county

by b. m. n.

This area of West Texas was well represented at the open house, and lunch, at the Southwestern Public Service Company's Plant X last Friday. The huge generating plant represents an investment of \$43,000,000 according to officials of the company. It was further revealed that the value of the entire holdings of the company in the early forties did not exceed the present investment in Plant X. This is a good example of the overall economic growth of the South Plains-Panhandle area of Texas, and Dimmitt is just five miles south of the center of the rapidly developing area.

adacc
Les Watson, I think he is one of the vice presidents of the company, explained the origin of the name of the Lamb county generating plant. He pointed out that when the need occurred for more electricity in the huge area serviced by the company and it was determined that more generating capacity was required, company engineers marked possible sites for the plant with an X at several places on the map. Equipment for the plant was ordered before a definite location was established and the suppliers requested the designation of a railway point for shipment. As Amherst was near the center of the area where possible sites were being considered, and as all sites were indicated on the map by an X, the company instructed the equipment manufacturers to ship the equipment to Plant X, Amherst, Texas. The name stuck. The same thing happened to me when we moved to Amherst in 1938. I had been in town only a few days when I went into a drug store to purchase a pack of cigarettes. A not too sober druggist, that I had met only once, made the usual inquiry, "What's for you Mr. ??? (he couldn't think of my name) then) Nosey." Someone heard him and the name stuck. Things just happen that way at Amherst.

adacc
Final decision of the plant location was made by Southwestern Public Service Company because of the adequate supply of water, as far away from farm land as possible, because of a major natural gas pipeline nearby and because of its proximity to its major electric consumers.

Abernathy Farmer Wins Outstanding Young Farmer

The fourth annual Area I Young Farmers and Young Homemakers Convention Day and Awards Banquet was held at Hereford Saturday, September 12.

For the second consecutive year, an Abernathy farmer was named the outstanding Young Farmer of Area I. Winning this year was Lonny Brownlow. Last year's winner from Abernathy was Elbert Hart. It was reported at the convention that Area I Young Homemakers have 36 Chapters in operation since their organization two years ago. Some 136 Young Homemakers were registered for the convention.

The Young Farmers registered 48 members with 24 Chapters being represented. There are over 700 members in the 35 area Young Farmer Chapters.

Young Farmers Hear Elroy Otte

Ben Holcomb, president of Young Farmers, opened the business meeting last Thursday night of the Chapter. He requested an executive committee meeting, Monday night, September 26, at 8:30 p.m.

Following the business meeting, Elroy Otte, VoAg teacher in Dimmitt High School presented the program for the evening.

He talked to the group on characteristics of a successful hog operation. He pointed out that any farmer may have a good side line business in hogs by starting out small, using good management ability and having a desire to handle hogs.

Otte stated, "It takes only about four to five acres of ground for hogs and that it could be on sloping ground that is hard to farm."

Otte told the group that they must be in a complete program of raising most of their own feed as well as raising a litter of sows, boars and have free of disease and parasite control program, Otte declared, "Any farmer could get into commercial hog business in two or three years using this program and good management."

Members attending were Ronnie Nelson, Monty Boozer, Richard Hunter, Marvin Anderson, Jess Willard, Ben Holcomb, Robert Benton, Dale Reeves, and VoAg teachers, Elroy Otte and Jerry Mathis.

VISITS IN MIDLAND

Mesdames L. A. Womack and Jack Cowsett spent last weekend in Midland where they visited their sister Mrs. Cecil Montgomery, who has been ill.

Young Republicans Hear Humphrey

Young Republicans of Castro County held an organizational meeting Thursday night, September 17 in the Community Room of the First State Bank. Cliff Humphrey of Amarillo area representative for Young Republicans was special speaker. He told the group that the Young Republicans of Texas need to stress three major items. These items are: young people should learn why they believe what they do; should be concerned with electing Republicans to public office; and provide Republican presence in the county 365 days a year.

Humphrey declared, "In unity we find strength, and through strength, we accomplish our ends." The Castro County Young Republicans adopted their constitution at the meeting. Kristi Webb and Arlene Reid were elected to attend the State Committee meeting of the State Teenage Republicans Federation in San Angelo, September 26.

Nelson Ward Awarded Good Conduct Medal

Army Specialist Four Nelson M. Ward, 26, whose wife, BBarbara, lives at 710 W. Eter st., Dimmitt, Tex., was awarded the Good Conduct Medal for the second time, Sept. 4, while serving with the 517th Artillery at Fort Clayton, Canal Zone.

Specialist Ward was awarded the medal for exemplary conduct, efficiency and fidelity as a soldier in active service.

A member of Battery B of the 517th Artillery's 4th Missile Battalion, Ward entered the Army in June 1954 and arrived in the Canal Zone on this tour of duty in March 1964.

The son of Mrs. Lenora B. Casey, 51 W. Elm st. Rocky Mount, N.C., HE attended Benvenue High School, Rocky Mount.

Modern Math Course Offered For Local Adults

Modern math course for adults will be scheduled for every Thursday night in the Dimmitt Junior High building if enough interested adults enroll for the math course according to Bill Reisdorph, Jr. High principal.

The enrollment fee is \$20 and this includes the cost of books. Mrs. Hamilton will teach the course.

If interested in taking the Modern Math course call Bill Reisdorph at 647-3604.

Members attending were Ronnie Nelson, Monty Boozer, Richard Hunter, Marvin Anderson, Jess Willard, Ben Holcomb, Robert Benton, Dale Reeves, and VoAg teachers, Elroy Otte and Jerry Mathis.

Proclamation

Fire Prevention Week, 1964 a Proclamation by the mayor of City of Dimmitt.

WHEREAS thousands of Americans lose their lives each year from fires that could be prevented;

and WHEREAS great social and economic losses to our city result from the destruction of homes, business enterprises, industries and natural resources;

THEREFORE, I, G. W. Bradford, Mayor of Dimmitt do hereby proclaim the week beginning October 4, 1964, as Fire Prevention Week.

I call upon all departments and agencies of the city government to participate actively in a campaign for improved fire safety. The Fire Department and the schools of our city can provide leadership in the activities of Fire Prevention Week, and I urge them to work with the Chamber of Commerce and other community organizations to build full citizen support for effective fire safety actions.

I earnestly request every citizen of the community to take part in a coordinated effort to make our city a safer community in which to live and work.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of Dimmitt to be affixed.

DONE in the City of Dimmitt, this 22nd day of September, nineteen hundred and sixty-four.

Powderpuff Game Scheduled Here

Powderpuff football game has been scheduled for Saturday, October 10 at 8 p.m. in Bobcat stadium. The junior girls will tackle the sophomore girls in the powderpuff game. The game will be sponsored by the junior class. Tickets may be purchased from any member of the junior class.

At half-time, a football queen will be crowned with royal ceremony. The football boys will serve as coaches for the two girls' teams.

County Activity Committee To Meet Monday

Castro County Activity Committee will meet at 8 p.m. Monday night in the Community Room of the courthouse.

All community representatives are urged to attend this meeting. The date will be set for Roundup Week in 1965.

VISITING UNCLE
Kathy and Sherri Winders of Earth are visiting in the home of their uncle, Dale Winders and family while their parents Mr. and Mrs. Jay Winders are in Colorado.

Mrs. Ken White To Speak At Democrat Meeting

Mrs. Ken White of Clovis, N.M. will be guest speaker at a meeting of the Castro County League of Democratic Women, Saturday, September 26 at 3 p.m. in the High School cafeteria.

Mrs. White, National Democratic Committeewoman, is a well known speaker from New Mexico. Hostesses will be Mesdames C. L. Morris, B. M. Nelson and Roy Clark.

Pattons Have Baby Girl

Mr. and Mrs. Billy Patton are the proud parents of a baby girl, Andrea Denise, born Tuesday at 9:30 p.m. in Plains Memorial Hospital. She weighs 7 lbs. and 1 1/2 oz.

Patton is the minister of Northside Church of Christ here. Grandparents are E. C. Patton of El Paso and Mr. and Mrs. John Marshall of Savannah, Ga.

Mr. and Mrs. Milton Moore Have New Baby Girl

Mr. and Mrs. Milton Moore are the proud parents of a baby girl, Traci Denise Moore, born Thursday, September 10 at 10:23 p.m. in West Texas Hospital, Lubbock. She weighed 5 lb. and 14 1/2 oz.

Traci has two sisters, Daranda who is 4 1/2 and Terri who is 1 1/2.

Paternal grandparents are Mr. and Mrs. Odie Moore of Dimmitt.

Mr. and Mrs. Jimmy Ross Have New Baby Daughter
Mr. and Mrs. Jimmy Ross are the happy parents of a baby girl, Amy Ross, born Saturday, September 19 at 11:26 p.m. in Plains Memorial Hospital. She weighed 7 lb. and 6 oz.

Amy has one big sister, Angela who is four years old.

Paternal grandparents are Mr. and Mrs. Raymond Ross of Luling, Texas. Maternal grandparents are Mr. and Mrs. A. T. May of Luling.

PIONEER VISITOR
Mrs. Jessie Howard Thompson of Lubbock is a house guest in the homes of Mrs. Etha Brashears, Mr. and Mrs. Percy Estes, Mr. and Mrs. Edgar Ramey and Mr. and Mrs. Edwin Ramey this week. Mrs. Thompson's parents, Mr. and Mrs. Bill Howard owned a ranch and lived in Castro county in 1908. It was what is now the Goodwin Miller land.

MISSOURI VISITORS
Mr. and Mrs. Earl Brock are visiting their son and family, Mr. and Mrs. Bob Brock at Kansas City, Mo. They went to Missouri last weekend to take their grandson, Raymond Earl home. He had been with Mrs. Brock and Mr. and Mrs. Raymond Wilson the past two weeks.

Homecoming Activities Fill The Air

Annual Homecoming completion as plans are announced for a tea, barbecue and the big traditional bonfire. Dimmitt exes will receive the red carpet treatment as they return to their Alma Mater.

Events for the annual affair will start with a large bonfire downtown Thursday evening.

Exes will be guests of the Student Senate at a tea from 1 to 3 p.m., Friday. The tea will be in Homemaking Department of High School.

Pop rally will be held in the gym from 3 to 3:45 p.m. Barbecue dinner will be served from 5

County Farm Bureau To Have Annual Convention

The Castro County Farm Bureau will hold their Annual Convention, Saturday, September 26, 1964, at the Elementary School Cafeteria, Dimmitt, according to Luke McGuire, President.

The meeting will start with a barbecue supper beginning at 5:00 p.m. for all members and their invited guests.

There will be a short program which will include Bill Clayton, State Representative, Springlake, and Hub King, State Farm Bureau Director from Brownfield. Charles Harris, Richard Doebmeier and David Smith, students from Castro County, who attended the Farm Bureau sponsored Citizenship Seminar, will also make short speeches.

There will be a business session for the purpose of voting on Resolutions for Castro County and electing 8 new directors for the coming year.

McGuire stressed the importance of this meeting as this is the time for members to voice their opinions on issues that will affect farmers in 1965.

W. M. McGuire Funeral Services Conducted Monday

Funeral services for William Martin McGuire, 58, brother of Luke McGuire of Dimmitt, was held 3:30 p.m. Monday in Lawrence Street Church of Christ in Anton.

Sterling Walker will officiate. Burial will be in Anton Cemetery.

McGuire, a resident of the County Line community near Shallowater since 1926, died Saturday in Zapata, Texas. He was a farmer and member of the Masonic Lodge.

