Stock Show On Tap This Weekend

CONFIDENCE. That is what the Friona Squaws should have gained by their impressive bi-district win over Tulia Monday night.

The Squaws have the talent, and the ability to win regional and go to the state tournament. But at times this season, they have seemed to lack confidence.

However, Monday's performance should give the team a new shot of adrenalin, and act as a springboard into the regional tournament.

THE TULIA girls must feel sort of like Friona did a couple of weeks ago after the Canyon girls slipped up on their blind side and handed them the worst defeat in several seasons for the Squaws.

Monday night's loss was Tulia's worst defeat of the season. It also was the biggest margin by which the Squaws have ever beaten a Tulia team.

Tulia came into the game averaging 55 points, but were held to just 44 by the Squaws. More impressive, the Hornets had allowed only 38 points per game, but the Squaws beat that average by 28 points in the 66-44 win.

Monday's game was typical of what the 1973 Squaws can do.

The team had a good shot at defeating Spearman in Friona's invitational tournament back in December, but the Lynxettes pulled out a one-point win. We think the team will beat Spearman Saturday in Lubbock.

In our write-up of the Squaws' earlier game against Spearman, we said the game "packed all the excitement of a regional finals game and predicted that the two teams might meet again. That's one prediction that came true. We think the one in the above paragraph will work out, too.

Friona has good reason for wanting to beat Spearman. A win in the regional semi-finals will give the team a shot at Slaton in the finals, if that team keeps advancing. And they feel like they owe the Lubbock County team a little something for the past two seasons.

Incidentally, the last time Friona and Spearman met in the playoffs, Friona scored a 21-point win, 54-33.

IT SAYS elsewhere in this issue that this weekend's Farmer County Junior Livestock Show will be the last one in which the local show will have to be held in inadequate facilities.

It took almost a year to accomplish, but the showbarn steering committee has finally nailed down the location for the facility, and now they are ready to move forward with the fund drive, and get the building underway.

To begin with, delegations from the three larger communities made their pitch to build the building in their respective cities. After a series of meetings, it was decided that the Friona group had the most going for it, and the county committee voted for the Frionans to go get it done.

Officials then set out to obtain a site. They also asked the City of Friona to accept title and maintenance on the building, since a committee, as most people know, changes periodically, and would be hard pressed to operate such a facility.

The Friona city dads agreed to the proposal, providing the building be located in or adjacent to the city, and this stipulation has now been met with the securing of the Reeve Lake site.

The council also stipulates that the building be a multi-purpose facility, which could be made available for several types of functions during the year.

This is only reasonable. Investing in a \$50,000 building which would be used only one weekend each year would be wasteful, to say the least.

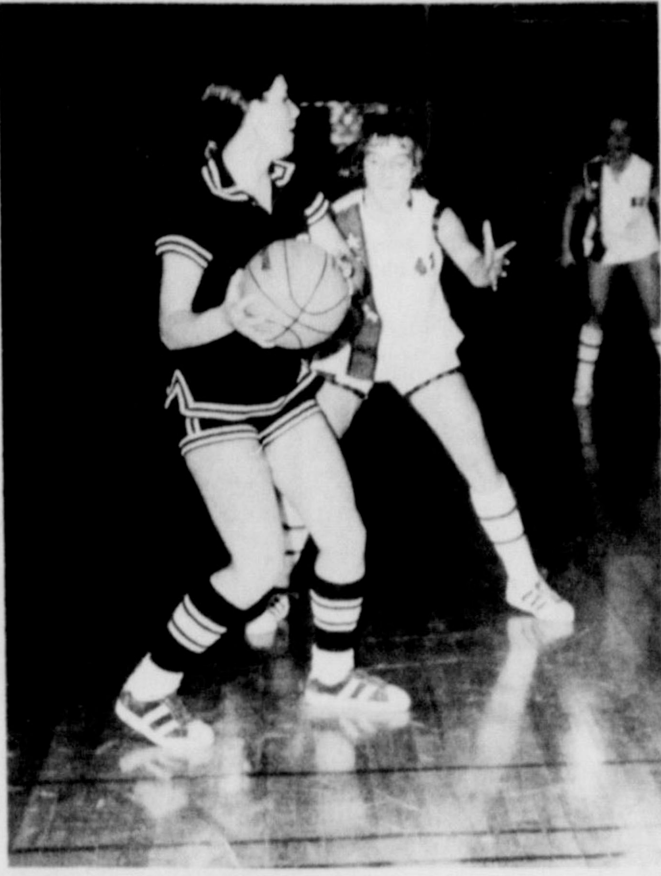

The city office plans to schedule the meetings when the building is completed. There would probably be a rental fee involved, although details along this line have not as yet been worked out.

Main thing is to raise the \$50,000 and get the show on the road. We believe the stock

(Continued on Page 3)

BRINGS IT DOWN....Cindy Hutson, one of the Squaw guards who gives 100 per cent in every game, is shown bringing the ball downcourt against Tulia Monday night. Miss Hutson is one of the team's seniors.

I'LL TAKE THAT....and she almost did. Sharon Smith is shown guarding the unidentified Tulia guard, during a stretch in which Friona held Tulia scoreless while taking a commanding lead.

GIRLS CHAMPIONS

Squaws, Spearman Battle In Regional

Two excellent girls basketball teams will square off at 11:30 a.m. Saturday in Lubbock Coliseum in the Region I tournament.

Friona (23-6), and Spearman (30-3) will be the opponents. The two teams met in the finals of Friona's invitational tournament last December 2, with Spearman making off with a one-point win, 36-35.

The Squaws, having broken a two-year playoff jinx by waxing Tulia on Monday night, 66-44, are primed and ready for the regional battle.

Asked about having to face Spearman in the opening round, Coach F.G. Crofford said "We might as well play them the first game as the second. I think we can handle them. Certainly if we play the way we did against Tulia we can."

Crofford went to Clarendon Tuesday night to scout the Lynxettes in their 65-47 win over Eletra in bi-district.

Spearman is the defending state champions in class AA, and have won their district for an unprecedented 13th consecutive year. The Lynxettes are shooting for a record eighth straight appearance in the state tournament, a record Friona will be out to stop.

The state champion Squaws of 1964, and the state runnersup team in 1965 defeated Spearman in the regional tournament. Every year since then, beginning in 1966, the Lynxettes have won the regional meet and went on to the state tournament.

The Lynxettes are paced by high scoring Leann Shieldknight, who is averaging 36 points per game. However,

Spearman does not possess the balance of the Squaw team, as its scoring drops off to 10 points per game for Peggy Floyd and eight for Rhonda Jones.

Friona's three starting forwards average over 15 points per game apiece, with Darla Rhodes hitting at 16.2, and Sharon Smith and Patricia Phipps each averaging 15 points even.

This makes it hard for an opponent to concentrate on one forward, or one facet of Friona's game. The Squaws are equally as effective inside as they are from the outside.

The Squaws will be able to send Cindy Hutson to do battle with Miss Shieldknight, and Friona fans think Cindy can stay with about any player, regardless of their credentials.

Friona also has 5-9 Terri Bingham, 5-8 Teresa Ingram and Susan Martin as guards who have held 29 opponents to less than 40 points per game.

"We're not a big team by most standards, but we make up for it in quickness," says Crofford in analyzing the 1972-73 Squaws.

The regional finals will be played at the Coliseum at 8:30 p.m. Saturday.

Other class AA teams in the regional tournament include Slaton and Coahoma, if that team won its bi-district game Tuesday night.

Friona fans are hoping for a crack at Slaton, which edged out Squaw teams in bi-district contests, 41-36 in 1971 and 37-30 in 1972.

DETAILS GIVEN

Annual Meeting For Credit Union Tonight

The annual meeting for the Friona, Texas Federal Credit Union will be held Thursday, February 15 at the Friona High School Cafeteria.

The meeting will feature a free chili supper beginning at 7 p.m.

Kenneth Wyatt of Tulia, well-known western artist and lecturer, will be the featured speaker. Although only coming into his own in the field of painting fairly recently, Wyatt, who is a Methodist minister, first achieved fame in this area as an after-dinner speaker.

During the business session, members will elect three of its membership to the board of directors. Board members with terms expiring are Geneva Williams, treasurer, Edward White, a member of the executive committee, and Dale Houlette.

Holdover directors are Ray Landrum, president, Bill Teel, vice president and directors Charles Seales and Jerry Brown.

One place on the three-member loan committee also is expiring, the one belonging to Leonard Coffey. Holdover members of this committee are Ralph Roden and Alvin Gaines.

The statement announced by the Credit Union recently showed total assets of \$907,528.99 as of December 31, 1972—an all-time high. The number of Credit Union members increased from 1189 on January 1, 1972 to 1521 at the end of the year, a net increase of 332 or 28 per cent.

Kenneth Wyatt

Mrs. Williams has stated that the board of directors has set a goal of reaching a million dollars in assets for the first time by March 1 of this year.

As a part of its growth for 1972, the Credit Union moved into its newly remodeled building at Sixth and Euclid Streets in Friona, giving the organization more than 2500 square feet of space. A fourth full-time employee, Don Segovia, was also added.

YOUTHS COMPETE

Record Entry List Is Expected Here

A record or near-record number of animals—over 260—are expected to be entered in the 17th annual Farmer County Junior Livestock Show this weekend in Friona.

Show officials are hopefully predicting that this will be the last time the county show will be held at the present location—the Friona school bus barn. They expect the new showbarn to be ready and waiting when time for the 1974 show rolls around.

The expected entry list is a good increase over last year's total. Increases are forecast for two of the show's three divisions. Officials expect some 130 barrows, about the same from last year, with 60 sheep (up about 10) and 70 steers (up five).

Show officials expect the quality of the animals in this year's show to be better overall, even though adverse weather this winter may have set back some of the animals, particularly the barrows.

FFA youngsters and 4-H Club members from the county's four communities—Bovina, Farwell, Friona and Lazbuddie, will participate in the show.

SCHEDULE GIVEN

First order of business on Thursday is the weighing in of barrows and sheep, which will be done between the hours of 2 p.m. and 6 p.m.

Barrows and sheep will be judged on Friday, with the steer show on Saturday morning. The annual show ends up with an auction sale of all the top animals at 1 p.m. Saturday.

Judging of barrows will begin at 8 a.m. Friday, and continue until the show's grand champion is named. Sheep judging is slated to get underway at 1:30 p.m. Friday.

Judging the barrows and sheep will be Jim McManigal of Canyon, a member of the staff at West Texas State University's School of Agriculture.

Steers will be judged beginning at 9 a.m. Saturday. Judging the steers will be Herman Boone, vocational agriculture instructor at Spearman High School.

STREAKS GOING

Lazbuddie and Farwell showmen will attempt to add to their consecutive win streaks in the show.

A Lazbuddie showman has captured grand champion barrow honors for 12 consecutive years, and 15 years in the last 19. Farwell entrants have

claimed the title in the steer division four times in the last five years.

Friona entrants, although they have not had the grand champion steer since 1966, continue to lead in this category with 14 championships. Entrants from FHS won titles 11 times in 15 years, from 1952 through 1966.

The sale of prize animals following the show annually ranks among much larger shows for its total, grossing in excess of \$40,000 for the past few years. Last year's sale grossed a record \$43,676.95.

