

An Afternoon Of Bridge

Harvey Williamson, right, is shown with another volunteer at a task which has become a weekly routine. He goes regularly to the Big Spring State Hospital to play bridge with patients and teach them the finer points of the game. A volunteer orientation for others who wish to help com-

bat mental illness by volunteering their services has been scheduled Monday and Tuesday night at the hospital. It has been scheduled in the evening at 7:30, for the convenience of persons unable to attend during daytime hours.

Volunteer Orientation Set At State Hospital

An evening adult orientation, the first scheduled this year, has been set for Monday and Tuesday at the Big Spring State Hospital, according to Preston Harrison, superintendent.

The orientation has been divided to present all the information usually given in one afternoon tour. Sessions begin at 7:30 p.m. each night.

"We know there are many persons who would like to take part in the volunteer program here, but their work does not allow free time during the day. This will allow them, and others, to become acquainted with the service at a convenient time," he said.

Volunteer work at the hospital can take many forms, according

to Mrs. Lou Hyre, volunteer coordinator.

Letters need to be written for patients. Parties, games and other forms of recreation can be supervised and sponsored by volunteers. Patients can be taken for rides through the city. Some of them have not been out of the hospital for such sightseeing tours since they arrived, Mrs. Hyre said.

"If a volunteer does nothing more than meet patients, shake their hands and become acquainted, he has done a great service for the patient," Dr. Harrison said.

The orientation sessions will begin in the dining room of Ward 8. Dr. Harrison will welcome the guests and Dr. Frankie Williams will speak about patients and vari-

ous forms of therapy used at the hospital.

On hand Monday night will be Helen Colburn, the State Volunteer Coordinator from Austin. She will tell of the volunteer's role at mental hospitals.

Other activities scheduled Monday are a discussion of social services by Desmond Powell, social service director, and of alcoholism by Shelby Parnell, alcoholic counselor.

A film will be presented at 9:30 p.m., followed by benediction by Chaplain M. R. Maguire.

Tuesday's program includes a tour of the hospital, patient histories and interviews to be conducted by Harry Davis, psychologist, and a discussion of volunteer work in nursing service, by Mrs. Otillie Jolley, R. N., director of nursing service.

Mrs. Hyre will conclude the orientation by telling of the value of volunteers.

Mobilization Deliberate So Reds Wouldn't Panic

WASHINGTON (AP)—One reason the Kennedy administration avoided all-out mobilization in the Berlin crisis was concern that such drastic action might jolt the Soviets into unleashing an attack, high officials said Saturday.

They indicated U.S. leaders felt there was a risk the Soviets might interpret an immediate, full-scale buildup as a sign the United States planned a stroke, and that the Soviets might then try to get in a first blow.

This country has been undertaking a deliberately paced strengthening of its conventional military power the past two months. Ad-

ministration officials have been grasping every opportunity to underscore U.S. intentions to stand firm in Berlin. At the same time, they have sought to avoid any show of belligerence.

Officials made it plain the buildup is not intended to be temporary—that U.S. armed forces are to be kept at a high level of readiness and strength for an indefinite period to cope with expected challenges elsewhere than in Berlin.

Some authorities are forecasting a major test in beleaguered South Viet Nam, where Communist hands have been increasingly active.

In explaining the reasons for less than all-out mobilization at this time, one official said, "We are not expanding with the firm expectation of going to war over Berlin—at least not yet."

Starting in August, the United States has stepped up the draft, ordered to active duty about 151,000 Army and Air Force National Guardsmen and reservists of all the armed services. It has acted to increase the combat fleet and sealift, to muster more tactical airpower and to boost airlift capabilities.

The military budget has been increased by about \$6 billion over last year, to a total of nearly \$47 billion. Orders are being let for more modern troop carriers, tanks, planes and other hardware.

The ranks of the Army, Navy, Air Force and Marines are being swelled toward a goal of 2,743,000 officers and men.

President Kennedy has been authorized to call up as many as 250,000 reservists and guardsmen for as much as a year of active duty. So far he has ordered up only somewhat more than half of this total, although another 75,000 have been alerted.

Two National Guard divisions are ticketed to enter federal service Oct. 15. One official said the Army is pointing to get these guard divisions, plus nearly 250 supporting reserve and Guard units, in combat shape by Jan. 1.

RAD WARE

Ware Signs 53 Members

Rad Ware, Pioneer Natural Gas Company, set one record and tied another in the drive of the Contact Club to gain new members for the Big Spring Chamber of Commerce.

He turned in 37 new memberships during September to become "salesman of the month" and his total of 54 in the past three months entitles him to a lifetime membership in the club.

Since the membership relations club was organized in July, the 15 members have sold 243 persons on the value of supporting the Chamber of Commerce.

Three members have now earned lifetime memberships and others are on their way. To qualify, a person must sell 50 new members within a year, according to Carroll Davidson, Chamber manager.

Others who earned lifetime memberships are Oscar Glickman and Jeff Brown. Brown was top salesman in July and Glickman turned in the highest number in August.

The Contact Club members must sell five new members to be entitled to wear specially ordered red coats and act as official chamber hosts. In that capacity they will be good-will ambassadors.

J. O. Dotson is president of the club.

TO BREAK BREAD

By T. H. Farber, preacher, Church of Christ, 200 West Highway 30 P.O. Box 1282.

We read in Acts 20:7 of an assembly of Christians for the purpose of breaking bread. What does this mean? While the term "break bread" sometimes refers to a common meal, it definitely has reference to the Lord's Supper in certain passages.

Acts 20:7 the breaking of bread overshadowed the preaching of Paul. The disciples did not come together to hear Paul; they came "to break bread." Paul had already been with them six days; so they knew he was there and would have expected him to preach. But they had another purpose for assembling, more important than hearing Paul. It was "to break bread."

"And upon the first day of the

T. H. FARBER

week, when the disciples came together to break bread, Paul preached unto them . . ." (Acts 20:7).

Surely a common meal would not have been more important to the early Christians than a sermon from the Apostle Paul! This breaking of bread was of religious importance!

What could it be, if not the Lord's Supper. It is the only breaking of bread which is a part of the Christian religion. Compare Acts 2:42; 1 Cor. 10:16. Welcome to our services today. Sermons: "Jesus Saves" (10:30 a.m.); "Unity Through the Cross of Christ" (7:30 p.m.). —Adv.

Nixon Calls For Better Quality Of Office Seekers

SUN VALLEY, Idaho (AP) — Richard M. Nixon in his new role as a state office seeker called Saturday night for a crusade to raise the level of candidates across the country.

The California Republican who almost became president touched on his own bid for his state's governorship in a speech prepared for delivery before the Western Republican Conference.

Avoiding any mention of his battle with former Gov. Goodwin J. Knight of California for the GOP nomination, Nixon said: "Nobody knows better than I that anyone who enters the (political) arena will subject himself to the most vicious and unprincipled attacks."

"But if for this reason our best qualified people refuse to run for office they will leave the positions in the public service to hacks and second raters whose primary interest is personal gain and power, rather than public service."

Nixon termed it imperative for Republicans to increase their strength at the statehouse and courthouse level if they expect to elect the next president. He added:

"We need better candidates for office not only for the House, Senate and governorships, but particularly for state legislatures and for officials of our cities and counties."

Nixon said that one of the major factors behind his decision to run for governor was the number of candidates for other offices who said they would run if he entered the race.

"I hope my announcement will encourage men and women all over the nation to offer themselves for public office," he said. Turning to Washington prob-

lems, Nixon declared that Soviet Premier Khrushchev "could make no greater mistake than to assume that because in Laos and Cuba we did not back up our strong words with strong actions the same pattern will be followed now on Berlin."

"Strength in word and action is the way to peace in dealing with aggressive international communism. If President Kennedy continues this kind of policy in word

Grim Picture Presented Of Life In China

SEOUL, South Korea (AP) — An escapee from Red China said Saturday the people's communes are so poorly run that life for average people behind the Bamboo Curtain "is indescribably miserable."

He told a news conference that food farm products decrease year after year, land is devastated, malnutrition is rampant and children fight for scraps of food.

This grim picture came from Shao Hsi-yeu, 29, a pilot who fled the mainland for freedom in a civilian plane Sept. 15.

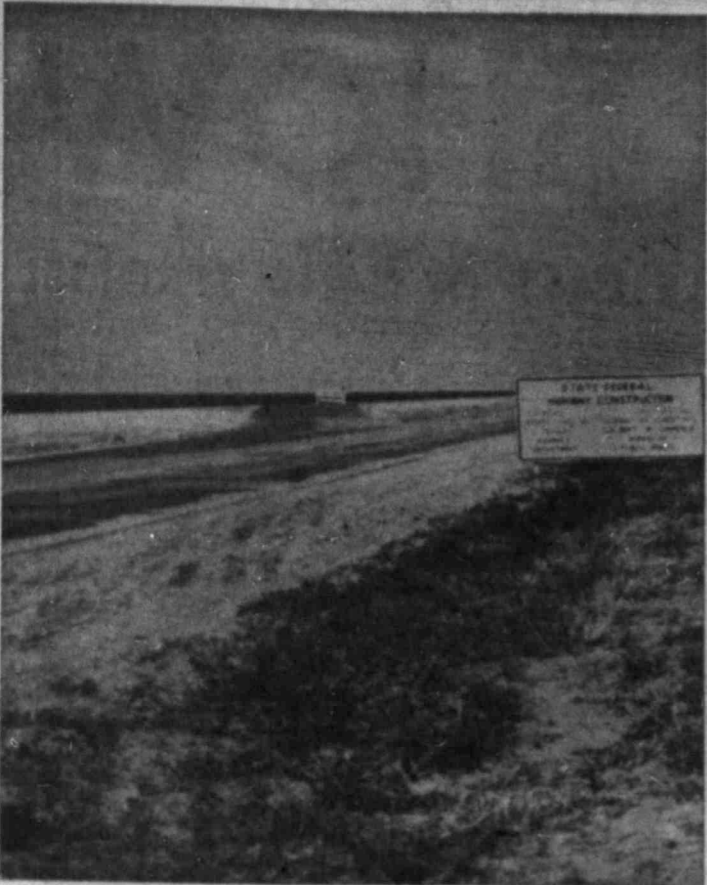

He told a news conference that food doled out by the Peiping government is so inadequate that the faces and bodies of many Chinese, particularly infants and the aged, are swollen from malnutrition.

County Ordered To Give Stand On Segregation

HOUSTON (AP) — Federal Judge Joe Ingraham has ordered Harris County officials to answer questions about segregation policies at county-owned Sylvan Beach Park at La Porte.

The questions were posed by Robert King of Houston, lawyer for four Negro dentists who have been challenging county segregation policy at the park the past two years.

The judge overruled a county objection that the questions were either irrelevant or "inquired into matters of privilege." Judge Ingraham gave the county 15 days to answer.

Improved US 87 Soon Open

Construction barriers which have marked US 87 north of Fairview since February are soon to come down. The contractor has completed work on the \$600,000 job and it will open probably around Oct. 15.

US 87 Sector Is Due To Be Opened This Month

The northern 15.5-mile of US 87, beginning at Fairview and extending to the Dawson County line, transformed into a four-lane highway, will be opened to traffic by the middle of October.

Ben Wilkerson, assistant district highway department engineer, said Saturday that the contractor

is now engaged in cleaning-up activities on the segment of road and that all of the finishing touches should be completed within the next two weeks.

E. E. Hood & Son, San Antonio, contracted to rebuild the road. The project called for expenditure of approximately \$600,000.

