

Fewer Persons On Old Age Rolls, But Benefits Higher

There are 11 fewer persons in Howard County receiving old age assistance checks this year than there were at the same date last year. However, the persons on the rolls are getting a little more money this year than they did in 1958.

Records of the State Department of Public Welfare office in the courthouse show there were 464 persons on the old age benefit rolls as of March 1 — latest date on which statistics are available. On the same date in 1958, there were 475 clients listed.

Last March, the old age beneficiaries received \$24,078. This averaged \$51.89 per person. In March 1958, the 475 clients were paid \$21,882. This averaged \$46.07 per person. Increased allocation per individual accounted for this increase.

J. T. Compton, area supervisor for the Big Spring office, said that the number of persons on the old age rolls stays about even. As death reduces the ranks, new persons become eligible for the benefits.

The state rolls showed 225,196 old age recipients on the rolls as of March 1, 1958, as compared with 224,113 this past March 1. State average payment is now \$57. A year ago it was \$47.11.

There are only four persons receiving aid to the blind payments in Howard County. Last March there were seven. The four get an average check of \$52 this year; last year the average was \$45.86.

Compton said there are 64 families — exactly the same as last year — receiving aid to dependent children. However, he adds, "these are not all the same families." The 64 families have 201 children and total payment for March was \$4,504 — an average of \$70.38 per family. A year ago, there were 207 children. The payments last year averaged \$72.20 per family.

State-wide, there are 6,389 persons receiving blind aid — an increase from 5,993 last March. State average payments this year are \$57 — a year ago they were \$51.04.

There were 25,657 families receiving state aid for dependent children last March as compared with 25,411 this past March.

Nine persons receive aid in Howard County for being totally disabled and dependent. They get an average of \$50.78 per month. In 1958 on March 1 there were only two such cases on the rolls. The average payment was \$43.50.

Compton explained that the program for the disabled was just then getting under way. It expanded rather sharply for a time and then, as funds began to diminish, restrictions were tightened.

EDUCATION REPORT

New Emphasis On Science Is Urged

WASHINGTON (AP)—A jacking up of the entire American educational system, with new emphasis on science was urged by the White House Saturday to help maintain the security of the free world.

Proposed financial outlay by the nation: at least 30 billion dollars a year—or double the present annual expenditure for education.

The call was made by President Eisenhower's Science Advisory Committee in an 18,000-word report entitled "Education for the Age of Science." It was made public with an approving statement by Eisenhower.

The specific recommendations ranged from one urging do-it-yourself science experiments in the home by students after school hours to a suggestion for caravans of science—that is, mobile

museums transported by trailer trucks to bring the story of science to the hinterlands.

In advocating new stress on science, the committee said: "We emphasize that we are not urging that other fields of intellectual importance be reduced or diminished, but only that a proper balance be maintained in our educational offerings. We fear that in the past there has been inadequate emphasis on mathematics and science."

Eisenhower's statement said: "This report makes clear that the strengthening of science and engineering education requires the strengthening of all education. As an excellent statement of educational goals and needs, I hope it will be widely read and that it will stimulate a wider understanding of the importance of excellence in our educational system."

Asserting that the American educational system, "fine as it is in many respects, can be, and as a whole should be, substantially improved," the report offered these five major conclusions:

1. Americans should attach greater value to intellectual excellence.
2. Every school and college should re-examine its curriculum to make sure that it is giving adequate challenge to the intellectual capacities of its students.
3. The nation's people should do far more to enhance the prestige of the teacher and to provide him with more effective support.
4. The country should move much further toward adapting educational programs to the widely varying competence of students and seek especially to meet the needs of the most gifted students.
5. As a nation, "we should improve our scientific education at all levels, attempting to give better understanding of science to the nonscientist as well as to discover and stimulate more individuals who have the talents to become scientists and engineers."

Funeral Monday For W. Butcher

STANTON (SC) — Wallace Reuben Butcher, 50, died in a hospital at Big Spring Friday at 8:15 p.m. after an illness of less than a week.

He had been hospitalized a week ago due to pneumonia but suffered a cerebral hemorrhage subsequently.

The funeral will be held at 2 p.m. Monday in the First Methodist Church here with the Rev. Wallace Kirby, pastor, officiating. He will be assisted by the Rev. W. C. Wright, Baptist pastor, and Elmore Johnson, Church of Christ minister. Burial will be in the Big Spring City Cemetery under the direction of Arrington Funeral Home.

Mr. Butcher was born Nov. 26, 1908 at Texline and came to Stanton from Big Spring in October of 1939. For 20 years he was a parts man and salesman for Stanton Implement Company. On Dec. 20, 1934, he was married in Big Spring, and Mrs. Butcher survives him, as do two sons, Wayne Butcher, Fort Worth, and Jimmy Butcher, Stanton, and one daughter, Connie Butcher, Stanton.

Other survivors are four sisters, Mrs. J. H. Sparks, Odessa, Mrs. Maude McAraney, Amarillo, Mrs. Pearl Aleba, Wichita, Kans., Mrs. George Smith, Boise, Idaho, and one brother, Walter Butcher, San Diego, Calif.

Palbearers will be Carl Clardy, Joe Holland, Garnett Shane, George Cornelius, Durwood Clardy, Troy Langston.

Veteran Editor Killed By Auto

CROCKETT (AP) — William Weston Aiken, 86, editor emeritus of the Crockett Courier - Democrat, was killed Friday night by an automobile as he crossed a street.

Donald Busby, 18, told police Aiken walked into the path of his car during a rain. Busby said he did not see Aiken in time to avoid hitting him.

Cubs Do It Up Brown With Real Country Hoe-Down

A country hoe-down brought activities of the Park Hill P-T-A Cub Scout Pack 13 for the current year to gala conclusion Friday night.

The Park Hill school cafeteria was turned into a replica of a barn for the occasion. Bales of hay, saddles, lanterns and overhead streamers adorned the room.

George Amos was caller and Dens 1, 2 and 3, presented square dances. Parents selected from the audience, with the mothers wearing bonnets and the men in moustaches were featured in two barbershop vocal selections. Jim King's Playboys furnished the music.

Scotty Bassett, Ronny Broadrick and Charles Lacy conducted the opening flag ceremony.

Cubmaster Seth Lacy presented appreciation gifts to the Den Mothers. Receiving the gifts were Mrs. Grady Ramey, Mrs. Lawrence Bassett, Mrs. Gregg Smith and Mrs. Verlin Knous. Gary Don Newsom also presented a gift to Mrs. Bassett from Den 2.

Richard Knous, Michael Stephens, John Findlater, Gary Don Newsom, Charles Lacy, Scotty Bassett, Ronny Broadrick, Don Kasch, Kenneth Chadd, Kent McCarty and James Crowell received achievement awards.

Seventy-five persons were served refreshments. Arrangements for the hoe-down party were made by Dan Krausse, Ed Brown, John Findlater, Seth Lacy, Bob Bonnell and Verlin Knous.

Further Talks Due On Airport Restrictions

Some of the property owners whose land, adjacent to the county airport, is under aviation restrictions imposed by the Civil Aeronautics Authority will probably be before the Howard County Commissioners Court Monday.

A special appraisers committee studied the properties involved and fixed amounts the county should pay for the damages caused.

From reports after the amounts were published it is clear not all of the property owners are satisfied.

Several have called the office of the county judge voicing disagreement with the findings of the special appraisers committee.

Judge Ed Carpenter has told each of these callers the remedy, in the event they feel they should have more compensation, lies in appeals to the county court. However, he informed some of the protestants that they were certainly free, if they chose to come to the regular meeting of the commissioners court on Monday.

The lands concerned are tracts which are in the glide path toward runways on the new airport. The CAA requires all such lands to be under restrictions as to the height of any structures which may be built.

Mrs. Priest Calls For Aid To Crippled

EDINBURG (AP) — Mrs. Ivy Baker Priest, who calls herself the world's biggest banker, urged more money and help for crippled persons Saturday.

She spoke at a banquet of the Hidalgo County Society for Crippled Children and Adults.

She is the treasurer of the United States.

Ackerly Baccalaureate Set Today, Graduation Tuesday

ACKERLY (SC) — Today begins a series of exercises which will climax the year for Ackerly schools.

The baccalaureate will be held at 8 p.m. today in the high school auditorium with the Rev. Bill Watson, pastor of the Ackerly Methodist Church, bringing the message. Music will be furnished by girls from the junior class.

Promotion exercises for the elementary school graduates will be Monday at 8 p.m. with the Rev. J. D. Mabry, Ackerly Baptist pastor, as the speaker. Bill Childers is the valedictorian and Martha Burrow is the salutatorian. Presentation of the diplomas will be by Don Flemming, member of the board.

Dr. W. A. Hunt, president of the Howard County Junior College, will be the principal speaker for the commencement program at 8 p.m. Tuesday. There will be an address from Wanda Sue Coleman, valedictorian with an average of 94.71 and Bryan Adams, salutatorian with an average of 93.74. Buddy Adcock will deliver the farewell, and Dorothy Williams will give the class history. Cliff Prather, high school principal, will present the class as candidates for graduation and Bill Hambrick, president of the board of trustees, will present the diplomas.

Retired Oil Man Taken By Death

TULSA (AP)—Alexander Johnston Sr., retired chairman of the board of Sinclair Crude Oil Co., died Saturday at his home in Tulsa. He was 67.

Johnston joined Sinclair in 1932. He was the brother of the late Gen. Hugh Johnson, who once headed the National Recovery Administration. The brothers spelled their names differently.

COQUILHATVILLE, Belgian Congo (AP)—A Belgian appeals court this week confirmed a life sentence against an African who killed a woman of another tribe and ate her flesh in a festive ceremony.

T&P Sets Pace For Passenger Revenue Gains

The Texas and Pacific Railway Co. topped the nation's railroads in percentage of increase in passenger revenue for the first three months of 1959 as compared with the same period in 1958, according to the Assn. of American Railroads.

T&P's passenger service revenue for the first quarter of 1959 was 23.9 per cent greater than for this same period of 1958.

T&P Passenger Traffic Manager W. G. Harris declared that the increased business on T&P passenger trains is attributed to a number of factors. Among them were the plan for honoring coach tickets in conventional sleepers, the only through Pullman service from Texas to New York and Washington, and arrangements for groups and party movements.

English Title For French Minister

GENEVA (AP)—The Soviets at the Big Four foreign ministers conference have given French Foreign Minister Maurice Couve de Murville an English title. Their interpreter invariably refers to him as Sir Couve de Murville. Sir is a British handle for knights and baronets.

Study Grants For Teachers

Asst. Supt. S. M. Anderson points to a description of one of the summer study grants received by four faculty members of the Big Spring schools. Seated left to right are Bennie Pierson, high school counselor and assistant principal; Mrs. Billye Harrel, junior high counselor; and Doyle Sparks, junior high teacher. Pierson and Mrs. Harrel received grants for post graduate studies in counseling and guidance, and both will enroll at Texas Tech. Sparks received a grant for biology study and also will go to Tech. Another teacher, Colleen Slaughter, has received a grant for graduate study in foreign languages and will enroll at the University of Michigan. The grants were provided through the National Defense Education Act.

172 Seniors Are Candidates For Diplomas Here On June 1

Graduation exercises for 172 Big Spring High School seniors will open next week. There are 86 boys and 86 girls in the class. Baccalaureate services are set for 8 p.m. next Sunday in Memorial Stadium, on the junior college campus. Commencement is to be held Monday, June 1, also in the stadium.

The Rev. Weldon Stephenson, fourth director and assistant pastor at First Methodist Church, has been chosen to deliver the senior sermon.

Students will have charge of the commencement program. Honor graduates haven't been

determined, said Principal Roy Worley. Final examinations are to begin tomorrow and the valedictorian and salutatorian will not be determined until grades are in, the principal explained.

The professional for the baccalaureate will be played by Janace Kirby, and Beverly Osborn will play the recessional. Barry Clayton has been chosen to lead the invocation; Franklin Williamson will lead the benediction.

Carolyn Duckett, accompanied by Nora Lea Horton will sing a solo. Lynn Anderson will have a reading.

Upper Respiratory Ailment Prevalent

Thirty cases of upper respiratory trouble topped the weekly communicable disease report as compiled by the City-County Health Unit.

The 30 upper respiratory cases compared with 24 for the previous week. Eighteen cases of influenza were reported last week, compared with 31 for the prior week. Eighteen persons were also affected by strept-throat, and 14 had measles.

Seven had mumps, and five took chicken pox. Two each cases of pertussis and scarlet fever completed the report.

Commencement professional and recessional will be played by Beverly Alexander and Mike Jarratt. Pat Rogers and James Howard Stevens will lead the invocation and benediction. The school song will be sung by the senior class, accompanied by Christine Brownlee. A triple trio, composed of Charron Creighton, Charlene Campbell, Glenda Greenwood, Sandy Hale, June McElrath, Mary Oliphant, Judy Reagan, Judi Shields, and Katie Thomas, will sing, "May the Good Lord Bless and Keep You."

Supt. Floyd Parsons will preside, and speeches will be made by Benry McCrary, class president, Bill Parsons, and Toni Thomas. Three retiring school board members will present the diplomas.

Over 800 Bid For Degrees At Tech

LUBBOCK — More than 800 Texas Tech students are candidates for degrees at the institution's 33rd annual spring commencement June 1.

Fred F. Florence, Dallas banker, will be principal speaker during the ceremonies at 8 p.m. in Jones Stadium.

Baccalaureate services are scheduled for 8 p.m. May 31 in the same place, with Dr. William M. Elliott Jr., pastor of Highland Park Presbyterian Church, Dallas, as speaker.

Other major events will include a reception by Tech President and Mrs. E. N. Jones for degree candidates, families and friends the afternoon of May 31 and the commissioning of 40 Air Force and Army ROTC cadets the morning of June 1.

Mishap Is Fatal

CROSBYTON, Tex. (AP)—Fred Humble, 48, of Post, died Friday night when his pickup truck overturned south of here.

JC Ceremonies Starting Today

Commencement day is right around the corner for the 48 prospective graduates of Howard County Junior College.

Baccalaureate services for the class will be this afternoon at 4 and the annual commencement banquet will be in the Dora Roberts Student Union at 7 p.m. next Thursday.

