By b. m. n.

This year's edition of Harvest Days will be hard to top. All features of the annual celebration were well planned and executed as flawlessly as a Dallas Cowboy touchdown pass from the thirty yard line. The parade Saturday was probably the best we have ever had, and we have had some good ones. Just looking on from the sidelines it was apparent that a lot of people had put in a lot of time preparing the floats and other features of the parade. As best as I could tell from my observation post at the corner of Bedford and Broadway, the largest crowd ever assembled in Dimmitt was on hand to witness the parade and to attend the Harvest Days festivities.

The chamber of commerce, clubs, various organizations and individuals who worked to make the annual celebration a success are due a big hearty thank you and congratulations.

All features of the three-day festival drew accolades from those attending and participating in the events. I didn't make the effort to attend all of the entertainment features, I did, after two attempts, see all of the Follies. Just for plain, down to earth entertainment they were super. It was an excellent place to shed your worries and concerns for at least an hour. That's right, I did make two attempts to see the show. On Saturday afternoon I arrived at the high school auditorium about twenty minutes after the show started. The box office was closed and there was no place to buy a ticket. I opened a door, went in unobserved, and enjoyed the show free of charge. I decided that the proper thing to do would be to go see the Sunday afternoon matinee and help pay the freight, that is buy a ticket. I got there with some time to spare, and it was fortunate that I did. I parked, put my hat in the car seat, pushed the lock button to protect my head gear and started to walk away. At the same time a couple of other cars had parked nearby and the occupants were also leaving their cars. I always like to be helpful, and for that reason, I suggested to the ladies that one of them must have left her motor running. They assured me that that wasn't the case. I felt in my pockets and couldn't locate my keys. I checked my vehicle and sure enough the doors were locked and the motor was running. One of the ladies volunteered to take me home to get my other keys. I hope I can do her a favor sometime, if it's not

night at 8 with the Bobcats meeting the Olton Mustangs.

Homecoming festivities will include a new observance, along with the usual activities.

The Homecoming Queen and her court will be crowned during a special assembly Friday at 10:30 a.m. at the high school auditorium. Also, during the ceremony, special recognition will be given to each member of the varsity, junior varsity and freshman football teams. Ribbons of the school colors will be pinned on each team member by a female member of the student body.

Candidates for Homecoming Queen and their escorts are Seniors Krystal Scott and Kennen Howell, Juniors Tricia Touchstone and Doug Nelson, Sophomores Marlene Nino and Woody Glass, and Freshmen Jamie Reeve and Joel Nelson.

The pep rally will be held at 3 p.m. in the high school gymnasium.

From 5 to 7 p.m. the FHA will serve a barbecue supper in the Richardson Elementary East Cafeteria with tickets priced at \$3.50 for adults and \$2.50 for children age 11 and under. The menu will include barbecued beef and sausage, potato salad, carrot sticks, cole slaw, bread, pecan and fruit pies, coffee and tea. Takeouts will be available.

Following the game, the Junior Class is sponsoring the Homecoming Dance at the County Expo Building. The cost will be \$4 for a single or \$6 for a couple. Z-93 will be the D.J. The dance will continue until 1 a.m.

The bonfire is set for tonight (Thursday) as soon as it gets dark, and will be held in the field next to the high school. The Flame King and Queen will be crowned during the festivities.

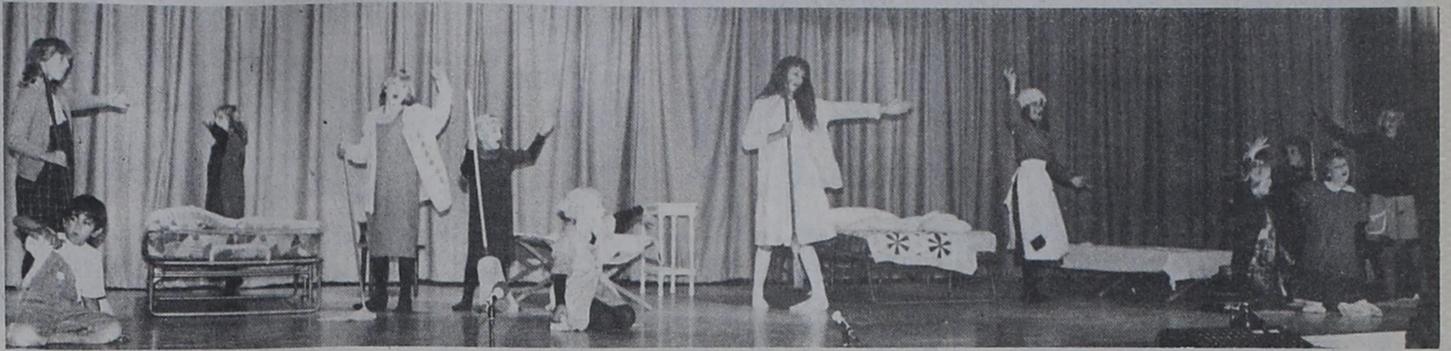

Candidates for Flame King and Queen are Seniors Dwight McDonald and Julie Reeve, Juniors Michael Love and Stacy Jackson, Sophomores Mark Smothermon and Stephanie Ryan, and Freshmen Johnny Puente and Jackie Spinhirne.

The student council has sponsored various activities throughout the week, with Monday declared "Hats Off" Day, Tuesday as "Chew 'Em Up" Day, today (Thursday) as "Trash Day," when items will be collected for the bonfire, and Friday as "Dress Up" Day.

Auditor is named

District Court Judges Marvin Marshall and Jack Miller have jointly approved the hiring of Reeford Burrous as the County Auditor for Castro County.

Burrous will be installed in a swearing in ceremony set for Monday at 10 a.m. in the district courtroom in the courthouse, according to County Judge Polly Simpson. The public is invited to attend.

'IT'S A HARD-KNOCK LIFE'—Youngsters sing of life in the orphanage in a lively number from the hit musical, "Annie," during the Harvest Days Follies. The Saturday night and Sunday matinee performances

of the big variety show drew audiences totaling more than 800, and earned almost \$2,000 for the Harvest Days Committee and the Mayor's Beautification Council.

DIMMITT YOUNG HOMEMAKERS' AWARD-WINNING FLOAT ... First place, Organizational Division

Wow, what a parade!

The Dimmitt Young Homemakers, the Dimmitt FFA and the First State Bank won the major float awards in the 1983 Harvest Days Parade Saturday, in competition that was tougher than ever.

The Young Homemakers captured first place in the bigger-than-ever Organizational Division; the FFA won the top trophy in the Youth Division; and the bank's float was adjudged to be the best in the Commercial Division.

Last year's parade, which was eight blocks long, was the biggest in a decade. But Saturday's parade was three blocks longer.

"There were lots more float entries, especially from organizations," Chamber of Commerce Manager Delores Heller reported. "And there were more antique cars, because of the antique car show we had this time."

The parade was coordinated by the Dimmitt Kiwanis Club.

Because of its extra length, the parade's turn-back point was extended two blocks, to Front Street. The end of the parade was just crossing Broadway on Bedford Street when the leading vehicles arrived back at Broadway on the return route a block south.

The parade featured 12 floats by clubs and organizations, eight commercial floats, 12 youth floats, 14 antique cars, two riding clubs, a host of bikes and small vehicles, a pair of Khiva Klowns, the Texas Tech Red Raider, and a long line of farm vehicles, including an antique thrasher.

"The response of the people was positive and enthusiastic, and they did a lot of things on their own," Mrs. Heller reported. "I really appreciate all the hard work that went into this year's parade."

She added, "If anyone has suggestions for next year's parade, we would like to hear them. We know we'll need to make some changes in the bicycle division, for example. We want to start right now planning for next year."

Here are the major winners in Saturday's parade:

ORGANIZATIONAL FLOATS: 1. Dimmitt Young Homemakers, 2. Republican Organization for Women, 3. Dimmitt Volunteer Fire Dept. Auxiliary.

YOUTH FLOATS: 1. Dimmitt Future Farmers of America, 2. Catholic Youth Organization, 3. Castro County 4-H.

COMMERCIAL FLOATS: 1. First State

Bank of Dimmitt, 2. El Sombrero Restaurant, 3. Three-Way Farm Service.

RIDING CLUBS: 1. Hereford Independente Charros, 2. Hereford Charros.

SMALL VEHICLES: 1. Mark Rogers and Brant Baca, "Baby Mary" entry, 2. Chip Thrasher, 3. Chris Paxton.

BIKE RIDERS: Chad Ellis, Best Dressed Boy. Tie between Jennifer Carter and Jamie Ekern for Best Dressed Girl.

First freeze

The area experienced its first freeze almost a month earlier than normal Wednesday morning when the mercury plummeted to 24 degrees as a cold front from Canada cut through the nation's midsection.

Usually, Castro County doesn't get its first freeze until mid-October. Autumn doesn't officially begin until Friday.

The cold front pushed temperatures down by as much as 56 degrees in the area, from the high 90s Monday to the low 40s Tuesday morning. Tuesday's high reached only 62 degrees.

The Burlington Northern Railroad Co.'s agency in Dimmitt will remain open.

The Texas Railroad Commission has denied the railroad's request to discontinue its Dimmitt agency and serve local rail customers through a roving agent stationed in Plainview.

The Railroad Commission's decision ended a seven-month controversy over the fate of the local railroad agency, and represented a victory for the Dimmitt businesses and industries that had challenged the Burlington Northern plan.

