Oil Editor

Magnolia Gets New Discovery In Scurry

A discovery for flowing oil production has been strongly indicated at Magnolia Petroleum Company No. 1 H. G. Moore, in Central Scurry County, three miles southwest of the town of Snyder.

This prospect, located 660 feet from south and west lines of section 207, block 97, H&TC survey, and one and one-half miles north and one mile west of the same company's No. 1 Winston, discovery of production from the Pennsylvania to open the Kelly field, flowed oil for four minutes at an estimated rate of at least 30 barrels per hour through one-half-inch bottom hole choke, during a drillstem test of a lime section at 6,865-85 feet.

Oil Flows In 11 Minutes

Sweet gas showed at the surface in three and one-half minutes. Oil cut drilling mud came to the surface in nine minutes and oil began flowing to pits in 11 minutes.

Operator flowed the oil to pits for four minutes and then closed the tool.

Some estimates on the flow were considerably above the 30 barrels per hour figure set by some observers. Corrected gravity was 39.4 degrees.

The drill pipe unloaded some oil while the tester was being pulled. Final recovery was two stands of oil and 620 feet of drilling water. Persons who have checked the water do not think it is from the section making the oil.

Operator is to take electric log survey and then run casing and make production tests.

Some geologists think the zone making the oil and gas is in the Canyon lime of the upper Pennsylvania.

Texaco Develops Oil In Gaines Glorieta

The Glorieta lime section of the Permian made oil on two drillstem tests at The Texas Company No. 1-3 Wharton field, two and one-quarter miles southeast of the Robertson field in South-Central Gaines County.

The first examination was at 5,920-5,960 feet, with the tool open five hours. Recovery was 30 feet of oil and 350 feet of gas cut mud. Gravity of the petroleum was approximately 32 degrees.

The venture then investigated the formation between 5,940 feet and 6,000 feet. The tool was open four hours. It recovered 800 feet of oil and 370 feet of oil and gas cut mud. This shows indicates a possible discovery from the horizon. Bottomed on 6,000 feet, the prospector was waiting on orders. Operator was undecided as to whether to drill ahead or try for completion on the current depth.

Location is in the northeast corner of the west three-quarters of section 3, block A-22, psi survey.

The development is an old well temporarily abandoned on 5,990 feet by Anderson-Friedland Oil Corporation. Texaco took it over and made new hole to the present depth.

Upton Discovery Is Put On Production

Richardson & Bass No. 1 Neal, Northeast Upton County discovery for flowing production from a Pennsylvania lime formation at 10,030-10,080 feet, has been officially completed as a producer, and is being put on production.

Located about seven miles northwest of the discovery of the Benedict-Ellenburger field, and 660 feet from north and 1,980 feet from east lines of section 3, block Y, GC&SP survey, this venture made a 24-hour potential of 341.88 barrels of 46.1 gravity oil, and no water.

The flow was through a three-eighth-inch bottom hole choke. Gas-oil ratio was 1,652-1. Open flowing tubing pressure ranged from 375 pounds to 550 pounds.

This new producer is several miles northwest of the Fred Turner, Jr., and J. M. Hewley, Sr., No. 1, and another Pennsylvania discovery on the northwest side of the Benedict area which was completed several months ago.

Scurry Pay Opener Flows At High Rate

Lion Oil Company No. 2 McLaughlin, Southwest Scurry County discovery from the Canyon lime of the Pennsylvania, 10 miles southwest of Snyder, and 660 feet from south and east lines of section 197, block 97, H&TC survey, is preparing to take potential test and complete as the opener of a new field.

This development took a series of production tests on the perforated section at 6,569-85 feet, and at 6,592-6,614 feet. Each zone had previously been washed with 1,000 gallons of mud acid.

During the last hour of the preliminary test the well flowed 153.44 barrels of high-gravity oil, through a three-quarter-inch tubing choke. There was no water.

Open flowing tubing pressure was 460 pounds. Gas-oil ratio was 1,000-1.

Should the well produce at the 153.44-barrel per hour rate regularly it would make 3,682.56 barrels of oil per day.

Midland Prospector Perforates Deeper

Tex Harvey Oil Company No. 1 L. B. Floyd, East Midland County wildcat, 13 miles southeast of the city of Midland, and 2,000 feet from city center.

Two-State Tornado Takes 50 Lives

Midland Bank Deposits Hit All-Time High

Registering an increase of more than five and a half million dollars over the corresponding date a year ago, combined deposits of Midland's two banks skyrocketed to an all-time record high of \$32,948,321.59 at the close of business December 31, they reported Tuesday in response to a national bank call by the comptroller of the currency.

Deposits Dec. 31, 1947, totaled \$27,442,162.03; \$5,506,159.56 less than the 1948 year-end figure. Deposits at the end of 1946 were \$22,570,177.80.

Loans and discounts were up \$2,624,267.17 over the same date a year ago. Combined loans of the two financial institutions totaled \$7,051,198.24 as compared to \$4,426,931.07 a year previous.

Steady Increases

Midland bank deposits have shown steady increases since 1932 when the total was \$1,273,832.61. The combined total in 1940 was \$4,921,968.65.

Deposits of The First National Bank at the year's end, Friday, totaled \$22,410,071.06 as compared to \$19,858,647.23 on Dec. 31, 1947. Midland National Bank deposits amounted to \$10,538,250.53 as compared to \$7,583,514.80 a year previous.

Loans and discounts of The First National Bank totaled \$4,531,466.32, and of the Midland National Bank \$2,719,729.92. The First National loans a year ago amounted to \$3,436,416.78, and of The Midland National \$990,514.29.

Coke Files Protest As Lyndon Is Seated

WASHINGTON—(P)—Lyndon Johnson was sworn in Monday as Texas' junior senator but a petition protesting his election was filed with the U. S. Senate.

Senate officials said the petition was signed by backers of former Texas Governor Coke Stevenson, who was defeated by Johnson in a heated race for the Democratic nomination.

The petition was received and is being referred to the Senate Elections Committee.

The petition and its accompanying data were described as "voluminous documents," which review the charges of fraud Stevenson alleges occurred during the election. Johnson got a majority of 87 votes out of about 1,000,000 cast.

Jap Reparations, Industries, Still Puzzle Commission

WASHINGTON—(P)—All the "more important" questions about Japan's future have been settled except reparations and the size of her industry, the Far Eastern Commission said Tuesday.

The commission issued a report summarizing nearly three years of its work as Allied governing body for the former enemy nation. It did not give any reason for the stumbling blocks it apparently has hit on the two remaining issues.

But an official who asked to remain anonymous indicated that Communist successes in the Far East have magnified both the industrial problem and the related reparations puzzle.

John S. Dublin Will Probated By Court

The will of the late John S. Dublin, Sr., was probated by County Court here Monday. Mrs. John Dublin, Sr., and John Dublin, Jr., were appointed executrix and executor without bond as directed by the will.

