Guards Injured Schoolmate

Patrol boy Sidney Ware, 14, guards 11-year-old Gregory Watson after he and two other boys were struck by a car (not in picture), while crossing a busy street in Peoria, Ill., enroute home from school. Police (left) are shown arriving shortly after the accident. The car, driven by Doyle Dowell, of Canton, Ill., tossed Gregory, Robert Hanson, 7, and Leonard Hayne, 11, 15 feet. Hayne, most seriously injured, suffered a broken arm. Other boys were taken care of by passing motorists, one of whom threw his coat over Gregory. Picture taken with box camera by amateur Robert Matthews.

Russia Accuses Israel Of Hitler-Type Policy

MOSCOW (AP) - The Soviet government newspaper Izvestia accused Israel today of adopting Hitler's "Lebensraum" policy and asserted the "very existence of Israel as a state is now at stake." In a long article, Izvestia charged the leaders of Israel were "acting as flunkies for imperialism" and "pushing that country onto a suicidal path." The newspaper added: "It must be said flatly and bluntly that by hurling a challenge to the Arab nations in the face of all the peoples of the East fighting colonialism, Israel is digging its own grave." The newspaper warned that Israeli leaders "should pause to reflect and stop playing with fire. In the present situation they should extract lessons from recent developments, as the very existence of Israel as a state is now at stake." The wording of the article recalled the note Premier Bulganin sent to Israel on Nov. 15. Before the official text was issued, a reliable source said Bulganin had warned Israel that its invasion of Egypt raised the question of "the continued existence of Israel as a state." But the text was more mildly worded, saying Israel's policy was "dangerous for the cause of peace and most perilous for Israel."

Milkman, Found In Slain Woman's Room, Is Suicide

LITTLE VALLEY, N.Y. (AP) - A young milkman, found in the room where a woman was slain by her husband, last night killed himself outside of the funeral home where the woman's body was resting. A wreath of red roses "For Sue" and a note were beside him in his car. Police said Albert Marsh Jr., 24, a delivery man for a dairy in this western New York community, shot himself in the head. The body of Mrs. Sue Ann Riggs, 24, mother of three children, had been taken to the funeral home earlier in the day. Sheriff Morgan L. Sigel identified Marsh as the man found in a closet of Mrs. Riggs' bedroom early yesterday by her husband, Ralph, 26, a draftsman. Riggs told police he shot his wife in the head with a pistol during a quarrel. He returned home from a dinner with fellow employees to find Mrs. Riggs with Marsh, he said. Riggs was charged with first-degree murder.

First Oil Around Cape Reaches Isles

LONDON (AP) - The first Middle East oil to be hauled around the Cape of Good Hope since the closing of the Suez Canal reached Britain today. The first tanker to reach France since the canal was closed arrived at Marseille last Friday. The tanker Athina Luano unloaded 28,000 tons of crude oil at British refineries after taking 30 days to make the trip from Mina al Ahmadi in Kuwait. The trip from Kuwait to Britain through the canal usually took from 20 to 23 days.

A spokesman for a British oil company said the additional cost of making the long trip around the Cape was about \$5 a ton. The gasoline shortage became the biggest topic of conversation in this country which starts rationing on Dec. 17. Industry is already affected. At least two big automobile manufacturers have cut the work week. There is less money in the pay envelopes of thousands. Owners of other factories say they may have to shorten the work week, or even close.

London's buses and subways were packed worse than usual during the rush hours as more car owners left their automobiles at home. The nation's stocks of fuel oil, which have undergone a serious run in the last two weeks, will get a boost this weekend, for at least 15 tankers from the Persian Gulf are expected to unload at refineries. Laborite Julian Snow said he would ask the minister of fuel and power about the possibility of purchases of Russian oil. Spokesmen for British oil companies said they have received no offers from the Russians so far. They emphasized that they were prepared to buy oil from the U.S.S.R. in the same way as from any other country, but "the price must be right." An oil man said the petroleum industry doubted if the Russians could spare any large supply.

Oil, Friendship Problems Facing Washington Experts

WASHINGTON (AP) - Administration officials concerned with the petroleum shortages spreading rapidly in Western Europe because of the Middle East crisis are wrestling with a two-pronged problem. On the one hand, there is deep concern at the widening split with Britain and France and a desire to demonstrate U.S. friendship and support for those U.S. allies where possible. On the other, there is fear that if U.S. oil supplies start moving to Europe in great volume the reduced supplies still going to Europe from Arab countries in the Middle East may be jeopardized.

Fresh urgency has been assigned to U.S. plans for oil deliveries from the Western Hemisphere to offset the grave shortage caused by the blocking of the Suez Canal and damage to pipelines which followed the British-French-Israeli attack on Egypt. However, it is understood that London and Paris have been set in motion until there is a definite public commitment that all British and French forces will be removed from the Suez Canal area. This condition, of course, could be removed at any time by President Eisenhower if he should decide that immediate action was needed in the interest of preventing a further rupture in Allied relations. An indication of Washington's concern over relations with Western Europe came from the State Department yesterday. A spokesman denied that the United States is giving favorable consideration to any plan by which U.S. forces would be pulled out of North Atlantic Alliance countries in the foreseeable future. There have been some rumors that this country might agree to such a move if Russia agreed to withdraw troops from her satellites. Officials said the reason for the denial was that the United States does not want any of its allies to get the idea that American participation in the European defense system has been or will be in any way weakened. As for the problem of oil-hungry Western Europe, officials said the government is anxious to avoid generating Arab ill will or destroying the favorable attitude created in the Arab world by American denunciation of the attack on Egypt. The official conviction here is that the British and French governments do intend to withdraw all their forces from Egypt, and there is a feeling that firm declarations to this effect would not be an unreasonable condition for them to fulfill. That would clear the way for a finding that Britain and France were complying with U.N. demands for their withdrawal and thereby also paved the way for prompt U.S. assistance in meeting their petroleum shortages. Sen. Humphrey (D-Minn) and Robert R. Nathan, an official of Americans for Democratic Action, urged yesterday that the government take steps to help relieve the oil situation in Europe. Without American assistance, Western Europe faces a largely heatless winter with severe rationing on gasoline and a dangerous reduction in industrial operations.

CHEER FUND MUST GROW

Firemen have toys to repair, and must buy odd parts; a long list of names will be available Christmas, showing many poor children who are denied the joys of the holiday, unless there are "all-star Santas." This all adds up to the fact that the CHRISTMAS CHEER FUND needs your help. This is the 26th year the city's firemen have operated this program to help needy youngsters. It probably will be the year of record demand. Send check made to CHRISTMAS CHEER FUND to The Herald, or hand your gift to any fireman. Today's gifts: Anonymous \$20.00 Mrs. C. L. British Policy Termed Egypt Exit By Phases

LONDON (AP) - The British government announced today its policy calls for a "phased withdrawal" of British forces from Egypt.

The United Nations last Saturday called for immediate and total withdrawal of British, French and Israeli forces.

Lord Salisbury, the government leader in the House of Lords, told the upper chamber tonight:

"Our policy is that of a phased withdrawal."

"I understand that a battalion has already left."

Shortly before Salisbury spoke, Foreign Secretary Selwyn Lloyd told the House of Commons he was deferring a final statement on withdrawal pending consultations here tomorrow with French Foreign Secretary Christian Pineau. He said he would make a further statement Monday.

Lloyd strongly hinted that a step-by-step withdrawal was contemplated. After paying tribute to the United Nations for its continuing military buildup in the Suez area, Lloyd declared:

"Obviously, the buildup of the force must have an important relationship to a phased withdrawal of our own and French troops."

A qualified informant said last night the British plan is to begin within a few days a withdrawal in stages, but to leave behind a navy unit and civilian salvage experts who would help the United Nations clear the Suez Canal.

Lloyd told the House:

"The U.N. force has now been constituted and is growing in numbers, and I pay tribute to the speed with which the secretary general and his advisers have acted."

"By Dec. 1, there will be about 2,700 men in Egypt and within 14 days there should be 4,400, among which will be some 700 Canadian troops."

Lloyd said there should be an organized U.N. force on the ground within two weeks, with two armored car companies and supporting units.

Without elaborating on the "phased withdrawal," he went on to say that other important matters to be considered are the "speedy clearance of the canal and the negotiation of a final settlement with regard to the future operation of the canal."

Loud cheering from the conservative benches interrupted him here. Then he said decisions on these matters had to be discussed with the French.

Referring to the U.N. General Assembly debates on Suez, Lloyd described as "unrealistic" a resolution, supported by the United States, demanding an immediate withdrawal of British and French forces.

But he added:

"I found the atmosphere in the United Nations considerably improved and a wider understanding of our positions in certain sections of American opinion."

U.S. support for the "immediate withdrawal" resolution sparked anti-American feeling in Britain, especially among the right-wing segment of the Conservative party. A group of 122 Conservatives have put in a resolution "deploring" the American policy and condemning the U.N. resolutions.

U. N. Ouster For Hungary Possible

Dag Sets Deadline For Probe Answer

Trouble Brews

This map locates the area of mounting tension between Syria (shaded) and Iraq. Syria is giving indications of rapidly becoming the first Soviet satellite in the Middle East. Iraq is a member of the anti-Soviet Baghdad Pact, along with Turkey and Iran (all underlined). Also, Jordan's decision to consider closer relations with Russia could extend Kremlin influence from Turkey southward to the Red Sea on the Gulf of Aqaba (boxed).

Iraq Chief Stands Firm Against Coup

BAGHDAD, Iraq (AP) - Iraq's Premier Nuri Said is reported standing firm against a mounting campaign aimed at stirring up trouble in Iraq and discrediting his government. The controlling pro-Soviet army clique in Syria and the Egyptian government are believed sponsoring the campaign. Khalil Ibrahim, Iraqi information director, declared the Premier has no intention of quitting his post or making changes in his Cabinet "for the time being." The Baghdad military governor broadcast an appeal to the people urging them to be calm and not to yield to "subversive elements" which the government says are trying to incite widespread demonstrations. Nuri's government denied reports that dozens of persons have been killed and wounded in Iraq's main cities. It reiterated that only two civilians were killed and some police and civilians wounded in a clash in the holy Moslem city of Najaf, in southwest Iraq. Damascus radio declared 104 Iraqis were killed in four days of antigovernment demonstrations in Najaf. It asserted the "victims fell by police fire" as they protested against Nuri's government and demanded support for Egypt. Iraq has accused Syria of waging a campaign of subversion against the Nuri government. Syria has charged Iraq with seeking to undermine the governments of both Syria and Jordan. Egyptian Premier Nasser is believed spurring the Syrians on. Evidence of Syria's propaganda campaign is as marked in Baghdad as in Lebanon. It is sparked by radio broadcasts of inflammatory rumors. Ibrahim asserted in an interview that the greatest danger in the Middle East comes from open efforts of world communism to attack Arab stability. Ibrahim spiked one specific rumor broadcast by Syria—that Gen. Tarak Said, commander of the Habbaniya Air Base, had been arrested. The government also denied Damascus reports that army officers were being court-martialed for protesting British use of the Habbaniya base.

Inquest Due In Pistol Deaths

CORPUS CHRISTI (AP) - An inquest will be held tomorrow into the fatal shootings of three persons Monday. Killed were Marine Pfc. James Phillips, 21, Mrs. Mary Morrissey, 23, wife of an airman stationed in Florida, and Marine Pfc. Billy Crawford, 20. The bodies of Phillips and Mrs. Morrissey were found in an apartment near the Naval air station. Crawford borrowed a clip of pistol ammunition from another sentry and killed himself shortly after the others were shot.

Bunker Chosen

AUGUSTA, Ga. (AP) - President Eisenhower today chose Ellsworth Bunker, retiring president of the American Red Cross, to be ambassador to India.

"Your Paper Has Never Failed"

Retired Episcopal Bishop Seriously Ill

HOUSTON (AP) - The Rt. Rev. Clinton Quinn, retired bishop of the Episcopal Diocese of Texas, was in an extremely critical condition today at St. Luke's hospital. The churchman suffers from cancer of the throat. Hospital spokesmen said his condition worsened yesterday and last night.

Petting Blamed For Aching Back At Clinical Session

SEATTLE (AP) - A widespread ailment among women and girls, resulting in pelvic pain and backache, is traceable mainly to prolonged petting and other sex activities which are unhealthful, a University of Oregon physician said today. Estimates have been made that this condition affects 50 to 60 per cent of gynecological cases. Dr. David James told a clinical session of the American Medical Assn. The ailment is known as congested pelvis. In newlyweds it is called "honeymoon pelvis" and when applied to a woman long engaged to be married it is known as "engagement pelvis," James said. The physician said examination usually discloses congestion of the sexual and other organs "radial in the pelvis. Pain starts in that area and radiates to the back or down the legs. "Unphysiological sexual behavior, which are unhealthful, a factor," is the main if not the sole cause, James asserted. He explained that unphysiological in this case means any situation which causes prolonged sex excitement without producing a climax of sensation. Poor sex adjustment in married couples is a common type of unphysiological activity, he said. Sometimes the disease condition disappears after the doctor explains its cause to the patient. There are cases, however, which require extended medical treatment, James reported.