Today's activities will feature a sermon by the Rev. William D. Boyd, rector of St. Mary's Episcopal Church.

The speaker on Thursday night at the commencement banquet will be Dr. James W. Reynolds, professor of junior college education, University of Texas, and editor of "Junior College Journal." He was recently named as president-elect of the Higher Education Assn.

This afternoon's baccalaureate services will be in the College Auditorium.

Mrs. Marjorie Rainwater is to play the professional. The song will be the hymn "Holy, Holy, Holy." The Rev. V. Ward Jackson, pastor of the First Church of God, will ask the invocation.

The HCJC Choir, directed by Ira Schantz, with Jack Herdrix at the piano, will sing "The Last Words of David" by Thompson. Dr. Jordan Grooms, pastor of First Methodist Church, will read the Scripture and the Rev. D. R. Phillely, Phillips Memorial Baptist Church, will offer a prayer. A song "O Worship the King" will be followed by the Rev. Boyd's sermon.

Thomas E. Cudd, minister of the 14th and Main Church of Christ will pronounce the benediction. Mrs. Rainwater will play the recessional.

In accordance with custom, the graduation itself will take the form of a banquet. Invocation for the dinner will be by Dr. P. D. O'Brien, First Baptist Church.

Miss Patsy Palmer will sing "Let This Mind Be in You," accompanied by Mr. Hendrix.

Horace Garrett, president of the HCJC board, will extend the wel-

COSDEN PETROLEUM CORP.'S NEW HANGAR TAKING SHAPE
Building is biggest at new Howard County Airport

100-FOOT STEEL GIRDELS SPAN COSDEN HANGAR
Workmen adding sheathing to new airport structure

\$40,000 STRUCTURE

Cosden's Big Hangar Nearly Finished At County Airport

Howard County airport's biggest and most imposing edifice is rapidly nearing completion.

It is the private hangar being erected by Cosden Petroleum Corp. on land leased from the county for that purpose.

The all-steel hangar and its annex will be ready for occupancy within the next few weeks, according to Jack Gully of Cosden.

The main building is 100-by-100 feet in size. It is all steel, pierced by numerous windows and with a roof interspersed with special skylight devices to bring in additional illumination. It will have a concrete floor and there are no sup-

porting girders on the inside of the building.

Connected to it on the south will be a 60-foot by 20-foot annex. This will house offices, a reception room, rest rooms and a small shop.

The entire structure will be illuminated. A fuel storage tank will be placed at the rear of the annex and planes will be serviced from a pump just to the right of the main hangar door.

The hangar is located south of the county-built T hangars. It fronts directly on the apron leading to the runways. It will have inside clearance of more than 20 feet.

Cosden has run in its own pri-

vate water lines and utility connections.

Stanford Engineering Co., Midland, is contractor. Cost of the hangar will run in excess of \$40,000. When it is completed and the airport is in operation Cosden company planes will be established there.

Planner Begins Land Use Study

Marvin Springer, Dallas planner handling the city's comprehensive master plan, reported Saturday that work is now proceeding on zoning and land use matters.

Springer made a trip to Big Spring last week to pick up additional data to help him with his planning.

He reported that the field work has been completed on the land use survey, and his staff is now preparing a new base map of the city and surrounding area on which to present this information. Land use pertains to a study of present urban layouts, plus projection of future land use needs. Naturally, said Springer, the recommendations on land use will not be made until the economic survey conducted by the Bureau of Business Research, of the University of Texas, has been completed.

This economic survey will help determine trends in population and economic growth, which have a pronounced bearing on land use. Springer is also gathering data for making some zoning recommendations, and he said that within a few weeks, he will begin assembling information concerning the highway and street system as a part of his thoroughfare study. This thoroughfare study will also partially depend on the economic survey.

Two Accidents

Two accidents were investigated Friday by the police department. At 4th and Gregg, Venora Williams, 810 Ohio, and Robert Davis, 1207 W. 6th, were in collision. Ruth Wilcox, 611 Caylor, and P. M. Burrow, Crawford Hotel, were in an accident at 3rd and San Jacinto.

Bikes Stolen

Two tires and a bicycle were reported stolen Friday. The two tires were taken from a car owned by C. R. Johnson. The car was parked at 4th and Bell at the time of the theft. The bicycle was taken from a Mrs. Lawson, 600 NW 8th.

Secretaries Rank Second In Contest

The Big Spring chapter of the National Secretaries' Association won third place in the educational contest the Texas-Louisiana division meeting in Houston last week.

The Huisache chapter at Port Lavaca ranked first with 32 percent of its members taking the Certified Professional Secretary examinations. Big Spring had ranked third in the contest last year, and the Caprock chapter at Lubbock ranked third this year. Each of the winning chapters received a certificate and a book for the CPS library. Shreveport, La., topped the contest for percentage membership increase and received six silver candelabra.

New chapters introduced were Mineral Wells, Waco, San Angelo, Port Lavaca, Midland. Division officers named were Mrs. Illien Austin, Houston, president; Mrs. Irene McCormack, Port Lavaca, first vice president; Mrs. Myrtle Joachim, Beaumont, second vice president; Mrs. Alice Powell, Austin, secretary; Hilda Poppel, New Orleans, treasurer. Mrs. Marie Bishop, Oakland, Calif., candidate for the national presidency, and Larine George, Los Angeles, candidate for Southwestern district vice president, were guests.

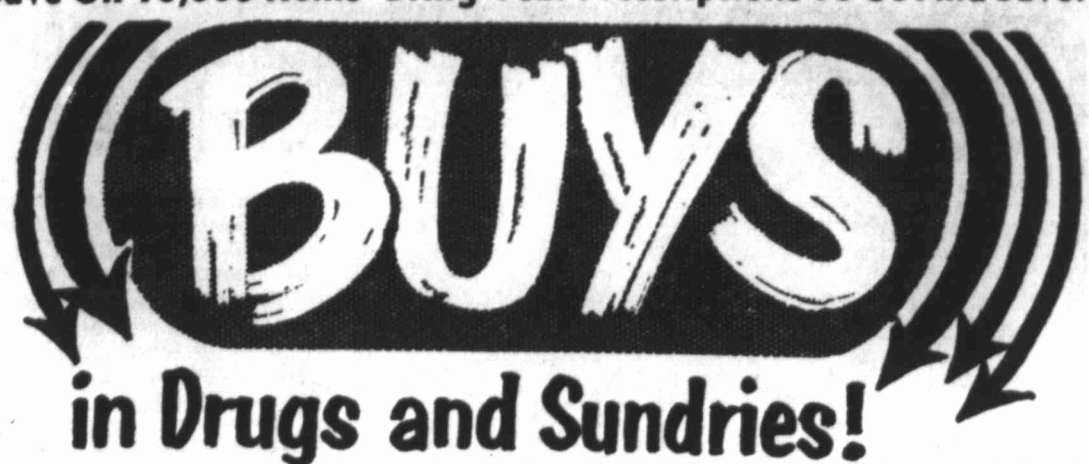

Mrs. Dorothea Kain, local delegate, was among the Secretaries-of-the-Year introduced during the meeting. Mrs. Kain remained in Houston to take a charm course at the Patricia Stevens Finishing and Charm School in Houston; she had won the scholarship previously at a seminary.

Harold Weaver To Get Doctor's Degree

Harold Lareau Weaver, Big Spring, is among the candidates for a Doctor of Medicine degree at the University of Texas Southwestern Medical School commencement on June 1.

Exercises will be held in the Sheraton Hotel ballroom with Dr. Melvin A. Casberg, University vice president for medical affairs, as the speaker. Weaver is the son of Mrs. Nellie L. Weaver. His father, the late Dr. Glenn Weaver, served as assistant superintendent of the Big Spring State Hospital, more than a decade ago.

ELIZABETH STONE

GLENN JOE RILEY

Honor Students At Garden City Named

GARDEN CITY — Elizabeth Stone is valedictorian and Glenn Joe Riley is salutatorian of the 1959 graduating class at Garden City High School this year.

Elizabeth, daughter of Mr. and Mrs. O. P. Stone, has a grade average of 91.74 for her high school career. Glenn Joe, son of Mr. and Mrs. Glenn Riley, has an average of 87.5.

Leader of the eighth grade class is Margaret Jo Cook, daughter of Mr. and Mrs. Jack Cook. Ranking second in that group, which will enter high school next fall, is Reta Carl Hardy, daughter of Mr. and Mrs. Lloyd Hardy.

There are nine students in the senior class, and 12 are graduating into high school.

Baccalaureate services are to be held for the high school at 8

p.m. today in the First Baptist Church with the pastor, the Rev. Jack Webb, to be the speaker.

Commencement exercises are to be held at 8 p.m. Tuesday in the school auditorium. Dr. Marvin Baker, assistant to the president of Howard County Junior College, will be the speaker.

Elementary school graduation is set for 8 p.m. Monday, also in the school auditorium, and D. N. Flint of Sterling City will speak.

School picnics are to be held Monday. High school pupils will go to San Angelo, the junior high group to Midland, and elementary students will take their outing in Big Spring.

Three Boys Receive Cub Scout Awards

Three boys got awards at the monthly meeting of Cub Scout Pack No. 1 at Airport School last week.

Billy Devries received his Bear badge and Rodney Buchanan got one gold and two silver arrows. Perry Gamble was given a Bobcat badge.

Mrs. Leo Frank's Den 5 was awarded the attendance cup.

College Budget Due To Show Overrun

With one month of the regular term to go, Howard County Junior College has a balance of \$90,859 in the general and county and state fund. However, overruns in the capital improvement and contingency funds is due to create a budget deficit at the end of the fiscal year on Aug. 31.

Expenses from the general fund in April were \$37,581 where as receipts were only \$2,759. A similar ratio for May—and there is not due to be any great difference in receipts—would mean a reduction of the balances to about \$45,000. Revenue will be stepped up in two of the summer school months, but hardly to the point of matching expenses. Moreover, the tax and the state subsidy accounts are either met or over their anticipated yields.

The capital expenditures for the first eight months of the fiscal year are \$9,779 over the budgeted amount for the entire year. Similarly, the contingency fund account is \$16,710 over its allotment for the year, an average of \$26,489 in the two. This excess over the budget outlay is due to provision for furniture in the new student union building, other equipment and furnishings, and some expense connected with the dormitories.

Based on the picture at the end

of April, the net overrun at the end of the fiscal year may be less than previously anticipated.

The April receipts, half of which came from cafeteria sales, brought the year's figure to \$384,731, which is only \$554 under the total anticipated for the entire year. Only the tuition total is substantially under estimates—\$3,920 under—but summer school will make this estimate mighty close.

By accounts, the general fund disbursements for April and for the first eight months of the school year were as follows:

Administrative \$3,312 and \$26,617; general \$5,452 and \$42,094; instructional \$16,696 and \$118,350; library \$1,211 and \$8,906; auxiliary enterprises \$2,844 and \$33,444; refunds \$46 and \$1,955; plant operation \$4,584 and \$34,295; capital expenditures \$963 and \$16,718; contingencies \$2,251 and \$25,497; fixed charges \$220 and \$5,631; total \$37,581 and \$313,591.

There were no disbursements from the interest and sinking fund, which left the total for the year at \$29,993. Another \$50,579 is due before the end of the year, but the fund has a balance of \$53,286.

Disbursements from the dormitory construction fund stand at \$273,335, which leaves a balance of \$305,862.

Area Medical Chief Due At VA Hospital

Dr. Charles H. Beasley, who supervises Veterans Administration medical activities in Texas and seven other states, will spend four days in Big Spring this week.

Dr. Beasley is medical director for the VA's St. Louis Area and supervises 31 hospitals and 10 outpatient clinics. He will arrive here Monday and will look over Big Spring VA Hospital operations and confer with officials for four days, said Dr. J. H. Friedlander, local manager.

Beasley was appointed area medical director on May 1, 1949, when the St. Louis office was activated by the Veterans Administration.

A native of Kentucky, he moved to East St. Louis, Illinois as a boy and was graduated from high school there. He received his pre-medical education and his degree of doctor of medicine from Washington University, St. Louis. After his graduation in 1925, he was commissioned in the Army Medical Corps from which he retired in 1947 as a colonel. He served in World Wars I and II.

He has served on the surgical staffs of Walter Reed General Hospital, Washington, D. C.; Letterman General Hospital, San Francisco; Triple General Hospital, Honolulu; U. S. Military Academy Station Hospital, West Point, N. Y.; and the Command and General Staff School Station Hospital, Ft. Leavenworth, Kansas, where he was on duty shortly before going overseas in 1941. Sent overseas before this coun-

try became officially involved in the war, Col. Beasley served as surgeon of the Iceland Base Command, 1941 to 1943 when he went to England as surgeon of the Eastern Base Section.

When the time arrived for the specific planning and training of units for the invasion of Europe, he was selected as surgeon of the Advance Section, Communication Zone, which was to furnish medical support, including the hospitalization and evacuation of casualties for three armies on the continent.

He retained this position through the European war and his organization established numerous hospitals from Normandy across the continent into Germany, evacuated and hospitalized hundreds of thousands of tons of medical supplies and equipment.

Dr. Beasley left Europe in July 1945. He was awarded the Legion of Merit, the Bronze Star, Croix De Guerre and Order of Leopold medals. He is a Fellow of the American College of Surgeons, a member of the American Medical Assn., and Military Surgeons.

Pipes And McCullah In Tourney Finals

Two veteran campaigners, John Pipes and R. S. (Red) McCullah, have moved into the finals of the annual City Golf Tournament.

Bailey, 4 and 3, in his semi-final test Saturday. Wright had staged the biggest upset of the meet on Friday when he sidled the four-time champion, Bobby Wright, 2-up, in quarter-final play.

Pipes' quarterfinal conquest was Jack Starnes and that by a score of 3 and 1. McCullah turned back Bernard Rains on Friday, 3 and 2; while Bailey earned the right to meet McCullah in the semi-finals by getting Red in the semi-finals by getting

by the tournament medalist, Jimmy Newsom, 3 and 2, on Friday. Wright had Bryan one up at the turn in their match but Weldon kept plugging away and finally came home the winner.

