How The Vote Went

This map shows the distribution of state-by-state returns in the Presidential voting, with Adlai Stevenson carrying only seven states—six in the South, plus Missouri, for 74 electoral votes, against Eisenhower's 457 from 41 states.

Attention Shifts To Special Senate Vote

By WHITEY SAWYER Associated Press Staff

Senators' attention shifted Thursday from President Eisenhower's victory to the special Senate election which may determine control of the upper house. Gov.-elect Price Daniel insisted Wednesday that Gov. Shivers call the election in time for his successor to take office when Congress opens Jan. 3.

Thus the Republicans could reorganize the Senate and name the committee chairman, he said. Daniel said his objective was to prevent the appointment of a successor. He promised during the gubernatorial campaign he would resign in time for a successor to take office when Congress opens Jan. 3.

He was not available for comment Wednesday. Huteson is pinning his hopes on a race against several Democrats. There would be no runoff in such an election and a split Democratic vote might give him more ballots than anyone else.

Shivers May Act On Special Election

AUSTIN (AP)—Gov. Allan Shivers may act soon on a new demand from Gov.-Elect Price Daniel to call a special election to fill the U.S. Senate seat Daniel will vacate. The paper-thin apparent margin of control held by the Democrats in the new Senate makes the Texas succession question nationally important.

so that his successor can be on hand, Shivers was out of town and not available for comment. There was no response yesterday to reporters' messages asking Shivers two questions: 1. What does he plan to do about the special senate election? 2. Is it true that he has bought the Old Gov. Pease mansion on a 10-acre plot in Austin and plans to live here?

GOP Candidate Captures Senate Seat In Kentucky

LOUISVILLE, Ky. (AP)—Republican Thruston B. Morton today apparently captured a Senate seat in Kentucky, handing Sen. Earle Clements his first defeat in 36 years of political life. Morton's victory gave the Republicans two Senate seats from Kentucky.

Clements 474,898. Counting turned in Morton's favor early today after a seesaw battle with the assistant Democratic floor leader in the Senate. The race — last to be decided in Tuesday's voting — was punctuated with statements implying that each side suspected the other of irregularities.

Cotton Crop Estimated For Year At 13,153,000 Bales

WASHINGTON (AP)—The Agriculture Department today estimated this year's government-restricted cotton crop at 13,153,000 bales of 500 pounds gross weight. This mid-harvest season estimate is 115,000 bales less than the October forecast of 13,268,000 bales. It compares also with 14,721,000 produced last year and 13,098,000 for the ten-year (1945-54) average.

ing allotments and marketing quotas to limit production. Nevertheless, the crop has turned out to be much larger than the production goal of 10 million bales. In accompanying report, the Census Bureau said that 9,709,495 running bales from this year's crop had been ginned prior to Nov. 1. This number compared with 9,688,621 bales ginned to the same date last year.

last year and 283 for the ten-year average. The production of American-Egyptian type cotton was estimated at 47,200 bales compared with 42,900 last year and 32,900 for the ten-year average. The department said that if the ratio of lint to cottonseed is the same as the average for the past five years, production of cottonseed would be 5,431,000 tons compared with 6,038,000 last year.

Production of cotton by states, included: Arkansas 508 and 1,445,000; Louisiana 497 and 580,000; Oklahoma 177 and 260,000; Texas 276 and 3,600,000. New Mexico 764 and 285,000. Ginnings of cotton prior to Nov. 1 this year and last, respectively, by states included: Arkansas 1,180,734 and 1,163,872; Louisiana 526,535 and 477,001; New Mexico 177,979 and 110,701; Oklahoma 176,053 and 248,057; Texas 2,598,514 and 2,390,573.

War Scare Continues; Arab Raiders Strike

Soviet Aircraft Fly Into Syria

LONDON (AP)—Israel reported new attacks by Arab raiders from Jordan along a 30-mile section of frontier today even as United Nations officials sought to put the precarious cease-fire in Egypt on a firm footing. Sniper fire crackled at Port Said in the Suez Canal zone yesterday against French and British troops, and one skirmish was fought between an Egyptian patrol and British tankmen.

Mamoun, grand mufti of Egypt, today exhorted Moslems the world over to fight Britain France and Israel as a "sacred duty." He did not specifically proclaim a holy war. But the British appeared to think full-scale military operations would not be resumed. The Air Ministry disclosed that some British warplanes—including the Valiant four-jet bombers—had been called home from the Middle East. It was a Valiant which was used to drop an atom bomb in a test in Australia last month.

British Paratroopers

British paratroopers dig slit trenches shortly after landing on Gamal Airfield, Port Said, according to caption accompanying this picture which became available in London.

Famine Threatens Revolt-Torn Hungary

VIENNA (AP)—Budapest radio announced today famine threatens revolt-torn Hungary. It begged the country in the name of the Russians' puppet government to struggle back to normal. Rebel radios fell ominously silent. One of the last broadcasts heard here said fighting continued near Budapest "with unchanging violence."

Numerous casualties of street fighting at noon yesterday were reported lying where they fell and cut off from medical aid. Within the Hungarian capital, ringed by Soviet tanks in formations that resembled siege lines, Radio Budapest urged all foodstuff workers to return to their jobs at once.

cast said. The Soviet military commander ordered the 7 p. m. 7 a. m. curfew lifted in the case of food trucks to permit them to operate day and night. The same broadcast indicated a severe shortage of shoes and clothing. It appealed to pawn shops to return all shoes and clothing worth less than 500 forints—about \$45 at the official rate—to their owners without payment of premiums and present the pawn slips to the Finance Ministry.

76,000 FEET

Navy Balloon Goes To Record Height

MINNEAPOLIS (AP)—The Office of Naval Research said here shortly after noon that two Navy men, who rode to an altitude record of 76,000 feet before running into trouble in their gondola attached to a big balloon, were reported safe after landing near Kennedy, Neb. The ONR office at the University of Minnesota said the two were seen walking around the gondola and were later picked up by a Navy helicopter near the northwestern Nebraska community.

ed We think we will stay with the balloon as long as we can," one of the balloonists reported from an altitude of 39,500 feet. Cmdr. Malcolm D. Ross, 37, and Morton L. Lewis, 43, both of Washington, D. C., reached the record altitude for man-carrying balloon flights at 10:09 a. m. CST. Ross and Lewis began a descent at the rate of 1,000 feet a minute after reaching peak altitude in what Lewis described by radio as a "sky of dark blue black color."

At 56,400 feet, Lewis reported the two were enjoying a cup of coffee and added, "We invite you in." The two expected to land near Cambridge, Neb., at mid-afternoon. The balloon took off from a "stratobowl" in the Black Hills near here at 7:19 a. m. CST. At 9:10 a. m., the balloon was at 32,000 feet. Ross reported by radio the temperature inside the gondola was 23 degrees and "we are quite comfortable." He said some frost was forming on the lower half of the gondola. Ross said the earth had been obscured by clouds up to that time but the sky was beginning to clear. Five pounds of ballast were dumped in order to maintain altitude as the balloon near 30,000 feet.

Judge Pulls Boner, Attends Red Party Spurned By Yanks

WASHINGTON (AP)—Supreme Court Justice William O. Douglas showed up at the Russian October revolution party last night. He said he did not know all top administration officials and most Western diplomats had decided to boycott it. Douglas, arriving late with his wife, stood out among the crowd of some 500 who attended the gathering at the Soviet Embassy.

Noose Banning Bill Published

LONDON (AP)—Prime Minister Eden's government published today its bill to limit the imposition of the death penalty in homicide cases. The measure would restrict the hangman's noose to five classes of killings described as "capital murders" and for repeated murders. The bill, to be introduced in the House of Commons, represents an attempt by the government to effect a compromise between those groups in Britain demanding abolition of capital punishment and those who want no change.

UF Issues 3 Appeals

United Fund campaign leaders had three requests to make today. They asked that firms which still have contribution cards that were delivered to them please return the cards to UF headquarters. Managers of the firms are urged to work the cards which also were delivered for their employees.

First Freeze Of Season Is Predicted, Low Of 28 Seen

If the weatherman is right, today's day to get that anti-freeze you have been planning to put in the family car. The prediction for Big Spring and vicinity calls for steadily dropping temperature all afternoon and a bottom tonight of 28 degrees. That, as you are well aware, will be four degrees below freezing. If it develops, it will provide Big Spring with its first "official" freeze of the season.

However, the records show that even if the mercury drops to 28 tonight, it will not be a record for the date. In 1938, the official low recorded for Big Spring was 26 degrees.

Finally, an appeal was made for volunteers to help work the project cards which were returned to the UF by workers who didn't get around to contacting the potential donors. UF offices are in the old Chamber of Commerce quarters on the main floor at the Settles Hotel. The telephone number is AM 4-4678.

Early 'Customer'

A 250-pound buck greeted startled clerks as they opened the doors of a Fall River, Mass., department store. The buck wandered into town and saw his reflection in the store window and darted through the open door. He led police and employees a lively chase for a half hour before being captured by the officers attempting to lasso him. The frightened visitor, who was tied with ropes and blankets, later died from fright.

Jury Being Chosen For Fraud Trial

HOUSTON (AP)—Choosing a jury in the George Parr mail fraud trial resumed today. About 50 members of a jury panel of 200 were excused yesterday. The Duval County political leader and eight associates are charged with mail fraud and conspiracy in handling the financial affairs of the Benavides School District. A federal grand jury returned the indictment March 6. It was returned in Houston because the counts allege the defendants caused oil royalty checks for the school district to be placed in the mail here. Officials of the Texas Co., Humble and Continental are among the 103 witnesses subpoenaed by the government. Co-defendants are D. C. Chapa, B. F. Donald Jr., Jesus Garza, Santiago Garcia, Octavio Saenz, Jesus Oliveria, O. P. Carrillo and Oscar Carrillo Sr. The Texas State Bank at Alice and the San Diego State Bank at San Diego, named as co-defendants, are being liquidated. Percy Foreman, Houston attorney, heads the defense. The government's case is being handled by U.S. Atty. Malcolm Wilkey. All the defendants pleaded innocence last March. Bonds of \$5,000 each were set. Federal Judge Allan Hannay briefed jurors on the indictment, including a government claim that the acts of mail fraud led to the issuance of improper tax receipts for the school district. Hannay determined that no prospective juror had ever resided in Duval, Jim Hogg, Jim Wells, Zapata, Starr and Kenedy counties. Foreman asked the judge to qualify the panel on whether they had ever served on a federal grand jury or a federal criminal jury, were acquainted with any of the government witnesses,

N. Jersey Chief Plans Wedding

OBERLIN, Ohio (AP)—The parents of Helen Day Stevenson, daughter of a college president, today announced her engagement to Gov. Robert B. Meyner of New Jersey. The names of the 23-year-old brunette and the handsome 48-year-old Democratic governor have been linked romantically for months. Her father William E. Stevenson, president of Oberlin College, said they plan to wed in January. During the election campaign, Miss Stevenson worked for the Volunteers for Stevenson-Kefauver campaign. She shares a distant relative with the unsuccessful presidential candidate through her mother's side of her family. Her father explained that like this: "My wife's aunt married Spencer Ewing, who was a double first cousin of Adlai Stevenson's father."

Odessan Sentenced For Robbery Role

SAN ANTONIO (AP)—Joe Nance, 35, Odessa, and Harold Seago, 38, Austin, were each sentenced to 35 years in prison yesterday by a U.S. District Court for the \$17,401 robbery of the Sabin State Bank Thursday. The two, who pleaded guilty to the charge, were sentenced by Judge Ben Rice Jr. They were arrested in San Angelo about six hours after the holdup.

Back To Washington

Rep. and Mrs. Bruce Alger (R-Tex) smile happily at Alger-for-Congress headquarters in Dallas, when returns showed he had been re-elected. Alger was opposed by Dallas District Atty. Henry Wade.

