Fawayne Murphy

Fawayne Murphy Convention Singer

Appearing on the Fine Arts Program of the 29th annual convention of the Texas Federation of Music Clubs in Lubbock Friday and Saturday is Fawayne Murphy, talented young vocalist and son of Mrs. Ola Murphy of Dimmitt. The convention will convene in Ford Memorial Chapel of the First Baptist Church at 8:30 a. m. and close Saturday at noon.

Young Murphy, a senior at the local high school, will render two vocal numbers during the Friday evening program beginning at 8 o'clock. He is an advanced voice student of Miss Mattie Mae Swisher of Hereford and has made a number of public appearances as a singer in the past. His most recent appearance was last week when he sang before American Legion and Auxiliary members at a zone meeting in Hereford.

The music convention is expected to attract 200 delegates from a series of programs featuring prominent speakers will be held with three Lubbock music clubs serving as hosts for the 2-day event.

Famous Designer To Speak Here

"Garden Designs," will be the subject of an address to be brought by Harry Bowser of the Health Center in Plainview when he speaks before the Dimmitt Garden Club, Tuesday, October 27. The address is in conjunction with a regular meeting of the club which will be held in Fellowship Hall of the Methodist church starting at 4 p. m.

Bowser is widely experienced in the field of garden design, having served as landscape gardener for the late Henry Ford before he was afflicted with polio. Garden club members are urged to be present for the address as this will be an unusual opportunity to get some first hand information on designs.

Dimmitt PTA Maps Carnival Plans

Members of the Dimmitt Parent Teachers Association, meeting in regular session at the local high school Tuesday night, completed plans for the Halloween Carnival to be held the night of October 31 in the high school and grade school cafeteria. Several grades will participate in the carnival which is sponsored by the P. T. A.

Also on Tuesday night's program was the freshmen girls' ensemble. This group, under the direction of high school music teacher Miss Thelma McMinn, sang several numbers.

J. W. Sollis, high school principal, showed the group a series of pictures illustrating visual aid in the classroom, at the conclusion of the meeting.

Staggering Cotton and Grain Losses Result

Storm Lashes County; Crop Damages Estimated in Thousands of Dollars

Rain and hail accompanied by winds up to 40 miles per hour cut paths of destruction in the northern and western sections of Castro county Tuesday afternoon and night causing thousands of dollars of damage to cotton and grain crops.

The storm was disastrous to some farmers as most of their cotton was still in the field due to a critical shortage of cotton pullers. The John Godfrey farm six miles north of Dimmitt, as well as the Troy Maxwell farm just west of Godfrey and the P. H. Clowds farm east of Godfrey, caught the full impact of the storm's savage fury. Most of the cotton on all three farms was completely leveled by hail and

high winds and much of the grain crops were ruined. No accurate estimate could be given on losses but they were expected to run into the thousands of dollars of damage as one of the most devastating rain and hail storms in several years took a mounting toll. It was the first bad hail storm in this area in over five years.

Large hail stones and unusually high winds struck the Fate Shannon place, 14 miles west of Dimmitt, causing heavy grain crop losses. Other farms in the area reportedly suffered heavy losses, also.

Much of the cotton losses might have been avoided had the farmers been able to get cotton

pullers. Although the puller situation has been alleviated some by the recent influx of Mexican Nationals to the area, a shortage still exists and some farmers may have to employ machine cotton pickers in order to avert any further losses that may be caused by bad weather.

Other farmers hard hit in the northern part of the county were E. B. Wright, Leo Renfro, G. R. Adams, and J. G. Davis, Jr.

Areas in the county that were deluged with rain but were missed by the hail storm will not suffer any ill effects, according to Bob West of the soil conservation office. West said the rain would help the cotton to open up and bleach out.

As much as six inches of rain fell on the L. V. Holland farm 15 miles northwest of Dimmitt as the county received its second largest rain of the year. Holland reported that draws were filled in the area and that water was over the road in several places. The S. J. Glenm farm north of the city received up to two and one-half inches and Bob Anthony of the Big Square Community re-

ported two inches of moisture on his place. Rainfall in Nazareth was measured at 1.35 inches and in Hart at 1.50. The total amount of rainfall in Dimmitt, including both Sunday night and Tuesday's rains, was reported at .91 of an inch.

Other rainfall checks over the county follow: Henry Dobbs farm, 2.10 inches; Ross Summers, 1.30 inches; George Bagwell, 1.47 inches; Homer Bartlett, 1.20 inches; and M. L. Simpson, one and three-fourths inches.

No property damage was reported in the county, however telephone service was temporarily disrupted in the Sunnyside and Hart areas as high winds knocked lines out.

The county's cotton yield in bales had been estimated at 55,000. This may be altered appreciably, however, due to the crippling setback caused by the storm.

Heavy rains in the county resumed early Thursday after a one-day lapse, threatening to cause considerable damage to cotton as no immediate letup was foreseen by weathermen. An excess amount of moisture, according to the county agent's office, will add to the growers problems by reducing the grade of his product. A low overcast early Thursday indicated that showers would continue throughout the day and night. The rains are a forerunner of a cold wave moving into the area. Temperatures are expected to be near freezing for the remainder of the week.

Broadway Street Gets Face Lifting

One of Dimmitt's Main thoroughfares received a partial face-lifting Friday as local high way maintenance workers busied themselves preparing the street for the winter months ahead.

A center strip of Broadway Street running from the city limits north to the south end of the courthouse was given a new layer of asphalt coating as a protection against winter weather. Parts of the middle of the street had begun to crack open and highway workers applied the blacktopping so as to prevent unnecessary damage from bad weather conditions.

Already paved is Highway 51 from the roadside park south of town to the Sunnyside Community. Highway 86 just east of Dimmitt is currently in the process of being widened to meet specifications as laid down by the city when bonds were approved to finance 25 blocks of residential paving. Highway 51 north is also being re-topped from the city limits to the Deaf Smith county line. The paving projects are all a part of the city's program of making more and better roads available to the public.

scientist, Weitzmar, who gave the British the formula for Germany's strong fire-power during World War I, took some of the waters and analyzed them. The speaker indicated that the tremendous importance of this vast wealth can not be over emphasized.

Haboush became a citizen of the United States in 1923. Prior to that time he had studied in the United States and was anxious to transplant some of the American democratic ideas in his native country. He said he was very discouraged, however, when he returned to Palestine to find such chaotic conditions and such a mixture of races. He indicated that such radical changes had been brought to his country by the Poles, Hungarians and Russians that he felt it hopeless to try to spread any of his learnings. It was then that he returned to the United States and applied for citizenship.

The lecturer told Lion members that a great portion of Palestine was in the hands of the absentee land owners up until 1920 and that about 40 percent of the people lived by farming this land from the absentee land owner. When the land owners sold out these peasants were without work thus creating a major problem. The speaker said the history of Palestine has been one of trouble and continues to worsen as the Russians move to dominate the country and gain control of the Dead Sea.

A visitor of the club besides Haboush was R. C. Stevens of Plainview.

Haboush Focuses Attention On Crisis In Palestine During Lion Club Talk

Speaking before the Tuesday luncheon meeting of the Dimmitt Lions Club, Stephen A. Haboush, noted Holy Land lecturer, raised the question, "Why The Trouble in Palestine?"

The forceful and dynamic speaker focused the attention on the troubled spot, pointing out that Palestine has been in trouble since time immemorial. He cited several reasons for these difficulties; the most significant being that Palestine is a land of redemption, made so by God; it is the most strategic land in the world in that it unites Asia, Africa and Europe; and that it is a land of chemical and mineral wealth. Qualifying the last statement, he pointed out that the Dead Sea in Palestine contains billions of dollars of valuable chemicals heretofore unknown until recently. Magnifying the importance of this sea of wealth, Haboush said, "It is three times greater than all the wealth of the United States. Whoever controls the chemicals of the Dead Sea will ultimately control the economic life of the nations of the

Farmers Approve Soil Practice

Castro county farmers trying to utilize every available resource during the current cost price squeeze will be interested in a sure method of maintaining soil fertility that has been employed by Leland Lee, who farms north of Dimmitt, Charles Heck, Nazareth farmer and many other county farmers.

