

BASIN CHAPTER OF AAOOWDC HELD MEETING MONDAY

The Permian Basin Chapter of the American Association of Oil-Well Drilling Contractors held meeting in the Crystal Ballroom of Hotel Scharbauer in Midland Monday.

Approximately 75 contractors, toolpushers, drillers and others interested in the drilling end of the oil industry in this area were present.

Principal speaker was E. C. (Ned) Brown of Long Beach, Calif., head of Brown Drilling Company of that city, and president of the association for 1948.

Others on the program were J. E. (Ed) Warren of Midland, immediate past president of AAOOWDC; Brack Mills, executive vice president; and J. Doye Settle, secretary of the group, both from headquarters in Dallas; and John Woodruff, of Austin, who is in charge of the educational programs the contractors are sponsoring in cooperation with the University of Texas.

Various activities of the organization, including research on drill pipe failures, safety work, efforts to secure more tubular goods, and insurance problems were discussed.

George F. McQueen of Midland and Fort Worth, vice president of the organization for the Permian Basin, presided at the gathering.

NORTH PECOS PROSPECTOR MADE SPRAY OF DISTILLATE

C. W. Chancellor, Slick Oil Company, J. C. Williams and Alvin L. Ataway No. 1 Thornton Davis, North Pecos County wildcat sprayed distillate and showed a heavy gas volume in a drillstem test in the Ellenburger at 9,115-75 feet.

Those shows indicate that the prospector has possibly discovered a new field for production from the deep pay. It is 1,980 feet from south end of east line of section 105, block 8, H&GN survey, and two miles west of the Pecos Valley field.

As soon as the tool was opened for the drillstem test, gas showed at the surface. Some drilling mud was unloaded and then the drill pipe started spraying distillate. The flow of gas and distillate became so heavy the tool was closed at the end of 45 minutes.

The gas volume was estimated at from five million to 20 million cubic feet per day. Operator was pulling the drill pipe at last report. The project was to core ahead and will shortly run another drillstem test.

TEXACO TO TEST 'BURGER' IN NORTH CROCKETT PROJECT

The Texas Company No. 1-U State of Texas, North Crockett County wildcat, three miles south of Barnhart, and 680 feet from north and 668 feet from west lines of section 22, block 40, University survey, had drilled by lost tools to total depth which has been estimated to be at 8,953 feet by Lane Wells survey.

Operator set casing on bottom and has perforated at 8,670-8,750 feet. A natural swabbing test was made, and then the perforated zone was to be treated with acid.

This project had gone through a prolonged series of fishing, drilling by, and other troubles.

The Lane wells log showed that the base of the black shale was at 8,660 feet, to give it a minus of 5,966. Top of the Ellenburger was at 8,706 feet, to make that mark minus 6,041.

SE LEA DISCOVERY HAD MORE SHOWS IN MCKEE

Gulf Oil Corporation No. 6 La Munyon-Federal, southeast Lea County wildcat, about 10 miles south of Eunice, and midway between that town and Jal, and 766 feet from north and 554 feet from east lines of section 28-238-37e, ran a two hour drillstem test at 9,200-9,273 feet, in the McKee section of the Simpson.

Gas showed at the surface in one hour and 30 minutes; The gas volume reached a maximum of 450,000 cubic feet per day during the period.

Recovery was the 1,350 foot water blanket, which was slight shows of oil and gas, and 180 feet of oil and gas cut drilling mud.

Open flowing pressure varied from 200 to 450 pounds. Shutin bottom hole pressure was 4,300 pounds. The exploration was to core ahead.

On a previous test at 9,348-81 feet, this well flowed 42 barrels of 42 gravity oil in 30 minutes, and had a maximum gas volume of 528,000 cubic feet per day. That was also in the McKee.

E-C CULBERSON VENTURE IS DRY AND ABANDONED

Fresport Sulphur Company No. 1 E. C. Chandler, East-Central Culberson County shallow wildcat, 24 miles southwest of Oria, and 1,320 feet from south and 700 feet from west line of section 15, block 114, psi survey, is reported by unofficial sources to have bottomed at 1,728 feet in Delaware sand, and to have been plugged and abandoned as a dry hole.

This development is credited with having logged some slight shows of petroleum in the Delaware but none of them were of anything like commercial quantity.

LION COMPLETES SHALLOW SOUTH CRANE DISCOVERY

Lion Oil Company No. 1 G. H. Cowden, wildcat discovery from the upper Permian in South Crane County, four miles southwest of the town of Crane, and 860 feet from north and west lines of section 14, block CCSD-BNG survey, has Continued On Page 10

Senate Puts GOP Tax Slash 'On Ice'

Venezuelan Plot Is Nipped In Georgia

AUGUSTA, GA. —(AP)—A cargo airplane and two bombsights which the president of Venezuela charged were for use in an attack on the capital of Caracas have been discovered here, the Augusta Chronicle said Tuesday.

President Romulo Betancourt said in Caracas two planes left the United States and loaded bombs at Nicaragua "with the presumed objective of bombarding the capital of the republic."

He said he had cabled Nicaraguan President Victor Roman Y. Reyes that the planes, carrying 27 armed, hostile Venezuelans had stopped over at Puerto Cabezas, Nicaragua, last month.

FBI agents have been investigating for some time sale of three airplanes from Bush Field near Augusta, believed to have been destined for a South American country, the Chronicle reported.

Two B-24s were sold to the Texas Engineering and Manufacturing Company of Dallas, Texas, last

Southern Demos Talk Party Split

DALLAS —(AP)—H. L. Howard, executive vice president of Texas Engineering and Manufacturing Company, said Tuesday his company has not handled any surplus B-24 (Liberator) Army bombers.

"Temco could not have been involved in the deal," Howard said, since we have not handled any orders for remodeling and rebuilding B-24s."

A check of Dallas aviation firms failed to disclose an Aero Maintenance and Sales Company here.

Summer, the paper continued, and eventually resold to a man who gave as his address a New York City hotel.

Amarillo Man Involved The Aero Maintenance and Sales Company of Dallas bought a C-46 cargo plane and sold it to the same New York party, the Chronicle added.

That plane is now said to be at Daniel Field, Augusta, where it has been grounded by the Civil Aeronautics Administration since it was flown to the field by Edward Browder, Jr., of Amarillo, Texas, January 26, the Chronicle said.

Browder is free on \$10,000 bond, pending appeal of his sentence to a year in a federal prison on a conspiracy charge in connection with a Bush Field machine gun theft last year.

The Chronicle said two obsolete bombsights which have been discovered were shipped to Browder at Daniel Field and later were left at a negro poolhall in Augusta, where they were recovered by FBI agents.

All the planes were Army surplus.

OFFICERS ARRESTED

CARACAS, VENEZUELA —(AP)—The newspaper El Nacional reported Tuesday the arrest at Maracaibo of three retired army officers and a civilian. Official circles did not comment. The newspaper said conditions in Venezuela are normal "despite all kinds of rumors."

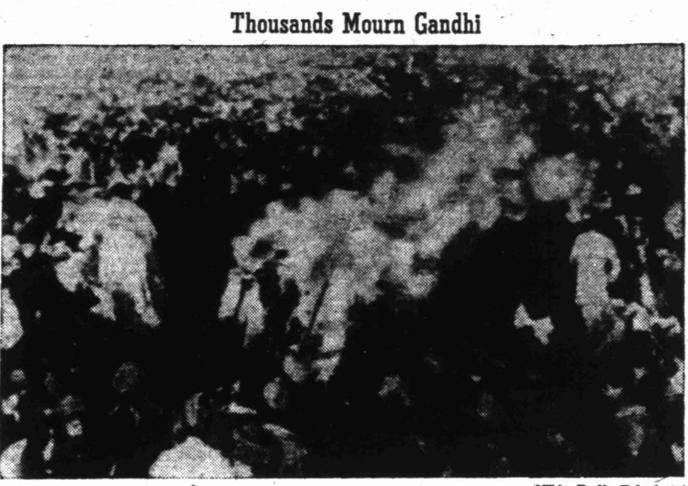

WEATHER

Mostly cloudy, rain in Panhandle, South Plains and from Pecos Valley eastward Tuesday night. Colder in El Paso area and slightly warmer elsewhere in West Texas Tuesday night. Wednesday mostly cloudy and colder with rain or snow in Panhandle and South Plains and east of Pecos River. Maximum temperature Monday was 49 degrees, minimum 39 degrees. Minimum temperature Tuesday was 42 degrees.

Taft Vs. Taft

(NEA Telephoto) Testifying before the Senate Foreign Relations Committee on the Marshall Plan, Charles F. Taft, Cincinnati, O., attorney, lashed out at Senate Republican members, including his older brother, Sen. Robert A. Taft, who seek to divorce the Marshall Plan from State Department control and cut foreign spending. He said ERP would fail if Congress gave only "grudging, half-hearted" aid to western Europe.

Thousands of mourners gather around the flaming funeral pyre of Mohandas K. Gandhi during the Hindu cremation. The cremation took place on the banks of holy Jumna River near New Delhi, India.

Fire Injures Two Children

Two small children of Mr. and Mrs. Ebb White were seriously burned Tuesday morning at the White residence on West Texas Street.

The two are Glynn, six, and his sister, Elizabeth Ann, three. Another small child of the Whites' was not burned. Both received burns on the face and body.

Firemen said the blaze resulted when a cleaning fluid was being used to clean a playroom and was ignited from a heater.

Several children reportedly were in or around the playroom of the residence.

Police rushed the burned children to a doctor's office. The fire was quickly extinguished by firemen.

Congress Hears Sky-Limit Rent Boost Proposal

WASHINGTON —(AP)—A proposal to permit "voluntary" sky's-the-limit rent increases popped up in Congress Tuesday. A decision was near meanwhile on another cost of living issue—meat rationing.

The suggestion for no-celling rent boosts—outlined by Senator Cain (R-Wash.)—Cain is chairman of a Senate housing subcommittee studying legislation to extend rent control beyond February 29.

The Washington senator told Rent Administrator Tighe Woods some committee members consider such a plan as the best way to speed the end of rent controls.

Meat Ration Hope Dim Under the plan, tenants could refuse to agree to an increase but could not demand lease protection beyond the expiration of controls.

On meat, another banking subcommittee called Charles F. Brannan, assistant secretary of agriculture, for further testimony on a bill by Senator Flanders (R-Vt.) authorizing the government to get ready for rationing. The decision on whether to put the program into effect later would rest with Congress.

The Vermont senator said that after hearing Brannan, the subcommittee might vote on the bill. He declared prospects for approval remain dim.

AFL Turns 'Thumbs Down' On Wallace

MIAMI, FLA. —(AP)—The AFL turned thumbs down on Henry A. Wallace for President, Tuesday and indicated it might pick a one-time isolationist senator, Goodrich Wheeler (D-Mont) to lead its new political campaign.

The AFL Executive Council opposed Wallace's third party candidacy for President on the ground he was an "apologist" for the Communist Party, and added the AFL would not be "hoodwinked" by Communist claims of liberalism.

