Thor Awaits Signal For Test Firing

VANDEMBERG AIR FORCE BASE, Calif. (AP)—A 10,000-mile-an-hour Thor missile is waiting on a launching pad today for the signal that will blast it hundreds of miles out over the Pacific.

little more than a test of new launching and tracking facilities. Soon thereafter the Air Force will try to throw 1,300-pound satellites into orbit around the poles of the earth—perhaps as often as once a month.

Nurse Missing After In-Law Annuls Bonds

SANTA BARBARA, Calif. (AP) Authorities in two counties are hunting a pretty nurse who says disappeared after her mother-in-law impersonated her and had her marriage annulled.

Some of the satellites will carry mice and perhaps a monkey. The Air Force will try to bring the animals back to earth in recoverable capsules.

The mother-in-law Mrs. Elizabeth Duncan, 54, was arraigned Monday on four felony counts involving the staged annulment. Two men have been jailed here in connection with the strange case—one on suspicion of kidnaping—but police won't say why.

The idea is to develop techniques to insure man's safety when the first ventures into space, perhaps late next year, from the Atlas and Titan launch pads now under construction on this 64,000-acre base.

Huge Building Set For Webb

Bid date on another major structure at Webb AFB has been announced by the U. S. Engineers at the Fort Worth district office. Proposals will be opened on Jan. 20 for the organizational maintenance hangar.

Police had been looking for him since Friday when the bodies of Mrs. Lois Pendergast, 37, and her four children were found in their home. The mother had been shot, the children slashed and stabbed with a knife.

The 6-foot-3 teen-ager, whose description had been widely broadcast, was recognized by a resident of Mission Beach and arrested by an off-duty policeman and a lieutenant. After a brief show of defiance the boy started crying and admitted he was Eder and that he had killed Mrs. Pendergast and the children.

Plans for this building will be issued about Friday by the U. S. Engineers. Once the notice to proceed is issued, the successful bidder will have 420 calendar days for completion. The hangar is presumed to be part of the Air Defense Command installations connected with activation of the 331st Fighter Interceptor Squadron at Webb.

Thomas J. Pendergast, 39, seated, submits to a lie-detector test of his account of the slaying of his wife and four children at their home in El Cajon, Calif. Pendergast's story of his connections with Carl Eder, 16, charged with the slayings, was also checked. S. L. Gardella Jr., San Diego police polygraph examiner, adjusts the machine. Eder later confessed.

'I JUST FLIPPED' Killer Of Family Sobs When He Faces Bereaved Father

SAN DIEGO, Calif. (AP)—Thomas Pendergast stared at the lanky, pimply-faced youth who had just confessed slaying Pendergast's wife and four children.

father said. "I don't want to see that boy no more. I don't want to see him ever again." And the youth's grandmother Mrs. Martha Sadra told the Union-Journal reporter, "The only thing I wish is that they hadn't found him alive."

Parking Meters Set New Record, Indicate Big Yule

The Christmas business downtown should be the biggest in years if parking meter revenue is any indicator.

Revenue thus far on the lot is \$910.50. It was opened about an average of about \$120 per month revenue from the lot. Initial cost of the meters was about \$2,200.

Allowable Is Held To Present Level

Oil Flow Based On 12-Day Plan

AUSTIN (AP) — The Railroad Commission held the January statewide oil allowable today at the current level of 3,128,366 barrels a day based on a statewide production pattern of 12 days.

Malcolm Patterson, left, parade marshal, traces tonight's parade route for the Rev. Royce Womack, Pastors Assn. chairman for tonight's Christmas parade. The procession will move down 3rd St. to Rannels, go north to 1st, west to Main and then south to 9th.

However, Humble, the state's largest purchaser, asked for 12 days and another major purchaser, Texas Co., recommended 13 days.

Chairman Olin Culberson announced that Ernest O. Thompson would take over as head of the three-member regulatory agency as of Jan. 1. Under past procedure the chairmanship rotates every two years.

Elaborate Parade To Tell Christmas Story Tonight

The true meaning of Christmas will be expressed by 16 Big Spring churches this evening in a parade devoted exclusively to the Christmas Story.

The parade through the downtown area is scheduled for 7:30 p.m. It will be followed by a community songfest in the 300 block of Main St.

Each of the church floats will portray one phase of the Biblical story of Christmas after the Salvation Army sets the stage with a portrayal of the open Bible and the Wesley Memorial Methodist pictures a family reading the Bible on Christmas Eve.

The man who walked into the NCO Mess at Webb AFB Monday and walked away with over \$350 in cash is still being sought today.

Car-Truck Crash Kills 4 In Family

SHREVEPORT, La. (AP)—A collision between an automobile and a motor transport truck here yesterday killed four members of an East Texas family.

Alarm Delay, Address Mixup Cited As Causes Of School Fire

CHICAGO (AP)—A delay in sounding a fire alarm and a mix-up in street addresses are cited by Chicago's fire commission as two of the direct causes of the deaths of 89 pupils and three nuns in the Our Lady of the Angels School fire.

PUPILS HELP CHEER FUND

One check received today by the Christmas Cheer Fund said "Merry Christmas." It will be a merry Christmas for every poor family in this community, if generous people keep responding. Their gifts go to repair old toys and to buy substantial food for a Christmas meal for kiddies who otherwise would have no holiday delights.

Janice Adams, left, was selected queen of the Lone Wolf District of FFA last night in Colorado City. Karen King, right, was runner-up. Between the pair is Rex Northcutt, escort for Miss Adams.

Other contestants were Jackie Smith representing the Highland chapter of the FFA; Linda Rotan, the Divide chapter; Fran Griffin, Lorraine; Billie Holley, Roscoe; Jan Wellborn, Snyder; Judy Thomas, Ira; Connie Craft, Hermleigh; Boo Fox, Sweetwater; Ethel Glover, Fluvanna; Karen King, Blackwell; and Linda Faye McMahan, Westbrook.

David Hill of Seminole, president of Area II, presented award banners to teams of the Lone Wolf District. Winners included: Colorado City, second in senior and junior farm skills; Fluvanna, first in FFA quiz; Ira, first in senior chapter conducting and judging of dairy products and dairy cattle; Highland, third in land judging; Lorraine, first in senior and junior farm skills and seconds in farm radio and meat judging; Roscoe, first in junior chapter conducting; Snyder, first in farm radio, grass judging, land judging, crops judging; seconds in junior chapter conducting, and FFA Quiz; Sweetwater, first in wool judging and second in livestock judging; Lorraine's Bobbie Haley received a first place banner in public speaking.

Light-Fingered Americans Do Land Office Thievery In Hotels

By CYNTHIA LOWRY
AP Newfeatures Writer
NEW YORK (AP)—The traveling American, it seems, not only is free-wheeling but light-fingered. While hotelmen only infrequently encounter guests who make off with sheets, blankets and furniture, loss is high of such items as washcloths, whisky shot glasses, high-ball stirrers, cleansing tissues, wooden coat hangers, shoe mitts, and, of course, towels.

One 1,000 room hotel in midtown Manhattan runs through 21,000 shot glasses a year. For instance, and its replacement rate on washcloths is 17,000 per annum.

"Of course," conceded Neal Lang, general manager of the Roosevelt, "there is considerable chippage on the shot glasses, but also they are of a size and usefulness that make them dandy souvenirs, even though they are not marked with the hotel name. We used to have an even higher loss of face cloths until we cut them down in size and thickness to a point where they aren't as attractive as they could be.

Shoe mitts, which cost the hotel around six cents each, are replaced at a rate of 60,000 a year. The usual presence of inferior wire coat hangers in even first class hotels is mute testimony of guests' collecting tendencies. Until recently no one had invented a pilfer-proof coat hanger, but some of the newer hotels are installing non-removable hangers which travel on tracks.

Women, the hotel executive says, are usually the ones who abscond with cleansing tissues.

"Men," he philosophized, "use the tissues as they need them: women anticipate using them in the future. We've made the tissue box holders quite difficult to open, so usually the women have to go to the trouble of removing them sheet by sheet. But they do it."

Loss of the larger, more expensive items of furnishings is kept to a minimum by the floor maids, who check a vacated room almost as soon as the departing guest has left, and by supervisors who keep an eye on a specified block of rooms, occasionally, however, a guest will make off with a blanket, a picture or even a pillow.

When some such items is missing, the hotel writes a first polite letter to the guest asking that he check his luggage and see if he

hasn't "inadvertently" packed a blanket or whatever.

The recipient of one such letter replied furiously that he not only had not inadvertently packed a blanket, but that he also had not inadvertently packed a mattress or the desk.

Towel collectors are not as much of a problem as they once were. For one thing, hotels have learned to make towels less attractive: many now omit the name of the hotel on them. Stage star Walter Slezak, however, is a hotel towel collector—but only from the nation's very top hotels, and unlike many of his fellow collectors,

France Still Fights Free Trade Plan

PARIS (AP)—France appeared today to be backed into a tight corner in her stubborn fight against the British plan to turn Western Europe into a free trade area.

France wants to keep British competition out of the Common Market, which goes into operation Jan. 1 with France, West Germany, Italy, the Netherlands, Belgium and Luxembourg as members.

Britain threatened a trade war Monday if the Common Market is not expanded to include the 11 other West European nations of the Organization for European Economic Cooperation.

The possibility of a trade war apparently cost France the full support of her Common Market partners.

Outstanding Farmer Award To Be Given By Jaycees

Who is the outstanding young farmer of Howard County? Big Spring Junior Chamber of Commerce plans to find out. It intends to conduct a campaign to elect one farmer, between the ages of 21 and 35, as Howard County's outstanding farmer.

This is a part of a national Jaycee project.

In 3,400 communities across the nation, local Jaycee chapters are engaged in a similar program. From these local entries, state winners will be determined and from the state victors, the national champion.

Basis for nomination is based on the record possible nominees are making in his career as an agriculturist. He must be a man who is practicing soil and natural resources conservation. He must be a man who has had a contributing role in community affairs and betterment.

The winner will be honored by the local Junior Chamber of Commerce.

Nominations will open soon and deadline for nominations will be Jan. 15. Tentative plans, subject to some revision, call for the award program and announcement of the winner on Jan. 19. Final date for the state competition ends on Feb. 2.

