MH/MR gives report

A total of 155 persons from Castro County received services from the Central Plains Mental Health-Mental Retardation Center during fiscal year 1982, it was reported to the Castro County Commissioners at their Monday meeting.

Center representative Seth Halbert presented the center's annual report to the commissioners. The county pays \$3,520 annually to share in the support of the center, which serves a nine-county area.

The main facilities are located in Plainview, with outreach centers scattered throughout the service area.

Halbert reported that of the 155 clients from Castro County, four were treated at the Allen Recovery Center for alcoholic treatment, eight were seen at the Children's Development Center in Plainview; 56 received day treatment, providing occupational, recreational, physical and music therapies; 18 were treated as inpatients at the Plainview Center; 78 were seen as outpatients at the Dimmitt Outreach Center; and 127 underwent screening and referral.

Center consultant C. L. Abernathy of Hale County and Carol Lantz of Dimmitt, Castro County's trustee for the center, were also present at the meeting and thanked the commissioners for their continued support of the center and its efforts.

Commissioners were informed about adjustments needed in the county's various insurance coverages carried by Keith Lowe's Dimmitt Insurance Agency. The total premium was adjusted to \$18,752 to reflect a \$4 increase in the cost of coverage for tenant houses and an \$853 decrease in the amount quoted for multi-peril coverage.

The commissioners voted to pay an additional \$500 to \$600 estimated premium to obtain uninsured motorist coverage for county vehicles.

Also, applications were received to be filled out by those who will be covered by the proposed personal liability insurance, including all elected officials of the county and sheriff's deputies.

County Tax Assessor-Collector Billy Hackleman said the applications had to be filled out before premiums could be determined.

The commissioners also decided to have the courthouse elevator checked and serviced, but agreed to check out insurance requirements before signing a monthly maintenance agreement.

Parsons Funeral Home sent the county a \$240 bill for the cost of transporting Vaughn Maddox to Amarillo for an autopsy. County Judge Polly Simpson said that the City of Dimmitt will pay half of the cost.

Commissioners approved the bill, along with payment of expenses incurred by County Clerk Joy Jones in attending a conference in Amarillo.

Judge Simpson told the commissioners that she plans to attend the 10th annual Substance Abuse Conference Aug. 11-12 in Amarillo, and encouraged them to attend.

The commissioners heard a presentation by Ray Roble of the Lein Chemical Co., which specializes in sanitizing restroom facilities. A

OH, BOY!—Sky Holcomb, 5-year-old son of Butch and Jaci Holcomb of Dimmitt, tries a handmade wood top while his sister, Brandi, and his mother look on during the Nazareth German Folk Festival's Arts and Crafts Show Saturday. Showing Sky how the top works is its maker, John Dodge of Wellington, who operates the "Doodling Dodges" art and woodcraft shop with his

wife, Patsy. The Festival's Arts and Crafts Show was the biggest ever this year, with artists and home craftsmen from throughout the Panhandle displaying a wide array of paintings, woodcrafts, stained glass, statuary, ceramics, needlecrafts and other imaginative products.

Shootout will highlight July 4 ceremonies here

A dramatic reenactment, speeches and the unveiling of an historical marker are all included in plans for a special ceremony set for Monday, July 4 in Dimmitt.

The Castro County Historical Commission will conduct the dedication ceremony at 10 a.m. for the marker commemorating a shootout that took place in Dimmitt in 1891.

The ceremony will be held on the southwest corner of the courthouse square, near where the actual shootout occurred. Special guests will in-

clude US Representative Kent Hance and Texas Ranger Jim Mull.

The 1891 incident involved Ira Aten, former Texas Ranger and later sheriff of the county, and the McClelland brothers, Andrew and Hugh.

Law enforcement officials, former and present, of the state, county and city will be given special recognition at the program, and some will be participants.

Former Castro County Sheriff Jack Cartwright will unveil the marker, and present Sheriff Lonny

Rhynes will read the inscription aloud. Rhynes will also introduce all state and county law officials who are present. Dimmitt Mayor R. L. Fleming will introduce all city law officials present. Mull will perform the dedication of the marker.

Others who will be participating in the program include Don Nelson, master of ceremonies; County Commissioner Ed Bennett, who will give the invocation; the Law Enforcement Explorer Scouts, who will present the colors; historical commission member Helen Richardson, who will give the welcome; and County Judge Polly Simpson, who will accept the marker and give the benediction.

The dramatic reenactment will be based on material received from Aten's son, as well as from other historical sources. Gunfire (blanks), horses, mules, costumes and scenery will all be included in the production,

organized by the Castro County Peace Officers Association and Linda Maxwell.

Aten will be portrayed by Sheriff's Deputy Ron Jenkins. Andrew McClelland will be portrayed by city patrolman Paul Horn, and Hugh McClelland will be city patrolman Calvin Davenport. C.I. Bedford, first sheriff of the county, will be played by DPS Trooper John Moore.

A younger McClelland brother will be played by Rick Bentley, DPS trooper. Communications operator Earlene West will play Mrs. May Fowle, a witness to the event. C. J. Johnson will portray his uncle, Kenneth Turner, who was also a witness.

Sheriff's Deputy Ray Aleman will play Jim Flores, who drove a wagon drawn by mules right into the middle of the shootout. Three unnamed cattlemen will be played by DPS Troopers Ron Morgan and C. D. Fitzgaird, and Sheriff's Deputy Boots Crews.

Lost Japanese pilot finds friendly Texan

What should you do when you come across a lost Japanese glider pilot at the local airport?

David Musick took him home to dinner and fed him steak.

Musick was returning from a roping competition when he landed at Dimmitt Airport Saturday at 5 p.m.

That's where he met Hideaki Inamori, a restaurant owner from Shizoka-city, Japan, who had been waiting four hours for someone — anyone — to show up.

Inamori, whose hobby is gliding, was in the US to participate in the World Championship Soaring Competition at Hobbs,

N.M. Apparently, he was supposed to fly a triangular pattern starting from Hobbs, but became confused as he soared over our flat country, because "everything looked the same." He thought he was at Littlefield when he landed here.

Inamori had been at the airport for around four hours when he met Musick. Musick helped him call his crew in Hobbs, then took Inamori home with him.

"He was interested in knowing everything about our culture," Musick said.

When Inamori told Musick that beef costs \$25

With the ripening of this season's wheat, local farmers and grain elevators are staying busy.

From the viewpoint of the elevator operators, it appears that Castro County will have a big harvest — especially in the Flag area.

Flag Grain got into full swing Monday, J. R. Brown, manager, reported.

With only 30 percent of the wheat in, Brown is optimistic about this year's crop.

"This harvest is better than any I have ever seen before," he said.

Brown said that 80 bushel-per-acre wheat is common, but there will be some 100-bushel wheat in the Flag area.

Because of the PIK Program, Brown said, the wheat may be doing better.

"Because of the less acreage, farmers are able to pay more attention to fewer acres. They can do a better job with less acres and spread the water further and the fertilizer further," Brown said.

At Bruegel & Sons in Dimmitt, Fred Bruegel Jr. said that the dryland wheat is 90 percent cut and the irrigated wheat is about 10 percent cut.