Survivors include the wife, Audrey; two sons, Donald of Muleshoe and Derl Eugene of Shallowater; four brothers, Luke of Dimmitt, Lee of Shallowater; Doc of Slaton; and W. B. of Comanche; three sisters, Mrs. Tom Lesley and Mrs. J. P. Hutton, both of Shallowater, and Mrs. Ila Townley of Lubbock and six grandchildren.

Golf Tournament Pairings Announced

The pairings for the Dimmitt Invitational Tournament have been released by the tournament committee consisting of Cliff Cook, Pete Wright, and Dr. J. E. Wohlgenuth. They are as follows:

CHAMPIONSHIP FLIGHT
H. Thomas vs. Dr. Lee
Bob Thurman vs. Gene Seely
Bob Lindsey vs. Joe Butler
Dick Dyer vs. Jimmy Butler

FIRST FLIGHT
Sam Gilbreath vs. Bill Birdwell

TONY COMBS, five-year old Hawaiian, admires the City Marshal's bright shiny badge. The young boy took up with W. W. Jones after his mother was confined in local city jail. See story. —Staff Photo

Law Enforcement Officer May Have Many Unusual Duties

Duties of the law officer are quite diversified according to W. W. Jones, city marshal. Last week Jones was called on to babysit with a smiling 5-year-old Hawaiian boy.

Jones was called to a local motel where he arrested a woman who had passed out in a drunken stupor. With the woman was her small son, Tony Combs who immediately attached himself to the Marshal.

Jones took Tony home where his wife cleaned up the young boy and fed him a good meal. The boy stayed overnight with the Jones family last week. The Jones entertained the young fellow royally and presented him with some toys.

Tony didn't speak much English but he spoke a universal language with his happy smile.

Young Democrats To Organize Here

Castro County Young Democrats are urged to attend an organizational meeting tonight at 7:30 p.m. in the Community Room of the First State Bank.

All young democrats between the ages of 16 to 34 are eligible for membership.

According to Joe Bullock of Lazbuddie, chairman of the Farmer-Bailey Counties Young Democratic Clubs, Andy Schwall of Abilene, state president of the Young Democratic Clubs, will be featured speaker at the meeting and that Joe Cowen will serve as master of ceremonies.

Cub Scouts To Have Meeting

Cub Scouts of Pack 267 will conduct their monthly Pack meeting Tuesday, September 29 at 8 p.m. in the Community Room of the Courthouse.

Two new dens have been organized in the Cub Scouts. Scoutmaster Bill Thompson says the Cub Scouts are in need of two Den Mothers. Anyone interested in serving as a Den Mother should contact Thompson.

Baptist Mission Plans Services Sept. 28 - Oct. 4

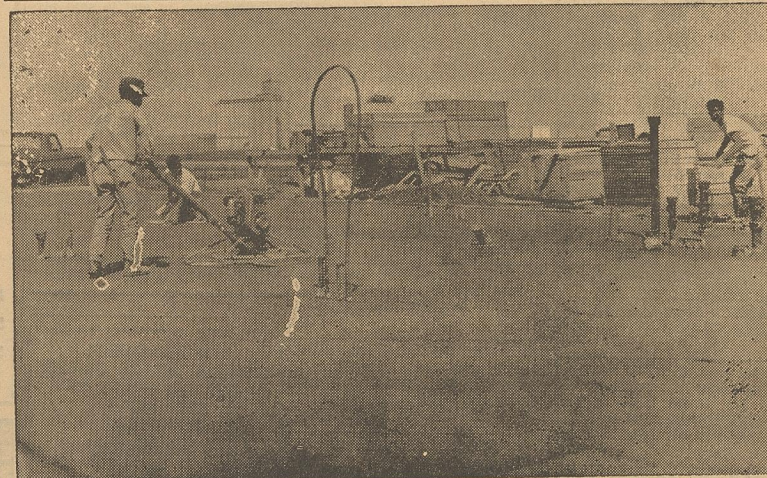

Joe Bailes Baptist Memorial mission in Dimmitt will be having special services September 28-October 4 as a part of a statewide Latin American crusade called Cruzada Bautista Nueva Vida being sponsored by Baptists in Texas.

Bro. Alton Patton of First Baptist Church, Uvalde will be speaker at the special services. Bro. Bill Shadel of First Baptist Church, Denton will be the special singer.

Bro. Andrew J. Hogue, layman from Abilene will be helping the pastor, Rev. Hernandez this week in personal witnessing. Latin Americans working on the farms and desiring to be visited are asked to 647-3273.

Wayne Gibson vs. Gene Smith
FOURTH FLIGHT
Lynn Hokett vs. Jesse Pharis
Bill Bennett vs. Steve Taylor
Pairings were done by Bud Posey Hereford Golf Course Professional.

First Round matches must be completed by Sunday Night, September 27. Second round matches must be completed by Saturday Night, October 3. Finals in all flights will be played on Sunday, October 4.

CONSTRUCTION is well underway on the Golden Spread Nursing Home. The concrete floor was poured last week. The Nursing Home is owned and will be operated by Mr. and Mrs. Jack Bradley. The Home is located on 6th and Halsell. —Staff Photo

Blood Typing Planned

All Castro County adults between ages 21-60 are urged to have their blood type put on record at Plains Memorial Hospital announces Don Purpose of this blood type pro-

Newman, hospital director. Object is to aid the hospital in giving better services to the people of Castro County. Individuals are urged to come

to the hospital to have blood type put on the record. This service from 1 to 5 p.m. Blood typing will be done by

Jim Cannon, Hospital Lab technician. Plains Memorial Hospital Auxiliary will assist in this project. Each person will be given a bill-fold size blood type card.

LEGAL NOTICES

SHERIFF'S SALE
THE STATE OF TEXAS
 County of Castro
 NOTICE IS HEREBY GIVEN That by virtue of a certain F.I. F.A. issued out of the Honorable 19th District Court of McLennan County, 6th day of August 1964, by C. L. Middlebrook, Clerk of said Court for the sum of Two Thousand Four Hundred Twenty-Nine & 38/100 Dollars (\$2,429.38) and costs of suit, under a judgment, in favor of The J. R. Milam Company in a certain cause in said Court, No. 43984 and styled The J. R. Milam Company vs D. Pesina d-b-a Pesina's Dry Goods, placed in my hands for service, I, Jack Cartwright as Sheriff of Castro County, Texas, did, on the 5th day of September 1964, levy on certain Real Estate, situated in Castro County, Texas, described as follows, to-wit: Lot 14 in Block 71 in the Original Town of Dimmitt, Castro County, Texas, and levied upon as the property of Desiderio Pesina and that on the first Tuesday in October 1964, the same being the 6th day of said month, at the Court House door, of Castro County, in the City of Dimmitt, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said judgment I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said Desiderio Pesina in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale in the Castro County News, a newspaper published in Castro County.
 Witness my hand, this 5th day of September 1964.

TEXAS 4-H'ers Eligible For Increased Scholarship Grants
 Twenty-five college bound 4-H Club members in nine states including four from Texas, will find their educational fund increased by \$100 in 1964.
 The Santa Fe Railway System, donor of these grants and other 4-H educational awards, has increased their college scholarships to \$500, according to Flyd Lynch state club leader.
 The railroad has actively supported 4-H Club work for more than 40 years, and has provided scholarships since 1951. Presentation of the 1964 scholarships by Ernest S. Marsh, president of Santa Fe, will take place in Chicago this fall. These newest grants will bring to 308 the number of scholarships awarded since the program started. Total grants through 1964 exceed \$100,000 in the program conducted by the Cooperative Extension Service.
 In announcing the increased value of the scholarships, State Leader Lynch also called Texas 4-H members' attention to the 12 other educational awards annually provided by the company. He pointed out that winners will be selected by a judging committee of Extension Service workers during the summer and early fall.
 Scholarships and other awards in the program are given in recognition of 4-H achievement in projects and activities demonstrated leadership abilities and personal growth and development. Recipients must be currently 4-H members and may be high school or college students.
 Two of Texas' most recent (1963) scholarship winners in this program currently are in college. Joyce Rodgers, Rt. 3, Brownwood, has completed her freshman year at Texas Woman's University. Joe David Drabek, Rt. 2, Crowell, is enrolled at the University of Dallas. The other two 1963 scholarship winners completed high school this year. They are: Carolyn Vashinder, San Antonio and Stanley Froehner, Rt. 1, Cost.
 For additional information on qualifications, supporting evidence needed, and deadlines for submitting records of accomplishments State Leader Lynch encourages 4-H members to contact their county extension agent.
 If your dog shows signs of being poisoned, empty his stomach at once. The easiest way is with hydrogen peroxide. Mix the regular drugstore strength (three percent) with water in 50-50 proportions. Pour it down the dog's throat. He will vomit in about two minutes.—Sports Afield.

Swifts To Resume Play

Nazareth Swifts will resume play Saturday night at Dimmitt when they meet the Dimmitt "B" at Bobcat stadium, 8 p.m. The Swifts were open last week.

Nazareth defeated Anton 18-6 in the only game they have played this season.

Probable starters Saturday night are Jimmy Hoelting, Art Brockman, ends; Bernie Braddock and Herbie Wethington, tackles; Clyde Schulte and Richard Dobmeier, guards; Marvin Hoelting, quarterback; Donald Braddock, center; Greg Pohmeier, slotback; Ricky Gerber, halfback; and Larry Ringwald, fullback.

The Swifts will be running from a slot formation.

The reproductive capacity of insects, if left unchecked by man or nature, is formidable indeed. A leading entomologist has estimated that a pair of flies first mating in April might be the progenitors, if all their offspring were to live, of 191,000,000,000,000,000 individuals by August.—Sports A-Field.

Fire Prevention Demonstration Held Recently At Dimmitt High School

Fires don't just happen—they are caused, Joe Smetana, Safety Director of the Texas Farm Bureau, pointed out in a graphic fire demonstration held September 16, at the Dimmitt High School. He went on to name the three causes for most fires: "Men, women and children."

In the 45 minute program Smetana used a variety of demonstration equipment and materials placed on tables 16 feet in length to dramatize seven basic facts about fire, its use, and control: (1) what fire is; (2) how to control fires; (3) the fact that nothing is fire-proof; (4) kitchen fires and their control; (5) fuel vapors; (6) the power of petroleum products; and loaded electrical circuits.

Using a "fire triangle board," Smetana illustrated that fire is like a three-legged stool - it can't work with one of the legs missing. The "legs" fire depends on are (1) fuel

(2) heat and (3) air. He stated that in American homes these three things come together in deadly and destructive combination every 57 seconds—an average of 1,500 home fires every day, causing more than 5,000 deaths in home fires every year.

Creating quite a loud explosion from 2 single drops of gasoline, Smetana stated that one gallon of gasoline contains approximately 155,000 drops and under ideal conditions, could produce an explosion force equal to the power of at least 30 sticks of dynamite.

After demonstrating how fires can be caused by overloaded electrical circuits and improper fusing, Smetana pointed out that many fires of this type are blamed on faulty wiring. He suggested that "faulty thinking" is involved more often than "faulty wiring".

The demonstration, which was

HART NEWS

Chi Psi chapter of Beta Sigma Phi met Thursday, September 17 at 7:30 p.m. in the home of Mrs. Howie Parker with Mrs. David Willis and Mrs. Willis Hawkins Jr. as co hostesses. Following the business meeting the program was presented by Mrs. Joe Hart and Mrs. Lanny Tucker on "Definition of Happiness" and "Self Analysis".

