111 Army Reserve Units On Notice

WASHINGTON (AP) — The Army is advising 111 Reserve units, none of them of division size, that they may be called to duty as part of the build-up of U. S. conventional forces for meeting any trouble over Berlin.

Most of them probably will be support-type outfits, although there may be some combat units. This alert plan, similar to one announced recently by the Air Force for 71 Air National Guard and Reserve units, followed closely other moves in manpower expansion by the Air Force and Navy.

The Air Force announced Tuesday that it is aiming at adding about 28,000 men to its strength by asking volunteers to continue on duty after reaching normal active duty termination, and by holding others in service if there aren't enough volunteers. There seemed to be no high hope that

the full 28,000 requirement would be met by volunteers. The Navy announced Monday that it will hold on duty 26,800 men whose service otherwise would end before next June 30. Formal announcement of the Army plan apparently was arranged for an afternoon news conference today by Army Secretary Elvis J. Stahr. He also may discuss more precisely how the Army will use the manpower increase and other authority granted by Congress in line with recommendations made by the Defense Department.

So far the Army has made no announcement concerning call-up of either National Guard or Reserve units. Initially, its attention has been turned primarily to preparing for conversion of three training divisions into combat outfits, to bring total combat divisional strength to 17.

The guess was that if the Army decided it needed to tap Reserve

sources for quickly supplying trained units with specially needed skills, it would look for service and support outfits. These categories normally include such specialized outfits as parachute riggers for airborne forces, medical units, signal, engineer, maintenance and artillery.

The Army's original idea about how to use the increased manpower authorized by Congress—up to 133,000—was different from that of the Defense Department. The Army was understood to have submitted a program for using about 63,000 more men to strengthen subdivision size units in several locations here and overseas.

The Defense Department rejected this first plan, on the ground that it would use the added manpower in a dribble form, without amplifying the over-all striking power of the ground forces.

Allies Draft Protest On Border Closure

WASHINGTON (AP)—The United States, Britain and France are drafting a direct protest to Moscow against East Germany's closing of the border between East and West Berlin to cut off the flight of refugees from communism.

Western diplomats said the protest, following formal complaints made in Berlin Tuesday, will go to the Kremlin in the very near future, on a government-to-government level.

Representatives of the three Western powers and West Germany were to meet at the State Department today to work on the draft and to coordinate efforts to develop other measures which may be taken because of the refugee blockade.

Progress on development of the countermeasures, reported to include economic sanctions against East Germany, was slower than had been expected when the work started Monday.

NO STRONG STEPS
Although a wide range of countermeasures was under consideration, top U.S. officials said no strong steps will be taken at this time because the blockade applies to the Communist East rather than to West Berlin.

President Kennedy and Secretary of State Dean Rusk arranged a breakfast conference at the White House early today and though the purpose was not announced, it was assumed they intended to review the Berlin crisis.

Rusk spent about 35 minutes with Kennedy in the President's living quarters. Newsmen had no chance to question him as he left.

The Allied diplomatic planning group was to meet with ass. Secretary of State Foy D. Kohler later in the morning. This same planning committee met late Tuesday with Kohler and West German Ambassador Wilhelm G. Grewe said afterward that "there will be measures" to deal with the situation created by the crackdown on refugees.

DISCUSSED
The Berlin situation was discussed at length by several top administration policy makers in a two-day foreign policy briefing conference for about 700 radio and newspaper editors which ended at the State Department Tuesday.

The list of speakers included Rusk and Kennedy, but the President spoke "off the record," and nothing of the officials' talk could be attributed to them under the rules of the conference.

From various statements made at the conference, however, it is apparent that U.S. officials regard the flight of thousands of East Germans from Communist rule and the closing of the East-West Berlin border as a black eye for the Communist prestige and propaganda all over the world.

The significance of this development is judged to be twofold: 1. It should make easier the task of the United States in putting across to the leaders and peoples of the newly independent countries in Africa and Asia the contention that communism has been a failure in East Germany and that it is not the "wave of the future."

2. At the same time, the whole affair of the refugees may dangerously complicate the problem of trying to negotiate with Soviet Premier Khrushchev a peaceful solution for the broader Berlin crisis in which the refugee problem stands as a single dramatic incident.

Khrushchev's aim in trying to get the Western powers out of West Berlin and give that city a new status is believed here to be the stabilization of the Communist position in East Germany and generally in Eastern Europe.

The United States has already made two public moves in connection with the refugee issue. Rusk, with the approval of Kennedy, issued a statement Sunday denouncing the closing of the border as a violation of East-West agreements which provide that the city of Berlin should have "free circulation" of people.

East-West Reich Frontier Closed

Germans Resent Allied Inaction

BERLIN (AP) — The East German Communists cut down on already limited travel by their own citizens to Western Germany today. It was their most vigorous interference with traffic between the two Germanys since Berlin's new crisis began.

The latest Berlin trouble was generated Sunday by barricades erected against East Berliners going into West Berlin and against West Berliners going east unless they get special permits. Today the clampdown was extended beyond Berlin to the borders between East and West Germany.

West German guards all along the border said the arrival of East Germans at crossing points practically stopped. Freight trains and trucks were permitted to travel in both directions as before, and Westerners going into East Germany were allowed through as long as their papers were in order.

But East Germans on west-bound trains were ordered off at the West German border, even though they had visas and permits issued by Communist authorities.

NO CROSSINGS
At Helmsstedt, chief rail and highway crossing near the middle of the 93-mile border, no East German cars were allowed through after midmorning. No East Germans were on trains crossing the Bavarian border.

The East German government made no announcement concerning the situation. But it threatened Tuesday to put on another blockade like that in 1948-49 if West Germany cuts off East German trade in reprisal for the travel restrictions in Berlin.

Col. Andrei I. Solovyev, commander of Soviet troops in Berlin, has taken no notice of the protest of the three Western commandants Tuesday against the new Iron Curtain across the city.

But he replied to an earlier protest against harassment of East Berlin workers commuting to West Berlin, and told the Western commandants they "cannot be taken seriously."

The Western protest Tuesday said the barricades have turned the city into an armed camp in flagrant violation of Soviet agreements to maintain Berlin as a four-power city.

The Soviet note came as indignation swept West Berlin because of Allied opposition to drastic action against Communist closure of the divided city's border.

INAPPROPRIATE
In a letter to Maj. Gen. Albert Watson II, U.S. commandant in Berlin, Solovyev said: "The attempts of the commandant of the American garrison in Berlin to interfere with measures of the German Democratic Republic are completely inappropriate. These measures are exclusively within the competence of the government of the GDR and serve the rightful interests of the republic and its citizens."

The Soviet colonel said Watson was trying to extend to East Berlin "the out-lived occupation regime artificially supported by the American authorities in West Berlin."

Reports of Western reluctance to counter the Red closure with economic reprisals came in the wake of an East German threat to repeat the 1948-49 blockade.

Tearful Refugee
Escape to West Berlin from the Communist east is a joyful occasion for most refugees. This youngster found the surroundings at West Berlin's Marienfelde refugee camp a strange and upsetting experience. The weeping boy and his parents managed to get out of the Soviet zone despite the Red clampdown.

