Reds Take Second, 6-2

NEW YORK (AP)—Cincinnati's towering Joey Jay stopped New York with a four-hitter and his teammates took advantage of miscues to beat the Yankees 6-2 and tie the 1961 World Series at 1-1 today.

Back-to-back singles by Elio Chacon and Eddie Kasko and catcher Elston Howard's passed ball manufactured what proved to be the winning run in the fifth inning. The third game is set for Saturday at Cincinnati.

FIRST INNING
REDS: Chacon flied to Berra. Kasko struck out. Pinson bounced out. Richardson to Skowron.
No runs, no hits, no errors, none left.

U.S. Calls On Soviets To Avoid Violence

WASHINGTON (AP)—The United States called on the Soviets today to avoid shooting incidents on the East-West Berlin border, "which could seriously jeopardize peace and the public order in Berlin."

The call was in a State Department statement issued in the wake of an outbreak of shooting incidents involving West and East German police.

The U.S. view was that the West Berlin police acted in self-defense Wednesday in firing back as the Communists shot at refugees fleeing the Soviet sector of the divided city.

Other U.S. authorities took the view that the shootings, while deplorable, need not, in themselves, be the spark that would set off a general conflagration. They said deliberate intent would be the more likely cause of any war, and neither side has shown intent to start a war.

However, it was stated also that the shooting heightens tension. President Kennedy is to receive Soviet Foreign Minister Andrei A. Gromyko here Friday for a final U.S.-Soviet talk on the German question before Gromyko returns to the Soviet Union for an extended period.

Kennedy was expected to re-stress Western determination not to yield Berlin rights and to search further for the possibilities of an East-West negotiation.

Caddies Are School Buses

ALBANY, N.Y. (AP)—A father has signed as a common carrier, for \$1,300, to transport his two daughters to a private school in the family Cadillac.

The Guildland Central School announced Wednesday that Walter F. Wessendorf Jr., a lawyer, had signed the controversial contract. It now goes to the State Education Department for expected approval.

Wessendorf was the lower of two bidders on a contract to take daughters, Marcia, 7, and Charley, 5, from their home in suburban Westmore to Albany Academy of Girls, a one-way trip of slightly less than eight miles.

Under the contract, Wessendorf will be paid \$130 a month for 10 months. The district said that he would be paid retroactively for last month, when the state approved the contract.

State law requires school districts to provide transportation for pupils of nonpublic schools within a 10-mile area of the pupils' homes.

To meet the requirements of school transportation, Wessendorf obtained licenses from the Public Service Commission for his two 1959 Cadillacs.

Rayburn Has Incurable Cancer, Aide Reports

Nothing More Doctor Can Do

DALLAS (AP)—A bulletin released by Baylor Hospital today said that veteran House Speaker Sam Rayburn has cancer and an aide said it is incurable.

"It may be a matter of just a few days," a close associate of Rayburn said when asked as to how much time doctors give the longtime Texas congressman.

The aide close to Rayburn said surgery would not be resorted to "because there is nothing they can do. It is all over him."

An official bulletin issued by the hospital said: "A biopsy of the lymph gland in the right groin has just been completed. The biopsy revealed a metastatic malignancy."

"This indicates that the most likely primary site of the malignancy is the pancreas. No further surgery is anticipated."

Rayburn entered the hospital Monday for tests. The condition of the 79-year-old Texas Democrat has been listed as "serious" since he entered Baylor Hospital. An earlier medical bulletin reported "no significant change in his general condition" and "no definite conclusion" as to his exact condition.

When Rayburn left Washington late in August for his home in Bonham he was suffering from what was publicly described as lumbago.

"It's much more serious than that," one of his doctors said after a preliminary examination at Baylor.

Rayburn's spirits seemed to take a lift late Wednesday. He joked with a visitor and griped about the "baking and prodding" tests. He obviously was in pain and seemed more like an active little boy suddenly bedridden by something he couldn't understand.

Judge Having Hard Time At Pig Show

Bill Griffin, county agricultural agent from Lynn County, was having a difficult time Thursday morning.

He was judging the hogs in the 16th annual Howard County 4-H and FFA Pig Show at the County Fair Grounds.

He had selected the winners in the heavyweight market hog division at 10 a.m. after more than an hour's work and was busy with the lightweight market hogs at 11 a.m.

When he finished the lightweights, he had to select the best breeding gilts and then choose the best boar of the show.

The Sears Foundation winners also were to be named.

Ronnie Anderson, Howard County 4-H Club, was the first competitor to win a ribbon and a check.

His heavyweight market hog was rated by Griffin as best of the field of 25 in that classification. His pig will be matched with the lightweight winner to determine the grand champion of the show.

Terry Hansen, Howard County 4-H club, was second in the heavyweight division.

Other placings included: Gary Hansen, Coahoma FFA, third; Neal East, Big Spring FFA, fourth; Donnie Anderson, Howard County 4-H Club, fifth; Mike Logsdon, Coahoma FFA, sixth; Douglas Earnest, Coahoma FFA, seventh; Bobby Pierce, Coahoma FFA, eighth; Gary Neill, Coahoma FFA, ninth; and Jim Haley, Coahoma FFA, tenth.

There are 48 market hogs in the two divisions.

A sizeable throng of spectators was on hand to watch the judging. The Howard County Home Demonstration Club women were doing a brisk business in sandwiches, pie, coffee and cold drinks at the concession bar.

Herb Helbig, newly appointed Howard County agricultural agent, was on hand, and Jimmy Taylor, who resigned from that post on Sept. 1, was also present.

Big event of tonight is the auction sale which will climax the two day show.

Daryle Hohertz, president of the Big Spring Junior Chamber of Commerce, and members of his group will be on hand at the barn to help with the sale. They have been lining up buyers to bid on the 30 head of hogs and anticipate good prices will be paid the young breeders.

The auction is set for 7:30 p.m. and Randal Sherrod will be the man with the hammer.

As a result of the two incidents, Mayor Willy Brandt disclosed he was discussing with the Western powers the reinforcement of West Berlin police to make the borders secure. The shooting of the East German policeman was expected to raise a diplomatic storm.

West Berlin police gave this account of today's incident: Vopos, Communist police, three rocks across the wall into West Berlin. One rock smashed the windshield of a truck on the roadway. A police patrol car was called, and an officer went up to the wall and called out to the Vopos to stop throwing rocks.

THEN FIRED
A Vopo officer approached the wall, aimed his submachine gun and shouted, "Go back." Then the Vopo fired at the police officer. The bullet missed, and police on both sides drew back.

The two shootings were the most serious since the Communists began erecting their wall of barbed wire and concrete blocks across the heart of Berlin on Aug. 13.

Bernauerstrasse is about the toughest point along the 25-mile wall. The houses there are in Communist territory, the sidewalks in the West.

About 200 West Berliners witnessed the shooting at Bernauerstrasse Wednesday night.

Witnesses gave this account: As darkness fell two men appeared on the flat roof of a building in Bernauerstrasse — the border street where many East Germans have escaped by leaping from buildings into West Berlin.

CHASER
Communist police spotted the two and ran after them, firing pistols and submachine guns.

Trapped, the two fugitives ran back and forth shouting "help, help." West Berlin police in the street below turned powerful searchlights on the roof in an attempt to blind the Communist police.

A West Berlin police spokesman said shots fired by the East Germans struck a sidewalk near where they and border firemen were standing. The spokesman said the West Berlin police considered this an attack on them and that they were entitled to shoot back.

Five West Berlin policemen, he said, fired 24 shots and one of the bullets hit a Communist policeman, who was dragged away by his comrades.

The shooting incident threatened to heat up the battle of the barricades, waged largely on a propaganda level since the Communists cut Berlin in two with a concrete wall Aug. 13.

The first incident occurred during a chase of two East German refugees across border rooftops. One refugee, crying "freedom," plunged to his death when he jumped five stories and missed a West Berlin fireman's net. The other refugee was captured by the East Germans and taken away.

"Ye shall know them by their fruits . . ." (Matt. 7:16). The Bible bears good fruits. One reason we believe it is from God, it has good effects upon men and nations. It contains the Lord's commands; and all His commandments "are righteousness" (Ps. 119:172). Thus, righteousness results from following the Bible, and "righteousness exalteth a nation" (Prov. 14:34). The Bible standard for us is perfection. We never reach perfection in this life. The Lord knows that, and provides forgiveness for those who are His children and sin (1 Jno. 1:8, 9). Yet we are told, "Be ye therefore perfect

Knight Names Financier In Alleged Nixon Bribe Try

LOS ANGELES (AP)—Goodwin J. Knight has named Los Angeles financier J. Howard Edgerton as the man he says tried to lure him out of the 1962 governor's race. Knight, California's governor from 1953-58, said Edgerton acted on behalf of former Vice President Richard M. Nixon, now in a bitter struggle with Knight for the Republican's gubernatorial nomination, Nixon and Edgerton denied the accusation. Knight, 64, told a nationally televised news conference on Wednesday that:

Nixon told Knight that Edgerton would contact him on Nixon's behalf, and that Edgerton later offered him, Knight, any state job he wanted—up to chief justice of California's Supreme Court—if he would withdraw. Knight had made the charges before—but had not identified Edgerton until Wednesday's news conference. He also presented to newsmen his wife Virginia and Sacramento attorney Paul Mason, Knight's former state motor vehicle director. Both said they overheard the Sept. 8 telephone call when the alleged offer was made.

discussed "the general political situation"—and Nixon had "absolutely nothing to do, directly or indirectly," with this luncheon or the previous meeting. Aug. 7—The meeting at Nixon's home was arranged by Edgerton at Knight's request. Nixon issued a statement saying that Edgerton's denial "completely repudiates this whole ridiculous charge."

Girl, 7, Is Found Slain

ELMHURST, Ill. (AP)—A 7-year-old girl, riding a bicycle on an errand for her father, was brutally slain in a field a few blocks from her home Wednesday. Sheriff's officials said the blue-eyed, blonde-haired girl, Yvonne Elliott, had been dragged from her bicycle, bound and gagged, sexually molested and apparently strangled.

The child's nude body, with her hands tied behind her back with a soiled rag and with another rag stuffed in her mouth, was found by her father, Edward Elliott, 27, a machine setter. The slayer had taken the girl's long-sleeved red shirt and knotted it tightly around her throat. Elliott had sent Yvonne to a store five blocks from their home in this Chicago suburb to get him some cigarettes. "It was still light outside, I thought nothing of it. My God, this is awful," he said.

When Yvonne had not returned from the store an hour after she left home, Elliott told deputies, he walked down the street and found her bicycle alongside a field of tall weeds. He ran home and telephoned his wife, Loretta, 24, who was at work. Then he and a neighbor set out with flashlights to search the field. Elliott said his wife arrived at the field just as he came upon his daughter's body.