The practice referred to is the chopping and turning under of milo stubble immediately after a grain crop is harvested. In the past a number of farmers have voiced the feeling that for every dollar they received from grazing they could have made \$3 by turning stubbles under and receiving maximum benefits from their organic matter. Lee and Heck have instigated this practice and report considerably higher yields from the added soil fertility that is derived from the milo stubbles.

Other farmers report that by applying ammonia sulphate to the milo stubbles, decomposition is hastened and required nutrients for maximum production are made available much sooner. This practice seems to be gaining favor in the county as more and more farmers are trying it each year.

Haboush said the sea's valuable wealth was actually discovered six years ago when a Russian

Cats Rate Fourth Again; Prepare For Second Conference Encounter

The Dimmitt Bobcats remained firmly anchored in fourth place among class "A" Panhandle football teams this week, according to ratings compiled by the Amarillo Daily News sports staff.

The Bobcats, fresh from a one-sided victory over a hapless Kress aggregation, were a unanimous choice for fourth place for the second successive week. Their record stands at five wins against a lone loss.

The Cats are the leading offensive team in their class with a total of 186 points to their credit. A total of 101 points have been scored against them in their six outings.

In first place again this week is Springlake, a team that has won six straight games without a loss. Springlake displaced Dimmitt two weeks ago when the Cats suffered their first setback of the season. McLean's mighty Tigers held fast to second place by thumping a good Panhandle team. New Deal, another undefeated club, also kept its third place ranking intact. Sudan's surging Hornets continued to climb in the class "A" rankings

Drunk Driver Is Assessed Fine

H.H. Simmons, Dimmitt laborer, pleaded guilty in Castro County Court Monday to a charge of driving while intoxicated. The defendant was ordered by County Judge Robert Estes to pay a fine of \$125 and court costs or remain in jail. Simmons was released after making arrangements to pay the fine.

Castro Sheriff Houston Fowlkes arrested Simmons late Saturday after receiving a report of an erratic driver in the area. The arrest was made just inside the city limits on Highway 51 north.

by jumping from seventh place to fifth. A darkhorse in the District 2-A race the Hornets have dropped only one game since the season got underway.

The Cats will be seeking their second conference win in as many starts Friday night when they play Amherst there. The Bulldogs have failed to win a game this year and in all probability will continue with the same record after their battle with Dimmitt. The Bulldogs are in the process of re-building and like Kress have mostly sophomores and juniors on their roster.

The Dimmitt squad came out of last Friday's game unscathed and will be at full strength when they play their second out-of-town game of the season. Coach Leo Fields used his regulars sparingly against the Kangaroos and will likely do so against Amherst, too. The coach, minus the service of fleetfooted quarterback Richard Wood, is giving Jack Jones, another equally fast back, plenty of duty. His hope is that Jones will be able to replace Wood in the event the latter is unable to play anymore this season. And, too, Fields is anxious to keep his varsity lineup in good condition for the bruising encounters against Sudan and Springlake who must be dealt with before the season is over.

The Cat line has been impressive all season and are deserving of much of the credit that has enabled the team to compile one of its best records in several years. Such line stalwarts as Johnson, Brown, Witt, Cole, Moore, and Ray, have been instrumental on defense and offense as the Cats have rolled to victory this season. Their blocking and tackling has been effective as the Dimmitt team has scored most of its 186 points on the ground.

The game at Amherst will get underway at 8 p. m. Admission prices are expected to be comparable to those charged here.

Witkowski, Bridges Win Top Awards at Texas State Fair

Castro county livestock breeders, living up to past tradition of raising and exhibiting some of the finest animals in the entire Southwest, captured top honors at the State Fair of Texas in Dallas. Leo Witkowski, owner of Wheatland Farms in the northeastern part of the county, exhibited the grand champion milking short-horn cow and bull at the fair, while John Bridges of the Sunnyside Community showed the grand champion lamb.

Witkowski, whose fine show herds have been accorded grand champion honors at the Amarillo and Lubbock fairs in addition to the Louisiana State Fair, took a number of other high honors, too. Details were not available, however.

Young Bridges, the son of Mr. and Mrs. H. F. Bridges of Sunnyside, also showed the grand champion Southdown lamb at the Castro County Fair last month. Bridges' outstanding achievement culminates nine years of active 4-H work as a member of the Hart club.

Cotton Ginnings Near 5000 Mark

A check this week with nine of Castro county's 11 cotton gins reveals that 4,280 bales of cotton have been ginned as of Thursday. This would indicate that the total number of bales ginned in the county is still slightly under the 5000 mark.

Most of the cotton received by ginneries is reported of highest quality. Managers say that business is picking up but the continued shortage of cotton pullers prevents the grower from harvesting his product on a larger scale. If current rains continue some cotton will be reduced in grade causing growers to suffer considerable financial loss.

Tent Show Opens Here Monday Night

Three nights of stage entertainment, with a different show each night, is on tap for residents of this area. Plunkett's Stage Show, the only show of its kind, will perform here under a huge tent arena on Monday, Tuesday and Wednesday nights.

The tent which will shelter the 35 troupers performing in the show will be heated. The big canvas theater will seat 1000 people and will be both water and flame proof.

Vaudeville, juggling, singing, dancing and animal acts are only a few of the many acts to be performed by the talented troop of entertainers. Each show will get underway at 8 p. m. and admission prices will be 25 and 50 cents.

A new stage play will also be featured each night of the show.

Mrs. F. J. Wilhelm Dies at Nazareth

Mrs. F. J. Wilhelm died Tuesday in Castro County Hospital after a ten-day illness. She was 83 at the time of her death.

Mrs. Wilhelm was born Cella Drilling on July 15, 1870, in St. Lucas, Iowa, and was married to Frank J. Wilhelm in Potosi, Wis. in 1891. The Wilhelms moved to Nazareth in 1910. Mr. Wilhelm died in 1934.

Of their thirteen children, eleven are still living. Survivors include eight sons, Frank and Ray of Hereford, Charles of Vinita, Okla., Henry, Albert, Edward, Clarence, and Celestine, of Nazareth; three daughters, Mrs. John Maenner, of Eau Claire, Wis., Mrs. Henry Schmucker and Mrs. Joe Warren of Nazareth; two brothers, Joe Drilling, of Minnesota, and Ferdinand Drilling of Wis.; 47 grandchildren, and 39 great-grandchildren.

A Requiem Mass in Holy Family Church Oct. 22 was observed by Very Rev. Father Morsch. The body was then taken to Holy Family Cemetery for interment. The eight Wilhelm sons served as pallbearers.

Hart Legion to Have Shower Monday Night

A shower, sponsored by the Ladies Auxiliary of the Hart American Legion Post, will be given at the Hart Legion Hall, Monday at 7:30 p. m. Purpose of the shower is to furnish the kitchen and nursery of the recently remodeled legion headquarters. The hall also serves as a community center.

Nazareth Girl Named Reporter at WTSC

Jane Albracht of Nazareth has been elected reporter of the sophomore class at West Texas State College.

She is the daughter of Mr. and Mrs. A. M. Albracht. She is reporter of Gamma Phi, president of Newman Club, reporter of Randall Hall and is editor of "The Prairie."

Mrs. Alice K. Johnson is spending the month with her daughter, Mrs. D. W. Brashear.

EXCELLENT PRACTICE—Seen here from left to right are Leland Lee, Dewey Morgan, Charlie Hudson and Bill Davis. They are inspecting a conservation practice on Lee's farm just north of Dimmitt. Lee harvested 3100 pounds of Martin maize on the above plot. Prior to planting maize he put down 200 pounds of 14-14-0. After harvesting he cut the stalks with a stalk cutter and fertilized with 21-0-0 and turned it under. Lee considers this an excellent practice. He plans to irrigate and seed this acreage to wheat this fall.

Big Square Woman Named To Head Castro Home Demonstration Council

Mrs. A. L. Behrends of the Big Square Community Home Demonstration Club was elected chairman of the Castro County Home Demonstration Council at a recent meeting of the organization in the district courtroom here. Mrs. Noble Howard, district extension agent of the Sunnyside HDC was named to fill the post of vice-chairman.