Work began in February on the job and at that time announcement was made that the target date for completion was October. The project called for the complete construction of one additional two lane slab and renovation of the old roadbed.

When opened to traffic sometime within the next 10 or 12 days, the road will offer an additional link in multi-lane roads in this part of the state.

On top and scheduled for 1961 will be the remainder of US 87 from Fairview to the Big Spring northern city limits.

Right of way for most of this has already been obtained, either by agreement or by condemnation. The Howard County Commissioners Court signed the right of way for the south segment as they did the right of way for the northern leg.

Man Charged In Rape Of Girl, 13

HENDERSON (AP) — Officers charged a young Henderson man Saturday with raping a 13-year-old Rusk County schoolgirl.

The attack allegedly took place in a car, during halftime at a Henderson-Waco football game Friday night, Police Chief Joe King said.

Charges were filed against Barry Jordan, 21. He was arrested in a Henderson cafe shortly after the alleged attack.

King said the girl fled her attacker and tearfully told a patrolman at the game.

Scouts Set New Marathon Mark

ATHENS, Greece (AP)—Three American Boy Scouts today covered in record time the 26-mile Marathon to Athens route on which a Greek warrior won glory in 490 B.C.

The Scouts' time—six hours 28 minutes—was declared to be a record for Scouts, bettering by nine minutes the record set last year in a similar event.

Martin Grand Jury Will Be Selected

STANTON — Judge Ralph Caton, 118th District Court, will empanel a grand jury on Monday morning for Martin County.

The grand jury, according to Gil Jones, district attorney, will have only three cases to consider. Judge Caton has not called a petit jury for service on this date but will have a jury report on Oct. 16.

Blue Star Open House Set Today

Two Blue Star Homes will be open for public viewing Sunday afternoon in the Roy Chapman Subdivision one-half mile east of Sand Springs.

Open house will be held from 1 p.m. to 6 p.m. with representatives present from Pioneer Natural Gas Company and the developers. These homes have met all the qualifications required to receive the Blue Star label, insuring that the owners will have the convenience of gas throughout the house.

Combining all the comforts of urban living and the spaciousness of rural areas, the homes are showcases for living.

Located only 6 1/2 miles east of Big Spring, they are a short drive from all city conveniences and utilities. Lots which are 100 feet by 137 feet give the subdivision a privacy seldom available elsewhere.

Both homes are equipped throughout with gas appliances, including built-in ovens, ranges, and bathroom heaters. Other gas

conveniences are central heating and gas yard lights. The interiors feature ceramic

tile baths and mahogany cabinets. The mahogany extends to paneling in the family room. Built into each house is the strength, durability and safety available only in brick. Each house has three bedrooms and a double garage.

A choice of two or 2 1/2 baths is one touch of the distinctiveness built into each home.

On hand to greet visitors and show them through the homes will be Larry Shortes, Pioneer Natural Gas Company, and J. E. Chapman and G. E. Chapman.

Awards were: Wolf Badger, David Wright, Paul Merrill; Bear Badges, Richard Gilliam, Jon Rice, DeWayne Peters, Bobby McCracken, Dee Highley, Larry Bruns, Jon Rice; Lion Badges, David Mesker, Douglas Ball, Gus Tyler; Gold Arrow Points, Gus Tyler, Larry Bruns, Neal Ray Bryson, Johnny Lee Moore, Richard Gilliam, Keith Graumann, Terry Price, David Wright, David Mesker; Silver Arrow Points, Neal Ray Bryson (2), Bobby McCracken, Larry Bruns (3), Coy Joe McCann, David Mesker (3), Johnny Lee Moore (2), Wesley McIntosh, Gus Tyler (4), Keith Graumann, Ray Wright.

Service Stars 1-year: Bill Loftis, Stanley Thornton, Billy Ray Faulk, Dee Highley, Ray Wright, Johnny Lee Moore, David Malarchik, Eugene Walton, Marshall Horn, Pat Agee, Johnny Sellers, Allen Carille, Larry Bruns, Roy Thomas, Mrs. L. D. Thornton, Mrs. O. R. Gilliam, Den Mothers, Frank Horn, Den Chief.

2-year, David Mesker; Denner Badges, Jon Rice, Jarrell Carroll, David Mesker, Robert Campbell; Assistant Denner Badges, David Morton, David Humphrey, Paul Merrill.

Vietnam Award, Jerry Price. Cubmaster Gene Campbell announced the formation of new dens and made an appeal for adult leadership.

Mrs. Gilliam, Den 2, closed the meeting with a prayer.

County Teachers To Meet Tuesday

The Howard County unit of the Texas State Teachers Association will convene at the auditorium of Howard County Junior College Tuesday at 7 p.m.

Mrs. George Archer, Gay Hill, president, and Merritt Romans, Forsan, vice president, are urging a large turnout for the initial meeting of the year. An underwriters representative is due to be on hand to talk to the teachers.

Cars Derailed

BEAUMONT (AP) — Twenty-three cars of a Southern Pacific freight train jumped the track 10 miles west of Beaumont, near the China community, Saturday. Eight of the cars were filled with manufactured gas, but there was no fire.

Annual Jaycee Pig Show Begins Here Wednesday

Sixteenth Annual Howard County 4-H and FFA Pig Show opens Wednesday at the Howard County Fair Grounds.

Sponsored by the Big Spring Junior Chamber of Commerce, the show this year is expected to be the biggest and best in its history.

Daryle Hohertz, president of the Jaycees, said that his organization has been working overtime getting things in shape for the show. He anticipates that some of the best pigs ever displayed at a local show will be on hand Oct. 4 and 5.

The event is open to all 4-H and FFA members.

Bill Kuykendall, assistant county agent, said that fifty heavy-weight and lightweight market hogs are to be entered. He said there would be 10 entries in the breeding gilt classification and two boars under one year of age.

Fire On Trestle

HOUSTON (AP) — Fire damaged the tracks on a Southern Pacific line trestle over Braes Bayou in Southwest Houston Saturday.

Dist. Fire Chief N. Blackman said he found the 200-foot trestle "blazing from one end to the other." He asked for an arson probe.

Work Starts This Week On State Building

Construction will start early this week on the new State Highway Department building, at the intersection of IS 20 loop and SH 350, it was announced by J. D. Jones Construction Co.

Jones has the contract to build the new structure. The building will occupy a tract of land on the west side of SH 350 and the grounds are to be put in shape and landscaped by the highway department.

Contract calls for the expenditure of approximately \$70,000 on the 6,724 square foot building. It will be of concrete block construction, one story in design, and topped by a built-up flat roof. The building is planned to be 200 feet long and of an average width of 25 feet.

More than 15,000 county tax statements went into the mail Friday addressed to property owners of the county. Starting Monday, the taxpayers can begin paying their current tax bills. Shown above preparing the statements for the mail are three deputies in the tax assessor-collector's office — Ruth Mitchell, Linda Stateville and Ida Lou Camp. In the background are some of the special tax posting machines which have been busy for weeks getting the rolls and statements ready.

It's That Time Again!

Tax Office Mails Out 16,266 Notices

County taxpayers can begin paying their taxes at the office of Zarah LeFevre, county tax assessor-collector, on Monday morning.

Mrs. LeFevre and her deputies Friday completed mailing out 16,266 tax notices to taxpayers for real and personal property and 2,200 tax notices to oil companies, banks, railroads, utilities and other taxpayers.

Monday morning, the deputies in the tax office will be on duty at 8 a.m. to begin receiving tax payments.

Throughout October, Mrs. LeFevre said, her office will be open on Saturdays for the convenience of taxpayers who cannot make their payments on other days in the week.

Tax rolls for 1960 are now completed and final figures as shown on the rolls are available.

Mrs. LeFevre said the total valuation for the county this year is \$56,153,531. In 1960, the total valuation was \$55,898,308. Valuations are up \$255,123.

Total taxes collectable (if collections were 100 per cent) would produce \$1,546,301.50. Based on the 1960 valuations, the total taxes possible were \$1,262,064.40. Tax take total is up \$44,296.10.

Broken down into its several funds it is shown by Mrs. LeFevre's records that the county this year could receive \$600,831.33. This is \$30,720.67 more than the total last year.

Since the tax rate for the county this year has been increased the cents to provide for the interest and payment on the 1961 road bond issue, the gross revenue to the county from ad valorem sources will be no greater than it was in 1960.

Howard County Junior College's share is \$329,327.99 — up \$1,866.46 over 1960.

Common schools' share shown on the rolls is \$208,260.61 compared with \$156,461.53.

State's share is \$208,260.61 which is \$313.40 greater than last year.

Club To Offer Radio Course

Radio hobbyists in and around Big Spring have been invited by the Big Spring Amateur Radio Club to attend meetings and to take part in training sessions.

As a service to interested persons in this area, the club is offering instruction in the Morse code and in basic radio theory starting Monday at 7:30 p.m. Sessions will be held in the club's new building on the San Angelo highway just across from the east entrance to the City Park. The building is the result of donations by several individuals, businesses and organizations, as well as the work of its members.

Soon the club, operating under its licensed call W3AW, will have a station on the air in the new building for all of the licensed members to operate and enjoy.

Amateur radio operators are fulfilling a public service in communications, working in conjunction with Civil Defense and Red Cross during emergencies created by tornadoes, ice storms, floods, hurricanes, and other disasters.

Local Attorneys Set Minimum Fees

By SAM BLACKBURN

If you go to your attorney's office for a consultation, expect to be charged for his services at the rate of \$20 an hour.

If you ask his legal advice on a matter over the telephone, look for a bill for \$5.

If you have a conference with him at some point outside the office, he will charge you at the rate of \$15 an hour.

A written opinion from your lawyer friend will cost you at the rate of \$20 an hour based on what time it required him to prepare it.

These are minimum fees as set up in the newly approved minimum fee schedule which has been adopted unanimously by the Howard County Bar Association. They were revealed when copies of the fee schedule were mailed out last week to the members of the bar.

These are offenses which call for disciplinary action.

The schedule sets up no fees for criminal cases. The fees deal solely with civil matters.

Random fees listed in the schedule:

Adoption \$125; organization of domestic corporation for profit \$200; deposition, (taking, deposition) \$50; per hour (taking deposition) \$30; travel time per hour \$20.

DIVORCE

Uncontested divorce where no children or property is involved \$150; contested divorces and special orders—fee at hourly basis. Change of name \$75. Chattel mortgage \$10; bill of sale \$25; probate or guardianship proceedings, through approval of inventory, 2 per cent of net value of estate, which includes preparation of Federal and state tax returns, or \$150.

Warranty deed \$10; deed with assumption agreement \$15; note \$5.

Standard will be \$25; husband and wife identical \$40; will with special provisions, husband and wife, identical simple community trust, time basis.

In the preparation and trial of a case, it is set up the attorney gets only fees for filing suit or answer but for preparing a petition, the fee is \$100 for preparing an answer—\$50. If the attorney goes to court with the case, he is paid on a time basis.

All other activities an attorney pursues are duly listed on the schedule. Your lawyer is admonished by his bar to show you this schedule and any special legal work you want him to handle should be listed.

Cub Scouts Get Several Awards

Several boys shared in awards Thursday as Cub Pack No. 138 had its meeting at College Heights School.

One year pins went to Mike Hull, Mike Cunningham, John Max Bair, Charles Trantham, John Tidwell, Jack Fletcher, David Brown, and Mrs. C. I. Trantham; two year pins to Tommy Tanner, Danny Cunningham, Jimmy Piper, who also received his Lion badge, arrow points, denners and assistant denners badge; Danny Cunningham, arrow points and assistant denners badge and Mike Cunningham his denners badge. Steve Chapman got arrow points. Mrs. James R. Piper got her den mother's award.