Volkswagen would no sooner make an over-chromed, two-toned VW than they would change the classic beetle shape. It's not that the chromed version looks so bad, it just doesn't make the car work any better. That's the rule of thumb Volkswagen goes by: they change the VW only to improve it, not to make last year's model look obsolete. In 1961 for example VW was able to get more horsepower from the air-cooled engine without making it any bigger or less economical.

(One thing they did make bigger this year: the taillights.) Everything on the VW happens for a reason: nothing is for show. Volkswagen doesn't even have a chrome piece that spells out the name. You will find a little round emblem with the VW initials on it, though. After all, Volkswagen can't let 600,000 Americans go riding around in unidentified cars. Come in and take a '62 VW for a drive.

Principal Plans Probe Of Jeers At Officer's Talk

SAN ANGELO (AP)—The principal of Central High School scheduled a special meeting today with 400 male students whose jeering drowned out an Air Force colonel's speech. The demonstration started as the color guard appeared on the stage at the high school auditorium Wednesday just before the assembly program started. Laughter and catcalls, which also drowned out the presentation of a Future Farmer award, continued when Lt. Col. Fred Dietrich took the rostrum. Dietrich, one of the top 1961 graduates of the U.S. Air Force War College, spoke on "What's New in the Air Force."

Uruguay May Cut Soviet Legates

MONTIVIDEO, Uruguay (AP)—The Soviet Union's sixty-man diplomatic staff in Uruguay may soon be limited in its activities, sources close to the government executive council said Wednesday. They said Soviet and other Iron Curtain delegations here are expected to be accorded treatment similar to that imposed upon Uruguayan diplomats in the Soviet Union. The Soviet Embassy in Montevideo, with the largest personnel in the hemisphere, has been reported the center of Communist activities in the southern part of the Americas.

Tug To The Rescue

The tug Margaret Walsh maneuvers close to the barge Mr. Louie to rescue the drilling crew from the barge. Thirty-five-mile winds sent waves washing over the barge in the Gulf of Mexico 105 miles south of Brownsville, and 40 miles from shore. All members of the crew were safely removed.

Tower Limits Peace Price

OMAHA (AP)—Sen. John Tower, R-Tex., said Wednesday it is time for the United States to do what is necessary for the survival of the free world.

We want peace, Tower said, "but," he added, "we don't want to preserve peace at any price."

Speaking before a \$50 a plate Republican fund-raising dinner, Sen. Tower charged the United States has paid too much attention to the statements of the "so-called uncommitted nations."

Geologist Exam Is Scheduled

A new examination for geologist has been announced by the U.S. Civil Service Commission for filling positions paying \$5,335 and \$6,345 a year, mainly in the Geological Survey of the Department of the Interior throughout the United States. Positions in the Bureau of Mines and the Bureau of Land Management may also be filled.

Applications will be accepted until Dec. 1, 1961, and must be filed with the Executive Secretary, Board of United States Civil Service Examiners, Geological Survey, Department of the Interior, Washington 25, D. C.

Disheartened By Scandal, Denver Police Chief Quits

DENVER, Colo. (AP)—Worn and disheartened, Police Chief James E. Childers, 69, retired Wednesday four days after burglary charges against another 22 present or former policemen.

"The pressure of the last week makes it so I just can't take it any more," he told reporters. "It's beyond human endurance."

Childers' retirement, effective immediately, caught city officials and members of the 700-man police force by surprise.

Safety Manager John M. Schooley, 54, became acting chief. He said a new chief will not be appointed until a reorganization study is completed.

Thirty-five present or former Denver police officers have been charged in connection with a

49th Doing 'Fine Job'

DALLAS (AP)—The 49th Armored is "doing a fine job of preparing for entrance on active duty later this month," the 4th Army commander, Lt. Gen. Donald P. Booth, said Wednesday.

Booth conferred in Dallas with Maj. Gen. Harley B. West, commander of the 49th, and with senior staff officers of the Texas National Guard division.

Booth said he discussed with West the activation of Fort Polk, La., where the 49th will be based when it goes on active duty.

"There is no question in my mind that this unit is ready for the intensive training program it will begin at Fort Polk," Gen. Booth said.

He was asked how long it will take to get the division combat-ready and replied: "I can't answer that, but I will say that the Army wants the 49th in top tactical shape as soon as possible."

Christian Meet Closes

KANSAS CITY (AP)—The international convention of Christian Churches closed its annual assembly Wednesday night with a resolve to push its mission work as a force for peace.

"It is only one of the Christian thrusts in international affairs," said Dr. Leslie Smith of Lexington, Ky., in accepting the presidency of the convention.

Dr. R. S. Todd, who was sent to Africa as a missionary by the Christian churches in 1934 and rose to the premiership of Southern Rhodesia, said the efforts of missionaries will be an important factor in saving Africa from communism.

The convention adopted several resolutions keyed to world tensions.

One affirmed its faith in the United Nations as the world's best political hope for peace and commended President Kennedy and Congress for new steps toward disarmament. Another called for expansion of the "food for peace" program, suggesting its primary concern be the relief of hunger rather than political and military strategy. A third condemned communism and other forms of totalitarianism.

Mrs. Anderson Barnes, a Negro social worker from Los Angeles, was elected first vice president of the convention.

Hurricane May Die

MIAMI, Fla. (AP)—Hurricane Frances whirled northward in the Atlantic today in a low pressure trough that was expected to take it to a polar graveyard.

The season's sixth tropical storm grew into a hurricane Wednesday with winds up to 90 miles per hour spinning around the center.

The latest report placed the hurricane's center near latitude 28.2 north, longitude 71.2 west or 550 miles east of Cape Canaveral, Fla., and 460 miles southwest of Bermuda.

Gales extend outward from the center 175 miles to the northeast and 125 miles to the southwest.

The hurricane was moving toward the north at 14 m.p.h. and was expected to pick up forward speed, turning more toward the northeast. Vessels in its path were advised to exercise caution.

"We expect Frances to die in the polar graveyard after achieving maximum winds of about 100 miles an hour or perhaps a little more, along the route," said Gordon Dunn, chief storm forecaster in the Miami Weather Bureau.

Suspect Freed In Uprising Case

MEXICO CITY (AP)—Dr. Salvador Nava Martinez, defeated candidate for the governorship of San Luis Potosi, was released last night after spending 18 days in jail.

Dr. Nava was arrested Sept. 15 after a bloody affray which left eight dead as part of a series of attempted uprisings throughout Mexico.

Nava was freed on orders from the attorney general's office, who said Nava had nothing to do with the plot engineered by retired Army Gen. Celestino Gasca to overthrow the government.

Workers Strike Against Union

PACHUCA, Mexico (AP)—Workers in the automobile assembly plant Kiesel Nacional are on strike, but not against the company.

They walked off the job Wednesday and set up picket lines in protest against their own union for dismissing seven employees.

Bond Set In Rape Case Involving Freedom Rider

DALLAS (AP)—Bond of \$12,500 was set Wednesday for Anthony Thomas Davis, 41, Negro accused of raping a white freedom rider from England.

"Personally, I don't believe this is a death penalty case," said Justice of the Peace Pierce McBride in setting the bond.

Davis, who describes himself as an advertising man, hotel owner and ex-disc jockey, remained in the county jail. His Negro attorney, C. B. Bunkley Jr., said bail would be made today.

The petite brunette spent more than 2 1/2 hours on the stand during the hearing and calmly related events leading up to the alleged Sept. 28 attack in an all-Negro hotel.

Dr. Earl Standice, City Health Department physician, said he examined the girl the night she told police she had been raped. He said his examination confirmed she had had intercourse recently but that "I found no evidence that

the girl had had prior sexual intercourse."

The woman, from the Hackney (east end) section of London, remained in the county jail under protective custody.

600 M.P.H. Air Ambulance Lands

McGUIRE AIR FORCE BASE, N.J. (AP)—A 600-mile-an-hour airplane ambulance landed here Wednesday, ushering in the start of transatlantic jet military medical service for U.S. combat troops.

The C135 jet carried 21 litter and 24 ambulatory patients in its maiden flight. The nonstop trip from Rhein Main, near Frankfurt, Germany took nine hours.

Previous air medical flights from Europe in conventional aircraft took about 21 hours. The jet ambulance will make weekly trips.

Monty Likes Red Leader

TORONTO (AP)—Field Marshal Viscount Montgomery says Red China's Mao Tse-tung is a "great guy—an uncommon man in an age of common men."

The British World War II commander arrived in Canada Wednesday night from a visit to Red China where he met the Communist leader and received a red carpet reception.

Montgomery, 72, told a news conference Western press reports that the Chinese are starving and have lost confidence in the Communist regime are "totally untrue."

The retired field marshal said he did not see a single case of malnutrition during his three-week visit to the Chinese mainland but saw "bags of it" in Hong Kong, the British crown colony filled with Chinese refugees.

Montgomery urged more Western trade with Communist China.

Compact Israeli Model Planned

MEXICO CITY (AP)—An assembly plant to turn out Sabra automobiles, a compact model made in Israel, will be opened soon in La Paz, Baja California, near the Mexico-United States border, the newspaper Excelsior reported.

At least 6,000 cars a year will be turned out for distribution in the southern United States and Latin America, the newspaper said.

1962 CARS TO BE SHOWN

Rambler Puts Emphasis On Engineering Refinements

Rambler's complete line of cars for 1962 — including the Rambler American, the Classic Six and the Ambassador V-8 — go on display Friday. The new cars will be exhibited here at McDonald Motor Co., 206 Johnson.

The American — the car that pioneered the compact field — has advanced engineering features and mechanical improvements for greater economy and reduced maintenance. The other models will exhibit functional changes designed for higher quality, improved operation, added safety and lower costs.

The 1962 Ambassador V-8, Rambler's luxury compact, is nine inches shorter than last year's model, and now has a wheelbase of 108 inches, same as the Rambler Classic Six.

A safety innovation in both these models is a new Double-Safety brake system with a tandem master cylinder having a separate hydraulic system for front and rear brakes. It is standard on all 1962 Ramblers at no extra cost. Should either front or rear hydraulic systems fail through accident, the remaining system will still operate, thus providing a double margin of safety.

Also standard on all 1962 Ram-

blers are self-adjusting brakes which automatically maintain proper clearance as linings wear. Improved power brakes are optional.

The new Classic and Ambassador models require chassis lubrication only every 33,000 miles or three years, compared with the previously recommended 1,000-mile servicing.

The automatic transmission needs to be drained only after 25,000 miles, compared with 15,000 before, while the manual transmission never needs a fluid change.

The generator, distributor, clutch linkage and steering column shaft are permanently lubricated.

All new Ramblers will continue to carry a general warranty covering the car for 12,000 miles or 12 months.

Three model lines are available in 1962 in both the Ambassador and Classic series. They are the Deluxe, the lowest-priced models; the Custom line, which replaces the Super designation but retains many of the features of last year's Custom at a lower price, and the 400, the top-of-the-line series on which bucket seats are offered as an option.

