Rail Strike Threat Hits Stockmen

Railroads Clamp Bans On Produce, Cattle Shipments

Texas livestock and produce industries Friday were caught in a threatened nationwide railway strike. Several railroads already have placed embargoes on shipment of livestock and perishable goods as the May 11 strike deadline nears. Only troop, milk and hospital trains have been assured service if the strike comes. Southern Pacific and Missouri Pacific railroads serving the Rio Grande Valley said their embargoes went into effect Friday. Corn and tomato crops are being harvested in the valley now.

Rail Lines Get Ready For Tie-Up

Commercial agent, S. W. Ferrell of Dallas, said Louisville and Nashville Railroad Company officials had advised him to accept livestock, live poultry and perishables consigned to private sidings, team tracks or stockyards if they can reach destinations before 8 a. m. Monday.

The Missouri-Kansas-Texas embargo on livestock, poultry and perishables became effective at 3 a. m. Friday, General Manager H. M. Warden said at Dallas. Some railroads continued to take passenger reservations past the May 11 deadline, but informed prospective travelers they would take the risk of being delayed or being inconvenienced.

Three major measures are being taken by the carriers in preparation for the scheduled walkout by some 190,000 key workers—engineers, firemen and switchmen. They are: notices of embargoes on freight shipments, notices to non-striking rail workers of possible layoffs and notices to passengers of the risk involved in taking journeys embracing the strike date.

Under terms of the strike call, only troop, milk and hospital trains will be operated by members of the striking brotherhoods. But at least two carriers said they will attempt some operation by using supervisory employees. These included the Illinois Central and the Louisville and Nashville lines.

Complete Layoffs Generally, however, the carriers proceeded with plans to halt all operations in event of a strike and sent layoff notices to the non-striking employees. Some roads did not plan to lay off shop employees as their work would not be affected by the strike.

The Pennsylvania, the country's largest carrier of passengers and freight, and the Baltimore and Ohio were among the carriers announcing plans for a complete layoff of workers if the strike becomes effective.

No general embargo action is planned, the Association of American Railroads said, as such a step is up to the individual road. Several carriers announced plans to embargo shipments of livestock, live poultry and perishable cargo.

Rites Held Friday For Reeves County Judge PECCOS—(AP)—Funeral services for W. E. Bell, 63, Reeves County Judge the last eight years, were to be held Friday morning at the First Baptist Church here.

Bell, who came to Peecos in 1917, died unexpectedly at his home Wednesday night. Earl Bell was for more than 20 years a partner of U. S. Rep. Ken Regan of Midland in the oil lease business at Peecos. He was identified with oil leasing through West Texas for more than 30 years.

WAR DEAD COME HOME OAKLAND, CALIF.—(AP)—The Army Transport Cardinal O'Connell docks here Friday with the fifth shipment of 2,023 World War II dead from cemeteries in the Pacific.

GOP Calendars Bills For Quick Action In Senate WASHINGTON—(AP)—Senate GOP leaders served notice Friday that a push to end the present session of Congress by June 19 may prevent action on a number of bills.

Chairman Taft (R-Ohio) said the Senate Republican Policy Committee reached that conclusion in a two and one-half hour closed door session. He did not say which measures may be dropped. Taft listed these four measures for immediate action by the Senate:

1. The southern compact to allow Southern states to cooperate in setting up joint educational facilities. This now is the pending Senate business and will continue next week.

Mid-Air Crash Kills Three

Three persons were killed and one seriously injured when two light planes collided at an altitude of 800 feet over residential Detroit, Mich. This picture shows one of the planes, which crashed in a backyard. The other plane crashed into a nearby cemetery.

Churchill Proposes Council Of Europe

THE HAGUE—(AP)—Winston Churchill urged Friday immediate formation of a European assembly as the first step toward a Council of Europe free of the jealousies and rivalries of the past.

Churchill asked members of a 22-nation forum to plead with their governments to "create a new Europe" whose united voice can be heard continuously.

The new Council of Europe should be a subordinate but necessary part of the world organization of the future, he said, and should have three "august but subordinate" regional councils:

1. The Soviet Union.
2. The Council of Europe, including Great Britain, joined with her empire and Commonwealth.
3. The Western Hemisphere.

Britain's wartime leader said the West is gripped and perplexed by the attitude of the Soviet Union. "I'm right in the middle of my housework and I'm not in the mood to answer any questions," the woman snapped as he hung up.

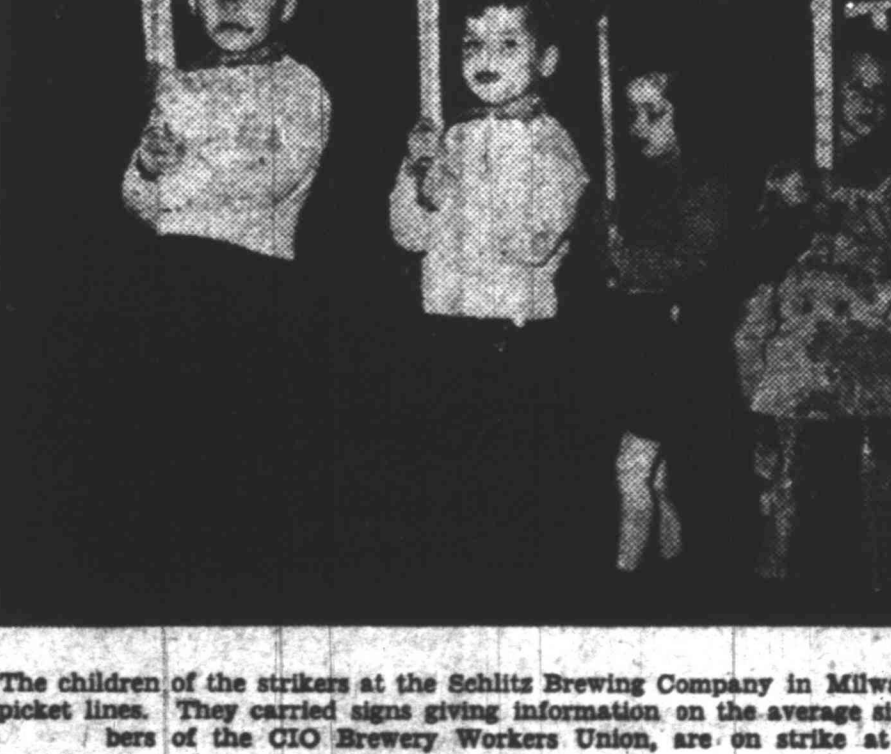

Greeks Continue Wholesale Executions ATHENS—(AP)—Fresh executions Friday boosted to 213 the number of Greek prisoners put to death since the assassination of Justice Minister Christos Ladas Saturday.

