

NOW AT \$41,600

## Fund Drive Climbs To 55% Of Goal

"LIKE A lustrous pearl, set amid a cluster of emeralds, lies the little city of Friona, in Parmer County, in the Texas Panhandle."

So goes the opening line of a Friona Chamber of Commerce brochure, published in 1929.

Our predecessor, the original editor of the Friona Star, J.W. White, was responsible for the glowing attributes to Friona. Many of the statements, although written over 44 years ago, still make good Chamber of Commerce copy.

"It is located on the main line of the Santa Fe Railroad, extending between Chicago and Los Angeles. Friona is the natural and logical commercial center of that part of the Panhandle in which it is located, and also of a large portion of Curry County, New Mexico," the narrative continued.

We continue with excerpts from the old brochure—

"Friona is abundantly supplied with highways, both state and county, which enable shippers and shoppers to easily get their products and wares to and from town. While as yet we have no paved roads, our highways are unsurpassed by any dirt roads in the land."

"The atmosphere of the Friona country is light and dry, and therefore invigorating and healthful. It is especially beneficial for lung and throat trouble.

"The altitude, which is about 4,000 feet, places it above the malaria germ and there is, therefore, no malaria or kindred diseases. It also frees us from the almost torrid heat of the lower altitudes and affords cool nights, even in the warmest parts of the year, and thus assures a good night's rest after the labors of the day.

"The climate is mild in winter and cool in summer, with usually sufficient rainfall to insure good production, and total crop failure is a thing unknown here.

"Water, which is cool, clear and 99 per cent pure, and therefore well suited for drinking and domestic purposes is obtained through wells, from stratum of water-bearing sand or gravel, lying at a depth of from 150 to 250 feet below the surface. No country has any better water than is found here.

"In addition to what has been said concerning the town itself, it is surrounded by a vast expanse of level prairie land, having a deep, rich soil, fully adapted to the production of all the grains, fruits and vegetables (which were then mentioned).

"This expanse extends in all directions far beyond the described school district, even over into the bounds of our sister state of New Mexico, forming a large trade territory for Friona. At least 95 per cent of this land is tillable, and at this writing, not more than 40 per cent of it is in cultivation.

"Friona numbers among its public utilities a very satisfactory system of water works, which is constantly expanding to keep pace with the growth of the city.

"Friona farmers have adopted the most modern and efficient modes of preparing the soil and gathering the crops. Power farming has almost supplanted the slower method of horse power, and tractors of all the leading types are seen and heard on all sides in the tilling of the soil.

"Last, but by no means least, we will state that the living conditions in and near Friona are abreast of those of any small city or rural community in the land. The latest and most efficient methods of farming are employed by our farmers.

"Our public utilities are gradually growing and expanding. Progressive thought is advancing. Our people are up-to-date in education, culture, religion and all modern conveniences, and play "second fiddle" to no one. Our schools are among the best. Our churches are religious centers. Our Chamber of Commerce is active.

"Come and buy, while yet there is an abundance of room and while buying is good, and help build a home and a community the peer of any on earth."

Kinda makes you want to move there, doesn't it?

The fund drive for the Community Center Showbarn stood at \$41,600.15 as of Tuesday noon, according to Jerry Hinkle of Friona State Bank.

This was up by approximately \$7,000 over the figure reported a week ago of \$34,673.00, and represented 55 per cent of the goal of \$75,000

established for the drive. "We also have about an additional \$4,000 in solid pledges that we feel that we can count on, but have not received as yet," Hinkle said.

The additional \$4,000, if and when received, would boost the total up to 60 per cent of the \$75,000 goal.

Among the checks received during the past week was one for \$1,000 from the Friona Jaycees, which represented a portion of the money the club received on the sale of its arena recently to the Friona Riding Club.

### OTHERS WILL HELP

Hinkle stated that other clubs and organizations also have indicated that they would assist the fund drive, but some are awaiting official action by the club.

Also, some larger corporations with boards of directors are awaiting official action by the boards before a donation can be made.

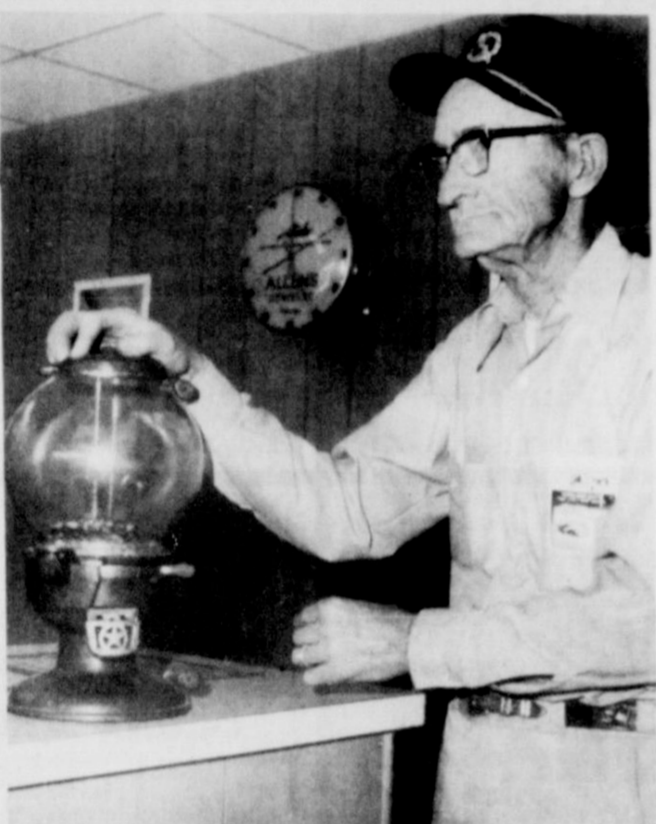

Biggest majority of the money raised to date has come from the immediate Friona area, but drives in other communities in the county, who are supporting the effort on

behalf of the county showbarn aspects, are expected to add to the total, and perhaps help inch the total toward its goal.

A drive in Farwell, headed by Leon Langford and Gilbert Kaltwasser, was kicked off with a goal of raising \$5,000 for the fund.

Drive officials continue to be optimistic that the goal will be reached, and that construction on the facility is virtually assured. However, they indicate that the last 40-45 per cent of the goal may be the hardest to raise.

"We urge the workers to contact every individual in their territory, so that everyone may have an opportunity to participate. No donation is too small. We need everyone's help to put the drive over the top," one of the officials stated.

VANISHING BREED...Sam Williams prepares to use the penny peanut machine at Friona Consumers, but the machine's days are numbered. It's about to be replaced by a nickel model, marking the passing of an era.

## Schools Need Names Of Starting Students

Friona Elementary School needs to have the names, addresses and birthdays of all children who will be first grade students or kindergarten pupils for next school year—1973-74.

"We plan to have a Pre-School Day for these children before school is out," stated elementary school principal J.T. Gee. Gee stated that most times it is a routine matter to find the names of those prospective first-graders or kindergarten students who have older brothers or sisters in school, but that those who will be starting for the first time are sometimes hard to locate ahead of time.

"If you have a child or know of a child that will start to school next year, either first grade or kindergarten, please either drop us a card at Box 1058, or call the primary school, 247-2240," Gee stated.

First grade eligibility includes all children that will be six years old on or before September 1, 1973. Children who will be five

years, seven months old on September 1 are eligible for kindergarten in 1973-74. In other words, those born after September 1, 1967 and on or before February 1, 1968 are eligible to attend the school kindergarten program.

Classes also are available to the educationally handicapped children as young as five years of age; those whose family income is less than \$3,000 per year, and those who cannot speak English well enough to do first grade work.

No precipitation.

## Penny Purchase On Way Out

A piece of Americana in Friona is about to go the way of the Model-T Ford and the penny post card. The penny peanut machine, a long-established American institution, is about to be replaced at Friona Consumers. The supplier says when the present stock of peanuts is gone, the machine will be replaced by a nickel model.

Sam Williams, Consumers' assistant manager says he doesn't know how long the machine has been at the office, but it had been there as long as he had.

But apparently, another tradition is about to fade into just a memory.

There are a few other penny peanut machines around town, and their fate isn't known for sure.

However, they will no doubt be a thing of the past in a relatively short time.

## Absentee Voting Begins

Absentee voting began Monday for two local elections scheduled for Saturday, April 7.

### Six Candidates File For Posts At Lazbuddie

The Lazbuddie Independent School District will hold a school trustee election at the school auditorium April 7 to elect three trustees.

Incumbents Elvis Powell will seek re-election. Other candidates for election are—Ray Precure, Wayne Clark, Marvin Mimms, Marshall Williams and Billy Weir.

Jack Smith will serve as election judge with Claude Gregory, Jr. and Debose Carpenter as clerks. Absentee voting began March 19th and will continue through April 3, at the superintendent's office.

The elections are the City Council race and the school board race.

Five contestants have their names on the ballot for the three city council seats. Contestants are Dr. Robert Alexander, Troy Young, Glenn E. Reeve, Sr., Kenneth Williams and Martha E. Bates. Dr. Alexander and Young are incumbents in the city race.

Only three candidates have filed for the three positions expiring on the school board. They are Floyd Schueler, Doyle Elliott and Mrs. Cliff Porter.