A committee was appointed to map plans for a county-wide Christmas party in December for all home demonstration club members. Named to serve on this committee were Mrs. Vernon Williams, Mrs. Irving King and Mrs. Jess Birchfield.

The council also made plans for

a county-wide meeting to be held after the next regular council meeting on November 10. Mrs. J. D. Murry and Mrs. Cecil Ginn county delegates to the State Home Demonstration Association Convention, will give a report on the event at the county-wide meet. The state convention this year will be held in Galveston.

The council discussed and mapped plans for the ensuing year before closing the session.

Appointed to a committee to plan a formal installation of new officers were Mrs. A. W. Hawkins, Mrs. Noble Howard and Mrs. Dan Bruton. In addition to the chairman and vice-chairman a new secretary-treasurer will be installed during the installation exercises in December. She is Mrs. Herb Mayfield of the Hart Home Demonstration Club.

Mrs. Doris Leggett, district extension agent of Amarillo, was a recent visitor to the county. She conferred with County HDA Sybil Stringer about the council and club work being carried on in the county and of plans for 1954.

Poultry Meeting Set for Oct. 29

The first of a series of educational meetings on current agriculture problems, sponsored by the Castro County Grain Company, will be held Thursday night, October 29, at the local grain company office.

An educational movie on, "If Hens Could Talk," will be shown to be followed by discussions on sound poultry management practices. Coffee and doughnuts will be served at the conclusion of the meeting.

A number of these meetings dealing with such problems as fertilizer and soil building practices, Johnson grass and bind weed control and dairying, will be conducted on dates to be announced later.

Castro farmers will be interested in the initial meeting due to the increased cost of egg production and because of the added income that can be obtained through sound management practices, according to the sponsors of the meeting.

Dimmitt Legion Meets

Miss Thelma McMinn, music teacher in the Dimmitt Schools, will present a musical program Monday night following the regular business meeting of the Dimmitt American Legion and Ladies Auxiliary. Legion Commander Bill Houghtaling urges a good attendance for the meeting which gets underway at 8 p. m.

Carnival Planned For October 31

A negro minstrel, conducted by the Dimmitt High School freshman class, and a "Mother Goose Land" program, sponsored by the first grade class, will be features of the Halloween carnival planned by students at the local school the night of October 31.

The minstrel will be held in the high school cafeteria and will be sponsored by the PTA. This year's freshman class, the largest in history with a total enrollment of 69, will stage the blackface show, which will be highlighted by a version of the hula dance by the "chocolate cuties." Other features of the minstrel will be songs, dances, gags and jokes. Proceeds will go into the fund for the junior-senior banquet and senior trip.

"The Mother Goose Land" program will be held in the grade school cafeteria and promises to be entertaining to both children and adults. A good crowd is expected to attend the carnival.

McLains Increase Crop Yields

Interplanting Proves Highly Beneficial on County Farms

acre. They could not produce more than that, even by using commercial fertilizers. At the end of the fourth year of interplanting cowpeas, they reached 4,000 pounds combine maize and a few pounds over a bale per acre cotton. This year, even though it has been a bad year for high maize production, the McLains have maintained their 4,000 pounds per acre.

There is no information yet on cotton yields this year. Both farmers Atlas sorgo made 15 tons of insilage after the heads were cut. This feed, due to the cowpeas, is very high in protein and is excellent winter feed.

The farmers believe they will make 1 1/2 bales per acre of cotton this year.

The peas enable them to get more uniform water infiltration. They water in the drill furrow and the pea vines slow up the water and insures getting the soil watered, even on graded land. The peas produce nitrogen and organic matter for the land and as a result makes it much easier cultivated. The peas do not hinder the growth of the grain sorghums. They have a deep tap root that uses the deep moisture while the grain uses the top moisture. They protect surface moisture by shading the ground.

Chamber Luncheon Set for Oct. 28

A prominent speaker will give an important address at the luncheon meeting scheduled for Wednesday, October 28, under the joint sponsorship of the Castro County Chamber of Commerce and the West Texas Chamber of Commerce, according to Castro Chamber Manager Bill Davis. Davis said the luncheon would serve to promote membership both in the county and West Texas Chamber of Commerce. He added that arrangements have been made to obtain a well-known speaker. A good program is in prospect for the large number expected to attend the event. The luncheon will be held in Fellowship Hall at the Methodist Church.

by OLEN H. MITCHELL For some time now Rummung Water Soil Conservation District farmers have been interested in cowpeas and grain sorghum interplantings.

D. L. McLain and I. V. McLain, whose farms are in the same vicinity, have been interplanting Brabham cowpeas and grain sorghums. They began this practice in the spring of 1949 and have followed it extensively, and are pleased with the results. The two farms are located six miles south of Hart. In 1939 the McLains combine maize production was down to 3,000 pounds per

Hoelting To Head Nazareth 4-H Club

Denis Hoelting was elected president of the Nazareth Junior 4-H Club at a meeting of the organization Friday in the Nazareth School. Named vice-president was Darrell Dunham.

A total of forty boys registered for the meeting. Twelve of this number were enrolled as new members.

Castro County Agent Charles Hudson, speaking to the young 4-H'ers following their election, emphasized that a 4-H Club member should strive to become a teacher of his project. Hudson also listed many projects from which club members might choose a demonstration.

Other new officers elected are: Edwin Huseman, secretary; Tommy Brockman, reporter; George Huseman, council delegate; Ronald Hoelting, song leader; Mr. Frank Huseman, adult leader.

The first club meeting of the new year was adjourned with all club members singing the 4-H Pastoral.

GRASS CONTROL—This picture shows a Johnson grass control practice on the George Heard place near Jumbo. The Johnson grass in the background is an example of how the cotton field in foreground was infested before control was initiated. In January of 1952 Heard plowed the land 14 inches deep and that winter sweep cultivated it nine times. The results were that he rid himself of Johnson grass roots and during sweeping operations re-infested his place by dragging the grass seed back to surface.

WHAT DIFFERENCE AN ABSENCE MAKES

(Guest Editorial)

An absence affects the student, his classes, and the whole high school. The student must justify his absence by a reason. One is excused because his absence was forced by an unusual situation. Another is unexcused because he was forced to miss school. A third has neither reason or permission to miss school. This is an open defiance against school and home. The student is developing a hostile attitude. He is testing authority. He is declaring himself against school and his own education. The success of our local school and the whole state system depends on regular attendance and a willingness of students to learn and be a part of a high school. Our school district receives money from the state in direct proportion to the daily attendance of the previous year. If a student must be absent, he will miss the class activities. If he was absent with his parent's permission he has both missed the class activities and deprived his school of needed funds. If he has played "hokey", he has deprived both himself and his school on that day, but more unfortunate is his declaration to his classmates, teachers, and parents that he disregards authority and rules under which the remainder of the school people are working.

A very high per cent of the D. H. S. students are busy every day preparing assignments, reading, and engaging in school activities. Some fifteen student clubs and organizations provide extra-curricular activities in our high school.

Meet the Bobcats

Name: Charles Brown
 Position: Back
 Weight: 148
 Years Lettered: Up from "B" team
 Age: 16
 Classification: Junior
 Remarks: Charles is a hard hitting line backer. Lack of speed is his greatest handicap.

Name: Melvin Witt
 Position: Guard
 Weight: 155
 Years Lettered: One
 Age: 18
 Classification: senior
 Remarks: Melvir is a good blocker and fine defensive line-backer. He is the defensive quarterback.

Name: David Burkett
 Position: Guard
 Weight: 149
 Years Lettered: Up from "B" team
 Age: 17
 Classification: Senior
 Remarks: David is a hard working senior with a lot of chatter.

Name: DeWayne Brown
 Position: Guard
 Weight: 155
 Years Lettered: One
 Age: 18
 Classification: Senior
 Remarks: DeWayne is a fine blocking guard. Blocking is his greatest asset.

Cat B Team Lose To Hale Center

The Hale Center "B" team defeated the Dimmitt "B" 27-7 last Thursday night. The Dimmitt team just couldn't seem to get rolling.