According to County Judge Clifford C. Keith, who probated the will, it recognized all property as being community property and the late Mr. Dublin directed in the will that all such property to which he lawfully was entitled be divided equally between his wife and son.

Eighty-First Session Begins

With the reading of a prayer, the Rev. James Shera Montgomery, on rostrum, chaplain of the House of Representatives, opens the Eighty-First Congress in the House Chamber in Washington.

Worst Cold Of Winter Grips Texas

Texas shivered Tuesday in the coldest weather of winter.

Temperatures ranged from zero at Dalhart in the Panhandle to near freezing along the coast.

Colder weather was in store for most of the state, especially in Southern areas, the Weather Bureau warned.

Livestock warnings remained in effect in West Texas.

The U. S. Field Station at Dalhart reported the thermometer dropped to an even zero during the night. At 8 a. m. it had risen one degree. A trace of snow was on the ground.

Amarillo was close behind Dalhart as the coldest spot in the state with two above zero. Other low readings included Clarendon 6, Pampa 4, Childress 16, El Paso 16 and Lubbock 12.

Thermometers tumbled. The cold snap hit the Rio Grande Valley and coastal areas early Tuesday, tumbling thermometers that recorded Summer-like temperatures Monday.

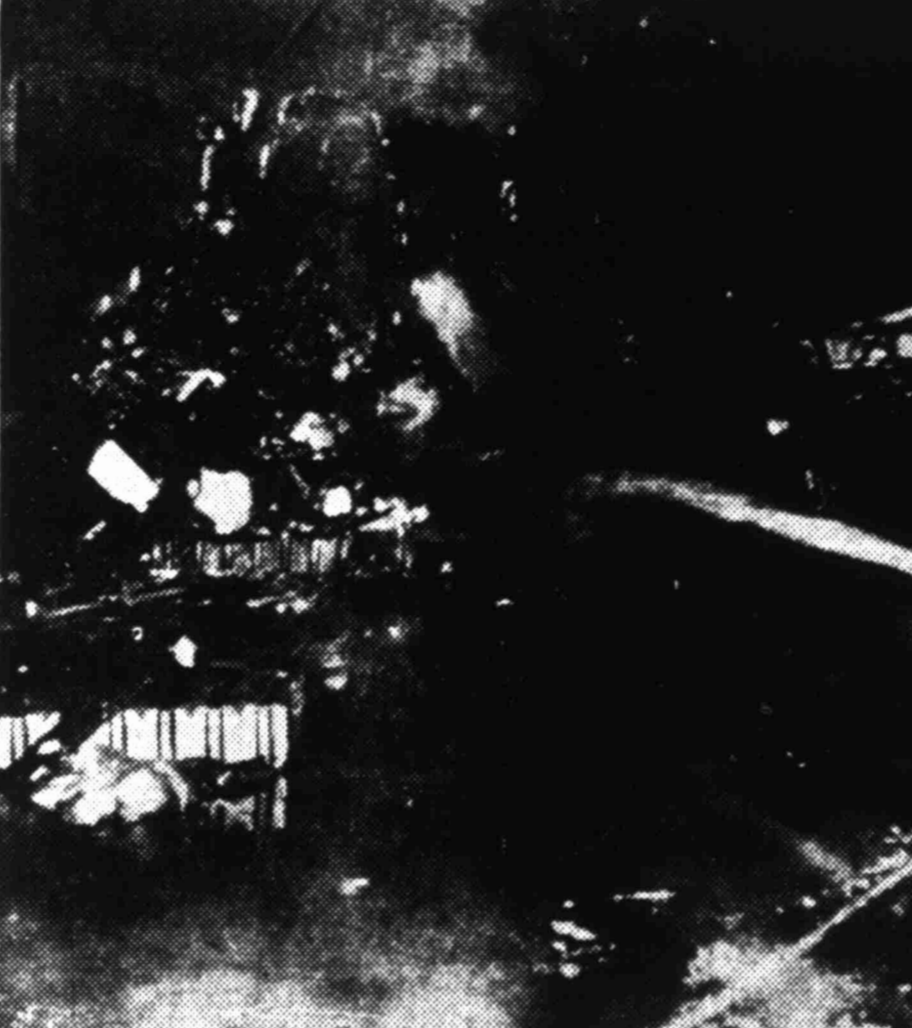

Snow remains on the ground in the Panhandle. Berger, which reported an unofficial two above zero Tuesday, had about an inch of snow Monday.

Other temperatures early Tuesday included Wichita Falls 20, Midland 20, Odessa 20, Abilene 20, Austin 36, Laredo 46, Sherman 25, Orange 53, Paris 28, Corsicana 30, Denton 25, San Antonio 42, San Angelo 23, Dallas 28 and Texarkana 41.

A three-inch snowstorm Monday left El Paso streets slushy.

The Highway Department Monday closed U. S. Highway 62 in the Guadalupe Peak area because of snow and ice.

14 Die In Air Crash

Fremont port water on burning section of a chartered DC-3 transport at Seattle, Wash., after it crashed into an earth revetment hangar at Boeing Field. Fourteen persons died in the crash, many of them Yale University students. It was in this section of the plane that most of those who died were riding.

Report Marines Preparing To Leave China Is Denied

SHANGHAI—(P)—Vice Admiral Oscar C. Bagdet Tuesday denied American forces were being withdrawn from China.

Admiral Bagdet, commander of the Western Pacific Fleet, said the "rumors were based on reports U. S. Marines had terminated their lease on the Shantung University Campus, where they maintained their barracks.

Bagdet made his denial in a cabled statement from his Tsingtao base to The Associated Press in Shanghai.

The statement did not say whether any agreement had been reached before negotiations ended for returning to the university the buildings the Marines have leased since the end of the war.

A Tsingtao report had said Marines were preparing to pull out because peace talks already were underway between Communists and the national government.

There were plenty of rumors, but no indication that either side had taken a single step toward actually negotiating an end to the civil war.

Wishful Thinking

Nanking heard rumors that Communists already have representatives in either Nanking or Shanghai. But there generally were discounted in the capital itself as wishful thinking.

Even government warplanes have joined the peace offensive, dropping leaflets on Red troops dropping them to lay down their arms.

Communist, whose armies dominate the military scene, have made no reply to any of the flood of pleas that they initiate peace negotiations. The Nationalist government has made no move since Chiang Kai-Shek's New Year's Day message. This expressed willingness to talk peace—on his terms.

The Tsingtao dispatch said some 3,000 United States Marines are leaving their barracks and boarding Naval vessels in the harbor. It reported they were expected to withdraw from Tsingtao, anchor off the U. S. Western Pacific Fleet, before January 25.

Stanton Man Draws Suspended Sentence

STANTON—Johnie Sherman, 39, indicted by a 70th District Court grand jury here Monday on a charge of cattle theft, Tuesday was given a five-year suspended sentence. He waived trial by jury and pleaded guilty to the charge before District Judge Paul Moss.

