rites indicated the earlier date would not have permitted enough time to prepare for a solemn and elaborate ceremony.

Trustees Accept New Classrooms

The Big Spring Independent School District gained 18 new elementary classrooms Monday.

Trustees accepted from the contractor six-room additions at the Washington, East Ward and Airport schools.

Acceptance of the new buildings from A. P. Kasch & Sons followed an inspection of the facilities by the school board, Architect Jimmy Fox and School Business Manager Pat Murphy. The school additions were financed with a federal grant of \$158,000 to reimburse the district for funds spent in the education of federally-connected children.

Trustees also approved plans Monday for 12 additional classrooms to be constructed with federal funds. Six-room additions are planned at College Heights and East Ward with a new federal grant of \$144,500.

Over 1,000 Youngsters In Bible Schools Now

By DON HENRY

Well over 1,000 boys and girls were in attendance at eight Vacation Bible Schools in Big Spring Monday.

In addition one school closed last Friday, and five other churches are planning schools later in the summer.

Largest single church group was First Baptist, which showed 252 Monday, the first day of its school. Between 60 and 70 workers are handling the Bible training, recreation, and handwork being done by the youngsters.

Other Monday totals were 167 at Airport Baptist, 182 at East Fourth Baptist, 107 at College Chapel Baptist, 170 at Baptist Temple, and 85 at First Presbyterian.

First Christian is having two sessions of the school and a total figure was not available.

The First Christian Vacation Bible School has a session for nursery and beginner age youngsters at 9 a.m. this week and a session at 7 p.m. for primary and junior students. The attendance will

average 85, the minister predicted.

The two session program is the only such type being used here this summer. Each program is two hours daily. Eighteen workers are carrying on the program.

Airport Baptist is having a 10-day school which started Monday. Final programs will be conducted June 13. Their daily programs are held from 8:30 a.m. until 11:30 a.m. Workers are hoping to top the 200-child average registered last year.

Vacation Bible School at First Presbyterian will continue through June 15, or for two weeks. The work is being handled by 18 members. Their sessions are from 9 until 11:30 each morning.

Last Monday through June 15 are the dates for the school under way at East Fourth Baptist. Fifty workers are being used in their school. Their daily sessions are from 8 to 11.

At First Baptist Church, where the top Monday attendance was registered, the school will be ended Friday. Workers there last week

estimated they would have 250 for the programs.

One week is the length at College Chapel. Their hours through Friday will be 8:30-11:30.

The same is true on hours and tenure of the school at Baptist Temple.

Hillcrest Baptist started Monday and will be continuing through June 13. Fifteen leaders are supervising the school. The church is holding its sessions from 8:15 until 11:15.

Ages handled are three through 16.

Phillips Memorial Baptist Church completed its Bible School last Friday. They average attendance was over 110.

St. Paul's Presbyterian Church will begin its school next Monday and it will be continuing through June 20. Hours will be 8:30 until 11. Their instructor will be handled by 15 persons.

Forty-five workers are slated to lead the VBS at First Methodist Church. It will be held June 9 through 20. Youngsters between four and 11 will be attending. Their sessions will be in the afternoon and will be from 2:30 until 4:30 p.m.—They are expecting 200 or more.

The Church of Christ will hold its school from July 13 until July 21.

Waiting until August for their Bible schools will be Wesley Methodist and West Side Baptist.

Wesley Methodist will hold its school August 6 through 17.

And West Side will be starting the same day but closing two days earlier. Twenty-two workers have been signed, and they are expecting 160.

Classes for ages three through 16 will be conducted.

Uncle Ray:

Owls Have Inferior Sight During Day

By RAMON COFFMAN

Last time I spoke of barn owls and great horned owls. Today I have further questions to answer.

Q. Is it true that owls look at a person more directly than birds of any other kind?

A. Certain hawks, as well as owls, gaze directly at person, or other object, and nightjars do the same. The owl, however, has the best claim among birds to having "a face like a human being."

Q. Why does an owl blink its eyes so much during the daytime?

A. Sunshine bothers an owl. Too much light goes through the large pupils of their eyes. That is why most kinds of owls look dazed (and doubtless feel dazed) during bright hours of the day. After sunset, the situation is different. Owls can see in the dark as well as cats.

Q. Do some owls live in the desert?

A. Yes. The tiny elf owl live on several deserts. They are the same size as sparrows! These little owls like to live in and around the giant cacti.

Elf owls are found in Arizona, also in southern California, southern Texas and northern Mexico.

