Fair and cooler Thursday night and early Friday with light frost in exposed spots in the Panhandle. Warmer late Friday. Maximum temperature Wednesday 83 degrees, minimum 63 degrees. Minimum Thursday 45 degrees.

Reds Drop Live Bombs Near Berlin

Lowered Meat Prices Get To Butcher Shops

CHICAGO—(P)—The drop in hog and meat prices was getting down Thursday to where it counts for most people—at the retail butcher shop.

Many stores throughout the country slashed pork prices for the coming weekend, a direct result of the sudden outpouring of hogs from the country. The oft-mentioned but never very apparent "consumer resistance" was pooh-poohed in some quarters as a cause for the decline.

And it was in pork, much more than in beef or lamb, that butchers were posting the lower figures.

Police Nab Suspect In Bank Holdup

SAN ANTONIO—(P)—Three heavily armed men, one believed by police to have participated in the Malone State Bank robbery, were arrested in a downtown hotel here early Thursday.

Capt. L. C. Dunaway and Detectives A. C. Sandoval and J. J. Patton arrested the three men and a woman companion after police had received a tip they were in town.

The officers reported they found an automatic shotgun, two high-powered rifles and a black 38-caliber pistol in possession of the group.

The pistol, according to the officers, answers the description of the weapon used by the bandit who robbed the Malone bank Tuesday of \$15,000.

Discovery In Upton Opens Up And Flows

Wilshire Oil Company No. 1 McElroy, West-Central Upton County discovery from the Wolfcamp, lower Permian, five miles east of the shallow McElroy field, and 660 feet from north and east lines of the south-west quarter of section 148, block E, CCSD&RGNG survey, was opened up and flowed at the average rate of 22 barrels of oil per hour, for about 27 1/2 hours, and filled 800 barrels of storage in that period.

The flow was through a 21/64-inch tubing choke from 600 feet sections between 7,882-7,980 feet which had been treated with 1,000 gallons of mud acid. The well had been shut in for four days when the latest flow was taken.

Midland Wildcat Is Coming Out On DST

The Texas Company No. 1 Scharbauer, West Midland County deep prospector, one mile south of the Midland Air Terminal, and 660 feet from south and west lines of section 20, block 40, TP survey, T-2-S, was bottomed at 12,080 feet, in an unidentified lime and was coming out of the hole after having taken a drillstem test.

No fluid was reported to have shown at the top while the tester was open.

The project is due to drill ahead when the investigation is completed.

No. 1-E Bryant Has Blow Of Air On Test

Gulf Oil Corporation No. 1-E Wilshire, 14 miles south of the city of Midland, in Central Midland County, and 660 feet from north and 1,980 feet from west lines of section 38, block 39, TP survey, T-3-S, took a one-hour drillstem test in the Ellenburger at 12,232-310 feet.

There was a blow of air at the surface for 25 minutes, and it then died. Operator was coming out with the tester at noon Thursday. No fluid showed at the surface while the tool was on bottom. The wildcat will make more hole.

The oil was cut with five-tenths of one per cent acid water. There was no formation water. Flowing casing pressure averaged 975 pounds and flowing tubing pressure averaged 1,000 pounds.

The well is now shut in for more storage to be created.

Dawson Venture Is Dry And Abandoned

Childrens Royalty Company No. 1 Stanton, Northwest Dawson County wildcat, 487 feet from south and east lines of section 10, block M, EL&RR survey, drilled to a total depth of 4,978 feet in dry San Andres-Permian lime. It has been plugged and abandoned.

Champlin Test Gets Signs Of Oil And Gas

Champlin Refining Company No. 1-P University, stated Ellenburger wildcat in Central-Southwest Andrews County, 20 miles southwest of the town of Andrews, and 660 feet from south and east lines of section 34, block 15, University survey, took a two-hour and 15 minute drillstem test at 8,572-8,698 feet, in an unidentified lime formation.

A 600-foot water blanket was (Continued on page 9)

Jack Porter Welcomed To Midland

Jack Porter, right, of Houston, Republican candidate for United States senator from Texas, is greeted by James S. Noland, independent oil operator and chairman of the Midland County Porter-For-Senator organization, at a reception held in Porter's home Monday afternoon on the mezzanine floor of Hotel Scharbauer here. Dewey and Warren (Continued on page 9)

Vishinsky Ignores U. S. Speaker

(NEA Radio-Telephone) Soviet Delegate Andrei Vishinsky ostentatiously reads a newspaper as U. S. Delegate Phillip Jessup presents a detailed review of the Berlin crisis to the United Nations Security Council in Paris. At other times Vishinsky took notes, listened closely. Britain's Sir Alexander Cadogan is at right.

Former Midland Pastor, Wife Are Killed In Crash

The Rev. and Mrs. Kenneth C. Minter of Woodville, Texas, formerly of Midland, were killed Wednesday night in a traffic accident 20 miles west of Woodville on U. S. Highway 190, according to Associated Press reports received here.

Mr. Minter, about 58, had retired from the active ministry, but had moved to Woodville recently to serve as supply pastor of the Methodist Church there, friends here said. The Woodville church recently had completed a new church plant. Mrs. Minter was about 55 years of age. Mr. Minter was pastor of the Methodist Church at Gonzales when he retired recently because of ill health.

Mr. Minter came to Midland as pastor of the First Methodist Church in 1932, serving about three and a half years. He also had held pastorates at Corpus Christi and other Texas cities. He was well-known throughout West Texas.

Press reports said Mr. Minter's automobile sideswiped one truck and then crashed head on into another.

Survivors include four daughters, two sons, and six grandchildren.

UN Neutrals Solidly For Lifting Of Red's Blockade

PARIS—(P)—Six members of the United Nations Security Council, not involved in the Berlin crisis, were reported Thursday solidly in favor of raising the Soviet blockade.

An authoritative source said that was the first reaction of the six countries at a caucus after the United States, Britain and France presented their charges against Russia to the full Council. The Western Powers charged the Berlin blockade threatens world peace.

This far, the source said, no resolution has been prepared, but the six "neutral" members feel the first requirement in raising the crisis is for the Russians to lift the blockade.

The neutrals on the council are China, Syria, Belgium, Colombia, Argentina and Canada. The Soviet Union is siding with Russia against hearing the case in the Security Council.

A British source said Wednesday night representatives of the three Western Powers met informally and considered the first steps of framing a proposal that the Security Council call on Russia to lift the blockade. No Resolution Drawn

It was said Thursday that no resolution has been drawn up by any delegate thus far. In fact, one source said, the United States feels it is too early to present the Council with a resolution demanding action. The Americans were said to feel they must hear first from other council members. And that the resolution should come from one of the neutrals.

The Security Council members not involved in Berlin studied the Western charges. They had no Russian counter-claims to study, however. Soviet Deputy Foreign Minister Andrei Y. Vishinsky sat silently in the Council Chamber Wednesday, carrying out his avowed intention not to take part in the Berlin discussion.

Fort Worth Woman Loses Train Race To Save Husband's Life

PORT WORTH—(P)—A 20-hour train trip by a frantic Fort Worth wife who sped to be at her husband's side ended on a tragic scene early Thursday when she found him dead on a blood-spiked bed.

It was Charles C. Armbrust, 47, proprietor of a cafe here.

Justice Gus Brown returned an inquest verdict of suicide. The tavern owner's left arm had been slashed deeply. Two notes were found in the tavern.

Mrs. Armbrust had rushed here from Sylvania, Ohio, where she had been visiting relatives the last two weeks.

Warned By Letter

The woman said her husband telephoned her from here Sunday and seemed upset and nervous. He told her to expect a letter. The letter, written Thursday and postmarked Sunday, arrived Tuesday. Mrs. Armbrust said her husband wrote he would not be alive when she returned.

Mrs. Armbrust telephoned a daughter here, Mrs. Betty Barnett, to see about her father. The latter called police and Homicide Detective John Dunwoody visited the man, who seemed to be in good spirits then.

Meanwhile, Mrs. Armbrust tried to board a plane to fly here, but flights had been cancelled because of weather. She left Ohio by train early Wednesday morning, arriving Thursday.

Police Seek Father Of Girl Killed In Mississippi Crash

BROOKHAVEN, MISS.—(P)—Four persons were killed Thursday in a collision between their automobile and a truck trailer on Highway 61 a mile north of the Lincoln-Pike County line.

Killed instantly were Cecil Stacks of Epps, La., about 36, driver of the automobile, and Carl Morgan and Martha Albritton, whose home towns were not immediately available.

Sylvanus Hammons, about 15, of Brookhaven, died enroute to a hospital.

The girl's father, David Hammons, left here Wednesday to drive to Odessa, Texas, and state police were attempting to contact him on the way.

Whales Quit Ocean For Florida Beach

CRESCENT BEACH, FLA.—(P)—Forty-four whales swam out of a rough ocean and beached themselves Thursday.

Most of the mammals, which ranged in size from seven to 14 feet, died quickly as they were rolled over the sands by the rough surf.

A few remained alive and efforts were made to drag them back into the water.

Amazing daytime reception from distant stations with Hallianders Radio. Get all the games! Wensple's—(Adv.)

Air Force Searches For Plane And Pilot

SAN ANTONIO—(P)—Combining of the entire South Texas area continues Thursday in the search for a T-4 trainer plane and its pilot, Aviation Cadet Frederick Caplan, 22, of Roselle Park, N. J., which has been missing from Randolph Air Force Base since Wednesday morning.

Forty search planes, aided by experienced air-sea rescue personnel flown here from Elges Air Force Base, El Paso, took to the air seeking to locate the missing aircraft. Rescuing "air patterns" were being flown in trying to locate any trace of the plane.

Carry a good portable radio on your trips. Wensple's portables get the games, too! Wensple's. Low cost. Next to P. O.—(Adv.)

Allies Protest Maneuvers In Airlift Lanes

BERLIN—(P)—British fliers engaged in the Berlin airlift said Thursday they had seen Russian planes drop live bombs in the Soviet occupation zone about 12 miles northwest of Berlin.

There is a possibility the reported incident might have been part of large-scale Russian air war maneuvers announced for Thursday over the Soviet zone, Berlin and Allied air corridors, including bomber flights.

There was no confirmation from either German or Russian sources of the bomb report. The German press several months ago reported that Russian planes on maneuvers dropped live bombs on a small town, causing some casualties.

The British fliers said they saw the bomb-dropping at 11 a. m. They related the incident to the four-power Berlin Air Safety Center, saying he saw actual bursts on the ground from bombs dropped by Russian pilots. The flier said he saw the explosions from a height of 4,000 feet.

Aerial Gunneries President, said some of the Russian fliers in the control zone during the morning. The U. S. said also gunner practice the Russians scheduled in the air lift corridors was dangerous and told the Russians if they planned to fly bombers in formation over Berlin, this would break four-power rules.

Capt. Vincent H. Gookin of Quincy, Mass., U. S. member of the Air Safety Center, said some of the Russian fliers were in the air at 4 a. m. Gookin said that after he protested, the Russians appeared at 11 a. m. to post notice of flights which already had taken place.

Gookin said he was unannounced Russian parachute jump (Continued on page 9)

Tribe Evens Series

BRAVES FIELD, BOSTON—(P)—Bob Lemon squared the World Series for Cleveland Thursday by setting down the Boston Braves with eight hits for a 4-1 victory in the second game of the best-of-seven classic before 39,633.

The score: R. H. E. Cleveland—000-210-00-4 8 1 Boston—000-000-000-1 8 3 Lemon and Hogan; Spahn, Barrett, Potter and Salcido, Mast.

Rotarians Finance Boy Scout Building

Midland Rotarians, at their meeting Thursday noon in the Scharbauer Hotel, subscribed more than \$2,400 to finance a building for to donate part of a large building from the Midland Air Terminal.

The council is using a major part of the structure for its headquarters.

The 48 by 25 foot section which was donated to the club already has been moved to the Maiden Lane site. Smith said the cost of putting the building in usable condition, foundation, moving, etc., would be approximately \$2,000. Ray Upham told of the need for the building and Guy Breneman discussed its value. Smith said that Harold Kendrick, a member of the club, already has contributed \$100. The Rotarians voted to attempt to obtain funds by contribution of members to complete the project and Smith promptly asked for contributions. The goal was quickly exceeded.

Rotary hosts for the week are Luther Tidwell and Henry Murphy. Tidwell was thanked for his efforts in constructing the Rotary float in the recent Midland Fair parade.

Smith called attention to the observance of National Fire Prevention Week and also announced that Congressman Ken Reagan will address the club at its next meeting. He will discuss progress in the oil industry.

Truman Reiterates Peace Aims; Blasts GOP Labor Policies

ABOARD TRUMAN CAMPAIGN TRAIN—(P)—President Truman renewed Thursday his bid for the prized electoral votes of the industrial East, against Republican opponents he said "are not 'peace' inalienable" to the people.