Show officials urge buyers to be on hand for the sale Saturday afternoon. "We appreciate their tremendous support in the past, and hope they will once again guarantee

the success of the show," says Dwain Menefee, show superintendent.

OFFICIALS LISTED

Butch Fairchild is assistant show superintendent. Joe Tarter of Lazbuddie is superintendent of the barrow show; Redge Priest is superintendent of the steer show and Johnny Miller is in charge of the lamb show.

Trophies and rosettes will be awarded to the top animals, courtesy of Farmer County Farm Bureau. Showmanship awards, sponsored by the Friona Star, will be given to a winner in each of the show's three divisions.

The show is co-sponsored by the Friona Young Farmers and the Farmer County Junior Livestock Show Association.

Showbarn Fund Drive To Kick Off Here

The county showbarn building committee announces that a concentrated fund drive will be kicked off in conjunction with the Farmer County Junior Livestock Show this weekend.

Much work and planning has been done the past year in regard to a location for the structure, and details have finally been worked out.

Following a series of meetings of a steering committee after the 1972 livestock show, a Friona group's proposal to locate the building in the Friona area was approved last April.

Work then proceeded to nail down the site, with several locations considered for the building.

Finally, a site adjacent to Reeve Lake in the northwestern part of Friona was proposed. Representatives of the KIS Development Corp. of Roswell were contacted, and agreed to a proposal to donate a 21-acre plot to the City of Friona, which includes the lake, provided the city will develop the lake area as a park.

The Friona City Council agreed to the terms, and legal papers are presently being prepared.

"I think we can move forward with the project now. Nailing down the location took more time than we intended, but I think everything is working out for the best," states Dwain Menefee, superintendent of the junior livestock show and

chairman of the steering committee.

The location will be just off North Highway 214 in Friona, north of the intersection of that highway with U.S. 60.

Menefee states that this year should definitely be the last year for the show to be held in the Friona school bus barn, which is just too small to adequately house the show.

Plans call for the building of a 100x150-foot steel structure with a concrete floor. A fifty-foot section will be partitioned off at one end, for showing and auction sale purposes.

Carroll Gatlin, chairman of the fund drive, says that about \$12,000 is currently on deposit in the building fund. The job is expected to cost in the neighborhood of \$50,000.

Officials will make a detailed report on the project during the auction sale at the show on Saturday, at which time an appeal for donations to the fund drive will also be made.

LPG Decals On Sale Here

A representative of the state comptroller's office will be in Friona until noon Thursday (February 15), to sell the LPG decals to area farmers.

The state official will be set up on the north side of the City Park, across from the fire station, to sell the decals for farm vehicles.

HELPS FILL THE SHELVES....Mrs. Dan Ethridge, who is currently serving as chairman of Friona Public Library board of directors, accepted a \$1000 check from Mrs. Sloan H. Osborn, a representative of Modern Study Club, at the library Tuesday afternoon. Mrs.

Osborn was serving as president of the club when the local library was first started and is currently serving as the club's treasurer. Also present for the acceptance were Mayor Raymond Fleming, City Manager A.L. Outland and Mrs. Carl Fairchild, who is the librarian.

Friona Flashbacks

...from the files of the Friona Star

45 YEARS AGO—FEBRUARY 17, 1928

An entire train of Holt tractors passed through Friona Monday morning, heading east, supposedly for distribution in the Panhandle country. This was a sight rather unusual in a way, since most all shipments of any kind of farm machinery passing through Friona are headed west. But the Holt factory being in Oakland, Calif., this train was being shipped toward eastern farms.

35 YEARS AGO—FEBRUARY 18, 1938

O.G. Turner of this locality has just completed his invention of a pump and windmill, which will be, perhaps, the most successful invention of its kind yet devised.

The people of the Congregational Church here are expecting the arrival of their new pastor, Rev. Carl C. Dollar, during this week. Rev. Dollar is expected to preach his first sermon locally on Sunday.

30 YEARS AGO—FEBRUARY 12, 1943

Approximately 300 people attended a memorial service in the Methodist Church here in honor of Private Arthur Thomas Parker, U.S. Marines, who was reported killed in action somewhere in the Pacific area Feb. 4, according to a telegram to his father, Willis Parker of Friona. So far as is known, he was the first Farmer County serviceman to give his life in defense of his country during World War II.

25 YEARS AGO—FEBRUARY 13, 1948

The Lions athletic club tied for first place honors in the Dimmitt Invitational Tournament in which eight teams were entered. Those who played for the Friona team were Ben Allen, Joe Brummett, John Renner, Junior Renner, James White, Rex Dennison, DeWayne Cleveland, Leslie Ford and Douglas Gonser.

20 YEARS AGO—FEBRUARY 21, 1953

Friona faculty members held a social Wednesday night with hostesses being Mrs. Wayne Stark, Mrs. John Bengner and Miss Evelyn Carey.

Mr. Rodrick Cravens of Houston, partner in the Cravens-Dargan insurance firm of Houston, was a business visitor in the Ethridge-Spring Insurance office this week.

10 YEARS AGO—FEBRUARY 14, 1963

Some three inches of snow fell Sunday, Monday and Tuesday of this week, bringing some relief to the dry conditions locally. The Friona area had received officially only .02 inch of moisture since last December 1, prior to the snow of this week, which added .20 inch of moisture. Some of the snow drifted considerably, however.

FRIONA SCHOOL LUNCH MENU

Week of February 19-23

MONDAY—enchilada casserole, buttered corn, crackers, lettuce and tomato salad, fruit salad and milk.

TUESDAY—meat loaf, green beans, mashed potatoes, hot rolls-butter, pineapple rice pudding and milk.

WEDNESDAY—hot tamale pie, pinto beans, corn bread-butter, cabbage slaw, peach cobbler and chocolate pie.

THURSDAY—turkey, cranberry sauce, mashed potatoes, hot rolls-butter, buttered carrots, chocolate cake and milk.

FRIDAY—hot dogs, French fries, cookies, catsup, pork and beans and milk.

Sincerely Yours

By Rev. Albert Lindley

IT SEEMS to me like there is something very natural about the release of our P.O.W.'s on the birthdate of Abraham Lincoln. There is something so very meaningful about events and dates of emancipation and emancipators—it seems like more than poetic justice.

Do you mind if I spend some serious moments with you today? In light of the current events I simply feel like doing and saying something more profound.

A particular phrase keeps running through my mind. I have heard the words again and again but I don't suppose I shall ever hear them spoken with more feeling or depth than when Capt. Jeremiah Denton, Jr. stepped off the first plane of returned P.O.W.'s and concluded his short statement with a broken voice, "God Bless America."

I suppose what I keep thinking about is what am I doing to assist his blessing—you ever think about that? If God blesses America, do we have a hand in it?

The Human-Relations Conference at the school this past week brought out again some of the realization that all is not well in this America we ask God to bless and I don't think we can really blame him for it, either.

Maybe you can make some sense out of all of these words and thoughts—Emancipation—Human Relations—you-me—Our Community—Our America—freedom—prejudice—love—

I suppose it really isn't in its best form but it is better than anything else I know and I honestly believe that we can help him bless Our America....

From now on, just for the life of it, when we think of God's blessing, let us be a little more thoughtful about our part—our action—our additive to making this just what we want—a God Blessed America....you ready?

to the Editor

Mr. Bill Ellis
The Friona Star
Post Office Box 1057
Friona, Texas

Dear Mr. Ellis,

As you are aware, the Federal-Aid Highway Act of 1972 contained a provision which created considerable controversy within the Congress, that being a proposal to "tap" the Highway Trust Fund for purposes of funding the capital expenses of urban mass transportation systems. I have constantly opposed such a proposal feeling that the best interests of Texas could be served by separate funding sources for highway construction and maintenance on one hand and urban mass transit on the other. With this in mind, I co-authored, with Senator Williams, the Urban Mass Transportation Act of 1970 which established a \$3.1 billion capital funding program for transit systems. In the 92nd Congress I voted to increase that amount by an additional \$3 billion.

Highways are vital to the State of Texas. They serve as the all-important links between our widely spaced communities. Their future construction and maintenance should not be endangered at this time by diversion of Trust Fund monies for other purposes than those intended by the Congress, when the fund was created. At the same time, we must come to grips with the transportation problems within our major cities which could well develop into crisis proportions within this decade in the absence of proper funding for urban transit systems. Thus, I shall continue to seek additional funding programs to assist our cities to meet their critical needs.

I regret that the highway bill failed to reach enactment due to the absence of a quorum in the House before adjournment. A Conference Committee from the two Public Works Committees had reached agreement on a compromise bill which had excluded the controversial proposal to tap the Trust Fund. The Senate promptly accepted the compromise; however, the lack of quorum in the House prevented their voting on the bill.

Early in this Congress I shall follow every option available to me to seek early enactment of a highway bill to insure that the flow of monies, both for highways and for urban transportation, will not be cut-off. Thank you for writing. Sincerely yours,
John G. Tower

Dear Editor,

The recent Supreme Court ruling which legalizes abortion has upset me. I feel that the court has made a tragic contribution to the moral decay of our nation.

The ruling of these justices has given a mother the legal right to take the life of her unborn child. The Supreme Court has declared that an unborn child, from the moment of conception, has a right to property, but this same child is not guaranteed the right to life.

The Supreme Court recently declared the death penalty unconstitutional and that capital punishment was "uniquely degrading to human dignity." Is the killing of an innocent baby in its mother's womb upgrading to human dignity?

To remain silent about legal abortion, makes us responsible for its continuance. I urge your readers to protest the legalization. Other rights once denied for now fully accepted. The Dredd Scott decision decreed Blacks to be treated as property. This was changed. Women were once denied the right to vote and now they have that right.

I would like to ask the Star to print the addresses of Justices Stewart, Douglas, Burger, Brennan, Powell, Marshall, and Blackmun and our Senators and U.S. Representatives for those who wish to protest the legalization of abortion.

Sincerely,
Evelyn Ball

Mr. Bill Ellis
Editor-Publisher
The Friona Star
P.O. Box 1057
Friona, Texas 79035

Dear Bill,

I have before me your recent letter and enclosure concerning the critical need for legislation in the area of federal-aid for highways. I appreciate your contacting me, and you may be sure that I understand the urgency involved in passage of an acceptable highway bill at the earliest possible date.

The Senate Committee on Public Works has scheduled hearings on a new highway bill to begin later this month. The House Committee on Public Works is expected to have its version of a highway bill introduced some time next week. Of course it is just too early to tell exactly what may develop in this area, but you may be sure that I will continue to urge that this matter be resolved as soon as possible. As you know, highway programs in our State and many others will have to be sharply reduced unless a new authorization bill is enacted into law.

Again, thanks for contacting me. Let me hear from you again at any time. All good wishes.
Sincerely,
George Mahon

AWARD-WINNERS...Members of the Friona Jaycees and Jaycee-ettes brought home awards from the district convention in Amarillo Feb. 3-4. Seated are Albert Cupell with the club's "Participation award," Pat Cupell with the Jaycee-ette "Have Your Say" trophy. Standing are Kenneth Baker, second in the "First Timers" competition, Glen Stevens, winner of the "Tall Texan" award, and Don Gatlin, who won the "Faith In God" plaque.