The Big Spring Jaycee organization will announce soon where nominations should be sent and will wage an intensive effort to have as many deserving young farmers suggested as possible.

Red China Movie Is 'Sheer Comedy'

HONG KONG (AP)—In Red China's latest movie an old mother dictates an open letter to the authorities criticizing her son for being too reactionary.

The mother is illiterate so she has to dictate the letter to the son.

The film deals with China's rectification campaign in which parents denounced children and children denounced each other.

The Peiping reviews say this movie "is 20 minutes of sheer comedy."

Many a traveler is a menu collector—and it costs Lang's hotel almost \$100 a day just to print those for the various restaurants within the hotel. One of the restaurants uses an outside, elaborate menu which costs the hotel 30 cents each. Once, thinking it good advertising, there was a line on the menu urging guests to keep the menu as a souvenir. Now the line is removed.

"If they really want it," said Lang, "they'll ask for it or just take it."

After nearly 14 hours of negotiations, French Foreign Minister Maurice Couve de Murville admitted in substance, "France is isolated."

Sir David Eccles, president of the British Board of Trade, beamed to reporters. "We are 100 per cent satisfied," he said. "We've got just what we wanted."

The Common Market institutes its first 10 per cent tariff cutback Jan. 1. The six will also increase import quotas among themselves by an over-all figure of 20 per cent and quotas on each individual item will be at least 3 per cent of the national production of the item during 1958.

Earlier this month, the six agreed to extend the tariff cutback to most of their OEEC partners and the 20 per cent over-all quota figure to the other 11 European nations. The 3 per cent stipulation was not contained in the Common Market offer.

Britain offered Monday to match the Common Market offer and throw in the 3 per cent rule for good measure.

The negotiators agreed to study possible compromises and meet again Jan. 15 to discuss a free trade area. Informants said that meanwhile, as a stopgap peace measure, at least some of the concessions offered by the Common Market members would take effect Jan. 1.

The Common Market, formally known as the European Economic Community is designed to achieve a higher standard of living for the 170 million persons in the six nations by removing all internal trade barriers while keeping a uniform barrier against other nations. The target for achievement of this is 12 to 15 years.

Led by Britain and the Scandinavian countries, other West European nations would be lost and West Europe would be split in two economically. They want a free trade area of all 17 OEEC nations to remove internal barriers while keeping separate national barriers against trade from outside West Europe.

FEAR COMPETITION

The French fear that letting the British, and indirectly the rest of the British Commonwealth, into their markets would hurt their own high-price industries. Therefore, Paris prefers the smaller six-nation group.

As OEEC members, the 17 countries are pledged to a discriminate against each other's trade. Under her OEEC commitments, France was to have freed 75 per cent of her trade from quota restrictions by mid-December.

Couve de Murville said Monday France would only reach 40 per cent. But he said France would meet its Common Market commitments in full.

Eccles called this discrimination, and said if France did not stop it, Britain "must retain her right to take defensive measures to protect her trade." These could involve raising British tariffs against French goods or other steps.

From across the room, a pale-faced Couve de Murville retorted. "France will not agree to negotiate under such a threat."

The meeting was recessed while West German Economic Minister Ludwig Erhard and others tried to smooth over the dispute.

When the negotiators came back, France was all alone. Erhard, long an exponent of free trade, said he did not think Couve de Murville's views represented those of the other five Common Market nations.

Daily Average Oil Production Rises

TULSA, Okla. (AP)—Daily average production of crude oil and condensate increased 24,775 barrels to 7,118,075 barrels during the week ended Dec. 13, the Oil and Gas Journal's survey showed today.

Texas accounted for more than the net gain with a rise of 27,725 barrels to 2,838,000 barrels. Kentucky was up 9,500 barrels to 70,000.

Oklahoma had the week's largest loss, off 10,500 barrels to 548,800.

The Journal estimated 1958 production at 2,311,152,400 barrels compared to 2,499,846,430 a year ago.

DEAR ABBY

THE OTHER SIDE

By ABIGAIL VAN BUREN

DEAR ABBY: Please print this in defense of married women on the Postman's Route. After I moved into a new neighborhood, the Postman kept asking me for a drink of water (you'd give a dog a drink of water!) and also for the use of my telephone. Then I found out he only lived around the corner from me. There are two sides to every story.

MARRIED WOMAN

DEAR ABBY: It was nice of you to stick up for the women, but I was a postman, and believe me, there were plenty of married ladies on my route who were never too busy or too tired in the morning to invite me in.

"RANG TWICE"

DEAR ABBY: That "Postman" who wrote that all the women on his route were after him sounded as phony as a three-dollar bill.

POSTMAN is the traditional Canadian-British designation. In AMERICA we call them "CARRIERS" or "MAILMEN" and it's a long time since the Redcoats left Pennsylvania. Another thing, Abby: The Postal Department has regulations for the behavior of their employees and if anyone pulled any tricks resembling what POSTMAN claims, he'd be out before he could say "Civil Service." It used to be the "Milkman" and the "Ice-man"—now it's the POSTMAN. I've toted a mailbag for 30 years and I can say that our housewives are a clean and moral lot.

TABELLARIUS

DEAR ABBY: I belong to a card club. I took pity on a woman

because she's widowed and her social life is limited and she hinted many times she'd like to join our club. We took her in and all the other members have been on my neck ever since. The reason is this newcomer complains constantly about the smoke. She fans herself with a newspaper all during the game, gives the smokers dirty looks and asks how we can stand such a "filthy habit." What can we do with "Mrs. Nudnick"?

CARD PLAYER

DEAR CARD: Since you sponsored "Mrs. Nudnick" out of the kindness of your heart, tell her, privately, that she'll either have to put with the smoke without complaints, or take up solitaire.

"MUD"

DEAR ABBY: A certain boy at school kept pestering me for a date so I went out with him just to get rid of him. He has a reputation for being fast and he sure lived up to it. I let him know he couldn't get a thing off me, but according to the stories going around school, my name is mud. What can a girl do about a boy who makes up dirty lies about her? I want to clear my name.

"MUD"

DEAR MUD: You can avoid this boy (and his kind) like smallpox, and charge it off to experience.

CONFIDENTIAL TO PETE:

Be generous—while you're able. Love is like money. You can't take it with you.

Bitter Disputes Divide NATO Allies, Except Over Berlin

PARIS (AP)—Members of the North Atlantic Alliance met today with prospects of agreement on a response to the Soviet threat to Berlin. But bitter disputes over other issues divided some of the Allies.

The annual meeting of the 15 NATO foreign ministers opened with (1) Britain and France screaming at each other about trade discrimination; (2) the United States and France quarreling openly about military policy; and (3) Greece, Turkey and Britain disputing over Cyprus.

Amid all the wrangling, a certain amount of unanimity appeared to be emerging over Berlin.

Informants said the West probably would come up with a fresh call for diplomatic talks with the Russians aimed at an eventual summit meeting. The West would insist that the summit conference tackle the German reunification question as well as the broader issue of security in central Europe.

The Western Big Three reportedly were drafting a reply to Premier Nikita Khrushchev's Nov. 27 note. His note called for an end to the four-power occupation of Berlin, turning West Berlin into a Communist-surrounded, demilitarized free city within six months.

The reply, informants said, would reject the Soviet proposal outright and suggest the time had come for a fresh look at the situation in Germany and central Europe.

Among the key points in the draft was a reminder that Moscow has not responded to the Big Three proposal Sept. 30 to begin work at an expert level on German reunification, with a summit meeting the eventual goal. Moscow repeatedly has refused to discuss reunification, saying the Communist East German regime must arrange this with West Germany. West Germany and the Big Three refuse to deal with the satellite regime and say Germany can be reunified only by free elections throughout the divided nation.

NATO Secretary General Paul-Henri Spaak said it was very likely that the ministers would discuss various plans to separate troops facing each other along the Iron Curtain, including the Rapacki plan for a central European zone free of nuclear weapons. Should the Western notes indicate willingness to discuss the entire area of cold war strategy

without any prior conditions, this might meet with Soviet sympathy.

Meanwhile, American diplomatic and military planners were reviewing how to deal with the Russians and East Germans should Khrushchev carry out his Nov. 27 threat. He said if the Berlin free city plan was not accepted, the Soviet Union would give East Germany control over Allied access to West Berlin, which lies 110 miles inside the Communist state.

In a communique Sunday, the Big Three ruled out suggestions that they might deal with East German border inspectors or air traffic controllers as agents of the Soviet Union in order to get supplies through the Red area. This left the West with the single alternative of using force if East German inspectors and controllers demanded to be treated as representatives of a sovereign nation.

There was a renewal of talk heard a month ago that the Western Powers might try to drive truck convoys straight on to Berlin under an escort of tanks and armored cars and might send fighter planes with transports.

This was not regarded as a pressing question, however. Unless the Russians speed up their announced plans, it will be the end of May before the issue arises. The approximately 10,000 Western soldiers in West Berlin are said to have supplies for 6 to 12 months after that.

In one move to restore something resembling intra-NATO uni-

ty, U. S. Secretary of State John Foster Dulles met with French Premier Charles de Gaulle. Despite some talk that the meeting was extremely cordial, it seemed to have consisted mainly of a re-statement of disagreements.

French sources said De Gaulle complained about two breaks between France and the United States in the U.N. Assembly. The vote on the former French colony of Guinea and the vote on Algeria.

The United States supported Guinea's successful application for U.N. membership while the French abstained. The United States abstained—but didn't vote no—on an Assembly resolution recognizing Algerian right to independence. France boycotted the Algerian debate, contending it was an internal French affair.

There was no indication of Dulles' response.

French sources also said De Gaulle called for U. S. support in extending NATO protection to most French colonial territory in Africa. Washington has long opposed extension beyond the present commitment to defend northern Algeria.

New Trial Asked In Murder Case

RIVERSIDE, Calif. (AP)—The attorney for Mrs. Virginia Bell Tremont, former Corpus Christi social figure, has asked that she be tried again for murder.