The latest to die were 18 persons confined at Aegina Prison, just outside Athens. They were executed Friday morning. It was announced officially that 152 were executed Tuesday, less than 72 hours after Ladas succumbed to injuries received from a hand grenade which police said was thrown by a Communist.

WIDOW OF LAREDO ALDERMAN DIES FRIDAY LAREDO, TEXAS—(AP)—Mrs. Carrie Tutwiler Brennan, 67, widow of the late M. W. Brennan, Laredo alderman and bank official, died at her home here Friday.

Survivors include a sister, Miss Sarah Tutwiler of Denison, Texas.

Children Take Over Picket Lines The children of the strikers at the Schlitz Brewing Company in Milwaukee relieved their parents on the picket lines. They carried signs giving information on the average size of families. Their fathers, members of the CIO Brewery Workers Union, are on strike at the Milwaukee brewers.

Air Force Gets Ready To Buy New Planes

WASHINGTON—(AP)—The Air Force readied buying orders for 2,727 new warplanes Friday, awaiting only President Truman's signal to start building a 70-group peacetime armada. Shortly after the Senate gave a 74 to 2 vote of approval Thursday to a \$3,230,000,000 power expansion fund, Air Force officials announced they were warming up their purchasing machinery.

A Senate-House conference committee was expected to act swiftly to compromise minor differences in the bill previously passed by a 343 to 3 vote in the House. The measure then will go to the White House, where favorable action seemed likely despite the \$322,000,000 added to Truman's original request.

This was the money tacked on to assure a start toward the 70-group Air Force rather than the 55 groups first planned or the 66-group compromise put forward by Secretary of Defense Forrestal in his plea for a "balanced" military expansion.

Bombers, Jet Fighters The Air Force said the new funds will provide 243 bombers, 1,575 jet fighters and 909 reconnaissance, transport, training, rescue and liaison aircraft by 1953. Even more important, the Air Force statement said, is that the new appropriations will buy "that all-important time for which there is no substitute."

It pointed out that the President's Air Policy Commission has set 1953 as the date when the atom bomb secret could be worked out by other nations. The Air Force said this means 1948 is the last year in which this nation can start building toward a minimum peacetime Air Force.

Reds Will Attack When They Can Win, Says Kenney BANGOR, ME.—(AP)—Communists will start "Operation America" as soon "as they feel that they can win in a conflict against us," General George C. Kenney said Friday.

"It is no longer necessary to ask if we think there is a danger of war," the commanding general of the Strategic Air Command said in an address prepared for the Maine Federation of Women's Clubs. "We are the obstacle, in a struggle for world dominion," he said. "We are the primary target of attack. Defeat the United States and the world is at the mercy of the conqueror."

Danger Lies North "He who controls the air controls the destiny of the world," he said. "The direction for us to look is no longer east or west, but north. 'If we get into trouble again,' he added, "that is where you will first pick up the enemy aircraft coming from the European-Asiatic land mass over the great circle courses, the shortest air routes across the Arctic wastes, and over the northeastern part of Canada and the United States, on their way to destroy our centers of industry and population."

TWO NEW PRODUCERS ARE COMPLETED IN U-W-E FIELD Two new producers have been completed in the University field, a 24-hour flowing potential of 1,425.56 barrels of 47.2 gravity oil, flowing through a one-half inch choke, from pay at 10,580-900 feet, which had been treated with 1,000 gallons of acid. Gas-oil ratio was 559-1.

Gulf Oil Corporation No. 1-E-GG Texas Consolidated, (University), 2,030 feet from north and 660 feet from west lines of section 2, block 31, University survey, made a daily initial production of 2,562 barrels of 45.3 gravity oil, flowing through a one-half inch tubing choke, from pay at 10,753-881 feet, which had been treated with 2,000 gallons of acid. Gas-oil ratio was 691-1.

N-C ANDREWS DEVONIAN PROSPECT INVESTIGATING McAlester Fuel Company No. 1 M. M. Fisher estate, deep wildcat in North-Central Andrews County, three and one half miles east of the Shafter Lake-Devonian field, 12 miles north of Andrews, and in the southwest corner of section 4, block A-36, psi survey, was bottomed at 11,237 feet in the Devonian, and was taking a drillstem test on the bottom 55 feet of the hole. The section at 11,106-182 feet had shown some gas cut mud, and some salty water—which some observers thought might not be from the formation. Results of the test had not been received at the time this report was prepared.

STOCKYARDS WORKERS STRIKE THREAT SPREADS SIOUX CITY, IOWA—(AP)—Representatives of CIO Stockyarders at Milwaukee; South St. Paul, Minn.; Fort Worth, Texas; St. Joseph, Mo.; Fargo, N. D. and Sioux City acted to "strike on our wage demands."

George Paulson, UPWA international representative, said a probable strike date would be announced Friday. He said a walkout by the 2,000 union workers would paralyze activity at the six centers.

JERUSALEM — (AP)—Arab League leaders agreed Friday on a Jerusalem truce, effective at noon Saturday, if the Jews will cease firing, an official statement announced.

WASHINGTON — (AP)—Sweden and Luxembourg Friday qualified for Marshall Plan aid, and shipments exceeding \$4,000,000 were approved to four other countries—Denmark, Austria, Greece and The Netherlands.

CHRYSLER AUTO WORKERS PUSH PLANS FOR STRIKE DETROIT—(AP)—The CIO-United Auto Workers, having quit the bargaining table with a bitter blast at Chrysler Corporation pushed ahead Friday with plans for a strike they now call "inevitable."

State and federal mediators immediately moved forward with hopes of bringing the warring parties together again before the strike deadline, set by the UAW at May 12.

Truman Still Sees Hope In Rail Crisis WASHINGTON—(AP)—President Truman went over the railroad crisis with his Cabinet at an hour-long meeting Friday. The Cabinet conference concluded before Presidential Assistant John R. Steelman began a meeting with heads of the three brotherhoods which have called a strike for next Tuesday. Steelman is seeking some way to head off the walkout.

Leaving the Cabinet session, Attorney General Clark told reporters he advised the President in an opinion last week he has ample power to seize the railroads—in event he decides that step is advisable.

NEW MEXICO SPIKES THREATENED RIOT IN STATE PENITENTIARY SANTA FE, N. M.—(AP)—New Mexico's State Prison was reported all quiet Friday in the wake of a near riot. Five trouble makers were in solitary confinement.

