**IF THE STATE** Constitutional Revision Commission has its way, there might be some sweeping changes in our state and county governments—at least there will be some big changes recommended to the people by the commission.

Last week, the group voted to include in the new state constitution a provision to do away with the traditional title of "county judge," and also to take away this county official's judicial duties.

The commission would replace the county judge with a "county executive," and have the judicial duties taken over by a "circuit court."

However, the "County Executive" would still be the head of a county's commissioner's court, so there would be little change in the actual county government, aside from the job's title.

The new provision was passed by the Constitutional Revision Commission despite warnings that the "county judge" has been an "honored position for many, many years."

It will be interesting to see what other changes may be proposed by the constitutional commission. Rewriting the state's 128-year-old constitution will be quite a chore. Getting the people of Texas to approve it, once it is finished, may be another.

**WHEN IT COMES** to local celebrations, town mottoes, etc., Texas is bound to have everyone beat.

You may have missed it in the news recently, but the city of Cuero, Texas, is vying with Worthington, Minn. for the claim of "Turkey Capital of the World."

The last weekend of this month, Cuero will hold its "Turkeyfest and Jamboree." To heighten the discussion of which town deserves the honors, a race was proposed between a turkey from the Texas town, and one from Minnesota. One race was to be held in Minnesota, during that town's "King Turkey Days" celebration. A second race is to be held during Cuero's local celebration.

The race has been billed as the first annual Great Gobbler Gallop, although it was pointed out that both of the participating turkeys were actually hens, and not gobblers.

As you might expect, the race was proposed by a newspaper publisher—Ken Long of Cuero.

**SPEAKING OF** competition, the great tennis "battle of the sexes" is over with, and about all it proved was that a young, masculine woman can beat a middle-aged, wise-cracking and perhaps non-training male.

Having no doubt lost all of my female readers at this point, I shall continue writing to the men.

At any rate, we tip our hats to the promoters of this latest extravaganza in Houston's Astrodome. They really pulled out all the stops, and exploited the match about as far as you could exploit anything.

**WE MENTIONED** in this space a few weeks ago about the newsprint shortage. A friend of ours in the printing business says the shortage has become drastic as far as he is concerned. "When you have to turn down a \$14,000 printing job because you don't have the newsprint, then it is a serious problem," he told us the other day.

We have to hastily admit that this is about as serious as you can get.

The strike by paper mills in Canada has been blamed for causing a major part of the problems. We understand that the strike has been ended, but like all things of this nature, when the industry gets behind, it will have some effect for some time to come.

We were told this week that some grocery shoppers in Amarillo were being asked to bring their old paper bags back to the stores with them. Local grocers have verified that they have had trouble getting this seemingly everyday item,

**FIRST CORN REPORTED TO STAR...** McLellan Farms had the first reported corn for 1973 weighed in at Friona Wheat Growers Thursday morning. The 18,640 pound load had a test weight of 55 and moisture content of 13.93. Harvesting the corn for McLellan Farms is Glenn Herring. (Staff Photo)

**FROM TYPHOID CASE**

**Officials Discount Epidemic Danger**

The confirmation of two cases of typhoid in a Friona family, one of which caused the death of an 11-month old boy, does not mean the area could be in for an epidemic, according to local health officials. The death of Anthony Whiteside, 11-month-old infant, was traced to typhoid.

"We feel that this is an isolated case, and we don't anticipate an outbreak. We are not recommending that residents get shots, since the germ is not that contagious," said Dr. Paul Spring, Farmer County Health Officer.

Dr. Spring explained that the typhoid germ is carried by food and water, so that you would have to eat or drink after an infected person to contract the germ.

The county health officer said there had been some criticism because the other Whiteside children were allowed to continue in school, but emphasized that they had received shots, and that the germ was not contagious just by exposure.

The typhoid shot is a fairly serious inoculation, it was explained. These are not given routinely, as are some other disease shots—usually just in an area where flooding has caused pollution or contamination of drinking water.

The city's water supply has been sampled, and no trace of the typhoid germ was found. In fact, the City of Friona sends

monthly water samples to the State Department of Health, and has always received good reports on its samples. Lisa Whiteside, 27-month-old sister of the boy that died, was the first to be hospitalized. She was brought to Farmer County Community Hospital late last week, suffering with diarrhea and vomiting.

The doctors suspected typhoid, and sent a culture for tests. The tests came back positive, and in the meantime the infant boy was brought in. He died the same day he was admitted to the hospital. Indications that the infection

**Pep Rally, Bonfire Slated Thursday**

For the first time in several years, a bonfire will precede the Friona Homecoming Game. Starting out at high school, a caravan will work its way down West Fifth Street to Main, traverse Main Street to Highway 60 West and stop at Reeve Lake for the pep rally and bonfire.

Decorated, flatbed trailers will be in the caravan for the football players and three or four flatbed trailers will be provided for members of the student body.

Mark Shackelford, president of the Friona High School SFC, said it is hoped that several more vehicles will be picked up in the caravan before they reach the bonfire site at Reeve Lake on West Highway 60.

The caravan is expected to leave high school at 8 p.m. accompanied by the drum section of the band who will be acting as mobilized "Pied Pipers" to draw a crowd.

On arrival at the lake bed, the pep rally is scheduled to begin at 8:30 p.m. Friday night, the Chieftains will meet the Wolverines of Earth-Springle in homecoming action at Chieftain Field.

**FIRST LOSS**

**Ouch! Mules Kick Chieftains, 27-6**

Friona's first venture in competition outside Farmer County proved disastrous Friday night, as the visiting Muleshoe Mules scored a 27-6 win, to hand the Chieftains their first 1973 loss.

The opportunist Mules took advantage of two Friona fumbles and a like number of pass interceptions to score their second win over a District 3-AA team in as many weeks.

The Mules took advantage of a big break early in the game, and made it stand up for a 7-0 halftime lead.

The Mules hopped on an errant pitchout on Friona's third play from scrimmage, getting the ball at the Chieftain nine. Three plays later, quarterback Don Long raced six yards for the go-ahead points, and Friona was trailing for the first time this season.

Before the game was over, Long was to add another TD, along with a pair from hard-running halfback David Wheat.

Friona fumbled on their second series also, but avoided a second tragedy when Dale Parsons intercepted Long's fourth-down pass.

Late in the second quarter, the Chieftains got good field position after a pair of exchanges, and drove from the Muleshoe 40 to the eight, from where they appeared about to tie the game.

However, a clipping penalty erased Ted King's run to the one-yard line, and on the next play, Clay Bandy's pass was intercepted to thwart the drive. Muleshoe got to the Friona 20 before halftime, but had to settle for a 7-0 lead.