Big Spring (Texas) Herald, Tuesday, Dec. 16, 1958 3-A

two weeks ago of shooting her husband, James, in a Riverside apartment July 17 and sentenced to a life term. A sanity trial ruled that she was sane at the time of the crime. The request for a new trial was made yesterday at a session at which a judgment was to have been passed. The court is expected to rule Wednesday. Mrs. Tremont's attorney said he wanted the court to review evidence to see if a new trial or change of venue was in order.

Ike Record Shows He Can Spend, Too

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—How high is up? Or, what's President Eisenhower's idea of big spending?

On Nov. 5 — at a news conference the day after the Republicans' election disaster—the president against what he called the big spenders among the Democrats.

He told the newsmen his last two years in the White House would be devoted to economy.

But government spending under his administration has been going up steadily since 1956 and this year in running at a record pace high of nearly 80 billion dollars.

And the deficit—the difference between what the government gets in revenue and its expenses—will be about 12 billion dollars, according to official estimates.

One of the main reasons for the deficit, of course, was the recession, which reduced individual and corporate income and thus meant a drop in tax revenues.

But Monday, after a White House conference with Eisenhower on his programs for next year, Republican congressional leaders came away figuring that spending next year will be around 80 billion again.

But they said Eisenhower is determined to balance the budget—meaning to make spending no greater than revenue—if possible, and may do so. It's quite an if, especially with no indication of any move to boost taxes.

But the GOP leaders challenged heavy spenders in Congress to go along with the balance.

This repeated Republican tactic — of referring to big spenders in Congress while Eisenhower's administration keeps spending at a peacetime high—is beginning to look thin and sound monotonous.

It's just a hope and a guess that Eisenhower can spend 80 billion and balance the budget too.

If the economy continues its upward movement next year, the government should get more revenue than this year. But, even so, will it be enough to match the outgo?

Twelve days ago the No. 1 tax man in Congress—Rep. Wilbur D. Mills (D-Ark.), chairman of the House Ways and Means Committee, where all tax changes start—said he expected government revenue next year to be around 78 billion dollars.

That would mean two billion less in revenue—and therefore a continuing deficit—below the 80 billion in spending Republicans said Eisenhower is thinking of for next year.

Sen. Styles Bridges of New Hampshire, chairman of the Senate Republican Policy Committee, said after Monday's meeting with

the President: "I think they (the Eisenhower administration) will submit a balanced budget."

He added that if a balance is upset or a deficit increased, it will be on the "shoulders of the wild spenders in Congress, and there are plenty of them."

At this point we're being treated pretty much to political talk. The real meat-and-potato financial talk begins in January when Eisenhower submits his programs and budget to Congress, where figures will have to speak for themselves.

When those figures are turned loose, some of the Democrats may scream Eisenhower is the big spender. At least, that's the way it was early this year after his budget reached the Capitol.

Sen. Harry Byrd (D-Va.), an outspoken economy advocate, protested at the time: "I call the new fiscal program for the coming year reckless."

NATO Secretary General Paul-Henri Spaak said it was very likely that the ministers would discuss various plans to separate troops facing each other along the Iron Curtain, including the Rapacki plan for a central European zone free of nuclear weapons. Should the Western notes indicate willingness to discuss the entire area of cold war strategy

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, sticky, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). 7 Men Die When Plane Cracks Up

NORTH SMITHFIELD, R. I. (AP)—Seven men, including five executives of a New Jersey concern, were killed Monday when their company-owned plane crashed in a swamp during a snowstorm.

The pilot, copilot and five executives of the Johnson & Johnson Co. of New Brunswick, N. J., were en route from Linden, N. J., to Boston.

The plane was last heard from at 9:30 a.m. when the pilot reported one of the two engines dead over Franklin, Mass., about 25 miles south of Boston.

Christmas Gifts For The Entire Family

Mrs. James Eubanks admires two appliances which would be desired in any home. These appliances are on display at the Security State Bank, although the bank doesn't sell them, you can manage

the finances for such a gift through the bank. Stop by the bank and ask about financing an electric washer, a television, or other appliance, and give the entire family a wonderful Christmas.

Fried Chicken Is 66 Cafe Feature

Here's a 70-cent meal sure to set your mouth watering:

Four pieces of fried chicken, potatoes, hot rolls, honey and butter.

And you can get it at the 66 Cafe, adjacent to the Phillips 66 Truck Terminal on U. S. 80 at the western edge of Big Spring.

Herb Vinson, manager of the 66 Cafe, has announced that the fried chicken special will remain in effect for several days. It will be served at any hour of the day or night, as the popular dining spot is open 24 hours a day.

The special lunch also is being served, for the same low price, at the Permian Snack Bar, in the downtown Permian Building, Vin-

son said. Vinson is manager of both establishments.

An extensive remodeling project is now being completed at the 66 Cafe, to make it even more attractive and comfortable. Exterior of the building has been given a new brick veneer, and only a small amount of painting and other finish work remains to be done on the structure.

The interior was completely remodeled and enlarged earlier this year, to make the 66 Cafe one of the city's leading restaurants. Expert chefs are employed, and Vinson himself is an authority in the food preparation and serving business.

More People Now Rolling On Tires By Seiberling

Try Seiberling when looking at tires, and more than likely you will take the Seiberling.

More and more people are rolling on Seiberling tires because they have learned to believe in the Seiberling motto, "A name you can trust in rubber."

Locally, Seiberling tires are sold by the Creighton Tire Co., located at 203 W. 3rd. There you can find the tire to fit your individual needs.

Whether you are looking for new tires for your car, truck or tractor, you can find what you want and which can best fill the bill at Creighton Tire Co.

With cold weather already on the scene, no one wants to change a flat tire on a frosty morning before getting to work. Nor do you want a blowout while on a trip and when the temperature is well below the freezing mark as it has been the past week.

Also, when traveling on iced roads and streets, you want tires with good treads to give you all the traction possible. For these reasons, why not stop by Creightons and have a new set of Seiberling tires mounted on your car.

With Seiberling, you can forget about those flats and blowouts.

Dearborns Are Fast Heaters

Heat your entire home fast with a Dearborn gas heater, available at the S. M. Smith Butane Company, main offices of which are located on the Lamesa Highway on the north edge of the Big Spring city limits.

The Dearborn, of course, can be converted to the use of butane fuel, systems for which can be installed by employees of the Smith concern.

The Dearborn boasts new Impel-Aire heating, a revolutionary new blower attachment.

This latest feature of the famed Dearborn Crest heater really moves a tremendous volume of warm air in a hurry through your home.

Your rooms quickly fill with a circulating heat that drives the chill out of every corner, no matter how remote.

Whether you need a heater, a butane system to provide the needed heat or want to convert a pick-up truck or farm implement to the use of butane, the place to shop is the S. M. Smith Butane Company, which has been doing business in Big Spring for many years and has made a habit of pleasing its customers all that time.

Butane systems of any size can be installed for the customer and will be regularly serviced by personnel representing the S. M. Smith company.

Christmas Shopping Is Easy When You Visit Montgomery Ward Store

Christmas shopping is easy for the buyers who have become familiar with the extensive and colorful stocks at Montgomery Ward's big store on the corner of Gregg and Third.

Many shoppers complete their entire gift list with one visit to Montgomery Ward. They can find gifts of all types for all members of the family; for relatives in other places and for friends.

The choice runs the gamut. There are practical gifts for those who prefer to select these items. There are toys for the kids; tools for dad, fishing tackle, sporting equipment for brother; furnishings for the home for mom and all sorts of ideal gifts for the family as a unit.

The biggest problem the Christmas shopper is likely to face when he goes to Montgomery Ward is not the lack of gifts to choose from — rather, it is the abundance of choices at his disposal.

Quality of Ward merchandise is

too well established to need any comment. Customers who have been regular patrons of the store for many years are well aware that what you buy at Ward's is the best to be found anywhere.

LONGHORNS SEEK 2ND WIN OF SET AT 8:00

It was close going for a while but the Big Spring Steers had things all their own way at the end in fashioning a 71-55 basketball victory over El Paso Austin here Monday night. The same two teams clash in an 8 o'clock engagement here tonight. Last night's exhibition was the fourth meeting between the two quintets and Big Spring has won three of them. The triumph ran the Steers' won-and-lost record to 8-5. Austin is now 4-7. Zay LeFevre played a fine game on the boards for the Steers, improving his chances of winning the regular pivot job. He captured 29 rebounds. Bill Thompson tossed in 20 points, which is next door to his average for the season. Preston Hollis was right behind him, with 18. Fred Gerth kept Austin in contention, with 18 points. He was the only Panther to hit in double figures.

Up Near The Rim

Joe Bob Clendenin of Big Spring (light jersey), whose protruding tongue wasn't stuck out in defiance of the opposition, goes high for a crisp shot in the above picture. Trying to guard him is Fred Gerth (11) of El Paso Austin. Big Spring won the game played here last night, 71-55.

Cardinals In Good Hands, Devine Says Of Hemus

HOUSTON (AP)—"How can a guy like that fail?" St. Louis Cardinal General Manager Bing Devine said it and looked at his new field manager Solly Hemus, who hustled his way to the big leagues despite those who said he couldn't hit, throw or run. It was Solly Hemus night in Houston and about 500 fans of the little second baseman came from throughout the country to pay tribute at a testimonial dinner. Devine said he didn't expect the impossible but indicated he thought that if anybody could perform such, Hemus could. "We can improve in 1959 but it might be difficult to catch such teams as Milwaukee," Devine said. "We think the Cardinals are in good hands." "I only hope I'm about half as good as some of you people think I am," Hemus told his well-wishers on accepting a check for an

SAN ANGELO (SC) — The undefeated San Angelo Lee Ninth Graders defeated Big Spring Runnels, 57-30, here Monday afternoon. Bobby Zellars' Eighth Grade team of Big Spring Runnels won the opener, 42-25, to cop their third decision in four starts. In the Ninth Grade engagement, Minton White paced Angelo's attack with 12 points while Skipper Driver had 15 for Runnels. The Runnels Eighth Graders hit 53 per cent of their shots in the first half and 42 per cent in the final half for an overall mark of 46 per cent.