Sherman, long-time resident of Stanton, was arrested last month and signed a confession admitting theft of four cows from Martin County farms.

Sherman pleaded his own case Tuesday and the state was represented by District Attorney Martell MacDonald.

Nearly Half-Million Germans Still Held Prisoners By Soviet

WASHINGTON—(P)—The Western Powers have never had any word on the fate of about half of the 890,532 German prisoners of war Russia acknowledged early in 1947 that she was holding.

This was disclosed Tuesday when the State Department made public the text of a note to Moscow demanding an exact count of the prisoners still held. The fact the note had been sent had been announced 24 hours earlier.

In sharp language, the note reminded that Russia agreed with the Western Powers early in 1947 that all German prisoners of war would be discharged by the end of 1948. It said Soviet failure to comply with the agreement "can only be interpreted by world opinion as a breach of faith."

Statistically, the note set out this picture: Early in 1947, the Soviet said they had 890,532 German war prisoners. Between March 1, 1947, and March 1, 1948, they reported 252,395 returned to all four German occupation zones. Since the latter date, the Western Powers know only of 194,972 sent into the three Western Zones.

Midland County Has 15 Traffic Deaths In '48; One In City

A total of 15 persons met death in traffic accidents in Midland County last year, according to information released Tuesday by State Highway Patrolmen and the City Police Department. Only one of the fatal accidents occurred inside the city limits while death struck 14 times on the highways of the county.

The lone fatal accident in the city involved a train and a truck. A member of the train crew died from injuries received in the accident.

It took only seven accidents to end the lives of the 14 persons in crashes outside the city.

An additional 41 persons suffered injuries in 19 other accidents in the county.

Highway patrolmen from Midland investigated 45 accidents during the year while officers from the Midland Police Department investigated numerous others.

Mason Agrees To Return To Texas In Odessa Bank Case

SAN FRANCISCO—(P)—Capt. Joe Allen Mason, 28, World War II Army veteran who is charged with embezzling funds from an Odessa, Texas, bank, has waived extradition. He is under \$5,000 bond.

Captain Mason was arraigned here on a federal indictment returned by a grand jury in Peecos, Texas, which accused him of embezzling more than \$10,000 from the First National Bank of Odessa.

He was employed at the Odessa bank last Summer before resigning to reenter military service.

Mason told newspapermen he knew the money was missing but that he had nothing to do with it and is innocent of the embezzlement charge.

Postal Receipts Show Big Increase

Official postal receipts of the Midland post office for 1948 totaled \$217,625.76, a 26 per cent increase over 1947's \$172,759.29, according to figures released Tuesday by Postmaster N. G. Oates.

Receipts for the first quarter of 1948 were \$49,918.53; second quarter, \$51,597.47; third quarter, \$56,683.02; fourth quarter, \$59,428.78.

Man Makes Bond In Assault Case Here

W. F. Sanders, Jr., charged with assault with intent to commit rape, was released Tuesday on \$5,000 bond after paying a fine of \$50 and court costs on a separate charge of drunkenness in a public place. He was arraigned in Justice Court on the drunk charge which was filed as an outgrowth of the other incident.

Sanders is bound over for action by the District Court grand jury on the assault charge.

★ LATE NEWS FLASHES ★

LONDON—(AP)—An authoritative source reported Tuesday Britain has decided to recognize the American-sponsored Seoul government as the ruler of divided Korea.

WASHINGTON—(AP)—Rep. Doyle (D-Calif) Tuesday became the second House sponsor of legislation to surrender federal claims to tidelands. His bill is identical with that introduced Monday by Rep. Gossett (D-Texas).

DALLAS—(AP)—Ranger Capt. M. T. Gonzales announced Tuesday afternoon that a negro, held in a double-slaying at Waco, will be questioned in connection with the "phantom" slaying of five persons at Texarkana in 1946.

WASHINGTON—(AP)—Speaker Sam Rayburn said Tuesday he expects all of President Truman's legislative proposals to be received "with considerable favor."

WEATHER
Continued cold Tuesday night with some cloudiness. Lowest temperatures expected, 6-16 degrees in Panhandle and South Plains, 18-28 degrees elsewhere in West Texas. Wednesday partly cloudy and warmer in the afternoon. Maximum temperature Monday 84 degrees, minimum 39 degrees. Minimum Tuesday 22 degrees.

300 Injured In Arkansas Timber Town

WARREN, ARK.—(P)—This weeping and torn timber town Tuesday counted 46 dead and nearly 300 injured in the wake of a tornado which hit with a thundering roar late Monday afternoon.

Two other tornadoes killed four persons and injured more than 60 in Northern Louisiana and near El Dorado, Ark.

All through the night dazed survivors at Warren (population 7,500) stumbled through the ruins of a 20-block industrial and residential area, many aimlessly, others in search of relatives.

Warren is 100 miles southeast of Little Rock.

Doctors and nurses from nearby communities and from Hot Springs and Little Rock rallied on the stricken area. They worked through the darkness, rain and hail by lamp and candlelight to treat the stream of injured.

The dead, gathered by consent at a single funeral home, overflowed the small morgue into a garage.

Tuesday morning 150 National Guardsmen and State Policemen began the backbreaking task of prying through the wreckage in search of additional bodies.

Mayor Jim Hurley expressed fear other bodies would be recovered and predicted the Warren death toll would reach 500, maybe more.

Convicts equipped with bulldozers, picks and shovels aided in the task of clearing the debris. Mayor Hurley said damage, conservatively estimated, would reach the \$1,000,000 mark.

Identification of the dead was developing into a difficult job. Many of the bodies were cut to ribbons by falling or flying timbers and other debris. So far only 77 have been given names.

The storm struck at 5:45 p. m., and lasted only 15 minutes; but its arrival as most of the town prepared for supper was heralded by an ominous roar.

W. Parker Brown, watchman at the Bradley Lumber Company, said 11 men saved themselves by taking refuge around a locomotive in one of the shops. The engine was covered with snow after the storm.

Brown said he saw one man wrapped around a utility line "like a coil."

Fires Add To Tragedy

Electric, gas and water lines were broken. Fires broke out as a eerie glow to the nightmarish.

The Red Cross and Armed Forces sent in mobile kitchens and first aid stations.

The Navy installed a radio communication center to maintain contact with its Camden, Ark., ordnance plant and provide assistance to worn out but heroic telephone operators who stuck by their jobs.

A worker at the Bradley Mill, which employs about 1,800 persons, said the storm hurled huge timbers through the air like so many toothpicks.

So great was the force of the blow it picked up a heavy bus and bent it around a power pole.

The Louisiana blow sped down to Cotton Valley, scene of a similar disaster last year, killing a farmer and an 11-month-old baby. Twenty-nine Louisianians were injured.