Warden Howell Gage said more than 100 convicts withdrew threats to refuse to work or eat after a two-hour wrangle late Thursday. Summoned as a "precautionary measure," a dozen state policemen stood by outside the walls with rifles and tear gas until the trouble was settled.

"The convicts are not running this penitentiary," Gage told the prisoners in the course of the debate. Word that the five men in solitary planned to attack three guards led to their confinement. And this, in turn, caused the threatened strike, Gage said.

Doctors Complete Atom Injury Course CHICAGO—(AP)—Sixteen physicians Friday completed the first medical course in the nation designed to teach them how to prevent and treat atomic radiation injury.

The students were physicians representing the Army, Army Air Force and U. S. Public Health Service. The six-months course was given at the University of Chicago.

Mother Of Midlander Dies In Winters WINTERS—Mrs. W. W. Hall, 82, a long-time resident of Winters, and mother of G. E. (Blondy) Hall of Midland, died at 6 a. m. Friday in her home here after a long illness.

She was the widow of the late W. W. Hall, prominent Rannels County landowner and farmer, who died several years ago. Funeral services will be held at 2:30 p. m. Saturday in the Presbyterian Church here, with the Rev. Anson Dewey officiating. Interment will be in a Winters cemetery.

Texas' Cool Wave Plays Out Quickly Texas enjoyed Summer resort weather Friday, but the cool wave that moved in with midweek thunderstorms promised to be short-lived. Skies were clear throughout the state and higher temperatures were forecast. There were no overnight rains.

A low reading of 43 degrees was reported at Salt Plains, in the far West. Lufkin, in East Texas, was only one degree warmer with 43. The highest overnight minimum was Brownsville's 57.

A's Win Fifth Straight, Top AL Standings

By JACK HAND Associated Press Sports Writer

Give a cheer for 85-year-old Connie Mack and his surprising Philadelphia Athletics. Five straight wins, climaxed by a kayo decision over Bobby Feller, have boosted the A's into the American League lead.

Picked to scramble in the second division with the White Sox, Browns and Senators, the Athletics begin to look like serious contenders for a spot among the top four.

Dick Fowler worked only two-thirds of an inning on relief before his 8-5 victory Thursday over Cleveland. Arm trouble handicapped Fowler in Spring training.

Feller was belted out in the fourth inning, never recovering from a four-run first inning during which Manager Lou Boudreau made two costly errors.

George Vico, Detroit's rookie first baseman and Birdie Tebbets, the Boston Red Sox' catcher who once played for the Tigers, staged an impromptu fight to enliven the proceedings at Fenway Park. After they had been separated and ejected from the game, they scuffled again in the grandstand tunnel to the dressing rooms.

Although the Red Sox knocked out Hal Newhouser in the first inning, they lost the game to Detroit 8-3.

There was an argument in New York, too, where the St. Louis Browns claimed Bobby Brown's game-winning homer was a foul ball. The homer, peripatous close to the right field foul pole, came with a man on in the eighth for a 6-5 Yankee victory.

Washington pulled up to the 500 mark by shutting out Chicago for the second night in a row 5-0 on Early Wynn's three-hit pitching. Wynn hurled hitless ball in the last six frames.

Pittsburgh's six-game winning streak was broken in the National League when the New York Giants thumped the Pirates 9-2.

All other National League games were washed out—Brooklyn at Chicago, Boston at Cincinnati and a scheduled night meeting, Philadelphia at St. Louis.

Tribe Slugs Oilers 7-2

ODESSA — The Midland Indians won a 7-2 victory over their arch-rivals the Odessa Oilers here Thursday night. The two teams meet again at 8:15 p. m. Friday.

Levi Clay, Indian twirler, put the quietus on the Oilers scattering five hits and two runs. Meanwhile his Tribe mates were hitting the ball.

Midland staged a three-run rally in the seventh inning to clinch the contest.

Midland staged a three-run rally in the seventh inning to pull away from Odessa and win a Longhorn League game 7 to 2. Walt Bardwell ruined a possible shutout game when he allowed three consecutive ninth inning walks to score one man as Ballinger overwhelmed Del Rio 13 to 1.

The Big Spring Broncs edged the Sweetwater 4-11 to 8. The Vernon Dusters knocked off the San Angelo Colts 14 to 1 as Harry Shertling's Vernon pitching slants limited the Colts to two base hits. The Dusters dusted off three San Angelo pitchers for 15 base hits.

MEXICO STANDS PAT ON WORKERS FOR TEXAS MEXICO CITY — (AP) — A reported bid to send 10,000 seasonal agricultural workers to Texas brought "no comment" from the foreign office Thursday night.

Horacio Teran, executive secretary of Gobernacion (Interior Department), told The Associated Press "No change is being considered with respect to sending Mexican braceros to Texas."

Girls' Hair-Pulling Is Serious Business

OAKLAND, CALIF. — (AP) — Girls just will be hair pullers—and with astounding results.

Police broke up a gang fight Thursday involving 350 pupils of Frick and Elmhurst Junior High Schools by nabbing the leaders—and these weapons:

Two sawed-off baseball bats, four two-foot lengths of pipe, one bicycle pedal fashioned into brass knuckles, one butcher knife and a dozen small metal bars.

The trouble started after a hair-pulling by two girls at an all-girl track meet between the two schools.

PEO Sisterhood Activated Here; State Organizer Conducts Rites

The PEO Sisterhood, national social organization for women, became active in Midland at an impressive Thursday afternoon ceremony in the home of Mrs. J. Clint Dunagan, 1508 West Missouri Street, with Mrs. Ted Buttrely, state president from Austin, president, and Mrs. W. M. Lewis of San Antonio, state organizer, presiding at the initiation rites.

The Odessa chapter was activated with the local group, The Hobbs, N. M., chapter assisted in the initiation of Mrs. James N. Allison, Mrs. F. C. Cummings, Mrs. J. M. Devereux, Mrs. Dunagan, Mrs. Herbert Hemphill, Mrs. Dave Henderson, Mrs. Glen Mershon and eight Odessans.

Preceding the organizational rites, the group attended a luncheon in Hotel Scharbauer. Three bouquets fashioned of marguerites, PEO flower, were arranged on the U-shaped tables. Seated at the speaker's table were Mrs. Buttrely, Mrs. Lewis, Mrs. Paul Kohn, and officers of the Hobbs chapter. Out-of-town members and initiates were presented attractive corsages.

Mrs. Lewis conducted the organizational ceremony which followed the initiation rituals, welcoming two new chapters to state affiliation.

The state organizer announced that the Midland chapter will be known as BS, and the Odessa group BT, representing the 70th and 71st chapters organized in Texas.