Don White and Joe Don Musgrove did fine rebounding jobs for the Yearlings in that one. Musgrove led the team in scoring with 14 points, 12 of which he hit from the field. The Runnels teams play San Angelo Edison in Big Spring Thursday.

Five Buffaloes Picked On Team

George White, Forsan's ace quarterback, was the only unanimous choice on the All-District 4 offensive and defensive platoons chosen Monday night by coaches within the district.

White, a senior, was one of five Forsan players picked on the 16-player squad.

The others were Stanley Willis, offensive guard; and Charles Skeen and Johnny Bob Asbury, defensive ends; and Jerry Bardwell, defensive back.

Danny Gonzales of Sterling City was the only player chosen on both teams. He played guard on both offense and defense last season. Joe Holladay of Forsan was re-elected chairman of the district at last night's convocation, held at Water Valley. James Blake, Forsan, was re-named secretary.

The vote to return to six-man play ended in a 3-3 tie. Dr. Rhea Williams of the Texas Interscholastic League was consulted and Williams advised members to continue playing eight-man ball, at least for another year.

OFFENSIVE PLATOON
Ends—Neil Tankersley, Mertson, and Tony Allen, Sterling City; guards—Randy Willis, Forsan, and Danny Gonzales, Sterling City; center—Wayland Druman, Sterling City; backs—George White, Forsan; Donald Jagers, Garden City; and Bill Sawyer, Mertson.

DEFENSIVE PLATOON
Ends—Charles Skeen, Forsan, and Johnny Bob Asbury, Forsan; guards—Larry Cox, Water Valley, and Danny Gonzales, Sterling City; center—Dennis Schroeder, Garden City; center—Curtis Vaughn, Christiana; Joe Selman, Mertson; and Jerry Bardwell, Forsan.

HONORABLE MENTION
Kenny Duffier and Sammy Barnett, Forsan; Dennis Calverley, Frank Murphy, Bill Schroeder and Ralph Schaefer, all of Garden City; Wilbur Hight, Dale Selman, Roy Davis and Bobby Helgers, all of Mertson; Bill Davis, Lewis Peimbecky, Nathan Morris, Robert Quintana and Alfred Chappel, all of Sterling City; Delbert Bush, Water Valley, and Steve Alcada, Christiana.

KANSAS STATE IS UPSET

By The Associated Press
Kansas State, much to its chagrin, found out "you can't win 'em all." But undefeated Kentucky breathed a sigh of relief today after surviving a close call.

Kansas State lost its first Monday night, 77-68 to Brigham Young at Provo, Utah.

Second-ranked Kentucky beat upstart Maryland 58-56 in overtime at Lexington. It was its sixth straight victory.

The K-State Wildcats played most of the game without their 6-8 stalwart, Bob Boozer. He twice wrenched his left knee and was used only about 10 minutes, scoring eight points.

Sophomore Gary Earnest scored 28 points for BYU. The Cougars pulled away to a 16-point lead midway in the second half after Boozer was forced out for the second time.

Big Bob returned as the Wildcats cut the deficit to 66-54 with five minutes to play, but his ailing knee again put him on the sidelines.

Kentucky had to win the hard way after trailing by three points with three seconds to play in regulation time. Benny Coffman drove in for a three-point play and sent the game into overtime.

Adolph Rupp's Cats tallied four points on a basket by Johnny Cox and Dick Parsons' pair of free throws and then staved off the Terps, whose record is 1-3.

Charlie McNeil of Maryland topped the scorers with 21 points. Cox was high for Kentucky with 18.

Eighth-ranked Mississippi State was the only other member of the top 10 to see action Monday night. Bailey Howell produced 38 points

as the Maroons romped over Arkansas State 98-71 for their sixth straight triumph.

Elsewhere, the Big Ten Conference beat three nonleague foes. Illinois built a 16-1 lead and Iowa State, Wisconsin led all the way in downing Missouri 68-60 and Purdue broke loose in the second half to turn back College of the Pacific 78-62 as Lean Wilson netted 26.

Seattle, No. 16 was the only other ranked team to play. The Chiefs, who seemingly have not missed Elgin Baylor in the early

going, beat Portland State 85-36 for their fifth success in a row.

Duke won its first in four outings with a 68-61 conquest of South Carolina. Sophomore Bill Shinn scored 32 points and paced Davidson to a 98-71 lacing of Washington & Lee. Nebraska bowled over Texas Tech 54-46 for its fourth victory at home. Marquette outclassed Drake 79-63 for its fifth victory in six starts. LSU hit consistently from the free throw line to humble Texas 52-47 and Rice handed Tulane its first setback in five games 60-51.

Officer Attaches 'Gate' At Odessa

ODESSA (AP) — A court attachment for \$825 last night switched a regular 10-round bout between Zora Foley of Phoenix, Ariz., and Alvin Green of Tyler, Tex., to an 8-round exhibition match.

A deputy sheriff served the attachment for Dr. J. B. Cone, who claimed that promoter Bob Callahan owed him that amount for backing a boxing card here last month.

A crowd of 1,085 fans turned out for the fight with an estimated gross gate of \$3,012.25.

The team behind will get a choice of receiving the kick-off.

Jayhawks, Rams Meet In San Angelo Gym

Harold Davis' Howard County Junior College Jayhawks visit San Angelo tonight to meet one of the few teams that holds the edge in the overall series between the two teams. The quintets have met 27 times over the years and Phil George's SAC Rams have won 16 of the games. The Hawks have been victorious only one time in 12 starts in San Angelo. They've beaten the Rams nine times compared to four losses in the local gym.

The Rams will be tough for the Hawks to handle again this year. Coach George returns his two top scorers, Max Hood of Lubbock and Douglass Funk of Austin, from last year. Each stands 6-foot-4. Other Rams back from the 1957-58 season include Will Knox, 5-11, Austin; Mike Behrens, 6-3, El Paso; and Don Renner, 5-11, Austin. Newcomers to the SAC ball club include Ray Stephenson, 5-11, and Larry Cruise, 6-2, both of Pampa; Fred Brooks, 5-9, Mertzon; Jerry Ray, 6-2, Miles; Tom Read,

5-10, a transfer from Trinity University; and Lynn Faubian, 6-5, a transfer from Hardin-Simmons University. The Rams will take a 4-1 win-loss record onto the floor. They have lost only to Odessa HC and have defeated Goodfellow Field, Schreiner Institute, McMurry's B team and the HSU Buttons. HCJC has won six times while losing twice. Last weekend, the Hawks copped consolation laurels in the San Antonio Tournament after losing to the powerful Southwest Texas State B team in the opening round. Schreiner won the meet.

McElreath had the knee drained of fluid yesterday and was told to stay off it. Probable starters for HCJC include Gilbert Bell and Bobby Davis at the post positions and Ray Clay, Benny Carver and either Tommy Zinn or Jimmy Evans out front. Starting time, incidentally, isn't until 8:30 p.m., since the game is being played as part of a doubleheader. The first portion of the bill pits the San Angelo High School Bobcats and Brownwood. Cruise paces the Rams in scoring with 75 points. He hit 20 in the recent game against HSU.

LOOKING 'EM OVER With Tommy Hart

Sports dialogue: JOE GOLDING, Wichita Falls coach, to Al Milch, Big Spring mentor, shortly before the Wichita Falls-Abilene football playoff game. "I'll trade stomachs with you."

MILCH, in reply to Golding: "You couldn't use mine. I've already played them."

BROCK STROM, the Air Force Academy's great tackle, when asked during the season if the Falcons didn't have to spend an opponent a sizeable weight advantage: "We just have to play 'em, not dance with 'em."

DARRELL ROYAL, Texas University football mentor: "It's going to get tougher from now on for sophomores to play. That's the way it should be. They should start catching your eye at the end of their sophomore seasons."

WALTER HAGEN, son of the golfing immortal: "One time, a friend of my Dad's went down to the pier to see him off on a boat trip from Detroit to Buffalo. He left his motor running in his car. My Dad was feeling good and he kept insisting that the friend go along and finally shanghaied the poor guy, who didn't get back to Detroit for two weeks."

VAN SWEET, basketball coach at College of Pacific, after seeing his team get slaughtered by Seattle recently: "I saw nine teams play last week, including my own... and I was impressed by eight of them."

SAM BOYD, Baylor University football coach, on why he resigned that position recently: "It always seemed like we were on trial. We couldn't get away from it. We were always on trial."

JOE LOUIS, the former Heavyweight boxing champion, on the current crop of fighters: "They don't like road work and they like to drink whisky instead of milk."

EARL BLAIK, football coach at Army, hearing about Paul Dietzel's eagerness to send his LSU football against the Cadets: "He knows we're not allowed to play them, so he can afford to talk that way."

BOB COBB, former minor league baseball president: "There isn't a modern baseball park in America. You say Milwaukee's County Stadium? The way I look at it, Milwaukee's Stadium is about as modern as a 1940 Ford. A modern baseball park would be offering the fans the conveniences you find at a race track. No betting, of course, but fine food, music, comfort, relaxation."

WALTER WOLFNER, owner of the Chicago Cardinals, scotching rumors that his team would move to Houston: "We'll play in Chicago next year. Why, I haven't even heard from the Houston people in a year."

2 Leagues May Merge Soon

DALLAS (AP)—With Tulsa working out its park problem and Amarillo ready to become a member, the Texas League could consider itself set for the 1959 season today. However, there still is a chance that it might take in some clubs from the Mexican League or have an interlocking schedule with that circuit.

The question of an alliance with the Mexican League may be settled today because the Mexican League is having a meeting and the Texas League has an observer there.

In the event an interlocking schedule is worked out, Texas League clubs would make three trips to Mexico to play the Mexican League clubs. These games would count in the standings. When each league had decided the pennant the winners would clash in a series to decide the championship. Butler said they probably would call it the Pan-American League although each league would retain its identity. A meeting of the five remaining Texas League clubs—Houston, Dallas and Fort Worth have moved up to the Class AAA American Association — will be held here Thursday morning to make plans for the 1959 season. Now that Tulsa has worked out its park problem and will remain where it is, Amarillo appears ready to enter the circuit and become the sixth club.

