Leaders sympathetic but skeptical

Will farmers here strike?

By SUE COLEMAN

"A farmers' strike on a large enough scale would certainly be effective, but farmers are independent in thought and action and historically, have been unable to unite that well. Also, many are in no position to hold their crops off the market this year. I'm in sympathy with the purpose but trying to be realistic about chances for success."

That comment, summing up the opinion of farm organization leaders and bank officials questioned by the News on the strike movement, was made by Ray Joe Riley, past president of the Plains Cotton Growers and now president of the Texas Lamb Feeders Association.

Farmers in Colorado began the strike movement without a formal organization, member list or dues. Calling themselves American Agriculture, they have scheduled a Panhandle area rally in Amarillo Friday.

Many counties in the area will have groups of farmers at the rally to hear plans for a strike in mid-December unless Congress heeds their plea for legislation to assure farm prices at least to cover the cost of production.

Bankers who finance farmers in this county voiced their sympathy with strike objectives while they doubted the method could be made effective.

"We're well aware the farming industry is in a real tough spot," said Edd McLeroy, vice-president of First State Bank of Dimmitt. "Most farmers would be dollars ahead if they hadn't planted anything this year and I'm certainly not against their efforts to solve their problems."

James Werner, president of Farmers State Bank at Hart, said, "We're in complete sympathy with them but can't see how some, especially tenants, can afford to strike. And the wheat farmers, who already have their next crop in the ground."

Both bankers agreed, "We're not giving up on the farmers and will stay with them as long as we can." Loans must be granted on a case-by-case basis and banks consider each individual separately, they stressed.

"A lot of farmers have reached the point where they can't afford to farm, but can't afford not to," McLeroy said. "Maybe the strike talk will draw the attention of some people who can do something about that dilemma."

Getting the attention of Washington is the aim of the strike movement, but farm leaders here are skeptical.

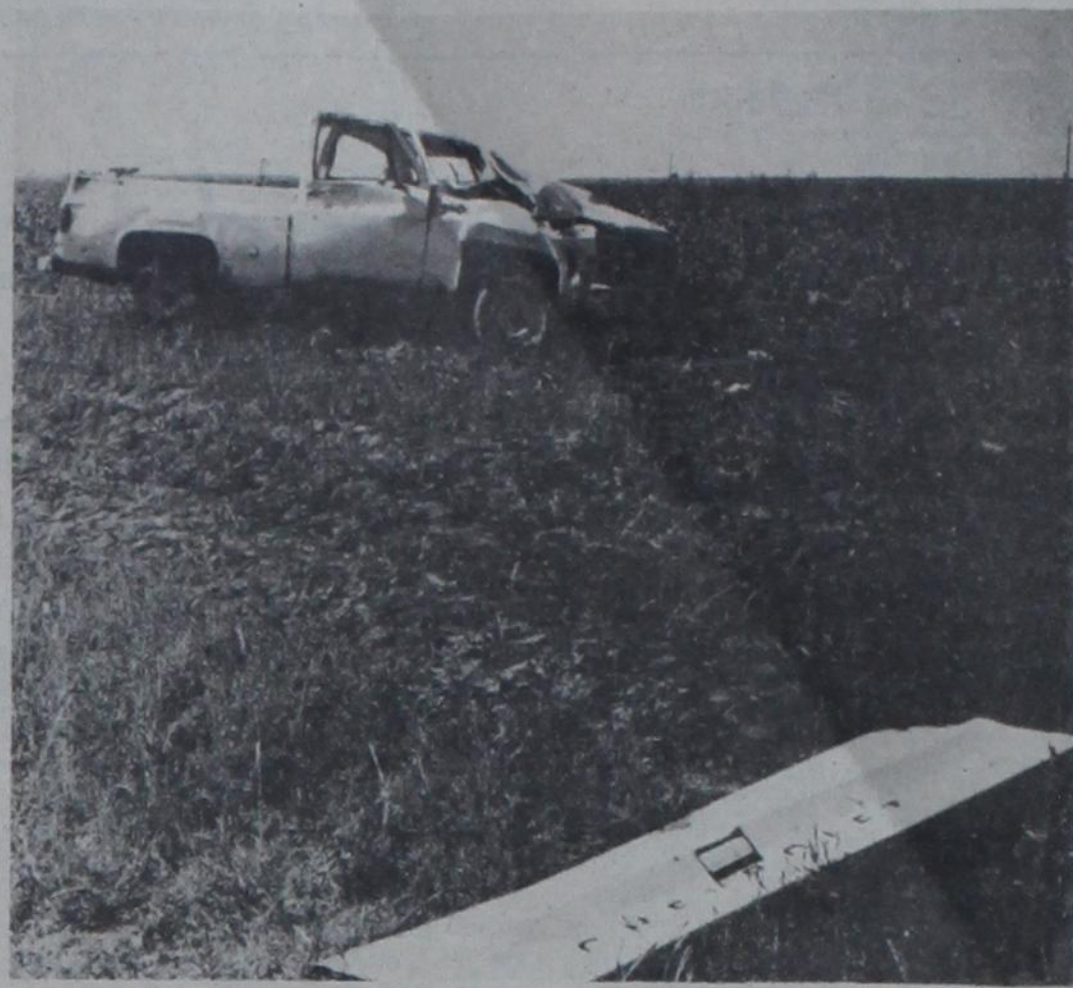

"I've learned that congressmen, especially from the big cities, understand industrial strikes but not farm strikes, and could be antagonized by the farmers' plans," Riley said.

Gale Sadler, president of the Castro County Farm Bureau, agreed.

"You can be sure our government now is consumer-oriented," Sadler said. "Congressmen listen to consumers; there are more of them. What Congress could do now is encourage more export market for farm products."

The CCFB board met Tuesday night and held a long discussion of the issue, Sadler said, but postponed taking any official position until a special meeting called for next Tuesday when a larger attendance will be sought.

"Personally, I believe a strike is not the right approach," Sadler said. "Too [See FARMERS STRIKE?, Page 5]"

THREE NAZARETH YOUTHS were seriously injured Saturday when they were thrown from this pickup as it ran off FM 168 south of Nazareth and overturned at least twice. Here, the tailgate rests where the pickup went through its final roll. Injured were Neal Hoelting, Kent Hoelting and Joe Hochstein, all 14, who were gathering corn for a freshman class fund-raising project when the accident occurred.

Boys hurt in rollover

Three 14-year-old Nazareth boys were seriously injured Saturday when their pickup overturned at least twice after running off the pavement of FM 168 three miles south of Nazareth.

Injured were Neal Hoelting, Kent Hoelting and Joe Hochstein. The three youths, all freshmen in NHS, were on a corn-collecting mission to raise class funds when the accident occurred shortly before noon.

Highway Patrolman Dyrle Maples said a flat tire on the left rear wheel of the 1973 Chevrolet pickup evidently caused the accident. The pickup is owned by Eugene Hochstein, Joe's father.

All three youths were thrown from the pickup as it careened off the pavement and overturned over a 90-100-ft. distance on the west side of the road.

Neal Hoelting, son of Mr. and Mrs. Ronnie Hoelting, suffered a broken leg in the right thigh, a cut leg, a mild concussion, cuts and bruises. After receiving emergency treatment at Plains Memorial Hospital, he was transferred to St. Anthony's Hospital in Amarillo, where he was reported in satisfactory condition Wednesday morning.

Kent Hoelting, son of Mr. and Mrs. Clyde Hoelting, received a severe concussion, lung injury, cuts and bruises, and was bleeding internally

when he was admitted to Plains Memorial. However, he was reported in stable condition and improving Wednesday morning.

Hochstein received a mild concussion, kidney injury, cuts and bruises. He was also reported in stable condition and improving at Plains Memorial Wednesday morning.

All three youths were taken by ambulance to the local hospital.

In another wreck Tuesday morning, a 1976 Chevrolet driven by Cindy Nell Blagg, an Earth school teacher, was in collision with a 1972 International semi-truck driven by Orville Lee Satterfield.

Satterfield, who had just delivered a load of corn to Taylor Feed Lot, was traveling east on FM 145 south of Dimmitt and stopped at the intersection of FM 145 and US 385.

"He apparently failed to see the other vehicle approaching," DPS Officer Dyrle Maples reported, "and he pulled out in front of Miss Blagg's car, which was traveling north on US 385. She applied her brakes, sliding into the right rear tires of the trailer."

Maples said there were no injuries, but the car sustained extensive damage, while the truck only had a cut on one tire.

Satterfield was cited for failure to yield right of way at a stop intersection.

Cotton, beet and milo harvest is picking up

Two crops important to Castro County are getting well underway in harvesting—cotton and sugarcane.

Corn harvest is winding down, and elevator operators in all parts of the county said they expect it to be virtually complete by the end of the week.

Elevators are receiving "a good trickle" of milo now and some operators said they expect it to increase since the light frost, although milo acreage is down from previous years.

With the cotton harvest off to one of the earliest starts in a long while, it is

still fairly slow according to most of the gins in the county.

The largest volume of the cotton crop seems to be going through the Ross Family Gin in Sunnyside, which has ginned 200 bales so far.

"We're getting about 30 to 40 bales per day right now," a gin spokesman said. "I estimate it's about five percent of what we'll get in all. The grades are real good and it's averaging from one to 1 1/2 bales per acre. This harvest started about a

Youts details city's quest for new water

New water wells within the city of Dimmitt would no longer produce enough water to meet the needs of a growing population, Mayor Elmer Youts told the Dimmitt Lions Club at its lunch Tuesday. For several years city officials have been exploring other possible water sources, Youts said.