Water Board Hears Debates, Data On Edwards Reservoir

SAN ANTONIO (AP)—The Water Board heard arguments and data on the water-rich Edwards Limestone Reservoir as 15 counties took the first step to create the largest underground water district in Texas today. Chairman R. M. Dixon said the hearing was to determine the reservoir's boundaries. The hearing was asked by county judges from Comal, Hays, Guadalupe, Gillespie, Kerr, Bander, Blanco, Atascosa, Uvalde, Kinney, Edwards, Real, Medina, Kendall and Bexar counties. They make up about 6 per cent of the state area, covering some 15,747 square miles. Protestants include groups from the Rio Grande Valley and near here. They claim the district would take surface area and waters of counties in its watersheds. The district—if created—plans to construct dams and install equipment to replenish underground sands depleted by drought. The Edwards Reservoir furnishes water for San Antonio and other cities. It also is credited for keeping springs running, thereby attributing to the normal flow such rivers as the Comal and Guadalupe. Dixon pointed out present water laws conflict as to whether an underground district could recharge such underground sands. The state law which authorized the creation of underground water districts said they could be created "to construct dams . . . and install pumps and other equipment necessary to recharge underground water reservoirs." "Using surface waters for recharge purposes is not a beneficial use recognized for appropriation purposes," Dixon said. "Therefore the board would not be able to grant a water permit for such use." The Water Resources Committee is planning to submit a bill to the Legislature which would allow the board to make such appropriations, Dixon said.

Troops To U.N.

JAKARTA (AP)—Prime Minister Ali Sastraamidjojo announced today that Indonesia will supply troops to the U.N. Middle East police force. He did not say how many men Indonesia would send.

N. Korea Admits Attacking Plane

TOKYO (AP)—North Korea tonight admitted shooting down a South Korean F51 Mustang fighter plane. Radio Pyongyang said the South Korean craft violated North Korea's territory. South Korea announced yesterday two of its F51s had been attacked and said one plane was missing. The second returned with 20 bullet holes, South Korea said. The South Koreans claimed two North Korean MIG15 fighters attacked the two Mustangs over the Yellow Sea, which separates Korea from the Chinese mainland. The North Korean broadcast said the two South Korean planes launched the attack and the North Korean planes fought back, shooting down one. It was the first encounter between South and North Korean planes since the Korean armistice.

Red Viet Nam Vows Reforms

HONG KONG (AP)—North Viet Nam's Communist regime promised more liberal reforms today along the line of those which followed de-Stalinization in Eastern Europe. Hanoi radio announced that wrongly condemned prisoners would be freed, given economic compensation and aided to earn a living. "All army men and government workers who were wrongly condemned will regain their citizens' rights, honors and position," the decree of President Ho Chi Minh's government said. "Unjustified compulsory residence and unlawful arrests must be abolished," it added.

Ike May Be In For Stubborn Congress

WASHINGTON (AP)—President Eisenhower was confronted today with the prospect of an increasingly unfriendly Congress in the aftermath of his sweeping re-election victory.

Although he defeated Adlai E. Stevenson by more than nine million votes, his party took a political defeat when Democrats won margins in both houses of Congress.

Neither was there concrete evidence to substantiate Eisenhower's contention that "modern Republicanism" had achieved a victory. On the contrary, it appeared that the personal popularity which gave him 41 states and 457 electoral votes did not sift down to the general run of GOP candidates.

Increased antagonism by the new Congress above that displayed by the Democratic 84th to some of Eisenhower's proposals seemed likely to make itself felt primarily on domestic issues.

The narrowness of party margins in both Senate and House made it certain that on most issues final decisions, as in the past four years, would be made by two-party coalitions rather than on strict party lines.

Eisenhower's own victory surpassed his 1952 triumph over Stevenson in both popular and electoral votes.

With some 10,000 precincts not yet tallied, the popular vote was 33,665,121 for Eisenhower to 24,651,172 for Stevenson.

A still undecided Kentucky senatorial race seemed likely to decide the firmness of Democratic control over that body.

In the House, the Democrats had elected 229 members, 11 more than the necessary majority, to the Republicans' 200. Democrats were leading in all six undecided races.

The present division is 232-203. Senate Democratic Leader Lyndon B. Johnson of Texas has attributed Eisenhower's ballot appeal in part to what he said was the fact that "in a moment of peril, the American people voted to back up their President and demonstrate to the world that America is united."

While Democrats generally shared Johnson's avowed willingness to cooperate on international matters, they left little doubt they will question closely many Eisenhower domestic proposals.

For the President, the cold, hard indications of a second-day look at the balloting results pointed in these varying directions:

Congressional Democrats, assured they could survive a presidential landslide, exhibited new confidence they can draft their own legislative program and pit it successfully against Eisenhower's.

These Democrats seemed to have "discarded any belief that open opposition to the President might amount to political suicide in future voting.

Deputy Downs Escaped Gorilla

TAMPA, Fla. (AP)—A sharpshooting deputy sheriff took just one pistol shot to kill a 230-pound gorilla which had mauled his handler.

Deputy Lloyd Simmons shot King Kong in the head after the animal bit and clawed the handler, Alva B. Dexter, 49. Dexter is in a hospital with severe wounds on the face and arms.

The gorilla had escaped from his cage at the Leo Carroll animal show in a manner not yet known. He attacked Dexter as the handler brought his evening meal.

King Kong was valued at \$2,500.

Passengers Rescued

The fireman at right wields a torch to cut through the twisted wreckage to reach victims trapped inside a Chicago, Ill., Transit Authority elevated train after it crashed into a standing North Shore and Milwaukee electric train on the Chicago north side during the evening rush. Several persons were killed and more than 100 were injured in the crash.

Businessmen Swap Wives, Think It's All For Best

BELLFLOWER, Calif. (AP)—The president and treasurer of a plastics firm, back from Las Vegas where they swapped wives, say they feel the move "was the best thing for all concerned."

Paul H. Omohundro, 41, who heads the company, and Glenn Capps, 40, disclosed that the switch was worked out carefully during the past three years. The couples have known each other for six years.

"We took a long time working

ed custody of her children.

"Now the children will have the run of both houses," said Capps, adding that "all four parents agreed they would have been doing their children no favor in maintaining the former marital relations simply to keep from breaking up the homes.

Each couple is moving in a new house, about 10 miles apart.

Cholera Kills 22

NEW DELHI (AP)—A cholera epidemic at Bhagalpur, on the Ganges in eastern India, has killed 22 people in the last five days and put 100 in hospital, press reports said today.

Hordes Of Newsmen Desert Stevenson

LIBERTYVILLE, Ill. (AP)—For months, Adlai E. Stevenson could hardly utter a word without finding someone at his elbow, ready to write it down and report it.

For months, there was the prospect that he might become president — and the statements were regarded as important news.

No legions of newsmen and photographers, no tangle of television camera cables awaited him as he returned late yesterday to his farm home near this Chicago suburb.

When the two-time loser in races

for the presidency left his downtown Chicago hotel headquarters for the 40-mile trip, one newsmen, two photographers and a newsreel cameraman followed him.

At his farm home later only one newsmen kept vigil.

Lights were aglow as Stevenson entertained a few friends, without interruption.

The defeated candidate plans to remain at his farm home to catch up on an accumulation of correspondence and make plans to return to his Chicago law practice.

His future political activities, as titular head of the Democratic party, will be disclosed in a statement he will make before the end of the week.

Mock Invasion Scares Peasants

COLOMBO, Ceylon (AP)—Peasants fled from their mud-hatched homes today as paratroops descended on a village 12 miles from Colombo today. They set the temple bells pealing with cries of "The invasion of Ceylon has begun."

Police hurries to the village to explain that the "invaders" were playing parts in the British Film "Bridge Over River Kawi."

Salesman Is Hit By Own Automobile

OMAHA (AP)—William Gundy, 47, a house to house salesman, was crossing a street when he looked up and saw a car bearing down on him.

He couldn't jump clear and the car knocked him down, went on a 100 feet and hit a power pole.

Said Gundy to police: "I lay there wondering who that fool driver was. Then it dawned on me, it was my car!"

Gundy, who was badly bruised, had parked his car on a hill. The brakes slipped.

Parr Wins Race

SAN DIEGO, Tex. (AP)—George Parr was announced winner of the race for sheriff of Duval County yesterday. He defeated incumbent J. P. Stockwell 2,560 to 2,152. Stockwell was a write-in candidate.

Pontiac Chieftain Four-Door Sedan

The 1957 Chieftain four-door sedan is an example of the new styling noted in the Pontiac line for 1957. The Pontiac line goes on display Friday at Marvin Wood Pontiac, 504 East Third St., and it includes also the Star Chief and Super Chief series — 16 new body styles in all. Star Flight styling is available in 68 color combinations, and a new standard of performance is held forth in the big new V-8 engine and responsive transmission.

MANY IMPROVEMENTS NOTED

Pontiac's Offerings For '57 Go On Display Here Friday

Three series—the Star Chief on a 124-inch wheelbase, the Super Chief and Chieftain on 122-inch wheelbase—in 16 new body styles mark the Pontiac line for 1957. The new productions will be shown to the public Friday, and are offered locally by Marvin Wood Pontiac, 504 East Third St.

Body design is new, with overall length increased 1.2 inches; there is a lower silhouette with dramatic styling.

The wide, low front end of the 1957 Pontiac is high-lighted and protected by heavy wrap-around bumpers with integrated bomb-type bumper guards. Large oval parking lamps are set into the lower part of the bumpers. A semi-circular chrome grille and a full

width air scoop direct air flow to the car radiator.

Hooded head lamps surmounted by sleek front-fender ornaments are prominent in the front-end styling. Greater vision is achieved by lowering the hood 1.6 inches and increasing the windshield area 75.4 square inches in the Catalinas, convertibles and custom station wagons and by 69 square inches in sedans and other station wagons.

The flair of the rear fender fin houses an integrated tail and back-up lamp and a safety reflector. The rear projection of the oval tail lamp is protected by a projection in the rear bumper which also serves as an exhaust port on cars equipped with dual exhausts.

The eye-catching appeal of the 1957 Pontiac is not limited to exterior styling for the new cars offer the most luxurious color-keyed interiors in Pontiac history. Star Chief series models are upholstered in the finest hand-buffed leather in "dream car" colors of Silver Beige, Kenya Ivory, Cordova Red, Limefire Green, Seacrest Green and Fontaine Blue. These top grain leathers can also be had in combination with "encore" patterned nylon fabrics.

Pontiac's completely new instrument panel for 1957 offers the ultimate in safety, convenience, and modern styling. The lower section of the panel on Star Chief models features full-width chromed trim panels. The glove compartment door and dual ash trays are housed in the lower panel. The instrument cluster, with two circular dials and a luminescent "Safety Line" speedometer, are positioned at an easily readable level. New finger-tip heater and defroster controls, radio controls and clock are located near the center of the instrument panel. The radio speaker is positioned below the center of the instrument panel for better sound reproduction and distribution.

The Strato-Streak V-8 engine, with displacement increased to 347.04 cubic inches, has higher horsepower, 10:1 compression ratio, larger manifolding, completely machined and contoured combustion chambers, larger, more efficient valves and newly designed carburetors. The 1957 line will offer engines with horsepower of 252 and 270, and an additional extra horsepower engine especially designed for law enforcement cars.

Pontiac offers a "first" in high-compression engines with its intake valve stems vented to atmospheric pressure to prevent oil being drawn into the combustion chamber under high vacuum operating conditions. The increased piston stroke, of 3 and 9-16 inches, gives quicker acceleration and more instantaneous power on demand.

New steel band, thermal controlled pistons are standard. Among other new features related to the new engine are a new distributor, more powerful starting motor, new ignition control switch and a new, larger, coil spring clutch for use with the Synchronesh transmission.

Pontiac's Strato-Flight Hydra-Matic transmission is improved to match the increased torque of the new engines, features a new internal driving mechanism for unmatched smoothness, quietness and responsiveness. The transmission

Baptists Approve Missionary Budget

CORPUS CHRISTI (AP)—The Baptist General Convention of Texas approved a 10 million dollar missionary budget and recommendations on race relations, juvenile delinquency and separation of church and state last night.

The budget was the largest in the convention's history for missionary work. It is \$1,000,000 larger than last year's.

It will be subscribed by individual churches over the state. The resolutions were presented by Dr. Harold Basden of Dallas, chairman of the Christian Life Commission for the convention.

They were unanimously approved. "In view of the current tension in race relations," Dr. Basden said, "we recommend that our people consistently refuse to take part in lawlessness and mob rule."

He asked Texas Baptists to "commit themselves unreservedly in this racial crisis to the Christian attitude of non-violence and to an insistence that the due processes of law be observed for all citizens."