Boy Scout Ranch Campaign Leaders Attend Informational Meeting Here

Plans for staging the Buffalo Trail Council Boy Scout Ranch campaign were outlined, facts concerning the proposed Davis Mountains campsite were presented, and colored picture slides depicting the scenic grandeur and beauty of the area were shown at an informational dinner-meeting for "development committee members, Scout officials and friends of Scouting, and their wives, Monday night in the Crystal Ballroom of Hotel Scharbauer.

Guy W. Brenneman, general chairman of Scout family solicitation, and a past president of the Buffalo Trail Council, presided, and Roy McKee gave the invocation.

Paul Moss of Odessa, Big Gifts Division chairman; Charles L. Klapp

Thousands Mourn Gandhi

Thousands of mourners gather around the flaming funeral pyre of Mohandas K. Gandhi during the Hindu cremation. The cremation took place on the banks of holy Jumna River near New Delhi, India.

3,000,000 Strike For Food Increases

STUTTGART, GERMANY —(AP)—Great areas of the British-American occupation zones were paralyzed Tuesday. Between 2,000,000 and 3,000,000 German workers went on a 24-hour strike to protest food shortages.

In the strike-bound American Zone State of Wurttemberg-Baden, Gen. Lucius D. Clay, the U. S. military governor, told German lead-

ers: "I have nothing to criticize about this type of action."

He added, however, that hunger strikes would not serve to bring the Germans more food from America.

Clay's private train brought him to Stuttgart over rail lines that had been idle since midnight.

Three simultaneous strikes began at midnight over an area reaching from Hamburg to Stuttgart, the greatest mass demonstration of this type yet held in Germany.

Streetscars and trains stopped running at the appointed hour. Only vital utilities continued to operate.

Against German Officials About 1,000,000 workers are involved in the Wurttemberg-Baden tieup. The strikers have adopted the slogan, the "unequally laden table."

The walkouts appear to be aimed against German food officials rather than the occupying powers.

Most of the strikers in the British sector are office workers seeking food rations equal to laborers.

Labor leaders are demanding a more even distribution of food, much of which is being diverted into the black market.

Both the British and American military governments have declared a policy of non-intervention.

Communists have been reported trying to horn in on the strike movement. Union and military government officials concurred in the opinion that the walkouts were not, in the main, Communist-inspired.

Recently mass demonstrations against food shortages have been called in the industrial Ruhr and the U. S. Zone State of Bavaria.

Most Of Texas Gets Promised Rainy Day

By The Associated Press Texans who have been saving up for a rainy day had a chance to spend their money Tuesday.

Rainy conditions ranging from drizzles to heavy falls prevailed over all of the state except the far West. Milder temperatures, replacing last week's severe cold, were general. The only sub-freezing weather Monday night was in the Panhandle and the mountain country.

The heaviest rains fell in the Gulf and central portions. Rain in the Panhandle was not heavy enough to be of material assistance to crops. Amarillo had only .03 inch, Lubbock .01.

Palestine Tense As Arabs Admit Bombing

JERUSALEM —(AP)—The commander of Arab fighters in Jerusalem said the action against the Zionists, English language daily, paper was taken "to prove we could strike at the heart of our enemy."

There was tension here Tuesday as Jerusalem awaited an expected reprisal blow by the Jews.

Nine persons died Monday in sporadic communal warfare, boosting the unofficial death toll in Palestine since the United Nations Palestine decision November 29 to 1,027.

Reds Blame British For Gandhi's Murder

MOSCOW —(AP)—A Tass dispatch from Rome Tuesday quoted the Communist newspaper Unitas as saying Mohandas K. Gandhi's killer "most probably acted at the instigation of the British Secret Service."

House Bill Faces Delays, Reduction

WASHINGTON —(AP)—The Senate put the Republican tax cutting bill on ice Tuesday. The bill may stay in the cooler for two months or more.

And when it does come up for a Senate vote, it probably will call for less than the \$6,500,000,000 cut overwhelmingly approved by the House.

The GOP measure rocketed through the House Monday by a 297 to 120 count. That is 19 votes more than the two-thirds majority needed to override a veto.

Only one Republican—Rep. H. Carl Andresen of Minnesota—voted against it. Sixty-three Democrats voted for it.

But Senator Taft of Ohio, chairman of the Senate Republican Policy Committee, told reporters he doubts that the Senate will be able to override a veto unless the amount of revenue loss is reduced.

Taft did not say how much of a reduction he thinks will be necessary. But some leading Democrats predicted that if the bill is held down to around \$4,000,000,000, any presidential objections will be overturned.

Wait For Budget Report In any event, the Senate is going to wait until the Senate-House Budget Committee takes a whack at President Truman's proposal to spend \$39,700,000,000 during the fiscal year starting July 1.

Senate Republicans are aiming at a cut of at least \$3,000,000,000 in the budget estimates, but some party members have said they may not be able to meet the goal.

Chairman Millikin (R-Colo.) said the Senate Finance Committee will not even open hearings on the House-approved bill until the budget committee reports. This report is due by February 15.

Action by the full Senate probably will be delayed until after a vote on the Marshall Plan for European Recovery. This may put off a final tax showdown until April.

139 Arrested In Seizure Plot On Greek Town

ATHENS —(AP)—The Greek government announced Tuesday the arrest of 139 persons in Lamia in connection with a plot to seize the town.

Lamia, near the Gulf of Salamis, is in Central Greece about 100 miles northwest of Athens.

The government said 25 Communists from Athens who have been working with guerrilla bands in the mountain area near Lamia were among those arrested. All will be tried by a military court.

The American Mission to Aid Greece said \$60,000,000 worth of supplies over and above current U. S. aid imports had been distributed in the last several months.

E. N. Holmgren, of Bryan, Texas, director of the distribution section, said the goods distributed included \$5,000,000 worth of construction machines, \$10,000,000 worth of clothing and \$1,500,000 of spare parts. Food, medicines and other commodities also were issued. He said the rest of the supplies should be moved by the end of June.

Mother Of Midland Man Dies In Merkel

Mrs. J. O. Hickman, 78, a West Texas resident since 1906 and mother of Ralph J. Hickman of Midland, died at 3:45 a. m. Monday in a Merkel hospital after a brief illness.

Although in declining health the last several years, she had visited here during the Christmas holidays.

She resided in Midland several months in 1941-42.

Mrs. Hickman was born May 8, 1869, in Alabama, and came to Texas with her parents as a child. She moved to San Angelo with her husband in 1906. Mr. Hickman died there in 1940.

Funeral services were to be held at 3 p. m. Tuesday in San Angelo, with the Rev. Rodney Gibson, pastor of the First Presbyterian Church, U. S. A., officiating. Interment was to be in San Angelo's Fairmont cemetery.

The son, Ralph J. Hickman, is connected with the Humble Oil and Refining Company here.

Lewis Hints At Soft Coal Strike In Spring

WASHINGTON —(AP)—The fuel-conscious nation faced a possible threat from John L. Lewis Tuesday of a nationwide soft coal strike by Spring.

Lewis told the industry he feels free to take "any independent action necessary" to start benefit payments to miners out of their untapped, \$50,000,000 welfare fund.

Lewis' cryptic note puzzled the mine operators.

Some said they fear it may mean an April 1 strike by the 400,000 members of the United Mine Workers Union Lewis heads.

LATE NEWS FLASHES

NEW DELHI —(AP)—The ashes of Mohandas K. Gandhi will be committed to the sacred Hindu rivers at Allahabad on February 12, it was announced Tuesday.

TOKYO —(AP)—The war crimes trial of former Premier Hideki Tojo and 24 other Japanese war leaders Tuesday was recessed to February 9 to give the defense time to prepare its rebuttal.

WASHINGTON —(AP)—A Senate banking subcommittee Tuesday voted against authorizing the government to get ready for meat rationing.

MIAMI, FLA. —(AP)—AFL President William Green Tuesday announced the selection of Burton K. Wheeler, former Democratic senator from Montana, as director of the AFL's new political league in the coming elections.

Delayed Lease Awards Are Announced Tuesday

AUSTIN —(AP)—Award of mineral lease bids on 95,533 acres in the protected Laguna Madre area was announced Tuesday. The State school Land Board received bonuses on the leases totaling \$2,511,666.

Sam, Superior-Pure, Humble, W. F. Weeks, James A. Patton and W. M. Averill were included among the oil interests who offered the bids.

This brought the total of bonuses from the November 4 lease sale to \$12,256,000 on 469,000 acres.

+ Coming Events +

WEDNESDAY

The Trinity Episcopal Church will conduct Holy Communion at 10 a. m.

The Contemporary Literature Group of AAUW will meet at 8 p. m. in the home of Mrs. Earl Johnson, 2303 West College Street.

A Star Study Club business session and study for "A" and "B" certificates will be held at 1 p. m. in the home of Mrs. J. B. McCoy, 1405 West Illinois Street.

The First Methodist Church's board of stewards will meet in the education building at 7 p. m.

The Woman's Wednesday Club will meet at 3 p. m. in the home of Mrs. Guy Cowden, 1100 West Illinois Street.

The Week of Study and Prayer for Foreign Missions, sponsored by the Women's Auxiliary of the First Presbyterian Church, will continue at 3 p. m. with a devotional by Mrs. J. W. Drummond and a program on "What Do Missionaries Do in the Field."

The Play Readers Club will meet at 3 p. m. in the home of Mrs. Wallace Irwin, 1911 West Missouri Street, with Mrs. DeLo Douglas reading.

The Girl Scout Leaders Club will meet at 9:30 a. m. in the Children's Library of the courthouse. Guest speaker will be Mrs. T. T. Womack, formerly of Scotland, who will highlight a program on "International Friendship."

The Lion Tamers will meet for a covered-dish luncheon at 1 p. m. in the home of Mrs. Noel Taylor, 610 North Main Street, with Mrs. Taylor Cole as guest speaker. Wives of Lions are urged to attend.

The Modern Study Club will meet at 3 p. m. in the home of Mrs. Charles L. Sherwood, 611 West Chubbert Street. "Being Your Own Decorator" is the topic of the club program, and roll call will be "Solving a Decorating Problem."

THURSDAY

"New Christian World Ahead," under the direction of Mrs. C. S. Britt, will highlight the fourth session of the Woman's Auxiliary of the

Society

2—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, FEB. 3, 1948

200 Midlanders, Odessans Hear Rev. Taylor Discuss 'One World'

More than 200 women from many Midland and Odessa churches were guests of the Women's Auxiliary of the First Presbyterian Church Monday afternoon to hear the Rev. H. Kerr Taylor, D. D., of Nashville, Tenn., educational secretary of the foreign mission committee of the Presbyterian Church in the United States. The program, under the direction of Mrs. Richard Peters, president, featured Mr. Taylor, who was introduced by Dr. W. H. Foster, director of El Paso Presbytery's work.

Mr. Taylor, in his discussion of "One World," said: "God set the bounds of man's habitation, but man has destroyed the pattern by conquest and destruction of nations... It has taken us 450 years to get down to thinking that we are 'One World,' whether we like it or not. America had her share in the upheaval of the world... Whatever we do here in America is being closely watched in other countries, and will play a vital part in world peace.