The trail ahead led through Eastern Pennsylvania to Jersey City, N. J., where he makes his second major address of a three-day campaign. Truman will speak in the Lincoln High School Auditorium.

Aides said Truman will talk from notes, rather than a prepared address. And they said the President will reiterate his claim that the Republican's "peace" is "peace" in the housing shortage and other domestic problems.

He appealed for the votes of Pennsylvania workers Wednesday night. In a cheering crowd in Philadelphia's Convention Hall he said the Republican candidates were handing the people "company union" promises and practicing political "quackery."

Wishing, Working, Praying

The address, before an audience of 10,000, climaxed an active day. Parsons said the crowd at the hall brought to 350,000 the number of persons who greeted the President at Philadelphia and nearby Camden, N. J., where he talked briefly in the afternoon.

The President said "nothing could be further from the truth" than Republican claims "their kind of unity would strengthen our voice in world affairs."

"Peace, my friends," he declared, "is the goal of my public life. I'd rather have peace in the world than be President of the United States. I wish for peace. I work for peace. And I pray for peace continually."

Truman was introduced by Democratic Senator Francis Myers of Pennsylvania, who described the Republican presidential nominee as "the medicine man" from Albany who guarantees to cure any illness with "pink pills" and "brown medicine."

Dewey Plans Labor Talk At Pittsburgh

ALBANY, N. Y.—(P)—Gov. Thomas Dewey was reported Thursday to be planning a major labor address in Pittsburgh Monday night to open the second round of his presidential campaign.

Friends of the Republican nominee told a reporter Dewey had been hard at work several days on a speech setting forth his labor views. They said he regarded the Pennsylvania steel center as a good spot for such an address.

REDS BUILD JETS

LONDON—(P)—Aeroplane, usually well-informed British Aviation weekly, said Thursday 2,000 expert workers from the Junkers Works at Dessau, Germany, now are working in Moscow on jet fighter planes.

★ LATE NEWS FLASHES ★

MIAMI, FLA.—(AP)—Bermuda Thursday was cautioned of gales and "probably winds of hurricane force" as a tropical storm moved up the Atlantic after lashing Cuba and South Florida.

HOUSTON—(AP)—A Jefferson County deputy sheriff said Thursday he believes two young hitchhikers murdered Mrs. Eloise Twitchell, 32, whose mutilated body was found Monday in a wooded area near Kountze.

PONTIAC, MICH.—(AP)—Wayne County Prosecutor James N. McNally said Thursday he would ask a warrant charging Carl Bolton, 39, and two unidentified persons with the attempt on the life of Walter P. Reuther last April 20.

ATLANTA—(AP)—A Federal Court order Thursday dismissed a temporary injunction seeking to bar the name of Lyndon B. Johnson from the Texas general election ballot.

FIRE DESTROYS ODESSA WAREHOUSE

ODESSA—Fire of undetermined origin Wednesday destroyed a warehouse belonging to the Smith Contracting Corporation here.

The building, filled with machinery and building equipment, four trucks were saved.

Reel on with a Hallianders. They bring in the stations where others get static. Ask Steve, Wensple's—(Adv.)

Taylor-Lawson Vows Exchanged In Church

White flowers and white candles set against a background of white background for the wedding ceremony of Oma Kathryn Taylor and Sterling Whitfield (Whitney) Lawson in the First Baptist Church Wednesday evening.

The Rev. Raymond G. Hall, assistant pastor, read the double ring ceremony. The bride is the daughter of Mr. and Mrs. W. O. Taylor of Big Spring, and the bridegroom is the son of Mr. and Mrs. E. P. Lawson, who reside east of Midland.

Candles were lighted by Miss Owen Berry and Miss Juanita Chick while the organist, Mrs. Raymond G. Hall played a program of wedding music. Selections were "Indian Love Call," "Cathedral in the Pines," and "I Promise You." Song Proceeds Service.

Mrs. Hall accompanied Miss Verla Lee Goin, who sang "I Love You Truly." Jacob Bond, who played the wedding marches and, during the ceremony, "At Dawning," Cadman.

The bride's father gave her in marriage. Her maid of honor was Miss Clelia Haines of Ranger, and the best man was Dan Sanders of Stanton. Bill Hale and George Woody served as ushers.

For her wedding Miss Taylor wore a dress of pastel blue wool. The bodice, buttoned down the back, had three tucks marking the yoke line, and three wider tucks trimmed the skirt. Her hat was of brown feathers with a feather pom-

Auxiliary Members Attend Regional Meeting In Odessa

Twelve women from the Women's Auxiliary of the Trinity Episcopal Church went to Odessa Wednesday for a regional meeting of the Women's Auxiliary of the District of North Texas. The Rev. R. J. Snell, rector of the Midland church, also attended.

The Women's Auxiliary of St. John's Church was hostess for the all-day session, and served luncheon at noon to visitors from Midland, Big Spring and Monahans. Mrs. Paul Kohn of Midland, district vice president, was in charge of the meeting.

She introduced the speakers, Mrs. Paul Palmer of Mustang, Okla., secretary-treasurer of the Seventh Province, and Mrs. Arthur Ware of Amarillo, president of the district Women's Auxiliary.

The meeting opened with corporate communion conducted by the rector of St. John's Church, assisted by the Rev. Snell.

Members who went from the Midland auxiliary were Mrs. John C. Stille, Mrs. J. P. Ruckman, Mrs. James N. Allison, Mrs. Taylor Cole, Mrs. Don Thompson, Mrs. D. C. Sivalis, Mrs. F. N. Shriver, Mrs. R. J. Snell, Mrs. W. W. Studdert, Mrs. N. B. Lash, Mrs. W. A. Schaeffer, Jr., and Mrs. Kohn.

SOCIETY

3--THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 7, 1948

DG Alumnae Set Meeting Schedule

Regular meeting dates for the Delta-Gamma Alumnae Association were set for the first Wednesday of each month at a business meeting Wednesday morning. Mrs. T. W. Frewin was hostess in her home, 905 West Tennessee Street.

A luncheon will open each monthly meeting, members decided, with a business session following. The November 3 meeting will be with Mrs. Walter Henderson, 1002 West Kansas Street, for a luncheon at 12 noon.

Refreshments were served after the business discussion Wednesday to Mrs. Ronald Jarrett, Mrs. George Prater, Mrs. William Allen, Mrs. Tom L. Ingram, Mrs. Robert Kincaid and Mrs. Henderson.

Lion Tamers Start Year With Luncheon

Movies taken of the Midland delegation and other visitors to the Lions Club International convention in New York last Summer were shown to the Lion Tamers, organization of Lions Club members' wives at a luncheon Wednesday in the home of Mrs. Noel Oates. Carl Ryde showed the movies.

The luncheon was the first meeting of this season for the Lion Tamers, who welcomed a guest, Mrs. W. M. Hester, and five new members, Mrs. R. L. McCormick, Mrs. Victor Horn, Mrs. Johnny Mills, Mrs. Rutherford and Mrs. John M. Sorgin.

Plans were made for serving a pot-luck supper before the square dance which is scheduled for Lions Club members and their wives at the American Legion Hall next Tuesday night. Each member will take a dish for the supper.

Mrs. J. S. Noland, president, was in charge of the business session and announced that new officers will be elected at the next meeting, in November. About 30 members were present for the covered dish luncheon.

Boone Class Starts Project For Year

A committee for the year's project and another committee on finances were appointed at a business meeting of the Boone Bible Class of the First Methodist Church Wednesday in the educational building.

The class project is furnishing a guest room in the new parsonage. Mrs. C. P. Cummings, Mrs. O. S. Barnard, Mrs. C. F. Shepard and Mrs. Basil Hudson were appointed on the parsonage committee, to work with Mrs. F. H. McQuigan, chairman of the church's parsonage committee.

On the finance committee are Mrs. H. B. Welch, Mrs. R. L. McCormick, Mrs. Charles H. Rudd, Mrs. W. J. Schumacher, Mrs. P. H. Bradley and Mrs. C. W. Matthews.

Social service work of the class, and a budget for the year were discussed. Mrs. F. A. Forrest, new class president, presided.

Others present were Mrs. D. A. Pass, Mrs. J. O. Hathaway, Mrs. Joe Eldred, Mrs. Oscar Wilkes, Mrs. W. F. Chesnut, Mrs. J. C. Mayes, Mrs. J. G. Chauncey, Mrs. Fred Forward, Mrs. Bob Gray, Mrs. J. K. Redden, Mrs. Delo Douglas, Mrs. Howard Hollowell, Mrs. R. M. Hayes, Mrs. H. H. Heap, Mrs. Alton Brown, Mrs. Ray Seifert, Mrs. J. A. Jorgensen, Mrs. Charles Ervin and Mrs. George H. Peters.

Approximately 600,000 matches are consumed every minute of the day in the United States.

Garden Club Council Plans Fall Events

Garden Club activities of this fall, including the annual Flower Show on October 28 and the appearance of Mrs. Will Lake of Fort Worth as speaker for a program on November 4, were discussed when the Midland Council of Garden Clubs met in the home of Mrs. B. R. Mathews Tuesday.

The four garden clubs of the city will sponsor these activities jointly. The council also continued plans for its cemetery beautification project, voting to ask public participation and designating Mrs. Mathews to receive contributions. Gifts to the fund may be made at the Chamber of Commerce.

Present at the meeting were Mrs. T. A. Golladay, Mrs. J. O. Smith, Mrs. C. F. Yaden, Mrs. J. L. Smith, Mrs. M. M. Conn, Mrs. Arch Clevenger and Mrs. J. D. Dillard.

Parachutes which have been used must be repacked by government-licensed packers known as "riggers."

Regan To Speak At League Open Meet

An open meeting of the League of Women Voters is announced for Saturday, when Rep. Ken Regan is to be the speaker. The program will be given at a luncheon in the Crystal Ballroom of the Scharbauer Hotel, beginning at 1 p.m.

Non-members who wish to attend may make reservations by telephoning Mrs. Harry Fryer at No. 1822-J, or the league president, Mrs. William Y. Penn, at No. 587.

Regan is to trace the legislative procedure necessary for passage of a bill in Congress, and he also will answer questions on national affairs.

Mrs. Hal Peck will discuss the six proposed amendments to the state constitution to complete the program.

AMAZING RESULTS WITH MERTOX TONIC

Mrs. Ben Greenman of Houston writes as follows:

"For a long time I have had occasional lumbago spells. My back would hurt and I would sweat my face. My feet would be very sore and I just thought I would die. My appetite was poor and I couldn't sleep at night. I was so troubled with the lumbago that I just before I would have a spell of rest and sleep, I would be dizzy and I would have a severe headache. My food would not just seem to do me any good, but I would not eat. To anyone suffering like I was, I recommend MERTOX TONIC."

This splendid medicine, containing 15 ingredients, works fast to eliminate poisonous matter from your system. Helps to build rich, red blood. Believes constipation within a few hours and helps to create a more rhythmic bowel action. Get MERTOX TONIC today from any Texas drugist at the new REDUCED price.

Pictures Displayed On Program Of Modern Study Club

Display of paintings and prints by members in answer to roll call added interest to the program on "American Art" which was given for Modern Study Club at its meeting Wednesday in the home of Mrs. Al Boring.

On program were two discussions, "The Print Makers" by Mrs. C. H. Shepard, and "Painting in Colonial Times" by Mrs. G. C. Hughes.

In the business session, with Mrs. P. R. Schenck presiding, Mrs. Kenneth Slough reported total proceeds of \$115 from the rummage sale and bake-sale which the club sponsored recently. A budget for the year was adopted.

Mrs. B. F. A. Smith was elected recording secretary to fill an office vacancy. It was announced that the club will be hostess in March to the City-County Federation of Women's Clubs.

Refreshments were served to those on program and Mrs. C. L. Sherwood, Mrs. Lamar Lunt, Mrs. Schenck, Mrs. Slough, Mrs. Earl A. Johnson, Mrs. John Casselman, Mrs. Smith and Mrs. J. W. Carroll.

Brownie Troop 17 Has Regular Meet

Community Life will be the major project of Brownie Troop 17 this year, it was decided by members at their meeting Wednesday afternoon in the West Elementary School.

The making of figures from pipe cleaner stems for display in Girl Scout Week exhibits featured the Wednesday session.

Members present were Jane Armontrout, Sandra Kay Aycock, Bonnie Gay Blackwood, Betty Sue Bowman, Andrea Ben Cole, Lorraine Collins, Sally Glass, Janet Huffman, Marilyn Johnson, Patsy Kimball, Penny May, Gretchen Meisenheimer, Kay McKoy, Teresa McNeal, Sessie Rinker, Kay Stall and Virginia Warren.