Dr. Schoch, Noted Chemist, Dies At 89

AUSTIN (AP)—Dr. Eugene P. Schoch, 89, who served on the University of Texas chemistry and chemical engineering faculties from 1897 to 1954, died Tuesday night at his home.

Services will be held here at 10 a.m. Thursday. Known to many as the university's "grand old man of chemical engineering," Schoch was best known for his process to convert petroleum gases into acetylene by electrical discharge. He also perfected a method of providing Texas with a new fuel, a specifically treated lignite.

He also was called the father of the university's Langhorn Band. As a young chemistry instructor in 1890, he bought the first band instruments from a local pawnshop for \$165 and nursed the fledgling band through its first 19 years.

Schoch was born in 1871 in Berlin, Germany. He came to Texas at the age of nine and was reared in Boerne and San Antonio. In 1894 he became the first civil engineering student to graduate from the university.

Schoch married Miss Clara Gerhard in 1902. She died in 1956. Survivors include two sons, Dr. Arthur G. Schoch of Dallas and Dr. Eugene P. Schoch Jr. of Austin; and a daughter, Mrs. Ben R. Eppright of Austin.

Probe Charges Are Denied

MARSHALL, Tex. (AP)—A vigorous denial of House General Investigating Committee charges concerning financing of the Marshall sit-in costs by the National Association for the Advancement of Colored People was issued today by Dr. T. W. Cole Sr., president of Wiley College.

Cole described as "wholly untrue" charges made by the committee that the NAACP delivered \$35,000 in currency to him to pay the cost of fines assessed Negro student demonstrators.

Loan Program Is Due Another Test

WASHINGTON (AP) — President Kennedy's five-year foreign development loan program, altered but intact, today runs into another Senate effort to change it.

Sen. John J. Williams, R-Del., wants to add an anti-usury amendment to the program. Williams asked the Senate to adopt a proposal under which money made available by the United States—at rates as low as one per cent, and even interest-free—could not be loaned at rates higher than eight per cent.

The Senate turned to consideration of Williams' proposal after an attempt to cut Kennedy's request-

ed borrowing authority for the five-year loan program from \$8.8 billion to \$7.3 billion lost on a 46-46 tie vote.

This vote was still subject to a motion to reconsider. But the Senate's Democratic leaders said they were confident they would pick up additional support if there is another vote on the amendment.

Sen. J. William Fulbright, D-Ark., floor manager of the bill, for example, was absent from the Chamber when the tie vote was taken.

The amendment, sponsored by Sen. Frank J. Lausche, D-Ohio, would have slashed the development loan requests by \$27 million this year and by \$300 million for each of the succeeding four years.

But the Senate did vote, 52 to 44, to give Congress a veto power over any loan over \$5 million. Offered by Sen. Everett M. Dirksen of Illinois, the Republican leader, and accepted by Fulbright, the amendment would give four congressional committees a 30-day advance look at any proposed loan above that amount.

Any of the four committees—the Senate and House Foreign Relations and Appropriations Committees—would be empowered to ask Congress to kill any loan to which they objected.

Next Draft Call To Be Higher

The Selective Service Board in Big Spring has been instructed to call up 13 men for induction into the armed forces in September, Mrs. Louise Nuckolls, chief clerk, announced today.

The board also has been assigned to send 30 men for pre-induction physical examination in September. This is five under the number sent in August.

The 13 to be inducted is more than double the five who were sent up in August and is by far the largest number to be ordered into uniform by the local office since January 1955.

Mrs. Nuckolls said that her instructions are to send seven men into the services on Sept. 20 and the other six on Sept. 28. She does not know why the group was divided into two sections.

In view of the general increase nationally in the number of men being called by the Selective Service, the 30 instructed to be summoned for pre-induction medicals is less than was anticipated.

Mrs. Nuckolls said the only explanation that she could see for the smaller quota was that more of the 35 sent for such examinations in August passed than was anticipated.

Dawson Gins First Bale

LAMESA (SC)—The first bale of cotton ginned in Dawson County by this year, also believed to be the earliest bale ever ginned in the history of the South Plains, came off the presses at 7:50 a.m. today.

It is the first bale ginned from the South Plains this year. The 500-pound bale was produced by W. G. Bennett, who farms three miles east of Lamesa and at the Grandview Community. It was hauled pulled from 40 acres east of Lamesa. The seed was planted April 17.

There is a \$250 premium being offered by the Lamesa Chamber of Commerce, but the cotton has not been sold yet. Some 2,900 pounds of lint was also produced. Production was from dry land acreage. Bennett farms 590 acres, 272 of which is cotton and the rest maize. He has 150 acres of cotton under irrigation.

Practice Held

NEWBURGH, N.Y. (AP) — Enemy bombers and intercontinental ballistic missiles theoretically were over 10 million square miles of North America Tuesday night in a six-hour test of electronic facilities.

State Files Anti-Trust Suit In School Bus Case

AUSTIN (AP)—Atty. Gen. Will Wilson today filed an anti-trust suit accusing 16 Texas firms and individuals of rigging bids in the sale of school buses.

Wilson said some 5,100 buses costing \$23 million are involved. The attorney general's suit asks 26th District Court Judge D. B. Wood of Georgetown to halt further transactions by the defendants and to assess penalties of up to \$3.6 million against each of them. It covers a period from Jan. 1, 1955, to Aug. 16, 1961.

The civil suit is an outgrowth of an inquiry into school bus purchases by the State Board of Control. The probe started in June and included courts of inquiry in Dallas and Austin. Named in the attorney general's petition are Ray Cowan, Gordon K. Allen Co., Austin Sales Co. Inc., Commercial Body Corporation, Superior Coach Sales of Texas, Inc., the Texacoach Co., Transportation Equipment Sales Co., Inc., Hurst Bus Sales Co., Phil Hudson and Hudson Body Co., Gordon K. Allen, Jack G.

Fisk, Harold Grist, S. Gordon Shreffler, Fred Stroud, R. H. Bentley and J. K. Hurst. Cowan, Austin Sales Co., Texacoach, Transportation Equipment Sales Co., Hurst and the Hurst Bus Sales Co., Fisk, Stroud and Bentley are of Austin; Allen, Gordon K. Allen Co., Superior Coach Sales, Hudson, the Hudson Body Co., and Shreffler are of Dallas, and Commercial Body Corp., and Grist are of San Antonio.

The petition alleges that since about Jan. 1, 1955, the defendants and others "have combined their capital, skill and acts in the sale and marketing of school buses in the State of Texas," (1) to restrict the sale of the school buses, (2) to "fix, maintain and increase the price at which school buses are sold in the State of Texas," (3) to prevent and lessen competition and (4) to abstain from engaging in the sale of buses whose bodies are not manufactured by any company other than "the one with which each defendant had a distribution contract."

County GOP Parley Set This Evening

A meeting of Howard County Republicans has been called for 7:30 p.m. today in the conference room of the Chamber of Commerce.

