RETIRING MAYOR, WIFE ARE HONORED
Mr. and Mrs. Dabney with plaque and tray

Former Mayor Is Honored As Man Of Vision, Faith

Former Mayor G. W. Dabney was hailed last night as a man of vision and member of a select circle of people who constantly strive to do things for their fellow citizens.

More than 250 friends and associates of Mayor and Mrs. Dabney gathered at the Dora Roberts SUB for an appreciation dinner in honor of the couple.

Speakers representing Dabney's employer, his church and the city government joined in paying tribute. Climax of the program was the presentation of a plaque inscribed with a City Commission resolution designating Dabney as honorary mayor of Big Spring.

Mayor Lee Rogers, Dabney's successor, presented the plaque after Ward Hall, former City Commission member, presented a large silver tray to Mrs. Dabney.

All of the speakers called attention to growth and development of the city during Dabney's 14 years as city commissioner, including 13 years as the mayor.

L. C. Porter, vice president of the T&P Railway Co. for which Dabney works, also called attention to Dabney's 53 years of service to the T&P.

"He has given most of his life to the railroad and Big Spring," said Porter. "He also has made a great contribution to our nation. He belongs to a select circle made up of people who strive to do things for their fellow men and to develop their communities."

Steve Matthews, executive director of the Texas Municipal League, enumerated eight points by which a city may be judged.

Friends of the Dabneys were present from a wide area. In the group were Chester Hays, James W. Thompson, W. G. Harris, W. B. Battle and Lawrence Henderson, all of the T&P at Dallas; Mr. and Mrs. Guy Crawford of Fort Worth; Col. Peter Agnell of Big Spring and Washington; J. Mark McLaughlin of Snyder; J. B. Thomas of Fort Worth, president of Texas Electric Service Co.; Beeman Fisher, TESCO vice president; C. A. Daniel of Pecos, Frank Kelley of Colorado City; S. W. Freese of Fort Worth; and Robert H. Wood of Dallas.

Entertainment was furnished by the Howard County Junior College Choir.

Nehru Invites Reds To Visit Dalai Lama

MUSSOORIE, India (AP)—Prime Minister Nehru today invited Chinese Communist representatives and their puppet ruler of Tibet, the Panchen Lama, to visit the Dalai Lama at his refuge here in north India.

Nehru said he hoped the Dalai Lama, Tibet's 23-year-old spiritual and temporal ruler, would return to Lhasa, the Tibetan capital. It was an obvious bid to reconcile the Red Chinese government and the Tibetan god-king, who fled from Communist domination of his homeland.

"The Indian Prime Minister made his peace overture in an impromptu news conference two hours before meeting with the Dalai Lama. Nehru arrived from New Delhi earlier today."

"I will welcome the Panchen Lama to come and meet the Dalai Lama and whom ever he likes," said Nehru.

The Prime Minister said "the door is open" for the Chinese ambassador to India or any high representative of the Peiping executive, who has set up headquarters in exile in a large mansion in this Himalayan hill station.

As to Red Chinese charges that the Dalai Lama had been kidnapped and brought here under duress, Nehru said he was not sure. "There is security, and we are making certain arrangements for the protection of the Dalai Lama, but that's a different matter from being under duress," he said.

West Texans Named In 'Hot Oil' Indictment

QUIT 'TIL MONDAY

House Tentatively Approves Deficit Financing Measure

AUSTIN (AP)—The House tentatively approved a 17 1/2 million-dollar deficit financing measure today but refused to go all the way for final approval.

This left a proposed one-year hike in state franchise taxes (HB238) hanging along with the tentatively approved general tax bill (HB772).

The tax measure, a 77-million-dollar skeleton of its original 290-million-dollar size, was acted on yesterday after four days of debate. It probably won't get final action until Monday.

The House briefly debated a bill (HB60) setting maximum hours for firemen and policemen but adjourned until 10:30 a. m. Monday without taking any action.

The House today tentatively approved the proposed one-year increase in franchise taxes—\$2.25 to \$3 per \$1,000 worth of business annually—by voice vote. However, an effort to get immediate final action failed, 95-43, for lack of a necessary two-thirds vote.

Failure of the House to pass a tax bill that even approached the spending it has authorized continued the main topic of discussion today.

"It is a short and faltering step," speaker Waggoner Carr admitted in begging for passage.

"I've never voted for a tax bill before but I'll vote for this one," said Rep. Joe Burkett, Kerrville.

The measure was adopted as a committee recommendation 74-72. Then it was advanced to temporary approval, 73-72.

The Senate is out until 10:30 a. m. Monday.

The House began debate Monday on the bill that the Revenue and Taxation Committee recommended as a 290 million dollar money raiser. Today—60 amendments later—it had a face value of \$76,853,490.

"You voted an appropriations bill out of here that called for 229 million dollars in new money," Burkett told the House. "Now how are you going to pay for it?"

Burkett offered to call back the spending bill and trim it to current estimates—if the tax bill failed to pass. Estimates of new money needed for 1960-61 range up to 200 million dollars.

"It's not a question of who shall be taxed or who shall not be taxed," Carr said. "It's a question of who shall or who shall not go hungry if we don't provide the money for our hospitals and institutions."

SADLER REMARK
"It's a 95.5 sales tax," charged Rep. Jerry Sadler, Palestine.

"This is the smallest tax bill you will get a chance to vote for this session, I'll guarantee you that," said Rep. Max Smith, San Marcos.

Debate before the voting produced many changes in the bill. Other taxation plans fell by decisive votes.

Sadler's plan to raise 206 million dollars a year by one per cent gross receipts tax on everything made in or imported to Texas lost 84-40.

Rep. Ben Atwell's plan for a one per cent sales tax, was defeated 123-23. The Dallas legislators said it would raise 120 million dollars a year.

Rep. Dean Johnston's plan for a corporate net income tax—"now don't call it an income tax"—was defeated 100-37. It would produce about 60 million dollars a year by taxing net incomes of over \$50,000.

The bill would: Raise six million dollars by raising the natural gas tax from 7 to 8 per cent; raise \$7,200,000 by an increase of 1.1 to 1.5 per cent in the auto sales tax, raise \$9,200,000 a year by a one-cent-a-pack increase in the cigarette tax, and raise up to 6 1/2 million a year by a 10 per cent levy on trading stamps.

DEADLINE NEARS
A tax bill must be passed by the May 12 deadline to avoid a special session. For all practical purposes a tax bill must be passed before June 1 to meet the Sept. 1 opening of the new fiscal year.

Rep. Pete Matthew, Yoakum, said the bill still earmarked 29 million dollars a year for school improvements—mainly to provide school teachers a \$396 pay boost.

Two sales taxes were left in the bill, but work by various groups eliminated 20 of the 36 new income provisions. With the surgery, 217 million dollars of the original 290 million was cut.

The sales taxes: Auto sales tax increased from 1.1 to 1.5 per cent, expected to raise \$7,200,000 in one year and a

penny boost in the present 5-cent cigarette tax, \$9,200,000. New excise taxes: 2.2 per cent on high fidelity and stereophonic sound reproduction instruments, presently levied on radios and televisions and cosmetics, \$2,500,000; 10 cents per gallon increase on hard liquor, \$1,500,000 annually, doubling the 11 cent on wine to yield \$1,100,000 a year; raise \$821,000 a year by a tax on storage of foreign oil; \$1,100,000 annually by tripling retail beer licenses from \$25 to \$75.

SOME CUTS
The bill also decreases revenue: \$800,000 a year by slashing the sulphur tax from \$1.40 to \$1.04 a long ton; another \$100,000 annual decrease repealing taxes on theaters; and revising franchise tax requirements removes \$3,500,000 a year from present income.

The House voted down, 90-47, a fluctuating new tax on oil. Rep. Robert Eckhardt, Houston, said it would hit the top 17 major oil companies, bring \$18,600,000 and lower the tax on \$6,500 Texas-owned oil producing companies.

Rep. Bill Jones, Dallas, lost 103-27 in seeking to remove the 29 million dollar allocation for school teacher pay boosts.

Rep. Jerry Butler, Kennedy, had more fun than anyone offering a \$2,000 a year occupation tax on "bootleggers." Later he withdrew it.

Johnston's and Eckhardt's natural resources proposals drew much debate.

"The consumer now pays more than 50 per cent of the taxes collected by the state," Johnston said on behalf of his corporation net profits tax. "I don't know why he should have to bear more. The corporation profits go out of state. This is one tax they can't pass down."

After the House defeated Johnston's proposal, Eckhardt explained his oil tax. Both proposals originally were bills still stuck in the Revenue and Taxation Committee.

"It will aid 6,500 small companies and equalize the tax load," Eckhardt said. "Over 99 per cent of the oil producers who now pay taxes would get reduced rates. Taxes for 83 companies would remain unchanged. The major companies would be hit—Humble, Gulf, Standard of Indiana, Texas, Mobilgas, and the smallest in the group is Seaboard."

"We're picking on one group again—the oil industry," Blanchard said.

"This isn't a tax on income," Eckhardt said. "This is a tax on monopoly."

Rep. Ben Jarvis of Tyler argued major companies must spend more money to produce oil than independents. Rep. Pete LaValle of Galveston said it discriminated against the majors.

The House killed the proposal.

paying 52 per cent of the taxes collected by the state . . . I'll take a sales tax 10 to 1 over an income tax, a thousand times over an income tax."

invitations to bidders have been issued on two other projects at Webb and invitation to bid on a third job was being mailed today, the Corps of Engineers said.

Bids will be opened May 20 on a 7,350-square-foot addition to the enlisted men's service club. Offers will be tabulated May 21 on construction of three reinforced concrete ammunition storage igloos, a masonry check-out and assembly building, security guard house, emergency electric power plant, drives, walks, parking areas and boundary fence.

The third project, on which bids are to be opened May 26, involves extension of electrical facilities to provide a jet starter system and other services for the 331st Fighter-Interceptor Squadron.

Abilene, Snyder Men Are Listed

FORT WORTH (AP)—Claude J. Thompson of Abilene, president of a bankrupt drilling company, is one of five individuals named with Standard Oil Co. of Texas and a pipe line affiliate in an indictment alleging Connally Hot Oil Act violations, it was disclosed today.

Thompson posted \$500 bond on the charge in Abilene.

Other firms named are Pasotex Pipe Line Co., a Standard subsidiary, and Thompson-Powell Drilling Co., Thompson-Powell Derrick Drilling Co. and Claude J. Thompson, Inc.

U.S. Atty. W. B. West III said the latter three companies had changed names from time to time as ownership varied.

Claude J. Thompson, Inc., was adjudged bankrupt after Dunigan Tool & Supply Co. filed an involuntary petition against it March 29 in Abilene.

Three more individuals face arrest in the case and their names cannot be revealed until then, West said.

Leslie P. Morgan of Snyder, a field gauger for Pasotex, has posted \$500 bond at Lubbock.

The 18-count indictment will be filed in Lubbock when all persons have been served, West said.

In Houston, K. H. Shaeffer, president of Standard and Pasotex, denied all charges in the indictment. He said two former employees "in 1956 participated in irregularities with third parties for their own personal gain."

The two employees, Shaeffer said, were fired as soon as the irregularities became known. He said Standard promptly reported the matter to the Railroad Commission and cooperated fully in an investigation by the Federal Petroleum Board.

The indictments charging movement of the oil in violation of the Connally Act were returned April 16 by a federal grand jury in Dallas, West said. An 18th count alleges conspiracy to violate the Connally Act.

West said the charges stem from operations in Scurry County. He declined to name the third company because it hadn't been served with papers.

Standard Oil of Texas is a subsidiary of Standard Oil of California.

The law makes it a federal violation to move in interstate commerce any oil produced in excess of fixed state allowables.

J. W. Wasson Dies At Age 84

James Wiley Wasson, 84, member of a pioneer ranching family, died at his home on the Sterling City Route here Friday morning.

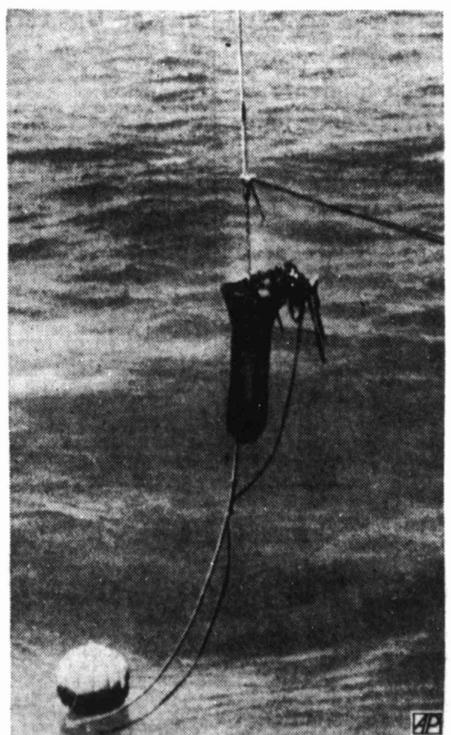

Mr. Wasson first came to this area around the turn of the century and had lived here continuously since 1937.

Services are pending at the Nalley-Pickie Funeral Chapel.

Born in Hill County on Aug. 25, 1874, Mr. Wasson came with his family to West Texas when a young man. He lived in Big Spring for about nine years, going to Montana. In 1937 he returned here and has made his home southwest of the city.

He is a long-time member of the Baptist church. His parents were an early-day ranching and missionary couple, having entered upon a colonization venture in Brazil.

Surviving are three daughters, Mrs. Mary Barnes, Big Spring, Mrs. Alma Snell, Hynesville, Wyo., and Jewel Wasson, Reno, Nev.; two sons, Doyle Wasson, Reno, Nev., and Jack Wasson, Sheridan, Wyo.; two brothers, A. L. Wasson and Ira E. Wasson, Big Spring; 10 grandchildren and seven great-grandchildren.

Rescue On The High Seas

The nose cone of a Thor-Able missile, first to be recovered after a 5,000-mile trip into space and re-entry into the earth's atmosphere, is lifted from the South Atlantic waters near Ascension Island follow the recent firing from Cape Canaveral missile range. The inflated bag on the surface, still attached to the nose cone by ropes, kept the missile nose from sinking until the Air Force ocean range vessel Constal Crusader located the prize.

Earth Tremors

NEW YORK (AP)—Two earth tremors strong enough to cause damage in inhabited areas were recorded on Fordham University seismographs early today. They centered 2,300 miles from New York in a direction not immediately determined. They were at 4:39 and 4:44 a. m. EST.

Coahoma To Vote On School Bonds

COAHOMA (SC)—Voters of the Coahoma Independent School District go to the polls Saturday to express their approval or disapproval of an ambitious school improvement program.

They are to vote on the issuance of \$695,000 in bonds to augment school plant and facilities of the community.

Polls open at 8 a. m. and will close at 7 p. m. Donald Lay will be judge of the election. Voting will be at the American Legion hall.

All qualified property owning patrons of the school district are eligible to vote. Interest in the election is running high and it is anticipated a large vote will be cast.