After leaving Warren the storm skipped to the vicinity of El Dorado, killing two others and injuring more than a score.

Storms, Blizzards Leave Broad Section Of Nation Reeling

By The Associated Press

Storms in all forms—paced by a series of tornadoes and a blizzard—left a broad section of the nation from Wyoming to Louisiana reeling Tuesday.

Some 50 persons were dead. Hundreds were injured. Other hundreds were homeless and thousands were marooned in the blizzard area. Property damage mounted into the millions.

An early January blizzard—centering Tuesday in Northeast Nebraska—swept across the Plains States, dipped into the Texas Panhandle and howled into Northwest Minnesota.

Travelers Stranded

Temperatures plunged to as low as 23 below zero in Butte, Mont. Winds ranging in velocity from 40 to 80 miles an hour stirred heavy falling snow into huge drifts over the blizzard belt of the Dakotas, Western Nebraska, Western Kansas, Eastern Wyoming, Colorado and Northwest Minnesota.

Trains and buses in many parts of the storm area halted operations awaiting a break in the weather.

Many highways were blocked. Schools in several communities were closed.

Some 2,000 travelers were stranded in Northeastern Colorado and Southeastern Wyoming—areas hardest hit by the icy blasts for the last two days. Airplanes were to fly over the snow-swept plains—weather permitting—to hunt for ranchers and motorists in trouble. Stockmen expressed fear cattle losses would be heavy.

P-TA Council Plans All-Day Study Of Parliamentary Rules

A training course in parliamentary procedure for Parent-Teacher Association members was announced at the City Parent-Teacher Council meeting Monday afternoon in the office of Frank Monroe, school superintendent.

Mrs. Bert Cole outlined plans for the course, which will be given in an all-day session in the First Baptist Church on January 20, starting at 8:30 a. m. A covered dish luncheon will be served at noon.

Members of other organizations who would like to receive the training are asked to notify Mrs. Cole.

The meeting Monday opened with a prayer by Mrs. Stanley Erskine. Committee reports were heard, including one by Mrs. Earl Chapman or the Midland Youth Center.

Mrs. O. L. Stalcup, council president, urged each association to start study groups on subjects pertaining to its own interests, and to work on a four-point program of school education, parent and family life education, health and world understanding.

Others at the meeting were Mrs. C. E. McCall, Mrs. Willard Bumpass, Mrs. Frank Stubbeman, Mrs. Raymond Leggett, Mrs. J. C. Rinker, Mrs. Noel Cason, Mrs. K. C. Slough, Mrs. Lamar Lunt, Mrs. Inez Luce, C. F. Mathews, Wesley Martin and W. D. Ladd.

Women started wearing darker hose in 1948 with dark brown, black and navy blue new favorites.

New Lesson Series Starts In Asbury Church For WSCS

The first lesson of a study course based on Estelle Carver's book, "Newness of Life," was presented by Mrs. J. P. Carson, Jr., for the Woman's Society of Christian Service in the Asbury Methodist Church Monday afternoon.

A series of programs will continue the study of this book. The meeting next Monday will be in the home of Mrs. Clyde Gwyn.

In addition to the lesson, a discussion of the budget and pledges for the new year occupied a part of the meeting hour. Mrs. J. A. Andrews and Mrs. Carol Pirtle served refreshments.

Present were Mrs. Theo Ferguson, Mrs. George Damon, Mrs. Clyde King, Mrs. Gwyn, Mrs. Preston Pirtle, Mrs. Edith Wyatt, Mrs. Jess Hooper, Mrs. Lennox Hester, Mrs. Grace Wright and Mrs. Louise Moore.

Sunbeam Members At Meeting In Church Write Resolutions

New Year resolutions in the form of letters to their parents were made by the Sunbeam Band members who attended a meeting in the First Baptist Church Monday afternoon. Mrs. Roy Herrington, counselor, directed the program.

Games were played, and Ruth Ann Erskine and Linda Kay Murray led songs. Also present were Jimmy White, Dick Cason, Carol Ann Walker, Mike Dunagan, Donna Jean Edgmon, Edwin Thacker, James Thacker, Carol Winham, George Cason and Iris Neal.

Valley View Club Will Meet Thursday

Mrs. D. M. Bizzell, new president of the Valley View Home Demonstration Club, will be in charge of the meeting at 2:30 p. m. Thursday in the home of Mrs. Tyson Midkiff on the Andrews Highway.

Members will study yearbooks for 1949, the duties of club officers and committees, and the club constitution. A demonstration on hair styling will be given.

Afternoon and casual skirts were straighter in 1948. Large billowy ballerina skirts were worn for evening wear.

* WE, THE WOMEN

By RUTH MILLETT
NEA Staff Writer

A lot of educated, young housewives today are running around in circles trying to find some "real interest" for themselves.

They try first one club and then another. They go in for study groups, and they take courses. They don't want to be "just housewives" and they think the only way to avoid that is by "outside interests." They've been told that over and over—and they believe it.

The trouble is that many of them can't hit upon an absorbing, challenging outside interest.

For many of them the answer might be: "Quit worrying about the outside interests and do a better job of your main interest, homemaking."

No woman ever grew dull trying to enlarge her main job and do it with more intelligence, efficiency and grace.

But plenty of women who slide through their main job in life and spend a lot of their time and energy in trying to "find themselves" do grow dull and frustrated.

After all, her own home offers a woman more challenges than any "outside interest." If she puts her mind to it and looks on the job of homemaking as a creative job instead of just so much drudgery to be got through, she can easily see the challenges.

Most marriage relationships could be better understood and guided, most homes could be made more comfortable and pleasant, most men could be encouraged more in their work, most women could improve their own dispositions and characters and become more gracious in manner.

It's not a consuming outside interest that most homemakers need, but a more consuming interest in their main job.

Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try **Raminol**. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get Raminol at drugists today. Quick, complete satisfaction or money back guaranteed.

Visitor Honored At Party On New Year

Complimenting her daughter, Florence Ann Blank, who is a visitor from Philadelphia, Pa., Mrs. Kenneth Wolfe entertained on New Year's Day in her home, 101 East Kansas Street.

Miss Blank attended Moravian Seminary in Bethlehem, Pa., and will enter Bryn Mawr Hospital for nurses training in February.

Guests for the informal party included Elsa Pliska, Mary Jean Webb, Leita Moore, Betty Smith, Eula Ann Tolbert, Mrs. Sue Busby, Mr. and Mrs. Bill Thomas, John Nicholson, Paul Greenwood, Dick Banister, Robert Dean, Russel Shipp and Jimmie Gresset.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JAN. 4, 1949-3

View Of Future Programs Given At WSCS Tea For New Members

New members of the First Methodist Church and of its Woman's Society of Christian Service were special guests of the society at a tea in the Scharbauer Educational Building Monday afternoon.