Grayle Howlett, owner of the Tulsa franchise, had been considering moving to Amarillo since he would have to spend considerable money to repair the Tulsa park. But the Tulsa Fair Board, owners of the park, gave Howlett free rent on the stadium for three years with the understanding that he would do the repairs. So that solved the problem.

The Texas League now has Victoria, Corpus Christi, San Antonio, Tulsa and Austin and all the clubs have working agreements with big league clubs. There also is a sixth working agreement available.

Negro AAA Title At Stake Saturday

GALVESTON, Tex. (AP)—Dallas Washington will play Houston Washington at the Cobb Stadium in Dallas Thursday night for the Negro schoolboy state Class AAA football championship. The Dallas team is a slight favorite. The Houston Washington Eagles defeated Austin Anderson, the Class AAA defending champion, last weekend, 28-16.

Jayhawk Queens Decision McMurry College, 40-22

Arah Phillips' HCJC Jayhawk Queens showed a reversal of form in defeating the McMurry women's basketball team in an exhibition here Monday night, 40-22. The Queens has previously betrayed the jitters in losing to the Wayland B team.

HCJC took command at the start in last night's contest, however, and never eased up. Coach Phillips made use of all 15 players in uniform. The Queens led at halftime, 18-7. Peggy Bryant paced the HCJC team in scoring with ten points while Kay Burroughs was not far behind, with eight. McMurry's attack was led by Audrey Worley with seven points.

Cincy Again Rated At Top

By HUGH FULLERTON JR., Associated Press Sports Writer

Cincinnati, Kentucky and Kansas State kept on winning basketball games last week and held their 1-2-3 positions in the second weekly Associated Press ranking poll. But the ballots of 106 sports writers and broadcasters made it a lot closer contest for first place than a week ago.

Cincinnati's Bearcats, who have maintained a 96-point scoring average while winning their first three games this season, edged out Kentucky by just one first-place vote and 28 points. Cincinnati had 40 firsts and 938 points, on the usual basis of 10 points for each first, 9 for second, etc. Kentucky had 39 and 910. Cincinnati rolled over Marshall 106-86 in its only game last week while Kentucky beat Southern Methodist 72-60 and St. Louis 76-57. In the first weekly AP poll Cincinnati was ahead of Kentucky 38-20 in first places and 634-695 in points.

Kansas State, winner over California and San Francisco by a total of four points, held third place with 741 points. West Virginia, fourth a week ago, suffered a 75-72 setback at Virginia's hands Saturday after winning its first five games and dropped to seventh, barely beating out Mississippi State. North Carolina State and Tennessee moved up one notch to fourth and fifth. Northwestern, idle last week, jumped from tenth to sixth as Kansas and St. Louis were knocked out of the first 10.

Xavier of Ohio and North Carolina took over ninth and tenth places. The top 10, with first-place votes in parentheses:

- 1. Cincinnati (40) 938
2. Kansas State (39) 910
3. Tennessee 451
4. N. C. State (37) 436
5. Northwestern (25) 369
6. Northwestern (25) 369
7. West Virginia (24) 284
8. Mississippi State (23) 275
9. Xavier 263
10. North Carolina (11) 155
The second 10: Bradley and Michigan State, 123 each; Auburn, 114; St. Joseph's Pa., 97; California, 71; Seattle, 61; Southern Methodist, 59; UCLA, 35; Southern Methodist, 34.

Watsons Triumph In Doubles Play

The Webb Rock N'Rollers' bowling league staged a Christmas party over the weekend, retreating to Carlos' Restaurant after doubles play at the base lanes. Otis and Becky Watson won the prize in doubles play, carding an 804. Tom and Paula Showers were runnersup with a 706.

Mrs. Watson's 201 was top score among the women while Tom Showers posted the best score among the men, 219. The keggers staged a Dip and Punch party at Carlos', during which they exchanged gifts and sang Christmas carols. About 30 persons were present.

Surprise! Turley, Ford Top Pitchers In League

CHICAGO (AP) — The New York Yankees pitching staff, headed by Whitey Ford and Bob Turley, again topped the American League in performance the past season.

Official league statistics released today show the Yankee staff posted a 3.22 earned run average far ahead of second place Baltimore's 3.40. Ford, the chunky southpaw, led all individuals with a 2.01 mark.

Detroit was third with a 3.59 average, followed by Chicago's 3.61, Cleveland's 3.73; Boston's 3.92, Kansas City's 4.15 and Washington's 4.53.

Trailing Ford among the individual leaders were southpaw Billy Pierce of Chicago with 2.68, southpaw Jack Harshman of Baltimore with 2.90, right-hander Frank Lary of Detroit with 2.91, left hander Billy O'Dell of Baltimore with 2.97, righthander Turley with

2.98 and right-hander Cal McLish of Cleveland with 2.99.

Turley was the league's only 20-game winner with a 21-7 record and a .750 percentage — tops among pitchers who worked 154 or more innings. Second to Turley in victories was Pierce with 17. Despite his great record, Turley again led the loop in walks with 128, only two of which were intentional.

Turley, Pierce and Lary tied for most complete games with 19, while Ford was tops in shutouts with seven. Turley had six.

Washington's Pete Ramos, fast-balling right-hander, faced the most batters, 1,015; the most homers, 38; the most runs, 132, and started the most games, 37. Lary pitched the most innings, 260.

Chicago right-hander Early Wynn was tops with 179 strikeouts and upped his career total to 6,037.

Two no-hit games were recorded. Jim Bunning, Detroit right hander, accomplished the feat against Boston, July 20; and Baltimore right-hander Hoyt Wilhelm, a National League castoff, came through against the Yankees exactly two months later.

Baylor Starting Search For Coach

WACO, Tex. (AP) — Baylor University's search for a new football coach and athletic director gets under way formally tonight. The faculty athletic committee has invited ex-students, lettermen and other groups to meet tonight and to form a committee to act in an advisory capacity to the faculty committee.

The two posts became vacant early this month when George Sauer, resigned, as athletic director and Sam Boyd quit as football coach. Boyd had just finished his second straight losing season. Both had been under pressure from the alumni to quit.

Dr. Abner McCall, said that no action has yet been taken to fill the posts although he has received a number of applications. The Birmingham, Ala., News said yesterday that Jerry Claiborne, 29, assistant to University of Alabama football coach Paul Bryant was being considered for the Baylor coaching job.

Royal Kitchen

Three local ladies inspect the kitchen of the restored colonial palace of William Tryon, one of the last royal Governors of North Carolina. Restoration, which cost 3 1/4 million, is expected to lure free-spending tourists.

Carolina Colonial Palace Is Restored To Tap Tourist Trade

By NOEL YANCY
NEW BERN, N. C. (AP) — What some folks call the handsomest building in colonial America is back in royal dress.

A restoration project lavished seven years and 3 1/4 million dollars to turn back the clock for the splendid Georgian palace built by royal Governor William Tryon.

In its time the palace helped spark a rebellion among backwoods Tar Heel farmers. New Bernians hope the restoration will bring an invasion of free-spending tourists after it is opened to the public next year.

The date for the formal opening has been set tentatively for April 8. But already this quiet river port community is getting set for the big day—when North Carolina's present governor and Legislature are expected to return for a day to the palace which was the state's first fixed capitol.

Sparked by Miss Gertrude Carraway, energetic director of the restoration, New Bern is brushing up on its colonial history. Some 36 women who will serve as hostess-guides have been taking history courses weekly for more than two years.

The palace was thrown open for a few days recently to give the home folks a preview. Hundreds of visitors included New Bern's policemen and firemen, bank employees, store clerks and waitresses.

"Everybody in New Bern is going to know all about the palace," promised Miss Carraway, so they can answer questions when the tourists begin to flock in.

The palace's central wing burned to the ground in 1798—only 28 years after it was completed. But in this brief span it not only served as North Carolina's first established seat of government, it was the home of its last two royal governors, the meeting place of the first state legislature and scene of the inaugural of its first two governors after independence was declared.

President Washington was entertained in the palace—but did not sleep there—in a gala banquet and ball in 1791. The building had been neglected during the Revolution and lead from its roof and gutters had been stripped to make bullets for patriot rifles.

Even before the palace was built it became a symbol—one of the grievances of oppressed backwoods farmers who staged a bloody revolt four years before the outbreak of the American Revolution.

These farmers, who called themselves Regulators, objected to the way in which a tax—to raise the \$75,000 which the palace cost—was levied. It was a head tax which forced the poor farmer to pay as much as the wealthy landowner.

Tryon, who suppressed the revolt sternly with colonial militia and hanged its leaders, was painted as a tyrant during the hysteria of the Revolution and afterward. But later, calmer historians have described him as the ablest of North Carolina's colonial governors. He left the colony a year after his palace was completed to become New York's last royal governor.

History-minded citizens had dreamed of restoring the palace for years. But it remained only a dream until the project found its "angel" in Mrs. Maude Moore Latham of Greensboro, N. C.

Mrs. Latham, wife of a wealthy industrialist, was born in New Bern and reared on legends of the palace. In 1944, she created a \$100,000 trust fund for the restoration. It was the first of a series of gifts—including \$125,000 worth of antique furnishings—that she lavished upon the project. Upon her death in 1951, she bequeathed to it the residue of her estate, then valued at \$1,250,000.

The gifts, fortunately, were in gift-edged stocks and bonds which have more than doubled in value since. With \$227,000 put up by the state to acquire land, the Tryon Palace Commission had ample funds for the restoration and will have a substantial sum left for an endowment fund. The restored palace has been deeded to the State of North Carolina.

Thanks to Mrs. Latham, the commission "did not have the problem that most projects and most restorations face," said Miss Carraway. "We didn't have any worries about money."

And the restored palace, its \$750,000 worth of furnishings—antique furniture, paintings and other objects of art—and its

lavishly landscaped grounds leading to the edge of a broad and blue tidal river—all testify that money was no problem.

Many long months were devoted to research, both on the site and elsewhere, before work could start on the palace.

Legislature Faces Safety Questions

Editor's Note: This is another in the series on the Legislature based on results of an extensive poll by The Associated Press.

By FRANK N. MANITZAS
AUSTIN (AP) — Past legislatures have found it difficult to agree on how to play it safe.