An addition to the Classic Six series for 1962 is a two-door

sedan available in all three model lines. Classics formerly were available only in four-door models.

The 1962 Rambler American line offers 12 models in a new Deluxe, Custom and "400" series, providing more luxury at no additional cost. They include two and four-door sedans and station wagons, and a two-door convertible.

The optional all-new automatic clutch transmission, called "E-Stick," combines the economy of a manual transmission with the partial convenience of an automatic. The three-speed transmission completely eliminates the clutch pedal. It also is available with optional overdrive.

The completely new Flash-O-Matic automatic transmission, offered as optional equipment, is more compact and better suited for the power and torque output of Rambler's six-cylinder engines.

In addition to the E-Stick and Flash-O-Matic, the Rambler American also offers standard synchromesh transmission and standard transmission with overdrive as optional equipment.

In all, the consumer has a choice of five transmissions on all American models, the widest choice in the industry.

In The New Rambler Line

Shown at left is the new Rambler American convertible, with many advanced engineering features for greater economy. At top is an addition to the Rambler Classic Six series, a two-door sedan. Formerly, only four-doors were available. The entire Rambler line goes on display Friday, at McDonald Motor Co., 206 Johnson.

AF Men Exit Space Chamber

SAN ANTONIO (AP)—Two Air Force lieutenants, sealed in a make-believe space cabin long enough to have been to the moon and back, came out today and asked how the World Series is going.

Lt. Melvin Pollard, 23, of Quannah, Tex., and Craig Miller, 24, of Humble, Iowa, were sped into a series of physical and psychological examinations after brief chats with reporters and with their families.

Pollard and Miller, youngest

volunteers in the two year series of space cabin tests, were members of the first Air Force Academy graduating class.

The men said they had no knowledge of what was happening outside the cabin.

Miller turned to his pretty wife, Sandy, and asked: "What about Berlin? We're not shooting anywhere are we?"

Mrs. Miller smiled and said: "Not yet."

Both officers agreed that the make-believe space trip went smoothly.

Pollard said "I missed home life more than anything else—watering the lawn, frying steaks and things like that."

Dr. Billy E. Welch, head of the Department of Space Ecology at the medical center, said results of this test will be compared with

those of earlier experiments to determine man's ability to survive and function efficiently in the conditions of space.

Mr. and Mrs. F. W. Pollard of Quannah, Tex., parents of the lieutenant, and his wife, Mrs. Louise Pollard of Alvarado, Tex., and Mrs. Miller met the officers when they left the cabin.

Pollard and Miller entered the 8 by 12 foot steel tank Sept. 18.

WASHINGTON (AP)— Secretary of Agriculture Orville L. Freeman announced Wednesday he will leave Sunday, Oct. 8, on a month's trade development and food study tour of 11 countries in Europe, the Middle East, South and Southeast Asia.

1962 Rambler American Convertible, automatic top standard.

New Lounge-Tilt Seat
Adjust front seat cushion hydraulically for comfortable knee height. Optional.

New Double-Safety Brake System
Tandem master cylinders, one for front brakes, one for rear. Standard.

New Road Command Suspension
New springs, new control arms, new outer ball joints, new steering ease. Rambler Classic, Ambassador V-8.

New 33,000-Mile Lubrication
Most Rambler models require lubrication only every 3 years or 33,000 miles, whichever occurs first.

New 2-Year Engine Coolant
Dowgard Full-Fill Coolant protects cooling systems. (Low cost.) 24-month, or 24,000-mile warranty.*

New 4,000-Mile Oil Change
Now go twice as long between normal engine oil changes. Oil filters standard.

New Battery Guarantee Doubled
If battery fails within 2 years, or 24,000 miles, it will be replaced without charge.*

New Best Rustproofing
Deep-Dip rustproofing up to the roof, zinc-clad below-door body panels.

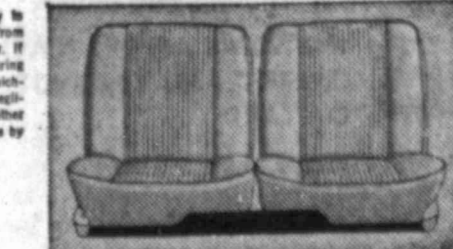

New E-Stick No-Clutch-Pedal Transmission
No-clutch driving at a fraction of usual cost. Stick-shift economy. American.

New Wider Track Wheels
Classic and Ambassador have widest track of any compact. New stability.

New Gas-Saving Automatic Transmission
New Flash-O-Matic for 6 cylinder cars. Near standard shift economy. Optional.

New 27% More Road Clearance
27% more road clearance in the '62 Rambler Classic and Ambassador V-8. 19% more in Rambler American.

New Improved Ceramic-Armored Muffler
If Ceramic-Armored muffler or tailpipe rusts out (collision damage excepted), a Rambler dealer will replace it free as long as original buyer owns his Rambler.

New Airtier Reclining Bucket Seats
Nothing surpasses them at any price. Five positions. Double-thick foam.

*NOTE: Warrentee apply to new 1962 Ramblers purchased from an authorized Rambler dealer. If battery fails or coolant leaks during first 2 years or 24,000 miles, whichever occurs first (collision, negligence, or accident excepted), dealer will be replaced without charge by going to a Rambler dealer.

GOP Leader Sees Bad News For JFK

WASHINGTON (AP) — Sen. Andrew F. Schoepel, R-Kan., predicted today that President Kennedy will get some disappointing political news about his program in a 10-city series of regional conferences next month.

Schoepel, a member of the Senate Republican Policy Committee, said in an interview he believes that teams of Cabinet members and other officials sent to discuss domestic issues with local representatives will find many Kennedy proposals unpopular with the people.

"The people are going to be telling their senators and House members what they think about these programs," Schoepel said. "I think they will have more confidence in their elected representatives than in any political promises these teams make."

Kennedy announced Wednesday that meetings will be held in Chicago, St. Louis, Houston, Nashville, Detroit, Cleveland, New York, Philadelphia, San Francisco and Los Angeles, beginning Nov. 7, to discuss four broad topics with civic, local and state officials.

In telegrams to governors and mayors, Kennedy said the topics to be covered will include full employment and economic growth, opportunities for youth, opportunities for senior citizens and opportunities for the nation's cities.

Pierre Salinger, White House press secretary, said the administration is seeking "detailed in-

formation of the impact of legislation enacted in the last session of Congress in these areas."

Administration spokesman had indicated clearly that efforts would be made to build up support for a general aid-to-education bill, for urban development,

Surprise Due At CD Meeting

GLEN COVE, N.Y. (AP)—Unless you read this story or others like it, you'll be in for a surprise if you attend a civil defense demonstration here Saturday.

City officials are planning to bombard all those present with a tiny — and, they say, harmless — dose of radiation without telling them beforehand.

Then, speakers will explain that the dose—not felt, seen, smelled or otherwise sensed—could have been a killer if increased many, many times. A laboratory licensed by the Atomic Energy Commission will furnish the radiation, described as just sufficient to activate a geiger counter. The idea is to dramatize the power of radiation.

new ways of boosting employment and for medical care for the aged—all topics likely to highlight the next session of Congress.

Schoepel said he noted that no present effort is being made to sound out farmers on a new program to replace the one-year farm bill passed in the last session.

"If the administration gets around to this, I think it is going to find some widespread disappointment among the farmers for its failure to come up with a workable program after all of the promises that were made in the 1960 campaign," Schoepel said.

The White House said another series of meetings will be scheduled soon in four or five additional cities at which other topics will be discussed. But it gave no other details.

Politicians generally regard the conferences as having been initiated by Kennedy in an attempt to broaden the base of support for his New Frontiers program, portions of which encountered rough handling from a conservative Republican-Southern Democratic coalition in the session which ended last month.

The White House said the conferences were requested by governors and mayors, but there were some clear indications that the prompting came from Kennedy. All of the states in which they will be held, except New York, have Democratic governors.

Polish Girl Unfolds Story Of Blackmail Of U.S. Envoy

WASHINGTON (AP) — A thin, dark-haired Polish girl is expected today to continue unfolding the story of her love affair with a married American diplomat that led to her arrest on a charge of giving secret documents to Polish Red agents.

She told Wednesday how Polish police burst into her room on Koszykowa Street in Warsaw last Dec. 22 and photographed her in bed and undressed with Irvin C. Scarbeck, 41, at that time second secretary of the U.S. Embassy in Warsaw.

The girl, Ursula Discher, 22, spoke haltingly through an interpreter in federal court, where Scarbeck is on trial for turning over four secret embassy papers to Communist agents. He is said to have been blackmailed by the Red agents.

Last April, Scarbeck engineered the girl's escape from Poland by having a West German friend send her a fake telegram that her nonexistent brother was dying in a Frankfurt hospital. With this, she was able to get a visa from Polish authorities.

The German, Frankfurt police official Friedrich Cordes, told how Scarbeck arranged the hoax telegram and how he joined Miss Discher in Frankfurt. Cordes said she lived with Scarbeck in his apartment there and that Scarbeck paid for a doctor to treat a serious illness she had. Scarbeck later returned to the United States and was arrested here June 13.

Scarbeck's wife, Karen, 37, by whom he has three children, sat through Miss Discher's testimony without visible emotion. She has said she's sticking by her husband.

During Cordes' testimony, Mrs. Scarbeck was allowed to sit at the defense table to help with the interpreting job. She is German-born and met Scarbeck while he was serving in Germany. They exchanged smiles and a few words as she joined him at the table.

Miss Discher said when the police agents burst in on her and Scarbeck, they called her a prostitute and hauled her off to a police station. There they suggested, in the interpreter's words, that "as you are acquainted with an American who happens to be a diplomat, could you cooperate with us?"

The nature of the cooperation was not immediately brought out. Miss Discher said she had trouble with her address registration, and was told she could be expelled from Warsaw.

She denied she was threatened, but U.S. attorney Paul Vincent said: "Perhaps it would refresh your memory if I mentioned the word black market."

Miss Discher said yes, the police and members of the Polish security force threatened to expose her dealings in foreign currency.

Vincent said, "Perhaps it would also help refresh your memory if I mentioned the word prostitution."

The girl said she had been told that if she "indulged in prostitution" she would be given a card "such as all street girls have in Warsaw."

As Vincent prompted her, she several times bowed her head in her hand, said she didn't understand the question, or asked if she must answer in detail.

She said Scarbeck paid the rent on her room on Koszykowa Street, and that she had met him Sept. 5, 1959, after she called the embassy about something. She was living in a store at the time, she said.

After Scarbeck established her in the room, she said, "We met almost daily but it was evenings mostly. Unfortunately we had no place to meet in the daytime."

BIG SPRING DAILY HERALD

Sec. B Big Spring, Texas, Thurs., Oct. 5, 1961 Sec. B

Aftermath

Roger Lewis, 11, and his grandmother, Mrs. Bernard Dahmens, are lost in thought following news of an auto-truck crash which killed Roger's mother, stepfather, sister and four step-brothers. The only surviving member of the family, Roger was at his grandmother's modest resort cabin near Fremont, Neb., when the accident occurred.