LBJ To McKinney

McKINNEY (AP) — Mayor A. H. Eubanks Jr. announced Saturday that Vice President Lyndon Johnson will be here Nov. 11 to help McKinney celebrate Veterans Day.

New Paving Soon Ready

The caliche fill on the island at Howard County Airport gets a good packing Thursday. The paving will soon be in place to provide much-needed extra "parking" area for aircraft.

WINGS OVER BIG SPRING

New Airport Paving About Completed, Traffic Heavy

Traffic has been extra heavy out at Howard County Airport during the last week, Ted McClung, manager, said Thursday.

"The transient traffic has taken an upturn suddenly and has kept us jumping for service," he said. "Local traffic has been about normal."

Workmen have the new door on the east end of the Cosden Hangar nearing completion. The door was badly damaged during the heavy winds in July. A new-type door is being hung to withstand heavier strain than the old one.

Local pilots making trips, and just flying, during the past week were the Kasch Brothers making several business trips; Dr. and Mrs. F. W. Loring who spent the weekend in Fort Worth with their daughter and son-in-law; Mr. and Mrs. B. Broadrick; Dr. M. W. Talbot Jr.; Clyde McMahon on several business trips, and the Webb Aero Club airplane flew several members on local trips.

Listed among those from out-of-town were: Olan Mills, photographer from Fort Worth, in a Comanche he stayed for two or three nights; Flood Brothers from San Antonio, flying a Comanche on a business trip; The Mid-West Co. Cessna 182 from Fort Worth; United Sales, Fort Worth; Bank Equipment Co. of Ohio; Nuces Insect Co., of Corpus Christi; Thad Kennan from the First National Bank of Dallas in a Cessna 172, attending the Tuesday night city commission meeting; Bill Ramsey of Pecos who came in to pick up a Cessna 182 from Big Spring Flying Service for a dust-sprayer; Tulla Flying Service; a man from Brownfield; Whiterock Flying

Service, Dallas; Shell Pipe Line Radio and TV Supply plane from Texarkana, and others whose names were not listed.

Work is going rapidly on the paving of the island in front of the terminal building at the airport. The lights were moved and excavation made before the heavy rain Sunday which enabled the contractor to secure a better-packed base. The caliche fill was being rolled Thursday and when it is compacted the asphalt topping will be put in place. Several thousand square feet more tie-down area, and ramp, will be available when the island is completed.

Excavation, grading, and filling are being done on the run-up pads for the airport which will allow faster movement of aircraft and also permit a complete turnaround for heavier aircraft.

Mrs. Louise Flint and Mrs. Jo Gardner are new students at the airport. Capt. Tom McMillan of Webb AFB is the instructor.

Alan (Skip) Weismantle of the Webb Aero Club soloed Sunday. He is also being instructed by Capt. McMillan.

The big F-51 which was flown in several weeks ago from Ohio, for painting and other service, is getting the first coat of primer paint this week. The work is being done for a crop dusting firm at Crystal City.

Bids For Social Security Office, IRS Here Requested

Bids will be opened at 2 p.m. Oct. 23 in Dallas for quarters to house the new Big Spring District Social Security Office. At the same time, bids will be considered for offices for the Internal Revenue Service here.

Invitations have been sent to prospective bidders from the General Services Administration, Public Buildings Service, Dallas.

The GSA is seeking 1,831 square feet of office space for use by the Social Security Office and 730 square feet of office space for the Internal Revenue Service.

It is not clear if the GSA prefers to locate the two federal agencies in the same building and the local IRS does not believe this is intended.

The IRS now occupies three rooms in the Permian Building. The bid invitation calls for six rooms in the new quarters. The new Social Security office is just being established. Parts of other districts have been cut off to create a new district which will be headquartered in Big Spring. Announcement of the appointment of the manager—Ervin L. Fisher, Fort Worth—was made last week.

The GSA asks that the quarters for this agency be 1,831 square feet in area and include six rooms.

The bids call for three year leases with optional renewal desired but not required on both projects.

The buildings, in which the offices are to be located, must be on the ground level or above the ground level floor of an existing building or a building to be provided by new construction in "a highly developed business district."

Specifications as to the type of offices required are described. The offices must be air conditioned, properly painted and decorated, provided with shelving and counters.

The quarters outlined for the Social Security District Office call for a teletype room, two offices of 120 and 154 square feet respectively, one training room of 120 square feet, one office and reception room with 1,153 square feet. In addition, the quarters must have rest rooms, lounges and other facilities.

The Social Security Office will employ seven persons—four men and three women. It will have seven telephones and conduits of proper size to be provided by the bidder at his expense.

The IRS quarters sought will include three offices, 160 square feet, 100 square feet and 80 square feet respectively; one 150 square foot conference room, one library area of 120 square feet and a storage room of the same area. Three male employees will be employed in the offices and four telephones will be needed.

Bids have to be in the hands of the GSA not later than 2 p.m. Oct. 23.

Colorado City Oldtimers Will Gather Oct. 6

COLORADO CITY — Harry Ratliff, president of the Colorado City Historical Museum, announced Friday that the annual Old Timers Reunion will be held October 6 at the American Legion Hut in Colorado City.

Mrs. Viola Erwin, he said, has been appointed general chairman for the event.

Registration will begin at 9 a.m. according to Mrs. Erwin, and coffee, soft drinks and cookies will be served. Several persons will be recognized, including the oldest "Oldtimer" present.

The museum will hold open house on that day, Ratliff said, that since the museum had opened a year ago, 5,000 persons had visited, with about 40 per cent of the visitors coming from out of town.

Favorite Target For Tucker

End Eddie Everett (82) of Big Spring turned out to be one of the favorite passing targets for quarterback Jerry Tucker in Friday night's game with Sweetwater here. Everett caught five passes...

Cactus-Tough Defense Gives Herd 13-0 Win

By TOMMY HART
The Big Spring Steers, a bunch of hairbreadth Harrys that came to play, cashed in on their only two real scoring opportunities to hang a 13-0 defeat around the neck of the Sweetwater Mustangs on a breezy night here Friday.

YARDSTICK ON BS-S' WATER

Table with columns: Player, Yds, Tds, Avg, Td. Lists stats for David Maberry, Jack Irons, Jerry Tucker, James Gilbert, etc.

A roughing-the-punter penalty enabled Sweetwater to retain possession at that particular stage and gave the Mustangs a new lease on life at the Longhorn 32 but again the Steers rose up to smack down the opposition.

On a fourth down play, needing four yards, Stewart took the ball a split second before Pate barreled into him. Stewart wound up buried under a bevy of tacklers and the ball went over at the Big Spring 37. Pate's maneuver was perhaps the defensive gem of the night, for the Ponies never again threatened.

Orange Wins Over W. Va.

SYRACUSE, N.Y. (AP) — A highly-rated Syracuse football team pounded out a 20-14 victory Saturday over surprisingly strong West Virginia.

Quarterback Dave Sarette threw three passes on which Ken Ericson, Dick Easterly and Ernie Davis scored for the Orange.

Heartened by that play in the second period, the Mountaineers stiffened their defenses, holding Syracuse scoreless in the next quarter.

Crowd Totals 5,837 Paid For Sweetwater Contest

The paid crowd at the Big Spring-Sweetwater football game here Friday night amounted to 5,837. Pre-game sale of ducats here alone totaled about 3,000.

Maris Is Held To A Single But NY Wins

NEW YORK (AP)—Roger Maris failed to hit a home run again Saturday and had to settle for a single in New York's 3-1 victory over the Boston Red Sox.

Baylor Bruins Eke Out 16-13 Victory

By MURRAY CHASS
PITTSBURGH (AP) — Quarterback Ronnie Stanley tossed two fourth - down touchdown passes, the second a 12 - yarder to sophomore Jim Ingram in the final play...

rod, and Baylor downed Pitt 16-13 Saturday in their first football meeting. Stanley's second scoring heave climaxed a 92 - yard march and brought Baylor from behind with 9:46 remaining.

0:46 remaining. He threw three yards to Bob Lane in the third period for Baylor's first touchdown. All of Pitt's scoring came in the second quarter after two Baylor miscues.

CRMWD Plans Experiment With New Species Of Fish

Experimentation in providing additional fish stock for Lake J. B. Thomas is getting under way. R. A. (Skeet) Schooling, lake superintendent, said Saturday that two of the district's new hatchery ponds had been stocked with different species of fish.

Texans Try Oilers Today In Headliner At Dallas

DALLAS (AP) — The Dallas Texans try to climb back into the American Football League race Sunday when they meet the team they've been most successful against — the Houston Oilers.

Stamford Licks Colorado City

COLORADO CITY — The Stamford Bulldogs soundly nipped the Colorado City Wolves, 16-0, Friday night at Colorado City in a non-conference game.

Metal Thermos Jug

This huge tank which will one day hold about 15,000 tons of liquefied gas, approaches completion at the site of the W. R. Grace Ammonia Plant east of Big Spring. Ammonia is stored at minus 20 degrees. The tank consists of an inner tank and an outer tank, the two separated by 2 1/2 feet of space filled with expanded perlite insulation.

IN CONSUMER AREAS

Kenney Stresses Need For Friends

By MAX B. SKELTON HOUSTON (AP)—An oil executive bluntly told the industry last week it must win friends in consumer states if it is to win battles with Congress. William Kenney, chairman of the public affairs committee of the American Petroleum Institute, said all arguments on such vital issues as depletion allowance ultimately must be addressed to congressmen from consumer areas.

Crude Allocation To Be Considered

BILOXI, Miss. (AP)—A preliminary study of the controversial question of allocation among major oil producing states was approved Friday by the Interstate Oil Compact Commission's executive committee. The study will be limited to crude oil demand. The group rejected a proposal that gas reserves be included.

Fuels Study Not For Use Control

By CHARLES HASLET WASHINGTON (AP)—The sponsoring senator and a top Interior Department official sought this week to allay any fears that a national fuels study by the Senate Interior Committee would be a step toward prescribing fuel use controls. Jennings Randolph, (D-W.Va.) author of a resolution authorizing the study and an executive member of the committee, said in a speech it was not the intent to lay the foundation for a policy that would tell consumers what fuels to use.

Drilling In Ackerly Field Continues

Drilling reports were turned in on six Conoco projects in the Ackerly field in Dawson and Martin counties Saturday. In Dawson County, the No. 1 D. Burns, spotting 660 feet from the north and 1,000 feet from the east line of section 9-34-3n, T&P survey, is running casing. It has bottomed at 8,688 feet.

Betzet Promoted

DALLAS (AP)—Charles A. Betzet has been named vice president and general manager of Petroleum Technology, Inc. He formerly was a petroleum engineer with Atlantic Refining Co.

VA Hospital Helps In Cancer Study

By JOE BEYER
Last year 117 persons with cancer became patients at the local Veteran's Administration Hospital. Through August of this year another 113 instances of the disease were noted, according to V. J. Belda, director.

As cancer is detected and treated, statistics to help beat the disease are being accumulated by the local VA Hospital and 169 other VA Hospitals. The kinds of cancer found are noted, treatment and its effectiveness is watched closely and reported. As data from 170 sources is gathered, the VA hopes to find significant trends which will some day be useful in finding a cure for cancer.