Mrs. Paul Kohn, president highlighted the session was the election and installation of Mrs. Kohn as president of the Midland chapter, to be assisted by Mrs. Mittie Norman, vice president; Mrs. Tom L. Ingram, recording secretary; Mrs. James E. Sprinkle, corresponding secretary; Mrs. John Casselman, treasurer; Mrs. Dunagan, chaplain, and Mrs. Allison, guard.

Mrs. Norman concluded the meeting with a discussion of the constitution and a brief history of PEO, which was founded in 1869. It is one of the oldest women's clubs in the nation, boasting a membership of more than 90,000.

Tea Follows Ceremony
A tea in Mrs. Dunagan's home immediately followed the meeting. Amidst attractive floral arrangements, gifts were presented to Mrs. Buttrely and Mrs. Lewis. Mrs. Sprinkle presided at the crystal punch service. Refreshments included floral-decorated mints and cakes.

Members of the charter group include the above-named officers, initiates and Mrs. Ed Patterson and Dr. Louise Fillman.

Special guests attending the ceremony, who are members of other PEO chapters, were Mrs. Elliott Powers, Mrs. J. E. Heald, Mrs. Dave Pennel and Mrs. R. M. Willis.

Wildflower Talk Highlights Joint Meeting Of Midland Garden Clubs

All garden clubs of Midland met jointly Thursday afternoon to hear O. F. Garrett of Pecos, district superintendent of highway improvement, give an address on choice Texas native wildflowers, emphasizing their use in beautifying home landscapes, parks, rock gardens, commercial florists and nurseries.

Mrs. George Abell was hostess for the large group in the attractive garden of her home, 1505 West Illinois Street.

Mrs. L. Waldo Leggett, who assisted by Mrs. Bob Hill and Mrs. T. A. Golladay, organized the Texas and Perennial Garden Clubs, welcomed members representing each group and introduced Garrett, who has developed his wildflower and landscape study into an attractive business. Mrs. J. C. Smith introduced Mrs. Leggett.

Garrett highlighted his discussion with a list of seeds, bulbs, flowering shrubs, yuccas and cacti that grow best in this area. He displayed on the speaker's table specimens which he exhibited at a recent flower show in El Paso.

"It does not take a professional grower to plant wildflower seeds," Garrett explained as he pointed

out the varieties that may be grown easiest in West Texas. Bluebells, Bluebonnets and larkspur, the most common annuals in this area, may be grown with little effort. He cited the Bugler as his "favorite" biennial, and the Pentstemon as the best cut-flower variety. The latter will bloom until frost, Garrett explained—its best variety in Midland is the Wild Belladonna.

Garrett showed blooming specimens of buttercups and primrose, perennials which bloom for two or more years. The mountain variety of redbud would make a good showing in Midland, Garrett suggested.

Best Reputation For Yucca
"West Texas has the best reputation for yuccas," Garrett continued, "but the yucca should have a good soil and a fair amount of water. . . . It does not have to be planted in rocky, dry soil." Garrett explained that the yucca is useful in hedging and in park beautification. Cacti should have a 50-50 mixture of dirt and gravel, he concluded.

The speaker presented seed specimens to each person present.

The address was followed with the serving of refreshments by Mrs. Winston Hull, Mrs. L. I. Baker, Mrs. Leslie Brown and Mrs. James C. Watson. Guests toured Mrs. Abell's garden.

North, West Schools Tie For First Place In Literary Events

The intra-school literary program for the 1947-48 session closed recently with North and West Elementary Schools chalking 255 total points each to tie for first place honors. South Elementary scored 185 total points to close in second place.

Final scores in all literary events for each school included: North—declamation, 55; spelling, 50; ready writers, 50; story tellers, 70; rhythm band, 8; choral singing, 25. West—declamation, 55; spelling, 45; ready writers, 40; story tellers, 70; rhythm band, 10; choral singing, 55. South—declamation, 30; spelling, 60; ready writers, 30; story tellers, 40; rhythm band, 15; choral singing, 10.

The recent story telling contest concluded with Smith, Ray and Shirley Watts, both of North Elementary, copying first place victories in the first grade groups. Mike Dunagan and Mary Crooks, both of West Elementary, won second, with Jerry Hyde and Pat Morgan of South Elementary taking third place.

Kenneth Lay of South Elementary and Alison Gray of West Elementary scored first in the second grade groups. Billy Penn and Carol Walker of North Elementary came in second in these groups, with Tinker Downing of West Elementary and Frances Cavitt of South Elementary scoring third.

The third contest resulted in a first place victory for Douglas Hatfield and Jane Neill, both of West Elementary, second place for Joel Smith and Anne Brooks, both of North Elementary, and third for Don Moore and Jann Ball, both of South Elementary.

TOWN OF 1800 HAS FIRST BIRTH IN TWO YEARS

CALETON, PA. — (AP) — Clara Swan has the distinction of being the first baby to be born in this community in two years.

Since the town of 1,800 persons has no hospital, expectant mothers have been journeying to nearby towns to have their babies.

But Mrs. Bessie E. Swan decided to break a precedent and have her baby right at home.

'Antique' Tea For Club Women Slated Saturday
All club women of Midland are invited to attend an "antique" tea from 3 p. m. to 5 p. m. Saturday in the Crystal Ballroom of Hotel Scharbauer, honoring the City-County Federation here.

The two local chapters of Beta Sigma Phi sorority will be the hostess group for this annual meeting of the federated clubs of the city.

Antiques, none of which are less than 50 years old, are being collected from many sources for display at the tea, officials announce. Each item will be marked with a card indicating the age, history, description and a story connected with the article. A large number of interesting pieces of jewelry, china, glass, silver and furniture have been loaned by individuals, antique dealers, stores and museums for use at the tea, it was reported.

Beta Sigma Phi has scheduled a continuous musical program for the entertainment of the large number of guests expected.

Assisting in the house party will be Mrs. S. R. McKinney, Jr., Mrs. Noel Cason, Dorothy Hamilton, Aileen Maxwell and Mrs. J. Howard Hodge.

Next Move In Italy

Moscow certainly, and Washington probably, had a political strategy for whatever the Italian elections went. Now that the gratifying results are in, we shall probably see one of those strategic plans put into action.

The first move may be expected from the Communists. They have nothing to gain by sitting still. But they have considerable to lose by unwise action. It appears, from the count of votes, that the country is strongly behind the de Gasperi government, and that any large-scale violence by the Communists would be met by vigorous government action backed by popular support.

This must present a serious problem to the Moscow strategists. If the Social Democrats had barely squeaked in, the Popular Front could have demanded a place in the government. And being refused, as they surely would have been, they might have had strength to follow the Greek pattern and set up a "people's democracy" in the north of Italy.