Absentee voting is taking place at the City Hall for the city election, and in Superintendent Alton Farr's office for the school election, and will continue through April 4.

SPRINGTIME...Tuesday was the official first day of spring, and it was a lovely day in Friona. Mrs. Delton Lewellen, 16-year-old daughter of Mr. and Mrs. Delton Lewellen, admired some early fruit blossoms which are beginning to give evidence of the new season locally.

CINDY HUTSON

## Cindy Hutson Slates All-Star Duty Saturday

Cindy Hutson, Friona High School senior, will participate as one of the first ten selections for the Third Annual Panhandle Girls' High School All-Star Basketball Game Saturday in Amarillo.

The All-Star game precedes the championship contest of the Fifth Annual Amarillo National Women's Invitational Tournament. Game time is 7:05 p.m. in the Amarillo Civic Center Coliseum. The game will be televised on Channel 4.

Miss Hutson a 5-6 guard, will represent the West team. She lettered three years for Friona, and was All District 3-AAA choice this year.

She averaged seven rebounds and seven steals per game.

Only seniors are eligible for the all-star game which matches 14 member teams representing the East and West of the Texas Panhandle.

Coaches of the West team are brothers Jim Crabb of Sayre, Okla. and James Crabb of Mangum, Okla.

Johnny Ethridge, former Amarillo High School basketball coach, and Dub Malaise, a former coach at South Plains College, will lead the East squad. Both men are from Lubbock.

The eight teams making up the field for the Women's Invitational Tournament are four-time defending champion Wayland Baptist College, John F. Kennedy of Wahoo, Neb., Ranger Junior College, Northwestern Louisiana and Parsons of Fairfield, Iowa.

Other participants are Belmont of Nashville, Tenn., Seminole Junior College of Seminole, Okla. and Murray State of Tishomingo, Okla.

The fifth annual women's tournament is scheduled for March 22-24.

### Club Making Rodeo Plans

At a special meeting of the Friona Riding Club last Saturday, the club voted to co-sponsor the high school rodeo club, and extended the club the use of the Riding Club's arena facilities.

The club's upcoming junior rodeo on May 18-19-20 was discussed, and plans were made along this line. Annual dues were paid.

"We wish to thank the merchants of Friona for their response to our rodeo brochure, which will contain 24 pages," said a spokesman for the club.

Women of the club are planning a bake sale for mid-April.

## Applicants Needed For Crippled Children Camp

Applications for a summer vacation full of fun for handicapped children in the Parmer County area are now being accepted by Members of the Friona Noon and Evening Lions Club.

This unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 3, 1973. Five sessions will be held this summer for youngsters from seven through sixteen years of age.

The Camp is free to eligible blind, deaf, mute or crippled children. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact Donnie Carrasco of the Friona Noon Lions or Porter Roberts of the Friona Evening Lions.

In the past years, Lions have sent over 14,000 youngsters to the Texas Lions Camp for Crippled Children at Kerrville.

## FHS Band Winner Of Sweepstakes Award!

The Friona High School Band came home with the coveted sweepstakes award from the UIL contests Tuesday in Dimmitt.

School officials say it may be the first-ever such award for FHS.

To earn a sweepstakes award, a band has to earn "First Division" ratings in marching, concert and sight-reading contests.

The band won its "I" in marching last fall, and completed the triangle with "I" ratings in sight-reading and concert competition on Tuesday.

According to band director Charles Faulkner, there isn't a trophy in the school's trophy case to indicate that such an award has been garnered by a high school band previously.

### FUMES BLAMED

## Services Conducted For Jackie Claborn

Funeral services for Jackie Claborn were conducted Tuesday afternoon at Friona's United Methodist Church.

Claborn, 23, was found dead Saturday morning in the front seat of his car, inside the garage at a friend's home south of Friona.

Cause of death was established as carbon monoxide poisoning, and was termed accidental by the physician who was summoned to the scene.

Friends said Claborn had gone out to move his car inside the garage at a late hour. When discovered, the garage door was down, and the car's motor had been left running. It was theorized that the young man had fallen asleep after moving the car. Carbon monoxide fumes seeped into the car from the enclosed garage.

Claborn was a graduate of Friona High School in 1968, and attended West Texas State University and North Texas State University.

Survivors include his parents, Mr. and Mrs. J.C. Claborn of Friona; two brothers, Jobey of Fort Worth and Johnny of Albuquerque; his grandparents, Mr. and Mrs. Lewis West of Hereford and Mrs. Eunice Claborn of Idalou. Rev. Charles Broadhurst,

JACKIE CLABORN

pastor of Friona's First Baptist Church, officiated at the funeral services.

Active pallbearers were Ramey Beene, Ted Renner, Bubba Long, Terry Fite, Joel McCarty, Rickey Davis, Eddie Wood and Mike Stephens.

Honorary pallbearers were Johnny Barker, Danny Kendrick, Bruce Fite, Eddie Barker, Tommy Long, Joe Bill Jones, Jay Beene, Gary Phipps, B.K. Buske, Galen Brewer, Joe Mabry, Jim Marcum, Mark Richardson and Johnny Baxter.

Burial was in Parmer County Memorial Park, under the direction of Parsons-Ellis Funeral Home.

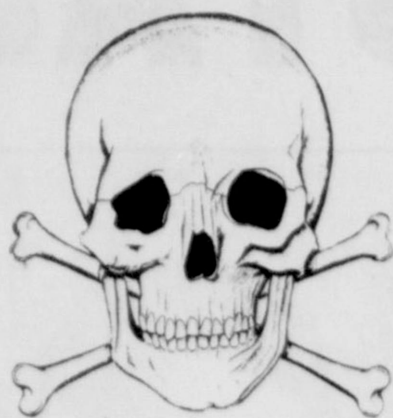

FUND AIDED...Another check was given this week to Friona's Opportunity Plan fund. Cheryl Weatherly (left), and Patsy Gresham (right), representing the Friona Classroom Teachers Assn., presented a \$360 check to Cecil Maddox

and Tom Jarboe, members of the local board of directors for OPI, which loans money to students needing assistance in attending college.

NATIONAL POISON PREVENTION WEEK  
MARCH 18-24, 1973

**Friona  
Flashbacks**

...from the files of the Friona Star

**45 YEARS AGO—MARCH 23, 1928**

At an election held here Monday for the purpose of determining whether or not Friona should become an organized municipality or remain a mere hamlet, a good turnout assured incorporation, by a vote of 65 for and 34 against. There being perhaps 125 qualified voters in the described corporate limits, the turnout of 101 voters was considered excellent.

**35 YEARS AGO—MARCH 25, 1938**

An epidemic of measles has broken out in Friona and vicinity during the past two weeks, and the number of cases seems to be increasing rather than decreasing.

In this issue of the Star will be found the announcement of James W. Witherspoon of Hereford, as a candidate for re-election to the office of District Attorney, an office he has held the past two years.

**30 YEARS AGO—MARCH 19, 1943**

Mr. and Mrs. Ray Landrum have sold the Regal Theatre to Bill McGlothlin, who will take charge within the very near future, it is reported this week. Mr. and Mrs. Landrum have also sold their residence property in Friona to McGlothlin and their farm near Rhea to other parties, but have not as yet decided on their next location or plans.

**25 YEARS AGO—MARCH 19, 1948**

The Friona Chamber of Commerce was revived and re-organized at a meeting in Friona Monday night, when Fred Phelps, secretary-manager of the Portales (N.M.) Chamber of Commerce, addressed a group of Friona businessmen. A temporary board of directors was formed, with W.L. Edelman as chairman. Members are Nelson Welch, C.W. Dixon, Hoyt Smith, Weldon Dickson, Otho Whitefield and Ray Landrum.

**20 YEARS AGO—MARCH 19, 1953**

Construction of the first drive-in theatre in Parmer County is scheduled to commence within a few days at Friona. Marvin Lawson, who will build and operate the theatre, states that everything possible is being done to provide a modern drive-in, with equipment already on order. Goal for completion date is May 15.

**10 YEARS AGO—MARCH 21, 1963**

Friona's Squaws, losers to Little Cypress in the semi-finals, 57-46, trounced Cotulla, 64-38 for third place in the state tournament last weekend. Two Squaws, Janet Buckley and Kay Burleson, were named to the All-State team. "Star Lites," a column written by YOUNG editor Bill Ellis, appeared in the Friona Star for the first time.

NEWTON FALLS, OHIO, HERALD: "Despite the fact that popular indignation has made pollution preeminent among the nation's crises, far too many individuals still cling to the simplistic notion that 'I don't cause pollution—they' do. Conversely, too few are prepared to make the individual sacrifices in comfort and convenience that will have to be made...The question we should all be asking is not 'Who will pay the costs?' but rather, 'What is my fair share?'"

*Sincerely Yours*

By Rev. Albert Lindley

THE OTHER DAY I overheard a woman, who was dressed in some of the bright attire of this day and time, remark, as she looked at a pair of men's pants, "This hurts my eyes to think of a man wearing them, but isn't this pretty?"

Of course I couldn't help but become very defensive in my thinking as I continued to walk by...Why did she think she could wear something bright and not give the men some freedom?...Talk about liberating movements—what about us men?