Friona took the second half kickoff, and drove steadily up the field, paced by King, whose running gave the team three first downs. Friona got a first and goal at the ten, but again, misfortune struck. On third down, Bandy faded to pass, and again had his effort picked off, and the possible tying touch-

down was halted for the second time. Muleshoe rambled 63 yards in ten plays, with Wheat getting 35 of the yards, including the final 13 after a pitchout from Long. This made the score 13-0, as

the PAT failed, and the two drives had used up most of the third quarter. Friona couldn't move, and had to punt. Long fielded the ball on his own 48, circled right end and sped 52 yards untouched for the Mules' third

touchdown. Wheat's kick made it 20-0. Early in the third quarter, the Mules were backed up to their 16. On their second offensive play, however, Wheat broke into the secondary, found

**Out-Of-Town Entry Wins Event**

Johnny Mabry of Big Spring, and Diana DeBord of Friona took the top two places in the second big week of The Friona Star's annual football contest. They were the only ones of the 212 contestants entering the second week of the contest to gain a score of 14, and they captured the top two places. Mabry's only miss besides

the tie (Tulia-Morton) was in picking Kansas City over Los Angeles. He won first place and \$5.00 by picking the Friona-Bovina tie-breaker score at 42-6 missing by only four points on the Friona score. Mrs. DeBord, whose miss was in picking Littlefield over Levelland, missed Friona's score by four, and Bovina's by six. She was awarded \$3.00.

After two weeks, there have been 434 entries in the contest, including 252 different contestants. A total of 11 contestants scored a 13, and from this group, Mary Pryor emerged as third-place winner, missing the tie-breaker score by only nine points, picking Friona to win, 40-3.

**Hi-Pro Awards Two Saddles In Roping**

The team of Bill Lookingbill of Summerfield and Hal Easley of Hereford won the matched roping contest sponsored last Saturday in Clovis by Hi-Pro Feeds and Elanco Products.

By winning, the two ropers were awarded beautiful hand-tooled saddles by the sponsors of the contest. Lookingbill and Easley averaged 22 seconds on their two calves to win top honors.

Placing second were Larry Potts and Jesse Shirley of Friona, with an average time of 22.4. Third was Sylvester Mayfield and Kyle Reed of Clovis at 22.6. Fourth was the team of Sid and Charlie Price of Tatum, N.M.

Other contestants correctly picking 13 games were Eugene Bandy, Cindy Carthel of Portales, F.G. Crofford, Marie Fleming, Don Fortenberry, Jerry Hinkle, Celia Loflin, Redge Priest, H.W. Roberts of Bovina and Andreea Wilkins. Mrs. DeBord's 14 shot her into a first-place tie for the lead after two weeks, with Shawn

Aguirre. Both contestants have scores of 25. Mabry's 14 elevated him into a tie for the runner-up spot at 24 points with Cindy Carthel, Ronnie George and Ann Nichols. Other leading contestants are as follows— 23 Points Hal Blackburn, Terry Brown, Gail Brown, Davy Carthel, F.G. Crofford, Billy Nazworth, Redge Priest, Mary Pryor and Robin Zetzsche. 22 Points Eugene Bandy, Alane Bishop, Dean Blackburn, Kay Dyess, Morris Garza, Jim Bob Jones, Celia Loflin, Jerry Loflin, Maxine Owen, Mary Priest, Keith Pryor, Vickie Smiley, Max White and Andreea Wilkins. 21 Points Todd Bandy, Keith Blackburn, Bob Clark, Bobby Drake, Don Fortenberry, Movelda Fortenberry, John Fortenberry, Forrest Harding, Jerry Hinkle, Mrs. Albert Johnson, Bryan Johnston, Donita Martin, Donna Mears, David

**Revival Continues During This Week**

Continuing through this week at Friona, United Methodist Church is the revival conducted by Ed Robb, Abilene evangelist. Well known throughout this area, Dr. Robb, along with the Rev. Gene Moore as song leader, started the Friona revival today, September 23.

Services are scheduled at 11 a.m. and 7 p.m. on Sunday, and each weekday, including Saturday, a breakfast at 7 a.m. will precede the services and the evening services will be at 8 p.m.

Dr. Robb conducted a revival in Friona approximately four years ago, and many area

persons have become familiar with his dynamic style. He has preached from coast to coast and from Canada to the Gulf of Mexico. His preaching missions have taken him around the world. He has preached in some of the largest camp meetings in the United States. Dr. Robb is also a prolific writer, with several books and booklets to his title. His many articles have been widely published.

Rev. Albert Lindley, pastor of the Friona United Methodist Church, issued a special invitation to everyone throughout the area to attend the services and hear Dr. Robb while he is here this week.

**City Report Shows Building Permits Down**

Friona Police Chief H.R. Denney reported to the City a total of 57 arrests for August, according to the August City Report released. The report stated 44 were for traffic violations; five for drunk in control of vehicle; three disorderly conduct; two drunk walking charges; one each for driving with suspended license, warrant and unlawful alien.

The report also said 24 complaints were received; seven for thefts; three domestic disturbances; two each for vandalism; breaking and entering; noise disturbances; animal complaints; and hit and run. There was also one runaway and three miscellaneous complaints according to the report as released.

Six automobile accidents were investigated with five minor injuries, said the August report and there were 14 man nights of jail occupancy with the monthly food bill amounting to \$30.08.

**ADMINISTRATIVE**

In other city activities—1972 delinquent taxes in the amount of \$9,539.01 were turned over to attorney Easterbrook for collection on August 3. Approximately ten percent or \$892.36 were collected during the month.

132 delinquent water bills existed as of August 13; three cut-offs were made and all others came in with exception of one, carried forward.

The annual city budget was published and bound during the second week.

The 1973 tax roll, consisting of 1754 line items, assessed value of \$9,800,250 for collection of \$137,203.50 was published during the second and third weeks of August.

There were six changes in ownerships, city properties, reported by the county clerk's office during the month.

Only three building permits were issued; all additions/alterations amounting to estimated construction cost of \$22,200.00.

There were two purchase and 112 work orders processed during the month.

Two weed, seven dog and eight trash complaints were recorded during the period.

**WATER DEPARTMENT**

Records indicate approxi-

mately 34,337,300 gallons of water were pumped and 21,494,000 gallons accounted for in sales to indicate an efficiency of only 63 percent. This imbalance may be accounted for in a high percentage last month, with rather heavy watering of the city park during this period. Rainfall measured only .58 inch and came over four widely dispersed days with no beneficial ground moisture.

There were no new taps made leaving the total at 1308. The cemetery well was placed back into operation, the sand cleared from the lines during the third week of the month.

Routine pumpage, maintenance of the wells was carried on with an average of 1,107,655 gallons per day being pumped.