Six local business and industrial customers of the railroad, plus the City of Dimmitt and the Chamber of Commerce, had protested the closure. They were

Goodpasture, Inc., Riverside Chemical, Inc., Castro County Grain Co., Bruegel & Sons, Inc., Dimmitt Agri Industries, Inc., and the Amstar Corp.

The Railroad Commission denied the closing despite the recommendation of the examiner appointed to hear the matter last March.

"Before a rail company is allowed to close one of its agency stations, it must prove to the Railroad Commission that the public will not be adversely affected," the commission's ruling stated. "The commission found that evidence presented by the rail company does not show that the proposed method for handling rail traffic involving the city would serve the public

convenience and necessity."

The railroad (formerly Fort Worth & Denver Railway Co.) had proposed to close the agency in Dimmitt, handling all the functions of local agent Gary Huffines through a roving agent stationed at Plainview.

The commission's ruling pointed out that the high level of traffic volume in Dimmitt could not be served with the proposed method of handling.

At the same time that it ordered the Dimmitt agency to remain open, the Railroad Commission authorized Burlington Northern to discontinue its agency at Petersburg and to handle that agency's work at Plainview on a one-year trial basis.

City discusses lights with Kids, Inc. reps

Monday night the Dimmitt Board of Aldermen voted to retain the city's workmen's compensation coverage through the Texas Municipal League, and met with representatives of the Dimmitt Kids, Inc. program.

Leonard Steger, a representative of Employers' Insurance of Texas which currently handles the entire TML workman's compensation program, told the board that TML has voted to transfer the policy to Johnson and Higgins Insurance Company as of Oct. 1.

Steger told the board that he felt his company could give better service and a better dividend than the competing company could, adding that Johnson and Higgins will be spreading various areas of the program among several different companies.

Mayor R. L. Fleming pointed out that TML decided to change companies because the cost would be \$1 million less over a three-year period. Dimmitt's premium, to be paid through TML, would be \$11,781 annually.

Fleming told Steger that the city could not change coverage this year, anyway, because there would not be enough time to go out for bids, as required by law.

"When you operate with volunteer labor in programs that involve over 200 kids and many adults, it can leave an occasional opportunity for oversights such as leaving the lights on," representatives of the Dimmitt Kids, Inc. program told the board of aldermen.

Six representatives of the youth recreational program came before the board to answer remarks made at the last aldermen's meeting that the ballpark lights were being left on too much, and were being used by unauthorized persons.

Spokesman David Schaeffer said that they estimated it would cost \$2,000 to rework the light systems at the ballparks to enable the switches to be placed in locking boxes.

"We feel this is an unnecessary expense if we can find some other solution to the problem," he stated. "We feel that with community cooperation and help from the police department we can better monitor the lights and have a Kids, Inc. board member called to turn them off when necessary."

Mickey Bishop told the board that Kids, Inc. appreciates the city's help in paying the electric and water bills for the ballparks and wants to continue the spirit of cooperation in every way. The aldermen agreed to make no changes in the way the electricity bills are handled, and decided to look into installing locking covers for the light switches.

City Manager Paul Catoe approached the board about changing city policy concerning the lending out (for a fee) of city property for private use. Presently, the policy calls for Catoe to obtain the permission of each alderman in each instance of equipment or property borrowing. Catoe suggested the board authorize him to make the determinations in his best judgment, so that he wouldn't have to "bother the aldermen so much."

After discussion, the aldermen voted to leave the policy as it now reads, but agreed that city equipment should not be used by anyone who would use it in a profit-making venture.

Fair awards 529 ribbons

The Castro County Fair awarded 313 ribbons to adults and 216 to youths in the eight different divisions of the judging at the Castro County Expo building last Thursday.

Bobbi Hochstein garnered two Best of Show awards in the youth divisions of clothing and canning. Hochstein won in the clothing division with her suit entry, and in the canning event with her relish.

Dimmitt JV loses to RR

Despite two scoring opportunities, Dimmitt's JV had to settle for a safety and a 12-2 loss to River Road last Thursday at Dimmitt.

The Bobcats were inside the Wildcat 10 in the first quarter, but were stopped on fourth and two.

In the fourth stanza, the Bobcats advanced to the Wildcat 20, but were stopped again on fourth and two.

The Bobcat's safety came with :01 remaining in the game, when Todd Durham and Mark Shackelford tackled the River Road punter in the end zone.

River Road scored their touchdowns in the first and third quarters.

"We're proud of the kids, we feel like they get better every time they play" said JV coach Allen Steidle. "The defense is playing exceptionally well."

The JV Bobcats are 1-2 on the year and play at Olton at 4 p

Bobcats 'come of age' in 16-0 win

By DON NELSON
Here's how to turn a game around, demoralize your opponent and break a scoreless tie:

First, you let the other team drive to your 9-yard line just after the halftime break.

Then, when they go for the TD, have one of your defensive backs — say, Dwight McDonald — intercept their pass.

Next, you use a new blocking scheme and drive 94 yards for the game's first touchdown.

That's how Dimmitt's Bobcats did it Friday night at River Road, en route to a 16-0 shutout of the pesky Wildcats, defending District 1-AAA champions.

Dimmitt got its second TD in the fourth quarter after recovering a River Road fumble at the RR 46, and later picked up a two-point safety after a blocked punt to earn the final victory margin.

For the Bobcat defense, Friday's victory was the second shutout in a row, following the 55-0 rout of Plains. The win hiked Dimmitt's record to 2-1.

The first half was a scoreless standoff. The defense-minded Wildcats held Dimmitt to a minus-9 yards in the first quarter while gaining 34, but the Bobcats managed to outgain their hosts 45-35 yards in the second period. River Road earned five first downs and Dimmitt three in the first half as the two teams virtually shut each other's offenses down.

"We were trap-blocking in the first half, but their linebacker was killing our fullbacks and we couldn't get to him," Bobcat Coach Gene Griffin said. "They were defending us very well."

Just before halftime, Griffin called a play using a "base blocking" scheme instead of trap blocking. "The blocks look exactly the same when the play develops, but it's a

different scheme," Griffin explained.

That play sprung fullback Mark Smothermon loose for a 19-yard gain — which was almost half of Dimmitt's second-quarter yardage.

"We didn't use that blocking scheme any more right then because we didn't want to show them anything they could adjust to at halftime," Griffin said.

River Road grabbed the momentum when the second half started. The Wildcats stopped Dimmitt in three plays after kicking off, then returned the Bobcats' punt to the Dimmitt 46 and started driving goalward, earning two first downs and advancing to the Bobcats' 9-yard line before sputtering with a penalty and a busted play.

Facing third and 13, the Wildcats tried a pass — and that's when McDonald made his hero interception at the 4-yard line, returning the ball to the 6.

After two no-gain plays, quarterback Woody Glass kept on a determined run and raced 11 yards for a first down.

Then tailback David Barton broke through the middle for 33 yards and Smothermon reeled off another 21 yards — more ground on two plays than the team had gained in the entire first half — as the Bobcats started wresting the momentum away from their hosts. Wingback Mark Coker gained six more and fullback Brandon Cox ripped through for 13 yards and a first-and-goal at the RR 9-yard line.

On the 10th play of the drive, Barton slashed the final nine yards on a beautiful counter play for the touchdown. Bobby Nino added the extra point and Dimmitt led, 7-0, with 2:46 left in the third.

The new blocking schemes "worked so well we never used any of our other stuff," Griffin commented. "And we didn't throw the ball the entire second half."

That first TD drive, Griffin said, was where his 1983 team "came of age." "This was the most physical game we've been involved in," the coach said, "and River Road is easily the best team we've played this year."

So how about Floydada,

which outscored the Bobcats 20-13 in the season opener?

"Our kids are about 10 years older than they were against Floydada," Griffin said. "If I could pick one point where we came of age, it was when we drove the ball 94 yards into the wind Friday night. Specifically, that interception and that third-and-long play where Woody made the first down, and then those two long runs. That's where our young men learned what they can do."

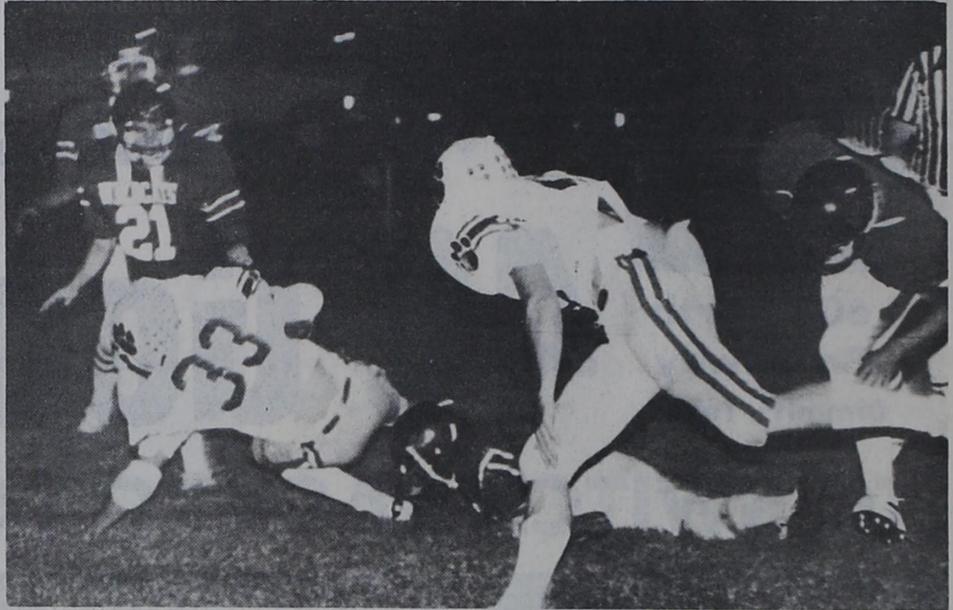

Dimmitt's second TD came after Barton pounced on a River Road fumble at the RR 46 in the

fourth. Barton, Cox, Mike Love, Glass and Smothermon earned four first downs in eight plays, then Glass made a beautiful handoff fake to Barton and sneaked over right tackle from three yards out for the TD with 6:20 left in the game. Nino booted the extra point, giving Dimmitt a 14-0 lead.