"It will be another four or five days before the irrigated wheat harvest blasts open," Bruegel said. He expects the harvest to be finished around July 4.

"I can describe the harvest in just one word: excellent. Both the yield and the quality of the wheat is just excellent," he said.

The PIK Program has not affected the wheat crop, Bruegel said, and he does not foresee any storage problems.

Earl Behrends in Easter produced a whopping 54 bushels per acre on his dryland wheat, but the average is running 30 to 35 bushels, Bruegel said.

"It is just speculation, but several fields will get around 100 bushels to the acre on the irrigated wheat," he said.

Harvest is still in the early stages at Castro County Grain, Don Gregory reported.

Approximately 50 percent of the dryland wheat serviced by Castro County Grain is in and about 15 percent of the irrigated wheat is cut. Gregory expects the dryland harvest to be finished this week, but expects the irrigated wheat harvest to last a couple of more weeks.

"The yields are going to be above normal, and the quality seems to be pretty good — not exceptional quality, but good quality," Gregory said.

Farmers have been getting about 75 bushels on irrigated wheat and 20 bushels on dryland wheat, Gregory reported.

"I cannot detect the effect the PIK program has had, but I am sure the cuttage will be down simply because the acreage is less," he said. "The winter weather (with 60 inches of snow) has helped it as much as anything."

Gregory said he foresees no problems in storing the wheat.

"The problems will come this fall when we are trying to handle the fall crops. We should be able to handle the wheat all right," he said.

The flow of wheat into Dimmitt Agri Industries, Inc., just started last week, Bill Clark, general manager, said.

"We will be harvesting until the first of July, and that is very unusual," Clark added.

He also said that the yields look good, but it was too early to figure bushels per acre.

"There is a storage problem for both the wheat and the fall crops at DAI," Clark said.

are concerned, it is done," Matthews said.

The first load of irrigated wheat was in June 23 and that harvest is about 20 percent completed. The average is 50 bushels per acre, Matthews said, but Danny Martin had 100 bushels per acre.

"I think we will be a little short, compared to other years," Matthews said.

"We are not anticipating any storage shortage for wheat. I think we will be full when we are done, but I think we can handle it," he said.

The harvest at Farmer's Grain in Hart just got underway Saturday and Sunday, Ronnie Truelock, office manager, said.

"We are just starting, but there's some good looking wheat around," he said.

Some farmers in the Hart area have reported yields of 80 to 90 bushels per acre. PIK has not affected the wheat crop, Truelock said.

"The number of acres farmed has been affected, but the quality of the wheat has to be attributed to the weather, not PIK," he said.

"We only started bringing grain in last week," Shari Damron at Roy Grain said.

With 50 percent of the irrigated wheat cut and the dryland wheat finished, Damron expects the harvest to last only a few more days.

Farmers have been averaging approximately 50 bushels to the acre, Damron said. However, 30-bushel wheat on dryland and 60-bushel yields on irrigated wheat have been reported.

Because of the PIK Program, Damron expects the harvest season may be shorter. She also said that Roy Grain anticipates no storage problem.

Lynn Ehly at Star Grain, Nazareth, said that the harvest is probably in full swing, but that it's a long and drawn-out procedure to get the crops in.

Because of the rain and moisture, many of the crops are still green. Under 30 percent of the crops have been harvested due to the unusual amount of moisture, Mrs. Ehly said.

She expects the harvest to continue until the middle of July.

Mrs. Ehly does not see any problems induced by the PIK Program.

"The yields are so much larger, even with less planting privileges," she said.

Vernon Andrus reported 70 bushels to the acre of irrigated wheat.

Sunnyside Grain Supply expects to have all of its wheat in within the next two weeks, Ricky Byers, vice-president, said.

Sunnyside Grain & Supply has 30 percent of both its dryland wheat and irrigated wheat in. Dryland wheat has been

Gas users to meet

Tuesday at 7:30 p.m., irrigation gas users from throughout the Panhandle will be gathering in Dimmitt at the County Expo Building to decide what course of action to take concerning irrigation gas prices.

US Representative Kent Hance and State Senator Bill Sarpalius are both scheduled to speak at the meeting — Hance on current federal legislation, and Sarpalius on the status of state legislation concerning irrigation gas.

There will also be a presentation on alternate energy sources, according to Carl King of Dimmitt.

All irrigation gas users are invited to attend. The meeting is being sponsored by the Plains Irrigation Gas Users Association, the Texas Corn Growers Association, the Grain Sorghum Producers Association and the Texas Wheat Producers Association.

Everything is going very smoothly, thank you. The week following the fire that turned our newspaper plant into shambles was a very trying experience. We had never had an experience of that kind and all of the problems, created by the fire, were new ones. There wasn't time for trial and error, everything had to work the first time or we would miss the mail. Skillful help, good advice, long hours of hard work and a reasonable amount of luck made it possible for us to overcome the difficulties created by the fire, and mail the News on time last week.

Everything has been going according to schedule this week. Barring unforeseen difficulties, issue number 40 of volume 56 of the Castro County News will be available to its anxious readers at the usual time. We are all breathing a little easier and sleeping a little better. Unless I change my mind this will be the last time I will mention the fire that partially burned, and completely saturated the News plant with smoke.

The business of harvesting one of the finest wheat crops ever produced in this county is under way. We have been hearing predictions for some time now that a bumper wheat crop was in the making. We don't always place a lot of credence in predictions but this is one time that production is up to, and exceeding expectations. We hear tell that 70 and 80 bushels per acre is not uncommon and that some 100 bushel wheat has been, and will be, harvested. That will mean a lot of Total and Crispies and 100 percent brand per acre.

Because of the PIK program it is said that the number of acres planted to wheat this year has been cut in half. That being the case, and with production being over twice as much per acre this year than last year, the effort of reducing the surplus will have failed. However, even at present prices, the higher yields should net the wheat farmer some profit for his effort.

Another prediction was that farmers would produce more per acre, on their reduced acreage, because of more intensive growing practices such as more fertilizer and more irrigation. That might be a factor but it is not the whole story. This has undoubtedly been an ideal crop year for wheat. The big winter snows and the cool weather has made the additional fertilizer and irrigation pay off in a big way. Mother Nature has been very gracious to the wheat farmer.

What Mother Nature has done to the cotton farmer may be another story. There are no rash predictions about a bumper cotton crop. Time is growing very short, and it will be a close call, for even a fair cotton crop this year.

Prospects for a good corn and milo crop have never been better. Feed grains, as well as wheat, should be in abundant supply come fall.

TOP FIDDLER—29-year-old Gary Williams of Kress was the championship fiddler at the Nazareth German Folk Festival Saturday. When he isn't fiddling or working, Williams is also a champion roper. A dozen musicians competed in the Fiddlers' Contest, then stayed on to provide an afternoon of music for the large crowd attending the Festival.

On the Go

With Mary Edna Hendrix, 647-3343

Mr. and Mrs. Arlon Ewing and their daughters, June, Laurie and Peggy and her husband, Bruce Ehly, have been on a vacation trip to Yellowstone National Park.