Mrs. Bill Collins and Mrs. R. H. McKoy are the troop leaders.

Earliest legislation in Illinois on the trespassing of animals was passed in 1819.

Are you getting thru the functional middle-age to womanhood (35-50 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Pinkham's Compound also has what Doctors call a stomachic tonic effect!

Woman's Wednesday Club Begins Season With Luncheon And Business Meeting

A luncheon in the October motif opened the season for the Woman's Wednesday Club in the Crystal Ballroom of the Scharbauer Hotel Wednesday. Bronze and yellow marigolds made the centerpiece and were laid down the center of each table.

Guests were Mrs. Charles Lynch, the bride's mother, and Mrs. John Godwin, Mrs. Cecil Craft, Mrs. Joe Rann, Mrs. Tommy McMullan, Mrs. Don Hoover, Mrs. Lois Skinner, Mrs. J. C. Gilmore, Mrs. James Roy, Mrs. Don Miller of Odessa, Miss June Higdon and Miss Charles Wood.

Gifts were sent by Mrs. C. E. Vaughn, Mrs. Tommy Nix, Mrs. Lucky Stahl, Mrs. Jerry Price, Mrs. R. A. Berry, Mrs. Harshel Parks, Mrs. T. T. Tabor, Mrs. G. H. Higdon, Mrs. Thelma Calloway, Mrs. Nash, Mrs. Joe Kerley of Odessa and Rosemary Johnson.

Mrs. William Y. Penn Reads Play For Club

Mrs. Ray Howard and Mrs. R. L. Gates were welcomed as new members of the Play Readers Club at its meeting in the home of Mrs. Charles Klaproth, 1011 West Texas Street, Wednesday, and Mrs. James T. Smith was voted to membership.

Four guests met with members to hear Mrs. William Y. Penn read "Mortal Coil," by Aldous Huxley. The visitors were Mrs. F. J. Nickolson, Mrs. James C. Smith, Mrs. Alan Leeper and Mrs. John McKinley.

Members present were Mrs. E. H. Barron, Mrs. R. M. Barron, Mrs. J. E. Beary, Mrs. DeLo Douglas, Mrs. John Fitzgerald, Mrs. Wallace W. Irwin, Mrs. James D. Martin, Mrs. W. T. Schneider and Mrs. Penn.

The next meeting will be in Mrs. Penn's home with Mrs. Beakey as reader.

Minstrel Practice Is In Full Swing

"Runnin' Higher," musical revue and minstrel being readied under the auspices of the Kiwanis Club and Community Theater, Inc. launched full fledged rehearsals Wednesday night.

Dress rehearsal is less than two weeks away, with the opening performance scheduled Wednesday night, October 20, in the City-County Auditorium.

Men of finance, oil, merchandising and other callings, together with the pulchritudinous stenographers and secretaries for which Texas is noted, and variously assorted Midlanders of talent—all hit the boards Wednesday night.

A chorus line is shaping up rapidly, with the girls taking direction in the art of precision dancing from the Community Theater's staff.

The show is all for youth welfare in Midland County—and the second such effort by the Kiwanis Club for this cause.

Texas Polio Cases Show Seasonal Drop

AUSTIN —(AP)—Thirty-five new cases of polio in 26 Texas counties last week boosted the year's total to 1,461 victims, the State Health Department has reported.

Last week's incidence was the smallest since the first week in April, the department said. The drop follows the customary seasonal pattern.

Election Set

The election of two directors and two trustees is scheduled at a meeting of the Midland chapter of VFW at Midland Air Terminal Thursday night.

GARDEN CLUB MEMBERS ATTEND JUDGING SCHOOL

Mrs. C. F. Henderson, Mrs. Clem George, Mrs. M. S. Dickerson and Mrs. A. P. Shirey, Garden Club members here, went to Odessa for the flower show judging school sponsored by the Odessa Garden Club Tuesday and Wednesday.

The Midland women completed the course and took the examination. Mrs. Joe Koegler also went for the Tuesday session of the school.

COLLISION REPORTED

Police reported a collision Wednesday at the intersection of Illinois and S Streets. Drivers were Horace M. Perry and Mrs. L. Bird, officers said.

IT-RUN CAR

Midland Concrete Company reported to police Wednesday one of its trucks had been hit by a car which did not stop.

CAR LOST AND FOUND

D. C. Schuyler reported to police Thursday his car was missing from a parking place on Missouri Street. The car later was found abandoned on Wall Street.

VISITING PARENTS

Mrs. Paul Prothro of Weatherford is visiting her parents, Mr. and Mrs. A. B. Cooper, here. Mrs. Prothro is the former Lois Cooper of Midland. Her husband will join her here Friday.

Mrs. Essary Is Honored With Bridal Shower

Mrs. Gene Essary, who was Miss Dorothy Ramsey, before her mid-September marriage, was complimented with a bridal shower Wednesday night in the home of Mrs. Charles Alken, 903 West Kentucky Street, with Mrs. Gene Tabor as co-hostess.

Gifts were presented in two grocery baskets set on a push-cart. Mrs. Alken poured coffee from a silver service at the dining room table, and Mrs. Tabor assisted in serving refreshments.

Guests were Mrs. Charles Lynch, the bride's mother, and Mrs. John Godwin, Mrs. Cecil Craft, Mrs. Joe Rann, Mrs. Tommy McMullan, Mrs. Don Hoover, Mrs. Lois Skinner, Mrs. J. C. Gilmore, Mrs. James Roy, Mrs. Don Miller of Odessa, Miss June Higdon and Miss Charles Wood.

Gifts were sent by Mrs. C. E. Vaughn, Mrs. Tommy Nix, Mrs. Lucky Stahl, Mrs. Jerry Price, Mrs. R. A. Berry, Mrs. Harshel Parks, Mrs. T. T. Tabor, Mrs. G. H. Higdon, Mrs. Thelma Calloway, Mrs. Nash, Mrs. Joe Kerley of Odessa and Rosemary Johnson.

Civic Committees Plan Fund-Raising

Civic committees of the four Garden Clubs in Midland met together in the home of Mrs. J. C. Smith Wednesday afternoon to plan current projects, including serving refreshments at the annual Midland Gun Club Meet on October 21-24.

This will be the second year the Garden Club members have undertaken this project, which raises funds for city beautification. Mrs. Bob Hill is general chairman.

Snack-type lunches will be served at the Gun Club building north of Midland, and other residents are invited to join Gun Club members for luncheon there.

Reports also were heard from committees arranging the annual Garden Club Flower Show for October 28 and from the committee on cemetery beautification. Mrs. C. F. Yaden, chairman, outlined plans for continued efforts on the cemetery project, in which the county commissioners court has promised cooperation.

Mrs. Russell Hayes is general chairman of the civic committees and presided for the meeting.

South Elementary Room Mothers Will Meet At Coke Party

An informal Coke party is announced for 2 p. m. Friday in the home of Mrs. Leeman Jones, 707 South Colorado Street, for all room mothers of the South Elementary School.

Plans for the Halloween carnival, an annual event in the school, are to be discussed. Mrs. Coren Stevenson, chairman of the committee, will lead the discussion.

STAR STUDY CLUB MEETS

The year's study course was continued in the Star Study Club, which met in the home of Mrs. Henry Spangler, president, Wednesday.

Mrs. Spangler was in charge of a business session, and served refreshments. The hostess' mother, Mrs. Sarah Fish, was a guest.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

Wesley Bible Class Has Monthly Meeting

Mrs. John Pickle, president of the Wesley Bible Class of the First Methodist Church, was hostess for the monthly business and social meeting Tuesday in her home.

Program topics were presented by Mrs. H. B. Marshall, Mrs. Mollie McCormick, Mrs. S. H. Gwyn and Mrs. Mary Lou Wyatt after a devotional by Mrs. Amelias Hawkins.

Refreshments were served to them and to Mrs. M. J. Noland, Mrs. Mary Lou Snodgrass, Mrs. W. A. Black, Mrs. R. W. Faison, Mrs. Marberry and Mrs. L. O. Stephenson.

Congratulations To

Mr. and Mrs. R. C. Vest, Jr. on the birth Thursday morning of a daughter, Sherry Lynn, weighing six pounds, 15 ounces.

Many Never Suspect Cause of Backaches

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the waste acids and waste out of the blood. They help most people pass about 2 1/2 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent urination, passing gravel, and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for DeWitt's Filix, a scientific diuretic, used successfully by millions for over 50 years. DeWitt's gives happy relief and will help the 15 million of kidney trouble sufferers get rid of poisons from your blood. Get DeWitt's Filix.

Vandenberg Speaks

A Republican senator has expressed some sentiments in a partisan statement which members of both major parties can subscribe to, in spite of the heightened political emotions of this election year.

When Senator Vandenberg served notice on the world that America is united against aggression and against the foes of freedom, he was speaking for the great majority of his countrymen.

But if they will listen to Vandenberg, he will put them straight. He cautions other nations not to confuse two-party controversy over phases of foreign policy with a controversy over the basic fact of that policy.

There are, of course, other bi-partisan areas of agreement in this campaign. Both parties and their candidates favor such things as lower prices, adequate wages, and more and better housing.

Those issues are not only domestic but abroad, even though their effects may shape our foreign policy to some extent. But the bi-partisan foreign policy stated by Senator Vandenberg is, in its broadest aspect, divorced from politics.

Senator Vandenberg's statement came at a time of tension in the East-West dispute over Germany, and of conferences in Moscow seeking to settle the dispute.

Its reassurance should be fortified by the presence of Republican John Foster Dulles at the UN meeting.

Though Vandenberg addressed his remarks to the world, it is quite possible that they were directed chiefly at America's friends abroad.

So the world should understand thoroughly that our domestic squabbles are strictly in the family. It should understand that the family stands united when danger threatens its safety and freedom, or those of its friends.

Unanimous

Senator Glen Taylor, third party candidate for vice president, says he left the Democratic Party reluctantly, but that now, "I don't see myself running as a Democrat again."

We doubt that the members of the senator's former party were ever in more whole-hearted agreement with him than when he made that statement.

Good driving seems to be when YOU speed and bad driving when the other fellow does it.

Politics Sure Is A Funny Business

WASHINGTON COLUMN

Armed Forces Seriously Study Possible 'Screwball' Weapons

By DOUGLAS LARSEN NEA Staff Correspondent (Peter Edson is on vacation)

WASHINGTON—Whenever the international situation gets particularly crucial the services start dusting off the ideas for weapons which verge on the screwball.

Anyway, the one they've pulled off the shelf now actually originated in the Sunday supplements about 20 years ago.

The whole idea of a floating sea base has come a long way, however, from the Sunday supplement version of it.

At the start of World War II the Navy and Air Force spent plenty of money on the project before it was finally abandoned as impractical.

But a lot of sound conclusions were reached on the subject. First, it was decided that any floating base would be too vulnerable to enemy subs and bombers and that it wouldn't be maneuverable enough to dodge attack.

In addition to extending the time of operations of seaplanes, the new hulls can be used on planes of the 500-miles-per-hour range, according to tests with oil soon showed the impracticability of calming the seas that way.

Tests with oil soon showed the impracticability of calming the seas that way. Further experiments, however, revealed that the best way to calm the water in the open sea was to break the cadence of the waves.

Now, however, several more details of a general plan to use the open ocean as an airplane base have come to light.

The old crane looked at her through her sharp black, shobutton eyes sunk in dirtily spotted, crepe skin, and said, "Nothing can stop this. It is your fate. It is written here. You are doing it yourself. You are pulling it toward you with invisible threads that are stronger than you, Carmen."

WITH the word "death" a card dropped, and the old woman frowned, looking at it puzzled. She said, "What is it?"

THE old woman did not answer, but looked at Carmen briefly and pityingly, and then looked away. "What's it?"

THE fortune teller still did not answer, nor move. Carmen sat up slowly, beginning to get frightened—and fear made her angry.

THE old woman turned another card, and said, "This is very odd."

Engineering The News Is Big Job In AP Laboratory

By SHERRY BOWEN AP Newsfeatures Writer

NEW YORK—"If we had been smart, maybe we would have known it couldn't be done."

Harold Carlson was talking about development of the first practical portable wirephoto transmitter.

In 1936, the laboratory's photo transmitter was self-contained, rather than portable. Since then better models have appeared every few months.

Carlson and his men find today that pictures are the core of their work. But they still keep their eyes on the teletypes, those marvelous typewriters that work by wire and radio.

Just for example, when color pictures for newspapers become more widely used, the laboratory has a process on ice by which they can be sent over the wires.

And that shows the place Carlson's staff has carved for itself between the newspapers and the manufacturers.