U. S. Grab Seen In British Criticism

LONDON (AP) - "The Americans are deliberately opposing British policies, deliberately wooing the Arabs, in order to kick us out of the Middle East and take our oil." That argument is heard increasingly in British discussions of the Suez Canal dispute. This attitude dominates the right-wing members of Prime Minister Eden's Conservative party. It also cuts across political boundaries. It can be heard on the official and man-in-the-street level. Even those who oppose what they call "Eden's War in Egypt" ultimately come around to questioning America's motives, etc., is the way it is put. The smell of oil pervades all arguments here. Everyone is aware that Britain's industrial machine and standard of living depend on oil from the Middle East. As a result there is suspicion of any move that could be interpreted as an American commercial victory at British expense. That is how American policy generally is being interpreted. American officials say it was "psychologically natural" for the British, confused and increasingly insecure as their nation's influence dwindles, to seek a scapegoat. The phrase "American oil lobby," is becoming common currency. It recalls the "China Lobby" description several years ago, when many Britons argued that American support of Nationalist China was leading the world to war. Stanley Evans, a Laborite, was forced to resign from the House of Commons because he supported Prime Minister Eden's Middle East policy. He said: "The American State Department is the impregnable fortress of the American oil companies and they see British Middle East oil growing to the stage when it might become competitive. "The Americans have been engrossed in two main struggles — one against communism and the other against the sterling area. And they have now made up their minds that the more important struggle is against the sterling area."

New Doctors Join VA Staff

Two new doctors have been added to the staff of the Veterans Administration Hospital here. They are Dr. T. Peyton Walton, formerly of Nashville, Tenn., and Dr. Robert M. Izard, who came here from Lucedale, Miss. Dr. Walton has been assigned to the medical services section and Dr. Izard is serving as surgeon and ward physician. Both have moved their families here. Dr. Izard, 37, was engaged in private practice at Lucedale at the time he accepted the post here. He and Mrs. Izard and their daughter reside at 1205 Mt. Vernon. Dr. Walton, 33, completed his residency at the Nashville General Hospital just before coming here. The surgeon, Mrs. Walton and their son and daughter are living at 604 W. 13th.

Hits Tax

Miss Janet Myers of New York poses, lipstick and compact in hand, in Washington before telling congressmen there is no more reason for a luxury tax on lipstick than on razor blades. Miss Myers went before a House subcommittee to protest continuance of the 10 per cent excise tax on such things as lipstick and face powder. She said she represented women executives in the toilet goods industry.

Britons Reverse American Feeling

LONDON (AP)—"Well," said our friend Percy the bartender, "the International situation looks a bit better today."
"We said it didn't look much better to us."
"Why, of course it is," said Percy. "At last they've produced a little pure confusion out of all that disorder."
"We asked what did he mean by that?"
"Why, for one thing," Percy returned, "the Jordanians have decided to finish with that friendship pact they had with us. So now us British won't have to fight the Israelis in defense of the Jordanians whilst at the same time fighting the Egyptians on the same side as the Israelis. This is a big improvement."
"We asked, had he noticed any other improvements?"
"Certainly," said Percy, "you take anti-Americanism for instance."
"I used to be the Conservatives and their old colonial types that were putting up America as the world's great defender of freedom."
"At that time the Laborites, who are anti-colonial, were condemning you Yanks as dollar diplomats and enemies of the welfare state."
"This Suez do has changed all that. The Conservatives now say the whole thing was a plot by you dollar diplomats to grab all the oil markets. Meanwhile the Laborites are praising you for telling Britain to get out of poor little Egypt, thus upholding freedom."
"You might say," Percy summed up, "that what you Yanks have lost on the swings you have gained back on the roundabouts."
"We asked, did he hear many complaints about the gasoline shortage?"
"Quite a few," replied Percy, "but the ones that are complaining the loudest are the ones who couldn't afford to own a motor scooter if an inch of petrol fell daily at high noon, like rain."
"By the way," he added, "do the Americans think Eden has a future?"
"We said we would prefer not to make any statements which might get us interned as an enemy alien."
"Well," said Percy, "we have three schools of thought on that in the pub right now. Here in the saloon bar, one school says Eden has upheld our honor and will come back from Jamaica still prime minister, while a second school says he has bungled everything and will come back from Jamaica as the ex-Prime Minister."
"We asked, what about the third school?"
"Some of those rough types in the public bar," said Percy, "are saying he won't even bother to come back from Jamaica, especially if it's a cold winter."

Steelworker Defies Union, Demands Dues Hike Ouster

PITTSBURGH (AP)—A 37-year-old steelworker who earns \$6,500 a year said last night he will accept the challenge of possible union disciplinary action in his fight to have the United Steelworkers rescind a \$2 monthly dues hike. The challenge was laid down by David J. McDonald, \$50,000-a-year president of the 1,200,000 member union.

Don Rarick, chairman of a self-styled "International Dues Protest Committee" within the union, said in a statement he not only will press his fight for a special union convention to rescind the dues hike but will continue his campaign to get enough support to run against McDonald next February when the USW holds its quadrennial elections. McDonald wound up a two-day meeting of the USW's 32-member executive board yesterday by saying Rarick and his followers were acting illegally under the USW constitution in demanding a special convention to rescind the dues hike. Rarick's committee was formed about two months ago in the wake of the USW National Convention which authorized that dues be \$5 monthly. They were \$3. Rarick works at the nearby Irvin Works of U.S. Steel Corp. McDonald told a news conference the dues increase had been approved overwhelmingly and said no action on the matter could be taken before the 1958 convention. The union chief threatened possible disciplinary action against those in the Rarick movement. He said the protesters are creating "confusion, distrust and turmoil" and their action is a step toward "dual unionism."

A source close to McDonald said later if charges of "dual unionism" are proven against a member at a union trial the member could be expelled from the USW. In his statement later, Rarick said he is "acting illegally" under the constitution and suggested that McDonald read it. Rarick claims the international officers must call a special convention if 25 per cent of the approximately 2,700 locals demand it. He claims about 150 locals now have requested the special convention and said resolutions from 688 are necessary. Rarick also said he has 8 locals backing him for president. He must be endorsed by 40 under the USW constitution, to have his name on the ballot. Atty. Arthur Goldberg, USW counsel, said a special convention can't be called except for new business. To permit special conventions to change by-laws, Goldberg said, would leave the door open to interminable special conventions and would be "anarchy."

Black Scars Spread Over California

LOS ANGELES (AP)—This year, as every year, great black, ugly scars are spreading farther and farther over the foothills and mountains of southern California. The area of valuable watershed

School Chief

Lawrence G. Dertlich, superintendent of schools at Chattanooga, Tenn., was picked by President Eisenhower to be U.S. Commissioner of Education. The recess appointment is subject to Senate confirmation in January.

blackened by fire during this disastrous season now totals more than 70,000 acres and the holocaust proceeds. Every acre of watershed that is burned off adds to the flood danger when the rains come later in the winter. Professional firefighters agree that California is probably the worst place in the nation for explosive brush and forest blazes. Sometimes sun-baked brush is so lacking in moisture there isn't anything to crackle — and a blaze races with a terrible swiftness and silence against the unwarmed firefighter. Last Sunday 11 trapped men died fighting a vast blaze in San Diego County's Cleveland National Forest that is still burning. The men were surprised by a wind shift, forced back against a cliff and boxed in.

"There was no confusion," said a survivor, Lionel Wood. "We did not know the fire was coming because it didn't make any noise." Sudden wind shifts, or heat-produced turbulence called "fire storms," can be as bad. This was the cause of California's most deadly fire in October 1933. Twenty-eight firefighters were trapped and killed in a canyon in Los Angeles' Griffith Park, a large wooded area. Fifteen men died July 12, 1953, in a Mendocino National Forest fire in northern California when a smoldering section of brush suddenly flared up. In a survey of firefighters and officials throughout the state most of them emphasized that California, and particularly southern California, is a top fire hazard area because of dryness, wind conditions, widespread vegetation and steep topography.

Winds Whip Up Raw Weather For Nation

By The Associated Press
Gusty northerly winds whipped up a batch of raw weather for the central part of the country today. The cold air from the Northern plains swept rapidly southward and eastward and extended from the Dakotas through the Great Lakes and southwestward through Texas and Arizona.

Temperatures ranged from near zero in northern Minnesota to around 40 in the Southwest. Snow flurries fell in the cold air belt from the Great Lakes southward through Missouri, Indiana and western Pennsylvania.

The cold air was expected to cover the Eastern half of the country from the Great Lakes southwestward through Texas and Eastward to the Atlantic Coast. Snow flurries were in prospect from Michigan eastward through Maine and southward through Tennessee.

In the Eastern third of the country, there was a general warming during the night and early morning. Temperatures were about 10 degrees higher than yesterday morning, ranging from the 30s in the North Atlantic Coast States to near 50 along the Gulf Coast. Lowest readings of the season were reported in many parts of Florida yesterday morning, damaging tender vegetables in most farming areas. It was below freezing in northern and central areas but sunny skies sent readings into the 60s during the day.

Temperatures in the teens prevailed throughout yesterday from the Dakotas to the northern Great Lakes region. The strong northerly winds which brought freezing weather into the Central Plains and lower Missouri Valley stirred up clouds of dust from Kansas to eastern New Mexico. Generally fair weather prevailed in most of the Western half of the country. Temperatures in the 80s were in prospect for southern California, the same as yesterday.

Pageant Planned

TULSA (AP)—Plans for a pageant to be staged here June 1-3 dramatizing the colorful history of Oklahoma during the past 50 years were unveiled last night.

Big Spring (Texas) Herald, Thurs., Nov. 29, 1956 3-A

Charged In Deaths

Police officers help Air Force T.Sgt. Jack Ubel, 48, from a St. Paul, Minn., courtroom where he waived extradition to California to face murder warrants in connection with the death of three premature babies to his unmarried 29-year-old daughter. Ubel collapsed as the proceedings ended. Ubel told St. Paul authorities earlier he "might have been the father" of two of the babies.

Drive Starts For Chapel At Austin State School

AUSTIN — A chapel for the children at the Austin State School is turning from a dream to a reality. A state-wide money-raising campaign for the \$76,000 chapel is being launched by the Austin Council of Church Women, the Volunteer Council for the School and the Austin Jewish Community Council, Raymond Vowell, school superintendent, announced.

For the 1,900 mentally retarded children from all over the state who reside at the Austin State School, a non-denominational chapel will offer a place of worship and a place for prayer. Two Austin architects donated their services in designing the chapel. The chapel will provide ample space for wheelchairs for cerebral palsied children and others who cannot walk. Under the raised altar, there will be offices for the minister, priest and rabbi. The chapel will house 500 children during a service. For nearly 40 years, the children have attended church and Sunday school classes in the schoolhouse.

Gov. Allan Shivers and members of the Board for State Hospitals and special schools have endorsed the project. There are presently no chapels at state-supported institutions of this kind. Contributions, which are tax deductible, can be made to Chapel for the Children, Austin State School, City National Bank, Austin.

Ike Names Aide To Handle Refugees

AUGUSTA, Ga. (AP)—President Eisenhower today named Tracy S. Voorhees, former Undersecretary of the Army, to coordinate the Hungarian refugee program and study whether more than 5,000 should be admitted to this country.

White House press secretary James C. Hagerty said Voorhees, now a New York attorney and a consultant to the Defense Department, is taking over the new assignment immediately and will serve without pay. The President recently directed that up to 5,000 refugees from Soviet oppression in Hungary be admitted to the United States. The first groups have been arriving at a reception center at Camp Kilmer, N.J., and elsewhere since Nov. 21.

Hagerty said anew today it has

Conservationists Inspect Irrigated Grass Plantings

Two conservation tours were made to Levelland recently by farmers and ranchers from the Big Spring area to see grass plantings under irrigation. Grasses seen were blue grama, Uvalde side oats, Caucasian bluestem, Indian-grass, and blackwell switchgrass. Men attending were Lawrence Adkins, Charles Eberley, A. G. Donelson, Richard Johnson, Cecil Phillips, Bob Spears, Marion Everhart, Edward Bigham, O. L. Rush, Frank Loveless, J. V. Hewett, Cecil Hyden, and Roland Willis.

Those making the tours are primarily interested in irrigating grass for seed production. There is a shortage of grass seed in this area and local seed sources are necessary to fulfill the demands brought about by the soil bank and the desire of land owners to put land unsuitable for cultivation back to grass.

Range surveys have been completed on the following ranches: W. L. Wilson, north of Luther; and R. W. McNew, west of Fairview. Range use checks have been completed on the following ranches: W. L. Longshore, Big Spring; B and J Fisher Ranch operated by Joe Fisher, Big Spring; Marion Edwards, south of Coshoma; W. D. Anderson, north of Coshoma; and Bob Ballinger, north of Garden City.