They went by way of Santa Fe where they saw the Capitol and the Mansion of Governors. Then on to Durango and Silverton where they stopped off to see the old adobe buildings, also in Colorado they had to go back 37 miles because of a snowslide, which had the road blocked. They were told it would probably be blocked for at least two months. In Yellowstone they saw Old Faithful, the Mammoth Hot Springs, and lots of wild animals alongside the roads.

They came back by way of Cheyenne and Denver and stopped at Colorado Springs so they could go to Seven Falls.

Since it snowed on them all day Sunday and part of the day Monday, they are glad to get back where it's warmer.

It is great to see that so many high school and college kids have summer jobs. Just to name a few are Kevin Cleveland, Kevin Spinhirne, Shelly Young, Lori and Ron Rickenbrode, Rita Ramos and Tammy Stanford, all at Dimmitt Thriftway; Traci Koch, Karen Markley and Greg Sava at Taylor and Sons; Brad Murdock, Phil King and David Barton for the Texas Highway Department; Laurie Sides, secretary at First Methodist Church; John David King for Rainbo Bread; D. D. Bishop at the Dairy Queen; and Fermin Gonzales and Noelia Salinas are employed at the Pizza Hut.

Beth Mohon is working at the County Treasurer's office for Oleta Raper.

Melody Edwards is still employed at Marshall Young's office. She also had the job as a DEA student during school.

Dina Heard is to begin working at Cobbs Department Store very soon. In the meantime, she and little brother Ashley have been hoeing sugar beets for their dad, Kenneth Heard.

I am sure that there are many others working that I am not aware of. Keep up the good work, kids!

Carrie Lee and children, Allison and Aaron from Amarillo, spent last Thursday with their grandparents, Mr. and Mrs. Elmer Youts. Joining them for lunch was Phyllis Mooney, Clara Gladden and Jane Ann Burnett.

Oleta Gollehon went to Dallas last weekend and her daughter, Kathy and her husband Johnny Poer, went with her to Windom for a cousins reunion. About 40 attended this joyous occasion. They all took food and their family albums and enjoyed looking at old pictures as well as taking new ones. One cousin is a retired colonel, another is a captain in the Air Force and she works with computers, and her husband is a major in Turkey. Now they have both been assigned to duty in Washington, D. C.

About 50 friends gathered at the Dan Heard home on Tuesday evening for a bon voyage party for Cara Higgs who will be spending two months with a family in Germany. There were balloons and a pretty money tree and Cindy Marsh and Crystal Scott served cookies and lime creamy punch.

Kyla Boozer left Friday to spend the summer in Italy. She will live in the village Cassano D'Adda with a population of about 1,500. She will be about 60 miles from the border of France and about 40 miles from the border of Switzerland. She hopes to travel into these countries also.

Curtis and Marie Tates' guests for Father's Day were their children Pat and Ken Truelove and Jim and Judith Tate and son, Tal from Amarillo, also Marie's sister and brother-in-law, Mr. and Mrs. Tim Lockwood and Mrs. J. L. Kay from Mooreland, Okla. Mrs. Kay is Marie's mother and she will be 95 in October. She is still here and plans to stay several weeks.

Bob and Wanda Murdock entertained their fathers, Mr. R.L. Murdock from Littlefield and Mr. W. H. Felder from Hart; also their children Brad of the home and Debbie from Amarillo on Father's Day.

Don and Ginger Laurent have had company the past week. They all also visited with John and Vicki Laurent. John was in the Plains Memorial Hospital after having surgery. He is now home and doing fine.

They entertained Diane Laurent and son Shannon from Shamrock, Hazel and

Pete Keeling (Ginger's parents) from Plainview, Destrly Keeling, a nephew from Fort Worth, who will be staying for a few weeks; also friends Danny and Debbie Frye and son Barry from Plainview and daughter Lisa and granddaughter Stephanie flew in from Dallas and spent a week with them. Also coming by for a visit was Reggie, Cindy and Jay Don Laurent from Dimmitt.

I (Wanda Murdock) am writing the news for Mary Edna for the next two weeks while she, Oleta Gollehon and Mary Edna's sister, Mrs. Troy Cloer from Tulia, and granddaughter Lauren Lankford from Amarillo have gone to Canada. Their first stop was Toronto when they plan to do some sightseeing for a few days, then go on to Ottawa and visit Mary Edna's nephew Kelly Cloer and his daughter, Mikele. Mikele plans to come home with them and stay with grand-

parents, Mr. and Mrs. Troy Cloer in Tulia for several weeks.

Our deepest sympathy goes to the families of Vaughn Maddox and Cecil Barrera.

Congratulations go out to Truvis and Kathyna Wiseman who are the proud parents of a baby boy, Matt Andrew who was born Sunday, June 19. Matt has a sister Mandi, and also grandparents Dean and Carolyn Wiseman, and great grandparents Mr. and Mrs.

This truly reflects the attitude of a nation living close to God. The concern and love for others grows through Christian fellowship. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Travis Campbell, all of Dimmitt.

Marlos and Rebecca May and Garner and Ysleta Ball carried the junior high department of the First Baptist Church to the Family Fun Park in Plainview last Tuesday night.

Mrs. Beulah Newton from Earth had lunch with her daughter and family, the Garner Balls last Sunday.

Report on birthday luncheon for Joe King, Tuesday, June 21 at K-Bobs: Along with about 15 friends and associates, mortician Percy Parsons, nurse A'llan Bradley and preacher Ronnie Parker (who dropped by after eating his own lunch) were present to help celebrate the 60th birthday of Joe King. Photos, gag gifts, humorous cards and an

iced styrofoam cake covered with candles brought chuckles and laughter from the group and retorts from the birthday honoree.

Johnnie McMillon from Denver, Colo., has been visiting for the past month with her sister and family, the J. Paul Waggoners and her brother and family, the Garner Balls.

Joyce King and Deanne Clark from Dimmitt and Cindy Davis and J. D. Myrick from Hart played in the Plainview Open Tennis Tournament, Saturday. Both teams placed second.

The Armstrong family reunion was held Sunday, June 19, at the Senior Citizens Building. There were approximately 40 guests, including aunts, uncles and cousins. The immediate families attending were Sonny and Ann Armstrong, Alene Lilley and Mozelle Lilley, all of Dimmitt, Marie and Cody Marlar of Lorenzo and Nell and Bobby Brooks of Amarillo.

Mr. and Mrs. Jim Bagwell spent last week with daughter, Christine Bell in Perryton.

Fred and Ramona Annen have just gotten home from a two week fun trip to Tacoma, Wash. where they did a lot of sight-seeing and visited

daughter Jeannette, her husband Lance Martin and daughter Lezly. Lance is in the Air Force band at McChord. They went to Seattle one evening to eat in the Space Needle, good food, spectacular view, — to Puyallup (which is a little farming community) where they raise lots of strawberries and blueberries, then Sulton one day for Fred to see some clients. They also went to the welcoming ceremony and demonstration of the F15 fighter plane to be based at McChord Air Base for NORAD.