Intentionally Wins Withers Mile; Favorite Is Seventh

NEW YORK (AP)—Intentionally, a black colt owned by the Brookfield Farms of Harry Isaacs, Baltimore sportsman, overtook the pace-setting Crafty Skipper on the turn for home Saturday and went on to capture the \$90,650 Withers Mile at Belmont Park by three lengths.

Emil Dolce's Manassa Mauler, who upset First Landing in the Wood Memorial at Jamaica last month, finished second. Howard F. Keck's Bagdad, an invader from California tracks, came up from far back to collect third money, four and a half lengths back of Manassa Mauler. The Charfran Stable's Crafty Skipper.

Manuel Ycaza, the Panamanian jockey who replaced the suspended Bill Hartack, rode Intentionally. It was his third victory in six races on the program.

Beaumont Moves Into Playoffs

BEAUMONT (AP)—Beaumont High of Dist. 11-AAAA will advance to the regional high school baseball playoffs as a result of a coin toss here Saturday. The Purples and Galena Park of Dist. 12-AAAA each won one game in their best-of-three series. The other, scheduled Saturday, was rained out.

Jorgensen Meets Tibbs On June 2

BEAUMONT, Tex. (AP)—Paul Jorgensen, fifth-ranked featherweight, will meet Tommy Tibbs of Boston in a 10-round fight here June 2. Tibbs is New England lightweight champion and has fought 30 professional bouts. He holds three decisions over Harold Gomes, who won over Jorgensen several months ago.

Cardinals Stomp Veterans, 17-5

Charles Burdette and Ricky Earle divided time on the mound as the Cardinals ripped the Veterans of Foreign Wars, 17-5, in a National Little League baseball game here Saturday night. Burdette, the winner, helped his own cause by collecting four hits. The two of them limited VFW to a meagre three safeties and no one on the losing club got more than one blow.

Fred Mears Hurls, Bats Jets To Sixth Victory

Freddie Mears pitched and batted the Jets to their sixth straight American Little League victory here Saturday night, beating the Colts, 4-0. Mears drove out two doubles and a single to account for half the hits his team got. No one else on the team managed more than one hit.

OLYMPIC PROSPECTS ABOUND IN STATE

DALLAS (AP) — Texas, noted for its sprinters, is coming up with more Olympic prospects than ever before. There are three potentials. One of them, Bobby Morrow, already has been to the Games, won everything he tried and is aiming at a return. The other two are the freshman sensation, Sidney Garton of East Texas State, and squat Bill Woodhouse of Abilene Christian, who has included such greats as Morrow among his victims.

LOOKING 'EM OVER

With Tommy Hart

DAVIS EVANS RYAN COLLINS

Harold Davis, the long-time Howard County Junior College mentor, was to fly to El Paso this weekend to be interviewed for the head basketball coaching job at Texas Western College. The post was vacated recently by George McCarthy. San Angelo's Phil George was also being considered for the job. The loss of Davis, who has built many friendships in his 11-year stay here, would be felt by the community. Bobby Davis, the all-state cager for HCJC last season, will go to the El Paso school if Davis takes the job. Benny Carver and Gilbert Bell, other HCJC regulars last season, will probably wind up at Eastern New Mexico University in Portales. Cus D'Amato, manager of Heavyweight boxing champion Floyd Patterson, can't drive an automobile. One of his favorite instruments is the telephone. Sometimes, his phone bill runs as much as \$1,500 a month. The Maroons, with Big Spring's Charley Johnson at the controls, defeated the Whites, 34-26, in the recent spring football games at New Mexico State University. The Aggies will be among the favorites in the Border Conference race next fall. When L. L. (Red) Lewis, the HCJC track mentor, played football at Decatur Junior College, his first coach was named John Ford, no relation to the passing ace of the same name who was later to make good at Red's alma mater, Hardin-Simmons. Red later coached several all-state players at Decatur College, among them end Jack Noble, back Chuck Turner and back John Price. The home attendance of the Milwaukee Braves is averaging nearly 6,000 a game fewer than it did a year ago at this time and the Braves may lure no more than 1,800,000 through the turnstiles. In the six-year period ending last season, Milwaukee drew a total paid turnout of 12,196,457, more than 3,000,000 above what any other National League club did in a like period. The Big Spring Tigers lost no fewer than 11 baseballs during their game with Carlsbad here last Sunday.

Come Ready To Sign, Says Frankie

Johnnie Frankie, the basketball coach at Rice Institute, invited the Big Spring ace, Bill Thompson, down for a visit this weekend and told him to be ready to sign a letter-of-intent. Bobby Sutton, the Ozama grid great who signed with Baylor recently, could be the most versatile footballer in the history of the Southwest Conference. Local fans who saw him perform against Plains in that playoff game here last fall were mightily impressed with his many talents. He'll, no doubt, be compared to Texas University's famed Jackie Crain as a ball juggler before he's through. Ben Kerner, owner of the St. Louis franchise in the National Basketball Association, says he would have peddled the club for \$50,000 before he left Milwaukee. Now, he says he wouldn't sell for the Hawks for a million dollars. He was in pro basketball 15 years before he hit it rich. The Hawks drew more than 300,000 paying customers at home in the season just closed.

Patterson Wants Shirey For Baylor

Jack Patterson, the Baylor track mentor, has been trying to talk HCJC's Delbert Shirey into attending his school but Delbert will probably wind up at Texas Tech. Not many remember, perhaps, that Jack once served as an assistant coach under Jewell Wallace at San Angelo High School back in the '40's. He was a fine hurdler in his time. In fact, was one of the three men ever to beat the great Fred Walcott in the hurdles. The surge of the Texas Aggies to the Southwest Conference baseball championship was truly amazing, when one considers the fact that at one stage of the race Texas had an 8-1 record, whereas Texas A&M was only 4-4. John Perry Yates, the coaching aide here, will sell swimming pools this summer. Connie Ryan, the former big league player, is setting up dealerships in a new firm which specializes in ready-made car parts and patios. A senior college and a junior college had Big Spring High School Coach Vernon Harton in for interviews about cage jobs recently but Vernon isn't particularly interested in departing here. In the basketball workouts Harton has been conducting recently, Bobby Evans has shown the most improvement and should play well enough to get all-district consideration next season. Jay LeFevre has come a long way since last season, too. Lubbock Monterey, which finished no higher than sixth in the District 3-AAAA race, whereas Tom S. Lubbock, flattered by the Steers, wound up third in the race. Monterey and Tom S. each played 29 games, more than any other team in the conference. This for the benefit of the dedicated fishermen: Alaska, our newest state, has 4,850

Miteff Can Fight But He Forgets Mission Oftimes

NEW YORK (AP) — Alex Miteff can jab, punch, move and box. The only trouble is he forgets to do it sometimes. Like Friday night in his winning bout with substitute Wayne Bethea at Madison Square Garden. The 24-year-old heavyweight from Argentina started like a whiz in the middle rounds he slowed down to a walk and plodded home, the winner on a unanimous decision. "What happened to that jab you were using in the first round?" a fellow asked. "I just forgot about it," he tried to explain. "Why did you slow down in the middle rounds?" "He butted me with his head in the fourth and I had trouble breathing." "Why didn't you keep on punching like you did at the start?" "I hurt my hand right index finger in the fifth." Miteff won easily on two cards 7-3 by Referee Ruby Goldstein and Judge Frank Forbes but Judge Artie Aldala made it close 5-4-1. The AP card was 7-2-1. However, this was not one of Miteff's better fights. He needed work and Bethea, a steady plodder who surprised with an occasional

Comets Retain League Lead

The Comets maintained their position above International Little League standings by edging the T-Birds, 5-3, at Webb AFB Friday night. Mike Turner pitched the victory, yielding only four hits to the T-Birds. Two of those were to infielder William Homberg. Turner struck out 13 and walked only three. The Comets trailed, 2-0, going into the fourth but exploded for four tallies in that inning. Mike Mosley delivered the big blow in the round, a two-run double. Mosley also had another double in the game. David Bahn, the T-Birds' first baseman, executed an unassisted double play during the game. David Roberson and John Mercer divided time on the mound for three free passes and batted two. Mercer did not walk a batter and struck out five.

Braves Trounced By Yanks, 10-3

In National Little League play Friday night the Yankees were back in the groove with a 10-3 pasting of the Braves. The Yanks scored all of their runs in the first two innings, six in the initial frame. Ricky McCarron got the pitching victory and Paul Soldan was saddled with the loss. With the victory, the Yankees moved into a 3-3 standing. Gene Sturm of the Braves got the only extra-base hit, a double in the third inning for two runs. The Ramblers won the minor league tilt, 23-14, from the Red Caps.

Cubs Decided By Stars, 10-4

The hapless Cubs dropped their fifth game in the American Little League here Friday night, 10-4, to the Stars. The Stars thus brought their standing to a 500 mark with three wins, three losses. The Cubs have won one. Gary Mearns was losing pitcher, striking out three, walking five and hitting one. He did a credible job for his team in hitting two singles. But teammate Bruce Belamy had the biggest blow, a one-run homer in the fifth. Doyle Irwin, winning pitcher, fanned seven and walked only three. The Star's Larry Helton had a single and a double.

Tri-Captains Are Named At Stanton

STANTON — Tri-captains of the 1959 football squad of Stanton High School are Dwayne Thompson, Norman Donelson and Buzzy Brewer. The captains were elected recently by the squad for the new school year. Thompson is the son of Mr. and Mrs. Owen Thompson. Parents of Donelson are Mr. and Mrs. Aaron Donelson and Brewer is the son of Mr. and Mrs. John Brewer. All are residents of Stanton.

Massingale Heads Amateur Tourney

SAN ANTONIO (AP) — Defending champion Don Massingale of Jacksboro heads a long list of winners of the Texas Amateur Golf Championship who will bid for another title in the 1959 state tournament to be played June 3-7 at San Antonio's Oak Hills Country Club. Among the entries already registered are four former champions from Dallas—Jack Munger, Don Schumacher and the father-son combination of David (Spec) Goldman and David Goldman Jr. Dickie Cannon of San Angelo, runner-up to Massingale last summer, also has signed for the tourney.

Victoria Has A New Ruth

VICTORIA (AP) — Legendary feats of a giant who is labeled the "Next Babe Ruth" are making Victoria baseball mad. He's Frank Howard, who hits home runs more than 500 feet and is ahead of the pace of the record holder in the Texas League—Ken Guettler, who slugged 62 three years ago. The right-handed hitting outfielder has pounded 19 home runs in 39 games and driven in 51 runs while batting .355. At the rate of a homer every two games he can smash 73 for the season. That would topple the all-time record of 72 set in 1954 by Joe Bauman of Roswell in the Longhorn League. Pete Reiser, former Brooklyn outfielder is manager of Victoria, a Los Angeles farm club. Reiser has been handling Howard for two years. Last year it was at Green Bay in the Three-I League. "Howard will be the next Babe Ruth," says Reiser. "But he needs to play every day and if he were called up to the majors he might spend too much time on the bench. I don't think anything—and I mean anything—should be done to jeopardize that boy's major league career. And by that I mean

Legion Drills Open Monday

American Legion Junior baseball workouts will get under way at Steer Park on Monday, starting at 5:30 p.m., Jack Pierson of that organization has announced. The season's play will begin around June 1. All boys between the ages of 14 and 17, inclusive, are eligible to try out for the team. They must be certified for play as early as June 15. Therefore, they are being urged to take their birth certificates to the field with them. Boys who will not be 18 years of age until after Sept. 1 are also eligible to play. D. R. Gartman will again serve as manager of the team this year.

Local Riflemen In Clovis Trip

Charles Boadle and Perry Thompson, both of whom are members of the Junior Riflemen Club here, are planning on competing in a regional meet at Clovis, N. M., next Saturday and Sunday. Others may make the trip from here. If as many as four Big Spring youngsters make the trip, they will compete as a team. Boadle and Thompson will compete in two 40-shot events, shooting ten rounds from the four positions — prone, sitting, off-hand and kneeling.

League Banquet Is Set Friday

The Commercial bowling league completed league action last week and will present awards in a dinner meeting in the Webb AFB NCO Club Friday. The ceremonies begin at 7 p.m. 66 Cafe retained first place for the title, dropping Bell, 4-0. Fireball stayed in second place with a 4-0 verdict over Sinclair, Wagon Wheel cracked 66 Truck Terminal, 3-1, and McGibbons lost, 3-1, to Jack's Grocery No. 3. Wagon Wheel compiled a 2781 high series total and McGibbons tallied 944 for high game. Keith Henderson of Fireball scored the high single series, 553, and had a near-high 222 game. Boyce Hale of McGibbons had 223. Ray Langley of 549 was second high in series.

Eagle Transport Triumphs, 17-11

Eagle Transport spilled the Big Spring Hardware Broncos, 17-11, here Friday night in an American Little League Minors game. The Eagles rapped out nine hits while the losers got five. Rowe Wright was leading hitter, getting a pair of doubles and one single for the Eagles. Buddy Bruton was the winning pitcher and Shaffer the loser. The Eagles now have a 2-4 record.

Mahan Is Traded

CHICAGO (AP) — The Chicago Cardinals traded quarterback Lamar McHan to the Green Bay Packers Friday for a future high draft choice in the National Football League. The 26-year-old McHan, the Cards' No. 1 draft pick in 1954, played five years for them.

Harmonson Sneaks Thru In Ladies Star League

Harmonson Foreign Motors received a sound 4-0 whacking from Park Inn, but was still one-half game in the lead when the Ladies Star bowling league final round was completed last week. River could have won it with a 4-0 count, but managed to get only a 3-1 win over Baron's for second place. Edward Heights accepted a 4-0 forfeit from Jo's and Gardner whipped Tate-Bristow-Parks, 3-1. River had high team game and series, 862-2451, while Tate-Bristow-Parks had 822 game and Park Inn a 2349 series.

LAST PLACE PHILLIES DEFEAT BRAVES, 4-2

PHILADELPHIA (AP)—Anemic hitting Jim Hegan drove in 3 runs and Jim Owens scattered 5 hits today to give cellar dwelling Philadelphia a 4-2 win over the National League leading Milwaukee Braves.

Jim Bunning Tames Tribe As Detroiters Win, 6-4

CLEVELAND (AP)—Jim Bunning gave up only 6 hits and was backed by 4 home runs as the Detroit Tigers defeated the Cleveland Indians 6-4 Saturday.