The next of an elf owl family usually is placed in a hole drilled by a woodpecker. Woodpeckers in desert areas seek out trees, so they peck holes in certain tall cacti.

ii. Like most members of the owl family, the elf owl is active at night. It feeds on grasshoppers, ants and other insects. There are many elf owls around Tucson, but people of the city seldom see them because these little birds are "night hunters."

Q. What is the snowy owl?

A. It is an owl which breaks the general rule and hunts during the daytime. To a large degree, this owl is a bird of the Arctic Zone. During the long summer, it must hunt during the daytime or die from hunger.

Snowy owls are about the same size as barn owls. Some of them, during winter, wander southward to the Great Lakes area, or even farther southward.

Cactus For A Hobby

ANN ARBOR, Mich. (U-P) - Stuck for an idea for a hobby? Elzada U. Claver, associate professor of botany at the University of Michigan suggests raising cactus.

Missing, One Sewer

BELLEVILLE, Ill. (U-P) - Norman Manire dug and dug but he couldn't locate the sewer he paid for 40 years ago in an assessment levied by the city.

No Hurry To Hide

VANCOUVER (U-P) - M. W. Black, former RAF air gunner, says his attempt to promote an H-bomb hideout in a nearby goat pasture has failed because of public apathy.

Time To Make His Move? James Marlow Stalin's Image As A Leader Destroyed

WASHINGTON (U-P) - Communist party boss Khrushchev threw the memory of Stalin into the garbage pail of history with his speech which is one of the world's most amazing and ironic.

again to the charge that Stalin had made himself a dictator and expressed hope this wouldn't and couldn't happen again. He seemed to regard Stalin as a freak of history, and a traitor to the Communist principle of collective rule.

Mystery Watch Operates On A Swing Shift

DAYTON, Maine (U-P) - Joe Zilenski has an odd, fan-shaped watch - but it won't tell him anything but the time and that's not what the 39-year old farmer wants to know.

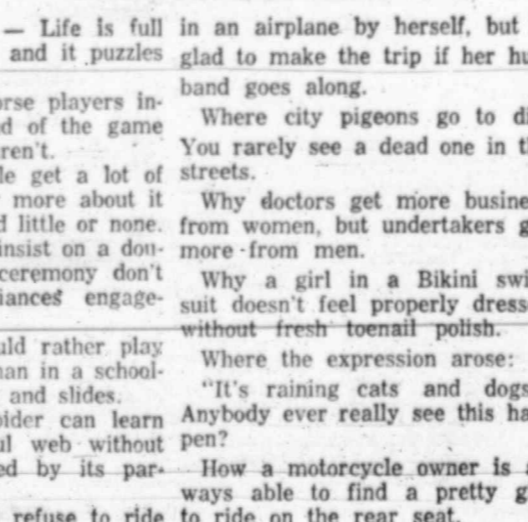

Father Honored

DENVER (U-P) - The awards, honors and money acquired by Paul Whiteman, long known as the King of Jazz, are in his words: "nothing compared to my dad, Wilberforce J. Whiteman."

Hal Boyle Some Of Life's Mysteries

NEW YORK (U-P) - Life is full of little mysteries, and it puzzles me. Why so many horse players insist they are ahead of the game when they really aren't. Why, when people get a lot of money, they worry more about it than when they had little or none.

Mr. Breger

Around The Rim

Strictly For The Birds!

We have a lot of very dirty birds in our neighborhood. I know they're dirty because they have no place to bathe. When the lawn is being sprinkled our little feathered friends (if I may borrow a phrase) swoop in to try to bathe in the shower from the sprinkler.

This which sold bird baths - but they have gone out of business," volunteered another helpful character. Our birds run the local gamut. There are mockingbirds, scissor-tails, cardinals and, of course the ubiquitous sparrow.

Marquis Childs

Need A New Look At Foreign Aid

WASHINGTON - Overshadowing the controversy over foreign aid is an unanswered question: How can the United States exercise world leadership in a time when the emphasis is rapidly shifting from military to economic competition?

Even though members of Congress most adamant against turning American aid dollars over to the U. N. could scarcely object to such a plan. Administered by competent and objective international civil servants, it would put in proper perspective all the aid programs.

David Lawrence

The Sham Of 'Peaceful Co-Existence'

WASHINGTON - The sham of "peaceful co-existence" has been revealed. The Korean armistice agreement has been torn to shreds by the Communists. Yet Moscow, which supplies ammunition and aircraft to the Communist armies in North Korea, still hopes to deceive the free world with the idea that the Kremlin has only peaceful intentions toward the other members of the United Nations.

to Moscow for the air show there. The whole purpose on the part of the Soviets is to build respectability. It means a good deal internally when the gangster government in Moscow gets the benefit of American and British participation in high diplomatic and military conferences - the Russian people are led to believe America approves of the totalitarian regime.