"God's hour strikes only once," Mr. Taylor believes. "We could have taken Japan for Christ in 1870. It would have cost us great sacrifices at home, but we might have saved the world. In three years time, Japan led an Empire that took 75 years to build."

Superiorities Aren't Answer

Mr. Taylor, in conclusion, said "a new day cannot come with superiorities... We wonder what is wrong with Japan, China, India, but we cannot change the pattern of the world in a day."

Monday's program opened a Week of Prayer and Self-Denial for Foreign Missions, which will continue each day through Friday at 3 p. m. in the Presbyterian Church. The program opened with a hymn and the announcements for the following days of the week's program. Mrs. Clifford J. Hall conducted the devotional, and special Chinese musical selections, the national anthem and "Lord, Thy Revealing Gift," were presented by Mrs. Jack Hawkins, who was attired in Chinese costume. Mrs. Hugh Gilmour accompanied her at the organ.

A social hour in the Sunday School rooms followed the afternoon's address. Hostesses, Mrs. D. R. Rankin, Mrs. Ralph Oberholzer, Mrs. E. C. Hitchcock, Mrs. Frank Downey and Mrs. Sam Farham, served refreshments from a tea table attractively decorated with a blue and yellow floral arrangement.

Over four-fifths of U. S. houses are made of wood.

Rankin News

RANKIN—John Ann Lowery and Jim Elliott are Texas Tech students home between semesters.

W. D. Price, son of Commissioner and Mrs. W. J. Price of Rankin, received his B. S. Degree at Texas Tech at the close of the last semester, and has accepted a position with the Humble Oil Company at Houston. Price majored in civil engineering.

Mrs. C. J. Holcomb has moved into her new home and the Pat Yocham family will occupy the property vacated.

Tom Workman, secretary-treasurer of the Ranchers Wool and Mohair Association, is ill in his home here.

Rusty Daugherty, son of County Clerk and Mrs. Ralph Daugherty, was home from Schreiner Institute last weekend during the mid-semester holidays. Rusty plans to enter the University of Texas Law School next year.

T. H. Brady of Dallas has been a recent business visitor in Rankin, having purchased oil leases and royalty from Henry Neal, J. F. Rankin, L. E. Windham and Ralph Daugherty.

Lloyd Bailey of Palestine, Texas, representing the Goode interests, was a business visitor in Rankin last week.

Americans spent an average of about \$12,300,000,000 annually for housing between 1921 and 1941.

AAUW General Meet Stated Thursday

The AAUW will hold a general meeting Thursday evening at 8 p. m. in the First Presbyterian Church, featuring book reviews by the Contemporary Literature Group.

The program will include: "These Are the Mexicans" by Herbert Cerwin, to be reviewed by Mrs. W. P. Von Osnick and Mrs. A. B. Leeper; "Human Destiny" by Lecomte du Nouy, reviewed by Mrs. Elsie Magee; "Human Life of Jesus" by John Erskine, to be presented by Mrs. R. V. Hollingsworth and Mrs. J. V. Hardwick, and "Sabbath Songs" by Henri Queta Chamberlain, to be reviewed by Mrs. J. W. Carroll.

Mrs. Earl Johnson will preside at a short business meeting, and Mrs. George Putnam will outline briefly the national legislative program. Refreshments will be served.

JUNIOR HIGH P-TA MEETING POSTPONED

The meeting of the John M. Cowden Junior High School P-TA which was originally scheduled for Tuesday night, February 3, has been postponed until next Tuesday night, February 10, in the auditorium.

The number of U. S. telephones in use increased from 6,100,000 in 1907 to 26,400,000 in 1944.

EMBROIDERY LESSONS FEATURED FOR AIR TERMINAL 4-H CLUB

Mrs. Nettie B. Messick, home demonstration agent, illustrated simple embroidery stitches at the meeting of the Air Terminal 4-H Club in the school Monday.

For the next session, to be held February 16, members are requested to bring apron patterns and cotton material.

The following girls were present at the meeting: Dottie Snead, Doris Jean Sartain, Shirley Ann Nelson, Barbara Porter, Peggy Simmons, Sarah Segrest, Marjorie Solomon, Theresa Ann Hubbard and Audrey Young.

LAWSON MOORES TO VISIT IN VIRGINIA, NEW ORLEANS

Mr. and Mrs. Lawson Moore left Tuesday for Langley Field, Va., where they will visit Mrs. Moore's daughter and son-in-law, Capt. and Mrs. E. S. Labbe. Mrs. Labbe is the former Skippy King of Midland.

Mr. and Mrs. Moore will go to New Orleans to attend the Mardi Gras.

An expert on Soviet agriculture reports that fields of pink, brown, green and blue cotton are being grown in Russia. The colors in such cotton are natural and intensify rather than fade with washing.

Congratulations To:

Mr. and Mrs. J. T. Chambers on the birth Monday of a son, Miles Lynn, weighing seven pounds, 10 ounces.

Mr. and Mrs. J. T. Newton of Odessa on the birth Tuesday of a son, weighing seven pounds, eight ounces.

Mr. and Mrs. F. S. Carter of Odessa on the birth Tuesday of a son, Stephen Roy, weighing six pounds, 14 ounces.

Good Business Calls For Good Accounting

A well-known economist has said: "Once a business becomes too big for one brain to handle personally, accounting takes over the job."

American business could not have grown to its present size without accounting.

Advising business, big and small, on management problems involving accounting is an important part of the work of many Certified Public Accountants. They help management keep expenses in line with income... pay the right taxes (not too much or too little)... cut overall costs.

A CPA's work can help business efficiency and economy—which in turn may result in lower costs and lower prices.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every fiber of your body.

Every day—every hour—billions of tiny red-blood-cells rush your veins to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juices when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloats and give of that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—fresh all out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps build sturdy health.

What's In A Name? Trouble, Says Judge

ST. LOUIS—(AP)—Circuit Judge Waldo C. Mayfield says individuals with the names of Presidents and national leaders do not necessarily live up to the reputations of their namesakes.

In three consecutive days he heard four cases in which the defendants were named Benjamin Franklin, Ulysses Grant, Thomas Jefferson and Theodore Roosevelt.

A KAISER or a FRAZER gives you more miles per gallon!

The best way we know to offset higher gasoline prices is to drive a Kaiser or a Frazer. Their 100% postwar engineering provides economy beyond your fondest expectations! This boon to the thrift-minded is especially astonishing to people who previously owned prewar cars. They report that Kaisers and Frazers are giving them many more miles per gallon than they ever got before! And today that means a saving of not just cents, but dollars!

The reasons for such exceptional mileage are clear-cut. K-F chassis design is new. It takes every advantage of the accelerated technical advances made during the war years. For example, the horsepower-to-weight ratio is notably higher than in prewar design. The same is true of the compression ratio—the highest in any car on the road! And this means the most efficient use of costly fuel!

Vital and important as it is, greater economy is only one of the many advantages of fully postwar design you will find in the Kaiser and the Frazer. Come in and let us give you a demonstration. Discover all the exclusive new features you should not be without in your next car! You'll be glad!

READ WHAT TYPICAL K-F OWNERS SAY ABOUT ECONOMY

"Our new Kaiser has the more-expensive-car performance and styling and the less-expensive-car economy."—From a Hamilton, Ohio, Engineer.

"I just finished a 4,000-mile trip in my Frazer averaging above 20 miles per gallon at between 60 and 70 miles per hour."—From a Laurel, Md., Businessman.

"My Kaiser has performed beautifully in the mountains. On exact test it delivers over 18 miles per gallon on mountain driving."—From a Greensburg, Pa., Manufacturer.

"I now have 13,824 miles on my Frazer. I have the nicest riding car I ever owned and so for economy—well, I get as high as 25 miles to the gallon with the over-drive!"—From an Ida Grove, Ia., Real Estate Man.

"Just returned from a 3,000-mile trip in my Kaiser and believe that for ease of operation, brilliant performance and riding comfort, it has no equal. I get 19 miles per gallon."—From a Hammond, Ind., Businessman.

"On a 4-day, 1212-mile trip around Lake Michigan, we averaged 18 1/4 miles to the gallon... our new Kaiser is economical to operate and performs beautifully."—From a Chicago Office Worker.

"My Frazer is the finest car I could have bought at any price. The easy, comfortable ride—at any speed—is in my opinion the outstanding feature. Economy and performance are unbelievable. I get 19 miles per gallon with speeds up to 70 m.p.h."—From a Brookville, Pa., Insurance Executive.

"Everybody knows the Kaiser is economical. No matter what speed you travel it still does 24 miles per gallon on the highways."—From a Winnipeg, Man., Funeral Director.

"On a recent 2,760-mile trip through Canada I averaged 26.6 miles to the gallon. I have owned and operated many different makes of cars but never until I bought my Frazer have I owned a car that was so economical."—From a Canton, S. I., Physician.

MRS. J. J. BLACK TO CONDUCT P-TA 'PROCEDURE COURSE'
 The P-TA "procedure course," scheduled to begin at 8:30 a. m. Wednesday, February 11, in the old building of South Elementary School, will be conducted by Mrs. J. J. Black. Those who would like to attend the course but have not registered are urged to contact Mrs. Black at 356, it has been announced by Mrs. O. L. Stalcup, publicity chairman for the P-TA council.
 Luncheon will be served in the new South Elementary cafeteria, followed by the afternoon session of the course.

BETA SIGMA PHI CHAPTER TO MEET TUESDAY
 Beta Delta Chapter of Beta Sigma Phi will meet at 8 p. m. Tuesday in a regular session in the home of Grace Bartlett, 1904 West Wall Street, it has been announced.

Crane OES Stages Annual Roundup Meet
 CRANE—The Crane chapter of OES held its annual round-up program recently in honor of past matrons and past patrons.
 Ten past matrons and past patrons, including four from out-of-town, were honored. Mrs. Martha Esell, past matron of the Alpine chapter, from Stanton; Mr. and Mrs. H. H. Talley, representing Big Lake, and Mrs. Louise Hudson of Rankin were the visiting dignitaries.

The past officers of the Crane lodge are Mrs. Bertie Bosworth, Mrs. Lela Wilson, C. D. Bredons, Mrs. Yella Mitchell, Mrs. Tessie Stokes, and Mrs. C. A. Shaffer. An impressive candlelight drill was featured by the officers, with past matrons and past patrons joining in the march.
 The guests of honor were presented leather card cases bearing the OES emblem.
 Mrs. Helen Carroll was in charge of the program, and Mrs. J. R. McIver and Mrs. L. R. Mills prepared the chuck wagon supper.
 The Crane chapter will hold initiation ceremonies at its meeting February 9, and a Valentine party will be held in conjunction with the meeting in the hall.

TO ATTEND WEDDING HERE
 Ernestine Gowan of Shreveport, La., has arrived in Midland to be maid of honor at the forthcoming marriage of Elma Jean Noble to Ronald Jarrett.

Grand Relief FROM SNIFFLY, STUFFY DISTRESS OF Head Colds!