Lou Berberet, Frank Bolling, Al Kaline and Rocky Bridges hit homers to help Bunning to his fifth victory against three defeats. The 27-year-old right-hander struck out 6 batters and walked 2. The blasts by Kaline and Bridges each came with a man on base.

Jim Baxes, who reported to the Indians Saturday from Spokane, and Minnie Minofo hit home runs for Cleveland. Cal McLish, the first of four Cleveland pitchers, was the victim of the Tigers' home run barrage and lost his first game in six decisions. He was lifted with no outs in the sixth inning after Detroit had scored four runs.

Big 11th Inning Provides Sens With 10-4 Victory

BOSTON (AP)—Washington paraded 6 runs across the plate in the 11th inning Saturday, 2 of them on Jim Lemon's line drive homer, for a 10-4 victory over Boston.

Murray Wall, who had been untouchable since relieving Frank Sullivan in the eighth, was the victim of the Washington outburst which halted a Senators' losing streak at five. Red Sox shortstop Don Buddin hit a solo homer with one out in the last of the ninth to prolong the contest.

Bob Allison, who had hit his ninth homer in the fourth inning, opened the 11th with a single. Harmon Killebrew followed with a single but Fred Williams threw Allison out at second. Then it was a Lemon homer, back to back doubles by Julio Becquer and Faye Thronberry and a walk to Ron Samford before Mike Fornieles replaced Wall with just one out. Ed Fitzgerald promptly dou-

TIGERS VISIT MERKEL FOR CONTEST TODAY

A change in plans will send the Big Spring Tigers to Merkel today for a return bout with that city's sardlet baseball team. The starting hour is down for 3 p.m.

Originally, the Bengals were to have met teams from Lamesa and Lubbock here in a double header. However, both games were cancelled. The Bengals will take a 6-0 non-loss record to Merkel with them. This could be the best Tiger team in years. In addition to Merkel, the locals hold wins over Midland (two), Lamesa (two) and Carlsbad, N. M.

Efforts are being made to bring a Villa Acuna, Mexico, team here sometime this summer. Probable starters for the Tigers

Mineral Wells Is Winner By 9-3 Tab

MINERAL WELLS (SC)—Mineral Wells eliminated the Snyder Tigers from the State baseball playoffs by winning a 9-3 decision in the rubber game of a three-bout series here Friday.

Catcher Mike Teichman got Mineral Wells off to a great start with a grand slam home run in the initial inning.

Skowron And Mantle Homer As Yanks Win

BALTIMORE (AP)—The slumbering World Champion New York Yankees issued an ominous warning from the American League basement Saturday in crushing the Baltimore Orioles 13-5 behind a 16-hit barrage.

After skipping pre-game batting practices for the first time this season, New York looked like the bomber of old with five doubles and homers by Bill Skowron and Mickey Mantle included in the attack. The Yanks chased Oriole starter Milt Pappas with a 4-run first inning rally and whacked Jack Harshman for 7 more runs in the next 2 frames for an 11-0 lead.

2-AAAA BASEBALL

Odessa, Midland Dominate Team

Players from Odessa and Midland dominate the District 2-AAAA all-star baseball team, chosen recently by sports writers and coaches within the circuit. Odessa won the conference title while Midland finished second, two games off the pace.

Odessa placed five men on the team while Midland landed four. San Angelo and Abilene each had one player named while Big Spring, which won only one of eight conference starts, did not place a man.

No second team was chosen. Jay LeFevre, Jackie Thomas and Bob Andrews of the Steers gained the Honorable Mention list, however.

James Ingram, Odessa pitcher; and shortstop Charles Harrison of the Abilene Eagles were unanimous selections. Jerry Ormand, Odessa second baseman, lacked one vote of being an unanimous choice.

In the past, a left and right handed pitcher have been named to the squad. However, this season, two right-handed flingers—Ingram and Bill Easterwood of Midland—were picked.

Two first basemen—Buddy New of Odessa and Mike Salvato of San Angelo—were selected. Each received five votes in the balloting.

The votes were assembled and counted by Tom Williams of the Odessa American.

ACC Track Team Poised To Run At Modesto Again

ABILENE (AP)—Abilene Christian College tracksters return to the scene of their greatest triumphs next Saturday night — but prospects aren't outstanding that they can uphold them.

The Wildcats, who set world records for the 440-yard and 800-yard relays last year, will be competing in the California Relays at Modesto, Calif.

May 31, 1958, the Wildcats ran the 440 relay in 39.7 and the 800 in 1:22.6. But only one member of the 440-yard foursome and two from the 800 are back this year.

The relay races should develop into a 3-way fight among Abilene Christian, Texas and San Jose State. ACC hasn't beaten either of those teams this year.

However, Abilene Christian does lead the nation in 440 time with 40.5. Texas and San Jose have been close at 40.4. Texas leads in the 800 with 1:23.9.

Last week in the Coliseum Relays at Los Angeles, Texas won both the 440 and 800 in times of 40.8 and 1:24.5 with San Jose second and Abilene Christian third.

A five-man contingent will go to Modesto — Bill Woodhouse, Calvin Cooley, George Peterson, Bud Alanton and Bobby Morrow. The latter is not on the ACC team since he has finished his athletic eligibility there but will run unattached.

Morrow and Woodhouse will run the 100-yard dash competing against the Ray Norton and Bob Poynter, the San Jose stars. Norton has two victories over Morrow, the Olympic spring champion, to his credit. Morrow beat Norton last week at Los Angeles. Morrow also will run the 220.

Mack Layne Signs

PAMPA (SC) — Mack Layne, member of the state championship Pampa basketball team, has signed a letter of intent to attend Abilene Christian College. Layne stands 6-foot-5 and weighs 200 pounds.

Juvenile Study Is Scheduled By YMCA

A "one time" meeting of the special YMCA committee named to study a program for better serving the needs of juveniles in the trouble centers of the town is planned for Monday afternoon. The conference is slated at the Big Spring Chamber of Commerce at 5:15 p.m. The three members of the Y committee have invited a dozen citizens, whose experience and work qualify them as experts on the problem, to be present.

William R. Dawes, a member of the Y board and chairman of the special committee, and his two associate committee mem-

bers, M. R. Koger and Mrs. Clyde Thomas Jr., hope to receive some workable suggestions which can be utilized in coping with the problem.

Dawes pointed out in his letter of invitation that criminal records indicate that certain areas of the city have special problems which are not being adequately controlled. The law enforcement committee of the Chamber of Commerce has suggested that social agencies, such as the YMCA might increase their programs in the troubled areas.

The purpose of this special committee is to make a thorough study and devise a program which can be utilized in dealing with the situation.

The committee has invited R. H. Weaver, former juvenile judge, A. E. Long, present juvenile officer, Dr. Fabian Gomez, physician and surgeon, and Dan Bustamante, junior high school coach to be in the group which will meet at 5:15 p.m. Monday.

MEN IN SERVICE

Two men from the Big Spring area participated in Armed Forces Day activities in Berlin last weekend. Taking part were Pfc. Don Roman and Pfc. Guadalupe Garcia.

Roman, the son of Mr. and Mrs. Elbert Roman of Knott, is in the Battery B, 6th Infantry, while Garcia is a gunner in Company C of the 6th Infantry Regiment. He is the son of Mrs. Margarita Martinez of Stanton.

The Armed Forces Day program in Berlin included a parade by the regiment and a display of military equipment.

Jackie Cottongame, son of Mrs. Mary Cottongame of Big Spring, is serving aboard the aircraft carrier USS Essex which is now operating with the Atlantic Fleet. Cottongame is a seaman.

Lt. Col. Cliff Sanders, who is stationed at Victorville, Calif., was here recently for a stop at Webb AFB. He also had a chance to visit with his parents, Mr. and Mrs. J. E. Sanders, and his brothers, Garland Sanders and Dr. Virgil Sanders. He was flying a F-104, which he said was about the nearest thing to a bullet he had seen, and made the trip from Victorville in one hour and five minutes. The plane is so fast that Col. Sanders had to start letting down at Wink.

No Charges Filed Yet In Stabbing Of Negro Man

No charges had been filed Saturday afternoon in connection with the stabbing of a Negro man Friday night. The man was not seriously hurt, it was reported.

In Big Spring Hospital for treatment of a knife wound in the upper right chest is Hugh Altman, 25. Altman had been in an altercation with his common-law wife, Anna Bell Jones, 21, in their apartment at 509 NW 4th, the police said. She made a statement about the stabbing.

According to the police, she said that Altman started to hit her with a chair as she entered their apartment about midnight Friday. She pushed him away but he grabbed her again and threw her on the bed. She said she then grabbed a pocket knife and struck at him.

A short time later they called a river ambulance and Altman was rushed to the hospital for treatment.

The woman was taken into custody Saturday morning and questioned, but no charges were filed.

More Names On List Of C-C's New Members

Twenty new members have been added to the Chamber of Commerce lately as the drive for new memberships continues.

The latest additions raised the total for the drive to 76.

Bill Quimby, Chamber manager, reported that the new members dues and also dues raises have accounted for \$4,392 in new funds. The Chamber expects to pass the \$5,000 mark early this week.

The new members to the Chamber include Barnes & Page Realtors, Big Spring Security Service, Brownfield Beauty Shop, C & D Electric, George Elliott Co., Bill Guinn Used Cars, T. A. Matlock Fruit & Vegetables, Maynard Greeting Service, J. O. McCrary, Bill Neal, Peeler Agency, Phillips Courts, Red Ball Transport & Storage, Rose Cleaners, Rowland Body Shop, Shell Service Station, Tot Stalcup Real Estate, A. K. Steinheimer, S. A. IT'S A MATTER OF ADAPTATION AND ANTICIPATION
Ted McClung prepares for take-off on practice flight

Despite Handicap Of One Arm, Pilot Makes His Solo Flight

Twelve years ago Ted McClung was in an automobile accident that shattered a boyhood dream. His left arm was severed in the mishap, and that seemed the end of a lot of dreams, including that of becoming an airplane pilot.

But McClung made it come true after all, and Thursday he made his solo flight.

Howard Loyd, his instructor at Hamilton Field, ascribes it to pluck and a determination to absorb every bit of knowledge possible. On the other hand, McClung says that Loyd's understanding of the problem was the factor that helped him overcome the handicap.

At any rate, McClung, who resides at 1108 S. Monticello, has learned to compensate for the lack

of a second hand. Sometimes he uses his shoulder to move the throttle, and then again he may use his knees to hold the stick.

"The main thing, though," he said, "is that Loyd taught me to anticipate what might happen and to understand how the plane may react. I've had to learn how to think ahead as much as possible and to make adjustments to meet emergencies which might arise."

McClung is employed by McMahon Concrete Company and began his instruction about five months ago, taking lessons as he could. In all, he put in 12 hours of instruction before his solo. He and Mrs. McClung, who is also interested in learning how to fly, have hopes some day of buying a plane of their own.

Their parents live in cities 300 and 500 miles distant, and by having a plane they hope to visit them on weekends.

Mail Service Will Start In Douglass Area

Residents in the Douglass Addition, south and west of the city, will begin receiving daily mail service on Monday, Elmer Boatler, postmaster, said Saturday. He added, however, that delivery will be made at houses where the mail boxes have been put in proper places.

In Douglass Addition, the proper place for the mail box, he said, is at the curb. It is recommended that a mailbox of the rural type, mounted on a post at least 42 inches above the ground, be located immediately in front of the owner's house. The service in that new addition will be of the "mounted type"—delivery made from a car.

Boatler said that delivery of mail was started to the new Capehart Air Force Housing Project on May 20. It will be extended as new residents occupy the houses in the area. The mail boxes installed by the authorities in this district are of the general type, Boatler observes, as those required in the Douglass Addition.

Mail delivery on the usual city pattern began on Friday on Alabama Street including the 1700, 1800, 1900 and 2000 blocks. Boatler said Alabama is a new street built up on the area just to the south of the Monticello Addition.

The service to Alabama Street residents is an extension of an already existing route. That to the Douglass and Capehart districts represents a new enterprise for the post office.

Diagnostic Clinic On Cerebral Palsy Slated In Midland

Ten or 15 children from Big Spring are expected to attend a diagnostic clinic for cerebral palsy persons at Midland June 1,

according to Bo Bowen of the City-County Health Unit.

The clinic will be held in the Midland Cerebral Palsy Treatment center from 9 a.m. to 1 p.m. Dr. E. T. Driscoll will be one of the examining orthopedic surgeons, assisted by pediatricians and physical, speech, and occupational therapists.

There is no charge for the examinations.

Permian Engineers To Meet Tuesday

The Permian Basin Chapter of the Texas Society of Professional Engineers will hold its regular monthly dinner meeting at 7:30 p.m., Tuesday, at Ranchland Hills Country Club in Midland. The speaker will be John Hinds

of Houston, director of public relations for the Texas Manufacturers Association. He will speak on "The Engineer, the Public and the Management Team."

Hinds has had considerable experience in the labor-management field.

This is a dinner meeting and reservations can be made by contacting S. W. Howell, P. O. Box 46, Odessa.

Honestly Now...

WOULDN'T YOU
RATHER DRIVE
A '59 ROCKET?

Well, you can put yourself behind the wheel of a '59 Rocket Engine Oldsmobile—at less cost than you'd probably guess! (Surveys show that many people think an Olds costs more than it actually does.)

Your local Oldsmobile quality dealer can tell you exactly how easy it will be for you to make your move. And he's looking for a great many trade-ins to take care of used car buyers headed his way this Spring. That makes right now the right time to trade your present car in for a '59 Oldsmobile!

Take a demonstration drive in a '59 Rocket... then ask yourself, wouldn't you rather drive a new Oldsmobile... especially now that Spring is here!

New TB Control Bill Approved

A new weapon to better control the possible spread of tuberculosis is now in the hands of health authorities in Texas.

The Texas Tuberculosis Code, enacted by the legislature, which updates old and inadequate laws to safeguard the public from possible contagion from tuberculosis has been signed by Governor Price Daniel.

The bill makes plain the enforcement of compulsory isolation upon those who have contagious tuberculosis and refuse to isolate themselves and protect others.