I'm glad we have been able to move out of our stated greys, blues, blacks and browns. I enjoy some color and what a liberating day it was when we found out a pastor could minister in a community in something besides black.

I suppose it was only natural for my defensive reaction and after all, I guess it is in the eye of the beholder.

I "behold" her clothes as bright, she "beheld" the trousers as bright, someone else might "behold" them as subdued. I've seen some that would have made them all look anemic.

So, the eye of the beholder becomes our point to clue in on today....

We all simply see things differently, in a different light, etc... The failure to recognize our "differentness" causes much misunderstanding and ill-will.

We "see" and "hear," mentally, by what we have been conditioned to "see" and "hear."

We acknowledge the validity of that when we say something like, "Why, he's just a chip off the old block." We often react in the manner in which we have been conditioned.

Now there are always exceptions but there is enough truth here to deal with it as a pretty good assessment of realism.

It's in the eye of the beholder where beauty makes its lovely point, or where the melodic strains of a musical score soothe the inner ear. (I won't try to explain the craze for the loud rhythms (?) that lull the interest of our youth. I quit being a youth authority when my oldest became a youth....)

And just for a closing thought to deal with before the week-end, like beauty, Christ is the Master, but only in the "eye" of the beholder. Right?

Friona School Lunch Menu

Week of March 26-30

MONDAY—steak, mashed potatoes, hot rolls-butter, green beans, chocolate cake and milk.

TUESDAY—macaroni and cheese, buttered corn, peanut butter and honey, buttered English peas, hot rolls-butter, carrot sticks and milk.

WEDNESDAY—pinto beans, burritos with chili and cheese, corn bread-butter, lettuce and tomato salad, cherry cobbler and chocolate milk.

THURSDAY—turkey, mashed potatoes, hot rolls-butter, strawberry short cake, buttered carrots, giblet gravy and milk.

FRIDAY—hot dogs, French fries, peanut butter cookies, pork and beans, catsup and mustard and milk.

MARY MADDOX

*Mary Maddox  
Is Teacher  
Of The Week*

Mrs. Mary Maddox, who began teaching in the local school system in the fall of 1966, has been tabbed for Teacher of the Week honors this week.

She is the wife of Cecil Maddox, who has also been teaching in the local system since that time, and has had thirteen years teaching experience.

Mrs. Maddox is a native of Olton and a graduate of Olton High School and West Texas State University, Canyon. She holds a bachelor of science degree with a major in elementary education.

She taught at Hereford, Springlake and Whiteface before moving to Friona.

The couple has one daughter, Mika Michelle, who is four. They attend First Baptist Church and live at 1406 Columbia.

Mrs. Maddox lists camping, reading and sewing as her hobbies.

to the Editor

Dear Bill,

Thank you for the fine article you did for the Girl Scouts.

We need the support of The Friona Star, merchants and people of Friona.

The attendance at the program on Sunday, March 11 was great. All interest is greatly appreciated.

We would like especially to thank Mrs. Witten for helping with the music.

Thanks again,  
Friona Girl Scouts

**THE STATE OF TEXAS  
COUNTY OF PARMER**

On this the 15th day of January, 1973, the Board of Trustees of Friona Independent School District convened in regular session with the following members present, to-wit: John Blackburn, President, Ronald Smiley, David Grimsley, Doyle Elliott, Floyd Schueler, Leroy Johnson and the following absent: Wesley Barnett, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, the term of office of John Blackburn, Doyle Elliott, and Floyd Schueler, members of the Board of Trustees of this School District will expire on the first Saturday in April, 1973, said first Saturday being April 7, 1973, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election;

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF FRIONA INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on April 7, 1973, for the purpose of electing to the Board of Trustees of said School District \*Three Trustees.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

3. That said election shall be held at the following place and the following named persons are hereby appointed officers for said election:

At City Hall, 102 E. 8th

Building in Friona, Texas, in said School District, with Mr. Lee Witten as Presiding Judge, and Mrs. Ralph Roden, Mrs. Floyd Millican, Mrs. Ronald Smiley, Mrs. Delton Lewellen, Mrs. Frankie Wilcox, Mrs. Ray Landrum and Mrs. Herbert Day, Clerks.

4. Mrs. Virginia Jennings is hereby appointed Clerk for absentee voting, and Mrs. Oneida Allen is hereby appointed Deputy Clerk for absentee voting. The absentee voting for the above designated election shall be held at the Superintendent's Office at the High School within the boundaries of the above named School District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 a.m. and 4:00 p.m. on each day for said absentee voting.

5. The manner of holding said election shall be governed, as near as may be, by the Election Code of this State, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

6. Immediately after said election has been held, the officials holding the same shall return to the president of the Board of Trustees in a sealed envelope a copy of the returns, poll list and tally sheet for said election, and this set of election returns shall be used by the Board of Trustees in canvassing said election.

Another copy of the return, poll list, and tally sheet of said election shall be delivered to the president of the Board of Trustees in an un-sealed envelope and this envelope shall be available in the office of the superintendent open to inspection by the public for 60

days from the date of the election.

7. The presiding judge for said election shall return to the County Judge immediately after the votes have been counted the ballot box containing the voted ballots and all other election supplies and said ballot box shall be preserved and kept in accordance with the terms and provisions of the Texas Election Code.

8. The Secretary of this Board of Trustees shall forthwith issue a notice of said election by posting copies of this order at three different places within the boundaries of said School district, which posting shall be done not less than 20 days prior to the date for said election.

The president shall also cause a copy of this combined election order and notice to be published one time in a newspaper of general circulation in the county where this school district is located. Said publication shall be not more than 30 days nor less than 10 days before the date of said election.

It is further found and determined that this district is located in Parmer County and that written notice of the date, place and subject matter of this meeting was furnished to the county clerk of each county in which this district is located and that said notices were posted by the county clerk of each of said counties on the bulletin board at the door of the county courthouse for said county, a place convenient to the public, at least 3 days preceding the date of this meeting. The returns of said posting shall be attached to the minutes of this meeting and shall be a part thereof for all intents and purposes.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: John Blackburn, Ronald Smiley, Leroy Johnson, Floyd Schueler, Doyle Elliott, David Grimsley; and the following voted NO: None.

/s/ John W. Blackburn  
President, Board of Trustees

ATTEST.

**Most Remarkable Automotive Development in 50 Years**  
**CREATES 100 MILLION MARKET OF EAGER PROSPECTS**

**YOU DO THIS:**  

**MOTOR-ALL DOES THIS:**  

**TESTED PRINCIPLE!**  
 MOTOR-ALL is a breakthrough product that replaces all STP, Wynn's Barzani and automotive chemical additives. Laboratory tests prove that MOTOR-ALL replaces worn and pitted pistons, rings and valves for up to 50,000 miles.

**COLOSSAL MARKET!**  
 It's true, the market is colossal. Where else could you find one to equal it? There are 100 million cars and trucks and a booming air-cooled engine motorcycle, lawn mower and boat motor market and all need MOTOR-ALL for top performance.

**NO COMPETITION!**  
 Not only a huge market, but there's NO COMPETITION! That's right, MOTOR-ALL distributors and sales representatives do business without competition from any product even remotely like MOTOR-ALL. Who can beat that for a sales opportunity? Car owners, fleet operators, truckers, auto accessory outlets, service stations, garages are ripe and ready prospects for MOTOR-ALL. With a market this big, here's your chance to make BIG MONEY!

**MODEST \$5,000 - \$10,000 INVESTMENT (and no franchise fee)**  
**SECURES VALUABLE PROTECTED TERRITORY**  
 If you can qualify, now is the time to make the move. Exclusive distributorships are available. And we'll invest three dollars to your one. We will furnish you all your accounts by name and address. **Calvary Sets Lay Witness Weekend Here**

Calvary Baptist Church announced today that it will have a Lay Witness Renewal the weekend of April 6, 7 and 8. The Renewal will be a weekend mission which will be coordinated by John V. Rose. Rose and his wife, Bettie, have four sons and are members of the Bellaire Baptist Church in Lubbock.

Rose has coordinated several Lay Witness Missions during the past year. He said that he has invited about 50 "top notch" people to make up his team here in Friona.

Dinner will be served at 7 p.m. at the Calvary Baptist Fellowship Hall on Friday, April 6, followed by the evening services beginning at 8 p.m.

Rose stated that there will be something for everyone of every age group. Everyone is invited to come and share this experience with Calvary Baptist Church.

**At Home In Parmer County**

**WITH ALL WE HEAR** about this vitamin and that supplement and oftentimes about quacking in the food supplement and health food business, I thought you might like to see the following information from our specialists in College Station.

Contrary to advertisements, there's little foundation for claiming Vitamin E a miracle cure-all.

"Although this nutrient is essential for good health, it isn't everything it's promoted as being," Karen Kreipke, foods and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University, contended.

"Studies and clinical trials fail to link Vitamin E with 'curing' heart disease, cystic fibrosis, blood disorders, leg ulcers, diabetes and miscarriages," she emphasized.

"Actually, very little is known about the vitamin. It functions in the body as an antioxidant and helps red blood cells live as long as they should.

"Small amounts of the vitamin are stored in various body organs, muscle and fat tissues.