But the loss of the northern industrial cities, heavily Communist in 1946, should end any such ideas. The accompanying loss of prestige, while it won't stop the Reds' agitation, probably will slow them down.

The whole story behind this loss is not readily apparent to an American, but some of the big issues are. The Communists as well as their opponents freely admitted that the choice in the election lay between America and Russia.

Passage of the European aid program in this country was a decisive factor, of course. So was the Catholic Church's stand against communism. The smart Anglo-American move for a return of Trieste to Italy, and Russia's rejection, carried weight. Probably the letters and broadcasts from friends and countrymen in America also helped.

But the Communists are still numerous enough to make plenty of trouble. They seem to be well led, well disciplined and well financed. It is not likely that the Kremlin will risk touching off World War III by a civil war in Italy. But it can order incessant criticism of the government and industrial sabotage to promote turmoil and retard recovery.

As for America, the Italian elections have averted a crisis which would have dealt a near-fatal blow to European recovery, to our foreign policy and prestige, and to the hope of peace. That about sums it up, but it is enough.

Now the ERP can go ahead as planned. The progress is bound to be rough, and slow. But thanks to the Italian people, who made perhaps the most decisive choice in their democratic history, Europe can move ahead.

Wallace For Taft?

Henry Wallace, in his "police state" speech in New York, said that communism is spreading "because the policies of Truman, Stassen, Martin and Dewey are policies which run counter to the needs of people everywhere."

Conspicuously absent from this roster was the name of Senator Taft. We imagine the senator regrets being left out. Wallace can't have forgotten him, so there must be a reason for his exclusion.

We don't know the reason. But we would guess it has something to do with the not-so-fanciful notion that Wallace, who cannot hope for victory, is in the race in the hope that Taft will be elected President.

It has been said before that Wallace may entertain the faint hope that Taft's tepid internationalism would approximate his own policies of appeasement toward Russia, and that Taft's economic philosophy would create a depression—and a demand of "Wallace for President" in 1952.

The record of Wallace's past statements bolsters this theory, and the above quotation might be said to add further support to it.

Remains Of High Tariff Lobby Still Fight Trade Agreements

By PETER EDSON
NEA Washington Correspondent
WASHINGTON—(NEA)—A House Ways and Means subcommittee under Bertrand W. Gearhart of Fresno, Calif., is holding secret hearings. Press and public are barred. The subject is extension of the Reciprocal Trade Agreements Act. This is Cordell Hull's 14-year-old pet program for promoting peace by removing barriers against international trade. Under it, the U. S. agrees to lower tariffs on imports from countries that will reciprocate by lowering their tariffs against exports from America.

As a matter of fact, the so-called executive session hearings aren't so very secret after all. Opponents of this bill have oiled up their duplicating machines and are grinding out copies of their statements. This opposition is worth inspecting. It's made up of what's left of the once-powerful high tariff lobby. It takes you back to the not-too-good-old-days of Fordney and McCumber, of Smoot and Hawley.

A majority of Republicans on the House Ways and Means Committee seems to want those good old days brought back again. So they have rigged it to do a sabotage job on the bill.

Opponents of the bill were given the first two days of the hearings. Administration officials from State, Commerce, Treasury, Tariff Commission and other government agencies supporting the program were then given two days to state their case. Then the opponents were given the fifth day. "Expert" witnesses whom the committee will hear in opposition include the following:

- 1. Matthew Woll, president, Wage Earners Protective Association. This is a high tariff pressure group organized in 1928. It takes in about a dozen AFL unions that have been sold on the idea that low tariffs threaten their jobs. They are the painters, paperhangers, bookbinders, wire-weavers, operating engineers, photo engravers, pottery, glass, hat, cap and millinery workers.
- 2. Albert Goss, grand master of the National Grange.
- 3. H. Wickliffe Rose, president, National Tariff League.
- 4. Dr. John Lee Coulter, consulting economist for the Tariff League. Rose and Coulter are the two top high tariff lobbyists.
- 5. Dr. Claudius T. Murchison, Washington representative for the Cotton Textile Institute.
- 6. Arthur Besse of the National Association of Wool Manufacturers. He is regarded as the most vocal of Trade Agreements Act opponents. Both Murchison and Besse represent mill owners who fear the competition of low-priced foreign textiles.
- 7. Dr. Robert F. Martin of the

VE-Day Carnival Slated Friday

The VFW's V-E Day carnival Friday night in the VFW Hangar at the Midland Air Terminal is open to the public and promises to be one of the biggest and best fun fests of the season, sponsors announced. They urged every member of the family to attend, promising plenty of entertainment for everyone.

Booths were readied Thursday night and the big show will open on schedule. A ducking barrel, with city officials and civic leaders sitting over the water, kissing booth, fortune teller booth, pin ball games and other amusements are included in the list of attractions. Facilities also will be available for dancing.

The affair is sponsored by members of Veterans of Foreign Wars and its Auxiliary. Proceeds will go toward a fund for renovating the VFW swimming pool and for financing other civic projects.

Continental Slates Tulsa Show Flights

Continental Air Lines will operate fast special flights from Midland to Tulsa and return May 15-18 to accommodate West Texas oil men attending the International Petroleum Exposition, Jim Carlson, station manager here, announced Friday.

The flights will depart Midland at 7:15 a. m. daily, and will leave Tulsa at 7:30 p. m. on the return trips.

Carlson said the special flights will afford oil men of this area an opportunity to visit the famed oil exposition and return home the same night. Reservations may be made immediately, he said.

The DOCTOR Says

'Split Personality' Is Serious Mental Illness

By EDWIN F. JORDAN, M. D.
Written for NEA Service
Dementia praecox, or schizophrenia, is an important kind of mental illness. The symptoms vary a good deal but a "splitting" of the personality is the most common.

The cause of schizophrenia is not known. Hereditarily probably plays some part. It has been stated that more than half of those with schizophrenia have some family history of mental illness. There may be, and probably are other factors responsible for the development of this condition.

Most cases start between the fifteenth and thirtieth year. Several different types—usually four—are described. Sometimes mental strain or a disease seems to bring on the illness rapidly, though at other times it comes slowly without any discoverable background. Slight peculiarities and oddities often are present for some time before the development of any serious symptoms.

The most prominent symptom is an emotional change shown by indifference to events to which the normal person would respond. Over-sensitiveness and increased suspicion are common. Judgment is likely to be impaired. The patients commonly complain of hearing or seeing objects which are not there, hallucinations. There are several peculiar qualities to the thinking of a victim of this condition. The personality is likely to become gradually altered. Disorderliness in the care of the person or property is common.