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, FEB. 3, 1948-3

Next Tryout Readings Slated This Week By Community Theater
 Next Community Theater tryout readings for the first 1948 production, "Guest in the House," will be held in the City-County Auditorium at 8 p. m. both Wednesday and Thursday, according to Director Art Cole.
 "Guest in the House," which rated fourth place on the recent poll taken by the Community Theater in Midland, enjoyed a long Broadway run in the early 1940's and was a successful movie under a different title.
 No roles for the play have been cast. They include: Ann Proctor, an attractive woman of 30; Lee Proctor, a little girl of eight; Hilda, a maid; Doctor Shaw, a minister who is mild of manner and plump of figure; Aunt Martha Proctor, a large dignified-looking, middle-aged woman; Miriam, a tall, very attractive artists' model; Dan Proctor, a young man in his late 20's; Douglas Proctor, about 35; Evelyn, a slight, dark-haired girl; Mr. Dow, middle-aged; Pamela Rhodes, young, trim and efficient; and Cam Tracy, a young news photographer.

Episcopal Guilds Meet For Business Sessions, Programs
 Mrs. Frank Ashby, 1004 North A Street, was hostess to St. Margaret's Guild of the Trinity Episcopal Church and Mrs. R. E. Kimsey, 723 West Storey Street, was hostess to St. Cecilia's Monday afternoon when the ways and means committee submitted typed lists of the year's projects to members for approval and suggestions.
 Mrs. M. F. Turner of St. Margaret's Guild reported from the committee and stated that it welcomes any further suggestions.
 St. Margaret's business session under the direction of Mrs. A. T. Barrett included roll call and the reading and approving of the minutes, with Mrs. Turner reporting on the March 3 "Spring Frenzy '48," for which tickets are now available. Mrs. John P. Butler, assisted by Mrs. S. J. Lones, reported on the recent state convocation in Amarillo.
 Mrs. R. E. Morgan, reviewing a chapter from "Living Faith for Living Men," had charge of the program which began with a devotional by Mrs. Duncan Aldridge and concluded with her benediction.
 St. Margaret's members attending the social hour which followed the program were Mrs. Aldridge, Mrs. Ashby, Mrs. Butler, Mrs. Barrett, Mrs. Louis A. Bartha, Mrs. Cooper Hyde, Mrs. Clifford Keith, Mrs. Paul Kohn, Mrs. Preston Lea, Mrs. Lones, Mrs. Morgan, Mrs. W. S. Nelson, Mrs. John Shipley, Mrs. F. N. Shriver, Mrs. K. C. Slough, Mrs. Ray Snyder, Mrs. Turner, Mrs. Lane Taylor and Mrs. Ray Standley.
 St. Cecilia's Meeting
 Mrs. W. A. Schaeffer conducted the program for St. Cecilia's Guild from the same book, with Mrs. C. J. Westlund leading the devotional.
 St. Cecilia's business session, under the direction of Mrs. Taylor Cole, included the announcement from the ways and means committee by Chairman Mrs. W. W. Staudert, and a discussion of the Woman's Auxiliary meeting at the Amarillo convocation by Mrs. J. P. Ruckman, delegate.
 Mrs. Fayton Anderson discussed plans for the forthcoming style show, of which she is general chairman, and Mrs. John Fitzgerald, ticket chairman, announced that tickets would be distributed this week.
 Those attending the St. Cecilia's meeting in the home of Mrs. Kimsey were Mrs. Anderson, Mrs. Cole, Mrs. Anthony Folger, Mrs. Lester Grant, Mrs. R. W. Hamilton, Mrs. Harvey Herd, Mrs. Kimsey, Mrs. Schaeffer, Mrs. Studdert, Mrs. William Kerr, Mrs. A. Yeager, Mrs. William Kerr, Mrs. Ruckman and Mrs. Fitzgerald.

Asbury WSCS Attends Presbyterian Meeting
 The Rev. Lennox Hester pastor of the Asbury Methodist Church, led the church's WSCS in a study of the great prayers of the Bible at a 3 p. m. meeting Monday in the church, followed by the group's attendance at the First Presbyterian Church meeting featuring the Rev. Kerr Taylor, a noted missionary.
 Those attending from the Asbury Methodist Church were Mrs. Edgar Tanner, Mrs. Preston Pirtle, Mrs. George, Damron, Mrs. George Huff, Mrs. J. A. Andrews, Mrs. Carmel Pirtle, Mrs. J. P. Carson, Jr., Mrs. Theo Ferguson, Mrs. Jim Moore and Mrs. Loy Busby.

Sunbeams Help WMU Of First Baptist Celebrate 60th Year
 The First Baptist Church's Woman's Missionary Union celebrated its sixtieth birthday with a regular monthly business and missionary meeting Monday in the church, with the Sunbeams presenting the organization with a lighted cake and a program on what the children have learned about the first WMU meeting in 1888.
 Mrs. Vernon Yearby conducted the group's devotional period in which Mrs. Mae Ward, Mrs. Thurman Pylant and Mrs. D. G. Roberts participated. The session closed with a prayer offered by Mrs. J. M. White.
 The regular meeting of the Sunbeams was highlighted by special selections by the children's choir, led by the Rev. and Mrs. Raymond Hall. The group made Valentine favors for children of the colored Baptist kindergarten.
 WMU members attending included Mrs. Roberts, Lucille Scarborough, Mrs. Pylant, Mrs. Raymond Leggett, Mrs. V. A. Walston, Mrs. Neal Marks, Mrs. S. M. Erskine, Mrs. George Hyatt, Mrs. White, Mrs. C. F. Hunter, Mrs. Bertie Howell, Mrs. W. J. Hannaford, Mrs. B. C. Girdlevy, Mrs. G. W. Coker, Mrs. O. L. Bevil, Mrs. H. W. Hazel, Mrs. Billie Gilbert, Mrs. Frank Monroe, Mrs. J. B. Griffith, Mrs. Ward, Mrs. H. H. Strickland, Mrs. G. C. Johnson, Mrs. John Godwin, Mrs. A. B. Clemment, Mrs. H. S. Collings, Mrs. V. L. Red, Mrs. W. L. Ingrham, Mrs. R. O. Walker, Mrs. H. Muff, Mrs. George Johnson and Mrs. Noel D. Cason.
 Sunbeams present were Joe Pylant, Topper Pylant, Linda Merle Stracener, Ruth Ann Erskine, Mary Elizabeth Monroe, Frank Ryan Monroe, Betty Davis, Bobby Davis, David Horn, Rhonda Horn, Jerry Mac Johnson, Billy Wayne Godwin, Linda Kay Murray, Barbara Hunter, Mary Louise Erskine, Carolyn McKnight, Judy Pogue, Harriet Yearby, Retta Jo Gunter, Carolyn Boles, Billie Donnell, Glenda Henderson, Marilyn Johnson, Martha Marks, Herbert Munson, Lynn Huff, Tommy Steele, Sally Walston, Jimmie White, Lynda Williams, Terry Wright, Jimmie Walston and Helen Sue Thompson. Counselors are Mrs. Victor Horn, Mrs. Davidson, Mrs. Mark and Mrs. Erskine.
METHODIST MEN TO HAVE DINNER-MEETING TUESDAY
 The Methodist Men's dinner-meeting will be held at 7 p. m. Tuesday in the Schaubau Education Building. It has been announced, with Ray Nichols of Vernon, Texas, as guest speaker.
 Anyone wishing to attend is urged to call the church office.
 A new lightweight piano has been built. The miniature "K" piano has 64 keys and weighs only 80 pounds. In its traveling case, the instrument can be carried on train and checked with luggage.

Time For A New Act

When New York's last variety-and-picture house throws out the stage show in favor of the double feature, it seems that vaudeville at last is officially dead. Then along comes a Tokyo dispatch saying that this guy Hirohito is still wowing them over there with an acrobatic clown act.

His performance doesn't sound like much. He takes a fan in his toes and fans himself. He swims in the rain, holding an open umbrella in one hand. (Presumably he can do the same trick when it isn't raining.) The story doesn't say what he does for an encore—maybe he writes under water.

Anyway, as we said, it doesn't sound like much of an act. We guess that what keeps him going is good press-agency and a soft-hearted management.

Used to be that Hirohito's publicity was pretty extravagant. For several years, he was billed as being descended from some god or goddess. The yokels believed it, too.

Then one thing and another kicked the props from under this sort of promotion. So whoever is handling his publicity decided to build him up as a sort of simple-minded man of the people. He is "a man of few accomplishments and hobbies," says his latest press release, but "these few are unique." He's now advertised as being courageous and democratic, an emperor whose ambition is to live in the folksy manner of British royalty.

Hirohito is living up to his press-agency and acting his part, on and off the stage. For one who used to demand and get star billing, he's very easy to get along with these days. His present spot in the show is just dandy. The pay is fine. He has no complaint about his dressing room.

The soft-hearted management seems to be taken in by all this. Hirohito is stealing the show from the star act that the management is trying to build up, but the bosses don't cut him down to size. He keeps on getting a lot of publicity. As a result, he seems to be cheered as loudly by some audiences as he was when his divinity build-up was at its height.

While all this has been going on, one of Hirohito's old bosses, fellow name of Tojo, has been having a little trouble in court. He is being tried on a charge of trying to put Hirohito's present management out of business by violent strong-arm methods. And it is clear from Tojo's testimony that Hirohito isn't quite the clown and dope that he is now said to be.

In fact, it is clear—if Tojo is telling the truth—that Hirohito was fronting for the Tojo outfit and that, far from being a dope, he knew everything that was going on—in advance. There is also a strong suspicion that, when the present bosses stop running the show and checking the box office personally, Hirohito may try to bring the old management in again.

For that reason, it seems odd to note that the American management in Japan seems to go as completely for Hirohito's clown act as the audiences do. Perhaps their main concern is to keep the audience happy.

His past history and present popularity show that he can be a serious trouble-maker. So we wonder why the American bosses don't retire him to some actors' home and put in one of their own acts to replace him.

A critic says jazz songs will never die. But some bands will keep on trying to murder them.

Any time is a good time for all men who were born equal to show what they're equal to.

Killing time is one of the best ways to murder opportunities.

The Indian Peace Sphere

'Semi-Doc' Films To Herald Return Of Realistic Movie Entertainment

By BOB THOMAS

HOLLYWOOD — (P) — If I had to name the trend in Hollywood films for the new year, I would spin the compass, turn the wheel and point to the semi-documentary. In fact, I might even hazard a guess that this picture technique will have the same effect on the movies that Ernest Hemingway did on American writing. I don't mean that all pictures will be semi-documentary, no more than all novels are Hemingway-like. But both influences contribute a new freshness and vitality.

All over town you can see the upswing in the semi-documentary. Recently, three of them were previewed in the same week and each had a realism that makes studio-made films seem pale in comparison.

MGM announced recently that it will make a series of semi-docs. Louis De Rochemont, who pioneered the field, was signed to direct. The Real Thing De Rochemont, formerly of March of Time made the first of the semi-docs, "The House on 22nd St." That type of picture had already been given impetus during the war with such fine films as "Fighting Lady" and "San Pedro." But they were more documentary than semi.

Heartened by the success of "22nd St.," 20th-Fox produced "13 Rue Madeleine," "Boomerang," "Kiss of Death" and "Call Northside 777." Then came Eagle-Lions' "T-Man," Columbia's "To the Ends of the Earth" and Hellinger's "The Naked City." Several more are in the works.