Of the total money \$170,000 is to be used for construction of high school classrooms; \$50,000 will be used for additional classrooms at Midway school; \$150,000 is slated for a new gym; an auditorium is proposed to cost \$165,000; \$50,000 is earmarked for home economics facilities and \$40,000 for a vocational agricultural and shops department in the high school.

Also proposed is purchase of 20 acres of needed land and expenditure of \$30,000 remodeling the junior high school. Furniture and fixtures needed will cost \$36,000 and contingency fund is set at \$39,000.

It is being emphasized by the school board that the State Education Department has suggested that the present needs of the Coahoma district to properly serve its scholastic population should involve expenditure of \$975,000. The board has reduced this figure to \$695,000 in the name of economy.

Getting Ready For The Big Night

These Rannels Junior High pupils were making ready Friday morning for the big social event of the year—the spring formal this evening at Couden Country Club. Others joined in hanging glittering decorations and otherwise providing a festive setting. On the ladder Skipper Driver, assisted by Larry Bailey. Left to right are Kathy Johnson, Judy Jones, Mary Thornton (holding star) and Jan Anderson. The ball begins at 8 p.m. and continues to 12 midnight, and entry is by student activity card plus script, and no outsiders other than dates of Rannels pupils may be admitted. Music will be the Rockefellers orchestra of Odessa.

Two More Jailed In Support Cases

Two more men were sent to jail Friday by Judge Charlie Sullivan, 118th District Court, for refusing to pay child support.

Judge Sullivan held Zolzie Owens and James Doe in contempt of court at the terminations of hearings on complaints by their former wives that the men had not paid stipulated sums for the support of their children.

On Thursday, Judge Sullivan had ordered C. W. Couch jailed for a like reason. Couch, according to his former wife, owed \$500 in back payments for child support. The judge ordered Couch held in jail until he paid the \$500 plus court costs.

Couch paid off the debt this morning and was released. Doe, too, according to testimony in the court owes \$510 in back support for his children. The court told Miller Harris, sheriff, to hold Doe until the debt is settled.

The next case up was that of Zolzie Owens, basically identical with the complaint against Couch and Doe. Again the testimony was that Owens was \$450 behind in child support payments and again Sheriff Harris was ordered to imprison the defendant until the obligation was settled.

Court attendants said that they could not remember when three contempt cases terminated in jail sentences in the local court in

Baptist College Race Bar Urged

DALLAS (AP)—A segregation group urges that the proposed four-year Baptist college here be racially segregated.

The W. L. E. Citizens' Church Council of Dallas said last night: "With plans now under way for enlargement of Dallas' Bishop Junior College for Negroes into a four-year segregated Negro college, we should not want to do anything to hinder the progress or attendance of that school.

"We should not want to do anything that would cause any further loss of jobs to Negro school teachers. The utter failure of school integration has already been demonstrated to the entire nation by that congressional investigation of the schools of Washington, D.C."

PUBLIC RECORDS

BUILDING PERMITS
Jack Reed, build a carport at 1305 N. 10th St.
Valerie Hernandez, build an addition to a residence at 401 N. Goliad, 850
Adeline Swartz, add a second story to the building at 115 E. 3rd, \$3,000.
Milton Carver, erect a commercial building at 310 E. 9th, \$10,000.
Lester Ware, build a cellar at 1400 Johnson, \$250.
FILED IN 118TH DISTRICT COURT

Jim Zack et ux to Charles W. Lusk et ux, Lot 1A, Block 11, Washington Place Addition.
Thelma Thomas to Boyd Baker, part of Block 17, Section 40, Block 21, Township 10 North, T&P Survey.
NEW AUTOMOBILES
A. B. Wright, Odessa, Jaguar.
T. G. Pool, Midland, Austin-Healey.

More Tax Suits Heading For Court

Wayne Basden, attorney, said Friday he will file a new batch of tax suits in 118th District Court. He hopes to have these cases filed by Monday.

He said the present number being prepared is around 20 and that property involved is located in Washington Place, Edwards Heights, and the Settles Addition.

He explained that at the time he made his contract with the city and the Big Spring schools to collect the delinquent taxes, a check showed that about \$180,000 was owed. Since that time, some \$90,000 has been collected. Property owners were given

Car Hits Pole, Girl, 17, Hurt

Camille Hefley, 801 W. 14th, was hospitalized Thursday after being in a one-car accident shortly after noon.

Numerous citations issued by the court against divorced husbands who have not kept faith with their child support requirements have arisen in recent months. Frequently, when hearings have been held, the defendant makes some settlement or agreement.

On Thursday, Judge Sullivan had ordered C. W. Couch jailed for a like reason. Couch, according to his former wife, owed \$500 in back payments for child support. The judge ordered Couch held in jail until he paid the \$500 plus court costs.

Couch paid off the debt this morning and was released. Doe, too, according to testimony in the court owes \$510 in back support for his children. The court told Miller Harris, sheriff, to hold Doe until the debt is settled.

The next case up was that of Zolzie Owens, basically identical with the complaint against Couch and Doe. Again the testimony was that Owens was \$450 behind in child support payments and again Sheriff Harris was ordered to imprison the defendant until the obligation was settled.

Tech Students Stage Panty Raid

LUBBOCK (AP)—Male students staged a panty raid at a Texas Tech women's dormitory early today in what all agreed was a display of spring exuberance.

Police said the demonstration started after a city officer went to the campus and handed a student a traffic ticket. They estimated nearly 1,000 men poured from their dormitories.

Two dozen from the crowd entered a door at a women's dormitory at least once, witnesses reported. They retreated hurriedly in about 60 seconds.
Women's undergarments fluttered down from upper floors of the three-story building for a time, presumably thrown by co-eds.
The demonstration lasted several hours and finally broke up about 2 a.m.

Rites Set Today For Mrs. Ulmer

Funeral services were to be held at 2 p.m. today in the First Baptist Church at Knott for Mrs. Della Velva Ulmer, 52, of Vealmoor.

C-C Continues Dues Adjustment Drive

Another \$32 in increases in annual dues was reported Thursday for the Chamber of Commerce dues adjustment drive, bringing to \$1,563 the amount reported since Monday.

The campaign was scheduled for completion Thursday, but a number of prospects haven't been contacted. As a result, solicitation will continue, Chamber officials said.

A second phase of the finance campaign is to be opened Monday. That will be the enlistment of new members.

Hotel Greeters To Meet Here

About 75 hotel managers and other workers are expected here Saturday for the annual meeting of the West Texas Chapter of Hotel Greeters.

The gathering will be at the Settles Hotel, with the business session to start at 7 p.m. A dinner will be served at 8:30 p.m. and will be followed by a dance.

One of the highlights of the meeting will be the election of new chapter officers. Several national and regional leaders are to be on hand, including Harry Christopher of Denver, Mrs. Estah Josie and Mrs. Jewell Beard of Fort Worth, and Lee Slaughter of Temple.

Delegates are expected from Abilene, San Angelo, Midland, Lubbock, Odessa, Amarillo and other towns in the area.

Bids Invited On New Fire Truck For City-County

Notices have been sent to bidders for supplying the chassis for new city-county fire fighting unit.

Roy Anderson, city purchasing agent, said the city was to take bids on the truck proper on May 12 and the fire equipment at the May 26 meeting.

This truck will be paid for principally by the county, which gave the city \$12,000 toward final cost. In return, the unit will be used for fighting fires in the county.

The bids on the truck will call for delivery at the plant where the fire equipment will be installed. Only after it has been fully equipped will it be shipped to Big Spring.

Because of its use for county fires, where water is not usually available, it will carry a 750-gallon tank of water.

Rites Set Today For Mrs. Ulmer

Funeral services were to be held at 2 p.m. today in the First Baptist Church at Knott for Mrs. Della Velva Ulmer, 52, of Vealmoor.

Journalism Students Compete Saturday

Teresa Smith and Melba Burton will represent Big Spring High School in journalism events at the regional Interscholastic League contests in Odessa Saturday.

The pair will compete in editorial writing, feature writing, headline writing, news writing and copy reading. Dr. Jack Rogers of Odessa Junior College is to be in charge of the contests.

Castro Visits Sugar Exchange In New York

NEW YORK (AP)—Cuban Prime Minister Fidel Castro, campaigning for increased United States imports of Cuban sugar, visited the New York Coffee and Sugar Exchange in the financial district today.

He opened the day's trading by making an appearance on a speaker's platform at 10 a.m. while several hundred traders and bystanders clustered around him.

He said most Cuban sugar was sold through the exchange and pledged that income from the sugar would go toward things that would be useful for Cuba.

Charles S. Lowry, exchange president, gave him a gavel to open the session.

Castro spoke briefly. A member of his party, Dr. Rufo Lopez Fresquet, minister of the treasury, then told the traders that Castro had "advised me not to talk too much about sugar." He said the traders were well aware of its importance.

"We can say we are interested in having a higher price for our sugar," the treasury minister said. There was applause.

May sugar futures, which closed Thursday at 288 to 289, were quoted at 290 when the market opened today, or \$2.90 per 100 pounds.

Police made a thorough search of the 12-story exchange building during the night after a watchman reported he had seen two men acting suspiciously in a second-floor hallway. He said he chased the men and that they left the building by way of a fire stairway.

Members of the police bomb and emergency squads found nothing in the search.

The biggest security guard ever given a visitor to New York has been assigned to Castro because of a reported plot to assassinate him. Police were told of a report that hired gunmen were on their way here in two cars. The entire force was put on a special alert.

Police said the supreme test of the security forces will come tonight when Castro addresses a rally on the Mall in Central Park, where the wooded and rolling terrain will increase the difficulties of the guards.

At Castro's hotel, uniformed policemen and detectives stood guard in corridors, at elevators and in the lobby throughout the night.

Garza

Hamon No. 1 Gates, five miles south of Post, drilled in lime and shale at 7,153 feet. It is 2,435 feet from north and 74 from east lines, 27-1, Hays Survey.

U. S. Smelting No. 1 Sims, C NE SE, 7-2, T&N Survey, penetrated to 4,390 feet in lime. It is a wildcat nine miles southwest of Justiceburg.

Ten miles northwest of Garza, the Burford & Sams No. 1 Stone, drilled at 95 feet. It is a 9,300-foot try 660 from north and 2,175 from east lines, 1,403-1, EL&RR Survey.

Southern Minerals No. 1 Slaughter progressed at 6,691 feet in lime and shale. The site is 660 from south and 550 from east lines, 6-2, T&N Survey, and a mile from the Red Loflin field.

Operator awaited orders before proceeding at the Brown No. 1. May wildcat today. The hole is bottomed at 4,200 feet. Site is 569 from south and 1,658 from west lines, Brandon Survey.

General American No. 1-21 Koonsman, in the Red Loflin field, drilled in lime and shale at 6,890 feet. It is 2,100 from north and 1,790 from east lines, 21-2, T&N Survey.

Operator at the General American No. 1-677 Koonsman in the same field, waited on cement to set intermediate string at 2,520 feet.

Airport Talks Slated Monday

Ed Carpenter, county judge, said that all property owners whose land is involved in the aviation problem at the new Howard County Airport were contacted Thursday.

They were invited to be in the commissioners court Monday, at which time the commissioners will endeavor to reach an agreement with each on possible damages the aviation problem poses. The meeting had originally been slated for Tuesday but has been moved up one day, the judge explained.

He said that the commissioners have worked out a schedule of dollar damage they think each property owner will have as result of restrictions imposed by the aviation requirements. These offers will be made to the property owners and, if possible, the issues will be settled by agreement. If a property owner refuses to accept the offer made, the only recourse is for the county to proceed with condemnation action.

Time, the court feels, is pressing and the easements needed must be secured without any further delay.

C-C Continues Dues Adjustment Drive

Another \$32 in increases in annual dues was reported Thursday for the Chamber of Commerce dues adjustment drive, bringing to \$1,563 the amount reported since Monday.

The campaign was scheduled for completion Thursday, but a number of prospects haven't been contacted. As a result, solicitation will continue, Chamber officials said.

A second phase of the finance campaign is to be opened Monday. That will be the enlistment of new members.

Journalism Students Compete Saturday

Teresa Smith and Melba Burton will represent Big Spring High School in journalism events at the regional Interscholastic League contests in Odessa Saturday.

The pair will compete in editorial writing, feature writing, headline writing, news writing and copy reading. Dr. Jack Rogers of Odessa Junior College is to be in charge of the contests.

Deep Wildcat Will Be Drilled In Southern Glasscock County

Standard Oil of Texas has staked location of a deep wildcat in the southern part of Glasscock County, and a new producer has been completed in the Big Spring field of Howard County.

The Stanotex No. 1 Viola Scherz is 10,700-foot exploration about 16 miles south of Garden City. Near-east production is in the vast Spraberry Trend Area eight miles to the west.

The Fair No. 1 Ray, about seven miles northeast of Big Spring was finished in the Fusselman for 290 barrels of oil per day flowing through a 3/4-inch choke.

Borden

The Pure No. 1 Miller is still pumping to test the Spraberry and in the last 24 hours, it made 27 barrels of oil and 120 barrels of load water. The site is C NE NE, 588-97, H&TC Survey.

Phillips No. 1-A Callie, a project in the Jo-Mill (Spraberry) field, finished 170.13 barrels of 40.2-degree oil in 24 hours after being fractured with 21,000 gallons. The well is 1,980 from north and 660 from east lines, 9-33-4n, T&P Survey. Total depth is 8,017 feet. Operator hit the pay zone at 7,400 feet and set perforations from 7,444-68 feet.

Dawson

The Amerada No. 1 Felts wildcat has been temporarily abandoned at a depth of 8,900 feet. The site was C NE NE, 7-35-6n, T&P Survey, and four miles northeast of Lamesa.

Forest No. 2 Harris, 12 miles southwest of Lamesa, penetrated to 8,245 feet in lime and shale. The site is 990 from north and 660 from west lines, 21,000-15, League 268, Moore CSL Survey.

Texas No. 1-30 Clay, in the southwestern part of the county, was fishing today while at a bottom of 3,085 feet. It is 660 from south and west lines, Labor 20, League 266, Kent CSL Survey.

Texas National No. 1 Hogg, C SE NW, 20-34-5n, T&P Survey, made hole in lime and shale at 5,763 feet. It is eight miles southeast of Lamesa, and a southeast offset to the Texas National No. 1 Woolul discovery.

Garza

Hamon No. 1 Gates, five miles south of Post, drilled in lime and shale at 7,153 feet. It is 2,435 feet from north and 74 from east lines, 27-1, Hays Survey.

U. S. Smelting No. 1 Sims, C NE SE, 7-2, T&N Survey, penetrated to 4,390 feet in lime. It is a wildcat nine miles southwest of Justiceburg.

Ten miles northwest of Garza, the Burford & Sams No. 1 Stone, drilled at 95 feet. It is a 9,300-foot try 660 from north and 2,175 from east lines, 1,403-1, EL&RR Survey.

Southern Minerals No. 1 Slaughter progressed at 6,691 feet in lime and shale. The site is 660 from south and 550 from east lines, 6-2, T&N Survey, and a mile from the Red Loflin field.