**WASTEWATER DEPT.**

Records indicate approximately 7,584,373 gallons of wastewater were processed at the plant during the period. This averaged 244,657 gallons per day and is up slightly from last month.

Two new sewer taps were made to bring the total number of active taps to 1276.

One main line stoppage occurred between Virginia and Jackson Avenues on August 21.

Thirty inches of sludge were drawn on August 7. Weeds about the lagoons were mowed with the new sickle mower during the third week.

**FIRE DEPARTMENT**

Four alarms were sounded during the month; only one within the city, however, this was the worst major fire in Friona in several years. Three classrooms and the library of the grade school burned late in the afternoon, August 8, with estimated loss of \$80,000.00. The other calls were two elevators and a feed yard with no appreciable loss.

**STREET DEPARTMENT**

The school's crosswalks were repainted during the second week in preparation for beginning of school on August 24.

Assistance was given on the beginning of the new community center building by mowing of weeds in the area, August 9 and 10.

**WELCOME TO FRIONA**

Friona welcomes a young bachelor this week as 'New-comer of the Week.' He is Joe Thielen, 20, who moved here to be assistant to Percy Parsons at Parsons-Ellis Funeral Home. A native of Houston, he is a graduate of Scarborough High School in Houston and Commonwealth College where he received his degree in Mortuary Science. He is the son of Mrs. Alice Thielen of Houston and commented on how friendly and helpful Friona people have been in his three weeks here.

### 8th Grade Loses 1st

Friona's eighth grade Braves dropped their first game of the 1973 season, a 6-0 decision to Tulia here Thursday evening. The previous Thursday, the team had downed Bovina, 21-8.

Against Bovina, the Braves marched 35 yards after recovering a fumble. Raul Braillif went eight yards for the score, with Terry Wilcox running for two points and an 8-0 lead.

In the second quarter, Tommy Schilling blocked a Bovina punt and Koty Kothmann recovered it in the end zone for six points. Edward Castillo kicked the point and Friona led, 15-0.

Kothmann, a defensive player, has already scored two touchdowns this season.

Raul Braillif returned the second half kickoff 65 yards for a touchdown, and a 21-0 lead. Bovina then drove for its only TD of the game. Final was 21-8.

Against Tulia, the Braves lost their chance when they fumbled at the Tulia one-yard line after driving with the second half kickoff.

Tulia, meanwhile, went 42 yards after recovering a Friona fumble in the third quarter, for the game's only touchdown which stood up for a 6-0 win.

### Illness Diagnosed As Fishing Fever

Jack Patterson said he has taken his wife, Ona, to the doctor and he has been informed that she is definitely afflicted with "fishing fever."

Billie Jean King doesn't have one thing over Ona Patterson... women's libbers are beginning to make their way in the world.

Early this month, Patterson took his wife on a fishing trip. They were fishing along the San Juan River in northern New Mexico and he proudly boasts that he was "out fished" by his inexperienced fisherman wife.

Mrs. Patterson, who was fly fishing along the river, caught an eight pound, 26 and one half inch rainbow trout, which was more than double the size Patterson managed for the day.

Patterson ruefully added, "She was using a 'Renegade' fly and really latched on to the big one that didn't get away. Any man, including me, would walk or hike in to a fishing spot 20 miles away to catch one that size. The fish Ona caught is two ounces heavier than any I ever got, and I've been fishing for years."

Understand through the grapevine, she's ready to go.

### IT'S ALL A MATTER OF TASTE

It's a Dutch treat to sample *gevulde kalfshorst* (stuffed breast of veal) in Holland. But every country has its favorite delicacies: Jamaica's stuffed lobster... Lebanon's yogurt pancakes... Portugal's ewe's-milk cheeses. Here and in about 30 other countries, many Holiday Inns serve local specialties under the same roof with Continental and American cuisine.

### Tulia Tops 7th Graders

The seventh grade lost their third game of the season here Thursday, by a score of 10-0. Tulia got a safety in the first half for a 2-0 halftime lead.

Tulia intercepted a pass in the second half and ran it to the 27. On third and 13 on the 30 Tulia went in to score and ran the extra over for two making the score 10-0 which was the final score.

The team had lost to Bovina, 12-0 on September 13.

**NEXT FRIDAY**

**Springlake Is Foe For Homecoming**

It will be the homecoming feature next Friday at Chieftain Field, when the Friona Chieftains host the Springlake-Earth Wolverines. For the third and final time, the Chiefs will be dropping down into Class A, and into District 3-A for the third time, when they test the Wolverines from Lamb County. Springlake-Earth was added to Friona's schedule last season after a 14-year absence. The two schools had been district mates for a number of years during the late 1940s and early 1950s.

Friona won the series renewal last year at Springlake, 47-0, and the Wolverines would like to avenge this licking, although they may not have the manpower to do it. Hurting the Wolverines' chances for 1973 was the loss of possible all-state prospect Brian Britton, starting tackle on last year's team. S-E still returns eight lettermen, and has the best speed and size that Coach Duane Locke says he has had in three years. Senior quarterback Hal Wood is a returnee, along with halfback Pete Rodriguez, who was out with a broken wrist most of last season. Rodriguez was a standout track performer

last spring, turning in a 9.8 time for the 100-yard dash.

Giving the Wolverines left on the line are tackle Scott Scheller, 210, Randy Latham, 185, and guard Randy Bills, 185. Backfield starter Richard Gauna, 185, gives the Wolverines a big man at fullback.

The Wolverines have a 12 season record, having defeated Lubbock Cooper and lost to Morton and Dimmitt. All of S-E's games to date have been against class AA schools.

In spite of last year's loss, the Wolverines lead the all-time series, 11-7-1.

If homecoming results are any indication, the Chiefs should be slight favorites. In the past 15 homecoming games, Friona has won eight, lost six, and tied one.

The game marks five straight years for a different team to be met in the homecoming feature.

**B-Chiefs Shut Out Sudan For 2nd Win**

Two first-half touchdowns and some great defensive play carried the Friona B-team to its second win of the season at Sudan Thursday, 16-0.

The B-Chiefs scored the first time they had the ball, going 42 yards in only five plays. Kent Miller, Leonard Woodruff and Robin Baize were the ground-gainers, with Miller getting the first seven yards in the drive and the last six for the TD.

Baize ran for two points, and Friona had an early 8-0 lead. Late in the second quarter, Friona took over on the Sudan eight, after a bad snap when Sudan was punting.

Two passes by quarterback Dusty Peters fell incomplete,

and Peters was tackled for a loss in between. However, on fourth down, Peters hit Baize in the end zone, as only seven seconds showed on the scoreboard. Baize then ran for two more points, and the B-Chiefs' lead became 16-0.