Members present at the meeting were Mesdames, Paul Armstrong, Melvin Aven, Edd Bennett, Ronnie Farris, Jack George, Walt Hansen, Joe Hart, Glenn Reed, Bob Reed, Bill Rich, Newlon Rowland, Dean Sanders, Jack Sanders, W. T. Sanders, Lanny Tucker, J. V. Wescott and the hostesses.

The next meeting of the group will be held Thursday, October 15 at 7:30 p.m. Hostesses for the meeting are Mrs. Bob Reed and Mrs. Dean Sanders.

Hart Producers Co-Op gin held its open house at its newly remodel-

brought to the Dimmitt High School under the sponsorship of the Castro County Farm Bureau, is part of a long-range fire prevention program now being conducted by the Texas Farm Bureau Safety Department.

ed plant Saturday afternoon from 1 to 5 p.m. E. E. Foster is manager of the gin and the board of directors are David Nelson, S. R. Hutto, F. L. Bass Jr., E. L. Brooks, Milton Sharp, L. W. Bennight and president of directors is Dean Sanders.

Several members of the First Methodist church have been painting the church. The group painted the nursery and pastors study.

Those doing the job were Therin Morrison, Paul Armstrong, Mrs. Willis Hawkins Sr., Mr. and Mrs. Edd Bennett and Mark, Mrs. Willis Hawkins Jr., Mrs. T. B. Cox, Mrs. Mabel Aven, Buster Aven and Rev. and Mrs. E. H. Phillips.

A sub district meeting of the MYP of the Plainview district was held recently at Eovina in the Methodist church. Those attending from Hart were Rev. E. H. Phillips, Billy Bob Bell, Tommy Morrison, Becky Burress, Connie Bailey, Tommy Morrison, George Bennett and Rene Brooks.

The Hart PTA held their first regular meeting of the last Tuesday at 8 p.m. at the school cafeteria.

Following a short business meeting, Mrs. Jack George, hospitality chairman, presented Richard Cheat ham, who entertained the group with a "Hootenanny", Refreshment were served by the food commit-

Methodist Church To Help Support Spanish Minister

First Methodist Church of Dimmitt will help supply a Methodist pastor for the Latin Americans in Dimmitt and the County beginning next month announces Rev. Hugh Blylock, pastor.

Rev. Jose Vasquez will be pastor for Plainview and Dimmitt. He will arrive Sunday, October 4 and preach to the Latin Americans in the First Methodist Fellowship Hall at a time to be announced later. Rev. Vasquez will make his home in Plainview.

tee and PTA members. Room count was won by Mrs. Niven's fourth grade and Lanny Tucker' tenth grade room.

The Wesleyan Guild and Methodist Men of the Methodist Church held a Chili supper prior to the first home football game with New Deal Friday night.

Proceeds from the supper will be used to buy carpet for the church chapel.

Junior Leaders Promote 4-H In Town And Country

4-H goes to town! The national leadership program for 4-H youth development which began primarily in rural areas now reports, a majority of its members live in urban or suburban neighborhood. According to the National 4-H Service Committee, 52 per cent of 4-H members are from non-farm locations.

Aiding in the spread of 4-H from farm to city have been junior leaders, experienced 4-H'ers who assume responsibilities for helping others. The program, sponsored by the Sears-Roebuck Foundation, is an activity easily adopted to either city or rural living.

Recognition awards for superior achievement will be claimed this year by scores of 4-H'ers throughout the state. They consist of gold-filled medals, an all-expense trip to the National 4-H Club Congress, and an opportunity to compete for one of 12 national leadership scholarships of \$500 each.

Participants make definite plans to help others in choosing projects, fulfilling requirements and complet-

ing records. This results in growth and development of the teen-age leaders as well as expansion of the club program.

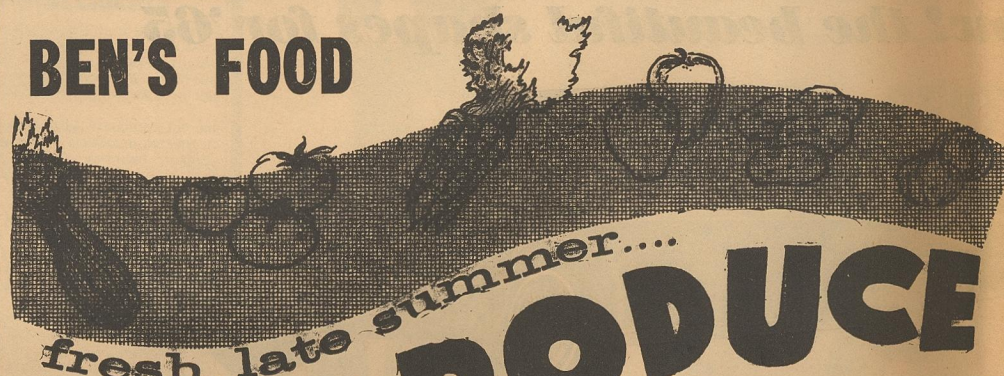

Junior leaders find they "must continually be alert and ready to go with new ideas," as one state award winner put it. Working with those who are learning by example provides a challenge to set an acceptable pattern.

Moving into urban areas has caused new projects and activities to be developed. Junior leaders were able to voice their needs so that new programs could be more easily tailored to their situations.

And leaders find it's fun to help, too. "Ever since I can remember," says another state winner, "it has been my ambition to be above average in helping other."

County extension agents and local 4-H leaders can provide more information about the program.

4-H Clubs build better citizens through leadership, service and achievement. Ask the county extension agent how to get into 4-H work.

Highlights and Sidelights FROM YOUR State CAPITOL

Speaking before more than 300 district and county attorneys, sheriffs and judges at a Law Enforcement Conference here, Atty. Gen. Waggoner Carr proposed the following 8-point program:

- (1) Expand training and education of law enforcement officials;
- (2) Provide more officers and pay them better;
- (3) Teach personal knowledge of confinement to juvenile offenders;
- (4) Teach and gain increased parental responsibility;
- (5) Make parents financially responsible for damage done by juveniles;
- (6) Place responsibility on juveniles themselves through such programs as the Texas Youth Conference;
- (7) Continue and improve the annual Attorney General's Law Enforcement Conference; and
- (8) Step up local community "crime drives".

SHELL GAME—State Sen. William Patman of Ganado and Rep. Paul Haring of Gollad have entered strong pro-

tests with the State Parks and Wildlife Commission, on behalf of their constituency, opposing an application by Heldenfels Brothers of Corpus Christi to dredge for oyster shell in Copano Bay.

According to Haring, Heldenfels Brothers wants to use the shell to build a road by Copano Bay. But the State Highway Department would readily accept the use of lime instead. Protestors insist that dredging in the bay would kill off live oyster reefs and destroy fishing, sporting and tourist attractions in the area.

A-G OPINIONS—Attorney General Carr has ruled that Rep. H. G. Wells of Tullia, who represents Briscoe, Hale, Swisher and Floyd Counties, should get legislative pay through this term even though he now is attorney for the High Plains Underground Water Conservation District No. 1. Wells is not running for re-election.

Carr also held that professional roller derby contests are not taxable under the Admissions Tax

Law of Texas; and that "concrete containers" to be used as burial vaults, in garden-type cemeteries to keep graves from settling, are funeral merchandise under state law and are not exempt as crypts or mausoleums.

APPOINTMENTS—Gov. John Connally has appointed George Dowlen of Canyon as Criminal District Attorney of Randall County. He succeeds the late Truett G. Hull Jr.

Connally also picked Paul N. Howell of San Antonio to succeed E. E. Voigt on the San Antonio River Authority Board. Howell, an oilman also is a director of the San Antonio HemisFair.

PALMETTO DAM PROJECT—Edna and Ganado area people packed a Water Commission hearing room when Bureau of Reclamation representatives and the Jackson County Flood Control District took up consideration of the proposed Palmetto Bend Dam Project. Most of those attending the hearing favored construction of the 15 mile dam which would cost \$48,150,000 to build. However, Commission Chairman Joe Carter said no written protests had been received.

Harry Burleigh, area planning engineer of the Bureau of Reclamation, outlined the two-part project. It will begin with construction of a dam across Navidad River to form a reservoir with a capacity of 192,000 acre feet and a conservation level of 44 feet.

Part two of the plan would extend the dam across nearby Post Oak Branch and Lavaca River.

Burleigh said that the first phase, if authorized by the Commission, plus the Federal House and Senate and the people of Jackson County, would satisfy Jackson county's water needs for about 19 years.

Approval of both phases at one time would result in savings, Burleigh stated. But Commissioner Otho Dent was reluctant to consider part two immediately.

"If phase one is an entity unto itself and you don't intend to do anything with phase two for 15-20 years, I'm not in favor of the state surrendering its rights to control of water in the second watershed at this time," Dent said.

Commission, which will write the state's comments on the project, took the matter under advisement after six hours of discussion.

HEARINGS CONCLUDED—A legislative study committee completed its hearings on congressional redistricting and settled down to figuring how to draw 23 districts of equal population.

At the final meeting in Austin Rep. John Traeger of Sequin suggested a redistricting plan which would create a new 16-county district in the Guadalupe River Basin. His proposal also would combine the East Texas districts of Congressmen J. Dowdy of Athens, Wright Patman of Texarkana and Lindley Beckworth of Gladewater.

Unless the study committee of the Texas Legislative Council comes up with something better, Traeger served notice he intends to submit his plan to the next legislature.

Sen. George Moffett of Chillicothe, committee chairman, indicated repeatedly that the panel is aiming for a plan in which no district varies more than five per cent in population from the mathematical average of 416,508.

OIL PRODUCTION HELD—Texas Railroad Commission held Texas oil production to 27.9 per cent of potential.

New order will peg October production at 2,866,252 barrels a day, compared with an October, 1963, figure of 2,878,206 under a 28 per cent order.

MENTAL RETARDATION PLAN—Texas' biggest effort to initiate a plan reaching into many communities for combating mental retardation is under way.

Planning work was authorized by a special committee appointed by Governor Connally.

Goal of the committee is to measure the size of the problem, pinpoint available services and accurately forecast needs to treat and prevent retardation. A long-range study is planned under federal grants.

Mental retardation afflicts 300,000 Texans. Over 8,000 mentally retarded children are born each year, the committee was told.

LUBBOCK CHOSEN—After inspections covering 12,000 miles and 17 cities, the State Board for Hospitals and Special Schools picked Lubbock as the site for a new school for the mentally retarded. Estimated cost is \$2,500,000.

School will serve an 84-county West Texas area.

Plainview, Odessa, El Paso, Levelland, Midland, Fort Stockton and Amarillo also were seriously considered as sites. Thirty-nine cities originally expressed interest in having the facility.

DISASTER PLAN STUDIED—A new "hospital zone support concept" which would link all Texas hospitals in the event of a major disaster was unveiled here.

Texas Medical Association and the State Advisory Committee on Health and Medical Aspects of Civil Defense have set up a state-wide conference of disaster medical care directors. They will detail medical and health disaster plans.

HERE FROM JAL N.M.—Mrs. Sadie Heslip of Jal, N.M. is here for a visit with her sister, Mrs. A. A. Dodd and Mr. Dodd.

UNDERGOES SURGERY—Mrs. H. H. Carlile is recuperating in a Plainview hospital after undergoing major surgery Tuesday.