Schizophrenia is a disease. The antisocial behavior which is so common is a symptom of that disease. Of the modern treatments available, the various shock methods seem to be the most promising. Shock treatments may have to be repeated a good many times and, of course, must be given under the direction of thoroughly qualified specialists. It does not help in all cases, but certainly it offers hope which was not possible a few years ago.

Questions and Answers
Q—Who lighted the lamps in the tower of Old North Church on the night of Paul Revere's midnight ride?
A—This has long been a matter of controversy, but most historians give the credit to Robert Newman, at that time sexton of North Church.

Q—What is the name of the island near which Amelia Earhart was lost?
A—Howland Island, a small Pacific island near the Gilbert Islands—about half way between Hawaii and New Guinea.

Q—In mining what is a tippie?
A—The apparatus on which cars, loaded with coal from the mines, are emptied by tipping.

Q—When was Greece set up as an independent nation?
A—Greece gained her independence from Turkey in the War of 1821-1829.

Q—How does the dragonfly get its food?
A—The dragonfly feeds on insects which it catches in the air. The prey is seized by the six legs, all of which can be brought forward, forming a basket. Insects are caught in this basket and quickly transferred to the mouth.

Mangrum Leads Goodall Tourney

NEW ROCHELLE, N. Y.—(AP)—Lloyd Mangrum looked as if he might be a hard man to catch Friday as he and 15 others of the world's best professional golfers tangled in the second and third rounds of the Goodall Round Robin Tournament at the Wykagyl Country Club.

Mangrum, the national open champion of two years ago and leading money winner of the present season, broke the competitive course record in Thursday's opening round to take the lead with a score of plus 14.

He blazed his way around in 34-32 to crack the previous mark of 67 established five years ago by Byron Nelson.

Barroo Point Behind
Herman Barron, of White Plains, N. Y., who was only a point behind Mangrum starting Friday's second round with a plus of 13, shot a 70 Thursday. He had the great good luck of playing in the same foursome with Johnny Palmer, of Beatin, N. C., who bounced around to a 78 and finished up trailing the star-spangled field at minus 18.

That's how it goes in the Goodall—sanest of all golf events. Bob Hamilton, of Landover, Md., speared a 69 in his first try and took third place, with plus 11. Claude Harmon, of Mamaroneck, N. Y., shot the same score, 69, yet posted only a plus 7—tied with Ed Furgol of Detroit, who went around in 71.

Bobby Locke, of South Africa, the defending champion, mastered the par-72 course with an impressive 68, yet found himself far off the pace at Friday's dawning with an official standing of plus 5.

Texas League—Missions Drop As Cats, Buffs Come Through

By The Associated Press

The northern half of the Texas League comes home Friday night for an extended stay and for three of the four clubs the welcome may not be exactly enthusiastic.

Fort Worth is the lone northern team with cause to rejoice over the long trip into the southern end of the circuit. The Cats come back on top of the league.

Dallas, Oklahoma City and Tulsa are running sixth, seventh and eighth—their standing resulting from the trip south.

Thursday night, Fort Worth salvaged the series finale from Beaumont with an 8-4 decision, thanks to six runs in a wild seventh inning.

Dallas beat Shreveport 6-2, Houston tagged Tulsa 7-5, and Oklahoma City downed San Antonio 2-1 in other games.

Semi-Pro League Given Charter

WICHITA, KANS.—(AP)—A seven-team Big Bend Texas League has been granted a charter by the National Baseball Congress.

The circuit, first in Texas to be sanctioned, consists of two Alpine teams, Balmorhea, Fort Davis, Marfa, Sierra Blanca and Valentine.

L. B. Martin and Walter Polisky, both of Marfa, are president and secretary, respectively.

Purple Trims Eagles

Larry Buckingham, Bulldog right fielder, hit a money double in the ninth inning Thursday afternoon in Indian Park here to drive in a run which gave Midland High School a 9-8 victory over the Abilene High Eagles. It was a 2-AA conference game.

The Bulldogs came to bat in the last half of the ninth trailing by one run 8-7. Frank Robertson pitcher, was first up and he erred on B. H. Spaw went in to run for Robertson. Moe Price struck out. Spaw got to second on an error. Marion Tredaway singled scoring Spaw with the tying run. Don Deel singled sending M. Tredaway to third. Then up came Buckingham and he hit a double which rattled the boards in left field scoring M. Tredaway with the winning tally.

Lefty Max David pitched the first six innings for Midland and then Robertson came to relieve him and win the game. Buckingham hit a triple in addition to his game-winning double. M. Tredaway got three hits in four trips.

Erbert Ingram hit a home run for Abilene in the sixth inning, which looked as if it would decide the game.

Errors hurt both teams. Midland committed nine and Abilene eight errors.

WT-NM League—

Red-Hot Gassers Chalk Up No. 7

By The Associated Press

The scores are still wet in the West Texas-New Mexico League, but the margin of victory is shrinking.

One run decided three of four games Thursday night. Berger edged Clovis 10-8, Pampa squeezed by Abilene 11-10, Lubbock beat Lamesa 15-14 and Amarillo downed Albuquerque 16-9.

Berger's red-hot gassers racked up their seventh straight victory in beating Clovis. Marvin McElvly and Leon Michel each hit home runs in the fifth for Berger and the gassers packed six runs into the second. Clovis rallied for five runs in the eighth. Ray Bauer's grand slam homer contributing four of them.

Jack Martin New H-SU Cage Coach

ABILENE.—(AP)—Hardin-Simmons' basketball team next year will be coached by 24-year-old Jack Martin, top scorer on the Cowboy team the last two seasons.

Athletic Director Warren B. Woodson announced appointment of Martin as head coach Thursday.

Martin, who is a candidate for a degree this Spring, played with John Tarleton College and with the 30th Fighter Wing team on Okinawa during World War II. He came to Hardin-Simmons at the beginning of the Spring semester in 1947.

Texas Meets Ponies, A&M Tackles Rice In Vital SWC Contests

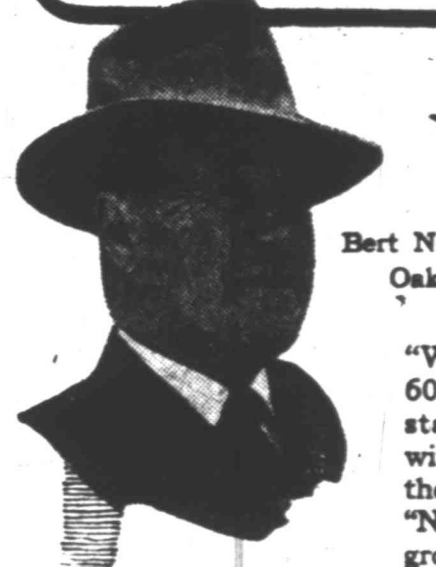

By The Associated Press

The University of Texas opens a two-game series with Southern Methodist University in Dallas Friday and the Longhorns' chances of winning the Southwest Conference baseball championship hinge largely on the outcome.