The Bobcats pinned River Road at the 12-yard line on the kickoff, and three plays later Smothermon blocked Jeremy Johnson's punt. The ball rolled out of the end zone before anyone could chase it down, giving Dimmitt a two-point safety and altering the Bobcat's advantage to 16-0.

River Road still came back in the final three minutes, driving to the Dimmitt 12, and it took an end-zone interception by Barton to put out the fire.

Dimmitt drew only two penalties, and one of those was an intentional delay-of-game in the fourth to gain more punting room. The other was a pass interference call.

TOUCHDOWN!—Dimmitt tailback David Barton (33) pushes into the end zone for the Bobcats' first touchdown at River Road in the third quarter of Friday night's game. Barton's nine-yard TD run capped a

game-turning 94-yard drive by the Bobcats to break a scoreless tie. Dimmitt went on to post its second shutout in a row, 16-0. (Photo by Scott Hays)

MIX: precise execution, player intensity with great coaching and you get 16 points and a whale of a ballgame.

... WELL DONE CATS...
Let's talk game films, I challenge you to take 35 minutes and watch the game films with us at Booster Club and not enjoy it or learn something about Bobcat football... If you do not enjoy it, I will refund all your money, (which won't be hard to do since it's FREE)

Coach Griffin does an excellent job in narrating the film. He explains his strategy, why a play worked, the key block and praised the players. In fact in two years, I've never heard him say anything negative about an individual... except himself.

If, like me, you're an ol' has been player, best come to the meeting and learn the new terms... three's... number caller... Sammy... Willey... Trip.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated. The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurring in the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment. The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes. The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state. The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewer laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

LET ME GO—Nazareth's Chris Gerber tries to break loose from Darrell Ethreidge's grip (Hart 62) in Friday night football action at Nazareth. Swift Eric Wilhelm (32) tries to clear the way, blocking Longhorn Freddy

Washington. In the background are Hart defenders Robert Gonzales (1) and Robert Martinez (5). Nazareth won 22-0.

Swifts blank Hart, 22-0

Hart made mistakes, and Nazareth capitalized. That was the story Friday night at Swift stadium as the Swifts' attacking defense, aided by six Hart miscues, helped Nazareth post a 22-0 win.

Nazareth's regular ground attack was overshadowed by the air show as quarterback Johnny Schmucker hit five of 11 attempts for 82 yards and two touchdowns.

Nazareth's defense came up with four Hart fumbles, turning two of those into scores. The Swifts' other touchdown came after Eric Wilhelm blocked a Hart punt deep in Longhorn territory. Nazareth racked up two points in the third quarter on a safety.

Neither team was able to

put together any type of sustained drive, but the Swifts capitalized on several opportunities.

The first opportunity came midway in the second period. The Longhorns made a goal-line stand, but two plays after Hart took over, Nazareth's Billy Steffens recovered a Hart fumble on the Longhorn 28. On the next play, quarterback Johnny Schmucker found tight end Marvin Schmucker behind the Hart secondary for six points. The kick by Johnny Schmucker was good, and with 7:17 showing in the half the Swifts led, 7-0.

With 2:02 left in the second quarter, Wilhelm blocked a Hart punt on the Longhorn 21. Six plays later, quarterback Schmucker launched a five-yard pass into the end zone to Ricky Backus. The kick by Schmucker was good, and the Swifts led 14-0 with 57 seconds left in the half. Defense was the name of the game in the second half, as Nazareth managed only 41 yards of offense and Hart had just 60.

The only score in the third quarter was set up on a 39-yard punt by Nazareth's Chris Gerber. The

kick rolled out just six inches from the Longhorns' goal line. On the first play after the punt, Hart tailback Auther Finch was tackled in the end zone by Billy Huseman and Billy Steffens for a Swift safety.

With 2:53 left in the game, the Swifts scored their final touchdown. The score was set up when the Hart punter fumbled the snap deep in Longhorn territory.

On fourth and goal, Nazareth's Roger Schulte broke up the middle for four yards and the score, pushing the final count to Nazareth 22, Hart 0.

Finch led the 'Horns offensive attack with 91 yards on 24 carries, giving the senior tailback 367 yards in three games.

Roger Schulte led the Swifts' ground game with 48 yards on 11 carries. Nazareth led in first downs, 11-7 and in total yards, 183-111.

"Hart's secondary played real tight on us all night," said Nazareth Coach Ken Cole. "In order

to move the ball, we had to pass a lot."

"Mistakes were our problem," said Hart mentor Mark Stroebel. "Nazareth has a good team."

The Swifts (now 3-0) travel to Sudan Friday night for their District 2-A North Zone opener.

"Sudan is very young," Cole said. "They have a quick defense and they are a really aggressive team."

Hart (1-2) hosts Lubbock Christian High School Friday at 8 p.m.

"The (Nazareth) game was a big emotional loss for the kids," Stroebel said. "They are wanting to win the game this week. Lubbock is big, but not as quick as Nazareth."

In addition to his parents, survivors include a sister, Shawna of the home; his grandparents, Mr. and Mrs. W. O. Elliott of Claude and Mrs. Donnie Radke of Hillsboro.
The family request memorials be made to the Honor Society Memorial Scholarship Fund at First National Bank of Claude.

CARD OF THANKS

Dear Citizens:
On behalf of the Chamber of Commerce, I want to say a special thank you to each one of you who volunteered your time, talents, and possessions to make Harvest Days a community affair.

There were hectic times when you questioned the use of it all, but the end result was one of true community spirit — of something to be very proud! I cannot attempt to list individuals or groups who were so fantastic. Thank you for your positive willing attitudes.

It's a pleasure to work with you to promote this community.

Thanks again,

INVADED BY RELATIVES—Hollywood writer Phillip and his housekeeper endure a visit by bickering relatives in the comical skit, "Family Reunion," a take-off of the TV show, "Mama's

Family," in the Harvest Days Follies. From left are Joe Higgs as Phillip, Cheryl Pybus as Eunice, Don Sheffy as Ed, Joyce Higgs as the housekeeper, and Karen Sheffy as Mama.

UP YOUR INCOME—Chuck Braafladt is the game-show host and Ysleta Ball is his unwilling contestant in the comedy skit, "Up Your Income," in the Harvest Days Follies. In background, from left,

are Tiffany Braafladt, Camille Summers and Karla Sheffy as the squealing Shana Nana Noony Sisters celebrity guests.

CORN GRINDING demonstration was put on at the Castro County Historical Museum as part of the museum's open house during Saturday's Harvest Days activities in Dimmitt. Bryce Dowell pours more corn into the hopper. George Bagwell (not shown) also helped with the demonstration.

FACE PAINTING was done by the Dimmitt High School Art Club at the Harvest Days activities in Dimmitt Saturday. Douglas Garibaldi, 18, paints a "cat track" on Armando Aleman, 3, son of Josie Aleman.

'STEAM HEAT' is the number in the Harvest Days Follies, and the dancers are (from left) Susie Reeves,

Ed Freeman, Jackle McLeroy, Edd McLeroy, Gladys Benson and Coy Dunn.

It's Farm Safety Week

County Judge Polly Simpson has proclaimed Sept. 18-24 as Farm and Ranch Safety Week in Castro County, at the request of Tommy Stanton, Castro County Farm Bureau president.

This marks the 40th annual National Farm Safety Week, co-sponsored by the National Safety Council and the US Dept. of Agriculture. The emphasis this year is on rural youth: "Safeguard the Future" — protect and educate the children in good safety habits.

In the proclamation, Judge Simpson said, "I call upon parents especially to teach their children good safety practices and instill in them a positive attitude toward safety which will serve them well throughout their lives."

Stanton said, "We wish to emphasize this year's Farm Safety Week letter enclosure reminders — a farm or ranch is a good place to bring up children, but where else would a child be exposed to workplace hazards or help with work at such a young age? Help safeguard agriculture's future — protect children from harm. Educate them to work, drive, play and live safely."

The NSC and USDA offer these suggestions to make the farm safer for children:

- Keep kids off of and away from farm equipment. No extra riders!
- Keep guns, chemical products, medications, matches, tools and such

FARM SAFETY STRESSED—County Judge Polly Simpson goes to the field to proclaim Sept. 18-24 as Farm and Ranch Safety Week in the county. Here, she hands her proclamation to Jeff Robertson, director in the Castro County Farm Bureau. At right are Robertson's wife, Karen, and daughter, Kourtney. The special week here coincides with the 40th annual National Farm Safety Week, co-sponsored by the National Safety Council and the US Dept. of Agriculture.

inaccessible to small children.

- Keep play areas free of hazards. Enclose pre-schoolers' play area to keep them from wandering out to the road, barn, field, pond, etc.

—Teach children how to swim. Don't allow them to swim alone.

—Before allowing a youngster to bike on public roads, make sure he or she knows the rules of the road and can handle the bike capably. The bike must be in good shape and have required lighting and safety devices.

—Make shop, grain bins,

animal quarters, silos, chemical storage and such places off-limits to youngsters. Lock or bar entry. Remove keys from motorized equipment so kids can't start it (and thieves can't easily drive it away).