All of the above profited by being

Couple Obtains License With Aid Of Crutches

MACON, GA. — (P) — A woman wrestler and a roller skater, both with broken legs, helped each other to the Bibb county courthouse for a marriage license.

Miss Agnes Aline Murphey suffered a leg fracture in a wrestling match at Columbus, Ga., and walked with aid of crutches while Anthony Page Hall used a cane after breaking his leg while skating.

They were directed to the marriage license desk by a fellow sufferer, Lintony Burkett, courthouse reporter for the Macon News, also on crutches. Burkett, former Washington Post writer, broke his leg in a fall recently at the courthouse.

Clerk Judith Wiley took their application, wished them well and offered sympathy—she had broken a leg once herself.

Vermont has been carried by every Republican nominee for President since organization of the party.

Questions— —And— —Answers

Q—Where was the first light-house erected in the United States?
A—The first U. S. lighthouse was erected at Sandy Hook, N. J., in 1764.

Q—How long have mules been bred in this country?
A—According to records, the first one was bred by George Washington. The jack was presented to Washington by the King of Spain.

Q—Were the sessions of the Constitutional Convention open to the public?
A—No, they were conducted in secret.

Q—How long will a log that is buried in the ground last?
A—It depends on the type of wood and the type of soil. But pieces of wood have been dug up that archaeologists say are at least 10,000 years old.

Q—Why were people asked to save peach pits during World War I?
A—Peach pits were used to make charcoal for gas masks canisters. Charcoal produced from peach pits and coconut shells was found to absorb gases far better than wood charcoal.

Soviet Press Says '48 Grain Prospects Good

MOSCOW — (P) — Moscow press reports indicate if favorable conditions continue the Soviet Union has a chance of beating last year's very good grain crop.

The report said winter grain crops have come through the first half of the winter very well. The mild weather was said to have favored the rye crop, other crops were reported in excellent condition and the acreage for 1948 was declared to exceed considerably that of 1947. Heavy rains and snows have built up a reserve of moisture.

Fifth largest state in the Union is Arizona, with a total land area of approximately 114,000 square miles.

Town Goes 'All Out' For March Of Dimes

RANGELEY, COLO. — (P) — Residents of this Western oil town were so generous the merchants and the bank ran out of nickels and dimes.

A plane piloted by Gerald Zimmerman went to Denver to bring back \$1,700 worth of small change. Meanwhile, stores issued makeshift scrip in lieu of change.

All the available nickels, dimes, and pennies were fed into a long cylinder set up for the March of Dimes campaign.

Indians stored their corn and beans in large holes in the ground. The sides of the holes were lined with bark.

THE MODERN WAY TO RIDE!

- BETTER SERVICE!
- INCREASED CONVENIENCE!

Our Cabs Are Now Equipped with Motorola Two-Way Radiotelephone

Just telephone and our licensed dispatcher will send the nearest cab to your door within a few minutes, day or night! Meet your train, bus, or plane on time! Keep your "rush hour" appointments! Know that in emergencies, two-way radiotelephone service will be available to protect your safety!

As our cabs are on the street day or night they will prove valuable in reporting fires, accidents and other emergencies to the proper authorities.

CHRONIC HEADACHES

Are you one of the many thousands suffering from headaches?
I mean the persistent, aggravating type, the kind that feel as though your head is being pulled off. The headache that makes you feel as if someone is cutting into the back of your neck with a dull knife.
I'll bet you've been treating that headache for a long time and you still have it. Would you admit that your present methods of trying to stop those headaches have failed? Why continue doing the very thing that has proven itself a failure? Stop treating effects and correct the CAUSE. A headache is an EFFECT from some CAUSE.

SCIENTIFIC CHIROPRACTIC corrects the CAUSE, releasing vital INNATE ENERGY which has been blocked back in the brain. Impaired function which is the result of nerve energy being shut off will give you a headache as an outstanding symptom.

It is as impossible for a headache or any other symptom to be present in the body with the spine in a normal condition as it is for darkness to express itself in the broad light of the shining sun; the two absolutely cannot co-exist.

Instead of turning to CHIROPRACTIC as a LAST RESULT, turn to CHIROPRACTIC FIRST and get QUICKER RESULTS. IT DOES get sick people WELL.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, FEB. 3, 1948-5

Sisco Sounds Off On Football's Evils

By HAROLD V. RATLIFF Associated Press Sports Editor

DALLAS —(AP)— There are indications that some of the Southwest Conference folks are not exactly pleased with the lecture course on the evils of football Sisco is now giving in Texas.

It isn't that they favor what the well-known official is condemning, but that they think perhaps he's talking too much.

For their information, Sisco has had approximately 150 invitations to speak. He has made about a score of appearances. It appears his discourse is exceedingly popular. And Jack certainly is qualified to speak and give them the low-down. He's even been offered pay for his talks but won't accept any money.

Sisco was the target of a bottle shower at the Texas-Oklahoma game and planted a stiff punch on a spectator's jaw after the Southern Methodist-Arkansas game when the man became abusive. The punch apparently was felt in quite a few directions. Sisco had no further trouble the remainder of the season.

This corner believes Sisco is doing exactly the right thing. It's time somebody spoke out against the things most people condemn but few do anything about—drinking and gambling at football games.

Would Prohibit Drinking Sisco believes a lot of good has been done. "The groundwork laid by the sports writers in backing me up the way I've been doing for the year for his efforts and the reception to my talks indicate to me that we're on our way toward ridding the game of evils that would wreck it," he says. "I think every stadium should prohibit drinking or even bringing liquor on the premises and that all gambling should be banned."

The official said quite a few places needed to work out a better policing job. "Some of them do not have enough cops in the first place," he declared. "And the police who are there don't pay attention to business; they watch the game and let official abuse run."

Sisco told about this occurrence: It was halftime and he was seated on a bench near the sidelines. Several men back of him who apparently had partaken extensively of bottled spirits uttered threats and curses. One said he would give him a licking when the game was over. "A policeman was standing nearby," related Sisco. "He said nothing. I don't know but that he wanted me to take a beating. I finally got up and told the men, 'I'll be right back here when the game is over. I'll give you a chance to give me a licking if you still feel like it.' I came back to that very place when the game was over. The men all had gone."

Fans Influence Players Sisco said he believed some coaches actually instructed their boys to gripe at the officials. Then, there are boys who just do it on their own hook. The undoubtedly influence of a crowd that rides the officials, regardless of the de-

ditions. Sisco recalled a college basketball game he was working several years ago.

"Every time I passed one of the players he would growl at me," said Sisco. "Finally, I heard him curse me. I asked him what he said. He repeated it. I went to the bench and told his coach, 'Get a substitute out there, your boy is through for the evening.' The coach did it without a word. And the game hadn't been under way more than two minutes. I couldn't have made many rulings to arouse anybody's ire. The next night this boy was in the lineup. He came to me and apologized for his actions the night before. He said, 'I don't know what made me do that. My liver must have been bad or something.'"

Loves The Game Sisco says frankly the only reason he officiates is because he loves the game and the fine association with other officials and with coaches and fans. He is in the automobile business at Weatherford.

"I can make more staying home selling cars than going around refereeing football games but I'd hate to have to quit it. It isn't fair for an official to have to take abuse. It isn't the right principle of sport. Why should we have to take curses from the players and the coaches? We make mistakes, sure, but so do the players and the coaches. And the fans miss 'em, too."

Lynch To Continue As Amarillo Coach

AMARILLO —(AP)—Howard Lynch apparently will continue as head football coach at Amarillo High School until his present contract expires in June, 1949.

Lynch said Monday night, after a meeting of the school board, "I look to me like I plan to stay until the end of the contract."

The board will not attempt to act as final arbitrator concerning the correctness of partisan arguments... the board stands ready to live up to its part of the contract which is in force until June, 1949. On the other hand, if, in the opinion of Coach Lynch... he should feel that it would be to his benefit and if he desires to sever relation as coach of the Amarillo school football squad... the board would be bound... to accept his resignation.

"I Plan To Stay" Lynch told a reporter, "the board is running the school and whatever they say I'll do. I'll have to study the statement before making a definite comment. It looks to me like I plan to stay until the end of the contract."

Lynch has been on the Sandie staff 17 years and became head coach in 1937 when Blair Cherry joined the University of Texas staff.

Bulldogs To Meet Eagles

The improved Midland Bulldogs engage the once-defeated Abilene Eagles at 8 p. m. Tuesday in the MHS gym. It is a 3-AA conference game. A "B" game will be played at 6:30 p. m. as a curtain-raiser.

Abilene has won five and lost one in district play. Midland has won three and lost four, having played one more game than Abilene. The Eagles whipped the Bulldogs, 54-46, at Abilene earlier in the season.

Midland surprised conference cage circles last week with a 30-29 defeat of Odessa. Abilene has been idle since January 24, when it was defeated by Graham in a non-conference encounter.

Handicapped Pair Most Courageous Athletes Of '47

PHILADELPHIA —(AP)— A 23-year-old southpaw pitcher who once was given up for dead and a golfer who conquered what physicians said was an incurable disease Tuesday were hailed as the "most courageous athletes of 1947."

The Philadelphia sports writers Monday night honored Leland Victor (Lou) Bristle, rookie pitcher of the Philadelphia Athletics, and James E. (Sonny) Fraser, Atlantic City, N. J., amateur golfer.

Bristle, recently signed by the Athletics, lay near death's door in December, 1944, somewhere in the mountains of Northern Italy. Army doctors almost passed him by but luckily one saw signs of life in the husky moundsman from Ware Shoals, S. C. He lived to win 23 games for Savannah in the South Atlantic League last season.

Fought Paralysis Bristle told more than 1,000 guests it was two and one-half years before he thought of pitching again. The threat of amputation of his left leg and 23 operations ensued before he knew he would be able to return to baseball.

The 30-year-old Fraser was partially paralyzed last April but fought back to the point where, in October, he shot a 68 to win a sweepstakes tournament against many of the country's leading golfers at the Atlantic City Country Club. He went to the finals with his brother in the national pro-amateur tournament.

NEED LUBRICATION

Before automobile brakes are tested as to adjustment, the linkage from brake pedal to drums should be thoroughly lubricated. It is also well to remember that lack of lubrication often accounts for inefficient brake performance by restricting the free action of the linkage and causing poor adjustment or undue wear.

Odessans Beat Pups And Frosh

Two Midland quintets didn't fare so well in Odessa Monday night. Odessa Junior High beat the John M. Cowden Junior High Bullpups of Midland, 30 to 19.

Odessa's freshmen or "C" Bronchos had trouble but finally whipped the "C" Bulldogs of Midland, 27 to 15. Bobby Holt sparked the "C" Bulldog offensive with nine points. Duane Bush was a stand-out on the defense for Midland. Halftime score of this tilt was Midland 11, Odessa 13.

The two Midland teams will enter a tournament at Alpine February 14.

Townsend To Attend Houston U. Banquet

HOUSTON —(AP)— Byron (Santon) Townsend, Odessa backfield star voted the state's outstanding high school player, will attend the University of Houston ex-Students' Association football banquet here Wednesday night.