Operator awaited orders before proceeding at the Brown No. 1. May wildcat today. The hole is bottomed at 4,200 feet. Site is 569 from south and 1,658 from west lines, Brandon Survey.

General American No. 1-21 Koonsman, in the Red Loflin field, drilled in lime and shale at 6,890 feet. It is 2,100 from north and 1,790 from east lines, 21-2, T&N Survey.

Operator at the General American No. 1-677 Koonsman in the same field, waited on cement to set intermediate string at 2,520 feet.

Airport Talks Slated Monday

Ed Carpenter, county judge, said that all property owners whose land is involved in the aviation problem at the new Howard County Airport were contacted Thursday.

They were invited to be in the commissioners court Monday, at which time the commissioners will endeavor to reach an agreement with each on possible damages the aviation problem poses. The meeting had originally been slated for Tuesday but has been moved up one day, the judge explained.

He said that the commissioners have worked out a schedule of dollar damage they think each property owner will have as result of restrictions imposed by the aviation requirements. These offers will be made to the property owners and, if possible, the issues will be settled by agreement. If a property owner refuses to accept the offer made, the only recourse is for the county to proceed with condemnation action.

Time, the court feels, is pressing and the easements needed must be secured without any further delay.

C-C Continues Dues Adjustment Drive

Another \$32 in increases in annual dues was reported Thursday for the Chamber of Commerce dues adjustment drive, bringing to \$1,563 the amount reported since Monday.

The campaign was scheduled for completion Thursday, but a number of prospects haven't been contacted. As a result, solicitation will continue, Chamber officials said.

A second phase of the finance campaign is to be opened Monday. That will be the enlistment of new members.

Journalism Students Compete Saturday

Teresa Smith and Melba Burton will represent Big Spring High School in journalism events at the regional Interscholastic League contests in Odessa Saturday.

The pair will compete in editorial writing, feature writing, headline writing, news writing and copy reading. Dr. Jack Rogers of Odessa Junior College is to be in charge of the contests.

Its site is C NW NW NW, 677-97, H&TC Survey.

General American No. 1-1 Slaughter, 12 miles southwest of Post, drilled at 4,079 feet in lime. It is 2,065 from south and 660 from west lines, Massey Survey No. 2.

Humble No. 17-G Humble Fee produced 23.15 barrels of oil and 22 per cent water on final test in the Justiceburg field. Gravity of the oil is 37.1 degrees, and gas-oil ratio hit 565-1. The well is bottomed at 2,610 feet and production is reached at 2,485. Perforations extend from 2,485-96. Location of the well is 1,183 from west and 413 from south lines, 116-5, H&GN Survey.

Glasscock

The Stanotex No. 1 Scherz wildcat is located 660 from north and east lines, 24-34-5e, T&P Survey, and 16 miles south of Garden City. It will penetrate to 10,700 feet, probably for Ellenburger tests.

Howard

The Ralph Lowe No. 1 Ryan, in the Luther Southeast field, drilled at 9,705 feet today. It is 1,980 from south and 660 from east lines, 34-32-2n, T&P Survey, 12 miles northeast of Big Spring.

Cosden No. 1 Whitmire, a wildcat C NE NE, 37-32-1n, T&P Survey, drilled in sand and shale at 5,325 feet. It is four miles east of Big Spring.

Fair No. 1 Ray flowed 290 barrels of 48-degree oil through a 3/4-

inch in 24 hours. It is in the Big Spring field, C NE NE, 13-32-7n, T&P Survey. Perforations in the Fusselman extend from 9,590-96 feet, and gas-oil ratio hit 1,208-1.

Carey No. 1 Fisherman, a wildcat 10 miles northeast of Big Spring, drilled in sand and shale at 6,410 feet. It is C NE NE, 37-31-2n, T&P Survey.

Operator moved in completion unit at the Williamson No. 1 King wildcat today. It is to be finished as a strike from the Fusselman and is C NW NW, 33-31-1n, T&P Survey.

Martin

Texas Crude No. 1-10 Kerr-Kim-Bo penetrated to 8,690 feet in lime and sand. It is 660 from south and east lines, 1-10, Lanier Survey.

Operator continued to swab back load from the Street No. 1 White wildcat after acidizing the Strawn. The wildcat is 660 from south and 1,320 from west lines, 21-35-1s, T&P Survey, and three miles southeast of Stanton.

Pan American No. 1-C Breediolve in the northern part of the county drilled in lime at 4,635 feet. It is 657 from south and 665 from west lines, Labor 99, League 257, Briscoe CSL Survey.

Sterling

Hancock No. 3 Clark, in the Clark (San Angelo) field, drilled in redbeds at 200 feet. It is 996 from south and 368 from west lines, 33-11, SPRR Survey.

Osmo Loved His Chicken—Too Well

SAN FRANCISCO (AP)—Osmo was an ocelot. You might say he loved club-footed chickens not only unwise, but too well.

If that shakes you're sorry. This story really doesn't have a plot, but it does have some interesting people.

It has the Shah of Iran, a pretty airline stewardess, a sad scientist—plus mass murder at midnight and sudden vengeance.

And, of course, Osmo, a catlike Brazilian with golden fur and sharp teeth who loved to roam at night.

The Shah presented Osmo to Miss Ellen Forseth last year in appreciation for her services as Pan American during his visit here.

Miss Forseth made a pet of Osmo but needed an ocelot-sitter on her overseas flights. Last week she left him in care of Ray Moser, a friend across the bay in Berkeley.

Osmo escaped. Enters now the sad scientist: Dr. Lewis W. Taylor, professor of poultry husbandry at the University of California.

Mrs. Carpenter Observes 90th Birthday In Hospital

Today is happy birthday for Mrs. J. W. Carpenter.

Although the 90th anniversary of her birth finds her in the hospital, she's still happy to be around and to know that her friends remember her.

Mrs. Carpenter suffered a stroke 10 days ago, and although she rallied from it she has other complications to develop. Despite her serious illness, she has been looking forward to becoming a nonegenarian.

Born Winnie Barnett, the daughter of Dr. and Mrs. W. J. Barnett of Weatherford, she came with her

parents to Big Spring when she was a young lady of 16 years of age. Dr. Barnett was a pioneer physician and once the family settled down here it was for good.

She met a tall and shy young cowhand who worked for the famous Slaughter Long S outfit, and on Aug. 22, 1894, she was married to Bill Carpenter.

Now a widow, Mrs. Carpenter has been relatively active until suffering the stroke. Last week two doctors, her son, Boyd and Sidney, came to visit at her bedside, joining Joe and Henry Carpenter, and a daughter, Mrs. Dalton Mitchell, all of Big Spring.

Members of the First Christian Church will attend the spring convention of District 5 of the Christian Churches of Texas at the First Christian Church of San Angelo Sunday.

Dr. Lawrence Bash, pastor of University Christian Church, Austin, will be the principal speaker.

Miss Wanda Kennedy of Oklahoma City, contraalto soloist, will also be on the program. She has appeared on radio and TV programs throughout the Southwest, and recently recorded an album of sacred songs and Negro spirituals.

The convention will get under way with registration at 3:30 p.m., and continue throughout the afternoon and evening. At 6 p.m. a buffet supper will be served by the host church, with \$1 for adults and 50 cents for youth and children being charged. The main address is slated for 7:45 p.m.

The son of a minister, Dr. Bash is a graduate of Drake University, traveled in Africa as pianist for an evangelistic team during his youth, and was president of the 1959 Texas Convention of Christian Churches held this month in Austin. He has been pastor of the Austin church for 10 years.

The district is comprised of Christian Churches in San Angelo, Midland, Big Spring, Sweetwater, Snyder, Big Lake, Colorado City, Lake View (San Angelo), and Mertzon.

Boys Put On Probation For Hubcap Theft

Two boys, each 16 years old, were placed on one-year probation by Judge Ed Carpenter in Juvenile Court Friday for hub cap theft.

The boys, in custody of A. E. Long, juvenile officer, frankly told the court they had stolen two hub caps from a car parked at the Clover Bowl.

They said they had sold the stolen hub caps to a dealer for \$1.50 each. Judge Carpenter pointed out that the hub caps probably had a value of \$10 each.

Long informed the court that the youths had given him complete information on the theft and named the person who had bought the loot. Long said he would give this information to the proper authorities.

Judge Carpenter was informed neither of the youths had been in the juvenile court prior to this appearance. He then ordered them to report to Long each month for the next 12 months.

Long said that he had leads on a group of older youths involved in the series of hub caps thefts which he is investigating.

Red Resistance

TAIPEI, Formosa (AP)—Resistance to Communist rule has been growing in the Chinese Province of Sinkiang since the revolt in Tibet. Chinese Nationalists reported today.

THE WEATHER

WEST TEXAS—Partly cloudy, warm this afternoon and tonight; colder in the Panhandle Saturday afternoon.

EAST TEXAS AND NORTH CENTRAL

Hot Work

Firemen move in close to blazing tanks at the Thompson-Hayward Chemical Co., in Kansas City. The fire sent up thick, black smoke visible for miles over the city. Two men were reported missing and three others injured.

Sound Wave Device Could Scramble You

LOS ANGELES (AP) — A Los Angeles firm is developing an out-of-this-world sound — but it won't be heard on your hi-fi set or anywhere else. This sound can kill you, said William Thomas, president of James B. Lansing Sound Inc. He explains the sound is so loud that "You can't hear it because you would be dead before you heard it. It's perfectly capable of destroying human tissue, and a human being subjected to such high frequency sound waves actually would be homogenized or scrambled — in seconds."

Thomas described the firm's High Intensity Sound Simulator (HISS) as a major breakthrough in efforts to simulate tremendous vibrations encountered on a trip to outer space. Vibrations on such a trip are caused by high speed and shock waves. Lansing Sound recently got contracts from two missile manufacturers to build similar noisemakers to test electronic components used in missiles. Thomas said HISS could be used in all fields of electronics to produce more reliable electronic components through testing by high frequency sound waves.

HISS sound waves develop high frequency vibrations capable of rattling a building with an intensity greater than an earthquake, he added. But, Thomas noted, the noisemaker couldn't be used as a death ray in wartime because sound waves dissipate rapidly in the atmosphere.

He gave this description of HISS. It is housed in a concrete structure weighing hundreds of tons and containing many high-powered loudspeakers, powered by seven 10-kilowatt amplifiers. These devices emit sound from the small end. The sounds travel through a horn, bounce off a two-inch-thick metal plate and are dissipated in a sink containing sound-absorbing material.

How loud is this big noise? Can't say, said Thomas, because no one has ever heard it. The only noise comparable to HISS, he added, is the close-up roar of a giant missile just as it thunders off a launching pad, powered by several hundred thousands pounds of thrust.

Dynamite Found
DALLAS (AP)—Police tried to find out today why someone wired two sticks of dynamite and blasting caps in Bobby Williams' garage.

Williams, 26, a trucker, found the dynamite last night. He said he went to a cabinet to get a screw driver and found the explosives tucked between a washing machine and a food-freezing locker.

Relations between Moscow and Cairo deteriorated sharply in March when Khrushchev publicly criticized Nasser's anti-Communist campaign and called the U.A.R. president a "hot-headed young man."

Hitting back, Nasser for the first time linked the Soviets with his denunciation of Arab Reds. He even denied the Soviets had materially helped Egypt during the Suez crisis in 1956.

Reliable Egyptian sources emphasized Nasser had not sought a personal fight with Khrushchev but that he was determined not to accept the Soviet premier's support of Arab Communists against the U.A.R.

Khrushchev openly took the side of Iraqi Premier Abdel Karim Kassem, who is waging a bitter struggle with Nasser for top place in the Arab world.

Space Scientists Likened To Men Who Bolstered Darwin

PHILADELPHIA (AP) — Space scientists were likened today to the men who delved into the mysteries of time and found the earth older than they dreamed. What the time detectives learned bolstered Charles Darwin's theories of human evolution.

What the space adventures are doing will fall into place as a major part of the scientific intellectual panorama which began before Darwin, and of which he was such a dramatic figure.

Links in this chain of evolutionary pioneering were traced in speeches and interviews by many of the scholars attending the American Philosophical Society's annual meeting. This year the society is observing the 100th anniversary of the publication of Darwin's greatest work, "The Origin of Species."

In the early 19th century, it was related, books on geology were gobbled up as books on space travel are today. Geology gave Darwin the frame and time pattern for his work.

But physicists calculated the earth could be only a few million years old. This was one of the main threats to Darwin's theories. It raised the question whether all the changes ascertained by Darwin could have taken place in such a relatively short time.

Although the question had not become a public issue, Darwin was worried. Some of his worries are reflected in the revisions he made from edition to edition of his books.

With the discovery of radioactivity, however, it was learned that the universe did not lose its heat as fast as had been thought. Physicists took this as proof of a greater antiquity of life. They admitted they had been wrong about the shorter time range. The shift opened up both past and future inexhaustibly.

"Darwin was pretty sure the age of the earth was greater than the physicists had guessed," said Dr. Loren Eiseley, author of "Dar-

win's Century" and one of the leading authorities on the famed naturalist. "He was ahead of his time. He realized that impressions of stability were due solely to our own short life span."

"Now we are tackling the wonders of space, another phase of the broad picture of man's evolution, physically and mentally. Certainly adaptability to new environments is part of the Darwinian story."

McElroy Warns Of Trade Danger

NEW YORK (AP)—Secretary of Defense Neil McElroy, warning that Soviet economic progress threatens America's leadership of the free world, told the nation Thursday night it faces sacrifices and hard choices to meet the challenge.

"We can no more afford to lose the economic competition with communism than we can afford to fall behind militarily. The only way I know to meet Soviet economic competition is to increase our own output," he said.

This, McElroy told a gathering of newspaper publishers and executives from throughout the United States and Canada, "may mean changes in emphasis in our own economy and sacrifices for our people."

"It may force us to make some hard choices. It may mean that our people will have to learn to get along with less in current consumption. Otherwise, we may come out second best in a competition for which there is no second prize."

The defense secretary, addressing the 46th anniversary dinner of the Bureau of Advertising of the American Newspaper Publishers Assn. at the Waldorf-Astoria Hotel, stressed the need to prepare now for an economic contest with the Soviet Union.

He also urged full support of President Eisenhower's military assistance program, saying he was speaking with the "full, unanimous support of our Joint Chiefs of Staff."

"When we choke the military assistance program," the defense secretary said, "We have a strategic blow against any aggressor. America has today," he said, "the strongest air striking force in the world."

McElroy spoke confidently of the military strength of the United States and its ability to deliver crippling blows against any aggressor. "America has today," he said, "the strongest air striking force in the world."

"So long as the United States continues to have an over-all preponderance of capability to deliver high potency weapons — on target — we need not fear attack."

But, he said, this "will only cause the Communists to concentrate their efforts on other avenues they believe will lead them to absolute world power."

Khrushy Wants To Make Up With Nasser

CAIRO (AP) — Soviet Premier Nikita Khrushchev has suggested to President Gamal Abdel Nasser that they patch up their differences, reliable informants said today.

Nasser is expected to agree to a reconciliation with the understanding that the Soviet premier will not oppose his campaign against Communists inside the Arab world.