The program offered a look into the future of the organization, with introduction of a new study course by Mrs. W. E. Chapman and a discussion of the Woman's Society's part in the "Four-Year Advance"

TB Association Meet Is Scheduled

Officers and directors of the Midland County Tuberculosis Association will meet at 7:30 p. m. Tuesday in the home of Mrs. Linnie H. Davidson, executive secretary, at 900 West Storey Street, President John J. Redfern, Jr., announced.

A report of the seal sale campaign will be heard and activities scheduled this year will be reviewed.

Council Plans Study, Work In Year To Come

With the new president, Mrs. Paul McHargue, in charge, the Woman's Council of the First Christian Church started a new year of work and study at a meeting in the church Monday afternoon.

Mrs. David C. Smith III gave the introduction to a study of China which will be the mission topic for the next six months. It was announced that Mrs. J. L. Bush will be in charge of a study series which will begin next Monday.

Mrs. Delbert Downing announced that a guest, Mrs. Clint Dunagan, will review the book, "Abram, Son of Terah," by Florence M. Bauer at a meeting in the church at 1 p. m. January 17.

Reorganization of circles for the new year was completed and circle memberships were announced. Mrs. Clarence Symes was the devotional speaker.

Other members present Monday were Mrs. Clyde D. McHam, Mrs. Wayne Moore, Mrs. E. N. Gideon, Mrs. E. C. Samford, Mrs. Frank Ingham, Mrs. George Ratliff, Mrs. Van Camp, Mrs. Al Boring, Mrs. S. P. Hall, Mrs. B. H. Spaw, Mrs. F. E. Curtis, Mrs. E. J. Pierce, Mrs. J. Roy Jones, Mrs. F. C. Cummings, Mrs. J. O. Hyde, Mrs. F. H. Pannell, Mrs. J. H. Elder, Mrs. Ivan Hood, Mrs. W. S. Dunning and Miss Josephine Guly.

THEATER TRY-OUTS STARTING

All Midland residents who wish to try out for a place on the cast of the Community Theater's next play, "I Remember Mama," are invited to report to the City-County Auditorium at 8 p. m. Tuesday night for the first readings. Joe Kogler, the Rev. R. J. Snell and Walter Beardsley comprise the casting committee in charge of try-outs.

"Ah-h! I Can Breathe Again!"

When your nose fills up with a stuffy head cold or occasional congestion, put a few drops of Vicks Vapo-rinol in each nostril and get comforting relief almost instantly! Vapo-rinol is so effective because it works right where trouble is to soothe irritation, relieve stuffiness, make breathing easier. Try it! Get Vicks Vapo-rinol Nose Drops!

Programs Of New Year For WMS Started With Dramatic Presentation In Church

Beginning the 1949 series of Royal Service programs which will have the general theme of "Christ, the Answer for the World," the Woman's Missionary Society of the First Baptist Church heard a program on "Christ, the Answer for the Individual" under leadership of Mrs. George Johnson in the church Monday.

Board Maps Early 1949 Activities Of Presbyterian Women

Executive board members of the Women of the Church of the First Presbyterian Church mapped plans for the remainder of the Winter at a meeting Monday afternoon in the home of the president, Mrs. J. Clifford Hall, who opened the session with a devotional talk.

Mrs. L. A. Roby, foreign missions secretary, outlined plans for the foreign mission study season of this month. Tentative arrangements were made for the scheduled visit of Mrs. C. S. Harrington of Houston on February 28.

Mrs. Harrington, who was a delegate to the recent World Council of Churches in Amsterdam, will speak here as guest of the Presbyterian women on that date.

Mrs. W. H. Gilmore, secretary of educational activities, reported on student work during the holidays, including a service in the church conducted by students at home from college and a breakfast sponsored by her committee for the college students.

Garden Club Civic Committee Sees Plan Of Cemetery Work

A blueprint of proposed improvements in the Fairview Cemetery here was shown to members of the civic committee of the Midland Council of Garden Clubs, who met Monday in the home of Mrs. Bob Hill.

Beautification of the cemetery is one of the committee's chief projects of this club year, and cooperation in their plans has been promised by the County Commissioners Court.

Committee members also discussed park plans for Midland, and highway entrance beautification. Representatives of all five of the city's garden clubs were present.

Each one present received a program folder with the picture of a burned-out candle under the caption "1948" and a freshly lighted candle captioned "1949." A large folder was placed on the platform with a globe beside it.

After a devotional talk by Mrs. J. M. White and a prayer by Mrs. O. Walker, Mrs. Stanley Erskine discussed "Our Need of Moral and Spiritual Power" and Mrs. J. S. Griffith "The Materialistic Age in Which We Live." Each placed beside the folder on the platform posters illustrating her subject.

With a discussion of the need to study the teachings of Jesus and His specifications for a better world, Mrs. Johnson removed the posters and opened the folder to reveal a large picture of Christ. Mrs. Richard Hinkle then spoke on the topic, "We Can Find Joy," and Mrs. G. D. Fuller on "How Are Human Beings to Live Together?" A vocal solo, "O for a Thousand Tongues," was presented by Mrs. Robert Goff. Mrs. Johnson closed the program with the topic, "The Four-Way Highway of Spiritual Life."

Present, in addition to those on program, were Mrs. F. H. Lanham, Mrs. Albert Clemens, Mrs. R. O. Walker, Mrs. Barbara Wall, Mrs. S. C. Dougherty, Mrs. J. W. Schroder, Mrs. E. H. Thacker, Mrs. O. L. Stalcup, Mrs. Dewey Pope, Mrs. J. B. Bain.

Mrs. Joe Wright, Mrs. J. C. Rinker, Miss Alta Merrill, Mrs. Noel Cason, Mrs. J. O. Vance, Mrs. Floyd O. Boles, Mrs. Vernon Yearby, Mrs. Clint Dunagan, Mrs. Ernest Neill and Mrs. Earl Godwin.

BOONE CLASS MEETING

The Boone Bible Class of the First Methodist Church will have a business meeting and covered dish luncheon in the church Wednesday, beginning at 12:30 p. m. Luncheon will be served at 1 p. m. The church nursery will be open.

STAR CLUB TO STUDY

The Star Study Club will have a regular study meeting Wednesday at 2 p. m. in the Masonic Hall. All members are asked to be present.

UNDERGOES SURGERY

Mrs. R. R. Gray of Midland underwent surgery Monday in a Lubbock hospital. Her condition Tuesday was said to be satisfactory. Russell Holster, Mrs. Gray's son, returned to Midland from his mother's bedside Monday night.

+ Rankin News +

RANKIN — George Ashburn, Crane County treasurer, and Mr. Oulp, technician of the Crane hospital, were Rankin business visitors Friday.

Mr. and Mrs. E. D. Yates spent the holidays in the home of their daughter, Mrs. Jake Cockrum, and family.

Mr. and Mrs. Lawrence Holcomb left Friday night to spend the New Year weekend with Mrs. Holcomb's mother at Brownwood.