Such enforcement has been had in parts of Texas for two years but procedure for enforcement was needed. The new law provides this need.

A fine can be assessed on a physician or any other person who fails to report a known case of tuberculosis which is contagious.

It is likewise required under the new law, that premises which have been occupied by persons with infectious tuberculosis must be disinfected before the property can be sold or rented to any other person.

Top Level Studes At JC

TOP STUDENTS at Howard County Junior College are these three shown having a cup of coffee in the college SUB. At left is Ronald Leatherman of Levelland, who with Donald Shortes of Ackerly, set the academic pace with 3.0 grade points—the equivalent to a straight A report on 15 hours of work. Both are sophomores. Leading the freshman class was Raellen Gilbert of Big Spring, who joined her companions in the summa cum laude group.

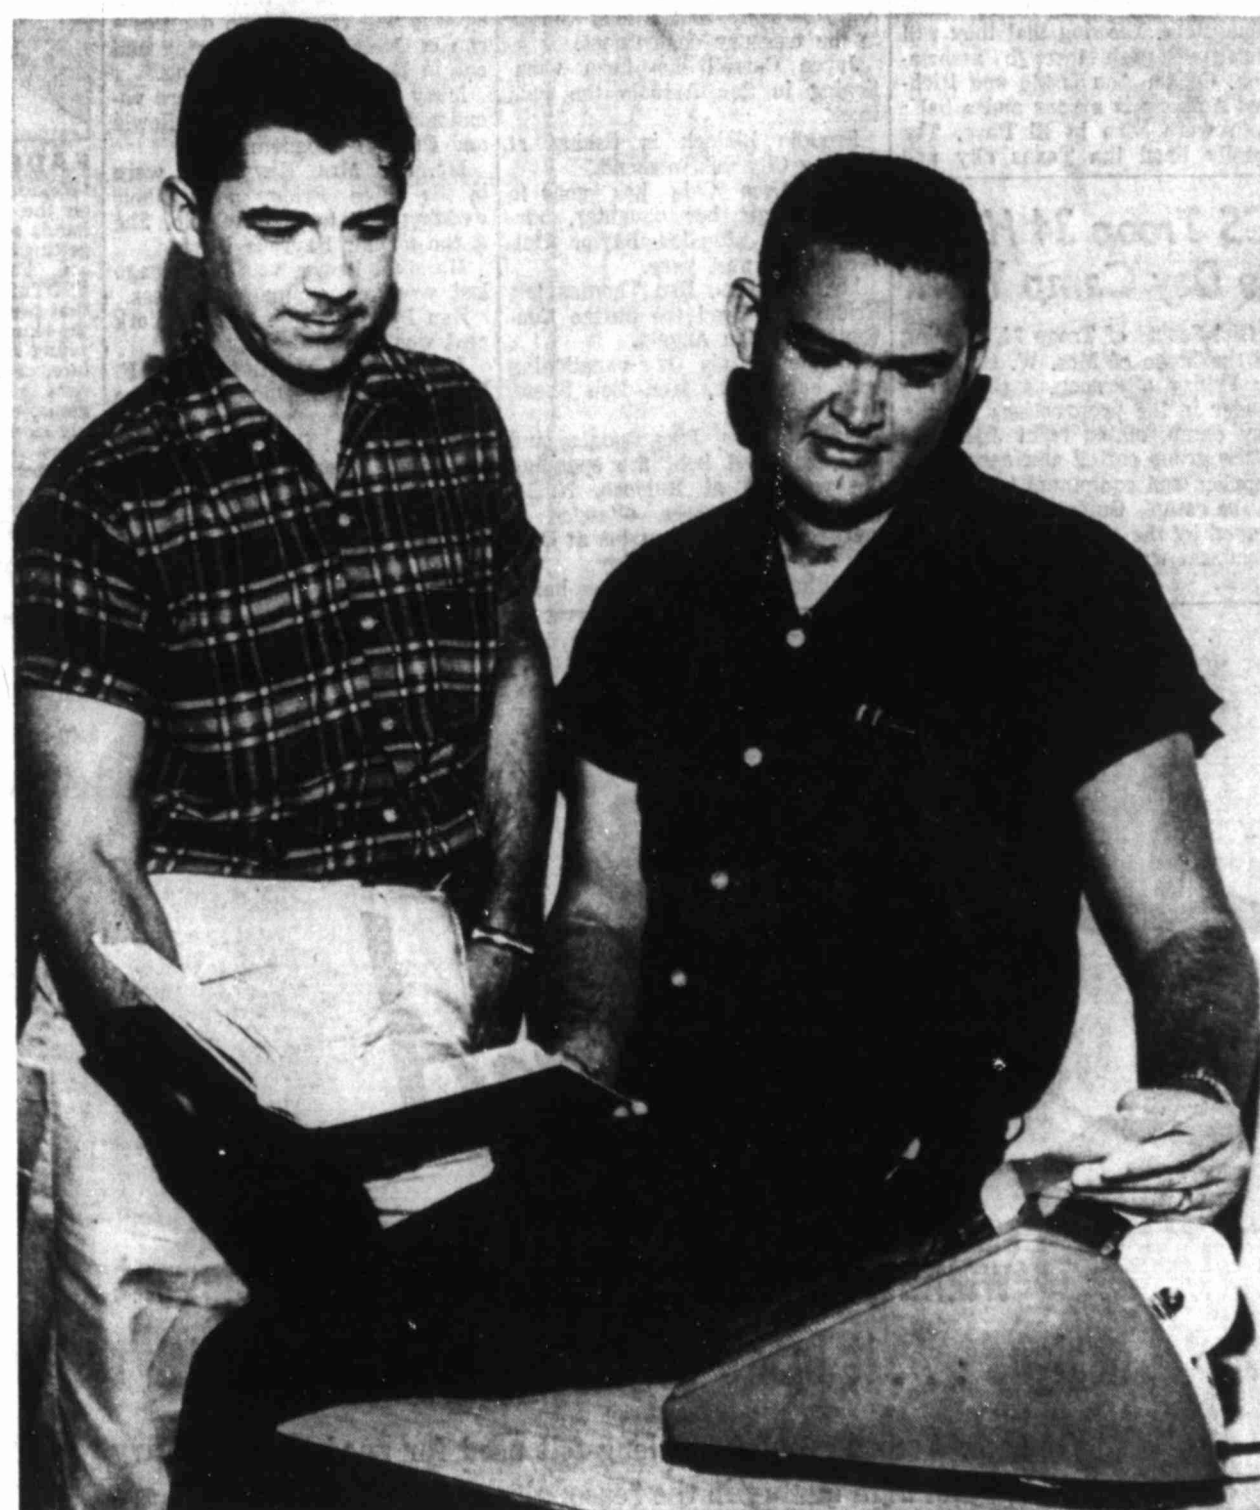

SUMMA CUM LAUDE STUDENTS were caught by the camera as they lingered in the parlor of the Howard County Junior College SUB for a visit. The four, shown above, are, left to right, Peggy Joyce Bryant of Jayton; Venita Allison of Big Spring; James L. Johnson, also of Big Spring, and Beverly A. Shockley of Knott. Shown elsewhere on this page are the three top students who are members of the group, Ronald Leatherman, Raellen Gilbert and Donald Shortes.

SPECIAL AWARDS went to this trio, shown chatting in the Student Union Building at Howard County Junior College. Tommy Buckner received the American Legion Citizenship Award given by Post 355, and an award from Dibrell's Sporting Goods went to Wanda Armstrong, center. This was based on good sportsmanship and all-around achievement for a woman student. A citizenship award for a woman student was also given to Anita Gardner by the American Legion Post.

(Photos by Keith McMillin)

FOR THE FIRST TIME, students in the business department at Howard County Junior College have been recognized for excellence in their work. Included in the honor were Raellen Gilbert, who was named outstanding in secretarial work, and Donald Shortes, outstanding general business student; both are pictured in the top student trio. Above are Joe Wallis, at left, who is the outstanding student in the operation of office machines, and Ted Hughes, outstanding accounting student.

WORK WITH DRAMATICS brought awards to the group shown in picture above. At left, Chuck Worley of Mountain View, Okla., received acclaim for excellence in individual acting; Sammy Kruse of Yoakum was singled

out for his theatre productions; Mrs. Jack Culpepper, the former Linda Nichols, and her husband, at far right, were noted for excellent teamwork in acting; and Thomas Gregg of Ackerly was named as the best all-around in speech and drama.

BIG SPRING, TEXAS, SUNDAY, MAY 24, 1959

'The Cap Is Just Too Big'

Cecilia studies her brother Richard quite seriously as he tries on his daddy's cap. The youngsters are the children of Lt. and Mrs. Raymond Camacho, native Californians who recently came here from six months in Florida. The officer is taking his basic training

as a student pilot at Webb AFB. Prior to entering the USAF, he was an engineer for an aircraft company in Los Angeles, his hometown.

Longtime Interest In Aviation Guides Him Into Career Field

Aviation has for a long time been a major interest of Lt. Raymond Camacho. Prior to entering the USAF six and a half years ago, he was an engineer for an aircraft company in his native Los Angeles.

Once in the USAF, he became an engineer on a B-36 under SAC, while stationed 3 1/2 years in El Paso. But he wanted to learn to pilot the planes. So he was transferred to Bartow, Florida, for six months of primary training. He and his family arrived here April 24 for the lieutenant to take his basic training at Webb AFB, where he is in Section II of the 3561st Pilot Training Squadron. He is planning to make his career in the service.

Following the example of their own parents back home in California, Lt. and Mrs. Camacho speak mostly Spanish to their youngsters, knowing that they will absorb English through association. Cecilia Ann is 2 1/2 and Richard Anthony is a year and a half; both were born in El Paso. The family liked the Texas city and

GS Troop 34 Helps In Day Camp Work

Girl Scouts of Troop 34, meeting in the home of Mrs. W. H. Boober Friday afternoon, assisted the leader in the preparations for the day camp, slated from June 1-5. The group sorted and assembled supplies and equipment to be used in the camp. Outdoor games were played by the eight members, and dismissal was with the friendship circle.

learned to enjoy the bull fights in Juarez.

Sports appeal to Lt. Camacho. While attending Loyola University in Los Angeles, he played on the football squad. Later, at UCLA, he was on the soccer team. He is hopeful of some day returning to

Ratliffs Attending Shriner Convention

Mr. and Mrs. Arch Ratliff are attending the Shrine Convention in San Angelo this weekend; they plan to go on to Lake Buchanan for a week's vacation.

Bobby Beall, son of Ida Lou Beall, celebrated his fifth birthday with a party Saturday.

New employes this week include Yvonne Francis in the steno pool, Anne Murphy and Mabel Snider in the treasury department.

Joyce Carroll has been vacationing in San Antonio the past week.

Freddie Blalack is fishing at Sterling City this weekend.

Mrs. Leon Cain has gone to Waco to get her daughter, Virginia, who attended Baylor University the past year.

Mr. and Mrs. Dee Thomas left Friday to attend the Shrine Convention in San Angelo.

Nadine Davis is vacationing with her sister, Mrs. Bob Shaw, in Levelland.

Mr. and Mrs. Jake Douglas and sons, Bill and Bob, are spending the weekend at Ruidoso, N. M.

Eighteen coworkers attended a luncheon for Mrs. Douglas at Coker's Restaurant Wednesday.

complete the one year's work necessary for his degree.

The newcomers are getting settled at 611 Gregg, where Mrs. Camacho is facing the standard problem of service wives — altering the curtains to fit the windows!

Stanton Residents Report Activities

STANTON — Mr. and Mrs. H. E. Cook of Houston have been visiting in the home of his sister, Mr. and Mrs. C. E. Christopher.

Wallace Butcher is ill in the Big Spring Hospital. Stanton students will receive their report cards Friday, Jimmy Bickley, high school principal said this week.

Local boys who are interested in playing in the Pony League this summer are asked to sign up immediately.

Interested boys should see O. C. Turner. Practicing with the boys are Maurice Petree, Herbert Crunk and Bill Standefer. Those who are eligible to play are between ages 13-14.

THOSE HORRID AGE SPOTS

Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, makes hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. \$2 plus tax. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

walnut, in deftly simple, remarkably elegant designs... it looks so expensive... but it isn't

Our new Accord group fills a long-felt need for good contemporary design and high quality in the reasonable price bracket. Woods are rich, deep walnut with an oil-like finish. The beautiful grain is contrasted with inlaid banding and cane panels and is enriched with the gleam of four-leaf metal inlays. The pieces are detailed to perfection and beautifully finished... doors are fitted with magnetic catches, chinas and buffets have lined silver compartments.

Our Accord group includes designs for your bedroom, dining room, and particularly beautiful occasional tables. We've illustrated but a few of the pieces, but we have the complete selection in open stock. We admit Accord looks expensive, but it truly isn't. Won't you come in soon and see for yourself?

'ROUND TOWN

With Lucille Pickle

This week promises to be one of those big ones. Impossible as it seems this is the last week of school and with it comes final exams, end of school entertainment, spring storms and spring colds. Having survived it before, those of you who are going through the frenzied activities for the first time, take heart . . . next week will be very quiet—maybe.

MRS. H. W. SMITH arrived home Friday evening from Detroit, Mich., where she has been for the past six weeks. She flew into Fort Worth Thursday and joined her daughter, Nancy, a TCU student, for the trip home. They arrived here to find Mr. Smith a pneumonia patient in Cowper Hospital. When things get settled down, they have a new house to move into.

MR. AND MRS. SAM ATKINS of 1711 Dayton, Wichita Falls, have been visiting his sister and her husband, DR. AND MRS. ROBERT McDANIEL. Atkins formerly resided here and is now with a drilling firm in Wichita Falls. Dr. McDaniel is stationed at Webb.

MR. AND MRS. HAROLD MEADOR have returned here after spending two weeks at the Circle S near Buchanan Dam. During their stay they were joined the first week by MR. AND MRS. JIMMIE MEADOR and their family who were delighted with their catch of white bass. This past week their daughter and her family, MR. AND MRS. PAUL KENNEDY and Ray, came down from Denton.