Egyptian informants said such a reconciliation would not necessarily mean any worsening of Nasser's relations with the West. The United Arab Republic is quietly trying to improve commercial dealings with several Western countries, and anti-Western propaganda has been muted.

Informants said Khrushchev held out the olive branch to the U.A.R. president in a letter delivered by Soviet Ambassador E. D. Kisselev on Monday.

The Soviet premier reportedly agreed to refrain from interfering in Arab internal affairs and asked for a return of normal relations with the U.A.R.

Informants said Nasser replied that he was ready to end the feud.

Relations between Moscow and Cairo deteriorated sharply in March when Khrushchev publicly criticized Nasser's anti-Communist campaign and called the U.A.R. president a "hot-headed young man."

Hitting back, Nasser for the first time linked the Soviets with his denunciation of Arab Reds. He even denied the Soviets had materially helped Egypt during the Suez crisis in 1956.

Reliable Egyptian sources emphasized Nasser had not sought a personal fight with Khrushchev but that he was determined not to accept the Soviet premier's support of Arab Communists against the U.A.R.

Khrushchev openly took the side of Iraqi Premier Abdel Karim Kassem, who is waging a bitter struggle with Nasser for top place in the Arab world.

Judge Doubts Dirty Literature Leads Readers To Crime

BOSTON (AP)—A veteran Massachusetts judge says he doesn't believe pornographic literature leads its readers to crime.

Municipal Court Judge Elijah Adlow, who has been on the bench for 30 years, said "sex violence is congenital, the type is predisposed to it. They're born that way; few get the habit from association. I doubt you can trace their disposition to this literature although a great many like to collect and read those dirty books."

His statement was made Thursday before the Massachusetts Commission on Obscene Literature.

Informing that FBI Director J. Edgar Hoover recently described pornography as a major cause of juvenile crime, Judge Adlow said "I doubt it."

Limit On Campaign Spending Asked

DALLAS (AP)—The cost of recent municipal elections prompted two Dallas County political leaders yesterday to urge the City Council to pass an ordinance limiting campaign expenditures.

The requests were made by Ed Drake, Democratic county chairman, and Maurice Carlson, GOP county chairman, in interviews. They said the rising trend in election costs make it virtually impossible for a man of average means to make an effective political race.

Marriage Of Helon Blount And Keith Kaldenberg Is Revealed

Of widespread interest is news of the marriage of Helon Blount and Keith Kaldenberg, another principal in the hit show.

Mr. and Mrs. Ralph Eugene Blount, Austin, are parents of the bride. The bridegroom is the son of Mrs. Arthur Kaldenberg of Des Moines, Iowa, and the late Mr. Kaldenberg.

The couple was married March 22 in the chapel of the Congregational Church, Manhasset, Long Island. Dr. Jerome Parker performed the single ring service. Honor attendants were Jo Sullivan, who was the leading lady for "The Most Happy Fella," and Keith Booth.

The bride had attended Big Spring schools and was for several years a music pupil of Mrs. Nell Frazier. She studied music at the University of Texas, where she became a member of Delta Delta Delta social sorority and Sigma Alpha Iota and Pi Kappa Lambda, musical honorary organizations. In 1951 she received her bachelor's degree and followed it two years later with a master's degree. Meanwhile she sang leading roles in several university productions.

While getting a foothold on her career, she worked as a summer camp swimming counselor, a dancing instructor, and an airlines reservation clerk. She had appeared in Dallas with State Fair musical productions and returned there last summer to repeat her memorable performance as Cleo the waitress in "The Most Happy Fella," which two years before had been judged "best musical of the year" by New York drama critics.

She will be appearing with stock companies this summer in Toronto and Buffalo.

A graduate of Drake University, where he was a member of Phi Mu Alpha Sinfonia, Kaldenberg went to New York in 1952 and sang his first operatic roles with the Amato Opera Company. During its recent American Opera season, he made his debut with the New York City Opera Co. in a series of roles, one of which, "Susannah,"

MRS. KEITH KALDENBERG... the former Helon Blount

he played at the Brussels Worlds Fair. This spring he is appearing at City Center Opera, New York.

He has been featured on Broadway in a number of hits such as "The Saint of Bleeker Street," "Of Thee I Sing," and "Pipe Dream." On its national concert tour he was soloist with the First Operatic Sinfonietta. He has stud-

ied at the American Theatre Wing.

Following the wedding, Frank Loesser, composer, author of "The Most Happy Fella," was host at a dinner in Manhattan. The guests also included Mrs. Keith Booth and daughters, Sherry and Debbie.

Changes Set In Duplicate Bridge Play

When players met Thursday evening at the Officers Club for games of duplicate bridge, the announcement was made that there will be no session on April 30.

The group was also reminded that the next gathering will be Master Point Night, slated for May 7.

Winners in Thursday night's games were as follows: north-south, first place, Mrs. Fred Halter and Mrs. H. E. Thorner Jr.; second, Mrs. J. J. Havins and Mrs. Riley Foster; third, Mr. and Mrs. Roswell Moore of Albuquerque, N. M.

In east-west position, winners were Capt. Harold Hart and Capt. R. M. Allman, first place; Mrs. Kyle Riddle and Mrs. A. R. Holman, second, and Mrs. Ben McCullough and Mrs. John Stone, third.

Craft Work Done By Luther HD Club

An afternoon of working on crafts was enjoyed by members of the Luther Home Demonstration Club Thursday in the home of Mrs. Louis Underwood.

A report on the recent district convention of HD Clubs was given by Mrs. Frances Zant. Others attending the meeting, held in Plainview on April 16, were Mrs. Pauline Hamlin, Mrs. Rubye Simpson and Mrs. Bill Hanson.

Seven members were present; the May 14 hostess will be Mrs. Wiley Cunningham in the El Paso Camp.

Brownie Troop 210 Learns Weaving

Brownies of Troop 210 spent part of their meeting Friday afternoon weaving pot holders on small looms. The session was held at Airport School, with nine members and a guest, Sherry Thomas, present.

Refreshments were served by Sharon Newsum, and dismissal was with the Girl Scout promise.

Penny Frazier Wins Crazy Hat Contest

Girl Scouts of Troop 26 engaged in a crazy hat making contest when they met Wednesday afternoon with Mrs. Clyde Thomas Jr. The prize, a billfold, was awarded to Penny Frazier.

The group will tour the Coca Cola plant next week, and will make plans for a Mother-Daughter tea to be given May 6 at the Thomas home.

Refreshments were served to 15.

Club Closes Year With Spring Lunch

As their final gathering until next September, members of the Zenobia Club met at Coker's Wednesday for the annual spring luncheon. Recently elected officers assumed their posts at the business session.

The decorative theme suggested air showers, with a centerpiece formed by an umbrella ruffled in rainbow hues. Smaller replicas were place favors for the 11.

A Joy To Sew

Whip up this neat daytimer in no time — it's that simple! And little fabric is required.

Send 35 cents in coins for this pattern to IRIS LANE, Big Spring Herald, Box 438, Midtown Station, New York 18, N. Y. Add 10 cents for each pattern for first-class mailing.

Send 50 cents now for your copy of Home Sewing for '59. Featured are sew-easy patterns; important dressmaking steps.

Officers Installed

Mrs. Charlie Boland was installed as president of the Indoor Sports Club Thursday evening at a dinner at the Girl Scout Little House. Ruth Beasley was installing officer.

Taking office with Mrs. Boland were Hugh Compton as first vice president; Ed McGee as second vice president, and Claudia Arrick, secretary-treasurer.

Charlie Boland will serve as reporter to the organization's newspaper, The Hook-Up. Mrs. G. F. Painter and Courtney Davies will be directors.

Dinner was served by members of the Good Sports Club and the group discussed plans for the entertainment of District Eight, June 13-14. Headquarters will be at the Settles Hotel.

Special music was furnished by Roy Rogan and Mrs. Boland. The guest speaker was R. R. McEwen Jr., who told of his recent trip to Tinkham Air Force Base.

Altrusa Club Hears Dr. Deza

Family ties are important for geriatric patients, and efforts should be made to keep them a part of a household, members of the Altrusa Club were told at a Thursday luncheon by Dr. Phillip Deza, from the staff of the Big Spring State Hospital.

The club met at the Wesley Methodist Church for the regular luncheon and program. Mrs. Loyd Wooten introduced the speaker, who was born in Argentina and received his education in the United States. He has been in Big Spring since 1956.

Speaking on the subject of the problems of the aged, Dr. Deza stated that treatment of such patients requires that the one in charge have a sense of Christian

duty to help the patient in every way possible.

He told of the comparatively recent development of geriatrics as a special branch of medicine and gave as the reasons for the increase in numbers of the "old-timers" the use of miracle drugs, better diets and other agencies which contribute to a prolonged life.

Drawing a contrast between the local state hospital and one which he had visited in another state, the doctor told the group that there are 54 nurses in the other hospital for the same number of patients for which there are two nurses in the hospital here.

Guests at the luncheon besides the speaker were Mrs. Ira Thurman and Mrs. Clyde Angel.

Miss Tinkham Weds In Los Angeles Nuptials

Mr. and Mrs. James Hurley Nelson will be at home in South Gate, Calif., following their marriage Saturday evening in Los Angeles, Calif.

The bride is the former Maren Rose Tinkham, daughter of Dr. and Mrs. T. C. Tinkham, 1003

Sycamore. The bridegroom is the son of Mr. and Mrs. Alvin T. Nelson of South Gate.

The double ring ceremony was read by the Rev. Paul Howard in the Atwater Park Baptist Church, Los Angeles.

Given in marriage by her father, the bride was attended by Mrs. Charles E. Tumbleson of Huntington Park, Calif., as matron of honor. Bridesmaids were Mrs. Richard A. Stiver, Los Angeles, and Mrs. Kenneth Driskell, Long Beach, Calif.

Charles Tumbleson served as best man; guests were seated by James C. Shirley and Larry Fewster.

An heirloom bridal couple figurine topped the three-layer wedding cake, baked in sweetpeas and fern, at the reception, which was held in the church parlor.

In the house party were two cousins of the bride, Linda Mizar of Bellflower, Calif., and Mary Rogers of Denver, Colo., also, Nancy Carter of South Gate.

For a wedding trip the bride donned a beige suit with matching hat and gloves, rust bag and shoes.

The new Mrs. Nelson is a graduate of Big Spring High School and of California Hospital School of Nursing. She is employed by Dr. James T. Bull and is surgical nurse for Los Angeles.

A graduate of John Marshall High School, Los Angeles, the bridegroom is manager of Nelson and Stephens Jewelry, Huntington Park.

The club met in the home of Mrs. Stanley Wheeler where plans were discussed for attendance at the state convention of the Texas Federation of Women's Clubs in Lubbock, May 4-6.

Announced for May 7 is a salad luncheon, to be given in the home of Mrs. J. C. Harvard in Stanton.

A tea hour followed the program and business session.

Chairmen Named For The Spring Flower Show

Chairmen have been announced for the Spring Flower Show, scheduled for May 1 in the Student Union Building at Howard County Junior College.

The show, sponsored by the Council of Big Spring Garden Clubs, will be open from 3:30 to 8 p.m., with no admission fee. The public is invited to attend.

General chairman is Mrs. J. R. Hensley, in charge of the staging committee, is Mrs. Leroy Tidwell. Schedules were made out by Mrs. Obie Bristow, Mrs. Sam Blackburn and Mrs. D. M. Penn.

Mrs. J. D. Elliott and a group will accept entries for the display and will classify them, and Mrs. W. F. Taylor will be in charge of the hospitality committee.

Publicity is the interest of Mrs. D. S. Riley and Mrs. A. B. Muneke. Mrs. Cliff Wiley will secure judges for the show; Mrs. C. O. Hitt will make arrangements for the clerks and the awards.

An educational exhibit will be planned and arranged by a committee with Mrs. Clyde Angel at the head, and Mrs. Bristow will supervise the junior division.

All juniors may enter the division, regardless of whether or

not they are members of the Junior Garden Club, it has been announced.

Theme of the show is to be Gems of the World, with artistic arrangements in the division. Jewels for the Home; the horticulture division will follow the title. Jewels of the West, Little Gems is the name chosen for the children's division.

Forty-six classes will make up the horticulture section and will include specimens of roses, irises, lilies, heliotrope, salvia, pansies, daisies, larkspur, stock, sweet peas and various other perennials and annuals.

Staging of the show is to be done by the Big Spring Garden Club and the Oasis Club, with the

four other units providing the exhibits. These clubs include the Four O'Clock, Rosebud, Planters and Spaders Garden Clubs.

Meat Ball Hint

If you find a meat ball mixture is too soft to shape, chill before you try to handle it. Keeping the mixture soft guarantees moist tender meat balls.

Vegetable Dish

Quick vegetable dish: cook frozen green peas; add drained canned small white onions and reheat. Nice garnished with strips of canned pimiento.

'Trouble With Women Drivers' Problem Has Now Been Solved

By DOROTHY ROE Associated Press Women's Editor

The trouble with women drivers is men, says blonde, breezy Pat Jones, of Wichita, Kan., professional stunt driver who teaches driving in her spare time.

"There's always some man either in the front seat or the back who gets the woman at the wheel rattled," says Pat. "If he's a husband, it's fatal. No woman can be expected to keep her mind on her driving when her husband is sitting beside her saying 'Watch that car ahead!' 'Don't forget to signal!' 'Wow! You just missed that one!' '... or 'Baby, can't you stay on your own side of the road?'"

Pat was interviewed in New York after winning an economy mileage test run, driving a standard Dodge from Kansas City to New York and beating the men drivers. She has driven 50,000

miles in the last seven months, and is a member of Jack Kochman's Heldrivers, doing firewall crashes, crash rolls and ramp-to-ramp leaps.

"It gives you confidence in ordinary driving to know how to crash," says Pat. "Maybe that's why most women are so nervous when they're at the wheel — they've never crashed."

Miss Jones does not advise

TEL Class Meets For Monthly Supper

Places were set for ten when the TEL Class met Thursday evening for their monthly covered dish supper in Fellowship Hall at First Baptist Church. Guests were Nancy Hardesty and Mrs. Leroy Hollingshead.

The birthday of the teacher, Mrs. J. E. Hardesty, was recognized with a gift of pottery. Mrs. Beatrice Mittel read a Billy Graham letter telling about his recent crusade in Australia. The devotion was brought by Mrs. Hollingshead, who quoted scriptures from Acts and Psalms. Benediction was in the form of a hymn.

Members will assemble next on May 28.

Forsan Women Win Recognition For Art

FORSAN — Mrs. Frank Shannon was awarded second prize in the art exhibit recently opened in San Angelo, which will close April 30. King of the Field is the title of the painting shown by Mrs. Shannon.

Mrs. H. H. Peacock received honorable mention of her picture, a scene of the old court house in Cleburne. The Peacocks plan a visit in San Angelo with his sister and family, the H. Moody's, and will be present for the end of the art show.

Chicken Triumph

Your family like chicken wings? Buy a couple of pounds of them and stew them with vegetables just as you would the parts from a whole chicken.