Had a very good view of Mt. Ranier from Jeanette's house.

Doug and Cheryl Pybus hosted a farewell party honoring AFS students Isabelle Progin and Kim Vercueil on Sunday. Approximately 120 guests were served cookies and punch from a table decorated with balloons with farewell greetings. A special guest was Mia Berg, the 1981 AFS student from Norway, who is visiting with Bettye Huckabay. Isabelle and Kim departed from Amarillo Tuesday morning for a two week bus trip before returning to Switzerland and South Africa.

Charley and Edith Graef hosted an open house for their friends and family Sunday afternoon. Assisting their parents were Reta Welch of Dimmitt, Charlene Phillips of Clovis, N.M. and Clayton R. Graef of Wichita Falls. The granddaughters-in-law were at the serving table. Helping with hostess duties were Ann Henderson, Clara Patton, Marzelle Powell and Ceal Carlile. Friends from Dimmitt, Clovis, Muleshoe, Lazbuddie, Littlefield, Olton, Bovina, Hereford, Friona and Hart attended. Grandson David Graef entertained guests with his Blue Grass Band. This is a band from his college in Lamoni Iowa, with members being from Chi-

cago, Ill., San Francisco, Calif. and Idaho. His band had just recently finished a two week engagement at Six Flags Over Texas.

With banners waving (furnished by the cheerleaders) about 100 kids and adults were on hand Thursday for the ice cream and cookie farewell party for John Brooks. After the invocation by Don Nelson, everyone got their fill of good ol' homemade ice cream (furnished by members of the Booster Club and Kids, Inc.) Jerry Durham presented Brooks with a plaque thanking him for his time and efforts devoted to the youth of our community. Coach Griffin rushed in from Canyon to thank John, but wouldn't eat any ice cream. Better watch out football players.

Sharon Barker, missionary nurse-midwife in Multan, Pakistan, has been visiting family and friends for the past four weeks. She was met at Amarillo Airport by her parents Elvis and Joy, May 27. They went on to Sayre, Okla. the next day and spent the night with Joy's parents, Mr. and Mrs. Jack Lamm. The next day they went to Duncan to pick up the Barkers' other daughter Pam Crookham and two sons Chris and Jason. The Crookhams live in Evansville, Ind. but were in Duncan to attend a family reunion of husband James' family. Pam, Chris and Jason also spent the month with the Barkers. June 12 they all went to San Antonio to visit Joy's sister and her husband Norris and Donna. Donna returned with them and everyone went to Sayre and Erick,

Okla. to visit relatives. Sharon began her return trip to Women's Christian Hospital in Multan Sunday.

Mrs. Audie Lee Higgs, mother of Mr. Joe Higgs of Dimmitt, is doing well after emergency surgery on June 22. Mrs. Higgs is a patient in the Seton Medical Center in Daly City, Calif.

A farewell party was held for Coach and Mrs. Jimmy (Sharon) Hoyle Saturday night, June 25. The Adult II Sunday School Department of the First Baptist Church sponsored the event at the home of Mrs. Brenda Andrews. Everyone enjoyed a supper of grilled hamburgers, relishes and homemade ice cream. The Hoyles were presented with a souvenir guest book and a lovely Bible handbook. We are sorry to lose the Hoyles but we wish them well as they relocate to Perryton where Coach Hoyle will continue his basketball coaching.

Presbyterian happenings

There will be a Youth Mission trip to the Stewpot in Dallas on July 2-9.

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Bible class meets at the J. R. Brown home; all other classes meet at the church.

Keith Lowe will be the guest minister preaching at the morning church worship service at 11 a.m.

Kiwanians to sell fireworks

The Dimmitt Kiwanis Club will begin its annual fireworks sale Friday, continuing through Monday.

Stands are located east of town across from the highway department office and west of town at the little league ball parks. Members can still sign up for duty at the stands by contacting fireworks chairman John Kovacs.

The club is also taking turns distributing the Meals on Wheels for this week, with club members Bob Murdock, Don Sheffy, Robert Benton, Alex Glass and Charles Richard volunteering.

At Monday's meeting of the club Dimmitt High School student Deborah Sava reported on her recent trip to the Girls' State program in Seguin.

"We got to meet State Treasurer Ann Richards

and Gov. Mark White. Legislation that was 'passed' included requiring competency testing for teachers," Sava said. "I campaigned for treasurer of my 'city,' but I ended up as mail person."

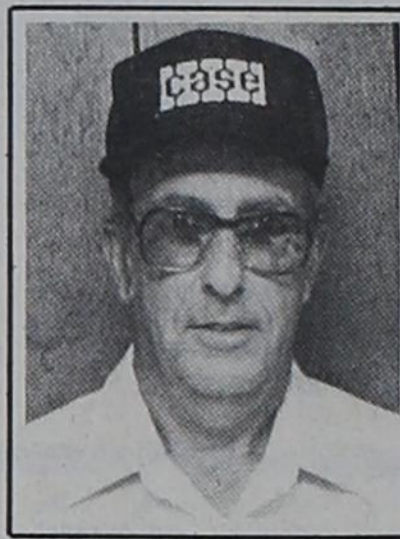

Guests at the meeting included Greg Sava, Key Club member, and Craig Richard. Fifteen members were present.

The club will not meet Monday because of the July 4 holiday.

PUBLIC NOTICE
Notice is hereby given that DEAF SMITH ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change its power cost adjustment rate for electric utility service effective July 21, 1983, or as soon as may be permitted by law. The proposed power cost adjustment changes the manner in which wholesale power cost are collected from the Utility's ratepayers. The change is applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed change. The proposed power cost adjustment is not expected to increase the annual revenues of the Utility.

Implementation of the proposed change is subject to approval by the appropriate regulatory authority. A Statement of Intent including the proposed revision is on file with the Public Utility Commission of Texas.

The Statement of Intent is available for public inspection at the general office of the Utility located at Hereford, Texas.

Gerber is trainee

Dennis R. Gerber of Hereford is currently working as an Agricultural Stabilization and Conservation Service (ASCS) trainee under Castro County's County Executive Director Charley E. Hill of Dimmitt.

Gerber will train for approximately six months, learning all the programs of the ASCS office, as well as working some in the field, with field measurement and so forth. After completing training, he will be promoted to the level of county executive director wherever there is a vacancy at the time in the state.

A 1964 graduate of Nazareth High School, he is the son of Tony and Mary Gerber of Nazareth. His wife, Dolores, is the daughter of Clarence and Margaret Birkenfeld of Nazareth. They have two children, Dana, 12, and Ryan, 9. The family will continue to live in Hereford, with Gerber commuting back and forth.

Gerber obtained his masters degree in agronomy from Texas Tech University in 1973. He was previously employed with Scott Seed Co. in Hereford, and also as a fertilizer manager for Hereford Grain Corp.

IRS grants extension

The Internal Revenue Service said recently that it is granting to all payors of interest and dividend income an automatic one-month extension of the requirement to withhold tax, scheduled to begin July 1. The automatic one-month extension is being granted to alleviate any undue hardship to payors.