Vertical text on the right edge, possibly bleed-through from another page.

Britain Considers Sale Of Strategic Goods To China

LONDON (AP) - Britain has authorized her colonies to consider applications for the sale of some strategic goods, including rubber, to Communist China, the Foreign Office disclosed today.

The Western nations imposed a ban on the export of what they considered war potential goods, including rubber, to Red China after the Peiping regime was branded an aggressor by the United Nations following her entry into the Korean War in 1951.

How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass you by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little PASTETEH on your plates. This alkaline tooth powder holds false teeth more firmly and more comfortably. No gummy, sticky, pasty taste or feeling. Does not stain. Checks "plate odor" (denture breath). Get PASTETEH today at any drug counter.

Will Visit Korea

Charles Dean of Rusk County, left, and Billy Penn, right, of Angelina County, have been named winners of a trip to Korea representing all Texas 4-H club members as official 4-H Friendship delegates to Korea.

All Nations Combat Youthful Criminals

By WATSON SIMS Associated Press Staff Writer In England they're "Teddy boys." In Russia they're "stilyags." In Communist Hungary they're "spidy." To the Argentine they're "patatas." And in Japan they're "the apuray."

New Oil Strike In East Texas

DALLAS (AP) - British-American Oil Producing Co. has announced what it calls a possible "significant and major" oil discovery in the deepest part of the East Texas oil basin.

Johnson To Push Appropriation Bills

WASHINGTON (AP) - Democratic Leader Lyndon B. Johnson of Texas, today outlined a drive to push annual money bills for most government agencies through the Senate before the new fiscal year begins July 1.

HURRY! HURRY! HURRY! July 1 is the Deadline... Helton Insurance Agency General Insurance 208 Elmo Wasson Bldg. Phone 3-2054

Daniel Webster found Old Crow to be "the finest in the world" Silver-tongued Senator Daniel Webster called Old Crow bourbon "the finest in the world."

OLD CROW THE OLD CROW DISTILLERY COMPANY, DIVISION OF NATIONAL DISTILLERS PRODUCTS CORPORATION, FRANKFORT, KY.

Two wonderful appliances in the floor space of one ...the Combination Freezer-Refrigerator

Here's space-saving convenience in food refrigeration, designed for today's compact kitchens and today's greater use of frozen foods, to give you the enjoyment of "freezer living."

The big-freezer section of an electric Freezer-Refrigerator Combination enables you to stock up on food bargains, cook ahead and bake ahead, save time and shopping trips by keeping quantities of frozen foods on hand.

The roomy refrigerator section provides plenty of moist-cold space for all types of fresh foods... conveniently arranged for quick and easy selection.

If you need more frozen food storage space, but are limited in kitchen floor space, check the advantages of a Freezer-Refrigerator Combination. It combines the benefits of a food freezer and refrigerator in a single space-saving unit.

Combination Electric Freezer-Refrigerators are available with the freezer at bottom, top or at one side. See them at your favorite store that sells electric appliances.

Home Of Good Barbecue

Ross' Pit Barbecue Stand, above, 904 E. 3rd, is the favorite dining spot for hundreds of Big Spring connoisseurs of barbecue. Owned and managed by L. M. Ross, the establishment serves barbecue by plate, in sandwiches or in cartons "to go." Ross prepares the delicious food according to a formula handed down in his family.

Concrete Finisher

Bobby Roman displays one of the Whiteman concrete finishing machines distributed in this area by the Clyde McMahon Concrete Company, 605 N. Benton. The McMahon firm provides builders in the Big Spring area with everything needed for construction with concrete. That includes ready-mix concrete of the highest quality, finishing equipment and other hand and power tools for working concrete. Holiday Hill building stone, concrete blocks, Remington stud drivers, cartridges and nails, expansion joint material, etc. McMahon operates a sand and gravel plant southeast of Big Spring and the concrete plant on N. Benton (the Snyder Highway). Paving aggregates and other products also are stocked. Two-way radio keeps the central office in constant touch with McMahon's 30 vehicles, assuring the prompt filling of orders for concrete and other building materials.