Airman's Term Probated In Fraud Case

A 21-year-old airman from Webb AFB, described as a "model airman," was given a six months probated sentence in U.S. District Court in Abilene Wednesday.

The airman, DeWitt Tidwell Jr., was charged with aiding, abetting, and inducing Lanette Barnhart in making a fraudulent claim for money as an allotment to the alleged wife of a serviceman. The allotment claim was for \$91.30. Tidwell was described as a model airman by three of his superiors from WAFB who gave testimony in his case. His squadron C.O., Lt. A. Martin said that if Tidwell were given a probated sentence, he was sure the Air Force would allow him to remain in service, due to his outstanding ability and prior service.

Judge Joe Ewing Estes was presiding. A charge of draft evasion against a Big Spring man, Juan Luera Badillo, was dismissed at request of U. S. Attorney Heard L. Floore of Fort Worth. Floore said the charge was dismissed after it had been discovered that there had been a defect in the induction process when Badillo was ordered to report for induction.

Santa To Visit Stanton Dec. 14

STANTON—Santa Claus will pay his first 1956 visit to Stanton at 2 p.m. Dec. 14. He will visit with local boys and girls on the courthouse lawn while bags of fruit and candy are passed out inside the building. The Martin County Junior Chamber of Commerce is sponsoring Santa's annual visit with other civic groups assisting.

Artist Says He's Not A Businessman

KANSAS CITY (AP)—Thomas Hart Benton says as an artist he is no businessman. He sent his attorney to the city division of revenue today to argue the point.

The city last week billed the famed painter for the \$25 municipal occupation tax. "Of course I don't object to helping out a city in need, especially one which offers such pleasant living and such varied entertainment," Benton wrote the Kansas City Star. "But I do think there is a principle involved."

"Art is a vocation. Its money returns are too erratic, too uncertain to be classified as those of a business. People practice art year after year with complete artistic success and never make a red cent out of it. Such devoted practice certainly should not be penalized."

"A rough future for art is ahead if artists... must pay for the mere right to perform." Curtis T. Thatcher, city commissioner of revenue, disagreed. "As I interpret the ordinance," he said, "Benton is required to be licensed. He is carrying on a business enterprise like other people and should be taxed."

er and seaway development. Hence the tax bill. Benton pointed out he does his painting in a barn located in an area not zoned for business position. Besides, he said, most of his financial transactions are handled in New York. "I think the city hall should dig up a better excuse for getting dough out of me," he said.

A&M After Clear Grid Title Today

By **WHITEY SAWYER**
The Associated Press
The Southwest Conference football week ends this week with a storied jinx and a possible tie for the championship up for grabs.

Thursday Texas meets Texas A&M in Memorial Stadium at Austin, where the Aggies have never won. But seldom have they been so favored.

TCU plays SMU at Dallas Saturday. Should Texas keep the jinx alive and beat A&M and TCU beat SMU, TCU would share the championship with A&M.

Regardless, TCU goes to the Cotton Bowl New Year's Day since the Aggies are on probation. Rice plays Baylor at Waco Saturday and a victory by Baylor would make the Bears strong prospects for the Sugar Bowl.

A&M (8-0-1) is favored over Texas (1-8), TCU (6-3) over SMU (4-5), and Baylor (7-2) over Rice (4-5).

Coach Bear Bryant said earlier this week he was dissatisfied with the workouts, but his Aggies were in good physical condition for the regionally televised game.

Texas coach Ed Price has resigned and the Longhorns have never lost all their Southwest Conference games, giving them added incentives.

TCU coach Abe Martin said the Horned Frog drill was "dragging" Wednesday. But he has eight seniors in the starting lineup and tackle Don Cooper's foot injury had healed so it looked like TCU would be at full strength.

SMU had problems in the backfield. First string quarterback Charlie Arnold is out with a bruised kidney and Larry Click had a bruised shoulder and injured ribs. David Musselwhite, who played only one minute of varsity ball all season, quarterbacked the first unit in practice Wednesday.

Lon Slaughter was injured in the Baylor game and Hal Blittenbender was running a right half. Coaches said the first string line was in good shape.

The Mustangs also had a "win one last game for the coach" setup with Chalmer Woodard announcing Wednesday he would not seek renewal of his contract next year.

Rice trainer Eddie Wojcicki said Buddy Dial, top pass receiving end, was healing fast. Dial, who braced a hip against TCU, was expected to be able to play Saturday.

The Owls avoided contact work Wednesday but rehearsed every phase except extra points and punt returns.

Baylor also avoided contact but ran an extensive drill. The Bears emphasized defense, play timing and kicking. Coaches said the team was in fine shape and would go through its last hard workout Thursday.

O'Brien Runs True To Form

Running true to form, Parry O'Brien, Travis Air Force Base, Calif., tosses the shot put during finals at the stadium in Melbourne, Australia. He set a new Olympic record with a toss of 60 feet 11 inches to win the event.

Cullum Attends Philly Classic To Watch Navy

DALLAS (AP)—President Bob Cullum of the Cotton Bowl will attend the Army-Navy game at Philadelphia Saturday obviously to invite Navy if it wins.

Cullum would not confirm that Navy is to get the bid and insisted that four teams still were in the running. But when it was revealed today that he would be in Philadelphia for the classic, it became generally understood that the Midshipmen were the Cotton Bowl's No. 1 choice.

Navy is liked by TCU, the host team in the Cotton Bowl.

TCU wanted Navy last year and President Felix McKnight of the Cotton Bowl attended the Army-Navy game to extend the invitation, but Army upset Navy and Mississippi got the bid.

Cullum listed Navy, Georgia Tech, Tennessee and Syracuse as the teams under consideration for the visiting spot in the Cotton Bowl. But it was revealed by other sources that Tennessee already had been written off on the assumption that it was going to the Sugar Bowl and that Georgia Tech was last on the list because it already had played here this season, barely beating SMU.

Syracuse, which has finished the season, is rated No. 2 and undoubtedly will get the bid if Navy isn't available.

Tropical Racing Season Under Way

MIAMI, Fla. (AP)—Florida's long thoroughbred racing season got away to a booming start yesterday when 14,248 spectators poured a record \$839,773 through the pari-mutuel windows at Tropical Park.

The crowd, while not as large as on Thanksgiving Day, 1952, broke the betting record set that day at \$823,563, and led track and Florida State Racing Commission officials to look for a banner season that runs through next April 23.

River Delta farm's Deacathlon, 3-year-old won the first division of the Tropical inaugural with a scintillating performance. It equalled the track and world record set by Nance's Ace in 1944 and tied in 1955 by Bold Bazooka at Hollywood Park in California at 1:03 1-5 for the five and a half furlongs.

Deacathlon won by four and a half lengths over Elkcam Stable's Apollo. War Age was third.

Seven Schoolboy Playoff Games Are On Tap Today

By The Associated Press
Seven games Thursday get the Texas schoolboy football race in the stretch drive for the state championships.

In Class AAAA defending champion Abilene awaits a Friday afternoon date with Yaleta.

Undeclared, untied Wichita Falls and Dallas Highland Park both play Thursday games. Wichita Falls hosts four-time loser Tyler. Highland Park takes on 6-1-2 Dallas Crozier Tech Thursday.

In other first round games of this division Houston Sam Houston and Houston Lamar tangle Friday along with San Antonio Jefferson and Alice at Alice. Saturday finds Beaumont at Baytown, Waco at Corpus Christi Ray and Fort Worth Paschal at Amarillo.

Littlefield and Andrews get the first round of AAA off and running Thursday in a clash at Andrews. But most of the games of this division are Friday. Snyder, state title favorite, meets Graham at Graham Saturday. Nederland, heralded power of the south, plays through their second round with the favorites of Class AA—Stamford and Deer Park—meeting Canyon and Devine respectively.

Two games are scheduled Thursday. Crane and Coleman tangle at San Angelo and Deer Park at Devine.

Friday Canyon and Stamford play at Childress. Burk Burnett and Terrell at Denton. Bonham and Gilmer at Paris, Brady at Hills.

Behrens Seeking Game For Dec. 7

COAHOMA (SC) — Coahoma is seeking a girls' basketball game, to be played in Coahoma, the night of Friday, Dec. 7.

On that occasion, Westbrook plays the Coahoma boys' team. Coaches interested can contact Coach Dub Behrens at Coahoma High School.

Texas Film Planned

BRYAN, Tex. (AP) — Hollywood camera crews will come to Texas within six months to film a story based in part on the growth of the Milk Bowl, a football game for kids.

boro, Giddings at Navasota and Sinton and Hebronville at Fallsburg.

In a favored Stinnett plays Farwell Thursday at Hereford. Gasston and Mart battle at Palestine. Friday Canyon and Stamford play together at San Angelo, Eastland and Henrietta at Wichita Falls, Groveton and Humble at Huntsville, Hondo at Bastrop and Hallsville and Bishop at Retegio. Saturday William-Hutchins and Linden clash at Commerce.

Kloven And Powell Named Jayhawk Cage Captains

Al Kloven has been named captain of the 1956-57 Howard County Junior College basketball team, which is now in training for its home court debut against Decatur Baptist College here next Tuesday night.

Mike Powell has been named co-captain.

Kloven is a returning letterman who played high school ball for Big Spring. He lettered two years with the Steers and was recipient of the Ted P. Hill Sportsmanship award his senior year in high school.

As a high school senior, he scored 305 points and was chosen on second team All-District.

Although he missed most of the Jayhawk games in December last year due to an injury, Kloven wound up a month's leading scorer and was considered a regular.

Powell, one of the school's fine

all-around athletes, hails from Coleman, where he won three basketball letters.

He was team captain, all-district, all-area, third team all-state and was high scorer for both the team and the district, averaging about 20 points a game.

Powell wasn't a starter for the Jayhawks last season but was one of only three players that reformed in all of HCJC's games.

MM Is Suggested For Football Post

AUSTIN (AP)—The University of Texas has received plenty of suggestions on the coach's job and will start interviewing applicants in a couple of weeks. Dr. O. B. Williams, chairman of the athletic council, said today.

Marilyn Monroe, film star, was projected. As much as they'd probably like to, however, the Athletic Council won't include blonde Marilyn in the interviews.

Among the actual applicants for the post vacated through resignation of Ed Price were some 10 coaches, including a couple of high school coaches, but none were received from established mentors, Dr. Williams said.

He added that he hoped the Athletic Council would be able to make a nomination to the board of regents by Dec. 15.

Texan Is Named 'Sandlotter'

WICHITA, Kan. (AP)—Toby Newton, 19, lefthand pitcher from Galveston, was named baseball's "sandlotter of the year" today.

Newton, a junior at Texas A&M, pitched three wins which carried the Alpine, Tex., Cowboys to third place in the tournament sponsored here last summer by the National Baseball Congress.

The congress called him semi-pro baseball's "best young prospect for future stardom in the majors." He will receive a plaque at the 1957 Texas semi-pro tournament.

The congress cited the Sinton, Tex., Plymouth Oilers as the top industrial team.

Newk Is Given Young Award

By **JOE REICHLER**
NEW YORK (AP)—Don Newcombe was all set today to argue his case for a sizable salary increase with Cy Young Memorial Award added to his National League's most valuable player prize.

The huge Brooklyn righthander, slated to hold a salary confab with Dodger Vice President E. J. Bavasi this afternoon, was honored for the second time in a little over a week yesterday when he became the first winner of the annual award given to the outstanding pitcher of both major leagues.

The latest accolade is awarded in the memory of Denton (Cy) Young, the immortal Hall of Fame pitcher who won an incredible total of 511 major league games.

Only last Nov. 20 Newcombe had been voted his league's MVP award, becoming the first pitcher to gain this honor since Jim Konstanty of the Philadelphia Phillies in 1950.

Newcombe received 10 of the 16 votes from a special committee of the Baseball Writers' Assn. of America, consisting of representatives of each of the 16 big league clubs. Sal Maglie, Don's pitching mate with the Dodgers, was runner-up, just as he was in the MVP voting, with four votes. One vote each was given to southpaws Warren Spahn of Milwaukee and Ed Ford of the New York Yankees.

Kerby Farrell Is Signed As New Pilot Of Indians

By **BILL NEWKIRK**
CLEVELAND (AP)—Pleasure teasing his face into an almost constant grin, Kerby Farrell emerged in public last night as the new manager of the Cleveland Indians.

So far as could be learned from him or Cleveland, Farrell took the job with no definite understanding on either the length of his contract or his salary.

"All I wanted was the chance to manage a big league team, and this was it," said the 43-year-old native of Tennessee who piloted the Indianapolis Indians to baseball's Little World Series championship last fall. "I can't tell you how happy and thrilled I am to get it."

A common guess is that Farrell will get around \$25,000 in his first year as the 16th manager in the American League history of the Indians.