Texas A&M, which is right behind the Longhorns in the standings, takes on Rice at College Station and Texas Christian University and Baylor wind up a series in other games Friday.

Thursday, Baylor handed Texas Christian a 14-6 licking as Chad Sused, Dutch Schroeder and Joe Sused blasted home runs in a 16-hit attack against four Frog pitchers.

MISS HELEN sat forward a little. "Do you know this line well?" she asked.

Paul smiled. "Very well indeed. I travel up and down it every day."

"We've got a niece who comes up to London three times a week," said Miss Alice. "She always catches this train home."

"Really?" said Paul, with what he hoped was just the right show of polite interest.

"Maybe you've seen her," suggested Miss Alice. "She's small and dark and rather shy looking."

Paul said—quite untruthfully—that he couldn't say he'd noticed her. But then so many people traveled regularly by this train. "She should have been with us this evening," went on Miss Alice. "In fact, it's because of her we nearly missed the train. You see—"

"I don't suppose, Mr.—Mr.—" "Taylor. Paul Taylor."

"Thank you. I don't suppose, Alice, Mr. Taylor is interested."

"Oh, but I am," said Paul easily. "She's really been rather a naughty little girl," said Miss Alice.

"Alice! Please!" said Miss Helen severely.

Miss Alice colored uncomfortably.

"You're not by any chance related to Canon Taylor of Saffron Walden?" asked Miss Helen, changing the subject.

"My uncle," said Paul, wondering how he could get back to it. "Really, but how interesting!"

"You know him?"

"I've met him once or twice," said Miss Helen. "Such an interesting man."

"He's not a bad old boy."

MISS HELEN blinked. She wasn't quite sure she approved of this jocular way of alluding to the Canon, whom she

cord, stop the train, and chase straight away back to London. Only that, of course, would be plumb crazy. Where the blazes would he start looking for her?

"I THINK I'd rather talk of something else, Alice," said Miss Helen firmly.

"Of course," said Miss Alice. "I'm sorry, dear. It's just that I'm a little unhappy about her."

"She'll be back tomorrow all right," said Miss Helen.

"But if she isn't, Helen?" said Miss Alice tremulously.

"Ah, that's a point," said Paul. "Supposing she isn't? I say, I suppose I can't do anything to help?"

"You're very kind," began Miss Alice.

Miss Helen looked at him. She shook her head.

"Oh, no. I assure you that though my sister may sound a little anxious, I'm not really worrying at all. And, as I've just said, I would really much prefer not to discuss the subject any further." Her expression changed, and a rather forced brightness spread across her face. "Tell me, Mr. Taylor, do you live much farther down the line than Oakley? I'm only asking because it occurred to me that possibly you might care to come over to tea with us one afternoon. We would be so happy if you could. I'd be glad too for you to meet Patience."

Paul said he'd be delighted. It was really most kind of them. He'd be free the following Saturday. He could easily slip over by car.

"We'll expect you then about 4:30. Our address is Rose Cottage, High Wyck."

Paul smiled.

"I'll remember that easily."

"We shall look forward to seeing you," said Miss Alice. She glanced at her sister. Was it possible that something of what she had said was influencing her? If so it was the first time such a thing had happened. Miss Alice felt a secret satisfaction. She was delighted that this pleasant young man was coming to tea on Saturday. And she felt almost certain Patience would like him. (To Be Continued)

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority

Today's hand was sent to me by W. H. Adams of London, Ontario, Canada, a reader of my column in the London Free Press. Mr. Adams wrote, "If the hand shows nothing else, it certainly shows the importance of returning your partner's opening lead."

Against six spades East opens the queen of diamonds, West wins and returns a diamond, which East ruffs.

There are other interesting angles in connection with this hand. Many players with the South hand would get into a pre-emptive club

North will support the diamond suit, and it so happens that the only small slam contract that can surely be made is six diamonds. Declarer has to play it carefully.

If West opens the singleton spade against six diamonds, dummy's ace wins, and the heart is trumped by South. Now he has to lead a small diamond toward the king. If West plays low, declarer must go up with the king and catch East's singleton queen. West wins the ace of diamonds, but that is the only trick he can get.

or diamond bid. That is true also of the West hand. Probably not many West players would open the bidding with one heart, but if that does happen North certainly should take better action than one spade. In my opinion North should bid two spades. East still will bid three hearts, and then South should come into the bidding. If South bids four diamonds, a delicious quick luncheon dish may be made from canned shrimp, wholegrain corn and canned tomatoes which have been seasoned and thickened.

Odessa Kiwanis Club, Sponsored By Midland Group, Is Organized

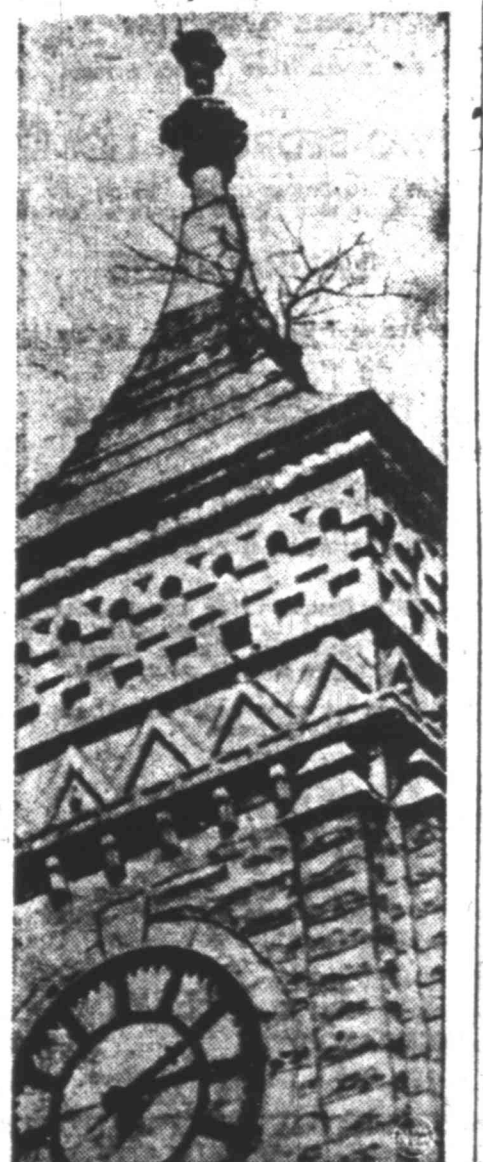

ODESSA—The Odessa Kiwanis Club was organized at a noon meeting Thursday in the George Washington Room of the Elliott Hotel. The club, sponsored by the Midland Kiwanis Club, began with an initial membership of 28 and with Oscar Bourg as president, Jom Fricke as vice president and Charles Childers as secretary-treasurer.