Ralph Hughes, county chairman, said that the object of the meeting was to discuss a slate of officers for Republican primaries. The GOP plans to put up a full slate of officers next summer when it will hold its first primary in the county. Previously, when candidates were nominated it was by convention. For one thing, Hughes hopes that steps will be taken for creation of an executive committee to help operate the party machinery. Monday Hughes served notice to the commissioners court of the GOP's plans to hold its own primaries in 1962 and asked for use of public facilities.

African Nationalist Wins Election

BLANTYRE, Nyasaland (AP)—Nyasaland's African nationalist hero, Dr. Hastings Banda, swept to undisputed leadership today of the little British protectorate in Central Africa with an overwhelming but expected victory in the territory's first general election.

Banda's Malawi Party Congress, supported by some 80,000 mainly illiterate African voters, crushed 22 of the opposition and gained most of the 28 seats at stake in the new legislative council.

The United Federal Party of Sir Roy Welensky, prime minister of the white-dominated Federation of Rhodesia and Nyasaland, had won five seats and the independents one.

Windmill Satellite Goes Up To Measure Magnetism

CAPE CANAVERAL, Fla. (AP) — A new robot observer sped through far reaches of space today to find out just what kind of sailing for astronauts is created when the solar winds of radiation blow over earth's magnetic fields.

Eleven hours after the launching of the "Windmill" scientific package from this missile test center Tuesday night, officials of the National Aeronautics and Space Administration reported on the basis of radio signals that the satellite experiment "looks good."

NASA scientists, however, reserved final judgment. That was because the elongated orbit—perhaps well beyond 54,000 miles out at the far point—would take so long that second-pass readings would be late. Those would show whether orbit was achieved, and the shape of the path. The space traveler had been tracked by six observation stations, at Johannesburg, South Africa; Ascension Island; Santiago and Antofagasta, Chile; Lima, Peru; and Woomera, Australia. Named Explorer XII, the package is expected to test scientists

NAACP Official Sees No Conflict With Injunction

DALLAS (AP)—A top NAACP official said Tuesday he could see no conflict between the organization's activities in the Marshall sit-in demonstrations and a 1957 court injunction.

The injunction issued by a Smith County district judge forbade the NAACP "from encouraging or financing law suits in which it has no direct interest."

Clarence A. Laws, field secretary for the NAACP in Dallas, said that "lawyers will have to decide" whether his organization has violated the Tyler injunction.

"If, however, a person feels that his constitutional rights are being abridged and if he seeks counsel from the NAACP then the NAACP, being concerned with removing racial inequalities, becomes concerned in his situation," Laws said.

This was the case, he said, when NAACP attorneys agreed to represent Marshall Negro college students involved in last year's sit-in demonstrations there.

"They were retained by the students concerned and their rela-

tions, as far as I know, were that of any counselor and his client." He branded as "fantastic" a charge that the Rev. S. Y. Nixon, state president of the NAACP, telephoned him relative to delivering \$35,000 with which to pay fines charged the Marshall students.

The House General Investigating Committee has said in Austin the NAACP supplied \$35,000 for payment of fines.

Highway Dept. Lets Contracts

AUSTIN (AP) — The Highway Department today concludes letting bids on projects covering 174 miles of U.S. and state highways and 180 farm roads.

Tuesday the department received low bids totalling \$9,437,750. Projects included: Ector, Midland-U.S. 80, structures and surfacing, 13.9 miles, in Odessa to west city limits of Midland. Collins Construction Co. of Texas, Austin, \$189,441.

Fast
Master Tara Singh, 76-year-old leader of India's Sikh religious community, began a fast inside the Sikh's golden temple at Amritsar. Singh vowed to continue the fast until death or until the government grants the Sikh demands for a state of their own in India.

**Triple Water Spouts**

Three of the eight water spouts that dipped from a thunderstorm off Galveston beach in the Gulf of Mexico appeared at the same time. The spouts—tornadoes over water—did no damage although one came to within 150 yards of the shore. An estimated 10,000 beach visitors watched in frightened awe during the half-hour demonstration. (AP Wirephoto).

**Boost In Payrolls Puts U.S. Income At New High**

WASHINGTON (AP)—The government said today a July boost in payrolls pushed the total personal income of individual Americans to another all-time high. The Commerce Department said personal income last month hit an annual rate of \$419.2 billion — an increase of \$1.9 billion over June. Not counted in this calculation was a \$21.8-million special dividend paid on veterans life insurance policies. This was the second prosperity report in as many days. The Federal Reserve Board said Tuesday that industrial production last month had capped a five-month rise by exceeding, for the first time, its precession high. The board's production index increased from 119 in June to 112 in July. The previous peak was 111 in January, 1960. In this index, 100 represents average output in 1957. Of the increase in personal income, \$1.8 billion was accounted for by increased wage and salary payments. One-third of the gain was in manufacturing, another third in service industries, and the remainder in construction, trade, transportation and government.

**Man Jailed For Failure To Pay Child Support**

Louis Johnson, held by Judge Ralph Caton, 118th District Court, to be in contempt of court, has been placed in the Howard County jail. Judge Caton ordered Johnson imprisoned until he squares up a back balance of \$1,590 plus court costs. The \$1,590, the court ruled, is due to Charis Mae Johnson, Louis' ex-wife. The court, at the time the Johnsons were divorced ordered Louis to pay a total of \$60 a month for the support of his six minor children. Records showed he was more than 24 months or \$1,590 in arrears.

**U.S. Can Start Airlift Quickly**

WASHINGTON (AP) — Sen. Richard B. Russell, D-Ga., said today that if the Communists blockade West Berlin, the United States has the capability to start an airlift within 24 hours, should a move be decided on as a countermeasure. But Russell, chairman of the Senate Armed Services Committee, made it clear that he does not believe there will be a blockade. He gave no indication as to whether he thinks the administration might order an air lift in the event of a Berlin blockade. The Communists Tuesday night threatened to blockade Berlin as they did in 1948-49 if the Bonn government puts an economic pinch on East Germany. The West German government had been reported considering a trade embargo after the Communists blocked the flight of East German refugees. But Washington and London reportedly oppose any drastic West German action at this time, and the government of Chancellor Konrad Adenauer has said it would act only in accord with its Allies.

one by one the things it wants. He said he views the current Berlin crisis as part of this strategy. As he sees it, Russell said, Khrushchev "hopes without a war to get one by one things which, if he tried them all at once, would precipitate a war." And because of this strategy, Russell said, he doubts the Communists will attempt at this time to blockade West Berlin—a city surrounded by Communist East Germany. **Price-Cutting** HOUSTON (AP) — Price-cutting by large liquor dealers is running small retailers out of business, a witness told a federal grand jury here. Albin Pryblek, executive secretary of the Houston Package Stores Association, was testifying Tuesday in the probe of alleged anti-trust violations in the Texas liquor business. The government subpoenaed Pryblek to produce books and records of the South Texas Package Store Association, which, he said, is being dissolved.