MR. AND MRS. N. R. SMITH plan to leave Monday for their cabin at Bend on the Colorado River just above Buchanan Lake. They plan to stay for 10 days, with his

Two Honorees Are Named For Patio Breakfast Saturday

Mrs. S. M. Anderson entertained for her daughter, Lyn, and Mrs. Horace Reagan for her daughter Judy, at a patio breakfast Saturday morning at the Anderson home. The two honorees are in the graduating class of Big Spring High School.

Delicacies were served from a table appointed in copper and milk-glass. Its central attraction was a fresh pineapple glorified with fruit tidbits attached to picks. The 35 guests found their places at foursome tables laid with white linen cloths. Centerpieces were miniature painted flower pots "planted" with pink and white blossoms.

Miss Reagan, who will attend HJCJ this summer, will enter Baylor University in the fall. Miss Anderson has chosen the University of Texas for her future studies.

Think It'll Work?

Encourage Junior to wash behind his ears by giving him a towel set of his own. Printed in color or white cotton terry cloth are pictures of urchins and the inscription: "When we are bad, we are horrid. When we are good, we are very good." Set includes bath towel, face towel, and wash cloth.

Awning Stripes

Awning stripes give summer cottons a bright new look, also suggest coolness. If you're sewing with any of these fabrics, use heavy white fringe for trim.

FS Awards Presented In Ceremony

Volunteers who have completed the recent class in Family Service were presented identifying tags, stripes and stars Friday morning in a ceremony at Webb AFB.

Col. J. A. Johnson made the awards, which represent varying amounts of service rendered. Mrs. L. R. Simpson is coordinator of the services.

Following the ceremony, a coffee was held with Mrs. V. J. Evans of the office staff, and Mrs. W. J. Boudreaux of the welcoming committee, serving.

The table was centered with an arrangement of spring blossoms supporting a small replica of the state of Texas. In the location of Big Spring was a star.

The group was also marking the second year of the work of Family Services at the base, and this was denoted with a figure 2, placed prominently among the flowers.

Brunton Returns From Oklahoma

FORSAN — Pat Brunton has been to Oklahoma for a brief visit with his brother, Mr. and Mrs. Clarke Brunton in Norman, and Mr. and Mrs. C. C. Brunton, Tulsa.

Mr. and Mrs. O. C. Mason and family spent some time in Cross Plains with her parents.

Mrs. Roy Walraven, Sherrie and Kay and Mrs. A. D. Barton and Van were in Iran with Mrs. Walraven's parents, the Luther Stovers. Sherrie remained for several weeks with her grandparents.

Mrs. H. L. Greer entertained with a birthday party for her son, Wayne, on his 12th anniversary. Indoor games were played and bubble gum served as favors. Six attended.

Mr. and Mrs. Leslie Bassinger and Nita of Andrews were here with his brother and family, the E. O. Bassingers.

Mr. and Mrs. Floyd Pike have been to Dallas.

Vacation-Bound?

Wherever you go on your two weeks with pay, you'll want to spend less time than usual taking care of your clothes. For your vacation wardrobe, choose items that are packable and washable. Shown in all dress shops are cotton fashions designed to help you have a carefree time and also look your prettiest while having fun in the sun.

TO BE WED

Sgt. and Mrs. William T. Carler of Junction City, Kansas, are announcing the approaching marriage of their daughter, Helen M., to Lt. Patrick D. Crosland. He is the son of Mr. and Mrs. F. W. Crosland, 3707 West Hwy. 80, Big Spring. Vows will be pledged June 1 at the First Southern Baptist Church in Junction City.

For Birthday Party

Marking the second year of the activities of Family Services at Webb Air Force Base was the coffee given Friday morning following the presentation of FS tags, service stripes and stars. Shown making preparations for the party are Mrs. V. J. Evans, at left, a member of the office staff, and Mrs. W. J. Boudreaux, chairman of the welcoming committee.

Club Hears Advice On Foundation Garments

A program on foundation garments was presented for the City Home Demonstration Club Friday afternoon in the home of Mrs. Ervin Daniels.

Speakers, who also showed examples of various types of garments were Mrs. Ross Callihan and Mrs. Neil Norred.

The two are the club leaders who attended the recent three-day workshop on clothing construction in the HD office and they will soon teach a class in making a dress. No definite date was set by the club for the sewing instruction.

A discussion of sewing problems was held by the group of 13. It was announced that Mrs. M. F. Hodnett, 1001 East 16th, will be hostess for the meeting on June 12. Members will assemble at her home at 2 p.m. for a visit to Cosden Refinery.

Plans August Wedding

Announcement is being made of the betrothal of Mary Ella Bigony to Charles Conrad Cherry. Parents of the couple are Mr. and Mrs. D. F. Bigony, Lamesa Highway, and Mr. and Mrs. Charles C. Cherry, 2504 Amberst, Dallas. The wedding will be an event of August 22 here at the First Methodist Church. Miss Bigony, a graduate of McMurry College, is presently attending the graduate school of the University of Texas. Her fiance, also a McMurry alumnus, is studying at the Drew University School of Theology, where he is a Tiptop Scholar.

Gray Lady Candidates Will Be Capped Monday

Twenty-eight women will become Gray Ladies in capping ceremonies to be held at 10:30 a.m. Monday at the Webb AFB Chapel. The public is invited to attend the program, which will be followed by a reception in the Wing Conference Room. The 28 have achieved their status by having successfully completed three days of classroom study and lectures, and having done 10 hours of probationary service in the Webb clinic and hospital wards. Special awards will be presented by Clarence Hunnicutt, American Red Cross field director at Webb, to Mrs. Stanley Ballou and Mrs. Roland Bradley for having each attained more than 150 hours of service. Chaplain (Major) Wilbur C. Hall will word the invocation, and the welcome will be by Col. James A. Johnson, executive officer at Webb. After the presentation of the class by Roy Reeder, member of the ARC Howard-Glasscock Counties Chapter Advisory board.

Maj. Marjorie Erdmann, chief nurse at Webb's hospital, will perform the capping ritual. Presentation of the pins will be the duty of Mrs. G. G. Sawtelle, executive secretary of the Howard-Glasscock Chapter, and Reeder will offer the certificates. Also scheduled on the program are Lt. Col. Robert A. Wiemer, commander of Webb's Hospital, who will accept the class; and Mrs. Thomas B. Casey Jr., unit chairman of Webb Gray Ladies, who will lead in the pledge of service. The benediction will be said by Chaplain Hall. Mrs. Robert N. Rhodes is to be organist. Graduates of the Gray Lady Class include Mrs. Dean Bates, Mrs. Walter E. Bosselmann, Mrs. William C. Burgess, Mrs. James E. Byrd, Mrs. Norman F. Conant, Mrs. Leodis Dekle, Mrs. Dwight D. Dellinger, Mrs. Bradford F. Eliot, Mrs. Donald Ernst, Mrs. Glenn B. Ferry, Mrs. Stanley C. Grant, Mrs. Glenn E. Mrs. Ernest Jones, Winsome Circle; Mrs. Carl Rountree, Mary Martha Circle; and Mrs. Henry Norris, Bykota Circle. Rounding out the program for the morning, Mrs. G. L. Trice was chairman for the annual pledge service. Spring flowers decorated the parlor where the meeting was held, and the worship center featured an illuminated cross and world globe. During the pledge service a vocal duet was presented by Mrs. Carl Rountree and Mrs. Weltmer, with Mrs. Wilton accompanying. Thirty-four members were present.

Day Camp Registration For GS Ends Thursday

Girl Scouts can still register for the day camp, slated from June 1 to 5, it has been announced by the leaders of the troops. Registration blanks may be picked up from troop leaders and sent to Mrs. Rube McNew, 1908 Settles, by Thursday. Time of the camp, to be located on the Boy Scout Encampment Grounds, is slated for 9 to 5 p.m. Monday through Friday. The first session will be given over to training in safety, with a discussion by Jim Wade of the Police Department. June 3, Bruce Frazier will speak to the troops on nature study. On June 2 and 4, the girls will stage a cookout. Training in various crafts is planned for the camp, with Mrs. W. H. Booher in charge of the program and the instruction. General chairman of the camp

is Mrs. C. B. O'Neil. Her assistants are Mrs. Ernest Miller and Mrs. Kendall Wallace. Buyer for the group is Mrs. C. M. Wozencraft. Mrs. McNew is finance committee head, and the registered nurse, who will be on duty at all times, is Bo Bowen.

BRIDES! HEED THESE RULES FOR BETTER WEDDING STORY

Most brides-elect and their mothers wish for the very best new stories dealing with the engagement announcement, through the pre-nuptial showers and compliments and especially the wedding. Members of the Woman's Department of The Herald are just as eager to have the stories, too, and these few tips may help in the presentation of the releases. 1. Engagements should be given to the department at least three weeks or a month ahead of the wedding; this should be done in person by the bride-elect or her mother, if possible, or perhaps by the prospective mother-in-law. 2. If an announcement is to be accompanied by a picture of the bride-elect, select one not larger than four inches wide. A wedding picture may be about six inches in width. 3. Upon the announcement of the betrothal, the bride-elect will be given a questionnaire concerning details of the wedding plans. This information must be in our hands at least two days before the ceremony is to take place, along with a picture, if one is desired. A picture will seldom be used if the information is late. 4. Weddings taking place on Friday or Saturday will be reported in Sunday's edition; those taking place during the week will be carried in the paper on the following day.

Cosmetic Firm To Sponsor Pilot In Powder Puff Derby

Helena Rubinstein, Inc., cosmetics firm, will sponsor aviatrix Florence E. Knight in the 13th annual All-Woman Transcontinental Air Race, July 4-8. Appropriately, this unique event is nicknamed the Powder Puff Derby. For this air race, Miss Knight's 1950 Cessna 140A has been christened Ultra Feminine. The Ultra Feminine pilot will fly solo in the race which takes off from Lawrence, Mass., the morning of July 4 and terminates in Spokane, Wash., at noon July 8, covering a course of 2,470 statute miles. The AWTAR is sponsored by the Ninety-Nines, Inc., an international organization of licensed women pilots, of which Miss Knight is a member. Helena Rubinstein's flier holds a commercial license with both instructor's and instrument ratings. She flew in the 1955 Powder Puff Derby, finishing second in her class and 11th in the field of 47. Miss Knight has logged more than 2,750 hours in the air since she started flying in 1939. As a WASP for two years during World War II, she towed targets and controlled pilotless aircraft from another aircraft. For a while after the war, she was employed by an aircraft distributor and broker. At that time, she ferried planes to her employer's customers, gave flight instruction and piloted chartered flights.

Paintings Shown By Art Pupils

About 27 pupils of the Raley art studio presented their paintings Friday evening at a tea held in the home of Mr. and Mrs. J. A. Meador. A deep sea theme was used as the background for the exhibit of charcoal, water color, pastel and oil paintings which hung in the home and were arranged on easels in the garden. Sandra Hunt and Betty Sorrells greeted guests who were registered by Janice Stegald and Nancy Lewis. In the house party were Mrs. W. L. Clayton and Barry, Mrs. Jack Price, Mrs. S. E. Peurifoy, Mrs. O. H. Ivie and Carolyn Sewell. Forming a background for the tea table was a window hung with a fishing net with a base of driftwood and shells. A linen applique cloth of white covered the table which held a floating arrangement of pink stock and baby's breath. Almost 100 called during the display hours.

Photo Contest Open To Visitors In Bermuda

HAMILTON, Bermuda — Camera-toting visitors to the mid-Atlantic resort of Bermuda should keep in mind that pictures they take during their visit are eligible for prizes if submitted in the third annual Bermuda Photography Contest. Black and white or color photographs taken in Bermuda between April 1, when the contest opened, until the end of September are eligible for entry. The international competition—sponsored by the daily morning newspaper, The Royal Gazette—will be open to amateurs and professionals alike. More than 90 prizes with a total value of \$2,500 will be awarded to contestants. Entries may be submitted in any of the following four categories: life studies; activities or spot

news; scenic; animal or wild life. First prize will be \$420. In addition, there will be special monthly prizes for pictures with a historical theme connected with the 350th Anniversary year celebration now under way in the tiny British colony. Last year's contest drew more than 700 entries from the U. S., Canada, England, Wales and Holland. Winners captured such awards as round trip plane tickets to Bermuda, cameras and darkroom equipment. Officials have not yet picked a judging panel for this year's competition. Among those serving as judges for the 1958 contest were John Radosta, picture editor of the New York Times, and Peter Braal, manager of Eastman Kodak's photographic illustrations department.

Bride's Father Reads Wedding At Monahans

The Rev. George Alexander, pastor of the Monahans Baptist Church, read the marriage vows for his daughter, Julia Dean, and Charles Riechman Nance Saturday evening in the church.

The Rev. and Mrs. Alexander are residents of Monahans; parents of the bridegroom are Mr. and Mrs. E. A. Nance, Oil Mill Road.

Double ring vows were exchanged as the couple stood before an arch of blue and white mums centered with white satin bows and wedding bells. On each side were tapers in candelabra.

Dixie Todd of Big Spring played nuptial selections and accompanied E. A. Nance, brother of the bridegroom, as he sang Dearly Beloved and God Gave Me You, and, joining his sister, Mrs. T. L. Kennedy, Whither Thou Goest.

George Alexander Jr. gave his sister in marriage. Her bridal gown was of white tulle and illusion lace over taffeta. The bodice, with scalloped neckline and long sleeves which came to points over the hands, joined a paneled skirt. Shirred tulle made the front panel, which was balanced with a back interest of tulle ruffles.

An overskirt of illusion lace was scalloped in front and back. To a half hat of pearls was attached a veil of lace, tulle-trimmed. Feathered carnations around a white orchid formed the bride's bouquet, which she carried on a white Bible.

Mrs. Corbett Wein of Monahans attended her sister as matron of honor. Bridesmaids were Martha Butler and Mrs. Bobby Woods, also of Monahans.

Identically attired, the attendants were dressed in blue glazed cotton, princess style; headpieces were blue satin with shoulder length veils of blue net. Mrs. Wein carried a bouquet of white asters; the bridesmaids' flowers were blue asters.

Richard Nance of Odessa was his brother's best man; guests were seated by Eddie Kayser

MRS. CHARLES RIECHMAN NANCE

and Wayne Beene, both of Big Spring, who also lighted the tapers. At the reception held after the

Mrs. Cravens Ends Visit

Mrs. Elmer Cravens left Saturday for her home in Bull Shoals, Ark., after spending about 10 days here as a guest of friends. The Cravens family formerly lived in Big Spring.