Mrs. Jake Speaks Up

With school well underway, the Dimmitt Jaycee-Ettes are giving \$10 a month to the Grade School. This money buys milk for the Spanish children who cannot afford to buy milk.

Some of the lower grades at school also need a few used toys for the children to play with inside during bad weather. Jaycee Etties, please gather some toys up and take to Joanis Robertson.

Clarendon is having a seminar and some of the girls are going over on September 26. Suzie Wright will be on the seminar panel. Let's all turn out and go over to Clarendon.

Now is the time to start thinking of some more moneymaking projects. Coming up is Halloween and Christmas. We have to start thinking about parties for the school children.

Remember, drive slowly in the school zones. See you in two weeks. Mrs. Jake

RETURNS FROM VISIT

Mrs. Maurine Bice has returned home from a visit with relatives at Throckmorton and other Texas points.

NAOMI CIRCLE MEETS

The Naomi circle met Monday afternoon at the church. A very interesting study was given with Betty Huckabay as leader. Mrs. George Bagwell presented the meditation. Members present were Mesdames Bob Huckabay, George Bagwell, George Webb, C. E. Ginn, Edna Lippard, Dilmond Neumayer, Kay Roberts, Elmo Bell, Clarence Bearden, A. A. Dodd, Etta Brahears, C. W. George, Sr., Andy Behrends, and two visitors, Mrs. Thompson of Lubbock and Mrs. Sadie Heslip of Jal, N.M.

RETURNS HOME

Mrs. Buster Cooper has returned home from a visit with her daughter and family, Mr. and Mrs. Hilry Ranson at Houston.

MULESHOE VISITORS

Mr. and Mrs. W. S. Hatfield of Muleshoe were here Monday to visit their son, W. S. Hatfield, Jr. They also purchased a new car while in Dimmitt.

HERE FROM ALBUQUERQUE

Mr. and Mrs. Herbert Burnham and two sons, of Albuquerque, N. M. spent last week end here with her parents, Mr. and Mrs. B. M. Nelson.

RUTH CIRCLE

The Ruth circle met at the church Monday afternoon. Mrs. Hutto, president, presided. Opening prayer was by Mrs. E. Lee Stanford. Mrs. Vern Lust gave the meditation. Mrs. Earl Lust presented the study, Spanish Americans, Ladies present were Mesdames S. R. Hutto, Sid Sheffy, Vern Lust, Ed Wilson, J. C. Williams, Earl Lust, Wes Anthony, Ethel Womack, E. Lee Stanford, Leona Rothwell, Hugh Blaylock, Jack Cowser, P. L. Cunningham, Raymond Wilson, E. V. Hargrove, B. M. Nelson.

Next Monday, Sept. 28 the Ruth circle will meet in the home of Mrs. P. L. Cunningham at 3 o'clock.

GUESTS IN DAVIS HOME

Last week end guests in the home of Mr. and Mrs. Tom Davis were Mr. and Mrs. Bob Swain and children of Lubbock, Mr. and Mrs. John Davis of Afton and Mr. and Mrs. Alton Mullins of Houston.

FISHING TRIP

Mrs. J. L. Coke and granddaughter, Mrs. Jobey Claborn and husband of Friona returned home recently from Aransas Pass and Rock port where they went deep sea fishing. They caught approximately ninety fish and enjoyed the outing, according to Mrs. Coke.

HERE FROM HOBBS

Mr. and Mrs. Jimmy Curtis of Hobbs, N.M. has been visiting her grandmother, Mrs. Willie Waggoner and her father, W. W. Gilbreath and Mrs. Gilbreath.

VISITS IN AMARILLO

Mr. and Mrs. Ray Bearden visited in the home of Mr. and Mrs. Giles Tate in Amarillo Sunday.

ATTENDS ART SHOW

Attending an art show in Lubbock Sunday were Mrs. Robert Singer, her niece, Mrs. A. W. Hedlund and daughter, Mary Lenora of San Angelo, who are visiting in the Singer home, Mrs. Eugene Morton and Mrs. Myrtle Steinbeck of Lazbuddie. Among the art shown was that of Surgal Nurce and others

Cobb's

now! the beautiful shapes for '65

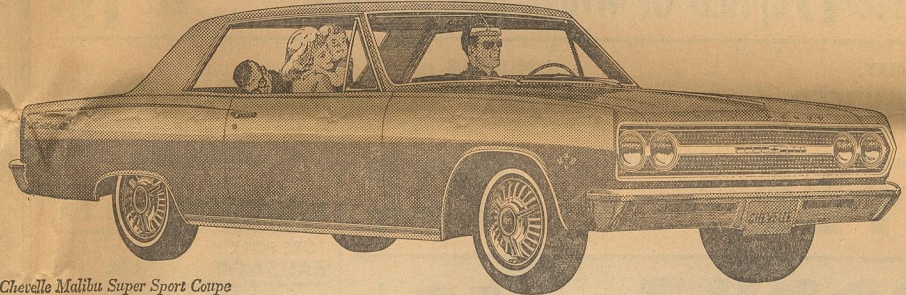

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

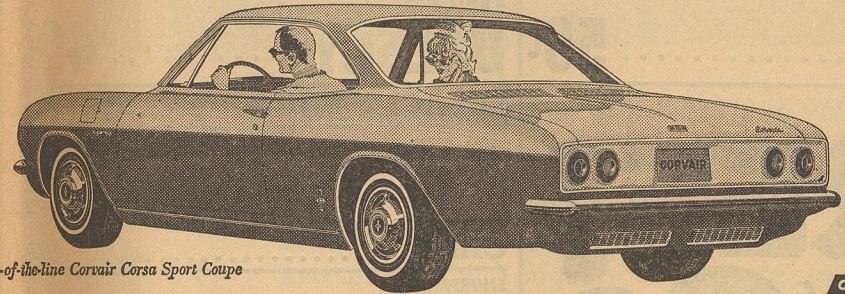

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

See 5 beautiful shapes for '65—Chevrolet, Chevelle, Chevy II, Corvair & Corvette—at your dealer's

Walter Rogers' WASHINGTON NEWSLETTER

Prospects seem improved, at this writing, for approval by Congress this year of Constitutional amendment to permit one of the two houses of a State legislature to be based on representation factors other than population. A two-thirds vote of each House of Congress would be necessary to send a Constitutional amendment to the States, where ratification by three-

fourths of the States' legislatures would be necessary before it could become part of the Constitution. As I have stated before, no Federal action in recent years poses a greater threat to sound State government than does the June 15 decision of the U. S. Supreme Court requiring that both houses of State legislatures be structured on population grounds, in accordance with the Court's one man, one vote dictum.

It is estimated that in our State of Texas, carrying out the intent of the Court decision would concentrate 17 of the State's 31 State Senators in only five of the 254 Texas counties. Similar concentrations would occur in State after State. It is easy to envision under such circumstances an absence

of responsiveness in State legislative halls to all problems save those in which big cities have a direct stake. I have commented before on trends that have occurred in the national legislature, the U. S. Congress, sapping the strength of what was once known as the "farm force of representatives from rural and semi-rural constituencies who banded together in the 1930's to advance programs returning America's agricultural economy from the grip of severe depression. They were the men who best understood problems of America's farmers, small towns, and small cities and were able to bring an end to years of punishment America's farmers had suffered at the hands of other segments of the U. S.

economy. There is no longer a "farm bloc" in Congress because America's population has shifted to urban and suburban areas and representation in Congress has generally followed this shift. It is now estimated that seven out of ten members of the U. S. House of Representatives come from primarily urban areas. In order to obtain the support of these so-called city members for farm legislation, they have required steady salesmanship to know that a sound agricultural economy is essential to a sound national and non-agricultural economy. But it is becoming increasingly difficult to obtain support from city members on needed farm legislation. I cite two examples in this 88th

Congress: One is the so-called "bracero" program by which seasonal farm labor is brought to the United States from Mexico to assist in harvesting highly perishable crops. Last year the program was extended by narrow margin. Obtaining another extension is being made extremely difficult because of city opposition. Another problem reflecting the weakened voice for agriculture is that involving allocations of the U. S. sugar supply. A substantial allocation to American farmers of the right to produce additional sugar for American tables would provide a helpful stimulus to the U. S. farm economy. However, interests aligned against permitting domestic expansion poses great strength in Congress. Congress is concerned, in the

main, with two prime national responsibilities: national defense and national economic vitality. The states have sought many forms of assistance from the Federal government, including help in the form of grants-in-aid for specific programs. The States desire to administer these programs themselves. Handling grants-in-aid has become one of the functions of State legislatures and State administrative agencies. Should State legislative power be concentrated through "boss rule" in a few areas, it is easy to conceive of situations in which decisions on grant-in-aid programs could become tools for solidifying political monopoly, and no effective counter voice could be raised from areas where representation is scattered.

Former Hood Countians Plan Annual Reunion

The Annual Reunion of residents and former residents of Hood County and surrounding counties, now in West Texas, will be held Sunday, September 27, at the Bar-B-Que Party House in McKenzie State Park. This Park being located on East Broadway in Lubbock. Those attending are asked to bring a picnic lunch and spend the day visiting with friends and renewing old acquaintances. Registration will begin at 9:00 a.m.

Jaycee Jake Says

The Jaycees have begun their annual drive for grain sorghum for Boys Ranch. Posters have been up and all elevators will handle this grain for your convenience. Be thinking about this project and do what you can to help the Ranch. The Jaycees will see that all the grain is delivered to the Ranch.

The golf tournament is ready to go. First rounds are to be played this weekend. Competition is expected to be keen in this annual affair held at the Hereford Golf Course.

JAYCEE JAKE

Highway Patrol Investigates 21 Rural Accidents

The Highway Patrol investigated 21 rural traffic accidents in Castro County during the month of August, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, seventeen persons injured, and an estimated property damage of \$11,995.00.

The rural traffic accident summary for Castro County from January through August shows a total of 82 crashes resulting in 4 persons killed, 40 persons injured, and an estimated property damage of \$47,223.00.

The statistics compiled as a result of these accidents and their consequences are very alarming. However, they are increasing and more people are being killed or injured each year as a result of someone's inadequate driving procedures. In addition, crimes of all kinds including murder, rape, armed robbery and burglaries are increasing at an alarming rate nationally as well as in our own state of Texas.

In order to try and save some of the lives lost each year and help combat the increasing crime rate, the Patrol Sergeant requests everyone to encourage eligible young men to inquire about a position with the DPS as a law enforcement officer.

According to the Sergeant there are over one hundred vacancies in the Patrol Services of these Department and a training school is scheduled to start in November. Men between the ages of 21-35 years who have a high school education and desire more information about a career in law enforcement are invited to contact any member of the D P S for the additional requirements as well as job benefits and an application form.

The Sergeant stated that the examinations will be given the second Saturday in October, throughout the State, for the November training school.

UT's Mark Twain Collection Is Good Research Source

The University of Texas' Mark Twain collection is serving as a principal research resource for a definitive edition on Twain, now being prepared by more than 20 American scholars. UT's collection, consisting of about 5,000 items, is considered one of the two most extensive holdings of Twainiana in existence. Dr. William B. Todd, UT English professor and Humanities Research Center director of bibliographical studies, is official bibliographer for the project. The first of 37 volumes in the new edition will be published next Spring. Harper and Row will be the principal publisher. The University of California Press will issue about a dozen volumes.

Lindsey - Arnold Exchange Vows In Clovis, Friday

Mr. and Mrs. Richard Lindsey announce the marriage of their daughter, Rita Faye to James Arnold, Friday.

