HORACE GARRETT SYMBOLICALLY STARTS FOUNDATION FOR FUTURE CEREMONIES AT HCJC As Dr. P. W. Malone, HCJC board president, watches ground is broken for new SUB

Ground Broken, Construction Started On Student Building

Ground was broken for the new student union building at Howard County Junior College on a gusty Thursday afternoon, and the symbol turned quickly into action. Before the crowd of more than 100 visitors, students and officials had drifted from the spot of ruffled earth, a truck had pulled up with a load of structural steel. Arthur Kasch of A. P. Kasch & Sons said that no time would be lost in following up on the work order issued last weekend by Puckett & French, architect-engineer. If all goes well, the handsome \$300,000 structure made possible by the Dora Roberts Foundation, will be ready for use by mid-term of next year. Ceremonies were simple and brief. Dr. R. Gage Lloyd, First Presbyterian minister and who also is Bible instructor at the college, invoked God's blessing on the building and the institution, and Horace Garrett, whose special in-

Woman Files As School Candidate

A woman has filed as a candidate for election as school trustee at Elbow school, it was learned Friday. Courthouse officials said that only one woman has served on a school board in the county and that this was a long time ago. Mrs. Louise Kirkpatrick, resident of the Elbow district has officially listed her name in the office of the county judge as a candidate for a post on the Elbow school board. Others who have filed are E. Leon Stearns, Gay Hill, and Ross Hill, who is seeking re-election as member of the county school board from Commissioners' District 3. Deadline for filing for school board posts expires on March 5, it was announced. Candidates have to file their declarations with the county judge. Three members of the county board are to be elected at this year's election. Date of the voting will be April 5. The county superintendent's office has been informed that L. L. Underwood, member from Commissioner District No. 4 does not want to run for re-election. He has several years of service on the board to his credit. In addition to the members from District 3 and 4, the post of county trustee-at-large will have to be filled at the April election. H. T. Hale now holds the post. Two school district trustees are to be elected at Gay Hill. The terms of Ulysses Paul and L. A. Rawlins expire this year. One trustee will be elected at Center Point. Ralph Neill is the present trustee. Two are to be named for Elbow school. Terms of office of Ted Fields and Ray Shortes expire this year. One trustee is to be chosen at Vealmoor. Max Zant's term ends this year.

BOYS! Register Saturday For The 1958 SOAP BOX DERBY
Get in at the start in this fine racing event, which can lead to handsome awards! Open to boys of ages 11 to 15, with no charge. Cost of building racers will be repaid by sponsors when completed. Boys must be accompanied by parent or guardian for the sign-up. Get your buddies, and get in on the big fun!
Saturday, March 1, 9 A.M.-5 P.M. Tidwell Chevrolet Co. In Colorado City At Jay Adams Chevrolet Co.

At Least 20 Children Die Aboard School Bus

Vehicle Plunges Into Deep River

PRESTONSBURG, Ky. (AP)—A school bus carrying an estimated 38 children struck a wrecker, sideswiped an automobile, then plunged into the Levisa Fork of the Big Sandy River near here today. State police said at least 20 children and the bus driver, John Alex Derossett, were trapped in 30 feet of water. Sixteen others were known to have escaped through a rear door. Six were hospitalized. The National Safety Council said it undoubtedly is the worst school bus crash in its history. The council said the worst bus accident on record was one that killed 28 persons near Waco, Tex., in August 1952, when two buses collided. More than four hours after the accident on U. S. 23, rescue workers still were unable to locate the bus. Small boats cruised the area searching for bodies.

Joins Bank

J. C. Powell Jr. assumes the duties of vice president of the First National Bank in Lamesa Saturday. Powell has been a vice president of a Brownfield bank. He is chairman of the Quannah Parker District, Boy Scouts of America, assistant lay leader of the Brownfield District of the Methodist Church.

Ike Pays Visit To The Dentist

WASHINGTON (AP)—President Eisenhower had a cracked tooth extracted today at Walter Reed Army Hospital, and stayed there for a physical checkup tomorrow. The White House reported the extraction "normal and successful." The examination will be a follow-up to the minor stroke Eisenhower suffered last Nov. 24. It will be conducted by three of the neurological specialists called in at the time of that illness. The tooth extraction took only about 15 minutes. Eisenhower went to the hospital from the White House after sitting in at a Cabinet meeting.

Death Claims Morris Prager; Rites Sunday

Morris Prager, 65, who rose from an immigrant boy to become a successful West Texas merchant, died here early today. Mr. Prager suffered a stroke Wednesday at 9 p. m. and had been unconscious at a hospital since that time. He had been in ill health for several years. River Funeral Home, in charge of local arrangements, took the body to Fort Worth Friday afternoon, and it will be in state at the Robertson-Mueller-Harper Funeral Home. Last rites will be said at the Ahavath Sholom Synagogue at 3 p. m. Sunday with Rabbi Garske officiating. Burial will be in the synagogue cemetery. Mr. Prager was born in Lithuania on July 4, 1892, and he came to the United States in 1909. He saw service in the U. S. Army during World War I and later became a naturalized citizen. After operating a business in Fort Worth, he moved to Big Spring in 1928, opening the Army Store in the building now occupied by Anderson Music. Later when he moved immediately south of the First National Bank building, he operated under the name of "Prager's." Following World War II, he turned active management of the business over to a son and moved to Fort Worth and later to Dallas. Several months ago, however, he returned to Big Spring to make his home. Mr. Prager was a member of Temple Israel here, and of Ahavath Sholom at Fort Worth and Seberith Israel in Dallas. Surviving are his wife, Mrs. Netta Prager; two sons, A. J. Prager, Big Spring, and Joel Prager, Dallas; one daughter, Mrs. Joe Clark, Big Spring; and seven grandchildren. He also leaves three brothers, Philip Prager and Isadore Prager, Big Spring, and Robert Prager, Wichita Falls; and two sisters, Mrs. Rose Zimmerman, Fort Worth, and Mrs. Anna Kaisimar, Los Angeles, Calif.

Senate Turns To Postal Pay Raise

WASHINGTON (AP)—The Senate turns today to the question of how big a pay raise to give the 500,000 postal workers after finishing most of its argument over postal rate increases. The Senate rejected yesterday a Democratic move to reverse its major postal rate decision, which is to establish a 5-cent rate on nonlocal letters for three years starting July 1 this year. Several other rate changes were adopted, however, cutting about 35 million dollars from the expected annual revenue of 747 million dollars annually. The five candidates for the three open positions include only one incumbent, Dr. Lee O. Rogers. Dr. Rogers has served one term on the commission. Other candidates include C. H. Wasson, furniture store owner; O. W. Laws, former fireman; John Taylor, implement dealer, and George Zachariah, Corder purchasing agent. In addition to Dr. Rogers, terms of Roy Bruce, the mayor pro-tem, and Curtis Driver end in March. Bruce has announced for the county commissioner's race, and Driver has indicated he will not run again. Any citizen who has lived in the city at least two years is eligible to run. Owning property is not a requirement. Absentee voting for the April 1 election will be from March 12-28.

Air Force Thor Blasts Off With New Type Nose Cone

CAPE CANAVERAL, Fla. (AP)—An Air Force Thor missile roared toward space today carrying a new, more stubby, nose cone to protect its earthward plunge on target. The 1,500-mile range missile—destined for installation in Europe within a year—left its launching pad at 8:08 a. m. It climbed slowly at first in an enormous billow of flame and smoke and then moved quickly upward, trailing brilliant yellow flames. Then the Thor could be seen through binoculars, streaking along faster and faster, its tail flame thinner and lighter. It disappeared into distant skies more than three minutes after the launching. The nose cone is designed and manufactured by General Electric which also makes nose cones for the Thor's big brother, the 5,000-mile Atlas, and the Navy's 5,000-mile Polaris missile. This was the 12th Thor launch-

Cops Cut Down Deputy's Killer

ODESSA, Tex. (AP)—West Texas peace officers mowed down the accused killer of a deputy sheriff before he could pull the trigger on his cocked pistol last night. Sheriff Lem Gabriel said the slain suspect was G. F. (Jack) McMichael, 36, an ex-convict sought in a two-state manhunt. Deputy Thad West, 40, was shot without warning yesterday morning while checking a baby selling report. Gabriel said McMichael was found at the home of a girl friend. Officers surrounded the house. The sheriff said McMichael came to the front door with a pistol in his hand, then dashed for the back door after spotting the deputies outside. "We shouted for him to halt," the sheriff said, "and he whirled and cocked his pistol." Several officers fired about the same time and McMichael fell without shooting. Gabriel said Ruby Luellen Landford, 50, was charged with harboring a criminal. The manhunt spread as far as Hobbs, N.M., after McMichael fled the scene of the early morning shooting. Deputy West was killed as he walked into an apartment. The landlady, Mrs. Frank Matthews, said she rented the apartment to Mrs. Pat Ledbetter, 18, and McMichael under the names of Mrs. and Mrs. Ledbetter. With them were Mrs. Ledbetter's two children, 2 and 4 months old. Deputy Sheriff G. K. Kelly said West went to the apartment to check reports an effort had been made to sell the 4-month-old Cindy. Detective Capt. Al Smithers said Mrs. Ledbetter told him she admitted West and told McMichael the deputy was there. McMichael, Smithers quoted her as saying, walked out of the bathroom shooting and West never had time to reach for his pistol. Kelly quoted Mrs. Ledbetter as saying, "I would never sell my baby." No charges were filed against Mrs. Ledbetter. Her children were taken over by the welfare office.

Llano Boy Wins Houston Title

HOUSTON (AP)—The grand champion fat steer of the Houston Fat Stock Show sold at auction today for \$10,000. The same price was paid last week. J. P. Dodgen, 13, a freckle-faced 4-H Club boy from Llano saw his 875-pound Hereford, Zato, purchased by Lone Star Brewing Co. A Llano youngster, J. P. Dodgen, took his Junior class-winning Hereford into the grand championship ring at the Houston Fat Stock Show Thursday, winning over an Aberdeen-Angus shown by Eugene Durden of Goldthwaite. Earlier Dodgen's entry had topped the Hereford championship ahead of an entry belonging to Lile Lester, 13, of Lubbock. Lester's Hereford was judged winner of the open Hereford class, and a 910-pound steer owned by Sue White and Lloyd Robinson of Big Spring was reserve champ in the open category. An Angus belonging to Francis Berry of Bradford, Ill., was reserve champ of the open class behind Lester's steer, however. Dodgen's winner, Zato, weighed 875 pounds, and Duran's runnerup weighed 795. Auction of the champions will be held in Houston today. Probe Phase Ends AUSTIN (AP)—The first phase of a House investigation into Empire Standard Life Insurance Co. was closed today as the five-man group began a probe into possible mishandling of school funds.