The 56th session in January again will face controversies arising from industrial, highway and boating safety measures. The Associated Press' poll of lawmakers shows.

Several bills which their sponsors claimed would make manufacturing jobs safer failed in past sessions. They stir emotions of two powerful lobbies: The Texas Manufacturers Assn., representing management, and the state AFL-CIO, representing organized labor.

A result last year: The industrial and occupational safety study commission. Its progress: Vague, too much controversy. In fact, their final report was merely to band together all the information they obtained with no concrete recommendations as to how to prevent the deaths of 997 persons killed annually on the job. Another 402,000 persons become medical cases because of industrial and occupational injuries, the commission said.

"Texas is fast becoming an industrial state and we can no longer afford to postpone action on this matter because of the tremendous economic loss and loss of limb and life," said Rep. Ted Springer of Amarillo.

He listed industrial safety as the state's No. 3 major problem. Rep. Maud Isaacks of El Paso

simply put down "safety" as the No. 3 issue. She says driver's education is important to stop slaughter on the highways, but she doesn't want it to be a part of the public school curricula.

Rep. Ben Atwell of Dallas plans to introduce another boating safety bill. One died in the past session when no agreement was reached as to what was needed to make boating safer.

Gov. Price Daniel is expected to make recommendations for industrial safety. In his recent campaign, he said the commission's study would pave the way.

Daniel's Statewide Highway Safety Commission has recommended more pay for the Department of Public Safety, and more highway patrolmen, traffic courts to handle violators, improving the speed laws and require chemical examinations of drivers who violate laws while drinking.

Gas Ruling Is Delayed

OKLAHOMA CITY (AP)—A ruling on the future of the Ringwood Gas Field has been delayed five weeks by the State Corporation Commission.

Ray C. Jones, chairman, said more time is needed to make deliverability tests in the major county field.

The field was closed Nov. 12 so physical and economic waste

could be evaluated. A hearing was scheduled for Wednesday and Thursday but now is slated for Jan. 21-22-23.

At the time it was shut down, the field was producing about 30 million cubic feet of gas and 700-800 barrels of oil daily.

County Votes To Buy Land For New Road

Howard County Commissioners Court has approved county purchase of needed right of way for a farm to market road extending 5.7 miles and connecting U. S. 87 and FM 669 between Knott and Luther.

The road will go east from U. S. 87 and the route will include opening part of the route at present non-existent.

Ben Wilkinson and Joe Smoot, with the district highway engineer's office, were in town to confer with the commissioners Monday afternoon on the project.

On a vote whether the commissioners would approve expenditure of the county funds for the purchase of the needed right of way, only Earl Hull voted "no."

P. O. Hughes and Hudson Landers, joined by County Judge R. H. Weaver, voted for the resolution. G. E. Gilliam, the other commissioner, is still ill. He has not attended recent meeting of the court.

The state agrees, when right of way has been signed, to award contract to build the road at a cost of \$91,000.

Smoot and Wilkinson took the resolution back to their office for advancement of the project.

Chamber Backs Safety Drive

The Chamber of Commerce gave its support Monday to the Citizens Traffic Commission campaign—and that of the Texas and national safety councils—to reduce traffic accidents, particularly during the holiday season.

Directors not only pledged support but went on record as voicing individual support toward programs to cut down on highway carnage.

The board also adopted a resolution of appreciation to the Big Spring Pastors Association for sponsorship of a chorus-orchestra presentation of the "Messiah" at the City Auditorium on Sunday. The resolution expressed appreciation for those who made it possible, who took part in it and cited it as a beginning in the field of orchestra-vocal cultural activities for the community.

The choir and orchestra were under direction of James Gambino, and soloists were Ira Schantz, Joyce Howard, Mrs. J. W. Ware of Big Spring and Mrs. Carol Hastings and Louis Lovelless of Odessa. Jack Hendrix was accompanist.

The nominating committee, headed by Clyde Nicholson, reported that ballots have been mailed and 50 were cast in the first day. Deadline for voting is Dec. 30. The committee will meet to canvass returns and new and old directors will meet Jan. 5 to name 10 appointive directors and new officers.

Reports on Christmas activities included warm words of praise for the police, Webb AFB personnel, teachers and school authorities for handling the Dec. 2 Santa Claus visit. Attention was called to the church parade Tuesday evening.

Salary adjustments of \$129, \$202 and \$700 per annum for secretaries and the manager were approved.

Warming Trend Begins In Texas

Some of the chill went out of Texas' bones Tuesday as bright sunshine continued to dissipate the remnants of a weekend norther.

Skies were clear over the entire state and the forecast called for continued fair weather and rising temperatures.

The coldest spots in the state early Tuesday were at Junction and Wink where readings of 21 degrees were recorded. Pre-dawn temperatures were mostly in the high 20s and low 30s, ranging upward to 40 degrees at Galveston. No rainfall was reported.

Maximum temperatures Monday afternoon ranged from 45 degrees at Galveston to 61 at Childress.

GARLINGTON LOSES HIS LATEST LEGAL ROUND

J. S. Garlington, one-time county judge of Howard County, and frequent litigator in the courts local and elsewhere, has lost his most recent legal battle, it was announced by the Court of Civil Appeals for the 11th Supreme Judicial District.

Garlington's appeal from a decision of the 118th District Court here, in his suit to try trespass of title to Howard County lands, has been dismissed. The opinion handed down by Judge Esco Walter. Defendant in the case was N. H. Reed and others.

The case was heard before Judge Charlie Sullivan some months ago and the court ruled against the plaintiff. He gave notice of appeal.

Garlington has maintained suit after suit, over a score of years court attaches report, in efforts to regain possession of lands which he one time occupied in this county.

Cosden Will Build Own Plane Hangar

Cosden Petroleum Corp. and the Howard County Commissioners court Monday signed a contract which will permit the company to build and maintain its own hangar at the new county airport.

Under the terms of the 25-year lease, Cosden is assigned possession of a tract of land 120 feet by 170 feet for the airport. It will construct a 100 by 100 foot hangar on this tract and install all fuel storage and other facilities it may require.

In return, it will pay the county lease rental at \$1 per front foot per year for the privilege.

Cosden operates its own fleet of airplanes and desires to have its own hangar on the field. The site it selected is south of the area designated for county-built "T"

The company was also granted permission to provide storage facilities for 20,000 gallons of aviation fuel. This will be for its own airplanes. A proposal that it supply fuel from these storage facilities for aircraft using the field was not accepted.

In its original offer, Cosden suggested a yearly rental fee of \$1 for the hangar site.

Cosden also agrees to run in its own portable water line from the nearest suitable city water main. This will be at its own expense.

Estimated damage: \$70,000.

Air Conditioning Feasibility For Two Dorms To Be Studied

Howard County Junior College Board of Trustees will explore the possibility of including air conditioning in the new dormitories.

As a step in this direction, the board left unchanged its original order for the full \$600,000 revenue bond issue authorized by the Federal Housing and Home Finance Agency. If the board, after receiving estimates, should decide that it could do none or only part of an installation, the bonds not required could be chopped off the last maturities.

Puckett & French, architect-engineer, were authorized to redesign that part of the dormitories which would be affected by the wiring, ducts, etc. of air conditioning units, and to secure estimates on refrigerated air units.

DECISION LATER
When this information is available, the board will reach a final decision on whether to undertake any or all of the project. This work was not included in the original plans because the board had no way of knowing how much construction bids would be. The bids, however, were so favorable that there is ample reserve in the issue to air conditions the buildings, Dr. W. A. Hunt, president, indicated.

He said he would recommend that the plans be altered to provide for duct work, etc. now. French said that a very rough estimate of the additional cost for this would be around \$6,500. Based on cooling equipment for a total of 65 tons capacity, which he reminded was again purely a rough estimate, the total cost would run \$30,000 or more, he ventured.

The board wanted to get more definite figures in mind, also some projection of potential operation costs. Total commitments out

the \$600,000 which the federal agency has pledged under a 40-year loan will be around \$525,000.

French said that the official work order had been issued on the men's and women's dormitories, which would call for a completion by Sept. 10. However, A. P. Kasch & Sons, contractors, had anticipated the order by proceeding a fortnight ago so that completion by Sept. 1 may be possible.

SCHOLARSHIP PROGRAM
Dr. Hunt outlined highlights of the national defense education loans, which were explained last week in a meeting at Dallas. His present thinking was that despite a welter of requirements, HCIC might owe it to the constituency to at least make the program available. However, he said that it would be well to wait until before the fall semester to reach any decision on the matter.

Under terms of the program, the federal government will provide \$9 to every \$1 put up by the local institution under the student loan program. The designation of the scholarship loans will be left solely up to the local institution. Maximum to a student will be \$1,000 per year and not to exceed \$5,000 in the aggregate. Repayment will not begin until after graduation. The local unit will have no liability for collecting federal funds although it will have the bookkeeping up to 10 years. In the case of students owing loans, up to 50 per cent will be cancelled if the student serves in the teaching profession as much as five years.

4 Children Die When Home Burns

WASKOM, Tex. (AP) — Four children, from 22 months to 8 years old were burned to death Monday when fire destroyed their home.

Neighbors were turned back by flames when they tried to enter the Negro family's home. Constable Tommy Coleman reported the children's mother Mrs. Ruby Lee Mack said she left the children alone while she went for firewood.

Journey To Jesus

The Tracing Of The Star

EDITOR NOTE: The "Three Kings of the Orient" were in fact kings only of knowledge—professional scholars more advanced than any others in their age.
THE CARAVAN stood in readiness. It had taken nearly three months to prepare for the 1,200-mile journey.

from different places such as Media, India, Tharistis, Arabia, Nubia and Ethiopia, this is flattery rephrased by the Apostle Matthew who cites a single homeland—"their own country."
The overriding evidence is that this was Persia. In the original Greek, Matthew's gospel specifies the "Magi," who at the time of Jesus' birth and for centuries before were widely known as the learned priestly caste of Persia.

THE JOURNEY TO JERUSALEM as pictured in Morgan of Heildesheim's story of the Three Kings, published in 1484, shows them wearing crowns and approaching a walled town. Although they were known to the Middle Ages as "kings," the Magi actually were professional scholars, and "kings" only of knowledge.