Hale Center scored in the first quarter and then came back strong to mark up their other 3 tallies in the second, third and fourth quarters respectively.

Dimmitt's touchdown came on an end around run with Boozier carrying the ball in the last quarter.

Billy Gafford's Ideal Boy

Most Beautiful—Gwen Smith
 Best Dressed—Pat Wilson
 Most Athletic—Darlene Cates
 Sweetest—Deane Morgan
 Best Personality—Laynette Hoyle
 Most Friendly—Jimmie Hyatt
 Cutest—Carolyn Bagwell
 Best Figure—Belva Warren
 Best All Around—Carolyn Rothwell
 Most Likely to Succeed—Margaret Odom.

Galilean Speaks At Assembly

Stephen A. Haboush was the speaker at an assembly Friday October 16. Mr. Haboush is a Galilean by birth, a Christian by faith and an American by adoption.

He spoke on various subjects, including the Twenty-Third Psalm, some of the things which the Galilean shepherds do, and also on a few humorous events which happened when he first came to the United States.

Mr. Haboush showed his technical pictures of the Holy Land and gave his explanation along with them last Tuesday night.

FIRE!!

Did someone wonder what was on fire at the football field Friday night? The twirlers of the band, Mary Ann Witt, Peggy Dixon, Melba Chism, and Nelda Bagwell, were putting on a fire twirling exhibition at the halftime of the game between Dimmitt and Kress.

After the game the Bobcat Band served sandwiches and cokes to the Kress band. A large part of the band members will be sporting new band jackets before long, for they have already been ordered.

Reporter, Gwen Smith

F. H. A. News

The F. H. A. met last night, October 19, in the High School Auditorium. President, Mary Nelson, called the meeting to order. We voted on our F. H. A. sweetheart, but we won't know until the banquet, who it is. A well planned Parliamentary Procedure Program was given by Belva Warren, Mary Coke, Wilton Ivey, and Carolyn Campbell. The freshmen will have the program at our next meeting, November 2. Meeting was adjourned.

Striking Seniors

Ever hear of Janice Drake? Well she's an outstanding student in the senior class, better known as Nina.

She attended Clarendon, Plainview, and Amarillo high schools before moving to Dimmitt in September 1952.

Nina is 18 years of age and stands 5' 5 1/2" in height. The subjects she is taking is band, typing II, bookkeeping and chemistry. But she most enjoys band. Some of her favorites are: Food—Fried chicken
 Actor—Tony Curtis
 Actress—Elizabeth Taylor
 Pastime—Listening to the radio
 Pet peeve—People that think they are better than I am.

F. F. A. Celebrates 25th Anniversary

This month the more than 300,000 Future Farmers of the 48 states, Hawaii and Puerto Rico celebrates the silver anniversary of the forming of the national organization, the Future Farmers of America. The climax of the celebration is the twenty-fifth annual convention in Kansas City, Mo., and the issuing of a special F. F. A. commemorative stamp by the Postal Department.

The Future Farmers of America was patterned after the Future Farmers of Virginia. The F. F. A. Creed was adopted at the third national convention held at the American Royal Livestock show in Kansas City.

The Texas association has a total enrollment of more than 27,000.

The charter of the Dimmitt Chapter was granted October 17, 1928, and the chapter has been in continuous operation since. The local chapter has 85 members. The Dimmitt chapter has had three American Farmers, and seventeen Lone Star Farmers. In 1950 Bobby Warren was elected first vice-president of the Texas Association.

The Dimmitt chapter has won several distinctions in F. F. A. judging contests. In the past two years there have been 5 teams qualified for the state contests at Texas A & M. In the 1952 Texas Tech contest three Dimmitt teams took first place to set the record for the number of wins in a single year. The poultry teams have won three consecutive contests at Texas Tech.

Attend State Fair

The 3rd year homemaking girls and Miss Potts attended the state fair over the week end. Enjoyed by them were several of the exhibit buildings and the Ice Cycles. Especially enjoyed was the Agriculture building in which were the F. H. A. exhibits. The girls who went were Jimmy Hyatt, Wilda Smithson, Regene Reynolds, Carolyn Campbell, Carolyn Bagwell, and Miss Potts.

DHS Students Age In October

They're growing old. Old father time is ticking right along for October's little children. Those students who celebrate their birthday this month are Cleo Adams, David Adams, Gerald Aldredge, Martha Burgin, Donald Cook, Ronald Cook, Bruce Faust, Don Johnston, Lorina McAfee, Chad Moore, Dean Morgan, Gale Sadler, Louise Simpson, Keith Taylor, Winston Waggoner, Maxie Warren, Lawrence White, and Melvin Witt.

Bobcats Stampede Kress

National Honor Society Meets

The National Honor Society met Monday night. We set the date on which we will meet and elected officers. The date for our meetings is on the second Wednesday night of every month. The following officers were elected: Eileen Ballard as president, Margaret Odom as vice president, and Ivan Sinclair as secretary. Eight members were present for the meeting. Mr. Morgan, Miss Merritt, Mr. Sollis, and Mrs. Bailes were the teachers attending.

Grade News

8th Grade
 The eighth grade football squad was defeated Thursday, October 15, by Hale Center, 13-6.

There are two new pupils in the eighth grade, they are, Arthur Gonzales and Dennis Schneider from Klondike.

We received our report cards Wednesday. Loud walls were heard around school.

We are having outlining in English. Some are learning that you can't mix sentence outlines with topic outlines.

The Room Mothers met to plan activities for the year.

7-A
 7-A has a new pupil. She is Patsy Pingelton from Panhandle. We are happy to have her.

In art we are finger painting. We have made many different designs.

The 7th grade boys will play football Tuesday night at Hereford.

7-B

In 7-B we are going to get some new books for our library. We are going to make book cards for our new books and for our old books that have no bookcards.

We are going to make book reports on our books in the library. In our room we had six students to make the A and B honor roll. They are: Morris, Joyce, Nancy, Niel, Virginia, and Houston.

Melba Shelton's Ideal Boy

Most Handsome—Clinton Glenn
 Best Dressed—David Honea
 Most Athletic—Melvin Witt
 Nicest—Edgar Dennis
 Best Personality—Chad Moore
 Most Friendly—Burt Huggins
 Cutest—Jimmy Jack Butler
 Best Physique—Joe Nelson
 Best All Around—Alton Whitworth
 Most Likely to Succeed—Jerry Vandiver.

FFA Boys Attend Dallas Fair

Thirty-eight members of the Dimmitt F. F. A. attended the Dallas Fair. The boys left after the football game Friday night. They attended the fair Saturday and several attended the football game at the cotton bowl Saturday afternoon. The boys got back about 10:00 o'clock Sunday morning. Those attending were, Don Sheffy, Wayne Collins, Bud Dye, Van Conrad, Billy Gafford, Jim Butler, Ronny Nelson, Darrell Stine, Richard Hunter, Don Howell, Leon Crum, Monty Boozer, Donald Curry, Howard Smithson, Jr. DiCuffa, J. C. Newton, Arlyne Dunn, Sam Berryman, Claude Blocker, Ronald Henderson, Kenneth Gardner, Winston Waggoner, Carroll Herring, Donald Cheek, Ted Godfrey, Alton Whitworth, Gene Lewis, Jimmy Marming, Ronald Cook, Bryon Ray Tate, Joe Wilcox, Ray Smith, Jimmy Johnson, Milton Moore, Clark Dobbs, Chad Moore, Harold Waggoner, and Barton Clowdus.

Striking Seniors

If you see a black curly-headed boy surrounded by girls in the hall, it's most likely to be Jack Dye. To go with his black curly hair he has dark gray eyes that are always sparkling, like his personality. He stands five feet eight inches in height. He is 17 years of age and has attended Dimmitt schools for six years. He previously attended schools in Antlers, Oklahoma. Jack is very active in school work. He must be because he is taking Journalism, chemistry, plane geometry, English IV, and plays back on the football team. He is on the annual and paper staff and writes boys sports for the paper.