This action is being taken in light of the June 16 Senate action to repeal the withholding provisions which were enacted by the Tax Equity and Fiscal Responsibility Act of 1982. The IRS noted that there has been no final action concerning repeal. The Congress continues to consider expanded backup withholding and other compliance measures.

USDA exercises PIK option for 1983 crop

By CHARLEY E. HILL
County Executive Director

COTTON

Farmers who do not have enough upland cotton under government loan to cover the amount they will receive under the payment-in-kind program will be required to obtain loans on their 1983 production, Secretary of Agriculture John R. Block said last week.

Farmers who did not plant upland cotton in 1983 or who have not planted enough to cover the amount they are scheduled to receive under PIK will instead receive payment-in-kind cotton presently in government inventory, he said.

Under PIK, the U. S. Department of Agriculture makes in-kind payments to upland cotton farmers who reduce their plantings to specified levels. Cotton farmers who agreed to reduce their 1983 planting will receive an amount of upland cotton up to 80 percent of the amount they would have produced on the PIK acreage.

Block said all producers who signed a contract to participate in the 1983 PIK program agreed to obtain a loan on their 1983 production for PIK purposes to satisfy program needs, if required by CCC.

USDA decided to exercise this option after determining there is an insufficient quantity of upland cotton currently available to USDA's Commodity Credit Corporation to meet PIK needs.

Producers may place eligible 1983-crop upland cotton in an approved warehouse and receive a regular price support loan for the cotton and earn storage payments for up to five months beginning on their area's availability

date for in-kind cotton, Block said.

At any time during the five months, the producer may redeem the loan collateral and sell it to CCC. The producer then will be eligible to immediately receive the payment-in-kind from CCC inventory.

WHEAT

Block said recently that it will be necessary to require wheat producers who do not have sufficient quantities of wheat pledged as price support loan collateral to meet their payment-in-kind requirements to obtain loans on their 1983 crop production.

Producers who have no 1983 crop wheat planted for harvest or who do not have sufficient wheat planted for harvest to meet their PIK requirements will receive payment-in-kind from other wheat in Commodity Credit Corporation inventory, he said.

Block said all producers who signed a contract to participate in the 1983 PIK program agreed to obtain a loan on their 1983 production for PIK purposes to satisfy program needs if required by CCC.

USDA decided to exercise this option after determining there is an insufficient quantity of wheat currently available to CCC to meet PIK needs, he said.

was harvested from an eligible farm and has not been sold prior to the certification.

The producer can obtain the loan, redeem the loan collateral and sell it to CCC. The producer then will be eligible to immediately receive the payment-in-kind from CCC inventory. However, these producers will not receive the proceeds of the sale of the wheat to CCC until their PIK availability date, Block said.

Producers with eligible 1983 crop wheat stored in an approved structure on the farm or in a warehouse covered by a uniform grain storage agreement may receive a regular price support loan for the wheat and earn storage payments for up to five months beginning on the PIK availability date.

Airman is trained

Airman Nelson L. Stephenson, son of Nelson W. Stephenson of Abilene and the grandson of Elizabeth Huckabay of Dimmitt, has completed Air Force Basic Training at Lackland Air Force Base.

Stephenson is remaining at Lackland for specialized training in the security police field. During basic training, he studied the Air Force mission, organization and customs, and human relations.

Completion of this training has earned him individual credits toward an associate degree in applied science through the Community College of the Air Force.

Stephenson is a 1980 graduate of Burges High School in El Paso.

per pound in Japan, the Musick family fed him mashed potatoes and chicken-fried steak. When Musick tried to explain what he was eating, the language barrier got in the way.

"I knew he couldn't speak English, so my first reaction was to speak Spanish to him," Musick said.

Inamori finally understood the potatoes and figured out that chicken-fried was like Kentucky-fried; therefore, he understood that they were eating Kentucky-fried steak.

Inamori's crew finally arrived about 10:30 p.m. from Hobbs. From the crew, Musick learned that the competition is a very prestigious event and that Japan had never had anyone do as well as Inamori.

The crew packed up the glider, which had a 60-foot wingspan, and headed back to Hobbs.

But before he left, Inamori gave Musick a package of Japanese cigarettes in exchange for a Dodd Oil Co. cap.

Musick said that Inamori promised to write after he returned to Japan.

The Q-Mist® Air Treatment System Works...

Effectively. The automatic dispenser activates a patented low-force spray valve every 15 minutes to maintain a continuing airborne barrier against flying insects, foul odors or bacteria, such as mold and mildew. The dispenser is refillable with aerosol containers loaded with either insecticide, deodorant or sanitizer.

Around-The-Clock. Each refill delivers 24-hour protection for 30 days in areas up to 6,000 cubic feet.

Automatically. No labor. No manual spraying. No fogging. And it's battery-operated so no wiring is required.

Economically. Total protection for just pennies per day.

Powerfully. When loaded with the highly concentrated, pyrethrin-based insecticide formulas, it kills flying insects within an hour. Or, when filled for deodorizing duty, Q-Mist odor killers — available in pine, orange, lilac and lime fragrances — attack and kill odor molecules just as quickly. When used as an air sanitizer, it wipes out most airborne bacteria before they become a problem.

On Farms, In Homes, In restaurants, around food processing plants and just about any place where bugs, odors and bacteria are a nuisance, Q-Mist has won the enthusiastic approval of thousands of farmers, homeowners and commercial establishments as the most effective air treatment system available. And, Q-Mist formulas are EPA-registered.

Dependably. Users report that dispensers work trouble-free for years. And, the device has a 1-year guarantee against manufacturing defects.

...So Put Q-Mist to Work for You.

When you think of insect control, think of

WIENER DOG—This year-old black and brown dachshund, which was found in a trap, is available for adoption at the City Animal Shelter. Fees for adopting this male dog are negotiable including an \$8 rabies shot, Animal Control Officer Charles Whitman said. The dog will be put to sleep Tuesday if not adopted.

Board employs new teacher, band director

Members of the Dimmitt School Board hired a new high school band director and a new sixth grade science teacher, and accepted two bids at a special meeting June 20.

The board hired Cody Myers, 26, to fill the position vacated by Ralph Smith, who retired.

Myers is a 1979 graduate of West Texas State University. After graduation, he was employed by the Tulia Independent School District as assistant band director. Two years later, he was given the head director position when the previous director moved to Borger.

His only year as director, he had a sweepstakes band. He left education after the 1981-82 school year to work in private business in Midland.

"Cody is, without a doubt, one of the most outstanding band students to graduate from WTSU during the past 20 years. I would recommend him without reservation to fill the big shoes vacated by Ralph Smith," Dr. Gary Garner, WTSU's band director, said.

While at WTSU, Myers was a member of the Symphonic Band and Marching Band for four years, a member of the Wind and Jazz Ensembles for two years, a band council representative for two years, a member of Kappa Kappa Psi service fraternity, and a member of Lambda Chi Alpha social fraternity.

Myers is married and has an eight-month-old daughter. The board also hired Larry Lee as the new sixth grade science teacher.