Wells planned on land 6 1/2 miles south of the city will fill the need, the mayor said, and that water source was the most feasible of a number that have been investigated, including Lake Meredith, the Herring Estate land in southeast Castro County and a site at Sunnyside.

Four other locations south of the city were studied before Joe Scott agreed to sell the city a two-acre tract where three wells can be drilled.

"From Dimmitt south there is good water—that's one of the things that is making it easier for us to sell our bonds," the mayor said. "These men in the bond market have studied the county's water records in the state office and know it's a safe investment for them."

"I visited with Wayne Wyatt at the Texas Water Development Board in Austin. He was familiar with the water strata south of Dimmitt and said we should still have 70 feet of water-bearing strata there in the year 2020," Youts added.

There are nine city wells in Dimmitt now, he said, with the strongest one pumping 490 gallons a minute and the weakest 245. The city's newest well, near the First Baptist Church, is the weakest one, Youts said.

"Look at all the new businesses and the number of houses built in our city in the past five years," the mayor said. "These all pull water. Our needs have grown to the point that the city pumped four million gallons in one day in July."

He gave details of plans for the new field which will be developed if residents approve a \$1.1 million bond issue in an Oct. 22 election.

Rites held Friday for George Heard

George Clinton Heard, 44, longtime farmer in northeastern Castro County, was found dead in his car last Wednesday morning, several miles north of his home.

His car was discovered in a field two miles north of the Castro-Deaf Smith county line. Coroner Glen Nelson of Hereford attributed the death to carbon monoxide poisoning, and said Mr. Heard evidently had died six to eight hours before his body was discovered at 10 a.m. Wednesday.

Funeral services were conducted Friday in the First Baptist Church of Littlefield by Rev. John Street, pastor of the First Baptist Church of Dimmitt, and Gary Bivins, education director of the Littlefield church.

Burial was in Littlefield Cemetery, under the direction of Hammons Funeral Home of Littlefield.

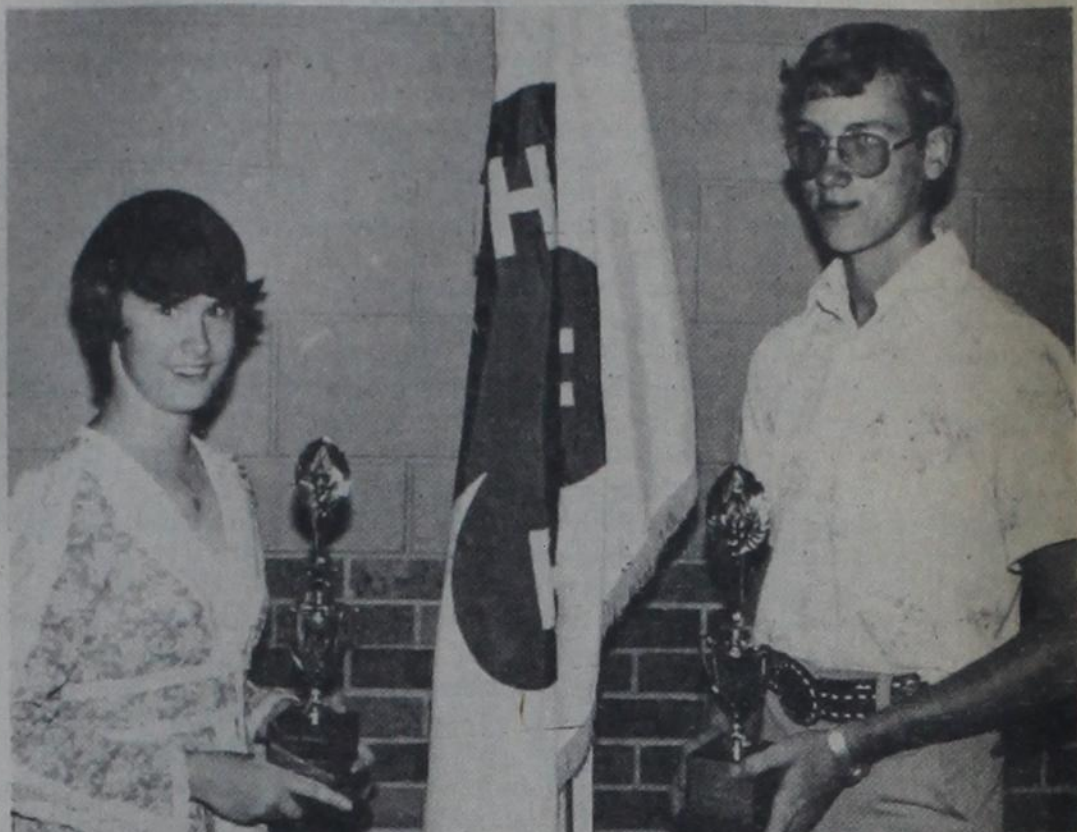

A native of Littlefield, Mr. Heard had farmed in the Jumbo area of Castro County 25 years. He was a member of the Baptist church.

He is survived by his wife, Bonnie; three sons, George Brent of Dalhart, Daniel Blanton and George Clinton of Oklahoma; four daughters, Rhonda Guillotte and Vickie DeVore, both of Memphis, Tenn.; Khristi McKelvey of Amarillo and Elizabeth Heard of Oklahoma; a stepson, Alvin Ethridge of Lubbock; three stepdaughters, Patricia Sawyer and Denise Heard, both of Lubbock, and Diana Desch of Dallas; his father, Dan Heard of Littlefield; two brothers, Dan and Kenneth, both of Dimmitt; five sisters; a step-brother; and four grandchildren.

Behrendts, Huseman Gold Star winners

Gold Star awards were presented to Kylene Behrendts and Paul Huseman at the Castro County 4-H Awards Banquet Saturday night at Richardson Elementary School.

A girl and a boy who do outstanding work in 4-H clubs of the county are chosen each year for these awards, which top the list of achievement citations presented at the annual banquet.

Kylene, the third Gold Star winner in her family, is the daughter of the Clarence Behrendts and a member of Happy Helpers 4-H Club at Easter. She has carried out projects in swine, poultry, clothing and food, attended the 4-H Congress and helped with many 4-H activities in the county.

Paul is serving as president of Nazareth 4-H Club and was chosen its outstanding boy. He is a member of the reserve champion livestock judging team and active in the 4-H Junior Leaders group. His parents are Mr. and Mrs. Louis Huseman.

County Judge Weldon Bradley presented the Gold Star awards to climax the banquet program. County Agent Charles Hotel presented club certificates. Blue Seal Certificates were earned by Nazareth, Flagg, Bethel and Happy Helpers clubs, a Red Seal by the Dimmitt 4-H Club.

LeAnn Crozier welcomed parents, members of the county commissioners court and other visitors after the invocation by Hal Gilbreath. Laurie Sides voiced an appreciation to parents, Wendy Bruegel appreciation to club leaders and David Huseman appreciation to other friends of 4-H.

Fire Dept. slates open house Sunday

This week is National Fire Prevention Week, and in Dimmitt many students are participating in the poster contest, and an Open House is planned Sunday at the Dimmitt Volunteer Fire Department station.

As part of the week's observance, surprise fire drills were held at all the Dimmitt schools Wednesday morning with participation by the Dimmitt Volunteer Fire Department.

Fire Marshal Guy Waldrop said participation in the drills was "really good overall, and added that less mistakes were observed at the high school."

"We want people to come by and review our equipment and facilities, and we have several special activities from 1 to 5 p.m.," Charles Littlejohn, Assistant Fire Marshal, said.

The station will open at 1 p.m., and then at 2 p.m. cartoons about fire safety will be shown. At 3 p.m. the awards for the fire safety poster contest will be presented by Dimmitt Mayor Elmer Youts.

A film for adults on fire safety, "Learn Not to Burn," with Dick Van Dyke, will be shown at 3:30 p.m. At 4 p.m. another fire prevention film, "The Neighbor Next Door," will be shown, concluding at 5 p.m.

Refreshments of punch, coffee and cookies will be provided by the department's auxiliary, the Fire Alarms.

4-H activities, and County Agent Irene Keating made the presentations of several special awards. Names of these award winners appear on Page 10.

Pins to mark the years spent in 4-H were awarded by Becky Hand and Bernard Acker. Elaine Acker received her 10-year pin, Becky Hand was cited for her ninth year and Bernard Acker for his eighth year in 4-H.

Seven-year pins went to Cinde Sides and Kylene Behrendts, a six-year pin to Morris Cole, and five-year pins to Tammy Behrendts, Wendy Bruegel, Karen Huseman, Laurie Sides and Greg Odum.

First UW report scheduled today

The Dimmitt United Way will have its first report meeting today (Thursday) at 10 a.m. in the Colonial Inn dining room, and Campaign Chairman Jack Edwards said it appears that 10 to 15 firms will earn "100% Business" honors, with all employees pledging their fair share within the first 10 days of the drive.

"Huckabay Abstract Co. became the first 100% Business, and several other businesses are pretty close to 100% right now," Edwards reported.

"Three campaign workers have brought in \$1,000 so far, and we expect to hear from quite a few others Thursday."

Those who have not yet received a pledge card but who wish to pledge a dime a day (\$36 for the year) to benefit the 12 organizations in the United Way may call the Chamber of Commerce office, 647-2524, and a pledge card will be delivered, Edwards said.

JUST A DIME A DAY from every family will put the United Way campaign over the top this year, UW President Reta Welch reminds Dimmitt area residents. Campaign workers are recommending the "painless" method—sign a pledge card during the United Way drive authorizing your bank account to be drafted by \$3 per month. The United Way is raising money for 12 organizations that benefit Dimmitt area people and enrich life here. The Dimmitt United Way includes every family living in the Dimmitt Independent School District.