**KHEM Wins Story Award**

Radio station KHEM has been awarded first place in the feature story class by the Texas Associated Press Broadcasters Association. The citation, given Saturday evening at the concluding session of the 14th annual convention held at Odessa, was for the story about the revealing of the name of the unknown friend (Nat Shick) who had sent a red rose each Sunday to Dr. P. D. O'Brien, who Aug. 1 retired as pastor. KCRS, Midland, won the outstanding story award, for the account of how a father killed his four children and then became a suicide. The station also won first places in 5-minute and 15-minute programming, and for consistent protection of the Associated Press.

**Bond Issue Fails**

MARLIN, Tex. (AP)—A \$100,000 municipal bond issue failed to pass 227 to 214 in a special election Tuesday. The bonds would have financed a new city hall. The present city hall is more than 100 years old.

**CROSSING THE RED SEA**  
By T. H. Tarbet, preacher, Church of Christ, West Hwy. 80 P.O. Box 1281.

At 8 o'clock tonight in the open-air revival, the sermon will be on the Red Sea to heaven, without the loss of one! Hear this timely lesson, also take part in the question period at the end if you like. You will not be asked to take our word for anything. You will be given Scripture for everything; so that you can check it by your own Bible. If what you hear is true according to the Bible, accept it; if not, reject it; and come and show us what is wrong that we may reject it too. In connection with tonight's sermon, read Genesis 14 and I Corinthians 10: 1-13.

**OPEN-AIR REVIVAL**  
At the corner of the Old San Angelo Road and Connally, about one half mile west of the city pary, a revival is in progress this week for the benefit of all who will come. T. H. Tarbet of the Church of Christ, West Highway 80 is the speaker. Welcome. —Adv.

Greeted In Tokyo

Anastas I. Mikoyan, Soviet first deputy premier and highest ranking Soviet official ever to visit Japan, is greeted with flowers by the daughter of a Russian embassy official. Mikoyan embraced the girl and kissed her on the cheek.

### Scenic Park Draws Over 9,400 Visitors In July

A. B. Cramer, manager of Big Spring State Park on Scenic Mountain, reports that in July approximately 9,400 persons visited the spot to picnic, take pictures and get a panoramic view of Big Spring.

Picnickers and sightseers were the greatest in number, totaling around 9,300. Number of cars that motored around Scenic came to 4,200. There were almost 150 campers in the park during the month.

Cramer says that a large number of people utilize the pavilion and other locations on the top of the mountain for picnics. Water and tables are available at the pavilion site, along with swings and other recreational facilities for the children.

The only way of getting a count on the number of visitors, Cramer states, is to check with the cars which come around.

"Usually, there are at least two persons to a car," he says. The manager hopes to gain rest room facilities, a trailer park and three or four camping cabins in future years to add to the attraction of the park.

Major problem in the area is

vandalism. Cramer reports that vandals often tear down signs and shoot out light bulbs. Also, there is some problem with speeders and with cars running off the mountain.

Cramer, who has been manager for one year, maintains and patrols the area.

## Kennedy Rules Out Nuclear Tests

WASHINGTON (AP)—President Kennedy is reported to have decided against any resumption of nuclear testing this year, regardless of whether the Russians demonstrate at Geneva they want no foolproof agreement.

The President's position, as outlined to congressional leaders, is that the United States should do nothing to prejudice the case it expects to make in the United Nations that the West is ready to accept a self-enforcing ban while the Russians insist on an inspection veto.

Kennedy is sending his chief negotiator, Arthur H. Dean, back to Geneva next week to find out if the Soviet Union is still sticking to its troika demand for unanimous three-power inspection control. If they are, he said, Dean will come home quickly.

There is little, if any, hope within the administration that Moscow will change its position. Accordingly, the plan is to dramatize this last-chance rejection when the U.S. General Assembly meets in September.

The U.N. timetable usually keeps it in session until December. Kennedy is represented as reluctant to announce any resumption of tests while the international organization remains in session.

There is the additional factor in this reported decision that it would take a couple of months to prepare a test shot if a presidential go-ahead is given.

The general opinion within the

administration is that the United States would lose little advantage by waiting a few more months before it moves into the field of perfecting types of smaller-scale nuclear weapons.

This is contrary to the way Republican congressional leaders view the matter.

Senate Minority Leader Everett M. Dirksen of Illinois and House Minority Leader Charles A. Halleck of Indiana called at a news conference Tuesday for resumption of testing. They said stalled negotiations with the Russians should not be permitted to "sandbag the nation's safety."

#### BETTER SHINE FOR ALL FLOORS

The New Seal Gloss clear floor finish is for vinyl and all hard surface floors. Seal Gloss contains "Acrylic" the same wonder working chemical used in the new auto finishes to eliminate waxing. A clear high gloss finish which does not yellow, it is slip resistant and ends water spotting. Easy to apply, Seal Gloss protects color and lasts for months.

A SELF-WINDING WATER-RESISTANT WATCH OF EXCEPTIONAL QUALITY

Seamaster<sup>®</sup> Ω  
by OMEGA

WE PROUDLY offer our finest automatic, water-resistant watch. The secret is in its impregnable "shield of armor". An ingeniously sealed case protects the superbly accurate 17-jewel movement inside from hazards of shock, perspiration, and magnetism. Its steel-rimmed, non-breakable crystal expands and contracts with temperature changes. The Hermetic crown and Hydro-Seal back repel all moisture, grime and water. You will be proud to wear an Omega Seamaster.

Omega is the Official Watch of the International Olympic Games

In stainless steel and precious gold, from \$100 to \$200. With date indicators, from \$110. 18K gold raised hour-markers, and luminous dots.

Tiny Andean Village Site For American Experiment

EDITOR NOTE - There are plenty of problems on Colombia's countryside for the Peace Corps to tackle, including poor health standards, low production and general poverty. And the Colombians in those areas say, the American know-how will be welcome. This is the second of four articles on countries where the corps is due shortly.

By JAMES C. DEWEY BOGOTA, Colombia (AP) - Tucked away in a corner of Andean backlands is rural Cuatro Esquinas—onetime bustling stop-over for muleskinners and today one of several Colombian villages under consideration for an experiment in American idealism.

Corpsmen will get \$150 a month for living expenses in Colombia, plus a \$75 monthly allowance which will be banked in the United States and available only on separation. They will get 30 paid leave days a year.

Commie Advisor Proposal Downed

PUNTA DEL ESTE, Uruguay (AP)—Cuban economic czar Ernesto Guevara tried to open the door today to Communist advisers for President Kennedy's \$20-billion Alliance for Progress but ran into a stone wall.

WHAT THEY'LL DO
Together with similarly trained young Colombians, they will drill wells, install water and sewage pipe lines, help build schools, gardens, roads, sanitary facilities, organize youth clubs, develop health programs, and introduce more efficient farm production methods.

Hot Hare
Proof of the hot Texas sun in summertime is furnished by this jack rabbit who found a tiny spot of shade from a fire hydrant on Bergstrom Air Force Base at Austin.

LANGUAGE
The Peace Corpsmen should have no language difficulties. All the Colombian volunteers either have a good background in Spanish or a high language aptitude. They have been given intensive language training.