Lee is a 1970 graduate of Texas Tech University. He has had eight years of teaching experience, but for the past five years, he has been in private business in Midland.

Also at the meeting, board members accepted the bid of Jake Diel Corporation to seal coat all pavement belonging to the Dimmitt ISD as well as doing major repairs to the west parking lot at the high school.

The total amount approved by the Board was \$43,378.71.

The board accepted the low bid from Winston Waggoner of Dimmitt to construct a working barn at the Vocational Agriculture farm.

The total amount of the bid was \$13,800.

Fire calls

Snake charmers do not really "charm" cobras with the music of their pipes. Snakes are deaf, and merely follow the motions of the snake charmer.

The Dimmitt Volunteer Fire Department had one fire call during the past week.

A combine belonging to J. H. Myatt was reported on fire at 11 p.m. Sunday night in a field eight miles south on US 385 and five miles west on FM 1524.

The Allis Chalmers combine received moderate damage from the fire, according to Fire Marshal Steve Jameson.

Thirteen firefighters and two units reported to the fire.

Kids Inc. chooses All-Stars

All-Star team members and individual team standings of the Bronco, Mustang and Junior Babe Ruth Leagues were announced this week.

In the Mustang league, consisting of boys and girls 9 to 10 years old, the Cardinals, coached by Marguerito Garza, finished the season in first place.

The Rangers finished second, the Yankees finished third and the Dodgers ended the season in fourth place.

The Mustang league has two All-Star teams. Both teams will advance in the play-offs, which begin July 11 in Dimmitt.

The Mustang Blue team will be coached by Marguerito Garza assisted by Louis Perez and Wally Silva.

Team members include Robert Ruiz, Jesse Garza, Johnny Joe Rodriguez, Leon Rodriguez and Royce Schulte, all of the Cardinals; Jeff Long, Thomas Sparkman and Billy Ray Thomas, all of the Rangers; Armando Arce and Rodger Gauna, both of the Dodgers; and Scott Acker, Adam Cline and Tony Martinez, all of the Yankees.

The Mustang Red team will be coached by Chevo Lumbreira, assisted by

Frances Acker and Jim Long. Team members include Damasio Brown, Luciano Quiroz and Monty Moore, all of the Yankees; Andres Navarro, Missy Montalvo and Chas Humphrey, all of the Rangers; Johnny Espinosa, Shawn Christian, Edward Silva, Juan Martinez and Johnny Otero, all of the Cardinals; and Johnny Rutkowski, Chip Thrasher and Levi Reynolds, all of the Dodgers.

The Yankees finished first in the Bronco League followed by the Rangers, the Cardinals and the Braves.

Like the Mustang League, the Bronco League has two All-Star teams. Both teams will begin play July 11 in Hereford.

The Blue team will be coached by Tony Martinez, who will be assisted by Rudy Martinez and Pete Garza. Team members are James Flores, Yankees; Mat Bradley, Cardinals; Jason Long, Braves; Genaro Catano, Rangers; Freddy Martinez, Yankees; Armando Montalvo, Cardinals; Ray Dones, Braves; Paul Espinosa, Rangers; Brac Wardlow, Yankees; Robert Herrera, Cardinals; Gregg Vasquez, Braves; Josh Gon-

zales, Rangers and Daniel Reyes, Rangers.

The Red Team will be coached by Larry Gonzales assisted by Robert Daniels and Henry Fernandez. Team members are Jr. Correa, Yankees; Donald Maxey, Cardinals; Jason Griffith, Braves; Jason Smothermon, Rangers; Miguel Oltivero, Yankees; Adrian Falcon, Cardinals; Kelley Howell, Braves; Martin Hernandez, Rangers; Jerry Rodriguez, Yankees; Henry Rocha, Cardinals; Juan Casas, Braves; Sammy Fernandez, Rangers; and Jesus Quiroz, Yankees.

Final standings will not be determined for the Junior Babe Ruth League until tonight (Thursday) at 8 p.m., when the top two teams, the Pirates and the Expos, play the championship game.

Third in the standings is the Nazareth Astros, the Giants are fourth and the Nazareth Tigers are fifth.

The all star teams, selected from the five teams, are divided into 13-year-old all stars and 14 and 15-year-old all stars, and both of the all star teams will participate in separate playoff tournaments.

The Prep all stars (13 year olds) will be coached by Keith Gerber. Team members include Armillo Arce, Marlin Backus, Johnny Garza, Stacy Gonzales, Cory Hoelting, Rodrigo Jackson, Troy Johnson, Narcisco Quiroz, Lonnie Ramirez, Chris Schmucker, Heath Schulte and Ricky Zimmer, along with alternates Chuck Birkenfeld and Greg Gerber.

The Preps will begin tournament play July 11 in Muleshoe.

The Junior Babe Ruth all stars (14 and 15 years old) will be coached by Jerry Durham. Team

Durham wins discus toss

Todd Durham, 14, of Dimmitt won the discus throw and placed second in two other events in the youth division of the recent Texas Classic Track and Field Meet in Amarillo. Durham hurled the discus 150 ft., 10½ ins. to beat the second-place thrower by 60 ft. Eight discus throwers competed in the youth division of the event. Durham placed second in the youth division shot put with a heave of 38 ft., 1 in. In the 200-meter low hurdles, he finished second with a time of 31.49 seconds, despite tripping over the first hurdle. The Texas Classic, conducted by The Athletic Congress, drew entries from track clubs in Amarillo, Albuquerque, Roswell, Fort Worth, Wheeler and Canyon, plus individual amateur athletes from throughout Texas, New Mexico and Oklahoma. Durham, who will be a freshman in Dimmitt High School this year, is the son of Mr. and Mrs. Jerry Durham.

Crime Line offers \$1,100

More than \$1,000 in reward money is being offered for information regarding the burglary and arson of the Castro County News office and the criminal mischief at a trailer home belonging to Maurice Powell.

The Castro County Crime Line is offering \$500 reward for information leading to the arrest and indictment of the person or persons who burglarized and set fire to the News office June 16.

A \$600 reward is being offered for information about the criminal mischief at the trailer house located in the 300 block of East Halsell at the Lamantia, Cullum and Collier sheds.

The mischief occurred sometime between April 30 and May 9. Extensive damage was done to the windows and interior of the trailer house. All of the windows were broken out, resulting in approximately

\$4,000 in damage. The Crime Line number is 647-4711. Anyone with information is encouraged to call. Anonymity is guaranteed in calls and callbacks through a number identification system, and in payment, through a drop procedure.

Water safety course slated

A water safety and lifesaving course will be held at the Dimmitt City Pool for anyone 15 years old and up.

The two-week course will be conducted July 5-8, and 11-15, from 6 to 9 p.m. each of those days.

Cost is \$7.50 per person for the entire course, which is Red Cross certified. Call 647-2155 to register or for more information.

Tennis clinic set for July

The Castro County Tennis Association is sponsoring a tennis clinic July 18-22 at the high school tennis courts.

Kim King, tennis pro at the Amarillo Town Club, will conduct the clinic.

One may also register by sending name, phone, level of expertise (beginner, intermediate or advanced) and time preferred to Joe King, Box 26, Dimmitt, 79027.