Scholar Rips 'Cute Adults'

DURHAM, N.C. (AP)—A Johns Hopkins philosopher today deplored what he termed efforts of American adults to be "childishly cute" despite their age.

Bette Davis Files Suit

NEW YORK (AP)—Bette Davis has filed a million-dollar libel suit against Modern Screen magazine, charging an article in the May issue depicted her as an aging has-been actress with no future.

The suit, against Dell Publishing Co., came to light Wednesday when Dell moved in State Supreme Court to strike out portions of the complaint, including those alleging malice.

Miss Davis, twice an Academy-award winner, contended the article had conveyed the impression that she was "a pathetic, grotesque, ridiculous and eccentric person who occupied herself by morosely ruminating about her past glories and by facing the future hopelessly and fearfully."

Kennedy Slips Off For Prayer

WASHINGTON (AP)—Unnoticed by other worshippers, President Kennedy knelt in prayer at the back of St. Matthew's Cathedral.

He had slipped out of the White House for 20 minutes to join in Wednesday's day of prayer on behalf of peace and freedom which he had proclaimed.

symposium on health and other problems of children, Dr. George B. Boas said: "Actually, adults have tried to return to the state of childhood while incapable of reversing their physical growth."

In this connection he criticized the "pathetic efforts which we Americans, more than any other people, make to be as little children: Our refusal to admit our age, our delight in childhood entertainments, our artificial youthfulness, our love of the cute."

He spoke at a symposium designed to introduce this novel concept: The world's one billion children constitute a single unit—a "commonwealth" of children, transcending all national, racial and cultural boundaries—and that all of them need better support from their elders if world peace is to be achieved.

Speaking on the subject "What Is a Child?" Dr. Boas said: "Pediatricians have their own concepts of childhood. At the Johns Hopkins Hospital, for instance, it was once agreed that a person ceases to be a child at the age of 14. . . . But a person may stop being a psychological child without ceasing to be attached to his old doctors, and frightened by new ones. The use of age groups has been a great convenience to schoolteachers and statisticians, but it has been only a convenience."

In a talk Wednesday night, Dr. Grayson Kirk, president of Columbia University, said that the Soviet Union cannot be entirely blamed for the world's troubles. He declared that a "world revolution" has been under way for some time, with some developing countries choosing a mixed economy and rejecting features of both communism and capitalism.

Calls For Halt

Canadian Foreign Secretary Howard Green gestures as he addresses a meeting of the 16th General Assembly at the United Nations. Green said that the U.N. must find a way to compel nuclear powers to halt the testing of atomic and hydrogen weapons.

Titov Felt 'Seasickness' During Orbit

WASHINGTON (AP) — Soviet astronaut Gherman Titov was somewhat seasick during most of his 25 hours in orbit around the earth, Soviet scientists reported today.

They said preliminary indications were that the nausea was the result of extended weightlessness.

In a paper for presentation to the International Astronautical Federation O. G. Gazenko and V. J. Yazdovsky of the Soviet Academy of Sciences noted that neither U.S. astronaut Alan Shepard, who spent five minutes under conditions of weightlessness, nor Soviet astronaut Yuri Gagarin, who endured zero gravity for more than an hour, noted any comparable disturbances.

One of the medical questions raised by the prospect of space travel has been whether the human system could endure long periods without the familiar effects of gravity.

The paper said Titov retained "a sufficient level of working capacities" at all times and his principal bodily functions were not harmfully affected. However, it continued, he felt during weightlessness unpleasant sensations associated with the ear chamber. Balance is regulated in the inner ear.

These sensations became stronger and stronger during the flight, especially when Titov turned his head sharply or was observing swiftly moving objects. For some time after Titov woke from his nap the sensations decreased, but they did not disappear until he began to feel the spaceship's deceleration on its return into the atmosphere.

"Thus, the sensation of some discomfort accompanied the considerable portion of the flight and resembled seasickness," the paper said.

Lambert Takes McMurry Post

ABILENE — W. D. (Bill) Lambert of Abilene was appointed this week to direct McMurry College's publicity and public relations office during the absence of Jack Holden, recalled as a reservist for a year's duty with the U. S. Army.

Lambert, 37, joins McMurry's staff after 11 years in advertising, public relations, publications and related fields. Holden, long-time staff member of the Abilene Reporter-News who joined the McMurry staff in June, 1960, reports on Oct. 15 for 12 months service as a captain in the Army.

Two Appointments Made To Board

Two new appointments have been made to the staff of officials for the Big Spring Chamber of Commerce, according to Horace Garrett, president.

Quin Grigsby was appointed to fill the vacancy of Clifford W. Fisher on the executive committee. Fisher, formerly manager of the local Southwestern Bell Telephone office, left here in June. The unexpired term is for the remainder of this year.

R. W. Andrews is filling the vacancy of Ted Snider, director who left in February. Andrews will fill the vacancy until 1964.

Methodist Men Schedule Feed

Men of the Wesley Methodist Church have scheduled their traditional flapjack feed for Oct. 10.

The benefit affair finances much of the church's Cub pack, Scout troop and Explorer Post activity for the year.

Hours for the supper will be from 6 p.m. to 9 p.m. in the church fellowship hall, and everyone is invited to take part.

Chemist Thinks Martian Canals Resemble Railroads

WASHINGTON (AP) — A research chemist said today the canals of Mars are so like a man-made rail network and so unlike ordinary geological cracks they raise the possibility the planet may be inhabited.

The chemist, Wells Alan Webb of Berkeley, Calif., said that because the canals raise the possibility of a prior civilization, any

attempt to send manned expeditions to Mars should be preceded by unmanned probes that could "provoke a reaction" and detect any form of intelligent life that may exist.

Webb, an official of Hexcel Products Inc., said a flight near Mars would give accurate pictures of the canal networks, but not enough other information. He

said a second kind of probe should be adopted to give out strong signals and to monitor the radio spectrum of Mars.

If signals or some other action come from Mars in response, he said, they could be relayed to earth by radio, and a study of the signals could lead to the establishment of two-way communication.

An unmanned device to test sur-

face reactions also should precede a manned landing, Webb said.

Webb said that if all nations would join to send to Mars an expedition of men and women, and to keep it regularly supplied, the colonists could establish an artificial society with the sun as the primary source of energy.

People, animals and growing plants would be sustained in an oxygen-enriched atmosphere inside pressurized greenhouses, he said.

Coahoma Den Meets Tuesday

COAHOMA—Six Cub Scouts of Den 3, and two guests, met Tuesday afternoon at the home of Mrs. Bob Achard, den mother.

The meeting opened with the flag ceremony, and the theme for October was discussed. Plans for entering a float in the Homecoming parade were also discussed. Feats of skill were practiced. Refreshments were served by David and Donald Overton.

Has Secrets

Anna Navarro, who is of Spanish descent, confides old world beauty secrets. She will appear in NBC's "The Outlaws" in October.

HOLLYWOOD BEAUTY

Spanish Actress Gives Beauty Recipes

By LYDIA LANE
HOLLYWOOD — Although Anna Navarro was born in New York, she speaks Spanish with as much ease as she does her native tongue.

"My mother taught me," she explained. "When she left her own country, she left her heart behind."

"My mother likes to shampoo her hair with the yolk of an egg, and it always gives the hair a wonderful sheen. I remember when I was a little girl that I used to love to have mother do this because she would use the white of the eggs to make delicious meringue cookies."

"How does she use avocado on her face?" I asked.

"The same way. She mashes the avocado and smooths it on her face and rinses it off after a half hour."

RECIPES FROM THE OLD WORLD

You'll find an assortment of unique beauty treatments in Leaflet M-89, "Grandmothers' Recipes From the Old World." Among the many suggestions are the use of garlic, lemon, cucumbers, tea, carrots, buttermilk and castile soap as home beauty treatments. For your copy send only 10 cents (ten cents) and a self-addressed, stamped envelope to Lydia Lane, Hollywood Beauty, Big Spring Herald.

hour and then rinses it out with lukewarm water before she washes the hair. She feels that the vitamins in the avocado will keep the hair thick and she says that any man who does this will never be bald.

"How does she use avocado on her face?" I asked.

"The same way. She mashes the avocado and smooths it on her face and rinses it off after a half hour."

As we were talking I couldn't help noticing Anna's eyes. "They aren't false, are they?" I asked, taking a closer look.

"No, they are my own," she replied. "My mother, like so many Spanish mothers, rubbed my lashes with oil when I was a baby to make them grow. And I still brush them with oil to keep them from breaking."

"Does your mother have any other old world beauty secrets?"

"Yes, she believes in avocado oil for the face and scalp. Before a shampoo, she takes a ripe avocado and mashes it in her fingers and then rubs this into her hair. She leaves this on for half an

Annual Card Party Is In Hyperion Schedule

Plans for the annual card party sponsored by the club as a benefit affair, were made by members Tuesday afternoon in the home of

Mrs. Ralph Caton. Mrs. Paul Shaffer was cohostess.

Keen Noble Club Has Election

Officers were elected by the Keen Noble Grands Club Monday evening at the home of Mrs. Cass Hill. Those who will serve the ensuing term are Mrs. W. C. Cole, president; Mrs. Garland Land, secretary - treasurer; Mrs. Irene Dempsey, reporter.

Mrs. Grace Martin reported on bake sale plans which is a benefit project to be held Nov. 22. Mrs. Letha Massie gave the treasurer's report and told of a \$10 gift made to the school Bible class fund.

Twenty members present were served refreshments by the hostess, assisted by Mrs. Ted Brown.

The next meeting will be with Mrs. Dempsey, 703 Goliad, Monday, Nov. 6.

Mrs. White Will Head HD Club

Mrs. Ralph White was re-elected president of the Coahoma Home Demonstration Club Wednesday afternoon in the home of Mrs. D. S. Phillips.

Named to serve as vice president was Mrs. Frank Griffith; Mrs. Joe Whitley will be secretary; Mrs. Oscar O'Daniel, treasurer; Mrs. Phillips, council delegate.

Mrs. Whitley brought the devotion, and Mrs. Ray Swan presented a program on drapery making. The group voted to arrange a float for the Coahoma Homecoming parade, Oct. 28.

The next session will be an all-day meeting at the Methodist Church, Oct. 18, at 10:30 a.m. Crafts will be studied and a covered dish luncheon will be served at noon.

Attending the meeting were 14 members and eight guests.

Felts Residence Place Of Meeting

Mrs. Jimmy Felts was hostess for the Kathryn White Circle of the Vincent Baptist Church WMU Monday morning at her home.

Mrs. J. M. Wilson read the prayer calendar and offered prayer. "The World On Our Doorstep" was topic for the program presented by Mrs. Wilson, Mrs. H. L. Moates, Mrs. J. H. Redman, Mrs. Wiley Cunningham and Mrs. Luther Streetman.