His succession to Al Lopez, who quit the Indians last September and later was hired to manage the American League history of the Indians.

His succession to Al Lopez, who quit the Indians last September and later was hired to manage the Chicago White Sox, was formally announced at a press conference in a downtown restaurant. No one was surprised.

As Cleveland manager, Farrell becomes head of a club that finished the pennant drive second to the New York Yankees last season and was somewhat of a disappointment to its management and fans.

Indianapolis last season won the American Assn. pennant and swept the Little World Series from Rochester in four games.

Divorcee Taking Moore To Court

CHICAGO (AP)—An Ohio divorcee filed three suits totaling \$750,000 yesterday against light heavyweight boxing champion Archie Moore, who is fighting for the heavyweight title tomorrow night.

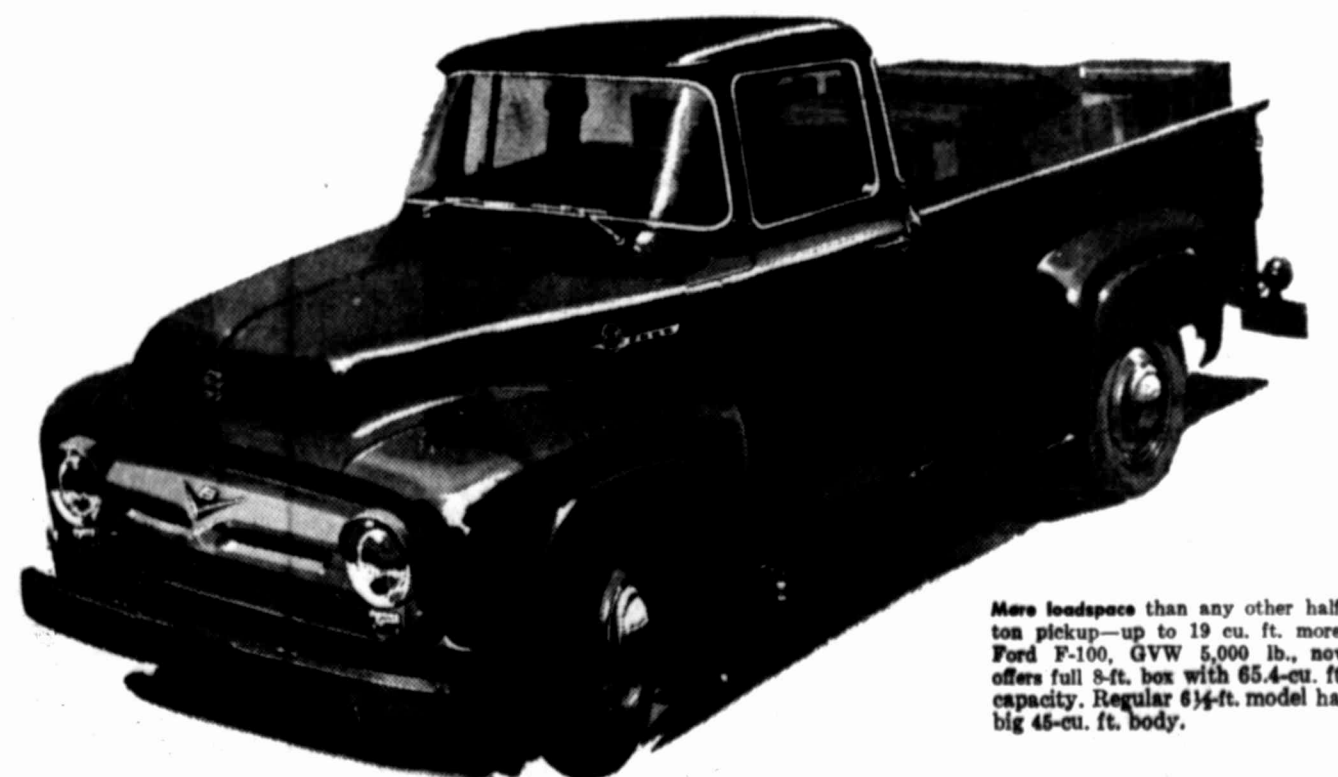

The actions were brought by Dolree Mapp, 28, divorced wife of Jimmy Bivins, former heavyweight boxer. She accused the Negro boxer, 39, of various malicious sexual acts.

The suits by the Mapp woman, a Negro, accused Moore of beating and forcing her to submit to him after tying her to a bedpost. A second charges Moore failed to keep a promise to marry her and she permitted intimacies in hopes of a wedding. The third suit alleged Moore forced his attentions upon the Mapp woman's daughter, Barbara Bivins, 12.

Pierce Applies For SMU Post

DALLAS (U.S.M.U.)—SMU won't start looking for a football coach to replace the resigned Woody Woodard until after Saturday's closing game with TCU. But it already has one applicant.

CHALMERS WOODARD
He's Had Enough

A few hours after Woodard resigned yesterday with the statement "I feel it would be to the best interest of future SMU support and harmony if a change is made," Red Pierce, coach of Sam Houston, announced he would seek the post.

Pierce, coach at Sam Houston for four seasons, has a record of 27-10-2 and two bowl teams. His undefeated team plays Middle Tennessee in the Refrigerator Bowl at Evansville, Ind., Saturday.

Matty Bell, SMU athletic director, stressing that no pressure was brought, said steps would be taken "as quickly as we can" to fill the position.

Woodard, in four years, had a record of 19 victories, 19 losses and 1 tie. His team this year has won four games while losing five, declining rapidly in its last three games.

Woodard's one-year contract, given him last spring when his original 3-year contract was up, has until July 1 to run.

Woodard was hung in effigy on campus Sunday.

Webb's Keglers In Tournament

Webb AFB's bowling team continued its winning ways by defeating Abilene AFB the past weekend in a six-game match.

Webb swept all six games and boasted a 421-pin edge at the finish.

Harry Heiss twice hit in the 200's for Webb, getting a 200 and a 200. Jack Starnes of Webb had the high series, 550.

McGillivray of the visiting team posted a 201-206 to pace the losers.

Webb sends its keglers to Albuquerque, N. M., Thursday for a three-day invitational tournament, at which time they will compete against 35 other AF teams.

1st Rhubarb Flares In Olympic Games

MELBOURNE (U.S.)—America's Olympians stuffed their 19th victory into an already bulging bag of gold, set up another in the demanding decathlon and gave Russia a 30-point whipping in basketball today. But they surrendered the spotlight to the first full-fledged rhubarb of the 1956 games.

The 3,000 stepladder, which usually manages to produce a surprise, came through in king-sized fashion when rank outsider Cris Brasher of England won, lost, then won again after hitting the tape a full 15 yards clear in a record-smashing performance.

The Olympic jury of honor finally awarded Brasher the gold medal after he had first been announced the winner, then disqualified for interference in favor of Hungary's Sandor Rozsnyoi.

A squabble over the result raged long after Villanova's Charlie Jenkins had rushed home first in the decathlon and basketball All-America Bill Russell had smothered Russia, 85-55.

55 TO 50 Sterling Outlasts Pyote In Regional

ODESSA (SC)—Diddle Young's Sterling City Eagles of District 8 defeated Pyote, 55-50, in an all-out offensive struggle to win Regional six-man football honors here Wednesday evening.

Bill Young led the War Birds to victory, scoring two touchdowns and passing for four more.

Joe Holt kept Pyote in the contest by counting three TD's and flipping aerials for three others.

The regional crown was the second in three years won by Sterling.

Wilbur Stone caught one of Young's touchdown passes, Jimmy McWhorter two and Kelton Gaston the other one. Melvin Foster counted two touchdowns on runs for the Eagles.

Stone accounted for four of Sterling's points by kicking twice after Eagle touchdowns. McWhorter made it into the end zones twice for PAT's on passes while ynn Glass got the other the same way.

Harold Coursey of Pyote eight times tried kicking PAT's but made good on only one attempt.

Sterling City led at half time by a score of 28-0, moving to the fore with less than 40 seconds remaining on the clock when Young went 30 yards across the double stripes.

Holt and Don Chrane each counted three touchdowns for Pyote. Sisto Sals made it across the double stripes twice.

Thomas Has One Of Best Weeks For Crappie Fish

Cold weather has dictated some change in fishing habits, but didn't slow the crappie fishing appreciably at Lake J. B. Thomas.

Although fishermen had to shift their locales in some instances to find the new haunts of the crappie, they again were catching the bigger ones. H. C. Reid, patrolman, said it was one of the best weeks of the season for crappie fishing.

Roy Anderson and party from Big Spring caught 40 large crappie at the Willows, then came back the next day to about duplicate the feat.

Despite high wind last Sunday, several good strings were taken. On Monday, Melvin Anderson and wife caught a number of crappie, plus a dozen or more cats which ranged up from a pound.

In fact the luck was running so good that Reid himself got the fever on Tuesday and teamed with Claud Hodnett and hooked 50 large crappie. They also took a 4-pound cat.

"We have marked the island known as Cat Island with two large sized barrels as a place for anchoring boats," he said. "This is an ideal crappie bed if the wind is not too high. It might be well to get directions from me or any of the concession operators as they have many well baited and marked places to accommodate crappie fishermen."

"All you need is some good warm clothes and a bucket of minnows and a little luck to get all the crappie you want."

Trotline bait has been a little hard to obtain, and the weather has been a little cool and blustery for running lines. However, several fair catches were reported.

L. E. Duncan, Big Spring, caught a 14-pounder and a 4-pounder.

Goodyear Team Opens Season

AKRON, Ohio (SC)—The Goodyear Wingfoots, a "dark horse" candidate for honors in the National Industrial Basketball League, have opened a 28-game 1956-57 schedule with a steady diet of college opposition.

The Wings play Mount Union College here Dec. 1.

First NIBL opponent will be the powerful Wichita Vickers, who will play in Goodyear gym on Friday, Dec. 7. The Vickers, a second-year entry in the IBL, feature two seven-foot centers. Wade "Swede" Halbrook, who measures 7-3 and won All-American ranking at Oregon State, and Don Boldeback, a seven-footer from the University of Houston.

Although he considers every player on his 18-man squad capable of a starting assignment and intends to substitute accordingly to meet game situations, Coach Hank Vaughn is expected to go with the following starting line-up: Ronnie Mayer (6-4, Duke) and Chuck Slack (6-5, Marshall), forwards; Hank Daubenschmidt (6-6, St. Francis, N. Y.), center; and S. L. Shofner (6-7, Central Oklahoma) and Wally Walowac (5-11, Marshall) guards.

Other members of Goodyear's talented roster are Joe Durrenberger (6-7 Rice), Eben Morgan (6-6, Duke) and Paul Brownlee (6-4, Steubenville), forwards; Gary Shivers (6-9, Houston) and Gene Carpenter (6-3, Texas Tech), centers; and Billy Bates (6-8, Eastern Kentucky), George Swyers (6-3 West Virginia Tech) and Dick Barr (6-3, Rio Grande & Findlay College), guards.

Carpenter is a native of Big Spring, Texas.

Daubenschmidt, Shofner and Shivers are veterans. The remainder are first-year players.

Linksters Poised

WEST PALM BEACH, Fla. (U.S.)—A host of professional golfers and many amateurs including Bing Crosby and band leader Phil Harris tee off today in an 18-hole pro-am golf tournament which is a prelude to the \$10,000 West Palm Beach Open which starts tomorrow.

Vet Coach Quits

BATON ROUGE, La. (U.S.)—Coach Harry Rabenhorst, who guided Louisiana State's basketball team to three Southeastern Conference championships in 28 years, will resign at the end of the present season.

Records Are Set

DALLAS (U.S.)—Two season highs were added to Southwest Conference football last week. Baylor made 80 rushing plays against SMU and Jerry Hall of Rice kicked a 25-yard field goal against TCU.

Moore Could Be In For Trouble

CHICAGO (U.S.)—If Floyd Patterson can take a punch, Archie Moore may be in trouble tomorrow night when the world's heavyweight boxing title goes up for grabs at Chicago Stadium.

Patterson, 21, can be hit, and has been. Only once, however, has he been floored. That was by Jacques Royer-Crezy July 12, 1954, Floyd's 15th pro bout.

"This fellow hit Floyd on the break with a right," recalls Cus D'Amato, manager of the 1952 "I insisted it was a slip. But Floyd told me, and the press, that it wasn't. Anyway, Floyd got right up. He knocked out Royer-Crezy in the seventh."

Most of the other guys who have hit Patterson were feather dusters compared to the power-packed Moore, who in 20 years of slogging has won 131 fights out of 156 and scored 90 knockouts.

In being steered through a wide assortment of opponents by the crafty "pick-the-spot" handling of D'Amato, Patterson has lost only once while growing up to heavyweight proportions. That was a disputed eight-round decision to Joey Maxim before he took on Royer-Crezy.