Sheffy's Chatter

Visitors found Dallas was 'hot as chili pepper'

V. C. and Dorothy Hopson and friends James and Joyce Autry of Rocky Ford, Colo. are home from a trip to Dallas. They visited Dorothy's brother Paul and Phyllis Dishman. All went to see the Dallas Cowboys play Tampa Bay—a good game, I hear. V. C. says it was hot as chili pepper until Sunday, which was cool and just right for the game. On Monday they went to Trinidad, near Athens, to visit friend former Dimmitt boy Rowdy and Betty Martin, then home again.

I was chatting with Brick Autry, Dimmitt librarian. He tells us that Mr. Allen Newman (no kin to the teacher) of Denver, Colo. was in the library last week looking for information or maybe relatives of his granddad Mr. L. D. Newman, who lived in the county near Hart in 1891-1894. He had a record of the marriage of an aunt that was the first license in this county, but Brick didn't get her name. Seems the first sheriff bought his property southeast of Hart.

Brick Autry has bought a small car that he went to Norman, Okla. in. He likes it because it doesn't use much gas. Brick has had an article printed in an Albuquerque paper. The name is "Indian Library." Maybe we can read it.

Daisy Womack Thomas of Newcastle, Wyo. and Mrs. Jack Womack of Lamesa were here for a visit with kinslay Ethel Womack last Monday. Ethel had all the family in for lunch, her son John and Margaret Womack, sons Lester and Jess, Rita and Stanley McDaniel and Shirley and Harold Stephens. They took Daisy to see the museum and Dimmitt's other things—feed lots, library, Amstar, fertilizer plant. Daisy grew up here and went to Wyoming to file on land quite a while ago, and

met and married there. Mr. and Mrs. M. T. Stanton of Shallowater were Sunday guests of son Tommy and Darlene Stanton and grandsons.

Mr. and Mrs. W. J. Milles of Portland, Ore. were here for a visit with long time ago college friend Flora Stanford. I bet they had many "Do you remember?" talks.

Hedley was the place for the Cotton Festival Saturday with parades and floats, queens, a 3-year-old girl was awarded the unusual gift of a 630 pound bale of cotton. Going from here to the reunion of friends were Carl Simmons, his sisters Mildred Kyle, Maurine Henderson and their cousin Madeline Bell of Hereford.

Joe and Dugan Butler, Ralph and Amy Glover went to California sightseeing and visiting. Visited CBS studios in L.A. and went to "The Price Is Right" show. On to Lake Tahoe, Reno, Las Vegas. Ralph couldn't understand why it took one day to get to Las Vegas and three days to get out. Weather real nice. They saw Lawrence Welk, Redd Fox and other artists.

Going from here to Amarillo last Thursday to attend the 23-county judges and commissioners meeting were Judge Weldon and Mrs. Bradley, commissioners Ed Wilson, Jerry Wilhelm, Anna Margaret Moss and Myrtle

Vance speaks to Rotary

"Helping these young men is the most important thing in my life besides my family and God," Dimmitt High School head football coach Jerry Vance told the Dimmitt Rotary Club at its Friday meeting.

Vance, along with assistant coaches Larry Birdwell and Dennis Miller, visited the meeting and reported on the present condition of the football team and talked about the upcoming district competition. "I think it's going to be a lot closer race than any of the magazines or pollsters have allowed," Vance said. "Mule-shoe is going to be one of the strongest contenders because of the depth of its team—about 140 players. Friona is strong in the size department, having six to eight players weighing over 210 pounds. But our experience and speed still keep us way in the picture."

Club President Bill Dannevik told members of the upcoming Inter-City Rotary Meeting set for Oct. 20 in Lubbock and urged all members and their wives to attend. The club has won the attendance trophy at the meeting for the last three years.

Flag chairman Ron Montgomery reported that about 10 percent of the contracts have been turned in so far.

Sheffy as a guest. Mayor Hodge welcomed the 100 people to Amarillo and The Hon. Paul Fortenberry presided.

And Jack Shelton, past president of the Board of Regents at WTSU, introduced speaker Max Sherman, who is now president of WT. He told of the many advantages students receive by going to WT. They still have teachers teaching, not by remote control, excellent training in music, chemistry, nursing and agriculture and an excellent college for teacher training. Mr. Sherman says the university is an expensive business. He gave a short history of the college starting in 1909 and 1910.

Bill Clayton was speaker after the luncheon, telling the money needs for road and highway building and many state bills coming up. The state meeting will be in San Antonio Oct. 18-20 and in El Paso in March. Many reports were given. New laws and finances were reported on by Sam Clounts.

Mrs. Bill Moss and I came from the meeting by her son Gary and Mrs. Moss's house to see the baby. Both Mosses teach school in the Amarillo system.

I met Judge Jack Wolf of Oldham County. He sends greetings to cousin Willie Mae Sadler. Dalhart's county judge is a very attractive lady but I didn't get her name.

Lon Woodburn, Morgan Dennis and Bill Moss went to Lon's place at Ruidoso where

they picked a few apples. There are many fruit orchards up and down the Hondo Valley.

Weldon and Irene Bradley have had much company the past week. They were Mr. and Mrs. H. B. Harris Jr. and son of Fort Worth, later Rev. and Mrs. H. B. Harris of Weatherford (she is Irene's sister), Mr. and Mrs. Wilbur Dixon of Dallas, then Kent Bradley from Lubbock. You know the mother Mary Dixon has been in the hospital but she is better now, and Elmer, the dad, went to Oklahoma City for eye treatment.

Al and Dee Gibbs, Mrs. Odus or Lou Hastings and their mother Mrs. G. A. Bradley went to Arkansas to visit brothers Keith and Harold Bradley.

Brenda McHenry of Odessa has been here for a few days visit with great uncle Horace and Ceal Carlisle. Mr. Carlisle is doing well now from his recent illness.

Beth Wallace and Virginia Sheffy took their great aunt Henry McMurry to her home in Marlowe, Okla. last Saturday. Henry has been visiting her sister Rachel Graham.

The 42 playing bunch were eating steaks at K-Bob's Saturday evening. Those I saw were the Gene Iveys, the Jim Hays, the Buster Morgans, the Morgan Dennises, the Ivor Bagwells, the N. A. Brysons, the Elmer Youts, Billye Wesson and Irene Carpenter. Polly Simpson had a few

friends in Thursday afternoon for coffee and bridge. They were Ruth Jackson, Courtenay Armstrong, Carolyn Jones, Joannis Robertson, Ina Cleavinger, Doris Lust, Mona Merritt, Jo Eddie Riley, Shirley Wise, Louise Nelson, Carole Dyer, Martha Dannevik and Betty Huckabay.

Harold Stephens was in the Perryton area last week on business for the Federal Land Bank.

Mrs. Byford Wagner of Sulphur, La. has been here for a visit with her sister Jo Nita Smith and nephew Mike Sharp. They went to Rotan to see their mother for a few days.

Kay Snider of Amarillo visited her mother Opal Bearden last Tuesday. Opal has had that upset stomach others are having, like Cecil Ginn, Janie Vick and others. I saw Louise Mears in the hospital Tuesday and Josie Bradford, but she is home now.

Faye Kenmore and La Verne Rudd went up to Albuquerque and Farmington last week. Mrs. Rudd stayed a few days in Albuquerque to visit her daughter Mrs. Chief Lawson and family. Faye met son Hoyt Kenmore of Tempe, Ariz. there and they visited his daughter Alicia Blasington and family in Farmington.

50 ladies of the Baptist WMU met at the Colonial Inn Restaurant for luncheon. Their speaker was Mrs. Paul Lyle of Plainview. Mrs. Lyle says we Christians must be

careful not to let the many unimportant things crowd out the worthwhile things. And what we get from ladies church work includes fellowship, mission work, caring for people.

A big fun party was at the open house at Mr. and Mrs. Jack Edwards pretty new yellow house on Sunset Circle. This was Saturday night and the folks dressed up in baseball or football jerseys and they served popcorn and Cokes, maybe candy and ice cream. I wasn't there but I hear about these things. Susan Hanners says peanuts and hamburgers were served also. The hosts and hostesses were the Chuck Braaflatts, the Robert McLeans, the Stanley Byrnes, the Les Clarys, the Arlie Pettys, the Jimmy Rosses, the Jimmy Butlers, the James Bakers, the Mike Bacas, the Ken Justices, the Danny Smiths, the Robert Hobgoods, the Carl Bruegels, and many others came for the party. Other hosts were Bob and Sue Caddell, the Jackie Clarks and the Ronald Goldens. The house gift from the friends was a set of brass candle holders. Guests came from Bovina, Tahoka and Hale Center and Lubbock. They are kin Jimmy and Carolyn Curry, Joan and Wendell Isbel, David and Debbie Roberts, Huston and Lura Hoover, Gil Edwards, Jonnie Baker, Mac and Sam Edwards of Tahoka, Debbie and Jodie Edwards, Punk and Becky Franklin, Roy and Mildred Lemond.

B. M. and Viola Nelson spent the weekend in Albuquerque visiting daughter Mary and Herb Burnham and three sons. They got to see the big international balloon show, many colors and from many countries. Probably 100 in the show.

Lottie Bearden and her kin Andrew and Vada Bolton of Pueblo, Colo. flew off to Fort Netches to visit Yvonne Fry and family. They plan a stop in Abilene before coming home.

Tracey Hatla was the birthday boy last Saturday so his mother baked a cake and asked his friends in to celebrate, Frank Cluck, Scott Hill, Ted Smithson, Arnold Peralaz, Darrell Lewis.