Chamber's Standing Committees Named

Friona Chamber of Commerce president Dale Cary this week announced the chamber's standing committees for 1973. Committees are as follows—
Transportation—Hollis Horton, Kenneth Williams and John Blackburn. **Community Action**—Baker Duggins, Dr. Paul Spring and Robert Neelley. **Agriculture**—M.C. Osborn, A.L. Black and Clarence Martin. **Finance**—Carrol Gatlin, Bernie Gowens and Peggy Bryant. **Texas Industrial**—Ralph Shirley, Charles Allen, Andy Hurst and H.K. Kendrick. **Retail merchants**—Ralph Roden and Bill Ellis. **Membership**—Percy Parsons, Floyd Reeve and Ralph Shirley. **Maize Days**—Floyd Reeve (chairman), Delton Lewellen and Bernie Gowens. **July Fourth Celebration**—Robert Neelley and Bill Ellis. **1973 Chamber banquet**—M.C. Osborn and Jack Hamil. **Program committee**—Jack Hamil, Percy Parsons and Deke Kendrick. **Fine arts**—Deke Kendrick, H.K. Kendrick and Eufaula Ethridge. **Board of City Development**—Wm. Doyle Elliott, H.K. Kendrick, Raymond Cook, Robert Neelley and Dale Cary. **Showbarn**—Carrol Gatlin.

GIVE YOUR HOUSE A STITCH IN TIME

Now is a good time to arrest the rust on bikes and tools, and local merchants are coming to the aid of the clean-up party by offering a variety of oils that come in aerosol cans.
Bikes: Spray them with Penetrating Oil such as the aerosol put out by 3-In-One. It gets down into the rust, loosens and softens it and makes it easy to take off with steel wool. Then you just lubricate chains, fenders, bolts and nuts.
Tools: About the best thing you can do with tools is keep rust away by spraying them periodically with household oil spray. But in case you didn't spray with penetrating oil, wipe rust off with steel wool and then spray them with household oil for future protection.
Screens: That time-consuming job of changing storm windows over to screens goes a lot faster and easier if you spray with a really new product from 3-In-One, Dry-Lube Spray. It reduces friction to make things slide, with no oily mess.

Company Chief Attends Winter Meet

Presentations concerning theories of good management and equal employment highlighted the Winter General Staff Meeting for 65 executives of General Telephone Company of the Southwest the week of January 30 to February 2 at Ramada Inn in Baytown. Those attending included officers and department heads from General Office in San Angelo, area general managers and operations managers, and division/district managers from the four-state area served by the company. E.R. Richardson, district manager, represented Littlefield and surrounding areas.

Other presentations gave the local managers information and details about operations and plans of specific departments within the company. The program began at noon January 30 and concluded at noon February 2. Statistics on conditions in this area will take part in a nationwide survey on employment and unemployment to be conducted the week of February 19-23 by the Bureau of the Census, Percy R. Millard, Director of the Bureau's Data Collection Center in Dallas, announced today.

The survey is taken monthly by the Bureau for the U.S. Department of Labor. The households interviewed are scientifically selected to represent a cross section of all households. Statistics on conditions in the labor force from month to month provide a continuing measure of the economic health of the Nation. In December, for example, total employment increased by 280,000 to 82.8 million (seasonally adjusted), continuing the strong upward trend in evidence since mid-1971. The revised unemployment rate for December was 5.1 percent, down from 5.2 percent in November and from 6.0 percent a year ago.

Information supplied by individuals participating in the survey is held confidential by law and is used only to compile statistical totals.

Patrol Investigates Accidents

The Texas Highway Patrol investigated ten accidents on rural highways in Parmer County during the month of January, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed and one person injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region #5 for January, 1973 shows a total of 572 accidents, resulting in 16 persons killed and 207 persons injured as compared to January, 1972 with 500 accidents resulting in nine persons killed and 217 persons injured.

The Highway Patrol Supervisor reminds the motorist that it takes 16 times the normal distance to stop a vehicle on ice than on good dry pavement. The icy weather will still exist in these winter months.

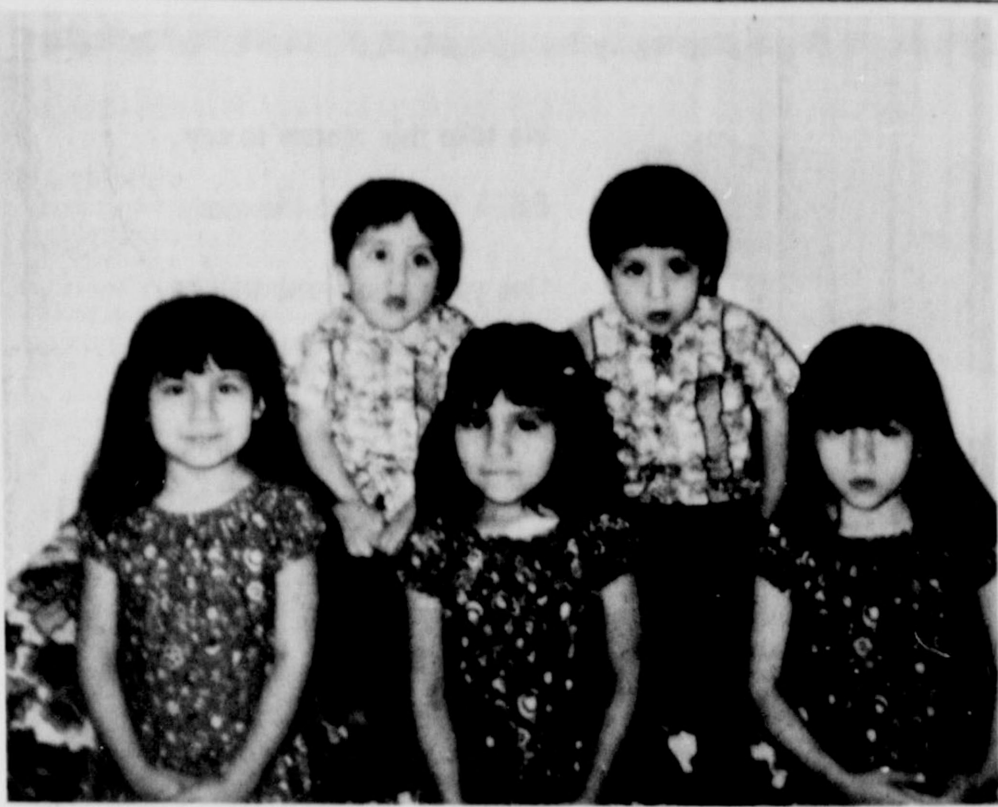

The 16 traffic deaths for the month of January, 1973 occurred in the following counties—Hartley, four; Gray, Sherman, and Lubbock, two each; Dallam, Deaf Smith, Roberts, Swisher, Palo Pinto, and Parker with one each.

THE WORLD'S OLDEST BRIDGE, WHICH SPANS THE RIVER MELES IN SMYRNA, TURKEY, HAS BEEN IN USE FOR ALMOST 3,000 YEARS!

THE FAMOUS TWO BROTHERS BRIDGE WHICH CONNECTS THE CITIES OF SANTURCE AND OLD SAN JUAN IN PUERTO RICO, WAS NAMED IN HONOR OF THE BEHN BROTHERS—WHO FOUNDED THE INTERNATIONAL TELEPHONE AND TELEGRAPH CORPORATION!

FIVE LITTLE TREVINOS...The Trevino triplets and twins, who observed birthdays recently, are shown above. The triplets, Maria, Marta and Margarita, observed their fifth birthday February 16. The twin boys, Benito and Bernardo, were two on January 28.

Most of your phone system is invisible. However, your phone company is not.

You never see the complicated electro-mechanical gear that makes your phone work. For example, we have machines that periodically check every line.

They look for trouble even when there isn't any. It's one form of automated preventive medicine we use to keep your phone ready to use when you need it.

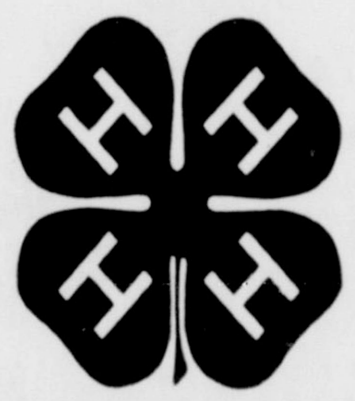

But, even these intricate systems of lines and devices are just a part of our operation. We're mainly people. Thousands of us dedicated to service. For every one of us that you see there are 8 others doing the behind-the-scenes jobs that keep your phone buzzing.

We are all committed to our "One-to-One" service policy. So, even though you may not see us all face to face doesn't mean we can't deal with each other one to one.

New Chemical Discovery Controls Johnsongrass

A CHEMICAL called glyphosate has shown much promise in tests for control of Johnsongrass, one of the stubbornest field pests in Texas agriculture.

Glyphosate, announced F.H. Fell of the Texas A&M University Soil and Crop Science Department, showed up best of six materials tried for controlling the grass in fields just after harvest of such crops as grain sorghum and cotton. The other chemicals were terbacil, asulox, dalapon, and DSMA plus MH.

Glyphosate is aimed at fallow fields. It is not intended for Johnsongrass control while the cash crop is still growing.

This chemical is strictly experimental so far. It has been cleared by the Environmental Protection Agency and so is not for sale.

Glyphosate starred in the tests because it killed both the tops and roots (rhizomes) of Johnsongrass. The other herbicides either would kill one but not both, or were erratic or too slow. Glyphosate's major shortcoming was lack of effect on grass seed.

Terbacil was found to leave a residue in the soil that might harm a following cash crop. However, the chemical could be a good one for fence rows and roadsides.

All the materials were applied in water at the rate of 15 gallons per acre with a tractor sprayer equipped with a 10-foot rear-mounted boom.

THE ANNUAL PEP Sugarbeet Meeting is scheduled for February 20, 1973, at the Bull Barn in Hereford. This meeting is sponsored jointly by the Extension Service in Parmer, Castro and Deaf Smith Counties, as well as the Panhandle Economic Program.

The meeting starts at 1:30 p.m. and will feature topics on fertility, disease control and irrigation. Noted speakers will be James Valentine, Leon New, Bob Berry, Paul Scott, Arthur Anken and Steve Winter.

At Home In Parmer County
Jana Pronger

CHOCOLATE CANDY may be nice for Valentine's Day, but it can leave an ugly stain on fabrics.

Here are some simple steps for eliminating such stains—First, soak the area where the spot is located in cold water. Next, rub detergent into the stain while still wet. Rinse thoroughly and let dry.

After it is completely dry, examine the area to determine whether a greasy stain remains. If so, further treatment may be necessary.

One such treatment involves use of cleaning fluid and chlorine bleach. Since these products cannot be used on all fabrics, a simple test is a recommended precautionary measure.

Apply cleaning fluid or chlorine bleach to a hidden part of the garment, a seam allowance, hem or even shirt-tail. Examine the area where the products were applied to determine whether the fiber was damaged or the fiber's color or appearance changed.

As a rule, chlorine bleach cannot be used on non-colorfast items such as wool, silk, acetate, spandex (elastic) and polyester.

If the test shows the fabric isn't affected by either product, then sponge the stain with a safe cleaning fluid and rinse. Launder the garment in hot water using chlorine bleach. If it still remains, repeat the cleaning fluid treatment.