Lessons, from 7 to 11 a.m., are open to players of all ages and level. Cost will be \$30 per person and 25 percent of the proceeds will go to the Dimmitt school system.

Act to aid agribusiness

Texas now has a means of financing agricultural enterprises through public nonprofit corporations created by county govern-

ments. The procedure is outlined in the Agricultural Development Act recently passed by the state

legislature, says Dr. Forrest Stegelin, an economist with the Texas Agricultural Extension Service.

Purpose of the act is to provide financial assistance for the development and expansion of agricultural industries and agribusiness in Texas.

A major reason for the legislation was to combat the high cost and lack of loans for farmers and ranchers. This has caused a drop in productivity and has hampered the abilities of producers and agribusinesses to acquire equipment and technical processes, notes Stegelin. Consequently, producers and agribusinesses have neither maintained high employment nor increased their employment.

Producers have also found it difficult to join the cooperative development of agricultural industries and enterprises that could increase the value of their products, increase their access to consumer markets and spur the development of new products.

The Agricultural Development Act encourages an increase of agricultural economic activity by authorizing counties to create public nonprofit corporations for financing agricultural enterprises, explains the economist.

The agricultural enterprise must be owned either by cooperatives licensed by the Texas Department of Agriculture or firms, partnerships or private or public corporations in which agricultural producers have majority control. These producers must provide the products or by-products required as the raw material, feedstuff or commodity which will be either assembled, packaged, processed, marketed or transported, Stegelin explains.

At any time, at least three residents of the county where the business shall exist may file a written application with the Commissioners Court for the creation of the nonprofit corporation. Only one corporation may be created by each county under the Act but a corporation may serve more than one county, notes the economist. Such a corporation is tax exempt and can be financed through bond sales.

Nazareth News

By VIRGIE GERBER

Theresa Kern and Long Joseph Vo had a very beautiful wedding at Holy Family Church on Saturday, June 18. Theresa is employed with Catholic Charities in Dallas and is working towards her Phd in Psychology at TWU. Long is employed at UPS in Dallas and is working on his masters in Business Administration. They flew to Frankfurt, Germany for their honeymoon and will tour there for a week before going to Rome, Italy to visit with Long's dad, sister and brother who own and operate a boutique shop in that city.

Guests for the wedding from out of town included Patricia and Tommy Kern of Dallas, several classmates of the couple from the University of Dallas, fellow employees from Catholic Charities of Dallas and many friends from Houston, Corpus Christi, Irving and Odessa. Others came from New Mexico, Florida, Rhode Island, Massachusetts, Missouri and Kansas. The guests all loved our Nazareth wedding traditions and remarked about our beautiful church. They felt Nazareth was a wonderful town.

Guests of Rose Warren for the week and for the wedding were Mr. and Mrs. Victor Lake and son Joshua from Waterflow, N.M.; Mr. and Mrs. Robert Lake and family of Waterflow; Mr. and Mrs. Marshall Lake from Farmington, N.M.; Gordon and Bonnie (Kern) Golder from Big Rapids, Mich.; Anthony and Dolores (Warren) Geisler and family from Modesto, Calif.

Sister Cordelia Lange of Amarillo spent a week here with her family, Joe and Dorothy Lange.

Baptisms in Holy Family Church on Sunday were Nicole Marie, daughter of Derwin and Vera Huseman, with Joel and Mary Beth Gerber as sponsors; Elizabeth Erin, daughter of Beth Hatla with Paige Hochstein and Val Hatla as sponsors and Chelsea Dawn, daughter of Arnold and Shawn Ehly with Glenn and Jill Ehly as her sponsors.

The seventh annual Philip Pohlmeier family reunion was held at Ruidoso, N.M. with Rita Pohlmeier as the hostess. Those attending were Philip and Dora of Nazareth, Frank and the Greg Pohlmeier family of Amarillo; the Lester Schulte family of Easter; the Gary Rider family of Claude; the Ralph Pohlmeier family of Yukon, Okla.; Robert and Donya Pohlmeier of Elk City, Okla., and Rita Pohlmeier of Aurora, Colo. The family enjoyed visiting, playing cards, swimming, miniature golf and the horse races.

Anna Hoelting of San Antonio enjoyed a week's visit here with her family, the Greg Hoeltings. She is administrator of Baptist Hospital in San Antonio.

Tony and Mary Gerber attended the wedding of Becky Friemel and Kurt Johnson at St. Anthonys Catholic Church on Saturday in Hereford. They spent the night and Sunday with their son, Denis Gerber and family.

The Philip Pohlmeier families were together on Sunday to celebrate Father's Day and Wade Pohlmeier's first birthday. A wiener roast was enjoyed in the evening after a softball game. Those attending were Greg, Linda and boys, Frank and Germaine Pohlmeier, all of Amarillo; the Lester Schulte family of Easter; the Walt Pohlmeier family of Nazareth, the Ralph Pohlmeier family of Yukon, Okla., Robert and Donya Pohlmeier of Elk City, Okla. and Rita Pohlmeier of Aurora, Colo.

Kim Drerup, Mark and Brad Kleman entered their heifers and steers in the Prospective Steer and Heifer show in Plainview over the weekend. Kim's heifer received sixth place. This is the heifer he won the \$600 certificate for

at the Houston show in February. Mark's steer received second place and Brad's received fifth place.

Fonsa Huseman was honored on her birthday by the family with an "open house" at the Senior Citizens Center on Sunday afternoon. Many relatives and friends attended.

The Nazareth Senior Citizens honored all birthdays of the month with a covered dish supper at the center on Sunday evening.

Tech exes to meet

The Castro County Chapter of the Tech Ex-Students Association will hold its annual meeting next Thursday, July 7 at 7:30 p.m. in the Dimmitt City Hall.

A hamburger supper will be served at \$4 per person, with all profits going into a scholarship fund.

Anyone planning to attend is asked to call 647-4445 or 647-4151 by Tuesday.

THE American Cancer Society estimates that the average pack-a-day smoker costs a company \$625 to \$759 per year in expenses related to increased absenteeism rates, greater health care needs and higher accident rates than non-smokers.

Police calls

Rosa Martinez of Dimmitt reported to the police department a family disturbance at the Alamo Cafe Sunday. When the first officer arrived, he found Jose Miguel Perez, 52, of Dimmitt with blood on his face and chest.

After an ambulance was called, the officer ran after the alleged assailants. Rolando Juarez was caught and arrested for aggravated assault after being questioned by police officers.

Officers went back to the scene and found a machete, which they kept for evidence.

Roy Rodriguez later turned himself in in connection with the incident. Both men are being held. Bond has not yet been set.

Marcilo Aguilar was indicted and arrested in connection with the alleged arson of the home owned by Alice Barrios at 627 NW Fifth. The fire occurred sometime between 6:30 p.m. April 29 and 11:45 a.m. April 30.

Aguilar is still in the Castro County jail. Bond was set at \$25,000.

Local law enforcement officers made two arrests for public intoxication and three arrests for driving while intoxicated.