Neither team scored during the second half. Friona drove to the Sudan 10 in the third quarter, but an intercepted pass halted that threat. Then late in the game, with reserves seeing action, the Chiefs drove to the Sudan 18, but time ran out on this effort.

Cited for good defensive plays were Charlie Wilkins, Kenny Sifford, Rolando Caballero, Loren Martin and Robin Baize.

the right sideline with blockers and sped 77 yards for his second TD, and his kick made the score 27-0. Only 5:19 remained in the game.

Not wishing to be shut out, the Chiefs finally were able to complete a drive, going 37 yards in seven plays, with King blasting his way four yards for the TD. A pass try for points failed, and the final score turned out to be 27-6.

Wheat, who has had a

personal hand in two Muleshoe wins over Friona, was the game's leading rusher with 160 yards. Ted King wasn't far behind for Friona with 144 yards.

**Frosh Fall To Tulia**

Friona's Freshman Chieftains fell to the Tulia freshmen, 20-6 in a game at Tulia Thursday.

The freshmen fell behind in the game, 20-0, and scored their only touchdown in the final quarter.

Friona's touchdown came after an interception of a Tulia pass. Keith Martin deflected the pass, and Leslie Broadhurst caught it at the Tulia 28. The freshmen scored 10 plays later, on a quarterback sneak by Martin from the one-foot line.

Sammy Felder, Kelvin King and Martin gained the yardage during the TD drive. Martin was also credited with a good defensive game.

THE 1974 wheat program is designed to encourage all-out production and thus there will be no set-aside requirement. There will also be no conserving base requirement for the four-year life of the Agricultural and Consumer Protection Act of 1973.

New in the wheat program is the target price feature. If the average price for wheat is at or above the \$2.05 per bushel target price, the producer will receive no payment. If the price average is below the target, the producer will receive the difference between the target price and the five-month average price received by all farmers.

There will be no preliminary payment. Any payment due will be paid after December 1, 1974. If the average price received by all producers is under \$2.05 per bushel for the July-November, 1974 period, a producer would be paid on an amount of bushels determined by multiplying the farm allotment by the projected yield established for the farm. The projected yield represents the potential production for the farm as determined by the Agricultural Stabilization and Conservation Service (ASCS) county committee.

The total amount of payments a person may receive under one or more of the 1974 wheat, feed grain and upland cotton programs may not exceed \$20,000. Loans will be available to producers on their 1974 wheat crop at a national average of \$1.37 per bushel, an increase of 12 cents over 1973 loans.

The national allotment is set at 55 million acres. Thus, on the average, each producer's allotment in 1974 will be about three times that of this 1973 allotment. This allotment is not a constraint on the amount of wheat that can be planted, and its sole purpose is for making payments to producers in the event the five-month average price received by farmers is less than the target price.

Producers may substitute any non-conserving crop or any conserving crop used for hay or for grazing in order to preserve their wheat allotments and to make them eligible for any payments under the target price feature. Crops for which a marketing quota is in effect are excluded.

WHAT FACTORS really caused the current "shortage" of meat—the boycott earlier this year or the government price ceiling?

The old concept that a producer is a price taker rather than a price maker is undergoing a rapid change in this instance. While the boycott in April was real and probably did have an impact on the total price of beef, it may have caused the producer to pull back on production, thus creating shortages.

## Food Stamp Meeting Scheduled Tuesday

A meeting to discuss the Food Stamp Program with Bailey and Parmer Counties grocers and wholesalers will be conducted by the U.S. Department of Agriculture on Tuesday, September 25.

The newly instituted Texas program will open in Parmer and Bailey Counties on November 1, 1973.

The meeting is set for 2 p.m. in the District Court Room, County Courthouse, Muleshoe, according to James Sattler, Officer-In-Charge with the Lubbock Field Office of USDA's Food and Nutrition Service.

Purpose of the meeting is to acquaint grocers and wholesalers with Food Stamp Program operations and responsibilities. "Store owners

and employees must understand Food Stamp Program operating procedures before a store can be certified," James Sattler pointed out, "so it is most important that county officers attend the meeting."

The Food Stamp Program is a cooperative effort involving the State Department of Public Welfare and USDA's Food and Nutrition Service, added the spokesman.

Under this program, families certified as eligible by the welfare office can buy USDA food coupons which are used like cash at retail stores authorized by USDA to redeem the coupons.

In addition to the coupons they buy, needy families are given 'bonus' coupons to enable them to obtain better diets.

*Sincerely Yours*

SAY, THIS WEATHER isn't doing "going" any good. Much of this and we'll be seeing the Jeepsers take off for the mountains. I'll just bet those leaves are really getting ready to pop open in their usual lovely color.

The way things are turning out this year I probably won't be able to make the "change of colors" trip to Red River and that's the second year in a row. It sure seems that I could keep my ducks lined up better than that.

I would imagine that by the weekend when you actually read this, every thing will be all settled back to normal again. We sure hope so, anyway.

I walked into the Church this past Sunday and said off handedly (a preacher should never speak off-handedly) "Well maybe we need our heaters on for today." (Remember how cold it was?) I was immediately informed by two farmers that we would bluff it through this cold spell by keeping our air conditioners running if need be but we were not going to admit that it was cold yet. The crops simply couldn't stand it—so that's the way we are going to work our way out of the weather.

We spend alot of our time trying to bluff our way out of a mess we are in, don't we?

This probably isn't a very nice thing for me to end with but have you ever tried to bluff God? I wonder if he thinks it's bluffing?

One for the road—  
"Daddy," asked the minister's little daughter, "why do you kneel at the altar before you go into the pulpit?"

"I'm talking with God," said the minister, "and I ask him to give me a good sermon to preach."

"But Daddy," persisted the little girl, "why doesn't he ever do it?"

OUCH!

THOUGHT YOU MIGHT enjoy these time saving hints—Recipes often call for chopped, grated, diced or minced ingredients.

Do this time-consuming work ahead of time—then freeze the various ingredients until needed.

For example, grate cheese a pound or two at a time. One pound makes about four cups grated cheese. Measure it in one-cup units—or in the amount wanted most often.

Place cheese in air-tight containers or wrap in moisture-vapor-resistant plastic wrap, and freeze. American process cheese freezes well.

Chop a pound or two of onions at a time, either with a knife or in a blender for finely chopped pieces. Wrap in 1/2-cup or 1/4-cup units in air-tight plastic wrap.

Place packages in a glass freezer jar that can be tightly closed, to keep the onion odor from escaping, and freeze.

Green peppers also can be chopped and frozen. Mince parsley and then put in the freezer. Both should be

packaged in convenient-sized units, then placed in air-tight containers.