Although lung cancer is most frequently diagnosed according to nationwide statistics, at the local hospital, skin cancer is found to be most prevalent, according to Dr. H. J. Zinn, chief of surgical service. Nationwide, skin cancer is second and the prostate gland ranks third.

Why this geographic area has more skin cancers than other

parts of the country may be one question which can be answered definitely. At present the relationship between quantities of sunshine and the number of skin cancer cases has been established, but perhaps more significant information will be forthcoming.

Whenever a cancer or tumor is noted by the local staff, the matter is brought to the attention of a "tumor board." This group of physicians evaluates the findings and decides what mode of treatment is to be used.

Pathological specimens of cancer and tumors are then checked by a "tissue committee" to keep constant check on progress of treatment.

Local treatment consists of surgery. Should some other form of treatment be considered necessary, the patient is referred to another VA treatment center where radiation, cobalt and radioactive isotope treatments are given. Other centers in this area are at Houston, Dallas and Albuquerque, Belda said.

Radiation is often the form of therapy for cancers in selected areas of the tongue, pharynx, esophagus and respiratory system.

Chemotherapy is given to patients with malignancies of the small intestine, respiratory system and lymphatic and blood-forming tissues. Hormone therapy is also used in selected cases.

Compilation and tabulation of the statistics is a lengthy task, but the reports for the first year of registry, 1958, have been completed. It is hoped that the information will show which form of treatment is most effective on specific varieties of cancer, according to Belda.

The information will also provide the basis for studies of rare forms of cancer about which little is known at present, Belda said.

Dawson Turns Out 39,346 Bales

LAMESA (SC) — After three full weeks of ginning, Dawson County bale count for the 1961 crop is at 39,346, according to a weekly report from the Texas Employment Commission and released Friday.

Ginners logged in 18,999 bales during the past week, up from the 13,000 bales ginned in the previous seven-day period. Dawson County had ginned only 22,689 bales at this time last year.

The TEC estimate for Dawson County is 175,000.

That's why it is important that you answer the doorbell at your house next Thursday night. When you open the door you'll find a real, live Kiwanis Club member standing on your front stoop. He won't be demanding trick or

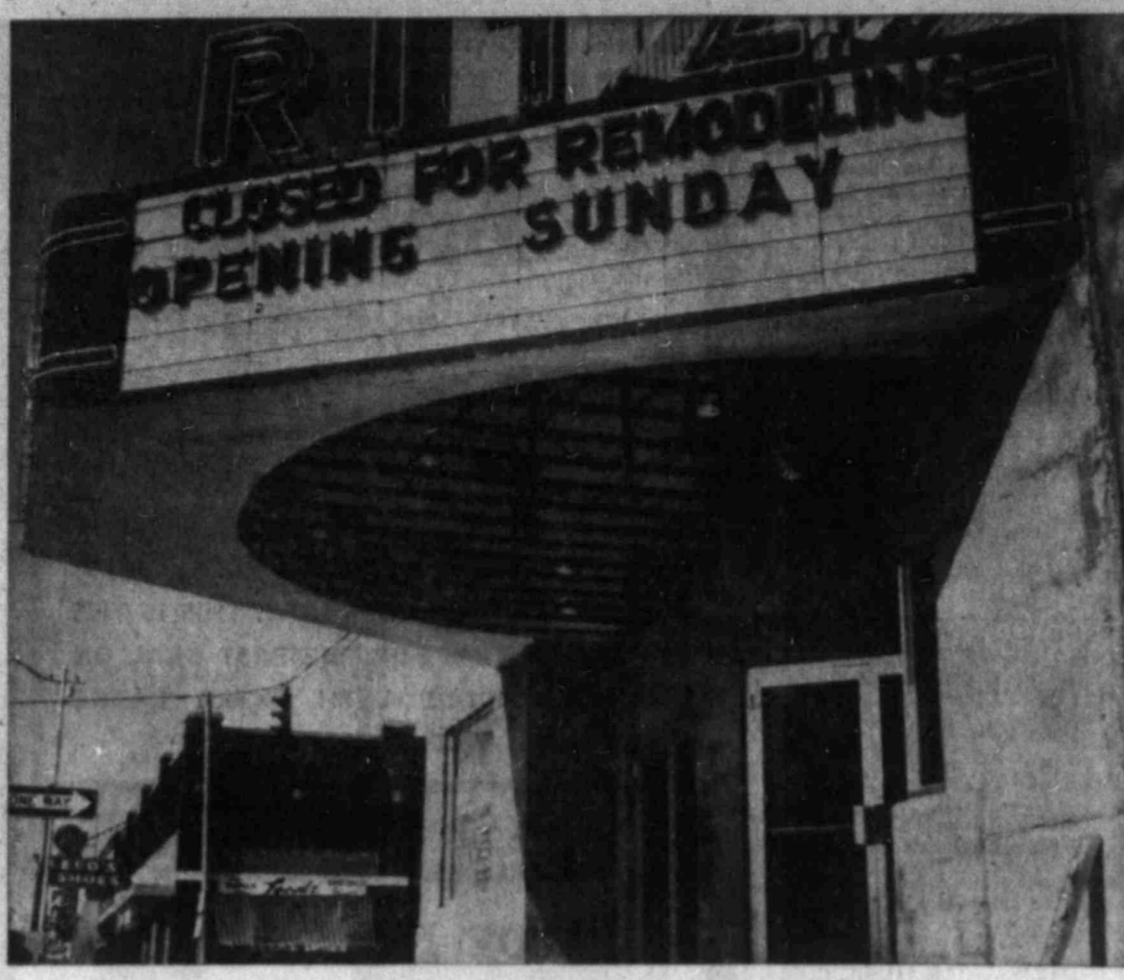

For that Kiwanian will have in his hands a huge cellophane bag of assorted candies (of the kinds that kids like) which will be the real solution when the trick or treaters hit your home on Halloween.

The Kiwanian will sell you this great big sack of candy for one buck and you'll be all set for the big night in October.

This year, changing their pace, Kiwanians are selling trick or treat candy instead of ball gum as they have for the past two seasons.

The profits which derive from the activity will go into the Kiwanis fund for the aid of underprivileged children.

There will be 40 Kiwanians selling and Earnest Welch, president of the club, hopes that the entire consignment of candy will be sold on the one night the campaign

Face Not Entirely Lifted

The Riiz Theatre is undergoing an extensive remodeling job, but work is not yet complete. It had been announced that programs would be resumed today, but Manager Ike Robb said late Saturday that it was impossible to meet the construction schedule. He said an announcement will be made as soon as possible about re-opening date. The

familiar "island" ticket booth will be gone, and the box office will be at the right. The inside foyer is being enlarged and a concessions area improved. As the improvement program progresses, Robb said, new carpeting and new seats will be installed.

Kiwanians Begin Annual Halloween Candy Sale

It's later than you might think and it's not nearly so long until Halloween as you may believe.

That's why it is important that you answer the doorbell at your house next Thursday night. When you open the door you'll find a real, live Kiwanis Club member standing on your front stoop. He won't be demanding trick or

Local Coin Collectors To Attend Show

If you want to see a nickel worth \$50,000 then attend the semi-annual Texas Numismatic Association convention which will be held in Odessa on Oct. 7 and 8.

The convention committee has announced that one of the special attractions to coin collectors will be the display of a 1913 buffalo nickel — a coin which has brought \$50,000 when sold at a rare coin sale.

The reason for its high value is that there are only five such nickels in existence. They were stamped out and released, possibly by error, in 1913 — a year when the plans were to change to design of the nickel to its present form.

As a result of this unusual exhibit, plus a wide assortment of other rare and unusual coins, it is predicted by Dale Smith, president of the Big Spring Coin Collectors Club that nearly every member of his organization will attend. Smith said there are approximately 85 members in the local club.

Smith estimated that local collectors will take close to \$100,000 worth of rare coins to the Odessa convention for display and for sale at the auction which is to climax the meeting.

Big Spring Coin Collectors Club meets on the second Thursday in each month at the Settles Hotel. The meetings open at 7:30 p.m.

READY FOR A CANTER on their favorite mounts are Donna Wiemer, at left in picture above, and Donna Pendergrast, who were snapped just leaving the corral at the home of Col. and Mrs. Robert A. Wiemer.

The two girls have been taught to groom and saddle their horses and they spend many afternoons after school riding in the open country around the Wiemer home. (Photos by Keith McMillin).

HE JUST SITS AND LOOKS DIGNIFIED, said Mrs. J. G. Lewis, Marcy Drive, when she was asked about any tricks that King, the Afghan wolfhound, might do. The handsome dog, shown in one of his favorite spots, with his young mistress, Jill Lewis, was four years old in July. In spite of his gentleness, the family considers King an excellent watch dog.

WITH HER MISTRESS, Mrs. Ralph Quinn, Bonnie Bonjucas is an aspiring cross-bred canine, Chihuahua and Pekingese. She has the desire to sing but can be persuaded to do so only in a duet with Mrs. Quinn. For special occasions and picture posing, Bonnie wears her gold, jewel-studded collar, which was a gift from former San Antonio neighbors. Recently moved to Big Spring, the Quinns are residing at Park Hill Terrace.

PETS And Their PEOPLE

TAKES NO MORE than the suggestion that she might get a cookie to make Cleo sit up at her very straightest. Shown at left with her young owner, Lyn Holt, the lively beagle entertains guests by rolling over and playing dead; most amusing is her woeful, sad-eyed expression, typical of dogs of her breed. Four-year-old Cleo is a cherished member in the family of Lt. Col. and Mrs. John Holt, 14 Albrook.

TWO MORE RESIDENTS of the barnyard at the home of Col. and Mrs. Robert A. Wiemer, San Angelo Highway, are the little Shetlands, Misty, ridden by five-year-old Lisa Wiemer, and Geronimo, the pony of seven-year-old John Wiemer, pictured at right. Besides the small ponies, the family has a dog, Chiquita, some ducks, chickens and a group of newly-hatched baby chicks.

A GENTLE HINT that "I'm hungry" is Sam's trick of carrying a tin can or his feed box around in his mouth. The little donkey, shown at left, with his master, Bruce Wiemer, is one of a collection of pets at the home of Col. and Mrs. Robert A. Wiemer. Easily ridden, Sam is quite a ruler of the estate on the San Angelo Highway, since he is quick to make the other animals aware of his sharp teeth by taking little nips at them.

A BIT OF GROOMING is given J. P. by his master and mistress, Gary, 9, and LoLauri Garriott, 11, (pictured right) at the home of their parents, Col. and Mrs. James A. Garriott, 13A Albrook. The poodle, which looks like a bit of white fluff, is about a year old and has a much more aristocratic name than the initials. Originally named Jean Ponce, the poodle answers to the shortened form because the Garriotts feel it is more in keeping with his size and lack of dignity.

WOMEN'S NEWS

The Big Spring Herald

SECTION C

BIG SPRING, TEXAS, SUNDAY, OCTOBER 1, 1961

Population Increase Noted Upon Arrival Of Lowerys

Population increased somewhat when the Paul Lowerys moved to the city with their six children. Coming from Arlington, they now reside at 2703 Lynn Drive, Kentwood Addition. Lowery is the western district sales manager for W. R. Grace.

Three of the Lowery children, Betty, 10, Dave, 8, and Kenny, 6, attend College Heights School, while Cindy, 12, is a student at Goliad Junior High School. Greg, 4, and Phillip, 3, remain at home.

Cindy likes horses and horseback riding. Betty and Dave are rare rock collectors, and Kenny "collects" friends.