New 'Speed Queen' Washer Economical

Save time; save soap. Save fabrics and save time. Save electricity, and save upkeep costs by buying the best in automatic washers — the new multi-cycle Speed Queen, now being featured at Fiveash Plumbing, 821 E. 3rd.

For the first time Fiveash Plumbing is handling automatic washers and dryers, and they chose one of the best brands to stock. Both the multi-cycle automatic washer and dryer are now on display in their shop for personal demonstrations.

The new Speed Queen makes automatic washing more economical, more selective, and more flexible than ever before. A set of control dials which fit into the modern appearance of the machine does the job for you.

A mere twist of a dial selects normal or short cycle — saving time and electricity. A flip of another dial selects hot or warm water to wash — saving hot water. Turning a third dial selects warm or cold water to rinse, also conserving hot water. To save fabrics, a knob selects washing periods of 11, seven, four, or even two minutes. Also as a fabric saver is a speed lever which gives either high or low variations. And high or low variations can be selected in either normal or short cycles.

To conserve hot water and soap, a twist of another dial selects the water level in the tub — as little as five gallons.

Every feature of the Speed Queen is a superior feature. The floatation pre-rinse process floats out lint and dirt particles, keeping the particles from being spun back into the clothes. An aerated water inlet speeds soap dispersion.

If you are in the market for an automatic, drop by Fiveash Plumbing, at 821 E. 3rd, for a personal demonstration of the ultimate in efficiency and performance — the new Speed Queen washer.

Every home needs one.

Vacations Hard On Car Tires, Riversides Easy On Wallet

This is the season when most folks are making plans for summer vacations. Vacations mean trips for a majority of families. Trips mean that the family automobile, normally employed for only short runs about town will be put into heavy duty for long long hours on the highway.

The wise vacationist does not leave on his trip until he has made certain that his automobile is ready and able to stand the grind. Topmost item in this preparation is a check of the tires. Tire trouble has destroyed the pleasure of more vacationists than nearly any other annoyance.

And, of course, faulty tires — tires which have been in service too long — have turned what was intended as a pleasant journey into a grim and terrible tragedy many times.

This means, simply, that the wise vacationist sees to it that the tires on his car are in tip-top shape. The surest way is to buy new castings.

That's where Montgomery Ward comes into the scene.

Montgomery Ward is headquarters for the famous Riverside automobile tires — favorites of millions of motorists who want the very best. Riverside tires are available in both the tube and tubeless-type. Their price fits the pocketbook of the most thrifty; the service they will render is comparable with any tire on the market.

In addition to its complete stock

NEW LIQUID CLEANS AND POLISHES CARS

Polish your car as you clean it — with POLISHAMPOO. Just apply rub harmless auto, then simply flush off dirt and "road film" that rots ordinary washings. Car dries quickly with no rubbing or wiping, leaving a polished surface. Use POLISHAMPOO regularly to keep car clean and polished. Bottle containing 8 shampoo. Available at Piggly Wiggly, J. O. Newsum Supermarket, J. E. Green Food Mart, Dale Douglas Food Mart, Jackson Drive in Gro. Toy's Drive in Gro. Hall & Phillips Gro., Dist. by Strippling Supply Co.

SOLVED — CARPET CLEANING PROBLEM

Science finally has the answer to carpet cleaning. Blue Lustre, a new development is mixed with water and brushed into carpet or upholstery. It's amazing the way forgotten colors spring out. The nap is left open and lofty. It's easy to apply. One half-gallon of Blue Lustre cleans three 9 x 12 rugs. Available at BIG SPRING HARDWARE CO. 117-119 Main St.

New Drugs Offered To Help Woo Sleep

NEW YORK, June 5 (AP) — New drugs — and more advice — are available for the millions who find trouble wooing sleep.

Three new types of sleeping pills have come along in the last few years:

One group is sold over the counter in drug stores, with no prescription needed.

All these drugs are actually antihistamines, says George Larrick, commissioner of the Food and Drug Administration. At least one also contains some scopolamine, an old sleep standby.

The antihistamines were developed to combat hay fever, asthma, skin rashes and other allergies. They also were advanced a few years ago as help in combating allergic symptoms of the common cold.

As allergy fighters, one drawback was that some antihistamines often made many people drowsy. This was the key to using particular antihistamines as sleep inducers.

A number of firms have marketed this type of sleep pill.

Used in the low dosages recommended, the antihistamines are safe, and do not cause any harmful effects, Larrick said.

A second class of sleep pills, sold on prescription only, came from research aimed at developing nonbarbiturate, nonhabit-forming sleep inducers. They do not poison, and harmful effects even from tremendous overdoses have rarely been reported.