Basden said, "The crime problem is essentially a youth problem. We deplore the apathy of

parents which results in their failure to assume the disciplining of their children who are their responsibility under God."

Basden said Baptists have traditionally adhered to the principle of the separation of church and state.

He asked the Baptists "to guard it as it has been breaking down at an appalling rate even in the minds of our Baptist people."

He charged infringement occurs when the Bible is taught in a public school building on school time. A breakdown of the Missionary budget showed Texas Baptist churches expect to contribute about \$7,500,000 for "undesignated cooperative program work" and \$2,500,000 in designated mission offerings.

Of the \$7,500,000 for undesignated work, \$2,520,000 will be spent for world-wide missionary causes. Some \$4,480,000 will be spent for missionary work in Texas.

C-C Preparing Prize Tickets

Tickets are now being packaged at the Chamber of Commerce for the \$3,500 in merchandise to be given away here during the Christmas season.

They will be distributed to participating merchants, starting Nov. 19. First of the 23 prizes will be given away Nov. 26, following the big parade and other activities officially opening the 1956 Christmas season.

The first gift to be awarded will be a portable television receiver. A present will be given each business day from Nov. 26 through Christmas Eve.

THE NEW Pontiac is Completely New from Power to Personality!

AND THE FIRST CAR AT ANY PRICE WITH...

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

NEW INTERIOR STYLING—WITH THE "OFF-THE-SHOULDER" LOOK—a fashion "first" for '57—perfectly color-matched with the exterior of your choice.

NEW STRATO-STREAK V-8—270 h.p. in Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation of the year—a new suspension system based on a big, 124- or 122-inch wheelbase.

THREE POPULAR-PRICE SERIES—Star Chief • Super Chief • Chieftain.

Fresh from 100,000 miles of road tests, the '57 Pontiac goes on display tomorrow!

Even a brief once-over of Pontiac's sleek new lines tells you that you're in at the start of a styling revolution. And that gleaming sheath conceals a carload of engineering "firsts"—all polished to watch-work perfection in the toughest test ever given a new car.

This '57 Pontiac pounded the road through 100,000 miles of tests... through it all Pontiac engineers refined and perfected every facet and feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eight in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic* to give you the smoothest riding, easiest handling—and—safest—new car ever to hit the road!

See and drive this new '57 Pontiac. Sample in a single mile all that's been proved by 100,000 miles of testing.

*An extra-cost option.

Sentimental Journey

Bugler Hartley Edwards (left) and his wife receive a bon voyage bouquet from railroadman L. M. Stuart in Denison as they start on a trip to Paris, France. Edwards, 61, former bugler under Marshal Foch in World War I, plans to fulfill a wish expressed by the late general to play taps once again under the Arch de Triomphe on Nov. 11 in memory of "all the soldiers who have died." Edwards played taps there in the original Armistice celebration in 1918.

3,000 Mob Russ Legation

NEW YORK (AP)—A menacing crowd of 3,000 surged toward the headquarters of the Russian United Nations delegation on Park Avenue last night as the Red elite within downed champagne and vodka toasts to the 39th anniversary of the Bolshevik Revolution.

A force of about 150 police—some of them mounted—barred the shouting pickets from the entrance.

Many in the crowd were of Hungarian descent. Numerous students of several colleges joined the demonstration.

As guests passed in and out of the Red delegation's headquarters pickets held placards high. Some of them read:

"Don't drink champagne mixed with Hungarian blood."

"Get out of America, you murderers."

"Sobolev stop lying." (The first three letters of the last name of chief U.N. Delegate Arkady A. Sobolev were capitalized.)

Sobolev was host at the affair inside.

Police finally gave the "move on" order, and within 10 minutes the crowd vanished.

509 Texans To Die Before Year's End

BEEVILLE (AP)—About 509 Texans will lose their lives before the end of 1956, Col. Homer Garrison, director of public safety, said yesterday. Garrison, speaking to the Beeville Rotary Club, said experts highway accidents will claim that number, especially since two major holidays, Thanksgiving and Christmas, lie ahead.

The News Is Bad

Intent is the expression of Adlai Stevenson and Matthew McCloskey, Democratic party treasurer, as they listen to election returns in Stevenson's hotel suite in Chicago.

Accidents Take 1,125 Pilots, 1,600 Planes, Says AF

LOS ANGELES — The Air Force has lost 1,125 pilots and 1,600 planes through accidents in the past two years, reports Brig. Gen. Joseph D. Caldara, director of flight safety research. In an interview here yesterday Gen. Caldara said 61 civilians have been killed in Air Force accidents, 47 of them in accidents involving jet aircraft. He urged public understanding of the necessity for continued jet flight training and said the Air Force is doing its utmost to reduce air accidents and fatalities. The Air Force accident rate has been cut from 506 per 100,000 flying hours in 1921 to 15 per 100,000 flying hours today, he said.

Demos Expected To Make Ouster Move On Javits

ALBANY, N.Y. — New York state Democrats are expected to move Jan. 3 to oust U.S. Sen-elect Jacob K. Javits as the state's attorney general. Javits plans to keep the job until Jan. 9, when the GOP-controlled State Legislature convenes and could then appoint his successor. The new Congress convenes Jan. 3. There's a possibility Gov. Averell Harriman will appoint a new attorney general Jan. 3, the Legislature will do likewise Jan. 9 and the final decision will be made in the courts. The new senator could find himself torn between loyalties on the state and national levels. Democrats control the new Senate 49-46 with a Kentucky contest still undecided early today. If Republican Thurston B. Morrison wins over incumbent Earle Clements, the Democratic edge would be 49-47. Ohio's governor and senator-elect, Frank Lausche, has said that, under certain circumstances, he might vote for Republican organization of the Senate. He didn't elaborate. If he voted with the Republicans the division would be 48-48, with Vice President Nixon casting a deciding vote. But all that assumes that Javits would be on hand to vote for GOP organization of the Senate. It is conceivable that Javits might have to decide whether the Republican party will organize the Senate or whether the attorney generalship of New York state remains in Republican hands. The state attorney general's department has a patronage payroll of a million dollars a year.

Being Born On East Side Like Old 'Log Cabin' Tradition

By ARTHUR W. EVERETT
NEW YORK — To a Manhattan politician, being born on the East Side is the by city equivalent of being born in a log cabin. It typifies the American tradition of a gallant rise from a modest beginning. Jacob Koppel Javits, 52, New York's new senator-elect, has just such a politically classic background. He defeated Democratic Mayor Robert F. Wagner Tuesday by 450,000 votes. Javits, whom everyone calls "Jack," was educated in New York's public schools. He went to Columbia University night school and New York University Law School. He was admitted to law practice in 1927.

During World War II, he was assistant to the chief of operations of the Chemical Warfare Service in the European and Pacific theaters. He came out a lieutenant colonel. As a Republican with Liberal party backing, he was elected to the first of four terms in Congress in 1946. In 1951 he reluctantly ran on the GOP ticket for president of the New York City Council and lost. In 1953 he sought coalition backing

Lausche May Let Demos Organize Without Him

COLUMBUS, Ohio — Ohio's Sen-elect Frank J. Lausche hinted today he might let his fellow Democrats organize the U.S. Senate without him. In response to a direct question whether he would vote with the Republicans to organize that body, the five-term Democratic governor made this statement: "I will finish my term as governor of Ohio. If the Senate is not organized by the time I am sworn in, I will then cast my vote, taking into consideration the composition of the Senate, the fact that Eisenhower is President and such matters as I believe are pertinent." Lausche let it be known as early as last June that, if elected, he might—under certain circumstances—consider voting with the GOP to organize the Senate if Eisenhower was elected. His statement today suggested the possibility he might plan to avoid the issue. That suggestion came when he said he plans to finish his term as governor, which ends Jan. 14. Congress convenes Jan. 3. Lausche's absence from the first 11 days of the new Senate's session could mean the Democrats might go ahead and organize before Lausche becomes a member of it. Democrats now are assured of at least 49 members in the Senate—including Lausche. Republicans have at least 46. If the GOP wins the undecided contest in Kentucky it would have 47. If 48 Democrats and 47 Republicans were to be present when the Senate convenes—with Lausche absent—the Democrats would be in unquestioned control.

Arab Tribes Hit British Outpost

BEIRUT, Lebanon — Radio Damascus announced today Yemenite tribes had attacked a British outpost on the frontier between Yemen and the Aden protectorate. The broadcast said the attack occurred yesterday, the same day the Damascus station had reported anti-British disturbances in other parts of southwest Arabia.

Scattered Showers Fall Across Texas

By The Associated Press
A band of clouds zipped across Texas Thursday, straining light scattered showers in its wake. Rainfall was reported at Dallas, Fort Worth, Sherman, Wichita Falls, Abilene and Tyler. Wednesday night Wichita Falls got .06 of an inch and Abilene, Lubbock, Mineral Wells and Sherman a trace. Predawn temperatures ranged from 27 at Dalhart and 31 at Amarillo to 70 at Brownsville. Highs Wednesday ran from 85 at Presidio to 48 at Dalhart. Cloudy to partly cloudy skies and cool weather were forecast, with showers in North Central Texas, the Panhandle, South Plains and Upper Pecos Valley eastward.

Tense Moment In 'Blind Alley'

Trigger-happy Mazie Stone orders Fred Landis, one of Dr. Shelby's students, to "lay off," but Fred insists on giving Killer Wilson the beating he deserves. The fact that it cost Fred his life is the incident that sends Dr. Shelby into action against the gun-slugging quartet. The play by the Big Spring Civic Theatre will be staged in the HCJC auditorium tonight and Saturday evening.

BIG-SPRING HERALD

Sec.-B Big Spring (Texas) Herald, Wed., Nov. 8, 1956 Sec.-B

'Blind Alley' Opens At HCJC Tonight

"Blind Alley," a Big Spring Civic Theatre production in three acts, opens tonight at the Howard County Junior College Auditorium. Curtain time is 8:30 p.m. Director Dewey Magee put his cast through a formal dress rehearsal on Wednesday night and reported a near-perfect performance was turned in by every member of the cast. Ticket sales for Blind Alley are being handled by the Big Spring Evening Lions Club. Those who have not purchased tickets from members of the Lions Club during the advanced ticket sale will find the box office, at the auditorium, open at 7:45 p.m. "Blind Alley" will be presented again on Saturday evening, although originally scheduled for Thursday, Friday and Saturday nights, the Friday night performance was cancelled when it was learned that the Big Spring High School "Steers" had scheduled a

home game for Friday night. Members of the cast and their roles are Nick Trapatsas, Hal (Killer) Wilson; George Lambert, Professor Shelby; Patsy Morton, Mazie Stoner; Dixie Johnson, Mrs. Shelby; Norman Sant, Fred Landis; Mary Archer, Nora Kenney; Jerry Baker, Buck, one of the gangsters; Richard D. Vincennes, Nick, another "hood"; Danny Feather Jr. as Teddy Shelby, 12-year-old son of Professor and Mrs. Shelby, and Marge Franz Agnes, the nurse. George Jacobus is stage manager. Jim Fulk will be in charge of lighting and special effects; Mary Magee and June Lambert will serve as prompters. Set decoration was under the direction of Caribel Laughlin.

Local Students On Schreiner Honor Roll

James Donovin Smith, son of Mr. and Mrs. J. R. Smith, Big Spring, was one of nine students at Schreiner Institute to make the "A" honor roll, according to Dean W. C. Weir. Charles Lane Johnson, also of Big Spring, son of Mr. and Mrs. C. E. Johnson, was listed on the "B" honor roll.

Gallup Predicts GOP Landslide

PRINCETON, N. J. Nov. 7 — The Gallup Poll caught the upsurge for President Eisenhower, which started a week ago with the revolts in Europe and the Egyptian crisis. Poll figures for the Eisenhower-Nixon ticket jumped from 55 per cent to 59.5 per cent in the first few days of the crisis, as reported in The Herald Monday. On the basis of nearly complete election returns, the GOP ticket is getting 58 per cent — an error of only 1.5 per cent in the roll results. The precinct sampling method used by the Gallup Poll in the present election was developed after 1948. In the three elections in which it has been tried it has come within two percentage points of absolute accuracy, both here and in Canada. The method used in 1948 predicted the election of Thomas A. Dewey over President Truman.