During the visit, Mrs. Cravens was honored at informal coffees, dinners and luncheons.

A group of friends joined in presenting her future daughter-in-law, Marybeth Wafer of Little Rock, Ark., at a tea given at Cooden Country Club. Miss Wafer, daughter of Mr. and Mrs. Rufus Wafer, will be married to Sidney Cravens in Little Rock on July 18.

One of the last in the series of parties was the luncheon given Friday when a group gathered at the home of Mrs. Clyde Angel. Pink in varying shades was featured in the cloth and the centerpiece of larkspur on the table where eight were seated. Guests were the hostesses for the presentation tea.

Do's And Don'ts In Power Mowing Told By Experts In Line

Engineers for a company which makes power mowers have compiled a list of suggestions for safety in operating your mower.

The power mower of today is certainly nothing to be afraid of, they say, if the operator knows and respects his machine. It is designed to do a job well and safely if the following suggestions are kept in mind:

1. Read the operator's instruction manual completely, and if a question still remains, check with your dealer.
2. Examine the power mower for safety and operating instructions printed on the housing or shroud.
3. Keep fuel in a safe place. Never smoke while fueling the mower.
4. When starting, make sure your foot is placed firmly on the top of the housing so that when the starter-rope is pulled the mower remains stationary.
5. Never attempt any service or removal of any object from the power mower while it's running. The mower should be turned off, the sparkplug wire disconnected before any attempt is made to work on the mower. This is a good time to check the blade nut to be sure it is on tight.

Travel Tip

Tuck a handy pressing board with your iron the next time you travel. Quilted white cotton bound with bright tape covers a sturdy, hard-board base, designed especially for this purpose.

Crisp Cover-Up

CRISP COVER-UP—After swimming, don an easy-fitting cotton nique shirt that rips from neck to hem, in white or black with bright colored trim.

Hawaii Is Theme For Banquet

A setting reminiscent of Hawaii was the background for the banquet in which the members of the Main Street Church of Christ honored the high school seniors of the church Friday evening.

Palms were placed at points in the banquet hall, and tables were decorated with fruits and flowers.

The seniors were presented with large straw hats as favors.

Master of ceremonies for the occasion was the minister of the church, Thomas E. Cudd.

Music was furnished by a girls flute trio. The history of the class was read by Jane Cudd, and the class will be brought by Dan McPherson. Zay LeFevre read the class prophecy.

Pasta Advice

Read the labels when buying macaroni and spaghetti — quality depends most on the type of wheat used. That made from durum wheat keeps good shape during cooking.

Cream Cheese

Cream cheese is too soft to grate but it can be sieved through a coarse wire strainer to make an intriguing looking garnish.

Small Fry Swimsuits Go Adult

The youngest set makes a big splash this summer, with new swim suits as highly styled as those of grown-up glamor girls.

Newest in the 1959 lineup are sleek little suits made of textured stretch nylon with sealed-in color that takes sun and surf all season long, comes up looking bright and new at the end of the summer.

These little suits are being turned out by some of America's most famous swimwear designers, with all the high-style points of adult beach fashions. Mothers particularly like the sleek little suits which dry as quickly as a pair of stockings, keep their shape and never fade.

And children like the high colors and gay styling. What little girl, for instance, wouldn't go for a teardrop swim suit which makes her look like a pint-size femme fatale? Or a striking navy suit with a white sail front and a touch of red trim?

Children like to be up-to-the-minute on the beach, too—and this year top designers are seeing to it that they are.

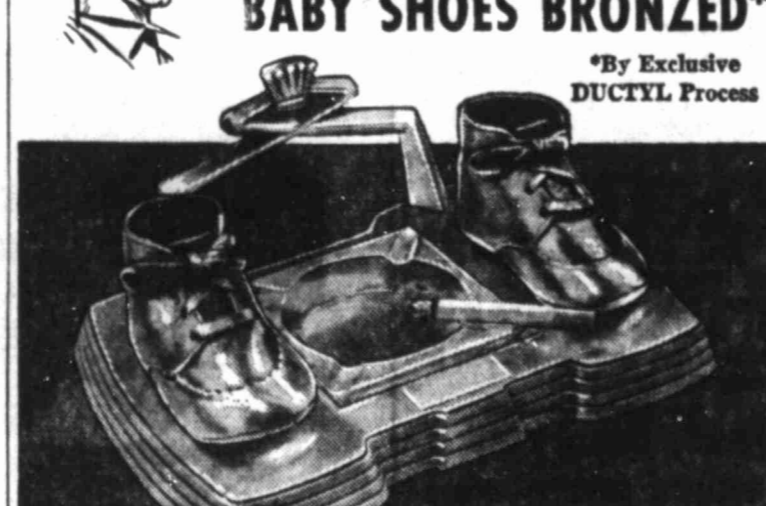

At last you're FREE... and at your loveliest too, with the comfortable uplift of criss-crossing bands, the trim contouring of stitched, shaped-to-fit cups. You'll love being in "ACTION"... COME IN TODAY!

Rosarians' Meet Slated June 10-13

Rose gardeners, professional and amateur, from coast to coast, will gather at the Sheraton Hotel in Philadelphia, Penn., June 10 to 13 to discuss mutual problems and progress.

Such authorities as Gene (Papa Floribunda) Boerner, research director of the Jackson & Perkins Rose Nursery, Newark, N. Y., and "The Plant Doctor", Cynthia Westcott, author of the numerous books on insects, diseases and roses, will be on hand to share the latest information.

This meeting marks the 60th birthday of the American Rose Society dedicated to the guiding theme of A rose for every home, a bush for every garden.

Fruit Plate

Salad and dessert together: Arrange round thick slices of orange and stuffed prunes on watercress or some other greens. The prunes may be stuffed with nuts or cheese.

Fresh Garnish

Fresh grapefruit sections make a different and interesting garnish for a chicken salad. Sprinkle the sections with a little paprika for color.

Bride-Elect

Mr. and Mrs. J. Q. Carrell are announcing the engagement and approaching marriage of their niece, Ernestine Carrell, to Gayle McLeod, son of Mr. and Mrs. Claude C. McLeod of Center Point. The couple will be married in the Apostolic Faith Church on June 20.

DRESS OR JUMPER

**Frock Is Versatile
And Slenderizing**

Here is the dress that can live a thousand lives, super-market shopping, going to town, watching the tennis matches, boating.

Brigance, one of America's most consistently honored designers, worked it out to give you maximum versatility.

A coat-dress jumper with detachable dickey can be worn "as is" or over blouses and sweaters, buttoning the bodice onto a separate strip of buttons.

Slenderness is achieved in the unbroken lines of the back and front panels, with a half belt accenting the waistline. The original was in sunny yellow linen with a yellow and white striped dickey.

Easy-to-make with or without sleeves, it would also be very attractive in pique, flannel, corduroy, wool crepe or jersey. For the dickey, use a contrasting color or textile.

From this size chart select the one size best for you:

Size	Bust	Waist	Hips	Nepe	of neck to Waist
10	34	24	34	14 1/2	17 1/2
12	35	25	35	15	17 1/2
14	36	26	36	15 1/2	17 1/2
16	38	28	38	16	17 1/2
18	40	30	41	16 1/2	17 1/2

Size 12 requires 4 1/4 yards of 39-inch material for dress, 1/2 yard of 39-inch material for contrast and 1/4 yard of 39-inch material for interfacing.

To order Pattern No. 1208, state size, send \$1. plus 5 cents post-

age. For new 96-page Pattern Book No. 16, send \$1.

Address SPADEA, Box 535, G.P.O., Dept. B-5, New York 1, N. Y. If paid by check, bank requires 4 cents handling charge.

(Next week look for an American Designer Pattern by BRIGANCE).

**Male Buyer Models
Latest In Millinery**

QUEBEC (AP)—Modeling women's hats before a mirror is part of Ray Davis' job.

He's a buyer for the millinery department of a large Quebec City department store.

A buyer like himself gets a better idea of a hat's style and value by trying it on rather than having it modelled by "a cute girl," says Davis.

"Get a pretty face and anything looks good, whether the hat is a good one or not. The same can't be said when I try them on, though."

He says there's nothing unusual about his job, and he thinks men make better buyers of women's hats than women.

"Mind you there are exceptions. But a woman will buy hats for her department store with herself in mind. And that's sometimes not good."

Davis travels to Montreal, Toronto and New York to make his purchases.

Feminine Look

Typical of the feminine look in sportswear this season are the floral printed shorts and coordinated shirts. The outfit is styled for coolness and comfort.

Good Squash

Peel and dice butternut squash; cook in a small amount of salted boiling water. Watch closely so the squash doesn't overcook and "go to pieces." Add butter and freshly-ground pepper and you have a perfectly delicious vegetable.

Marble Game

A firm toehold on marbles may help unstiffen little joints and keep muscles in order. Move and grasp marbles for arch-strengthening results.

Ouch!

Maintain toe muscles by rejuvenating your feet over a bottle. Roll it back and forth under the arch to the ball of the foot, then slowly back again.

Care Of The Feet Most Important In Summer

By VIVIAN BROWN
Associated Press Science Writer

When Mother Nature designed our feet, she obviously expected they could weather grass, earth and sand, but modern civilization has created a good crop of foot-resisting surfaces such as concrete, asphalt tile and hard wood.

Dr. Sidney Hirschberg, president of the Food Health Foundation, explains:

"If you must stand all day, as most women do for housework, marketing, picking up children, washing dishes at the sink and

preparing meal, then you must observe the rules of good footing."

These are his timely tips to relieve summer foot ills:

1. Bathe feet daily. Dry them carefully and keep them dry.
2. Prevent athlete's foot by using a good powder between your toes and dust the inside of your shoes.
3. Cut the nails almost straight. Do not round the nails or cut them shorter than the flesh area.
4. Give immediate attention to wounds, blisters, skin eruptions. Avoid the use of strong medicines or sharp instruments on the feet. This may help prevent serious infection.
5. Exercise the foot. It's a good idea to walk each day in good shoes, properly fitted.
6. Change shoes and hose daily to help relieve fatigue and excessive perspiration.
7. Avoid run-over heels, wrinkles in hose or shoe linings and other creases which may cause friction or pressure.
8. Children's feet should be examined regularly by a foot doctor. It's a good idea to have them walk and stand with the toes pointed straight ahead.
9. Wear the right shoe for the right occasion. Foot trouble may occur when this is not done.
10. Foot health depends upon proper care of feet every day. At the first sign of foot disorders, don't do it yourself, see a foot doctor. If you work fast small corns and other foot blemishes may be corrected.

Tight-fitting pants and matching sleeveless overblouse are designed to put you in the mood for carefree summer fun. The bold plaid fabric is easy care cotton knit.

Chenille Can Fluff After Laundering

If you want your chenille bed spreads and robes to have a fluffy appearance after laundering do it this way: Wring them slightly

by hand and then hang the wrong side out on the clothes-line. As the wind blows the tufts will rub together and be fluffy when dry. They have not been flattened by machine drying and have been placed on the line so that one side rubs against the other fluffing it as it dries.

Medical Society To Honor Quartet For Half Century Of Service Here

Four doctors who have been practicing in this area for a half century or longer will be honored by the Permian Basin Medical Society Tuesday evening.

They are Dr. T. M. Collins and Dr. G. T. Hall, physicians, and Dr. E. O. Ellington and Dr. E. H. Happel, dentists. All four reside in Big Spring and all but Dr. Collins are still active in their professions.

Dean of the quartet is Dr. Collins, who started his medical prac-

tice in 1895. He retired about five years ago.
Dr. Happel has been practicing in Big Spring longer than any other physician or dentist. He opened his office here in 1902.
Dr. Hall has been practicing here since 1908, and Dr. Ellington began his Big Spring practice on Jan. 1, 1909.
The four will be honored at a banquet in the Cosden Country Club Tuesday evening. Dr. B. Broadrick, secretary-treasurer of the Permian Basin Medical Society,

announced. They will be introduced by Dr. George E. Peacock, president of the society.
Speaker for the banquet will be Delbert Dowling, manager of the Chamber of Commerce at Midland. A social hour will be held from 7 to 8 p. m., and the dinner will be served at 8 o'clock. Dr. Broadrick said.

Dr. Collins, 91, was born near Tigertown, west of Paris, Texas, on Sept. 2, 1868. He attended academy in Fannin County, then went to Louisville, Ky., to school. He graduated from the Fort Worth Medical College (now Baylor) on April 25, 1895. He practiced briefly in Tigertown, then moved to Monkstown, Fannin County.

In 1908, Dr. Collins set his sights on West Texas and settled in Andrews in 1908. He moved his practice to Coahoma in 1912, and to Big Spring in 1917.

Several years ago when he went into semi-retirement, Dr. Collins estimated that he has delivered 2,500 babies during his career.
Dr. Happel, 84, was born in Alabama on Abraham Lincoln's birthday, Feb. 12, 1875. His family moved to Dallas in 1889, and he lived there until he enrolled in Vanderbilt University.

Licensed to practice dentistry two years before he graduated, Dr. Happel received his degree in 1902, and came here to open his office that fall.

Dr. Ellington, 77, is a native of Shelbyville. He was born Jan. 20, 1882. He attended public schools at Center, then enrolled in Vanderbilt. He received his degree in 1904 and started his practice at Henderson, working there five years before moving to Big Spring.
Dr. Hall, 76, was born at Cleburne and attended schools there. He moved to Big Spring as a youth, and graduated from the University of Texas Medical School in 1906. After a year and a half of hospital service, he returned to Big Spring in 1908 and has practiced here continuously since then.

He also has extensive farming and ranching interests and is active in the oil business.

Dr. and Mrs. Hall have one daughter, Marie, now a student in Southern Methodist University.
Dr. and Mrs. Ellington also have one daughter, Mrs. Dorothy Mayer of Orange, Calif.

Dr. and Mrs. Happel have two daughters, Mrs. W. G. (Doc) Akins of Lake Charles, La., and Mrs. Katherine deGraffenreid of Big Spring, and a foster son, Frank House, who graduated from Texas A&M Saturday.
Dr. Collins has six children, O. C. Collins of Midland, Mrs. E. L. Haag and J. B. Collins of Abilene, A. R. Collins of Big Spring, M. D. Collins of Lafayette, La., and Mrs. Jerry Stewart of Corpus Christi.