# Flower Show Plans Made By Garden Club

Members of the After Five Garden Club made plans for the fall flower show at their meeting Tuesday evening at the home of Bessie Love, cohostess for the meeting was Mrs. Joe Peay.

Appointed to represent the club on the table arrangements com-

mittee for the show was Mrs. J. E. Smith. The exhibit is scheduled for Oct. 28 at the Howard County Junior College gymnasium.

Other members on the committee are Mrs. Charles Porch, Mrs. Carroll Cannon and Mrs. Don Kenner.

Other committees and members are: rock garden—Mrs. Joe Peay and Mrs. Harold Bell; patio and driveway—Mrs. J. E. Parker and Mrs. Leslie McNeese; shrubs and trees—Miss Love, Mrs. Tom Ivy and Mrs. Perry Chandler; fence and grass—Mrs. Mike Brooks and Mrs. J. E. Parker; dollhouse—Mrs. Edward Shive.

Mrs. Gene Chandler reported for the Council of Big Spring Garden Clubs and announced that the theme of the fall show will be "Cities of America in Bloom."

Guest speaker at the meeting was Mrs. Dale Smith, national flower show judge, who spoke on "New Trends in Flower Arranging."

Mrs. C. L. McIntosh was re-

nized as a new member. A guest was Mrs. John Balch, member of the Big Spring Garden Club.

Theme for the Sept. 19 meeting, to be in the home of Mrs. Harold Bell, 2402 Alendale Road, will be "Tips for the Flower Show."

## Mrs. King Heads WMS At Knott

At a meeting of the First Baptist WMS, Knott, Tuesday afternoon at the church, Mrs. Vernon King was elected president; Mrs. Gene Haston will be vice president.

Selected secretary-treasurer was Mrs. L. C. Mathies. Mrs. J. E. Peugh will serve as program chairman; Mrs. Larry Shaw, mission study, and Mrs. V. L. Jones, prayer chairman.

Community mission chairmen will be Mrs. Jones and Mrs. W. N. Irwin, and Mrs. Alton Free will be social chairman. V. L. Jones will be in charge of the Royal Ambassadors, while Mrs. L. O. Free will direct the Girls Auxiliary.

Mrs. Haston will be director of the primary Sunbeams.

A program in recognition of the 75th birthday anniversary of the Sunbeams was presented for the group in the form of tableaux depicting the various activities of the organization. Mrs. Haston served as commentator for the living pictures.

The birthday theme was completed with a cake and singing by the youngsters.

## WMS Program Given By Sunbeams

A program for the Westside Baptist WMS was presented Tuesday afternoon by members of the Sunbeam Band of Airport Baptist Church when the group met at the church.

Mrs. H. E. Brown told of the work of the Sunbeams, and the youngsters gave a program of songs, accompanied by Mrs. R. P. Morton. Mrs. Jake Tranham read the prayer calendar.

Refreshments were served to 36.

## Bernards Return From Weekend Trip

Mr. and Mrs. Frank Bernard accompanied their daughter and her family, Mr. and Mrs. Dale Fryar, Kevin and Mike, to Greenville the past weekend. There they visited with the Bernards' son and family, the Rev. and Mrs. H. G. Bernard and Ricky.

On their return the group stopped at the new amusement park between Dallas and Fort Worth, Six Flags Over Texas.

## Rebekahs Plan Activities For Association; Members Honored

Rebekah Lodges met Tuesday evening in their respective halls for varied types of activities; one group entertained visitors from the Odessa-Goldsmith lodge; another honored two members.

**BIG SPRING REBEKAHS**

Here to make plans for the entertainment of the West Texas Association, Oct. 14, were members of the Odessa-Goldsmith Rebekahs, who visited the Big Spring Rebekah Lodge.

Included in the group were Mr. and Mrs. Carl Andress, Mr. and Mrs. Henry McIntyre and Mrs. Maude Justice; Mr. and Mrs. Jim Harmon of Moody were guests.

Thirty-six were present to hear a report given by Mrs. Henry Roger on the secretaries school which she attended during the weekend in Abilene.

**JOHN A. KEE**

At a meeting of the John A.

## Shower Given For Betrothed

A miscellaneous wedding shower was given Tuesday evening at Sand Springs honoring Rita Herbert, bride-elect of Curtis Allen.

The couple will marry in the Sand Springs Baptist Church, Aug. 18.

Hostesses for the shower were Mrs. Tommy Marvin and Mrs. J. L. Herron; the affair was held at the home of Mrs. Marvin.

The honoree was presented with set of lamps and a white shower book with her name imprinted.

The serving table was covered with a lace cloth and set with candies in blue holders and bride and groom figurines at each end.

Refreshments were served to approximately 20 guests.

## Stewarts' Guest

Recent guests in the home of Mr. and Mrs. L. I. Stewart, East Highway 30, have been Mr. and Mrs. Paul Kincaid of Abilene; Mr. and Mrs. Lloyd Hearn of Idalia; Mr. and Mrs. J. L. Stewart and grandsons, David and Jerry Hal Wilson, of Godley.

## Visit Grandparents

JoLynn and Nancy Snyder, daughters of Maj. and Mrs. Frank Snyder, 23 Albrook, left Tuesday for Breckenridge where they will visit their grandparents, Mr. and Mrs. R. E. Hood.

## Sock Hop Planned

The Youth Center at Webb AFB has slated a sock hop and wiener roast for Saturday evening. Guests will be entertained from 7 p.m. to 11 p.m.

## Members Host Circles

Members of the First Presbyterian Women of the Church met as circles in the homes of members Monday afternoon and evening. Programs and diversions were varied.

**CIRCLES COMBINE**

Mrs. Dewey Martyn was hostess to a combined meeting of the Ruth and King's Daughters Circles Monday afternoon in her home.

The opening prayer was offered by Mrs. Sam Baker, with Mrs. Jack Wilcox bringing a discussion of the topic, "Evangelism."

Mrs. Arthur Pickle presented the Bible study based on "I Have Learned a Secret" from the book of Philippians; she also dismissed the group with prayer.

**FRIENDSHIP CIRCLE**

Fifteen members of the Friendship Circle gathered in the home of Mrs. Lee Porter for a covered dish supper Monday evening with Mrs. Annie Hardy introduced as a new member.

Mrs. Glen Guthrie presented the devotion, and the Bible study was brought Mrs. Margaret Pitts.

Mrs. Larson Lloyd joined the group as a guest.

Mrs. James Little brought the Bible study for members of the Dorcas Circle Monday afternoon at the church. Mrs. W. G. Wilson Jr. led the discussion of "Evangelism" for the six attending.

## Sunbeam Program

As a salute to the 75th birthday anniversary of Sunbeams, members of the Forsan Baptist WMS heard a program given by the local group Monday evening. Mrs. N. C. Cholders directed the program presented by the young people, and the birthday song was sung for them. The affair was given at the church.

## Henrys Have Guests

Guests in the home of Mr. and Mrs. W. B. Henry, 308 E. 29th, have been Mr. and Mrs. Lee Henry of Abilene and Mr. and Mrs. John Henry of Colorado City.