Townsend accepted the invitation after details of his participation on the program had been cleared by officials of the Interscholastic League.

Corbin J. Robertson, one of the committeemen arranging the banquet, said Townsend would be presented a scroll at the banquet.

Frank Levy, head football coach at Notre Dame, will be the principal speaker and Eddie Dyer, manager of the St. Louis Cardinals, will be master of ceremonies.

McCamey Trounces Wink By 41 To 22

MCCAMEY — The McCamey Badgers bounced the Wink Wink cats here Monday night, 41 to 22. Gurry was high pointer for McCamey with 16 points. Downey Wink with eight tallies. The McCamey "B" team Wink's "B", 30-11, but dropped junior tilt, 13-8.

Larger Storage Facilities Needed For Butane Gas

The butane situation in Midland, as in other places, is what you might call "acute." And it is likely to be that way from now on. That, according to Felix Cox, butane distributor here, is the word from refiners. The only remedy thus far suggested is for consumers to install storage tanks large enough so they can buy sufficient gas at one time to last them through the four coldest months of the year.

Butane comes here in big truck transports. But so pressing is the need for the gas, it is taken immediately to customers as fast as it comes in. The big job for Felix Cox and his truck drivers is to keep their many customers from running completely out of the fuel—even if each customer gets only 25 gallons of butane at a time.

One reason why butane gas, which is made at refineries from natural gas, is so scarce is that its consumption jumped tremendously during the war. A host of new uses were found for it in industry. And residential users increased several fold, so the demand almost has exceeded refinery output.

In addition to his butane business, Felix Cox also distributes Phillips Petroleum Products. Vern Cubit, formerly with Phillips Petroleum Company here, has bought half interest in the gasoline and motor oil end of the firm and manages the service station at 500 West Wall Street.

The firm sells butane heaters, water heaters and ranges, as well as radios and electric heaters. For wholesale and retail prices on a long list of such products, call No. 2162-J, visit the plant on West Highway 80, or drop in at the modern new service station at 500 West Wall.

Britain Suffers Economic Crisis

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

Britain's coal production not only is the most important item in her economic crisis but it is vital to the recovery of Western Europe as a whole—facts which months ago impelled the harassed government to set a goal of 200,000,000 tons a year as essential.

The need for coal is so great that Foreign Secretary Bevin some time back declared in effect that if he were given 20,000,000 tons for export he could change the whole European picture. Well, it looks as though Bevin might get his wish, and thereby hangs a remarkable story which has been brought to me by a party of British coal miners—honesty handed union officials who have spent much of their lives digging in the dark caverns of the earth.

Our account fits in with the moral and spiritual rehabilitation which I have reported as showing itself in many parts of Europe.

A couple of months or so ago a wave of moral rearmament swept into the pivotal coal pits of North Staffordshire and spread to neighboring coalfields. Since then the output of coal in this area has jumped something like forty-five per cent.

"Forgotten Factor"

How has this happened? Well, of course the government's urgent appeal to the miners has spurred their effort, but the startling advance of production in the North Staffordshire area has come since moral rearmament hit the area in the shape of a play, "the forgotten factor"—a story of moral rehabilitation beginning in the home and echoing in industry.

William (Bill) Yates, branch president of the National Union of Miners at the famous Victoria Pit, was one of the group with whom I talked over the luncheon table.

"The wife and I used not to agree," he said. "We were on the edge of breaking up. And I took my unhappiness to the pit. So when the manager and I met, we used to do a good deal of banging the table. There was constant trouble. Then I went to see 'The Forgotten Factor.' We got things straight at home. I went to the manager and said: 'Let's run this pit the moral re-arrangement way.' He agreed—and the men like it much better. We haven't had a single row or stoppage since then."

"The increased output is due to the new honesty and unselfishness produced by MRA."

Ranch-Style Light Fixtures Are Made To Order

Now comes a tip that might prove welcome indeed to home builders or decorators who would like a special personal touch reflected in custom-made light fixtures.

Mayes Electric Company, at 1013 North Loraine Street in Midland, has an arrangement with the Potter Iron Works in Dallas whereby customers of the company here can have ranch-style light fixtures made exactly to their specifications.

Beautifully designed and hand-made from solid copper or wrought iron, the fixtures are made in sizes to correspond with the dimensions of the room in which they are to be used. Chandeliers, brackets, lamps and other lighting equipments are made specifically for each room. To obtain complete information on this new service, Midlanders are invited to call Mayes Electric Company, No. 186, or stop at the shop on Loraine Street.

NC Peace Movement Entering Second Year

MOUNT AIRY, N. C. —(AP)—A growing movement to get high school boys and girls to talk and think about peace and a world government has entered its second year.

The movement was originated and is financially backed by Oscar K. Merritt, Mount Airy furniture manufacturer. It functions through the University of North Carolina extension division.

Last year more than 200 high schools in the state took part. Some 1,000 students made talks to at least 100,000 hearers.

This year's program will discuss "How Can the United Nations Be Strengthened?"

Denmark Begins Cutting On Its Police Department

COPENHAGEN —(AP)—In 10 years the cost of maintaining Denmark's police has risen 500 per cent to \$21,000,000 but now is being cut down.

A police spokesman said that in 1938-39 everything was so idyllic in small Denmark that there hardly was a policeman — "but things are different now."

The costs, however, are being reduced. Two years ago the Danish police had 1,000 cars at its disposal — now the number is 500, and in addition 2,000 assistant policemen are being dismissed.

Construction Problems Solved Here

Building materials are far from being a surplus commodity on the American market, but they're somewhat more plentiful than they were a year or so ago. And J. C. Velvin Lumber Company in Midland does a good job in keeping as many materials in stock as the current supply will permit.

The company handles all kinds of lumber and makes a sort of specialty of fir dimension material. Roofing, including shingles of wood, composition and asbestos, are stocked in the yard. A new carload of red cedar shingles has just arrived, and there also is a good supply of redwood roof shingles (hand-split) in stock.

Wire fencing of various types, cedar posts, reinforcing steel are regular stock items here. Austine stone and cement, too, are available.

In fact, just about anything you may need in the way of materials to build or repair a home, office, or other structure in the city or on the farm or ranch is pretty likely to be found at the J. C. Velvin Lumber Company, where a well-rounded stock of builders' supplies is maintained all the time. For information regarding supplies or for estimates of costs, visit the firm at 204 North Fort Worth Street in Midland, phone No. 1534.

TREES TO GROW IN RUSSIA

Girl Burned House 'To Please Mama'

PERDALE, MD. —(P)— A 42-year-old woman awaits grand jury action here on three charges of arson, after a 10-year-old girl admitted burning a neighbor's house to the ground "to please my mother."

Blond, blue-eyed Louise Morrison told Trial Magistrate David B. Dunker her foster-mother, Mrs. Helen Josephine Lock, asked her last June 5 if she could burn down a seven-room bungalow belonging to Mrs. Rose Sellner of Jessup, Md.

"I said I guessed I could," Louise related. She said she obtained matches and coal oil "in back

of the garage" while "sister watched the dogs so they wouldn't bark."

"Liked To See It Burn" A second blaze damaged the back porch October 11, when the house was two-thirds rebuilt. Louise said "mother" mentioned "she would like to see it burn down again."

On November 18, Louise said, she offered to set fire to the house a third time, but Mrs. Lock said, "No, they'll get suspicious." However, Louise set fire to the front porch anyway "to please mother." It was testified that Mrs. Lock had argued with Mrs. Sellner over the location of a garage which Mrs. Lock's husband contemplated building. She was held in \$15,000 bond.

Five On Trial For Vet Tuition Frauds

FORT WORTH —(P)— Trial of five former operators of the Southwestern College of Industrial Arts continued in Federal Court here Tuesday.

The defendants are O. A. Cole, Louis A. Harris, Alton L. Moran, James D. Parnell and Leon Kane. They are charged in a 32-count indictment. It alleges 482 fraudulent tuition fee claims, totaling between \$50,000 and \$60,000, were made with the Veterans Administration in behalf of the school.

AUTOMOTIVE HINT

The wise motorist will prevent accumulation of mud and grease on the under surface of his fenders. Rust often forms under this caked material and quickly eats its way through the fender.

McKenney on Bridge

By WILLIAM F. MCKENNEY America's Card Authority

"Bridge for the Joneses," by Maureen O'Brien Bailey and Ivy Oeschger of San Francisco, was published recently by William Morrow & Company, Inc. Back in 1942 Mrs. Bailey and Miss Oeschger published their first book entitled "Culbertson for the Joneses." Maureen also writes a bridge column for a daily paper in San Francisco.

One exceptionally interesting subject in the book is the San Francisco four-five no trump slam convention, widely employed on the Pacific Coast. However, I have never before seen a clear, concise explanation of it. Although the most popular slam bidding convention today is the Blackwood, it is said that the San Francisco convention makes slam bidding more accurate. So here it is, as taken from "Bridge for the Joneses."

The four no trump bid is forcing for one round and asks partner to specify how many aces and kings he holds. Unlike the Blackwood bid, the original no trump bidder, in order to make the bid, should have three aces, or two aces plus the king of a suit bid by the partnership. The responses follow:

- 5 CLUBS: Denies any ace, or 3 kings;
- 5 DIAMONDS: Shows 1 ace, or 3 kings;
- 5 HEARTS: Shows 1 ace and 1 king, or 4 kings;
- 5 SPADES: Shows 1 ace and 2 kings;
- 5 NO TRUMP: Shows 2 aces, or 1 ace and 3 kings;
- 6 DIAMONDS: Shows 2 aces and 2 kings;
- 6 HEARTS: Shows 3 aces, or 2 aces and 3 kings.

It will be noted that each response after the first positive response of five diamonds shows one king more than the previous response. You will also note that three kings are treated as the equivalent of one ace.

In addition, the San Francisco convention employs a grand slam force. When a suit has been agreed upon by the partnership, if one of the partners then bids five no trump without having previously used the four no trump bid, it is considered a grand slam force. It asks partner to bid seven holding two of the top three honors in the agreed trump suit.

An opening bid of five in a major is a sister bid, asking partner to bid seven with two top trump honors, to bid six with only one, to pass lacking any of the three top honors.

State bird of Arizona is the cactus wren.

London Hit By Crime Wave

LONDON —(P)— A crime wave struck London recently, taking Scotland Yard's detective staff almost to the limit.

Byvia Styles, 26-year-old factory hand, was found battered and strangled, her body flung in a lovers' lane at Syon Park suburban home of the duke of Northumberland.

Frances Manners, 27, and beautiful, was found slain on the banks of the Grand Union Canal. Thieves raided the U. S. Navy ship store in Mayfair and made off with \$30,000 worth of cameras and expensive accessories. Numerous other holdups and burglaries were reported.

OUR BOARDING HOUSE

with MAJOR HOOPLE

OUT OUR WAY

—By J. R. WILLIAMS

"I THOUGHT SOME DAY YOUR DOME WOULD CRACK WIDE OPEN, BUT I NEVER DREAMED IT WOULD TAKE THE FORM OF COPS AND ROBBERS! GET THAT SILLY SUIT OFF AND COME OUT AND MEET THE POTATOES!"