## We Use God's Light To Distinguish The Truth

Read James 1:12-18

All good giving, every perfect gift, comes from above, from the Father of the lights of heaven. With him there is no variation, no play of passing shadows. (James 1:17)

My wife sought to match a blue jacket she owned with a fabric to make a skirt. She failed in many attempts. Then she saw a piece of material that seemed to be a perfect match. As she turned the material one way and then another, the clerk said: "Why don't you take it outside the store? You cannot tell true colors in this artificial light."

How can we tell if our personal life is showing the true color that God wants in us? Our text gives us a clue. "The lights of heaven" doubtless refers to the sun, moon and stars. The text suggests that even these heavenly bodies change, but "there is no variation" in God. His light is true and never varies. It is in God's reliable light that we can determine how nearly our life's colors match His.

PRAYER: Heavenly Father, we thank You that You are the divine source of light by which we may see the variations of color in our lives. We ask that we may reject our imperfections and be diligent in our search to make the spirit and acts of our lives to match Your expectations. Amen.

THOUGHT FOR THE DAY

To distinguish the true from the false we must use God's light.

## Federation Meeting Held By Three Local Study Clubs

Friona Women's Federated Clubhouse was the meeting place Tuesday night for the joint Federation program for members of Friona Woman's Club, Progressive Study Club, and Modern Study Club, the hostess club.

Guest speaker for the evening was Mrs. Don Max Vars, Canyon, President of the Top of Texas District. She is the former Lila Gay Buske of Friona, daughter of Mr. and Mrs. G.B. "Pete" Buske. Mrs. Vars was introduced by Mrs. Von Edelman, President of Progressive Study Club. Mrs. Mars is the first District President of the Top of Texas Study Club ever named from Friona.

"Facing the Now World," with the topic "Love is—" Federation was opened with the invocation given by Mrs. C.W. Dixon of Friona Woman's Club. Welcome was given by Mrs. Lois Miller, President of Modern Study Club.

Lisa Taylor sang a medley of songs having Love as their theme. She was accompanied by Mrs. Roy Miller.

Accomplishing Through Federation was the topic chosen by Mrs. Vars. She said very forcefully, "How much I do appreciate the federated clubwomen of Friona!" Mentioning two of her blessings she named one as being brought up in small town Friona, USA. She named individual clubwomen who had been an example and good influence in her life.

The visiting clubwoman gave three advantages of belonging to a federated study club—social, educational and as a means for community service. In discussing the various pollution our communities are concerned with, she said, "I am most concerned about 'mind pollution,' especially for our youth and children."

A word of caution to clubwomen was, "Don't get wise" and content with our accomplishments. We need to continue checking on and pursuing these areas of community needs."

Mrs. Vars commented that all community service is good, but that the example set by an individual is the very best. Clubwomen and guests were charged with the responsibility of our youth's future. In closing

### Friona Youth At New Mexico Fair

A Friona youth was among the over one hundred members of New Mexico Military Institute's cadet band, drill team and color guard which followed Governor King's car at the head of the 1973 New Mexico State Fair Parade held September 12 in Albuquerque.

Darrel Polan Mason, son of Mrs. Amy J. Mason, was the Friona youth who participated in the parade.

NMMI's president, Colonel C. Robert Kemble, USA Ret., accepted the State Fair Parade Committee's invitation to the cadets on behalf of the three cadet organizations early last month, when donations by the NMMI Alumni Association were offered in support of the Institute contingent's participation.

she used Proverbs 31:31, "Praise her for the many fine things she does. These good deeds of hers shall bring her honor and recognition from even the leaders of the nation."

Special guests were Lisa Taylor, Mrs. G.B. Buske and Mrs. Phillip Weatherly.

Thirty-two attended the joint club meeting. The refreshment table featured an arrangement of candles and multi-colored summer flowers. Appointments were silver and crystal on an imported hand-embroidered linen cloth. Pouring at the tea table were Mrs. Lois Miller and Mrs. Von Edelman.

Repeating the club collect in unison led by Mrs. Glenn Reeve closed the annual federated club women's meeting.

Hostesses were members of Modern Study Club social

Mrs. Don Max Vars

committee, Mesdames Deke Kendrick, Bobbie Wilson, Wilma Jones and Melba Allen.

### Mrs. Tatum Chosen Study Club Prexy

Members of the Black Study Club met Thursday in the home of Mrs. Teddy White with 16 members answering the roll call with "Their Summer Highlight."

Opening exercise was a game directed by Mrs. Cliff Allmon.

During the business session, officers for the upcoming year were named with Mrs. Tommy Tatum, president; Mrs. Ethel Bengler, vice president; Mrs. Cliff Allmon, secretary-treasurer; Mrs. Helen Fangman, parliamentarian and Mrs. Roscoe Ivy and Mrs. Ellis Tatum, reporters.

Program for the meeting was on the club's history with each

member asked to give their favorite program during preceding years. Mrs. Bill Cartnel and Mrs. Glyn Hamilton coordinated the program.

Displayed during the evening was the club's scrapbook.

Members at the meeting included Mrs. Ellis Tatum, Mrs. Ethel Bengler, Mrs. Travis Stone, Mrs. Harry Lookingbill, Mrs. Helen Fangman, Mrs. Tommy Tatum, Mrs. Glyn Hamilton, Mrs. Emma Elmore, Mrs. Bill Cartnel, Mrs. Cliff Allmon, Mrs. Johnny Mars, Mrs. Charles Hamilton, Mrs. Dick Rokey, Mrs. Clyde Hays, Mrs. Gene Welch and the hostess, Mrs. Teddy White.

### Rummage Sale Scheduled By Hospital Auxiliary

The Hospital Auxiliary will be holding their annual rummage sale in the old McCaslin Lumber Co. building this Fall.

Dates and times of opening will be September 28 and 29 and each Friday and Saturday throughout October-Fridays from 2:5 p.m. and Saturdays from 2:6 p.m.

The rummage committee will be in the McCaslin building on Thursday, September 27 from 2-4 p.m. to accept donations of saleable items. There is always a great need for small household appliances, household linens, children's clothing and toys, according to Mrs. Paul Spring.

"This is Friona's original rummage sale which has taken place each Fall for more than twenty years. It was begun by the ladies of the hospital auxiliary in order to provide funds for their many hospital projects," added Mrs. Lee Spring.

"Past sales have provided money for automatic beds, new curtains, bed tables and television sets to add to the patient's comfort, landscaping around the hospital and the lobby re-decorating project which is almost complete."

Profits from this year's sale will go towards replacing old TV sets.

"If you have any donations which you are unable to bring

to the McCaslin building at the time specified, please call either Mrs. Paul Spring, 247-2238 or Mrs. Lee Spring, 247-3172," concluded the Auxiliary members.