Automatic Engraving But the laboratory also works with the manufacturers. It had a virtually automatic engraving machine set up when a camera firm set up a model of its own.

The firm now has 30 pilot models working and will be in mass production in a few months.

Watching that future through the eyes of his own staff and AP technical men all over the world, Carlson expects to see new things.

Perhaps radio telephones in cars will transmit both news and pictures. At the moment this is hampered by wire length troubles.

Next day at a Cabinet meeting he carried out his promise. Asking Tom Clark when the tideland-oil suit would be taken before the Supreme Court, Truman added: "I want it taken up right away."

It was one of the most controversial issues in the far West, certain to lose votes, sure to arouse the undying ire of the big oil boys who had contributed to Truman's campaign.

Ice Work, and They've Got It

Training in sub-zero weather in Canada's Hudson Bay country, U.S. Army personnel learn to live like Eskimos. They're making an igloo out of cakes of ice.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

WASHINGTON—Honest Harold Ickes, who sometimes wields a meat axe for a pen, and Harry Truman, who can blunder than a concrete pavement, got along pretty well when they met at the White House this week.

Neither had seen each other since they parted in a blast of verbal glory two and a half years before.

"I never held anything against you," the President told his ex-Secretary of the Interior. Obviously he was referring to some of the things Ickes wrote about him in his pungent column.

Probably Ickes could have said the same about some of Truman's harsh remarks, but he didn't. Instead he reminded his ex-boss about an incident which Truman had completely forgotten.

It was in the early days of the Truman administration and referred to Tideland oil. Ickes had never been able to get Secretary General Francis Biddle, liberal as he was, to bring action before the Supreme Court to recover the submerged oil lands of California, Texas and Louisiana for the federal government.

Nor had Truman's Attorney General Tom Clark yet moved. So Ickes laid the theory problem right in Truman's lap. And without batting an eye, Truman promised action.

Next day at a Cabinet meeting he carried out his promise. Asking Tom Clark when the tideland-oil suit would be taken before the Supreme Court, Truman added: "I want it taken up right away."

It was one of the most controversial issues in the far West, certain to lose votes, sure to arouse the undying ire of the big oil boys who had contributed to Truman's campaign.

Come and Get It

During a break in Middlebury, Vt. College football practice, a late afternoon snack is served by his pretty wife, Shirley, to half-back Frank Haven of Audubon, N.J., a World War II veteran.

DOWN SPORTS LANE

with TANNER LAINE

Too many in Midland are gung-ho in judging the high school football team with our successful and championship professional baseball team.

In other words, some are saying: "Look at the Indians, they won the pennant. They beat Odessa four straight games."

There just cannot be too much parallel between the high graders and the recently-crowned champion baseballers. It isn't fair.

We do not mean that the Bulldogs should not copy the winning spirit of the Indians. That would be wonderful if they would. But we mean the Bulldogs are just youngsters and the Indians were professional ball players.

It is so like Coach Milam said at Lions Club: when Harold Webb needed a ball player he could go out and buy one. Not so can the football coach get a ball player.

We will recommend to the Bulldogs that they get the spirit the Indians developed when they kicked Odessa and then took Vernon for the championship.

These 16 dozen new footballs possessed by the Detroit Lions have come into a new meaning for spectators attending home games.

These are the standings of the 3-AA members with points scored and allowed:

Team	W	L	T	Pts. Opp.
Sweetwater	3	0	0	75
Odessa	3	0	1	120
San Angelo	2	1	0	59
Athens	2	2	0	27
Midland	1	2	0	33
Lamesa	1	2	1	6
Big Spring	2	2	0	33

Odessa has one conference win and Big Spring has one district loss. The Bronchos routed the Steers 22-0 in the first 1948 3-AA battle.

Outfielder Frankie Brumbehl of the Cincinnati Reds now is ready to agree with anyone who tells him it is difficult for a man who plays regularly to go through a season without making an error.

Bulldogs Face Tough Team In Sweetwater

Mustangs Carry Unmarred Record To Friday Game

Sweetwater's undefeated, untied and unscored on Mustangs with a ranking in the state's 10 top elevens form the opposition for Midland's initial 3-AA conference test at 8 p. m. Friday at Sweetwater.

The Bulldogs, winner of one non-conference tilt and loser of two, will battle a winner of three straight ball games. Midland topped Yelets 21-20 in the opener and then lost heavy-breakers to Austin High of El Paso 28-6 and to Plainview 27-6.

The Bulldogs, winner of one non-conference tilt and loser of two, will battle a winner of three straight ball games. Midland topped Yelets 21-20 in the opener and then lost heavy-breakers to Austin High of El Paso 28-6 and to Plainview 27-6.

Midland must be on the alert for several "key" Mustangs and the whole outfit. Tommy McMillan, 157-pound fullback, is a broken field stepper. Jimmy Romenus is a place-kicking specialist and last week lost heavy-breakers to Austin High of El Paso 28-6 and to Plainview 27-6.

What has Midland to throw at the lineup? The Bulldogs are young and inexperienced but scrapping team. There are no stars—it's all for one and one for all.

The Purple is likely to start Lloyd Henderson, 185 pounds, and Gene Heil, 145 pounds, at ends; Don Deel, 155 pounds, at center; Larry Messersmith, 150 pounds, and Larry Buckingham, 155 pounds, at half-backs.

Several replacements come quickly into ball games for Midland. These include Dandy Dick Patton and Moe Price, little scabbacks; Frank Robinson, passing and kicking specialist and a smooth ball handler; Jimmy Deavenport and Bob Wood, good-sized tackles; Jimmy O'Neal and Bob Burke, young but brawny centers; L. E. Thomas and Arnold Drake, rough and rugged and willing linemen; Harrie Smith, end, and others.

Barons Build Up 3-1 Lead Over Cats In Dixie Series Play

FORT WORTH —(AP)—The Fort Worth Cats of the Texas League must defeat the Birmingham Barons of the Southern Association here Thursday night or the Dixie Series pennant goes to Birmingham.

The Barons moved within one game of the championship Wednesday night by trimming the Cats 5-3. By winning Thursday's night's game the Barons could win the series by four games to one. Otherwise, the series scene will shift to Birmingham Saturday night.

Yellowstone National Park contains more living geysers than all of the rest of the world put together.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 7, 1948

Braves Seek Win No. 2 As Dispute Boils On Opener

BOSTON —(AP)—The Boston Braves go after their second straight World Series victory Thursday with lefty Warren Spahn opposing Cleveland's Bob Lemon while the baseball world still debates the disputed play that led to win No. 1.

Arguments sprouted up all over town Wednesday night after publication of Associated Press pictures of the vital play of the opener—an attempt by Bobby Feller to pick pinch runner Phil Masi off second base in the eighth inning of a 0-0 game. Eventually Masi came home on Tommy Holmes' single with the run that gave the Braves a 1-0 triumph.

Many neutral observers insisted the pictures showed Manager Lou Boudreau of the Indians had tagged Masi a foot off the bag. Others were unconvinced.

Feller and Boudreau have been working the same play all season. They probably have nipped at least 10 runners off base enroute to Cleveland's first pennant since 1920. This time Umpire Bill Stewart of the National League ruled they didn't get their man.

Of course there will be no official protest by anybody connected with the Cleveland club. It's purely a matter of the judgment of an umpire whose word is final in baseball.

"Interesting" was the comment of President Bill Veeck of the Tribe after seeing the photo. Hank Greenberg, a part-owner, said the pictures would start a lot of controversy. All agreed it was just one of those things that nothing could be done about.

Masi had just entered the scoreless ball game as a runner for Bill Skalked, who had worked Feller for a walk to open the last of the eighth. Mike McCormick did the expected by hitting Masi to second with a sacrifice.

With first base open, Boudreau decided to pass Eddie Stanky, still handicapped by the ankle he broke in July. Some of the grandstand managers second guessed Lou on that. But he was passing a .315 hitter to set up a possible double play with the pitcher coming up next. Sibby Sisti was sent in by

Here Are Series Facts And Figures

Team	W	L	Pct.
Boston (NL)	1	0	1.000
Cleveland (AL)	0	1	.000

Second game at Boston, October 7.

Third, fourth and fifth (if necessary) at Cleveland, October 8, 9, 10. Sixth and seventh (if necessary) at Boston, October 11 and 12.

Financial Figures — 40,135. Wednesday's attendance — 40,135. Total receipts (net) — \$190,122.32. Commissioner's share — \$27,018.33. Players' share — \$163,104.00. Clubs' and leagues' share — \$61,241.56.

Thursday's probable pitchers—Bob Lemon (20-14) for Cleveland vs. Warren Spahn (15-12) for Boston.

Weather forecast — fair and cool. Probable crowd—40,000. Starting time — 12 noon (CST). Broadcast — Mutual Broadcasting System, starting at 11:45 a. m. (CST).

Bullpups To Play Odessa

The eighth grade Bullpups of Midland's John H. Cowden Junior High are slated to meet Odessa's eighth graders at 6:30 p. m. Thursday in Memorial Stadium.

In their first appearance this season, the Pups dropped a hard-fought 14-7 decision to Crane. The Pups have worked hard this week in drill and expect to give the visiting Odessans a battle. Fans are urged to attend the game and support the Pups, the Bulldogs of tomorrow.

Cloudy And Cold Is Cleveland Forecast

CLEVELAND —(AP)—Cloudy, windy and cooler weather is forecast for the third game of the World Series here Friday between the Boston Braves and the Cleveland Indians.

The Bank of England began active operation on Jan. 1, 1948.

Big Parade To Open Martin County Fair In Stanton Friday

STANTON—A street parade including several high school bands, more than 30 floats, horseback riders and other features will open the annual Martin County Fair in Stanton at 2:30 p. m. Friday. The fair ends Saturday night.

Despite a serious drought, agricultural exhibits being prepared for the event are bigger and better than ever before, committees in charge of such displays reported.

All displays must be in place in the exhibition hall by 10 a. m. Friday, according to rules of the fair. Judging will begin at that time. Field and garden crops, canning, cooking, baking and sewing exhibits, as well as an extensive livestock show will be featured.

Downtown Stanton is gaily decorated with flags and bunting for the annual event. A football game Friday night and an elaborate fireworks display Saturday night are among entertainment events to be enjoyed by visitors, and a carnival at the fairgrounds will provide additional amusement facilities.

Directors of the fair, which is sponsored by the Stanton Lions Club, include Cecil Bridges, chairman; and Horace Blocker, Gordon Stone, J. C. Mott, O. B. Bryan, L. E. Batton and Bob Whitaker.

Byron Townsend To Start For Longhorn Fish Against Baylor

AUSTIN (AP)—Buddy Jungnichel, Texas Freshman football coach, is beginning to whip his prize crop of prospects into game form as the yearlings move into the third week of organized drills. For the first game of the season with the Baylor Cubs in Waco October 25, he will probably use Jerry Robertson of Highland Park at the vital quarterback position in the T-formation.

The other likely backfield starters are Bob Raley of Bowie at left half, Byron Townsend of Odessa at fullback, and Red Mayer of Pampa at right half.

The first-string offensive line now stands with Joe Arnold, Corpus Christi, at center; James Pakenham, Longview, and Howard Hurt, Borger, at guards; James Lanford, Carrizo Springs, and Jim McConkey, Highland Park, at tackles; and James Adams, Baytown, and Bill Milburn, Austin, at ends.

Defensive Specialists
Outstanding defensive specialists are Paul Williams, Lufkin, an ace linebacker; defensive halfbacks Reed Quinn, Austin, and Bobby Dillon, Temple; and safety man Buddy Lambert, Galena Park, the leading broken-field runner on the team.

However, Coach Jungnichel emphasized numerous switches might be made before the yearlings take the field against the Baylor Freshmen Friday week.

The second game for the yearlings will be with the Rice Owlets at Houston October 22, followed by the lone home game of the year October 29 with SMU's Colts. They play the TCU Fallouts at Fort Worth November 11 and close the season against the Texas A&M Bees at College Station November 20.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 7, 1946-7

Eight Games Stand Out On Schoolboy Grid Card

By HAROLD V. RATIFF
Associated Press Sports Editor

Eight games stand out in a crowded Texas schoolboy football schedule this weekend, with the clash of Port Arthur and Brackenridge (San Antonio) not only the feature battle between unbeaten teams but one that should establish inter-conference superiority.

Massive Port Arthur, long regarded as the No. 1 team of the state, will be upheld.