After the closing prayer by Mrs. Moates, secret pals were revealed and gifts exchanged. Seven members were reported present.

The next meeting will be Oct. 10 at the home of Mrs. Streetman.

ROUND TOWN

With LUCILLE PICKLE

The mail has brought COL. and MRS. LEONARD EINSTEIN the latest effort of Mrs. Einstein's mother, which has been titled "Dear Man of Affairs." The author, Juliet Lowell, who has the keenest sense of humor, has collected actual letters from people of all stages in life to business men. From the hundreds she read she selected 200 of the funniest. Bob Hope calls her the Bennett Cerf of the post office.

Mrs. Lowell has visited the Einsteins here several times to the delight of their friends. She has a son in New York who is a photographer and it is his picture of his mother that graces the back of the dust cover. The clever illustrations are by William F. Brown. It's good, light reading... which it was meant to be.

For such a little fellow, five pounds, one ounce, JAMES CRAIG DRAKE has a goodly supply of grandparents. The little boy was born to MR. and MRS. JAMES DRAKE Saturday morning, 10:45 at the Howard County Hospital Foundation. The grandparents are the ELMO PHILLIPES and the JACK B. DRAKES; great-grandparents are MR. and MRS. EARL PHILLIPS, Mrs. ALICE RIGGS and MR. and MRS. J. W. BLOCKER of Stanton.

Off on a two weeks vacation to

points in California are MR. and MRS. ALFRED MOODY, who will visit in Santa Maria with their son, A. W. MOODY, and his family; in Long Beach with a brother, VERNON MOODY, and his wife, and in Los Angeles with a cousin, MISS MAY CHERRY.

Each year the reunion of the exes of the one-time North Texas State Teachers College grows dearer to the hearts of those that were students in 1909 through 1913. MR. and MRS. W. F. TAYLOR were in the latter group and joined 23 others in Sweetwater over the weekend for the celebration. Meeting at the Baker Hotel, exes signed in from New Castle, Breckenridge, Bronte, Big Spring, Snyder, Justiceburg, Sweetwater and Elk City, Okla. Of course, the college is now a university and the Teacher's has been dropped but, the spirit of college still brings the old grads together for good times. The Taylors visited MR. and MRS. EDGAR MAJORS in Colorado City, and MR. and MRS. C. C. CATES in Sweetwater.

Mr. and Mrs. Larry Knight announce the birth of a daughter, Cindy, born Monday at the Howard County Hospital Foundation. Grandparents are Mr. and Mrs. Relece Jones of Big Spring and Mr. and Mrs. L. D. Knight of San Diego, Calif.

Candelight Service Held By Forsan WMS

Taking part in a candelight service Tuesday evening, officers of the Forsan Baptist WMS were installed in the fellowship hall of the church. Theme of the service was "We Will Follow Thee, O Christ."

Mrs. Carl Tipple served as installing officer, while Mrs. Joe Hoard was candelighter, lighting a candle for each of the Beatitudes that the officers were instructed to follow.

Taking her place as president was Mrs. Pat Brunton; Mrs. Jesse Lewis Overton will be vice president; Mrs. Jesse Overton, secretary - treasurer. Mrs. Henry Park will serve as program chairman; Mrs. Tipple, Bible study

Sand Springs WMS

A Royal Service program was presented Tuesday morning for members of the Sand Springs Baptist WMS in the home of Mrs. L. C. Austin. Theme of the program and the luncheon served at noon was oriental; 11 were present.

Girl Scouts Will Make Plate Favors

Girl Scouts of Troop 193 will make Thanksgiving plate favors for patients at the VA Hospital it was decided at the meeting of the group Wednesday afternoon in the

home of Mrs. Garland Helton. Also planned is a hike to Birdwell Park from the Helton home on Saturday morning. Another project of the troop is the making of a first aid kit. Slated for Oct. 31 is a costume party at the home of Mrs. Dale McCombs, at 6:30 p.m.

Meeting Dates Slated For Garden Clubbers

Future dates were announced for members of the Big Spring Garden Club at the meeting Wednesday morning in the home of Mrs. Robert Stripling; Mrs. D. S. Riley was greeter for the group.

Oct. 17 has been designated as Garden Club Day at the State Fair in Dallas, members were told; the Tyler Rose Festival is slated for Oct. 20-22.

The fall board meeting of Texas Garden Clubs, Inc., will be held in Waco, Oct. 24-26; Mrs. Obie Bristow will attend the session. Midland will be host to the meeting of the Southern Zone, Texas Garden Clubs, Inc., Nov. 8. Members agreed to assist with

Christmas decorations at the Big Spring State Hospital.

Mrs. John Balch was introduced as assistant leader for the Junior Garden Club; Mrs. Bristow is the organizer and sponsor of the group of 18 youngsters.

It was announced that Mrs. J. E. Hogan and Mrs. V. J. Belda will arrange the club table for the Fall Flower Show, scheduled Oct. 28, at Howard County Junior College. Theme for the show will be Cities of America in Bloom, and

the Big Spring Garden Club will portray the Boston Tea Party in the table arrangements.

Mrs. Hogan presented the program on "How Plants Travel Around the World," telling her listeners that birds, wind and water currents as well as people are responsible for the transportation of seeds.

Mrs. A. C. Bass, 106 Washington Blvd., will be hostess for the November 1 meeting, it was announced. This is a change from the schedule in the yearbook.

P-TA Council Hears Plans For Future Work

The City Council P-TA met Tuesday in Goliad Junior High cafeteria for a get-acquainted session, with announcements of events to take place in October.

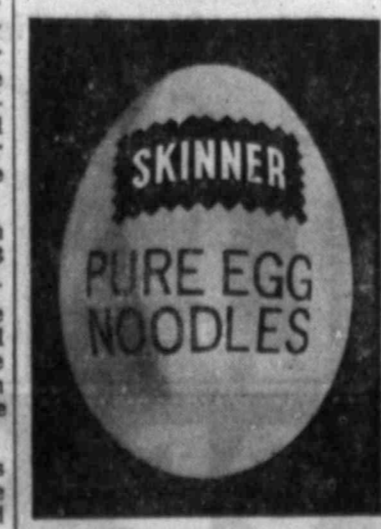

A fall workshop is planned for Oct. 10 in Sweetwater at the Highland Methodist Church. Gathering at 9:30 a.m., workers will be provided nursery service for their children; luncheon will be \$1.25.

A school of instruction has been set for Oct. 24 from 1 a.m. to 3 p.m. at Wesley Methodist Church. Mrs. E. C. Miller spoke to the group of 30 on the work of local units as volunteers at the state hospital. Mrs. Dwight McGann outlined the program for the year.

A letter of appreciation was read from a student at the state hospital who had been assisted by the council in completing his high school education.

Mrs. Loren Warren was elected corresponding secretary. Refresh-

ments were served by Mrs. R. E. Ray, hospitality chairman.

MAJ. E. G. BAUMAN
Maj. Bauman
Leaves Webb

Maj. Ernest G. Bauman, commander of the 3561st Student Squadron at Webb AFB since its activation under the new Undergraduate Pilot Training Program, has been ordered to Laughlin AFB, Del Rio, as the commander of the student squadron at that base. He leaves Webb after a four year tour, and will report at his new base on Oct. 15.

Maj. Bauman is a veteran of 18 years service, three and one-half of which have been spent in overseas commands.

He has been awarded, among other decorations, the Distinguished Flying Cross; the Air Medal with four clusters; and the ETO Ribbon with three Battle Stars. Maj. Bauman is a native of New York.

While at Webb, Maj. Bauman took an active interest in many extra curricular activities. He is a past president of the P-T-A; a member and officer of the Toastmaster's Club; a representative of the Boy Scouts of America; and a member of the Webb Village Council, the Teenage Parents Council, and the Base Exchange Advisory Council. He, also, holds a committee chairmanship in the Webb Officers' Club.

**Plant Move
To South
Is Ruled Out**

WASHINGTON (AP)—The government says a blouse factory can't move to South Carolina over a labor contract dispute and leave its employees in Philadelphia without jobs.

The National Labor Relations Board ruled Tuesday that Sidele Fashions, Inc., must provide jobs for the old employees either in Philadelphia or at the new plant in Ware Shoals, S.C.

It labeled the move South last year an unfair "device to wrest bargaining concessions" from the Garment Workers Union.

The NLRB gave Mac J. Cahn and Sidney L. Schiro, who now operate Personality Sportswear Inc., in Ware Shoals, two choices:

1. Write all employees discharged in the move and offer them substantially the same jobs they had at a reopened Philadelphia plant. The board said Cahn had indicated interest in reopening the plant if he could reach agreement with the union.

2. Offer them similar jobs at the Ware Shoals plant with full seniority and other rights, "dismissing, if necessary, all employees at the Ware Shoals plant," except for those who make an economy line blouse in which the South Carolina plant specializes.

Workers who decide to move to Ware Shoals, the NLRB said, will be paid travel and moving expenses for themselves and their families. Only nine of Sidele's 200 workers have gone to Ware Shoals so far, the board said.

Also, the board said employees should be reimbursed for loss of pay "they may have suffered as a result of the discrimination against them" since the Philadelphia plant was closed in January 1960.

At Ware Shoals, Schiro said the firm would appeal the decision.

**Sands Schedules
Homecoming Fete**

Plans are being completed for the fourth Homecoming at Sands High School, Ackerly, on Oct. 14.

All ex-students and any one interested may attend. Supper will be served in the high school cafeteria between 5-7 p.m. Plates are \$1.25 per person and reservations may be made with Jack Bowlin, FL 3-7270, Mrs. Lonnie Coker, AM 4-7527.

Those planning to attend are asked to make reservations by Oct. 9. There will be a football game at 8 p.m. between Wilson and Sands.

DEAR ABBY

A Case Of Relations

DEAR ABBY: A certain girl and I married brothers. When she introduces me to people she says, "This is my HUSBAND'S sister-in-law." To me I am as much HER sister-in-law as I am HIS. What do you think? PUZZLED

DEAR PUZZLED: Your "sister-in-law" is getting down to the fine technicalities. According to Webster's unabridged dictionary a "sister-in-law is the sister of one's husband or wife; also the wife of one's brother. SOMETIMES, the wife of one's husband's or wife's brother. I presume the "sometimes" means when you want to bring the relationship closer, which obviously is not the case here.

DEAR ABBY: My birthday is soon. I will be 11 years old. I want to have about eight children to my party. My mother said she would give the party and I am very happy about it, but there is one thing that is spoiling it for

me. My mother says I am not to tell anyone that it is my birthday because she doesn't want them to buy presents. Now, Abby, I think that presents are most of the fun at a birthday party. How can I explain this to my mother?

UNHAPPY

DEAR UNHAPPY: Your mother is very thoughtful to be considerate of the guests' pocket-books, but I agree with you. Presents ARE great fun at a birthday party. I hope she reconsiders.