There are at least five drugs in this group, each based on a different chemical formula. They induce sleep within 15 minutes to an hour, with sleep lasting from two to eight hours, clinical tests report. None produces a "hang-over" the next day, as barbiturates may do.

These drugs do not affect everyone in the same way—they vary in efficiency of inducing sleep and don't make some people sleepy at all.

They are generally recommended for insomnia due to excitement, fear, worry, or extreme fatigue. In smaller doses they are also used as sedatives for nervous tension. (Trade names of drugs in this class are domnamid, doridan, noldar, valmid, placidyl.)

Third in the sleep aid line are some of the tranquilizing or calm-down drugs, widely used for nervous tension and emotional conditions. Chlorpromazine, meprobate and reserpine are examples. All must be used under a doctor's supervision.

Barbiturates are still in big demand. Properly used, they are invaluable in combatting insomnia. Abused, they can cause addiction, and hundreds of intentional or accidental deaths each year.

CAA Aiding Air War On Insects

WASHINGTON (AP) — The Civil Aeronautics Administration said today it will help in a massive air attack on insect infestations in New England and sections of the Southwest and Midwest.

CAA said it has assigned its agricultural aviation specialist, Gale Hanson, to work with the Agriculture Department on the project during the next two months.

The CAA said the air assault will be aimed at crop-eating crickets and grasshoppers. It said about 1,600,000 acres will be sprayed in Montana, Wyoming, Idaho, Texas, Oklahoma and Kansas.

In New England the spray will be aimed at the gypsy moth. More than 20,000 tons of insecticides will be spread over the 2,600,000 acres in the areas.

Approximately 75 airplanes will take part in the Agriculture Department's biggest aerial insect attack.

Long-Distance Dialing Is Automation At Its Peak

ENGLEWOOD, N. J., June 5 (AP) — It's routine here to telephone across the country, just by dialing, in about 30 seconds.

Bell Telephone Co. customers in Englewood pioneered in 1951 a new 3-D—direct distance dialing—that now is possible in 101 communities across the nation.

Some 800,000 people in these areas in nine states can just flick the dial—and be connected over distances as far as 3,000 miles away.

Thirty-five cities in New York, Connecticut, New Jersey, Pennsylvania, Ohio, Michigan, Indiana, Missouri and California will be added to the network in the next six months.

Some day, the telephone company hopes, all telephoning will be automatic, with the operator there only for trouble calls or special services.

It's automation at the peak, with the most amazing electronic brain equipment doing all the work of the telephone operators, plus making out the toll charges. The nation is divided into zones, each with a three-digit code, like 2-0-2 for Washington, D.C. the zone code is dialed and then the regular number.

While you dial and as you talk vital data about your call is punched onto a roll of paper tape that looks like the rolls fed to the old player pianos.

Later, it goes through a machine that translates the punch-holes into toll charge bills.

It may sound easy, but the equipment involved in one typical dial center in Newark, N.J., takes ceiling apparatus that would fill 50 freight cars.

By the end of this year, two million customers at 180 locations will have direct distance dialing.

Wins Fight To Stay In U. S.

MIAMI, Fla. (AP) — Carlos Prio Socarras, former president of Cuba, has won his fight to remain in this country.

He signed an agreement "not to engage in any activity which may be prejudicial to the public interest of this country or in violation of its laws."

The U. S. Immigration Service, which had ordered him to leave the country, then announced the fiery, white-haired Cuban had been granted political asylum.

The agreement was signed only minutes before a hearing was scheduled before U. S. Dist. Judge Emmet Choate on Prio's fight against the exclusion order, which had been handed down four weeks ago.

Prio's military aide, Rafael Izquierdo, was ordered to leave the country by Friday under terms of the agreement. The aide said he probably would go to Nassau, Bahamas, and establish residence there as a preliminary to establishing residence in the United States.

Izquierdo came without a visa May 9. Prio told reporters he was thrown out of Cuba by the national police at the orders of President Fulgencio Batista.

Batista had overthrown Prio's government in 1952.

Another Great First Big Spring Showing

Like you would bake it...
...if your good name depended on its quality

Imagine yourself in the business of baking bread, with your own family name on every loaf. You'd certainly want the bread you baked to do credit to your name — to be the best you could possibly produce.

So it is with the baking of Mrs. Baird's Bread, for the name on each loaf is the Baird family name. A member of the Baird family supervises its baking — makes every effort every day to produce the best possible loaf. Insist on Mrs. Baird's Bread.