Arthur at Brackenridge (San Antonio); Saturday: Orange at San Antonio Tech, Burbank (San Antonio) at South Park (Beaumont).
Class AA
1—Friday: Odessa at Amarillo, Bowie (El Paso) at Plainview, Childress at Lubbock, Littlefield at Brownfield.
2—Thursday: Graham at Sunset (Dallas); Friday: Pampa at Wichita Falls, McKinney at Vernon.
3—Friday: Midland at Sweetwater (conference), Arlington Heights (Fort Worth) at San Angelo, Big Spring at Lamesa (conference).
4—Friday: Borger at Austin (El Paso), El Paso High at Douglas, Ariz., Roswell, N. M., at Yaleta.
5—Thursday: Gainesville at Poly (Fort Worth); Friday: Sherman at Woodrow Wilson (Dallas), Breckenridge at Greenville, Denison at Bonham (conference); Saturday: Paris at Adamson (Dallas).
6—Friday: Grand Prairie at Arlington, Emis at Sulphur Springs, Electra at Denton.
7—Friday: Brownwood at Harlandale (San Antonio), Fort Worth Tech at Mineral Wells, Cisco at Ranger, Stephenville at Coleman, Quanah at Weatherford.
8—Friday: Marshall at Kilgore (conference), Texarkana at Longview (conference), Tyler at Gladewater (conference).
9—Friday: Hillsboro at Temple (conference), Waxahatchie at Cleburne (conference), Highland Park (Dallas) at Waco, Palestine at Corsicana.
10—Friday: St. Thomas (Houston) at Conroe, Henderson at Bryan, Athens at Jacksonville.
11—Friday: Port Arthur at Brackenridge (San Antonio), Lufkin at Beaumont; Saturday: Orange at San Antonio Tech, Burbank (San Antonio) at South Park (Beaumont).
12—Thursday: Pasadena at Lamar (Houston); Friday: Nacogdoches at Freeport, Alvin at Texas City, Jeff Davis (Houston) at Baytown, Port Neches at Galveston.
13—Friday: Paschal (Fort Worth) at Kerrville, Austin at Laredo (conference), Victoria at Opero, San Jacinto (Houston) at Corpus Christi.
14—Friday: Robstown at San Benito (conference), Brownsville at Kingsville (conference).

Odessa tackles Amarillo in the feature of the West while Marshall and Kilgore get together in the Eastern standout. The latter also is a District 8 Class AA Conference game of great importance.

Odessa is undefeated but once tied and Marshall is in the same category, while Amarillo and Kilgore both are undefeated and untied.

Arlington Heights (Fort Worth), a City Conference power, plays San Angelo in a top West Texas game, while Denison and Bonham battle in what may be the deciding contest of District 8-Aa.

In the Valley undefeated but once-tied San Benito tackles Robstown in an important conference game in District 14-Aa.

There are conference games in eight districts, two of them in the City Conference. It is the biggest weekend to date in the championship races.

This week's schedule by districts: City Conference
1—Thursday: Graham at Sunset (Dallas); Friday: Sherman at Woodrow Wilson (Dallas); Saturday: Paris at Adamson (Dallas).
2—Thursday: Gainesville at Poly (Fort Worth); Friday: Paschal (Fort Worth) at Kerrville, Arlington Heights (Fort Worth) at San Angelo, Fort Worth Tech at Mineral Wells, Forest (Dallas) at North Side (Fort Worth); Saturday: North Dallas at Amon Carter-Riverside (Fort Worth).
3—Thursday: Pasadena at Lamar (Houston); Friday: San Jacinto (Houston) at Corpus Christi, Reagan (Houston) vs Austin (Houston) (conference); Jeff Davis (Houston) at Baytown; Saturday: Sam Houston (Houston) vs Milby (Houston) (conference).
4—Thursday: Alamo Heights (San Antonio) vs Edison (San Antonio) (conference), Lanier (San Antonio) at Del Rio; Friday: Brownwood at Harlandale (San Antonio), Port

Baseball Bigwigs Favor Cleveland To Triumph In Series

BOSTON (AP)—Most of the baseball personalities who remained on the fence until they had a chance to analyze the Braves-Indians World Series opener Thursday were favoring Cleveland.

Bob Feller's heart-breaking two-hit defeat was enough to convince the cautious, despite Johnny Sain's outstanding duel with the Cleveland ace.

Feller's sure to go at least once more and Lou Boudreau also can repeat with Bob Lemon, who starts Thursday afternoon, and Gene Bearden, "some of the game's keenest students agreed."

Canny Billy Southworth, directing a championship club in the post-season classic for the fourth time in seven years, laughs off the general consensus.

"Feller's a wonder and both Lemon and Bearden are very good," Southworth agrees.

But he added that his Boston Braves at least can match the Indians' hurling strength.

It is likely Vern Rickford will be given the nod against Bearden in Cleveland Friday.

AMARILLO MARE WINS NATIONAL FIVE-GAIT CLASS
WICHITA, KAN.—(AP)—Five-gaited horses stole the show Wednesday night at the Kansas National Horse Show.

Octavia, seven-year-old brown mare of B. I. Beahfield, Amarillo, Texas, won the class with Charles Judd of Amarillo up.

TEXAS OFFICIAL NAMED TO NATIONAL POST
CHARLESTON, S. C.—(AP)—Texas Secretary of State Paul H. Brown has been named recording secretary of the National Association of Secretaries of State.

Brown was elected here Wednesday. The Association chose Frank M. Jordan of California as president.

Turkey Supply Is Short This Year

Turkeys will be more than scarce during the holidays this year was the comment of R. A. Doran of the Doran Produce Company Thursday upon his return from a turkey "hunt" in the Brownwood area.

He said he managed to buy between 200 and 300 turkeys in that section after a two-day search in which he visited large produce houses and turkey farms. The Brownwood area ordinarily produces a large percentage of the state's turkey supply.

"There simply will not be enough of the birds to go around during the Thanksgiving and Christmas holidays," Doran said. He urged citizens to buy turkeys early and keep them in storage until Thanksgiving.

Fort Worth Plant Will Build Flying Wing Jet Bombers

FORT WORTH (AP)—Consolidated Vultee Aircraft Corporation said Thursday a letter of intent authorizing it to start production on B-49A Flying Wing jet bombers for Northrop Aircraft, Inc., was signed this week.

The announcement said the letter was signed at Convair's Fort Worth division by representatives of both companies and the Air Materiel Command. It added that a formal subcontract probably would be signed later this month at Hawthorne, Calif., headquarters of Northrop.

Northrop recently signed a prime contract to deliver 30 B-49s to the U. S. Air Force.

Grandmother's Booth At Fair
The Grandmother's Art booth of the Midland County Fair this year attracted more entries and greater spectator interest than ever before. Everything displayed in the booth was made by ladies past 65 years of age. Mrs. John Ficks, left, and Mrs. J. O. Hyde were in charge of the display.

Nine Airmen Die In Bomber Explosion
WAYCROSS, GA. (AP) - Two fires in one engine and failure of another engine preceded a thunder-clap blast that ripped apart a B-29 Superfortress Bomber over Waycross, Ga., with the loss of nine lives, survivors said Thursday.

Testimony Heard In Rankin Trial
RANKIN - On Monday Herrado, Latin-American charged with the fatal shooting of Jean Robinson, Odessa negro, near McCamey, August 11, went on trial here Wednesday afternoon as hearing of testimony began. Selection of juror for the trial was completed Wednesday morning.

Postmaster Given Choice Of Calamities
Fate permitted Postmaster N. O. Oakes a choice of accidents Thursday morning. Walking to work, he was crossing Illinois Street at Main when he perceived that if he didn't stop in his tracks, a fast-running automobile would run him down. At the same time he noticed that if he stooped, the postmaster flew in one direction while the young rider and his vehicle sailed in various others. The boy leaped back on his bicycle and coped with the hurried journey. Oakes regained his feet, counted bruises and skinned places, and concluded he'd made the best possible decision, considering the circumstances. He was able to go on to work.

LEGAL NOTICES
Court on the 21st day of September, 1948, in a suit numbered 4921 on the books of said Court wherein: HEWLETT W. ELLIS and KITTLE GENE ELLIS, a feme sole are plaintiffs, and the above-named parties to whom this citation is issued and directed, are defendants, the nature of which suit is as follows: Plaintiff alleges ownership of the tract of land situated in Midland County, Texas, described as follows, to-wit:

LEGAL NOTICES
The North one-half (1/2) of the West Quarter (NW 1/4) of the Northwest Quarter (NW 1/4) of Section 28, Township 22 North, Range 12 East, T&M CO. Survey in Midland County, Texas; containing a total of ten (10) acres and less 1/4 acre.

LEGAL NOTICES

Engineer Outlines Texas Waterways And Dams Projects

AUSTIN — (AP) — Plans for new dams and waterways projects to conserve and develop Texas water resources were outlined here Thursday before the Texas Water Conservation Association.

Col. Henry Hutchings, Jr., division engineer of the U. S. Corps of Engineers, said that in addition to projects already under way, water-conscious Texans may look to these new undertakings:

1. Beginning of construction on two more new dams this year.
2. Authorization for improving Galveston and Corpus Christi Bay channels leading to the ports of Galveston, Houston, Texas City, Fort Aransas and Corpus Christi.
3. Plans aimed at enlarging channels and harbors at Brownsville, Fort Isabel and Freeport.
4. Immediate construction of the authorized navigation channel from the Houston Ship Channel to Liberty.
5. Comprehensive reports on eight rivers for use in possible future development and improvement programs.

Colonel Hutchings said work will be continued at a rapid rate on all dams now under construction at Whitney, San Angelo, Town Bluff, Benbrook, Grapevine and Lavon.

The new dams to be begun this year, he said, are the Belton Dam on the Leon River and the Garza-Little Elm Dam on the Elm Fork of the Trinity.

Forest Fires Burn Stubbornly In East Texas Area

LUFKIN, TEXAS — (AP) — Raging forest fires Thursday continued to devastate wooded East Texas areas despite efforts of the Texas Forest Service and volunteer crews to bring them under control.

Two stubborn and spectacular blazes were burning through 28,000 acres of Lufkin area Texas pine in Hardin, Liberty and Folk counties. One covers 13,000 acres north of Rye. Archie Nash, fire control supervisor of the Woodville District, said the fire would be allowed to run its course because mechanized equipment is useless in the Big Thicket area.

A second blaze, covering almost 16,000 acres in Hardin County between Honey Island and Saratoga was expected to burn for several days despite efforts to control it.

A third blaze, covering 1,900 acres, was burning near Emille Tower, 12 miles east of Woodville in Tyler County.

Wednesday night the Conroe District reported 20 fires with crews available to fight only eight of them.

States' Righters Outline Vigorous Campaign In Texas

HOUSTON — (AP) — States' Rights Democrats have announced plans for a presidential campaign to begin October 18. It will continue "until every town in Texas is covered."

The vigorous fight to capture Texas' 23 electoral votes for Gov. J. Strom Thurmond of South Carolina includes:

1. A fund-raising barbecue in Houston October 18 with tickets selling for "one day's income to save the South."
2. Whipwinding speaking tours by approximately 40 Southern congressmen, governors, U. S. senators, and former governors and senators. The tours begin October 19.
3. Gov. Thurmond will end his campaign October 28, 29 and 30 with rallies at Fort Worth, San Antonio, Austin, Waco, Wichita Falls, Corpus Christi, Beaumont, Port Arthur and possibly Amarillo and Tyler.

J. DUDLEY STEPHENSON DIES AT HILLSBORO
HILLSBORO, TEXAS — (AP) — J. Dudley Stephenson, 72, former state representative, district judge and county judge, died here Wednesday. He was a native of Hill County and practiced law there 45 years.

JUNIOR PARTY PLANNED
Juniors of the First Methodist Church will be entertained with a party in the Schreiber Educational Building at 7 p. m. Thursday, with teachers as hosts and Mrs. E. L. Phillips, junior department superintendent, in charge. Parents of the children are invited to the party.

This float, representing a modern farm adequately supplied with electricity, was entered in the parade of the 1948 Midland County Fair by the Caprock Rural Electric Cooperative, which has headquarters in Stanton. Spectators applauded it as one of the most attractive floats in the parade.

*** THE DOCTOR SAYS ***

Hereditary Quality Gives Clue To Nervous Disease Conquest

By EDWIN F. JORDAN, M. D.
Written for NEA Service

Some diseases run in families or are definitely transmitted from generation to generation. These are caused by a real defect in the germ plasma of the family involved. Among diseases in this class are several conditions of the nervous system.

One of the most extraordinary of such nervous conditions is known as Friedrich's ataxia, which is a disease involving the spinal cord primarily. The defect may be carried by either parent. It is sometimes hidden, that is, the parents do not show active signs of the disease although it is always present in the family.

Friedrich's ataxia starts in childhood, but sometimes is delayed until after the age of 30. In such cases, the victim may know nothing about it until after he or she has married and has had children who are afflicted.