Some of his favorites are:
 Food—Steaks
 Actor—Robert Mitchum
 Actress—Jane Russell
 Pastime—Loafing
 Pet Peeve—School

Bobbies Begin Basketball Training

The Dimmitt Bobbies began their basketball training for the '53-'54 season Monday, October 19. This means no more cokes, fried foods, etc. for the girls for a while. They should also be able to get plenty of sleep for

The D. H. S. Bobcats boosted their games won record to five against one defeat last Friday night when they romped by Kress by a score of 35-0. The rampaging Bobcats had little trouble, as they scored all thirty-five easy points in the first two quarters before the Dimmitt reserves took the field.

Scoring came in the first two minutes when halfback Jack Dye scooted 11 yards for the first six points. Edgar Dennis, who did some very nice ball carrying in the game, kicked the extra point. The Dimmitt lads picked up two more easy points when the defensive line nailed the Kangaroos quarterback in the end zone. Kress kicked from the 20 yard line and Maxie Warren returned the ball back 65 yards for another TD for the Bobcats. The try for extra point failed. Edgar Dennis made it to the goal line for the Bobcats third score when he rambled around left end for about 20 yards. The Bobcats, who were slightly affected by touch-downitis, again scored when sophomore fullback Alton Whitworth went up the middle for the necessary 15 yards. The fighting Bobcats picked up their last tally when halfback Charlie Brown skirted right end for 10 yards and a score.

After winning their first important game, the Bobcats will this week again take on conference foes this week, when they journey to Amherst to play the scrappy Amherst Bulldogs.

Prospects for the team this year look fairly well with the following girls working out. Darlene Cates, Shirley DeLozier, Mary Nelson, Margaret Odom, Dalvia Howard, Faye Howard, Mary Alley, Frankie Lilley, Shirley Tucker, Kaye Killingsworth, Duvie Smithson, Mary Ann Witt, Jimmie Hyatt, Sonya Kay Lowe and Georgia Ann Adams.

Ten of the fourteen girls out this year are back from last year's squad, with three of the girls being regulars.

The Bobbies are anxious awaiting basketball season this year and the seasons schedule will be released at a later date.

RECIPE OF THE WEEK

By Mary Lee Taylor
Cottage Dinner
No. 303 can cut green beans ¼ cup finely cut onion
2 Tablespoons hot shortening
2 Tablespoons flour
¼ teaspoon salt
Few grains pepper
¼ cup Fat
Evaporated Milk
No. 303 can small potatoes, drained
12-oz. can lunch meat
Grease a shallow baking dish holding about 6 cups. Drain beans, save liquid. Cook onion slowly about 5 minutes in shortening in a saucepan. Blend in flour, salt and pepper. Stir in ½ cup liquid off beans. Boil and stir 2 minutes. Stir in milk. Mix in drained beans and potatoes. Put into greased dish. Cut lunch meat into 8 slices and arrange on top. Bake on bottom rack of moderately hot oven (375) about 15 minutes, or until bubbly hot. Serve hot from the baking dish. Makes 4 servings.

Sixth Grade News

Bruce had some bad luck. You may recall that awhile back we reported he had a broken nose. Well, he has done it again. Guess Bruce will just have to stay away from those balls.

Betty Davis has been missing school for the last two days and we wonder when she will be back.

We hear that Ormando is making a very important trip to be back in school this afternoon. J. D. Myrick hurt his hand when he got it caught in a car door.

We are going skating Friday. We are also going to the park. We are making decorations for Halloween and are looking forward to the carnival the last of this month.

DOLLARS

GOING TO WASTE?

Of course, no one makes a point of throwing cash away—but somehow, many dollars do manage to disappear without contributing their share towards better living, if you don't have a savings plan. What's needed is a good, safe place for "storage of dollars"—such as a savings account. Not only are your savings insured to \$10,000 here, but they also earn a liberal return. Why not start your savings account now?

Junior Play

The play books have arrived and the parts have been assigned for the Junior Play. "Accidental Hero" is a three act farce comedy.

The cast is as follows:
 Jerry—Kenneth Warren
 Jim—Truman Swopes
 Joe—Thurman Clay
 Bob—Kinny Hill
 Jean—O'Lysia Bowden
 Kitty—Wanda Jo Felder
 Kathryn—Jerrie Sullivan
 Gertrude—Phyllis Wall
 Peggy—Royce Lynn Pyeatt
 Marilyn—Marlene McLain
 Eugene—Frank Miller
 Harold—Warren Thomas
 Helen—Jane Henderson
 John—Larry Witter
 Miss Smith—Gayla Anderson
 Mr. Change—Robert Lee Lacy
 Mrs. Johnson—Jo Ann Youngblood.

Watch for further information as to when the play will be presented.

Deadline

The deadline for selling annuals will be October 23, 1953. If you have not bought your annual or paid a deposit on it please bring your money within the next few days.

The price is \$3.00 per annual, or \$1.00 deposit and \$2.00 on or before delivery of the yearbook.

Boys Sports

The Hart Longhorns defeated the exes of Hart in a 33 to 31 thriller here last Tuesday night. The score was tied at 31 apiece and Bob Lacy was fouled at the end of the game. Lacy, a forward made both free shots to win the game.

High scorer for the Longhorns was Jerry Phillips with 15 points. Joe Hart and Sam Minshew shared 9 apiece for the outsiders.

F. F. A. News

The Hart F. F. A. Chapter held its regular meeting Thursday night, October 8. After the opening ceremony the business at hand was the raising of Greenhands to the degree of Chapter Farmers and the raising of freshmen to the degree of Greenhands. After the formal ceremonies the boys added a few extra activities to the inlation.

Three of the Vocational Agricultural classes have made trips to the Plainview Fair. Some of the boys had animals entered. The most successful entries was a fat lamb, owned by Eddie Savage. The lamb placed first in the fat lamb classes of all mutton breeds and was Grand Champion fat lamb over all breeds.

Gayland Anderson received a superior rating on a Brown Swiss Heifer. At the time this copy was written no further results had been received from the show. Four boys from the Hart F. F. A. Chapter are going to make a trip to Kansas City to attend the National F. F. A. Convention. This is a trip of a lifetime for F. F. A. boys. The boys left Sunday, October 11, 1953 and were gone one week. The boys making the trip were: Jack Minshew, Truman Swopes, Robert Lacy and Thurman Clay.

The boys who are not making the trip are anxiously awaiting their return so that they might hear about the happenings at the National Convention.

Fourth Grade News

The fourth grade has thirty four students enrolled. The two new students are Maria Miranda and Delores Gomez from San Antonio, Texas.

Lynn Dale Cox and Eddie Black were the good citizens of the month.

Miss Beulah Duenning of Plainview visited our room last Friday afternoon. She told about Florida after spending the winter there last year. She told how much larger the citrus fruits grow there than here. This was interesting to the children since they had just studied about that in health.

Dortha Kay Campbell, Reporter

Fifth Grade News

The fifth grade has been doing spatter work in art. They brought flowers, pressed them and spattered them. They also spatter painted designs for Halloween. The puppets they have been making for the Halloween Carnival are almost completed. The boys have made the puppets and the girls are making their dresses.

October Birthdays

We wish to take this opportunity to wish Larry Witen a Very Happy Birthday.

Junior Class Favorites

O'Lysia Bowden and Kenneth Warren. The runnerups were Wanda Felder and Phyllis Wall and Kinny Hill and Frank Miller.

Senior of The Week

On March 21, 1934, there was born to Mr. and Mrs. O. H. Howell, a baby girl, they named her Dorothy. She lived in Philadelphia, Mississippi until she was seventeen years old. Dorothy is 5 feet tall, has

First Grade News

Roger Davis was out of school Friday because of illness. Danny Godfrey went home from school because he was ill.

Some of Dorothy's favorites are:
 Favorite food—Porkchops
 Favorite color—Green
 Dorothy is a senior in Hart High School and when she finishes school she plans to go back to Mississippi and attend school.

Girls Sports

The Hart Girls were defeated 10 points by the Quail Girls in a scrimmage Tuesday night, October 6.