## Birthday Party

Mr. and Mrs. Dan Dawson hosted a birthday party for their two-year-old son, Dan, Friday, at 1512 Eleventh Place. Thirteen guests were present, and cake and punch were served.

MRS. HERMAN H. HUDSON

## Local Girl Is Wed In N. Mexico

Marion Harrison became the bride of Herman H. Hudson at 5:30 p.m. Tuesday, in the First Baptist Church, Carlbad, N. M., with the Rev. C. C. Meadows, minister, officiating for the double ring ceremony.

Parents of the bride are Mr. and Mrs. J. B. Harrison, 1104 E. 4th; his parents are Mr. and Mrs. M. M. Hudson of Pensacola, Fla.

Mrs. Jimmie Shoultz, sister of the bride, was her only attendant. Best man was Leland Caffey of Seminole.

The new Mrs. Hudson is a Big Spring High School graduate and attended Howard County Junior College, she received her B.S. degree from Sul Ross State College.

Hudson graduated from Pensacola High School and attended the University of Arizona; he received his B.S. degree from Sul Ross.

After a wedding trip to Colorado, the couple will make their home at 1303 West McKay, Carlbad, N. M., where they are teachers in the city schools.

## Cosden Group Plans Socials

At the meeting of the Cosden Women's Association Tuesday evening, Mrs. Carlisle Robison, project chairman, announced a domino tournament for all Cosden members to begin Sept. 12 and run eight weeks. A 25 cent charge for each participant will be asked.

While the tournament is being played, there will be bridge and other card games for the women. Members met at the club for dinner with hostesses Mrs. Bill Davis and Mrs. Dudley Chambers.

Mrs. Gene Eads will conduct a Trim and Fit course at the club for six weeks beginning Oct. 13. Charge will be \$1 for members and \$2 for non-members. She will include modeling and makeup techniques in the course.

Mrs. R. R. McEwen Jr. will

start beginners bridge lessons Nov. 7. Charge will be \$1 per person plus the purchase of a bridge book.

Oct. 25 has been set tentatively for the beginning of dance lessons to be conducted by Mrs. Edmond F. Burson. These will be for teen-agers and adults and the charge will be \$1.50 per couple per lesson.

Mrs. Robison announced that plans are under way for a Harvest Festival at the club one evening in October.

Mrs. Bill Davis, entertainment chairman, announced that the Euel Box Quintet will play for a teen-age dance Friday evening at a cost of \$1 for a stag and \$1.50 for couples.

Saturday evening, the Quintet will play for an adult dance at \$2.00 per couple. Breakfast will be served for a small fee following the Saturday dance.

"La Fiesta de Septiembre" will be the title of the buffet and dance Sept. 16, with a Mexican dinner served preceding the dance. Jess Gayer's band will play, and members are being asked to dress in Mexican costumes.

There will be a formal Christmas dance Dec. 9 with music by Chuck Cabot's orchestra. Breakfast will be served following the dance.

Eighteen attended.

## Melons, Fruits Make Good Eating In Hot Weather

Folks who enjoy watermelon seldom had it so good. Texas supplies are liberal, quality excellent and prices extremely low.

The same is true with cantaloupes, to only a slightly less degree, the Agriculture Department Marketing Service says.

Recent hot weather has curtailed local supplies of several fresh fruits and vegetables in many Texas areas, but shipments continue heavy.

These vegetables, especially, are abundant at best-buy prices: Cabbage, carrots, celery, corn, eggplant, lettuce, okra, field peas, potatoes of all kinds, sweet potatoes and tomatoes.

Snappeans, lettuce and sweet potatoes are lower priced than last week. Cucumbers and onions have higher trends but this can be reversed quickly if shipments increase.

Several fruits are in good supply. These include peaches from California. Watch for Colorado and Kansas peaches, soon. Other good buys this week are avocados, bananas, grapes, lemons, nectarines, plums and strawberries.

Many stores feature turkeys and broiler-fryers at attractive prices. Beef and lamb are in good supply. Shrimp, tuna and other seafoods are abundant. Eggs are at moderate prices.

## Parties Continue For Mrs. Don Eisenhart

Another in the series of farewell parties for Mrs. Donald Eisenhart brought friends together Tuesday morning in the home of Mrs. Henry Victor.

Mrs. Eisenhart will leave soon for San Antonio, where Col. Eisenhart will be stationed.

Hostesses with Mrs. Victor were Mrs. Clifton Bray, Mrs. Frank Shearin and Mrs. Frank Snyder. Assisting with the house party duties were Mrs. William Head, Mrs. D. W. Pendergrast, Mrs. Leonard Einstein, Mrs. Jack Holt,

Mrs. B. V. Pearson, Mrs. Jack Price, Mrs. Max Zweifel and Mrs. R. A. Weimer, all of whom alternated at pouring coffee.

On a table laid in cutwork linen, natural color, was a silver bowl of fresh fruit, with two silver figurines; silver appointments were used for the tidbits and confections accompanying the coffee.

To the honoree, the hostesses presented an orchid in corsage; a special guest was Mrs. Wilson Banks.

## New Members Added By Airport HD Club

Four new members were added to the roster of the Airport Home Demonstration Club Tuesday afternoon in the home of Mrs. Ma Mae Dunning.

They are Mrs. Jim Millican, Mrs. C. Thornton, Mrs. E. G. Posey and Mrs. C. G. Renfro. Mrs. J. W. Payne was present as a guest.

Members named their favorite television star as a roll call, and Mrs. Dunning gave the invocation. A report on the state convention, held in San Angelo, Aug. 9-10, was presented by Mrs. Vern Vigar. Mrs. Earnest Miller gave a demonstration of making and arranging plastic flowers.

It was announced that Mrs. Delaine Crawford, HD agent, will present the program at the next meeting, slated for Sept. 5, in the home of Mrs. T. A. Welch, 306 Harding. Mrs. Crawford will discuss the making of draperies for the group.

The special prize was awarded to Mrs. Bill Bunn.

## Social For Club

Mrs. O. D. Engle was hostess for a social meeting of the Fairview Home Demonstration Club Tuesday afternoon, with 12 members present; Ginger Adams was a guest. The next meeting was announced for Sept. 5, in the home of Mrs. H. S. Hanson, Rt. 1, at 2 p.m.

## Easy Way to Kill Ants and Roaches

**JOHNSTON'S NO-ROACH:** Simply brush Johnston's No-Roach on baseboards and cabinets to control cockroaches. Brush the colorless, odorless liquid on window and door sills to stop ants. Stays effective for months. No need to move dishes, or breathe harmful sprays. Remember: No-Roach means no roaches. 5 oz. 89¢; pt. 1.59.

# Coahoma 'Dogs May Be A Running Team

COAHOMA — Thirty-two boys are undergoing late afternoon football workouts daily at Coahoma High School.

Most area teams are working twice a day until school starts but the Coahoma mentor, James Spann, said he thought the summer heat might do more harm than good to the players and he didn't want to run the risk of having his boys grow stale before the campaign begins.

"We have three weeks in which to get ready," Spann said earlier this week. "We should have no trouble running into shape before our first game."