Starts Gradually
At the beginning, the signs of this condition start gradually. An awkwardness in walking and a tendency to stumble and fall easily are characteristic. As the disease progresses, the gait becomes more irregular and clumsy. Staggering or reeling from side to side is common. In advanced cases irregular movements not subject to the control of the will are frequently seen. The head and neck are likely to make nodding movements or spasms. Spinal curvature is common and jerky movements of the eyes are also frequent.

There is no satisfactory treatment for this malady. Its inherited nature gives the clue to its conquest; if those who are afflicted or have it in the family do not have children, the disease will die out.

There are other nervous conditions which are known to be on an inherited basis. Most of these are fortunately rather rare and for this reason do not carry names which are familiar except to nerve specialists.

Bogey Is Tough At Home Too, Sez He

HOLLYWOOD — (AP) — Just like in the pictures, Humphrey Bogart played the tough guy.

Without a script showing Bogart who lives in a wilder part of Hollywood called Benedict Canyon — Wednesday vanquished a rattlesnake and a wildcat. That's what the man said.

Here's how Bogey unraveled it: The rattlesnake bit one of the actor's pet boxer dogs on the nose. Bogey trampled the snake to death, lanced the dog's nose and hustled him off to a veterinarian.

When he got back, another boxer was being attacked by a wildcat. He routed it with four shots from his .38 rifle.

Through it all slept Mrs. Bogart, Lauren Bacall.

Helps You Overcome FALSE TEETH

Looseness and Worry

No longer be annoyed or feel ill-easy because of loose, wobbly false teeth. FASTEER, an improved alkaline (non-acid) powder, sprinkled on your plates holds them firmer so they feel more comfortable. Soothing and cooling to gums made more by excessive use. Avoid embarrassment caused by loose plates. Get FASTEER today at any drug store.

CITY OFFICIALS VISIT
Fred Rostochky, city commissioner, and R. B. Sherrill, city engineer of Vernon visited friends in Midland Wednesday. They were en route to Vernon from El Paso, where they attended a convention of municipal officials.

New Passenger Train Schedules Announced

Effective Sunday, passenger train schedules through Midland will be changed. D. Davis, T&P agent here, announced Thursday.

Westbound schedules beginning Sunday will include Train No. 1, The Texas Eagle, which will be due here at 4:14 p. m.; No. 7, The Southerner, due at 8:30 a. m., and The Westerner, due here at 2:06 a. m.

Eastbound, Train No. 2, The Texas Eagle, will be due here at 7:39 a. m.; No. 8, The Southerner, will be due at 8:10 p. m., and No. 6, The Westerner, will be due at 11:05 p. m.

Rural Electric Float

This float, representing a modern farm adequately supplied with electricity, was entered in the parade of the 1948 Midland County Fair by the Caprock Rural Electric Cooperative, which has headquarters in Stanton. Spectators applauded it as one of the most attractive floats in the parade.

Mexican Artist Is 'Insulted' At Lubbock

LUBBOCK — (AP) — A Mexican artist and his American wife complained to police they were "insulted" when they were refused service at a Lubbock cafe because of his nationality.

Later, Mr. and Mrs. Fidel Figueroa of Tuxco, Mexico, said they were served breakfast at one of the city's leading hotels without incident.

Chief of Police Lewis Kittell tendered official apologies to the couple. They then said they considered the incident closed.

Mrs. Figueroa is a former Texas newspaperwoman as Leticia Curtis. At present she is a correspondent for the Mexico City Herald and Post.

Young Democrats Form Group To Work For Truman, Barkley

WASHINGTON — (AP) — A committee to get new voters behind the Truman-Barkley ticket has been named by Roy C. Baker of Sherman, Texas, president of the Young Democratic Clubs of America.

"We intend to explain the Democratic principles and record to young voters in every county in the United States," Baker said in a statement Wednesday.

He announced a 16-member advisory committee of the President's daughter, Margaret Truman, and Franklin D. Roosevelt, Jr., son of the late President.

Rep. Lyndon Johnson, Democratic nominee for the U. S. Senate from Texas, and Rep. Olin E. Teague of Texas are on the committee.

Dick Dunkel's COLLEGE FOOTBALL POWER INDEX

EXPLANATION—The Dunkel Index provides a direct comparison of the relative strength of any two teams for this season to date. There is a 50.0 team has been 100 rating points stronger than a 40.0 team on their comparative records. In which scoring average has been weighted against strength of opposition. This does not necessarily mean that a 50.0 team should defeat a 40.0 team by exactly 10 points in the future. Teams rarely follow past performance that closely. The Dunkel system correlates records of all college teams and was started in 1927.

Young Democrats Form Group To Work For Truman, Barkley

WASHINGTON — (AP) — A committee to get new voters behind the Truman-Barkley ticket has been named by Roy C. Baker of Sherman, Texas, president of the Young Democratic Clubs of America.

"We intend to explain the Democratic principles and record to young voters in every county in the United States," Baker said in a statement Wednesday.

He announced a 16-member advisory committee of the President's daughter, Margaret Truman, and Franklin D. Roosevelt, Jr., son of the late President.

Rep. Lyndon Johnson, Democratic nominee for the U. S. Senate from Texas, and Rep. Olin E. Teague of Texas are on the committee.

Search For Andrew Kidnaper Turns West

ANDREWS — The search for an Arkansas man wanted by Andrews County officials on a kidnapping warrant has turned toward California. Odessa City Detective Chief G. W. Hooley—who is working with Andrews County Sheriff P. E. Peacock—says it was learned Wednesday that the man had sold his car. It is believed the man is going by bus to California.

The man allegedly took a 14-year-old girl with him after leaving a painting job at Andrews.

Farmer's Sleep Was Sound — Proof

ST. CHARLES, ILL. —(P)—Farmer Maurice Regnole is a sound sleeper. While he took a hard-earned night's sleep, his silo exploded. The blast blew off the silo roof—sent it soaring 50 feet—and lodged its concrete walls.

The silo collapsed onto the barn. The barn folded onto the feed shed. The feed shed knocked over the windmill. The windmill dropped onto the implement shed.

Blaming silage gas, Regnole told neighbors he heard a slight noise during the night. But he didn't get out of bed to investigate.

Smoke bombs are fired in misty weather above the fog at Croydon field, England, to direct planes to the airport.

Florida Bachelors Pay Up Rather Than Work On Streets

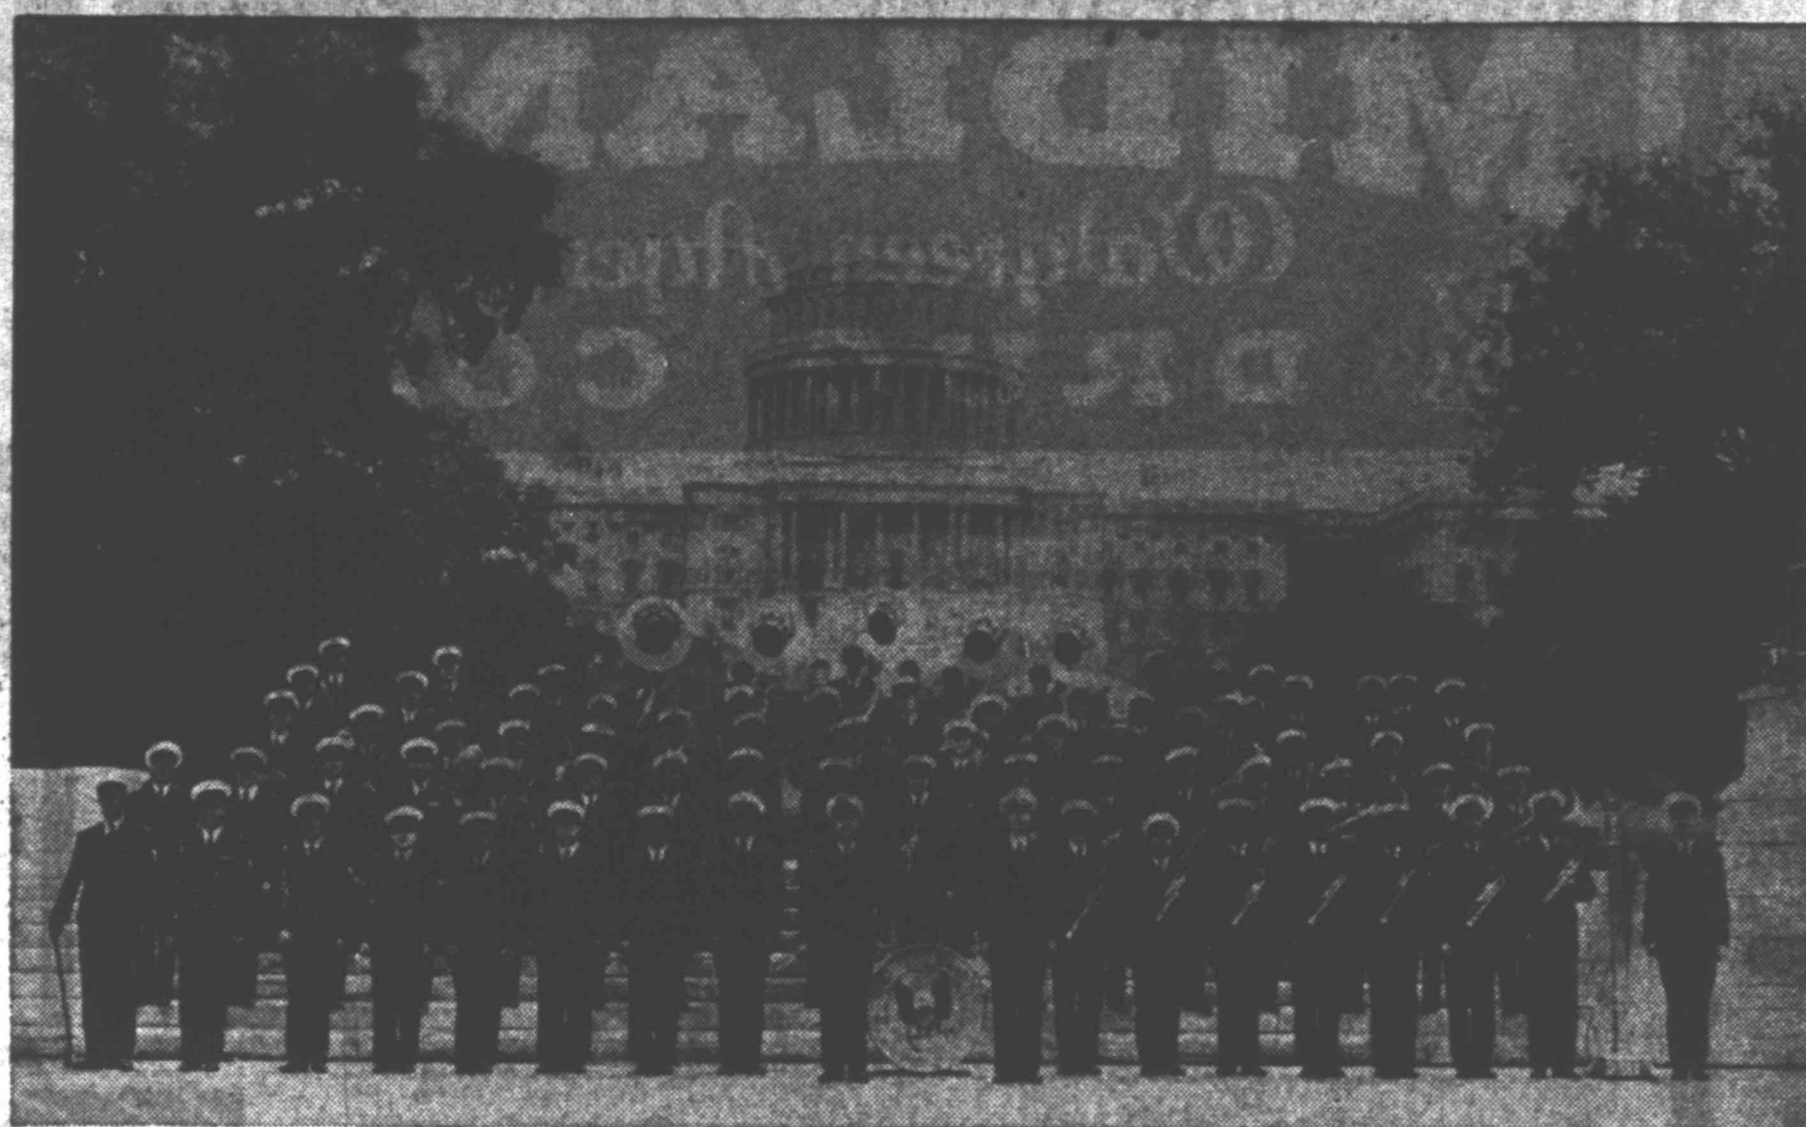

DUNELLON, FLA. —(P)—This town of 1,200 is getting no street work and very little money out of its ancient levy on bachelors.