Weaver To Confer With CAA Officers

R. H. Weaver, county judge, planned to meet with the Civil Aeronautics Authority today in Fort Worth to confer with that agency on steps to expedite action on approving plans for the Howard County Airport. Weaver also planned to confer with persons interested in some of the land along the proposed right-of-way of FM 700 in an effort to close a deal for the acreage needed. The plans for the Howard County Airport are now in the hands of the CAA regional office and are awaiting final approval by that office before bids can be sought for the job. Plan Merger CAIRO (AP)—The crown prince of Yemen arrived in Cairo today to federate his feudal, barren corner of the Arabian Peninsula with the United Arab Republic.

Kohler 'Army' Charges Probed

WASHINGTON (AP)—Senate rackets probers sought today to confirm or explode charges that the Kohler Co. had an arsenal and an army to oppose strike. UAW President Walter Reuther in a statement prepared for but not yet presented before the committee, charged that "the company... made obvious preparations for war, and under the guise of a civilian defense program actually armed and mobilized a private army..."

Probers Advise Mack To Resign

WASHINGTON (AP)—Richard A. Mack was advised by House investigators today to resign from the Federal Communications Commission, and said: "I certainly will most seriously consider your remarks." First Rep. Moss (D-Calif.) and then Chairman Harris (D-Ark.) of a House committee told Mack to his face that his departure from the FCC would be a service to that agency. Harris said in his opinion the revelations presented in the committee's hearing on the FCC and the fight over TV Channel 10 in Miami was fantastic and presented a disgraceful situation.

Books On Texas?

If you have volumes on Texas and the Southwest—historical, fictional or of any description—you can make a great contribution by giving the books to the Junior Historians Club at the High School. All reference works are badly needed. Just call any of these numbers, and your gift books will be picked up: AM 4-7304 AM 4-4314 AM 4-6660 Or leave books at The Herald.

Who's To Replace Studio's Iron Man?

By JAMES BACON
HOLLYWOOD—Who's going to run Columbia Pictures now that Harry Cohn, most absolute of all movie tycoons, is dead?
 A worried industry, reeling from television's potent punch, today ponder the question: Columbia, under Cohn's iron-fisted rule, long has been regarded as an industry giant—and one of the most financially successful operations in town.
 The company has many able executives who can handle the financial end of the operation. But Hollywood is concerned over who will make the pictures in a studio that has been a one-man operation for 30 years.
 Most logical choice—provided he wants such a killing job—is producer-director George Sidney. When Cohn was first stricken at his suite in a Phoenix, Ariz., resort hotel, it was significant that Mrs. Cohn called Sidney first.
 Sidney, along with Cohn's personal physician, flew to the Arizona capital just in time to see Cohn being placed in an ambulance. The 66-year-old Cohn died yesterday in Sidney's arms as the ambulance sired to St. Joseph's hospital.

Significant, too, is that Mrs. Cohn, holding her own and her three children's shares, will name Columbia's next studio boss. Their holdings, already willed in trust, total more than 200,000 shares—a majority.
 Sidney, like Cohn, is a top picture maker. He has a successful tenure at MGM but Cohn lured him to Columbia when Cohn's health started failing several years ago.
 Since then, Sidney has turned out some of the studio's blockbusting hits, notable "The Eddie Duchin Story" and "Pal Joey."
 Sidney is a long-time president of the Screen Directors Guild.
 The studio virtually closed down when word came of the boss' death. Veteran director John Ford, an old friend, told Spencer Tracy, Pat O'Brien, Jack Lemmon and the rest of "The Last Hurrah" troupe to go home.
 Adultery.
 Mrs. Mary Alexander Thompson was named as co-respondent. She was not further identified.
 Parker, 37, resigned his Buckingham Palace post a year ago after his marital difficulties became known. He did not contest the suit. The couple have two children.
 Mrs. Mary Alexander Thompson was named as co-respondent. She was not further identified.
 Parker, 37, resigned his Buckingham Palace post a year ago after his marital difficulties became known. He did not contest the suit. The couple have two children.

Prince Philip's Friend Divorced

LONDON—Lt. Cmdr. Michael Parker, 37, close friend and former private secretary to Prince Philip, today was divorced by his 34-year-old wife on charges of adultery.

Mrs. Mary Alexander Thompson was named as co-respondent. She was not further identified.

Parker, 37, resigned his Buckingham Palace post a year ago after his marital difficulties became known. He did not contest the suit. The couple have two children.

AF Fund Bill

WASHINGTON—Rep. Kilday, D-Tex., introduced a bill yesterday which would give 22 million dollars to the Air Force Medical School at San Antonio.

Combined Effort

Photographic proof of the bipartisan support of the administration's foreign aid program, is this group attending a dinner meeting in Washington, climaxing a conference on "Foreign Aspects of the U.S. National Security." Adlai Stevenson, left, defeated by Eisenhower for the presidency in 1952 and 1956; and Thomas E. Dewey, right, unsuccessful Republican candidate in 1944 and 1948, pose with President Eisenhower as he arrived to deliver an address at the dinner.

U.S. Sends In New Team For Showdown On Disarmament

WASHINGTON—The United States sent in a new team today to drive for a showdown with Russia on disarmament.
 James J. Wadsworth, now deputy U.S. delegate to the United Nations, replaces Harold E. Stassen as chief negotiator. Backing him up are four cabinet advisers: Gen. Alfred M. Gruenther, Robert A. Lovett, John J. McCloy and Walter Bedell Smith.
 Secretary of State Dulles named them with President Eisenhower's approval.
 Meanwhile the Atomic Energy Commission reports Russia set off two nuclear test bombs yesterday on disarmament.
 Stassen left his disarmament post to seek the Republican nomination for governor in Pennsylvania. Stassen reportedly contended the United States should offer more concessions to Russia and Dulles disagreed.
 Wadsworth, a 20-year veteran of government service, represented this country in disarmament talks in London in 1955. The following year he was chosen to negotiate a world atoms for peace agency which since has become a reality.
 The new team lineup signaled a U.S. move to pin down Russia—and America's allies—on just where everybody goes next.
 The United States favors negotiations inside the new and untested 25-country U.N. Disarmament subcommittee. But full Allied agreement on this as the next step apparently has not yet been reached.
 The subcommittee was enlarged after Russia contended the original group, including the United States, Britain, France, Canada and Russia, was stacked 4-to-1 against Russia. But Russia also refused to agree to the bigger group, saying it too was stacked. The NATO allies suggested a foreign ministers' meeting, but again Russia said no.
 Last night's U.S. statement deplored this Soviet attitude as obstructionist. It made no mention of the new Russian bomb tests, which indicated no let up in Soviet atomic tests despite steady "ban the bomb" propaganda from the Kremlin.

Panel Cites Needs In Recession Brake

WASHINGTON—A Senate-House committee says monetary action and stepped-up federal spending in a number of fields are needed to stem the recession. If these don't work, "tax reduction will be in order," the group says.
 In a formal report, the Joint Economic Committee urged acceleration of federal programs for highway construction, slum clearance, housing, school and health facilities, and provision of needed public buildings.
 It assigned a "high priority" to outlays for navigation and flood control, water and soil conservation, and reclamation. These programs, the report said, "have great merit... both for the immediate employment opportunities they create and because of their contributions to long-run economic development."
 At the same time, Chairman Cannon (D-Mo) of the House Appropriations Committee called on Army and Interior Department officials to come up with what he called "a more realistic program and revised estimates" for spending on public works in the fiscal year starting July 1.
 Postponing committee hearings on public works appropriations, Cannon said the programs proposed by the two departments are "completely inadequate," especially in view of the economic slump.
 The Senate-House Committee said that "if monetary action, expenditure measures and other actions, public or private, fall short in stemming recession and promoting recovery, tax reduction will be in order." But the group said it is not now recommending a tax cut.
 Dissenting from this, Sen. Douglas (D-Ill) said, "The quickest and most effective way to act is by means of a tax cut for lower and middle income groups." He said such a tax reduction would stimulate demand and "afford the best hope for stopping the current economic recession."

U.S. Steel Hits Probe

NEW YORK—United States Steel Corp. today termed the report on steel industry prices by Sen. Estes Kefauver (D-Tenn) and the majority of his Senate Antitrust subcommittee "a thoroughly biased and distorted view of the testimony."
 The subcommittee report was critical of what it called "price rigidity" in the industry and said a \$6-ton price boost by steel producers last July "substantially exceeded" cost increases and contributed to inflationary pressures.
 Roger M. Blough, U.S. Steel's chairman of the board, said in a statement: "The chairman of the committee... begins the hearing by reading a statement pronouncing your business guilty of all kinds of unsavory practices; after which you are assured in a friendly manner that the committee will now launch a completely unbiased investigation of the facts."

Minister, Cutting Switch, Shot To Death By Own Son

LAS CRUCES, N.M.—A Baptist minister, whittling a switch to punish his twin 14-year-old sons, was shot to death by one of them yesterday in front of his rectory.
 The Rev. Leonard Boyett was shot once in the back with a .38-caliber revolver held by his son John after the pastor called the boy to come for punishment.
 Friends of the family told police the boys and their father hadn't gotten along recently, that the boys resented the strict discipline at home and planned to run away.
 The boys stole the death weapon to "hunt rabbits" in their romantic plans to run away and hide at a nearby lake. One of the twins also stole \$30.10 from a family cookie jar.
 Boyett discovered the loss. He picked the twins up at school and drove them home. He stood on the front stoop whittling the three-foot, pencil-thin switch. Then he called, "John, come here."
 John, standing in the front room with his sister Carolyn, 17, watching, lifted the revolver and fired through the screen door.
 Both John and his twin brother Jack were in the custody of juvenile authorities. A Juvenile Court hearing will decide whether John will be tried as an adult or juvenile.
 Jack was held as a witness "and because she wanted to stay with his brother," defense attorney J. Benson Newell said.
 As the two boys were led to the police cruiser past the body of their father, Jack turned to his sobbing brother.
 "John," he said, "you stop crying. Pray for dad."