Plagued Day And Night with Bladder Discomfort?

Simple Irritations Quickly Soothed With Today's Help. Such a common thing as uric acid or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills. Doan's Pills have three outstanding advantages—act in three ways for your speedy return to comfort. 1—They have an easing soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

Former VA Surgeon Dies

Dr. Henry Stanford, 39, former staff member at the VA Hospital here, was found dead in his car, parked in waist-deep water on a lonely road at the end of Galveston Island. Officers said there was no sign of foul play. His former associates said Dr. Stanford had a heart condition. Police said Stanford probably had parked his car at the end of the road before he died, and the tide rose around it. An autopsy was ordered. Dr. Stanford was resident surgeon at the University of Texas Medical Branch in Galveston before coming to Big Spring last Feb. 27. He served on the VA Hospital staff here until Oct. 3 when he resigned and returned to Galveston. He is survived by his wife and three small daughters.

ANOTHER VOTE

Weary Election Judges Told To Get New Supplies

Election officials, still weary from the ordeal of Tuesday night, were advised by Mrs. Pauline Petty, county clerk, today that election supplies and boxes for the special vote on next Tuesday will be ready for them by Friday morning. It is important, she said, that all boxes be in the hands of the precinct judges not later than Saturday. On Nov. 13, the voters of the county will go back to the polls to vote on one single issue—A proposed amendment to the constitution which was inadvertently omitted from the general election ballot of this week. This amendment—ninth of the series—proposes a widening of the base of the public welfare laws of the state to permit payment of benefits to persons who become totally disabled.

This election, officials feel, will be a simple thing compared to the monumental task imposed by last Tuesday's effort. It should require only a few minutes after close of the 16 voting places to tabulate the votes on the single question at stake. In view of the lack of color in this election observers anticipate a very light vote. Voters will express their approval of the amendment by a simple "for" vote. Opposition will be indicated by "against" being checked on the ballot. **Loses Billfold** Loss of a brown billfold Wednesday was reported to the police department. Robert Hill, 804 Lancaster, told the police he lost the wallet, containing about \$10 and identification papers, in the downtown area.

Elvis Topic Of Mental Health Talk

ENNIS, Tex. (AP)—Elvis Presley,

the rock 'n' roll singer, finally made a Parent-Teachers meeting. He didn't attend it. He was the topic at a district P-TA meeting here on mental health. It was decided that the "desire to conform" causes teenagers to join the "squealing throng of Elvis' admirers."

Arizona Senator Dean Of Congress

PHOENIX, Ariz. (AP) — Carl Hayden, Arizona's 79-year-old "silent senator," is going back to Washington as dean of Congress. He hasn't said anything about this new honor. No one expects he will.

With the retirement of Sen. Walter George of Georgia, the Senate's senior legislator, Hayden becomes the oldest lawmaker on "The Hill" in point of service. He outranks House Speaker Sam Rayburn by one year, having started as a freshman representative in 1912, the year Arizona became a state.

Just a few days ago Hayden was honored by a feed dealers' association for his efforts to help Arizona cattlemen get drought relief. He was introduced by a prominent state politician and eulogized at length. Hayden got up and said:

"I learned a long time ago that when you've got the votes, you don't have to talk."

Then he sat down.

Back in Washington, Hayden's seniority has won him an exacting task as chairman of the Senate Appropriations Committee. He almost always pleads the press of business to avoid going to parties and rarely makes a speech.

"When I came to Congress an old hand told me that I could play for the headlines and be a show horse, or I could buckle down and be a work horse," Hayden explained.

Sen. Saltonstall (R-Mass) once told a GOP banquet in Phoenix: "A man who served on my side of the aisle told me that I should never smile when I'm near Carl Hayden, because Carl is sure to pick the gold right out of my teeth. He gets what he wants and he works for it."

Hayden's record — eight times elected to the House and six to the Senate for a total of 44 years in Washington — amazes many a legislator fighting the shifting cross-currents of politics.

Tuesday he rolled up 160,882 votes, beating his Republican opponent Ross Jones by 60,000. At the same time, President Eisenhower polled 164,694 votes for a 38,000-vote majority over Adlai Stevenson.

Prisoners Answer Phone For Sheriff

NORMAN, Okla. (AP) — A reporter for the Norman Transcript, trying to find an inter-city bus that reportedly was missing telephoned the sheriff's office at Purcell, Okla.

"I wouldn't know anything about it," the voice that answered the phone declared. "I'm just a prisoner in the jail — we answer the phone for the sheriff at night."

The bus was located later.

Honorary Degree

WACO (AP) — A former reporter for the Waco News-Tribune, Ruth Montgomery, will be awarded an honorary degree of doctor of laws at Baylor Friday. Mrs. Montgomery worked as a reporter at Waco while a student at Baylor. She is now Washington correspondent for INS.

Oldsmobile Completely Restyled

Embodying the most sweeping model change in 20 years, Oldsmobile's 1957 "Starfire 98" Holiday sedan has all new styling from front to rear bumper. The car is more than two inches lower and four inches longer than last year. Mechanical improvements include a new 227-horsepower "Rocket" engine, with higher torque throughout the driving range; better front and rear suspension, 14-inch wheels, and a more efficient dual-range heater. The 1957 Oldsmobile line goes on display Friday, at Shroyer Motor Co., 424 East Third St.

TO BE SHOWN HERE FRIDAY

Sweeping Innovations Seen In Oldsmobile Line For '57

Oldsmobile has completed the most sweeping model change in the past 20 years, with distinctive styling innovations and mechanical improvements in every one of 17 body styles in three series of cars. The new models go on display Friday, and will be presented locally at Shroyer Motor Co., 424 East Third St.

The Olds body is completely new, with deeper bumpers and a redesigned grille. Mechanical and structural advances include a new wider and heavier chassis, new "pivot-poise" front suspension of a

design that resists dipping, improved rear suspension, a new 277-hp "Rocket" engine, known as the T-400 due to its high torque throughout the driving range, and new 14-inch wheels.

Four new body styles have been added to the 1957 Oldsmobile line—three Fiesta station wagon models and an economy priced "88" convertible coupe.

The streamlined 1957 Oldsmobile silhouette, more than two inches lower and nearly five inches longer than last year, presents as its most salient styling motif the new accent stripe. The accent stripe is available in eight colors that contrast with the body color. It originates just forward of the dip in the belt line and sweeps downwards and then through the rear fender panel to the taillight trim.

Another styling innovation is the twin "sky-line" beading that originates at the top of the windshield on each side of the roof and sweeps rearwards through the struts that divide the rear window into three glass areas and thence across the rear deck almost to its base. The twin strutted rear windows give a distinctive appearance to the rear

view.

The Oldsmobile front end styling is entirely new, with a "hi-lo" bumper incorporating massive upper and lower bumper bars for double protection, closely spaced horizontal louvers to direct air into the engine compartment, chrome block letter spelling out the Oldsmobile name across the grille and unique parking lights adapted from Oldsmobile's 1956 "dream car."

There is a new hood ornament, rocket fender emblems on each front fender and a "span-a-ramic" windshield that is deeper, wider and contains up to 18 per cent more glass area.

Roadability and ride of the 1957 Oldsmobile have been improved through the new "wide-stance" chassis, incorporating a wider and heavier frame, and the improved front and rear suspension. The frame is eight inches wider than in 1956. The "pivot-poise" front suspension design embodies "counter-dive," which prevents the front end from nosing down when the brakes are applied. Rear shock absorbers, have been moved outside of the frame to a position outside the leaf springs in order to

Religious Leader Urges Arab Fight

CAIRO (AP)—Sheikh Hassan Mahmoud, grand mufti of Egypt, today exhorted Moslem men and women in Egypt and other Moslem countries to fight the British, French and Israelis as a "sacred duty."

The Moslem leader did not call specifically for a jihad, a religious war.

Citing verses from the Koran, the mufti in a statement broadcast by Cairo radio urged Moslems "to fight imperialism and its agents who are traitors and weaklings, uphold Egypt's banner and champion the cause of your religion."

Citing verses from the Koran, the mufti in a statement broadcast by Cairo radio urged Moslems "to fight imperialism and its agents who are traitors and weaklings, uphold Egypt's banner and champion the cause of your religion."

Jess Talkin

by Jess Blair

The irrigated cotton crop didn't turn out so well as expected in the St. Lawrence community south of Garden City, but it was a lot better than dryland crops. They didn't make it at all, and haven't made anything since 1951 when the community had a half crop.

Farmers have about decided that the area was never meant for dryland farming, so they have turned to irrigation. There are three drilling rigs in the community now, and they expect to stay busy for quite awhile. Nearly every farmer who doesn't have a well is trying to get one, and many of those with one or two already plan to drill others.

At the St. Lawrence store, Max Holder says there is no limit to the number of wells that may be drilled. They are still quite scattered in this big, sprawling community and the biggest part of the fields are still farmed dryland.

"It seems a good investment," Holder said. "The wells don't pump but 100 to 200 gallons a minute, but by starting early in the spring, a farmer can irrigate nearly 30 acres."

The wells average from 250 to 300 feet in depth and cost from \$3,000 to \$5,000. Since the land is level and the soils tight, water can be run down the row, which eliminates the expense of sprinkler pipe.

If a man makes 30 bales of cotton from his well, this means a profit or net income of about \$3,000.

"We won't ever get rich irrigating," Holder said. "But without these wells there wouldn't have been a half dozen families left in the community."

Liberace Returns From England Tour

HOLLYWOOD (AP)—Liberace has returned from a five-week overseas tour a bit disappointed that the Middle East crisis prevented him from appearing before the Queen of England.

British forces invaded Egypt just two hours before his scheduled command performance before Elizabeth II said the pianist.

"I wept openly," Liberace said, in referring to the cancellation. "My brother George wept . . . it was a sad moment."

animals have not been caught yet. Since town dogs have a tendency to roam the countryside at night, one could be bitten any time.

At one of the local animal hospitals, Curly Osborn gives some good advice about handling wild animals. It is this: Don't do it. He said some of the foxes were quite small and often seemed tame enough to be handled. It's risky business to pick up any stray animal, because some of them may run loose for weeks after contracting the rabies germs.

One reason for the increase in foxes, says Osborn, is because ranchers have killed out many of the coyotes. This has caused an increase in foxes, because the coyotes used to keep the foxes killed out.

Osborn says a person should be careful in handling an animal.

Most Congress Leaders Back In Driver Seats

WASHINGTON (AP)—The new Democratic-controlled Congress convening Jan. 3 will have new chairmen of both Senate and House committees dealing with international affairs.

Otherwise President Eisenhower will be working with most of the same committee heads. Some have largely supported his efforts; others have opposed them.

Most committee chairmen in the next session again will come from the South. Southerners are in line for 8 of the 15 Senate chairmanships and 12 of the 19 House posts.

Veteran Walter George (D-Ga.), dean of the Senate, is leaving that body after 34 years and thus relinquishing his job as head of the Foreign Relations Committee. It will go to 89-year-old Theodore Francis Green (D-RI), oldest man ever to serve in the Senate.

In the House, Chairman James P. Richards (D-SC) of the Foreign Affairs Committee also is retiring. Rep. Thomate Gordon (D-III) is in line to succeed him.

The administration received strong support from these Democratic-led committees in the last two years on most foreign affairs questions, and can look for this generally to continue.

Also, such chairmen as Sen. Byrd (D-Va) of the Finance Committee are expected to continue their backing of the President on most issues.

Sen. Lister Hill (D-Ala.), chairman of the Labor and Public Welfare Committee, can be expected to fight hard for a school construction bill along the lines the administration wants, provided no antisegregation provision is attached to it.

On the other hand, administration civil rights legislation is certain to get a frigid reception from Sen. James Eastland (D-Miss.), chairman of the Judiciary Committee, just as it did in the 1956 session.

But in the House, Chairman Emanuel Celler (D-NY) of the Judiciary group has expressed a desire to go considerably further than the civil rights program presented this year by Eisenhower.

In addition to the committees handling foreign affairs, these two committees will have new chairmen:

House Commerce — Rep. Oren Harris (D-Ark) will succeed the late Percy Priest (D-Tenn).

Senate Rules — Sen. Thomas C. Hennings (D-Mo) probably will succeed Green.

Even after it is killed. The best method is to just let it lie or handle it with gloves.