Several weeks ago, officials dug up an old law requiring single men between 18 and 45 to work to keep up the streets or pay a \$3 tax.

At last accounting Police Chief J. O. Bailey had located only 80 eligibles. All elected to pay the three bucks for a total revenue of \$240.

34 MILES PER POUND
It is necessary to walk 34 miles to rid the body of one pound of fat. Therefore, eating a low-calorie diet is more important than exercise as a weight-reducing measure.

U. S. Navy Band Will Play Two Concerts In Midland

The world famous United States Navy Band, pictured with the nation's capitol in the background, will appear in Midland in afternoon and night concerts Monday, under the sponsorship of the Midland Lions Club. Performances are scheduled at 3 p. m. and 8 p. m. in the new Memorial Stadium in Northwest Midland. The matinee

concert is designed primarily for school students, and the night program is selected to please genuine music lovers of all ages. The Navy Band includes 80 members whose average age is 21 years. Lt. Cmdr. Charles Brendler, U. S. N., is the conductor. One of the largest crowds ever to attend an entertainment event in Midland is expected to hear the band. Tickets are on sale at the Chamber of Commerce.

British Fight Steel Nationalization

LONDON —(P)—Opponents of socialization are organizing a defense fund to campaign against government plans to nationalize Britain's iron and steel industry. Alfred Edwards, member of Parliament, is organizing the campaign. He was expelled from the Labor Party last Spring after he publicly criticized iron and steel nationalization, one of the projects the government hopes to accomplish before the 1950 general elections.

The defense fund plans to conduct its campaign through public meetings, publications and a film on steel showing how the industry has reached a high rate of production under private enterprise.

Stamp collecting has a greater following than any other hobby.

Federated Women's Clubs Plan For Clubhouse Here

By SUE COLEMAN

The chief purpose of the City-County Federation of Women's Clubs, which was organized in Midland in 1936, has been to serve as a clearing house for information of interest to all women's organizations, and to focus their efforts on common objectives.

Through federation, the clubs have been able to accomplish aims that they could not have reached individually. This year the federation has turned its attention to its biggest goal, designed to meet the major need of its member clubs—a Woman's Clubhouse adequate for demands ranging from room for a committee meeting of three to a banquet for three hundred.

The clubhouse plans, although still in the nebular stage, are looming large in discussion and are due for consideration along with other activities of this year.

First President Mrs. John Haley was the first president of the federation, which was organized as a city federation.

The city-county designation was not adopted until April of 1936.

Early minutes of the meetings show that the first project was a move for a Midland County health nurse. The county commissioners court acted on a suggestion from the federation late in 1936 and promised that the nurse would be on duty in January, 1937.

Another early activity was a cleanup campaign sponsored with the City County, Chamber of Commerce, Rotary and Lions Clubs.

In November, 1933, a scholarship fund was started with an initial donation from the Fine Arts Club and in succeeding years the fund was built up and was used to help several Midland girls continue their education after graduation from high school.

Records show that sponsorship of a Girl Scout program started in 1936, and assistance to Girl Scouts has continued ever since. Other continuing or recurring projects include distribution of Christmas baskets each year; aid to local welfare organizations with contributions, clothing drives, and other help; and support of the county library and museum.

City Beautification Mrs. Haley continued to serve as president of the federation until June, 1937, when Mrs. P. H. Schouten was elected. That year a project of city and highway beautification was adopted as a major two-year program. It was carried out with special emphasis on playgrounds, vacant lots, alleys, and home beautification.

Mrs. J. Howard Hodge became president in 1939 and served two years. In this period the federation started its support of wartime programs which continued through the administration of Mrs. Hal G. Peck and Mrs. Louis Caddell.

Frequent mention in the records of these years is given to war bonds, the Red Cross, CPA information, scrap paper collections, the soldiers' center, nutrition and first aid classes, and nurses' aides. Individually and as an organization the members gave full attention to wartime needs.

Back in 1941 the federation started discussions on the need for a city recreation center, changed the term later to a youth canteen, and finally planned definitely for a Youth Center. It assisted in supplying furniture for the Midland Youth Center when it was established.

Meanwhile, it also made contributions to the Midland Memorial Hospital fund and later added more. Other contributions in recent years have gone to the County Tuberculosis Association, the Buffalo Trail Scout Ranch, and the Youth Center.

Mrs. Russell Howard succeeded Mrs. Caddell as president, then Mrs. Ernest Neill held the office for two years before Mrs. W. G. Epley, the present president, was elected in February, 1947.

Serving as officers with Mrs. Epley this year are Mrs. Henry Murphy, first vice president; Mrs. James N. Allison, second vice president; Mrs. Lindley Latham, recording secretary; Mrs. E. T. Cox, corresponding secretary; Mrs. John B. Mills, treasurer; Mrs. E. R. Schabrum, parliamentarian; and Mrs. O. M. Luton, auditor.

Mrs. Neill is chairman of ways and means; Mrs. J. O. Hyde, of the telephone committee; Mrs. J. Howard Hodge, of programs; and Mrs. Y. D. McMurry, of hospitality; Mrs. Carl Hyde is the historian.

The federation will take hostess duties next Spring when the Eighth District Federation of Women's Clubs holds its annual convention in Midland. This will not be its first experience as a district hostess.

Sixteen clubs in Midland County are affiliated with the federation, and there are a number of individual members who are not in member clubs. Each of the clubs is represented in federation business meetings by two voting members, the president and a delegate. Individual members also may vote.

Clubs and their representatives include: Woman's Wednesday, Mrs. C. M. Goldsmith and Mrs. Andrew Faskan; Modern Study, Mrs. F. E. Schmeck; Fine Arts, Mrs. Henry Murphy and Mrs. Ralph Oberhelzer; Junior Woman's Wednesday, Mrs. Charles Edwards; Business and Professional Women, Mrs. J. W. Christian; Twentieth Century, Mrs. James O. Simmons and Mrs. W. H. Rhodes.

Beta Delta Chapter of Beta Sigma Phi, Mrs. Noel Casen; Xi Theta Chapter of Beta Sigma Phi, Dorothy Hamilton and Mrs. R. H. Frisell; Progressive Study, Mrs. W. C. Kimball.

Prairie Lee Home Demonstration, Mrs. E. S. North and Mrs. M. G. McConal; Valley View Home Demonstration, Mrs. B. L. Mason and Mrs. J. C. Stevens; Garden Addition Home Demonstration, Mrs. O. J. Kniffen and Mrs. Joe C. McQueen; West Side Home Demonstration, Mrs. O. B. Jackson and Mrs. L. E. Moncrief.

Midland Garden Club, Mrs. J. C. Smith; Tejas Garden Club, Mrs. J. D. Dillard and Mrs. F. A. Crockett; Yucca Garden Club, Mrs. Rex Russell and Mrs. M. S. Dickerson. The Altirus Club has lately voted to affiliate with the federation, to make the seventeenth member club.

Drivers Protest New Auto Designs

NEW YORK —(P)—The automobile club of New York said complaints have been received from many of its members about their new cars.

Harry Marienhoff, manager of the club's service department, said members showed considerable dissatisfaction over body designs of new models making them difficult and expensive to repair, and requiring garage alterations to house them.

"Many drivers," he said, "have found the hoods too long and the seats too low."

"This involves a safety factor, as oftentimes it is impossible to see enough of the road directly in front of the car for the operator's protection."

Restricted vision of some of the new models, Marienhoff continued, had been found to make them difficult to park and had resulted in dented and scratched fenders.

The increased width and length of some of the new models likewise has been the subject of complaints, he said.

In the United States today there is, on the average, one filling station for every mile and a half of surfaced highway.

Midland Area List 51 New Oil Locations During Week

New locations totaling 51, and 10 amended or corrected applications were listed during the past week in the Midland district of the oil and gas division of the Railroad Commission.

Only two counties showed any wildcat activity. Andrews led with four ventures while Pecos County reported two. Dawson County had four amended applications while Andrews, Crane, Hale, Hockley, Winkler and Yoakum Counties showed one each.

Andrews County led the list the past week with nine new drillites listed; Hockley and Cochran Counties followed with six new projects; Crane, Dawson, Ector, Pecos, and Winkler showed five each; Crockett County was credited with three new developments; and Gaines, Dawson, Hale, Howard, Reeves, Scurry, Upson and Yoakum Counties had one each.

The oil activity picture for the Midland district last week presented a slight decrease, both in the number of wildcat locations, and also in the total of all new explorations, from the previous seven-day period.

ANDREWS COUNTY
Humble No. 23 J. E. Parker, 710 feet from north and 440 feet from east lines of section 23, block A-41, pal survey, rotary, 3,500 feet depth, Martin-McKee field, starting immediately.

War Bonus Breaks Hong Kong
HONG KONG.—The Government of Hong Kong faces a budget deficit of \$4,625,000 in U. S. money during the current fiscal year. Acting Secretary of Finance A. O. Clarke warned members of the Legislative Council.

The secretary, speaking in defense of a proposed stamp tax, said an estimated surplus of \$375,000 was wiped out by an allocation of \$5,000,000 to cover salary payments to government employees who remained on the job during the Japanese occupation.

Rites Held Tuesday For Murder Victim
SILSBEE, TEXAS.—Funeral services were held Wednesday afternoon in Woodville for Mrs. Elodie Twichell, 23, whose mutilated body was found in a wooded area 7 1/2 miles northeast of here Monday.

She had been missing since she left the home of a friend in Beaumont on September 28.

Tuesday four friends identified the badly beaten and decomposed body. An autopsy report said Mrs. Twichell's skull had been fractured by a blow over the right ear.

This Troubled World

The Berlin crisis is merely the highlight of strife and unrest besetting the people of many countries. Critical situations exist also in China, Japan, Korea, Malaya, the Dutch East Indies, Chile, France, Italy, Palestine, Greece, India and the USSR itself, where rumblings of unrest are heard from satellite nations behind the iron curtain.

Boyle Calls For School To Teach Children To Live

By MAL BOYLE
 NEW YORK (AP)—If I had a son... if I had a daughter... I'd like them to go to a school that doesn't exist.
 It is the school I wish I could have gone to when I was a child.
 To begin with I would have one teacher for every five or ten pupils. Their job would be to try to create in the schoolroom the friendly, cooperative atmosphere that is found in the highest type American home. Perhaps in that way they could learn something worth bringing home and teaching to their parents.
 The object of this dream school wouldn't be to prepare the pupil for a job. It would be to prepare him to live a happy life with his fellow men. There are plenty of good technical schools he could go to later to learn how to earn a living.
 My school would be coeducational. It would have a dormitory, and once a week the pupils would sleep there. They could stay up late, too, and tell stories and play games.
 From kindergarten on they would be taught that the finest career possible is matrimony. I would try to disillusion the little boys from the idea that marriage is only a silly thing for women and children.
 At my school there would be the triple goal of educating heart, head and hand. They say word would be "togetherness."
 The children, boys as well as girls, would cook their meals in the school lunchroom. The different classrooms would take turns doing the cooking, dishwashing, and waiting on tables. (There would be no tipping the wait-

ers either.)
 There would be naptins and table cloths, and they'd have the excitement of dining out—and learn proper table manners the easy way.
 In my school every child would make at least one speech, write one poem, and draw one picture and perhaps act in one play each month. And sing many, many songs. He would be expected to learn to play a musical instrument, and if he'd rather hum through tissue paper on a comb that violate a fiddle—why, that'd be just fine. The only purpose of the music anyway would be to make him feel good.
 Wilfred Courtney Barber, of Chicago, was the first reported American casualty of the Ethiopian war. He died of malaria.

Teachers, Preachers Get Lowest Salaries

HAMILTON, N.Y.—(AP)— Teachers and ministers are the lowest paid among Colgate University graduates out of college one and two decades, while those in industry are the highest paid, a placement bureau survey has revealed.
 Average salary for members of the class of 1928 is \$8,444, while that for the class of 1938 is \$5,164, the survey showed.
 Although teachers in the class of 1928 are averaging only \$4,105 and those in the class of 1938 only \$3,513, men in industry in the twenty-year class are averaging \$13,510, while those in the ten-year class are averaging \$6,144. Highest salary reported by a class of 1928 graduate was \$43,000 in industry while the lowest was \$2,400 by a minister. Lowest salary for the ten-year group was \$1,900 by a minister. Two members of the class of 1938 are earning \$20,000, one in business and the other in industry.

WELLESLEY FIRST

Wellesley, according to the Encyclopedia Britannica, was the first women's college to open scientific laboratories for student experimentation.