NTSC Studies Water Problems

DENTON—North Texas State College is studying water problems at Lake Texoma, the Southwest's largest untapped potential city water supply.
 A high mineral content makes its water unsuitable as a major municipal water source.
 The work is being done under a one-year \$370 contract awarded by the U.S. Public Health Service. It is directed by Dr. J. K. Silvey, Biology Department director and Science Division chairman at NTSC.
 Silvey and assistants are analyzing chemical and physical water quality at various depths to determine patterns of water stratification.
 Analysis shows the water is of better quality near the surface, but thorough water density studies have never been attempted before. The NTSC research group hopes its findings will help lead to a method of drawing usable water from the lake.
 The highest objectionable mineral content is that of common salt calcium sulfate and magnesium sulfate. These originate from natural sources upstream and from oil well brines.

Half Million If She'll Wed

Actress Sharon Lee, former wife of singer David Street, and Tony Vito, a wealthy Lodi, Calif., produce man, talk over his offer in Hollywood to establish a \$500,000 trust fund for her if she'll marry him. Vito, who spend a lot of time in Hollywood, said "this town is full of sharp shooters who want to know what you can do for them, but Sharon is different." But Sharon said she won't accept the offer if she decides to marry Vito.

Inferno

A mushrooming column of smoke and flame erupts from two 15,000 gallon pitch-tar tanks during a spectacular 4-alarm blaze at the Portland, Ore., Gas and Coke Co. plant. Twenty five pieces of equipment, including three fireboats and a mechanical foam truck, and 125 men were used to bring the fire under control. Firemen in foreground spray two tanks containing highly inflammable benzol and motor vehicle fuel which were threatened.

Probers Study Resignation Insurance Pact

DALLAS (AP)—Senate investigators studied today an agreement under which Largent Parks, former president of Preferred Life Insurance Co., cut his ties with the firm last December.

Sen. Charles Herring's Senate committee, which has been critical of the agreement between Parks and Preferred Life, opened hearings yesterday into the affairs of that company and Estate Life Insurance Co. of Amarillo. The Amarillo firm faces a threat of receivership.

Witnesses said Parks settled with the company for about \$83,000 and returned a block of stock. Gene Fondren, committee counsel, said after the session Parks earlier had realized a profit of about \$623,000 from the public sale of 55,000 shares of Preferred Life stock.

Parks, questioned in Austin last October, resigned as president last December. He was succeeded by Samuel Gilbert, who told investigators he has been in the insurance business more than 26 years.

Gilbert said the company is now on solid footing for the first time. He said Preferred Life lost almost \$200,000 last year but should make about that much in 1958.

"The company is solvent as it can be as an insurance company," he said. "We show a cash earning of \$17,000 for the first three weeks in January."

Parks has sent word he is out of the state and will not be able to testify before March 15. The committee tried to subpoena him. Edgar Church of Dallas, a certified public accountant, said he audited Preferred Life's books in December at the time of Parks' resignation as president and board chairman.

He said he found the 1953 sale of 55,000 shares of Preferred Life stock was handled by Preferred Underwriters Inc., a company owned by Parks.

Church said the sale agreement that Preferred Underwriters pay \$1 per share and that the same stock was selling for \$25 a share to the public.

Herring said the Parks settlement had been approved by State Insurance Commissioner William Harrison.

Luxury-Loving AF Commander Fired

WASHINGTON (AP)—A penchant for extensive redecorating of his living quarters has cost Maj. Gen. John Ackerman his job as the top Air Force commander in the Philippines.

Ackerman was relieved yesterday as commander of the 13th Air Force on grounds he undermined morale by overlavishly refurbishing four sets of living quarters—three for himself.

He left today for the United States. The 48-year-old West Pointer was recalled to Washington for "exercising poor judgment."

An Air Force spokesman said Ackerman will be given an opportunity to explain his actions to the chief of staff, Gen. Thomas D. White, and that his future in the service will be determined after Air Force headquarters has investigated fully.

The Air Force said Ackerman's poor judgment involved the rehabilitation of two successive sets of temporary quarters while his permanent quarters were being redecorated to his taste and refurbishing of a mountain lodge for VIPs, military parlance for very important persons.

Ackerman's recall, the Air Force noted, came in the wake of an investigation of his activities last fall by staff members of the House Appropriations Committee.

The congressional probers reported Ackerman had spent "no large sum of money," and that used came from the proper funds and was properly reported. But they added that the successive remodelings set tongues wagging at every military installation from Manila to San Francisco and was "destructive of morale."

Ackerman, a native of Auburn, N.Y., has commanded the 13th Air Force since August 1956.

1,000 Red China Witnesses To Be Asked In Spy Trial

HONG KONG (AP)—U.S. Atty. A. L. Wirin said today he will ask the American court trying John M. Powell on a sedition charge to provide \$250,000 to bring 1,000 witnesses from Red China.

Wirin arrived in Hong Kong today after spending eight weeks in Red China gathering evidence for Powell's defense at a trial in Federal District Court in San Francisco.

The lawyer said he found evidence and witnesses which, "if presented and admitted in the court trial, would acquit Powell."

Wirin said he interviewed "about 50 scientists, Chinese political leaders and eyewitnesses, and on the basis of the interviews I estimate at least 1,000 witnesses are available."

The lawyer said he "found the evidence and testimony of witnesses much stronger than I anticipated." Evidence, he said, included "bombs, insects and rats which the Chinese claim were used in U.S. bacteriological warfare."

Before he entered China Wirin said he would move for dismissal of the indictment against Powell if the State Department refuses to let witnesses from Communist China appear.

Demo Fair Play Fight Still Simmers

AUSTIN (AP)—The fight between Democratic factions over new ground rules on convention fair play will continue to simmer a while in the State Executive Committee's resolutions panel.

A report on a proposed code of ethics and other plans to restore public confidence in party conventions, requested by the executive committee by March 1, is not yet ready, said Mrs. H. H. Weinert of Seguin, subcommittee chairman.

She had called a meeting for yesterday, but a quorum was not present. Three of the five members were unable to attend because of illness or other unavoidable causes. Mrs. Weinert said. Only she and John Peace of San Antonio were on hand.