DEAR ABBY: I am a 17-year-old high school senior. I've been dating a certain girl for about four months. For a while I really was crazy about her. The luster has worn off now, and I don't care to date her any more. I don't want to hurt her. I don't want to tell her outright, and I don't want to keep her wondering and waiting. What would be least painful to her?

NO BEAST

DEAR NO BEAST: If you have made no commitments to her (such as asking her to go steady), just start dating another girl or two. If you had an "understanding," and she dated only you, tell her that you want to date others, and she should, too.

CONFIDENTIAL TO GREG: There is no such thing as a "missed opportunity." The ones you missed were used by somebody else.

Helbig Takes On New Chores

Herb Helbig, Howard County's new farm agent, is now on the job. He showed up at the office in the basement of the county court house on Wednesday morning.

"We have bought a home in Kentwood Addition," he said, "but it won't be ready for occupancy before the middle of the month. My wife and new son are in Coleman with her relatives. We have already sold our house in Littlefield. Therefore, I decided I might as well come on down and get to work."

Helbig will replace Jimmy Taylor, county farm agent who resigned effective Sept. 1 to become farm and ranch consultant for the First National Bank.

Helbig said he would devote the first few days in the job to familiarizing himself with reports of what has been done and what is being done. He also wants to orient himself in the county and come in contact with as many residents as possible.

He spent part of his first day on the job at the fair grounds where the 16th Annual Howard County FFA and 4-H Club Pig Show was getting under way.

Sewage, Liquor Cases Among Rulings By State High Court

AUSTIN (AP) — The State Supreme Court has ruled that the Brazos River Authority owes the city of Graham \$139,250 for damage to the city's sewage disposal plant.

The high court agreed Tuesday with the city's contention that the plant was periodically flooded by high waters caused by silting upstream from the authority's Possum Kingdom Lake. The plant was made unusable, the court held.

Lower court judgments that the

authority also must pay \$248,500 for damage to the city's water treatment plant and \$43,000 for Graham's channel reservoir were reversed. The court ordered a new trial on these claims, but upheld lower court decisions concerning the sewage plant.

Graham contended that construction of the dam backing up Possum Kingdom Lake caused silt to be deposited in the old river bed in large quantities, causing upstream floodwaters to rise higher than allowed for in constructing the lake.

The city's attorneys said flooding to the sewage system and water works began in 1951 and recurred through later years, particularly 1957.

The authority argued that Graham still used the public works in question when not flooded. They said the question was one of paying for damages, not whether the authority had actually taken the property for public use without paying for it.

The court held that the damage to the sewage plant amounted to condemnation without payment. The court said no permanent damage was done to the water treatment plant or reservoir. The city alleged these facilities were damaged because flooding sent raw sewage overflowing from the disposal plant into the city's water source.

The court refused to review a Third Court of Civil Appeals decision that a Liquor Control Board

order forbidding Diners Club Inc. to carry out a contract with 26 Texas liquor dealers was unenforceable.

The court, in effect, upheld an injunction issued by a district court here against enforcement of the liquor board order. The contract enables the club to purchase its members' charge accounts with liquor dealers at a 6 1/4 per cent discount and assume collection. Package stores in Amarillo; Austin, Big Spring, Dallas, Fort Worth, Odessa, San Antonio and Wichita Falls were parties to the contract.

Church Gets Parking Gift

LAMESA (SC)—O. E. Dunlop, longtime Lamesa resident, has deeded two vacant lots, valued at \$20,000, in Lamesa to the First Methodist Church.

Dr. E. D. Landreth, pastor, said the property would be used for parking facilities. Dunlop, who has been a member of the church for more than 50 years, was represented in the presentation by his attorney, R. B. Snell.

Band Boosters See New Uniforms

Band Boosters took a look at the new red and white uniforms for Rannels Junior High at a meeting Monday night at the High School Band Hall.

The members planned a chili supper Oct. 20. It will be served from 5 p.m. to 7:30 p.m. before the homecoming game. Tickets are \$1 for adults and 50 cents for children 12 and under.

Refreshments were served to the 22 persons present. Band Boosters meet the first Monday of each month at the Band Hall.

Dr. Tamsitt Awarded Grant

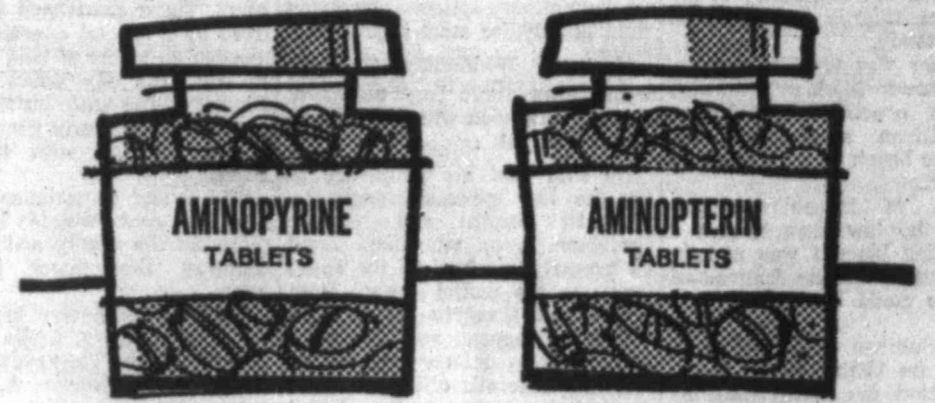

Dr. J. R. Tamsitt, son of Mrs. A. D. Brown, Ackerly, was recently awarded a travel grant from the Rockefeller Foundation to enable him to study in the American Museum of Natural History and the U.S. National Museum.

Dr. Tamsitt is with the department of biology at the University of the Andes, Bogota, Columbia, South America. He is a 1958 graduate of the University of Texas.

He plans to visit his family in Ackerly before returning to South America in January.

Cuisine Receives International Flavor When The Tautes Entertain For Dinner Guests

From Far-Away Places

Mrs. Augustus Taute in hostess attire at her residence on Albrook. Silver chafing dishes, frequently used, are placed on low mahogany tables of Oriental design. The tables and small stools were made in Peru from one slab of mahogany. Also from far off places are the recipes which Mrs. Taute has collected, prepared, approved and recommends to those who relish extraordinary cuisine.

From South American neighbors, from Okinawa, from Chinese friends and from her mother's kitchen in Minnesota, Mrs. Augustus Taute has chosen recipes for today's feature.

"Gus, Col. Taute, is the one who likes experimenting with unusual dishes and really understands their preparation better than I. I like to sew and create things with my hands," Mrs. Taute explained. Her friends, however, believe that she is an exceptional cook and hostess.

A hat in the making was on the table where she copied her recipes. Only recently she began a class of instruction on styling and creation of hats. The new class numbers 30 pupils, all wives of men stationed at Webb AFB.

The Taute family, whose residence is No. 3 Albrook, includes son Chip, 19, a student at Howard County Junior College, and Annette, 11, who attends Marcy School.

Annette's first piece of handwork was embroidery of her own design which was done when the Tautes lived in Lima, Peru. Her mother believes that a happy child is a creative one and she has plans for Annette to begin weaving, again creating her own design. It is also planned that the brother, Chip, should make the loom.

In Peru the Tautes with other friends interested in exotic food and culinary prowess, formed a club. Each meeting was an adventure, for members were required to serve an unusual dish, different from any other served at previous meetings.

While discussing her collection of recipes, Mrs. Taute pointed out that the secret of success when serving Oriental and Peruvian dishes is the "ceremonial art of blending and serving of the finished product piping hot." She also stated that the advance preparation is also of almost importance. Frequently used when entertaining are chafing dishes. Mrs. Taute notes that rice as prepared by the women of Okinawa is very similar to the basic food of the Peruvian Indian women.

"ARROZ CON PATO A LA PERUANA" (Rice and Duck)

1 duck, cut in pieces
 1/2 cup ground hot peppers
 1/2 cup vinegar or enough to cover meat
 1/2 tsp. cumin seed
 1/2 tsp. "achiote" (annatto)
 1 tsp. salt
 1/2 tsp. pepper
 Clean heart thoroughly, removing nerves and fat. Cut in small pieces.
 In a bowl put the garlic, hot peppers, vinegar, cumin seed, "achiote," salt and pepper and mix well. Marinate meat in this sauce overnight. If necessary add more vinegar so that meat is completely covered.
 Place pieces of heart on wooden or metal skewers and cook on a spit or rack over direct heat, basting.

and rice. Season and cook for 10 minutes over high heat.
 Reduce heat and simmer about 15 minutes or until rice is dry. Five minutes before removing from heat add 1/4 cup oil and stir lightly.

CHICKEN OR TURKEY CURRY (American Style)

1 can drained mushrooms (4 oz. size)
 1/4 cup butter
 1/4 cup flour
 1 tsp. salt
 1 1/2 cups liquid (broth, mushroom juice, coconut milk or water)
 1/2 cup top milk or cream
 2 to 3 cups diced cooked turkey or chicken
 1/2 cup shredded or finely chopped coconut (preferably fresh)
 1 tsp. curry powder
 1/2 tsp. ginger
 1/4 tsp. celery seed
 1/4 tsp. white pepper
 4 to 6 cups cooked rice
 Dice the cooked turkey or chicken. Prepare rice and keep warm. Grate or chop the coconut if fresh is used.

With guests gathered around, melt butter in blazer pan of chafing dish. Add mushrooms and brown. Add flour and salt. Stir until blended. Add liquid plus milk or cream.
 Stir over flame until rich and creamy and thoroughly cooked. Add turkey or chicken, coconut and seasonings.
 Stir until turkey is heated through, then place over hot water and continue cooking until all ingredients are well flavored. Serve hot over rice. Serves 6 to 8.

ANTICUCHOS (Beef Heart in Hot Sauce)

1 beef heart
 2 cloves garlic, ground
 1/4 cup ground hot peppers
 1/2 cup vinegar or enough to cover meat
 1/2 tsp. cumin seed
 1/2 tsp. "achiote" (annatto)
 1 tsp. salt
 1/2 tsp. pepper
 Clean heart thoroughly, removing nerves and fat. Cut in small pieces.
 In a bowl put the garlic, hot peppers, vinegar, cumin seed, "achiote," salt and pepper and mix well. Marinate meat in this sauce overnight. If necessary add more vinegar so that meat is completely covered.

Place pieces of heart on wooden or metal skewers and cook on a spit or rack over direct heat, basting.

 SUN-FLAVORED TO A GOLDEN GOODNESS

ing with the following sauce.

"ANTICUCHOS" SAUCE
 1/4 cup ground hot peppers
 1/2 cup oil
 3 tbsp. vinegar
 2 tbsp. of the marinade
 Fry the hot peppers in oil; add vinegar and marinade.