Ceremony was performed in Clovis, N.M. The couple will live at Texico, N.M.

Mrs. Lindsey, bride of Arnold was honored with a shower Saturday afternoon in the home of Mrs. L. H. Stevens.

White cake and punch were served from a lace-covered tea table. Mrs. Dean Myers assisted with hostess duties.

MRS. JOE DRERUP nee Imogene Huseman

Miss Imogene Huseman -- Joe Drerup Wed Aug. 18 In Holy Family Church

Miss Imogene Huseman and Joe Drerup were married in the Holy Family Catholic Church, Nazareth, Tuesday, August 18. Rev. Riechel read the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Philip Huseman of Nazareth. Parents of the groom are Mr. and Mrs. Ed Drerup, also of Nazareth.

Given in marriage by her father, the bride was attired in a gown of silk taffeta with a lace scalloped neckline enhanced with sequins and seed pearls. The gown also featured a lace circlet waistline attached to a redingote overskirt with a lace godet in front and pyramids of lace outlining a chapel train.

She carried a bouquet of white orchids, trimmed with carnations and strands of wedding lace and pearls.

Mrs. Jack Aldridge, sister of the bride, was matron of honor. Bridesmaids were Miss Phyllis Huseman, sister of groom and Miss Jeanette Huseman, cousin of bride.

The attendants wore floor length emerald green brocade dresses with fitted bodices, elbow length sleeves and scoop necklines. They wore matching headpieces and carried a bouquet of carnations with streamers of baby breath tied to wedding lace.

Best man was Keith Huseman, brother of the bride. Groomsmen were Jerry Leinen, cousin of the bride and groom, Joe Venhaus and Howard Schulte, friends of the groom. Ushers were Robert Ringo, brother-in-law of bride, Danny Schmucker and Jimmy Ball, brothers-in-law of the groom.

Altar boys serving at Mass were Dwayne Huseman, brother of the bride, Kenneth Huseman, cousin of the bride, Harold Schacher and Dean Wilhelm, cousins of the groom.

Traditional wedding music was played by Mrs. John Slavik. She accompanied the Benedictine Sisters who sang hymns for the occasion.

A reception and dance followed the ceremony in the Nazareth Community Hall. Music was furnished by Clyde Miller.

For going away the bride chose an autumn green dress and tan shoes. Corsage consisted of two orchids lifted from the bridal bouquet.

Family Participation Demonstrated By Young Ben Holcomb Family

by Mrs. Claudine Langford Reporter for Young Homemakers Family participation is well demonstrated in local organizations of Young Farmers and Young Homemakers of Texas by the Ben Holcomb family of Dimmitt.

Mr. Holcomb is serving as president of the Young Farmers and his wife, Mrs. Holcomb, is president of the Dimmitt Young Homemakers.

THDA Conducts Annual Convention

Texas Home Demonstration Association held its annual convention in Houston Sept. 16-17. Delegates from Castro County were Mrs. James Welch, Castro Co. T.H.D.A. Chairman, Mrs. Wes Anthony and Mrs. M. F. McRee.

Texas Home Demonstration Association represents 36,700 members and 1,991 clubs. The United States has 850,000 Home Demonstration club members. Six million home makers belong to the world organization. The goal of the association is "Better living through better learning".

The importance of the home is stressed in T.H.D.A. Programs of study this year will include the Problems of School Drop Outs, Family Life, Health & Safety, 4-H Recreation, Citizenship and Civil Defense.

Guest speakers at the convention were: Mrs. Grace Winn, Special Assistant for Community Services NASA Manned Spacecraft Center in Houston, Mrs. Jean Adams, Houston Post's Fashion Editor, Mrs. Jud Collier, National Foundation, Mrs. Florence Low, Assistant Director for Home Economics, John E. Hutchenson, Texas Agricultural Extension Service and Miss Bonnie Cox, State Organization Specialist.

First Methodist To Hear Hastings

Rev. Charles Hastings, Director of Methodist Student Center, West Texas University, Canyon will be guest preacher in the First Methodist Church Sunday, October 11 while Rev. Hugh Blaylock, pastor is on vacation.

Rev. Hastings will speak in both morning and evening services.

Following a trip to Tennessee, the couple are home where they farm west of Nazareth.

The bride and groom are both graduates of Nazareth High School.

Holcomb is a graduate of Dimmitt High School and attended Texas Tech where he received his degree in agriculture. While in college, he was a member of Alpha Zeta, an agricultural scholastic fraternity. He also was a member of the Rodeo Club. In 1962, Holcomb was representative of Texas Tech to the National F.F. Convention in Kansas City, Missouri.

Mrs. Holcomb is a graduate of Dimmitt High School and attended Texas Tech for one and a half years. She has worked as a member of the bookkeeping staff of First State Bank, Dimmitt until recently.

The Holcombs have one son, 17 months old, a jolly, happy boy with plenty of smiles for everyone.

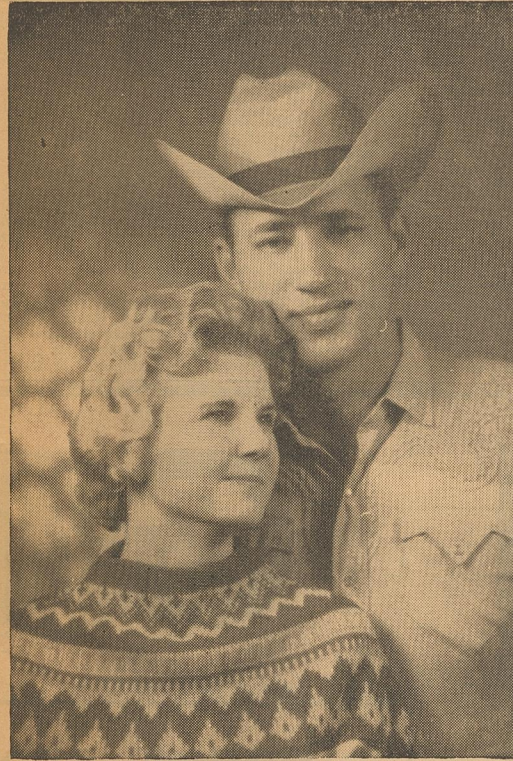

Mrs. Holcomb confesses that she and Ben work together on their club activities well as their farm. The Holcomb farm is twelve miles west and 1 1/2 miles north of Dimmitt.

Both Clubs are advancing in understanding and work under the leadership of the Holcombs.

Club members say that even though Mrs. Holcomb is busy with motherhood and homemaking she still finds time to help with some of the farm chores.

According to Young Homemakers, their president is always willing to give of her time in aiding a committee needing help.

Young Farmers and Young Homemakers Clubs both say, "Thanks you Ben and Dickie for your leadership in our organization."

MR. AND MRS. BEN HOLCOMB

Baptist Churches SS Conference Held In Dimmitt

Llanos Altos Associational Sunday School Workers Conference was held Monday night at the First Baptist Church, Dimmitt according to Rev. Johnny Burnett, Minister of Education here and Associational Sunday School superintendent. Some 303 workers attended from 24 churches and missions. The Dimmitt First Baptist Church fed the guests supper at 6:30 p.m. in the Fellowship Hall.

The Workers Conference opened at 7:30 p.m. with song, scripture and prayer.

Conference periods were set up as follows: Pastors and General Officers - Bill Bumpas, Dallas, State S.S. Secretary for Texas Baptists

Adult - Harold Hanson, Dallas Young People - Bob Callahan, Amarillo Intermediates - Leland Hayes, Lubbock Junior - Mrs. Jay Skaggs, Dallas Primary - Nelda Williams, Dallas Beginner - Mrs. Jimmie Winters, Plainview Nursery - Mrs. W. R. Bumpas, Dallas The closing assembly was led by Bill Bumpas. First Baptist Church here had 64 Sunday School workers present for the conference. Also well-represented were Lee St. Baptist and Northside Baptist churches of Dimmitt.

Dimmitt Eighth Hits Springlake Jr. High, 12-0

Dimmitt eighth grade slashed the Springlake defense for a 12-0 victory Thursday, September 17 at Springlake.

On the third play after the opening kickoff, David Land went 55 yards on a 47-reverse to score the first touchdown for Dimmitt.

In the middle of the first quarter, Jacky Matthews dashed 65 yards on a 36-power play but the touchdown was called back on a clipping penalty.

In the last play of the first half, Land plunged 12 yards for paydirt on a 47-reverse.

According to Coach Pat Privett, he substituted freely during the last half of the game. Defense held good all the way.

The eighth grade will meet Tullia here, tonight.

IN NEW YORK

AMARILLO VISITOR
Mrs. Charles Armstrong visited Mrs. John Etheridge in Amarillo this week.

'Cats Stopped 34-7 By Herd

Hereford Whitefaces using size and speed completely controlled the football game Friday night against the Dimmitt Bobcats.

Hereford scored on the second play from scrimmage after returning the kickoff to their own 40 yard line. The extra point try failed and Hereford led 6-0. Dimmitt's Tony Young took the kickoff back to the 45 and the Bobcats moved the ball down to Hereford's 36 yard line before being thrown for a loss on a sweep. The Bobcats were forced into a kicking situation.

Hereford blocked the kick and recovered it on Dimmitt's 23 yard line. Six plays later the Whiteface team scored and completed a pass for two conversion points. Dimmitt took the kickoff and returned it to the 32 yard line. After picking up a first on the 44, the 'Cats were forced to punt. Hereford moved the ball down to Dimmitt's 27 yard line where Don Moore recovered a Hereford fumble. The Bobcats moved the ball out to mid-field where they had to punt. Hereford took the ball and using their passing game and quick hitting plays moved the ball down to score with time running out. The kick for the extra point was good and Hereford led 21-0 at the half.

Dimmitt did a better job the second half after making some halftime adjustments. They still failed to contain the speed of Hereford's backs and the Whitefaces scored twice making the score 34-0 before Tony Young made the big play for Dimmitt.

With Hereford driving for another score, Young intercepted a pass on the Bobcat's three yard line and eluding tacklers raced 97 yards for a touchdown. Ronnie Ken-

more kicked the extra point and scoring was ended for both teams. "We lost Tommy Nichols early in the game along with Jack Flynt and I feel this hurt our offense the ball as effectively after this," he continued.

"Hereford surprised us with the amount of speed they displayed," comments Covington.

He says, "We knew they were big but we didn't know they could move as quick, over all, as they did against us."

"Even though we were down 34 points our boys kept hitting."

"We didn't let down we just couldn't move them," says Covington.

Dicky Dyer, Steve Hutton, Danny Land and Cecil Hutcheson played a good game for the Bobcats.

Dimmitt faces another tough game this week against Tullia Hornets. The Hornets lost last week to Phillips but that is the indication of their strength according to Covington. They beat a good Olton team two weeks ago. They have good speed in their line and backfield coupled with good size.

Jeff Tucker, at halfback and James Miller, 185 lb. fullback, are the powerhouses for the Hornets. They are speedy too. Dan Petty and Gene Carson haven't been able to return to action yet for the

quite a bit," says Coach Covington. "this week according to Covington. we were not able to move Both were starters before they were Bobcats and will not be suited up hurt."

Hart Shorthorns To Tangle With Lazbuddie Tonight In Season Opener

Hart Junior High Shorthorns will open season play tonight at 6:30 p.m. at Hart stadium. The Shorthorns will meet Lazbuddie Junior High in this initial tangle.