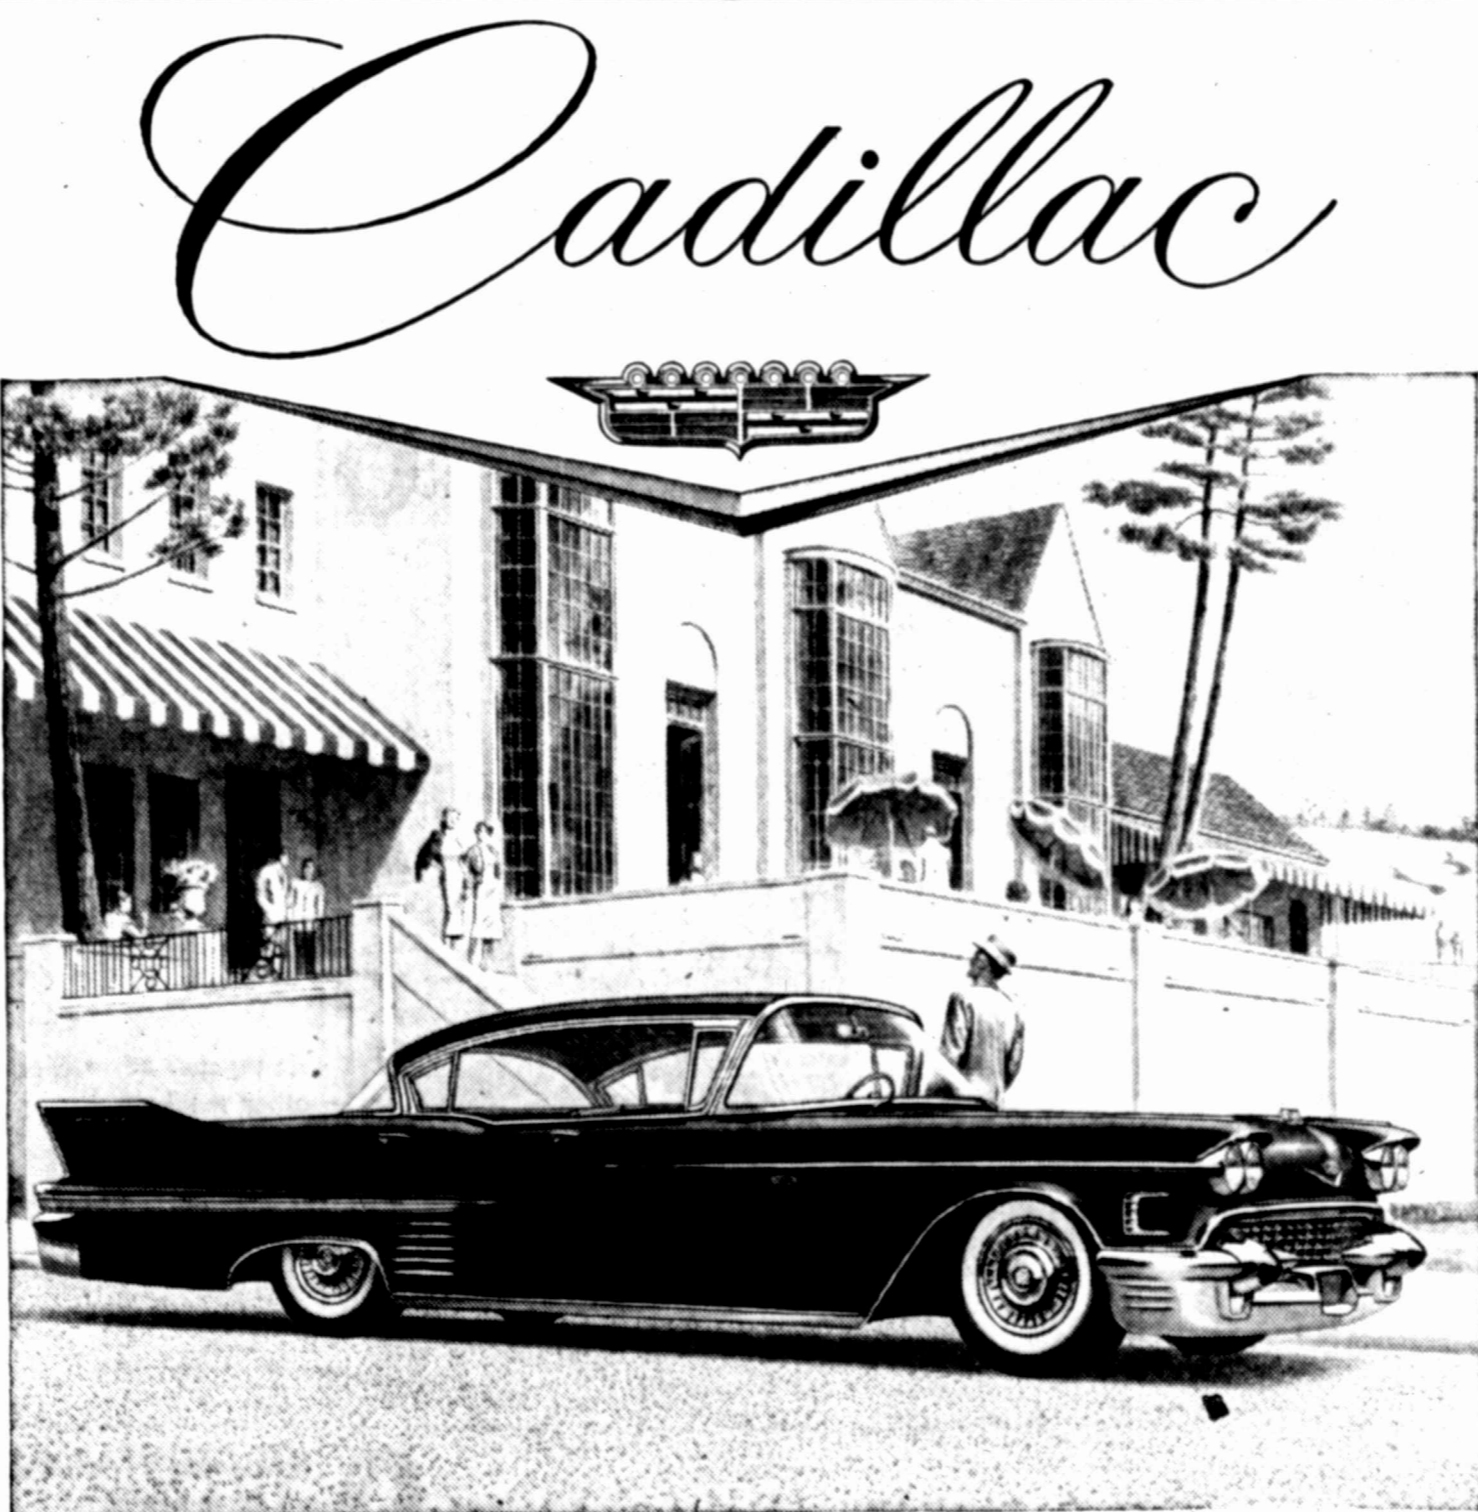

SDEC members and for settling such touchy questions as how to determine which of two contesting delegations should be seated at the state convention.

The DOT is a liberal-labor group headed by Mrs. R. D. Randolph of Houston. It is at odds with the majority of the SDEC which is mostly conservative and controlled by friends of Gov. Daniel. Daniel, National Committeeman Byron Skelton and others in that group have called the DOT a splinter group that is bent on creating dissension.

Ike Will Keynote Congress Campaign

WASHINGTON (AP)—President Eisenhower will sound the keynote for the Republican congressional election campaign in a speech May 6.

Republican National Chairman Meade Alcorn said Eisenhower will speak to a party dinner here. The half-hour speech will be telecast nationally.

The Decision That Needs No Explanation!

There are relatively few personal decisions a man can make that command the unanimous approval of his friends and acquaintances.

And among these is his choice of a Cadillac car.

For the things that inspire a man to Cadillac are simply too numerous to be overlooked.

Considered from a standpoint of its beauty—or its Fleetwood luxury—or its performance—or its craftsmanship—or its soundness of investment—Cadillac occupies a position entirely its own.

At the heart of this great goodness is, of course, Cadillac's experience in the creation of quality cars.

For more than half a century, Cadillac's sole concern in the manufacture of its products has been to make them as fine as automotive science would permit.

It is out of this unique constancy of purpose that has come Cadillac's international recognition as the Standard of the World.

We invite you to see, both in the showroom and on the highway, how brilliantly this latest Cadillac exemplifies all of these great traditions:

Whether you might choose the Sixty-Two Coupe or the Eldorado Brougham—you will find your decision beyond the realm of argument.

9 REASONS WHY

THE HERALD GIVES YOU MORE FOR YOUR ADVERTISING DOLLAR

1 Newspaper advertising reaches more people than any other medium. 88% of the nation's families get a newspaper every day. Over 100 million people, 82% of all people 12 years of age and over, read a newspaper on an average day. Every one of these people has the opportunity to see every ad in the daily newspaper. Only a small number of these people could be reached with any TV, radio or magazine ad.

2 People like advertising in newspapers better than in any other medium. People feel friendly toward advertising in newspapers. Surveys show that far fewer people want advertising in other media. An advertiser wants his customers to like him, so it stands to reason he will benefit if he runs his ads where they please instead of annoy people.

3 Newspapers deliver more "ready to buy" prospects than any other medium. Newspapers offer something for everybody—information, entertainment, editorials, advertising. And the reader is attracted to the ad that interests him. This means that readership ratings on ads represent live prospects for the advertiser. These people are easy to sell because they have a product interest. On the other hand broadcast ratings indicate people with an interest in the program, not necessarily a buying interest in the product.

4 Newspaper advertising gets more action than any other medium. As a news medium, the daily newspaper gives advertising an atmosphere of action and believability. People have confidence in and BELIEVE IN newspapers. This prompts action on the part of the reader.

5 Newspaper advertising offers more local selling flexibility than any other medium. Advertisers can use newspapers market-by-market — to protect strong markets, to bolster weak markets, to vary advertising where potential varies, to meet competitive attacks, to get better timing with their sales and merchandising programs than is possible in any other medium.

6 Newspapers give more flexibility in selling copy than any other medium. An advertiser can tell his story in the size that suits his needs. He can use a two-page spread to tell a detailed copy story, or he can tell his story in the same or smaller space with just a few words. He can run a 100-line or a 1,000-line ad, depending on his budget and strategy. A newspaper offers advertisers more physical and creative flexibility than any other medium.

7 Newspaper advertising offers better retail merchandising than any other advertising. Four million U.S. retailers invest about 2 1/4 billion dollars in the daily newspaper — more than they spend in all other media combined. No other medium has as close a relationship with retailers as the daily newspaper.

8 Newspaper advertising is a safer and surer investment than advertising in any other medium. In some media a good percentage of the results are affected by the variables of the medium, and by the medium's own competition. In newspapers, the advertising stands on its own feet, unaffected by such variables. Newspaper advertising is always ready and waiting to suit the time, place and pleasure of the consumer. The daily newspaper is always selling.

9 Newspaper advertising produces more sales per dollar of advertising cost than do other media. The cost of an advertising medium depends on a combination of two things: First, how much it costs to reach a person with a sales story. Second, what action that sales story causes the person to take — or, how much it costs to make a sale. The best figures available indicate that the newspaper delivers a message to a person at a cost at least as low as the cost of delivering the message in any other medium.

IN SHORT - THE HERALD GIVES YOU

Colleen's Coming Along Fine

Colleen, the infant daughter of S-Sgt. and Mrs. Robert E. Clark, is indeed coming along. In fact, she was up to a robust 5 pounds and 2 ounces this week and got to take her first trip—home. If that doesn't seem too big, consider that Colleen weighed only 2 pounds, 12 ounces when she was born at Webb AFB hospital last Dec. 15. Here she is, smiling, with her mother and father, who couldn't leave the hospital until she got up to 5 pounds.

Local Officials Are Hit By \$75,000 Suit

George Wayne Moorhead, 26, Big Spring, has filed suit in U. S. District Court at Abilene against Bobby West, investigator for the office of district attorney; Randall Sherrod, deputy under Sheriff Miller Harris, and Jack Bennett, Big Spring grocer for \$75,000 damages.

persons sued have not been served and that the only information before him or the defendants was unofficial. "I will say," he added, "if the suit goes to trial, I will defend at least one of the defendants and possibly two of them in the federal court."

Moorhead, in the petition lodged in the court by Clyde Thomas, his attorney, alleges that he was deprived of civil rights, subjected to "third degree" and held in jail improperly in connection with an investigation the officers were making into a complaint that Bennett had been beaten up and robbed on the night of Feb. 22.

Mrs. Bertil Anderson is the latest citizen to make a gift of furniture to the Big Spring Civic Theatre. Her gift consisted of an arm chair and four straight chairs.

Tricky Rat Grounds Plane

CHICAGO (AP)—A tricky rat that grounded a 44-passenger airliner at Midway Airport since Tuesday had officials of United Air Lines up in the air today on how to catch him.

The rat, named Rudolph, has upset the best efforts of mechanics and an exterminator to get him out of the fuselage. He has stolen cheese set out to bait him and has avoided all other traps.

Charles W. O'Hare, a professional exterminator called in to catch Rudolph, said he had used a special 22-caliber target pistol which fires scatter shot.

Not Resigning

Republicans Keep Up Drive To Oust Benson

WASHINGTON (AP)—Midwestern Republicans kept up their political fire at Secretary of Agriculture Benson today in the expressed hope of forcing him to reconsider his refusal to resign.

Two other Republicans rallied Benson's support. Rep. (R-Neb.) who carried GOP protests to President Eisenhower yesterday, told news- men, "The President is not going to fire him and is not going to ask him to resign."

He said some 30 rebellious GOP Midwestern House members, worried by what he called a grass roots political uprising against administration farm policies, plan to appeal to Benson to tender his resignation for the good of the Republican party.

"I told the President it was the opinion of the group that it may mean 20 to 30 House seats, a few Senate seats and governorships in the farm belt," he said.

Benson, discounting any thoughts of resigning, told a news conference his policies would be political assets rather than liabilities to Republicans who got out and worked for them.

Moving Out

Mrs. A. Oetkew leaves her home in Victoria, Tex., as flood waters from the Guadalupe River poured into this west-side subdivision. The flood drove 350 persons from their homes. The weather bureau said 103 needed assistance. (AP Wirephoto).