JAPANESE SHRIMP

1 1/2 pounds raw shrimp
 2 cups milk
 Shortening for frying
 1/2 cup flour
 2 beaten eggs
 Salt and pepper
 Peel the shrimp all but the tail which should be kept intact. Remove black vein and soak shrimp in milk for 2 hours.
 Heat the shortening in deep frying pan. Holding shrimp by tail, dip in flour, then in egg and again in flour. Drop them into the very hot shortening and cook for 3 to 4 minutes or until lightly browned.

Remove from pan and place on absorbent paper to remove excess grease. Season with salt and pepper and serve hot with sauce made of 1/2 cup soy sauce and 2 tps. horseradish.

CHINESE RICE OR PERU'S ARROZ CHAUFA

3 tps. shortening
 1/2 pound fresh shrimp (washed and peeled)
 1/4 pound pork (fried and chopped)
 1/2 pound ham (chopped)
 4 cups cooked rice
 1 slightly beaten egg
 2 tps. soy sauce
 1/2 cup scallions (chopped)
 1 egg
 1/2 tsp. baking powder
 Salt and pepper to taste
 1 tsp. flour
 Shortening for frying
 Fry shrimp. Add the pork and ham and then the rice and beaten

egg. Stir well and cook for a few minutes. Add the scallions and soy sauce and mix together. Cook for 5 minutes. Make an omelet with the other egg, baking powder, flour, salt and pepper. Cut into small pieces, and add to rice mixture. Serve very hot.

ITALIAN CHEESE MEAT BALLS

3 slices dry bread
 1 lb. chopped beef
 3 tps. grated Romano or Parmesan cheese
 2 tps. minced parsley
 3 eggs, slightly beaten
 1 section garlic, chopped
 1 tsp. salt
 1/4 tsp. pepper
 6 tps. olive oil
 Serve these as main dish or with spaghetti and tomato sauce. Moisten the bread, mix with the meat, cheese, parsley, eggs and the garlic. Season, shape in balls. Heat the oil in the chafing dish pan over direct heat. Cook the balls 10 minutes or until cooked through and browned on all sides. Serves 4.

SWEDISH ALMOND DROP

1/2 lb. almonds
 1 cup sugar
 1 tsp. grated lemon rind
 3 egg whites
 2-3 tps. cinnamon
 Wash almonds, then dry in moderate oven. Put through food chopper.
 Beat egg whites until stiff. Add sugar gradually. Fold in ground almonds, lemon rind and cinnamon.
 Drop by teaspoonful onto greased cookie sheet. Bake about 15 minutes in slow oven.
 When cool store in tightly covered jar. These cookies will keep for a long time and will improve in flavor.