—When giving a young person a new chore or job, train and then supervise him or her until you're sure he or she can do it safely.

—Encourage youths to take part in safety activities of local youth groups and schools.

Involve them in home and farm hazard hunts, fire inspections and such.

Police calls

Dimmitt police are investigating a burglary which occurred at the Mini Mart early Monday morning. The burglars gained entry through a 12 inch by 12 inch window by the register and took beer, cigarettes, lunch meat and a radio from the store. Police questioned a suspect but no arrests have been made.

One person was injured in a wreck Saturday night on SH 86 near Dimmitt.

Andrew Franco, a 10-year-old student at Dimmitt Middle School, was transported to Northwest Texas Hospital in Amarillo following the accident which involved three vehicles. He was riding in the bed of a pickup and his face was slammed into the cab when the pickup collided with an oncoming car.

He was listed in serious condition Wednesday morning at NWTH.

Ernesto Franco was attempting to pass a truck traveling west on SH 86 when he struck an oncoming vehicle. Franco's car then collided with another car westbound on the north shoulder of the road. No one else was injured.

A 23-year-old San Jacinto, Calif. man was booked last Wednesday in Castro County jail on charges of burglary. Indictments have been returned against the man in connection with the 1982 burglaries of Killingsworth True Value Hardware and Easter Grain. He was arrested in California and transported to Castro County.

Four other men were arrested during the week, two on DWI charges, one on public intoxication, one on misdemeanor theft charges, and one for violation of probation.

Police investigated two minor traffic accidents during the week.

More about PMH Auxiliary Dimmitt ... holds brunch

(Continued from Page 1) too much trouble. We did get back in time to buy a ticket and see the part of the show that I had missed the night before. I left my hat in the car but I didn't lock the doors.

I think we had about two days of fall weather then, wham, winter struck its first blow Tuesday morning.

A SOLAR water heater, the first solar energy unit of any kind in a Texas state park, has been installed at Blanco State Park.

The Plains Memorial Hospital Auxiliary held its annual Enlistment Brunch Sept. 13 at Rhoads Memorial Library in Dimmitt, with 28 current members and five new members attending.

New Members are Ruth Skinner, Loranel Hamilton, Frances King, Bea Hawkins and Lavern Bates.

Mitzie Brockman presented the program on the Plains Memorial Hospital School of Nursing, which is a vocational program through Amarillo College. She reported that the school recently graduated four local students, who will be taking their state board exams in Austin in October.

The current enrollment includes seven from Dimmitt and 12 from Hereford. Classroom work is done here and on-the-job training is split between Hereford and Dimmitt.

Instructors include Mitzie Brockman and Alan Bradley, along with one from Hereford and three from Amarillo College.

Refreshments at the meeting were served by hostesses Lucille Drerup and Wanda Murdock. They served mint orange juice, coffee, sausage balls and a fruit and cheese tray.

Senior Citizens

One hundred eighty-three persons had dinner at the Old Settler's picnic at the Senior Citizens Center on Saturday noon.

Betty Cartwright was the winner of the oil painting by Jewel Scott. Beth Wallace of Tulia was the winner of the bird quilt.

Castro County Senior Citizens Center is at Third and Jones and is open Monday through Friday from 8 a.m. to 4 p.m. A nutritious noon meal is served each day from 11:30 a.m. to 1 p.m. Table games and quilting go on every day.

Bridge is on the schedule for today (Thursday) at 10 a.m. There is also bridge at 10 a.m. on Friday.

The Center's van-bus will pick up the 15 people who signed up for the trip Sunday after church. The trip will include the matinee at the Dinner Theater, the Ice Capades, and dinner at the Red Lobster.

For those who couldn't make the trip, there will be the monthly gospel sing at the Center at 2:30 p.m. with Gene and Connie Ivey in charge.

Member Beral Hance will be honored on her 70th birthday with a birthday party at 2:30 p.m. at the First Baptist Church fellowship hall.

There will be Bible study Monday at noon. Duplicate bridge will be played in the evening.

An evening of table games will be enjoyed Tuesday beginning at 6:30 p.m.

Norman wins challenge cup

Dimmitt's Gary Norman won the challenge cup Sunday at Amarillo Dragway, clocking 11.38 seconds and 120 mph in the quarter.

Norman raced a 1978 Kawasaki 1,000 motorcycle in the event which included 22 motorcycles and cars.

Norman will race at the Division IV Bracket finals Oct. 1 and 2 at Green Valley Race City in Forth Worth.

Fire calls

The Dimmitt fire department received two fire calls early Wednesday morning.

At 12:30 a.m. one truck, the station wagon and eight men responded to a burr fire at Dimmitt Feed Yard. The firemen had the blaze under control after an hour and a half. No damage was done.

At 5:28 a.m., two trucks and 17 men responded to a house fire at 403 SW 6th Street. Firemen had the flames under control in 10 minutes. Extensive damage was done to the living room and west bedroom and there was heavy smoke damage throughout the house. Fire Marshal Steve Jameson said the probable cause of the fire was an electric heater sitting too close to the bedding in one of the bedrooms.

Country Bazaar set

Country Bazaar, one of the Panhandle's largest arts and crafts shows will be held this year on Saturday, Oct. 8 at Sugarland Mall in Hereford.

Interested craftsmen are invited to send for an application and information regarding the show.

This is the fifth year for this show, which will feature exhibitors from several states, as well as area craftsmen.

For information contact Sandra Blankenship, Sugarland Mall, Hereford, TX 79045; ph. (806)364-7110.

Adult classes begin Oct. 3

Registration and classes begin at 7 p.m. Oct. 3 for adults who want to learn to read, write and speak English, and prepare for the GED test.

The classes are free and will be held at 7 p.m. Monday and Thursday nights at Dimmitt High School. The English classes will be in room 17, and the GED class will be in room 21.

The classes are sponsored by Dimmitt ISD and Region XVI Education Service Center. For more information contact John Thomas at 647-3105.

Dimmitt 8th beats Wildcats

Dimmitt's 8th grade football team struck twice in the second quarter, and twice in the third last Thursday, downing River Road, 26-6.

Jeremy Warren scored the first Dimmitt touchdown on a 1-yard run. James Alexander kicked the PAT.

Alexander passed 20 yards to Johnny Garza for the second Bobcat score. Alexander ran 10 yards for another score in the third quarter, and the last Dimmitt score came on a 20-yard pass from Warren to Brad Buchanan.

Hart 8th, JV beat Nazareth

Hart's Junior High and JV football teams recorded wins over visiting Nazareth teams last Thursday night.

Hart and Nazareth 7th graders scrimmaged, with the Longhorns winning the scoring battle, 3 touchdowns to 0.

The Horns won the 8th grade game 18-6. They scored their three touchdowns on runs of 60, 20 and 30 yards. Nazareth's touchdown came on an 18 yard pass.

In the JV contest, Hart won 18-0, scoring all three times on the ground. The Longhorns scored on runs of one-yard, 25 and 40 yards.

Could Olton spoil DHS Homecoming?

Remember some of those classic Dimmitt-Olton football shootouts of the past?

Well, it may not be that way Friday night at Dimmitt High School's Homecoming game. The Mustangs are winless in three games, while the Bobcats stand 2-1 after holding their last two opponents scoreless.

But then again, maybe it COULD be like some of those old shootouts.

"If we're not ready to play, they can beat us," Coach Gene Griffin said of the Mustangs. "Hale Center and Abernathy both found themselves really having to struggle against Olton in the fourth quarter."

Hale Center, the state's second-ranked team in Class AA, had to come from behind to down Olton 27-6 in the season opener.

In their second outing, the Mustangs fell to Abernathy, 18-0. Friday night they suffered their third loss of the season, to Lockney, 31-12.

"Olton has been playing quality teams, so those losses aren't anything to be ashamed of," Griffin said.

Sizing up the Mustangs of District 5-AA, Griffin said, "They're real quick. On offense, they're an option-oriented team, very similar to Farwell. They run a multiple-type defense. They've got four kids, especially, who are quality players to watch out for."

Those four are sophomore quarterback Troy Don Allcorn, senior running back Gary Johnson, senior running back Gilbert Garcia, and senior center-nose guard Daniel Smith. Johnson has been

Tule Creek Fair is this weekend

The Third Annual Tule Creek Arts and Crafts Fair will be held Saturday and Sunday at the Tulia National Guard Armory.

The fair will be open from 10 a.m. to 7 p.m. Saturday, and from 12 noon to 5 p.m. Sunday.

Fifty booths with home-made quality arts and crafts will be represented. A food booth will be furnished by the Tulia TOPS club.

Rotary hears Coach Griffin

Seventeen members and seven guests were present for Rotary's noon meeting Friday.

Dimmitt football coach Gene Griffin talked to the group about his football team.

The Rotary Club would like to encourage any business which has an extra flag to contact Doug Pybus or David Schaeffer.

Locals attend convention

Teresa Nutt, Reta Welch and several other Castro County extension homemakers attended the 5th annual Texas Extension Homemakers Association state convention Tuesday through today (Thursday).

More than 900 members of the TEHA are attending the convention in Lubbock. Mrs. Welch presented her "Hats" program at the convention.

Hart board meets

The Hart Board of Education met recently and approved the band budget (\$10,000) for the school year.

The board approved the request of Bone Diaz to work for his dad in the I.C.T. program for the school year.

The board approved the purchase of two electric typewriters for the typing department. Cost is \$495 each.