"A fat-soluble vitamin, it requires presence of fat and bile salts for absorption.

"There's little chance that a person eating a well-balanced diet will lack Vitamin E since most common foods contain modest amounts," Miss Kreipke added.

"Estimated adult daily requirement is 25-30 International Units—the average U.S. diet furnishes 2-66 I.U. daily.

"Best food sources are leafy vegetables, whole-grain food products and fats—especially vegetable oils," the specialist concluded.

**WIN CHAMPIONSHIP....**The Friona Chieftain track team, winners of the team title at Farwell's Twin-City Relays last Saturday, proudly pose with their trophy. The team is bidding to be a contender in the district meet next month.

**Researcher Added To Staff Of Water, Inc.**

A Texas Tech research associate, Tommy Swann, has joined the staff of Water, Inc., as staff economist. Announcement of the job assignment was made by A.L. Black, president.

Swann, a native of Wilson, Texas did extensive work on the State Input-Output Study as first a research assistant and later as a research associate in the Department of Agricultural Economics at Tech. The study, just completed, is designed to show the inter-relationships between the various economic sectors in the state.

"We are most fortunate to obtain the services of Swann," Black said. "The addition of an economist to our staff gives us the 'in house' capability of detailed analysis specialized to the specific needs of our organization," he said, "and Swann will play a key role in developing meaningful information for not only the benefit of our members in West Texas and Eastern New Mexico, but his work will be vital in developing creditable testimony for presentation of the case for importation of water to the area."

After graduation from Wilson High School, Swann attended Texas Tech where he earned both Bachelors and Masters Degrees in Agricultural Economics. He interrupted his education for a two-year stint in the U.S. Army, serving a year in Viet Nam. He holds membership in Alpha Zeta, an honorary society of agriculturists and Omicron Delta Epsilon, an honorary economic society. He is also a member of the American Agricultural Economics Association.

**Clayton Fears Logjam In Legislative Work**

The passage of needed legislation has bogged so far down that it has reached alarming proportions, Rep. Bill Clayton stated today.

With the session well over, only ten bills have been signed into law. According to Clayton, legislators are working five days a week, sometimes 12 hours a day, but they are accomplishing little in a morass of committee hearings and sessions that stretch endlessly while amendment after amendment is debated on the house floor.

This time last session, more than 100 bills had already been passed and signed into law.

"Something must be done, and soon," Clayton said, "or this session is going to end up with the worst log jam in the history of the State."

If legislators could clear up bills in committee before they reach the floor, wasted time in needless debate could be avoided, Clayton added. Different techniques, or methods, must be developed, in order that legislators can get to the heart of these bills before they reach the house floor, he said.

Although committees were reduced from 45 to 21 in the House this year, so many standing or permanent subcommittees have been created that, for all practical effects, more committees are operating than last session. Also, instead of knowing what committee a bill might be referred to, three bills on the same subject might now go to three different committees, also complicating the whole system.

Clayton said that over 1,500 bills had been introduced into the house this session, and only ten had been passed.

"It's getting obvious to everyone that something must be done, and fast," Clayton added.

**Mrs. Leroy Collier Is Buried Wednesday**

Funeral services for Mrs. Leroy Collier, 54, who had lived near Friona for about 40 years, were conducted from Sixth Street Church of Christ at 3 p.m. Wednesday with Terry Brown officiating, who was assisted by Rev. Charles Broadhurst, pastor of First Baptist Church.

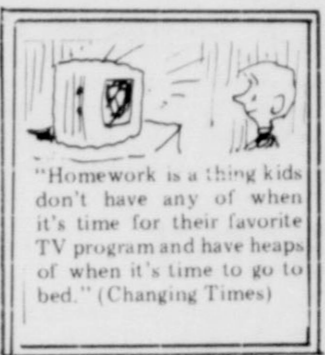

Mrs. Collier, who was the former Arlesia Boren, was found dead Saturday in her home south of town. Death was attributed to a heart attack.

She is survived by her husband; two sons, Don of Lubbock, and J.L. of Salvador, Brazil; a niece, who grew up in the Collier home, Mrs. Neil Lloyd; and one sister, Mrs. Maudine Pruess of Odessa.

Pallbearers were Ray White, L.R. Hand, Dwain Menefee, C.L. Vestal, Curtis Murphree and Ralph Robinson.

Burial was in Friona Cemetery under direction of Parsons-Ellis Funeral Home.

"History is the short trudge from Adam to atom."

## Chieftain Track Team Takes Twin-City Title

The Friona Chieftain track team, bolstered by Dale Parsons becoming eligible to compete for points, and featuring great strength in the field events, captured the team championship of the Twin Cities Relays last Saturday at Farwell.

The Chiefs won four events, and two of them were by Kevin Wiseman in the shot put and discus. Wiseman took the shot put event with a 45-8 heave, and then sailed the discus 133 feet for a quick 20 points, and the Chieftains were never headed.

James Bartlett won the pole vault for the second time in two tries, clearing 12-feet.

Parsons, recent transfer from Olton who became eligible to compete for points last week, was an easy winner in the mile run with a winning time of 4:50.6.

Rudy Aguirre was second in the 880-yard run. Johnny Bandy was second in the 330-yard intermediate hurdles, and James Bartlett was third.

Ted King placed third in the 220-yard dash.

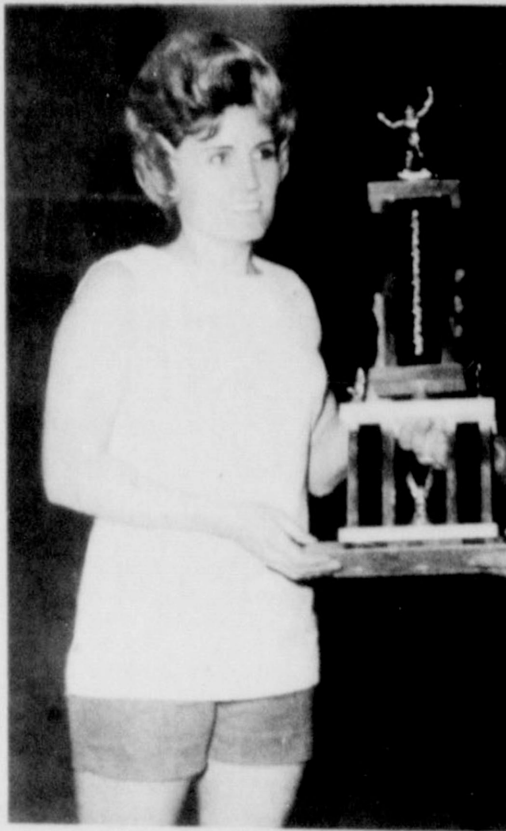

The Chieftain mile relay team (Johnny Bandy, Rudy Aguirre, Ted King and Dale Parsons), ran a 3:40, best time for a Friona team in this event in several years, but only placed third, behind Springlake-Earth and Anton.

Other Friona point-makers were Sammy McNeely, fifth in the high jump; Ronnie McLellan, fifth in the mile run, Bandy, fourth in the pole vault, and Mitchell Wiseman, third in the discus.

Friona scored a total of 103 1/2 points, to beat second-place Springlake-Earth by over 20 points. That team scored 83 points. Shallowater scored 81, Bovina 59, Farwell 48, Anton 47 and Texico 28.

There were 16 teams entered in the meet. It was Friona's first track championship in the last few years.

The Chiefs will go to Abernathy on Friday for a re-scheduled meet that was rained out the weekend of March 10.

CONSOLATION winner in the Friona Volleyball tournament last weekend was the Tasty Cream. Nita Powell accepted the trophy on behalf of the team.

RUNNER-UP team in the women's division of the local volleyball tournament was the Friona Teachers. Jackie Wells accepts the trophy for the team.

## Mulshoe, Earth Teams Win Volleyball Titles

The Lumber Jacks of Mulshoe outlasted the Tiders to win the fourth annual Friona Invitational Volleyball tournament's men's division here last weekend.

In the women's division, Earth Oil & Gas withstood a threat by Friona Teachers to take the title.

Both final matches were extended to three games. The Lumber Jacks won their title over the Tiders, 16-14, 2-15 and 15-6. Both teams are composed predominately of players from the Lazbuddie community, and the same two met here last year for the finals.

Earth Oil & Gas, tournament favorites in the women's division, had to rally after dropping their opening game in the finals to Friona Teachers, 16-14, for 15-3 and 15-9 wins.

The women's champs made it to the finals by downing the Friona Star, 15-5, 15-11. Friona Teachers advanced with a 5-15, 15-7, 15-7 win over Three J's Plus. On Thursday night, Friona Star had gained the semi-finals by beating Treider Electric, 15-10, 15-3.

Tasty Cream took the consolation title in the women's division by stopping the

Bouncing Belles, 15-9, 11-0.

In the men's division, the Lumber Jacks reached the finals by downing the Fellowship of Christian Athletes, 15-8, 15-17, 15-4.

The Tiders reached the finals with wins over the Friona Noon Lions, 15-8, 15-6 in Friday night action.

The Noon Lions had made the semi-finals with a win over the Friona Jaycees on Thursday 15-5, 6-15, 15-6.