Mrs. Lowery, having studied piano, is especially interested in membership in the Big Spring Concert Association. She has been active in women's civic work, church and school organizations in Arlington and says the family's church membership is being transferred to College Baptist Church.

She and her husband enjoy playing "42"; however, she has recently taken up bridge.

Sewing, which Mrs. Lowery likes very much, takes much of her time along with other home-making duties.

An avid hunter, Lowery never misses an opportunity to pursue the sport when the season opens. He also does a little fishing and has an occasional game of golf; but one day a week he sets aside for the family outing, picnicking, fishing, boating, etc. This recreation all the children look forward to when their father isn't out of town. He has a five-state area in which he travels.

Only Dad Is Missing

Their first family picture was not complete for Paul Lowery, husband and father, had to be out of town when the Herald photographer visited the Lowery home on Lynn Drive. In the living room are (from left to right) Cindy, Mrs. Lowery, and Betty, back row; Dave, Phil, Greg and Kenny, kneeling.

COSDEN CHATTER

Mrs. Abraham Is Luncheon Honoree

Mrs. Jimmy Abraham was a luncheon guest of Mrs. Charlie Hale and Mrs. Melvin Byers at the Wagon Wheel Friday as a farewell fete. The Abrahams are moving to Utica, N. Y.

Mrs. J. R. Asbury is in Beaumont this weekend attending the convention of the National Secretaries Association. She is president of the Big Spring chapter. Accompanying her were her daughter, Julie, and her mother, Mrs. Walter Gressett, who visited in Baytown.

Fredda Bonifield is home from the University of Texas for the weekend with her mother, Mrs. Julia Bonifield.

Mr. and Mrs. Leon Farris and family have returned from Roosevelt, Okla., where they attended funeral services for her father, Mr. J. G. Ford.

Mrs. Bill Horne, Billy and Anita are due home today from a visit with Mrs. E. R. Barbee in Quanah.

Mrs. Alma Gollnick and Mrs. W. H. Kay spent Thursday and Friday in Fort Worth with friends. The two were returning from an excursion to the Rio Grande Valley following the Desk

& Derrick Club convention in Houston last weekend.

Mr. and Mrs. George W. Thorburn will be in Las Vegas, Nev., next week.

The John Quigleys have returned from Glenwood Springs and Aspen, Colo., after a visit with his father, Mr. Chris Quigley.

T. A. Harris is home from Detroit, Mich., where he attended the R-1 committee meeting of the ASTM.

E. H. Boullion and Trevor Crawford participated in an ASME session in Kansas City, Mo.

Paul Meek was in Dallas on company matters Friday. The Robert Boadle family is off on vacation.

Karen McKee is at home convalescing from the mumps.

Les Beauvais is in New York City for the week.

Card Club Plans For Tacky Party

A tacky party is in store for members of the 20-23 Canasta Club, who met Thursday evening in the home of Mrs. Ronnie McCuiston; the group will play in costumes at the home of Mrs. Bob Wagner, Gail Rt., at 7:30 p.m., Oct. 13.

Eight new members added to the club included Mrs. Monroe Casey, Mrs. Ronnie Richardson, Mrs. Ralph Grantham, Mrs. Bernard Young, Mrs. James Fryar, Mrs. John McDaniel, Mrs. Donald Fuller and Mrs. W. A. Bynum.

Winner of the special prize of the evening was Mrs. Fuller.

Class Entertained In Barbee Home

The Primary Class of Park Methodist Church was entertained Friday evening with an ice cream supper in the home of Mrs. Joe Barbee.

Assisting Mrs. Barbee was Mrs. W. B. Grant, teacher of the class. Songs and games were the diversion, with balloons and gum as favors. Nine attended the party.

GS Leader Meeting Held Friday

Workers of Girl Scout Neighborhood 3 met Friday afternoon in the home of Mrs. James Jasper for a business session. Appointed as aides to the leader were Mrs. James Eckrode and Mrs. Chester Faught.

Mrs. A. C. Howard was announced as leader of the Brownie troop for second graders at Airport, while Mrs. Stanley Hudson will direct the Brownies of Cedar Crest second grade.

Leaders will meet Oct. 20 at the home of Mrs. Jasper, 604 Aylford, for an all-day workshop on crafts, it was decided; a salad luncheon will be served at noon.

Better Publicity Results From Competence In Reporting

By ANNE LEFEVER

September finds women's organizations preparing for a session of work and study. Some of the groups have had their initial meetings, while luncheons, teas and other gatherings are planned to bring other members together.

Publicity for these groups is important, not only for the club scrapbook, but to let other organizations know of the activities being carried on. In securing the best in publicity, the responsibility lies with the reporter or publicity chairman as much as with the staff of the Woman's Department.

Here are some tips which will be of help to the reporter in giving her publicity release to us; may we suggest that they be clipped and kept for further reference.

1. The meeting should be reported to the Woman's Department of The Herald as soon as it has taken place or on the following morning before 10 o'clock. In this way, the story of the meeting can appear in the paper while it is still news. This also applies to stories of socials, parties for birthdays and anniversaries.
2. News items should never be held over just for the sake of having them appear in the Sunday edition, as they lose their news interest and must be cut to the barest detail.
3. A party or meeting held at the first of the week ceases to be news by the end of the week, and it will likely be given very little or no space. The newer an article is, the better chance it has of being printed in case a choice has to be made between the two because of a lack of space.
4. Another element of time, which all reporters must observe, is the deadline or limit of time for accepting news. Stories should be called to the Woman's Department before 10 a.m. of the day it is to appear in the paper.

Deadline for the Sunday edition is at 11 a.m., Saturday, an hour later than the regular weekday limit of time; this is for very short items. Longer stories should be called in much earlier to insure that we have time to write the account. If a picture is to be

used on Sunday, it should be in the office by Thursday afternoon.

Questionnaires about wedding plans are furnished to girls when their engagements are announced. These will assist the bride-elect in giving us the necessary information about her approaching nuptials. We ask that the questionnaire and picture, if one is to be used, be in our hands at least two days before the wedding.

Accuracy is another point to consider in reporting. Time of both the reporter and the newspaper staff will be saved if notes are made before the call. Check on every name, being careful to spell each one correctly. Please give husbands' names in reporting about married women. Club members may use first names in the group, but The Herald does not use the given name unless the woman is a divorcee.

4. Routine business may not rate much space in the newspaper account, but if a club is working on a special project, it may be developed into a feature story; that is what a news writer searches for constantly.

For the calendar of events, which is published each Sunday, regular meetings are reported as

PRICE

Gives Opinions

Susan Strassberg has returned to America and will soon be seen in 20th's "The Young Man." In today's Hollywood Beauty she gives her opinions on fashion, grooming and make-up.

HOLLYWOOD BEAUTY

Young Girl-Lady? Division Subtle

HOLLYWOOD — The dividing line between the young girl and the young lady is a subtle one, and my last memory of Susan Strassberg was in such contrast to the sophisticated brunette in a high fashion suit entering the Polo Lounge that I hardly recognized her.

"I've been in Europe on my own for a year," Susan explained, "and I have done a lot of growing up." She starred in the Italian film, "Kapo," which drew rave notices.

"I love Italy and I am often taken for an Italian." She has learned to speak their language well.

"European men treat you so differently. They are romantic and very articulate about their admiration. They don't want friendship from a girl, and you have to understand this to get along with them. In America, it's sometimes the reverse — the problem is how to get a man to be romantic."

Susan is tiny, but she's discovered that she can wear anything a tall girl can if it is scaled to her size.

"Accessories and everything must be proportioned," she exclaimed. "They make clothes so beautifully in Italy, but sometimes I dreamed of our large department stores where you could find everything under one roof.

"When I was growing up, I was terribly shy because I was around so many brilliant and successful people. I felt that I had nothing to say of importance, and it worried me that I was not tall. But when I met Helen Hayes, who is so tiny, she said, 'Think tall and it will project.' And it does," said Susan with black flashing eyes, "for now I have learned, and I have lost my insecurity.

"Appearance means so much, but it can destroy its good influence if you put too much emphasis on it. If you feel concerned about yourself after you leave your dressing room, no matter what you have on, you are not going to make a good impression.

"It is a mistake to value dress because of its price. How much it costs is nothing. It's what it does for you. I made the mistake of getting too many clothes in the beginning. Now I am better dressed with fewer dresses," she added.

Susan has never changed the

color of her hair and I asked if she had ever considered it.

"I think before you dye or bleach your hair it's a good idea to look at yourself in a wig. At one time I thought it might be fun to be a redhead, but after I wore a wig that shade, I was glad to be a brunette."

Susan feels that the French create the fashion trends but Italians know more about make-up.

"I agree with the Italians about eye make-up. Accenting the eyes does something for almost every woman's face," she declared. "I prefer cake to liquid for my brows and liquid mascara for my eyes. I like the waterproof kind that never chips onto your cheeks or runs when you're in the wind or makes your eyes water. It is rather drying to your lashes but will not harm them. I always use cotton soaked in oil to remove my mascara."

Susan believes that the time to care for your skin is before you need it.

"I don't want to wait and then wonder how I'm going to get rid of wrinkles. It is easy to keep them away if you don't neglect your skin."

I told Susan she was wearing one of my favorite perfumes.

"I love it, too," she beamed.

"For many years I didn't wear perfume, but in Italy the men are so aware of scents that I began to use it. I tried several before I found one that I knew was right for me."

Susan talked excitedly about her next movie, Jerry Wald's "The Young Man," and of her other recent film work. In parting I asked if there was anything she could pass on to ambitious youth.

"Yes," and she quoted, "a man's grasp must exceed his reach or what is a heaven's foot?"

EYE MAKE-UP SECRETS

The Latins have always been known for their knowledge of eye make-up, how to make eyelashes grow. With Leaflet M-62, "Latin Beauty Secrets," you'll discover some of the things they do to enhance their eyes. For your copy of this informative leaflet, send only 10 cents and a self-addressed, stamped envelope to Lydia Lane, Hollywood Beauty, Big Spring Herald. Be sure to ask for Leaflet M-62.

Soft Touch

A sheath adopts the new fall technique of the soft and easy fit. No. 3134 comes in sizes 12, 14, 16, 18, 20. Size 14 takes 2 1/2 yards of 44-inch fabric or 2 1/2 yards of 46-inch.

Send 35 cents in coins for this pattern to IRIS LANE, Big Spring Herald, Box 1496, New York 1, N. Y. Add 10 cents for each pattern for first-class mailing.

For the new Fall-Winter Pattern Book presenting the latest pattern designs and featuring comprehensive lessons in dressmaking send 50 cents.

Austine La Mar's Dinner Dress

No. R-154
Sizes 12-18

The charm of sophistication and soft femininity combine in one elegant dinner dress, side-swept with precise draping. Complete sheath skirt has center back kick pleat for ease in motion... front overskirt is stitched into side seam, then side draped to the large pouf bow.

Bodice is molded to fit smoothly at the midriff and bustline with easy slip-on center back zippered closing.

Make it in one of the high shades of silk satin, faille, peau de soie.

Price \$1. No. R-154 is available in sizes 12, 14, 16, 18. Size 14 takes 3 1/4 yards of 50-inch fabric. Standard body measurements for size 14 are: Bust 34, Waist 26, Hips 36.

To order send one dollar in cash or check. No stamps. Add 10 cents if you wish first class mailing. Send to AUSTINE LA MAR Fashion Pattern, Big Spring Herald, Box 1612, G.P.O., New York 1, N.Y. Print your full name, address, pattern number and size.