This summer after The Herald ran some articles on rabies, many owners had their dogs vaccinated. Now, however, no one is paying much attention to it.

A trip to Gaines County this last weekend showed us the best dryland crops I have seen all year. There is some good cotton north and west of Lamesa and across the line westward in Gaines County. Several fields visited will make over a third of a bale to the acre, and maize will make from 400 to 800 pounds per acre.

Sunday I visited a cotton field with a man I've known for many years, and he showed me the result of some experimenting on fertilizer.

On a few acres he put on 400 pounds of 0-20-0 and 90 pounds of anhydrous ammonia. The cotton is making two and a half bales per acre. On another part of the field where 200 pounds of 0-20-0 and 50 pounds of anhydrous ammonia were applied he will get a bale and a half per acre.

The rest of the field was watered and cultivated just like the two test plots but no fertilizer was used. It will average only three quarters of a bale to the acre.

ROAD DUST: More people around Stanton can

talk Spanish than any place I visit. Oscar Fanning of the Basin Growers Association says it's a big help in handling braceros if one knows their language. A farm loan official is a little worried about the government loosening its credit strings to debt-ridden farmers. "Some may pay out," he said, "and a lot of them are certainly making an effort. But there are a few who think they're on a gravy train and will borrow just as long as they can."

I never liked to live in Lamesa, but it leads the South Plains towns in three things—more good cafes and clothing stores, and it's the farm equipment center of this area. Some farmers say if they can't get machinery parts in Lamesa, there is no use trying anywhere else.

The little villages are quieter than they have ever been at this time of year. One merchant said they had a poor business this fall. "The cotton harvest was short, and the workers didn't spend

much. Most of their wages were carried back to Mexico."

The wet weather laid up faster after the last rains than I ever saw them, even during the summer months. . . . At one time the irrigation farmers at Tarzan were the best in West Texas. They're still just as good, but other areas are catching up fast. This fall I've seen a dozen crops just as good as those around Tarzan. Fertilizer is making a lot of difference. A few years ago Dawson County farmers used hardly any. This year one dealer in Lamesa put out a million pounds of fertilizer.

A business man in a small place likes to hear all the news, yet everything he says is off the record. "I just don't like my name in the paper. I know a lot of those guys around Big Spring and I don't want 'em kidding me when I go down there."

THANKS

To the Voters of Howard County

I wish to express my sincere thanks and appreciation to you for the wonderful support given me in the General Election for the office of District Clerk.

I shall try to conduct the office of the District Clerk in a courteous and efficient manner.

Again, thanks for your support.

Wade Choate

Colder Weather In Western U.S.

By The Associated Press

It was cold today in broad areas of the western two thirds of the country, ending a long spell of mild weather in many places.

First snow of the season fell in sections of the north central states but amounts were generally light. The snow belt spread from the northern Mississippi Valley into the Great Lakes region.

Heaviest area of precipitation during the night and early morning was in the southern Appalachians and southwestward to the Gulf. Rain measured nearly half an inch in some places. Scattered rain was reported in Texas, Oklahoma and along the eastern edges of the Rockies in Colorado.

Generally fair weather prevailed in most other sections of the country.

Temperatures dipped to near zero in parts of Wyoming, with Laramie reporting 5 above.

Fairly mild weather continued in most of New England and eastern parts of the Mid-Atlantic states.

Leaves Iron Lung To Give Birth

OAKLAND, Calif. (AP)—Mrs. Lila Jenkins, 21, got out of an iron lung yesterday long enough to give birth to Cindy Lee, 5 pounds, 10 ounces.

The wife of Wayne Jenkins of Castro Valley was flown here from Salt Lake City Oct. 2 for treatment of bulbar polio. She was stricken July 21.

They have three other children: Peggy Ann, 4; Vickie Lee, 3; and Kay Lynn, 20 months.

Jenkins is a construction worker.

Pays Off Bet

HAYS, Kan. (AP)—F. F. Wasinger rode through the lobby of the Lamer Hotel on horseback yesterday to pay off an election bet. He bet Democrat George Docking wouldn't be elected governor. He was.

Hyperion Club Plans Party; One Group Studies World Affairs

Plans were completed Wednesday afternoon for the benefit card party to be sponsored Tuesday by the 1955 Hyperion Club. Members met in the home of Mrs. Walter Ross with Mrs. C. M. Boles as co-hostess.

Bridge, canasta and other card games will be played at Cosden Country Club from 2 to 5 p.m. Tickets are priced at one dollar, with proceeds to go to the club's furnishing fund for the YMCA.

Cakes will be given as prizes during the afternoon with a special prize of a gembox, designed and made by Mrs. E. V. Spence. Refreshments will be served. Arrangements are in charge of Mrs. Ross, Mrs. James Duncan

Presbyterians Attend Meeting In Midland

Fifteen local Presbyterians attended the 51st annual Presbyterian of the El Paso District in Midland Tuesday and Wednesday. The meeting was held at Westminster Presbyterian Church in Midland, with the theme, "Forward With Christ Through Christian Citizenship."

Mrs. Gage Lloyd was elected spiritual growth chairman for the group. Mrs. Cecil Wasson, historian, gave a memorial service, and Mrs. Elvris McCrary reported on annuities and relief.

Kitchen Storage Space Is Fairview HD Study

Elizabeth Pace, county home demonstration agent, discussed "Organization of Kitchen Storage Space" for members of the Fairview Club Tuesday afternoon. The meeting was held in the home of Mrs. C. R. McClenny.

Mrs. J. F. Sellers gave the opening prayer, and roll call was answered with a hint on safe driving. Mrs. Frank Wilson and Mrs. Lonnie Griffith are a committee to work on a float for the Christmas parade.

Delphians Hear Mental Health Talk

LAMESA — "Mental Health for Effective Living" was the program of the Delphian Club Tuesday evening with Mrs. Jack McLaughlin as the program leader. Mrs. Wayland Pope, accompanied by Mrs. Jake Lippard, sang two vocal numbers.

Ackerly People Are At Home Following Trip To Oklahoma

ACKERLY — Mr. and Mrs. Jimmie Oaks of Monahan and Mrs. Nora Oaks and Joyce have returned from a week's visit in Oklahoma. Buck Baker recently visited a brother-in-law, Mr. and Mrs. John Miles of Lubbock.

Toy Pony!

You'll have as much fun making this pony as the youngster will have playing with him. No. 254 has pattern pieces and full directions. Send 25 cents in coins for this pattern to MARTHA MADISON, Big Spring Herald, 367 Adams St., Chicago 6, Ill.

Lamesa Study Club Hears Mrs. Moody

LAMESA — The Junior Woman's Study Club heard Mrs. Ernest Moody speak on "Self Improvement" Tuesday evening at the regular meeting. Mrs. Moody was introduced by Mrs. J. K. Wade, program leader.

Light Switch

New light switches harmonize with the decor of a room. Plain paper or wallpaper inserts slip behind the cover making it possible for the unit to blend with the background. Or paper inserts may be painted the exact color of the wall or drapery fabric swatches may provide complete custom-color coordination.

Wedding Date Set

Mr. and Mrs. Willie Richter, Sparenberg, are announcing the engagement and approaching marriage of their daughter, Delphine, to Billy Schneider. He is the son of Mr. and Mrs. Charlie Schneider of Sparenberg. The wedding will take place Nov. 25 at 4:30 p.m. at the Sparenberg Lutheran Church. Miss Richter is attending Ackerly High School.

Fall Festival Set Saturday Evening

FORSAN — A Fall Festival, sponsored by the Forsan P-T-A is to be held in the school gymnasium Saturday evening. Admission 10 and 25 cents will be charged for the coronation ceremonies slated for 7:30. There will be a grab bag, fish pond, and cake walk. The food booth will be open at 6 o'clock for those who care to eat supper.

Local Women Attend District Methodist Meet

Three officers from the Big Spring District of the Woman's Society of Christian Service of Methodist Churches attended the all-day district meeting held in Midland today. Local women who hold district offices are Mrs. H. H. Stephens, district president; Mrs. Raymond Hamby, district vice president; and Mrs. W. D. Loveliss, secretary of youth work.

Band Parents Host Covered Dish Supper

LAMESA — About 35 attended the band parents' covered dish supper which was held Monday evening at the cafeteria. Mrs. Bowers Purcell was in charge of the decorations. Directing the informal games and group singing were Mrs. Ed Lauderdale and Mrs. Elmer Cope. Ed Burt, band director, spoke to the group on the accomplishments of the band. Mrs. Roland Hamilton was general chairman for the dinner.

Bridal Pair Feted Following Wedding

LAMESA — Tuesday evening, Mr. and Mrs. Curtis Mac Williams were honored with a shower and reception following their wedding Tuesday afternoon. The bride is the former Inez Hoffman, daughter of Mr. and Mrs. B. J. Hoffman.

For Campus Life

Here's a versatile outfit for the campus belle or career girl. Tailored blouse and skirt, and with suspenders added it's a clever jumper. No. 1533 with Photo-Guide is in sizes 9, 11, 12, 13, 14, 16, 18. Size 11, blouse, 1 1/2 yards of 35-inch; skirt, 3 3/4 yards. Send 35 cents in coins for this pattern to IRIS LANE, Big Spring Herald, 367 W. Adams St., Chicago 6, Ill.

Junior High P-TA Holds Box Supper

LAMESA — The Junior High P-TA box supper held Monday evening brought into the organization about \$250. Over 300 students and parents attended the supper held at junior high cafeteria.

Birthday Celebration

LAMESA — Jeannie St. Clair, daughter of Mr. and Mrs. Scott St. Clair, celebrated her birthday Tuesday afternoon with an all girl party. A Thanksgiving theme was used in the decorations and serving. Six little girls helped Jeannie celebrate her sixth birthday on November 6th.

Discussion Group

LAMESA — Mr. and Mrs. Henry Norris were the hosts Monday evening for the Adult Discussion Group on the Great Religions of the World. Discussion leader for the evening was Richard Crawley, who led on the topic of Christianity. Refreshments were served to 17 members and one guest, Father James Cominsky.

Big Spring Garden Club Sets Tea For District One Governor

At the meeting of the Big Spring Garden Club Wednesday morning, members were told of a seated tea to be given for Mrs. Nat Williams of Lubbock on Nov. 15. Hostesses Wednesday were Mrs. Della K. Agnell, Mrs. J. E. Hardesty and Mrs. John Coffey in the Coffee home.

Mrs. Williams, governor of District One of Texas Garden Clubs, Inc. will speak to members of the club and their guests on the tasks to be done in West Texas gardening. All members of the local garden clubs will be invited to attend the tea. Hostesses will be Mrs. D. S. Riley, Mrs. Cliff Wiley, Mrs. J. P. Dodge and Mrs. J. D. Elliott.

Mrs. Coffey announced that the calendars, sponsored by the Big Spring Council of Garden Clubs, have arrived. She reported on plans for the float to be entered in the Christmas parade. For the home decoration contest, the Chamber of Commerce and the Council will supply the prize money. The Book Stall will contribute \$10 to the prize fund.

'ROUND TOWN

High Rating For Local Vocational Nurses

By LUCILLE PICKLE Mrs. HALEY HAYNES, who is the instructor for the LVN program at Medical Arts Hospital, has been informed that of the 81 schools in the state, the one here rated 15th. Seven women took the examination in October for the vocational nursing credit.

Another grandmother has been added to our midst: She is MRS. LOUISE HORTON whose little grandson, Gary Dale Fleming, was born Nov. 5 at Randolph AFB Hospital in San Antonio and weighed 5 pounds, 13 ounces. He is the son of Lt. and Mrs. Jerel D. Fleming. She is the former Lillian Horton. Mrs. Horton returned Tuesday from San Antonio.

Little VICKI FOX is visiting her grandparents, Mr. and Mrs. Buel Fox while her parents are having a week in El Paso. The parents are Mr. and Mrs. Bob Fox of Fort Worth.

It was amazing during the Tuesday election the number of people, none of whom had seen the others, would make the statement, "I'll just paper the house," upon seeing the size of the ballot. Another favorite of the people seems to be "May I take two?" Before the next election comes around there are many people who should make sure they are in the correct precinct when they come to cast their vote. The address of the place the voter lives takes precedence over the little number in the corner. Many voters were confused Tuesday... and it's unpleasant for the judges to have to go through the routine of explaining to some irate citizen that his vote cannot be legally cast in the wrong precinct.