And Saturday Glen and Diane Hatla and her mother Mrs. Joy Davis of Littlefield went to the Lubbock Civic

Center to attend the hair style and fall clothes show presented by Diane's brother Tommy Davis.

Beral Hance met her daughter Beth Hodges of Panhandle in Canyon Sunday for lunch at the Yum Yum Tree. They toured several new homes in the afternoon.

Carol Hance visited Beral Hance Tuesday.

Image of a cross with rays emanating from it. Text: The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Luke 10:27 The basis of God's first and greatest commandment is love. God gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

Board okays band trip, adopts 'Right to Read'

The Dimmitt School Board Monday night approved a cutback in achievement tests, adopted the national "Right to Read" program and set a tentative date for the 1978 band trip.

Upon the recommendation of school administrators and counselors, the board dropped the requirement for standard academic achievement tests from all grade levels except the third, sixth and ninth.

In the past, students have been tested every year on their individual achievement levels in basic subjects.

Curriculum Director Evie Froehner told the board that achievement test results in grades 1 and 2 "aren't really valid because of language problems and other factors."

Mrs. Froehner and Counselor D. H. Koening were on hand to explain the reasons for the proposed cutback.

Under the revised testing policy, a student will be given the standard academic achievement test in the third, sixth and ninth grades; an algebraic ability test in the eighth grade to aid in high-school math placement;

the National Educational Development Test in the 10th grade; an interest test in the 11th grade; and optional tests on scholastic aptitude, vocational aptitude and college-level capabilities in the 12th grade.

The board designated the DISD as a "Right to Read Effort" School District, which Supt. Robert Ryan explained "is not a programmed learning situation, but simply an evaluation of our program at grade levels."

The national "Right to Read" effort, Mrs. Froehner said, is intended to give students more incentive to read for their own enrichment and to develop better reading teachers.

During a discussion on the school's reading program, several board members lamented the fact that state and federal agencies have mandated so many duties to elementary teachers that they no longer have time to teach reading by the old repetition-and-drill method.

"Will any more time be devoted to reading?" Trustee Charlie Wales asked Mrs. Froehner.

"No," she said. "There are too many other things the teacher has to do."

"Then the whole solution is intended to come from a change of approach?" Wales asked.

"Yes," Mrs. Froehner replied. "In some cases the change of approach is sufficient."

Although board members were "underwhelmed" about the prospect of Dimmitt High School's band returning to Corpus Christi's Buccaneer Festival again this year, they tentatively approved that weekend (April 29) for the annual band trip, hoping that the band would get an invitation to another festival on the same date.

Several board members said they would prefer that the band attend San Antonio's "Battle of Flowers" festival April 21-22, but they backed off when Supt. Robert Ryan argued that the San Antonio trip would conflict with the boys' district and girls' regional track meets as well as with UIL literary contests.

Ryan recommended that the board adopt a definite date so Band Director Ralph Smith could start preliminary work on fund raising, bus chartering, lodging, etc.

But the band-trip date is still subject to change, under the motion adopted Monday night. Trustee Monty Boozler's motion provided that the board "approve a band trip for the April 29 weekend with the understanding that should another trip become available which would be reasonable in distance and travel time, then the superintendent and band director be allowed to accept it, regardless of date."

In other action, the board: -Voted to pay half of the public swimming pool's summer operating deficit of \$2,442.70, with the City of Dimmitt to pay the other half under a joint operating agreement;

-Approved a policy revision on the Plan A agreements between the Dimmitt, Hart and Nazareth school districts;

-Approved a new policy requiring a note from parents before school nurses can administer non-prescription medication to a student, and a physician's note before administering prescription medication (to comply with new legislation);

-Adopted the Texas Association of School Boards unemployment compensation insurance program;

-Heard a report by Trustee Deanne Clark and Supt. Ryan on the recent three-day conference of the Texas Association of School Boards and Texas Association of School Administrators in San Antonio. Ryan said the administration is preparing several new proposals as the result of ideas gleaned from the conference.

School, county tax valuations increase

Tax rolls for 1977-78, recently completed for Castro County and also the Dimmitt Independent School District, show property valuations substantially above those of 1976-77.

So did the City of Dimmitt's tax rolls which the city commission approved last week.

Most of the increase is attributed by officials to the expansion of the Amstar plant here, although part is due to residential and business construction which has kept up a brisk pace the past year.

Gene King, DISD business manager, presented the tax roll prepared in his office to the school board at its meeting Monday night, and told board members the increase in assessed valuations is responsible for the district's being able to keep its tax rate at the present level for another year.

Valuations of \$77,619,762 for 1977-78 compare with \$68,762,439 the previous year, a hike of \$8,857,323.

The tax rate of \$1.73 on \$100 valuation remains the same as last year and the assessment ratio is 65 percent of appraised value, also unchanged.

King also told the school board the total DISD tax roll for 1977-78 amounts to \$1,342,821, compared with \$1,189,590 for the past year. This represents 46.2 percent of the budget, he said, while the state's share is 53.8 percent.

Of the \$1.73 tax rate, King said \$1.47 is for operating expenses and 26 cents for retirement of bonded indebtedness. Debt payments by DISD this year will amount to approximately

\$233,000, on seven current series dating back to 1950.

The last school tax rate increase was in 1974 with a hike from \$1.65 to the present \$1.73 on \$100 valuation. The higher valuations this year saved the school district from raising the rate, King said.

month earlier than what we usually see."

The first bale ginned in Castro County was at Flagg Gin Sept. 23, and since then that gin has run 54 more bales, according to manager Othel Fry.

"We're looking for around 3,000 bales by the end of the harvest," Fry said. "What we've gotten so far is awfully green, but we're ginning it. It's been running slightly over one bale to the acre."

Five Point Gin got its first bale Saturday and has ginned 24 more. A gin spokesman said it is ginning up pretty well and at a fairly steady rate. All the cotton is defoliated that is coming in right now.

Castro Co-op Gin and Hart Producers' Co-op Gin both got first loads Monday and ran three bales each.

Bruegel Brothers Gin boasted a hand-picked bale that came in Monday with a 41 percent turn out. It was picked from the Edmund Schlabs farm.

The Easter Community Gin received its first load Monday, making not quite two bales.

Hart of the Plains Gin received a first load Tuesday, expecting to make about 20 bales.

Fourteen percent of the beet crop has been harvested, according to Bob Ginn, agricultural manager of the Holly Sugar plant in Hereford.

"The recent rain improved field conditions, making it a cleaner harvest," Ginn said. "We've run about 51,000 tons so far and the sugar content is fair and moving up."

Ginn said the crop is still under a controlled harvest through this month.

Officials of the sugar plant are publicly declaiming rumors that had been circulating concerning the possible closing of the plant.

Swifts' defense seals 14-8 win

By PATRICIA KERN

The Nazareth Swifts evened their district record at 1-1 by defeating Lazbuddie 14-8 Friday at Longhorn Stadium.

The Swifts earned the win by holding Lazbuddie at the 16-yard line as the game ended.

After a scoreless first quarter, Neal Wilhelm scrambled 27 yards for a touchdown on the Swifts' first possession of the second period. His run capped a 51-yard Swift drive.

Lazbuddie, which managed only one first down in the half, gave the Swifts a big break on a fumble that led to the next score. Derwin Huseman ran a 29-yard TD, but an illegal procedure penalty wiped out the score. Huseman regained the touchdown four plays later to give the Swifts a 14-0 lead at halftime.

Neither team was able to score in the third period, but Charleson Steinbock scored a Longhorn TD with 10:43 remaining in the game. The Lazbuddie quarterback ran in the extra-point attempt to set the final 14-8 margin.

The Swift defense did its job to keep Lazbuddie from scoring after successive gains of 31 and 16 yards gave the Longhorns a first down on the 16-yard line. The Nazareth defenders held the Longhorns

as the final 45 seconds ticked off to seal the Nazareth victory.

The Swifts are currently tied for second place with Sudan in the District 2-B race, behind Motley County. Nazareth will take on the Hornets Friday in their Homecoming game, beginning at 8. Pre-game ceremonies begin at 7:45.

A pep rally with crowning of the Spirit King and Queen will be held at 8:15 Thursday at Swift Stadium.

Boosters hear Olton report

Coach Jerry Vance said Dimmitt's 13-10 victory over Lockney Friday night "was the most important of the year" at Tuesday night's regular meeting of the Dimmitt Booster Club.

Coach Vance told the Boosters that the victory was very important because it came the week before the district opener, slated for this Friday night at 7:30 at Bobcat Stadium against Olton.

According to Vance, quarterback Matt Howell will be questionable for Friday night's contest. Vance is anticipating the return of line-backer Randy Roberts for the game this week.

Coach Ed Hickman gave the scouting report on Olton. According to Hickman, the Mustangs are better than their 1-4 record indicates. He pointed out the Mustangs are "just as unpredictable as ever." This year, they have come out in a different offense and defense for every game, he said.

In the business session Tuesday night, the club made plans for its Halloween Carnival booth. The Boosters plan to have a "ball" walk, with miniature Bobcat basketballs as prizes.

Lions pancake supper Friday

The Dimmitt Lions Club has set a pancake supper for Friday night just before the Bobcats' first conference football game against the Olton Mustangs.

Serving will be from 5 until 7 p.m. in the high school cafeteria. The cost is \$2 per plate for adults and \$1 for children.

Cooks Chuck Braafladt, Bob Caddell and Al Jackson will be serving up pancakes and bacon, with butter, syrup, coffee, milk and tea.

The proceeds will go to help with the club's various projects.