The Quail girls arrived in Hart about six o'clock P. M. The Hart girls met the girls at the schoolhouse and took them to their homes until time for the game. After the game the Basketball Mothers treated the girls to supper at the Green Frog Cafe. There was a "Get Acquainted Party" in

the home of Geneva McLain. The girls from Quail spent the night in the various homes of the Hart Basketball girls.

On Wednesday morning there was another scrimmage during the fourth period. The score was about the same as the night before.

Claude Forson made a business trip to Arkansas this week.

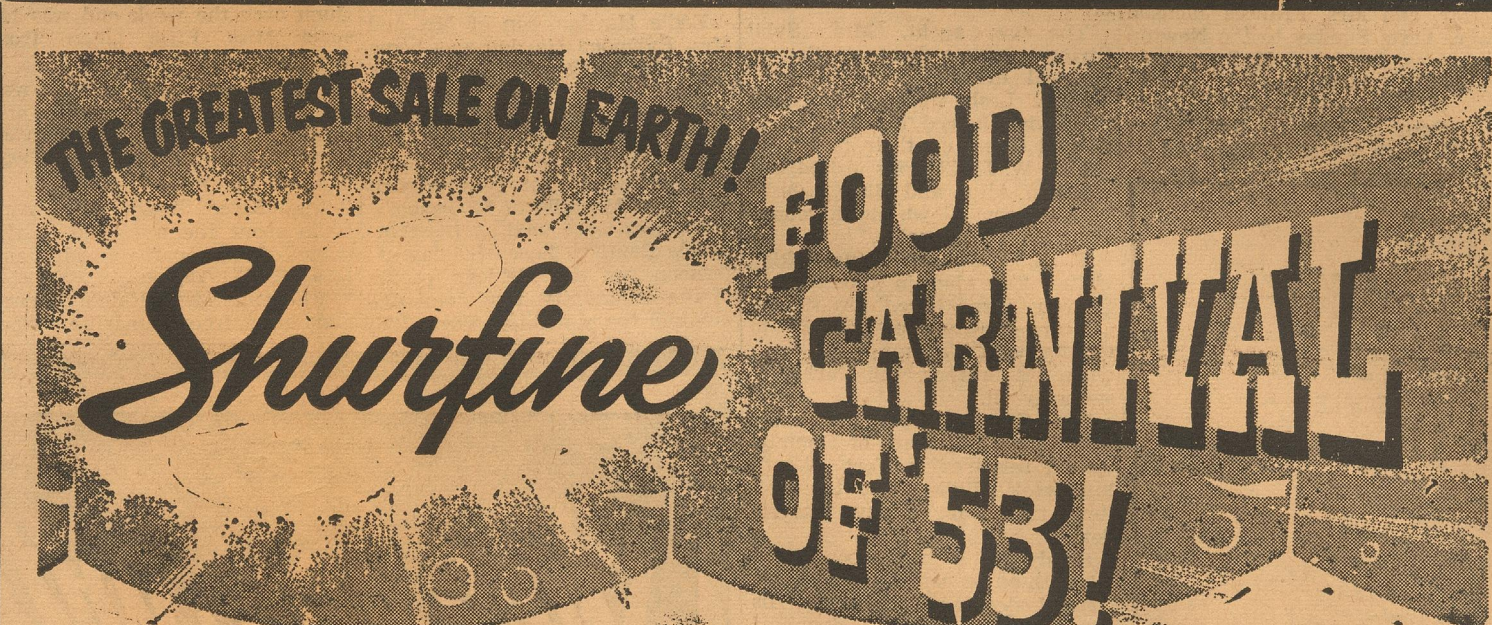

Mr. and Mrs. Raymond Wilson returned from a business trip to Dallas over the week-end.

Defeat 1st Conference Foe Easily

Cats Bounce Back With 35-0 Win Over Inexperienced Kress Team

The revenge-minded Dimmitt Bobcats went on a rampage Friday night and completely annihilated a hopelessly outclassed Kress eleven by the score of 35-0. The Cats dominated play throughout the game in gaining their first conference victory of the season in District 2-A. They now have five victories against one defeat for the season.

Fired up over their loss to once-beaten Olton the previous weekend the Cats ran up a 35 point margin in the first half and coasted to victory in last two quarters as Coach Leo Fields substituted freely in an effort to work out a clicking reserve formation. Quarterback Maxey Warren scored two of the Cat TD's and Charles Brown, Jack Jones and Edgar

Dennis made the others. The Cats lost the toss and Back Bobby Brock kicked off to the Kangaroos. Gnat, Taylor and Donaldson took turns trying to move the pigskin for Kress but failed and kicked on fourth down to the Dimmitt 38. Dennis made a good return and the Cats started to roll. Quarterback Warren moved the ball to the Kangaroo six yard stripe and on the next play skirted left end for the tally. Dennis' kick for extra point was good and the Cats led 7-0 after the first ten minutes of play. Sunday afternoon visitors of Mr. and Mrs. R. M. Warren were A. 2-c Bobby and Marlene Warren and Gary Keith of Rosewell, and Mr. and Mrs. Charles Howell and children of Friona. Nancy Neumayer spent Friday night and Saturday with Sue Bagwell. Mrs. Harry Rothwell was a Thursday business visitor in Here-

BETHEL NEWS

Mrs. Leona Rothwell was a Sunday dinner guest of Mr. and Mrs. Earl Lust. Carolyn Bagwell was among the girls of the senior homemaking class who attended the fair in Dallas over the weekend. A 2-c Bobby and Marlene Warren and son, Gary Keith, of Rosewell spent the week end with their parents, Mr. and Mrs. Harry Rothwell. Sunday afternoon visitors of Mr. and Mrs. R. M. Warren were A. 2-c Bobby and Marlene Warren and Gary Keith of Rosewell, and Mr. and Mrs. Charles Howell and children of Friona. Nancy Neumayer spent Friday night and Saturday with Sue Bagwell. Mrs. Harry Rothwell was a Thursday business visitor in Here-

ford. Mr. and Mrs. Vernon Williams and girls were in Hereford Thursday. Mrs. George Bagwell, Sue and Nancy Neumayer, Mrs. Ivor Bagwell and Nelda and Mrs. Kay Roberts were business visitors in Clovis Saturday. Mrs. Charlene Wolfington and children and her mother, Mrs. Bill Williams, attended the funeral of Mrs. Williams brother at Ard-

more, Okla. Friday afternoon. Mrs. Earl Lust was a Monday morning caller of Mrs. George Bagwell. Sue Bagwell spent Sunday with Nancy Neumayer in Dimmitt. Mr. and Mrs. J. C. Williams and girls attended a family reunion of the Williams family in Plainview Sunday. The Bethel Community is having a get-together immediately after church Sunday. Everyone

welcome. Bring sandwiches and desert. **Mary Martha Class Installs Officers** The Mary Martha Class of the First Baptist Church met Friday in the home of Mrs. George Bradford to install officers for the next year. Installed as president was Mrs.

J. F. Broadstreet. Mrs. George Bradford is the new vice-president and Mrs. Faye Kenmore, Secretary. Mrs. G. B. Duncan will serve as associate secretary. New group leaders are: Group I, Mrs. Elmer Dixon; Group II, Mrs. Willie Waggoner; Group III, Mrs. Frank Mears; Group IV, Mrs. Piron Winter; and Group V, Mrs. Claude Johnson. Mrs. W. E. Kirkpatrick is the class teacher.

Farmers, Don't Let the Ginner Burn Up Your Dollars

Cotton Burrs, when composted with bacteria, are one of your most valuable sources of fertilizer. When your cotton Burrs are burned, it costs you money. Your Ginner can Compost your Cotton Burrs with Bacteria and have them put back on your land at the end of the ginning season without any effort on your part. A minimum service cost is all you pay. Your ginner can get full information on composting your cotton burrs with Bacteria from the

or Hart Gin and Sheppard Gin at Hart

ing his first game since last season, when he was injured, picked up a few yards to the midfield stripe and Warren carried to the Kangaroo 29. Warrar and Dennis alternating the ball, penetrated to the Kress four and Jones went to the two. A 15 yard penalty put the Cats back on the 18, however. On the next play from scrimmage Dennis on a pitchout went to the Kress one where the Kangaroos took over on downs. Kress attempted to move the ball out of danger but their quarterback was thrown for a loss behind the goal line and the Cats registered their first safety of the season. The scoreboard read 9-0.