The board set the Halloween carnival for the elementary students for Oct. 28 in the afternoon.

the Mustangs' main ground-gainer; he ran for 123 yards on 22 carries against Hale Center for a 5.6 per-tote average.

The Bobcats will go into the game in good physical shape. Although Brandon Cox is nursing a shoulder bruise from the River Road game and Mark Bruegel is still trying to get his recuperating knee to come along, the rest of the team is healthy, Griffin reported.

The Bobcats will go into Friday night's game fired up by a week of Homecoming activities. Kickoff time at Bobcat Stadium will be 8 p.m. Friday.

Members from Dimmitt, Hereford, and Nazareth attended. A salad supper was served.

Billye Davis, Bessie Strickland and Frances Frazier modeled the latest in fall fashion from The Village Shop in Dimmitt.

President Mary Riley from Hereford announced there will be an area workshop hosted by Hereford and sponsored by the local chapter in April. This will be for all educational secretaries in the area.

A HEN'S ration consists mainly of ground corn, sorghum grain, soybean oil meal, calcium, phosphorus and a vitamin-trace mineral mix.

Sunnyside News

By TEENY BOWDEN

Gene and Bennie Ross became new grandparents at noon Sunday when a 9 pound, 13 ounce boy was born to Larry and Tammy Robb in High Plains Baptist Hospital in Amarillo. He was 19 1/2 inches long.

Tammy was admitted Saturday night and Bennie went up to await the arrival. Rhonda and Jay Reeve of Lubbock also waited out the delivery. Tommy and Sherry Kenworthy of Dimmitt also kept the vigil with them. The baby was named Trinity Shane.

One and one-half inches of rain was recorded for Monday night with lesser amounts at many locations. Sunnyside proper had one inch and hail covered the ground. It rained hard in the north part of the community where most of the moisture was received. .10 of an inch of rain was received Friday afternoon.

The first load of corn was received at Sunnyside Grain and Supply Monday. It was brought in by Mack McGill and moisture tested 24.

The first load of corn was received at Farmers Grain Leg Tuesday. It was brought in by Doug Louder and moisture tested 24. Several were cutting by the weekend.

A filmstrip and tape, "Faces" was shown Wednesday night to emphasize the State Mission Week of Prayer. Naomi Brown brought an emphasis from the Wednesday program also. Dr. Atkinson was present for the presentation.

Shelly Rice and Rhonda Killough held a blood pressure screening clinic at the community building Friday morning. Only seven participated which was not enough to justify a monthly screening.

Verba Sadler got a good report at Dr. Longs on Monday. She doesn't have to report for more blood tests for three months.

Willie Mae Sadler attended the Plains Memorial Hospital Auxiliary Brunch in Dimmitt Tuesday morning.

Terri Louder participated with the Adult Singers Chorus in the annual Harvest Days Follies in Dimmitt Saturday night and Sunday afternoon.

Eddie Waggoner drove his Model A Ford in the parade in Dimmitt Saturday with two calves in the back with Laura, Susan

and John. He also showed it in the antique car show Saturday afternoon.

Several from the community attended the Harvest Days activities in Dimmitt Thursday through Sunday.

Rev. and Mrs. Strauss Atkinson were Sunday guests of E. R. and Willie Mae Sadler.

Lillian Carson attended the 20th anniversary Seminar of Mary Kay in Dallas recently. While there she visited with Resa Carson and her roommate Debbie Newcum who live at Lewisville and work in Dallas.

Raymond and Merdell Rogers returned to their home in Gustine the 6th after an extended visit here with Dorothy Gilbreath and the boys.

Willie Mae Sadler visited in Plainview Monday with Mr. and Mrs. Carl Webb and with Mrs. Mary Fowlkes of Lubbock.

Lillian Carson visited recently in Dodge City, Kan. with Gene and Bonnie Carson, Casie and Haley to help Haley celebrate her second birthday. She visited last Tuesday in Stanton with Carl Dean and Terrie Carson, Deakon and Joshua. She also spent a week in El Paso.

Dorothy and Coby Gilbreath and Hal Gilbreath who is on the team attended the Bobcat game with River Road Friday night. Also attending were Lynn and Sharon Cox, Brandon and Cinnamon. Brandon is on the team. With them was Larry Cox of Lazbuddie, brother of Lynn Cox. The Bobcats won the game.

One of the courses Gale and Verna Sadler are taking on Tuesdays and Thursdays at Wayland Baptist University is Southern Baptist Contemporary Missions. Thursday they had as a guest speaker Rev. Boyd Pearce, a missionary to Kenya for 20 years. He is a church developer who is home on furlough and is a missionary in residence.

Howard and Monarae Cummings and Mary Shultz of Earth visited last Sunday afternoon and evening with E. R. and Willie Mae Sadler.

Lee and Gale Brown, Jason and Jared and Sharon and Roy McGowen returned home Saturday night from their two week vacation in California. In Los Angeles they went to the Movieland Wax Museum, Disneyland, Knott's Berry Farm, and made a

tour of Universal Studios. In San Diego they visited with a cousin of Cliff Brown, played on the beach, saw Sea World and the San Diego Zoo. They had a wonderful time.

Noah and Ruth Spencer had dinner in Dimmitt Sunday with Carmon and Vivian Pigg and children and Scott Sheffy.

Gerald and Pat Elkins and Chris Elkins attended a family dinner in the Jim Lawson home Sunday to help Natalie Lawson celebrate her ninth birthday. All her grandparents and great grandparents as well as other family members were present.

Willie Mae Sadler gave an emphasis on the Mary Hill Davis State Mission Week of Prayer program

during the Sunday morning worship services.

Bruce and Phyllis Bridges, Erin, Robin, and Jonathan visited with the Brad Bridges of Earth and their new baby Sunday afternoon. Megan Diane was born the 13th and weighed 6 pounds, 11 ounces and was 20 1/2 inches long. She has two sisters, Shanna and Christina.

Phyllis Bridges and children spent last Friday night in Stanton with Terrie Carson, Deakon and Joshua.

Ezell and Verba Sadler visited in Hobbs Sunday with David and Gay Sadler, Melody and Karla and saw Karla play soccer. She is the only girl that plays on the team.

Tennis tourney planned Oct. 1

A tennis tourney will be held at Dimmitt High School courts Oct. 1, and entry deadline is next Wednesday (Sept. 28).

Play will begin Saturday (Oct. 1) at 8 a.m. in A, B and C divisions. Tournament director Linda Lowe is planning on high school and adult divisions, but if there are not enough high school entries, everyone will play in the adult division.

Entry fee is \$6 per event for each individual and trophies will be awarded to first and second place finishers.

Mail entries to Linda Lowe, Dimmitt High School, or call in entries to any of these three numbers: 647-3105, 647-3176 or 647-4355. Ask for Linda Lowe.

Crime Line offers \$300

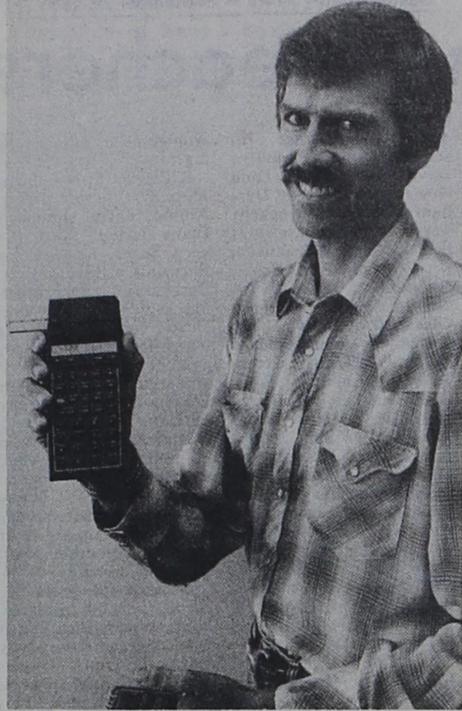

Crime Line is offering a \$300 reward this week for information about a robbery which occurred at Castro County Country Club.

Helen Jackson was robbed at gunpoint at her car in the parking lot of the club Sept. 9.

The robbery occurred late in the evening after the club had closed. Jackson had gone to her car, when a man appeared in a ski mask, with a gun, demanding money. She removed some money from her purse and gave it to him. The robber then fled the scene on foot.

Anyone having information about this crime should call Crime Line at 647-4711.

THE pineywoods region of Texas averaged 8.6 hunters per 1,000 acres of deer range during a recent 10-year period, considered to be a heavy hunting pressure.

KNUTSON AND HIS COMPUTER

the computer is used to help in the control of corn borers

Corn borers in trouble

Corn borers may be in bigger trouble than ever, now that Allen Knutson is aiming a computer at them.

Knutson, county extension agent, entomologist, is using a computer to predict when southwestern corn borer moths will emerge and begin laying eggs.

"This major corn pest reduces yields by tunneling in the stalk and later girdling the plant," Knutson said. "Predicting when corn borer moths will be laying eggs improves the efficiency of field scouting and timing of insecticide applications."

The computer model predicts development of first generation borer populations using average high and low temperatures and the age class distribution of larvae on a given date. The age class distribution is determined by collecting and measuring larvae in the field in early July.

The model generates the dates that 5, 25, 50, 75 and 90 percent of the first generation will emerge as moths. Since moths begin laying eggs within 1 to 2 days of emergence, the predictions can be used to determine initiation and duration of egg lay.

Knutson demonstrated the use of the computer model in 1982 in Castro and Lamb Counties. "Field validation showed dates of predicted emergence to be within 1-2 days of actual

emergence. Levels of egg infestation in 45 IPM program fields closely followed the predicted moth emergence curve," Knutson said.