Priest to be honored on silver anniversary

Rev. Raphael Chen, pastor of the Immaculate Conception Catholic Church here, will be honored with a reception Sunday afternoon in observance of the 25th anniversary of his ordination to the priesthood.

Father Chen will celebrate mass in the church at 4 p.m. and the reception will follow from 5:30 to 7 in the vestibule. His friends in this area are invited.

The Dimmitt pastor has participated in services to mark the anniversary in California and also in Juarez, Mexico. He concelebrated a Mass of Thanksgiving Sept. 20 with four members of his

ordination class in San Gabriel Mission at San Gabriel, Calif.

He also celebrated a Silver Jubilee Mass of Thanksgiving in August at Casa de Jesus Orphanage in Juarez, and with his classmates was celebrant of a mass July 12 in Our Lady of Guadalupe Church at Chicago.

Born in Panama, Rev. Chen was educated there and in the Claretian Seminary in Compton, Calif. He was ordained at San Gabriel Sept. 20, 1952. His first assignment was to St. Jude Seminary in Mokenca, Ill. Then he served in several churches in Panama before coming to the Amarillo

Diocese.

After a few months in a Lamesa church he came to Immaculate Conception Church May 1, 1962. He led the congregation in building a new church plant which was dedicated in 1972, and he was serving as priest at Hart when St. John's Church was built there.

The Dimmitt church was established in the late 1950's after experimental services were conducted in the American Legion Hall. Catholics had been few in number in previous years and had attended services at Holy Family Church at Nazareth.

Cash or eyeglasses to pay carnival fee

Admission to the Lions Club Halloween Carnival may be paid with discarded eyeglasses as well as with cash, 50 cents for adults and 25 cents for children.

The annual carnival will be held again Oct. 31 at the Lantania, Cullum & Collier Co. building.

The eyeglasses will go into a Lions International project in which the glasses collected by local clubs are given to a district sight conservation committee and then are sent to Houston to be repaired, polished, cataloged and packaged for shipment.

Shipped to Asia, Africa and South America, the glasses are distributed without cost to thousands of people who need eyesight correction but are unable to afford a new pair which might cost them several months' wages.

All types and parts of eyeglasses are needed, no matter their condition. Lions Clubs provide repair and catalog service, ship the glasses overseas and finance clinics where

they are fitted to those who need them.

This project is related to other sight conservation work of Lions, which in this area includes the High Plains Eye Bank at Amarillo which accepts donated eyes to supply corneal transplants.

Some of the club's share of the carnival profits help support the eye bank. Other funds go to such projects as the Texas Lions Camps for Crippled Children and diabetic children, also to worldwide humanitarian work of Lions International.

The admission charge is the sponsoring club's only source of funds from the carnival. Each of the organizations which operate the booths and concessions will keep the money it raises, usually for use in civic or service projects.

Holiday goodies time

The time for making holiday goodies will soon be here. Now is a good time to start buying your supplies so you won't have so much expense at once. Why not make your own sweetened condensed milk? This is a major ingredient in several items. Mrs. Curtis Snitker from Hart called and gave me her recipe. She said this milk is very similar to the commercial brands and the recipe makes 1 1/4 cups which is equal to one can.

SWEETENED CONDENSED MILK

1 c. instant non-fat dry milk
1/2 c. boiling water

2/3 c. sugar

2 T. butter or oleo

Combine all ingredients in electric blender and process till smooth. If you don't have a blender you might try your mixer.

There will be an organizational meeting for a night Home Demonstration Club in Dimmitt at 7 p.m. Oct. 18 in the courthouse assembly room in the basement. This club is designed for working women regardless of race, color, socio-economic level, religion or national origin. For more information contact me at 647-4115 or 647-5219 or call Onedia Hutto at 647-2209.

Nazareth holds B's scoreless

In clashes with Nazareth here Oct. 4, the Dimmitt Eighth Grade B team in football played to a scoreless tie, while the Seventh Grade B went down to the Swifts 0-14. Coach Jerry Durham named Mark Solar and Serigio Valas-

quez as outstanding defensive players and Ross Armstrong as outstanding offensive player. He also commended Kyle Weatherford's punting. The team's record now stands at three wins, one tie. Coach Shott Miller said that

the Seventh B team played well, losing mainly because of penalties. It was the team's first loss of the season, added to two wins and one tie.

Miller cited Toy Ellison for his playing on both offense and defense, and Gene Wait for his punting.

Mr. Hickey's father dies

Alvin B. Hickey, 96, of Memphis, and the father of Dimmitt resident Claude Hickey, died Sunday.

Funeral services were held Tuesday at the Spicer Funeral Home Chapel in Memphis, with Tom Posey, minister of the First Christian Church of Memphis, officiating. Burial followed in Fairview Cemetery.

Born at Blossom, Mr. Hickey married Sarah Frances Cushenberry in 1904 at Detroit, Tx. He moved to Hall County in 1925 and was a barber. From 1947 to 1954 he operated the Hickey Laundry in Memphis. His wife died in 1954. He was a member of the Methodist Church.

Bus trip to national IWY-related rally set

A chartered bus will go from Plainview to Houston Nov. 18 and return the night of Nov. 19 for those who plan to attend a Pro-Family Rally during the National Conference of the International Women's Year, according to Mrs. L. C. McLain of Hart.

Mrs. McLain is one of several women from Castro County who attended the state IWY conference earlier this year and became concerned that extreme "women's libbers" took control of that meeting and pushed through resolutions they feel most American women oppose.

Other women over the state shared that feeling and began the movement to hold the Pro-

Plans begin for chamber banquet

The Dimmitt Chamber of Commerce board of directors met Friday morning.

On the agenda were the reading of two applications for the job of chamber manager, discussing plans for the annual banquet and promoting hunter safety.

Board president Walt Hansen said the two applications were read and then laid aside until more are received before a decision is made.

The annual Chamber of Commerce Banquet, set for January, is still in the planning process.

The board decided to ask the Dimmitt High School art department to distribute posters especially to local restaurants during the pheasant season to promote hunter safety and courtesy.

"We discussed the water issue at the meeting," said Hansen. We want to encourage everyone to get out and vote.

Five candidates will be at rally

Five State Senatorial candidates will be at a "Meet the Candidates" rally set for Monday at 8 p.m. in Tulia in the high school auditorium. Republicans Jim Brandon and Bob Price, and Democrats Mel Phillips, Bob Simpson and Burke Whittenburg will present their views and field questions.

"This is a good chance for everyone to meet these men, and to become better informed to make a choice at the polls," said Debra Sharp, a member of Women in Farm Economics, the group sponsoring the rally.

Sanchez named to A&I board

Sigifredo S. Sanchez of Dimmitt, student in Texas A&I University at Kingsville, has been elected as a representative of the College of Teacher Education on the university's Student Association. The Dimmitt student was one of eight named from that college to the council when its members and the class officers of A&I were elected last week.

How many pivot companies tailor lease payments to crop prices?

A New Lease from Lindsay.

Lindsay's Zimmatic Crop Lease is a revolutionary leasing program. If you don't take a long, hard look at it, you'll be shortchanging yourself. The Zimmatic Crop Lease is unique in the industry. When you study this offer you'll see that Lindsay is ready to go the distance with you and share some of the same risks you face every year.

Here are the details:

Term:	12 years
Payment:	Arrears
Security Deposit:	5% of equipment cost
Rate:	Depends on corn price
Option:	Conversion to standard 10-year lease

Consider the features of the Zimmatic Crop Lease. First of all, if corn prices plunge, so does your lease payment. But also consider the low security deposit (lowest in the industry) and the fact that it's a 12-year lease (longest in the industry). Both features improve your cash flow each year of the lease. Your Zimmatic is out there raising your first year's crop before your first payment is due. And you'll be getting an annual interest payment on your security deposit to use as you wish.

Whether you raise corn, alfalfa, wheat, sugar beets, potatoes, soybeans or whatever, the Zimmatic Crop Lease can work for you. Although the lease payment is based on the changing price of corn, Lindsay designed the program considering that over the long-term other crop prices generally fluctuate with corn. Come in and see us soon. When we put a pencil to this program, you'll see that no other center pivot irrigation company has a finance program that can compete with the Zimmatic Crop Lease. Act immediately because Lindsay Credit Corporation has extended this program to September 30, 1977.

MOW workers still needed

Volunteers are still needed to help deliver the noon meals under the Meals on Wheels program, which is scheduled to start delivering in Dimmitt Nov. 1, according to Carolyn Sides, president of the local organization.

The program is set up to deliver a hot meal at noon, five days a week, to persons able to live in their own homes but unable to prepare the nourishing meals they need.

Meals will be prepared by the Plains Memorial Hospital kitchen staff so special diets may be provided for those who need them, Mrs. Sides explained.

Paper work and other preparations for beginning the program are well underway. An application form for receiving the service is included at the right.

Although applicants are asked to pay the full price of the meals, partial payments may be worked out for those unable to afford the total price. Mrs. Sides suggests that friends or relatives of an applicant may help them with the fee.

Information about the program may be obtained from Mrs. Sides at 647-4235 or from Rita Knox at 938-2145 or 938-2142 at Hart.

Dimmitt 7th-A yet undefeated

The Dimmitt Seventh Grade A team in football remains undefeated with four wins to its credit, while the Eighth Grade A stands just the opposite with four losses, after the teams faced Muleshoe last Thursday here.

The Seventh Grade A downed Muleshoe's team 24-6, despite the Mules' strong opening of a 68-yard touchdown on the first play from scrimmage, scoring only 22 seconds into the game.