BIG SPRING DAILY HERALD

SEC. B BIG SPRING, TEXAS, FRIDAY, FEBRUARY 28, 1958 SEC. B

AT FRIENDSHIP DINNER

C-C President Calls For 'School Improvement'

About 125 Big Spring and Elbow citizens last night were admonished to "be good neighbors, good friends and work together" for progress of the area.

Speaker was Dr. J. E. Hogan, president of the local Chamber of Commerce, who talked briefly at a "friendship dinner" in the Elbow school gymnasium. More than 60 Big Springers were on hand, and their dinner guests were residents of the Elbow community.

One field which is calling increasingly for cooperation is education, Dr. Hogan said.

"This is a day of science, with Sputniks in the air," he declared. "We've got to prepare our children to live differently from what we have in the past. We must have vast improvement in education."

Pointing out that transportation has improved enormously since the days when it required school districts to be organized on a small community basis, he said that "if we had some consolidation we could have a high school good enough to prepare our children to compete with others in any field."

"A lot of kids are not getting all the education they're entitled to," Dr. Hogan asserted. "They're not being equipped to face the competition they'll meet in college."

"We can give them a better education for the same dollar we're spending now. Some districts in Howard County are spending twice as much per capita as Big Spring is spending on education.

"It isn't good," he said, "for one district to spend so much while one nearby is getting by on a shoestring. We must be our brother's keeper."

Dr. Hogan said the nation still must look to its rural areas to provide future leadership, just as it has in the past.

"Farm boys and girls have time to think," he said. "Town kids don't have time. They have too much to do, too much meanness to get into."

The C-C president invited the El-

Teachers At Conference On Reading

A teacher from each of Big Spring's elementary schools and three from the junior high faculty are attending a reading conference at Southern Methodist University in Dallas today and Saturday.

The conference is sponsored by the Texas Association for the Improvement of Reading.

Junior high representatives at the conference are Mrs. Joy Corvin, who is in charge of remedial reading instruction, Mrs. Amy Sparks and Mrs. Miriam Wilcox.

The elementary delegation, headed by Mrs. Ruth Rutherford, principal at West Ward-Park Hill, includes Mrs. Faye Baird of Washington School, Mrs. Lena Davis of East Ward, Mrs. Cletus Dunagan of College Heights, Mrs. Thelma Blackwell of Airport, Mrs. Mary Hefley of Park Hill, Mrs. Katie West of West Ward, Mrs. Jack Alexander of North Ward, Mrs. Mary Newell of Special Education, and Charlene Wasson of Kate Morrison.

Kiwanis Pancake Supper Is Tonight

Members of the Big Spring Kiwanis Club met at 3 p.m. today at the Big Spring High School cafeteria to set up equipment for the club's annual pancake supper event. Serving of food began at 5 p.m. and will continue through 9 p.m.

Ticket sales have been good and it is anticipated hundreds of Big Spring residents will have been served pancakes, bacon, butter, syrup and coffee by the time the curtain falls on the supper.

These annual pancake suppers have been conducted by the Kiwanis Club for several years and the funds derived above expenses go to the organization's fund for the aid of underprivileged children. The motto of the suppers is "All you can eat." Hundreds of pounds of bacon, vast quantities of pancake mix, gallons of syrup and a mountain of butter have been assembled for the occasion.

Tickets are sold at the door and any person who has not been contacted in advance can obtain all of the tickets desired at the cafeteria anytime between 5 p.m. and 9 p.m.

Harace Reagan is general chairman of the committees in charge of the supper.

Kiwanians heard a last minute report on preparations for the supper at their Thursday meeting. The club met this week at the Coca Cola Bottling Co. plant as guests of Jack Roden. The members were served a dinner in the special conference room of the plant on West Highway 80.

THE HALE-AIKIN SURVEY

Progress Of Pupils Shows How Good The Teachers Are

Progress made by the pupils is the decisive factor in gauging the success of a school system.

And good teachers are essential to pupils realizing the maximum benefits from their educational opportunities.

How good are the teachers here, and will Howard County schools be able to recruit sufficient good teachers to keep step with growing enrollment?

That's part of the assignment for the Teacher Supply sub-committee of the Howard County Hale-Aikin School Study Committee. Jim Zike of Vincent is chairman of the 13-member group which must evaluate faculties of the various schools, determine how many new teachers will be required in the next five years, and decide how the district can best recruit — and keep — good teachers.

For the state as a whole, the Texas State Teachers Association estimated 40,935 additional teachers will be needed during the five years ending in 1962-63. About a third will be required by increasing school enrollment, the remainder to replace teachers who will quit teaching during the period.

Zike's sub-committee not only will determine the number of teaching vacancies now in the various school districts, it will find out how many positions are filled by teachers who lack college degrees and proper certificates, and how many are considered incompetent.

Also, an effort will be made to ascertain the teacher-pupil ratio in local schools, to determine whether faculties are being utilized to their fullest capacity.

Another problem is whether the Howard County schools provide sufficient incentive to attract and keep good teachers. Factors to be considered include salaries, living conditions, job satisfaction, career opportunities, adequacy of facilities, contractual relations, etc.

The state provides a "base salary" for teachers—starting at \$3,204 for those with no experience and a bachelor's degree. The schedule guarantees annual increases up to 12 years for teachers with bachelor's degrees and up to 26 years for those with master's degrees.

Some Howard County districts pay more than the minimum, and some don't. Any excess must come out of local funds.

Although state laws set up requirements teachers must meet to secure teaching certificates, the matter of improving the competence of teachers is left to the individual and the school district in which he is employed.

"In-service" education for teachers is provided by local school boards and directed by administrators. Whether in-service training programs are provided by Howard County schools and how effective they have been will be a part of the study on teacher supply.

(Second in a series of four articles on the Hale-Aikin School Survey.)

No-Wheel Car Seen For 1978

DETROIT (AP)—A Detroit product designer predicted today that the car of 1978 will be a wheel-less vehicle, propelled by ducted fans and moving about two feet above the surface.

The prediction was made by Carl Reynolds, a one-time Chrysler designer, attending the Industrial Designers Institute conference here.

Reynolds, who played a major role in the design of automobile tail fins, said the car he foresees would be constructed of light metal to allow a small, lightweight engine to be used. This, he said, would make altitude maintenance and control much easier.

DOWNTOWN LIONS CLUB

Indian Stick Dance

Carolyn Phillips, at left, Merlene McDonald and Cleo Thomas go through the steps of the Indian Stick Dance which they will present Saturday for Area Two of Future Homemakers of America, meeting at the high school for an all-day session. The folk-dance is popular in different parts of India and is performed with sticks of bright red or green decorated with three tiny bells. Costumes, fashioned by the girls, are made up of a blouse and slim skirt with a sari, a straight piece of material, six yards in length and 45 inches in width.

Entertainment, Study Planned For Meeting Of Area Two FHA

Entertainment as well as study will be provided at the Area Two meeting of Future Homemakers of America slated Saturday at the high school auditorium. The local chapter will serve as host for an expected crowd of about 1200 girls. Registration is set for 8:30 to 9:30 a.m., with sessions to begin at 9:30. Speeches of welcome and the roll call are planned for the morning meeting. A film, "Careers in Homemaking," will be shown with Anna Bines of Fort Worth as commentator. Miss Bines, past president of the Texas Home Economics Association, will explain the various careers based on home making courses. Swartz Junior Shop will furnish fashions for a style revue to be presented by local models. Luncheon will be served to the group in the cafeteria at high school, with the afternoon session to begin at 1:30. During the afternoon, Mrs. Clyde Angel will give a review of Thyra Bjorn's book, "Papa's Wife." An Indian Stick Dance will be presented by girls from the

Baptist Temple WMS Has All-Day Study Thursday

A review of the study book "Look, Look The City," Albert McClellan, was heard by members of the Baptist Temple WMS Thursday. Nineteen attended the all-day session at the church. Mrs. Hubert Gilbert, Mrs. B. F. Mabe and Mrs. Monroe Gafford were the reviewers. The book describes the readjustment made by one church member who moved from a rural community to a city and, in the telling, reveals the problems faced by both rural and city churches. In a brief business session, the group voted to concentrate their programs for the Week of Prayer For Home Missions into one all-day affair to begin at 9:30 a.m. Tuesday. Mrs. Frank Strickland will be in charge of arrangements.

It was announced that Mrs. Ira Thurman, coordinator of volunteer services at the State Hospital, will address a joint meeting of all churches at the church at 9:30 a.m. March 11.

Musical Program Given For AAUW

LAMESA — The American Association of University Women met Tuesday afternoon in the high school cafeteria for a program on "Melody and Rhythm in Music." Mrs. Jake Lippard was chairman.

Orland Johnson was speaker and illustrated his points with a girl sextet composed of Janice Minor, Janet Benson, Patsy McMullin, Ruth Ann Scott, Judy Stroud and Ann Roberts.

Mrs. D. A. Derringer and Mrs. Andrew Essary were hostesses for the meeting, which was attended by approximately 60.

Forsan HD Club Tries Leathercraft

FORSAN — A workshop in leathercraft was held for the Forsan HD Club Tuesday afternoon in the driver education building. Mrs. J. R. Howard served as instructor and displayed some of her work to the eight present.

Mrs. L. M. Duffer will be hostess on March 11.

Mrs. R. G. Bittle Is Bride Of

LAMESA — Wedding vows united in marriage Virginia Annett White and Richard Gene Bittle in a double ring ceremony read Monday morning in the chapel of the First Baptist Church. The Rev. Milo B. Arbuckle, pastor of the church, read the ceremony.

Parents of the couple are Mr. and Mrs. Toad White of Lamesa and Mrs. Jim Witherspoon of Vernon. Given in marriage by her father, the bride chose a pastel blue dress of all-over embroidered cotton satin. The sheath dress featured a brief bolero jacket. She wore a hat of white lace with blue accessories. The bridal bouquet was formed of white orchids surrounded by feathered carnations carried atop a white Bible. Brenda Henderson was the maid of honor. Her dress was of medium blue with white accessories. White carnations were used to fashion her corsage. Delbert Richardson of Snyder was the best man. The couple left on a wedding trip to Ruidoso and other points of interest in New Mexico. When they return from their wedding trip, they will make their home in Snyder. The bride attended Lamesa High School; her husband was graduated from Wynne Wood, Okla. High School. He is employed with Newman Brothers Oil Co. in Snyder.