R. C. Schlagal, Jr., left Friday to visit in San Angelo and Crowell. The Hardt family held a reunion in the home of the Rev. and Mrs. D. G. Hardt during the holidays.

Here for several days with their parents were Earl G. Hardt of Abilene, Mr. and Mrs. James Williams and son, Albert Sydney, of Paducah, Mr. and Mrs. Sterling M. Hardt of Galveston, and Mr. and Mrs. Milburn McNeill of Corpus Christi.

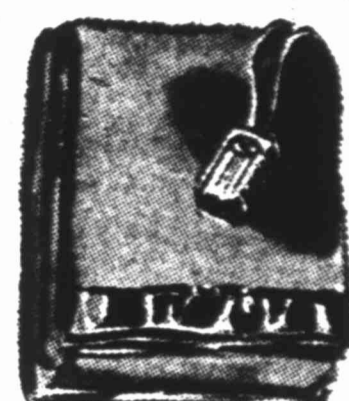

Mrs. Luella Dean has been a patient in a McCamey hospital the last week.

Mrs. Worth Allen and children of Sterling City visited friends in Rankin Thursday.

STOLEN FROM CAR
Richard L. Patterson reported to police Monday that two watches and boxes of cigars were stolen from his automobile parked on West Washington Street.

Texas Baseball Is Wacky, Wonderful

By WILBUR MARTIN
Associated Press Staff

It's only a few more than a hundred days until Texas' 1949 baseball season opens.

It promises to be wackier, more profitable and more fun than even last year.

The 1948 season was so wild it was wonderful; so big it was lucrative.

A game was forfeited for lack of balls, bats or uniforms. One player hit four home runs in a single game. A first baseman made a put-out at third on a sacrifice bunt down the left field line. Scores ranged from 1-0 to 40-4, and 3,272,935 fans in Texas paid to watch the many doings and, sometimes, old-fashioned close play.

Texas baseball was bigger than ever by two clubs—San Angelo and Del Rio in the Class D Longhorn League. It was more profitable than 1947 by 200,000 paid admissions.

1948 Prospects Brighter

The prospects for the '49 season are even brighter. There is a new league, the South Texas. And whispers of another, to be formed in East Texas.

Overall, it was the biggest and most profitable year the sport has ever had in Texas. It was a wonderful magnet that used such antics as these to pull fans through the turnstiles:

First Baseman Bob Moyer of Dallas in the Texas League made the putout at third base when a San Antonio player attempted a sacrifice bunt—down the third base line.

Marshall had to forfeit a Lone Star League game because it had no balls, bats or other physical equipment. This situation lasted briefly.

Joe Fortin of Pampa hit four home runs in one game in the Wild West Texas-New Mexico League. This was the circuit in which Bob Crues of Amarillo tied organized baseball's home run record with 69

Down SPORTSLANE

—With TANNER LAINE

HERE: Eddie Chiles, Jr. of Midland is one of the favored exes of Oklahoma University who got to see first hand the football used in the last Oklahoma-Texas game.

The ball is being circulated among the ex-Sooners and was sent here for Eddie to display awhile.

Eddie keeps close tab on his alma mater and is one of its strongest ex-student boosters. Last Summer we remember a pleasant chat with Coach Bud Wilkinson (O. U. head coach) in Chiles' office here.

And that ball came from a great school which had a great team which had a great year in football, right Eddie?

—SL—

THERE: At Big Spring, there are four ex-high school coaches of BHS to keep tab on the present mentor, Mike Stockton.

The four ex-coaches are Alfred Collins, Oble Bristow, Pat Murphy and Johnny Dibrell. Collins is a druggist; Bristow is an oil man; Murphy is a soft drink dealer; and Dibrell runs a sporting goods firm.

YONDER: Bill Chandler, Marquette University basketball coach, notes that his players require more time now to prepare for games. Besides treading and taping, as before, they now take time to comb their hair neatly.

The reason, says Bill, is that Marquette's games are being televised. What, no pancake makeup?

Not only did the Southwest Conference make a clean sweep of the bowl games in which its teams participated, but it maintained its good bowl slate.

Every team in the SWC has played at least one bowl game in history. And here is the record:

Time Out

over-the-fence blows in a 140-game season.

Midland 46, Del Rio 4

Dallas smacked Tulsa 31-1, one of the highest scores in modern Texas League history.

Wichita Falls defeated Texarkana 31-9, biggest score ever recorded in the Big State League.

Midland ran up a 31-0 count over Del Rio in the Longhorn League, then later stomped the Cowboys 40-4.

Two seven-inning games between Borger and Pampa consumed four hours and 20 minutes of playing time in the West Texas-New Mexico League.

Big Spring scored 13 runs in the first inning of a game with Sweetwater, managed to outlast the Sports 27-21.

Out Go The Lights

In a Shaughnessy playoff game between Fort Worth and Tulsa in the Texas League the lights went out with a batted ball in midair. Fair? Foul? Bat again, ruled the umpires and League President J. Alvin Gardner backed the decision.

Clovis didn't like an umpire's decision, walked off the field. Ablett got a 9-0 forfeit. Clovis got a fine.

Sel Serafini of Clovis hit two home runs in the fifth inning of a game with Abilene. The Pioneers scored 13 runs in this frame, won the game 26-7.

Outfielder Jim Matthews of Texarkana made an unassisted double play in a game with Waco.

In the Big State League . . . This could go on and on and on. Records were set and shattered from inning to inning.

There was good baseball and bad baseball. But all of it caused Texans to set new attendance records. Batter up! 1949 season on deck!

Herman Hickman takes time out for a swim in a Miami pool. Hickman drilled the North's team of college football players which met the South's squad in the Florida city on Christmas night in a Shrine benefit for crippled children. Yale gave the Big Man a new five-year contract as head coach.

Mustangs, Frogs To Open Cage Play

By The Associated Press

Southern Methodist University and Texas Christian open the Southwest Conference basketball season Tuesday night at Fort Worth.

Seven conference games are scheduled this week and pre-season play puts defending champion Baylor and the University of Texas on the spot as favorites to take the crown.

Texas won an easy, 69-40, non-conference victory over Sam Houston State Monday night.

Tom Hamilton and Slater Martin paced the Longhorn triumph. Hamilton netted 17 points and Martin 15.

Sam Houston compiled a sensational record at the free throw line—hitting 18 without a miss.

The victory was the ninth for Texas in eleven starts this season.

Santa Monica Pro Leads LA Qualifiers

LOS ANGELES—(AP)—Eric Montis qualifying brilliance in unfavorable weather planted him up front Tuesday as a challenger of golfing greats in the \$15,000 Los Angeles Open starting Friday.