It has been stressed that stain removal doesn't have to be complicated; 75 percent of common, troublesome stains disappear with laundering in cold or hot water, using detergent, chlorine bleach and/or solvent.

Promptness, patience and perseverance are the keys. IF PREDICTIONS of some food scientists are correct, consumers may really get to eat what they pay for according to a foods and nutrition specialist.

Edible containers such as ice cream cones, pie crusts and gelatin capsules may have encouraged food scientists to look for more.

Recent tests have shown that coatings which act as a release agent in the frying pan, such as Myvacet, have been used on fresh poultry before freezing to reduce moisture losses by 85 per cent.

Some coatings also add a nutritious substance to the product. Water soluble films are already available for packaging instant tea, dehydrated soup and powdered drinks.

Can you imagine dropping an envelope of soup into boiling water and stirring a minute while the soup powder, as well as the envelope, dissolve?

Some possible stumbling blocks to the development are sanitation and strength problems.

Edible containers must be protected from dust and bacterial contamination, which will add to packing costs and increase cost to the consumer.

These edible containers also must be strong enough to withstand touching and handling as well as strong enough to hold the product.

So far, no coating has been found suitable for all products. Except for beeswax and cheese rind, there are very few examples in nature to exploit industrially.

So, while edible containers are a possibility, there are many problems to solve before we can expect to eat all that we pay for when we buy food.

Jaycee-ette Candy Won By Mrs. Weatherly

The winner of the Friona Jaycee-ettes' Valentine candy raffle was Mrs. Gene Weatherly, it was announced this week.

The Jaycee-ettes held their monthly business meeting Monday at Friona State Bank's Community Room, with ten members present. An orientation session was held.

Ten representatives of the Hereford Jaycee-ettes presented the orientation.

In other business, the group presented nominations for new club officers, to be voted on at the March meeting.

The next monthly meeting will be held March 12 at 7:30 at Friona State Bank.

Anyone interested in Jaycee-ette work, or in working for community betterment are urged to attend.

Frosh Top Littlefield Spearman vs Squaws: Rivalry Shaping Up

The freshmen Chieftains won a close game over Littlefield, here February 5 by a 36-35 score.

Friona took the lead at 2-0, but Littlefield came back to tie it up and go ahead.

Littlefield kept the lead until Kent Miller put in a basket with 6:10 left in the third quarter to give Friona a 20-19 lead and from this point on the lead changed hands six times.

Littlefield held a five point lead with 4:04 left in the game, 33-28, but a basket by Doug Norwood and two by Mike Bartlett gave Friona 34-33 a 34-33 lead.

Each team made one basket after this for the final 36-35 score.

Friona	8	13	24	36
Lfd.	11	19	25	35

Mike Bartlett 5-0-10, Roy Smith 4-2-10, Kent Miller 3-1-7, Ronald Land 2-0-4, Davy Carthel 1-1-3, Doug Norwood 1-0-2.

The cotton gin was invented in 1793.

Modern cotton looms are more than two yards long.

Saturday's opponent in the regional tournament-Spearman, is beginning to be considered a Friona rival, although teams from the two schools have met in basketball only seven times previously.

Due to the extreme distance between the two cities, all of the games between the two schools have been either in invitational tournaments or in the regional tourney.

Friona has beaten the Lynxettes twice in regional playoffs, in 1964 and 1965. The 1964 Squaws also downed Spearman, 53-50 in the semi-finals of the Tula tournament. That turned out to be the team's closest call enroute to a perfect 33-0 season that was climaxed by the first and only basketball state title for Friona.

TOURNEY REGULAR

Spearman has become a regular in Friona's invitational tournament since it was revived a few years ago, and the Lynxettes become well-known to many local people, since the team stays in Friona

for the duration of the tournament.

In four meetings of the two teams in Friona tournaments, Spearman has won each time, including a narrow 36-35 win in this season's tournament, pulling the game out after Friona led at halftime and took the lead late in the final quarter.

Thus, the Lynxettes hold a 4-3 lead over the Squaws in games between the two schools.

Here are the official scores of the previous seven games between the two schools--

1963-64	Friona 53, Spearman 50
1963-64	Friona 65, Spearman 53*
1964-65	Friona 54, Spearman 33*
1967-68	Spearman 47, Friona 30
1970-71	Spearman 59, Friona 42
1971-72	Spearman 56, Friona 48
1972-73	Spearman 36, Friona 35

*Regional tournament games

B-CHIEFS...Friona High School's boys B-team, which finished the 1972-73 season with an 18-2 won-lost record, poses here with Coach Larry Dyess. Shown, left to right are Coach Dyess, Dee King, David Clark, Mitchell Wiseman,

Gary Land, Kevin Welch, Terry Young, David Hutson, Trip Horton, Bobby Lewellen and Clay Bandy. Not pictured are Bill Fallwell and Ricky London.

B-Chiefs Impressive In 72-46 Morton Win

The Friona Chieftain B-team avenged one of their two season losses with a convincing 72-46 win over the Morton Indian B team here last Friday.

The win left the B-Chiefs' record for the season at 17-2 with a game remaining at Olton Tuesday night.

Friona had five players in double-figure scoring. Clay Bandy scored 16 points, Trip Horton and Henry Clark 13, David Land 12 and Bobby Lewellen 10.

The B-Chiefs increased a 20-18 first quarter lead to 39-28 at the half, and coasted to the win.

On the previous Tuesday, the team had bested Littlefield B, 58-33, led by Land's 14 points.

One of their best performances of the season had been the previous Friday, when the team toppled Canyon B, 56-52 in an overtime. Land scored 25 points to pace the B-Chiefs in

that one. A shot with one second left had tied the score for Canyon and forced the overtime, but Friona never trailed in the overtime period.

IN BI-DISTRICT

Squaws 'Get It On;' Tulia Blitzed 66-44

The Tulia Hornettes will probably always wonder what happened in the last minute of the first quarter of their bi-district playoff game against the Friona Squaws last Monday.

A 64-second rally by Friona brought the Squaws from a 10-12 deficit into a 20-12 lead, as Friona broke open what had been a cautious game, and went on for a 66-44 win in the contest, played at the West Texas State University Field House in Canyon.

Both teams started out on a cautious note, more or less sparring with each other. Darla Rhodes' set shot gave the Squaws a 2-0 lead 54 seconds into the opening quarter. Tulia tied it, and the lead rocked back and forth, with each team alternately holding two-point advantages.

In between times, the score was tied six times, at 2-2, 4-4,

6-6, 8-8, 10-10, and the final time at 12-12. Tulia was relying on the free throw shooting of Denise Payne, who connected on eight out of eight shots in the opening quarter.

Miss Payne's final two charity tosses gave Tulia its last lead, at 12-10 with 2:06 left in the opening quarter. Sharon Smith's set shot from the side tied it up for the Squaws at 12-12, and this set the stage for the "explosion."

FORCE ERRORS

The Squaws forced the Hornette guards into a turnover, and Miss Rhodes sank a basket for a 14-12 lead with 53 seconds left on the clock. Friona stole an in-bounds pass, whipped the ball to Patricia Phipps, who made a layup for a 16-12 lead with 47 seconds left.

Miss Phipps missed the three-point play on her foul

shot after Tulia had called a time out, but Friona got the rebound, and she hit a layup for two points and an 18-12 lead with 30 seconds left. Miss Rhodes stole the ball again, passed to Sharon Smith, whose jump shot made the score 20-12 with 20 seconds on the clock, and that turned out to be the first quarter score.

Friona had thus scored 10 points in the space of 44 seconds of clock time, during which the Hornettes had not been able to get the ball across the center line.

The Squaws continued their onslaught as the second quarter began. Sharon Smith's layup, then three straight baskets by Patricia Phipps gave the Squaws an incredible 16-point lead, at 18-12.

Tulia went 3:07 into the second quarter without scoring, and the Tulia girls had gone 5:13 in all without scoring, during which time Friona came from a 12-10 deficit to take a 28-12 lead, and had the game going their way.

At the mid-point of the second quarter, Friona had a 30-15 lead. A pair of baskets by Sharon Smith, plus a layup and two free shots by Miss Rhodes pushed Friona into a 19-point bulge, 40-21, with a minute left in the half.

Tulia managed a basket in the final minute, to trim the halftime margin to a still-comfortable 17-point lead for Friona, 40-23.

Guard Cindy Hutson had picked up three fouls in the first half of the game. She got her fourth early in the third quarter, and went to the bench with 2:53 left on the clock, to keep from fouling out of the game.

The third quarter lacked the zip of the second stanza, with Squaws committing several passing errors and missing

scoring opportunities. As a result, Tulia was able to outscore them, 12-10, and kept Friona from putting the game away. Score was 50-35 going into the final quarter.

Tulia scored again to come to within 13 points at 50-37, but this signaled action for Friona. Patricia Phipps made a layup, and Darla Rhodes scored four easy baskets, one after taking a pass inbounds from Tulia right under the Squaw goal, and Friona suddenly had a 60-39 lead with about three minutes left.

STARTERS PRODUCE

Friona's "Big Three" came through, with Rhodes getting 28 points, Phipps 22 and Smith 16. All three starters scored above their average for the season, with Miss Rhodes beating her average by 11 and Miss Phipps by seven. Smith was up by one.

The Squaws scored 62 of their 66 points on field goals. They hit a sizzling 57 per cent of their field shots for the game, 31 of 54, including 19 of 29 in the first half (65 per cent). The team had only eight free shots, making four.

Tulia scored exactly half of their points—22 on foul shots, missing only three. However, the Squaw guards, Cindy Hutson, Terri Bingham, Teresa Ingram and Susan Martin, held the Hornettes to only 11 field goals in 41 attempts.

The 22-point victory over Tulia was the biggest Friona win ever recorded over Tulia. The former record was an 18-point victory by the 1964 Squaws over the Hornettes in this same gym (58-40) in a tournament won by the Friona girls, enroute to a perfect 33-0 season capped off by the state championship.

It was the 19th win by the Squaws against 14 losses in the

long and colorful Friona-Tulia series. The 66 points were the second most the Friona girls ever scored against the Hornettes, topped only by the 82 by the 1963 Squaws in another Friona playoff win over Tulia.

CROWD COUNTING?...No, Coach F.G. Crofford just happened to be double-checking the scoreboard when this shot was taken of the court-side victory celebration at Canyon Monday night, following the Squaws' 66-44 win over Tulia.

Cotton calico, handprinted with wooden blocks, was first made in Calicut, India.

Marco Polo noted that the ancient Chinese wove cloth with colored cotton.

A proposal to amend the Constitution to prohibit the sale of alcoholic beverages was introduced for the first time on Dec. 12, 1876.

Dimmitt Wins Two Of Three From Friona

On Thursday, February 8, Dimmitt's seventh, eighth and ninth grade boys came to Friona to play a make-up game scheduled for December. Dimmitt won two of the games, but Friona won the freshman game.

Friona took an early lead in the seventh grade game which they kept until Dimmitt went ahead 18-17 with 2:40 left in the first half. Dimmitt never gave up their lead and went on to win 39-29.

The eighth grade was close all the way, the biggest difference being the final score of 35-28 for Dimmitt. The game was tied seven times and changed leads six times.