City To Open Bids On Parking Meters

Bids will be received by the City Commission on 390 new parking meters and equipment for a new fire truck at its regular bi-weekly meeting Tuesday.

The commission will convene at the City Hall at 5:15 p. m. for its regular session.

The 390 manually operated parking meters will replace a like number of old meters now in operation. The city felt that the new meters will give better service and thus pay for their costs over a short period of time.

An International truck chassis was purchased from Driver Truck & Implement Co. at the last commission meeting, and the bids to be received this week will be to equip it. Bids on the equipment will include delivery to Big Spring.

This rig, when equipped, will be used as a county unit. The county has given the city \$12,000 toward purchase of it, and should total cost run over this, the city will bear the additional. The truck chassis cost just under \$6,000.

The city manager, A. K. Steinhilber, plans to submit a revision to the ordinance governing boats

at Moss Creek Lake. The revision will limit the size of motors which can be used at the lake. Steinhilber said that large boats are causing considerable criticism from swimmers and fishermen, and the amendment should alleviate this.

Also to be considered will be a regulation concerning private hauling of trash to the city dump. To be considered is a charge for commercial haulers who use the city grounds, plus regulations concerning the type of truck which will be allowed to operate on city streets for collection of garbage and trash.

The commission will review the list of blocks to be covered by the assessment paving program. This list will be of blocks where citizens have asked for paving, also blocks which the city hopes can be handled.

An ordinance will be presented calling for a referendum on a low-rent housing project here. The commission at its last meeting planned to call the election on July 11, but the ordinance is a formality which must be handled.

Per Capita Giving To UF Here Above State Average

Big Spring per capita donation to its United Fund of \$2.68 is larger by a considerable margin than the average for the smaller cities of the state and compares favorably with the achievement of the larger communities.

Based on a study of the 1958-59 Community Chest Campaigns, it is shown that the larger cities of the state contributed from as high as \$5 per capita to as low as \$2.04. Big Spring's \$2.68 average, plus the additional fact the community raised its fund 100 per cent, was greater than the averages of Lubbock, Odessa, Orange, and San

Antonio—much larger communities. West Texas cities, their budgets, amount raised and the per capita average:

Abilene	\$266,962	\$261,613	\$3.63
Lubbock	\$326,962	\$327,864	\$2.52
Midland	\$186,825	170,000	3.14
Odessa	\$183,656	\$165,750	\$2.07
San Angelo	\$174,800	\$160,000	\$2.46

Big Spring	\$89,900	\$89,900	\$2.68
Andrews	\$20,000	\$20,000	no per capita figure
Brady	\$10,427	\$8,492	\$0.85
Brownwood	\$39,800	\$34,402	no per capita figure
Coleman	\$17,350	\$17,724	\$1.77
Colorado City	\$27,855	\$24,902	no per capita figure
Snyder	\$42,850	\$26,408	no per capita figure
Sweetwater	\$39,925	\$40,086	no per capita figure

Some of these figures are on campaigns reported as incomplete and some are indefinite as to whether the fund was a Community Chest or a United Fund.

Burglary Case First On List For Jury Trials

Farrell Hamill, indicted for burglary, will probably be the first defendant to go to trial Monday morning in 118th District Court.

A panel of 60 jurors has been notified to report to the court for duty in the trial of criminal cases. Dist. Atty. Gil Jones said Saturday there was a possibility of additional pleas of guilty from the list of defendants who have been set for trial, but at present he plans to go ahead with Hamill as the initial case.

The session is to last all week. Other cases on the docket but not necessarily in the order they may be called for trial include: Billy Glenn Wiley, DWI second offense; Wilbert Hampton, DWI second offense; Benny Earl Pearson, forgery; Harvey Lee DeWitt, two forgery indictments; Lewis Arce, burglary and Marvin Robinson, forgery by endorsement. This will be the final jury docket for the present term of the court. The new court term opens on June 22. On that date a grand jury will be empanelled and a petit jury docket begun in the court.

Job Information Asked From Young People By YMCA

Cards asking about potential summer jobs for young people went out to employers earlier in the week; now information on young people desiring jobs is being sought.

The YMCA, working in cooperation with the Jaycees on this project, has asked that boys and girls needing employment contact the YMCA office. Cards will be filled out to obtain essential information such as name, age, grade, address, extracurricular activities, type of work interested in. There also is a place for approving signature by parents, plus the names of three references.

Some employers have responded to the questionnaire sent to them earlier in the week, said Everett Taylor, Y program director.

Four Days Of Finals Open Friday At HCJC

By BOBBY HORTON

HCJC students fought the first round of a four-day mental battle Friday and came through surprisingly well. Final examinations resume Monday with the last test ending Wednesday afternoon.

The tests are given over a three-hour period. Most look advantageous for the full allotment Friday. Exams are so scheduled that no student has more than two tests per day.

The mammoth task of assorting, alphabetizing, checking, recording, stapling, filing and mailing grades has already begun building in Registrar B. M. Keese's office. All grades will have been sent out to students by Saturday.

One of the first tasks for Mr. Keese and his helpers is compiling transcripts for the sophomores and other students transferring to other colleges.

Baccalaureate services for the candidates for graduation will be held this afternoon in the College Auditorium. The Rev. William J. Boyd, pastor, St. Mary's Episcopal Church, will deliver the baccalaureate sermon.

A reception will be held for students, faculty, parents and other guests in the SUB following the services.

The commencement exercises

Thursday will feature an address by Dr. James W. Reynolds, widely known in junior college education as president of the Assn. of Higher Education. There are 48 graduation candidates.

Commencement exercises will be in the Dora Roberts Student Union Building banquet hall at 7 p.m. Diplomas will be presented after a banquet meal.

After much anticipation the 350-volume shipment of the college yearbook, Jayhawk, arrived at mid-afternoon Friday. A large group of students was present at a yearbook signing party held in the SUB that night.

The book has a black background with a spiral confetti design of blue and orange streamers. The Jayhawk is dedicated to the memory of Mrs. Dora Roberts, pioneer woman of Howard County. The new student center on the campus, made possible by a foundation she established, was named for her.

An eye-catching two-page natural color view of students lounging in front of the Administration building is a special touch. There are 200 pages.

Members of the editorial staff were Carolyn "Cookie" Seese, editor; Anita Gardner, assistant editor; Brenda Gordon, business

manager; Jean Fuqua, art editor; Gilbert Bell, sports editor; Lynn Reynolds, organization editor; Sammie Sue McComb, class editor; Tommy Roberts, photographer; and J. T. Clements, faculty advisor.

Conversation at the college is apt to drift one of two directions at this stage. It's either "What did you make on that last test?" or "Where are you going next term?"

Of 16 students quizzed about their next college home, eight named Texas Tech; Delbert Shirley, Lovington, N. M.; Venita Allison, Big Spring. Mary Breckenridge, Big Spring. Don Anderson, Big Spring. Dale Woodruff, Handley, Jesse McElreath, Big Spring. Tommy Pickle, Big Spring, and Joe Hill, Coahoma.

Others and their choices: Millard Bennett of Junction, East Texas State College; Dalton Gill of Vealmoor, Abilene Christian College; Bobby Davis of Dallas, Texas Western College; Calvin Daniels of Big Spring, University of Texas; Frank Hardesty Jr. of Big Spring, North Texas State College; Hubert Murphy of Lamesa, NTSC; Doug Burrage of Handley, University of Texas; and Gilbert Bell of Meadow, Eastern New Mexico University.

Regular Classes End On Light Note, But Tests Set Monday

By PAT ROGERS

For the seniors, Friday was the last of their regular high school days.

If the truth were known, it really doesn't do much good to go to school the last few days except on test days. Most last days turn out like Friday—Coke parties in almost every class and big gab sessions.

An impressive thing Friday morning was the traditional Senior Assembly. Decked out in dress pants and sport shirts, or fancy dresses and heels, the Senior Class of '59 marched into the auditorium, took their places as their last assembly started. Judy Reagan gave a class history as she described several of the unusual and funny happenings of grade school and junior high. In closing, she bade the sophomores and juniors "saxonnara." Benny McCrory will give the farewell address and made the presentation of the emblem of the BSHS Steer. A triple trio consisting of June McElraih, Mary Oliphant, Charlene Campbell, Judy Reagan, Katie Thomas,

Sharon Creighton, Sandy Hale, Judy Shields and Glenda Greenwood sang "May the Good Lord Bless and Keep You" as many eyes overflowed with tears.

As in the past, the senior class presented an original song; this year it was the tune of "We'll Have Memories to Remember" and the words consisted of some of the memories the seniors have stored up through the years. In closing the seniors formed a friendship circle around the remaining student body and sang the school song, "Dear Old Big Spring High." This last assembly will, no doubt, rest in the minds of the seniors as well as all BSHS'ers as an event never to be forgotten.

Tonight you may see the midnight oil burning in the windows of the seniors. Tomorrow final exams begin and Tuesday they end. After the exams are completed, so will be the school year for the seniors.

Friday seems to have been a big day for everyone, including the Student Council. In the senior assembly, James Howard Stephens,

president of the Student Council, turned his gavel and authority as president over to next year's president, Charles Dunagan. Also, to bring the year to a complete end, Katie Thomas entertained the entire student council in their last function or party of the year. There were eats all over the place along with a nice, cool swimming pool.

May seems to be the month of "well, this is the last time we'll be doing this." The National Honor Society had its last meeting last night and elected new officers for next year. Results of the election are as follows: Jane Cowper, president; Teresa Smith, vice president; Marilyn Bigham, secretary; Charles Dunagan, treasurer; Jamie Phillips, reporter; and Janet Thornburn, historian.

Saturday morning Judy Reagan and Lyn Anderson entertained several senior girls with a breakfast. Sunday afternoon Beverly Alexander entertained several senior girls and their mothers at the Cosden Country Club with a milk-punch party.

In a meeting of the senior class Thursday afternoon, plans for the Senior Ring dance, traditionally held after graduation exercises, were made. If everything goes as planned, the dance will be held at the Cosden Country Club.

The juniors didn't receive quite enough recognition for their wonderful job on the prom. When the prom festivities came to an end, Janice Dieksen sang "You'll Never Walk Alone" as the juniors encircled the seniors and joined in the singing. Everything was so wonderful and impressive, but this song seems to have been the most memorable. As one might expect, many eyes glistened with tears.

Saturday the juniors really celebrated the end of the prom worrying by eating the left-overs from at Kay McGibbons' house. They also had the pleasure of a swimming pool.

RUNNELS REPORT

Freshman Picnic Is Held Friday

By DIANE BAKER

Thursday was the annual awards assembly and approximately 150 merit "B" awards were presented. These included subjects, class favorites, choir, band and athletic, paper and annual staffs. Mr. T. A. Thiippen presented Kathy Johnson and Jack Irons with American Legion awards, and Mary Ann Bell was presented with an ID bracelet as the Future Homemaker of the year. Jack Irons also received a bracelet as FFA Dreamboy.

The assembly was a sad one for the ninth graders as they realized it was their last one. The school song was sung as the ninth graders stood. Here and there a few tears were seen.

The freshman picnic was held Friday. Many students went swimming while others played golf or tennis. Among those eating lunch on the grass were David Maberry, Jack Irons, Linda Grand, Jimmy Hinds, Carla Sledge, Gill Potter and many, many more.

Friday night the Student Council party for high school was held at Kathleen Thomas' home. The three

10th grade student council members from Runnels and their dates were also invited. Dinner preceded dancing and swimming.

On Tuesday, Jimmy Hinds, Linda Grant and Diane Baker, the 10th grade representatives for next year attended a student council meeting in high school.

The seventh graders had a special treat Tuesday when a band concert was presented by the Senior High Band in the Runnels gym.

A slumber party Friday night climaxed the year's Y events for the seventh graders. The club held the party at Sue Cook's house.

On Tuesday, a special edition of the Round Up, the school paper, will be published. This will be dedicated especially to the graduating ninth graders. All ninth graders are reminded to be sure to turn in their "wills."

Also, Monday through Thursday brings semester tests. In many instances these will determine whether students pass or fail. A sword to the wise should be sufficient. So buckle down and at least have the satisfaction of having done your best.

Local Girl Selected For Science Training

DENTON—Texas Woman's University has announced that Mary Jane Engstrom, Big Spring, has been chosen as one of 25 girls to participate in the 1959 summer science training program sponsored jointly by TWU and the National Science Foundation.

Miss Engstrom, who is completing her junior year at Big Spring High School, was chosen from a group of 378 outstanding applicants. She is the daughter of Mr. and Mrs. Jim Engstrom.

OUTDOOR living

creates a huge new market for advertisers
in the TOTAL SELLING MEDIUM...

Today more people are interested in OUTDOOR LIVING than ever before. For many, outdoor living begins right in their own backyards. People are gearing their grounds for everything from active sports (like swimming) to dining and sun-basking. All with a view to putting a bit of "vacation fun" into everyday living! Result: a large responsive market for "what it takes" to give the backyard its NEW look and NEW usefulness: patios, terraces, barbecues, swimming pools, outdoor furniture, outdoor lighting and a long list of accessories. People are actively looking for ideas on what to buy and WHERE to buy it. Most of them will do most of their looking in the pages of this newspaper!

Shopping for the needs and luxuries of outdoor living (like most shopping) starts in the pages of this newspaper. What better place to tell your story, if you have something to SELL to this rapidly expanding market? As always... to do a TOTAL selling job, use the TOTAL SELLING MEDIUM.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

When does a baby start to think?

Nobody knows, exactly. But thoughts do come by association. Baby eagerly responds to the sight of a bottle because experience has proven that the bottle offers both satisfaction and comfort.

Because baby does learn by association, it is important that parents take care to enlarge their children's horizons as they grow. A very small child will respond to a simple prayer. And a child of three will find great enjoyment in attending Church School geared for youngsters of that age.

Religious instruction and guidance is not for the mature only—it is needed regularly by everyone. The spiritual life of your child needs constant cultivation, just as the mind needs day by day development and the physical body needs exercise and training.