The bespectacled Santa Monica, Calif., pro conquered high wind and low temperatures in shooting 70-67-137 to lead 84 qualifiers surviving the firing at eight courses Monday. Forty-four others were exempt, making a field of 128 for the tournament, which drew 383 entries.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JAN. 4, 1949

AGAINST BIG SPRING—Purple Fives To Dribble Tuesday

It's basketball Tuesday night—good basketball. The Midland Bulldogs meet the Big Spring Steers in a 3-AA conference tilt in the MHS gym. Varsity gametime is 8 p. m. with "B" teams of the two schools playing the curtain-raiser at 7 p. m.

Big Spring is favored because of its record. But Midland will be scrapping and could upset the visitors. Big Spring has won 10 and lost on this season. Midland has broken even in six contests. The two have not played a common opponent for comparison.

Coach Johnny Malaise brings a quietest here for the varsity set-to which is not too tall but very capable. Leaders are Howard Jones and Cui Grigsby. Both are dangerous sharpshooters.

Coach Jack Mashburn of Midland will put a hustling five on the maples. Scoring ace is Larry Messersmith, who can wage a one-man war on anybody's court. Mashburn is apt to put Max Harris, crack guard, on Jones or Grigsby. Harris was able to hold Odessa's ace Roth down when Midland trimmed the Bronchos earlier in the season.

Tough "B" Game

Other starters for Midland are expected to be Lloyd Henderson, Harry Smith and Reed Gilmore. Ready for replacement duty are Kent Miller, Don Deel, Don Bizzell, Larry Buckingham and Jimmy Conline.

Midland's "B" outfit, sparked by Mickey McGee and the Phillips boys, Oliver and Billy, will face a tough foe in the curtain-raiser. Big Springs' seconds have lost but one encounter this season while winning a half dozen.

Midland's A and B cagers go to San Angelo Friday night for a brace of games, the varsity go being conference competition.

SMU Mentor Rates Walker, Bo McMillin Football's Greatest

DALLAS—(AP)—Matty Bell of Southern Methodist rates Doak Walker and Bo McMillin as the greatest football players of his experience.

"In both cases, football is their life," he says.

McMillin was All-American quarterback at Centre College back in the 1920's and Bell played on his team.

Walker, a two-time All-America with another year to go, is the spark of Bell's victorious Cotton Bowl team.

Probably the most amazing thing about the 163-pound, shy, handsome Walker is his popularity on his own team.

Unobtrusive Modesty

The basic reason for the regard in which his teammates hold Walker is his genuine, unobtrusive, modesty.

Last year when he won Associated Press All-America honors for the first time, he wrote a letter of appreciation and thanks—the only such received in many years.

Walker does not look like a football player, particularly when he is in the team dressing room amidst boisterous young giants. He speaks quietly in a sandy, southwestern drawl, and although well muscled there is nothing to suggest that he is a driving athlete of the playing field. He seems conspicuously small—a smallness that disappears when he puts on his uniform.

Fabulous Record

His record is fabulous. Playing part of the 1945 season, and all of 1947 and 1948, Doak has: Carried the ball a total of 353 times for a gain of 1,751 yards. Thrown 173 passes, completing 99 for 1,112 yards. Caught 24 passes for 435 yards. Punted 58 times for an average of 35.8 yards. Returned 45 punts for 664 yards. Scored 28 touchdowns and made 42 points after touchdowns.

Even with Oregon's defense concentrating so hard on Walker in the Cotton Bowl that a nine-day run was his longest of the day, he clearly led his team to victory, aided materially by Rote.

"He is a great player," said Coach Jim Aiken of Oregon. "He was the difference between the two teams. He was effective because we were always afraid of what he might do."

Wayland Graduates From JC Association

PLAINVIEW—(AP)—Wayland College has been declared ineligible to participate in the Texas Junior College Athletic Association.

Charley Redin, coach of Wayland's defending basketball champions, said the eligibility committee for the league declared the Pioneers ineligible because the college will offer four year degrees this year.

Frank Phillips Junior College of Borger will replace Wayland in the west zone of the league.

Yankees, Packers Sign College Stars

NEW YORK—(AP)—The New York Yankees of the All-America football Conference have signed three new college players.

They are Fullback Tom Landry of Texas, Halfback Jerry Williams of Washington State and Guard Ken Sinosky of Nevada.

The Yankees beat out the National League Giants for the services of Landry, who scored the second touchdown for Texas against Georgia in the Orange Bowl Saturday.

Stan Heath, college football's No. One passer in 1948, has signed a contract to play this year with the Green Bay Packers of the National league.

Abstract, Accounting Offices Are Moved

Frank True, B. C. Girdley, Jr. and Ben Franklin have announced the removal of the offices of the Allied Commercial Services, Security Abstract Company and Franklin's accounting office from 106 North Loraine Street to larger quarters at 108 South Loraine Street.

The move was made over the weekend and the firms now are open for business at the new location.

There are 4,750,000 commercial truck drivers in the United States.

Alcoholics Anonymous

If you have an alcoholic problem, we can help you! Box 536, Midland, Texas

Former Cat Skipper New Waco Manager

WACO—(AP)—Buddy Hancken will manage Waco in the Class B Big State baseball league next season.

Hancken, who managed Ballinger of the Longhorn League in 1947 and guided Greenville in the Big State part of last year, replaces Buster Chatham. Chatham goes to New Orleans as assistant coach and manager.

Waco—January 26, 27, 28, 29 and 31, Waco Boys Club.

Wichita Falls—January 18, 19, 20 and 21, Wichita Falls Boys Club.

Poage And Powers Win Ozona Roping

OZONA—Walton Poage of Rankin and Louis Powers of Ozona defeated Tom Powers and Vic Montgomery, both of Ozona, in a matched calf roping Sunday at the Joe Davidson Ranch. Each man roped six calves. The Poage-Powers team had a total time of 215.2 seconds against 256.7 for Powers and Montgomery.

Three two-man matches were staged, with each cowboy roping six calves. Bill Lowe of Crane beat Vic Montgomery 102.1 seconds to 119.2. Lowe also beat Louis Powers 84.4 to 132.9. Tom Powers nosed out John D. Holliman of Ozona 101.1 to 103.4.

The first seven stories of one hotel in Cincinnati, Ohio, are entirely windowless.

Daddy Ringtail

Daddy Ringtail And Mrs. Twifftail

By WESLEY DAVIS

Sammy and Bobby Ringtail, the monkey boys, were going to have supper with Mrs. Twifftail and her squirrel girls, Nancy and Nute. But Sammy said, "I don't like prunes. I hope that Mrs. Twifftail doesn't have any for supper."

"Thank you, Mrs. Twifftail!" they said together, trying to be as nice as the little squirrels. They didn't push or shove, and they didn't step on anyone's tail.

good things to eat were on it, but there were also some prunes, which Sammy didn't like at all. But he didn't say anything, of course. He ate the prunes first, so that they would be out of the way.

Sammy ate them again as fast as he could, so that they would be out of the way for him to eat the other things that he liked to eat.