Probable starters for the Shorthorns are Jim Kenrick, center; Andy Rogers, right guard; Richard Humphrey, right tackle; Donnie Black, right end; Denny McKay, left guard; David Dalton, left tackle; Quincy Hawkins, left end; Danny Smith, fullback; Phil Davis right half; Joe Quirez, left half; and Gary Rambo, quarterback.

The Shorthorns have been practicing for three weeks according to Coach Ewing. He says, "We have a pretty good bunch of boys with good size and average speed."

The Shorthorns will be running from the straight T and using a pro-type offense tonight.

Other Shorthorns and their positions include: Victor Perales, fullback; Roger Brooks, guard; Robert Brooks, guard; Harold Bennett, center; M. J. Janek, tackle; Richard Murry, end; Donny Burgess, guard; Rex Henderson, end; Billy Sanders, quarterback; George Chapa, fullback; Terry Newman, halfback; Mike Armstrong center; Roger Kennedy, guard; Ricky Mitchell, guard; Jerry Heller, quarterback and halfback; Don Sanders, halfback; Gary Cole, tackle; Lewis Heck, tackle; Douglas Heck, tackle; David Moses, guard; Tony Vasquez, tackle; Kenny Boler, halfback.

ting for three weeks according to Coach Ewing. He says, "We have a pretty good bunch of boys with good size and average speed."

The Shorthorns will be running from the straight T and using a pro-type offense tonight.

Dimmitt Seventh Takes 14-0 Win From Springlake

Dimmitt seventh grade tackled Springlake Thursday, September 17 there and threw them for a 14-0 loss. Jessie Bernal, slotback for Dimmitt, scored two touchdowns in the first half on a reverse play and a run around left end.

Mark Cleavinger, quarterback, made two conversion points on an 18 option play.

According to Coach Pat Privett, the team worked together real good during this game. Springlake failed to threaten for a score as the Dimmitt defense held tight.

The seventh grade will meet Tullia here at 6 p.m., tonight.

Odom To Attend Special School

PFC Kenneth D. Odom, Radiosonde Operator for Meteorological Missile Support Group of Electronic Research and Development Activity, White Sands, New Mexico, is being transferred to Chanute, Ill. Air Force Base for special training in Radiosonde Operation.

Odom, son of Mr. and Mrs. M. B. Odom of Dimmitt, is one out of two from Company B to qualify for this special training. Odom will return to White Sands following 100 days of training.

RETURN FROM HOUSTON
Mr. and Mrs. Rodney Smith have returned home from Houston where he received further treatment.

New Deal Roars Past Longhorns With 24-6 Score

New Deal Lions roared past the Hart Longhorns, Friday night in a 24-6 ballgame.

Jerry Brown scored two touchdowns for the victors, going five yards up the middle for each. Gary Wittingham passed 10 yards to Randy Peebles for one touchdown and ran 10 yards for another, and Jerry Brown went five yards to end the New Deal scoring.

Gary Heller made the lone Longhorn touchdown from the four-yard line on a quarterback option play. He went over right tackle.

The Longhorns will meet Turkey at 8 in the Hart stadium. The Turkey team has a good passer and feature a good passing attack according to Coach Jeff Smart. Turkey can run up the middle real good also according to Coach Smart. Turkey outweighs the Longhorns by only a small margin. The Longhorns will be looking for their first victory as they meet the Turkey Turks.

 Organizations Editor Pat Moran
 Sports Editor Richard Connell
 INSTRUCTOR - Miss Littlepage

Just What Would You Do?

Here are the answers to this question: "What is the first thing you would do if you were sent before a pedagogue?"
 Mike Bruegel - I'd find out what it is first.
 Don Minchew - I'd get to know the nurses.
 Janis Moore - I know what it means, so I wouldn't go.
 Kaye Derrick - I'd scream.
 Margaret Chapman - I'd take David with me.
 Mary Tumlinson - Scream and run.
 Ken Campbell - Sweat.
 Gary Moss - I won't go into it.
 Vickie Powell - Cry.
 Tony Young - Stand there or sit down.
 Sandra Bruegel - Send for Patty Brown.
 Francoise - Tell him to get my books.
 Pam Buchanan - Ask what it was.
 Sonny Sistrunk - I don't want to.
 Robby Lindsay - I'd say I had a problem.
 Joan Buchanan - I'd find out why I was sent there.
 Johnna Hastings - I'd ask Richard what it is.
 Darlene Dodd - I'd holler.
 Charles Summers - Salute the guards.
 Believe it or not, a pedagogue is a teacher!

Symbols of Seniors

It seems that all the seniors are running around waving their hands in front of everyone. These seniors are trying to show everyone their rings. This year is the first year they have been able to get their rings before school started. These rings are the standard rings of Dimmitt High School. They have a purple stone enclosed by the words "Dimmitt High School". On the right side we find the Alamo, Texas state flag, United States flag, and the Texas Lone Star. The left side has the Dimmitt school mascot, the bobcat. We seniors are proud of our rings and hope that everyone else likes them.

Hughlett Named Teacher Of Week

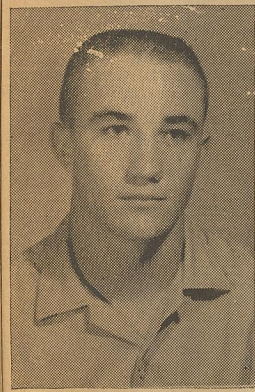

Our new teacher this week is Orval Lee Hughlett who was born in Pasadena, Texas, but went to Hart's schools.
 Mr. Hughlett went to college at Eastern New Mexico and got his Bachelor of Science degree in Mathematics and physical science. He is now teaching chemistry, physical science and physics in our school.
 Mr. Hughlett enjoys fishing, hunting and camping. His favorite sport are football, basketball, and swimming. He has a very popular favorite color, blue. He enjoys filling up on shrimp while listening to Exodius on the radio. He's not real sure who his favorite singer is, but he settled for Frank Ifield. He's fascinated with all types of math and physic books. His favorite actor is John Wayne, and his favorite actress is Debbie Reynolds.
 Mr. Hughlett married Sammie Moore and they have a little boy, Jeff. He had a great honor bestowed on him when the seniors elected him as one of their sponsors.
 Lets give a nice welcome to Mr. Hughlett.

Sue Hendrick Honored With Surprise Party

Thursday evening turned out to be a surprise for Sue Hendrick. A surprise birthday party was given in her honor by her mother, Mrs. R. E. Hendrick, and her sister, Mrs. Bill Lankford. The party was given at the Community Room at the Bank.
 The party started at four p.m. as all the girls arrived. The style seemed to be pink because each girl received a pink carnation and the cake was decorated in pink. Punch was served with the cake. After the refreshments, the girls sat around and visited for a few minutes, then Sue opened the gifts. When the gifts were all opened, everyone left. They all reported a good time.
 Those attending the party were Linda S., Linda D., Joanie Hammonds, Shari, Janis D., Greta, Francoise, Jane, Pat, Kathy Linda H. Kay, Madelyn, Patty C. Betty, Jerry Kay, Linda L., Glenda S., Sue, Mrs. Bill Lankford and Kevin, and Mrs. Muriel Smiley.

Class Presidents Take Office

Four presidents will get the jump on the nation. This group elected for class officers and sponsors for 1964-65 school year are:
 Seniors: Sponsors - Miss Britten and Mr. Hughlett. President - Paul Easterwood, Vice president - Don Minchew, Secretary - Arlene Reid, Treasurer - Jane Cleavinger, Reporter - Pat Moran, Parliamentarian - Charles Harris. Our class parents are Mr. and Mrs. McLean, Mr. and Mrs. Easterwood, Mr. and Mrs. Willis, Mr. and Mrs. Cleavinger, Mr. and Mrs. Catoe. We also set our class dues at \$3.00 a semester.
 Juniors: Sponsors: Mr. and Mrs. Ralph Smith. President - Dennis Lytle, Vice President - Dan Petty, Secretary - Donna Summers, Treasurer - Jean Neson, Reporter - Kristi Webb. The class voted on class dues which are \$13.00 a semester and they must be paid by October 9. Dennis Lytle appointed Donna Summers chairman of the committee to work on the powderpuff Football Game. Others on this committee are Penny Hays, John-

STEVE HUTTON

Steve Hutton Named Senior Of The Week

The team was receiving the final plays on the field. The referee signaled the team to resume play. "Okay boys, get in there and let's really show'em". These last words as Anthony grew up, he became from a much respected quar-gan to select his favorite items. When he was in the first grade, he finally learned the name of the colors. Only then could he say that blue was his favorite color. Most food always appealed to him, but he liked steak best of all. Even before he was old enough to drive, he liked the corvette better than any other car. Now that Anthony is in high school he has many favorites. Among these are: Song "Walk, Don't Run," Singer - Ricky Nelson, Movie - Cleopatra, Actor - Richard Burton, Actress - Elizabeth Taylor. Anthony thinks school is all right but there is one thing that he does not like. He does not like people who are the teacher's pet.

Personality of the Week

In the year of 1950 the Gordon Stanford home was blessed with a bouncing baby boy. This baby was blessed with the name of Anthony. As Anthony grew up, he became from a much respected quar-gan to select his favorite items. When he was in the first grade, he finally learned the name of the colors. Only then could he say that blue was his favorite color. Most food always appealed to him, but he liked steak best of all. Even before he was old enough to drive, he liked the corvette better than any other car. Now that Anthony is in high school he has many favorites. Among these are: Song "Walk, Don't Run," Singer - Ricky Nelson, Movie - Cleopatra, Actor - Richard Burton, Actress - Elizabeth Taylor. Anthony thinks school is all right but there is one thing that he does not like. He does not like people who are the teacher's pet.

Spotlight Shines On Paul Hilburn

In our school there are quite a few people we sometimes seem to forget. These people have helped make our school system what it is today. They are the superintendents, the principals, the school board, the faculty, the secretaries, the bus drivers, the janitors, and the lunch room workers. We would like to take this time to thank these people for all their hard work. The staff of the Bobcat Tales, hope to help the students and the patrons to become better acquainted with these people.
 This week we have chosen our superintendent to be in the spotlight. Paul Hilburn was the first child born to Mr. and Mrs. Walter Hilburn. He was born in Dublin, Texas. Mr. Hilburn has two brothers and one sister. He attended Heavenly Branch, a two room school located in the corner of his father's pasture, before entering Dublin High School. After graduating from high school, he attended Tarleton Junior College and Texas A. M. where he received his B. S. degree and later his Master's degree.
 On December 23, 1938, he married Louise Peters. Mr. and Mrs. Hilburn are the parents of four children, Paul Jr., Jean, Kay, and Lynne.
 Before coming to Dimmitt, he was superintendent of schools at Evant, Texas. Other jobs held by Mr. Hilburn include Agriculture Teacher and Supervisor for the Texas Education Agency.
 Some of his favorites include: Food - Steak and salad
 Movie - any funny one
 Hobby - work
 Sport - football
 Political Party - Democratic, and for president he definitely chooses Johnson over Goldwater.