Most experts feel Moore will get a chance to test Floyd's chin early in the scheduled 15-rounder, which is being home televised and broadcast, NBC, 10 p.m. EST, with Chicago and a 150-mile radius blacked out.

"If Moore hits Patterson early and the kid survives, then Moore is in trouble," one observer said.

"Patterson then will come on, and his speed and lightning-fast punches will have Moore in hot water."

"But if Moore hits Patterson and hurts him, then he can call his own shots. I think Moore will try to hurt him early."

Lamesa Workouts On Court Begin

LAMESA (U.S.)—Basketball workouts began this week in the Lamesa schools, with athletes from the sixth through the twelfth grades competing for starting places on the five teams that will be playing. At Lamesa High School, 30 boys turned out for the initial practice session, with more expected.

Only two lettersmen are returning for Coach O. W. Follis' Golden Tornado varsity squad. They are Jim Barr and Wayland Holladay. Bobby Clement, who was injured most of last season, Euell Prather, Sam Jones, Doyle Goolsby, and Bill Glibreth all saw a little variety action, however. J. L. Mayhew was ineligible last year, but should bolster the Tors' chances in the district considerably.

Webb Corbin, Kenneth Hubbard, Frankie McKinney, Jackie McKinney, Jerry Jones, Jerry Beck and Ronnie Hamilton and saw either freshmen or "B" competition last year and are expected to see duty with the varsity this year. Of the group last mentioned, Corbin is probably the cager most likely to develop into a starter before the end of the season.

The Tornadoes open against the Big Spring Steers Monday, Dec. 3, at Big Spring. They will play every night following for six nights, except for Wednesday night.

Doe Hunters Active

LLANO, Tex. (U.S.)—The third antlerless deer season begins Saturday in Llano County with indications doe hunters are in for a good time. Mason, Gillespie and Medina counties will also be hosts to the hunters Dec. 1-15.

NO WONDER STRAIGHT WHISKEY SALES IN TEXAS INCREASED 38% IN RECENT YEARS...

MRS. JOHN LEONARD BERRY

Shirley Ward, John Berry Are Wed In Candlelight Ceremony

Before a background of white gladioli, emerald fern and candles, Shirley Ann Ward became the bride of John Leonard Berry Wednesday evening in the chapel of the First Methodist Church.

Mr. and Mrs. C. P. Ward, 707 East 12th, are parents of the bride; the bridegroom is the son of Mr. and Mrs. W. D. Berry, 106 Canyon Drive.

Dr. P. D. O'Brien, pastor of the First Baptist Church, read the double ring vows as the couple knelt on a white satin prie-dieu. This was placed in front of an altar marked with a sunburst arrangement of white gladioli, fern and white satin bows. Three brass candlesticks held large white cathedral tapers.

On each side of the altar were white wrought iron candelabra holding white tapers and combined with fern trees. Plumose fern and candles decorated the chancel rail. Pews were marked with bows of white satin ribbon.

A prelude of organ music was played by Betty Earley, who accompanied Margie Beth Keaton as she sang "Always," "Love Me Tender," "Because," and "The Lord's Prayer." Miss Earley used the traditional wedding marches for the processional and recession.

BRIDAL GOWN

Wearing a gown of imported white petal point lace over net and taffeta, the bride was given in

marriage by her father. The fitted bodice was designed with a heart-shaped Sabrina neckline and tiny sleeves, which were completed with gaunlets of lace.

The skirt, fashioned of tiers of lace petals, ended in a slight sweep in the back and was worn over hoops and crinoline. A coronet of pleated tulle and lace, embellished with seed pearls, held a veil of silk illusion.

A cascade arrangement of white gardenias and Frenched white carnations combined with white tulle and satin streamers to make the bride's bouquet.

Following tradition, the bride wore her mother's wedding ring for something old; a strand of pearls, a gift from the bridegroom, was something new. She had borrowed earrings from Mrs. Ralph Walker, and she wore a blue garter. A penny was in her shoe.

Attending as maid of honor was Pat Dunn, attired in a pastel blue faille princess frock. She wore long white gloves, and her tiny white hat was embroidered with iridescent blue beads and sequins.

Her flowers were white pompon chrysanthemums made into a nosegay of blue tulle and satin streamers.

Harry Berry served his brother as best man; ushers were G. H. Hayward Jr., Fort Worth, a cousin of the bridegroom, and C. P.

Ward Jr., brother of the bride. They also lighted the tapers.

Parents of the bridal couple, the best man and the maid of honor assisted in receiving the wedding guests at a reception held in Fellowship Hall at the church.

Tiny light blue cakes surrounded the three tiered cake, which was frosted in pale blue with silver and blue frosting flowers. A small bride and groom stood atop the cake.

WEDDING BOWL
Another tradition followed by the bride was the rite of placing a piece of cake in a wedding bowl; this was to insure the fulfillment of her wish, made as she put the cake in the bowl.

Guests were registered by Nita Hedleston; serving was done by Mrs. Norman Dudley and Dorothy Baker.

For a wedding trip to Austin, Mrs. Berry chose a dress of beige wool, fashioned with fitted torso and full skirt. She wore a small beige sequined hat, beige gloves and brown lizard pumps. From her bridal corsage, she wore a gardenia corsage.

When they return, the couple will be at home at 406 Park.

Both are graduates of Big Spring High School and both are attending Howard County Junior College. Berry has served in the United States Marine Corps.

Attending from out of town were Mrs. Ralph Scott and Darlene, Odessa; Capt. and Mrs. H. H. Wyatt and Diane, Waco; Mr. and Mrs. Harmon McLarty and Mr. and Mrs. Sam Brown, all of Lubbock.

7 MOTIFS Embroidered Angel

Cute angel motifs are quickly and easily embroidered to trim linens or wearables. No. 212 has hot-iron transfer for 7 designs. Send 25 cents in coins for this pattern to MARTHA MADISON, Big Spring Herald, 367 W. Adams St., Chicago 6, Ill.

Otis Chalk People Mark Thanksgiving

OTIS CHALK — Mr. and Mrs. E. O. Bassinger and Vickie are celebrating Thanksgiving in the home of Mr. and Mrs. Willie Geiger of Colorado City.

Mr. and Mrs. Bob Calley and Kevin were weekend visitors in the home of her parents, Mr. and Mrs. John Everts of Ira. Visitors in the Calley home this week were her sister and family, Mr. and Mrs. Weldon Ford and Connie of Abilene.

MRS. JOHN WELCH, Boston, Mass., says: 'I'm sure of accurate dosage with St. Joseph Aspirin For Children. My children like its pure orange flavor.'

ST. JOSEPH ASPIRIN FOR CHILDREN

East Fourth WMU To End Week Of Prayer

Members of the East Fourth WMU will conclude the Lottie Moon Week of Prayer observance Friday afternoon at the church, with the Kate Morrison Circle in charge. Circles have met at the church each afternoon except today.

Mrs. H. Reaves will be the study leader for the program, with the theme, "Saviour, Christ, The Lord." Theme of the entire week has been "Hallowed Be Thy Name"; Mrs. Gilbert Webb was in charge of the week's study.

Monday, the Lucy Belle Circle supplied the leader, Mrs. Lyndell Ashley. The study was titled "Wonderful, Counsellor."

Mrs. Sonny Rose of the Mollie Phillips Circle was the program chairman of the lesson on Tuesday with the theme, "Mighty God."

"Everlasting Father" was the subject of the discussion on Wednesday, with the Lydia Circle in charge. Mrs. Don McKee was leader for the program, which included a film dealing with the Week of Prayer. Mrs. U. E. Dickens supplied the commentary.

Monday afternoon, all circles will meet at the church at 2:30 to hear Mrs. Ernest Geer of Safford, Ariz. Mrs. Geer was, at one time, a member of the Mormon Church.

Leland Camp, Lamesa; Mr. and Mrs. Luke Williams, Coahoma; Mr. and Mrs. Byron Nell, Big Spring and Mr. and Mrs. B. D. Mason, Colorado City.

Deer hunters in Junction County have been D. L. Boyd, C. E. Boyd, Thomas Boyd and George Gray.

Guests of Mr. and Mrs. John Kubecka have been Mr. and Mrs. Felton Martin and family, Trichman, and Mrs. S. T. Crawford, Brownwood.

Mr. and Mrs. J. D. Gilmore and Tommy have visited recently in Abilene and Junction. While in Junction, they attended a Gilmore reunion. Gilmore's brother, Ray Gilmore, has recently returned from Chicago, Corpus Christi and Abilene.

Airport Baptist WMU
At an all-day meeting of the Airport Baptist WMU, Byron Hartin was guest speaker. Having recently been in Japan, he assisted with the study of the group on "Japan Advances." Other speakers were Mrs. Denver Yates and Mrs. Ruth Davidson. Twenty-four attended the covered dish luncheon and meeting.

Happy Thanksgiving — the last one of 1936 we hope! Perhaps next year with only four Thursdays we can all have a common holiday. Most people agreed they had rather have it on the first Thursday if we could just observe one. Who can afford two turkeys a week apart!

Kansas stuck to one holiday and several Kansans were in Big Spring for last week's celebration. MR. AND MRS. ROBERT T. MASON entertained her parents, Mr. and Mrs. Cecil Calvert of Hayes, and MR. AND MRS. CARL BENSON had her parents, Mr. and Mrs. Sam Gage of Emporia, as their guests. MR. AND MRS. LLOYD BOLES of Taron were visitors in the C. M. Boles home. They are his parents. His sister, Mrs. Ralph Cohen of Cimarron, accompanied her parents here and the two families took a quick trip to Carlsbad Caverns.

MRS. JOHN F. BROWN and son, Jimmy, are making the trip here with her parents, Mr. and Mrs. M. A. Cook. Her husband is in service and is now serving aboard the aircraft carrier, Bennington, in the Pacific.

Another daughter of the Cooks, Mrs. James Shaffer, has settled down this week in Oak Ridge, Tenn., with her husband and sons, David and Martin. Mr. Shaffer is employed at the research plant.

MR. AND MRS. WAYNE NANCE are spending the holiday in Comanche with his mother, who

Colemans Vacating At Ranch In Colorado

ACKERLY—Vacationing at their ranch near Jefferson, Colo., are Mr. and Mrs. V. J. Coleman and their son and his family. Mr. and Mrs. Dudley Coleman.

Bob Elthson, Gatesville, is visiting his daughter and her family, Mr. and Mrs. Chester Graham. John Rudeseal is attending a postmaster's convention in Graham this week.

Mr. and Mrs. A. H. Smith and Ronnie have been visiting their daughter and her family, Mr. and Mrs. Leon Williams, Lorenzo.

Joyce Springfield, Big Spring, visited recently with her parents, Mr. and Mrs. B. O. Springfield.

A business visitor to Andrews has been Marvin Coleman.

Mrs. Lessie Higgins has returned home after spending several weeks with her son and family, Mr. and Mrs. Allen Higgins, Saragoso. Mr. and Mrs. Leonard Hig-

gins, Lamesa, visited her recently. Visiting recently with Mrs. Emma Coleman has been her grandson and his family, Mr. and Mrs. Doyle Johnson, Brownfield.

Mr. and Mrs. J. T. Cook visited recently in Cleburne. Mr. and Mrs. Roy Weaver and son, Big Spring, were guests of her parents, Mr. and Mrs. Cook.

Guests with Mrs. Nora Oaks have been Mr. and Mrs. Jimmie Oaks and family, Hobbs, N. M., Mr. and Mrs. A. D. Rees and Mr. and Mrs. Ray Oaks, Odessa.

E. B. Baker, Seminole, visited recently with his parents, Mr. and Mrs. Buck Baker.

Garry Rhea, Midland, visited his parents, Mr. and Mrs. George Rhea, recently.

Mr. and Mrs. Rob Mabry were in Brownwood recently to visit their daughter, Delores, who is a student at Howard Payne College.

Clarence King Family Visitors In Westbrook
WESTBROOK — Mr. and Mrs. Clarence King and children, San Antonio, were visiting this week with her parents, Mr. and Mrs. Albert Young.

Mr. and Mrs. P. E. Clawson are in Corpus Christi where they attended the wedding of their daughter, Evelyn LaRue, to Calvin J. Findeisen.

Visiting in Midland with her daughter, Virginia, has been Mrs. Albert Young.

BPO Does Initiate Two Members

Mrs. Morris Prager and Mrs. Kay Morgan Williams were initiated into membership by the BPO. Does Wednesday evening. The group met at the Elks Lodge.

Plans were completed for the president's party which is scheduled for Dec. 8. Open to the public, the affair will be a chili supper at the lodge room from 6 to 8 p.m. with a dance to follow. Tickets are priced at one dollar for adults and 50 cents for children.

Members will take part in the Elks Memorial to be observed Sunday afternoon at 2 o'clock.

Seventeen attended the meeting, including the two new members.