Coahoma Class Has Installation

Meeting at the W. A. Wilson home for a supper installation and business session, members of the Fidelis Class of the Coahoma First Baptist Church heard a de-

vation on "Fruit Bearers for Christ" given by Mildred Messer. Minutes were read and approved. Officers installed by Mrs. H. B. Graves, were Mrs. W. A. Wilson, president; Mrs. Leon Messer, vice president; Mrs. Bob Pierce, secretary; Mrs. Thomas Rick, group captain; Mrs. Leon Messer, group captain.

Nine members were present.

New Members Are Added By Club Thursday Night

Three new members were welcomed into the Opti-Mrs. Club Thursday evening in the home of Mrs. Gayle Price; Mrs. Louis Wolfson was cohostess.

Mrs. Don Mansell, Mrs. Mel Stinson and Mrs. "Slim" Broughton were added to the club roster; 11 members attended.

Duties of various committees were discussed and chairmen were appointed; plans were made for a membership drive to be conducted soon.

Mrs. Stinson won the traveling prize. The group will carry on a fund-raising project soon, with the plan to be announced later.

The next meeting will be in the home of Mrs. Charles Lusk, 1300 Virginia, Oct. 26 at 8 p.m.; Mrs. Broughton will be cohostess.

RALLY DAY

Rally day has become an accepted tradition in the American Sunday school. With vacations over and children getting back into school routines, thousands of Sunday schools are extending special invitations to the children of the neighborhood.

If there is anything to which American parents should give priority today it is the religious training of their children. And one of the first steps in the right direction is enrollment in a Sunday School.

Roger Babson wrote recently: "What our nation needs right now is more Sunday School pupils; and then more Sunday schools. Our citizenship must be saved spiritually before it can be saved socially, economically, or any other way."

If your child is not enrolled in any agency of Christian education, our Sunday School will be glad to welcome him. Christ's invitation still stands: "Suffer the little children to come unto Me."

IF YOU WOULD LIKE TO KNOW MORE ABOUT THE TEACHINGS OF THE CHRISTIAN RELIGION, IF YOU HAVE NO CHURCH AFFILIATION AND ARE IN NEED OF SPIRITUAL COUNSEL, PLEASE WRITE US.

DOROTHY WHEELER

B&PW Club Will Hear Scholarship Student

Dorothy Wheeler, Business and Professional Women's scholarship student, will sing for the club and their guests at a dinner, Thursday evening, at Costen Country Club.

Mrs. Duggan Is Circle Hostess

The dinner, to begin at 7:30 p.m., is slated in observance of National B&PW Week, Oct. 1-7. Miss Wheeler will be accompanied at the piano by Robert Phelan. To be honored at the dinner are four local women, who are considered by the club to be outstanding in their line of activity: they are Mrs. George O'Brien in the religious field; Mrs. Ralph Baker, business; Arah Phillips, school; and Mrs. Ara Cunningham, ham, special services at the VA Hospital. Mrs. Jim Zack, guest speaker, will introduce the group. In charge of the affair are Mrs. C. R. Rhoads, Mrs. Marvin Ferguson, Mrs. R. L. Trapnell and Mrs. Cecil Suttles.

Humes-Gilbert Vows Are Taken In Midland

LAMESA (SC)—The sanctuary of the Midland First Baptist Church was the setting at 8 p.m. Saturday for the candlelight ceremony which united in marriage Patricia Anne Gilbert and Parker Morrell Humes.

Parents of the couple are Mr. and Mrs. Billie Gilbert of Midland and Mr. and Mrs. P. K. Humes of Lamesa.

Dr. L. L. Morriss officiated for the double ring ceremony. Decorating the church were Grecian pedestals topped with urns of white stock, gladioli and Fuji chrysanthemums at the altar. Centering the arrangement was a cathedral candelabra. Tiered side candelabra also were used. Magnolia foliage and variegated ivy were used to mark the pews and also as a background decoration.

Attending the bride as matron of honor was Mrs. W. W. Ascue of Odessa. Sandra Ascue, also of Odessa, was maid of honor, and bridesmaid was Joanna Sewell of Dallas. Bridesmaids were Mrs. Paul Stripling of White Oak and Mrs. Albert Stennett of Lubbock.

Serving the bridegroom as best man was Richard Tune of Lamesa. Groomsmen were B. B. Embrey and Clarence Wright, Keith White and Nolan Cope, all of Lamesa.

Given in marriage by her father, the bride chose a formal gown of deep lustrous satin and re-embroidered Alencon lace trimmed with seed pearls. The gown was fashioned with a decollete neckline, moulded bodice and three-quarter length sleeves appliqued with Alencon lace. The controlled dome skirt, which fell into a chapel length train, was enhanced with a large back bow and Alencon lace appliques centered with petite bows.

The bride's silk veil of illusion fell from an imported wreath of pearlized orange blossoms, and she carried a cascade arrange-

MRS. PARKER MORRELL HUMES

ment of white roses and phalaenopsis orchids.

Following the ceremony, a reception was held in the banquet room of the church.

Both are graduates of Baylor University and are employed at Radio Station KCBS in Midland.

After Thursday, the couple will be at home at 2929 West Kansas St., Apt. 13, Midland.

Pears A La French

Ever cook fresh pears in red wine a la the French? Pare the pears but leave them whole. Use equal parts of the wine and sugar and simmer the pears in the mixture until they are tender. Chill the fruit before serving.

Each member was asked to give \$1 to the club fund before Dec. 1. The next meeting will be with Mrs. Pauline Hamlin, Oct. 12.

Webb Windsock

Family Services gave a surprise farewell party for Capt. Raymond Taverna at the base pavilion recently. Capt. Taverna will be leaving for a new assignment at Randolph AFB in San Antonio.

Mrs. Frederick Romaniello, Mrs. Douglas Voss, Mrs. Jerome Palmer, Mrs. James Wilson and Mrs. Foster Kemp, all members of Family Services, planned the party.

Mrs. Edward D. Aitken presented Capt. Taverna with a ceramic ash tray engraved "To Capt. Taverna from Family Services."

Among the guests were Col. and Mrs. Wilson H. Banks, Col. and Mrs. August E. Taute, Col. and Mrs. Charles W. Head and Lt. Col. and Mrs. John F. Holt.

There will be a dance at the Officers' Club, Oct. 7 that promises to be a lot of fun. Be sure and make your reservations early.

Capt. and Mrs. Donald E. Jonker will have her mother, Mrs. Bernadine O'Brien of Chicago, Ill., as their guest for the next few days.

A combined bride and baby shower was given in honor of Mrs. F. D. Parent on Tuesday. Hostesses were Mrs. Robert Sandner, Mrs. Robert Murdoch and Mrs. L. L. Patton.

Winning high was Mrs. James Price; Mrs. Bobby Gilbert won both second and travel prizes. Mrs. Taylor is visiting her daughter, Mrs. Parent, and will soon return to her home in Phoenix, Ariz.

Mrs. Charles W. Head entertained the group commanders wives with an informal coffee in her home last week.

Mrs. Zant Gives Club Program

Seven members attended a meeting of the Luther Home Demonstration Club, Thursday at the home of Mrs. Lewis Underwood.

A program on making draperies was presented by Mrs. Frances Zant. Mrs. Underwood received the traveling prize and roll call was answered with Scripture verses.

Each member was asked to give \$1 to the club fund before Dec. 1. The next meeting will be with Mrs. Pauline Hamlin, Oct. 12.

Plans December Wedding

The engagement and approaching marriage of Phyllis Audrey Smith to James Douglas Eastham, son of Mr. and Mrs. J. H. Eastham, 1915 Nolan, is announced by her parents, Mr. and Mrs. O. B. Smith, Baytown. The wedding is planned for Dec. 23, in the home of the bride-elect's uncle, Douglas Abbe, Baytown.

Chocolate Sauce For Ice Cream

This recipe makes a bittersweet sauce for putting over ice cream:

ETHEL FAIN'S BITTERSWEET SAUCE
20 large marshmallows

2 squares (2 ozs.) unsweetened chocolate

1-3 cup milk

Melt marshmallows and chocolate with milk over hot water. Remove from heat; beat with wooden spoon or whisk until smooth. Serve warm and sauce will be just firm and thick enough when spooned over ice cream. Makes about 2-3 cup.

Drapers To Live In Calif.

FORSAN (SC) — Mr. and Mrs. J. C. Draper left Friday for Indio, Calif., where they will make their home; he is the son of Mr. and Mrs. C. L. Draper and has lived in Forsan most of his life. The C. L. Drapers were recent Midland visitors.

Recently in Andrews were the Perry Howards, who were guests of the George Abees.

Mr. and Mrs. James Blake and Scottie visited their parents in Brownwood and Blanket recently.

Paul Harvey left Friday and expects to be stationed in San Antonio for basic training in the Air Force.

Mrs. H. H. Story is at home after spending a week in Dallas visiting her daughter, Nancy.

Visiting near Midland on a ranch are Mr. and Mrs. Frank Davidson, who are guests of their son.

Also in Midland have been Mrs. Burl Griffith and Dale and Mrs. Belyte Anderson.

The Henry Parks have as their guests their children, Mr. and Mrs. Johnny Park of El Paso and Freddie, a student in Baylor University, Waco.

Secrets Of Charm by John Powers

New Scone Mix To Be Marketed

A brand new, delicious food product is about to make its debut in retail food stores throughout the country.

Scone Mix is the product, the latest in the line of prepared mixes, and it promised to be one of the most versatile mixes ever to take its place on our food shelves.

There is virtually no limit to the variety of uses to which the mix lends itself admirably. Whether your preference runs to rolls, biscuits, or muffins, the new mix

does them splendidly, quickly and easily and with superb results.

The product will make its appearance in supermarkets and grocery stores throughout this area about Oct. 1. The package holds a convenient 13 ounces and carries easy-to-follow instructions plus recipes for shortcake, pancakes, and sesame rolls. Free recipe folders containing a number of tasty scone mix recipes, ranging from coffee cakes to cheese fingers and dainty tea biscuits are included in every package.

ception was held in the banquet room of the church.

Both are graduates of Baylor University and are employed at Radio Station KCBS in Midland.

After Thursday, the couple will be at home at 2929 West Kansas St., Apt. 13, Midland.

Ever cook fresh pears in red wine a la the French? Pare the pears but leave them whole. Use equal parts of the wine and sugar and simmer the pears in the mixture until they are tender. Chill the fruit before serving.

MRS. WILLIAM MARTIN BLACKBURN JR.

Saturday Nuptials Are Read For Miss Crocker, W.M. Blackburn Jr.

First Methodist Church was the scene of the Saturday evening wedding of Malinda Jane Crocker and William Martin Blackburn Jr., with vows read by the Rev. Rayce Womack, pastor of Wesley Methodist Church.

Parents of the couple are Mr. and Mrs. H. V. Crocker, 1707 Benton, and Mr. and Mrs. W. M. Blackburn of San Angelo.

A sunburst of gladioli combined with woodwardia fern and tapers in candelabra to make the background for the bridal party. White satin roping marked the aisle and the steps to the altar. Nuptial selections were presented by Delores Howard preceding the songs for which she accompanied Ira Schantz and Mrs. Carl Bradley, who sang a duet, "I Love You Truly" and solos.

SISTER'S GOWN
The bride was given in marriage by her father. She was attired in a gown of Alencon lace and tulle which alternated as ruffles for the bouffant skirt worn over a layered skirt and extending into a chapel train. Lace medallions outlined the scooped neckline and accented the long sleeves. A bustle of tulle topped the full skirt. The dress was the one worn by the bride's sister, Mrs. Bill Miller of Columbia, Mo. for her wedding.