"Election Year" Affects HS Students Too

The Bobcat Tales staff would like to remind the student body that this is a very important year, November 3, we as a nation will make a decision that will affect the whole world.
 We understand that a large majority of the students are definitely interested in this year's election.
 A series of articles will be published in the Bobcat Tales giving information about each of the two major candidates and how they stand on certain issues.
 We hope these articles will arouse interest not only in the student body, but also a over town.
 Lyndon B. Johnson of Texas, classed as a moderate Democrat, is planning to follow much the same policy as President Kennedy in the civil rights issue; but he has his own ideas about foreign policy. He believes that we should "get tough" if it is necessary, but that we should follow a policy of peaceful existence when it is possible.
 Barry Goldwater of Arizona is classed as a conservative Republican. He is against the present civil rights program and also says that we have been too generous toward other countries, especially communist nations.
 The Democratic Party's Vice-presidential candidate is Senator Hubert Humphrey. The Republican Party's Vice-presidential candidate is Representative William Miller.

Spirit High At Third Pep Rally

The Dimmitt Bobcats were traditionally brought in as the Bobcat Band played the DHS Fight Song, Friday, in our 3rd pep rally of the year.
 Our spirit has grown in each pep rally, and Friday, we really let those Bobcats know we were behind them.
 A new yell was learned again this week. This was "Bobcats! We're Rootin' for You!"
 The sounds of two bits! Four Bits! Six Bits! A Dollar! Brought all DHS fans to their feet as the pep rally ended with the school song.

More Bobcat Tales
 On Page Two

CURRENT EVENT "Crime" Going Up

Ever since Barry Goldwater won the GOP Presidential nomination, the United States crime problem has become a problem for politicians as well as for police. Last week, the FBI reported that the number of serious crimes in the first half of 1964 was up fifteen per cent from the same period in 1963.
 The FBI figures showed increases in all classes of major crime: murder up thirteen per cent, aggravated assault up seventeen per cent, burglary up thirteen per cent, larceny of fifty dollars or more up fifteen per cent, auto theft up seventeen. All regions recorded rises, from eleven per cent in the West to eighteen per cent in the South. There have been more crimes committed in the immediate family as with husband and wife and so forth than ever before.

High School Students Urged To Take Pride In Personal Convictions

Perhaps the greatest asset a high school student, or any human being for that matter, could take pride in is faith in personal convictions.
 The age old sermon of nonconformity may be the ultimate message that is received here, but it is hoped that greater depth and meaning can be reached. A quick glance at the actions of a student body when elections are in progress serves to illustrate the seriousness of the problem. The boys on the back row decide on the spur of the moment to put Mary in office; consequently almost every male hand goes up when Mary's name is called during the voting process. A girl is too busy talking to notice that an election is underway, and when her friends raise their hands to vote, up goes her hand, too. While this realistic example of conformity should be serious enough to arouse any static mind, it does not begin to approach the heart of the matter.
 Too often today's student must face the shame of being labeled "hypocrite" whether he likes it or not. Students may soberly discuss in the classroom the truths underlying the equality of all men. Later at the lunch table the same "mature" minds become engaged in a so-called joke centered around the ridicule of one of another skin color. It is easy to understand the importance of our laws, but it is asking too much to completely stop at every stop sign or obey all speed limits. Or is it?
 As if it were not bad enough that the majority is afraid to stand up for their convictions, many are even one step lower; some have no convictions. The time or trouble has never been taken to accept a challenge and produce a self-made decision. It is essential that each life conform to its personal teachings and beliefs; otherwise, in essence, it points to disbelief in personal conviction, or for lack of a better work, hypocrisy.

Notes Concerning Dimmitt High School Activities

Friday, October 2, will be dress-up Day in Dimmitt High School. The boys should wear suits and ties; the girls should wear neat dresses and heels. Everyone please plan for this day.
 Don't forget The last day anyone can buy a mum for Homecoming is Friday, September 25. They may be purchased for \$2.00 from any member of the Student Senate. You may call 647-3101.
 Tickets are now on sale for the annual football supper sponsored by the F.H.A. They can be purchased from any girl in F.H.A. The price is \$3.25 for adults and 75 cents for children.
 F.H.A. Formal Initiation will be held Sunday, September 27, at 3:00 in the High School Auditorium. All F.H.A. girls and parents are urged to attend.
 Hurry! The 1965 Bobcat is now on sale. Plan to buy yours soon from any member of the Journalism Department. They sell for \$4.10 plus 35 cents for a cover.
 Last week proved to be a bad week for five of our boys. Dan Petty, Glenn Mundell, and Gene Carson were seen on crutches for several days due to football injuries. Jack Bradford also received a foot injury as a result of the Freshman football game. Still another person who was injured was Andy Ackler. He received several injuries on his leg when the tractor that he was working on pinned him up against a building. We hope that each of these boys will be able to walk without their crutches soon.

Bobcat Tale Philosopher Why Stay In School?

A major issue in our society is the need for education. Is it really necessary? Must everyone stay in school? Many people point out the different aspects.
 We ask, "Who are the unemployed?" In many instances the answer is simple. The unemployed are the uneducated. You cannot do tomorrow's jobs with yesterday's skills. The need for skilled labor is constantly growing in our nation; consequently the need for the unskilled is decreasing.
 Into this comes the monetary aspect. Of course the cost of education is high, but so is the pay to a trained and specialized worker. The expected life income of a high school graduate is \$165,000 \$49,000 more than a person with only an eighth grade education. A college graduate can expect a life income of \$268,000; \$103,000 more than the high school graduate. Each year of college is worth approximately \$25,000 on this same scale.
 Studies show that approximately 25 per cent of the number of unemployed are teenagers-teenagers-teenagers who quite school get a job. Making money is not more important than education and, as the statistics show, a drop-out does not really make money. He, in the long run, actually loses it. The few who succeed are isolated cases under extreme circumstances. Do not be one in the million of the unemployed teens. Stay in school!!

Top Hits And Who They Hit

"There's Nothing I Can Say" - Lynda Hrabal to Dennis Cleaver
 "I Love You So Much It Hurts" - To Pam Buchanan and Ray Bradley
 "Sweet Adorable You" - Donnie Hestand to Janis Moore
 "Proud" - To Gene Carson
 "Young Love" - To Linda Webb and Tommy Stafford
 "Together Again" - To Richard Connell and Johanna Hastings
 "Let Me Get Close To You" - Tommie Maples to Anita Cameron
 "I'll Hold You In My Heart" - Eugene Oldham to Alice Ackler
 "I'm Sorry" - Patty George to Paul Easterwood
 "In the Misty Moonlight" - To Rochelle Johnston and Tommy Coleman.
 "Love Me With All Your Heart" - Peggy Ott to Gene Carson
 "Hey Little Girl" - Ronnie Hutcheson to Marcie Johnston
 "I Want to Hold Your Hand" - Don Minchew to Joanie Hammonds.
 "We Sing In The Sunshine" - Glenda Layman to Jimmy
 "Don't Be Cruel" - Little Sisters to Big Sisters
 "Altogether Lonely" - Cyndy Byrd to J. K. White

New Faces

This week, the new face belongs to Joanie Hammonds. She is the daughter of Mr. and Mrs. W. B. Hammonds. She is a Senior this year, and she transferred from Cotton Center High School. Joanie's favorite subject is bookkeeping. If Joanie were to choose her favorite book, it would be 1984. Her favorite movie is The Longest Day. Her ideal movie would have her two favorite stars in it, Debbie Reynolds and Cary Gant. Joanie's favorite song is The World I Used To Know, sung by her favorite singer, Jimmy Rogers. Joanie's favorite item on a menu is T-bone steak and when she goes shopping she likes anything blue.
 Joanie's ambition is to attend Texas Tech following graduation and to fulfill her life's purpose. This vivacious new senior is interested in records, counseling, and social work. Sports are a particular interest, especially basketball.
 When we asked Joanie if she had anything to say about DHS, she replied, "I think the student body as a whole is exceptionally friendly."

Senate Meets

The Student Senate met September 16, 1964 during Activity Period with Steve Hutton presiding. Treasurer Chuck McKinney reported the financial standing to be \$228.07. Steve stated that the bonfire will be the same place as last year. One tower has been located, but they will try to get another one. It was suggested that Homecoming and Dress-Up Day be publicized. There being no further business, the meeting was adjourned.

Hereford Smashes Bobcats

The Hereford Whitefaces despite losing their allstate candidate tackle Stan Sigman, with a knee injury in the first quarter, manhandled the Dimmitt Bobcats, 34-7 at Whiteface stadium Friday night.

The potent Whitefaces a Class AAA power who last week stood up well to Class AAAA power Plainview, packed all their points into the first three quarters, while halfback Tony Young of Dimmitt gave the fans a real thrill when he intercepted a Whiteface pass and sailed 97 yards for a touchdown in the late fourth quarter. Ronnie Kemmore kicked the extra point.

Fullback Wynn Buck of Hereford

raced 63 yards in the first quarter for the opening touchdown. The extra point failed. Buck later on went 5 yards at end for the second touchdown. Quarterback of Frank Cain of Hereford then passed to Gene Drummond for two extras.

In the second frame Cain ripped a yard for a TD. Gregg Richards kicked the extra point. In the third Cain tunneled 4 yards for another Hereford score. Extra point failed. Halfback Mike Moore swept end for three yards and another Whiteface TD. Richards converted.

Next week Dimmitt plays Tulla of Class AAA at Tulla. Everyone should get behind the Bobcats and support them by attending the games and boosting them.

The Shadow

Well, what a boring week. This weeks Mr. X was seen first Sunday at Church.

Monday night Mr. X attended band practice and was seen the next few afternoons at the hospital visiting Arnold Acker, who has been in the hospital all week due to a freak tractor accident.

Wednesday night Mr. X was seen again at church, and later riding around town.

Thursday and Friday afternoon Mr. X just messed around town. Friday night was a busy one for him, he acted as manager for the Bobcats and marched with the band at the half of the ball game.

Thank you, Chuck McKinney, for leading us through a typical week of your life.

Adventureland USA

Our plane landed in sunny Miami on Saturday afternoon. We were so anxious to get to the beach that we failed to say hello to Sue and David, Janis M. and Bruce, Linda and Steve, and Glenda and Jacky who had been waiting for us. Our bus took us to our hotel. The Deaville, which was located right on the beach. We ran up to the room and changed as quickly as possible. Since we were on the fifteenth floor, it seemed to take us forever to reach the bottom. All of us ran out of the elevator and ran to the beach. The tide was just beginning to come in and the waves were huge. We could see them rolling in and then breaking on the shore. While we were swimming we saw Margaret and David Eva and Larry, Kathy and A.D., Kristi and Steve W. and Donna D. and Jack F. They were having a beach party and it looked like they were having a good time. As the sun began to set, this was our signal to come in out of the water. No one is allowed to swim at night because of the sea animals that come up near the shore. We decided to go to bed early because we had a big day ahead of us.

After church on Sunday, we rented a boat to go deep sea fishing. For most of us this was quite an adventure. Our bait was already in the boat so we did not have to go and buy any. Our boat had a glass bottom so we could go below and look at the water. As we went below, we were surprised to see Shari and Gene, Keith Ann and Mike R., Judy and Gary M., Joanne and Don, and Kay and Clayton.

We fished the rest of the day. Only two of us were able to say that we had caught a fish of any size. Most of us just held the fish free of charge. We decided we were not fishermen so we came back to the dock. That night we had a big party in the hotel. Everyone had a wonderful time and hated to leave. Finally at twelve, we broke up and everyone went to bed.