Mrs. Read Is Speaker

Mrs. Norman Read of the Big Spring Garden Club, was guest speaker for the Rosebud Garden Club Tuesday morning in the home of Mrs. Neil Norred. Cohostess was Mrs. Roy Cornelison. "The Planting and Care of Roses" was Mrs. Read's subject. Fifteen attended.

Rebekahs Plan For Instruction School

LAMESA — Plans have been announced for a joint school of instruction to be held by Rebecca Lodge 90 and Berta H. Porter Lodge 260 to be held on Dec. 10 at the IOOF Hall. The announcement was made at the meeting of Lodge 90 recently. Mrs. Jones Lamar, district deputy of Big Spring, will conduct the school.

The Christmas committee told of gifts purchased for the boy which the lodge sponsors at the orphanage at Corsicana. The group also have adopted a local family with eleven young children and will provide their Christmas needs.

Twenty-five members and one visitor were present for the meeting.

County Judge Speaks To Jr. Forum Group

R. H. Weaver, county judge, was the speaker Tuesday for the meeting of the Junior Women's Forum. His subject was "Know Your County Government."

Food was collected to fill baskets which will be distributed both Thanksgiving and Christmas to needy families.

Mrs. H. W. Wright and Mrs. J. E. Fort Jr. were hostesses. The next meeting will be a Christmas party to be held Dec. 18 in the home of Mrs. Bill Tubbs.

Dianne Wash Honored At Birthday Party

FORSAN—Dianne Wash, daughter of Mr. and Mrs. Bob Wash, was honored with a party on her third birthday Tuesday. The birthday cake was in pink and green and held a miniature doll. Guests were Sue Seward, Judy and Sam Moreland, Mary Lane and Dianne Porter, Debbie Wash, Wanda Beeson and Robbie Wash.

Recent visitors in the M. Duffer home were Mr. and Mrs. H. F. Duffer, Brownwood, and Mr. and Mrs. Douglass Duffer, San Angelo.

Mrs. D. L. Boyd honored her son, Jerry Dean, with a party on his eighth birthday. Lynn Gray and Larry Wilson won prizes for the afternoon. Fourteen guests were present.

Mr. and Mrs. Jim C. G. have had as their guests Mrs. Bobby Baker and Debbie, Andrews and Mrs. Kenneth Baker and Donna Snyder.

Visiting in Midland have been Mr. and Mrs. C. L. Draper and Verna.

Mr. and Mrs. Walter Gressett were visitors in San Angelo recently.

Mr. and Mrs. Dan Fairchild and children, Jal, N. M. have been visiting his parents, Mr. and Mrs. M. W. Fairchild.

Guests of the T. R. Caps have been Mr. and Mrs. Arthur Gooch and children, Alpine; Mr. and Mrs.

This Looks Like Christmas

Few things look more like Christmas than a new doll — and Mrs. Mattie C. Lawson, 100 Algeria, gets that Christmas look. She was the Wednesday winner of a big bride doll in the merchants prize list for the Christmas shopping season. J. B. Wiginton, vice chairman of the committee, made the presentation. Today's winner will receive a cedar chest.

Chess Association To Urge Speed-Up Of Tournaments

Action to expedite tournaments is expected from the Howard County Chess Association this evening. The rules committee meets during the evening at the Service-men's Center, 112 E. 2nd, where the second "Thanksgiving" tournament will be held. Play today and Friday will be from 5 p.m. to 10:30 p.m.; Saturday from 2 p.m. to 11 p.m.; Sunday 2 p.m. to 7 p.m. Players who find the tempo too fast may be transferred to a more leisurely group, the rules committee indicated. Those who fail to appear may be penalized. Chamber of Commerce directors will use the suggestions as a guide in planning next year's program.

Steer Brings Record Price

CHICAGO (AP)—The grand champion steer of the International Livestock Exposition sold today for \$20.50 a pound, a record. The purchaser was the Greenbrier Hotel of White Sulphur Springs, W. Va. Based on its weight of 985 pounds when it was named top award winner Tuesday, the senior yearling shorthorn P.S. Troubadour II stood to bring its owners, Pennsylvania State University, \$20,102.50. The previous record price for a steer at this show was \$20 a pound paid for a Hereford shown by Sue White of Big Spring, Tex., in 1953. Miss White, then 30, got \$20.100 from the sale of her prize winner.

MARKETS

LIVESTOCK (FOR WORTH) — Cattle 700 calves 100; steady; good and choice beef steers 17.00-18.00; common and medium 15.00-16.00; beef cows 13.00-14.00; good and choice 15.00-16.00; common and medium 12.00-13.00; medium and stock calves 12.00-13.00. Hogs 35.00-36.00; steady; good and slaughter lambs 17.00; steady; 13.00-14.00. **COTTON** (NEW YORK) — Cotton was 1/4 to 1/2 cents a bale lower at noon today. December 34.15; March 33.85. May 33.55. **STOCK MARKET** — Prices drifted lower in moderately active stock market trading early today. Key issues were off fractions. The market was laboring under effects of tight money, high interest, foreign uncertainties, tax-loss selling and irregularity in the business picture, brokers said. Losses of a point or more were taken by American Cyanamid, United Aircraft, Du Pont and Boeing. DuPont and American fraction hit Bethlehem Steel, Chrysler, Sinclair and Kennecott. Smaller fractional losses were taken by International Harvester, Phillips Dodge, International Nickel, Union Carbide, General Electric, American Oil, American Tobacco, New York Central, Texas Co. and Gulf Oil. Small gains were posted by Pullman, Douglas Aircraft, International Paper, U.S. Manville. U.S. Steel was unchanged at 67 1/2. Out of 40 up 4, at 10 1/4. National Distillers off 1/4 at 35 and Ford off 1/4 at 37.

FFA Boys Set Area Contests Here Saturday

More than 200 Future Farmers of America members and their Vocational Agriculture supervisors will come here Saturday for the Area II contests. Twenty-seven schools which had winners in the eighth district eliminations will send teams here. In all, Clemon L. Montgomery, area supervisor, is expecting 177 boys plus their sponsors. Competition will get under way at 8:30 a.m. in six events, including: Junior and senior chapter conducting; junior and senior farm skills; farm radio; and FFA quiz. The area's state officer, Johnny Grissom, Lamesa, state FFA vice president, will be here for the meeting. Montgomery said that the awards would be made to area winners starting at 1 p.m. Winners here will go to the state meet on Dec. 8.

HOSPITAL NOTES

BIG SPRING HOSPITAL Admissions — Hiram Crowder, Crawford Hotel; Veta Nuttall, 111 Jefferson. Dismissals — Sam Little, Knott; Leta Miller, 108 Canyon Drive; G. W. Oakes, 1106 Douglas; Gary Newton, Rt. 1.

C-C Proposals Due By Friday

Friday is the last day for Chamber of Commerce members to turn in suggestions for the organization's 1957 program of work. Forms on which members are asked to list their proposals have been mailed to everyone on the Chamber rolls. A large quantity had been filled out and returned by today.

Goodfellow Drive Is On At Lamesa

LAMESA — The Lamesa Goodfellows Christmas drive for repairable toys is under way. Persons having toys that can be repaired are urged to take them to the welfare office on North Second Street so that the Lamesa Firemen can pick them up there and repair and paint them to give away to the less fortunate children in Dawson County at Christmas time. The Goodfellows will also distribute foodstuffs, candy, fruit and nuts just prior to Christmas.

Cotton Harvest Wages Unchanged

Wages for cotton pickers and pullers remain the same in Martin County, the Bureau of Employment at Dallas reported. Ed McDonald, director of the Office there, informed the local Textile Employment Commission that the price per hundredweight for cotton pulling will be \$1.53. This wage, the same as previous, was effective Wednesday. Cotton picking wages stood at \$2.05 per hundredweight.

Cowboy Revivalist

Joe Evans of El Paso, long-time proponent of the cowboy revivalist work, is to conduct an evangelistic meeting at the First Baptist Church here for eight days beginning Sunday. Services will be held nightly at 7:30, and there will be special prayer meetings each morning at 7 a.m. Evans, operator of a livestock commission firm, spent years as a cowboy on the range. Dedicated to evangelistic work, he has attracted a great following as a cowboy humorist and as a layman who has a working partnership with God.

Third Hit-Run Wreck Listed

One of the three accidents in Big Spring Wednesday was a hit-and-run—the third one in four days here. Mrs. Willie Settles of Forsan told the police department that a car backed into her 1955 Plymouth while it was parked at the Phillips station at Second and Johnson. Edna Ferguson, Rt. 2, and Jackie Leopard, Sand Springs, were driving volleys that collided at Third and Lancaster Wednesday. Tolbert Sullivan, Tarzan, and Joanne Bennett were involved in an accident at Jefferson and Virginia, also Wednesday.

No Orchids For Mate

LOS ANGELES (AP)—After two years of marriage Mrs. Janice Lee Satterwhite still gets red roses, orchids, candy and sentimental poetry from her husband, Frank. Most women might consider her lucky, but Mrs. Satterwhite has asked for a divorce. She told the court yesterday that, while her husband has showered her with gifts since they separated, one thing is missing—money. Mrs. Satterwhite said she and her year-old son, Steven, simply can't exist on candy and flowers. The court ordered Satterwhite, a telephone company worker, to pay \$50 a month child support and suggested he continue the wooing toward a possible reconciliation.

'Falsie' Listening Devices Developed

LOS ANGELES (AP)—Listening devices so tiny they can fit in a woman's "falsie" have been sold in Hollywood, reports an electronics expert. The battery-powered "bug," encased in a foam rubber falsie, is 100 per cent effective within 1,320 feet and partially effective within half a mile. Bert Berland, Los Angeles electronics manufacturer, said.

Market Shows Some Strength

The Wednesday market at the Big Spring Livestock Auction Company remained steady to strong. Bulls sold up to 13.50, cows up to 11.00, butcher cows from 7.00 to 9.00, fat calves and yearlings from 15.00 to 18.00, stocker steer calves 15.00 to 16.00, with a few choice light calves up to 17.00. Heifer calves went from 13.00 to 14.00, cows beside calves from 7.00 to 10.00 and hogs up to 15.50. An estimated 300 cattle and 75 hogs went through the ring.

You Can See Refugees All Over Austria

VIENNA (AP)—You can see refugees from Hungarian communism anywhere in Austria — from the straw-covered schoolroom floor in a border village to the Victorian plush of Vienna's Hotel Sacher.

Nearly 100,000 have come into the country in the last month. More than half still live in camps where relief organizations figure they can be kept and fed for a dollar a day. Those who get to the swank hotels or even into comfortable boarding houses are extremely rare. They have resources of their own, or friends or relatives.

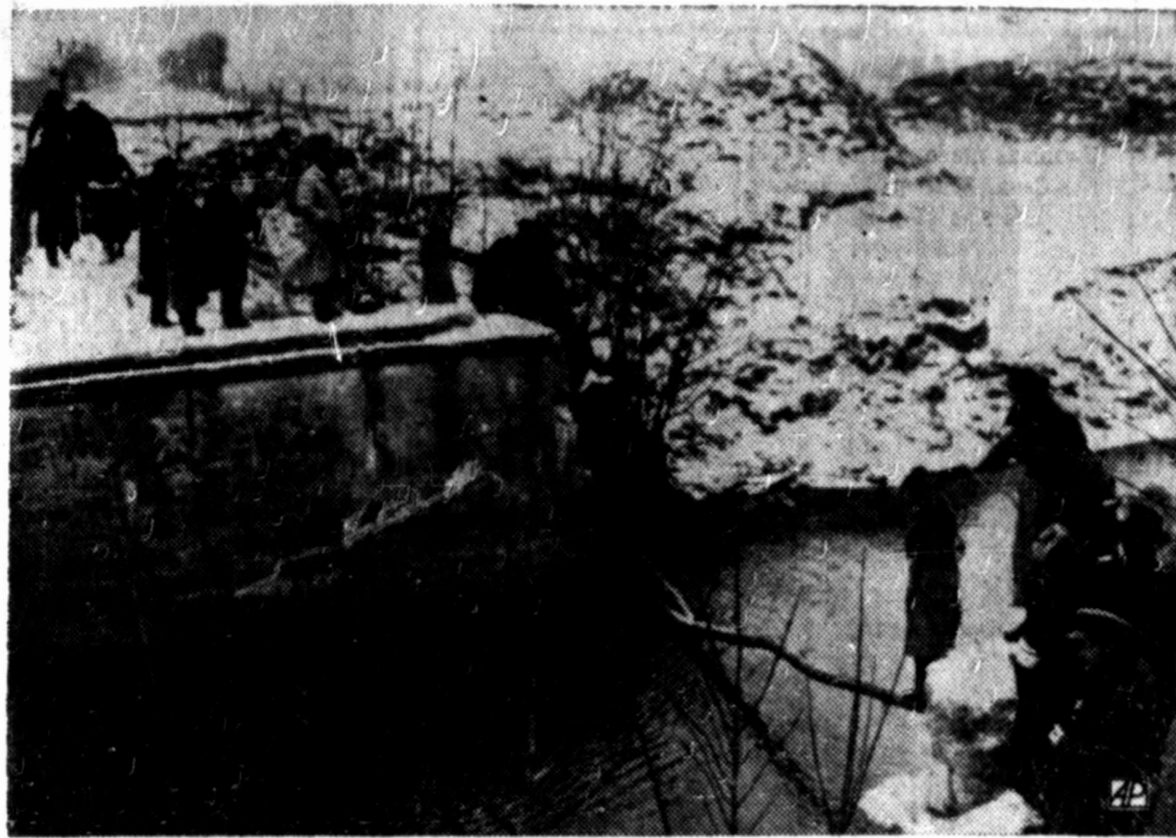

Along the 125-mile border between Austria and Hungary the Austrian villagers have dropped almost everything but the sugar beet harvest to help their Hungarian neighbors.