A princess crown of pearls with aurora borealis crystals held in place the full-length veil of illusion, and the bride carried mystery gardenias and stephanotis with satin leaves and picotéd ribbon on a white Rainbow Bible.

For the traditional items, she named a handkerchief, which had been the property of the late Mrs. Lizzie Campbell; her veil was new; she wore a blue friendship garter, and the Bible had been borrowed from Mrs. Fred Overton.

Mrs. Miller attended her sister as matron of honor; bridesmaids were Mrs. Overton, Luan Phillips and Lana Jean Satterwhite. Candelighters were Patricia Ann Johnson and Gloria Jean Coker.

All attendants were identically dressed in turquoise chiffon over turquoise taffeta shading from dark to light. Hats were small roses holding veils, and their

flowers were spheres of pink carnations and loops of satin ribbon surrounding lighted candles.

The flower girl, Cathy Ann Morning, wore a dress of white organza.

Victor Blackburn was his brother's best man; groomsmen were Bill Walton of Lubbock; Sam Ogden of Brady; Denver Bartee of Clovis, N. M.; ushers were John W. Crocker and H. V. Crocker Jr., brothers of the bride and Bill Wade of Littlefield.

Hosting the reception held in the church parlor were Mrs. R. P. Blum, Mrs. A. C. Moore, Mrs. Bob Wren, Mrs. C. L. Rowe, Mr. and Mrs. Bert Shive, Mr. and Mrs. Bob Satterwhite.

Members of the house party were Mrs. S. R. Nobles, Mrs. Marvin Sewell, Mrs. Elmo Phillips, Mrs. C. M. Weaver, Mrs. C. Y. Clinkscales, Mrs. Hollis Webb, Mrs. Lawrence Robinson, Mrs. Herbert Johnson, Mrs. Omar

Hi-Fi Cabinets Have Gone On Diet

AP Newfeature
If you've got a hi-fi fan in the family, you know the problem of trying to fit a bulky, boxy loud-speaker into the decor of a small living room.

In recent years the trend has been to smaller boxes of book-shelf size—but a shelf has limits. Now there are new thin speakers by at least two makers. One is only five inches deep, with plain cloth grille, suitable for table tops.

Another line features a five-speaker system enclosed in a rectangle 25 inches high and 21 inches across, but only four inches thick—no wider than a woman's hand. Weight is 18 pounds.

It has a decorative wood fillgree overlay on one side—and can be hung on walls, used as a room divider or as a floor screen in front of a corner or radiator. The legs are detachable.

Most important for the hi-fi buff: the sound is excellent, thanks to two woofers for bass, two mid-range units, and a super-tweeter for highs.

Bridge Players Finish Back-To-School Series

The end of the Back-to-School series in duplicate bridge games at the Big Spring Country Club Friday afternoon found Mrs. Elmo Wasson in first place and winner of the silver trophy.

Others in the order of their scoring were Mrs. E. L. Powell, Mrs. James Duncan and Mrs. R. H. Weaver, a tie for third and fourth places; Mrs. John Stone, Mrs. Obie Bristow and Mrs. Don Newsom, in a tie for sixth and seventh; Mrs. Don Penn and Mrs. B. B. Badger.

Announced for the session Friday, which will begin at 2 p.m. because of the Ladies Golf Association luncheon, is the Grand Slam Series. Winners will be named on the best four out of five games, with a silver trophy and bonus points to be awarded. Token awards are planned in this series for each player bidding and making a grand slam. It was announced.

Winners in the charity game played Friday afternoon at the club were Mrs. Badger and Mrs. Penn, first in north-south; Mrs. Charles Thompkins and Mrs. Truman Jones, second; Mrs. James Collins and Mrs. Fred Kasch,

third; Mrs. Bristow and Mrs. Newsom, fourth; Mrs. Powell and Mrs. Wasson, fifth.

A three-way tie in east-west brought Mrs. John Fish and Mrs. Adolph Swartz, Mrs. John Stone and Mrs. J. H. Holloway, Mrs. Elvis McCrary and Mrs. Ward

Hall together for fifth place; Mrs. H. W. Smith and Mrs. Norman Weils were in first place; Mrs. Champ Rainwater and Mrs. G. H. Wood, second; Mrs. Malcolm Patterson and Mrs. Fred Luring, third; Mrs. Weaver and Mrs. Duncan, fourth.

ORIENTATION COURSE SET FOR RC GRAY LADIES AT WEBB

Planned for dependents of Webb AFB personnel is an orientation course in American Red Cross Gray Lady work, slated for Oct. 30-31 and Nov. 1.

The training course, to be given in Ward 3 at the base hospital, will run from 9 a.m. to 11:30 a.m. each of the three days; free nursery service will be provided for the women taking the course.

Included in the activities of the Gray Ladies is the distribution of comfort articles and the serving of coffee to hospital patients. Gray Ladies also serve as aides and work in the clinic. For additional information or for enrollment in the course, you may call Mrs. J. T. Smith, AM 3-3169, or Mrs. D. S. Deighton, AM 4-6658.

Boys Return From N.M.

FORSAN (SC)—Returned home from a visit in Carlsbad, N. M., are Stevie and Sammy Childress, sons of Mr. and Mrs. Jim Childress. They have visited their grandparents in Carlsbad the past week.

Visitors with Mr. and Mrs. Jim Miller were her brother and his wife, Mr. and Mrs. Charlie Tindol of Goldsmith.

Mr. and Mrs. J. H. Cardwell were called to Rice because of the serious illness of his brother, Ira Cardwell, who suffered a heart attack and is hospitalized at Corsicana.

R. L. Shelton who has recently moved from Forsan to Andrews is hospitalized at Odessa.

BETROTHAL REVEALED

LAMESA (SC)—Mr. and Mrs. Harley Campbell have announced the engagement and forthcoming marriage of their daughter, Mary Kay, to Jimmy E. Freeman, son of Mr. and Mrs. L. D. Freeman Sr.

The wedding will take place Nov. 23 in the chapel of the First Baptist Church here.

The bride-elect is a graduate of Lamesa High School. Freeman was graduated from Klondike High School and is now attending Howard County Junior College, Big Spring.

REHEARSAL
Cards with wedding bells marked places for 24 at the rehearsal dinner, hosted Friday evening by the parents of the bridegroom, at the Rock Room of Arnold's Cafeteria.

BRIDESMAIDS LUNCHEON
Pink and white were used for appointments in the luncheon given Saturday at Costen Country Club by Mrs. Bob Satterwhite and her daughter, Lana Jean. A bridal couple centered the table which was decorated with runners of roses. Wedding bell place cards marked places for the bridal attendants, the bride-elect, Mrs. Crocker and Mrs. Blackburn.

Gifts were presented to the attendants by Miss Crocker.

Bananas In Slaw— A New Ingredient

Here's a recipe for slaw using a new ingredient to combine with the cabbage:

MONTANA SLAW
4 cups shredded green cabbage (packed down)
2 tbsps. mayonnaise
2 medium-sized ripe but firm

bananas
2 tsps. (about) lemon juice
Salt
White pepper
Mix cabbage and mayonnaise. Peel bananas; at once mash with a fork but not too fine; there should be small pieces of the banana visible. Mix banana and onion juice with cabbage mixture adding salt and pepper to taste. Makes 6 servings.

Nitey Nite sleeper
\$2.29 (2 for \$4.50)

Here's your chance to save money and still get these famous Nitey Nite features: Patented Gripper Snap Fasteners... 1 1/2 inch grow feature that lets the sleeper grow with your child... elastic waist, elasticated ankles, plastic sole bootie feet. UCCW Plans For October Meeting

The United Council of Church Women will meet at the First Methodist Church, Oct. 13, at 10 a.m.

Fallout Survival Kits To Be Marketed Soon

Through cooperation with the national office of civilian defense, a family emergency kit will soon be available to the public.

Contents include small, cook stove, fuel, lights, first aid packet, collapsible plastic water and waste

containers, water purification, disposable chemically-treated towels and various items designed for use in a small shelter where families would exist through a nuclear attack and the fallout that follows.

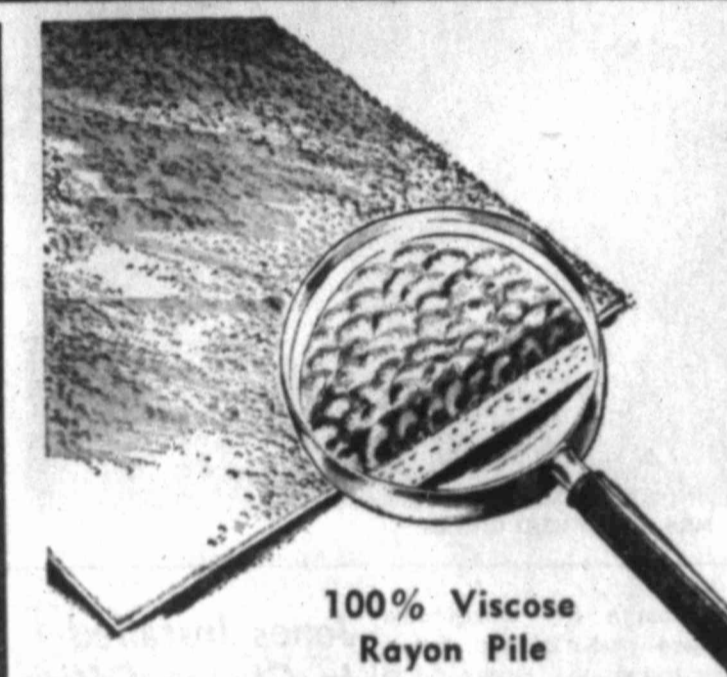

Also included are instruction booklets, outlining home protection exercises, food and clothing requirements, conelrad instruction, fallout protection and civil defense plans.

MRS. BILLY EDD GOWAN

Miss Osborne Bride In Saturday Wedding

LAMESA (SC) — Jimmie Jean Osborne, daughter of Mr. and Mrs. William B. Osborne of Lamesa, became the bride of Billy Edd Gowan at 1:30 p.m. Saturday in the First Presbyterian Church here. The bridegroom is the son of Mr. and Mrs. William Edd Gowan of Wichita Falls.

The ceremony, read by the Rev. J. L. Mayhew of Brownfield, was preceded by a medley of songs by Mrs. Matt McCall, organist, and vocalist Mrs. M. G. Davis of Slaton.

White gladioli and greenery flowed from two Grecian urns and formed a crescent shaped background for the altar table where the wedding vows were repeated. Two large copper urns filled with greenery flanked the altar. Given in marriage by her fa-

ther, the bride wore a formal gown of white satin with a fitted princess bodice which featured a scooped neckline enhanced with applique lace. The long sleeves of the gown were trimmed with applique lace.

Joined to a bouffant skirt at each side of the waistline was a fully shirred, stiffened overskirt outlined with lace, which formed a small bustle at the back.

A pearl crown, accented with white sequins and teardrop pearls, held her circular veil of illusion. She carried a white orchid encircled with white rosebuds.

Beverly Ann Brewer of Lamesa was maid of honor, and bridesmaids were Louan Parks and Mavadean Kouri of Sweetwater, Mrs. Dennis Lamphere of Lamesa and Mrs. Louise Beard of Dallas.

Bridge Lessons

For members of the Officers' Wives Club, courses in beginners and intermediate bridge have been planned to begin in about two weeks. Mrs. William Head will be the instructor and she plans to include duplicate bridge training at a later date. For more information, call Mrs. Jack Wickard, AM 3-3387.