Coahoma was hit hard by graduation, especially in the backfield. However, the team came on fast toward the end of last season and Spann said, "I might be better than everybody thought."

The Bulldogs, who compete in District 6-A, could be primarily a running team although Ronnie Lindsey, likely the club's first quarterback, can throw the long ball.

Frank Firenze, a 135-pound senior halfback, is the club's fastest boy. In fact, he was the best track sprinter in the district last spring. He didn't play varsity ball last year because he transferred in from McGargie.

Spann, who begins his fourth season here in September, will build his club around eight lettermen. They are:

Weldon Self, 175-pound guard, sophomore, one-year letterman.  
Ronnie Cunningham, 175-pound center, junior, two-year letterman.  
Maurice Cutright, 200-pound end, junior, one-year letterman.  
Jimmy Mays, 140-pound end, junior, one-year letterman.  
Billy Ford, 165-pound guard, senior, two-year letterman.  
Donnie Head, 135-pound halfback, senior, one-year letterman.  
Ronnie Lindsey, 160-pound quarterback, senior, one-year letterman.  
Bill Turner, 165-pound tackle, junior, two-year letterman.  
Duane Fraser, who might develop well enough to play first string quarterback, is also back. Fraser broke his arm during the initial day of practice last year and was used sparingly during the last part of the season. He weighs 165 pounds and is a sophomore.

JIMMY SPANN

# Bengals Still Very Much In Race After Two Wins

By ED WILKS  
Associated Press Sports Writer

If anyone scratched Detroit from the American League race, forget it. The Tigers look like they mean to stay close enough to pounce on their first pennant in 16 years in their final two showdown encounters with the first place New York Yankees.

Fact is, if the bounce-back Tigers can keep it up, it might be the Yankees who are scrambling to get back on top when they meet again Sept. 1-3 at New York and Sept. 15-17 in Detroit.

Anyway you look at it, it's strictly a Tiger-Yank race—with Detroit's Frank Lary pressing Yankee Whitey Ford as the AL's top pitcher, Tiger Norm Cash battling New York Elton Howard for the batting title and Cash, Rocky Colavito and Al Kaline in the running with Yanks Mickey Mantle and Roger Maris for the Most Valuable Player Award.

Those four big men in Detroit's pitch for a pennant kept the Tigers on the batting with a double-header sweep

over Baltimore Tuesday night. Lary won his 17th with a four-hit shutout in a 2-0 first game victory decided by Cash's two-run homer. And Kaline then delivered the payoff single in a three-run ninth that won the nightcap 3-2.

Southpaw Juan Pizarro knocked off the Yankees 2-1, meanwhile, by allowing just four hits, one Maris' 4th home run, as the Chicago White Sox ended Ford's winning streak at 14 games and shaved New York's lead over Detroit to two games.

In the other AL games, Boston banged Cleveland 8-0 with five home runs, the Los Angeles Angels defeated Washington 8-7 and Minnesota cracked Kansas City 9-4.

Lary (17-6) gave up nothing but singles while hanging up his third shutout. He struck out five and walked only two in a double four-hit duel with host Chuck Estrada (9-7) and Hoyt Wilhelm, Cash, who has a two percentage point lead over Howard in the batting race at .337, settled it by sock-

ing his 20th home run, with Colavito on base, in the seventh inning.

The Tigers then battled back from defeat in the nightcap for their sixth success in eight games, coming from behind on four consecutive singles off loser Herb Brown (9-4) and relievers Billy Hoelt and Wes Stock with two out in the ninth. Chico Fernandez started the rally with a one-out double before Reno Bertia, pinch-hitters Bubba Morton and George Alusk and Kaline singled. It was Alusk's first major league hit. Gerry Staley (12-4) was the winner in relief.

The White Sox handed Ford (20-3) his first defeat since May 29 on Camilo Carron's two-out, two-run single in the second inning. Pizarro (8-5) struck out 10, twice fanning Mantle (6-for-4), and didn't have any trouble except for Maris' fifth home run in five games in the fifth inning. That broke a tie between Mantle and Maris and sent Roger 14 games ahead of Babe Ruth's record-60 pace of 1927.

## Denton Entered In Legion Meet

MEMPHIS (AP)—A festive banquet was on tap tonight for the young athletes in the South-Central Region American Legion Baseball Tournament.

The youngsters get down to business tomorrow with first round games sending Denton, Tex., against Monroe, La.; Memphis against Jackson, Miss.; and Walnut Ridge, Ark., against the Panama Canal Zone.

## Temple, E. 4th Win In Circuit

Temple Baptist turned back First Baptist, 6-3, and East Fourth Baptist flogged Phillips Baptist, 11-7, in YMCA Church Softball league play here Monday evening.

In the first game, Ernest Barbee was the winning pitcher, Theibert Camp the loser.

Bo Anderson pitched East Fourth to its victory while Don Martin accepted the defeat.

## Ruidoso Downs Will Honor Ed Echols, Vet Rancher

RUIDOSO, N. M. — Ed Echols, former rodeo contestant, lawman, rancher and all round cowboy, will be honored on Friday's card at Ruidoso Downs as racing moves into the home stretch of the 56 day season.

For many years one of the rodeo greats, and rated by many as one of the greatest ropers of all time, Ed Echols retired from the rodeo game to become an equally famous lawman. For many years he served as sheriff of Pima County in Arizona. Typical of the old-time lawman, he served the people well and tempered justice with mercy. His dry sense of humor, slow drawl and ready smile made him one of the most popular and best liked lawmen the State of Arizona has ever known. Ed Echols will be at Ruidoso Downs for the race named in his honor.

The Ed Echols race, fashioned for three-year-olds and upward at four panels, will find H. Mecum's fleet footed Roulade, installed as a solid favorite. This four-year-old son of Royal Note-Busher's Gal, under the capable training of Bailly Bond, boasts a tremendous early speed and should set all the early pace. With this distance to his liking he should fit well here.

Another factor could be the

## PRO-AM PLAY BEGINS AT 9

Tomorrow's play in the pro-am golf play at the Big Spring Country Club gets under way at 9 a.m.

Linkers will find they can tee off as late as 2 p.m. for the 18 holes of competition. Golfers from over a wide area are due to arrive here for the meet. Many will be tuning up their games for the upcoming 30th annual Big Spring Invitational tournament.

Entry fees will be \$3 for amateurs and \$5 for pros. Those playing will be properly signed PGA pro-am cards, pro Jerry Green has stated.

## Fish Are Biting For Local Men

Recent news on the success of fishermen at the Lake View Camp on Lake Colorado City included these reports:

D. L. Vaughn, Big Spring, caught nine channel catfish, weighing from one to three pounds each. Bob Landrum and George Chapman, Big Spring, caught two channel cat, each weighing over four pounds.

T. E. Underwood, Big Spring, caught a yellow catfish weighing 11 pounds and a channel cat weighing 7 1/2 pounds.

# QBC's Barbecue Date Is Advanced To August 31

The date of the Quarterback Club's barbecue honoring the Big Spring High School football team and its coaches has been moved forward to 7 p.m. Thursday, Aug. 31.