Odessa Folks Are Guests In Coahoma

COAHOMA — Mrs. Emmitt Cavin and children of Odessa visited over the weekend with Mr. and Mrs. Chester Coffman. Mrs. Carl Bates, Mrs. M. E. Duncan and Jean Duncan, Big Spring, spent the weekend in Fort Worth visiting Mr. and Mrs. M. L. Duncan and family.

Theme Told For Art Conference

Theme of the second annual Art Education Conference scheduled at Texas Tech. Nov. 17, will be "Fun With Paint."

Band Parents Host Covered Dish Supper

LAMESA — About 35 attended the band parents' covered dish supper which was held Monday evening at the cafeteria. Mrs. Bowers Purcell was in charge of the decorations. Directing the informal games and group singing were Mrs. Ed Lauderdale and Mrs. Elmer Cope. Ed Burt, band director, spoke to the group on the accomplishments of the band. Mrs. Roland Hamilton was general chairman for the dinner.

Identifies Daughter

Rudolf Beke, Peoria, Ill., displaced person and former head of the Budapest fire department, believes his daughter Kathrina was in an AP Wirephoto showing refugees fleeing Hungary. Beke is shown with his other daughter, Mrs. Geza Biro and 7-year-old grandson Lacl Biro. Photo believed to be that of his daughter is circled.

Tests Being Readied For Continent-Spanning Missile

SAN DIEGO, Calif. — The Convair said that it was also combining "research and development leading toward space travel" with the Atlas project. This will be centered at the 40-million-dollar Convair-Astronautics production plant, now under construction in San Diego.

Services Set For Resident's Mother

Mr. and Mrs. Bob Bright, 1209 Wood, left this morning, for Gage, Okla., after learning of the death of Mr. Bright's mother, Mrs. R. E. Bright. She died of a heart attack while visiting her daughter, Mrs. Jack Mayfield, in Clovis, N. M. Mrs. Bright was 65 years old.

Many Long And Controversial Issues Await 85th Congress

WASHINGTON — Issues frayed by long controversy await the new 85th Congress. Domestic problems include federal aid for school construction, civil rights, farm and labor policies, and statehood for Hawaii and Alaska. Democrats, who wrested control from the Republicans two years ago, again elected majorities to both branches of Congress Tuesday. But the new Congress, like others in recent years, will be dominated by a Southern Democratic-Republican coalition and can be expected to steer a middle-of-the-road course.

Russia Sees U. S. Election As Ike 'Personal Victory'

LONDON — Moscow radio said today the American election results were a personal victory for President Eisenhower but a resounding rejection of the policies of his Republican party. A broadcast in the radio's home service said: "It is still too early to draw any exhaustive conclusions from the results of the U.S. elections, but already many American political observers stress that the victory is due primarily to Eisenhower's personal popularity, connected with the part he played during World War II as well as with such measures, as for example, his participation in the Geneva conference of the heads of government of the four great powers."

Russia (Ohio) Likes Ike, Too

RUSSIA, Ohio — Russia liked Ike — Russia, Ohio, that is. This tiny town in Shelby County gave President Eisenhower 246 votes to 156 for Democrat Adlai E. Stevenson in Tuesday's election. Russia normally is Democratic.

Something Else For The Pastor

COLORADO SPRINGS, Colo. — Col. Barney Oldfield of the Air Defense Command was autographing copies of his book, "Never Shot in Anger," in a bookstore. A woman asked him if it would be a suitable present for her minister. "Well, it's sort of a naughty book in spots," Oldfield said. "All right, recommend something else for my preacher," the woman said. "I'll take this myself."

Cops Batter Down 3 Doors To Break Up Gaming Party

BALTIMORE — The cops rang and rang that doorbell of the apartment on Myrtle Avenue in the early morning hours. No answer. So they battered down the door. No answer. They battered down a vestibule door, but still no answer. So they battered down a third door and burst into the basement. They found 14 persons kibitzing two checker games — apparently so engrossed they hadn't heard all that battering. On looking a little further, officers also found 10 sets of dice still warm to the touch — behind a table. And some money here and there. Judge Joseph L. Carter convicted Clarence Scott, 49-year-old occupant of the apartment, of a

Election Blamed For Costly Fire

SAN JOSE, Calif. — William Beudikofer is blaming the \$100,000 fire which destroyed his grand view house in the Mt. Hamilton Range on the election. Beudikofer told sheriff's deputies he believed angered seekers for a drink started the fire. Required to close his tavern during polling hours, Beudikofer decided against reopening Tuesday night. He said he heard a car drive up just before the fire was discovered at 2 a.m.

Riding The Waves To Safety

Heavy seas pound life rafts carrying crew members of the German freighter *Helga Bollen* to safety aboard the U. S. Coast Guard cutter *Chincoteague* some 400 miles from Cape Race, Newfoundland. The German vessel had sent out an SOS, reporting that 20 to 40-foot seas had stove in her number one and two holds. The liner *Mauretania* stood by the stricken ship until the Coast Guard cutter arrived at the scene. The freighter's crew of 32 men and one woman radio operator were rescued.

Death Takes Marshall Field, Multimillionaire Philanthropist

NEW YORK (AP)—Marshall Field III, multimillionaire philanthropist and head of Field Enterprises, died today at New York Hospital. He was 63.

His wife Ruth was at his bedside.

Field was taken to the hospital Oct. 21. The following day he underwent brain surgery. Until today he had been described as in fair condition.

Mrs. Field said her husband had been ill for about six weeks before the operation was performed.

Field inherited one of the world's greatest fortunes—in the neighborhood of 160 million dollars—from his merchant grandfather, founder of the Chicago department store bearing his name.

Since his grandfather died in 1906, the estate was not subject to federal inheritance taxes.

As a young man, Field was interested in polo, airplanes, fox hunting, horse racing and the like, and his social set included the Prince of Wales, later the Duke of Windsor.

As he outgrew his "playboy" phase, he became deeply interested in philanthropy and social service, particularly for the welfare of children.

He expanded his enterprises and founded the *Chicago Sun* in 1941 as a supporter of President Franklin D. Roosevelt. The newspaper challenged the strongly entrenched anti-Roosevelt *Chicago Tribune*, then the only morning newspaper in Chicago.

In 1942 he became sole owner of the *New York tabloid PM*, which he had helped to found as a stockholder in 1940.

PM, which had a strong left-of-center complexion, pioneered many innovations but was never a financial success. He sold the paper in 1946.

The *Chicago Sun*, later the *Sun-Times*, became an established newspaper in Chicago and in 1950 Field's son, actually the fourth of the family to bear the name, became its editor and publisher.

The Field Enterprises also included the book publishing firm of Simon & Schuster and Pocket Books, Inc.

During World War II, Field devoted much of his time to refugee children in America. He turned over his 1,700-acre Long Island estate, Caumsett, for an Office of War Information training school.

With its 10 miles of paved roads, landscaped gardens, airplane and boat landings, pheasant shooting grounds, tennis courts, Caumsett has been valued as high as 15 million dollars.

In 1945, Field wrote a book, "Freedom Is More Than a Word." He once said, "I happen to have been left a great deal of money. I don't know what is going to happen to it, and I don't give a damn. If I can't make myself worth of three square meals a day, then I don't deserve them."

Plans Prepared For Flower Grove School

Plans are due to be released this week for renovation of the Flower Grove school and construction of a gymnasium.

Bid date tentatively has been set for Nov. 29. Architects for the project are Cantrell, Burns and Whitaker of Lubbock.

Meeting Set On School Savings Stamp Program

A meeting designed to set the school United States Saving Stamps program in motion has been called for 2 p.m. Friday.

The session will be at the home of Mrs. H. L. Gahman, 1300 Tucson. Mrs. Gahman is general chairman of the activity which is being sponsored jointly by the schools and P-TA units.

Several of the unit presidents will direct the sales program in their schools, while others will be handled by a special savings chairman.

Materials will be distributed at the meeting and arrangements made for starting the weekly sales of the stamps, which in turn may be converted to bonds.

U.S. Urging Speed In Setting Up Police Force For Mid-East

By JOHN M. HIGHTOWER
WASHINGTON (AP)—The United States was reported urging all possible speed today in replacing British, French and Israeli forces in Egypt with peace-keeping troops under the flag of the United Nations.

The U.N. General Assembly voted last night to create an international emergency force for that purpose, and approved an order to "proceed with the full organization" of it. A dozen nations have offered troops.

Unless the switch can be made and the situation brought under control within a few days, official Washington believes there is grave danger of Soviet intervention with "volunteers" on the side of Egypt. This could prolong and spread the conflict, and increase the threat of a third world war.

President Eisenhower and his advisers don't believe the Soviet Union wants the kind of clash which would involve that country and the United States in a global H-bomb war.

But they see grave danger that limited fighting in the Middle East might set in motion forces that could go beyond the control of any government.

The Pentagon said U.S. armed forces have been cautioned to take "preparatory measures to increase the nation's defense readiness."

A spokesman for the Joint Chiefs of Staff, in telling this to newsmen, said he wanted to put emphasis "on the word defense." He added that "we do not want to be caught flat-footed and at the same time we do not want to take any provocative action which would get us involved."

U.S. commanders at home and overseas have been kept advised of the world situation and given "guidance" in putting their forces in a state of readiness.

Some Navy ships, including the giant carrier *Forrestal*, were ordered to cancel a training maneuver and stay at sea off the East Coast. Similarly, the Strategic Air Command has changed or canceled training operations for the bomber fleet which normally would take planes from bases.

At San Diego, Calif., the Navy said ships based on the West Coast have been alerted to prepare for movement to the Western Pacific.

A Defense Department spokesman said also that there has been some "increasing in the readiness" of the Air Defense Command.

This tightening up of defenses has resulted in some scattered cases of leave cancellation for servicemen, but there has been no broad, over-all cancellation of all military leave.

The United States will take direct part in the U.N. police action, but has volunteered to provide airlift and other transportation of forces to the area.

Officials here were cheered by a Canadian decision to provide a force of battalion strength. Canada also arranged to send the aircraft carrier *Magnificent* to serve as a floating base.

Eisenhower sent an urgent message to Israeli Premier David Ben-Gurion asking him to abide by the United Nations cease-fire resolution and withdraw Israel's forces from Egypt's Sinai Peninsula.

Earlier in the day Ben-Gurion had announced that Israel was not prepared to let foreign forces take over the territory it held.

Some officials here speculate that if Egyptian President Gamal Abdel Nasser believes he can get Soviet help in time and with sufficient force he will try to frustrate the U.N. plan. But if he fears the danger of too deep an involvement with the Soviets or feels that Egypt's interests would be safeguarded by the U.N., he may choose to cooperate.

Coahoma ALA Has Birthday Event

The American Legion Auxiliary of Coahoma observed its birthday recently with a buffet supper. Guests and families of the members were invited. The serving table was laid with a white cloth and decorated with individual hand painted emblems of the auxiliary placed down the center of the long table. Each emblem was surrounded at the base with gold leaves.

Mrs. George Fowler, spoke to the group on poppies and gave a short history of why the poppy was adopted by the American Legion Auxiliary as its memorial flower in October, 1921.

After Mrs. Fowler's talk, she introduced Betty Farrar of Big Spring who presented two of her pupils in a musical skit. Jackie and Olive Jean Cagle and Kay Read concluded the entertainment with a pop number.

Fifty-five attended this affair.

A Winning Record

RICHMOND, Va. (AP)—Coach Ed Merrick is keeping his fingers crossed that his University of Richmond football team has a winning season this year. If Richmond wins more games than it loses, Merrick will be the first Spider coach to field a winning team for four successive years since 1940.

Over-Subscribed

DALLAS (AP)—Cotton Bowl tickets have been sold and are being distributed. The 24,000 tickets available to the public in a mail sale were oversubscribed and a drawing was held yesterday to determine the order in filling applications.

War Booty

Happy Israeli forces return to Beerseba with captured Egyptian flag after fighting in the El Arish area. British and French paratroopers were dropped in the Port Said area as the invasion of the country continued.