The freshman game was close the entire game. This game was also tied seven times and changed leads five times. Dimmitt's longest lead of the game was seven points and

Friona's was also seven points. The final score was 41-40 for Friona.

SEVENTH GRADE

Friona	13	19	24	29
Dimmitt	6	23	31	39
Terry Wilcox 3-4-10, Edward Castillo 3-0-6, Raul Braillif 3-0-6, Ernest Mills 3-0-6, Jeff Whiteside 0-1-1.				

EIGHTH GRADE

Friona	1	12	18	28
Dimmitt	4	10	18	35
Leslie Broadhurst 3-4-10, Mark Neill 4-1-9, Lester Aven 2-1-5, Mike Blackburn 2-0-4.				

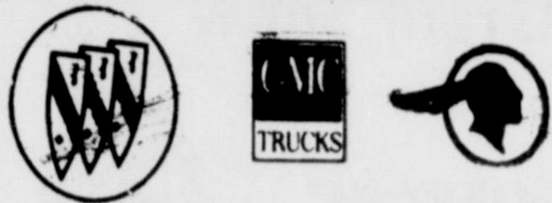

NINTH GRADE

Friona	10	20	32	41
Dimmitt	8	23	29	40
Davy Carthel 6-3-15, Roy Smith 6-0-12, Doug Norwood 4-0-8, Kent Miller 2-0-4, Ronald Land 1-0-2.				

ATTENTION FARMERS

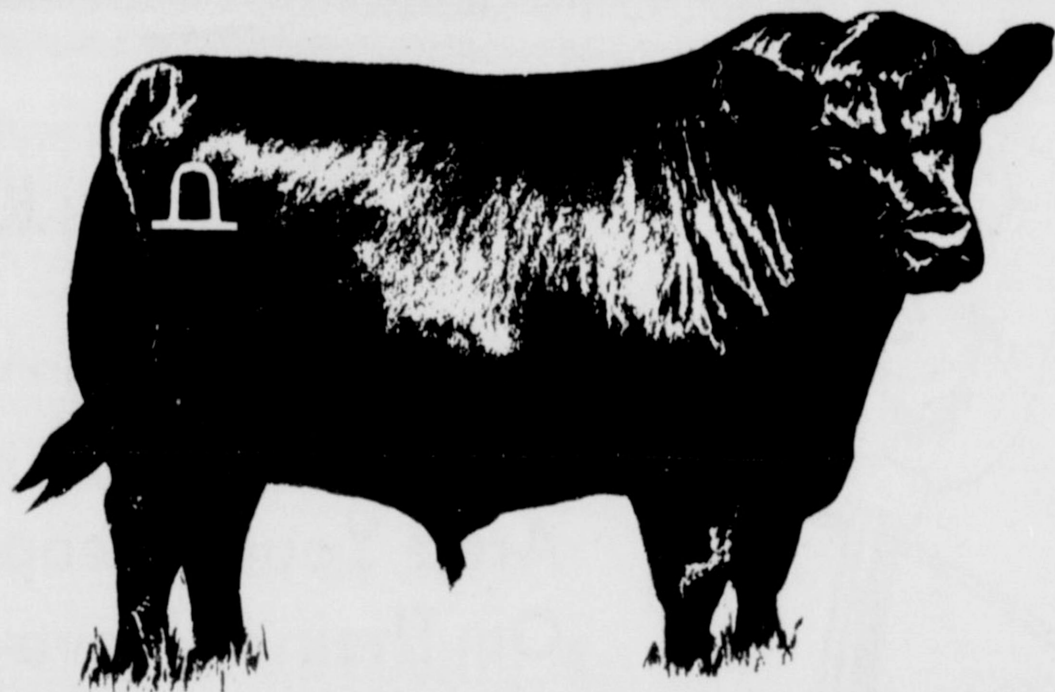

Recently, many area farmers have incorporated the use of feedyard manure into their fertilizing program. You may have some questions as to the value of this practice. If you do, call Friona Industries, 247-2718, or Friona Feed Yard, 265-3574, or PACO Feed Yard, 265-3433 and we will be anxious to answer your questions.

Mr. and Mrs. Max Self

Max Self Is Selected County's Outstanding Conservation Farmer

Max Self of Friona is Parmer County's Outstanding Conservation Farmer for 1972. Max and his wife Dorothy have three children, Gayla, Gary and

Terry. Max, raised on a farm near Muleshoe, has been farming continually except for the two years he was in the Army. The Self family lives on

their farm seven miles west and two miles north of Friona. He has built his farming operation up to over 1000 acres of irrigated land. His 160 acres he owns serve as the base for his operations. In 1969, being aware of the benefits of good soil and water conservation, Max asked the Parmer County Soil and Water Conservation District for assistance. With technical help he developed a conservation plan for his farm and instituted it as finances permitted.

When Max heard of the Great Plains Conservation Program, he investigated and found the program would speed up his applied conservation and was tailor made for his farm goals. Wanting to protect and improve his land and conserve his underground water, his primary objective was to plant grass on the sloping land to check erosion. Secondary benefits were grazing and protection for his pheasants. His pasture plantings were half cool season grasses and half warm season grasses. These pastures provide year around grazing for his herd of Angus cattle.

Since pheasant watching is a favorite pastime for the entire family, the increased ground cover created by grass planting and good crop residue management has increased the pheasant population around the Self farm and contributed to the enjoyment of the whole family.

Good residue management also reduces wind erosion and conserves moisture. The conservation plan developed by Max improved his irrigation efficiency by designing a complete irrigation system for his farm. The design includes a distribution system plus proper application for his particular soils and crops.

In short, Max has installed an efficient irrigation system, managed crop residues on the soil surface, established and managed grass and improved his pheasant watching.

Max is an outstanding man and conservationist and his farming operation is proof that conservation pays.

Clayton Attends Two Important Meetings

State Representative Bill Clayton has returned from hurried trips to Washington, D.C. and New Orleans, where he represented Texas at both the National Legislative Conference's I.R.C. committee meeting and the National Water Commission's public hearing.

As chairman of the Intergovernmental Relations Committee, of the National Legislative Conference, he met with over 100 state legislators across the country in Washington, D.C. to consider federal-state issues of particular concern to the States. The National Legislative Conference is the national organization representing 7,600 State Legislators across the country.

At the National Water Commission meeting in New Orleans, Rep. Clayton appeared before the commission to register opposition to the preliminary draft report of the National Water Commission. Clayton stated that the proposals in the draft report if implemented would not be in the best interest of Texas.

Senator Edmund Muskie addressed the legislators in Washington, and Rep. Clayton and other members of the group met with congressmen and administration officials to discuss specific issues of concern to States in the areas of human resources, natural resources, government operations, criminal justice and law enforcement, commerce and transportation and community affairs. Clayton said that issues of special concern to legislators are the impoundment of federal funds, the state and federal role in property tax reform, the use of highway trust fund monies for mass transit, future of housing programs in States and future of environmental and criminal justice legislation.

Rep. Clayton returned to Austin following the national meetings to be present for the legislative sessions now going on.

Legend says Columbus used cotton denim for sails on his famous voyage in 1492.

Former Ag Instructor Now On TSTI Staff

The Livestock and Ranch Operations here at TSTI Mid-Continent Campus has a new instructor. He is Bob Middleton who spent the last six years at Friona High School where he taught Vocational Agriculture.

Middleton replaces Bill Holtzapfle, who recently resigned as head of the LRO department. Bryan Bray has been named the new LRO Program Chairman. Middleton is a native of Lamesa. His parents, Mr. and Mrs. B.P. Middleton are still residents of the West Texas community. Following graduation from Lamesa High School, Middleton went to Texas Tech where he earned a degree in Animal

Science. After receiving his B.A. Degree, Middleton worked with show cattle on a registered Hereford Ranch in Arizona for two years and then went to work for Elmwood Ranches in Broomfield, Colo. which is a Quarter Horse operation.

Middleton and his wife, Dorothy then returned to Lubbock, where he completed work on his Masters Degree in Agricultural Education. His Masters Thesis—"Teaching Material for Instruction in Vocational Agriculture"—was published and is being used for training in several area high schools.

The primary difference between High School Vo-Ag

and the LRO Program at TSTI, according to Middleton, "is there is more interest in cattle and cattle work here at TSTI and less emphasis on shop activities such as fence building."

"The students at TSTI seem to be more interested in Agriculture and cattle," he said, "and there is a lot more lab work instead of theory. There has long been a need for the type of training the students are getting here at TSTI, and I am glad to see that we are finally getting something done about it."

Cotton tents, awnings, and canopies were used by the Romans in 70 B.C.

Bob Middleton

CHIEFS DEFEATED

Morton Adds Insult To Injury In Game

Morton's Indians, who are headed for the playoffs for the second straight year, added insult to injury in Friona's last home game of the season last Friday.

The injury amounted to the 85-55 defeat, Friona's worst of the 1972-73 season—and the insults were flying thick and fast.

The game, which became a physical contest with tempers flaring, and four technical fouls called, three on Morton and one on Friona. In addition, two players were ushered to the sidelines.

"I called three time outs in an effort to calm my boys down," said Coach DeBord. The Chieftain players complained of bad-mouthing from the visitors throughout the game.

In spite of the adversity, the Chieftains played a tremendous game, staying within ten points, 57-47, as the last quarter got underway.

However, every bounce went to the Indians in the latter quarter, and they added to their lead.

Gene Strickland gave the Chiefs a 2-2 tie with a jump shot 40 seconds into the game. Morton took a 6-2 lead, but a three-point play by Johnny Bandy cut the margin to 6-5 at 6:21.

PATTERSON STARS

Kent Patterson, the Chieftains' big junior, came in at this point to play an inspired first quarter. The 6-2 center hit five free shots and three field goals before the quarter ended, to keep Friona on Morton's heels.

Morton had taken a 19-13 lead, but Patterson's two charity tosses with 36 seconds on the clock cut the margin to 19-18. Morton sank another field goal, and James Bartlett's last second shot bounded out, leaving the Indians ahead, 21-18 after a fast opening quarter.

Patterson, while scoring 11 points in the opening period, also picked up three fouls, and started the second quarter on the bench. Morton, meanwhile, opened up a 12-point lead in the short space of two minutes, at 30-18, before the Chieftains could get on the scoreboard.

Patterson came back in, and sparked another rally that got the Chiefs within six points at 35-29 two minutes before halftime. But the Indians responded to the challenge and led 40-31 at the intermission.

Things stayed status quo in the third quarter, with Morton nursing leads of from ten to 14 points. Two baskets by Bandy in the latter portion kept the Chiefs within ten points.

BOTTOM FALLS OUT

Then, in the final quarter after Patterson's tip-in left Friona behind 47-57, the bottom suddenly dropped out, and

One way to make sure the new baby sleeps soundly, and as long as is good for him and parents, too, is having on hand a collection of night and day diapers. Babies know the difference when you've stocked up on Curity Night Diapers with extra absorbent qualities.

"Feedlot Specialists"

PROGRESSIVE RD

It'll cost you more than ever to grow a crop this year.

It'll be as easy as ever to lose the whole bundle.

The cost of everything you buy to make a crop has climbed sharply.

You're investing more hard cash than ever. Many growers spend double what they did 10 years ago... on chemicals and fertilizer, seed, tractor fuel, hired labor, taxes... etc.