AUTOMOTIVE HINT

Avoid excessive application of oil to the generator and starter. It may leave a film on the commutator, eventually causing trouble. One or two drops at each oiling will suffice.

SPAIN STAGES FIRST NATIONAL FAN SHOW

SAN SEBASTIAN—(AP)—The first national fan exhibition has been staged here as part of a program to revive Spain's fan making industry. An estimated 400 antique fans and several hundred modern products were displayed. Prizes totaling \$1,800 were awarded. The exhibition was sponsored by the artisans syndicate under which the Spanish fanmakers guild functions. Spain, Japan and France were pre-war leaders in the fan making industry.

EYE TO STEEL

Nobody Home

Accumulated milk bottles outside his door testify to the absence of John H. Chapin from his New York apartment. Chapin's prosecution on charges of conspiracy to commit treason was asked by the House Un-American Activities Committee. He was an atomic scientist during World War II.

New Paints Will Snuff Out Flame

PORTLAND, ORE. —(AP)—Paints and cloth which not only are fire-proof but which will block or smother flames already started will be among the strange products of a great new industry.

These new substances will make possible hundreds of revolutionary products such as lighter and more powerful electric motors, plastic substances which resist heat, light and fire, and containers which will not corrode or rust.

All this will be feasible, said Dr. J. H. Simons of Pennsylvania State College, through development of a method of mass producing fluorocarbons, a tricky new family of chemicals first produced during World War II.

Fluorocarbons themselves are not new, but up to now their cost has been exorbitant. Doctor Simons, head of a fluorine research project at Penn State, said that ways had been found to produce the substances cheaply.

During wartime these costly compounds were used as fireproof liquids for cushioning big gun recoils and as corrosion-resistant linings for containers to hold uranium hexafluoride, one of the raw materials out of which atom bomb material is made. This uranium compound in its natural state is a terrific destroyer of containers because of its powerful corrosive action.

The fluorocarbons are compounds of fluorine, the most violently active chemical element, and ordinary carbon. When mixed with carbon, the fluorine loses its violent nature and helps to form a stable, fire-fighting and rust-resisting substance.

Raw materials for producing fluorocarbons are plentiful, Doctor Simons reported.

Questions and Answers

Q—What is meant by the term "gray goods"?

A—Gray goods, or grey goods, in cotton textile manufacturing is cotton fabric before it is dyed or finished. In rayon and silk trade, fabric before dyeing and finishing is called greige goods.

Q—Was aluminum ever considered a precious metal?

A—Yes, it was. In 1862, it was so difficult to separate from its ores that it sold for \$44 a pound. Today, primary aluminum costs 13 cents a pound in the form of 50-pound pigs.

Q—Did Walter Johnson ever pitch a no-hit game?

A—Walter Johnson pitched one no-hit game July 1, 1920, when Washington played Boston. The score was 1-0.

Q—What is the greatest crop in the United States?

A—The greatest crop in the United States is corn. This year's crop, as estimated by the United States Department of Agriculture, will reach an all-time high of 3,800,000,000 bushels.

Q—Why do fireflies have the power of self-illumination?

A—This is a disputed question. Most authors think that it is to attract each other. Some think that it is a warning signal, for it is said that they are rarely eaten by birds. The light emitted is the most perfect light known. That is, all the rays are light rays; practically no heat rays are given out.

India Cleans Up Punjab Riot Debris

AMRITSAR, INDIA —(AP)—The border city of Amritsar is still cleaning up debris left by communal disturbances of a year ago. Nearly 6,000,000 cubic feet of rubble has been removed by 400 to 500 men using trucks, tractors and bulldozers. This has created vast areas of open land in otherwise congested parts of the city.

Forty per cent of the walled city, center of Amritsar, was destroyed in rioting between Moslems, who formed 60 per cent of the population, and Hindus and Sikhs, who made up the remaining 40 per cent. Amritsar, the Sikh's holiest city, and Lahore, across the border in Pakistan, were hardest hit in the bloody Punjab riots.

Per capita consumption of apples in the United States is half an apple a day for every man, woman, and child.

Soviet Plane 'Shot' by American Passenger

Proof of how closely Russian Yak fighters buzz U. S. Air Force transports on the Berlin-Frankfurt run, is this picture snapped by an American passenger on one transport. Such buzzing by Soviet pilots is reportedly increasing as Russia steps up its harassment of the Berlin airlift planes.

PRISCILLA'S POP—

McKenney on Bridge

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

Earlier this year Mrs. Jo Gutman of Covington, Ky., started to write a local daily bridge col-

umn in the Cincinnati, Ohio, Post. Tournament bridge in Cincinnati has a large following. There are several life masters there and a number of champions. Mrs. Gutman and Mrs. L. Goldstein, of Cincinnati, won the national wom-

en's pair championship in Chicago last August, the second year in a row that they have carried off the title.

Today's lesson hand is taken from the national women's pair contest. The four and five, no trump bids were Blackwood bids asking for aces and kings. Seven clubs could have been made quite easily. But Mrs. Gutman said, "Buck fever got me." She stopped at six no trump, and she had to make it or lose the championship.

She won the opening lead of the four of spades with the ace. West's overall showed the king of spades and probably the king of diamonds. At this point Mrs. Gutman cashed the ace and king of hearts in dummy, and neither the queen nor the jack fell. Now she ran seven straight club tricks, getting all of the hands down to the three cards which are underlined.

West had to keep the king and one diamond, otherwise dummy's three diamonds would be good. Mrs. Gutman led the jack of spades, throwing West in the lead and forcing her to lead from the king-ten into dummy's ace-queen.

Dr. G. Johnston Sweeney, Irish physicist and mathematician, gave the name electron to the smallest negative particle of electricity in 1891. It takes 30 billion billion electrons to weigh an ounce, and a stream of them in an electric current.

Aussie Autographed Leg Is War Trophy

SYDNEY, AUSTRALIA—(P)—The wooden leg of an Australian airman is likely to end up in the Australian War Memorial at Canberra. The leg, belonging to Steve Stephens of Perth, was lost in a car accident when he was three. In spite of his handicap and in the face of many rejections, he won his way into the Royal Australian Air Force and served two years in the United Kingdom as a bomber rear gunner. His wooden leg, of Japanese oak, is carved all over with the names and initials of airmen who served with him.

Now 36, Stephens is a fine athlete in spite of the loss of his leg. He has cleared 4 ft. 9 in. in the high jump, run the 100 yards in 17 seconds, ridden a mile on the cycle track in three minutes, and covered the hilly 40 miles between Perth, Western Australia's capital, and Northern in 4 1/2 hours. Stephens also dances well.

SWISS AID BERLIN UNDERNOURISHED CHILDREN
BASEL, SWITZERLAND—(P)—Despite the political situation in Berlin, the Swiss Red Cross continues to organize group holidays in Switzerland for undernourished children from Berlin. A group of 480 boys and girls arrived here recently by train for a month's holiday in one of the few countries of Europe where all food rationing has ended.

Guerrillas Smash Saigon Rice Mills

SAIGON—(P)—Nationalist guerrillas in the Saigon-Cholon area of Southern Indochina in the three years since V-J Day have destroyed nine Chinese-owned rice mills valued at \$2,500,000, an official of the Chinese Chamber of Commerce said recently.

Indicating that guerrilla activity had proved increasingly effective this year, this source said 1948's damage to the Cholon rice processing industry—which handles practically all of Indochina's export crop—totalled six mills, worth U.S. \$1,500,000.

Fines Force Gold Prices in China

SHANGHAI—(P)—You get fined in China if you don't state your old inflated national currency price in the new gold yuan. Government regulations say you've got to take your price of August 19 this year and divide by 3,000,000 whether this leaves the result as good as your pre-war price or worse.

But the fines themselves will be strictly pre-war. An announcement by the police advises all would-be violators that the days of cheap fines (in the past sometimes worth as little as a fraction of an American cent) are gone.

New York City claims the largest high school in the world. It has 8,000 pupils and 285 teachers.

Maple-Flavored Syrup Is Back Again

French toast, crisp bacon and maple-flavored syrup make an ideal cold-day breakfast. Note copy of old Waterford glass bottle.

By GAYNOR MADDOX
NEA Staff Writer

Griddle cakes, French toast and waffles are all good breakfast treats for the first cold mornings. Serve with a maple-flavored syrup, an old favorite now back in good supply again.

Buttermilk Griddle Cakes
(Makes 12-15 griddle cakes)
One cup sifted flour, 3/4 teaspoon combination baking powder, 1/8 teaspoon soda, 1/2 teaspoon salt, 1 tablespoon sugar, 1 egg, well beaten, 1 cup thick sour milk or buttermilk, 2 tablespoons melted butter or other shortening.

Sift flour once, measure, add baking powder, soda, salt and sugar and sift again. Combine egg and milk; add gradually to flour mixture, beating only until smooth. Add shortening. Bake on hot, greased griddle. Serve hot with maple-flavored syrup.

French Toast
One egg yolk, slightly beaten or 2 egg yolks, slightly beaten, 1 cup milk and salt. Cut each slice of bread in half. Dip in egg-milk mixture and saute in butter or other fat until browned, turning to brown on both sides. Serve hot with crisp bacon and maple-flavored syrup.

Delicious Pecan Waffles
(Makes about five 7-inch waffles)
Two cups sifted flour, 2 1/2 teaspoons combination baking powder, 3/4 teaspoon salt, 2 eggs, well beaten, 1 1/2 cups milk, 5 tablespoons melted shortening, 1 cup chopped pecans.

Sift flour once, measure, add baking powder and salt, and sift again. Combine eggs and milk. Add to flour mixture, add shortening, then mix only until smooth. Stir in pecans. Bake in hot waffle iron. Serve hot with butter or fortified margarine and maple-flavored syrup.

Advertise or be forgotten.

Jack Williams Is Nation's No. 1 Jazz Fan

By HAL BOYLE
NEW YORK—(P)—There is no hobby too odd for a man seeking to find an individual niche in history. I heard of a man who spent all his spare time standing on a rail embankment. As the trains sped past he noted down the number of each freight car and the railroad that owned it.

In time he accumulated a longer list of freight car numbers than anyone that'd ever lived. To him this was enough reward—to have done something no one else ever had.

The other day another young man of this stern breed dropped in to tell me about his unusual claim to fame.

He was Jack R. Williams, 22, a tall, freckled, sandy-haired former U. S. sailor who believes he is the nation's number one jazz band fan, Sammy Kaye branch.

Scots Rush To Get 'Free' Medical Care

EDINBURGH—(P)—The canny Scots are rushing to cash in on Britain's new "free" medical service. "If all the applications made in Glasgow for spectacles are genuine, I can only assume that the population must be going blind," commented Sir William M. Marshall.

Sir William, chairman of the Lanark County Health Service Council, told a conference of health supervisors that in July alone there were 567,000 applications in Scotland for medical prescriptions—three times the monthly average under the old national health insurance scheme.

"Sleeping tablets with ten ounces of whisky was one of the prescriptions asked for," Sir William said. "Many people have asked for wigs."

He reported that 98 per cent of Scottish physicians have enrolled for service under the health plan. All Britons, who pay weekly health taxes, are covered under the "orb to coffin" national health plan which became effective last July.

times—so I just kept it up." Since then he has missed few broadcasts. Several times he has journeyed hundreds of miles—he gets a free bus pass—to hear and meet Sammy Kaye in person.

"He let me lead the band once," Jack said softly, and in the busy room I could hear the muted trumpets that would sound in his ears forever. "Everybody in the band likes me."

BANGKOK GANGSTERS BATTER SIAM BRIDGE
BANGKOK—(P)—Would-be ferry operators are blamed by a Siam communications ministry official for damage to a bridge near here. The official said log rafts had been released in the river, damaging the bridge supports. He surmised that a gang wanted to put the river crossing out of action so they could set up an alternate ferry crossing and make a profit.

Thirsty or Not? Grapette.

The character "Uncle Remus" first appeared in 1880 in the book entitled "Uncle Remus: His Songs and Sayings."

EXPERT PIE CRUST

You get tender flaky pastry every time with Aunt Ellen's Pi-Do. You can't go wrong. There's so little for you to do. Just add cold milk or water to Pi-Do and mix very lightly. Delicious pie crust is then ready for oven baking.

Aunt Ellen's Pi-Do never varies in quality. Only the finest of ingredients are chosen. Then in Pi-Do, these ingredients are blended perfectly by the carefully controlled Pi-Do Process. Your favorite food store has a generous supply of Pi-Do.

PI-DO
PIE AND PASTRY CRUST MIX

He can't duck

A bird can move before you pull the trigger, but a telephone wire can't duck. Last year, 2,500 wires were broken by stray bullets.

That's why we're asking all hunters not to shoot at birds on telephone wires or poles. One stray shot may break several long distance wires and interrupt important calls.