This year, grower meetings were conducted to demonstrate the use and application of the corn borer model. Since the model is run on a hand held HP-41CV program-mable calculator, predictions can easily be made in a producer's field or at turn-row meetings.

"Egg lay predictions were made in 1983 for Hale, Swisher, and Parmer Counties, in addition to Castro and Lamb Counties. Extension newsletters, news media, and grower meetings were used to provide predictions and related management recommendations," Knutson said.

Because the predictions help to improve the timing of insecticide treatments, fewer growers are now relying on calendar and scheduled spray dates. Also, knowing the duration of adult moth emergence and egg lay is particularly helpful in determining the need for continued scouting and possible retreatment of infested fields. Aerial applicators and consultants are also finding the egg lay predictions helpful in their work.

"The predictive model is proving to be another valuable tool in the integrated pest management of the southwestern corn borer on the High Plains," Knutson said.

THREE MAJOR FAMILY FORMS

By the year 2000, if current trends continue, families will come in three major forms: first-marriage families, single-parent families, and remarriage families. "First-marriage families are not predicted to die out, but they will not necessarily predominate either," says Dr. Delores Stegelin, a family life education specialist with the Texas Agricultural Extension Service.

Divorce, along with births to unmarried women, has led to a steady and continuing increase in the number of single-parent families. The result is that about half of all children will spend some time in a single-parent family before they reach 18.

Remarriage families will be increasingly common as three out of four divorced people remarry and half of these remarriages take place within three years of divorce. Although the divorce rate is expected to remain high, Americans seem to hold the institution of marriage in high esteem.

"The question," says Stegelin, "is whether we as a society can find ways to support families — no matter what form they take."

Reduced acreage could help wheat farmers

Texas wheat farmers have started planting their 1984 crop, but many are still in the dark as to what to do about the government's wheat program.

"While the new wheat program is not as attractive as last year's, participating in the 30 percent reduced acreage program (RAP) could be profitable," says Ed Smith, an economist in grain marketing with the Texas Agricultural Extension Service.

"This is because the expected deficiency payment rate (\$1.15 per bushel) more than compensates farmers for not producing on the least productive 30 percent of their wheat land. Overall, the 30 percent RAP looks like cheap price insurance."

On the other hand, the decision to participate in the 20 percent PIK phase of the program is not as clear cut, notes Smith. Participation in PIK is close to a breakeven situation with the 30 percent RAP program since a producer gives up deficiency payments on 20 percent of his land and is paid 75 percent of his farm program yield in PIK wheat.

Farmers still have plenty of time to make a decision — the sign-up period is Jan. 16 through Feb. 24, 1984. And Congress could still make some changes. But, as of now, Texas farmers have three options:

—Not participating in the RAP and forfeiting all rights to direct farm program benefits.

—Participating in the 30 percent RAP only, guaranteeing access to Commod-

ity Credit Corp. loans and possible deficiency payments.

—Participating in both the 30 percent RAP plus an additional 10 to 20 percent PIK acreage diversion.

Major differences in the 1984 wheat program and the past year's program are these:

—The target price will increase from \$4.30 to \$4.45 per bushel.

—The national average loan rate will be lowered by 35 cents to \$3.30 per bushel.

—The maximum deficiency payment rate will increase from 65 cents to \$1.15 cents per bushel.

—Acreage reduction requirements will increase from 20 to 30 percent of the established wheat acreage base, and there will be no paid acreage diversion or advanced deficiency and diversion payments.

—Grazing of reduced acres will be allowed only outside the six principal wheat-growing months, and no haying or graze-out will be permitted.

The effectiveness of the new wheat program will have a major impact on prices for the '84 crop. However, Smith sees '84 wheat being at or slightly below the loan rate, barring weather disasters.

He also sees little price improvement for '83 wheat through the remainder of this year but some strengthening in early 1984 as farmers hold their wheat in the loan program and have used PIK entitlements. That increase will likely be short-lived, though, with competition from the Southern Hemisphere and new crop expectations, says Smith.

Check farm ponds for oxygen loss

Owners of farm ponds or small lakes should be alert this time of year for signs of oxygen depletion, according to biologist Joe Toole of the Texas Parks and Wildlife Dept.

"Oxygen depletion is the most common cause of fish kills during August and September," Toole said. "Lake owners should regularly observe the water early in the morning to determine if any stressed fish are swimming on the surface and gulping for air — a common symptom of oxygen depletion."

Often little can be done to immediately correct the problem, although on ponds of a half-acre or smaller a gasoline or electric pump can be used to aerate the surface.

"In ponds where channel catfish are being fed regularly with commercial fish food, care should be taken to see that all food is consumed within 15 minutes at each feeding," Toole said. He said excess food on the pond bottom can trigger oxygen depletion as the organic material decomposes.

Lions Club gets rooked in Bed Race Saturday

By DON NELSON

An Honest Lion
Well, the Dimmitt Lions Club got rooked in the big Harvest Days Bed Race Saturday because of hard luck and blind officials.

Take, for instance, the Best Dressed Award competition. The Lions Club team of Chuck Braafladt, Marlos May, Joe Josselet and Calvin Marsh showed up in coats and ties for the race. Not until after the Best Dressed competition did they peel down to their T-shirts and purple shorts with "Lions Club" emblazoned across the rear. And their club sweetheart, Cindy Marsh, was elegantly outfitted in a stocking-foot pajama outfit to go with the Harvest Days theme, "Young at Heart."

The other six teams were all dressed like a bunch of jocks, or worse. The Peace Officers even showed up in jail coveralls. By comparison, the Lions were the epitome of sartorial splendor. Now, you'd think that a bunch of guys who showed enough respect to appear in coats and ties would ice the Best Dressed competition, wouldn't you?

But NO-O-O-O. The officials, defying all logic, gave the Best Dressed Award to the Rotary Club team, who were dressed as members of the 4077th M+A+S+H. Now, is THAT original?

Now, about the race itself: The Lions knew the

competition would be tougher than ever, even for their rolling bed which won the first Bed Race three years ago. That's why the Lions established a Dirty Tricks Committee to help with the strategy for this year's race.

The rules said that the bed had to be pushed along the figure-8 course by four people; they didn't say all four had to push at once. That's why the Lions wanted to do it relay style, with two pushers each direction. But the officials ruled against the Lions, and ordered all four to push at once. That ruling demoralized the team.

Still, the Lions took off fast. A little too fast. When they rounded the first obstacle in the course, the steering handle whipped and Cindy went rolling across the pavement. That cost the team some precious time. If they hadn't had to be the first team to run, they would have learned the easy way not to take that first turn too fast.

Now, the rules said that each team had to stop its bed at the top end of the course, take the rider off and set her on the pavement, then change the sheets, then put her back on the bed and resume the race. The rules didn't say that you couldn't have the mattress already sheeted on the bottom side, and simply flip the mattress and throw away the top

CLASS OF '53—Sixteen members of Dimmitt High School's Class of 1953 gathered at the Senior Citizens Center recently for their 30th-year reunion. Kneeling in foreground are Katy Coke Wright (left) and Declmae Dennis. Seated, from left, are class sponsor Joy Wlterding, Jackie Cartwright Phillips, Barbara Clark

McDermitt, Sandra Neumayer Bagwell, Dalla Twiner Gregory and Paul Stanford. Standing, from left, are Jack Copeland, Don Ziegler, Roy Murphy, Ray Murphy, Bill Gregory, Kenneth Fulfer, Milton Bagwell, Kenneth McDermitt and James Dobbs.

HONORED QUEEN—Maria de Lourdes Rosado was elected Queen for the Spanish Feast Saturday at Immaculate Conception Catholic Church in Dimmitt. The queen is selected annually in honor of Spanish Independence Day. Maria, 10, the daughter of Jose and Maria R. Rosado, rode on the church float Saturday in the Harvest Days Parade.

Cotton growers can influence program

Texas cotton growers have an opportunity to control their own destiny as far as the 1984 cotton program is concerned.

Several provisions of the program are still "up in the air," and farmers have until Oct. 4 to offer suggestions and comments. At stake is next year's cotton production and its ultimate influence on market prices.

"A number of provisions that will bear heavily on the market supply — demand relationship next year are still unresolved," says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service. "So, farmer input is needed to enable policy makers to make better-informed decisions."

He points out that comments from growers

and others in the cotton industry are needed on the following:

—Whether or not USDA should establish an acreage reduction program and at what level.

—The appropriate national program acreage and voluntary reduction percentage if no acreage reduction program is announced.

—Whether or not USDA should establish a paid land diversion program, the percentage of diversion and level of payment.

—Whether or not there should be a PIK (payment-in-kind) program and the provisions of such a program.

—Whether or not to require offsetting compliances if an acreage reduction program is established.

—Methods for determining 1984 crop acreage bases for upland cotton.

—The base loan rate for upland cotton will be determined by statutory formula according to domestic and world price data.

—The '84 target price is currently set at a minimum of 81 cents per pound by the 1981 farm bill.

Persons should send their comments on provisions of the 1984 cotton program to Director, Analysis Division, USDA-ASCS, Room 3741-S, P.O. Box 2415, Washington, D.C. 20013.

"Next year's cotton program will influence cotton production in the U.S., thereby affecting supplies and consequently the market price," notes Anderson. "A crop that would exceed domestic and export usage — normally 11 to 12 million bales — would add to carryover stocks and weaken prices."

The economist contends that an acreage reduction program is in order to keep cotton supplies in line. "Based on average yields of a little more than a bale per acre over the past three years, around 11 million acres of cotton would adequately supply market needs. This means that our base acreage of upland cotton, which stands at more than 15 million acres, would need to be reduced accordingly," says Anderson.