The Walcott Men, who were downed by the Tiders in the first round, won the consolation trophy in the men's division, downing the Jolly Jumpers in the consolation finals.

## Bucks Maintain Lead In Little Dribblers

The Bucks beat the Hawks, 36-32 in the feature game in the major division of Friona's Little Dribblers league last week.

The battle between the two front-runners was a close one, with the winners coming from behind in the final quarter for the win, after trailing at halftime, 18-10.

Gary Schueler's 16 points paced the Bucks, while Kevin Kothmann had the same number for the Hawks.

The Hawks came back for a 40-27 win over the Lakers, who had downed the Suns, 32-20 on Thursday. Jeff Peak scored 20 points and 17 points in the two Laker games.

The Nets took a one-game lead in the minor division, with a 20-14 win over the Stars, and an 18-6 win over the Rockets. The Stars beat the Pacers later in the week, 26-22.

## HIGH PLAINS SORGHUM GROWERS PROVE IT PAYS TO PLANT McNAIR

## HOW? THROUGH STANDABILITY & YIELDS!

ARDIS BARTON  
Earth, Texas

"McNair 654 and 650 will both have a place in our farming plans in '73! I've planted 654 for two years with good results and I tried 650 for the first time last year. It stood well even after a severe ice storm."

GENE STEELING  
Farwell, Texas

"McNair 654 Maize is hard to beat! This is the best I have ever had. It made about 10,500 lbs./acre for me in 1972!"

FLOYD BANISTER  
Alton, Texas

"McNair's 895 and 654 hybrids performed well for me in '72 in both yields and standability. These two hybrids are outstanding enough for me to recommend them to my neighbors."

GENE TEMPLETON  
Mulshoe, Texas

"After planting 700 acres of McNair 654 in '72, I plan to plant it again in '73—along with McNair 650. This last hybrid looked mighty good in my neighbor's fields last summer."

## Pollution Fighters Sometimes Over-React

Pollution comes in many forms. So do pollution fighters.

There are the alarmists-and alarm does not provide the best atmosphere for finding rational solutions to worrisome problems. Overdramatization serves to deflect attention from the genuine ecological issues we face and blind us to the solutions that are workable.

There are those who search for an easily identifiable villain to censure. Some in this group regard modern technology as the intruder on the naturally ordered systems that support us.

And there are some who simply yearn for a return to

nature at its pastoral, unused, and untouched best.

Then, fortunately, there are people who accept the fact that there is another way out of the environmental crisis; more work and less emotion.

Environmental problems have not been invented by visionary ecologists. They are very real. To overcome them, we must seek out their origins, like these with the economic and social processes that govern now we live in the world, and learn how to change these processes so that they conform to the needs of the environment and of the people.

The Parmer County SWCD is your local environmental agency.

## On The Farm In Parmer County MACK HEALD County Agent

A CROP PRODUCTION meeting is scheduled for Wednesday, March 28, 1973 at the Hub Community Center. Starting time is 7:30 p.m. This meeting will be centered on the vegetable business as an alternate agriculture commodity in Parmer County.

Three Extension Service Specialists will be the speakers for the evening. Dr. Roland Roberts, Area Vegetable Specialist, will present a talk on various types of vegetables adapted to this area. Leon New, Irrigation Specialist, will speak on vegetable water use and gross return per acre inches of water applied. The third speaker will be Dr. Bill Clymer, Extension Entomologist, who will cover the harmful and beneficial insects that are most commonly found on vegetables in this area.

This meeting should be very informative and educational. I hope you can take time out from your busy schedule for this event. Again, the date is Wednesday, March 28, 1973 at 7:30 p.m. in the Hub Community Center.

THE TEXAS Chester White Swine Show and sale is scheduled for this weekend, March 23 and 24, at the Lubbock Fair Grounds. Chester breeders from throughout Texas will show and sell their full boars and gilts. The sale will start at 1 p.m. on Saturday, March 24. All animals will be breeding age and registered.

WITH THE ARRIVAL of warmer weather and rapid wheat growth, bloat may become a problem in your cattle.

Bloat is basically caused by the failure of gas to escape from the rumen (stomach) of an animal through normal and regular belching.

Cattlemen should observe cattle closely for signs of bloat whenever animals are turned in on fresh pastures. There are many and varied causes of bloat and many forms of prevention.

Ranchers should become familiar with preventive measures and first-aid treatments that can be applied until veterinary assistance can be obtained.

Five measures that can help prevent bloat are—

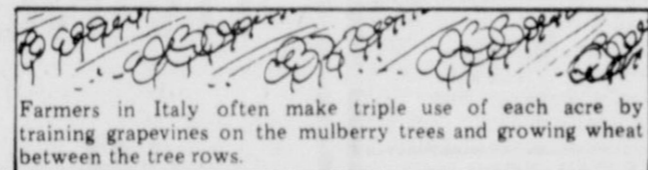

1. Keep good quality hay in portable racks where cattle are grazing. The dry feed encourages belching.
2. Avoid turning cattle in on wet plants the first day after a rain. More water means more fermentation and results in more gas formation.
3. Be sure cattle are extremely hungry when turned on pastures. Feed them with good quality roughage first.
4. Change onto pastures gradually. Allow access to pastures for increasing time periods until cattle have full access to pasture.
5. Keep salt and minerals available for animals at all times to help prevent bloat through better digestion.

Another measure for bloat control is the use of poloxalene where cattle have had problems on certain pastures. Limited trials conducted by the California Extension Service indicate that frothy bloat in animals was effectively controlled when adequate amounts of poloxalene were consumed.

Five first-aid measures that ranchers can practice until veterinary assistance is obtained include—

1. A "gag" can be inserted in the animal's mouth. A stick about the size of a broomstick or shovel handle can be tied crossways in the animal's mouth. This encourages chewing and movements of the tongue to cause belching.
2. Some drenches are recommended but must be used with care to avoid getting liquid in the animal's lungs. Drenches can be obtained from your veterinarian and kept for emergency use.
3. Try to keep animals on their feet and walking.
4. Knead left flank vigorously with fists to force out gas.
5. In extreme emergencies to prevent death, it may be necessary to puncture the animal's side so the gas will escape. This should be done only as a last resort since the resulting wound usually becomes infected and is difficult to heal.

The proper place to "tap" an animal is high on the left flank about halfway between the hip bone and last rib. Veterinarians generally prepare the area properly, time permitting, and use a trocar and canula made especially for the job.

Farmers in Italy often make triple use of each acre by training grapevines on the mulberry trees and growing wheat between the tree rows.

## New Science Explains What Causes Face Wrinkles— Even Older Women Can Have Soft, Lovely, Velvety Skin

Dear Madam:

"How can I make Myself More Beautiful?"

How often have you asked yourself that question? And what has been the answer? Hasn't it been, "By finding some way to restore the softness and youthful loveliness of my skin?"

No matter how fine your features, you cannot have real beauty without a fresh, healthy skin. And now, at last, science gives you the secret. Like all great discoveries, it is simple. It can be given you in seven words. RESTORE TO YOUR SKIN ITS NATURAL OILS—and its youthful freshness and beauty will promptly return.

Does that sound too simple? Well, just ask yourself—what is it that makes the skin of the face and neck dry and wrinkled? Not age—look at the skin on other parts of your body. It is youthful and fresh as when you were a babe. Yet it is as old in years as the skin of your face. What then makes the difference?

STARVATION....that is what does it! Between wind and sun and flying particles of dust and the lye and soda of strong soaps, the natural oils of your face and neck have not a chance. They have dried out until the cells of your skin are starved. Pores are clogged so they no longer function. Your skin is old—dried out before its time—like the arteries of some old man or woman.

Science has shown, you know, that age is not a matter of years. Biologically, there is no reason why one must grow old. Men and women age and dry up because they do not throw off the waste products fast enough. Arteries become clogged. Poisons and waste harden inside them, stopping up the pores, making it impossible to get the necessary nourishment through to the cells. Result? A gradual starving and drying up of the cells.

Well, that is just what has been happening to the skin of your face. The cells have been drying up for lack of proper nourishment. The pores through which they breathe have become clogged. Naturally your cheeks will sag under those conditions. Naturally the skin will develop scores of tiny lines and wrinkles.

The remedy? There are only two—

Help the pores throw off the dust and dried skin that is clogging them, and thus enable the nourishment to get to your skin cells from within. Replenish the natural oils of the skin from the outside, through the use of youth-ifying cremes and lotions made up only of vital, active oils, with no waxes, or grease as a base.

Simple things, both of them—opening the pores so your starved skin cells can breathe again and draw upon the blood stream for nourishment, and renewing the flow of natural oils by replenishing them from without. Yet that is where Alure Skin and Hair care lines can be a real Fountain of Youth for you.

You see, Alure Skin Care is a soft, penetrating lotion composed exclusively of vital, active oils. Its function is to stimulate the skin by replacing natural deficiencies. Composed of ingredients approved by skin specialists, it contains a special vital oil that penetrates to the sub-epidermal layers of the skin, nourishes them, and enables them to rebuild the soft, glowing skin of youth.

Alure Skin Care depends for its results—not upon magic or harsh astringents or the like—but upon Nature herself. Since the first dawn of created life, Nature has nourished every form of cell life by absorption. It surrounds them with the elements they need for life and growth, and lets the cells absorb them.