In the last two minutes of the first period Donaldson kicked to Dimmitt and Warren, on the best run of the evening, received the pigskin on his own forty and scampered around left end for 60 yards and a touchdown. The try for extra point failed and the Cats led 15-0 going into the second period.

The Bobcats picked up three more scores in the second quarter when Dennis broke through center for 30 yards and a score and Jones rambled 26 yards for a TD after the Cats intercepted a Kress pass. The last touchdown came when the Kangaroos fumbled or their own six. Gale Sadler took the ball to the Kress four but a penalty put the ball back on the Kangaroo nine. Charles Brown, on the next play from scrimmage, ran around right end for the final score. Sadler ran both extra points after Jones and Brown scored to make the half-time and final score, 35-0.

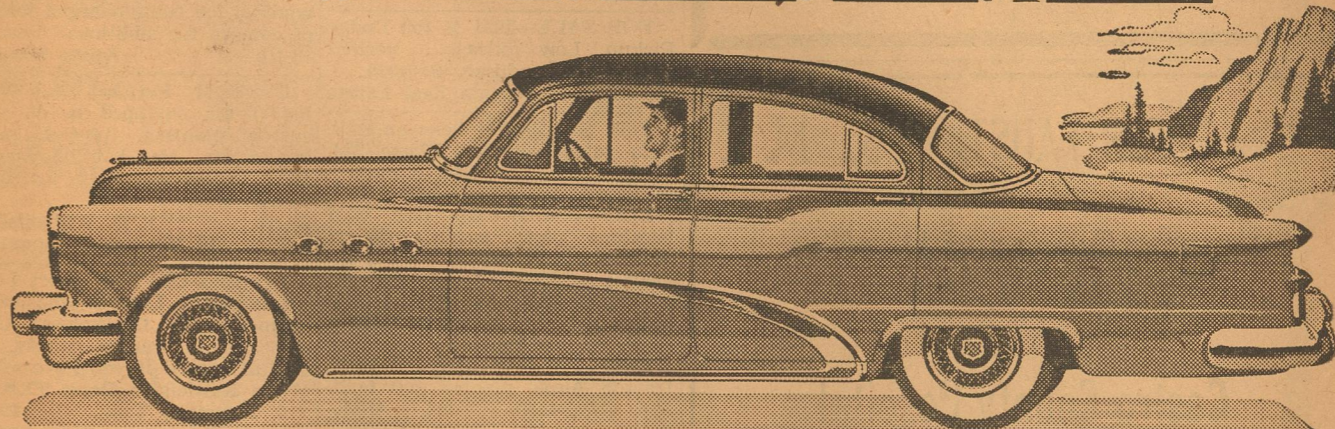

Fields substituted his players freely in the last half and the Kangaroos played most of the third period deep in Cat territory, penetrating to the Cat eight yard line on one occasion. With first stringers working in the last quarter the Cats went over twice with Dennis carrying the mail both times, but each score was called back due to Cat penalties. The completely outplayed and out-manned Kress team put up a strong fight in the second half and held the Bobcats on even terms for most of the final two periods.

The Dimmitt forward wall regained its usual good form in the Kress game and frequently dropped Kangaroo backs for big losses. As a whole the squad exercised more spirit and teamwork in taking their fifth win of the season.

The Cats journey to Amherst Friday night for their next conference game. Amherst, like Kress, is winless this season and shouldn't give the Dimmitt club much trouble. The Lamb county team suffered its sixth straight loss of the season last Friday when Sudar thrashed them 40-7.

Something really Special

-in power, room, ride, price

WE picture here a car that keeps our order book pages turning quicker than quick.

It is the 1953 Buick SPECIAL 4-Door Sedan—the bargain value that doesn't stay long on our showroom floor.

For this is the best-selling Buick in the land—snapped up by eager buyers who know something really special when they see it.

For your information, we present some SPECIAL facts.

It has a Fireball 8 Engine with the highest power and compression ratio ever placed in a Buick SPECIAL—plus, if you wish, the instant getaway response and utter smoothness of Twin-Turbine Dynaflo.*

It has easy-sitting-room for six adults—as much room as you'll find in cars costing hundreds of dollars more.

It has a ride unique among automobiles. The Buick Million Dollar Ride. The soft and steady and ever-level ride that comes of coil springs on all four wheels—a full-length torque-tube drive—a massive X-braced frame—a solid and substantial

roadweight poised with meticulous balance on broadly spaced wheels.

But what makes the Buick SPECIAL so extra special is the low delivered price it carries.

It is a price just an easy step above the so-called "low-price three"—and a price that gives you more room and power and ride-comfort for your money than you get in any other car, except another Buick.

Wouldn't you like to see, sit in and drive one of these great-powered Buicks—look into its beauty, its luxury, its handling ease—and judge for yourself how small a price tag it wears?

Phone us this week, or drop in. We'll be happy to arrange a demonstration.

142 MILES AVENUE—HEREFORD, TEXAS

"I LIKE Everything ABOUT MY ELECTRIC RANGE"

says **MRS. C. A. GORDON**
OF 1923 HARRISON, AMARILLO, TEXAS

"It's so nice to be able to put a meal in the oven, go out and then return to find it all cooked and ready to eat," Mrs. Gordon says. "Another thing that always amuses my guests—I use the warmer drawer of my electric range to hold the plates and the home freezer top to hold the food. This gives me a regular serving center for buffet meals. At first some of my friends just couldn't believe that a kitchen could be clean enough to serve buffet luncheons. But when I explained about my clean-cooking electric range, they saw the point."

"There's just nothing to it, it's so easy, this modern electric cooking. And it's easy because it's so clean. Just look at this pan, there's no blackening of the bottom." Mrs. Gordon loves to tell folks about the cleanliness of electric cooking.

For roasting or broiling or cake baking, you can't beat an electric range. Like Mrs. Gordon says, "Everything I bake, roast or broil always turns out so good." For roasts, cakes or broiled steaks would turn out the same way if you were cooking electrically.

Mrs. Gordon uses her well cooker often. One thing she emphasizes, "My vegetables never have that wilted look when I cook them in the well cooker." Because so little water (just half a cup) is needed when cooking vegetables the electric way, you're sure of holding vitamins, too.

Cake baking is one of Mrs. Gordon's pastimes. She likes to bake cakes. Since cakes should have icings, Mrs. Gordon particularly likes the fact that her electric range requires no double boiler for 7-minute icings. The constant, controlled even heat makes the difference.

There's no question about an electric range being modern. It has everything as Mrs. Gordon suggests. Plenty of storage space, too. Notice the large pans which Mrs. Gordon stores in the top drawer. And, there's more storage in the bottom drawers, as well.

Nazareth News

Rev. Richard Vaughn, speaking at the district meeting of the Fourth Degree Knights of Columbus, in Nazareth, Oct. 18, explained clearly the scope of the work carried on by the Confraternity of Christian Doctrine. Father Vaughn emphasized particularly the CCD Congress to be held in Amarillo, pointing out the need for attendance at the congress by all Catholics in the diocese, in order to insure its success.

presided at the business meeting, the major purpose of which was to plan an exemplification of the Fourth Degree in late February. All Sir Knights who have full regalia were requested to be in the honor guard at the Pontifical High Mass which will open the CCD Congress. It is to be celebrated in the Amarillo Municipal Auditorium Nov. 3.

Faithful Navigator Victor Kern of the Father Reisdorf General Assembly, toastmaster at the banquet, introduced Very Rev. Peter Morsch, chaplain of the Nazareth group, who welcomed the guests to Holy Family parish.

Sir Knight Dietz spoke to the assembled Knights and their guests concerning the recent National Catholic Rural Life Conference in Kansas City. He stated particularly the need for more lay participation in the rural life movement.