Employees honored for safe driving

The Cooperative Breakfast honoring employees on safe driving records was held recently, representing a total of 165 years of driving Deaf Smith Electric Cooperative vehicles without an accident. Twenty-one employees were honored at the Thompson House in Hereford.

Pat Digby, representative of Nationwide Insurance Company, presented commemorative pens and sponsored the breakfast for the employees.

Total miles the cooperative vehicles were driven from April 1, 1982 to March 31, 1983, were 528,807 miles. Dick Montgomery, Assistant Manager of Deaf Smith REC, stated that

safety is the number one concern of the cooperative. Whenever employees are exposed to accident-causing situations each day, it is important that safety practices be applied to transportation as well. The record of these drivers indicates such safety. Boyd Collins, 22 years; Tommie Weemes, 21 years. Others receiving awards included George Bullard, Steve Loudder, Lee Jones, Dick Montgomery, Loran Nixon, Don Rieves, Greg Black, Jerry Deckard, Carleta Watts, Ruben Flores, Robert Scott, Mike Veazey, James Hull, Harold Finch, Dan Higgins, Paula Welty, Mike Bridges, Sam Garrison, Justin McNeely.

YUMMY RECORD—Members of Dimmitt High School's Interact Club claim to have set a county record when they made — and ate — this 40-ft. banana split last Wednesday night. Rotary Club sponsors shuttled gallons of ice cream, several dozen bananas, cans of whipped topping and jars of pineapple, straw-

berries, nuts, chocolate sauce and cherries while the youths built the banana split in foil-lined sections of plastic rain-gutter. Here, the starters dig in with spoons while those down the assembly line build their sections of the huge split.

On the Go

With Maru Edna Hendrix, 647-3343

It was a beautiful day for a lovely 80th birthday party for Swain Burkett held at the Senior Citizens Center on Sunday afternoon. Swain and Katie's three sons and families were here for the joyous occasion. Mike and Kristen from Santa Ana, Calif., Joe and Linda and two sons Andrew and Todd, and David and Jeri and daughter Kati and son David all from Scottsdale, Ariz. Swain's brother J. C. Burkett from Wichita Falls, a sister, Mrs. Ollie Skelton from Amarillo, and Mr. and Mrs. Otho Allen, two nieces, Mr. and Mrs. Bryan Pollard from Midland and Mrs. John Walker from Floydada. Katie Burkett's sister, Mrs. Leon Cox from Houston and her son and family, Mr. and Mrs. Wes Wesson and children Tamera and Andrew from Lubbock came.

Patti Cartwright and young David Burkett registered the 135 guests from a table decorated with a bouquet of Sonia roses.

Friends who helped serve the punch and beautiful birthday cake were: Alice Cowen, Nancy Ross, Ina Cleavinger, Valeria Davis, Virginia Gilbreath, and Jennifer Miller. The serving table was lovely with a silver service and a centerpiece of white Gladioli and Sonia roses. The table with a coffee service held a lovely bouquet of red carnations. Each individual table held a white bud vase with a single Sonia rose. All the flowers were furnished by friends and relatives. We wish many more birthday celebrations for Swain.

Mrs. Ruby Ramsey was honored with an 80th birthday reception in the home of her daughter, Brenda Andrews. One hundred and ten guests came by to wish her a "Happy Birthday." Her five children hosted the occasion. They are John B. Pitts of El Paso, Lloyd Pitts of Richardson, Charles Pitts of Amarillo, Nancy Cranford of Virginia Beach, Va., and Brenda Andrews of Dimmitt. Sonya Andrews and Jan Pitts served coffee and punch and cake from a table adorned with peach, yellow, and blue fresh flowers. Becky Andrews registered the guests. We wish for Ruby many more happy birthdays!

Mr. and Mrs. Preston Madison of Savoy and Sue Orr, a sister of Ruby Ramsey, of Grapevine, came for the birthday party. They also visited C. A. and Leada Hance, Jake and Martha Isaacs and Jeff, Phoebe and T. D. Claborn, and David and Sandra Honea and daughter, Shari.

La Von Reeve hosted her bridge club Thursday. She served Mexican Fiesta to Betty Dennis, Dalia Gregory, Brenda Andrews, Darlene Dowell, Mona Merritt, Earlene Myatt, and Hazel Nelson, who won high score.

O. T. and Kathryn Vardell enjoyed a visit from their cute little granddaughters, Erin and Elisha, daughters of Zane and Ann Sessions from Hereford. They attended Sunday School with their grandmother on Sunday morning.

Betty Dennis invited her bridge club to go to her cabin in Ruidoso to play bridge. Dalia Gregory won high score. The group enjoyed visiting Courtenay Armstrong at her business, "Country Stuff." Others going were Jimmie

Glenn and Janelle Dillaha from Canyon, Dorothy Hopson, Darlene Dowell, Brenda Andrews and Mona Merritt.

Susie Reeves was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch. Jo Gregory won high score and Susie won second high. Others enjoying the day were Ferne Dickey, Betty Cartwright, Emily Clingingsmith, Bernice Hill, Louise Mears and Ruth Skinner.

Lendon and Lura Scarborough of Amarillo visited with Mr. and Mrs. Elzie Teague one day last week. They also visited Mrs. Ballard in the Flag Community. The Scarboroughs are former Flag residents so they enjoy coming back to visit all their friends. Mrs. Teague said they were a lovely couple and they always enjoy visiting with them.

Sheila Barton who is attending the university in Albuquerque, N.M. visited her parents Melvin and Violet Barton recently.

Cletha George had eye surgery recently and her sister and husband, Mr. and Mrs. O. V. Barker from Bells have been here to help in any way they can while Cletha is recovering.

The first meeting of the Dimmitt Book Club was held on Wednesday afternoon with the president, Susan Hanners, presiding. Vir-

ginia Holmes was the guest reviewer for Carole Dyer, and she gave a delightful review of the book, "Maria Callas." At an early age she was in all the school and church plays. At age 17 she was singing professionally. She was born in New York City, but at the age of 14 she moved with her parents to Athens, Greece. She was in love with Onassis and he gave lavish parties for her but when he married Jacqueline Kennedy, she went into bitter despair. She died at the age of 53.

Ruth Bennett and Debbie Matthews were installed as new members of the book club by Ronda Wise. Mrs. Morgan Cain of Hereford was a guest. Ronda Wise and Maxine Tidwell were hostesses and they served punch, coffee, and pecan tarts from a table decorated with a beautiful silk flower arrangement and scattered gold leaves.

Mr. and Mrs. Edward Tice from Fort Worth have been visiting Woodrow and Alyce Killingsworth. They went to Palo Duro Canyon one day and then had dinner with Woodrow's brother, Dr. Clark Killingsworth, in Amarillo.

My sister, Lynna Cloer from Tulia and I had a booth at the Castro County Fair. She was selling pictures and I was selling encyclopedias. Our booth

was next to the Welch booth. They were selling all sorts of pretty handwork. Mary Lou Webb, Mary Hestand, Beth Welch of Amarillo and Ann Philpott and young son Clint from Lubbock ran it.

The Harvest Days and Castro County Fair was a huge success again as usual. We should all be proud of our fair and all the people who are responsible for its success. Kay Gfeller and her mother, Mrs. Fulkerson from Tulia, came by my booth at the fair and my sister enjoyed talking to Mrs. Fulkerson.

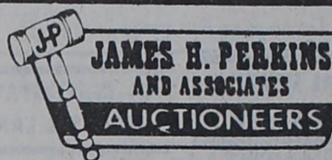

The Follies was a fun entertainment for Castro County. We appreciate all the people who take time out from their busy schedule to work on a program that others will enjoy.

Russel and Myrtle Lois Moran visited with Juanita Blaine one day last week. Juanita is slowly recovering from a stroke and she loves to receive mail so I

am sure her friends would like to have her address: Mrs. Juanita Blaine, care Mrs. Mike Milligan, Rt. 2, Box 11859, Midland, Texas 79701.

Several have been asking for my daughter and her family's address since their tragedy. It is Mr. and Mrs. David Vaughan, 906 Rainbow Drive, Richardson, Texas 75081. They will appreciate your prayers and cards for a

A Tool for Every Need

Any task is always made easier, when the proper tools are used. The craftsman keeps his tools in a neat orderly arrangement, and knows exactly where to reach for the tool he needs.

God has provided us with the tool to use in spiritual matters — The Bible. The church has theologians and personnel trained in Bible study, and all are anxious to help lead in the study of God's word. Attend church Sunday and seek God's will for your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

County gets road funds

Texas Treasurer Ann Richards recently sent a check to Castro County for \$26,126.95 for road construction and maintenance projects. Richards mailed checks totaling \$7.3 million in grants to the state's 254 counties. The 27 counties in the Panhandle area received a total of \$500,000. Richards said the \$7.3 million is allocated to each county under a formula based on the county's area, rural population and lateral road mileage.

Dimmitt FFA gives awards

The Dimmitt chapter of Future Farmers of America held its Greenhand initiation recently and gave out awards to second year and greenhand students. Second year ag-students received their chapter farmer degree pins for active participation in FFA. They were: Bill Patton, Mark Smothermon, Todd Bradley, Mark Shackelford, Woody Glass, Darrell Washington, Scott Nelson, Mitchel Brown, Eddie Jordan and Kim Howell. Twenty-six first year ag-students received Greenhand pins and were initiated into the FFA. Also initiated into the Dimmitt chapter was the new vocational-ag teacher and advisor Jon Davidson.