### Artist Displaying Work At PCA Office

Veda Bletcher, daughter of the late Cleo Whitley, and niece of the late Leo McLellan, has a display hanging at the Friona Production Credit Association office at this time.

Ten of her paintings, including wildlife, landscape, ghost towns and others are being shown at the PCA office in Friona and an additional 10 paintings are presently on display at the First Federal Building in Amarillo.

The versatile artist, who is a resident of Truth or Consequences, N.M., has studied under the nationally and internationally known artist-instructor, Marion Letton.

She says she got into painting accidentally, after she was "dared" by a cousin, Betty Rector of Friona.

PCA has tentative plans to display works by various local artists in months ahead.

SANDREA KAY BURKS...Mr. and Mrs. Charles H. Burks, 1717 13th Street, Woodward, Okla., announce the engagement of their daughter, Sandra Kay Burks of 613 South Lincoln, Liberal, Kan., to Gordon Larry Hough of Goodwell, Okla. A December wedding in Liberal is being planned. Miss Burks was graduated from high school in Cushing, Okla., and from Oklahoma Baptist University. She is currently a music teacher at McKinley and Lincoln Elementary Schools in Liberal. Mr. Hough was graduated from high school at Friona, Texas, and from Panhandle State College at Goodwell. He formerly taught one year at Liberal High School and is currently an industrial arts instructor at PSC. He is the son of the late Gordon Hough and Dorothy Hough.

### Son Born To Hamiltons

Mr. and Mrs. Charles Hamilton became the parents of Chad Brandon, their first child on Friday, September 14 at 11:40 a.m.

The infant weighed eight pounds, three and one half ounces.

Mrs. Hamilton is the former Randie Kelley.

Grandparents are Mr. and Mrs. T.A. Kelley and Mr. and Mrs. Glyn Hamilton of Friona; great grandparents are Mr. and Mrs. Tom Lewellen of Friona and Mr. and Mrs. Leslie Hamilton of Colorado City and great-great-grandparents, Mr. and Mrs. E.D. Matlock of Friona.

## Come see the '74 Oldsmobiles.

"But dad, all you said was that Cutlass Salon had reclining seats. You didn't say it came in a new coupe, too."

Last year Cutlass Salon was a new kind of American car—a sedan built for its roadability.

This year there's a Salon two-door

coupe. Like the sedan, it has a new, lower steering ratio for quicker response. Steel-belted radial tires to grip the road. Special suspension for tight cornering.

Contoured seats that recline. And you can even order a Landau roof.

Cutlass Salon. Built in the Grand Touring Tradition.

"Look Walter! Now we can get an air conditioner that filters smells."

Not only does Tempmatic regulate temperature inside your car to a preset level, it also charcoal filters the air. The filter acts to reduce many

offensive odors from the air entering the car. It's available on all full-size Oldsmobiles. The '74 Delta 88 coupe has a brand new roofline. Hydraulic bumper systems,

front and rear. And underneath—a suspension system that's as tough as ever. Olds Delta 88. It's really put together. More than just another pretty car.

"Hey! I didn' know we could get these new little windows in the Toronado."

Order a Toronado with an opera roof and you get opera windows and a padded canopy of oxford-grain vinyl. You can also order a new interior with rich velour upholstery, a high-energy ignition system,

and True-Track braking.

The 1974 Toronado has a new instrument panel with a message center that lights up to warn you when certain things such as your gas, oil pressure, seat belts,

etc., require your attention; there's even an exceptionally accurate digital clock, with quartz-crystal controlled movement. Front-wheel drive Toronado. Engineering can be beautiful.

**Four Friona Grads Enrolled At LCC**

Four 1973 graduates of Friona High School have enrolled in Lubbock Christian College for the fall term. Bobby Moore, son of Mr. and Mrs. Kenneth Moore and Scott Lillard, son of Mr. and Mrs. C.L. Lillard are both freshmen Business Administration majors. Jayson Grimsley, son of Mr. and Mrs. David Grimsley is a freshman Agriculture-Business major and Scot Nelson, son of Mr. and Mrs. Grady B. Nelson is a freshman Biology major. Lubbock Christian College, a fully accredited senior college offering liberal arts and pre-professional programs, has a student body of 1,100.

**UMW Holds Meeting, Name Officers For Coming Year**

The United Methodist Women met in Fellowship Hall Thursday night for a salad supper, and to elect new officers for the coming year. The slate of officers elected included Mrs. Ralph Shelton, president; Mrs. Jerry London, vice president; Mrs. Garland Freeman, secretary; Mrs. Estes Bass, treasurer and Mrs. Leta Tannahill, Mrs. Arthur Drake, Mrs. Albert Harrison and Mrs. Eric Vance Rushing as circle chairmen. Mission coordinators included Mrs. J.H. Boyle, Christian Personhood; Mrs. Russel O'Brien, Supportive Community; Mrs. A.L. Outland, Christian Social De-

velopment; Mrs. Darrell Simpson, Christian Global Concerns; Mrs. Albert Lindley, Secretary of Program Resources; Mrs. Kenyth Cass, Membership and Mrs. Leta Tannahill, Chairman of Nomination. Opening the session was Mrs. Russel O'Brien with a prayer and Mrs. Ted White presided over the business session, and called for a treasurer's report. Mrs. Robert Osborn was welcomed as a new member. Mrs. Osborn was a former member of the Women's Society, and she and her family had recently returned to their home in Friona. "Love, The Greatest Thing" was the devotional given by

Mrs. Estes Bass. Attending the meeting were Mrs. George Jones, Mrs. J.H. Boyle, Mrs. Bill Stewart, Mrs. Russell O'Brien, Mrs. Dick Rocky, Mrs. Guy Latta, Mrs. Dale Cary, Mrs. Kenyth Cass, Mrs. Ralph Shelton, Mrs. A.S. Grubbs, Mrs. Al Harrison, Mrs. Robert Osborn and Mrs. Garland Freeman. Also, Mrs. Earl Hawkins, Mrs. Clyde Fields, Mrs. Estes Bass, Mrs. A.L. Outland, Mrs. Ted White, Mrs. Darrell Simpson, Mrs. Albert Lindley, Mrs. Floyd Reeve, Mrs. John Gaede, Mrs. Ed Corn, Mrs. Jack Nelson, Mrs. Tommy Parker and one guest, Neva Raybon.

**LIBRARY CORNER**

"I've never met a nicer librarian any place" said Mrs. Leta Poss speaking of Mrs. Billie Fairchild, librarian at the Friona Public Library. "She is friendly, helpful and I enjoy visiting with her," she continued.