Honor guests presented at the banquet were Rev. Bartholomew Patas, SA, of Hereford, and the Faithful Navigators of the Father Dunne, Father Paul, Bishop Francis X. Ford, and Bishop Lawrence J. Fitzsimon General Assemblies.

A conference for members of the Confraternity of Christian Mothers was conducted Oct. 13 in Holy Family parish by Rev. Bertin Roll, O. M. Cap., of Pittsburgh, Pa. Father Roll is the national director of the confraternity with headquarters at the Pittsburgh office of the Archconfraternity, with which all groups in the United States are affiliated.

While in the Holy Family Parish, Father Roll commended the children on their attendance at Mass by the use of the Missa Recitata, and he extended his blessings to them.

A panel discussion on civil defense constituted the program at the October meeting of the P. T. A. Members of the panel, Mr. and Mrs. Andrew Acker and Mr. and Mrs. Jim Schwaller, discussed atomic and hydrogen warfare and the organization for civil defense, as well as related topics, such as subversive activities. The panel was introduced by the program chairman, Mrs. Henry Wilhelm.

The Catholic Daughters of America met Oct. 7, Feast of the Holy Rosary, for a birthday party of the local court. Hostesses at the party were Mrs. Loretta Guggemos, Mrs. Leo Dornbeier, and Mrs. Andrew Acker.

Grand Regent Mrs. Leo Ehly announced that the court could again sponsor a religious poetry contest for the children of Nazareth school.

Mrs. William Hochstein, Mrs. Ed Brockman, Mrs. Joe Bichsel, Mrs. Ben Birkenfeld, and Mrs. J. E. Hyland attended the recent meeting of the Diocesan Council of Catholic Women in San Angelo, where Mrs. Hyland was honored as the Catholic Mother of the year.

At the October meeting of the Christian Mothers' Society, Mrs. George Book, Mrs. Ray Annen, and Mrs. Nick Ehly reported the national convention of the Central Verein and the Catholic State League in San Antonio last July.

Barbara Josephine, daughter of Mr. and Mrs. Carl Dean Klemm, born Sept. 27 in Swisher County Hospital, was baptized Oct. 3 in Holy Family Church by Father Peter Morsch. Art Klemm and Mrs. Josephine Ball were sponsors.

Mr. and Mrs. W. J. Hoelting of Radondo Beach, Cal., were recent visitors in Nazareth.

Brockman Elected To Head 4-H Club

Cyril Brockman is the new president of Nazareth's Senior 4-H Club and will head that organization during the 1953-54 fiscal year. He and Ted Conrad, new vice-president, were elected to their respective posts during a club meeting Friday at the Nazareth School.

Other officers named are: Jack Acker, secretary; Dick Hoelting, treasurer; Jack council delegate; Mr. Jacob Acker and Mr. Frank Hoelting, adult leaders; Mr. Vincent Ehly, recreational leader; and Tom Acker, reporter.

Castro County Agent Charles Hudson was present for the meeting to get acquainted with club members.

stein, Sr., went to San Antonio for the funeral of their son-in-law, L. F. Aberant, Oct. 12. Mr. and Mrs. Eugene Hochstein and Mr. and Mrs. William Hochstein, Jr., also attended the funeral.

Tony Gerber and Andrew Acker attended the state court meeting of the Catholic Order of Foresters in Medford, Okla., Oct. 10-11.

LEGAL NOTICE

THE STATE OF TEXAS

TO: Perry G. Cox, and if he be deceased, to the unknown heirs and legal representatives of Perry G. Cox, and if she be deceased, to the unknown heirs and legal representatives of Mrs. Perry G. Cox. Defendants, Greetings:

You are hereby commanded to appear before the Honorable District Court of Castro County at the Court House thereof, in Dimmitt, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of December, A. D. 1953, there and there to answer Plaintiff's Petition filed in said Court, on the 20th day of October, A. D. 1953, in this cause numbered 2152 on the docket of said court and styled Howard Sooggin Plaintiff, vs. Perry G. Cox, et al, Defendants.

The party plaintiff in this cause is Howard Sooggin, and the parties defendant are the parties to whom this writ is directed.

A brief statement of the nature of this suit is as follows, to-wit: Trespass to Try Title for the title and possession of Lot 3, Block 85, of the Original Town of Dimmitt, Castro County, Texas. Plaintiff is also suing for title and possession of the above described premises by virtue of the ten and twenty-five year Statutes of Limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Dimmitt, Texas, this 20th day of October, A. D. 1953.

Attest: Neva Hastings, Clerk, District Court, Castro County, Texas

LEGAL NOTICE

NOTICE TO ALL THE OWNERS OR CLAIMANTS OR PERSONS INTERESTED IN ANY PROPERTY UPON THE HEREINAFTER MENTIONED PORTIONS OF THE STREET IMPROVEMENT PROGRAM COVERING LEE STREET IN THE MYRTLE WRIGHT SUBDIVISION OF THE CLIFTON HEIGHTS ADDITION TO DIMMITT, CASTRO COUNTY, TEXAS, FROM THE EAST LINE OF WEST TENTH STREET TO THE WEST LINE OF FRONT STREET, AND VARIOUS AND SUNDRY OTHER STREETS, AVENUES AND ALLEYS IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS, SET OUT AS UNIT 2 HEREINAFTER PROVIDED, ALL IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS:

The governing body, the City Commission of the City of Dimmitt, Castro County, Texas, has ordered the adoption of amended estimates, costs and expenses for the paving of a portion of Lee Street in the Myrtle Wright Subdivision of the Clifton Heights Addition to Dimmitt, Castro County, Texas, and various and sundry other streets, avenues and alleys in the city of Dimmitt, Castro County, Texas, be improved, and contract has been made and entered into with L. A. Purcell and Bryan & Hoffman for the making and construction of such improvements, to-wit: raising, grading and filling, and installing curbs and gutters where not already constructed on proper grade and line, and paving with three coat topping on six inch compacted caliche base, the streets, avenues and alleys hereinafter mentioned.

Amended estimates of the cost of such improvements for each portion or unit of the streets, avenues and alleys to be improved have been prepared and approved by the City Commission, and the same is on file with the City Clerk at the City Hall of Dimmitt, Texas.

The portion of said streets, avenues and alleys to be improved are as follows:

UNIT 2:
Lee Street in the Myrtle Wright Subdivision of Clifton Heights Addition to Dimmitt, Castro County, Texas, from the east line of West Tenth Street east to the west line of Front Street;
West Seventh Street from the center line of Lee Street in Myrtle Wright Subdivision aforesaid to the south line of existing pavement on Belcher Street in Clifton Heights Addition, except existing pavement in front of Lots 1 and 2 in Block 8 of said Clifton Heights Addition; and
Stinson Street from the center line of West Seventh Street to the west line of Front Street.

The amended order provides for pavement of 41 feet in width on that portion of Lee Street set out in Unit 2 above instead of 33 feet, the customary width of all other portions of Unit 2 as set out above, and this notice is directed to all owners or claimants or persons interested in any property abutting upon the whole of Unit 2 because of the necessity to apportion and assess the cost in said Unit among the various owners of property abutting on the streets, avenues and alleys of said Unit, to include both those on and off that portion of Lee Street in the Myrtle Wright Subdivision of Clifton Heights Addition herein contained.

The estimated cost of the improvements, the amount per front foot proposed to be assessed, the name of the abutting property owners, and the cost to the City for such improvements are as follows:

It is proposed to levy the assessment as heretofore provided for in notice and heretofore assessed by prior ordinance on all of Unit 2 as heretofore done, except that the cost of improvements on that portion of Lee Street located in Unit 2 as hereinabove set out shall be as follows:

LEE STREET IN MYRTLE WRIGHT SUBDIVISION OF CLIFTON HEIGHTS ADDITION TO DIMMITT, TEXAS, A PART OF UNIT NO. 2

HART NEWS

Wesley Sharp, son of Mr. and Mrs. Howard Sharp who is with the U. S. Army spent the weekend with his parents.

**"Bigger pies,
not smaller slices"**

We ran across a new word the other day... "demographer." That's a research man who studies statistics on births, deaths, populations.

Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties.

Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry.

And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product.

The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists.