The Bethany Class Elects New Officers. Members of the Bethany Class, Hillcrest Baptist Church, elected officers at their meeting Tuesday night. Mrs. John Austin was hostess to the group of seven. Named to guide the class this year were Mrs. Hack Miller, president; Mrs. Austin, vice president; Mrs. Sherman Shuffield, secretary-treasurer; and Mrs. Robert Baker, assistant secretary. Mrs. C. O. Jones will be social chairman. The next meeting will be at 7:30 p.m. March 21 in the home of Mrs. K. Roberts.

Plans San Saba Visit. Mrs. John Huffstetter, 804 Rannels, is planning to leave Saturday for a week-long visit in San Saba with a sister.

History Of Altrusa Is Reviewed

The history and development of the Altrusa Club was recounted for local members Thursday by Mrs. Loyd Wooten at a luncheon meeting. The club met at the Wesley Methodist Church. Mrs. Ruby Billings presided for the program in the absence of the president, Mrs. J. B. Apple. Mrs. Wooten told of the founding of the club and its purposes; of the scope and the attainment of the international rating. Mrs. Hart Phillips discussed the elements in buying merchandise for a department store and told of her recent trip to New York as buyer for a local firm. The next meeting of the club was slated for March 13 by the 26 attending.

St. Lawrence HD Clubs Study Sewing

Members of the St. Lawrence 4-H Club received help recently with the garments they are making for the style revue which will be held in Garden City in April. Hostesses for the meeting were Betty and Carolyn Schroeder; Mrs. Arnie Schroeder gave helpful hints on gardening. Mrs. Mildred Eiland, Martin County HD agent, assisted with the sewing and also showed the method of keeping the club records.

Linda Hoelscher was introduced as a new member. An invitation was read from the HD Club for the girls to model their dresses at the March 25 meeting of that group. Six members and three adult leaders were present.

Mrs. Millard Saunders was hostess to the St. Lawrence HD Club recently, when a sewing demonstration was given.

Mrs. James Johnson was elected delegate to the THDA meeting to convene in Midland April 10. Mrs. Saunders is alternate.

The next meeting was announced for March 25 in the home of Mrs. Eugene Hirt.

Stork Shower Fetes Mrs. Harbin, Jr.

The home of Mrs. Homer Hair, Coahoma, was the scene of a stork shower Wednesday honoring Mrs. A. W. Harbin Jr. Co-hostesses with her were Mrs. J. M. Wilson and Mrs. Donald Duke. At the refreshment table, a pink and white linen cloth was centered with a bowl of white narcissi.

A surprise turn-about, the 24 guests also made the affair a birthday party for Mrs. Hair.

Mrs. R. D. Garrett and Mrs. Joe Hill were hostesses to members of the Fidelis Class, Coahoma Baptist Church, Tuesday evening.

Following the business meeting, their husbands joined them for games of "42" and a social.

Jacksons Return From South Texas

KNOTT — Mr. and Mrs. Darrell Jackson and Valerie have returned from a week's vacation trip to Freeport and other South Texas points.

Mrs. Edgar Airhart is much improved after being seriously ill at her home for several days.

Mr. and Mrs. John McGregor have returned from Roswell, N. M., where they visited their son, Pat McPhaul, who is a student at the military institute.

E. C. Airhart has returned to his home after being hospitalized in Big Spring for several days.

Weekend guests of Mr. and Mrs. O. E. Haddock were the Rev. and Mrs. W. E. Milton of Corsicana, Ann Milton and Linda Copeland of Lubbock.

Bobby Airhart of Muleshoe and J. E. Airhart of Sparenberg visited their parents, Mr. and Mrs. E. C. Airhart, Sunday.

Gene Long has returned to his home after received medical treatment in Big Spring.

THDA Nominee

Mrs. Frances Zant was chosen THDA nominee for the Luther Home Demonstration Club at a meeting Thursday afternoon in the home of Mrs. S. C. Rhoton Jr. Mrs. Dean Selt was announced as the hostess for March 13. Seven members were present with Mrs. L. L. Underwood, a guest.

Plans San Saba Visit

Mrs. John Huffstetter, 804 Rannels, is planning to leave Saturday for a week-long visit in San Saba with a sister.

March Garden Calendar Includes Clean-Up, Fertilizing, Planting

By MARY COCHRAN
No need to "Beware the Ides of March" if you know what you are going to do in the garden this coming month. A bit of consulting with a regional gardening calendar will solve your problems. Calendar of this type will be published in this column monthly. If you are starting a garden scrapbook this is a good time to start clipping articles for your yearly schedule. In checking your activities for the month of February, be sure you have begun to prepare beds for flowers and vegetables; fertilized lawn, roses and used the important cleanup dormant spray. Fancies and sweetpeas are planted this month as are trees, shrubs, and roses. Cold frames and seed flats are to be started now, also. The all important month of March is scheduled in the Southwest Gardening book by Doolittle and Tiedebohl as follows: Chrysanthemums: Prepare beds for planting late this month or early April. Cold Frames: Harden off plants in cold frames. Fertilize: Use compost around special plants, such as the favored delphiniums. Put first manure mulch on roses. Fertilize lawn if you haven't done so. Flowering shrubs: Bring in branches to force for attractive home display. General: Give flower beds final cleanup. Dig grass from around flower beds and edge lawns around them. Protect small plants from wind and irrigate after severe windstorms. Gladiosi: Plant a portion of your gladioli. Iris: Clean up. Remove dead leaves. Lawn: Fertilize if you haven't done so. Perennials: Plant and transplant. Plant: Hardier vegetable and flower seed. This is last month most advisable to plant roses, shrubs, trees, and other large plants. If available in containers they may be set out later than this month. Roses: Last month advisable to plant. Put first manure mulch on roses. Prune and use cleanup spray if you neglected it last month. Other schedules published for planning guides include garden reminders for Texas and the Southwest in Better Homes and Gardens magazine. March suggestions include: Think about setting off a cor-

ner of the vegetable patch for your herb garden. Plant family favorites, but be sure shade is available for tender varieties. Feed established trees by drilling holes in soil around outside rim of limb overhang. Pour plant food into holes, cap holes with soil and sod. Don't kill the trees with kindness however. One good feeding a year is enough. Follow directions on container. Try developing tropical effects around Spanish or adobe architecture by putting in pampas grass, Spanish broom, yucca, sumac, elephant ears, castor bean, or other dramatic varieties. Repot house plants if soil has become caked or salt crusted. Add peat to soil to help passage of water to roots. Sink pots in shady spots in the garden for the summer. Divide and replant overcrowded clumps of early asters, chrysanthemums, and other late perennials.

Mrs. Brumley Reviews Book For Indoor Sports

Mrs. Edward Brumley reviewed the hilarious account of life in a trailer as described by Clinton Twiss in his book, "The Long, Long Trailer," for the Indoor Sports Club Thursday evening. The group met at the Girl Scout House for the review and a short business meeting. Announcement was made of the meeting of the district board, scheduled for Hotel Berger in Borger at 10 a.m. March 9. Local people included on the board are Dollie Ward, president

Vernon Duke Family Moves To Aztec

FORSAN — Mr. and Mrs. Vernon Duke and family moved Wednesday to Aztec, N. M., to make their home. Waynann Monrone, daughter of Mr. and Mrs. Wayne Monrone, has been confined to Malone & Hogan Hospital since Monday. Barbara Theil and Zemina Lou Cooper visited in San Antonio for a few days. Arvill Hall is a patient in Medical Arts Hospital.

L. T. Schoultz underwent surgery Tuesday morning at Malone & Hogan.

Mr. and Mrs. A. D. Barton are home from Georgetown where they spent two weeks. His father, D. A. Barton, who had been ill for more than a year, passed away and was buried Monday afternoon.

Mr. and Mrs. A. P. Oglesby visited Mr. and Mrs. Charles Hall and children in Odessa. Martha Cowley of Abilene has been visiting relatives here.

Mrs. Mary Chaik has returned from Temple where she underwent medical treatment. Mr. and Mrs. Dee Anderson and family are visiting relatives in Hot Springs and Evening Shade, Ark.

Mr. and Mrs. James Craig and children of Sterling City visited here Tuesday with their parents, Mr. and Mrs. J. M. Craig and Mrs. Vera Harris.

Mr. and Mrs. F. E. Davidson visited in San Angelo with Mr. and Mrs. Al Fitts.

Afternoon Club

GARDEN CITY — Mrs. C. J. Cox was hostess to the Afternoon Bridge Club in her ranch home Wednesday afternoon. Mrs. Dick Mitchell won high; Mrs. Glenn Riley second high. Bingo prizes were won by Mrs. J. A. Bigsby and Mrs. Steve Calverley.

New Pastor Sunday At Church Of God; Methodist Revival Set

Congregation of the First Church of God, 2009 Main, will greet its new pastor Sunday morning.

The Rev. V. Ward Jackson, formerly of Hugoton, Kansas, is to preach for the first time at the Sunday morning service.

A graduate of Anderson College and Theological Seminary, Anderson, Ind., the Rev. Jackson has been pastor of the Church of God in Hugoton for the past five years. He also has held pastorates in Russell, Ky., and Auburn, Ind. He succeeds the Rev. W. R. Hutchings, who resigned recently.

Revival services, to continue throughout the next week, will start Sunday at the Park Methodist Church. Evangelist will be Dr. H. Clyde Smith, superintendent of the Big Spring district. Here are the Sunday schedules for local churches.

Assembly Of God

First Assembly of God will hear the Rev. S. E. Eldridge in a sermon on "By My Spirit, Saveth The Lord" at morning worship. He will also be in the pulpit Sunday evening.

Baptist

The Rev. R. B. Murray, pastor of Northside Baptist Church, has announced as his sermon topics for Sunday "Keeping An Appointment With God," I King 17:4, and "The Song of Assurance," Rom 8:35-39.

At First Baptist Church, Dr. P. D. O'Brien will bring a message on "God Can Use Only Tested And True People." Judges 7:4 at morning worship. His evening topic will be "There's Only One Way Of Salvation," Acts 4:12.

The congregation at Birdwell Lane Baptist will hear a morning sermon "What The Lord Has Provided," Psalms 23, from the Rev. E. G. Newcomer, who will also be in the pulpit at evening worship.

"Submission" is the sermon subject announced by the Rev. A. R. Posey for Sunday morning at Baptist Temple. He will also occupy the pulpit at the evening hour.