As a recent newcomer to Friona, Mrs. Poss said she recommended the Public Library as a place to obtain "information, pleasure and relaxation." Among her favorite books, Mrs. Poss lists these—"The Shadow Wife" by Dorothy Eden; "As I Lay Dying" by William Faulkner; "A Civil Contract" by Gergette Heyer; and Turnbull's "The Day Must Dawn" and "The King's Garden."

Mrs. Poss is an avid reader and enjoys almost any book she reads. As a native of the Indian territory of Oklahoma and a

pioneer of West Texas, she especially enjoys and tends to select novels which relate to incidents and conditions she can recall or has heard about. "The Legacy" by Sheete is a favorite and is the story of pioneer life in Australia while "The Shorn Lamb" by Call deals with pioneer life in Montana. For history with romance, Mrs. Poss chooses a Civil War novel as one of her favorites, "Jubilee" by Margaret Walker. If you prefer a romantic book, she suggests "Kirkland Revels" by Virginia Holt and "Bellswood" by Ogilvie.

Mrs. Poss moved to Friona from El Paso and has her home here. Her sister is Mrs. Ruth Edelman, retired public school teacher. She is a member of Sixth Street Church of Christ and a welcome reader of your public library.

**FHA Initiates Members Names Sponsor Parents**

Members of the Friona High School Future Homemakers of America Chapter met Tuesday night to initiate into the chapter new members, including Janice Peak, Linda Anthony, Jason Widner, Linda Duke, Shasta Hadley, Peggy Baca and Oralia Ramirez.

Also, Etnel Rodriguez, Anna Castillo, Martha Castillo, Diane Bennett, Melodi Dixon, Dorothy Aey and Sheryl McPherson. Mr. and Mrs. Anthony and Mr. and Mrs. Dale Widner were chosen parent sponsors for the freshmen. For the sophomores, chosen were Mr. and Mrs. Thorn and Mr. and Mrs. Phipps. Junior parents are Mr. and Mrs. Wilcox and Mr. and Mrs. Sammon. And senior parents are Mr. and Mrs. Jim Johnston, Mr. and Mrs. Reznik and Mr. and Mrs. Glenn Reeve Jr.

James Perea was chosen FHA Sweetheart.

Presenting the program for the evening was Annette Reznik who gave a program on 'impact' new FHA work program.

**Prayer Breakfast Slated At Church**

The Men's Monday Morning Prayer Breakfast which normally meets at Earl's Parmer House, will meet in the Fellowship Hall of the Friona United Methodist Church at 7 a.m. this Monday, September 24, for the breakfast and to be in the service of the Evangelistic Revival led by Ed Robb, according to an announcement by church officials. "Everyone is most cordially invited to attend," said Rev. Albert Lindley, pastor.

**The Truth Will Make You Free**  
 Terry Brown, Minister Sixth Street Church of Christ

There are many aids to Bible study. Some of the ones which we mentioned last week were different versions, use of a concordance, and a Bible dictionary.

**Bible Geography.** Bible lands and customs are strange to most of us. Books on Bible geography will help us to understand references to cities, mountains, rivers, lakes and countries. Books on the customs of Bible times help us to know something about the home life, political situation, occupations, dress and education of the people. This familiarity aids our understanding and makes the Bible seem real.

**Commentaries.** A commentary is an explanation by an individual of the meaning of the Bible or some portion of it. One must recognize that the reliability of a commentary depends altogether on the person who does its writing. Human weakness means that any commentary should be studied with constant awareness of the possibility of error.

One should always begin with a study of the Bible alone. It is always easy to find in the Bible an idea which has first been planted in our minds. Despite the value of a commentary, its place is always secondary.

**Reference Works.** Libraries usually have Bible encyclopedias which provide helpful articles on Bible topics and are much more exhaustive than a Bible dictionary. Entire books on special subjects are available and as you advance in your study, you may wish to make use of them. Religious magazines also contain articles that will shed light on your study of the Bible and it would be well for you to have at least one coming into your home.

**Conclusion.** Regardless of the value of these various helps, we must remember that they are all secondary and must not displace your own personal, diligent, prayerful contact with The Book.

**Collier Listed Third In Bar Examination**

Robert Don Collier, a graduate of Texas Tech University's School of Law, was tied for third place when the grades were announced this week for the 1,080 who took the Texas State Bar examination in Austin last June.

Collier had a score of 92.25, just above that of another Texas Tech graduate, J. Thad Floyd Jr. of Lufkin whose score was 92.

All 65 of the Texas Tech University graduates who took the examination passed, with their average score, 83.3.

Collier, the son of John L. Collier of Friona, was editor of the Texas Tech University Law Review during his third year. He is doing graduate work in tax law at New York University. Collier's score tied that of David K. Brooks of Austin, a graduate of the University of Texas.

No, I am not an aspiring football player...and yes, Teddy King (No. 45) is a real good tackle. This is first hand experience. With almost the first play of the first game of the 1973 football season, I got in the way.

I was out of bounds like I was supposed to be, but was unable to move fast enough and as a result had a real good ankle tackle.

But those of you who watched the game didn't see me get tackled again, however, I learned to move faster.

Regardless of a suggestion, I refuse to suit out on Friday night, but do plan to continue taking action shots on the sidelines.

Weekend guests last week in the Glenn Floyd home were Mr. and Mrs. Neal Jones of Stockton, Calif. Understand Glenn had gone fishing and June had returned from Austin on Friday night, just in time to receive her visitors.

Deke Kendrick said almost everyone in Friona watches the popular noontime TV serial "As The World Turns."

Monday, as work crews were moving a line, they disconnected a cable that carried television to much of the city. Until frantic workmen could hurriedly replace the line, Deke said it took three persons to answer all the telephone calls with all three incoming lines ringing constantly.

"The installer sure knows better now," she ruefully commented.

Maize Days, 1973, is history now, and the several hundred persons who were directly involved in the 17th annual presentation are recuperating, including yours truly.

This is the first celebration of the magnitude of Maize Days I have worked on...hope to be better prepared for next year.

My friend out of county who stores such things for me as

papers, film and negatives in his vault, thinks Friona is one of the most interesting places he has heard of in a long time.

He and some of his co-workers are planning a visit here as soon as they complete some preliminary checking on various activities from this area.

Friona may be in lots of 'headlines' soon...after these people visit. They're thorough.

An interesting sidelight to the Maize Days parade as related by Mrs. J.T. Gee—

A young man (an unknown Carthel youth) was watching the Maize Days parade when he was one of the fortunate ones who caught some of the bubble gum being thrown from various floats and cars in the parade. Mrs. Gee said she watched the youth unwrap his bubblegum, gleefully put his prized piece of gum in his mouth, then very carefully put the paper wrapper in his mother's purse, oblivious to the blatant littering going on around him as youths (and adults) carelessly threw papers, cups, etc. on the ground.