MRS. BERNARD NEAL ACKER
...nee Joanna LaTryl Warminski

Ackers are at home in Lubbock

Mr. and Mrs. Bernard Neal Acker are at home in Lubbock following a honeymoon at Ruidoso, N.M. after their Sept. 3 wedding.

The bride is the former Joanna LaTryl Warminski, daughter of Mr. and Mrs. Charles Warminski of White Deer. The groom is the son of Mr. and Mrs. David Acker of Amarillo and formerly of Nazareth.

The nuptial mass was celebrated in the Sacred Heart Church of White Deer with Rev. James Gurzynski and Rev. Pete Otto officiating.

Serving as matron of honor was Vivian Simmons of Westpoint, Miss., sister of the bride. Bridesmaids were Agnes Taylor of Dalhart, sister of the groom, Karen Barton of Dallas and Suzie Jameson of Allen.

Best man was Greg Shehan of Canyon. Groomsmen were Randy Stukel of Canyon, and brothers of the groom Stephen Acker of Tulsa, Okla., and Norman Acker of Corpus Christi.

Altar acolytes were Chris Rapsline, Andrew Rapsline and Chadd Grange. Registering guests was Christy Warminski of Wichita, Kan.

Flower girl was Kimberly Warminski. She was escorted by Chadd Warminski. Ring bearer was Brian Simmons of Westpoint, Miss.

Ushers were Norman Warminski of Wichita, Kan., Dale Acker of Nazareth, and Stephen and Randy Warminski, both of White Deer.

Organist was Linda Kay Nunn. Vocalists included Larry Kuper of Amarillo and Carolyn and Gregory

Rapsline. Music presented included "Gift of Love," "Peace Prayer," "Ave Maria" by Shubert, "Our Wedding Prayer," and "Be Not Afraid."

Given in marriage by her father, the bride wore a formal gown designed by Bianca of New York. Fashioned of off-white satin, the dress was decorated with Alencon lace appliques and satin rosettes, and featured a chapel-length train edged in lace. A tiara of pearls and crystalline beads anchored her waist-length veil of tulle illusion.

The Sacred Heart Hall was the scene of the reception following the ceremony. A five-tiered cake decorated with roses in the bride's colors was spotlighted on the bride's table. Servers were Cindy Brown of White Deer, Carla Mynear, Suzie Jameson and Karen Barlon.

Red velvet cake was served at the groom's table by Joyce Acker of Amarillo and Kim Rose of Lubbock.

The bride holds a degree in home economics education and was employed by the Texas Extension Service in Gray County. She will be employed as County Extension Agent, home economics, for Crosby County, beginning Oct. 1 in Crosbyton.

The groom graduated from Canyon High School in 1979, and is a senior at Texas Tech University. He is majoring in mechanical engineering, and is employed as a research assistant at Tech's solar energy research station at Crosbyton.

Saturday garden wedding unites Carpenter and Reed

Saturday at 6 p.m. in a double ring, garden ceremony Carla Sue Carpenter and Jack Arch Reed exchanged wedding vows, with Ronnie Parker officiating.

The bride is the daughter of Don and Betty Carpenter of Dimmitt. The ceremony was held in the back yard of their home. The groom is the son of the late Tom Reed of Amarillo and Myrl Hensley of Holbrook, Ariz.

The focal point of the yard wedding was the white platform accented by a brass arch entwined with greenery and baby's breath. The arch was flanked by two seven-light candelabras. The bridal path was lined with white cloth and bordered by single-light candelabras.

Wearing a gown of matte taffeta designed by Alfred Angelo, the bride was given in marriage by her father. The formal-length gown featured a ruffled, off-the-shoulder neckline accented with silk roses. Alencon lace, sequins and seed pearls decorated the sleeveless bodice. The A-line skirt was accented with tiers of Chantilly lace and silk roses, and flowed into a chapel-length train with Chantilly lace at the hemline.

Her cascading bouquet of a contemporary country style was designed with large white roses, stephanotis, white dot poms, royal blue cornflowers and peach gypsophyllia, all entwined with grape ivy and tied with ribbons in her bridal colors.

Serving as matron of honor was Sandra McLean of Ozona, sister of the bride. Sisters of the bride Vicki Buckley of Dimmitt and Becki Walker of Kirkland, Wash., served as bridesmaids, with Jennifer Hucks, niece of the bride, acting as junior bridesmaid.

Ron Tuckfield of Snowflake, Ariz., was best man. Brothers of the groom Ronald and Donald Reed, both of Amarillo, were groomsmen and Dustan Buckley, nephew of the bride, was junior groomsman. Ring bearer was Derek Buckley of Dimmitt, nephew of the bride.

Acting as ushers were Frank Stell of Winslow, Ariz., Derl Peterson of Holbrook, Ariz., and Donny Carpenter of Dimmitt, brother of the bride.

Zelda Ellison was the organist. Selections included "Chariots of Fire," "I Love You the Way You

MRS. JACK ARCH REED
... She's the former Carla Sue Carpenter

Are," "Through the Years," "The Wedding Prayer," and "The Music Box Dancer."

The feminine attendants carried hand-gathered arm bouquets of silk flowers in the bride's colors. Included were white dot poms, sweet heart roses, stephanotis, and accents of royal blue cornflowers and peach gypsophyllia. The bouquets were entwined with grape ivy and tied with long white ribbons.

The male attendants wore clustered blossoms of stephanotis and plumosa.

For the reception, members of the houseparty were Dorothy Nutt, Hazel Nelson, Murna Miller, June Parker, Frances King and Katy Wright.

Following a honeymoon trip to Padre Island, the couple will be at home in Winslow, Ariz.

The bride is a 1981 graduate of Dimmitt High School and had been employed at Amarillo Federal Credit Union.

The groom is a graduate of Tascosa High School in Amarillo and is employed by Santa Fe Railroad in Winslow.

Pet Show Saturday draws 31 entrants

Twenty-nine entries garnered first place awards in the annual Pet Show sponsored by Dimmitt Veterinarian Dr. W. J. Hill in connection with Harvest Days activities.

The 31 pets brought to the courthouse lawn Saturday morning ranged from the usual dogs and cats to snakes and turtles.

First place winners are: Faye Killough for showing the blackest poodle; Christy Killough for the best turtle; Kathy Patterson for best female dog; Jeff Howell for best spotted mix dog; Adrian Falcon for whitest male dog; Cory and Cameron Lust for best purebred doberman; Toni Falcon for best male collie mix; and Justin and Josh Roberts for the blackest dachshund breed.

Brent, Bryan and Rochelle Portwood showed the best cocker spaniel; Mike Traylor for the dog with the shortest hair; Jason Traylor for the oldest chihuahua mix; Casey, Coby and Carol Summers for best full-blood basset hound; Chris Stanford for best tartshell-colored manx cat; Matt Sims for the biggest, blackest cat; Kris Keith for best mother cat with litter; Michael Keith for the biggest spotted male cat; and Joel and Jared Townsend for the oldest mixed breed dog.

Jill Davis won a first for showing the youngest registered dachshund; Curtis Ward for best Siamese cat; Kristina Harris for best chihuahua; Matt and Jill Gfeller for best great Pyrenees; Michelle and Melanie Caddell for best pomeranian; Jackie Thomas for best grey and white manx cat; Gretchen Moore for the youngest black and white cat; Heather Moore for the smallest snake; Renae and Kara Josselet for the youngest white cat; Jimmy Thomas for the longest bull snake; Caroline Downing for the best sheltie; and Michelle Schumacher for the best basset mix.

Other placings went to Tucker Schumacher for the second place basset mix, and to Randy Schumacher for the third place basset mix.

YOUNGEST Registered Dachshund at Saturday's Harvest Days pet show was "Sam," shown by Jill Davis, 3-year-old daughter of John and Doricell Davis of Dimmitt.

LONGEST Bull Snake first place award went to "Herman," shown by Jimmy Thomas, 16, son of Mr. and Mrs. Gerald Thomas of Dimmitt.

Kiwanians to install

The Dimmitt Kiwanis Club will hold its installation banquet Monday at 7:30 p.m. in the basement meeting room of the Castro County Courthouse.

Lt. Gov. Elect of Div. 33 Bud Eades of Hereford will perform the installation ceremonies. The meal of barbecue and all the trimmings will be catered by Caisons of Hereford. There will be no noon meeting Monday.

At Monday's meeting, Key Clubbers Bret Sheffy and Owen Viles were guests. Viles, an AFS exchange student from New Zealand, who is attending Dimmitt High School, spoke briefly on his impressions of the Harvest Days activities that took place over the weekend.

He said the celebration was similar to the one held in his country several years ago to commemorate their Centennial. "I think it would be great to have one every year," he commented.

Rabbit club meets tonight

The Castro County 4-H Rabbit Club will meet tonight (Thursday) at 7:30 in the courthouse basement.

This is a membership meeting and youths interested in rabbits are encouraged to attend. Jerry Brock of Hereford will be at the meeting to answer any questions.

Several county members showed rabbits at the Permian Basin Fair and Exposition in Odessa over the weekend.

Tracy Hatla won a first and fourth place with his Silver Maffeus, and Jason Nelson won third places with his Himalayan rabbit.

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the

performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

Keep Farm Safety In Mind ALWAYS

Safety is the prime factor in the success of modern farming, for accidents can prove more costly than maintenance. Your farm can be a showplace of progress and efficiency if you keep tools and equipment in top condition, check buildings for cleanliness, soundness. Keeping everything in apple-pie order eliminates many fire hazards. Practice good safety habits and prosper!