The Rev. H. L. Bingham, Hillcrest Baptist, will preach on "The Five Daring Sins Against The Holy Spirit," Sunday morning. With John 3:19 as his text, he will speak about "Born Again And Know It," at the evening hour.

Sermon topics announced by the Rev. Ernest D. Stewart Jr., at East Fourth Baptist are "Men Without Power" and "And He Was A Samaritan."

College Baptist Church will hear the pastor, the Rev. H. W. Bartlett in a message about "The Veil of the Tabernacle." Sunday morning. Text is from Ex. 26 and Heb. 10:19-20. At evening worship he will speak on "The Voyage Of Life," Psalms 106:24.

The Rev. J. H. McWilliams, Cal-

Rev. V. WARD JACKSON

vary Baptist will preach on "Christ Crucified," I Cor. 1:22, and "The Convicting Facts," John 16:7.

The Rev. D. R. Phillep, Phillips Memorial Baptist, will bring messages on "You A Child of God," I John 3:1-3, and "Salvation Before Baptism," Gal 3:26-27.

Catholic

Mass will be said by the Rev. William J. Moore at 7 a.m. and 11 a.m. at St. Thomas Catholic Church. Confession will be heard from 5:30 to 6 p.m. and 8 p.m. on Saturday. Benediction will follow the last mass.

At the Sacred Heart (Spanish-speaking) Church, Mass will be held at 8 a.m. and 10:30 a.m. Sunday. Confessions will be heard on Saturday from 5-6 p.m. and 7-8 p.m. Benediction will be at 5:30 p.m. on Sunday.

Mass will be said Sunday at 5:30 p.m. in Coahoma at St. Joseph's Mission by the Rev. Fr. Adolph Metzger, OMI.

Christian

"The High Calling of God," Acts 8, will be sermon heard by the First Christian Church, Sunday morning. The Rev. Clyde Nichols will also preach Sunday night with the subject to be "The Power of A Transformed Life," 2 Cor. 5:16-21.

Christian Science

The meaning for today of Christ Jesus' healing mission will be brought out a Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Christ Jesus" is the Golden Text from John (18:37): "To this end was I born, and for this cause I came into the world, that I should bear witness unto the truth."

Selections to be read from "Science and Health with Key to the Scriptures" include the following: 131:26-29. "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demon-

strations of the divine power, demonstrations which were not understood."

Church Of God

The Rev. V. Ward Jackson, new pastor of the First Church of God, will preach on "The Growth of A Church" and "Behold, Your God." This will be the Rev. Jackson's first Sunday at the church. He comes here from Hugoton, Kansas, where he has been pastor of the Church of God for the past five years.

Episcopal

All services of St. Mary's Episcopal Church will be held in the new sanctuary at 10th and Goliad. During Lenten season special services of the Holy Communion are set for 7:30 and 10 each Tuesday morning.

The Rev. William D. Boyd, rector, has announced a new schedule of Sunday services: Celebration of Holy Communion at 7:30 a.m.; family worship service at 9:15 a.m.; and Morning Service at 11 a.m.

Lutheran

The Rev. Wayne A. Dittloff will bring the message at the 10:30 service Sunday morning at St. Paul's Lutheran Church. Sunday school and Bible classes begin at 9:30 a.m. and an adult discussion group meets at 7 p.m.

The series of special services for the Lenten season will continue through Easter Sunday. Each of the six Wednesday services will be held at 7:30 p.m. as will services for Maundy Thursday and Good Friday, and the public is welcome to attend. Theme for the Lenten observance is "Were You There?"

Methodist

Dr. Jordan Grooms will deliver a message on "Cultivate A Sense of the Sacred" Sunday morning at First Methodist Church. His evening topic will be "The Harvest of the Spirit is Peace and Patience."

Dr. H. Clyde Smith, district superintendent, will be evangelist for the revival at Park Methodist Church which will begin Sunday and continue through the following Sunday. The announcement came from the Rev. H. W. Gaston, pastor. Services will be held daily at 7:30 p.m., with the usual worship hours on Sunday.

"The Master Calls For Thee" and "The Cross And Great Living" will be the sermons of the Rev. C. W. Parmenter to be heard Sunday at Wesley Methodist Church.

Presbyterian

Dr. R. Gage Lloyd's sermon

subject for Sunday morning at First Presbyterian Church will be "Personal Examination." At the evening hour he will continue the series of messages on the doctrines of Christianity; it is entitled "Restating the Fundamental: The Bodily Resurrection." The children's choir will sing "There is a Song So Sweet."

At St. Paul Presbyterian Church, the Rev. Jack Ware will speak on "Eternal Security," Sunday morning. The adult choir will sing "Faith of Our Fathers," arr. Wilson. For his evening message the Rev. Ware will point to "Operation Japan," "The Tallis Canon" will be sung by the fellowship choir.

Webb AFB

Chaplain Verlin E. Mikesell will be in charge of Protestant services at 11 a.m. at the base chapel. His sermon subject will be "Where Protestants Fail." Immediately following the message there will be a general communion service.

Sunday School is at 9:45 a.m. in the chapel annex and the adult discussion group, meeting at the same hour, will continue the study of the Book of Revelation.

Catholic confession is slated from 7 to 8 p.m. on Saturday. Mass will be held at 9 a.m. and 12:15 p.m. Sunday, with Father Kenneth E. Henriquez officiating.

Gospel Tabernacle

Big Spring Gospel Tabernacle, Noah Tuttle, pastor, is at 1905 Scurry. Sunday school, 10 a.m.; church services, 11 a.m.; evening services, 7:30 p.m. Services are broadcast each Sunday at 8 a.m.

Latter-Day Saints

Priesthood classes are held at 9:30 a.m. Sunday at the Girl Scout House, 1407 Lancaster. Sunday school is scheduled at 10:30 a.m. The evening worship service is at 6:30 p.m.

7th Day Adventist

Services of the Seventh Day Adventist Church will be at 2:20 p.m. Saturday followed by church services at 3:30 p.m.

Pentecostal

Services at the United Pentecostal Church, 15th and Dixie, will begin at 10 a.m. Sunday, with Sunday school. At 7:30 p.m. there will be a church service. O. F. Viken is pastor.

The Living Word

Morning services begin at 10 at The Church of the Living Word, announced the pastor, the Rev. Lee F. Snell Jr., who will also occupy the pulpit for the 7:30 p.m. worship service. Worship hours begin at 7:30 p.m. each Tuesday and Friday.

One in Christ

THERE IS ONE GOD, FATHER OF ALL, AND ONE CHRIST, JESUS

Scripture—Luke 9:19-50; John 17:20-26; Ephesians 4:1-16.

By NEWMAN CAMPBELL

IN THE first verses assigned to the lesson today, we find John telling Jesus that he and the other apostles had seen a man casting out devils in Christ's name. They had forbidden him to do so because he was not one of their number, although he was a convert to Christ.

Jesus' answer may have surprised John and the others, for He said, "Forbid him not; for he that is not against us is for us." —St. Luke 9:50.

Jesus is facing the crisis of His life on earth. Death on the cross is ahead of Him, and He, the sinless one, prostrates Himself before His heavenly Father and pleads for His close companions on earth whom He loves. In two verses not assigned to our lesson but, it seems to me, belonging to it, are the words, "As Thou hast sent Me into the world, even so have I also sent them into the world. And for their sakes I sanctify Myself, that they

be the prisoner of the Lord," beseeching them to "walk worthy of the vocation wherewith ye are called, with all lowliness and meekness, with longsuffering, forbearing one another in love; endeavoring to keep the unity of the Spirit in the bond of peace."

We have commented before in these lessons of the bitter quarrels over religion in many churches. No wonder that a man might say that he would not join a church unless unity and peace through love had been attained.

"There is one body, and one Spirit, even as you are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, who is self before His heavenly Father and pleads for His close companions on earth whom He loves.

In two verses not assigned to our lesson but, it seems to me, belonging to it, are the words, "As Thou hast sent Me into the world, even so have I also sent them into the world. And for their sakes I sanctify Myself, that they

MEMORY VERSE

"To us there is but one God, the Father, . . . and one Lord, Jesus Christ."—I Corinthians 8:6.

also might be sanctified through the truth."—John 17:18-19. "Neither pray I for these alone, but for them also which shall believe on Me through their word; That they all may be one; as Thou, Father, art in Me, and I in Thee, that they also may be one in us; that the world may believe that Thou hast sent Me.

"And the glory which Thou gavest Me I have given them; that they may be one, even as We are one: I in them, and Thou in Me, that they may be made perfect in one; and that the world may know that Thou hast sent Me, and hast loved them, as Thou hast loved Me."—John 17:20-26.

We have not space enough here to quote the remainder of our Lord. It should be read by the older classes, at least, in its entirety.

Now we turn to Paul's epistle to the church members at Ephesus. He is writing from prison.

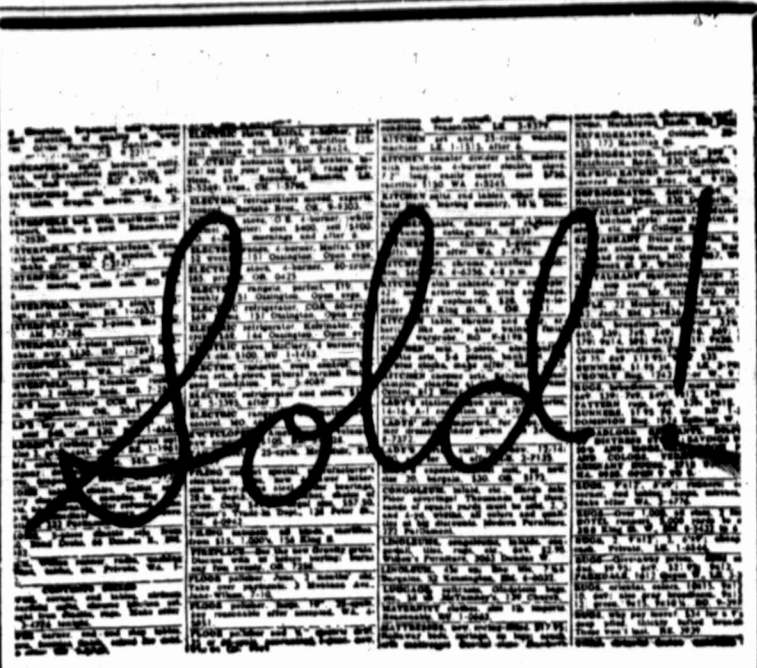

Based on copyrighted outlines produced by the Division of Christian Education, National Council of Churches of Christ in the U.S.A., and used by permission. Distributed by King Features Syndicate.

ber a previous lesson—"For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ."