Dimmitt came back by driving it back to Muleshoe's 44-yard line, followed by a 34-yard touchdown pass by Tommy Guinn to Kevin Cleveland, tying the game 6-6. Guinn passed to Richard Guzman for the conversion, bringing the score to 8-6 in Dimmitt's favor.

After Dimmitt kicked off to the Mules, they ran two plays and then fumbled. Dimmitt recovered in on its own 47 and Joe Martinez then swept right end for another touchdown. David Ogas carried the extra point, bringing the score at halftime to 16-6.

With two minutes left in the game, Martinez scored again on a 17-yard run after another Muleshoe fumble. The conversion was carried by Ogas again, making the final score 24-6.

According to Coach Shott Miller, outstanding players in the game were Max Sandoval, Rodney Hunter and John Smith on defense, and Keith Gregory, Shan Powell, Fermin Gonzales, Ogas and Guinn on offense.

The Dimmitt Eighth Grade A faced Muleshoe and were defeated 8-0, bringing their season record to 0-4.

"Our defense was excellent, holding the line four times inside our own 30-yard line," said Coach Jerry Durham.

Muleshoe's score came on a

20-yard touchdown pass at the end of the first half, followed by a successful conversion attempt.

Durham cited Ronnie Varner, Mario Moreno, Jay Nelson and Deke Cearly on defense.

Kiwanis to hear Price

State Senate Republican candidate Bob Price of Pampa will be the speaker at the Dimmitt Kiwanis Club's meeting Monday at noon in the Colonial Inn Restaurant and the public is invited to hear him, according to Club President Mark Cleavinger.

At the club's meeting Monday, members were encouraged to attend the Charter Night banquet for the Littlefield Kiwanis Club, which is being sponsored by the Dimmitt club. The banquet was Tuesday.

Program chairman Robert Benton presented Bob Green, intern minister at the Dimmitt First United Methodist Church, and a student at the Perkins School of Theology at SMU in Dallas.

Green told the group about how he decided to enter the ministry, what the seminary is like, and explained about the internship program.

"I want to spend the rest of my life ministering to people where they hurt, where they need help," Green said.

Visiting Key Clubbers Bill West and Gary Bruegel were recognized, along with Gail Bruegel, wife of member Carl Bruegel, and Army Armstrong, manager of Bruegel Bros. Gin.

Cleavinger read a thank-you note from the Bob Crozier family of the club's expression of sympathy during the loss of Crozier's father.

Cats put it all together, whip Lockney 13-10

By JIMMIE CHAPMAN

Lockney had a good running back but Dimmitt had three as the Bobcats took a hard-earned 13-10 victory at Lockney Friday night.

Thompson Mayberry, Dennis Veals and Tommy Kenworthy ran roughshod over the Longhorns with the help of some of the best offensive blocking of the year.

Danny Clark, the outstanding Lockney tailback, had averaged over 200 yards in four games this season and had accounted for 940 of the total 1,200 yards that the Longhorns had made this year going into Friday night's game. Against Dimmitt's fierce defense, he gained 137 yards on 36 carries but was thrown for losses totaling 35 yards.

Dimmitt halfback Thompson Mayberry racked up 153 by himself Friday night and it took him only 15 tries to do it.

Dennis Veals, playing on the offense for the first time since the Springlake game, got 67 yards the hard way on

18 carries. Tommy Kenworthy chipped in 12 yards on seven carries and Larry Bossett picked up eight yards on three carries.

Joe Rodriques picked up 62 yards for Lockney on 11 tries.

Danny Carpenter and Norris Cole played their best game of the season in the offensive line, as did the whole team on offense. The backs were running with more authority because of the help up front and it paid off with the win. Coach Jerry Vance also had praise especially for Kyle Wise, Kevin Hucks, Tobin Touchstone and Reggie Washington for their efforts on offense.

The scoring began early in the first quarter on Dimmitt's second possession. The Bobcats took over on their own 20-yard line after Joe Rodriques had missed a 31-yard field goal. On second down, Mayberry broke over right tackle, cut to his right and raced 80 yards for the first TD, dodging several would-be tacklers in the race. Matt Howell kicked the extra point

and Dimmitt had a 7-0 lead with eight minutes left in the first quarter.

Clark ran the kickoff out of the end zone to the Dimmitt 48 before he was hauled under. The Bobcats held, the Longhorns punted into the end zone and the Cats had the ball again on their own 20-yard line. Quarterback Matt Howell fumbled on the first play from scrimmage and David Foster recovered for the Longhorns. It took the Longhorns only five plays—three by Clark—before Clark finally went over from three yards out for the score. Joe Rodriques booted the extra point and the game was tied at 7-7 with 4:00 left in the quarter.

There had been two TD's scored in only four minutes, but the fans were not to see another one until the final period.

In the second quarter, each team threatened once but both were stopped on fourth-down gambles. Lockney went to the Dimmitt 26-yard line but fell short by a yard on fourth down. Dimmitt was stopped on the Lockney 22-yard line by a fumble, and Lockney put together its best offensive series of the game from there.

Quarterback Billy Sessom and Rodriques helped Clark move the ball downfield and Sessom also completed a pass to Ray McMahan for 21 yards to get to the Bobcats' 16-yard line before the Dimmitt defense forced the Longhorns into a fourth-and-long situation. Then, with 1:12 left in the first half, Joe Rodriques booted a 29-yard field goal to give Lockney a 10-7 lead at halftime.

Howell was injured on the next-to-last play of the half and was carried off the field. He spent Friday night in Plains Memorial Hospital and was released Saturday morning. He is expected to be back in the lineup this week.

Nothing much happened in the third quarter as Lockney took the kickoff on its own 36 and let Clark hit the line on every play except one to move the ball into Dimmitt territory before being forced to punt. The drive ate up almost six minutes of the quarter.