All of Burgenland Province belonged to Hungary until after World War I, and many of the older people speak Hungarian. There are 10,000 refugees crowded into the thousand-square-mile area.

At Andau, where thousands fled across the "Freedom Bridge" before the Russians blasted its pink crepe paper streamers still hang from the rafters of the village inn's dance hall. Dozens of refugees bed down on the straw-strewn floor. High school students come down from Vienna to work around the clock, serving black bread, sausage and coffee on the rough tables.

Little knots of lost-looking refugees stand outside in the rain, waiting for buses to take them to slightly more comfortable camps. Some of the men wear the fur hats and high leather boots of the central European peasant. Many of the women wear the best clothes they couldn't bear to leave

10-A Big Spring (Texas) Herald, Thurs., Nov. 29, 1956

Tricky Path To Freedom

Hungarian refugees use a tree branch and guide rope to cross a canal from Hungary, left, into Austria, fleeing from their strife-torn country. The Russians have destroyed several bridges in an effort to thwart the exodus of the refugees into Austria. The canal is on the Austria-Hungary border.

Court Recesses For Two Days

It will be a double holiday in the office of the district court clerk and in the district court. These establishments are to resume business Saturday morning and will be closed on both today and Friday.

Wade Choate, district court clerk, said that Judge Charles Sullivan decided to take two days off to make up for extra work on Nov. 11, Veterans Day. Choate said that the judge explained that he had not remembered the Nov. 11 holiday when he was scheduling a jury docket on that date and as a result Choate's office and the court celebrated Veterans Day by working. The extra day this week will make up for that oversight, the court held.

Tommy Dorsey Funeral Held In New York

NEW YORK (AP)—Tommy Dorsey, famed "sentimental gentleman of swing" for more than a quarter of a century, was buried today.

Several thousand persons paid their respects to the bandleader throughout yesterday, last night and the early morning hours today. A funeral chapel remained open all night so that theatrical people and musicians, working during the evening, might visit. Among them were members of the Dorsey Bros. band—led by Tommy and Jimmy Dorsey.

British Finally Set To Pull Out Troops

LONDON (AP)—The British Cabinet today was reported finally convinced it must begin a large-scale withdrawal of British troops from Egypt within days.

The report came from a qualified British official who said the French government had indicated privately its willingness to do likewise.

Farmers Slate Talk On Saving Farm Income

EDINBURG, Tex. (AP)—Farmers meet Monday to hear prospective methods of salvaging farm income in the Rio Grande Valley during the expected water shortage next year.

Hidalgo county agricultural agent Kenneth Jackson said a program has been worked out that will "materially aid" farmers in combatting the water problem. The important thing, he said, was to convince farmers of the seriousness of the situation without giving them a "defeatist attitude."

Mail Fraud Trial Of Parr Is Recessed Until Monday

HOUSTON (AP)—Trial of George Parr, South Texas political leader, and eight associates on charges of mail fraud resumes Monday following a recess for Thanksgiving and because of the death of the mother-in-law of Santiago Garcia, a co-defendant.

The defense started presenting witnesses yesterday. Diego Navajar, former bar operator in San Diego, testified the government's star witness, Diego Heras, was known in Duval County as "the drunkard."

Tricky Path To Freedom

behind, muddy now from the long walk across the fields. One nine-year-old boy arrived without any of his elders, just his schoolbooks and a single pair of socks in a briefcase.

The biggest of the many camps is Traiskirchen, just outside Vienna, in what was once a school for artillery cadets. Missions come there from the countries that want to receive refugees — to register and select those they think suitable. Some refugees never get to the camps. Trains sent by Britain, France, Denmark and Belgium back up almost to the border, load the fugitives aboard and start home.

Fly Traps Out

SACRAMENTO, Calif. (AP)—R. W. Harper of the Bureau of Entomology, said yesterday California has over 20,000 fruit fly traps placed in more than 45 counties.

Just Don't Take Bill, Sam, If Madison's Picture Shows

Dear Boss: I am all worried. It all comes as a result of a booklet which I got at the First National Bank. No, Boss, not a bank book. I am not bothered with those.

You see, there was a stack of these booklets on the counter. A sign said "Take one." When I am in a bank and a sign tells me to "take one" of anything, I always obey. I keep hoping I'll find a sign sometime on top of a neat stack of \$1,000 bills, for example.

This booklet was not \$1,000 bills as you might well imagine but it was a booklet about bills. It was a pamphlet dealing with how to know when someone hands you counterfeit money. The booklet was prepared by the United States Secret Service which is the same as the "T" Men—you know, those fellows whose exploits make up the material for the TV show of the same name.

It seems there is more counterfeit money going round, Boss, than you and I might think. I have never knowingly had a bogus bill but the odds are that I could have. And I could have passed it right on for purchases. Most of us really know very little about these green paper slips we call money.

How smart are you, Boss? Who's picture is on a \$1 bill?

Oh, you know that one, do you? O. K.—if Washington is on the ones, whose picture is on a \$5 bill? A \$10 bill? Maybe you know the faces on the \$20, the \$50, and the \$100 bills, too.

I'll bet you don't know the men whose portraits appear on the \$50, the \$1,000, the \$5,000 or the \$10,000 issues.

(For the benefit of those who want to know, I'll just copy down the right answers from this little booklet: Washington on \$1; Jefferson on \$2; Lincoln on \$5; Grant on \$10; Jackson on \$20; Hamilton on \$50; and Franklin on the \$100.)

(You won't have to be worried about the others but, just for the sake of information, you'll find Mr. McKinley on the \$500; Grover Cleveland on the \$1,000; James Madison on the \$5,000. And Mr. Chase is the face on the \$10,000. If you doubt me,—just reach in your bill fold and look.)

Bankers say that very few counterfeit bills show up locally but from-time to time one does appear. Most counterfeit bills are \$1, \$5, \$10 and \$20 denominations. It seems that bogus one dollar bills are the most common.

That's why I'm worried, Boss. I get so few of the others that the odds are heavy I won't ever

be handed a phony. I do get my grimy little fingers on ones from time to time. If I ever get a bad bill, it'll be a one and you can bet on that.

I've read the book from kiver to kiver. It points out the commoner faults counterfeiters make in their efforts to make passable copies of Uncle Sam's currency. There are magnified pictures of the bingles they make. If you look closely, the book says, you will probably be able to spot a bad bill when one is handed you. I might, Boss, but I do seriously doubt it. Most of the bills I ever see are pretty wrinkled and toll worn by the time they get to my hands. It would take a very close scrutiny for me to spot the most glaring of mistakes the counterfeiter might have made. And there's even a possibility that a "raised" bill—which is one form of counterfeiting where a one dollar bill, for example, is changed to read \$10. Look at that wad of \$10 bills you pack around, Boss. If any of 'em have Washington's picture on them, you've been had. It's a bad bill.

One worthy tip is in the booklet that I pass on: Not all strangers are counterfeiters but all counterfeiters are likely to be strangers.

One more tip, Boss, I got from the pamphlet. If you plan on making any photographs of Uncle Sam's currency—don't. The United States Secret Service takes a dim view of the practice of photographing any paper money, government checks, drafts, bonds, stamps or cancelled stamps. Uncle Sam just doesn't like for his nieces and nephews to take such liberties with the money he prints and circulates. The reason, the book says, is that most counterfeiters use a photographic process in their efforts to run a competition to the U.S. mint.

I'm still worried, Boss. I may get a bad bill any time and hard up as I am, I just can't afford it.

Worriedly yours,
SAM BLACKBURN.

Soap Box Derby Is 'Set' For Next Year

The Soap Box Derby will run in Big Spring again in 1957. Contracts with the All-American Soap Box Derby, Inc., which sponsors the event for boys national under the wing of the Chevrolet Division of General Motors, were completed Wednesday.

Sponsors locally again will be the Tidwell Chevrolet Co., The Herald and the Downtown Lions Club.

These organizations have joined in sponsorship of the Derby for three years, interesting three score or more boys each year in building and racing their coasters. Each year, a local champion has been sent to Akron, Ohio, to carry the Big Spring banner in the All-American.

And, that will be the case again

in 1957. An effort will be made to attract more boys than ever into the Derby program, and one of the local contestants will emerge as champion to go to Akron with all expenses paid and compete for a college scholarship.

Date of the local race will be set shortly after the first of the year, and also probably in January, official rule books for 1957 will be shipped for distribution to boys. Full details on the 1957 event will be carried in The Herald.

Main purpose behind the Soap Box Derby movement, brought to national scale by Chevrolet, is to interest lads of ages 11-15 in wholesome, productive pursuits, and to encourage their skills and talents in building and mechanical crafts. Every boy has to build his own racer.

Annexation Would Double Houston Area

HOUSTON (AP)—An annexation ordinance which would more than double the size of Houston was approved yesterday by the City Council. It would increase Houston's current 165 square miles to 352 and would boost unofficial population to an estimated 825,000.

Dawson County Hospital Plans Due Discussion

LAMESA — Dawson County Judge Aubrey Boswell said this morning he feels there is no undue occasion for alarm over the necessity of new plans for the hospital.

He said he felt the plan suggested by the state health department is possibly a less desirable floor plan than the first plan drawn by Butler and Kimmel, architects. Judge Boswell said that if the doctors and hospital committee prefer the first plan, the commissioners court will do everything in their power to get those plans approved with only minor changes.

The court will meet with the Hospital Advisory Committee and the local doctors Friday at 2 p.m. Both architectural firms, Butler and Kimmel, Lubbock, and Allen and Allen, Lamesa, will be represented at the meeting Friday.

The report of the changes suggested by the state came in the regular commissioners court meeting Tuesday. The meeting had been postponed from Monday to take bids on a maintainer for Precinct 4.

The bid of West Texas Equipment Company of Lubbock was accepted. The county paid \$8,700 difference on the \$17,700 machine, according to Judge Boswell.

Deadline Extended For Tax Discounts

LAMESA — The Lamesa School Business Office will be closed until Monday, according to Mrs. Gladys Dennis, school tax collector. Since the office will be closed the final day of the two per cent discount period, the deadline date has been extended through Monday, Dec. 3, said Mrs. Dennis. Beginning Tuesday, a discount of one per cent will be allowed on all taxes paid during December.

Pumpkins Or Not, Frost Plentiful At 20 Degrees

If today is Thanksgiving and if there were any pumpkins around — there would have been plenty of frost on 'em this morning.

The official low for the night was 20 degrees — the second night this fall when that low reading has been recorded. A 20-degree reading was scored on Nov. 16. U. S. Experiment station reported that it was still 20 degrees at

Canal Zone Photos Shown To Kiwanians

Kiwanians made a pictorial tour of the Canal Zone on Wednesday. Their guide was Maj. Marvin Lindeman who recently completed a tour of duty in the zone and whose hobby is color photography.

He used photographs to illustrate his comment on the canal and the problems that it faces. Threat of heavy damage by landslide from the steep mountains through which the "big ditch" passes was clearly evident in many of the photos.

Preliminary to his tour of the canal, Lindemann screened pictures of landscapes, flowers and general scenery in the zone.

He concentrated on the machinery and special engineering which are employed to make the passage of vessels from one ocean to another possible across the rugged narrow neck called the Isthmus of Panama.

Capt. Robbie Roberson of Webb

AFB presented the program. Two new members were formally inducted into the club. They were Dick Gray and Scott Hill. Both of these men are officials in the Kiwanis-sponsored Boy Scout Troop. Also introduced was John E. Smith, formerly of Abilene, who has transferred his membership to the Big Spring club. John Coffey was inducting officer for the day.

The Kiwanis Club met on Wednesday instead of Thursday in order to permit those who will celebrate Thursday as Thanksgiving to be free. The club also met last Wednesday for the same reason. Next week, the meeting reverts to the regular day and regular time.

Creighton Recovering

Charlie Creighton, Big Spring cattleman painfully injured Tuesday afternoon when he was gored by a big Hereford bull on his place west of town, is making satisfactory progress at the Lone and Hogan Hospital, it was reported this morning.

Creighton underwent extensive surgery to repair damage to his thigh caused when the bull's horn penetrated his leg some 10 inches. He suffered severely from loss of blood and shock.

