WILLIAM MeCRAW

William McCraw, prominent Dallas attorney, has launched his campaign for the office of Attorney General of Texas. McCraw served three consecutive

terms as District Attorney in his home county, holding the distinc-tion of being the only prosecutor who has ever been so honored. His record as a public official and in private law practice has won him state-wide recognition.
McCraw studied law while work-

ing in his father's printing office; saw active service in France and made a notable record for law enforcement as district attorney. He has been active in the State's Democratic party affairs, being regarded as a liberal in politics.