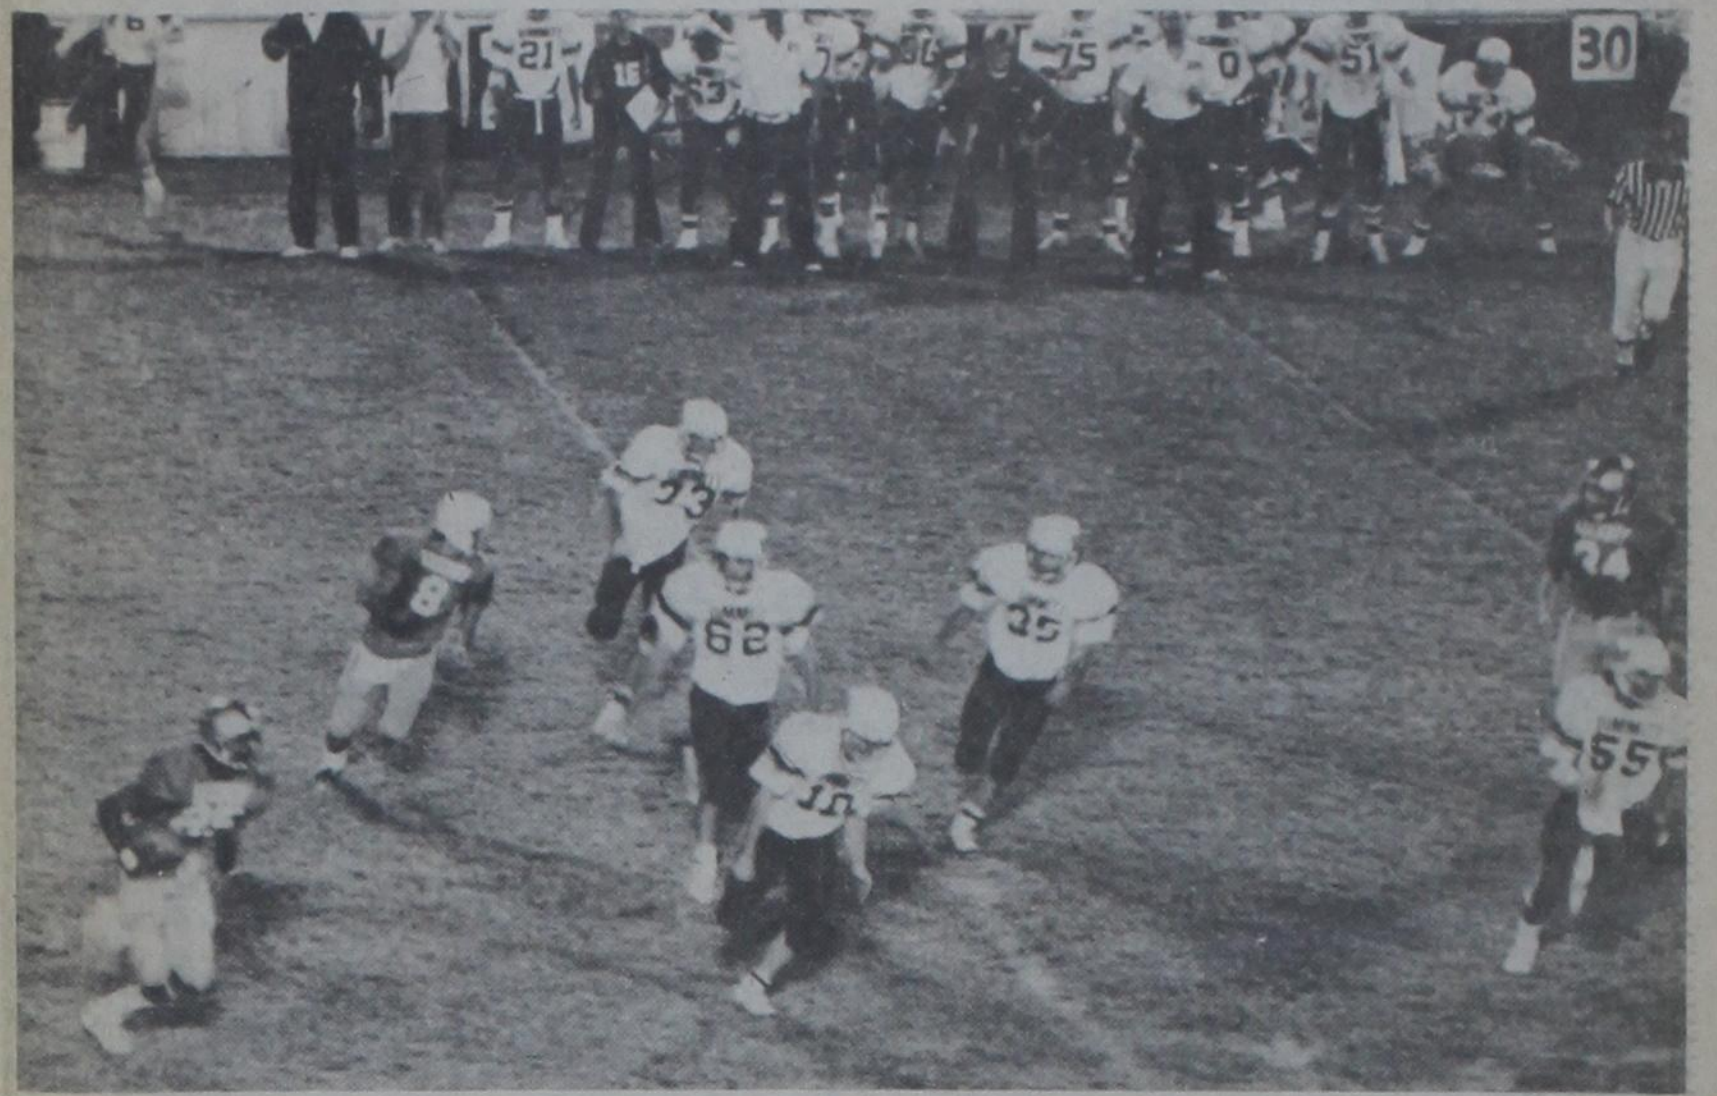

Dimmitt consumed the rest of the quarter with its best drive of the night as Veals, Mayberry and Kenworthy moved the ball to the Lockney 10-yard line, where a fourth-down pass from quarterback Jack Stewart went over the head of Reggie Washington and the Longhorns took over on their own 10 as the third period ended.

The Bobcats stopped Clark three times for short yardage, and on fourth down Lockney lined up to punt. Carpenter charged in hard and hit Junior Galvan as he was attempting to punt. Galvan staggered, then Wise and Perez put him down and Dimmitt had the ball at the Lockney 9-yard line. Veals got seven on his first carry, then rammed it into the end zone with a hard charge from the 2-yard line for the go-ahead TD. Washington tried to kick the extra point, but a fast-charging Lockney line blocked it. The score was 13-10, Dimmitt's favor, with 10:09 to play.

The rest of the fourth quarter was a thing of beauty, if you like good defensive play. Time after time the Bobcats' defense stopped Clark for losses. Dimmitt penalties gave the Longhorns first downs, but it not stop the determination to hold Lockney away from the goal line. Once the Longhorns got to the Dimmitt 21, but Washington broke through and threw Clark for a 28-yard loss. Then, on a fourth-down pass play, Carpenter threw Sessom for a loss that stopped the drive.

Twice during the quarter, Mayberry got good yardage and first downs, only to have them called back by 15-yard penalties. On one series, on a running play the 'Cats got a 15-yard penalty plus an unexplainable loss of down to give the 'Horns the ball. The game ended with the Bobcats owning the ball after stopping Clark on three straight tries.

Mayberry took individual rushing honors over Lockney's celebrated tailback. His 80-yard run started the scoring and his outstanding defensive play helped contain Clark. (In fact, both of the Longhorns' scores were the result of mistakes by the Bob-

GOTCHA!—Dimmitt's defenders home in on Lockney tailback Danny Clark (25) after a muffed pitchout by the Longhorns in the fourth quarter of Friday night's Bobcat-Longhorn bout at Lockney. The Bobcat tide forced Clark to reverse his field, then nailed him for a 20-yard loss. Chasing down the speedy Longhorn back are Dimmitt's Donny Carpenter (73), Lane Loudder (62), Tommy Kenworthy (10), Bill West (35) and Louis Perez (55). Lockney quarterback Billy Sessom (8) prepares to throw a block at one or more of the onrushing Bobcats. Dimmitt's defense held Clark to half his usual yardage as the Bobcats won, 13-10.

cat offense, not the defense. Lockney got its first TD after recovering a fumble at the Dimmitt 20-yard line, and its field goal came after it had recovered another Bobcat fumble at the Lockney 22.) Washington, Lane Loudder, Louis Perez, Kyle Wise, Tommy Kenworthy, Scott Armstrong, Tobin Touchstone and Bill West also played outstanding defense. But the main thing that the Cats needed they got—a good showing by their offensive line and hard running by their backs.

AA player of week is Bobcats' Mayberry

Thompson Mayberry, Dimmitt Bobcat halfback-linebacker, was picked as the Class AA player-of-the-week in the Amarillo Globe-News' award list for his stellar performance in Dimmitt's 13-10 win over Lockney last Friday.

Mayberry received the same honor the last week of the 1976 season and the Globe-News sports writer

commented, "When you do things well, people begin to expect exceptional performances—that's what Dimmitt expects of Mayberry."

His 15 carries for 153 yards in the Lockney contest were backed up by his work as a linebacker, where he was in on 18 tackles and caused a Lockney fumble. One of his runs was an 80-yard dash for a touchdown.

"The Bobcat senior, who did everything well last year, had gotten off to a slow start this season, but he found the groove Friday night," the Amarillo paper noted.

Three other Bobcats also won mention on the award list—Dennis Veals, who rushed 18 times for 74 yards, and defensive ends Donnie Carpenter and Louis Perez for outstanding defensive play.

The library also wants to introduce today the arrival of a new set of books which nearly all ages will enjoy. Gregg Press (part of Hall & Co.) has reprinted posthumously ten of Walt Kelly's best-loved books of Pogo.

These books are in a set called "The Best of Pogo."

For those of you too young to remember, Pogo was the most popular comic strip in the 1950's and remained a great favorite in the papers until Walt Kelly's death in 1973. For a couple of years Kelly's son and widow continued the strip until smaller printed comics in recent papers forced them to quit, be-

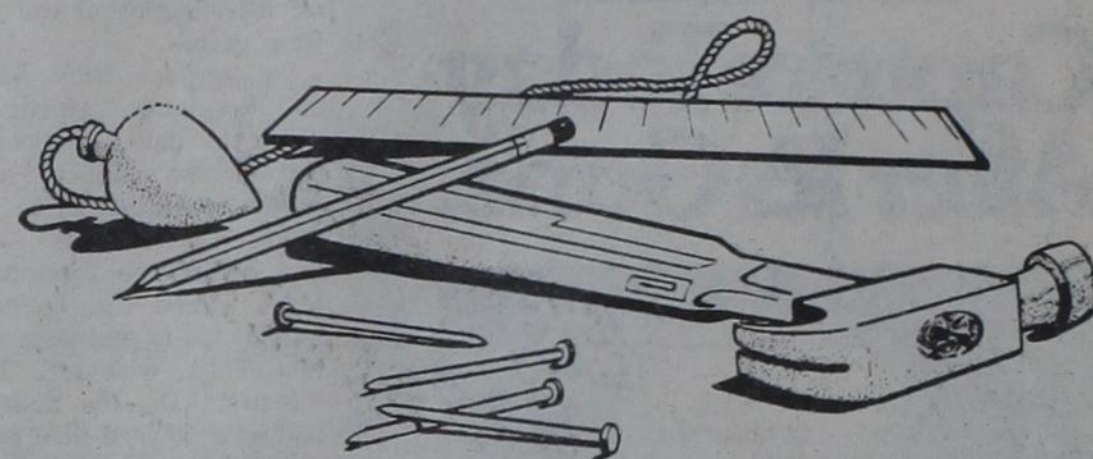

cause the smaller print destroyed the distinctive lettering.

Besides being the most popular satire comic strip, Pogo was one of the most innovative strips. Walt Kelly influenced many modern cartoon artists.

"THE ELECTRIC SAVINGS MACHINE"

BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! "Split systems" — most adaptable to homes — consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said...

"Yes, the heat pump!"

DALE WINDERS [right] of Flagg is the newly elected member of the board of the Running Water Soil and Water Conservation District. He is the representative of Zone 4, succeeding Earnest Sammann. Here, Sammann is presenting Winders the 1977 "Conservation Farmer of the Year" award in March.

Dale Winders is named to Running Water SWCD board

Dale Winders of Rt. 4 Dimmitt was recently elected to the Running Water Soil and Water Conservation District board of directors. Winders represents Zone 4 of the district.

The purpose of the Running Water SWCD, with headquarters in Dimmitt, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Winders will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Winders is active in the Farm Bureau and Dimmitt Agri Industries.

He was recognized as the Outstanding Conservation Farmer of 1977.

Winders is married to the former Marie Howell. They have two daughters, Marla and Mrs. Vickie Bryant.

There are 198 soil and water conservation districts in Texas. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board.

Unlike most other legal subdivisions of state government, SWCD's do not have the power of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

The need for the district was first recognized when the county was predominantly a dryland area and the major problem was wind erosion. It was organized in 1941 as Castro County Wind Erosion District. Since then the county has developed into one of the finest irrigated farm areas in the state.