Knott HD Club Elects Officers

Mrs. N. A. Jones was hostess for a meeting of the Knott Home Demonstration Club, Tuesday at the home of Mrs. Billy Gaskins. The devotion was given by the hostess, and 11 members answered to roll call giving their favorite Bible verses.

A report was made by Mrs. Gaskins, council delegate, after which officers elected were Mrs. J. L. Metcalf, president; Mrs. Emmett Grantham, vice president; Mrs. Morris Cockrell, secretary and treasurer; Mrs. B. J. Williams, reporter; Mrs. Gaskins, assistant reporter; Mrs. Grantham, parliamentarian.

Thoughts and devotions were given by members to be used in the yearbook. They also suggested crafts for the year.

The next meeting will be in the home of Mrs. Joe Myers, Oct. 10, at 2 p.m.

Jones Installed In Church Office

KNOTT (SC) — V. L. Jones was installed as Sunday School superintendent at the First Baptist Church Sunday at noon. He will be assisted in this office by Bobby Roman.

Mr. and Mrs. E. L. Roman visited recently in Abilene, where their daughter, Judy, is a student in Hardin-Simmons University.

Mr. and Mrs. Dick Clay have returned from Kosse, where they accompanied her mother, Mrs. Williams, to her home.

Mrs. Larry Shaw, Linda and Larry Don, Mrs. Bill Williams, Gladys, Sandra and Linda, attended the South Plains Fair at Lubbock, Monday afternoon.

Mr. and Mrs. Fred Roman have returned from Austin where they spent the weekend.

The drive for clothing and food for storm victims, headed by Mrs. Robert Cheatham, has been concluded.

The small daughter of Mr. and Mrs. Quinon Airhart is reported to be recovering satisfactorily following major surgery in a Lubbock hospital.

Woodses Home From A Trip

Mr. and Mrs. Sidney Woods returned home Wednesday evening from a trip through the Southern and Eastern states. They toured the Smoky, Blue Ridge and Cumberland mountains and points of interest such as the Biltmore Estate in North Carolina and Hodges Gardens in Louisiana. They were gone one month.

Telephone Numbers To Change Prefixes

By 1965, or shortly thereafter, the prefix AMHERST should be history for Big Spring telephone users, according to Byron M. Alexander, manager. If strictly number codes are not already in use here they should be on the way by that time.

The word prefix has its place in telephone history and for many years served well. But just as the switchboard operator yielded to automatic mechanical opera-

tions better than name-number groups.

The change to all-number dialing is another step toward direct distance dialing, Alexander said. There should be no great decrease in personnel needed to operate a telephone office, however, in spite of mechanization.

"You need extra persons to implement changes and iron out difficulties which a machine cannot correct," Alexander said, "and by the time operators are no longer needed, the number of calls will have increased so that personnel will be needed in other areas. In the long run it evens out."

Improvements of this type are usually a slow, consistent process, according to Alexander. Big Spring is not yet at the top of the list for this particular improvement.

L. E. PAT PATTERSON JR.

Rotary District Governor To Visit Here This Week

The Big Spring Rotary Club will be host to L. E. Patterson, governor of the 573rd district of Rotary International, Monday night at an assembly, and Tuesday at the regular meeting. Governor Patterson is making his round of official visits to the 43 Rotary Clubs in his Northwest Texas district.

Governor Patterson will confer with President Ralph McLaughlin, Secretary Douglas Clemens and committee chairmen on Rotary administration and service activities at an assembly Monday night 7:30 at HCJC Student Union.

A reception for the Governor and his wife will be held at the Dora Roberts Student Union building at Howard County Junior College after the assembly meeting. All Rotarians and their wives are invited to the reception. The Tuesday luncheon is at the Settles.

Gov. Patterson is an independent petroleum geologist in Midland and is a member and past president of the Midland Rotary Club. He is president of the Morrison-Smith Lumber Co. of Graham, and is a director of Cicero Smith Lumber Co.

He was elected district governor of Rotary International for 1961-62 at Rotary's 52nd annual convention in Tokyo, Japan in May. He is one of 269 district governors supervising the activities of more than 11,000 Rotary clubs with a membership of 509,000 business and professional executives in 123 countries throughout the world.

Wherever Rotary clubs are located, President McLaughlin said in discussing the governor's visit, their activities are similar to those of the Big Spring Rotary Club, because they are based on the same general objectives.

"During the past fiscal year more than 300 new Rotary clubs were organized in 43 countries, and four geographical regions were added to Rotary's membership roster," he said. "These were Gabon, Nigeria, Reunion and Somalia."

Pay-Grab Bandits Lose Their Loot

LONDON (AP)—Four pay-grab bandits were foiled Friday by the big city traffic problem—parking. They snatched 300 pounds (\$10,640) in two briefcases from a man in the Elephant and Castle District and dashed to their parked getaway car. It was jammed between two other vehicles. They dropped the money and made a run for it.

Now A New World of Worth from Chevrolet

New Impala 4-Door Sedan—notice the rakish new roof line

Rich new styling with Jet-smooth ride '62 CHEVROLET

Think of just about everything you ever wanted in a car—and darned if this one doesn't have it! A road-gentling Jet-smooth ride. New choice of V8 skedaddle. Slim-roof styling in all sedans. The sportiest sport coupe you've seen. Beauty that stays beautiful—right down to new rust-resisting front fender underskirts. There's more than ever to please you in '62 from America's No. 1 people-pleaser!

This one can easily leave you asking, "How did Chevrolet do it?" It's that good—as you can see in the lean and clean lines, in the rich interiors and in the way it goes.

There's a new choice of V8 vim and vigor ranging all the way from a standard 283-cubic-inch sizzler to two 409-cubic-inch powerhouses.* There's a happy choice of four trusty transmissions. And there's that '62 Jet-smooth ride with a supple Full Coil spring at each wheel to take the starch out of the orneriest roads. Then to keep things nice and quiet for you,

we've lavished well over 700 sound insulators and cushioners on the new '62 Chevrolet.

Some package already, isn't it! But there are more goodies galore. Standard-equipment heater and defroster. Longer lived mufflers for all engines. A Grand Canyon of a trunk. Magic-Mirror finish. And, well, we could write a book about it all. Matter of fact, your Chevrolet dealer's got it all down on paper. Get a full fill-in from him now—and a personally guided tour of the car that's taken the high cost out of feeling luxurious—new '62 Jet-smooth Chevrolet.

*Optional at extra cost

New Biscayne 4-Door 6-Passenger Station Wagon—lots of room and zoom

Guardsmen Urged To Make Arrangements For Payments

The pay of low ranking soldiers has always been a subject of humor but for some local National Guardsmen this matter will quickly become important.

With the call to active duty effective Oct. 15, some men of the 49th Armored Division will find it difficult to pay the same obligations at \$125 a month which they paid when earning \$400 to \$500 a month.

To ward off the misery which might accompany such unexpected inability to pay, legislation has been effected to protect the serviceman, but action on the part of the persons will do more toward solving the problem.

"Contact us early if you expect difficulty in meeting financial obligations," has been the advice of credit managers of numerous businesses.

"We would like these Guardsmen to contact us a few days before they go on active duty," J. M. Garner, loan manager for the Commercial Credit Corporation, said. He said payments could be reduced for the duration of service and then resumed on the regular schedule after the person returns to his civilian occupation.

Since this type of transaction would involve extending payment without additional interest, each case would have to be handled separately and would have to be approved by higher authority within the Corporation.

Gene A. Boerner, manager of the G.A.C. Finance Corporation,

urged persons to bring along a statement of creditors, amounts owed, amounts of payment, and expected income.

"Decreases in payments will have to be handled on a prorated basis with lowered payments set at about the same proportion of income as they were previously," he said.

Representatives of the various agencies pointed out that since this was an unforeseen occurrence and not caused by negligence of the creditors they would deal with the men individually. Credit men point out that the Guardsmen should contact their business relations because often the businesses are unaware that the men will be leaving for service.

In a conference held in Dallas this week, Guardsmen were advised

Wright Speaks At College Forum

SAN ANTONIO (AP)—Governor employees should be required to learn the language, customs and culture of the nations where they are assigned, Rep. Jim Wright, D-Tex., said Friday night.

U.S. difficulties overseas stem in part from the fact that people in other lands "have seen in us the symbol of self-assumed superiority," he said.

Wright spoke at a college foreign affairs forum.

Dr. Burnett Reelected To THA Board

Dr. Jack H. Burnett, member of the staff of the Malone and Hogan Hospital Foundation, has been re-elected as director of the Texas Heart Association for a three year term.

Dr. Burnett, who has been extremely active in local heart association activities, was elected at the Houston convention of the State Association on Sept. 16. He was not in attendance at the convention and his re-election was reported to him by Dr. Alfred W. Harris, president of the state association. Dr. Harris lives in Dallas.

Dr. Burnett has just completed a one year term on the board of the THA.

He has been active in the Howard County Heart Association and as president of the Permian Basin Medical Heart Association was responsible for a heart seminar here which drew much favorable comment.

The Permian association includes medical men of Odessa, Big Spring, Midland, Lamesa and Andrews.

Dr. Burnett came to Big Spring in 1957. His home was originally in El Paso but he came to Big Spring from Atlanta, Ga.

He voiced his appreciation at the honor conferred on him by the THA and said he was happy to do all he could to further the program of the association.

Students Continue UF Explanations

Two young people in the local public school, Martha Hardy and Dub McMeans, stopped in at the Friday luncheon of the American Business Club at the Settles Hotel to renew their appeal for support of the United Fund drive here.

Martha and Dub have been appearing before most of the Big Spring service clubs as speakers for the UF committee, which is quickening its pace for the campaign looming immediately ahead.

The youngsters cooperated in filling in the spokes of a United Fund wheel, taking time to explain the purposes and the needs of each organization served by the UF.

The two were introduced to the club by Robert W. Whipkey, publisher of the Herald.

Following the young people's appearance, Whipkey spoke briefly to the ABC members, answering several questions that he stated had been asked of him about the functions of the United Fund.

Contrary to reports, Whipkey stated, the UF drive will be undertaken without professional or outside help.

Professionals have been employed in the past to help out over the drive but the UF committee this year elected to undertake its drive with volunteer labor.

Whipkey also stated that an inquiry had been made about the report that too much of the UF money goes to agencies out of town.

He conceded that some of the money does go to such agencies but explained that such reports had been exaggerated because, in most instances, the funds were

used to train workers who would be active in agencies dedicated to public work around the world.

ABC members voted to purchase \$100 in ads in the upcoming HCJC basketball program, after hearing HCJC coach Buddy Travis state that all profits from the program go into the Jayhawk Fund.

The fund, Travis stated, helps the school in its recruiting program.

The Tom Conway team has taken the lead in the ABC's membership drive, according to club prexy Garner McAdams.

Conway's team now has 64 points, compared to 44 each for contingents captained by Jim Lewis and Elmo Phillips and 39 for Roy Reeder's squad.

Rotary Meeting Moved To HCJC

Big Spring Rotarians, who are expected to attend the assembly Monday night to report to the district governor, are being notified that the assembly will be held in the dining room of the Howard County Junior College Student Union Building. It was formerly announced for the Settles ballroom.

Ralph McLaughlin, president, said that a reception would be held for the governor's wife in the parlor of the Student Union Building. Wives of all Rotarians are invited to the reception at 7:30 p.m., and members will join the ladies following the assembly, which is called for the same hour.