Lamesa Baptists At Dallas Meeting

LAMESA — Elder and Mrs. E. L. Jones, Mr. and Mrs. Earl Fancher, Mrs. H. H. Lybrand and Mrs. Ollie Jordan are attending the 56th annual session of the Baptist Missionary Association of Texas in Dallas.

Messengers to the convention are Mrs. Fancher, Mrs. Jordan and Mrs. Lybrand. As state president of the Women's Missionary Association, Mrs. Jones delivered her president's address Wednesday morning.

Tri-Hi-Y Group Hears Program On Fashions

A discussion on clothes was given by Mrs. J. A. Etheridge to members of the eighth grade Tri-Hi-Y Wednesday afternoon. Assisting on the program were Judy Foster and Mary Glenda Taylor.

Cleo Thomas gave the devotion for the group.

Members discussed plans for a fall dance. It was also decided that the proceeds from the candy sale, now in progress by the members, would go to the YMCA.

How This Newspaper Helps Advertisers...

With a Strong Right Hand

We're newspaper people, with our ears to the ground and strength in our right hand.

For a long time it has been our job to meet the people of our area—in their homes, work, schools, churches, and in their civic and social activities. It has been our job to understand their needs and desires; to report their joys and sorrows.

Few know this area and its people better than we.

Many merchants look to this background of experience and understanding for assistance in reaching their audience most effectively. It is an unusually strong right hand to their merchandising efforts—an effective source for information and advice.

Let us show you how the combination of this experience and audited circulation facts* can help you to get maximum results from your sales messages. Call us this week.

BIG SPRING DAILY HERALD

*This newspaper is a member of the Audit Bureau of Circulations, a nonprofit, cooperative association of publishers, advertisers, and advertising agencies. Our circulation is audited at regular intervals by experienced A.B.C. circulation auditors and their reports are made available to our advertisers without obligation.

We got it!

Newest Buick Yet

YOU know all that talk you've been hearing about the 1957 new car models being really new?

Well, in the case of the 1957 Buicks it's true—gospel true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille toassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

And we mean, most of all, an advanced new Variable Pitch Dynaflo®—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

* SEE "JACK AND THE BEANSTALK" ON NOV. 12th
—A new NBC-TV color spectacular brought to you by your Buick Dealer.

'Slight Trace' Found In Search For Flying Saucer

SAN LUIS OBISPO, Calif. (AP)—Radio station KATY of San Luis Obispo reports the quest for flying saucers conducted over coastal California last night yielded a slight trace of some unfamiliar flying object.
It said one of 11 mobile stations set up by the Student Engineering Council of California Polytechnic Institute at high points around the city reported an object. It also said one of the cooperating amateur stations reported from Berkeley that an observation point there had noted an unlighted flying metal object.
The mobile unit had radar atmospheric finders and other electronic devices. The experiment was conducted as a community-wide investigation of a prediction of scientists associated with the "Flying Saucer Review" of London.
However, if there were Martians over this coastal city, they were uncommunicative.
Station KATY went off the air three times while students listened with sensitive receivers for some signal.
Some scientists in London had

said that a Martian space ship would fly over San Luis Obispo last night at 10:30, and San Luis Obispo fell in with the idea and organized a "Flying Saucer Day" to welcome them.

Russians Think Hungarian Fight Is Anti-Fascist

MOSCOW (AP)—The Russian man in the street is convinced the Soviet military action in Hungary is a heroic campaign to eradicate a threatened return of Hitlerite fascism.
The Russian papers haven't told him anything else.
The Communist party newspaper Pravda today devoted nearly three columns to the U.N. General Assembly's cease-fire demand in the Suez Canal crisis. But it allocated only a single line of its six-page edition to mention of U.N. discussion of Soviet aggression in Hungary.
The paper published a report from Prague giving "eyewitness" accounts of "crimes committed by anti-revolutionary forces in Hungary."
Russian authorities have used the battle for the Suez Canal to depict the Soviet Union as a protective big brother of the downtrodden—especially in the Middle East and Asia.
The Kremlin's big problem now is to erase from the minds of people elsewhere in the world the memory of Soviet intervention in Hungary.

U.N. Chief

Maj. Gen. E. L. M. Burns, Palestine truce supervisor, is the head of the newly created Middle East police force recruited from the small powers of the United Nations.

Death Suspect Is A Suicide

AUSTIN (AP)—Ranger Capt. Clint Peoples said today James Coward, 49, of San Antonio, sought in connection with the case of a charred body found near Kerrville last week, committed suicide when he picked up today in Boerne.
Peoples said Ranger L. H. Purvis and local officers found Coward in a Boerne hotel. Peoples said Coward drank from a bottle just as the officers walked in and died of cyanide poison within an hour.

Lawless Judge

PASCO, Wash. (AP)—J. J. Lawless was elected judge of the Superior Court for Benton and Franklin Counties Tuesday.

Oregon Goes For Demos

PORTLAND, Ore. (AP)—Oregon will have a Democratic governor next year and will be represented in Congress by five Democrats and only one Republican.
The new governor will be Robert Holmes, a state senator and Astoria radio station manager, who was swept into office as voters re-elected Sen. Wayne Morse as a Democrat and gave a rousing majority to President Eisenhower.
Holmes, 47, the first Democrat elected Oregon governor since 1934 served four sessions in the State Senate, where his special interest was in the field of education.
Rep. Walter Norblad is the only Republican to survive the Democratic congressional landslide.
Rep. Edith Green, Democrat from Portland, won easily.
But Republican Rep. Sam Coon was defeated by Al Ullman, baker real estate man and an active supporter of a federal Hells Canyon Dam, and Republican Rep. Harris Ellsworth was defeated after eight successive terms, by Charles Porter, Eugene attorney.

HERE'S
Why
YOU

SAME

**WE'RE FEEDING MILLIONS
FOR A PENNY!**

Piggly Wiggly Supermarkets are in the business of selling foods . . . the most abundant, the most varied, the most healthful in history. Yet, Piggly Wiggly customers buy all this at such low prices that a penny represents the amount of profit made on your food dollar. After paying for merchandise, salaries, rent, utilities, equipment and other expenses, just one penny is left over. This is possible because of the large-volume, fast turn-over method of self-service. By "feeding millions for a penny," Piggly Wiggly and the entire grocery industry make their contributions to the strength of a greater America, and better eating for you and your family.

MRS. WALTER STROUP
... Sherry and Jan

Orange Squares Are Favorites At Stroups

Mrs. Walter Stroup finds that the recipe she contributes to today's food page is just the right treat for an after-school snack for her two daughters.

Jan, 9, and Sherry, 6, both enjoy Mom's version of chewy Orange Squares. The two girls are attending Washington Place school.

Just recently Mrs. Stroup, with the help of another local woman, has organized a new Brownie Troop for third graders at the school.

Taking part in activities which concern their two daughters is a favorite pastime for both Mr. and Mrs. Stroup. They are active in P-TA work, and Mr. Stroup is treasurer of the Washington group while Mrs. Stroup takes part on various committees.

Working with young people in their church, the Fourteenth and Main Church of Christ, is another activity that the Stroups enjoy.

Mrs. Stroup is a busy seamstress when it comes to sewing. She makes lots of school dresses for the girls as well as sewing for herself.

Golf is a sport which Mrs. Stroup

has given some time to in the past and would like to play more of in the near future.

Mrs. Stroup highly recommends this recipe, not only to serve to hungry school children, but to serve with hot coffee for those evening guests.

ORANGE SQUARES

Ingredients:
4 eggs well beaten
1 teaspoon water
1 box brown sugar
Mix well and add:
1 cup flour
1 teaspoon baking powder
1 teaspoon vanilla
Combine with these:
1 pound chopped orange slices (candy)
1 cup pecans, cut fine
1 cup flour

The mixture will be heavy and thick. Spread on cookie sheet. Bake at 350 degrees for 20 minutes. When cool, spread with five tablespoons of orange juice and one tablespoon melted butter that has been thickened with powdered sugar.

Interchangeable

Grated Parmesan and Romano cheese can usually be used interchangeably in recipes.

Fried Chicken Tip

If you choose very young chicken for frying, it isn't necessary to cover the skillet after browning.

Clabber Girl's
Quick, Spicy
APPLE WAFFLES
...and only One bowl!

SPICY APPLE WAFFLES

Yield: 4 servings

| | |
|--|---|
| 1 1/4 cups sifted all-purpose flour | 3 tablespoons sugar |
| 2 teaspoons Clabber Girl Baking Powder | 2 tablespoons shortening |
| 1/4 teaspoon salt | 2 eggs, separated |
| 1 teaspoon ground nutmeg | 1 cup milk |
| | 1 1/4 cups pared, coarsely grated apple |

Sift together flour, Baking Powder, salt, nutmeg, and sugar into a mixing bowl. Cut in shortening until mixture is fine. Beat together egg yolks and milk and add all at once to dry ingredients. Blend ingredients and beat just until smooth. Stir in apples. Beat egg whites until stiff but not dry. Fold into batter. Bake in waffle maker following manufacturer's directions.

Do-It-Yourself...

Remember, it's the fresh ingredients in your home-baked recipe that make things taste better, stay fresh longer.

CLABBER GIRL

NOW EXCLUSIVELY KNOWN AS THE BAKING POWDER WITH THE BALANCED DOUBLE ACTION

HULMAN AND COMPANY TERRE HAUTE, IND.

Make Salad With Apple, Cabbage

If you've ever thought you'd like to create a new salad, here's a formula you can follow with sure success: simply take two favorite salads, such as Waldorf and coleslaw, put them together, add a new flavor touch or two and presto, you have a deliciously different dish that's inviting and appetizing.

FRESH APPLE, CABBAGE PIMENTO SALAD

Ingredients:
4 cups finely shredded cabbage
2 red apples, diced
1 slice pimiento, finely chopped
1 teaspoon onion, finely chopped
1 tablespoon parsley, finely chopped
1 cup mayonnaise, thinned

Method:
Combine cabbage, apples, pimiento, onion and parsley and mix together lightly. Add thinned mayonnaise and toss well. Sprinkle with walnut meats, if desired. Serves 4-6.

RED APPLE, CABBAGE AND CHEESE SALAD

Ingredients:
4 cups red cabbage, finely shredded
3 tablespoons vinegar
1 package cream cheese
1 tablespoon cream
1 tablespoon sugar
1/2 teaspoon dry mustard
1/2 teaspoon salt
Apples, diced to make 1 1/2 cups

Method:
Place cabbage in large bowl and sprinkle with 1 tablespoon vinegar. Cover with ice and water and let stand one hour. While cabbage is crisping, soften cream cheese in small bowl. Add cream and remaining 2 tablespoons vinegar, a little at a time, beating until smooth. Season with mustard and salt. Drain and dry well in clean towel. Combine with apple in salad bowl. Dressing over and toss well. Garnish salad with additional apple slices. Serves 6.

No Dark Peaches

Ascorbic acid, citric acid or lemon juice may be used to prevent peaches from darkening during freezing. The lemon juice may be fresh, frozen or canned.

Glamorous Dessert

Want a glamorous and glorious dessert? Fold whipped cream into slightly whipped vanilla ice cream and use as a topping for sweetened strawberries.

Tasty Cheese Souffle

Grated onion, prepared mustard, curry powder and Worcestershire sauce pep up a cheese souffle.

Bananas; Chocolate

An old timer but still delicious: sliced bananas folded into chocolate pudding before it thickens.

EXTRA
THIN

Artichoke Sevilla Is Breath Of Spain

Artichokes are delicious vegetables to serve with steaks and grill meats, and here is one of the best ways to prepare them. Mix three tablespoons of chopped parsley with one or two chopped garlic cloves, salt and pepper, and sprinkle the mixture on six medium-sized artichokes, from which you have cut off the top half-inch of the leaves.

Place upright in a saucpan, pour a half cup of Spanish olive oil over them, cook over a high flame for five minutes, then turn

down the heat and add half a cup of water.

Cook uncovered for another six minutes, add another quarter cup of water, and cook covered for twenty minutes, or until the leaves pull off easily.

Spanish String Beans

String beans fresh from the garden taste best when they are boiled in salted water for twenty minutes, then browned in two or three tablespoons of Spanish olive oil, to which a garlic clove has been added. If the beans are young enough, they won't need parboiling.