That is exactly what happens when you use Alure Skin and Hair Care Line for your skin and hair. You are surrounding every thin cell with the life-giving elements from vital, active oils—not choking them with waxes, greases, and other inert elements. There is nothing about Alure Skin Care or Alure Hair Care to stick, in the pores, to clog them as do so many ordinary cremes and lotions. That is why it so truly rejuvenates the skin. That is why the results are apparent so quickly.

Alure Skin Care and Alure Hair Care actually feeds those hungry skin cells, helps them fill out, grow young and firm again. As you massage it into your starved skin, you can almost feel the years roll back. Certainly you will notice the difference from day to day in your mirror, as it magically irons out those tiny, tell-tale lines and wrinkles.

Would you risk \$26.95 for such an Elixir of Youth? Would you pay that much for the chance to TRY one of the few preparations known to cosmetologists that really penetrates the true skin and nourish it in a natural way?

Mind you, the \$26.95 you send is approximately a TWO MONTHS supply for both the Alure Skin Care Trio AND the highly concentrated Alure Shampoo and Hair Conditioner Set.

Would you risk \$26.95 for the Secret of a Youthful Skin? If you would, then clip and mail the enclosed coupon. It will bring you—if mailed at once—our regular Alure Skin Care Trio and the Alure Shampoo and Hair Conditioner set, at the Special Introductory price of only \$26.95.

It will bring you an 8 oz. bottle of Alure Body Lotion, 8 oz. bottle of Alure Skin Toner, 8 oz. bottle of highly concentrated Alure Shampoo, 8 oz. bottle of pure protein Alure hair conditioner, and a bottle of 4 oz. Alure bath oil. Never again will you have that itchy feeling if you use this bath oil. A \$29.50 value for only \$26.95 at our Special Introductory price. Full directions as to how to care for the skin and hair without drying its natural oils, how to nourish the skin, how to regain beauty that need never fade.

It will bring you not just one but all five of these Alure life giving elements of vital oils for your starving skin and hair, at a Special Introductory price of only \$26.95 if you mail the coupon at once. Is a soft, alluring, rejuvenated skin worth \$26.95 to you? Then clip and mail the enclosed coupon now, or better still meet us Friday, March 23 at 9 A.M. to 12 P.M. or 1 P.M. to 4 P.M. ONE DAY ONLY at the Friona Women's Club. A Door Prize of Shampoo and Hair Conditioner will be drawn at each session.

If you are unable to attend our Special Workshop then either call Daisy Jameson, Res. #247-3885, Friona, Texas, our local representative or Clip and Mail the enclosed coupon to Maleta Ridpath, Division Manager, Alure Cosmetics, P.O. Box 1916, Lubbock, Texas 79408.

### Kathy Billington Is Shower Honoree

A miscellaneous bridal shower in the Community Room of Friona State Bank, from 3:30 to 5:30 p.m. Thursday, was a courtesy for Kathy Billington of Bovina, who is the bride-elect of Gary Woodruff.

The serving table was covered with a white lace cloth over orchid and centered with a floral arrangement.

Refreshments of assorted nut breads, mints, punch and coffee

were served by the hostesses, Mrs. Dale Randolph, Mrs. Shirley Smith and Mrs. Lester Roth, all of Friona; Mrs. Roy Dale Moore, Hereford; and Mrs. Charles Hawkins and Mrs. Dick Sparks, both of Bovina.

Special guests were Mrs. Don Billington, Bovina, mother of the honoree; and Mrs. W.P. Woodruff and Mrs. E.P. Woodruff, both of Friona, mother and grandmother of her fiancé.

### Miscellaneous Shower Honors Mollie Seright

A miscellaneous bridal shower in the home of Mrs. Ross K. Miller, 1402 West Seventh Street, from 3 to 5 p.m. Saturday afternoon was a courtesy for Mollie Seright, bride-elect of Dennis Lee Kirk of Dallas.

The registration table, which was presided over by Brenda Seright, sister of the honoree, was covered with a white tulle cloth re-embroidered with seed pearls and rhinestones and decorated with a single blue carnation.

Refreshments of punch, cookies, nuts and mints were served from a table, which was covered with a white cloth and centered with an arrangement of blue and white carnations.

Hostesses with Mrs. Miller were Mesdames Curtis Murphree, Curtis Butler, Dean Blackburn, Stan Bengel, Claude Garth, Tom Shelton, Lee Spring, Robert Zetsche and Jim Johnston.

Mrs. H.W. Powers of Borger, aunt of the honoree, was a special guest.

### Hub Community Has St. Patrick's Party

Mr. and Mrs. Larry Fairchild and Mr. and Mrs. Bearl Broyles were hosts for a St. Patrick's Day party in the Hub Community Center Saturday evening.

Following a supper of baked ham, baked potatoes, tossed salads, congealed salads, green beans, hot rolls, pie, cake, coffee and tea, was a session of Crazy Bridge. Mrs. Troy Sharrock played high and low scorer was Mrs. Leo Ruzicka.

Others attending were Messrs. and Mesdames Dee Clark, Edgar Walters, Clyde Woodard, Virgil Young, Lawrence Jamerson, J.V. Bouldin, Gene Brito, W.S. Ingram,

Gerald Loftis, Jimmy Mabry, Ralph Robinson and Rex Blackburn.

Also Troy Sharrock and Leo Ruzicka and Messrs. and Mesdames Billy John Thorn, Olan Turner, Larry Moyer, Jack Tomlin, Dewey Bateman, Jerry Fancher, John Hand and Leroy Johnson.

#### Browns Visit

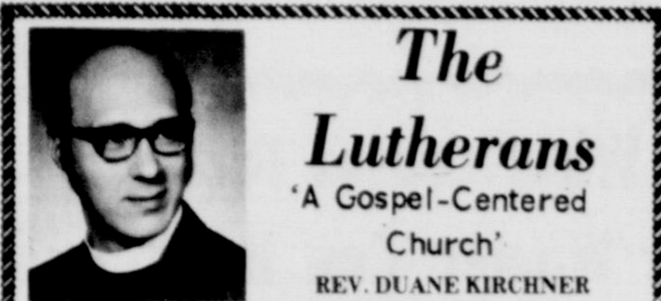

Mr. and Mrs. W.O. Brown and Mr. and Mrs. M.L. Brown were Sunday guests in the home of Mr. and Mrs. Raymond Hughes in the Walcott Community.

**SUSAN BETH REED**...Mr. and Mrs. George Reed of Keys, Oklahoma, have announced the engagement of their daughter, Susan Beth, to Bobby G. Sutton of Forgan, Oklahoma. He is the son of Carl Sutton of Gate, Oklahoma, and Mrs. Georgia Sutton of Forgan, Oklahoma. Miss Reed and her fiancé are both students at Panhandle State College, Goodwell, Oklahoma. They are planning a spring wedding. The Reeds are former Friona residents.

**COLLEEN ROYAL**...Mr. and Mrs. Winston Wilson, Muleshoe, formerly of Friona, have announced the engagement and approaching marriage of their daughter, Mary Colleen, to Michael Wayne Martin, son of Mr. and Mrs. Clarence W. Martin, Friona. The couple plans to exchange wedding vows at 6 p.m. Saturday, June 9, at Calvary Baptist Church, Friona. Wedding invitations are not being mailed locally, but friends of the couple are invited to attend.

### The Lutherans 'A Gospel-Centered Church'

REV. DUANE KIRCHNER

"OUR WORSHIP IS JOY-FULL"

Lutherans believe that their religion is a joy-full one and Psalm 92 expresses it well. "It is good to give thanks to the Lord...to sing praises...to the music of the lute and harp...For you, O Lord, have made me glad by your work...I sing for joy."

**LIFE IS WORSHIP.** Christians will automatically praise God and give thanks to Him for all He has done for us. It is God who saved us from sin through Jesus and He gives us life forever—that's why we worship. All of life is a setting for worship for a Christian.

**WORSHIP IS TWO-WAY COMMUNICATION.** God speaks to us whenever we hear His Word for us through the Bible, through other people, through experiences in life, and through Baptism and the Lord's Supper. That's the Holy Spirit at work. We speak to God whenever we sing His praises, through prayer and meditation, through confession of our sins, and in our pleas to Him for help. Jesus made all of this possible when He conquered sin and death. Jesus is the communication line between us and God. Worship happens whenever these above things happen between us and God.

**WORSHIP AIDS.** God has given us no directive on how to worship Him. However we find that worship in the New Testament involved sharing God's Word, praying, and celebrating Baptism and the Lord's Supper. In the Old Testament they also danced, sang, and often with musical instruments. This is our clue for our formal worship today. Lutherans use many symbols in their worship to make it more meaningful. Symbols point beyond themselves to something else. For example, a cross in our church reminds us of Jesus' cross and death. The altar reminds us of the Lord's Communion Table. Colors remind us of things; for example green reminds us of life and red of blood.