You'll probably borrow money from the bank (or out of the kid's college fund, or your own retirement nest egg) to produce your crop.

Are you prepared to stand the loss of this money—in case some disease comes along or there's a freezeout... or a plague of bugs? Or you name it?

There could be some lean years if you're wiped out now.

The financial side of farming has changed. Perhaps it's time you re-thought your need for Federal Crop Insurance—which has made some changes, too, in keeping with the times.

This may be the year to listen closely when the FCIC man comes around.

Only ALL-RISK Federal Crop Insurance GUARANTEES you'll get your money back... whatever happens.

L. D. Pope Is Buried Monday

Funeral services for Leonard Davis Pope, who died about 1:30 p.m. Sunday in Parmer County Community Hospital, were conducted from Tenth Street Church of Christ at 2 p.m. Monday.

Leland Hutson was the officiating minister.

Pope was born September 8, 1900 at Dewey, Oklahoma. He was married to Irene Smith December 21, 1923 in Floyd County, Texas, and moved to Friona from Floydada in 1944. He was a retired farmer.

Survivors, besides his wife, include four sons, Fred Pope, Idaho Falls, Idaho, Smith Pope, Amarillo, James Pope, Friona, and Gene Pope of Vilas, Colorado; one daughter, Mrs. Glenna Bainum, Hartley; three sisters, Mrs. Clara Brock of Plainview, Mrs. Edna Ellis of Earth and Mrs. Ada Ellis of Floydada; one brother, Lonnie Pope of Deming, New Mexico. Also 19 grandchildren and three great-grandchildren.

Active pallbearers were Jackie Bainum, Michael Pope, Gary Pope, David Carthel, Eddie Bainum and Lee Pope. Russell Patterson, James McNeely, Bill Carthel, Richard Perkins, Oscar Baxter and Jim Baxter were honorary pallbearers.

Burial was in Friona Cemetery under direction of Parsons-Ellis Funeral Home.

FORMER SHOW RESULTS

Lazbuddie Showmen Have Enviably Mark

Lazbuddie may be the smallest community in Parmer County, population-wise, but when it comes to exhibiting animals, that community has won the lion's share in competition with the other county showmen.

A tabulation of the show's records for the past 25 years

shows that Lazbuddie showmen have won just over half of the trophies which have been given since 1948.

Lazbuddie youngsters have carried off 51 of the 101 trophies awarded in the steer, swine and sheep divisions of the show in the past quarter of a century.

The young showmen from the southeastern part of Parmer County have exhibited the grand champion in the barrow show 15 times in the past 19 years, including the last 12 years in a row.

In lamb judging, which hasn't been carried to a grand champion since 1959, Lazbuddie showmen have claimed 32 breed champion trophies out of 51 awarded.

In the steer division, Friona showmen have exhibited 14 grand champions in the 25-year period. Farwell youngsters, having now won the title four out of the last five years, stand second with seven steer championships.

Stock Show Scoreboard

(Champion Trophies Won Since 1948)

School	Steers	Sheep	Barrows	Totals
Lazbuddie	4	32	15	51

FRIONA STREAK

Friona showmen had won the steer banner six years in a row, and 11 out of 15 years before young Jacquelyn Langford of Farwell 4-H Club claimed the title in 1967.

Hereford steers have by and large dominated the show, winning titles ten out of the last 13 years. A six-year streak for Hereford winners was snapped last year when Mark Haseloff's cross-bred steer won the first time in 25 years for a cross-bred steer to take Grand Champion honors in the county show.

Prior to Haseloff's win, the last non-Hereford calf to win a title was exhibited by Mike Riethmayer, whose Angus won the championship in 1965.

No particular breed of hog has dominated the barrow show in the past 25 years, although Poland China and Hampshire entries have won the most titles, six each.

Chester Whites (last year's winner) and Durocs have won four championships, and cross breeds three. Berkshires have claimed the championship banner twice.

Friona is second to Lazbuddie in grand championships in the barrow division with five.

Rick Seaton of Lazbuddie made show history by exhibiting the grand champion barrow three times in a row between 1966 and 1969, all with cross breed animals. Seaton added his fourth title in 1971.

The Mendoza boys-Pablo and Jesse, have won the fine wool lamb trophy five consecutive years, beginning in 1968. The Mendozas won seven trophies in the lamb division during this period.

Champions Since 1948

Steer Champions

1948-Maurice Gaede, Friona 4-H [Hereford]; 1949-Wayne Massey, Friona 4-H [Hereford]; 1950-Herbert Schueler, Friona; 1951-Donald Jesko, Farwell; 1952-Ben Jordan, Friona [Hereford]; 1953-Mary Tatum, Friona [Shorthorn].

1954-Jerry Henson, Farwell 4-H; 1955-Frankie Spring, Friona FFA [Hereford]; 1956-Leon Massey, Friona; 1957-Glen Watkins, Lazbuddie; 1958-Jim Roy Wells, Friona, [Hereford]; 1959-Derrell Jennings, Lazbuddie.

1960-Bobby Redwine, Lazbuddie [Hereford]; 1961-Craig Coon, Friona FFA [Hereford]; 1962-Risa Howell, Friona 4-H [Hereford]; 1963-Dwain Phipps, Friona FFA [Angus]; 1964-Rex Wells, Friona FFA [Angus].

1965-Mike Riethmayer, Friona FFA [Angus]; 1966-Gary Phipps, Friona 4-H [Hereford]; 1967-Jacquelyn Langford, Farwell 4-H [Hereford]; 1968-Mark Haseloff, Farwell 4-H [Hereford].

1969-Robert Haseloff, Farwell FFA [Hereford]; 1970-Gail Morris, Lazbuddie FFA [Hereford]; 1971-Carrie Haseloff, Farwell 4-H [Hereford]; Mark Haseloff, Farwell 4-H, [Cross].

Barrow Champions

1948-Clyde Hays, Friona [Hampshire]; 1949-Roy Miller, Friona FFA, [Duroc]; 1950-Frankie Allen, Friona FFA, [Spotted Poland China]; 1951-"Friona FFA" [Chester White]; 1952-Bob Gerles, Farwell, [Berkshire].

1953-Truman McKillip, Farwell [Chester White]; 1954-Jerry Gleason, Lazbuddie, [Chester White]; 1955-Robert Ivy, Lazbuddie, [Poland China]; 1956-Don Bandy, Bovina [Duroc]; 1957-Kent Glasscock, Bovina, [Hampshire]; 1958-Calvin Mason, Lazbuddie [Duroc].

1959-Dickie Gerles, Farwell, [Berkshire]; 1960-E.C. Wilson, Friona [Poland China]; 1961-Jimmie Dale Seaton, Lazbuddie [Hampshire]; 1962-Theresa Seaton, Lazbuddie, [Hampshire]; 1963-Bobby Gleason, Lazbuddie [Poland China].

1964-Theresa Seaton, Lazbuddie [Hampshire]; 1965-Bobby Gleason, Lazbuddie [Poland China]; 1966-Rick Seaton, Lazbuddie [Cross]; 1967-Rick Seaton, Lazbuddie, [Cross]; 1968-Rick Seaton, Lazbuddie, [Cross].

1969-Stan Treider, Lazbuddie [Hampshire]; 1970-Randy

Bush, Lazbuddie [Poland China]; 1971-Rick Seaton, Lazbuddie [Duroc]; 1972-David Gallman, Lazbuddie, [Chester White].

Sheep Champions

1954-Gerald Hardage, Farwell FFA; 1955-Jackie Sheek, Friona; 1956-Jackie Sheek, Friona; 1958-Jim Greeson, Friona; 1959-Pat O'Brian, Bovina; 1960-Fine Wool-James Brown, Lazbuddie; medium wool-James Brown, Lazbuddie; Southdown-Pat O'Brian, Bovina.

1961-medium-David Koelzer, Lazbuddie; fine wool, Terry Parham, Lazbuddie; Southdown-Jim Roy Wells, Friona; 1962-medium-Steve Young, Lazbuddie; fine wool-John Ward, Lazbuddie; Southdown-Steve Foster, Lazbuddie; 1963-medium wool-Mariana Gammon, Lazbuddie; fine wool-Dwain Phipps, Friona; Southdown-Darrell Mason, Lazbuddie.

1964-medium wool-Mariana Gammon, Lazbuddie; fine wool-Terry Parham, Lazbuddie; Southdown-Darrell Mason, Lazbuddie; 1965-fine wool-Terry Parham, Lazbuddie; medium wool-Royce Barnes, Lazbuddie; Southdown-Jerry Roach, Bovina.

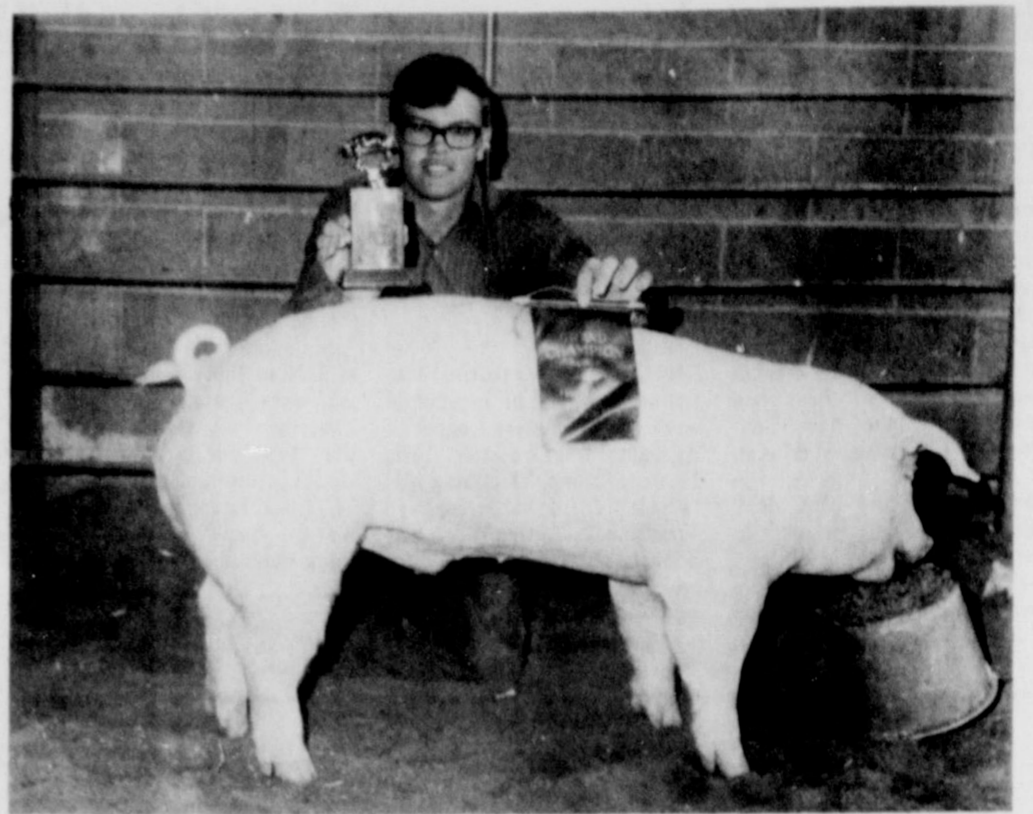

1966-fine wool-David Nelson, Farwell; medium wool-Daryl Kirkpatrick, Bovina; Southdown-Royce Barnes, Lazbuddie; 1967-fine wool-David Nelson, Lazbuddie; medium wool-Wesley Barnes, Jr., Lazbuddie; Southdown-Carroll Foster, Bovina.