Guests Entertained In Molpus Home

During the first part of this week, Mr. and Mrs. Morris Molpus of Knott were hosts to their niece and her family, Mr. and Mrs. Chris Nielson, Vivian and Tommy of Portchester, N. Y.

Weekend guests in the Molpus home were his four sisters, Mrs. George Morris of Sanger; Mrs. Calvin Morris and daughter, Mrs. Glenn Johnson and her daughter, all of Fort Worth; Mrs. W. D. O'Neal of Justin and Mrs. Ocie Murray and son of Gainesville.

Extra Nutrients

You can add extra nutrients to your family's meals by using non-fat dry milk. It may be added conveniently, in its dry form, to packaged pudding mixes, milk drinks, sauces and gravies and many baked products.

Fine Dessert

Nice for Sunday dinner: a cottage-pudding dessert with cherry sauce. Use canned dark sweet cherries and thicken with cornstarch.

500 Expected For West Texas Assemblies Of God Council Here

Assemblies of God will hold their annual West Texas District council in Big Spring next week, the Rev. S. E. Eldridge, pastor of the First Assembly of God, announced today.

Some 500 persons from 134 churches in West Texas are expected to attend. The council opens with a youth rally Monday evening and will be in session through Thursday.

The Rev. A. A. Wilson, pastor of Calvary Temple Assembly of God, Kansas City, Mo., will be the featured speaker.

He also will speak at the local church at both services Sunday. Elsewhere Sunday, several Baptist churches will be ending revival meetings held simultaneously by this week.

Following is the complete week-end church schedule:

ASSEMBLY OF GOD
The Rev. S. E. Eldridge, minister of the First Assembly of God, announces that the Rev. A. A. Wilson of Kansas City, Mo., will occupy the pulpit at both services Sunday.

The Rev. John T. Taylor, pastor of Magnolia Park Church in Houston, will conclude the revival at College Baptist Church, with sermons at the worship hours Sunday. His subjects will be "What Think Ye of Christ?" Matt. 22 and

REV. A. A. WILSON

"I Am Thine," Psalm 119. Carlos Gruber of Plainview, who has been leading the singing, will show films from Brazil at the 6:45 hour Sunday evening.

In the absence of Dr. P. D. O'Brien, who is conducting a revival at Phillips, the 8:45 a.m. worship hour will have the Rev. Eugene Brand of Amarillo as guest speaker. The Rev. James Gammon will be in the pulpit at 11 a.m. Sunday evening's speaker has not been announced.

At Airport Baptist Church, the Rev. Jimmy Kinsey, pastor of the Nolan Baptist Church, will conclude the revival which has been in progress. The guest preacher will bring the message at both Sunday services.

The final sermons in the revival which has been held the past week at Baptist Temple will be preached Sunday by the Rev.

James Roy Clark of Waco, district missions secretary.

Hillcrest Baptist Church will close their revival Sunday under the leadership of the Rev. Monroe Teeters of Lamesa, whose message will be on heaven. Baptismal service will be held Sunday evening.

Closing services for their revival at Phillips Memorial Baptist Church will be preached Sunday by the Rev. F. D. Stover of Fox, Okla. His messages are entitled "The Death of Christ," 1 Cor. 15:3, and "No Place to Hide," Matt. 24:29.

The Rev. R. B. Murray, pastor of Northside Baptist Church, will be in the pulpit Sunday for the climax of their weeklong revival. "The New Testament Call," 2 Tim. 1:9, and "The Incomparable Salvation," 1 Cor. 2:9 will be the Rev. J. H. McWilliams' messages to Calvary Baptist Church.

Mass will be said at St. Thomas Catholic Church, 605 N. Main, by the Rev. Fr. Francis Beasley, OMI, at 7 a.m. and 11 a.m. Rosary and benediction are at 7 p.m. Sunday. Confessions are heard on Saturday from 4:30 to 6 p.m. and from 7 to 8 p.m. Catechism classes for grade school children are from 10 to 11 a.m. Saturday and for high school children from 10 to 11 a.m. Sunday.

At the Sacred Heart (Spanish-speaking) Church mass will be held at 8 a.m. and 10:30 a.m. Sunday. Confessions from 5 to 6 p.m. and 7 to 8 p.m. Benediction will be at 5:30 p.m. on Sunday.

CHRISTIAN
"Working Together With God," 2 Cor. 6:1, will be the Rev. Clyde Nichols' sermon to First Christian Church at morning worship. The choir's anthem will be "Willow's Rise, Crowned With Light." There will be no evening service.

because of the district meeting in San Antonio.

CHRISTIAN SCIENCE
The ever-present light of the Christ, Truth, will be stressed at Christian Science services Sunday. Keynoting the Lesson-Sermon entitled "Probation After Death" is the Golden Text from Isaiah (9:2): "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."

CHURCH OF CHRIST
"The Home as God Would Have It" and "The Everlasting Arms" will be T. E. Cudd's sermons to Main St. Church of Christ. At 2:30 p.m. Sunday the public is invited to hear Abilene Christian College's a cappella chorus in a program of religious music.

CHURCH OF GOD
The Rev. V. Ward Jackson, minister of First Church of God, plans to preach Sunday on "What Was the Prodigal Sin?" and "It Took a Miracle."
"Divine Peace," John 14:27, will be the Rev. R. D. Ashcraft's message to Galveston Church of God.

EPISCOPAL
Schedule of Sunday services at St. Mary's Episcopal Church, 10th and Goliad, is as follows: Celebration of Holy Communion at 7:30 a.m., family worship and church school at 10:15 a.m.

JEHOVAH WITNESSES
Services for Jehovah's Witnesses will begin at 6 p.m. Sunday in the Kingdom Hall, 500 Donley. The public is invited to attend the Watchtower service.

LUTHERAN
Worship services at St. Paul's Lutheran Church will be conducted at 8:30 a.m. by the Rev. Paul Heckman of Odesa. Sunday school and Bible classes are at 9:30 a.m.

METHODIST
Dr. Jordan Grooms, pastor of First Methodist Church, has announced for his Sunday sermons "The Healing Stream" and "The All-Sufficient Christ."
"Stewardship and Property" and "Just Looking" have been given as the Rev. Royce Womack's sermon topics for Wesley Methodist Church.

MAZARENE
The Rev. W. M. Dorough, minister of The Church of the Nazarenes, will preach on "The Abiding Comforter," John 14:15-21, and "The Cost of Discipleship," Matt. 10:16-40.

PRESBYTERIAN
"What's Right with the Church" will be Dr. R. Gage Lloyd's sermon Sunday morning at First Presbyterian Church. In the evening he will continue his series on "The Apostle's Creed with 'Why Did He Die a Criminal's Death?'" Arthur Williams, student in Austin Theological Seminary, will occupy the pulpit Sunday morning at St. Paul Presbyterian Church. The evening speaker will be Keith Wright.

WEBB AFB
Chaplain Verlin E. Mikesell will have charge of Protestant services at the base chapel at 11 a.m. Sunday, when his topic will be "Immortality on Earth." Sunday school in the chapel annex and adult discussion groups will begin at 9:30 a.m.
Catholic masses will be said at 9 a.m. and 12:15 p.m. Sunday by Chaplain Eugene Clemens. Confessions will be heard Saturday from 10 a.m. to noon, from 7 to 8:30 p.m., and from 8:30 to 9:30 p.m.

The Rise of David

THE LORD CHOSE HIM TO BE ISRAEL'S FUTURE KING

Scripture—1 Samuel 16:1-18:16.
By NEWMAN CAMPBELL
OUR LAST lesson told of King Saul's tragic death after his failure because he turned from God's laws. Today's lesson—about the shepherd boy, David, and his rise to power—takes place while Saul was still king.

The prophet Samuel was mourning for Saul's ways but the Lord told him to go to Bethlehem; that He had rejected Saul. Samuel was afraid to go because, he said, Saul would kill him. But the Lord told him: "Take an heifer with thee, and say, I am come to sacrifice to the Lord. And call Jesse to the sacrifice, and I will show thee what thou shalt do: and thou shalt anoint unto Me him whom I name unto thee."—1 Samuel 16:1-3.

Samuel obeyed the Lord's command and went to Bethlehem. "The elders of the town trembled at his coming, and said, Comest thou here?" Samuel answered them as the Lord told him "and he sanctified Jesse and his sons, and called them to the sacrifice."—1 Samuel 16:4-5.

Now Jesse had eight sons, seven of them passed before Samuel, but none were chosen, for "the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart."—1 Samuel 16:7.

We are all impressed with a handsome person of pleasing personality, but we can only decide his character by his words and deeds. Some of the finest characters in history were not handsome, but their words and deeds brought good to mankind.

Based on copyrighted outlines produced by the Division of Christian Education, National Council of Churches of Christ in the U.S.A., and used by permission. Distributed by King Features Syndicate.

MEMORY VERSE
"Wait on the Lord: be of good courage, and He shall strengthen thine heart: wait, I say, on the Lord."—Psalm 27:14.

evils left the king. He loved David and made him his armor bearer.—1 Samuel 16:14-23.
David did prove himself as a valiant man when he slew the Philistine giant, Goliath, nine feet tall and covered with armor, with a stone which he picked up from the brook and shot from his bag.—1 Samuel 17:49-50.

This brave deed made David very popular with the people, especially with the women, and Saul became jealous of him. He even tried to kill him, but failed. His son, Jonathan, however, loved David "as his own soul," and they made a covenant of eternal friendship.—1 Samuel 18:1-4.
So David rose to become king of Israel because he lived righteously and the Lord was with him.

THE SECRET PLACE

"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty."—Psalms 91:1.

By CLYDE NICHOLS

People Who Talk To Themselves

We all talk to ourselves. Haven't you ever told others: "I debated with myself," "I said to myself," "I had to argue with myself"? Yes, we all talk to ourselves. The question is, what do we say?

Talking to ourselves can be bad. In the Bible we read of a man who talked to himself like this, "I thank God that I am not like other men." Do you ever talk to yourself like that with vain and haughty pride which blinds you to your faults and sins?

Again, we read of a certain rich man whose land brought forth plentifully who said to himself, "Soul, you have ample goods laid up for many years; take your ease, eat, drink, and be merry." But God said to him, "Fool! This night your soul is required of you, and then whose will these things be?"

But talking to ourselves can be good. In the year that King Uzziah died, a young man by the name of Isaiah went up to the temple to pray to God over the death of his king and his nation's loss. There he had a vision of God and for the first time saw himself as he was. And he said to himself, "Woe is me! For I am lost; for I am a man of unclean lips!"

There is hope for us when we can talk to ourselves like that. And Jesus told a story about a wild and reckless lad, a prodigal far from home. Disillusioned and in want he came to himself and said, "I will arise and go to my father." The greatest day in the life of any man is the day he begins to talk to himself like that.

Do we have the faith? One day as Jesus passed through a certain village a woman who had been ill for twelve years said to herself, "If I only touch his garment, I shall be whole." And out of her talking thus to herself, there came the words of Jesus: "Your faith has made you whole."

Do you ever talk to yourself? Try it. It just might change your life!

Evangelist

Carlos Gruber, above, now leading music at the revival at College Baptist Church, is a native of Latvia and lived in Brazil for many years before coming to this country in 1937. He graduated from Sao Paulo college and worked in jungle missions in that state while in Brazil. After coming to the U.S. he graduated from Southwestern Baptist Theological Seminary. He served six years as pastor of the Latvian Baptist Church in New York City. He has worked in more than 200 Baptist revivals.

DEAR ABBY

A TRAVELER

By ABIGAIL VAN BUREN

DEAR ABBY: My father is 74 but he doesn't look his age and lately he hasn't been acting it, either. He's retired and lives a few months here and a few months there. (You might say he "travels.") I heard from my sister in Canton, Ohio, that Daddy was there with his new wife. Last spring he brought his new wife here and they stayed with us. He met her in Florida and said he married her in Cuba. Her name was Maybelle. My sister said he and his wife were there and her name was Della. My husband says if he comes back he'd better bring Maybelle or he isn't going to let him in the house. We never had this kind of trouble with Daddy before and Mamma's been gone 16 years. Can you tell me how to cope with it? DAUGHTER

DEAR DAUGHTER: You had better talk to Daddy like a Dutch Uncle. Either he is not going through formalities of marriage and divorce or he has failed to mention these technicalities. Carrying with assorted make-believe "missuses" (at any age) can land Daddy in the Paddy.

DEAR ABBY: I would like your honest opinion of what I am going to ask you. What do you really think of a husband who is far from perfect himself, who professes great love for you and then tells you to your face that you are ugly without makeup? I have practically lost all feeling for him over this and wonder if possibly I can be wrong. Thank you kindly. UGLY WITHOUT MAKE-UP

DEAR UGLY: Your husband's choice of words is something less than exquisite but I think he means well. Don't be upset over this. Kiss and make up and make-up and kiss!

DEAR ABBY: There is a little

store near us where I have traded for five years. I run a little bill and usually pay at the end of the week. Sometimes I leave a slight balance if I am short. The owner of this store is a man in his fifties. Lately when I go to the store he pats me here and there. I am married and have a family. Sometimes I catch him looking me over. He said once I shouldn't worry about running a bill as my credit was good with him and maybe we could make "a deal." What do you suppose he meant by that? WONDERING

DEAR WONDERING: Never mind what he meant. Do not run any bills with him. Just RUN!

DEAR ABBY: Please don't laugh at my problem as it is very serious with me. I am 20 years old and am engaged to a wonderful man who is studying for the ministry. My little brother (13) has been threatening to tell him something that has bothered me for years and I don't know if (or how) to tell him. You see, my family tells me I snore very loud for a girl. Sincerely,
GIRL SNORER

DEAR GIRL: Why not see an Eye, Ear, Nose and Throat Specialist? Perhaps he can help you. If it can't be helped, don't worry about it. (There is always a possibility that your fiancé snores, too, in which case you could make beautiful music together.)

Want to be popular? Get ABBY'S booklet, "What Every Teenager Wants To Know." Send 25 cents and a large, self-addressed, stamped envelope to ABBY in care of the Big Spring Herald.

For a personal reply, write to ABBY in care of the Big Spring Herald. Enclose a self-addressed, stamped envelope.

'Siberia' Pushes Science Students

BOERNE, Tex. (AP)—Wendell Spreadberry's science class is enough to turn your hair white. Students may find it difficult, but they never forget they're in a scientific race with another power.

Here is one of the questions in a test dreamed up by Spreadberry, a recent University of Texas graduate:

"1. You are the chief chemical engineer for the U.S.S.R., Siberian Branch. You will be liquidated if you fail. You have a substance that has a melting point of 3999 Deg. C. It must be welded. What piece of equipment invented by a Yankee capitalist named Dr. Irving Langmuir would you use?"

A "Russian plot" runs through the test.

"The old commissar has been liquidated. The new commissar now insists that you make metallic copper for the war effort against the free world. You have a large available stockpile of metallic zinc, sulfuric acid and copper oxide. You have plenty of lab equipment and 10,000 slaves from East Germany. Cost is no object.

The commissar is a budding chemist and insists that you give him the formula and diagrams for this operation. Do it by all means."