Police officers also picked up Narciso Guana on a warrant issued from the Muleshoe Police Department. Guana paid the bond and was released.

Batteries a hazard

Progress is not without its hazards — especially to small children.

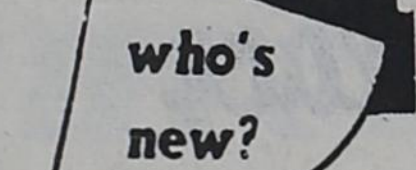

The so-called "button" batteries, which power everything from electronic wrist watches to hand calculators and toys, are being swallowed accidentally by an increasing number of small children says Dr. Mary Ann Shirer, a health education specialist with the Texas Agricultural Extension Service.

"Each year, between 500 and 800 button batteries are swallowed because of improper handling. In the case of toddlers, sheer fascination with something so small makes it a candidate for a taste test," she adds.

Many batteries make it non-stop through the body's digestive system and little harm results. But those which aren't passed and remain in the body are a threat to health and even life, Shirer says.

Leakage of alkaline electrolytes from a battery can cause chemical burns and internal bleeding, she notes. Young children can become very ill and some deaths have been recorded.

Shirer recommends treating button batteries like you would old medicine when it comes to disposal. Wrap and discard them where they are not likely to be found by little hands.

Dr. Atkinson is named interim pastor

By **TEENY BOWDEN**
The church in a called conference Wednesday night voted to call Dr. Strauss Atkinson of Plainview as interim pastor. He accepted the position and preached Sunday, since Rev. Richard Clymer will be on vacation until he leaves the field. Dr. Atkinson was a house guest of Mr. and Mrs. Gerald Elkins. He is her uncle.

Jerry Barden brought in the first load of wheat to Sunnyside Grain and Supply Tuesday, June 21. Test weight was 62 lbs. and moisture content was 13.6. Delvin Walden brought in the first load of wheat to Farmers Grain Leg here Wednesday, the 22nd. Its test weight was 61 lbs., and the moisture content was 13.

Rev. and Mrs. Larry Odom of San Antonio arrived Monday night and visited this week with Leslie Louder, Mr. and Mrs. Lynn Cox, Brandon and Cinnamon, and the M. B. Odoms in Dimmitt. They came for the children, Lisa, Kyle, and Misty who have been visiting with their kin here, since coming home with Leslie Louder recently. They also spent the weekend, leaving Monday.

About 60 friends attended the retirement party for the Ralph Fulfers, Pat Adkins, and J. B. Kendalls at the Community-Lions

building recently. The Fulfers and Kendalls will be moving to Oklahoma after many years at the El Paso Natural Gas Plant. Noah and Ruth Spencer took their grandchildren, Kyla and Kipp Hill, to their mother, Pam Hill and their new home in Midland Wednesday.

Mr. and Mrs. Lee Bradley and Justin took Joel to Dallas Wednesday for dental surgery Friday. They came home Sunday. Jack stayed with Mr. and Mrs. Lynn Cox, Brandon and Cinnamon and their guests. Sharon is still in Hobbs with the David Sadlers.

Erin Bridges showed her first calf in the Panhandle Parade of Breeds Livestock Show in Plainview this weekend. She won a first place in her class with a heifer Saturday and a fifth place in her class with a steer Sunday. It was her first showing.

Mrs. Ezell Sadler (Verba) was the one who got a good medical report, not Mrs. Gale Sadler (Verna) as was reported last week.

Mrs. Ezell Sadler attended the funeral services for Mr. Spencer in Canyon Monday.

Jared and Jason Brown were among those from the community attending the VBS at Springlake last week. Cliff and Naomi Brown as well as Lee and Gale Brown attended the

commencement exercises last Sunday night.

Mr. and Mrs. Alton Louder and Doug Louder spent Father's Day in Littlefield with Mr. and Mrs. Lowell Westmoreland and their family.

Leslie Louder visited in Tula Thursday night with an uncle, Mr. and Mrs. Clarence Baggett.

Cliff Brown visited in

Lubbock Saturday with his mother, Mrs. E. R. Brown and his sister, Mr. and Mrs. Bud Woodward.

Bud and Dorsey Woodward of Lubbock spent last Friday night and Saturday with Cliff and Naomi Brown.

Jake and Ruth King of Hereford visited Saturday with Ezell and Verba Sadler and Cheryl Powell

on their way to Lubbock to meet Gay Sadler and pick up Bethany Dawson and take her home.

Earl Phelan of Weatherford spent the afternoon Saturday with Mr. and Mrs. J. C. Holbrooks while his son, Larry Don Phelan attended a class reunion of Springlake-Earth school. They visited with Sharon Sadler on their way home

Saturday night. Sharon Sadler took Kitty Owens to Lockney Thursday and visited with Rev. and Mrs. Murle Rogers for awhile.

There will be a going away party for Carl Dean and Terrie Carson at 7 p.m. Sunday night after the church services which now start at 6 p.m. Everyone is invited.

Holiday driving caution urged

The Regional Commander of the Texas Department of Public Safety, Major Vernon Cawthon asked drivers to use extreme caution in traveling the streets and highways in Texas during the July 4th holiday weekend.

"We realize the added dangers of traveling by motor vehicle during holiday periods and want to help motorists avoid the tragedy and suffering which could mar this otherwise happy occasion," Cawthon said.

"Excessive speed and driving while intoxicated continue as the primary law violations contributing to fatal accidents. DPS troopers have been directed to be especially watchful for motorists exceeding speed limits or under the influence of alcohol," he said.

Cawthon added that many lives could be saved and serious injuries could be reduced during the crowded driving time through greater utilization of seat belts.

"The DPS will place all available troopers on the state's highways during the holiday, and we urge every Texas driver to join in an all-out effort to make the July 4th holiday as safe as possible," he concluded.

The DPS has estimated that as many as 49 persons could die in traffic accidents across the state during the Fourth of July holiday period.

Colonel Jim Adams,

DPS director, said the estimate is based on the anticipated volume of traffic and the previous holiday deaths.

"Independence Day can bring more motorists to our streets and highways compared to a regular weekend. We are estimating fewer deaths than we had during the Fourth of July holiday last year because thus far this year we have experienced a decline in traffic fatalities," Adams said.

Last year, 55 fatalities were recorded during the 78-hour period, but subsequent deaths from serious injuries brought the final count to 64 for the three-day holiday.

If drivers would stay sober, slow down and use seat belts, their chances for survival would increase, Adams said.

"Drivers who speed or are intoxicated pose the greatest threat to law abiding motorists. Some people will insist upon drinking excessively and attempting to drive during this period. We will do our best to remove these individuals from the roads," he said. "If a person drinks, that is his personal business, but if he drives drunk — that's police business."

Adams added that motorists who observe drunken drivers need to report them to the nearest police agency or Highway Patrol.

DPS commanders throughout the state will utilize additional troopers in areas they deem appropriate. DPS will also conduct "Operation Motorcade" to inform the public of the number of traffic deaths occurring during the 78-hour holiday period. Periodic reports will be communicated statewide relating the tabulation of the number of deaths that occur during the 78-hour holiday period.