1968-medium wool-Monte Barnes, Lazbuddie; fine wool-Pablo Mendoza, Lazbuddie; Southdown-Monte Barnes, Lazbuddie; 1969-fine wool cross-Randy Waggoner, Friona; fine wool-Jesse Mendoza, Lazbuddie; Dorset-Charles Bentley, Friona; Hampshire-Stephen Sherrill, Bovina.

1970-fine wool-Pablo Mendoza, Lazbuddie; fine wool cross-Mendoza; Southdown & Shropshire-Mark Barnes, Lazbuddie; medium wool-Karene Hart, Friona; other breeds-Mike Windham, Lazbuddie.

1971-fine wool-Jesse Mendoza, Lazbuddie; cross-Larry Johnston, Friona; Southdown-Mark Barnes, Lazbuddie; medium wool-Hugh Rogers, Bovina; other breeds-Mike Windham, Lazbuddie.

1972-fine wool-Jesse Mendoza, Lazbuddie; medium wool-Timmy Smith, Lazbuddie; Southdown-Neal Moore, Lazbuddie; Cross-Jesse Mendoza, Lazbuddie; other breeds-Mike Windham, Lazbuddie.

LATEST CHAMPION...David Gallman, Lazbuddie FFA member, kept a string going for his school and community last year by winning the grand champion barrow trophy in the Parmer County Junior Livestock Show. It was the 12th straight grand champion for Lazbuddie entries.

HAVING PAM AND JENIFER BAKER in town has been a treat for several Frionans. Pam, with her same sweet smile, has been up and down the street some, but if you want to see Jenifer, you just about have to go to Grandmother Marie's and Granddad Ralph's. Think they will be here for several weeks yet. Roy, the head of the Baker household in Lubbock, is on a cotton mission to far away places and will not be home for awhile.

NOTICED LAST WEEK that workmen were finishing the repair work, or possibly it was really more of a re-building job, on the concrete block fence at the home of Gib and Dot Boatman. Our "big blow" of a Saturday or so ago took its toll and the north side of the fence was badly damaged. Passerbys were able to enjoy seeing the backyard, which is one of the most attractive in town, while the fence was down.

HAVE HEARD several favorable reports about Ronnie Brookfield's achievements. He is a graduate of Friona High School and Texas Tech and is employed as an architect for a construction firm in Tucson, Arizona.

One of his most recent assignments has been for additions to Reece Air Force Base near Lubbock and armed forces installations at Austin, Wichita Falls and Fort Worth.

Last week he made a flying trip to Texas for conferences with some of the government men. Think his company was awarded the Fort Worth contract and he was working out some details.

At any rate, he was down in that area last weekend. It is always a pleasure to hear about home town boys making good in their chosen professions.

SEVERAL LOCAL PEOPLE have been vacationing in Mexico. Most of them did some sightseeing and some fishing.

Think Edith and Herschel Johnson, Harold Joe and Joyce Wells and Max and Jo Wells did some deep sea fishing while they were gone.

Mayor and Mrs. Raymond Fleming and John and Billie Joe Hand took several sightseeing tours in the vicinity of Mexico City.

A report I heard indicated that our mayor was not very favorably impressed with the traffic situation in Mexico's capitol city. He may be in favor of changing the old expression, "as disorganized as a Chinese fire drill," to "as disorganized as the handling of traffic in Mexico City."

We're glad everyone made it home safely and know several people who are enjoying helping their fishermen friends eat their fish.

Lani Ross Weds John R. Hodges

Lani Ross of Midwest City, Oklahoma, and John R. Hodges of Oklahoma City exchanged wedding vows at Midwest City Southern Baptist Church Friday, January 19.

The bride is the daughter of Mrs. Mary Ross, also of Midwest City.

Mr. and Mrs. Dave Thompson, Friona, parents of the groom, hosted a family dinner in Hilton Motel following the ceremony.

Other Frionans attending were Jeannie and Terry Thompson.

Mr. and Mrs. Hodges spent last weekend visiting his parents.

Saturday evening a group of friends surprised the newlyweds with a shower in the Thompson home.

Hosts were Mr. and Mrs. Dale Gober, Mr. and Mrs. Danny Black and Mr. and Mrs. Mickey Wilson.

About thirty persons attended.

New Service For Auto Owners

A former Frionan, Bobby Fulks, opened Bobby's Auto & Coach Clinic at 208 East Sixth Street early this week.

Fulks, who is an experienced mechanic and body shop man, offers automobile owners complete body work and glass work. He also does trick painting on anything.

He and his wife, the former Marilyn Brandon of Bovina, and two daughters have moved into the former residence of the Joe Boeckman family.

Fulks invites everyone in the area who is in need of service the shop offers to call him at 247-3720.

Bullish on central air conditioning? Consider investing just a little more in a long-term, blue chip Gas air conditioning system.

Only a Gas air conditioning system pays you regular dividends for many happy years. That's because the heart of a Gas cooling system is a simple gas burner, rather than an electric, mechanical compressor. A clean-burning gas flame doesn't wear out—so there's less to go wrong, fewer maintenance calls, a longer life with no loss of original cooling capacity. And because natural gas is the prime energy source, you'll also save money on operating cost.

Call one of our air conditioning specialists this week—before the summer market becomes really active. He'll make a free, no obligation, survey of your home and give you a quotation on the cool investment.

GAS Central AIR Conditioning

The Cool Investment.

PIIONEER NATURAL GAS COMPANY

* Free thermometer with every Gas cooling survey before March 31, 1973.

LIONS PROGRAM...Major Keech, left, of the U.S. Army Recruiting office, Amarillo, presented the program to the Friona Lions Club last Thursday night. He was accompanied to Friona by Sgt. Maddocks of Clovis. In the center is C.W. Tannahill, who was installed as a new Lions Club member.

Alane Weaver Is Honored With Shower

A miscellaneous bridal shower in the Community Room of Friona State Bank from 2 to 4:30 p.m. Saturday was a courtesy for Alane Weaver, bride-elect of Charlie Bishop.

The serving table was covered with a white lace cloth and centered with a rainbow colored candle arrangement surrounded by carnations in rainbow colors.

Refreshments of cake and punch were served by the hostesses.

Special guests were Mrs. Dale Weaver, Amherst, mother of the honoree; Mrs. Stanley Bishop, Friona, mother of the prospective bridegroom; Mrs. Flora Baker, Littlefield, grandmother of the prospective bridegroom; Mrs. Roene Weaver, Littlefield, grandmother of the honoree.

Hostesses were Mesdames Sheldon Whites and Alane Weaver.

Mr. and Mrs. Elvin Wilson and Mr. and Mrs. Bill White announce the marriage of their children, Diana and Sheldon, on February 2, 1973.

Mr. and Mrs. Sheldon White are at home at 1107 Elm Avenue, Friona.

Rainbow Girls Have Outing

Mrs. Larry Knowles, new Mother Advisor of Friona Rainbow Girls, accompanied twelve members of the organization to Clovis for lunch and a movie Sunday.

Those making the trip were Holley and Iris Stephenson, Diane and Teresa Clark, Lesa Mercer, Betty Paul, Faith Mays, Michelle George, Nell Fulks, Sheri Rector, Donna Rector and Marie Morrison.

Sheldon Whites Are Living Here

Mr. and Mrs. Elvin Wilson and Mr. and Mrs. Bill White announce the marriage of their children, Diana and Sheldon, on February 2, 1973.

Mr. and Mrs. Sheldon White are at home at 1107 Elm Avenue, Friona.

Rainbow Girls Have Outing

Mrs. Larry Knowles, new Mother Advisor of Friona Rainbow Girls, accompanied twelve members of the organization to Clovis for lunch and a movie Sunday.

Those making the trip were Holley and Iris Stephenson, Diane and Teresa Clark, Lesa Mercer, Betty Paul, Faith Mays, Michelle George, Nell Fulks, Sheri Rector, Donna Rector and Marie Morrison.

Jana Pronger Presents

Rhea HD Club Program

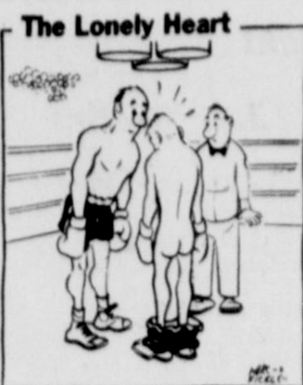

"Furnishings and Accessories," was the theme of a program, which was presented by Jana Pronger, Farmer County Home Demonstration Agent at the Monday evening meeting of Rhea Home Demonstration Club.

The meeting, which began at 8 p.m. in the Parish Hall of Immanuel Lutheran Church, was hosted by Mrs. Andy

Anderson, who served chocolate coconut cake, coffee and hot spiced punch.

Members present were Mrs. Marty Grissom, Shirley Smith, Jack Patterson, Elmo Dean, Leroy Widner, Norman Taylor, Anderson and Walter Schueler.

Plans were made for the Texas Home Demonstration Association, which will be held

at Boys Ranch in March. The February 26 meeting will be held in the home of Mrs. Leland Gustin.

The Golden Rule Can Help With Everyday Life

Read Luke 10:25-37

"You shall love the Lord your God....; and your neighbor as yourself."

--Luke 10:27 [RSV]

A group of businessmen had gathered to launch a major financial campaign for an accredited black college. In addressing them, a banker analyzed the parable of the good Samaritan and cited three important points--

*The people in the area where the wounded man met with misfortune were largely responsible for him.

*The priest and the Levite manifested no goodwill toward the man in desperate need.

*The good Samaritan was motivated by love and goodwill; and having a sense of responsibility for a fellow being, showed compassion on him.

The banker compared the wounded man on the Jericho road with a black college that lacks the resources it needs for survival. He challenged those present to recognize this need and emulate the good Samaritan.

PRAYER--Father, help us to put the Golden Rule to work in our daily life. Help us to love Thee, and our neighbor as ourselves. Amen.

THOUGHT FOR THE DAY

Hearts filled with love and goodwill give encouragement to others.

**Eight Attend
Club Meeting**

The Health Careers Club of Friona High School met Thursday, February 8, 1973. Future plans were discussed.

Those attending the meeting were Mrs. Tommie Mercer, sponsor, Donna Lewellen, Karen Merrill, Jana Robertson, Patti Crump, Mona Reed, Holly Hart and Ann Pankratz.

**Forty-Three Enroll
In Square Dance Class**

"Interest in square dancing has been very good and we've outgrown our facilities," said Cliff Mowbray, president of Buttons and Bows Square Dance Club, sponsoring organization.

Beginning Saturday evening classes will begin at 7:30 p.m. in the American Legion Hall at the corner of Seventh and Washington.

Students enrolled in the class include Beverly Phillip and

**Two WT Students
On Honor Roll**

Two students from Friona are among the 291 students named to the honor roll for the fall semester at West Texas State University.

Honor roll requires a minimum 2.5 average on a 3.0 scale and a 15 semester hour class load.

Senior Bettye Jarboe and freshman Lou Whaley were those honored.