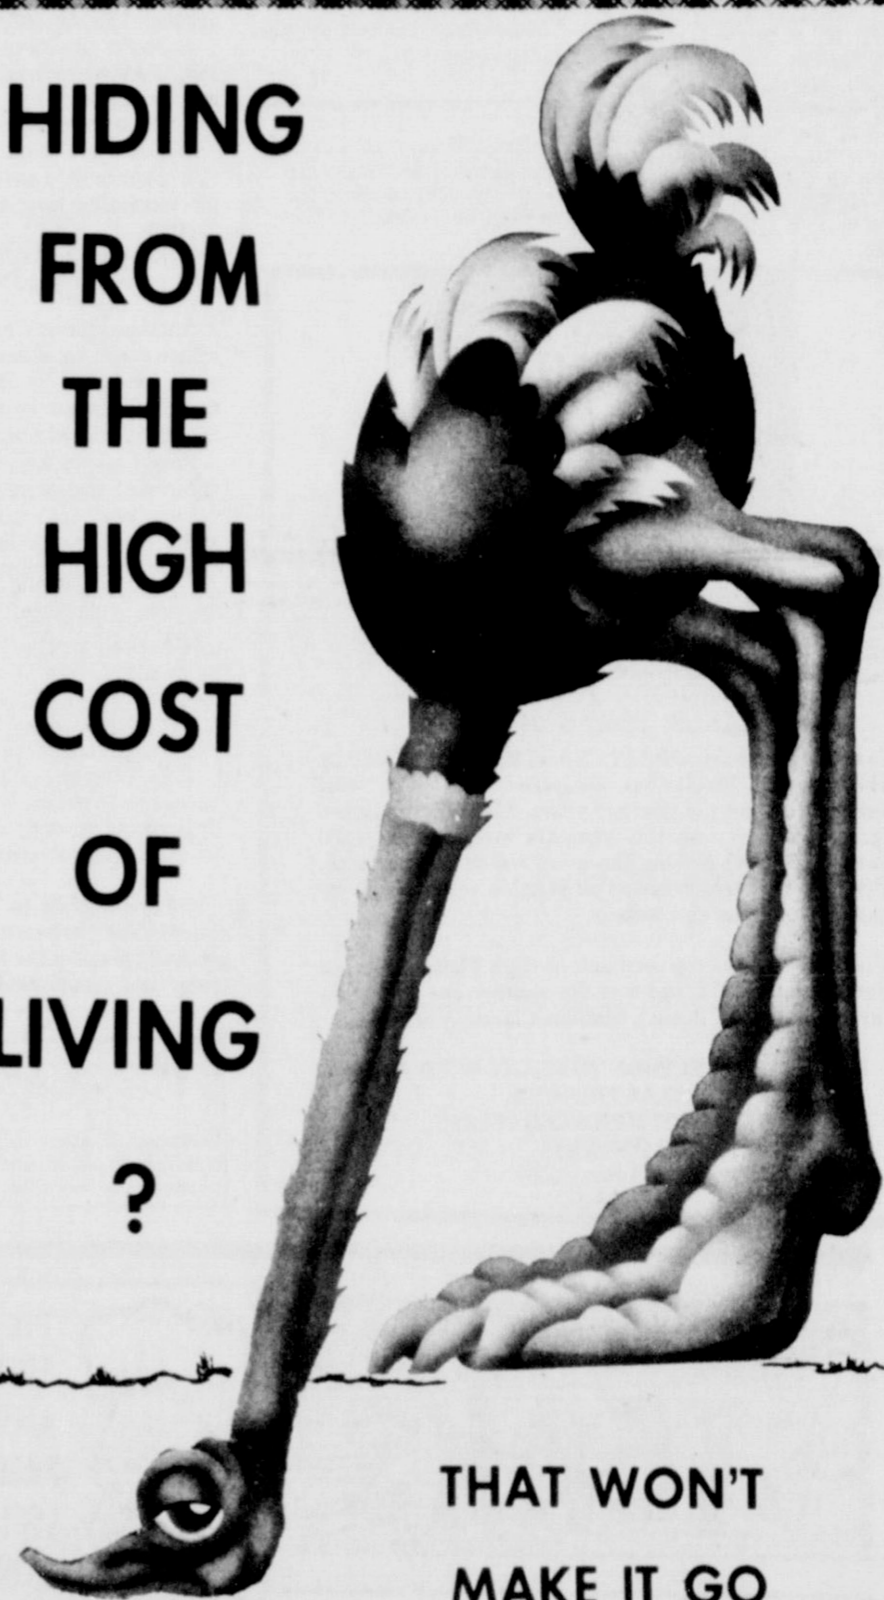

Let all of creation declare His glory (Psalm 150).

### Grahams Have Sunday Guests

Sunday guests in the home of Mr. and Mrs. Sterling Graham, Gail and Ky were Mr. and Mrs. E.J. Graham of Rush Springs, Oklahoma, who are Sterling Graham's parents.

Others present were Mr. and Mrs. Newman Jarrell Sr., Mr. and Mrs. Hardy May, Mr. and Mrs. Toss Miller and children and Mr. and Mrs. Arlen May and children.

**HIDING FROM THE HIGH COST OF LIVING ?**

**THAT WON'T MAKE IT GO AWAY!**

However, the folks at Friona Consumers are doing their best to help you keep expenses down, by giving you the best prices on oil, gas, butane, fertilizers, farm, garden, and automotive needs. You can count on Consumers quality, plus the added bonus of S & H Green Stamps, and annual customer dividends.

### Love Brings Big Returns

Read I Corinthians 13:8-13

(Love can outlast anything. It is, in fact, the one thing that still stands when all else has fallen. (I Corinthians 13:8, Phillips)

Something is the matter in our world! Daily we are told of the grave problems and the ills of our society. Many have become experts in pointing out the diseases that afflict us.

It is not enough to point out what is wrong. We must prescribe healing. It is time to move from complaints to cures. Christian love is a part of the cure that each of us can begin to apply this very day.

Christian love is more than sentiment or philosophy. It is "goodwill in action." A large poster in a teen-ager's room caught my attention—"Love is like peanut butter-spread some around today."

**PRAYER--Our Father, help us this day to be agents of Your love. Take from our hearts anger, hatred, and selfishness. Use each one of us to bring hope, peace, and joy. In the spirit of Jesus. Amen.**

**THOUGHT FOR THE DAY--Love is never wasted; it always brings big returns.**

--Jack Key (Albany, Georgia)

ANNETTE REZNIK

## Annette Reznik Is State FHA Officer

Annette Reznik, who has served as Area I FHA first vice-president during the past year, was elected to a state office at the Area I convention in Lubbock Saturday. She is the daughter of Mr. and Mrs. A.L. Reznik and is a junior in Friona High School.

Miss Reznik and twelve other members of Friona High School's Future Homemakers of America chapter attended the convention. They were accompanied by the chapter's two advisors, Mrs. Ernest Osborn and Mrs. Dale Gober; and two mothers, Mrs. A.L. Reznik and Mrs. Max Self.

Theme of the area meeting was "Reach Out And Touch." Five local singers participated

in the program. Pam Lindley and Susan Garner sang with the Ima Dee Singers and Lisa Taylor, Dorothy Johnston and Vicki Pryor sang with the Sharon Singers.

Each of these girls tried out for the state choir and were selected to sing during the state convention, which will be held in San Antonio early in May. Area I was only allowed twenty singers in the state choir this year.

Other chapter members attending the convention were Mary Beth Bennett, Glenda Reeve, Carol Reeve, Gayla Self, Beverly Schueler, Janice Hayes and LaQuita Graham.

The group returned home Saturday evening.

## Twelve Attend Amarillo Program

Ten members of the Health Careers Club of Friona High School spent Friday in Amarillo.

They attended an all day Health Careers program, where different fields of nursing were discussed. A Future Nurse contest was also held.

Later the group toured High Plains Baptist Hospital.

Club members making the trip were Donna Lewellen, Pam Wilcox, Joan Pankratz, Karene Hart, Mona Reed, Patti Crump, Jana Robertson, Holly Hart, Ann Pankratz and Karen Merrill.

Adults accompanying the group were Mrs. Joe Mercer, sponsor, and Mrs. Robert Alexander.

## Girl Scout Notes

Girl Scout Troop 266 met Monday afternoon at Girl Scout House.

The flag ceremony was planned by Sylvia Bermea and Tera Simpson. The caller was Minnie Aragon. The carrier was Kimber Britting. Color guards were Charity Mays and Shae Dodson.

Sylvia Bermea led the pledge; the promise was led by Mary Lafuente and the song was led by Sonya Gore.

## Study Club Members Learn Conservation

Theme of the Wednesday afternoon meeting of Friona Woman's Club in Federated Club House was "Conservation."

Eleven members answered roll call with "Ways to practice conservation in Parmer County."

"Water-A unique and mysterious substance," was the title of a talk presented by Mrs. Floyd Schlenker.

Mrs. Nelson Lewis then showed a color film, "The Big Thicket."

A poem entitled, "Tribute To Our Fighting Sons," was read by Mrs. Mabel DeLong.

## Newcomer Is Party Honoree

Mrs. Patrick Pace, who moved from Abilene to Friona several months ago, was honored with a housewarming Tuesday afternoon.

The hostesses, Mrs. Jimmy Mabry, Mrs. Don Reeve, Mrs. Terry Brown and Mrs. Larry Dyess, served punch and cookies.

A money tree was used as a centerpiece on the gift table. About 25 ladies attended.