In voting the change, members of the club—in session at the high school last night—took note of the fact that the previous date,

Sept. 1, conflicted with the opening of the 30th annual Big Spring Invitational Golf tournament.

Jimmy Felts, co-captain of the club, said he felt that the new date would insure a bigger turnout of sports enthusiasts. The barbecue will be held in the amphitheatre in the city park.

Tickets for the meal, priced at \$1 each, will go on sale immediately. Felts said Jack Cox of Breckenridge has been lined up to deliver the principal address at the barbecue.

In other business discussed and agreed upon at last night's convocation, co-captains Felts and Roy Bennett named the following committees to serve within the club during the school year just ahead:

**MEMBERSHIP**—Harold Davis, chairman, Harold Fischer, Omar Jones, Dr. Robert Johnson, Garner McAdams and W. L. (Squeaky) Thompson.

**BARBECUE TICKET SALES**—Bud Tucker, chairman, R. E. McKinney, Ross Abernathy, C. A. Tamm, Mrs. Herb Smith, Mrs. Jack Irons, Mrs. Jane Thomas, Jimmy D. Jones, Albert Andre, Jerry Currie, Charles Lusk, Ray Weir, Tom McAdams, Milton Carver and Jimmy Ray Smith.

**BARBECUE** (for preparing food)—Herb Smith, chairman; Jess Slaughter and Charley Merritt.

**PUBLICITY**—Jimmy Felts, Roy Bennett, Joe Connolly and Carroll Davidson.

**ENTERTAINMENT**—Bob Rogers, chairman; John Currie and Frosty Robinson.

The QBC will meet again at 7:30 p.m. next Tuesday at the high school to check on the progress of membership and barbecue ticket sales and discuss other relevant matters.

Memberships to the club itself cost \$1 each.

Webb Mermaids

Stars of Friday's water ballet at the Officers' Club group for a dry land shot before hitting the pool—Breyer Jones, Kathy Leggett, Kay Wickard, Judy Utendorf, Joan Kenny and Ann Hayes. (Webb AFB Photo).

# Water Ballet Is Scheduled At Webb AFB Friday Night

Officers Club members and their guests will watch Davey Jones locker come to life Friday night as the OWC presents its annual water ballet.

Directing the 21 water sprites is Mrs. Jack Wickard with Mrs. Robert Hartzog assisting.

The show includes an opening number by Misses Verla Hewitt, Linda Duncan, Kathy Mason and Linda Mason; three numbers by the cast; a solo by Miss Duncan, a lighted string quartet (Mrs. Richard Clanson, Mrs. Wickard, Mrs. Jim Damschroeder, Mrs. Gaylor Hayden); clown acts by Lt. Jim Downs, Ricky Peters and Jack Eisenhart; and exhibition diving by Dexter Pate and Jack Eisenhart.

Emceeing the affair will be Lt. Terence Hedges.

Two novelty acts will spark up the show—Misses Alice Coker and Candy Hensley doing a sailor's jig; and Sandy Gradel, Carron Gradel, Sharon Bray and Betty

Cain (of Mrs. Treuting's dance class) performing an "Island" dance.

A pirate ship built by Capt. John Bodak supports the ballet theme. Responsible for special lighting are Capts. Harry Hon and Jack Wickard; and for costumes, Mrs. James Shattuck and Mrs. Frank Johnson.

Others in the cast are Mrs. Dwight Hartzell, Mrs. Don Ernst, a lighted string quartet (Mrs. Richard Clanson, Mrs. Wickard, Mrs. Jim Damschroeder, Mrs. Gaylor Hayden); clown acts by Lt. Jim Downs, Ricky Peters and Jack Eisenhart; and exhibition diving by Dexter Pate and Jack Eisenhart.

Emceeing the affair will be Lt. Terence Hedges.

## Lou Cordileone Acquired By 49ers In Tittle Trade

SAN FRANCISCO (AP)—The 49ers' veteran quarterback, Y.A. Tittle, has been traded by the San Francisco National Football League entry to the New York Giants.

In exchange, the 49ers, now basically a young club in the third year of Coach Red Hickey, picked up lineman Lou Cordileone, 23.

Tittle, 35, is a 13-year pro veteran, 11 in the NFL, the last 10 with San Francisco. He owns the best pass completion average of any active quarterback, 82.3 per cent. In his 11 NFL campaigns, one with Baltimore, he completed 1,367 of 2,510 passes for 17,900 yards and 116 touchdowns.

He was 69 of 127 for 694 yards and 4 touchdowns in 1960, a sea-

son that saw him plagued midway by a groin injury and the installation of Hickey's new spread offense — "my quarterback-run-with-the-ball shotgun."

Cordileone, 6-3 and 255 pounds out of Clemson, was the Giants' first draft choice in 1959. As a rookie in 1960 he saw service as an offensive guard-tackle and a defensive tackle-end.

The trade was made after Saturday's exhibition game between the two clubs. The Giants won 21-20, but Tittle almost pulled it out.

He came off the bench, rallied the 49ers from a 21-13 deficit and then hit Monte Stickles in the end zone. But the play was called back.

Ag Students To Attend Workshop

About 40 vocational agriculture teachers in the Big Spring Independent School System will leave Thursday morning for a workshop to be held at Oak Creek Lake near Blackwell, according to Truett Vines, Vo-Ag instructor.

The workshop is being sponsored by the Texas Electric Service Company. It will last until Friday afternoon.

The teachers will study electric motors and electric power equipment which is used around the farm or ranch, Vines said. Texas Electric Service Company personnel will teach the course and give practical demonstrations on use of and care for the equipment.

Red Cross Home Service Demands In Sharp Gain

Home services provided by the Howard-Glascock Chapter of the American Red Cross has taken a sharp increase recently, Mrs. Moree T. Sawtelle, executive secretary, reports.

"Families are getting ready for school and need money which they do not have," she said. The services have risen about 33 per cent during the past month.

The local chapter handles about 50 cases each month during the summer, but since Aug. 1, about 75 cases have been handled. This rise is seasonal, but there has been more than usual this year, she said.

chapter are financial aid, both as loans and as outright grants wherever it is justified, counseling services for families, verifying emergencies to speed emergency leaves for servicemen, checking on persons for service families and helping with veteran claims.

Other benefits provided are first aid instruction, Junior Red Cross in the schools and Gray Ladies for work in hospitals.

"Our Red Cross Gray Ladies at Webb and at the VA Hospital gave almost 6,000 hours of their time last year," Mrs. Sawtelle said.

Mixed Ruling On Liquor Ads

AUSTIN (AP) — The attorney general has held that billboards in a dry area may advertise the name of a liquor store, but must not mention liquor.

The opinion was rendered at the request of Taylor County. The county is dry, but signs have been erected by a package store in another county advertising the store and showing a map of how to get there.

The ruling said: "Apparently the sign only bears the name of the establishment where something (alcoholic) is sold. There is no indication that the sign bears any words, marks, descriptions or other device used to advertise the alcoholic beverage business," as forbidden by law.

Thus it does not violate the law, the ruling said.