"EGAD, MARTHA! I'VE ADOPTED THIS DISGUISE TO SCARE OFF SOME RIVAL ROMEO WHO IS PICKETING OUR HOME AND THREATENING TO WIPE UP THE FLOOR WITH FATHER! — I'M GOING OUT AND SHOO HIM AWAY!"

"NO—HONEST, CURLY, I HAIN'T CHEWIN' TOBACCAER! THESE IS A MIXTURE OF QUININE LEAVES AN' MANZANITA BARK IM CHEWIN'! I GOT TO HAVE SOMETHIN' SENCE I QUIT SHOKIN'—I GIT SO NERVOUS!"

"WHUT MORE TRYIN' TO DO IS FIND SOMETHIN' THAT'LL GIVE YOU TH' SAME EFFECT AND YOU'LL BE IN JUST AS BAD A FIX!"

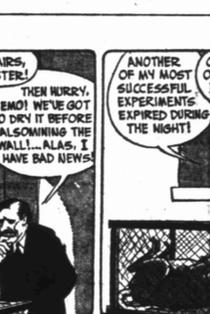

VIC FLINT

—By MICHAEL O'MALLEY and RALPH LA...

"WE CAN DO BUSINESS, FLINT. YOU HAF NOTHING AGAINST ME AND I HAF NOTHING AGAINST YOU."

"LISTEN. I HAF A SMALL FORTUNE IN JEWELS. I CAN GIFF YOU ENOUGH STONES TO MAKE THAT SWEET LITTLE GIRL OF YOURS LOVE YOU FOREVER."

"ALL YOU HAF TO DO ISS LET US GET OUT OF TOWN. NOBODY NEED EVER KNOW YOU SAW US."

"I WASS RIGHT THE FIRST TIME TO CALL YOU STUPID!"

WASH TUBBS

—By LESLIE TURNER

"I'M THRU WITH THE STONE WORK UPSTAIRS, DR. GRUBER—AND READY FOR THE PLASTER!"

"THEN HURRY, EMO! WE'VE GOT TO DRY IT BEFORE KALSOMINING THE WALL!... ALAS, I HAVE BAD NEWS."

"OH, THAT'S BAD, GIRL! IN SPITE OF EVERYTHING THEY ALL SEEM TO PASS ON WHEN REACHING THEIR MAXIMUM GROWTH."

"BUT I THOUGHT SURE I'D FOUND THE CAUSE AND CORRECTED IT IN THIS SPECIMEN! YET! I CAN ONLY HOPE FOR BETTER LUCK WITH MR. TUBBS!"

FUNNY BUSINESS

"George is mad at the telephone company!"

SIDE GLANCES

"Since you had that fight with your girl, you've been eating twice as many sodas! What's the matter—lovesick?"

CARNIVAL

—By DICK TURNER

"Now for de last line—little Joe, fever, six, natural, eighter—from-Decatur, Nina!"

BUY BALDRIDGE'S Sally Ann Bread!

BLACKWELL BROS., DISTRIBUTORS.

RED RYDER

—By FRED HARMON

"RED RYDER FOLLOWS THE TRAIL OF THE WOMAN BANDIT TO DONNA RINGO'S STORE."

"MISS RINGO, ARE YOU HERE?"

"JUST A MOMENT!"

"SORRY TO KEEP YOU WAITING! I WAS IN THE MIDDLE OF MY IRONING!"

ALLEY OOP

—By V. T. HAMLIN

"YOUR TEA ON MOST OMNIPOTENT VESSEL OF INSECURITY, MIGHTY SALAM YELLAPOO!"

"OF COURSE BUT HOW MANY TIMES MUST I TELL YOU WHEN YOU CONTAMINATE THE PEACEMAKE OF MY GARDEN WITH YOUR GARBAGE SALAM!"

"OKAY, BUB! SALAM!"

"DISCHARGED—BECAUSE A WEEK BEFORE HE DIED, BETTEM FLIPPED A COIN WITH A BIG INVESTOR FOR ALL OR NOTHING AND BETTEM LOST!"

LEGAL NOTICES

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: R. F. KAGAY and wife, Martha J. KAGAY, their unknown heirs, their heirs and legal representatives; and all persons claiming under the Warranty Deed from B. G. Graetz and wife, Isabel Graetz to L. L. Nichols, T. F. Tabor and W. R. Pringle, Trustees of the South Side Church of Christ of Midland, Texas, which deed is recorded in Volume 85, page 282, Deed Records of Midland County, Texas, and the unknown heirs, their heirs and legal representatives of said parties, GREETING:
You are hereby commanded to appear before the District Court of Midland County, Texas, in the courthouse of Midland County in the City of Midland, Midland County, Texas, at or before 10:00 o'clock A. M., on the first Monday after the expiration of 45 days from the date of issuance of this citation, that is to say, at or before 10:00 A. M., on Monday, the 8th day of March, 1948, then and there to answer a petition filed in said Court on the 23rd day of January, 1948, in the suit numbered 1347, captioned as follows: Plaintiff, NETTIE C. ROMER, versus Defendant, the Estate of B. G. Graetz, et al., in and to the District Court of Midland County, Texas, described as follows:
Plaintiff prays in said petition for recovery of title and possession to said land, and to remove the cloud from the title to said land, for and to the costs of suit and for further relief, general or special, to whom this citation is brought as well to try title and to determine the rights of said Plaintiff and Defendant.
NETTIE C. ROMER
Clerk of the District Court of Midland County, Texas
Given under my hand and seal of office in Midland County, Texas, this 2nd day of January, 1948.
NETTIE C. ROMER
(Clerk)
Clerk of the District Court of Midland County, Texas
(Jan. 27; Feb. 2-10-17)

Crude Production Drops Off Sharply

TULSA, OKLA. (AP)—A three-week period of continuous increases in American crude oil production was halted during the week ended January 31 during which output fell off an average of 7,305 barrels a day, the Oil & Gas Journal reported Tuesday.
Average daily production for the week was 5,343,200 barrels.
Lower Oklahoma output accounted for most of the decline, dropping 5,700 barrels daily to 1,400.
Other large decreases included Mississippi, down 2,950 barrels to 114,250, and the Eastern area, off 1,480 barrels to 80,520.
Few Major Increases
Declines of 700 barrels or less were reported in Kentucky, Michigan, Florida, Alabama, Louisiana, Colorado and California.
Major increases were in Indiana, up 1,900 barrels to 18,800; Illinois, 1,100 barrels to 168,900, and Arkansas, 750 to 87,750. Smaller gains were recorded in Kansas, Montana and Wyoming.
Production in Nebraska, New Mexico and Texas was unchanged.

Want A Title? Then Get The Bird

HOUSTON (AP)—Ever yearn for a title? Here's one for sale: "King Cockhalorum, Lord of Turkey, Prince of Fryerland, King of Poultry, Master of Henzia and Emperor of Caspasia."
The Houston Fat Stock Show and Livestock Exposition will bestow the honor on the high bidder for the grand champion capon Wednesday.
The bird goes with it, too.
\$500,000 ROAD DAMAGE
DALLAS (AP)—Recent snows and freezing rains caused an estimated \$500,000 damage to Dallas roads and county commissioners here predicted the figure might be higher.

Midland Chamber Of Commerce Has Ambitious Work Program For 1948

A comprehensive program of work of the Midland Chamber of Commerce for 1948 is included in the organization's annual report edition of "Chamber of Commerce Activities."
The work program lists multiple activities under the general headings of agriculture-livestock, aeronautics, civic affairs, conventions and tourist development, highway development, hospital, housing, industrial expansion, military affairs, petroleum, publicity, retail development, rodeo and celebrations, wholesale distribution center, and Wranglers Club.
It was drafted by a special committee including James N. Allison, chairman, R. L. Miller, C. W. Van-Alstyne, T. Paul Barron, Fred T. Hogan, C. V. Lyman, Tom Sealy, John B. Mills, George Glas, and Mrs. W. G. Epley.
Activities Listed
The 1948 program of work:
The Agriculture and Livestock Committee is to assist dairymen, ranchers and farmers in any projects which they might undertake that are designed to advance their vocations. The committee also will assist the 4-H and FFA Clubs in their programs and undertakings and will work with the county agent and county home demonstration agent in staging stock shows and exhibits. In addition the committee will continue its efforts to assist in obtaining a suitable building to hold stock shows and a county fair. The possibility of having a Midland County Booth at the State Fair is to be investigated. The committee is to reprint and distribute, as a public service, the booklet, "Gardening in Midland."
The Aeronautics Committee is urged to continue its efforts to make Midland the aviation center of West Texas and to work with the local government in municipal airport development.
Through the Civic Affairs Committee the Chamber of Commerce will endeavor to encourage leadership in the Latin-American and negro sections of the city to assure cooperation in a program of city beautification, planting of shrubs, safety and health campaigns, and youth programs.
Postal Needs
The committee will continue to cooperate with local governments in every way and especially in cooperation with transportation companies to obtain more modern station facilities.
A street lighting program is to be studied, and a long range plan for obtaining a municipal auditorium and library is to be prepared for consideration.
Cooperation with local governments, schools, churches, civic clubs, planning and zoning boards is assured, and the committee is urged to cooperate fully with the Summer recreation programs.
Conventions and tourist development: The Chamber of Commerce is to encourage all groups to bring conventions and meetings to Midland whenever possible. Special efforts are to be made to make of Midland an information center for tourists. Proper pamphlets are to be prepared for distribution from service stations, tourist courts, hotels, and cafes, which will show routes, distances, possible tourist accommodations and time of special events in various sections which are reached on highways from Midland.
Highway Development: The Chamber of Commerce will continue its efforts to complete the present program which includes a road to La-

meas, improvements on Highway No. 158, Highway 80 between Midland-Odessa, and an underpass under the T&P within the city. Continued cooperation with local governments is assured to obtain all-weather roads to oil field and agricultural communities.
Hospital: Efforts are to be intensified to make Midland the medical center of the Permian Basin, and every cooperation possible is assured the Midland Memorial Foundation in building and putting into operation the most modern and best equipped hospital in West Texas.
Housing: An effort is to be made to assist veterans and others in obtaining living quarters, and every possibility to obtain more rent units is to be investigated.
Industrial expansion: The Chamber of Commerce will cooperate fully with the West Texas Chamber of Commerce-T&P Industrial Committee in obtaining an analysis of West Texas to determine the types of industries suited to this area. Cooperation with established industrial firms is assured, as is the cooperation with the West Texas Chamber of Commerce in its freight rate equalization program.
A military affairs committee is to be formed to cooperate with veterans organizations, State and National Guard units, reserve officers organizations and Army and Navy personnel at all times.
Petroleum: The Chamber of Commerce will serve oil interests and oil company personnel at all times. In addition it will distribute a 1948 oil map and sponsor such organizations as the petroleum industry might desire.
Publicity: Publish new and attractive folders on Midland and foster enlarged and widespread publicity program.
Retail development: Develop and sponsor retail expansion program and enlarge good-will program throughout Midland area. Cooperate in a program to modernize store fronts.
Rodeo, celebrations and special attractions: The Chamber of Commerce will cooperate fully with Midland Fair, Inc., in staging the World Championship Rodeo, calf roping events and other attractions. The feasibility of special attractions for November 11, July 4, and other holidays is to be studied. It also will cooperate in the advancement of high school activities, baseball, softball, golf, shooting, swimming, and other citywide entertainment programs, contests and tournaments.
Wholesale distribution center: Create a committee to work with existing wholesale distributing firms and a committee to advise with new firms.
Wranglers Club: Encourage activities of the Wranglers and work with the club in obtaining new memberships and in extra-curricular activities of greeting and publicity.