In order to glean the test for water from his students, Spreadberry continues:

"As you undoubtedly know your by-product is water. Water is scarce in Siberia. The commissar distrusts you (because you are a dirty capitalist). He needs the water for growing his prize Bolshevik petunias. He demands that you drink this water, to see if it is really water . . ."

The petunia plot thickens when student asks him:

"You inform the commissar that rather than risk metal poisoning of his petunias you prefer to distill the water for his flowers, hinting that the distilling apparatus might be rigged to run some vodka. While you are diagramming the distilling apparatus complete with all labels for 3 extra credit points you also explain to the commissar the intricacies of proof measurement in the U.S. and Great Britain."

In another portion of the test the student shows the commissar how to make "instant acids and bases" after the commissar is "ribbing" him (with a four foot saber) about the instant tea and coffee sold in the U.S.

"It is now glorious summer in Siberia," the test continues. ". . . Being an unusual summer the temperature has risen to such a sweltering heat that even the snow has melted and there is a big pond near by that is free of ice. The commissar does not wish to run the distilling apparatus any longer. He states that you will set up the water purification plant. Slave labor immediately builds all the necessary reservoirs, filters, pipes, aerators, etc. Now all you have to do is to effect precipitation of mud in the water. All the necessary chemicals are readily available. You tell the commissar the formula for this operation, noting which chemical is sticky and which is heavy."

And enters the commissar's wife (six feet two inches, 350 pounds) who wants to look like Jayne Mansfield. She wants to bleach her hair, and thus instructor Spreadberry wheedles the formula for bleaching from his students.

The plot concludes:

"The commissar's wife has just received from the imperial central depot a pressure cooker (left over from non-returned U.S. lend-lease during W.W. II). Since you are now known in the camp as a scientific genius, she asks you the reason for the speeded cooking time with a pressure cooker. You explain it to her."

Man-Killing Beast Behaves

TULSA, Okla. (AP) — Dorothy, the man-killing circus elephant whose death sentence was reversed after rousing widespread public interest, traveled as "a perfect lady" yesterday to her new home in Tulsa's Mohawk Zoo.

Zoo director Hugh Davis said Dorothy behaved perfectly on her 200-mile trip by truck from Hugo, winter headquarters of the Carson & Barnes Circus which gave her to the zoo.

Shackled to another female elephant as a precaution, she got a loudly trumpeted welcome from two other pachyderms, Minnie and Gunda.

Scores of curious persons, Davis said, "kept at a safe distance—just in case."

Two weeks ago Dorothy's owners decided she should be destroyed after she killed a trainer and injured another by using them as stools in a headstand act.

Public clamor saved her life.

Speakers Chosen

EL PASO, Tex. (AP) — The accounting and management conference will be held at Pan American College April 28 with Dr. Carole Hayden of the University of Houston and Dr. Daniel Borth of LSU scheduled to speak.

Girls frilly-front blouse in no-iron Dacron-Pima blend. White only. 3 to 6x, 2.50. 7 to 14, 2.98.

Ship'n Shore blouses at Hemphill-Wells

Bateau neck combed cotton mesh knit that keeps its lovely shape. White, blue or black, 2.98.

Smart continental-collared knit shirt with extra-long tails . . . Red, black or white, 2.98.

Shoulder tabs on a pretty birdseye pique scoop neck blouse, white only, 3.50.

Rifle Fire Marks Walkout Violence

HENDERSON, N.C. (AP)—Spontaneous rifle fire peppered the Harriet-Henderson Cotton Mills again Thursday night until second-shift workers left the two plants under heavy police guard.

No injuries were reported.

Operation of a second shift at the plants, struck Nov. 15, has brought criticism from Gov. Luther Hodges, who said he had warned the management it might mean bloodshed.

Shortly before the second shift left at 11 p.m., highway patrolmen fired two parachute flares over the South Henderson plant. Other patrolmen patrolled a back street across from the mill where most of the sniper fire had originated.

Under the brilliant light of the flares and the watchful eyes of the patrolmen, the workers left without incident.

In Raleigh, Gov. Hodges, himself a former textile official, disclosed he had warned mill president, John D. Cooper Jr. April 16 against opening the second shift.

Cooper, who started the second shift April 20, told Hodges that to close the shift would be "an absolute surrender to force and violence."

Gov. Hodges said he released details of his letter to Cooper "to remind Cooper of his personal responsibility for the present difficulty."

Cooper said previously he would close the mills permanently if he had to close down any of the shifts.

The strike began after the company insisted on elimination of an arbitration clause from a new contract with the Textile Workers Union of America. It apparently had been settled April 17.

Union strikers were to be hired on the second shift and a promised third shift. When they arrived Monday, they said, only 30 jobs were available.

Since then, the mills have been targets of rifle fire. A force of 100 highway patrolmen has been recalled.

He's A Problem For Brazil

William A. Douglas, wanted by Oklahoma police and the FBI on cattle stealing and transportation charges, puts his arm around his girl friend, Josette Renee Von Arvevel, at Rio de Janeiro airport, after a third attempt to deport him failed. Douglas fled to Brazil last November and remained at liberty because Brazil has no extradition treaty with the U.S. However, Brazil authorities tried to put him on a plane that would take him in jurisdiction where he could be arrested. Each time failed and last time he raised such a fuss other passengers refused to fly on the plane with him.

City Engineer Applicant Here For Interview

The City Commission interviewed a candidate for the city engineer's job here after Mayor G. W. Dabney's appreciation banquet Thursday night.

The city is seeking a successor for Clifton Bellamy who is resigning. Bellamy, city engineer since 1952, has informed the city manager he will stay until someone can be located to replace him. However, Bellamy urged the city to find someone as soon as possible.

Bellamy is quitting to go into business for himself. Following the banquet Thursday night, the commission interviewed an applicant who is now in graduate school at the University of Texas. No decision was reached, however, since the commission wants to talk to several others before picking one.

In its search for a city attorney, the commission may be in a position to narrow its list of applicants when it meets Tuesday night for a regular session. Results of the state bar examination were to be released Thursday, and several men who have applied for the job here were taking the exam. Naturally, the city didn't want to make a selection before hearing results of the test.

About a dozen men have spoken to city officials about the position. After hearing results of the bar exam, the commission will probably narrow the list to about three and then bring these three out for personal interviews. Wayne Basden was city attorney two years before resigning April 1 to enter private practice here with George Thomas.

BSHS Student Officers Named

Election of student officers for Big Spring High School was completed with run-off voting this morning.

Gordon Dickinson was named first vice president with 178 votes. The office of second vice president went to Kay Crownover, who polled 178. The other candidate was Sherry Lurting, who received 134 votes.

Carol Phillips with 232 votes became recording secretary; and Gloria Coker was elected corresponding secretary with 151. Jeanne Hammon received 107.

Charles Dunagan was elected president on the first go-around Thursday.

Arraignments Slated Monday

Dist. Atty. Gil Jones said that it is planned Monday to arraign a number of the persons indicted earlier this week by the grand jury.

At this session in 118th District Court, attorneys for those who cannot afford counsel will be appointed and the defendants will be asked whether they want to plead guilty or will demand a trial.

Those who indicate they intend to plead guilty to the indictments against them will be returned to the court on Tuesday for sentence, if present plans work out, Jones said.

The grand jury returned 34 indictments involving about 40 defendants in its report on Tuesday afternoon to Judge Charlie Sullivan.

Famous Waters Laid Onto Guests

HARROGATE, England (AP)—Mayor Bernard Wood reached the high point of his speech Thursday welcoming 24 distinguished guests to a luncheon in this favorite watering place in the north of England.

Water came cascading through the ceiling as the cheese and port were being enjoyed. The flood

sent everyone scurrying, including Baron Godber, Vice Adm. Sir Charles Norris and Sir Charles Jocelyn Hambro, a director of the Bank of England.

Two plumbers working on a floor above the dining room had a misunderstanding about who was supposed to turn the water off.

"Harrogate's famous waters were certainly laid on for us," said Lord Godber. "Didn't improve the port, though."

)) TEXAS CHAMPIONS OF FREEDOM ((
Robert M. Williamson
Guardian of the People's Rights

Robert M. Williamson, wise and witty editor, lawyer and statesman of San Felipe, Stephen F. Austin's colony, was respected and loved by his neighbors of early-day Texas. They called him "Three-Legged Willie" because of a stiff knee he always used a very fancy cane. One of the many salty stories told of Three-Legged Willie is dated 1834, when, as the colonists' troubles with Mexico grew to fighting pitch, he and other patriots of San Felipe marched to join the loyal Texans at the Guadalupe River. There his assignment was to protect a precious 4-pounder cannon. A Mexican force under Captain Castañedo arrived to demand the cannon. Williamson hand-lettered a large sign which he placed on the cannon, in full view of the Mexicans. The message on the sign was brief and to the point: "Come and take it!" Captain Castañedo forthwith took his command out of there, pronto.

Lomax Youth Is New 4-H President

Tommy Newman, Lomax 4-H Club leader, is the new president of the Howard County 4-H Club organization. He was elected Thursday night to succeed Rodney Brooks who has served as president for the past year.

The election was at a meeting of the 4-H Club members of the county

in the 118th District Court room. Attendance was the best on record and interest in the 4-H Club program was extremely good, according to Jimmy Taylor, county agent.

Newman was elevated from vice president to the presidency. He has been an outstanding leader in 4-H Club activities for the time he has been affiliated with the organization.

Freddie White of Big Spring was elected as vice president.

Joyce Robinson of Knott was chosen as secretary-reporter. The group consolidated the offices of treasurer and reporter. Formerly each office was held by a separate person.

Adult leaders for the year were elected at the meeting. They are Jess Thornton, Big Spring; M. H. Boatler, Big Spring; Lloyd Robinson, Knott; James Barr of Vincent and Jesse Overton of Forsan. Taylor said 125 persons attended the meeting.

Bruce Frazier, HCJC instructor, showed films made by himself of a recent trip of junior college and high school students to Big Bend National Park.

Uncle Of Local Residents Dies

Mrs. Faye Johnson, W. L. Petty and Mr. and Mrs. J. R. Petty were in Brownwood Thursday to attend funeral services for their uncle, Euwell Brewer. They were accompanied by Mrs. John Bruton of Jal, N. M., a sister-in-law of Mr. Brewer.

Services were held in a Brownwood chapel for Mr. Brewer, 62, who died early Wednesday following a heart attack. He had suffered a heart condition for the past several years but had remained active in May, where he had long resided. Interment was in the May cemetery.

Survivors include his wife; a son, Randall Brewer of Purcell, Okla.; two grandchildren; three brothers and three sisters.

Texas Papers Place In Typographic Test

PHILADELPHIA (AP)—The Goshen (Ind.) News, a newspaper with a circulation of 8,000, was named winner yesterday for a second time of the Ayer cup, awarded for excellence in typography.

The Dallas Morning News and the Snyder (Tex.) Daily News were among papers reaching finals in the 24th annual contest sponsored by N. W. Ayer & Son, an advertising agency.

Civic Theatre Group Installs New Officers

New officers were installed Thursday night at the annual election meeting of the Big Spring Civic Theatre.

Named to the board of governors were John Austin, Hugh Butler McCauley, Bill Sandefur, Mary Archer, Dick Bailey, Jerry McMillen and Helen Mahoney.

According to the theatre group's constitution, board members are elected by the general membership, and other officers are chosen by the new board members from their own number.

The newly-elected governors chose Austin as president, Sandefur as vice president, McCauley as secretary and Bailey as treasurer.

McCauley and Bailey resumed the posts they had held the previous year. Austin was elevated after a year's term as vice president. Sandefur is a comparatively new member of the theatre who has held no office before.

Among other board members, McMillen and Mrs. Mahoney are new.

Highway Unit Meets In Raton

Bill Quimby, Chamber of Commerce manager, and Cecil Hamilton, flying service operator here, were in Raton, N. M., today to help plan for the annual meeting of the U. S. Highway 87 Improvement Assn.

The organization, set up to work for development of U. S. 87 as a four-lane highway, will meet in Raton May 29-30. Principal objective of the association now is the widening of the highway between Raton and Amarillo, since it either is under construction or programmed for four-lane status from Big Spring to Amarillo.

Pat Ryan, manager of the Chamber of Commerce at Lamesa, also is on the planning committee meeting today.

Panamanian Rebels' Arms Cache Found

PANAMA (AP)—National Guardsmen today reported finding a second cache of arms on the beach where Roberto Arias and a rebel band landed six days ago. Arias, fugitive husband of ballerina Dame Margot Fonteyn, was still eluding patrols searching the coast and hills around Santa Clara, 75 miles west of the capital.

The rebels were believed well armed. Several empty boxes which officials said presumably contained rifles were found.

The latest arms cache included 24 pistols, 3 revolvers, 5 loaded cartridge belts and 1,000 rounds of ammunition. A similar cache was found Wednesday.

A government prosecutor said new evidence showed that Dame Margot was aware of her 41-year-old husband's plot to overthrow President Ernesto de la Guardia.

The famed British dancer was expelled from Panama Wednesday after questioning. She professed ignorance of any revolutionary activities. She flew to New York and on to London Thursday,

still refusing to talk about the revolt.

Dist. Atty. Francisco Alvarado told newsmen he would not have let the dancer go had he then had letters found in a beach cottage near Santa Clara Wednesday.

Alvarado said the letters—addressed to the dancer and her husband—were written by Judy Thasham, a British friend living in New York. The letter to Dame Margot said "the plot thickens very much" and referred to "strange calls from Alastair to me." Authorities identified Alastair as a friend of Arias who visited Panama recently.

Officials said a memo found in the cottage showed Arias had drawn more than a half-million dollars in the last 18 months from American movie star John Wayne.

Wayne told newsmen in California he was a long-time friend of Arias and that they were associated in a shrimp company along with other stockholders. He expressed surprise that Arias could be mixed up in any revolutionary activities.

A Large Audience

SYDNEY, Australia (AP)—Billy Graham's crusade headquarters today claimed an attendance of more than one million since he began his Australian crusade Feb. 15.

IT'S NEW!

You can FEEL the difference!

Fresh when you buy it . . . Fresh when you open it . . . Fresh to the very last slice! That's Freshe Bread in the new miracle plastic wrapper. You can actually FEEL the difference.

Stronger . . . seals tight!

This brand-new plastic wrap protects all of Freshe Bread's goodness for days. You'll enjoy the difference, slice after slice.

FEEL THE DIFFERENCE!

STRONGER . . . SEALS TIGHT!

STAYS FRESH LONGER!

NO MORE WASTE!

No More Waste

No more dried up bread halfway through a loaf . . . no more hard, stale end slices . . . NO MORE WASTE.

Stays Fresher longer!

You get a full loaf for your money with EVERY loaf of miracle-wrapped Freshe bread. Freshe bread costs no more than ordinary bread, yet every slice gives you more in flavor. Get new miracle-wrapped Freshe bread today!

MIRACLE PLASTIC WRAP!