MRS. PHILLIP SHAFER IS SWORN IN...Judge R.C. Vaughan of Grayson County Texas is pictured here as he officiated over swearing in ceremonies for Mrs. Phillip Shaffer of that city. Mrs. Shaffer, the former Ann Prewett of Friona, graduated from Baylor Law School in Waco in August of 1972 and recently received notification that she had passed her bar examination. She is a 1965 graduate of Friona High School.

## Husband And Wife Begin Law Practice

Mr. and Mrs. Phillip Shaffer have finalized plans to begin the practice of law in Denison, Texas by September of this year. Mrs. Shaffer is the former Ann Prewett.

She is the daughter of Mrs. Eleanor Prewett of Lubbock and Lloyd Prewett of Arlington.

At the present time she is teaching constitutional law in the political science division of Baylor University, Waco, from which she graduated in August. Her husband, who is a graduate of Denison High School, will graduate from Baylor Law School in May of this year.

Mrs. Shaffer's interest in law stems from her high school days here when she was a member of several debate teams and developed an interest in politics and law.

## The Library Corner

By Mrs. Bill Ellis

Plans are being made for Friona Public Library to observe National Library Week.

Some new books are being placed on the shelves.

Two of the newer books at the library are on the Best Seller list. They are "Snow Fire," by Phyllis Whitney and "Elephants Can Remember" by Christie.

Some of the younger readers would probably enjoy "Henry Ford Automotive Pioneer," by Montgomery.

"Flowing Gold, The Romance of Oil," by Flaherty and "How The Great Religions Began," are also recommended by Mrs. Carl Fairchild, librarian.

Students or others who are interested in a particular subject are encouraged to

check with Mrs. Fairchild for books which may be borrowed from an Amarillo library. Such books can be obtained in a few days.

Story Hour was well attended last week. This week two films will be shown. Their titles are "Creatures of the Sea," and "Some Are Sun Fishers."

Library Hours are 1 to 6 p.m. Tuesdays and Wednesdays; 9 to 12 and 1 to 6 Thursdays, Fridays and Saturdays.

Story Hour is for children between the ages of 3 and 6 and is held from 10 to 11 each Thursday.

Students or others who are interested in a particular subject are encouraged to

## Clifford Allmon Heads Black Community Officers

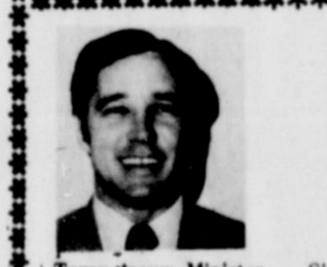

During the business session of the Thursday evening meeting of the Black Community Association, which was presided over by Gene Welch, Clifford Allmon was elected to serve as president of the organization.

Other officers elected to serve with Allmon were Harry Lookingbill, vice-president; and Mrs. Ethel Benger, secretary-treasurer.

Following the business session Kenneth Shollenberger of Amarillo and Richard Collard of Friona presented a program on wills and estates, which was followed by a question and answer session.

Refreshments of sandwiches, chips, dips, coffee, punch and pie were served to about 40 people.

Mr. and Mrs. Tommy Tatum were hosts.

Terry Brown, Minister Sixth Street Church of Christ

## The Truth Will Make You Free

Jesus' church in the New Testament met together for worship on the Lord's Day. This is in contrast to the Jewish religion. The Jews had always observed the Sabbath day, because of Exodus 20:8. "Remember the Sabbath day, to keep it holy." When Jesus was resurrected from the dead on the first day of the week, this day became the Lord's day. Luke 24:1; John 20:1.

This became the day of meeting for Christians in the congregations that Paul established. "On the first day of the week, when we were gathered together to break bread, Paul talked with them." Acts 20:7 These Christians at Troas were gathered to bread (or observe the Lord's Supper) on the Lord's day. Paul also gave the congregation at Corinth these instructions, "Now concerning the contribution of Galatia, so also you are to do. On the first day of every week, each of you is to put something aside and store it up, as he may prosper." I Corinthians 16:1-2. The first day of the week was evidently when the congregations in Galatia and Corinth met for worship.

Eusebius, the father of ecclesiastical history, testifies, "From the beginning the Christians assembled on the first day of the week, called by them the Lord's Day, to read the Scriptures, to preach, and to celebrate the Lord's Supper."

Today, we also should meet with fellow Christians for worship on the first day of the week. If we want to be like Jesus' church, we will try to worship like the early Christians did.

Next week, we'll notice how the Lord's Supper was observed by Jesus' church.

JAN WALLIS-RAY HEFFERMAN...Mr. and Mrs. S.S. Wallis of 10 Nindethana Street, Queensland, Australia, have announced the engagement of their daughter, Janet Margaret, to Raymond Denis Hefferman of Brisbane. The couple was honored with an engagement party at the home of her parents recently and plan to be married at 4:30 p.m. Saturday, April 21, at Kenmore Presbyterian Church. Miss Wallis, who made her home with the Carl Schlenker family as an exchange student during the 1970-71 school year, is a graduate of Friona High School. She is currently teaching in a school for deaf children in Brisbane. Her fiance is employed as a tele-communications technician. All friends of Jan, who live in Friona, are being invited to attend the wedding.

You are invited to Attend A City-Wide Bridge Tournament Friday, March 23, 7 p.m. At The Friona Woman's Club House, Cash Prizes! Under Sponsorship Of ESA.

**Forecast Set**  
By J. W. Crim

Thursday morning at daybreak will mark the 50th consecutive year that J.W. "Indian" Crim of Lazbuddie will make his annual weather prediction for the year.

Crim, who inherited the weather-predicting practice from his father, who learned it from the Indians, predicts the type of year the area will have by noticing the direction the wind blows the smoke from a ceremonial fire at daybreak on March 22.

Crim will once again make the prediction on the Crim home place, 17 miles south of Friona in the Lazbuddie community.

**MBP, Iowa Beef End Merger Discussions**

Iowa Beef Processors, Inc. and Missouri Beef Packers, Inc., today mutually announced the termination of their proposed merger discussions.

Currier J. Holman, Co-Chairman of the Board of IBP, and Mel Rolf, Chairman of the Board of MBP, jointly announced that both companies had agreed to withdraw their request for Department of Justice approval of the merger proposal.

The termination of the discussions was a result of the

mutual decision of both companies, it was stated.

Original negotiations were started in the fall of 1972. Statements made by the companies at that time of the reasons for the merger were that it would be in the national interest as well as in the interest of the beef industry.

The companies stated that a sense of urgency existed in the beef industry in terms of correcting both the rate at which beef prices were rising and the inefficiencies that exist in the industry. The merger was sought, they stated, to bring more efficiency to the industry and to reduce consumer prices to the lowest possible level with all possible haste.

Department of Justice approval of the proposed merger was sought in February, 1973. However, a lawsuit was filed by a competitor to attempt to block the merger and several other parties have expressed their intentions to file similar litigation.

Finally on March 13, 1973, an indictment was issued by the State of New York against IBP and one of its officers, alleging a bribery conspiracy in New York City. A similar indictment has been returned against the officer and others in the Federal Court there. The company and its officers have described the indictment as "unjustified and unwarranted action."

In their announcement, the two companies stated that all of the events which had happened since the negotiations began had changed the status of the discussions to such an extent that they were compelled to reassess their positions on the merger, and that events had made the time within which merger could be completed indefinite.

Both companies stated that it is "...an unfortunate consequence that all of these events had affected the proposed merger and the potential benefits that would have resulted to the American consumer in terms of lower beef prices."

IBP further stated that its first priority would now be the rigorous defense of the charges of the indictments.

**Friona Antique Club Meets In Adams Home**

The Friona Antique Club met Monday evening in the home of Mr. and Mrs. Raymond Adams.

Following a brief business session, Mrs. Adams showed her collection of flowers and small antique articles.

During the social hour refreshments of pie, sandwiches, chips, dips, mints, nuts, coffee and punch were served.

Those present were Mr. and Mrs. Jim Baxter, Mr. and Mrs. Tommie Jones, Mr. and Mrs. Opal Jones, Mr. and Mrs. Jerry Zachary, Mr. and Mrs. Tommie Jones and Mrs. Orma Flippin.

The next meeting of the club will be Monday, April 16, in the home of Mr. and Mrs. Jim Baxter.

**Former Frionan Dies In Wyoming**

Sell Cook, a former resident of Friona, died in a Casper, Wyoming hospital at 8 a.m. Sunday, March 11, following an extended illness.

Mr. and Mrs. Hardy May and Mrs. Velma Jones, all of Friona and Mr. and Mrs. E.J. Graham of Rush Springs, Oklahoma, attended the funeral services, which were conducted at Casper at 2:30 p.m. Tuesday, March 13.

Cook was the brother-in-law of Hardy May and moved from Friona to Casper about fifteen years ago.

Survivors, besides his wife, include three sons, Don Cook, also of Casper; and Shirley Cook and Ronald Cook, both of Green River, Wyoming.

Shirley Cook's wife, the former Beverly Sue Jones, is also a former resident of Friona.

When all is said and done about new breeds of livestock, new wonder grasses, new range techniques, and etc., it is management ability that makes the difference between profit and loss.