Mrs. Jarboe is an elementary education major, and Miss Whaley, daughter of Mr. and Mrs. Watson Whaley, is an economics education major.

**Modern Study Club
Adds To Library Fund**

During the business session of the Tuesday evening meeting of Modern Study Club, plans were made for contribution of \$1,000 to Friona Public Library. This money will go into the general fund and will probably be used for purchase of new books.

Theme of the program was "Law." A quotation by Marvin Jones, "Liberty and law are as intimately linked as the principle of supply and demand," was used.

Richard Collard, local attorney, was the guest speaker. He presented "These Are Your Rights As Women." A round table discussion followed.

Tracy Horton presented a flute solo, then sang "Christopher Robin." She was accompanied by Mrs. Roy V. Miller Sr., pianist.

Mrs. Glenn E. Reeve Sr. was elected convention delegate and Mrs. Otho Whitefield was elected alternate.

Refreshments were served by the hostesses, Mrs. Frank A. Spring and Mrs. Andy Hurst Jr.

Guests were Mrs. Hollis Horton and Tracy. Nineteen members were present.

**Lutheran Women
Have Meeting**

The regular meeting of Lutheran Women's Missionary League was held Monday afternoon in the Parish Hall of Immanuel Lutheran Church.

A topical discussion was conducted by Pastor Duane Kirshner.

The Braille workshop was discussed.

Construction of Christmas tree for a Christmas tree was adopted as a yearly project.

White altar linens were donated in memory of Becky Schueler.

Others present were Mrs. Duane Kirshner, Mrs. Andy Anderson, Mrs. Leland Gustin, Mrs. Robert Schueler, Mrs. Roy Zieschang, Mrs. Raymond Schueler, Mrs. Herbert Schueler and Mrs. Roy Zieschang.

VALENTINE SWEETHEARTS...These three young lovelies represent the Valentine royalty of the Calvary Baptist Youth. Pam Veazey center, was chosen sweetheart of the group at a

Valentine Banquet last Saturday evening. Runners-up were Hope Mays, left, and Denise Shipp, right. Buster Bentley was elected sweetheart king.

**Calvary Baptist Youth
Elect Valentine Royalty**

Highlight of the Calvary Baptist Youth Sweetheart banquet in Fellowship Hall of the church Saturday evening was selection of a king and queen.

The banquet began with prayer by Edwin Livengood, intermediate worker. Then Cupid, who was portrayed by C.H. Veazey, made a surprise entrance.

Phil S. Phipps, youth director of the church, was the master of ceremonies.

Buster Bentley was elected Calvary's sweetheart king prior to the banquet.

The queen's contest followed. There were eight contestants. They were Donette Carlton, Nita Minshew, Tamela Hassenpflug, Denise Shipp, Debra Carlton, Hope Mays, Glenna Holt and Pam Veazey.

The contest was divided into two parts. Each girl spoke on "Why I Believe God Is Real." Then there was a talent show.

Judges were Rev. and Mrs. Larry Heard of First Baptist Church, Bovina, and Rev. and Mrs. Lynn De Hart of Westway Baptist Church.

Pam Veazey, daughter of Mr. and Mrs. C.H. Veazey, was crowned Sweetheart Queen by Gayla Self, reigning queen. Reba Holt presented runner-up ribbons to Hope Mays and Denise Shipp. Tamela Hassenpflug was a finalist in the competition.

The banquet was prepared by women of the church and served by members of Baptist Men.

Following the coronation, Rev. Larry Heard, who was one of the special guests, spoke to the group.

Contributed to a scholarship fund.

Refreshments were served by Dorothy Donaldson, Opal Perry, Icy Leer, Marue Snodgrass and Leola Williams.

Charles Scales, who was involved in an accident Monday morning, was given emergency treatment at Parmer County Community Hospital before being transferred to an Amarillo hospital.

He was released from Hi Plains Baptist Hospital Wednesday evening and returned home.

Then, he was able to return to work Monday.

Local Cowbells Choose Name

Highlight of the Thursday evening meeting of Friona Cowbells in the Community Room of Friona State Bank was suggestion and adoption of the name "Riata."

Guests and new members present were Mrs. Larry Knowles, Mrs. Troy Christian and Mrs. C.C. Naegle.

Other members attending were Mrs. Lee Britting, Mrs. John Bingham, Mrs. Robert Neeley, Mrs. Ron Davenport, Mrs. Max Harkrider and Mrs. Tex Phipps.

Delmer Dement Has Surgery

Mrs. Delmer Dement received word early this week that her husband, who is serving in the United States Armed Forces in Korea, is making satisfactory progress.

Dement, who has been a medical patient in a base hospital in Korea for the past six weeks, underwent stomach surgery early this month.

His wife, Joyce, and two sons live here.

**Mrs. Frank Spring Will
Exhibit Art In Austin**

The artistic talents of the Texas Panhandle-South Plains will be showcased in an exhibit to be displayed in the office of

**Frionan Listed
On Honor Roll**

Donny R. Carthel, son of Mr. and Mrs. Bill Carthel of the Black Community, was one of fifteen Texas students listed on the Dean's Honor Roll for the fall semester at Eastern New Mexico University, Portales.

Carthel is a graduate of Friona High School and a senior at Eastern.

Also listed on the Dean's Honor Roll was Alesia Ragsdale, daughter of Mr. and Mrs. Mack Ragsdale, Hereford.

The Ragsdales are former Friona residents.

Mr. and Mrs. Frank Reed and children, Ronnie and Zonya, of Amarillo were weekend guests in the home of Mr. and Mrs. Clarence Ashcraft. Mrs. Reed is the former Betty Zon Ashcraft.

Sen. Max Sherman of Amarillo throughout the legislative session in Austin.

The show, in which artists of the region are represented is being coordinated by Dr. Emilio Caballero, chairman of the West Texas State University art department.

A local artist, Mrs. Frank Spring, has been invited to show some of her works with this group.

Caballero will go to Austin to supervise the hanging of the exhibition in Sherman's office on the first floor inside the east entrance of the Capitol.

"Many people do not know of the excellent art work we have in this part of the state," Caballero said, "and this show will provide an excellent opportunity to introduce our artists to the Texas public."

The show will include paintings, sculpture and graphics.

Also included in the exhibit will be Amarillo artist, Ben Konis who is well known in the Friona area. Mrs. Marie Lenua and Mrs. Arlene Phelps of Muleshoe will also be represented.

**Mary Ellen Scales
Receives Honors**

Mary Ellen Scales, a senior sociology major at the University of Arkansas, Fayetteville, Arkansas, was recently named to the Dean's Honor Roll. Miss Scales scored 3.82 out of a possible 4.0 and ranked 45th in a class of 710.

She is a graduate of Friona High School and the daughter of Mr. and Mrs. Charles Scales.

Miss Scales has also been awarded a two year fellowship, which will enable her to complete work on a master's degree.

**Buttons And Bows
Plan Valentine Dance**

Plans have been completed for a Valentine dance for members of Buttons and Bows Square Dance Club Saturday.

Festivities will begin at 7:30 p.m. in the building formerly occupied by Union Congregational Church.

Cliff Mowbray, president, urges all members to be present.

Terry Brown, Minister

**The Truth
Will Make
You Free**

Is water baptism essential for one's salvation? Don't take my word for it. Listen to what Paul has to say.

"As many of you as were baptized into Christ have put on Christ." Gal. 3:27 If we ask Paul, "Did anything happen to the baptized at his baptism?", the answer is, "Yes, he entered into Christ and he put on Christ."

"By one spirit we were all baptized into one body." I Cor. 12:13 The one body we enter at baptism is Christ's church. Ask Paul again if anything happened at baptism, and his answer is "Yes, we entered the body of Christ."

Notice that the initiative is with God, while man's action is passive: man hears, believes, and is baptized. Paul would argue that the new status of a Christian through baptism is God's work, not man's work. It is worth nothing that the verb "to baptize" usually occurs in the passive voice, "to be baptized." The human agent in baptizing is unimportant. What is important is "to be baptized." This is when God does His work.

Thus, baptism is an essential part of one's faith. When one submits to baptism in faith, God remits sins (Acts 2:38). He puts one into Christ (Gal. 3:27), and He puts one into the body of Christ (I Cor. 12:13). Something happens to the baptized in his baptism. God works.

Congratulations

**WE BELIEVE IN
THE FUTURE OF
FARMING & RANCHING**

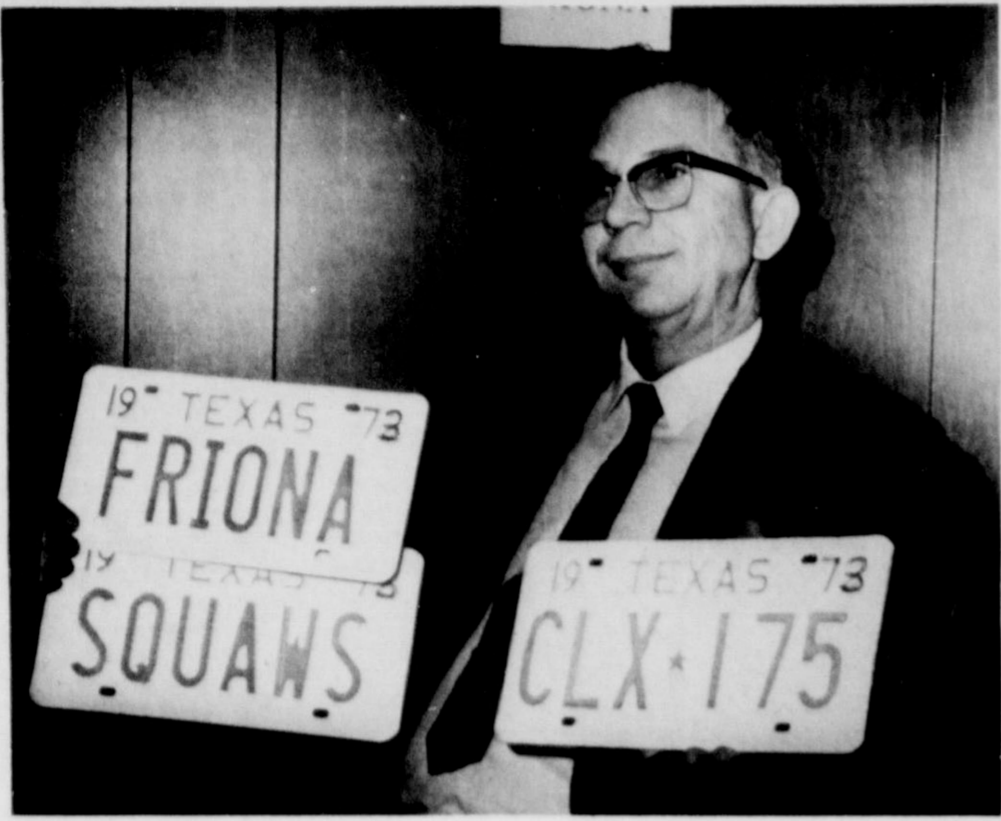

The Future Farmers of America and the 4-H Clubs are learning more about farming and ranching... in the classrooms and on the farm. Thus they are becoming more proficient in farming and the future of farming is in safe hands... for only through a strong agriculture can this nation hope to survive.