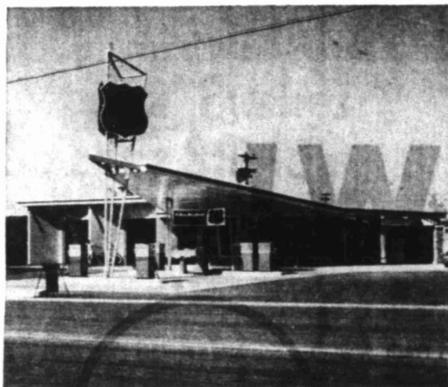

Only 5 States Don't Collect Smoke Tax

WASHINGTON (AP)—A government report showed today the only states not levying taxes on cigarettes in 1958 were California,

Colorado, North Carolina, Oregon and Virginia.

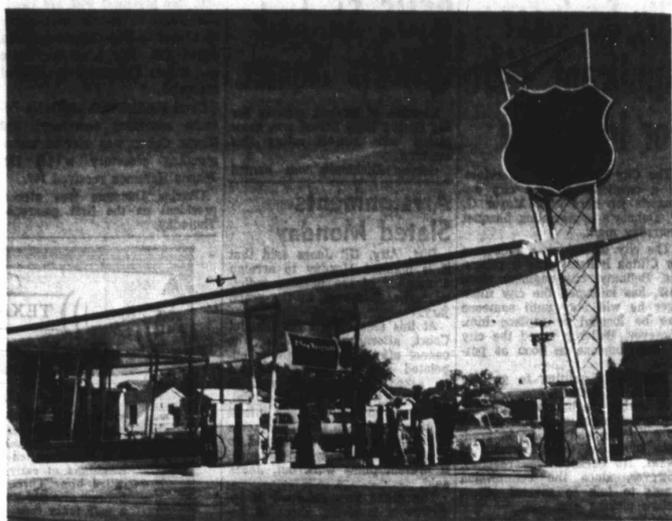

The highest rate on a pack of 20 was 8 cents, levied in Louisiana and Montana. The lowest rate was 2 cents, levied in Missouri, Arizona and the District of Columbia.

NEW STATION HAS MANY UNIQUE FEATURES
 Tom Conway to operate Phillips 66 establishment

Modernistic Service Station To Hold Open House Saturday

Housed in an eye-catching building, unlike any other in the southwest, Tom Conway's new Phillips 66 Service Station at 1811 Gregg, plans a big open house celebration Saturday.

Tom Conway, well known in Big Spring where he has operated service stations for the past decade, extends a cordial welcome to the general public to attend the open house celebration. The event is to introduce the motorists of Big Spring to the most modern and complete Phillips 66 Station in all West Texas.

A complete line of all famous Phillips 66 products will be featured at the station. This includes the renowned Phillips gas, tires, Phil-check lubrication service.

The building in which the station is designed is highly modernistic and is patterned after a plan now becoming popular in Florida. It was constructed by Baker Willis, well known contractor. Featuring six pump stations, the station likewise has an extensive wash and grease rack annex and well lighted, attractive office and display quarters.

Open house at the station begins at 7 a.m. Saturday and extends to 10 p.m. Saturday.

A feature will be a carton of king-size Coco Cola given free with each "fill up" during the day. In addition, when the buyer returns the empty carton of bottles to the station, he becomes en-

itled to a free Phil-check lubrication job. Free cans of machine oil will be given visitors. There will be Coco Colas served free all day to visitors. Balloons will be given boys and girls.

Each hour special surprise prizes will be presented to fortunate customers who happen to be in the station. Lollypops are also to be distributed to the younger visitors.

Conway says the station will feature efficient service, clean rest rooms, courteous assistants and the fine Phillips products.

He will distribute popular Frontier Trading stamps as a regular

feature on all sales. His long experience in the service station business at 3rd and Goliad has made him widely known as one of the best filling station operators in the town.

His employees will be Johnnie Morrison, porter; Clarence E. Smith, R. T. Smith, Gary Jackson, Alvin Huskey, B. J. DeVoy, and James Wrightsell, attendants.

They all extend a cordial invitation to the public to be on hand for the big open house Saturday.

Phillips Petroleum Corp. is expected to send a score or more officials and superintendents to Big Spring from state and district offices to participate in the open house celebration.

Scientists Are Argentine Elite Medic Reports

GALVESTON (AP) — Scientists are the elite in Argentina, a Texas doctor reports after a four-month stay there.

Dr. Wiktor Nowinski returned this month after teaching and lecturing in the South American country. He is on the staff of the University of Texas Medical Branch here.

Dr. Nowinski is director of the Tissue Metabolism Laboratory and associate professor of biochemistry.

He was invited by the Argentine National Research Council to assist Dr. Eduardo de Robertis, world famous electron microscope researcher, in setting up a biochemistry division of the Institute of General Anatomy and Embryology in the University of Buenos Aires.

Dr. Nowinski and his wife were "constantly delighted with the hospitality" shown them.

So popular were his radio interviews that they were broadcast on short wave in seven languages.

Newspaper articles on his teaching and lectures drew such statements as "his dedication to research work and scientific problems have made him go beyond the majority...making him one of the most important scientist in the area of biochemistry of the cell."

And the president of the research council, Dr. Bernardo Houssay, a Nobel Prize winner, called his visit "a successful contribution to our scientists."

Dr. Nowinski said many scientists who left Argentina during the Peron dictatorship have returned.

"The economy is a struggling one, but for scientists, everything they need is given priority," he said.

Senators Vote

WASHINGTON (AP)—Senators Lyndon B. Johnson and Ralph Yarborough voted yesterday with the majority which rejected \$2.39 Big Spring from state and district offices to participate in the open house celebration.

CONGRATULATIONS

To
Tom Conway And Chub McGibbon

STEERS SEEK FIRST 2-4A WIN SATURDAY

One of the surprise teams in the District 2-AAAA baseball race, the San Angelo Bobcats, visit Big Spring Saturday, seeking to hammer the resident Steers deeper into the conference cellar. San Angelo is 2-2 in the league. Big Spring has yet to win in four starts. In the previous meeting between the two clubs, San Angelo routed the Longhorns, 12-2. Game time tomorrow is 2 p.m. The contest starts the second round of play in the double round-robin for both continents.

Odessa, which is now leading the race, scored three unearned runs against the Bobcats last week to knock Jack Wilkinson's team from the ranks of the undefeated. Since that time, the Felines have dropped a 5-3 decision to a good Midland contingent. After losing to San Angelo, the Steers have been defeated by Abilene, 7-2; Odessa, 3-1; and Midland, 5-3, in that order. The Steers will probably get another look at San Angelo's ace hurler, Wedge Turner, a 5-foot-9 160-pounder who can play the outfield when he isn't pitching. Roy Baird, the local coach, is due to send Kenny (Rock) Johnson to the mound. Johnson has won both his starts this year but he's been used only in relief in conference play. He's a right-handed senior. Roy Franklin will receive Turner's slants for San Angelo while Mike Salvato will be at first base, Les Turner at second base, Bud Ewing at shortstop, Tommy Ford at third and Don Hall, Johnny Fought and possibly Frank Willis in the outfield.

Probable starters for Big Spring will be Jimmy Roger behind the plate, Wilson Bell at first base, Bernard McMahon at second, James Kinnman at shortstop, Jackie Thomas at third, Bobby Adams in left field, Bob Andrews in center and Elton Kelley in right. Jay LeFevre will be available for relief work on the mound, in event Johnson can't go the route. The Steers snapped a six-game losing skid last Tuesday, when they rallied in the ninth to defeat Webb AFB, 12-7.

Jack Kearns, the venerable fight manager, is trying to talk up a boxing doubleheader for the Cotton Bowl in Dallas that would pit Archie Moore against Roy Harris and Kenny Lane against Joe Brown. It's more likely such a program would be booked into one of Houston's outdoor arenas rather than Dallas, if it ever were staged. Harris is a native of the Houston area and Brown, a Louisianan by birth, now fights out of Houston. Kearns directs the ring careers of both Moore and Lane.

John Dibrill, the former coach who now sells sporting goods here, coached Don Suman when both were at Schreiner Institute. Suman later became basketball mentor at Rice Institute after a distinguished athletic career at that school. It took Art Wall Jr., seven years to win four tournaments on the pro golf trail. Now, he's won five in the last nine months, including the Master's at Augusta, Ga.

Football teams in Classes AAA, AA and A, along with six and eight-man clubs, can begin fall practice Aug. 24 this year. Class AAAA 11's must wait until Aug. 28 before launching workouts. Class AAAA teams can't play their first games until Sept. 11, or a week after the other contingents are eligible get in their first lifts.

Bob Callahan, who decided against booking that wrestling match in here last Saturday night after getting an okeh from the County Commissioners' Court, reveals his next boxing show is Odessa will pit Lou Carmona of New York City against Pat McCoy of Odessa. The two are lightweight. The bout is scheduled for the night of April 30 in the Ector County coliseum.

The Washington Senators, the American league's "poor folks," lost a \$330,000 television sponsor this year and replaced him with a \$125,000 sponsor. In short, the Senators are going to have to do \$205,000 more business at the gate than they did in '58 in order to do as well financially.

PRICE COMES HIGH NFL Players Win Pension Plan

PHILADELPHIA (AP)—The pro Football Players Assn. won a pension plan from the National Football League, but the price came high to veteran players. Actually, as NFL Commissioner Bert Bell put it, the pension, hospitalization, medical and life insurance plan granted Thursday by league owners "won't cost owners or players a nickel." Bell, of course, was talking about cold cash. The association, in its desire to stick its foot in the fringe benefit door, had to sacrifice most of the present crop of players. Bill Howton, president of the association intimated this when that I can play five more years to qualify for a pension. I probably won't become eligible. A check of NFL rosters discloses that some 200 of the league's 400 plus active players probably won't qualify for the retirement benefits. The plan calls for playing tenure of four years plus one game in a fifth year with everybody starting from scratch in 1959. Thus, no player will be eligible for retirement benefits until 1963. The average career of a pro football player has been calculated at 3.7 years. The new benefit plan as ex-

plained by Bell gives the players hospitalization, medical care, life insurance from \$5,000 to \$20,000 depending on length of service, and the right of any player who is sick and in financial distress to borrow \$1,000. At age 65, a player eligible for retirement benefits will get a percentage per years of service of what is in the accrued fund. The first pension to a pro football player won't be paid for at least 30 years. Bell worked out the pension plan with the help of a Baltimore pension consultant.

Plays Tonight

Jo Ann Howard of Lamesa will be in the lineup when the HJC Jayhawk Queens wind up their volleyball season here this evening against HSU of Abilene. Jo Ann also played basketball for Lamesa. Jo Ann's coach here, Anna Smith, says she considers Miss Howard one of the finest spikers in the state. She was selected on nine all-tournament teams while in high school and was judged the best "all-around" player in the Plainview Tournament in 1957. Miss Howard was the recent recipient of the YMCA Sportsmanship trophy.

Jayhawks Entered In Roswell Meet

The Howard County Junior College track and field team is in Roswell, N. M., today, competing in a dual meet with New Mexico Military Institute. The Jayhawks are repaying a visit the Cadets made here last year. Red Lewis' boys are marking time for the Texas Junior College Conference meet, which takes place in Abilene, starting a week from Monday. The Hawks are favored to win this one handily. NMMI entered the ABC Relays here in late March and finished a lagging fifth to the Hawks, with 21 points. The Cadets do have a splendid broad jumper in Joe Hernandez, who cleared 23 feet 1 1/4 inches here and a good mile relay team in Hernandez, Arnie Duncan, Ray Mauldin and Bill Hicks.

Jordan Tangles With Ex-Champ

By JIM VAN VALKENBURG Associated Press Sports Writer ST. LOUIS (AP)—Don Jordan, a young champion on the way up, pits his speed and skill against Virgil (Honeybear) Akins, a veteran slugger who may be past his peak, in a twice-postponed welterweight championship fight tonight. The oddsmakers call the fight even-5 to 6 and take your pick. This might be because half of them saw Akins destroy Vince Martinez for the title a year ago, and the other half watched him badly outclassed by Jordan in Los Angeles Dec. 5. The fight will start at 10 p.m., EST, and will be nationally televised. The 31-year-old Akins and his handlers must be haunted by the fact the St. Louis fighter has looked bad in all three of his fights since he blasted Martinez for the crown. Both Jordan and Akins have the added incentive of probably big future paydays. Jordan's manager, Don Nesseth, said Jordan likely will meet Art Aragon in Los Angeles if he defeats Akins. Akins could gain a match with ex-champ Carmen Basilio if he wins and looks good doing it. St. Louis promoter Sam Muchnick is talking of an Akins-Basilio outdoor fight in Busch Stadium. Jordan, a 24-year-old part-Apache Indian who was one of 19

17 Area Athletes In Regional Meet

Fortteen Stanton boys and three from Coahoma will represent the area in the Class A Regional track and field meet in Lubbock, which starts today and continues through Saturday. Stanton entries include Tommy Newman, Norman Doneison, John Ray Ory, Jimmy Miller, Leon Mattingly, Dwayne Thompson, Eddie Avery, Floyd Sorley, Buzzy Brewer, Thad Koonce, Paul Petree, Alton Robertson, Robert Turner and Lendon Hightower. Entries from Coahoma will be Paul Graves, Max Kennemer and Ellis Smith.

Lasater Says He Is Ready

R. L. Lasater went through an extended workout yesterday and pronounced himself ready for the Regional track and field meet in Odessa Saturday. The speedy sophomore will be Big Spring's only entry in the big meet, which will host athletes from Districts 1-AAAA (El Paso) and 3-AAAA (Lubbock-Amarillo) as well as 2-AAAA. Lasater will be eligible to run in the 100-yard dash only. If he places first or second in Odessa, he will be eligible to compete in the State Meet at Austin in early May. Lasater pulled up lame in a relay race in the 2-AAAA meet at Odessa last week and, for a while, it was extremely doubtful that he would be able to run this week. Coach Harold Bentley permitted Lasater to give the leg a thorough test Thursday, however, and the results were good.

Grimes To Teach

LUBBOCK, Tex. (AP)—Dennis Grimes, star football and basketball player of Seagraves high school, has signed a letter of intent with Texas Tech.

Warriors Look As If They're Really Serious

By ED WILKS
Associated Press Sports Writer
Is this the year the American League has a pennant race?
Could be. Two weeks have passed and the New York Yankees haven't been in first place yet. Fact is, they're tied for second and trail Cleveland's hatched-swinging Inuits by three games.
What's more, Bob Turley, the Yankees' right-handed ace, has won but once in three decisions, and the world champions' pitching staff has produced just three complete games (two by Whitey Ford) in nine starts.
This is hardly enough to suggest that the AL is going to have a new champ for the first time since 1954, when another band of Indians out-ran the Yankees. But it is enough to have Manager Casey Stengel grumbling to his Yanks that he told 'em so.

At the moment, it looks as though it might be downright tough. The Indians, easily the most improved club in the league, made it nine out of 10 by once more thumping Detroit's timid Tigers, 10-4, Thursday. The Yankees, meanwhile, were defeated 3-2 at Washington as the Senators beat Turley for the first time in four years. Chicago's idle White Sox gained a share of second with New York, while Baltimore took fourth place by turning back Boston 8-7.