Menu-Sparking Onions Provide Special Touch

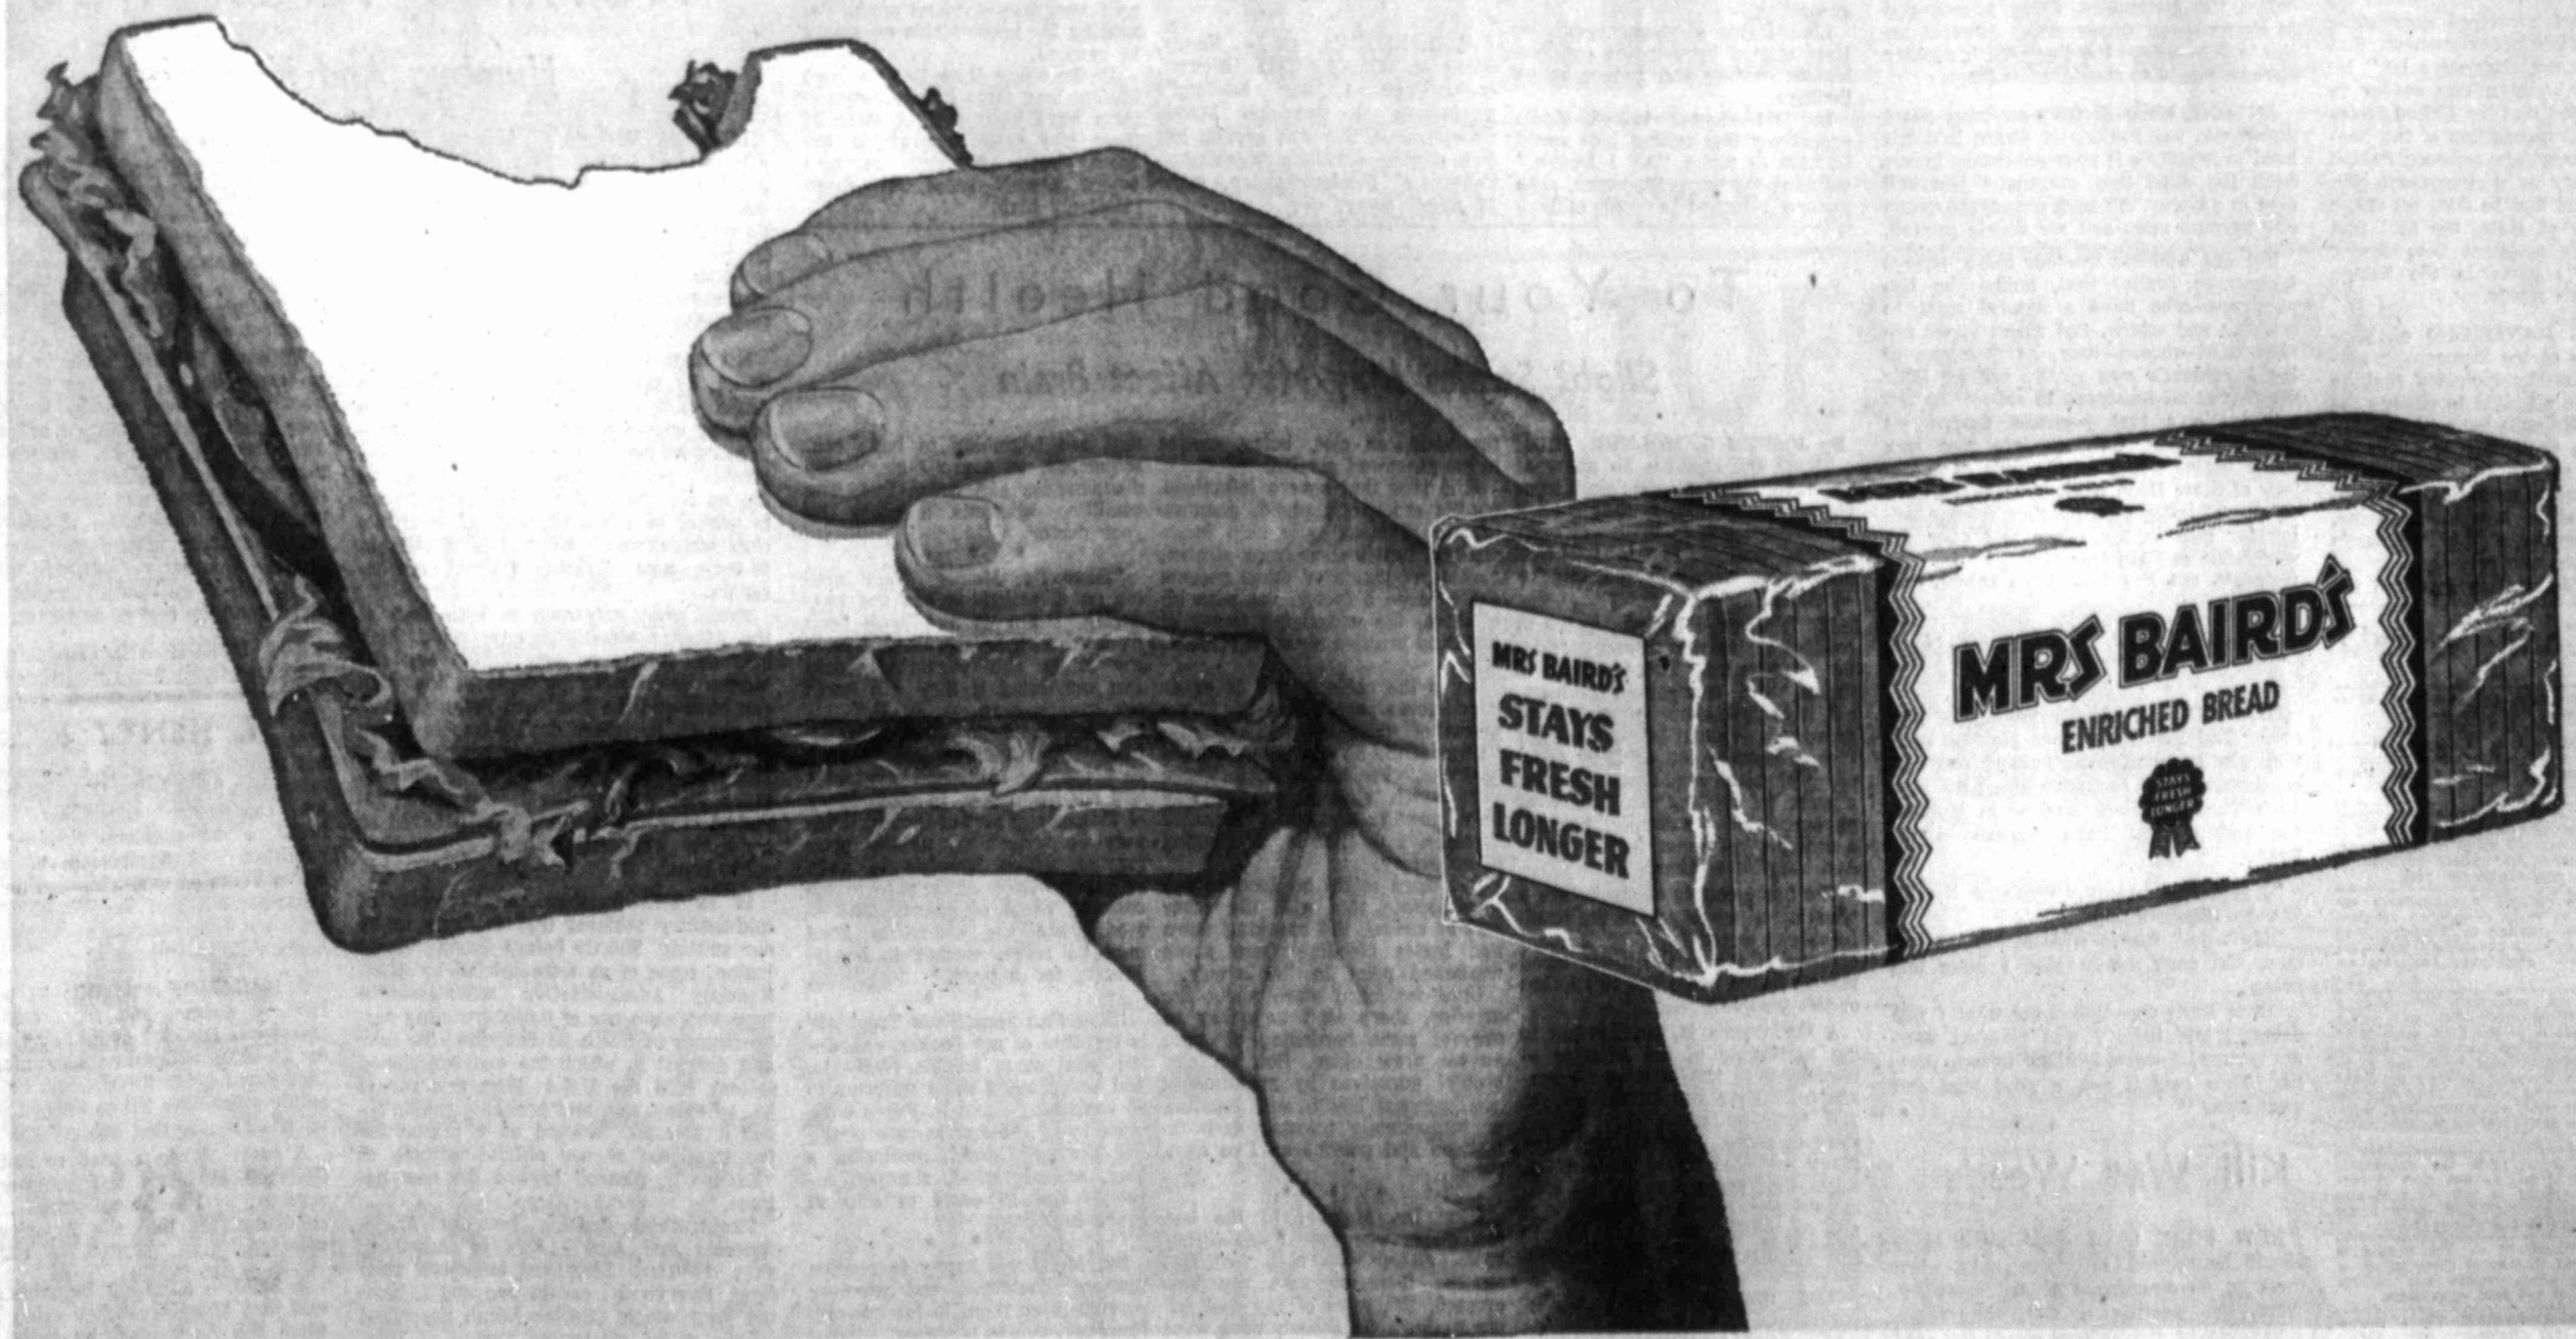

Menu-sparking onions are plentiful this month.
 Try a tangy hamburger surprise center of chopped onions and Worcestershire sauce. To prepare, make thin hamburger patties, using your favorite onion-laden recipe. Put a spoonful of an onion-Worcestershire sauce mixture between two patties and pinch the edges together. Broil or pan-fry 15 minutes, turning once.
 Cooked, diced meats in pot pies.

chop sucy, stews and hash are enhanced by small, whole onions.
 Pork and onion curry is a spicy entree. Brown cooked and cubed pork and thinly sliced onion in butter. Use one medium onion for each cup of pork. Combine seasonings—thyme, salt, curry powder and pepper—with enough flour to make a medium-thick sauce.
 Stir flour into drippings and add milk, stirring until mixture is smooth and bubbly. Cover and

cook 10 minutes over a low heat. Serve over hot buttered noodles and rice.
 Swiss steak and ragout of beef are sure hits when cooked in a tomato-onion sauce. To a tomato sauce base, add sliced onions sauteed in butter, or onion rings browned "til crisp" in butter.
 Cook thinly sliced onions in a buttered pan until tender, and remove from pan. Sauté chicken livers (5 to 8 minutes).
 Re-butter pan, add light cream

and heat. Stir in onions, livers, sliced hard-cooked eggs, curry powder, salt and pepper.
 Serve this delicious creamed delight over noodles, plentiful rice or English muffins.
 Shish kabobs are gay treats. They are skewered meat cubes alternated with small vegetables or relishes and broiled to taste-tempting perfection. For variety, baste the meat cubes with an onion-flavored sauce.
 For subtle enhancement, marinate lamb cubes 2 hours in a mixture of olive oil, sliced onion, ground cumin seed, crushed rosemary, pepper and salt.
 Drain and broil 15 minutes, turning frequently for a uniform browned goodness. This eye-appealing buffet or dinner treat is equally good served on the skewer or in a toasted buttered hotdog roll.

New president of Las Artistas is Mrs. Don Bohannon.

Elected with her were Mrs. Bill Unger, vice president; Mrs. E. A. Jones, secretary; Mrs. E. A. Jones, treasurer; and Mrs. Bill Ragsdale, reporter.

Highlighting the election meeting was the showing of slides displaying paintings by Mrs. Alyce Hart of Lamesa. Leonard Ware narrated.

Members selected Oct. 28 for their annual sidewalk show, to be chaired by Mrs. Bismarck Shafer and Mrs. Bohannon.

Speaking of art: Here are some of the local winners in various categories of the Dawson County Fair:

Alice Bently, first in oil portrait, second in pastel portrait; Anna Shannon, first in pastel landscape (the same work being fourth in show); Sarah Whittington, second in oil animals; first in water color; second in oil still life; Blake Tollett, first in oil abstract; Connie Carver, first in oil landscape; and Terry Patterson, (professional division) first in oil abstract, still life, pastel, abstract portrait, pastel portrait and oil portrait.

If you're single, over 21, and have Thursday evenings free, you

might drop over to the YMCA about 8 p.m. It's the Bachelors and Belles Club, and it operates on the theory that loners ought to get together once in awhile.

Mary McConkey, coordinator, stresses the fact that there is none of the tedious over-organization usually associated with social groups. It's just a loose herd with a common interest — getting to know others — and on any one night no one knows what's up. It may be swimming, volleyball, dancing, or a picnic and wiener roast on scenic.

Maybe I'm a traitor, but it always gladdens my cockles to see the critics dumfounded. Too many of my colleagues (small towns and big time) grow ego gardens, play God, and forget that no matter what their sophistication or enlightenment in the arts, nothing they can write can be anything but personal opinion. Now, a professor of drama or art or music, or a top performer, may pontificate upon certain cultural topics, but it's still just an opinion, albeit often an expert one. And the mediocre mind in the third row may have an opinion, too, it being his constitutional right.

Not even the experts always are

and this is one emotion which the self-styled sophisticate abhors even more than old-time religion. All of which moves this critic to inquire—what's wrong with sentiment, so long as it's honest?

It's like the extreme right-wing politician who was deafening a dinner audience with a baragous against the do-gooders; he quickly ended his speech when someone at the other end of the table wanted to know, "What's wrong with doing good?" Hours later, the politician thought of a belated answer: "There's nothing wrong with doing good; but there's a world of difference between doing good and do-gooding."

And it's the same with the use of sentiment on stage. The hollow sentiment of the Victorian Era which masked a sick, twisted, bigoted society has been thrown up by modern American audiences, and rightly so. But the pseudo sophisticates have tried to exude all sentiment in the name of realism.

The true sophisticate is a well-informed, intelligent person with normal emotions, capable of making himself comfortable at any level of society, and equally appreciative of the entire spectrum of human emotion, including sentimentality. He may poke gentle fun at times, but he never sneers. Americans may still be mediocre in their artistic tastes, but they are steadily improving. Their choice of "The Sound of Music" over a long list of human-animal dramas may mean only that the public is getting as nauseated at the cannibal-hothead-homosexual themes as the previous generation was over the sweet nothings of the Victorian Age.

Well, anyway, you know, the foregoing is just my opinion. The road show version of "The Sound of Music" will play through the State Fair at Dallas Oct. 7-22, with Florence Henderson as Maria.

Information may be obtained from The State Fair Box Office, 1315 Elm Street, Dallas, Texas. The Texas Prison Rodeo continues this Sunday. Aside from the usual thrills, cowboy star Rex Allen and his horse Koko will be on hand to entertain. So will Candy Barr, we're told.

Kennedy Tests New Attack Against Race Discrimination

BALTIMORE, Md. (AP)—President Kennedy is testing a new attack on discrimination in the United States along a 50-mile Maryland highway corridor.

He has sent his generals behind the lines. Their aim is to knock out discrimination by restaurants toward Negro travelers.

Their weapon is persuasion. They want the home town people to persuade the restaurant owners that the community will back them if they end discrimination. A task force from the White House started a campaign Sept. 25 to convince the people such action is needed in the international cold war. The different approach was staged suitably on an Army proving ground at Aberdeen, Md.

The site is approximately halfway on a Maryland stretch of U.S. 40 between Baltimore and Delaware. It is a link in the direct route between Washington and New York.

With more and more diplomatic representatives from Africa traveling between the two cities, the State Department has said it is gravely worried over "segregation incidents."

Pedro Sanjuan, assistant chief of protocol in the State Department, has said that "during a period of two weeks four African ambassadors were humiliated by private restaurant owners on Route 40 in Maryland."

One of them was refused a cup of coffee while en route to present his credentials to the President of the United States. Sanjuan and other White House representatives declared "statistics prove that the majority of

these (discrimination) incidents are likely to take place" on Route 40 north of Baltimore.

Sanjuan told the 200 invited guests at Aberdeen: "Through your influence in your community you can do a great deal to convince those who own segregated establishments that here in Maryland—for all the world to see—the ideals of freedom and democracy must be practiced."

With Sanjuan at the luncheon were Harris Wofford, President Kennedy's special assistant on civil rights, John Field, executive director of the Committee for Equal Employment Opportunity, Irving Maness, deputy administrator of the Small Business Administration, Richard H. Sanger of the State Department's bureau of African affairs.

A telegram from President Kennedy asking for support of the campaign was read.

Sanjuan said the State Department did not mean to single out Maryland in its campaign against discrimination.

"Similar unfortunate situations have occurred in Northern and Southern states alike," he said. He said the State Department plans to use the Maryland approach in 29 other states.

Without any laws requiring open public accommodations there have been relaxations recently in Maryland.

Ports Closed

MEXICO CITY (AP)—The Ministry of the Navy has ordered all ports along the Gulf of Mexico closed to shipping because of threatening weather.

To Build Space Flight Center

FORT WORTH (AP)—The Army Corps of Engineers of the Fort Worth district will build the \$80 million manned space flight laboratory on Clear Lake, about 25 miles from Houston.

This was announced Wednesday following talks at Fort Worth with National Aeronautics and Space Administration officials from Langley Field, Va.

Clear Skies Greet State

By The Associated Press
Clear skies and crisp temperatures greeted Texans Thursday as a slow rising warming trend edged across the state. This movement of warm air followed a day when records for low temperatures fell all over the state. Freezing weather gripped the Big Bend town of Alpine Wednesday with a reading of 29 degrees and several others posted the coolest Oct. 4 in Weather Bureau history.