Henceforth, "speaking the truth in love, we may grow up into Him in all things, which is the head, even Christ."

Meekness, humility and longsuffering are virtues which help us to control our tempers and forbear with one another in love. This is easy to say and believe, but we all know how difficult it is to practice.

Dr. Wilbur M. Smith suggests that teachers of the younger classes might illustrate the unity desirable in a church or Sunday school by mentioning the many different parts of our bodies. Yet the body is one, and if one part suffers, all do. So it is with the church.

Methodists Slate Enlistment Drive

Big Spring Methodists will join in a state-wide church enlistment campaign Sunday.

Every Methodist family in Big Spring whose membership is in a church elsewhere may look for visitors from either the First, Wesley or Park Methodist Churches.

Similar visitation campaigns will be conducted by Methodist congregations throughout the state. Inactive church members will be invited to active participation in some local Methodist church.

Nearly 200 persons will engage in the visitation here, and the churches have compiled a list of approximately 200 inactive Methodist families in Big Spring.

Three periods of visitation have been planned here—from 10 a.m. to noon, from 2 to 4 p.m. and from 7 to 9 p.m.

Across the state the campaign is being planned as "The Great Day of Evangelism."

In preparation for the extensive visitation, Bishop William C. Martin of the Dallas-Fort Worth Area, and Bishop A. Frank Smith of the Houston-San Antonio Area will speak to the general public via

television and to teams of workers in local churches via film. Bishops Martin and Smith head Texas Methodist.

Three groups of visitors are to go out from each local church. Arrangement have been made to serve the workers breakfast, dinner and supper. At 8 a.m. Sunday, breakfast will be served to the morning teams of visitors, who will be given evangelistic instruction and will visit two by two on assigned prospects during the morning.

At 12:30 p.m., there will be lunch for the morning and afternoon teams. Morning teams will share experiences and reports at the table. There will also be instructions for the afternoon teams.

Supper for the afternoon and evening teams will be served at 5:30 p.m. They will leave the church at 6:30 p.m. and return at 9:30 p.m. for reports.

Prayer vigils for the visitation, which is part of the year-long "Tell Texas About Christ" campaign are to be held in each local church from 7 p.m. Saturday through 7 p.m. Sunday.

Last Sunday, Methodists conducted a state-wide census to find the unchurched and inactive. Each church has been given a responsibility list based on the census.

Search For Missing Plane Called Off

ST. JOHNS, Nfld.—The U.S. Navy has called off a sea search for 22 Navy men missing since their radar patrol plane vanished over the North Atlantic, Feb. 20. The air search by 20 planes continues.

The Super-Constellation disappeared on a routine flight between its home base at Argentea, Nfld., and the Azores.

An empty yellow rubber life raft was found yesterday about 40 miles northwest of Graciosa Island in the Azores, but a Navy spokesman said it probably did not come from the missing plane since the bottom was covered with marine growth.

Give God A Chance—God Will Open Doors For You!

You and your responsibility

At last this little bit of life is ready to become a part of your home. You are glad, and at the same time you feel a great responsibility.

Perhaps you already realize how much the Church can help you. From the day you stand before the minister and dedicate the little one to God, on through the various departments of Sunday School and young people's work, the Church is always ready to lend a hand. Its spiritual message strengthens you, its worship services enrich your life, its opportunities for leadership increase your ability.

In the Church you will find other fathers and mothers with problems similar to your own. You will find boys and girls, men and women, working together, and from these beginnings will grow a better home life, a better community, a better world.

Yes, this is a beginning. Start now to make your home a center of Christian activity . . . and make the Church your home!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

U. S. Aide Sees Issue In Forced Import Limits

HOUSTON (AP)—The head of the government's plan to curtail oil imports voluntarily said yesterday mandatory controls would pose problems domestically and in foreign relations.

Navy Capt. Matthew Carson Jr. said he felt the voluntary program was working "but if we have to go to mandatory controls I hope we can do so with clear thinking."

"If mandatory controls are to come we should select the plan with the most equity and the fewest disadvantages," he said.

"There have been too many irresponsible statements on this problem," Carson told about 1,000 oilmen attending a Southern District meeting of the American Petroleum Institute.

Carson said a mandatory controls program whereby refineries would share imports would have "a lot of apparent advantages but also disadvantages." Carson is a Texan from Hearne.

He said a Denver refinery for example, might be authorized to use foreign oil for 10 per cent of its operations.

"But that would not mean any foreign oil would reach Denver," he said. "The refinery probably would exchange its share of the imports for oil available near home. Or it might sell the foreign oil."

He said exceptions would have to be made for refineries in the north central and northwestern areas. He said many refineries there operate exclusively with Canadian crude.

"These refineries would have to curtail operations unless exceptions were made," he said.

Carson said a plan calling for quotas by country of origin would leave to the foreign countries the setting of company allocations.

Or the companies with tanker facilities would have an advantage in the race to get the oil here first," he said.

The administrator said if mandatory quotas were set for importing companies "I fear it would freeze out newcomers for some time to come."

Party Discipline

BELGRADE, Yugoslavia (AP)—The Yugoslav Communist party today attacked easygoing party members and demanded a return to Communist discipline.

Khrushy Faces Dilemma Over Split Policies In Satellites

By WILLIAM L. RYAN
AP Foreign News Analyst
Communist boss Nikita Khrushchev, Moscow announced last night, has put over his latest proposal for Soviet agriculture. But his victory may be temporary, a pale reflection of a deeper struggle among Communists in the Soviet Union and abroad.

From the dreary gobbledygook of Communist statements emerges an outline of party dissension over where Soviet-brand socialism will go in the next decade. The conflict has important meaning for world peace.

Scraps of evidence indicate that Khrushchev is trying to fight Stalinism at home and to sustain it in the satellites. He reasserts Moscow's total mastery over world communism and all phases of Soviet and satellite life. But he also makes bright promises to the home folk, reminiscent of the nervous 1953 days after Stalin died. Strong popular pressure may be responsible.

A clue to the Khrushchev dilemma may be found in the Communist Central Committee's approval of Khrushchev's plan to "reorganize" the machine-tractor stations. These stations had the power to allocate or withhold ma-

chinery from collective farms and thus were a potent control weapon. But this sort of bureaucracy got in the way of farm production.

The Central Committee's decision probably means the end of the machine-tractor stations eventually, unless Khrushchev is reversed. Machinery will be sold directly to the collective farms. But Khrushchev did not achieve this approval without opposition, as evidenced by guarded statements in the Soviet press.

With characteristic double-talk, the party speaks now of a "further development of the collective

farm system," raising the possibility of an even bolder Khrushchev revision of Stalin.

Eventually this might mean extending the area of private enterprise in farming, reflecting Khrushchev's determination to overtake U.S. per capita food production. Recent hints indicate a move to create new production incentives.

While party actions in such affairs are announced as unanimous there have been indications of warning from an opposition to avoid any move reflecting on the over-all superiority of the collective farm system.

Blustery Weather Hammers Plains

By The Associated Press
Blustery wintry weather hammered the Plains states today and the heavy snow, strong winds and colder air headed into north central sections of the country.

Blizzard conditions extended from the western Dakotas southward through western and central Nebraska and into western and central Kansas. Snow depths reached more than a foot in some places.

The blowing snow restricted visibility to fractions of a mile as strong northerly winds lashed the storm belt. Wind gusts ranged from 30 to 50 m.p.h. with gusts near 60 m.p.h. in some areas.

2 Cops Suspended In Racial Tussle

NEW YORK (AP)—Two white patrolmen were suspended and arrested today, accused of striking a Negro woman on a Manhattan street and holding a revolver on her when he went to her aid.

Charged with felonious assault were Patrick Kilgannon and Andrew Cassels. They denied the charges.

Inspector James McDonald said Kilgannon and Cassels were off duty Wednesday night when one of them struck Odessa Walker, 37. No reason has been given.

Some 10 or 15 men attacked the patrolmen and took away their revolvers. Most of the group of men were reported to be Negroes.

Wood Alcohol Deaths Rise

NEW YORK (AP)—Deaths from drinking wood alcohol rose to 10 in the city yesterday. Autopsies today on three persons may raise the toll to 13 and three others admitted to hospitals during the night were in critical condition from drinking the lethal potion.

Meanwhile, police were cracking down on bootleggers. Several arrests were made, but none were connected with the sale of the deadly methyl or wood alcohol.

The first poisoning reports occurred Wednesday when six persons—four men and two women—were found to have died Tuesday after a party in East Harlem Sunday night.

Autopsies disclosed four other persons—including a woman—who died earlier in the week had succumbed to drinking wood alcohol. They did not attend the Harlem party.

Undergoing autopsy today were the bodies of two men and a woman who died within the past 48 hours. Tests showed symptoms of wood alcohol poisoning. These persons did not attend the Harlem party.

All the victims have been Puerto Ricans.

Student Arrested

Palo Alto, Calif., police walk with a youth identified as Thomas Wallace Cordry III, front, a Stanford University sophomore, after he surrendered to police in connection with the slaying of a 17-year-old girl. Police said the youth walked into the police station and told them he wanted to report a killing, adding the victim was in his car. Cordry, 19, told officers he shot the girl to death "to satisfy an urge."

Prison Term

LITTLEFIELD, Tex. (AP)—Tommy Moore of Olton faced a 35-year prison term today for the murder of his wife. Moore, 51, was convicted last night of shooting his wife in August. He had filed suit for divorce and she had filed a counter-suit.

Navigator Killed In Crash Of B47

EL PASO, Tex. (AP)—A big Intercontinental B47 bomber plowed into the ground just before landing last night, killing the navigator. Three other crew members walked away from the smashed six-jet plane, which was scattered over a half-mile area.

Dead was Lt. Samuel G. Hardin, whose wife Lucia lives at Salina, Kan., where the B47 was stationed at Schilling Air Force Base. Escaping with minor injuries were Lt. Col. Hildig L. Jacobson Jr., instructor pilot; Capt. Gerald Weimer, plane commander; and Lt. Donald Maisel, copilot, all of Salina.