The bull, one of Creighton's prize animals, had never before displayed evidence of ill-temper. The animal was being led by Creighton from a pen on the ranch when it suddenly attacked its owner.

Hospital attaches said that the cattleman would recover from his injury if no complications develop.

Jumps To Safety

SHERMAN, Tex. (AP)—Lt. John Martin of Austin parachuted safely yesterday when his F8E jet crashed in Cooke County.

Why "Good-Time Charlie" Suffers Uneasy Bladder

Such a common thing as urine eating or drinking may be a source of mild, but annoying bladder irritation—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills.

Doan's Pills have three outstanding advantages—act in three ways for your speedy return to comfort. 1—They have an easing soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A wonderfully mild diuretic action that relieves the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

Presenting Elvis Presley—On The Screen

Elvis made his first appearance on the screen locally this morning at a crowd estimated by the management at 600 persons. The group was principally teenagers, such as are pictured here. This shot was taken when Presley made his first appearance in the movie, "Love Me Tender." The line of movie goers extended around the building and along Fourth Street before the box office opened.

Firemen Start Work On Toys

Thanksgiving day for one group of city employees was work day. The firemen started repairing toys for needy children this morning.

The work is an annual duty for the fire department, but work is usually postponed until after Dec. 1. However, with the small amount of toys on hand, the department went to work today and had about a third of them repaired by noon.

The department, with the aid of Shell service stations in the city, annually collects toys at Christmas time. Then the department repairs them and turns them over to the Salvation Army for distribution.

The number of toys turned in has been smaller than usual, the department said. And unless more come in in the next few days, the completed lot will be small, firemen added.

This morning, most of the work was putting new tires on bicycles and tricycles. After all repairs are completed, the vehicles will be painted.

Firemen urged citizens to turn in their toys to any of the four fire stations or any Shell service station.

Standard Is New Captain

N. Standard, sergeant on the day shift, was named Tuesday as police captain, succeeding M. L. Kirby, who resigned to enter private business. Chief C. L. Rogers made the announcement.

Standard has been sergeant on the day shift since April 1, when the department went on three shifts. He joined the police department in January of 1950.

At the present time, Rogers said that Jack Shaffer, detective sergeant, would act as shift sergeant. The regular sergeant will be named about the first of 1957, he said.

Kirby, who had been with the department since May of 1947, submitted his resignation last week.

Booklet Explains Irrigation Methods For Plains Cotton

COLLEGE STATION — High plains cotton farmers should find the information given in a new Texas Agricultural Experiment Station publication (B-838, Guides in Cotton Irrigation) helpful in setting up their plans for another crop year.

Authors of the new publication are E. L. Thaxton Jr., assistant irrigation engineer at the Lubbock substation, and N. P. Nelson, irrigation engineer, ARS, Lincoln, Neb., but formerly of the Amarillo Experiment Station.

Covered in the bulletin are the results of studies conducted at Lubbock and Tulsa on the use of irrigation water by cotton. The research workers found that cotton yields in pounds of lint per inch of water were about the same for all moisture levels studied but in general, the high moisture levels are the most profitable.

They say that because cotton can use varying amounts of water efficiently, it is an easier crop to irrigate than grain sorghums. They emphasize that the most important irrigation is the one done before the cotton crop is planted. Getting water stored in the soil for the upcoming cotton crop, they say, can go a long way toward supplying the moisture required for maximum crop production.

Recommendations are listed in the bulletin on water management, cultural practices, along with brief statements on methods of irrigation and fiber quality. Copies of the publication are available from the Agricultural Information Office, College Station, Texas.

Pearl Harbor Show

NEW YORK (AP)—CBS-TV's "Air Power" show will present "Pearl Harbor" on Sunday, Dec. 3. The program will use Japanese Navy films to tell a major part of the story of the Pearl Harbor attack.

Kasch Firm Low On Monahans Job

A. P. Kasch & Sons of Big Spring have submitted the low bid for construction of Sandhills park facilities at Monahans.

The Kasch proposal was for \$128,000, or \$6,667 under the lowest of five other bids. Kasch & Sons also will bid on the new senior high school at San Angelo. Bid opening will be at 2 p.m. Dec. 4. Similarly, Kasch is due to bid on the general contract for four dormitories and two dining halls at Texas Technological College in Lubbock at 2 p.m. Dec. 11. Estimated cost of this project will be \$4½ million.

J. D. Jones Construction Co., Big Spring, is among the bidders listed for the Safeway store construction at Midland. Bid date is midnight Dec. 10.

Robert McKee of El Paso is receiving sub-bids for construction of a new St. Mary's Episcopal Church plant in Big Spring. Deadline for these sub-contract bids will be Dec. 1. After that McKee is due to negotiate a contract with the church, which has a location on the south side of 10th at Goliad.

Bid date for the Flower Grove school renovation project has been set for Dec. 4. General and electrical will be lumped under one contract and heating and plumbing under another.

Among bidders on this job are:

Bowers Purcell, Lamesa, Honeycutt Construction Co., Lamesa, Travis W. Russell, Ackerly, G. A. Jones, Lamesa.

Another potential area construction development includes the possibility of additional facilities at Odessa Junior College. The board there had discussed possibility of a bond election to finance a vocational building, estimated to cost \$792,000, plus \$514,000 for equipment. The unit would provide 66,000 square feet of floor space.

Robles Baby Dies, Rites Set Friday

Sylvia Robles, 11-months-old daughter of Mr. and Mrs. Juan Robles, died Wednesday evening. The child was born here Dec. 10, 1955.

Services will be conducted at 10 a.m. Friday at the Sacred Heart Catholic Church with the Rev. Fr. Metzger officiating. Burial will be in the Catholic section of the City Cemetery under direction of Nalley-Pickle Funeral Home.

Besides the parents, Sylvia leaves five sisters, Martina, Ida, Rosalinda, Manuela and Elida; and six brothers, Juan Jr., Jose, Albert, Rosindo, Oscar and Jaime.

Sales Of Yule Seals Progress In Lamesa

LAMESA — The Christmas Seal Sale continues to bring in funds with which to fight Tuberculosis.

Mrs. W. B. Beeson, executive secretary of the Dawson County T.B. Association, reported Wednesday that \$140 has been raised in the seal sale. More money than ever before is needed to combat the disease, according to Harold Wilkinson, president of the T.B. Association, as there are more cases of tuberculosis in Dawson County than at any time previous.

C. A. Coffman, Coahoma, Dies

Chester A. Coffman, 74, died in a hospital here Wednesday evening after a long illness.

Mr. Coffman, a retired farmer, had made his home at Coahoma for approximately 50 years and was long active in the Baptist Church there. He had been ill for the past three years.

The funeral will be held at 2:30 p.m. Friday at the First Baptist Church in Coahoma with the Rev. Mark Reeves, pastor, officiating. He will be assisted by the Rev. C. P. Owens, Coahoma Presbyterian minister, and the Rev. L. W. Tucker, Methodist minister.

Burial will be in the Trinity Memorial Park in Big Spring under direction of the River Funeral Home.

Palbearers will be William Hunter, Alvin Lay, Bennett Hoover, Elvyn DeVaney, Joe Miller and Boone Cramer.

Mr. Coffman is survived by his wife; three daughters, Mrs. A. D. Shive, Coahoma, Mrs. H. M. Hoover, Pecos, and Mrs. Emmett Gavin, Odessa; and one son, K. K. Coffman, Coahoma.

He also leaves three brothers, Austin Coffman, Coahoma, and d Will Coffman and Walter Coffman, Gorman; two sisters, Mrs. Amos Eakers and Mrs. Tom Clemmons, both of Gorman. Five grandchildren also survive.

Two Defendants Released On Bond

Laurel Bryant Caughey, charged with DWI second offense on the sheriff's docket, was released on \$500 bail Wednesday afternoon.

Also released on \$500 bail was Glenn Roy Overton, charged with writing worthless checks.

Hollis Rites Set Friday

Rites for E. C. Hollis, who died here early Wednesday, will be held at 2 p.m. Friday at the Nalley-Pickle Chapel.

Dr. R. Gage Lloyd, pastor of the First Presbyterian Church where Mr. Hollis held membership, will officiate, assisted by the Rev. Jesse Young, pastor of the Park Methodist Church. Burial will be in the Trinity Memorial Park and brothers-in-law will serve as pallbearers.

Mr. Hollis came here from Abilene in 1944 and moved to Odessa in 1950 to join the water department staff of the City of Odessa. He was enroute here to go under a doctor's care when he sustained a fatal attack and was dead on arrival at a hospital.

Surviving are his wife; three daughters and a son, all of Odessa; his parents, three brothers and two sisters.

Dawson Chest Coffers Swell

LAMESA — With the 1956 Community Chest Drive just two weeks old, the coffers have swelled to \$18,671.93, just \$3,188.27 less than the goal. Eight firms Wednesday brought to 52 the number of firms whose employees contributed 100 per cent to the Community Chest. They are Blackshear School, the School Business Office, Jim's Chill Parlor, Gresham Battery and Electric, Zenith Cleaners, Dr. Thomas M. Prideaux's office, Gaither Fur-

nature and the Farm Home Administration office.

Chest officials now believe the goal will be reached, after having had some doubtful moments earlier in the drive.

FOOD ideas FOR HOLIDAY HOSPITALITY
Turn turkey into a next-day wonder

Turkey Salad Tropical—Really new way to two-time the holiday bird. Now turkey salad arrives spiced with pineapple and served piping hot! The trick? A double boiler to pre-heat meat and pineapple chunks before folding in the mayonnaise. Then heap into a bowl garnished with greens. Tangy salad and the great taste of Coca-Cola—this meal makes for compliments!

Turkey Burgers—Such a good-time way to serve left-overs. Broiled turkey burgers, sitting on a slice of cranberry jelly right inside a 'burger bun! Make 'em as you would a meat-loaf—with beaten egg, breadcrumbs, seasoning. Then shape into generous patties. Know how the zest of Coke peeps up a hamburger? Well, just wait 'till you try that great taste with turkey!

Tomato-Turkey Pie—Creamed turkey yes—but what a difference in looks and flavor! It's the tomato-gay pie-shell that does it... and the great taste of Coke that goes along with it. Prepare ½ package pie mix, add 2 tablespoons undiluted tomato soup. Bake, then ladle in creamed turkey. This dish is holiday-bright, just right with ice-cold Coca-Cola!

Bring home the Coke!

Britain Purchased Stock In Suez Canal

Northern half of the Suez Canal.

By RAMON COFFMAN
Many questions have been asked of late about the troubled Middle East. I shall answer a few of them today.

Q. When was the Suez Canal built, and who owned it in the first place?

A. The Suez Canal was completed 87 years ago, after 10 and a half years of labor. Ferdinand de Lesseps, a French engineer, made the plans and directed the work. De Lesseps organized a corporation when the work was started. A little more than half the stock in the company was bought by citizens of France. Other shares went into various hands, many being purchased by Turkey. Some went to the Viceroy of Egypt.

The total cost of the canal ran to 127 million dollars, and there were changes in owners. The most important change took place when Great Britain bought shares from the ruler of Egypt, making the British government one of the principal stockholders.

Q. Why do the British feel that the Suez Canal is of special importance?

A. Because it connects various parts of Asia, including India, with waters which lead to Great Britain. The water distance from Bombay

to London was reduced by 6,000 miles when the canal was opened.

Q. Was the concession to foreign nations supposed to last for a century?

A. That was the plan, but Nasser — dictator in control of Egypt — seized the canal more than 11 years before the treaty was to expire.

Aside from the concession, there

Girls Beat Off 'Panty' Raid

AUSTIN, Tex. (AP)—When about 50 boys broke into the Delta Gamma sorority house on a panty raid early today some girls ran screaming and locked their doors.

was an agreement that all nations should have the right to use the Suez Canal on the same terms.

For GENERAL INTEREST section of your scrapbook.

FREE: Life stories of Mozart, Chopin, Brahms, etc. are told in a booklet called MASTERS OF MUSIC. For your copy send a stamped, self-addressed envelope to Uncle Ray in care of this newspaper.

Others, made of sterner stuff, went "kicking and swinging baseball bats and nearly mangled some of the boys."

Marinell Brooks, one of the sorority sisters, said "there was no damage except a couple of girls got hysterical. The boys didn't get much."

Miss Brooks said the house mother called police and the boys fled.

The male students also raided the Delta Delta Delta house and Scottish Rite dorm, a private girls' residence. Police stopped them before they reached their third objective, Grace Hall, another private residence for girls.

Jurist Lauds Women Jurors

AUSTIN (AP)—A Supreme Court justice says women on juries will bring order and dignity to courts and may cause needed basic reforms in the jury system.

Justice St. John Garwood, writing in Public Affairs Comment, said changes are necessary but that he believes the alterations will be slow in coming.

He said the admission of women on juries probably was a con-