'ROUND TOWN

With Lucille Pickle

The time is drawing nearer for the Christmas vacations to start, and many members of local families who live away from Big Spring are letting the folks know when to expect them.

MRS. J. W. WOOTEN is so excited about the prospects of two of her sons being here from out of town, MR. AND MRS. A. C. WOOTEN, Carol Ann and Allen, are to leave their home in Chicago just as soon as school dismisses. They will stay here until they have just enough time to drive back to their home in time for school again. From Devine comes word from ELMER WOOTEN that he, his wife and their son, Tommy, will arrive for breakfast Christmas morning.

CAPT. AND MRS. C. E. WISWALL plan to leave Monday for Graham where they will visit her sister and then go to Wichita Falls for Christmas with her parents. They will stay until after Jan. 1.

MR. AND MRS. LEWIS WOODSON and Sunny Jean will celebrate Christmas with her parents, Mr. and Mrs. Walter Woodson, in Odessa.

MR. AND MRS. H. J. AGEE and Darlene will be the guests of Mrs. Agee's parents, Mr. and Mrs. P. M. Beaty, in Abilene on Dec. 25.

LT. AND MRS. C. B. REIMER and their children, Ronald and Lisa Deann, will leave soon for Bossier City, La., where they will spend the holidays with her parents, Mr. and Mrs. E. M. Howell.

Word has been received here of the marriage of Mildred Louise Holley and Lt. Phillip C. English,

Stylized Trees Keynote Decor For Class Party

Stylized Christmas trees, shaped as white elongated pyramids and glittered in silver, keyed the table decor Monday evening when Mrs. Ed Cherry was poured by Mrs. L. Patterson entertained the Barbara Reagan Class of First Baptist Church at the Cherry home.

The largest of the trees was elevated on a milkglass stand. Tinier models circled the tree amid a profusion of frosted pastels.

Engaged

Mr. and Mrs. O. N. Laster Jr. of Hermleigh have announced the engagement and approaching marriage of their daughter, Helen Jo to Travis Mahon Stubblefield, son of Mr. and Mrs. D. C. Stubblefield of Colorado City. The wedding will take place Jan. 14, in Colorado City.

Mu Zeta Party Is A Family Affair Monday

A Christmas party Monday evening at the E. C. Smith home was a family affair, complete with a visit from Santa Claus to the 38 children who attended. He brought gifts and candy-filled red stockings for the youngsters, and the visit was recorded in candid photographs and movies.

Afterward, members of the Mu Zeta Chapter, Beta Sigma Phi, and their husbands gathered for a buffet dinner, which was arranged by the social committee composed of Mrs. Melvin Witter, Mrs. Darel Highley, Mrs. Betty Price and Linda Daniels.

Among the guests were Mr. and Mrs. Jim Richardson and Bobby Wright.

Yule Buffet Served To Rebekahs, Odd Fellows

Old Fellows of Mullin Lodge and John A. Kee Rebekahs joined their families Monday evening for a Christmas buffet at Carpenters Hall.

Tables were placed in a banquet t-shape and were covered in white; runners of cedar and berries held spikes of glitter. On the head table was a foil tree which glittered with tinsel and baubles.

Smaller tables, which flanked the larger ones, were centered with vases of poinsettias and greenery.

Cartis Whites Hold Open House For 35th Anniversary

About 63 registered at the open house held Sunday afternoon at the home of Mr. and Mrs. Cartis White in Ackerly, when the couple celebrated the 35th anniversary of their wedding.

Their three daughters, Mrs. Joe Gillespie, and Mrs. Hambrick, both of Ackerly, and Mrs. Fred Clement of Lamson, assisted in the festivities, while their husbands took places in the receiving line beside the Whites.

A huge white candle centered a bouquet of white carnations glittered with jade, to decorate the table which held a cake in the shape of a book. One page read Cartis and Edith, Dec. 23, 1923; the other page was decorated with a red rose in frosting.

Hurt Home Is Scene Of Breakfast

Women employes of The Herald gathered Tuesday morning at the Clifford Hurt home in response to an invitation to a holiday breakfast.

Mrs. Hurt and her daughter, Helen, were hostesses.

Guests were served fruit juice as they arrived and were seated at tables covered in red or green.

Expected For Visit

Mr. and Mrs. Harold Hitt and two children are expected Saturday for a visit with their parents, Mr. and Mrs. J. H. Eastham, 1015 Nolan, and Chaplain and Mrs. C. O. Hitt, 1301 Pennsylvania.

Winners Named At Credit Club

An alphabet game, played Monday evening at the Christmas dinner of the Credit Club, resulted in three members winning centerpieces used on the tables. The group met in the home of Mrs. C. O. Nalley.

On pink linen cloths, the arrangements were formed of candles in a sweet pink shade extending out of whitened and green foliage in combination with Christmas tree balls in a matching pink tint.

Knott Schools Tell Dates For Holiday

KNOTT — Schools will close on Friday for the Christmas holidays and will reopen Jan. 5, it has been announced.

Furlong Home Is The Setting For Buffet Luncheon

Mrs. Norman Furlong opened her home Monday noon to the Elizabeth McDowell Class of First Presbyterian Church for a buffet luncheon. She was assisted by Mrs. J. D. Leonard in serving the 18.

Seasonal decorations were installed throughout the home. Lace covered the buffet table, and poinsettias blended with chrysanthemums and candles for the centerpiece. Mrs. Elmer Boatler presided at the silver coffee service.

Saturday Dance

About 100 couples danced Saturday evening at the Big Spring Country Club when a group of teen-agers entertained their friends. Hosting the affair were Beverly Martin, Charles Arnold, Fan Barber of Coahoma, Clarence Percy III and Johnny Harrison.

Pythian Sisters Join For Party, Business

Combining a business meeting with a Christmas party, the Pythian Sisters, Sterling Temple No. 43, gathered Monday evening at the home of Mrs. L. D. Chrane, where Yuletide decorations lent a festive air to the assembly.

Mrs. Doyle Vaughn, Mrs. Choc Smith, Mrs. Herbert Johnson Jr., and Mrs. M. A. Cook assisted Mrs. Chrane as hostesses. They covered the refreshment table with red linen trimmed in snow flakes, and grouped gold and silver balls around a gilded candle. White bells and mistletoe tied with red ribbon framed the doorway.

Mrs. W. T. Chrane reported on the January project, while Mrs. Cook and Mrs. Hugo Campbell told of their efforts to find a meeting place.

Mrs. Choc Smith presided for the business and appointed as pro tem officers, Mrs. Herbert Johnson Sr., trustee, and Mrs. Campbell, secretary. She stated that officers will be installed at 7:30 p.m. January 5, in the Settles Hotel. Hostesses at that time will be Mrs. Johnny Underwood and Mrs. A. F. Hill.

The group of 19 elected Mrs. E. L. Rogers as guard; she replaces Mrs. Reeves Moren, resigned. Mrs. Dick Collier was named to bring the silver drill prize at the next meeting.

Tri-Hi-Y Groups Bring Food To Meet; Plan Party

Canned food was brought to the meeting of the Rannels Eighth Grade Tri Hi Y Monday afternoon at the YMCA. This is to be delivered to local families.

The Rev. Jack Ware, pastor of St. Paul Presbyterian Church, brought a Christmas message to the group of 21. A devotion was read by Becky Furse, and the session was ended with the repetition of the Lord's Prayer.

Pick Cotton

This Christmas, as usual, there is a rich harvest of white, bright, and colorful cotton gifts from which to take your pick. The selection of household cottons is bigger than ever. You can choose percale or muslin sheets in a variety of styles... fitted or non-fitted, white, pastel, or printed.

For a young couple, a cotton tablecloth with a Greek key motif will adapt itself to elegant or less formal settings. If wash-and-wear cottons are on your list, know what to look for on the hang tag.

Presbyterian Women Install Officers At Year-End Sessions

Officers for the Women of St. Paul and First Presbyterian Churches were installed in separate meetings Monday. At their final assemblies of the year, the groups heard annual reports from leaders in the various phases of church and mission work.

Service Guild Dinner

Members of the Wesley Methodist Service Guild and their families gathered Saturday evening for a dinner party at the home of Mr. and Mrs. Joe Kitchings. Forty-five were present for the meal and for the program which followed. Secret pals were revealed with a gift exchange. Becky Kitchings celebrated her 10th birthday anniversary at the party with a cake and games for the children present.

D&D Elects At Yuletide Party

Members of the Desk and Derrick Club combined a Christmas party with a short business meeting Monday evening when they met in the home of Mrs. C. M. Adams.

Mrs. Ed Black was named president for the coming year; Marguerite Cooper will serve as vice president; Mrs. Chester Matheny was elected treasurer, and Mrs. G. W. Thorburn, recording secretary. Dorothy Winterbauer will fill the office of corresponding secretary.

Mrs. Alma Gollnick was appointed to head a group which will present a basket of food and gifts to a local needy family. The annual attendance prize was awarded to Mrs. Joe Roberts.

Thirty-two members were in attendance at the party during which they exchanged gifts from a silver tree decorated with red lights.

A small silver tree also centered the refreshment table, which was covered in a red net cloth appliqued with sequined Christmas motifs with a red taffeta underlay.

Rep As C

TAIPEI (AP) Kai-shek and Chinese leaders have conferred with Mao Tse-tung post of chair of the Chinese government.

The report of an underground trust is placed in Mao's hands as election as at the meeting in January.

There was a report by the Communist Party of the United States that the party conference in H.

This is the first time that the party has broken will not appear to retain his post being done.

Also, the Communist Party of the United States announced that Mao stepping into the news on the general.

The general announced that Mao, founder of the Communist Party, turned political.

Growing program is a factor in the Communist movement.

Report Mao Out As China Leader

TAIPEI (AP)—President Chiang Kai-shek and other Nationalist Chinese leaders were reported to have conferred today on reports that Mao Tze-tung is vacating the post of chairman—or president—of the Chinese Communist government.

The reports, originating from underground sources in whom full trust is placed here, had it that Mao would not be renominated for election as government chairman at the meeting to be held at Peiping in January.