Joe Kogler, president of the Midland club, and Albert Kelley and Lee Flood attended the organizational meeting.

Herschell Esell, representative of Kiwanis International, conducted the meeting. Joint committees of the Midland and Odessa clubs discussed plans for a charter night meeting to be held during the first week of June. At that meeting, Walter V. Bowman of Woodward, Okla., governor of the Texas-Oklahoma District, will be guest of honor. Sam Cobb of Coleman, lieutenant governor of District 12, and representatives of District 12 clubs as far East as Brownwood also will attend.

Dewey, Truman Beat Rivals To Draw By Outspoken Endorsements Of Dogs

WASHINGTON—(AP)—The 1948 presidential election campaign can be considered officially open now. Two candidates have come out in favor of dogs.

Gov. Thomas E. Dewey of New York was first. He rose to the occasion when a terrier came sniffling up to his speaker's platform at Alliance, Neb., a few weeks back.

"Hi-ya, boy," said the governor. "Would you like to come up and join us?"

The dog didn't, as it turned out, but Dewey was not miffed. He told the audience he used to have a terrier just like that when he was a boy.

"The governor is a great dog lover," one of his aides confided to the press.

Next to get into the act? Pres-

ident Truman.

He went Dewey one better. He came out in favor of kids, too. Children and dogs, Truman told the National Conference on Family Life Thursday, are "just as important as Wall Street and the railroads."

Which ought to settle the hash of anybody who wonders what ever became of Feller, the Cocker pup sent to the President by a well-wisher but not seen around the White House for a long time.

Candidates Taft, Stassen and the others haven't formally endorsed dogs to date, so far as the record shows, but their backers will expect them to. A man punning for President is supposed to be as firmly pro-dog as he is anti-sin.

METHODIST CHURCH TO GIVE ORCHID TO OLDEST MOTHER

The Rev. Howard H. Hollowell, pastor of Midland's First Methodist Church, will present an orchid to the oldest mother present at 10:50 a. m. Sunday worship service. This is the church's annual event commemorating Mother's Day.

Mothers Haven't Changed!

Some misinformed people call her a "modern mother." That's because she wears her hair differently — she dresses with a fashionable accent — and she feeds her baby all those "unheard of" things that doctors today recommend.

But she's really an old-fashioned mother. She loves her child with old-fashioned devotion... sacrifices with old-fashioned unselfishness... dreams of giving him "advantages" she never had... boasts of his "brightness"... frets about his contrariness... worries about his pains... laughs delightedly at his "cuteness."

Like so many mothers before her, she prays that her child may grow into noble manhood... yet, sometimes, she wishes he could always stay just as he is today.

But her little boy is growing up. And as he grows, mother will find the Church her faithful ally: developing her child's character, deepening his faith in God, strengthening his convictions of right and wrong. From the Cradle Roll to the Men's Bible Class her son will gain in Sunday School and Church the spiritual riches that mothers — yesterday and today — have earnestly sought for their children.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in adding to the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. (4) For the sake of his neighbor. Pledge to go to church regularly and read your Bible daily.

Texas Confederate Veteran Dies At 102

GRAHAM, TEXAS — (AP) — R. S. (Uncle Bob) Hilburn, a veteran of the war between the states, died here Thursday at the age of 102. He would have been 103 in September. He was a native of Texas, and claimed to be one of the 12 surviving Confederates living in the state. Hilburn is survived by a daughter, Mrs. T. E. Mathews, with whom he had made his home here the last 12 years, and two sons, Fred Hilburn of Shannon and Claude Hilburn of Dallas. He is to be buried here Saturday.

Uninstructed Demos, GOP For Taft, Are Leaders' Predictions

By The Associated Press
An uninstructed Texas Democratic delegation and majority state Republican support for Senator Robert A. Taft were predicted by two top-ranking state party leaders. W. A. Wakefield, organization director for the State Democratic Executive Committee, said in Austin Thursday 75 of 94 counties were "pro-Jester" and would back the governor's plea for an uninstructed delegation to the National Democratic Party Convention. Such a group would not be bound to support any candidate for President or vice president. Eugene B. Nolte, state Republican executive committee member from San Antonio, said in Dallas 28 of the Texas' 33 presidential votes would go to Taft.

Acme Photographers Win 13 Places In Annual Picture Of Year Competition

COLUMBIA, MO.—(NEA)—Staff photographers of Acme Newspictures won unusual honors in the fifth annual "News Pictures of the Year" competition and exhibition, it was just announced here. The

NEA-Acme's Johnny Thompson: First prize in news picture class.

competition is jointly sponsored by the Encyclopedia Britannica Book of the Year and the University of Missouri School of Journalism. In addition to capturing a first prize, Acme Newspictures photographers placed a total of 13 photographs in the selection of the "100 best news feature and sports photographs of 1947 (Acme Newspictures is a division of NEA Service). All 13 pictures are included in the 100-print book of the annual Britannica-University of Missouri competition, just released. First prize in the feature picture category went to Tom Johnson of the Chicago Tribune for the picture "Ten Below," showing a mailman on a sidewalk, framed through the frosted window of an importer's shop. Second prize in the feature class was given to Francis Reiss, a special student at the University of Missouri School of Journalism, for the picture of a man sprawled on a subway step and ignored by passers-by. It is entitled "New Yorkers Prove They Are Not Their Brothers' Keepers." Tied for third place in the feature class were "Contour Plowing," an aerial shot, by Wallace Kammann of the Minneapolis Star, and "At the Races" by Hans Marx of the Baltimore Sun, which shows an elderly man reading a racing newspaper. First prize sports picture was "With the Greatest of Ease," by Chester Gabrysiak of the Chicago Tribune, a photo of a Golden Gloves boxer soaring through the air. Second prize sports photograph was "Body English," a golfing picture by Charles Knoblock of the Associated Press. Third prize in the sports category went to Matthew Zimmerman of the Associated Press for a boxing picture entitled "Smash Hit."