Offers Children For Adoption

Thomas F. Ward, a disabled veteran living in Fort Worth, who draws only \$36 monthly, has offered his two daughters Mary Ann, 9, on his knee, and Barbara Jean, 11, left, for adoption; in order to provide them with a good home. Ward ran an add under the personal items column in a newspaper: "Have two small girls, age 9 and 11, for adoption in good home." He has already placed two younger children with a family in Decatur, Texas. Ward's wife left him over a year ago, and he can't find any solution to his problems.

McCamey News

McCAMEY -- Howard St. president of District 11 of Texas State Teachers Association has announced a meeting of District 11 will be held at San Angelo March 12 and 13. The McCamey schools will be closed day, March 12, in order that teachers may attend.
McCamey High School students recently elected class favorites follows: king--David Pauley, queen -- Barbara Bridgman; most popular boy--John Fleming, senior; most popular girl--Janet Pauley, freshman; best all-around boy--James Reese, senior; best all-around girl--Earlene Canon, sophomore. Seniors elected the most favored and will sponsor the coronation ceremony.
Hugh Deatherage has taken the management of the Shell Service Station. He is a long-time resident of McCamey and recently has been employed by the W. Construction Company.

Oil & Gas Log-

(Continued From Page 1)
been completed for a 24-hour pumping potential of 19.68 barrels of 29.4 gravity petroleum is coming from perforated section in the casing at 2,740-70 feet, which had been treated with 3,000 gallons of acid.

SHAFTER LAKE OUTPOST FLOWS FROM DEVONIAN

Frank and George Frank No. 1-C University, one half mile south of the nearest completed oil wells in the Shafter Lake-Devonian field, in North-Central Andrews County, about 11 miles northwest of the town of Andrews, and 1,996 feet from south and 1,984 feet from west line of section 25, block 18, University survey, ran a two and one half hour drillstem test in the Devonian at 2,600-978 feet.

A 1,000-foot water blanket was used. Fluid started out of the top of the drill pipe in 68 minutes. There was no show of gas at the surface. Clean oil started flowing out on top in 90 minutes. The well flowed 59.8 barrels of clean oil to tanks in 60 minutes. Gravity was 33.2 degrees at 54. Gas-oil ratio was 394-1. The project is now at a total depth of approximately 9,700 feet, and is taking another drillstem test.

Dr. Franz Polgar Here Tuesday Night

Dr. Franz Polgar, noted mental wizard and hypnotist, will be presented in a lecture-demonstration, "Miracle of the Mind," at 8:15 p.m. Tuesday in the Midland High School Auditorium.

The program will be the fourth of the season to be presented by the Midland Concert and Lecture Association of which H. Winston Hull is president. A record attendance of members is expected.

Doctor Polgar, a native of Hungary who has been in the United States a number of years, is recognized throughout the world as the leading expert in his field. He has appeared before hundreds of audiences in the United States and other countries.

FREE GOLD MARKET ESTABLISHED IN FRANCE

PARIS—(AP)—Gold went on a free market in France Tuesday for the first time since 1939.

A government bill to permit free trading in gold was enacted into law Monday night by the upper chamber of the French Parliament. The Chamber of Deputies passed it last week.

DEL RIO CONTRACTOR BURNED TO DEATH

DEL RIO, TEXAS—(AP)—Hal Green, a contractor here, was burned to death early Tuesday in the destruction of his home by fire of unknown origin. He was about 50 years old.

MEAT PRODUCTION SLUMP IS PREDICTED

CLEVELAND—(AP)—The second largest slump in meat production history looms in 1948. A. Z. Baker, board chairman of the Cleveland Union Stockyards and president of the American Stockyards Association, declared Tuesday.

COLLISION REPORTED

Police reported a collision at the intersection of South Main and East Kentucky Streets Tuesday between cars of Joe Truss and L. R. Grey. No injuries were reported.

FAMED FINANCIER DIES

NEW YORK—(AP)—Thomas W. Lamont, 77, a country clergyman's son who became head of Wall Street's famed "House of Morgan," died Monday night at his Winter home in Boca Grande, Fla.

JOHNSTON REELECTED

HOLLYWOOD—(AP)—Eric Johnston has been reelected president of the Association of Motion Picture Producers.

The election was conducted Monday by the board of directors.

Ablene Dairy Head Says Butter, Cheese Promise New Revenue

SAN ANTONIO—(AP)—Expansion of butter and cheese manufacture throughout the Southwest promises new revenue to hundreds of farmers, J. C. Neely of Abilene, president of the Texas Dairy Products Association, declared here Tuesday.

Opening a two-day convention of the organization, Neely told 300 delegates that the area had hardly been "scratched" and declared that the expansion of the butter and cheese industry will "steady the entire milk industry."

Highest Income In History

He said cheese factories are now operating at Sulphur Springs, Denison, Abilene and other points in Texas.

"Texas farmers are now receiving the highest cash income from milk in their history," Neely asserted. "The 1947 gross business volume exceeded the record-breaking \$103,382,000 volume in 1946."

He declared the growing importance of the milk industry to the state's economy is "further evidenced" by the new peak value of \$136,482,000 placed on Texas' 1,330,000 milk cows, which produced a total of 1,899,000,000 quarts of milk in 1947.

Officers Of SPCA Named In Election

Officers were elected at a meeting of the Midland Chapter, Society for Prevention of Cruelty to Animals, held Monday night at the courthouse.

SPCA officers chosen are Carl Wevat, president; W. W. Walmsley, vice-president; Mrs. Robert LeBlond, secretary, and Mrs. A. E. Donnelly, treasurer.

A board of directors is composed of Mrs. A. N. Hendrickson, R. DeChiclis, Robert LeBlond, George Burn, Jock Moore and W. T. Schneider.

Educational committee of the SPCA, which was appointed Monday night, includes Mrs. J. N. Walston, chairman, and Don DeVito, Mrs. W. W. Walmsley and Mrs. James Chapple.

\$7,512,000 VEHICULAR TUNNEL TO BE BUILT

HOUSTON—(AP)—Construction of the \$7,512,000 vehicular tunnel beneath the Houston ship channel at Pasadena is expected to begin shortly.

The project was assured Saturday when a special election approved a \$3,000,000 bond issue by a narrow margin.

County Auditor H. L. Washburn said an official canvass showed passage of the bonds.

Any flower that turns toward the sun is a heliotrope.

Boy Scouts—

idents. He lauded the campaign's leaders and workers whose job it is to sell the project to citizens of the council area.

The value of Scouting and the value of the proposed ranch were discussed by Klapproth, who said citizens have an opportunity to do something big for the Scouts of the Buffalo Trail Council on its twenty-fifth birthday anniversary. Klapproth, a district judge here for 12 years, said he did not recall ever having had a boy or man who had participated in Scouting before the bar of justice.

Future Citizenship

Ivan H. Wood of the Wells Organization of Texas explained the plan of the campaign and stated it affords an opportunity to make a capital investment in providing a place to train the youth of West Texas for future citizenship.

The picture slides, taken by Stuart Painter, field executive, were shown by P. V. Thorsen, council executive.

J. M. McDonald interviewed Scouters Max Allen and Jerry McDonald concerning their impressions of the proposed Scout ranch.

Facts about the Davis Mountain ranch and the campaign were presented by Bill Collins.

Livestock

FORT WORTH—(AP)—Cattle 1-000; calves 700; most sales about steady with Monday's declines; trade continued uneven; medium and good slaughter steers and yearlings 21.00-27.00; few good and choice club yearlings 27.00-33.00; plain butcher yearlings 16.00-19.00; beef cows 16.50-21.50; canners and cutters 12.00-16.00; sausage bulls 16.00-22.00; good and choice slaughter calves 22.00-27.00; plain and medium 17.00-21.00; culls 14.00-17.00; medium and good stocker and feeder steers, yearlings and calves 20.00-25.50, fleshy feeder yearlings topping at 27.00; stocker cows 15.00-18.50.

Youngblood Services Held Here Tuesday

Funeral services for Mrs. Ella Youngblood, 88, pioneer Midland resident, who died Monday at her home here, were to be held at 2:30 p. m. Tuesday in the Ellis Funeral Home Chapel, with the Rev. Vernon Yearby, pastor of the First Baptist Church, officiating. Interment was to be in Fairview Cemetery.

Mrs. Youngblood was born Feb. 18, 1859, near Tamaston, Ga., and came to West Texas 60 years ago with her husband, the late W. T. Youngblood. They moved to Midland from Toyah about 55 years ago. Mr. Youngblood was a pioneer merchant and rancher here.

A son, Joe Youngblood, of Midland survives.

DIRECTORS TO MEET

A meeting of the directors of the Midland Junior Chamber of Commerce is scheduled at 7:30 p. m. Tuesday in the City-County Auditorium.

Dick Jurgens Band Plays At VFW Hangar

Hundreds of persons from Midland and other Permian Basin cities are expected to dance to the music of Dick Jurgens and his internationally famous orchestra Tuesday night in the VFW Hangar at Midland Air Terminal.

Members of the Midland Chapter of Veterans of Foreign Wars predicted the Jurgens dance will be one of the best yet staged here. The organization plans to bring other big-name bands here during the year.

Jurgens, who turned down a career of professional football to become a top-flight professional musician, has one of the nation's most popular bands. He is taking his group East for an extended engagement in New York City. The stop here is one of five in Texas.

IN COUNTY COURT

A Midland man was fined \$10 and costs in county court on charges of simple assault, it was reported Tuesday.

Two Burglaries Reported in City
Police reported Tuesday two petty burglaries which occurred sometime Monday night on South Marienfeld Street.

Officers said approximately \$25 was taken by burglars who entered the Community Cash Grocery and Davenport's Laundry.

A nightwatchman reported to police Monday night he saw a man in the J&M Laundry, which is also on South Marienfeld Street, but the intruder fled before officers arrived.

FIRE DAMAGES RESIDENCE
A stove exploded causing a fire at a residence on North Mineola Street Monday. Firemen reported minor damage.

NEW YORK —(AP)— Cotton futures at noon Tuesday were 5 to 30 cents a bale lower than the previous close. March 34.68, May 34.72 and July 34.10.

Col. Wright Gets First 1948 License
Col. J. B. Wright bought the first 1948 automobile license issued in Midland County, Assessor-Collector J. H. Fine reported.

The new license plates went on sale Monday, and Midlanders kept Fine's office busy issuing them throughout the day. Fine estimates approximately 4,000 car owners here will apply for licenses by April 1.