There was no particular surprise caused by the fact that the reported decision was not publicly announced at the close Monday of the party Central Committee conference in Hankow.

This is taken here to indicate that the party has still to decide how to break the news so that it will not appear that Mao, who will retain his post as party leader, is being downgraded.

Also, the party wants to educate special groups to the idea of Mao stepping out before springing the news on the people.

The general belief among Nationalists is that the 65-year-old Mao, founder of the Chinese Communist revolution, is on the way out to retirement.

There is speculation that Marshal Chu Teh, 72-year-old soldier turned politician, would succeed Mao.

Growing opposition to Mao's program is regarded as a main factor in the predicted replacement.

Communist press reports admit

opposition to the program, that has uprooted the traditional pattern of Chinese family life.

Under this program, the people are herded into working communities where they live in dormitories. Children are raised by the state.

The official Nationalist Central Daily News said it was obvious that Moscow must have applied pressure for a change of government leadership at Peiping.

Iraqis Mob U.S. Envoy

BAGHDAD, Iraq (AP) — William M. Rountree, U.S. assistant secretary of state, is to hold talks today with Iraqi officials despite a violent reception from street mobs who threw mudballs, eggs and a rock at him.

Rountree was greeted Monday by "go home" howls from thousands. The limousine he was riding in was splattered with mud and a window cracked by the rock. He was unharmed.

Many of the youths in the mobs apparently had been led to believe that Rountree came to try to resurrect the pro-Western royal government which was overthrown July 14 by a military coup.

A violent anti-American campaign, partly fomented by the powerful Iraqi Communist party, has been under way in Iraq for weeks.

58 Attend Evening Lions 'Ladies Night' Program

Big Spring (Texas) Herald, Tuesday, Dec. 16, 1958 5-B

Fifty-eight Lions, their wives, and guests attended the Evening Lions Club Ladies Night program Monday night.

The group included out-of-town guests and representatives from the Downtown Lions Club.

Presenting the program for the meeting were Ira Schantz and Jack Hendrix, music instructors at H.C.J.C. Schantz sang "Emmanuel" by Rossini; "I Wonder as I Wander," a folk song arranged by John J. Niles; and "Gesù Bambino" by Yon.

Hendrix accompanied on the numbers and also presented one piano solo.

Among the guests were Mr. and Mrs. Dock Ellis of Midland, Mr. and Mrs. B. M. Keese from the Downtown Lions, Mr. and Mrs. Al Long, Mr. and Mrs. R. E. McClure, Mr. and Mrs. George Creagh, Mr. and Mrs. J. F. Stitzell, Mr. and Mrs. Hendrix and Schantz.

Ted Hull, vice president, was in charge of the program and he introduced Ellis, the deputy district governor-at-large. Ellis, who had a hand in organizing the Evening Lions, commended the club on its work.

Sunday Program Seeks 'Unchurched'

By CHARLES MERCER
NEW YORK (AP)—In the hours of Sunday morning when the majority of Americans are said to be either in church or in bed, there comes one of the best daytime TV programs visible in the entire week, Lamp Unto My Feet (CBS-TV).

Obviously not everyone is asleep or at church, for Lamp Unto My Feet maintains a healthy audience. Furthermore, it recently completed 10 consecutive years on the air, making it one of the oldest programs visible. Finally, it deals with an area of human experience that television usually shuns: religion.

One of the significant things about the nonsectarian program is that it is unsponsored—either commercially or by those who generally are considered "religious."

"People who are religiously oriented usually are in church when we come on the air," says its young producer, Don Kellerman. "We have our greatest influence on the people with whom we most want to communicate—the unchurched."

Although its intent is not evangelical, Lamp Unto My Feet is religious in the sense that it is concerned with moral problems. And in its decade the program has revealed the immemorial truth that moral problems are as vast as life itself.

Sometimes it concerns itself and its viewers with the garden variety problem—alcoholism, the role of the aged, the gangs of adolescence. Again it will plunge into the biggest jungle problems of ambition and prejudice and vanity.

"Our whole point," says Kellerman, "is to reveal a problem but never try to offer a solution. The 15-minute play that dramatizes a problem would be a shoddy production if it tried to solve it. And the 15-minute discussion following the play would be morally shoddy if it tried to solve it."

Lavish Volumes

In the class art field, publishers have turned out a number of expensive but excellent works. The montage of book covers above represents just a smattering of the new volumes.

Mrs. Bing Thinks Nursing Can Help

By HAL BOYLE
NEW YORK (AP)—Life holds a triple challenge these days for Kathryn Grant, the young wife of singer Bing Crosby.

It has given her three roles to play—all at the same time. She is a busy mother, a busy actress, and she is busy studying physiology because she wants to get a degree as a registered nurse.

Although she is a bit reluctant to discuss it, she is quite serious in her ambition to learn nursing. "A nurse learns discipline, and how to give service with her hands," she said. "This is a very satisfying feeling. I think it will be a big help to me in my domestic life."

The Texas-born beauty came here for public appearances preliminary to the release of her 17th film, which was shot in Spain.

Even wearing a black chemise dress and with her dark hair drawn back into "a severe chignon"—her words—Kathryn still looks startlingly young. She still feels her youthful look is some thing of a burden in her professional career.

"This is the real handicap—the round face," she said. "My husband says I can't get away yet with playing a well-kept broad. Actually, I'm a hag of 25."

Her visit here left Kathryn — she doesn't like to be called Kathy—homesick for Crosby and their 4-month-old son, Harry Lillis Crosby Jr.

"We call him 'Tex' or 'Little Mouse' or 'Little Man,'" she said.

"Bing calls him 'Little Drunk' because of the expression he gets after finishing his bottle. He just sits there contemplating his navel."

Miss Grant's marriage to the celebrated crooner was regarded as a real Cinderella romance by movie fans, but she doesn't like to break the privacy of her present home life.

"So many people ask me what Bing is really like," she said. "Actually Bing is exactly the kind of person most people think he is."

"He is a heavenly father. He sings incessantly around the house, and he loves to sing to the baby."

"Church means a great deal to him. It does to both of us."

In meeting the problems of her triple life—as wife, actress and student nurse—Kathryn says she likes to remember two sayings of her own mother:

"Do the best you can."

"You can do anything you have to."

Then she added: "Happiness is an elusive term, but I feel I am a woman fulfilled."

Try, Try Again

NEWARK, N.J. (AP)—A letter to Santa Claus was opened at the post office. It made a list of not unusual requests, and concluded with: "I hope I get most of these things. If not I will try again next year."

Navy Gives Contract For Corbus Missile

DALLAS (AP)—The Navy has awarded a \$2,559,362 contract to Temco Aircraft Corp. for ground and flight test services for the Corbus missile.

Navy officials said the contract will be for launching equipment and to develop launching techniques from the air.

Costly Art Books Now In Season

By W. G. ROGERS
Associated Press Arts Editor

While one spectacular development in the book business has been the recent dizzy growth of paperback, pocket-size, 25-cent reprints, another at the opposite end of the money scale has been the annual appearance, usually at this season, of the increasing numbers of lavish art volumes that sell for prices closer to \$25.

We had been accustomed for some time to the fine Phaido and Studio publications, but houses that find this field profitable and that deserve art lovers' warm regards keep growing more numerous. Their issues are primarily picture books, which are accompanied however by extensive, authoritative texts. At the start some original colors were only approximated on the page, but now there isn't much choice. Whether printed abroad, where costs are less, or in this country, where editorial supervision can be more immediate, there are accurate reproductions, accurate in individual colors as well as in the over-all blended impression, accurate whether the price is \$3.95 or \$32.50. You don't get the actual size, or actual impasto, but not much else, practically speaking, is missing.

One of the busiest newcomers is Frederick A. Praeger, recently named printer to the Whitney Museum of American Art, and publisher this fall of some outstanding and essential works:

"The Sculpture of Africa," 405 photos by Elio Eliafson, text by William Fagg, preface by Ralph Linton (\$15); in effect not just an art book but an art exhibition, all the more valuable for being the record of a creative activity threatened with extinction.

"The Praeger Picture Encyclopedia of Art," 590 illustrations, of which a third in color (\$17.50); prepared in association with London and German houses, containing surveys, hundreds of names, smartly chosen illustrations.

"The Complete Book of Artists' Techniques," by Kurt Herberts, (\$12.50); three dozen ways of prehistoric, ancient and modern artistic how-to, with 170 illustrations.

Praeger publishes general books as well. A second house exclusively in the art field is Harry N. Abrams. Among his recent publications are:

"The Thrones of Earth and Heaven," photos and notes by Roloff Beny, foreword by Herbert Read, texts by Freya Stark, Jean Cocteau, Bernard S. Berenson, Rose Macaulay and Stephen Spender; a marvelous swing around the Mediterranean, pictures of art that are art.

"2000 Years of Japanese Art," by Yukio Yoshino, edited by Peter C. Swann, 175 plates in color and black and white (\$25); a rapid, fascinating selection of high spots.

"Wassily, Kandinsky," by Will Grohmann (\$17.50); profusely illustrated.

Skira is another house famous for art publications. A superb example of its work, and companion piece to its "Flemish Paintings: The Century of Van Eyck," is "Flemish Painting from Bosch to Rubens," with text by Jacques Lassaigue and Robert L. Delevoe (\$25); handsomely bound and designed, with 112 pictures in full color.

Among other works too numerous to describe in detail are "Dall" (New York Graphic Society), Ylla's "Animals in India" (Harper), "Modern Art: A Pictorial Anthology" (Macmillan), "The Belles Heures of Jean, Duke of Berry" (Metropolitan Museum), "Masters of Photography" (Brazilier), "The Picture History of Photography" (Abrams), the Japanese shrine "Muro-Ji" (Grove).

Harcourt, Brace brings out another of the matchless annuals we have come to expect—"The Last Works of Henri Matisse," text by Pierre Reverdy and Georges Duthuit (\$32.50); edition limited to 2,000 copies, the essence of Matisse, his line, color and design.

Literal-Minded

DAYTON, Ohio (AP)—The marquee over a downtown theater reads: "A Nice Little Bank That Should Be Robbed." Sunday the box office was robbed of \$100. The robber escaped on foot.