But Mrs. Twifftail said, "I don't like prunes very much. I don't like prunes very much."

Sammy ate them again as fast as he could, so that they would be out of the way for him to eat the other things that he liked to eat.

Oil & Gas Log-

(Continued from page 1) north and 660 feet from east lines of section 15, block 37, TP survey, T-3-S, had perforated four zones in the Pennsylvanian, and was preparing to swab and test natural, and then follow by acidizing and testing further.

The venture had perforated at 10,205-225 feet with 120 holes; at 10,338-344 feet with 24 holes at 10,396-420 feet, with 180 holes, and at 10,445-465 feet with 120 holes.

This exploration swabbed 47 barrels of 39 gravity oil and n d water, after the sections at 7,865-75 feet and at 8,045-55 feet, in the lower Permian, had been treated with 1,000 gallons of acid.

It had drilled to a total depth of 12,053 feet in Ellenburger which had no possibilities of petroleum production.

Getty Turns Large Block In Tom Green

George F. Getty of Los Angeles, is reported by unofficial sources to have sold an oil and gas lease on a block of 4,004 acres in Southeast Tom Green County, to Pan-American Production Company for approximately \$1250 per acre.

The acreage covers the R. S. Waring ranch, on which Getty acquired the lease about a year ago. It sets in about two miles southeast of the Plymouth Oil Company No. 1 J. Wiley Green, recently completed as a flowing discovery from the Strawn lime of the Pennsylvanian.

No official information is available regarding any plans Pan-American has for the property. However, it is expected that an exploratory well will be drilled somewhere on the Waring acreage some time in the near future.

Plymouth Completes Producer In Benedum

Another commercial oil well was completed in the Benedum-Ellenburger field of East-Central Upson County.

It was Plymouth Oil Company No. 1-48 Ellen, 660 feet from south and east lines of section 48, block Y, CCSD&RGNG survey, one-half mile north and one mile west of the discovery well to open the pool. Total depth 11,338 feet in the Ellenburger. The well was completed from the open hole between the total depth and 11,290 feet, where a 5 1/2-inch liner was cemented.

On a 24-hour, it flowed 711 barrels of oil through a 3/8-inch choke. Gravity of the petroleum was 38 degrees. Gas-oil ratio was 3,940-1.

No water developed on the test. Tubing pressure was from 1,250 pounds to 450 pounds. Casing pressure was 1,450-1,700 pounds.

Bronte Field Gets Third Oil Producer

American Republics Corporation No. 1-A, third well to reach the Palo Pinto line pay section of the Pennsylvanian, in the Bronte field of East-Central Coke County, and 660 feet from south and 1,980 feet from west lines of section 45, block 1-A, HATC survey, has been officially completed as a producer and a one-quarter of a mile extension to the field.

On a 24-hour flowing test the well produced 352 barrels of 46-gravity oil, and no water, through a three-quarter inch tubing choke.

The pay section is at 4,378-4,420 feet. The interval had been treated with a small amount of acid.

Open flowing tubing pressure was 50 pounds, an increase from the 20 pounds tubing pressure shown on a preliminary test.

There was no casing pressure as a packer was set on tubing at 4,370 feet. Gas-oil ratio was 312-1.

During the first ten hours of the completion test the oil flow averaged 10.5 barrels of oil per hour. During the last 14 hours of that test the flow averaged 15 barrels of oil per hour.

Gaines Failure Is Being Abandoned

Anderson-Pritchard Oil Corporation was planning to abandon its No. 1 Boidin, northeast Gaines County wildcat, 13 1/2 miles southwest of the town of Seagraves.

The venture drilled to 5,200 feet, encountered no possibilities of oil or gas production and is being left on that depth.

The dry hole is 660 feet from north and west lines of section 41, block H, D&W survey.

Giesen Promoted In Transfer To Midland

Alfred H. Giesen of Hearne, division superintendent of the products line division of The Texas Pipe Line Company, has been transferred to the Texas-New Mexico Pipe Line Company as assistant to Ralph Trost, division manager, with headquarters at Midland, effective January 1, R. F. Dorsch is being promoted to division superintendent of the products line division of The Texas Pipe Line Company.

Effective January 1, the communications division, which heretofore has been part of the oil traffic division, is being set up as a separate division with O. V. Summers as division superintendent, at Houston, and P. F. Davis, as assistant division superintendent, at Tulsa, Okla.

Scouters Meet For Monthly Roundtable

The regular monthly roundtable for Scouters held at the Boy Scout office Monday night was well attended.

Plans were discussed for the observance of the 39th Anniversary of the Boy Scout movement, February 6 to 12.

Projects planned include church attendance by units, window displays, Scout and Cub demonstrations and unit open house.

L. E. Patterson, commissioner for the El Centro District, presided.

Latin American Is Charged In Theft

Willie Bustillos, Midland Latin American, was charged in Justice Court here Monday with theft of property valued at more than \$50. Officers filed charges after they found a statue which was stolen from Fairview Cemetery several weeks ago in Bustillos' possession.

He was released on \$750 bond and is to appear for action before the District Court here at the next session.

Texan Decapitated In Highway Crash

EL RENO, OKLA.—(AP)— Joseph T. Hudson, 33, Gruver, Texas, was killed Monday in a highway accident three miles south of here on U. S. 81.

Trooper Garland Etheridge of the Highway Patrol said Hudson, driving alone, apparently lost control of his light sedan and crashed into a tree. Hudson's head was torn from his body.

MIDLANDERS ATTEND BELL FUNERAL RITES

Mr. and Mrs. M. C. Ulmer and Ed Rountree returned Monday night from El Paso, where they attended funeral services for Mrs. Lee Bell who died at her home in El Paso late Friday.

Mrs. Bell, a former Midland resident, was a sister of Mrs. Ulmer and Mr. Rountree.

E. F. COWDEN IN MIDLAND HOSPITAL

E. F. Cowden, Midland rancher, was admitted to the Western Clinic-Hospital about 3 p. m. Monday with double pneumonia. Though his condition was considered serious at the time, hospital authorities said he rested well Monday night and was much improved Tuesday.

Dr. Rimmer Shows Africa Travel Movies

Dr. Harry Rimmer, extensive traveler and noted archeologist, is showing colored moving pictures of his travels in Africa each night following his message at 7:30 o'clock in the First Baptist Church auditorium.

The African trip began as an archeological expedition but turned into a big game hunt when a lead proved false. Dr. Rimmer has written several books and lectured extensively over the nation.

PASTOR REPORTED TO BE IMPROVED

The Rev. Clyde Lindsey, pastor of the First Christian Church of Midland who has been ill in a Midland hospital, was reported "very much improved" by hospital attendants Tuesday.

WYATT HEDRICK HERE

Wyatt C. Hedrick, Fort Worth architect, was a Midland business visitor Tuesday.