Turley, who had won 12 in a row from the Nats since May 30, 1955, was handed his second loss of the season by Bobby Richardson's error in a three-run Washington seventh. Turley, who allowed only three hits, had no-hit the Senators for five innings and had a one-hit shutout until the seventh, when the error gave Washington two unearned runs. Reno Bertola's single counted the clincher.

Russ Kemmerer won his second for the Nats, although giving up eight hits including Mickey Mantle's second homer, and needing Tex Clevenger's two hitless innings of relief.

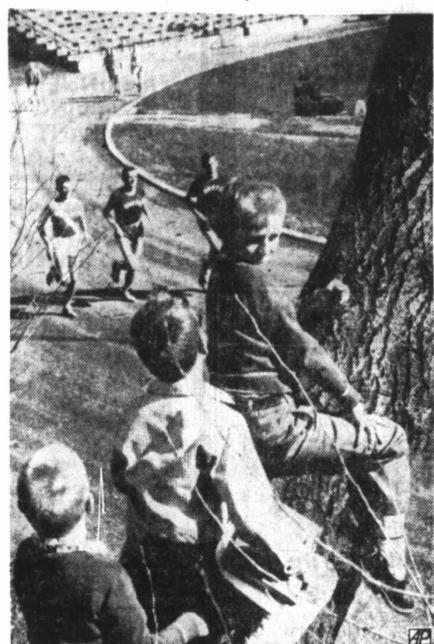

The Indians, who won in '54 while setting an AL record with 111 victories, made it five in a row over the Tigers by sweeping the three-game set at Detroit.
Billy Martin's two-on homer off reliever Jim Bunning put it away for the Tribe in a five-run second inning. Winless Ray Narjeski, traded by Cleveland to Detroit along with Don Mossi for Martin, lost his fourth as the Tigers stumbled through their ninth defeat in 10 starts.

Dick Brodowski (2-0) was the winner in relief of Jim Perry, who was making his major league debut. Brodowski took over in a three-run Tiger fifth and blanked Detroit on three hits the rest of the way. Brodowski hasn't given up a run in 18 2-3 innings of relief since the Tribe brought him up from the minors last season.

Willie Tasby, a favorite for rookie-of-the-year honors in the AL, homered and drove in four runs for the Orioles, singling home the winning run as Baltimore completed a comeback with three runs in the eighth. Ernie Johnson, the Milwaukee castoff, won his second in relief. Leo Kieley (1-1) lost it in relief.

REDLEGS' HOPE IN AS LAWRENCE WINS

By ED WILKS
Associated Press Sports Writer
For the past few seasons, Cincinnati's main weakness has been the pitching, but just can't find it.
Smith found one of his long-lost pitchers last night as Brooks Lawrence, once the big man of the staff, beat Pittsburgh 5-2 with a five-hitter. It was Lawrence's first complete game since the middle of last July, and his first victory as a starter in 10 tries since he blanked Milwaukee 1-0 last July 2.
It was the fourth complete game by the Reds' staff Bob Purkey who and the third full-game victory. This one lifted the Reds to an even split

Look At 'Em Go

These boys cooned a tree to get a glimpse of some of the athletes who will be participating in the Drake Relays at Des Moines. The three runners working out are Barrie Almond, John Macy and Jerry Smart, all of the University of Houston. The boys are from top to bottom, Douglas Mallatt, Billy Eberline and Sherman Mallatt.

Mike Souchak Grabs Lead In Tourney Of Champions

LAS VEGAS, Nev. (AP) — A select array of 26 golf professionals swung away in the second round of the \$46,620 Tournament of Champions today, with Mike Souchak firmly in front.
The big fellow from Grossinger, N. Y., clipped six strokes off the 613-yard 16th hole, and Julius Boros.

Two strokes back was unheralded John McMullin of Alameda, Calif., with a pair of 34s for 68.
Two other dark-horses—Ernie Vossler of Midland, Tex., and veteran Pete Cooper of Lakeland, Fla., were tied at 69, while such pretournament hotshots as Gene Littler and Art Wall Jr., were

down the line — though hardly out of contention.
Littler, landed in a five-way tie at 71, while Wall was even par 72. Deadlocked at 70 were Arnold Palmer, whose round was improved by a hole-in-one on the 613-yard 16th hole, and Julius Boros.

SWC Baseball Race At Halfway Point

By The Associated Press
The Southwest Conference baseball race rolls past the halfway mark this weekend with all six clubs in action in 2-game series.

pitching. The same problem haunted the Reds again this spring, although new manager Mayo Smith admitted "it might be we have the pitching, but just can't find it."
Smith found one of his long-lost pitchers last night as Brooks Lawrence, once the big man of the staff, beat Pittsburgh 5-2 with a five-hitter. It was Lawrence's first complete game since the middle of last July, and his first victory as a starter in 10 tries since he blanked Milwaukee 1-0 last July 2.
It was the fourth complete game by the Reds' staff Bob Purkey who and the third full-game victory. This one lifted the Reds to an even split

League leading Milwaukee.
The Braves, who more or less live on homers, were beaten 4-3 by three Philadelphia home runs as the Phils cut Milwaukee's lead over idle Los Angeles to a half game. The Chicago Cubs whipped St. Louis 6-1.
In the American League, Cleveland walloped Detroit again, 10-4. Washington defeated the New York Yankees 3-2, and Baltimore beat Boston 8-7. The Chicago White Sox were idle, but gained a share of second place with New York, three games behind the Indians.

Lawrence, 34, a big right-hander who won 19 in 1956, 16 in '57 and then fell to an 8-13 record last season, walked but three and allowed only three hits until the ninth. The Buccs scored on a walk and Dick Groat's two-out single in the second inning, then counted in the ninth on two hits and a sacrifice fly.

The Reds, who were 0-2 against George Witt when he won seven straight as a rookie last year, beat the young right-hander for the second time this season. A walk, Gus Bell's double and a single by ex-Buc Frank Thomas junked Witt's shutout in a two-run sixth inning. The Reds then added three in the seventh, with Johnny Temple's double driving in the winner.

All of the runs came on homers at Philadelphia, with the Phils coming from behind on three runs in the ninth. Gene Fosse's second pinch-hit home run—the other was a grand-slam last week-end—followed one of six walks given up by loser Juan Pizarro. Then Gran Hamner put it away with his first home run of the year. Bob Bowman hit the other Phillie homer in the sixth off Pizarro (0-1), who gave up six hits and struck out 11, but walked six.

Eddie Mathews hit his fourth home run for Milwaukee, with a man on in the third inning, and Hank Aaron belted his third in the ninth as Ray Semproch gained his second victory with an eight-hitter.

Don't Knows Win Over No Names

In the Metropolitan Couples bowling league this week, the Don't Knows mashed the No Names, 3-1.
By the same margin, the Kadnars lost to Nabors. Boatler and Pancho split 2-2.
Nabors furnished high team game and series, 799-2282. Don Hale had high men's game, 225, and Spot Cockrell the high series, 576. For the women, Nadene Cortez supplied a 177-439.

Splits were converted by John Sullivan, 2-7; Keith Henderson, 4-7-10; Jean Carter, 5-10; and Dickie Hallbrook, 3-10.

Elsberry Records 456 Series Tab

Hemphill-Wells carted Henderson Cosden farther from the front position in the Thursday Matinee bowling league this week, 4-0. Gillman's crowned Tot 'n Teen, 3-1, and Good Housekeeping overcame Big Spring Hardware, 3-1.
Hemphill-Wells had high team game and series, 930-2656. Clifford Price, far that team, recorded a 179 high individual game with 485 series.

Toby Bumgarner, for Big Spring Hardware, had a second-ranked 178, while Rena Elsberry, Hemphill-Wells, had 456 series.

Takes New Post
CANYON (AP)—Metz Lafollette returns to his alma mater to coach the basketball team at West Texas State.
Lafollette, former West Texas State athlete who has been coaching Seminole High School, succeeds Border Price, who resigned after last season.

LEGAL NOTICE
NOTICE TO BIDDERS
Sealed proposals addressed to Albert K. Steinheimer, City Manager of the City of Big Spring, Texas for the preparation of topographic maps of the City of Big Spring and environs will be received at the office of the City Manager, City Hall, Big Spring, Texas, until 5:00 P. M., Tuesday, May 2, 1959 at which time the proposals will be opened and read aloud.
Any bid received after closing time will be returned unopened. Specifications and contract documents are on file in the office of the City Manager, City Hall, Big Spring, Texas. Copies may be obtained by writing the City Manager or the Purchasing Agent, City Hall, Big Spring, Texas.
Each bid must be accompanied by a Certified or Cashier's check drawn on a responsible bank, or an approved Bidder's Bond, for the guarantee that, if awarded the contract, the Bidder will promptly enter into a Contract and execute a bond on the forms provided, as outlined in the Contract Documents. Certified or Cashier's checks must be made payable to the City of Big Spring, Texas.
A Performance Bond in an amount of not less than one hundred per cent of the contract price, conditioned upon the faithful performance of the Contract and upon payment of all persons supplying labor or furnishing materials, will be required.
In case of ambiguity or lack of clearness in stating prices in the Proposal, the City reserves the right to adopt the most advantageous construction thereof, or to reject the proposal.
The City reserves the right to reject any or all bids or waive any or all formalities. No bid may be withdrawn for a period of 30 days after which bids have been received.

Teachers Attending Sorority Convention

Three members of Delta Kappa Gamma, a sorority for school teachers, are attending the state

convention in Galveston today and Saturday. They are Mrs. Al C. Kloven, Mrs. Cass Hill and Mrs. B. M. Keese. They left Thursday and plan to return here Sunday.

Gielgud Scores Success In Browning Show

By CHARLES MERCER
NEW YORK (AP) — Sir John Gielgud scored an outstanding acting success Thursday night with his American television dramatic debut in "The Browning Version."

The "DuPont Show of the Month" offering on CBS-TV, directed by John Frankenheimer, told the story of a once-brilliant Greek scholar humiliated by a faithless wife, illness, the scorn of his fellow teachers in an English boarding school and the mockery of his students.

Playing Andrew Crocker-Harris is a middle-aged teacher who had no self-pity. Gielgud brilliantly developed a hero from what might have been merely a pathetic character.

Margaret Leighton was superb in the role of his nagging, unfaithful wife Nellie. There were fine performances by Robert Stephens, Cecil Parker, and Rhoden Street.

Although I am not familiar with Terence Rattigan's one-act play, I thought the adaptation by Audrey Gellen and Jacqueline Babbitt was very well done and showed no strain from expansion into a 90-minute drama.

Half Soil Bank Whole Farms

WASHINGTON (AP)—The Agriculture Department said today about half the 23 million acres in the soil bank this year is in the form of whole farms.

The other half represents portions of farms which operators have agreed to hold out of production.

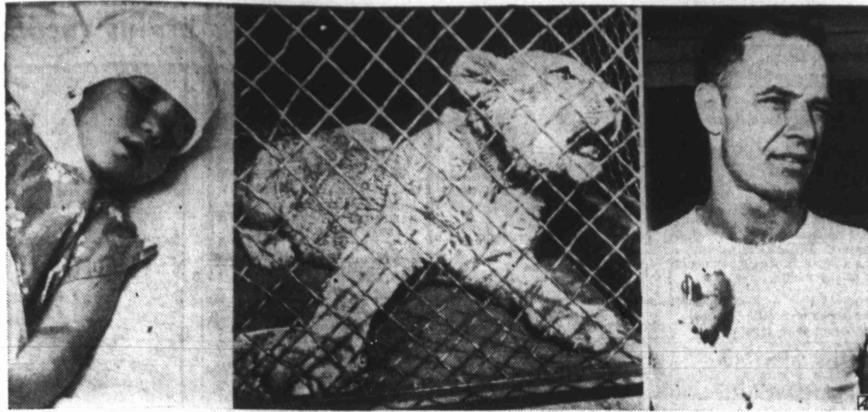

Officials said many of the whole farms were small units incapable of providing operators with a desirable income. They said many operators had found employment elsewhere to supplement rentals which average \$13.50 an acre.

The department said retirement of these whole farms would result in a reduction of about 2,300,000 acres which had been allotted surplus crops under federal control programs. This will help cut down on future surpluses of these crops.

The department hopes to add another five million acres to the soil bank in 1960. Again emphasis will be on whole farms.

Land retired will be held out of production from five to six years, on the average.

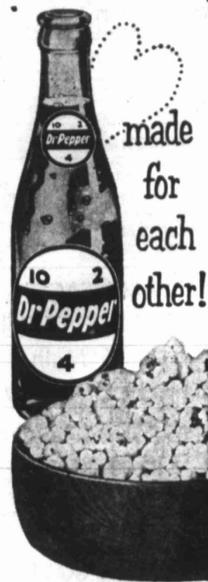

To encourage farmers to put whole farms under the program, the department is offering a 10 per cent higher rental than on parts of farms.

Mauled, Mauler And Rescuer

Two-year-old Johnny Cox, of Memphis, Tenn., lies in a hospital bed, left, in fair condition after being mauled by Butch, a 120-pound lion, center, in a neighbor's back yard. George Templeton, 28, right,

rescued Johnny by forcing the lion's jaws apart with his hands and then kicking it away.

Warm Temperatures, Clear Skies A Pleasant Forecast

By The Associated Press
Clear skies and warm temperatures promised Texans the kind of weekend that pleases everybody except raincoat salesmen.

The Weather Bureau said little or no precipitation was in sight for the next few days, although showers may be on the way to East Texas early next week. The nearest thing to moisture sighted Friday was fog that clung in a few spots along the lower Texas coast and in a small area of South Texas.

The rest of the state was clear,

with early morning temperatures ranging from 43 at Dalhart in the far northern Panhandle to 63 at Galveston on the Gulf Coast.

Readings for the state are due to be about normal for this time of year in the Panhandle and North Texas and two to five degrees above the usual mark in the East, Central, South and Western sections of the state.

Cooler weather is due to begin moving into the Panhandle in the weekend.

Thursday's cloudless skies sent the mercury to 95 in the border

town of Presidio and into the 70s and 80s over the rest of Texas. Galveston had the low maximum with 69 degrees, while El Paso reported 87, Childress 85 and Wichita Falls 82.

Friday's dawn readings included 52 at Lufkin, Amarillo and Texarkana, 53 at Longview, Alice and Cotulla, 54 at San Antonio and Mineral Wells, 55 at Junction, College Station and Tyler, 56 at Fort Worth, Corpus Christi, Austin, Wink, Lubbock and Houston, 57 at Beaumont, 58 at Waco and Dallas, 59 at Laredo, San Angelo and Marfa, 60 at Wichita Falls, Palacios and Brownsville, 61 at Abilene and Childress and 62 at El Paso.

2 Cops Casualties Of Royal Journey

ROME (AP)—Two police so far are casualties of the British royal visit to Rome.

One motorcycle patrolman was hurt in a fall while escorting Princess Margaret sightseeing. Another collided with an automobile while in the princess' escort to a night club.

Queen Mother Elizabeth, visiting here with her younger daughter, thanked the police for their services. But she asked that they save themselves by taking her and Margaret through Rome's busy streets at slower speeds.