I agree with Mrs. Gee that the youth is to be commended for his 'anti-litter' activities.

Mrs. Charles Russell has undergone surgery two times during the past several days at High Plains Baptist Hospital in Amarillo to repair burn injuries she received in the kitchen of her home several weeks ago.

Her husband has been released from the hospital but is staying in Amarillo during her continuing hospitalization.

It was reported that Mrs. Russell is expected to undergo further surgery in the near future.

In case you didn't know—it takes plenty of time and an overload of patience to make sauerkraut. Mrs. Benny Clifton and I have definitely found that out this week, as we struggled with 50 pounds of cabbage... shredding and shredding and shredding.

**POINTING THE WAY...**Mrs. Ron Davenport of the Hospital Auxiliary, is shown with one of the new highway signs on West Highway 60 designating the location of the Parmer County Community Hospital. The hospital auxiliary was instrumental in acquiring the new highway markers in Friona.

**Funeral Held For  
Former Resident**

Funeral services for Elenor Meissner, 45, were conducted Wednesday at 10 a.m. from Concordia Lutheran Church in

St. Paul, Minn., with burial in South St. Paul Cemetery.

**Infant Rites  
Held Friday**

Graveside services for 11 month old Anthony Whiteside, son of Mr. and Mrs. Joe Whiteside, were held at 3 p.m. Friday at Friona Cemetery.

The infant died around 9 p.m. Wednesday at Parmer County Community Hospital where he had been hospitalized for several hours. His illness was diagnosed as typhoid by Dr. Paul Spring. Undergoing treatment for typhoid at the hospital is his 27 month old sister, Lisa, who is reported to be in satisfactory condition.

Officiating at the service was the Rev. L.S. Ansley, a baptist pastor.

Survivors other than his parents and hospitalized sister, include five brothers, and another sister.

She was the daughter of Mrs. Robert Schueler and the late Robert Schueler and died Saturday, September 8 at South St. Paul, Minn.

She was married to Reuben Meissner at Lariat on July 22, 1951.

Survivors include her husband, Reuben; six children, Richard, Cynthia, Janet, Deborah and Mary, all of the home and Mrs. Timothy Egan of Belleville, Ill.; her mother, Mrs. Robert Schueler; brothers, Raymond Schueler, Norbert Schueler, Floyd Schueler and Robert Schueler, Jr., all of Friona and Arnold Schueler of Dallas; a sister, Mrs. Eugene (Irene) Graham of Valparaiso, Ind. and one grandchild.

**FHS Schedules  
Examination**

Students at Friona High School who are planning to attend college, or some other type of school, after graduation will have five opportunities to take the ACT Assessment during the 1973-74 year.

The first of five national test dates on which the ACT Assessment will be offered is Saturday morning, Oct. 20. Students planning to take it on that date must have registered by no later than Oct. 1, it was announced today by B.E. Duggins, Guidance Director.

Although the ACT Assessment Program has been expanded this year to provide students with additional information, the student fee remains \$6.50. Also as in the past, it will take students about 3 1/2 hours to complete the examination and questionnaire that makes up the ACT Assessment. Resulting information reports are of valuable use to students and counselors in planning for postsecondary education.

Duggins also announced the complete ACT Assessment schedule for 1973-74. The national test dates (with registration periods in parenthesis) are—

Oct. 20, 1973 (Aug. 20-Oct. 1); Dec. 8, 1973 (Sept. 24-Nov. 12); Feb. 23, 1974 (Nov. 5-Jan. 28); April 27, 1974 (Jan. 21-April 1); June 15, 1974 (March 25-May 20).

**GRADUATES...**Rafael Jose Gonzales Jr., 18, son of Rafael Gonzales of Friona, is a late summer graduate of Lubbock High School. He is also a nephew of Mr. Santos and Mary Esquivel of Friona.

**Tasting Bee  
Set By FHA**

The Friona High School Future Homemakers of America will sponsor a 'Tasting Bee' at the High School Cafeteria from 5:30 p.m. on Friday, September 28, preceding the homecoming game with Earth-Springle.

Tickets are \$1.50 for adults and 75 cents for children and the FHA members have issued a special invitation to the entire area to attend the 'Tasting Bee.'

**Dunn Infant Rites Held**

Glenn Roy Dunn, one day old son of Airman and Mrs. Roy Dunn died September 3 at Willford Hall Medical Center, Lackland Air Force Base, San Antonio.

Funeral services for the infant were held at the First Baptist Church of Farwell with Chaplain Williams of Cannon Air Force Base officiating. Burial was at Bovina Cemetery in Bovina.

The infant was born September 2 at Cannon Air Force Base Hospital in Clovis, then transferred to the medical center at Lackland Air Force Base.

Survivors other than his parents are grandparents Mr. and Mrs. Otis Huggins and S/Sgt. and Mrs. Robert L.

Johnson. Great-grandparents include Mrs. C.D. Carter of Friona; Mr. and Mrs. E.E. Huggins, Dimmitt and Mr. and Mrs. Y.G. Walker of Anson.

**Kiwanis Club  
Host Ladies**

Members of the Friona Kiwanis Club will host their wives at 'Ladies Night' on Monday, September 24, 7:30 p.m. in the Friona High School Cafeteria, according to president Byron Hardgrove.

New officers will also be installed during the evening.

**CLEAN ENERGY  
FOR TODAY  
AND TOMORROW**

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

## 'Stamps By Mail' New Postal Service

The Postmaster announced this week that a new "Stamps by Mail" service was offered in the local area, and began September 17.

According to the Postmaster, this new service will permit customers to purchase stamps and stamped envelopes through the mail using a personal check or money order.

The Postmaster noted that "This service will be of great benefit to all our customers and especially shut-ins, the elderly and working wives. It will enable them to satisfy their postal needs simply, rapidly and inexpensively from their own homes." Leaflets spelling out the details of the service will be distributed to area households and small businesses during the week.

The Postmaster said "This new service has been tested in selected cities nationwide with very positive results." "One of our customers in a test city wrote 'I am very happy about this service, as many of us older people can't get around the way we would like. We really appreciate this new service.' Obviously we are pleased to provide a service which means so much to people like this senior citizen."

A 40 cent fee will be charged to defray the cost of two-way postage.

### HOSPITAL AUXILIARY Annual Fall Rummage Sale

The Hospital Auxiliary will hold its annual Rummage Sale in the old McCaslin Lumber Company Building—Main Street near the highway.

Dates--September 28th and 29th and each Friday and Saturday through October

Times--Fridays 2-5 p.m. Saturdays 2-6 p.m.

Profits made from this rummage sale will be used to buy new TV sets for hospital rooms.