The district directive is continuously changing as the needs arise in the conservation of our natural resources.

small talk from South Hills Manor

By DOROTHY HOPSON

I'd like to thank Deanne Clark and Beral Hance for writing this column for me recently while I was doing a bit of gadding. The columns were interesting and the residents enjoyed having you out to gather the news.

Sam and Queenie Nunnally of Hereford were visiting Sam's mother, Ora Nunnally, Monday. I enjoyed visiting with them and comparing notes about grandchildren, etc., but the best part of their visit was the puppy they brought for Ora to see and pet. The little dog looked like a relative to a schnauzer, but Sam assured us it was a Heinz breed—at least 57 varieties.

If you have a cute, clean, cuddly and vaccinated small pet, we'd welcome a visit from you and your pet to the home. The animal shelter of Colorado Springs brings pets to the rest homes of that area once a month for the residents to enjoy.

Even if you don't have a pet, we urge you to come out for a visit. We need you. You might pitch horseshoes, play croquet, write letters, read to someone or just chat for a while. Do you ever get lonely? There is no reason. There are many lovely people just waiting to visit with you.

Many of our people are making crafts for our Christmas bazaar that will be held some time next month. I'll announce the date later, but begin now to plan some of your Christmas shopping at South Hills Manor.

It was heartwarming to meet Ruby Maples, Mrs. Bartlett and Birdie Neill Monday as they came out to visit with Maggie Boren, as her son Jack was undergoing heart surgery in Lubbock that day. Many people were joined together in prayer for his recovery.

We'd like for you to remember Etta Hamilton and Patterson Bain, who are in the Plains Memorial Hospital this week.

The Employee of the Month

Area Tops supervisor is visitor

A special guest of the Dimmitt Tops Club at its meeting Monday was Mona Spencer of Plainview, area Tops supervisor. She spoke informally, reviewing the organization's rules and bylaws.

Another guest from Plainview was Virginia Dickerson. There were 26 members present for the weigh-in, which showed a total weight loss of 12 pounds, 8 ounces for the past week.

Emily Clingsmith and Cindy Backus tied for Angel of the Week title, given to members who are of special help to others in the club. Jackie Smotherman was Kops of the Week with a weight loss of one pound, 12 ounces.

Darla Underwood, Lady Tops of the Week, lost 4 pounds, 4 ounces and Tom Moss, Male Tops of the Week, one pound, 8 ounces.

Coffee set for senate candidate

Rep. Bob Simpson of Amarillo, a Democratic candidate for the Texas senate to fill the seat lately vacated by Max Sherman, will be in Dimmitt Monday and will be guest at a coffee that morning.

Voters of the area are invited to meet the candidate and have coffee at the Colonial Inn at 10:30 a.m.

An Amarillo attorney, Simpson is serving his second term in the Texas Legislature after election as representative for District 65 in 1974. He is a member of the natural resources committee and of the state affairs committee, serving as chairman of the human rights subcommittee.

He received the juris doctor degree from the University of Texas Law School after earning a BA degree in government at UT.

On the go

C. A. and Oleada Hance attended funeral services for a cousin, Mrs. Dewey Riggs, in Panhandle recently. They visited a short while with Beth Hodges and family.

They were also in Lubbock last week visiting with the family of a cousin, John Sloan, who died there. The Hances accompanied Martha and Jeff Isaacs on a Sunday visit to Paul and Opal Wilson of Clovis, N.M. Their children, David and Sandra Honea, Lisa and Share of Dumas, were also there.

Jim Cauzourt of the State Health Department took the slides of the Panhandle nursing homes to Nazareth for a showing last week. This was for the Catholic Daughters organization. The slides convey the message of a need for more volunteers in each home.

Dorothy Musick has scheduled a meeting of the SHM Auxiliary Oct. 17, 7:30 p.m. in the dining room. If you have signed up, be sure to be present. If you have not joined, then come on. Join now.

The Justices will be showing their Holy Land films Nov. 5. Circle the date and come out. The public is invited.

Spelling Bee champ to get scholarship

Students in the four-state area assigned to the Amarillo Globe-News for sponsorship of the annual Spelling Bee contest now have an opportunity to compete for a scholarship to West Texas State University.

County Judge Weldon Bradley is the Castro County director for the 1978 Bee. County winner this year was Danelle Schmucker and the junior champ was Mary Jane Huseman, both students in Nazareth schools.

In addition to the area's top contestant receiving an all-expense paid trip to Washington, D.C. (for two) the student who finishes in first place in 1978 will be given a \$200 scholarship to West Texas State University, co-sponsor of the annual event which will be held next April.

Young is director of JP Association

Marshall Young of Castro County was elected a director of the West Texas Justices of the Peace Association at its annual meeting Oct. 6-8 in Lubbock.

Young, 34, has served as JP in Castro County since 1975, and joined the WTJPA his first year.

He will serve with seven other JP's and the association's president from throughout West Texas on the association's board of directors. Directors handle legislative liaison and contracts for the association, and implement the association's policies through the year.

Speakers at the association's convention included State Sen. Kent Hance of Lubbock, Assistant Attorney General Tom Bullington, and Ron Champion, executive director of the state's JP Training Center.

The three-day convention was held at the Ramada Inn in Lubbock.

DIMMITT'S FIRST AUTO SHOW attracted hundreds to the County Expo Center Thursday, Friday and Saturday as Stan Byrnes Ford, Inc., Reeve-Fleming Chevrolet and C&S Equipment Co. presented the 1978 Fords, Chevrolets, Pontiacs and GMC's. Dimmitt's new-car dealers served refreshments and gave out free gifts, literature and door prizes as local

residents "kicked the tires" and tested the driver's seats of the new models. "We were pretty pleased with the turnout, and we're thinking of doing it again next year," one dealer commented. "I think we can improve on it as we go along and make it into a very nice annual event."

The medical profession is in the soup again. Malpractice insurance rates have literally skyrocketed in recent years due to massive awards by juries in malpractice court cases. Now comes an attack from another angle—fee fixing.

Critics of the medical profession are saying that medicine is so expensive that it should not be left to the doctor to decide what he should charge for treatment. In June, Joseph Califano, Secretary of Health, Education & Welfare, pulled no punches in a speech to the American Medical Association. His message was a blunt warning that the US can no longer afford doctors' insensitivity to costs.

Califano charged in his speech that doctors have gone to the suburbs in order to develop highly lucrative practices and neglected the inner city and rural areas. He also criticized the lack of preventive medicine in the medical profession which results in the need for acute care (more expensive and less efficient) and criticized the trend to specialization, avoiding lower-paying family or primary-care

areas. Califano may be on solid political ground with his attack on the medical profession. A recent poll shows a remarkable loss of confidence in physicians in just ten years. Another survey showed that 69% of those surveyed believed that climbing doctors' fees were the significant reason for spiraling medical costs. And, there is the malpractice hassle. Could it be that when a jury awards a huge malpractice award, it just might be a backhanded slap at the life-style of the physician for living well but not always curing well?

Unfortunately, many people believe that the medical profession has used its position of trust to make exorbitant profits. In these days, people turn to the federal government almost automatically when they feel mistreated by special-interest groups. They forget that the federal government is the biggest special-interest group of all. Doctors are one of the last of the rugged individualists. But now it has become mandatory that they answer to others and not just to their own consciences.

Deadline for seeking farm loans extended

The US Farmers Home Administration (FmHA) has extended to Dec. 2 the deadline for farmers in Castro County to apply for farm emergency loans to cover losses caused by this year's drought and other natural disasters.

The agency's supervisor, Wayne Pipes, said the extension has been ordered by Secretary of Agriculture Bob Bergland for applications under drought or other emergency loan-eligibility designations that would expire before Dec. 2, provided the designations are based on disasters that have occurred on or after July 1, 1976. The secretary's action was taken under requirements of recent emergency loan signed by President Carter.

Among deadlines changed to Dec. 2 is the previous Sept. 30 deadline to apply for farm loans under the president's special drought assistance program. Eighty counties of Texas are designated under that program.

Farmers lacking other sources of necessary credit may apply to FmHA for loans to offset losses or revive farming operations. Under the schedule of interest rates as revised, loans are made at a rate of 3 percent on the first \$250,000 borrowed against ac-

tual loss, 5 percent for additional amount offsetting actual loss, and 8 percent for loans not based on loss but needed to continue farming or make major adjustments in farm operations.

Pipes said extension of earlier deadlines will give farmers whose crop returns are determined late in the year a better opportunity to assess their losses and credit needs, and enable FmHA to speed completion of work on applications now pending that need immediate processing.

FmHA emergency loan applications from farmers in Castro County are received at the agency's county office located at SW 3rd and Bedford Sts. in Dimmitt.

Cotton growers to be hosts to staple users

High Plains cotton producers, through Plains Cotton Growers, Inc., Oct. 25 and 26 in Lubbock will host the world's best customers for High Plains cotton.

Textile leaders representing 13 countries which in 1976-77 bought an estimated 1.7 million bales of cotton stapling one inch or less, almost all grown on the high and rolling plains of Texas, will be among the foreign visitors.

Total imports of US cotton for the 13 nations last year was about 3.5 million bales, over 70 percent of the total 4.8 million bales exported.

The group, known as the US Cotton Orientation Tour,

will study High Plains cotton production, processing, merchandising and research facilities.

The tour, which includes stops in other areas of the Cotton Belt, is jointly sponsored by the National Cotton Council, Cotton Council International, USDA's Foreign

Agriculture Service and local hosts.