Kenneth Oldham's Ideal Girl

Most Beautiful - Linda Harman
Cutest - Debbie Lynn
Nose - Anita Cameron

Most Likely to Succeed - Arnold Acker

Aunt Mahitabel

Dear Mahitable:
There is a boy in school that I want to go with very much. I have had a date with him before and during school he is very friendly with me and jokes all the time. He will never sk me for a date. What would you suggest?
Wishing

Dear Wishing:
I suggest that you forget him, and go with someone else. He seems to want to be friends with you and nothing else. If he has asked you for a date before, then he knows your phone number and where you live. If he is interested, he knows where to find you, and he will. Until then, keep being friendly to him, but do not chase him.
Aunt Mahitabel

As a consumer, are you using facts which the government has provided to protect you: Do you study the labels before buying—and do the labels provide the information that you need? You can let manufacturers know of changes you would like to see in their product.

AMMO NOTES

by Wm. F. (Bill) Bennett, Agronomist, Western Ammonia Corporation

Understanding soil test results is important in fertilizer use. I plan to start a series in this column on soil test results and what they mean. They oftentimes will tell you more than just fertility needs.

The first result to be discussed is the soil reaction or soil pH. This value tells whether the soil is alkaline, neutral or ac. Almost 100 per cent of our High Plains soils are in the neutral to alkaline range.

Soil pH is usually related to calcium content and texture. Up to pH 7.8 calcium that is present is usually a part of the exchange complex on the clay. At pH 7.9 and above, calcium is usually excessive and is present as free calcium carbonate. The quantity of free calcium carbonate will usually increase up to pH 8.3. Soils at pH 8.2 to 8.3 contain high levels of calcium carbonate and are usually called "caliche" soils.

Availability of phosphorus is related to soil pH. There is a mistaken idea that phosphorus availability is seriously decreased in an alkaline soil with pH 7.0 or above. This is not necessarily true. Phosphorus reversion and fixation is not a serious problem at pH 7.3 and below, however, at pH 7.9 and above, when free calcium carbonate starts to accumulate, this can become a serious problem.

Minor element availability is related to pH in a manner similar to phosphorus. Up to pH 7.8, minor element availability is usually good. pH 7.9 and above, minor element availability is decreased and could be limiting production at pH

8.2 or 8.3. Minor elements most apt to be needed in the High Plains are iron and zinc. Availability of manganese and copper are usually decreased at this high pH, however, little or no response has been noted in this area.

Soil pH can be used as a guide as to whether to band or broadcast phosphorus. Banding will usually give more efficient phosphorus use than will broadcasting on almost any soil, but at pH 7.9 or above it is much more desirable to band the phosphorus fertilizer. Presence of free calcium carbonate will usually determine the importance of banding. Rate, source, time of application and land ownership will also influence whether to band or broadcast phosphorus.

Soil pH and calcium can be used as a guide for determining sulphur need. Many High Plains soils at a pH of 7.8 or below will respond to sulphur. Soils with pH 7.9 or above that contain free calcium carbonate should generally respond to sulphur. Rate, source and method of application will depend on whether you want to reduce soil pH over the entire soil mass or within a small band, for example, with sulphur in your fertilizer solutions. Both dry prilled sulphur and liquid fertilizer sulphur are generally available.

Soil pH will usually increase with time because our irrigation water contains both calcium and magnesium. The quantity is not great but it is sufficient to increase pH very slightly each year.

NEWS FROM BETHEL

Mrs. James Wech returned Saturday from a meeting of the State convention of Home Demonstration Clubs. Mrs. Wech was elected by the County Council to represent this county as was Mrs. Wes Anthony of the Flagg Club and Mrs. R. M. McRee of the Mulkey Club. Rhonda, Sharon and Mark Welch stayed with their grandparents, Mr. and Mrs. C. C. Graef, while their mother was gone to the convention.

The family of Mr. R. M. Dunn of Dimmitt met at his home Friday evening for a supper in honor of his 88th birthday. They were Mr. and Mrs. Ivor Bagwell, Mr. and Mrs. Leland Smith, Mr. and Mrs. Elbert Smith and Dwayne, and Mr. and Mrs. Wesley Smith and Judith.

Mr. and Mrs. Vern Lust, Mr. and Mrs. Earl Lust and Mr. and Mrs. Wes Anthony were Sunday dinner guests of Mrs. Roy Haberer. In the afternoon the group attended the open house at the Southwest Public Service Plant X near Earth.

Mr. and Mrs. Roy Dale Underwood entertained with supper and 42 party Thursday night. Their guests were Mr. and Mrs. Chas. Wales, Mr. and Mrs. Wonald Wright, Mr. and Mrs. Dale Winders, Mr. and Mrs. Jerry Higdon and Mr. and Mrs. George Sides.

Mr. and Mrs. Jack Howell, Mr. and Mrs. Jimmy Howell, John Howell and Mike Bruegel attended the football game at Buffalo Stadium at Canyon Saturday night. Linda Howell, daughter of Mr. and Mrs. Moss Howell, enrolled last week at the West Texas State University at Canyon.

Mr. and Mrs. Norman Finck and Mrs. Joe Finck of Tulla visited the Houston Lusts Sunday afternoon.

Mr. and Mrs. Doyle Underwood and children and Mr. and Mrs. Houston Lust and children attended the 7th and 8th grade football games at Springlake Thursday evening. Rex Lust played on the 7th grade team. Both Dimmitt teams won their games.

A number of families from Bethel attended the open house at the Holly Sugar Plant at Hereford Saturday.

Mr. and Mrs. Elbert Smith and Dwayne and Mr. and Mrs. Leland Smith visited in Amarillo Wednesday.

Albert Sinclair of Salinas, Calif. visited his parents, Mr. and Mrs. Bryan Sinclair. At present, Albert is located at Hereford where he is manager of Bud's lettuce cooling plant.

Mr. and Mrs. Fate Shannon and family were Sunday dinner guests of Mr. and Mrs. Robert Leinen in Dimmitt.

Mr. and Mrs. Houston Lust were honored on their wedding anniversary last week with dinner at the Doyle Underwood home. Also serving as hosts were Mr. and Mrs. Fate Shannon, Mr. and Mrs. Tommy Stanton and Mr. and Mrs. Bob Kay.

Mr. and Mrs. Bryan Sinclair visited the Harry Sinclairs in Plainview Sunday afternoon.

Farm Labor Committee Met With Lynch

Castro County citizens, Judge Raymond Wilson, and Cecil Matthews, will serve as a County Farm Labor Committee and met with Mr. Billy Lynch, Manager of the Texas Employment Commission office, to review the total seasonal employment needs developed by the TEC.

The Committee was presented with the figures of the TEC that Castro County will be short 700 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Castro County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling". The committee consults with the local Office Manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in Post Offices in Dimmitt, Hart, Nazareth in the County Agent's Office, and in the County Courthouse.

1965 Wheat Program Fall Signup Details Modified

Winter wheat growers who sign up this fall to participate in the 1965 wheat program will be able to change their diversion or over-planting intentions any time before the close of the feed grain and wheat program signups next spring.

The Chairman pointed out that the major purpose of prompt sign-up is to qualify a producer for the wheat program's price-support certificate payments. The signup is the first step for participating in the first step or participating in the 1965 wheat program.

Growers of winter wheat who wish to take part in the 1965 wheat program need to file program applications by the Oct. 2 signup deadline. However, Chairman Elder urges growers in winter-wheat areas who seed spring wheat only to sign up now, since the program's modification makes it possible for them to change their cropping intentions later if they so desire.

For 1965, the diversion programs over participating growers the privilege of substituting wheat for feed grains or feed grains for wheat while still qualifying for certain benefits of the two programs. In addition farmers, who elect in advance at their first signup to over-plant their wheat allotment by as much as 50 percent and store the excess wheat under bond and meet certain minimum conservation provisions will still be able to qualify for wheat price-support loans and marketing certificates.

In 1964, participants lost all diversion payments if they did not divert as agreed at signup time. This also will be true for 1965 after the signup deadline next spring. DON'T FORGET THE OCTOBER 2ND SIGNUP DEADLINE.

Brownies, cakes and coffee were served to 14 members by hostesses Barbara Anderson and Martha Wilde. Guests attending were Deanne Day and Beverly Earle. Members present were Mesdames Dickie Holcomb, Bert Jacks, Claudine Langford, Elaine Melton, Linda Minchew, Shirley Goolsby, Ruth Nelson, Beth Odom, Wilma Reeves, Wynonne Snider, Eloise Varner, and Donna Arnold.

EGGS FROM OLDER HENS BEST

Eggs produced by older hens are more valuable for processing into liquid, dried, and frozen products, U. S. Department of Agriculture studies show. The eggs from young hens contain more thick white—preferred for table use. Consumers, producers, and processors, the scientists say, could benefit from these findings. Processed products now absorb about 10 percent of the nation's output of eggs.

This is being done so that winter wheat growers will have the same opportunity as spring wheat and feed grain growers in selecting a grain program and other information available at signup time next spring.

The Chairman pointed out that the major purpose of prompt sign-up is to qualify a producer for the wheat program's price-support certificate payments. The signup is the first step for participating in the first step or participating in the 1965 wheat program.

Growers of winter wheat who wish to take part in the 1965 wheat program need to file program applications by the Oct. 2 signup deadline. However, Chairman Elder urges growers in winter-wheat areas who seed spring wheat only to sign up now, since the program's modification makes it possible for them to change their cropping intentions later if they so desire.

For 1965, the diversion programs over participating growers the privilege of substituting wheat for feed grains or feed grains for wheat while still qualifying for certain benefits of the two programs. In addition farmers, who elect in advance at their first signup to over-plant their wheat allotment by as much as 50 percent and store the excess wheat under bond and meet certain minimum conservation provisions will still be able to qualify for wheat price-support loans and marketing certificates.

Today is '65 Pontiac Day. 1965: The year of the Quick Wide-Tracks

What do we mean by "quick"? Just this: A new-all-over Pontiac offering a new Turbo Hydra-Matic—the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

Fast Low Cost Earth Moving

With an **Everman Hydraulic SCRAPER**

Using your own tractor and the 2 1/2 yard Everman Scraper you can do most earth moving jobs by yourself. Level land for efficient irrigation. Grade fields to improve drainage. Fill gullies and low spots. Build farm roads. Make terraces, grass waterways, reservoirs, ponds, dams, pit silos. The Everman responds instantly to single valve hydraulic control. Loads with low power requirements but with large scraper stability. Hauls at high speed. Front dump permits accurate control of fill. Strong rugged construction.

Increase Yields Per Acre by Finishing Fields with an Everman AUTOMATIC LAND SMOOTHER

With an Everman Smoother and your own tractor you can prepare an ideal seed bed free of back furrows and dead furrows—eliminate low spots and high spots while preparing an ideal base for mechanized farming. Smooth, level fields provide more efficient irrigation, improve surface drainage, stop excessive erosion and help reduce rainfall. Low initial cost. Economical operation. Sizes to fit regular farm tractors.

Buick '65 Buick

We changed the Buick a lot this year. And you may never be the same again yourself.

We doubt you'll want to be the same. Not once you set eyes on our new Buicks. On the Buick Special and the Skylark. The LeSabre, Electra 225, Riviera. And on the sleek, modified fastback of the wild, wilder, Wildcat in the picture. True, there's a new high-style touch. But that's hardly all. Engineering still has the emphasis. It's a Buick tradition. So are the extras Buick spends a little extra on. Like finned brake drums that do a little better. And smoother drivelines. A tuned suspension to smooth ribcage roads. Now add Buick's Super Turbine transmissions—and you have an idea of what Buick owners have always liked about Buick. We think you'll feel the same.

Wouldn't you really rather have a Buick