MINCEMEAT TARTS... dessert treat

Mincemeat Makes Good Party Tarts

Tempting mincemeat tarts are a dessert treat for any special occasion meal. These are the old-fashioned kind, made with homemade mincemeat and tender, lard-made pastry. Petal tarts are easily cut with a round biscuit cutter.

HOMEMADE MINCEMEAT
 1 pound lean beef stew meat
 4 cups water
 1/2 pound suet
 6 medium cooking apples
 1 1/2 pounds seedless raisins
 1 1/2 cups dried currants
 1/2 cup diced candied orange peel
 2 teaspoons salt
 2 teaspoons cinnamon
 1/2 teaspoon allspice
 1/2 teaspoon cloves
 1 cup granulated sugar
 1 cup brown sugar
 1/2 cup molasses
 4 teaspoons lemon juice
 1 cup cider

Add beef to water, heat to boiling, cover and simmer 2 hours. Remove meat and reserve stock (approximately 2 cups.) Put meat, suet, and pared and cored apples through food chopper and place in a large pan. Add remaining ingredients except lemon juice and cider. Add reserved stock and simmer 1 hour, stirring occasionally. Add lemon juice and cider during last 5 minutes of cooking. Yields 10 cups. Cover closely and keep in a cool place. Use about 3 cups for a 9-inch pie crust.

PAstry
 2 cups sifted flour
 1 teaspoon salt
 2 1/2 cup lard
 5 or 6 tablespoons water

Sift flour with salt. With a pastry blender or two knives, cut in half the lard until the mixture resembles coarse corn meal; cut in remaining lard until mixture is size of small peas. Sprinkle water over mixture, about a tablespoonful at a time, and blend with a fork until ingredients are moistened. Shape into a ball and cut in half. On a lightly floured board, roll out dough into 1/4 inch thickness.

For each tart, cut seven 2 1/4 inch pastry rounds. Place 1 round in the bottom of a 3-inch muffin pan. Moisten edge of round and press 4 rounds to side and bottom of cup, overlapping edges slightly. Repeat process with remaining dough. Fill with mincemeat and place remaining rounds on top. Prick design into topping rounds with a fork, if you like. Bake 15 to 20 minutes in a 425 F. oven. Yields 12 tarts.

Use English Muffins

Toast split English muffins and spread with tomato sauce. Now add bits of tuna, whole small sardines, minced canned clams or canned mushrooms. Sprinkle well with grated cheddar or Parmesan cheese and put under the broiler again briefly. Eat at once!

Meat Balls Go With Vegetables, Salad

These delicious meat balls are a wonderful accompaniment for garden vegetables and salads, to be served with crusty French bread, rather than the usual spaghetti with tomato sauce. The secret of success is frying them slowly for 10 minutes in fine Spanish olive oil.

Moisten three slices of dry bread with water and mix with a pound of lean chopped beef,

adding three slightly beaten eggs, three tablespoons of grated sharp cheese, two tablespoons of chopped parsley, salt and pepper. You can add a chopped clove of garlic, or brown the clove in the olive oil, removing it before frying the meat balls. Serves four.

Vitamin A Source -

Apples, eaten as fresh fruit, help the system to absorb the calcium in other foods. Apples are also a good source of Vitamin A, which helps to ward off colds and other infections.

Kitchen Arithmetic

A ready-to-cook stewing chicken that weighs about four pounds will give you about three cups of cooked meat.

3-MINUTE OATS

No Vices In Beef! So Serve It Often

It's not true that everything men like is illegal, immoral or fattening. They like beef - and most especially, they like steaks. Their wives and their insurance agents love for them to eat beef for its high protein content and low calorie count, but most men love beef for itself.

It tastes delicious in any form, but nine out of ten men prefer big, thick, juicy steaks to any "dress-up" beef dish their wives can invent. And a good eight of the nine prefer steaks broiled by the master's hand - his own.

There are "special" days just around the corner. You can make these occasions pleasant and relaxed for yourself and memorable for your family and friends by serving steak.

The easiest of all meals to prepare, steaks lend an atmosphere of well-being and elegance to any meal. And, there's always the hope and possibility that Papa will want to do the broiling himself.

That it tastes good is beef's biggest and best asset, but the fact that it is a "complete" protein and a source of B vitamins and iron makes it even more attractive as daily fare.

It takes from 10 to 40 minutes to broil a steak, depending upon the size of the steak and whether you like it rare or well done. If you are a good organizer, you can relax and enjoy a day with the family or hospitality with guests until the last minute.

With the abundance of frozen vegetables, pre-cooked breads, desserts and appetizers on the market today, it takes only seconds to toss a salad, brew a pot of coffee and get everything under way.

Don't fuss over the steaks; they need only careful timing. Caution: do not overcook. The juices and texture of a medium or rare steak are musts for most steak-eaters.

As a general rule of thumb, allow 1/2 to 3/4 pounds of bone-in steak per serving or 1-3 to 1/2 pound of boneless steak. A club steak will provide one generous single serving, while a Porterhouse or T-bone will serve two and sometimes three, depending upon the thickness of the cut. A big sirloin yields about four servings and is a good "family" steak. For thickness, one inch is minimum and a noble two inches do any festive occasion proud.

To broil, preheat the broiler and set the broiling rack three to five inches from the source of heat. To prevent curling, slash the edge's of fat in several places (not into the lean portion, however), and broil according to the directions on your range. Turn only once and season each side after broiling.

For a special treat, saute mushrooms in butter and serve with the steak. Another favorite - the baked potato - can be handsomely and tastefully garnished with an assortment of toppings such as sour cream with chives, shredded sharp cheese, crumbled crisp bacon, hard-cooked eggs and, of course, melted butter. Assemble the condiments on the table attractively and let guests prepare their own.

Glazed Apple Slices

Good fruit accompaniment with your Thanksgiving ham are glazed apple slices, easily prepared with this simplified method. Core four apples and cut into thick slices. Do not peel. Dip apples slices in granulated sugar to coat. Heat 4 tablespoons butter or margarine in medium sized frying pan. Saute apple slices lightly, about 10 minutes or until tender and glazed, turning once.

Easy To Make Relish

No cooking is required with this appetizing fresh apple-cranberry relish. Simply put through the food chopper 1 large red apple, unpeeled, 1/2 orange and 2 cups fresh cranberries. Add 1 cup sugar and 1/2 cup chopped walnuts. Let stand in refrigerator for several hours or overnight.

Sunday Night Salad

Leftover turkey takes on new appetite appeal in this colorful salad that's ideal for luncheon or Sunday night supper. To prepare, core 3 unpeeled apples and cut into bite-sized cubes. Slice 1 small Bermuda onion into rings and add to the apples. Add 4 stalks celery, sliced, and 2 cups diced, cooked turkey. Season to taste and toss lightly with your favorite salad dressing. Serve on salad greens. Serves 4.

Mammoth Cookies

When you want to make mammoth cookies for a small fry batter, use the top of an empty coffee can for a cutter.

To Brown Flour

Old-fashioned gravy was often made with browned flour. To brown the flour, put it in a heavy skillet and stir it constantly over low heat.

**Farm Owners
May Qualify
For SS Credit**

Some farm owners are entitled to social security credit on income from land rented to someone else for farming.

Credit depends on the rental agreement and how much the owner participates in operation of the farm, according to Burke Johnson, manager of the Odessa social security office.

Under some circumstances income from the land may be "rented income" and not covered by the law under other circumstances income will be "earnings from self-employment" as a farmer.

If you simply rent the land in return for cash or a share of the crops or livestock and take no part in production or management, the cash or crop share you receive is rental income and does not count toward social security.

But for taxable years ending after 1955 you can get social security credit for income from land rented to someone with an agreement that you will "materially participate" in the management or production of the farm commodities.

To "materially participate" there must be an arrangement between you and the renter that you will take part in the management or production. This arrangement may be either written or unwritten. Second, you must actually take some part in the production or management of the production. Even if you don't actually do any physical work, you may be materially participating in the production or management of production if you:

Consult regularly with the person who rents the land on the operation of the farm;

Inspect the production activity regularly;

Furnish part or all of the equipment, machinery, or livestock; and

Pay part of the expenses of production.

Johnson pointed out that each of these must be considered, together with any work you may do on the farm and management of the enterprise.

For further information about social security coverage for farmers, Howard County residents should get in touch with the social security office at 113 West 9th Street, Odessa, and ask for Farm Pamphlet Number 6. For information about social security taxes, Howard County residents should get in touch with the district director of internal revenue at Dallas.

**Court Upholds
Trustees Law**

AUSTIN (AP)—The Supreme Court upheld today a new law giving school trustees the power to levy and collect annual maintenance taxes and issue bonds.

The law, by the last Legislature, was tested on a direct appeal from Hamilton County by C. H. King, suing the Carlton School District.

Under the new law, the annual maintenance tax may not exceed the maximum established by a majority vote of the resident qualified taxing voters. The suit was brought to restrain the Carlton trustees from levying the tax or issuing the bonds authorized by an election. The trial court denied the injunction and upheld constitutionality of the act. The Supreme Court's decision affirmed this.

**Uncle Ray:
Reader Describes
Years On Crete**

By RAMON COFFMAN
A letter about the island of Crete has come to me from a resident of a village in Ontario. He writes: "I was much interested in your account of the Palace of Minos. It brought to mind a memory of the time I was stationed in Crete 52 years ago with a British regiment, the King's Own Yorkshire Infantry. I was a bandsman. "I remember seeing Dr. Arthur Evans, whose work you have described. We were allowed to visit the excavations, and saw many of the objects which were found. Two of the band boys came back to our bungalow with what we thought were two dolls. "The next day was one of excitement. The officers of our regiment and Dr. Evans made an inspection of the quarters. When they arrived at our bungalow, Dr. Evans turned to the officers and said, 'We need not look any further. Here they are!' "Sure enough! The boys had those 'dolls' on a shelf, and said they had got them at Knossos, where the palace was. They were punished, and after that we were never allowed to go to Knossos unless accompanied by a noncommissioned officer. "One of the sights I saw on Crete was an amphitheater with marble steps. A sunken road was discovered — it led from the palace to a lofty mountain seven miles away. "A landmark on the island was

A huge jar found in Crete.

Exciting new selections in gloves... leather tailored in new dramatic lengths with accented swirling design. **4.98**
Graceful tabs with tiny pearl buttons. Beige, black, and white. **3.49**
Tiny beads in diagonal rows, a French inspired design. Black, white, and blue. **4.98**

Stoles to swirl or drape gracefully as you please. Bulky knits in white, with silver, black with silver, white with gold, red with silver, and solids in white, black, orchid, and red. **5.95 to 12.95**

Voters Run Out Of Ballots
SILSBEE (AP)—An estimated 389 Hardin County residents couldn't vote Tuesday because ballots were lacking.
Election judges at five boxes said they ran out of ballots and could get no more.
Hardin County's voting strength exceeds 6,000 and only 5,000 ballots were ordered printed by County Judge Fletcher Richardson. He said he ordered the ballots printed on the basis of the 4,100 persons who voted two years ago.
L. D. Self, election judge at Silsbee, said he had only 1,818 ballots for a potential vote of 2,700.

NAACP Report Ends Hearing
DALLAS (AP)—What was billed as a "confidential report" covering Dallas activities of the National Assn for the Advancement of Colored People abruptly ended a pre-trial deposition yesterday in the Dallas school integration case.
The report, used as evidence in the Tyler hearings seeking a halt to NAACP activities in Texas, was produced in Federal Court here by Dallas School Board Atty. Andrew Thuss.
Thuss had subpoenaed Simpson Tate, NAACP secretary, to bring a copy to the session.
W. J. Durham, NAACP attorney, objected to use of the report and filed a motion to have it banned from the pre-trial hearings. A ruling was expected Monday.
The integration case comes up Nov. 14.
The report, Thuss said, indicated Negro families were solicited by the NAACP to seek enrollment of their children into all-white schools. It indicated, he said, that Dallas should be the "test city" for Texas integration cases.

a house plan?
... not exactly, rather a fashion plan.
Through careful planning your accessories will accent and compliment your best features. Here's glamour in abundance for you.

The very timely shrug... of arlon knit and wool jersey in black or white. Some with decorative pearl trim. **3.98 to 5.95**

Softly shouldered is this wool jersey shrug. Fancifully decorated with pearl and rhinestone. Black or white. **10.95**
